Store Breakers Sent up for Trial By Police Magistrate Lawlor

Complete Report of Preliminary Examinations Held in Police Court last week, in the cases of John Galliah, John Hall, Thos. Fallon and Francis O'Brien, who were arrested for breaking and entering stores in Newcastle

The Preliminary Hearing in the Demers and Ferguson Robbery cases, in which John Galliah, Thos. Fallon, John Hall, and Frank O'Brien have been arrested, were heard before Police Magistrate Lawlor in the Police Court last Wednesday at 10 a. m.

Clerk of the Peace, T. H. Whelan, prosecuted.

Francis O'Brien had previously given himself up and made a declaration. John Hall pleaded guilty.

The first case heard was that of John Galliah, for breaking and entering Mrs. S. A. Demers' store on Friday night Oct. 3rd.

The first witness was Policeman John H. Ashford who knew Galliah and laid the information in the case. After he laid the information he went to the woods and about 1/2 mile from Patterson's Sliding came to a camp. On entering he found 2 Bolognas, 1/2 doz. silver knives, 2 cans Pork and Beans, quantity of Butter, an empty cigar box, and a lot of empty cans and cigarette boxes. These articles he brought to the Police station and produced them in court. He then searched for the thieves and came in contact with some Scott boys who gave him some information. Subsequently the accused was arrested. He also got information from Frank O'Brien, who had made a declaration.

The next witness was A. Stewart Demers.

He lived in town and knew the accused. His mother's store was broken into on Friday night Oct. 3, 19. He went into the store at 7 p. m. and found the door had been tampered with. Looking around the store he noticed the store in an upset condition, biscuit covers were off, grapes all strewn over the counter, the lemon and vanilla extracts had been taken off shelves and strewn about the counter, pipe boxes were also removed, a box containing 5 silver knives had been removed from its place on the counter and one of the knives were missing. He identified one of the knives in court as the one missing. The night before they had about 35 pkgs. players cigarettes in the store and the morning of the robbery he could find none. He did not close the store the evening before. He looked for policeman Ashford but did not find him, and at 9 o'clock Ashford came into the store, and reported the condition of the store to him. He found a bag of peanuts which he did not think belonged to the store. Also found a piece of cheese which had been taken from the cheese cutter and partly eaten. Later on in the morning he found a piece of tin, which had been nailed on the back door to cover a hole, had been torn off, which would allow a hand to pass through and draw the bolt of the back door, and the bolt had been unfastened. In the roof of the back shed there were a few holes and they would easily admit a person through them.

Thos. Fallon was next witness. He

knew the defendant John Galliah. He knew Frank O'Brien. He heard the information given by Frank O'Brien. He remembered when Mrs. Demers store was broken into. That night he was with John Galliah in Hogan's Pool Room.

After leaving Hogan's pool room he started for home and met Galliah who had a horse and they drove around for a while. They then went to his home and stayed there for a while Galliah went away and he stayed home. He did not know where Galliah went. He swore he was not in Demers' store with Galliah and O'Brien. He knew nothing about the breaking into Mrs. Demers' store. He did not know who owned the horse.

It was 25 minutes to 12 when he drove home and Galliah took the horse away. He got peanuts in Hogan's store at 25 minutes after 11 from Staff Harriman. Jimmy Hogan gave him 5 cents worth of candy. He was not with Galliah when he got the horse. He was not with the other boys when they divided the spoils. He ate the peanuts which he had gotten.

To Mr. Creaghan.

He was with Galliah, but not O'Brien the night Mrs. Demers' store was broken into. He was not with them in Mrs. Demers' store.

To Mr. Lawlor.

He saw Frank O'Brien coming from the time that night. He heard for the first time of Mrs. Demers' store being robbed on Saturday night. It was some time ago since he drank any liquor extract.

Adjourned for lunch.

On resuming in the afternoon.

Red Cross Financial Statement

I have much pleasure in submitting the following financial statement of the Red Cross Society, Newcastle Branch, for the year ending September 30th, 1919:

and shutting. I asked if it was Johnnie and he answered yes, I told him to lock the doors and go to his bed. Shortly after he went to bed, after remaining some time in the kitchen.

