### The Grand Southern.

The newspaper reports of Col Greene's excursion last week over the Grand Southern to St. George and St. Stephen, recall public at tention to an unpleasant chapter in the political history of this Province. The reports are very suggestive, for what they do not say. We have no quarrel with the florid eulogisms paid to the genius and cheek of Col. Greene by his guests and friends of the Government he has earned them all. We concur with Mr. Gilmor, M. P., in his statement:

" Mr. Greene had more faith, and mo than any other man he ever knew (Lughter.) The first three would never have done the work, but for the check." We can find no fault with the

strong feeling of gratitude the peo ple of St. George expressed in their eddress to the Hon. Mr. Fraser, for to him, more than to Col. Greene, do they owe the existence of the railway, and do the people of this Province owe a debt of \$450,000 We were, however, startled and surprised at the confessions made by Hon, Mr. Fraser in his reply He pointed with pride to the face that when the Legislature refused point blank to renew the charter o this railway (for the very good reason that it ought not to have been given in the beginning, and would not have been had not the Governments existence depended in Charlotte County votes,) Mr. Fra-