I saw no one with him nor did not hear any talking; the second time he came home. I got up at 7.30 Monday morning, and went to an oatmeal box to get some oatmeal, and found the box about half full of cartridges. I took some of the shells and went up stairs and asked John where they came from. John Galliah came to my house the next morning about 8 o'clock, and I enquired if he was the same boy who was with Johnnie the night before. He asked for Johnnie and I told him he was in L.S.I. but that I would call him. I called Johnnie and told him a boy was down stairs who wanted to see him. Johnnie was in bed and answered, it is Galliah, I suppose. I said you don't mean to tell me that it is that criminal Galliah. I then phoned for the police. In addition to the cartridges which I found, I also found the other articles in the cellar. When I came back from phoning, Galliah was gone. Mr. Ashford then came and asked me to get the box containing the stolen articles.

The next witness was John Hall. He knew the accused John Galliah. He met John Galliah Sunday night down on the bank by Ritchie's mill. Galliah was talking to some boys, a young Dunn boy being with him. He was telling the boys he had a revolver and some cartridges to fit it, and after we left the crowd I asked him where the revolver and cartridges were and he said he did not have it. I asked him if he could get me a revolver and then we made up our minds to rob Ferguson's store. We went to Ferguson's back store near the window and I left Galliah there and walked to the Post Office corner to watch for the policeman. Galliah told me to watch for the policeman. I heard the crash of the glass breaking. This was all pre-arranged between Galliah and I. Galliah then came out and Galliah and I went to the street back of Lake's store, and remained about 20 minutes. We then came back to Ferguson's back store by way of Lounsbury yard. We went in the store through the window. I went in first and Galliah followed. Galliah found a flashlight in the back store. Galliah went ahead and took me to the drawer containing the revolvers. We pulled the drawer out

(Continued on page 4)

Regular Meeting Town Council

The regular monthly meeting of the Town Council of the Town of Newcastle was held in the Police Court Room on Thursday Oct. 16th, at eight o'clock p. m. Present: Mayor Doyle, Ald. Crocker, Durick, Jeffrey, Mackay, Sargeant and Russell.

Minutes of Sept 15th meeting read and confirmed. A letter was read from John W. Gilmer, Secy, Relief Committee, Oromocto, soliciting aid towards the establishment of a Relief Fund, and it was moved by Ald. Durick seconded by Ald. Jeffrey, and carried, that the citizens be asked to contribute as liberally as possible towards the relief of sufferers in the Oromocto fire, such contributions to be left in the hands of the Town Treasurer to be forwarded to the proper authorities.

An application from the St. James Presbyterian church, asking for electric current to pump their organ during the Sunday Services was submitted and on motion of Ald. Sargeant, seconded by Ald. Durick was received and referred to the Light and Water Committee.

Ald. Durick reported that the Petition Committee had received an affidavit from Thos. Jeffrey Sr. in which he stated that his total assessable valuation for 1919, was \$850.00, and it was moved by Ald. Durick, seconded by Ald. Crocker and carried that Mr. Jeffrey's valuation be reduced from \$1100.00 to \$850.00. The Public Works Committee recommended payment of E. E. Benson's account for \$45.80 and was ordered paid.

The Police Committee recommended payment of the Stothart Mercantile Co. Ltd. account for \$8.76 and was ordered paid.

Ald. Durick enquired if the Police Committee had any report to make regarding the appointment of a policeman, as the improvement of the police service was greatly needed. He said a number of complaints had been heard, and the people were dissatisfied with the conditions existing for some time past.

Ald. Jeffrey who was the only member of the Police Committee present stated that he had no information, as no meeting of the committee had been held. The following report was presented by the Park and Fire Committee.

The Park and Fire Committee recommended payment of the bill of Stothart Mercantile Co. Ltd for \$12.17. The Committee would also report in favor of removing the old Fire Bell from its present position on the King's Highway, and the owner of the land where it is placed, be given notice the agreement will terminate at the end of the present year.

A. H. MacKAY
Chairman

The report was received and adopted and the bill ordered paid.

Ald. Crocker suggested that the bell be used as a Curfew Bell and it was moved by Ald. Crocker seconded by Ald. Durick and carried that the bell when removed be put in a convenient place in the town and used as a Curfew Bell, to be rung every night at 9 o'clock p. m.

It was moved by Ald. Durick, seconded by Ald. Russell, and carried that the Police Committee be instructed to give positive orders to the Chief of Police that the regulations governing the Curfew Bell be strictly enforced.

The Light and Water Committee recommended payment of the following Bills, which were ordered paid.

T. McAvity & Sons Ltd.	\$149.50
W. H. Thorne & Co. Ltd.	55.00
I. C. Coal Mining Co. Ltd.	805.35
Fraser Companies Ltd.	75.00
Miramichi Mfg. Co. Ltd.	33.83
Maritime Foundry	2.20
Imperial Oil Ltd.	67.11
A. R. Williams Mach. Co. Ltd.	34.00
Canadian General Electric Co. Ltd.	4.80
Stothart Mercantile Co. Ltd.	243.59

The following report was presented from a committee of the whole. At a meeting of a committee of the whole, held on Sept. 18th, to consider the matter of proposed installation of a Hydro-Electric Plant, it was found that later advice received from the Engineer were not so favorable to the proposition, owing to the town's present consumption of current being insufficient to warrant outlay of the

Kent-North'd District Division S.O.T

The fifty-first quarterly meeting of the Kent-Northumberland District Division Sons of Temperance, was held in the W. C. T. U. Hall Newcastle, on Monday afternoon, Oct. 13th, District Worthy Patriarch Harold C. Stothart, of Douglstown Division presiding, H.H. Stuart, of Newcastle Division District Scribe.

Following committees were appointed: State of the Order—Grand Treasurer, Mrs. T.A. Clarke, Mrs. Alice B. Leard and Miss Annie Alexander.

Programme—Miss Lida Copp and H.H. Stuart.

The D.W. P. reported that, on the whole the Division in Northumberland County had not been meeting very regularly during the summer, but he felt sure that this would be improved during the fall and winter.

The District Scribe reported that returns from four of the ten divisions in good standing showed an increase of nine in the total membership during the past quarter. Estimating the membership in the other six as the same as June 30th, the total membership of the District would be 366-296 adult and 74 including 4 adults, in the Band of Hope. The same conditions re-enforcement of the Prohibition Law obtained as formerly. While the government was giving the inspectors a free hand in suppressing the illegal use of the old-fashioned liquors, the sale of other alcoholic compounds appeared to be unrestricted. Hon. Mr. Doherty's motion in Parliament to enable each province to wish to do so, to prohibit both manufacture and importation of liquor as well as the sale thereof showed the Dominion Government's intention to deal fairly in the matter of prohibition. If the temperance people worked, there could scarcely be any doubt of absolute prohibition carrying in all the provinces except Quebec.

The Police Committee recommended payment of the Stothart Mercantile Co. Ltd. account for \$8.76 and was ordered paid.

Ald. Durick enquired if the Police Committee had any report to make regarding the appointment of a policeman, as the improvement of the police service was greatly needed. He said a number of complaints had been heard, and the people were dissatisfied with the conditions existing for some time past.

Ald. Jeffrey who was the only member of the Police Committee present stated that he had no information, as no meeting of the committee had been held. The following report was presented by the Park and Fire Committee.

The Park and Fire Committee recommended payment of the bill of Stothart Mercantile Co. Ltd for \$12.17. The Committee would also report in favor of removing the old Fire Bell from its present position on the King's Highway, and the owner of the land where it is placed, be given notice the agreement will terminate at the end of the present year.

A. H. MacKAY
Chairman

The report was received and adopted and the bill ordered paid.

Ald. Crocker suggested that the bell be used as a Curfew Bell and it was moved by Ald. Crocker seconded by Ald. Durick and carried that the bell when removed be put in a convenient place in the town and used as a Curfew Bell, to be rung every night at 9 o'clock p. m.

It was moved by Ald. Durick, seconded by Ald. Russell, and carried that the Police Committee be instructed to give positive orders to the Chief of Police that the regulations governing the Curfew Bell be strictly enforced.

The Light and Water Committee recommended payment of the following Bills, which were ordered paid.

T. McAvity & Sons Ltd.	\$149.50
W. H. Thorne & Co. Ltd.	55.00
I. C. Coal Mining Co. Ltd.	805.35
Fraser Companies Ltd.	75.00
Miramichi Mfg. Co. Ltd.	33.83
Maritime Foundry	2.20
Imperial Oil Ltd.	67.11
A. R. Williams Mach. Co. Ltd.	34.00
Canadian General Electric Co. Ltd.	4.80
Stothart Mercantile Co. Ltd.	243.59

The following report was presented from a committee of the whole. At a meeting of a committee of the whole, held on Sept. 18th, to consider the matter of proposed installation of a Hydro-Electric Plant, it was found that later advice received from the Engineer were not so favorable to the proposition, owing to the town's present consumption of current being insufficient to warrant outlay of the

required sum, and as the Light and Water Committee reported a more favorable prospect for the year 1920, it was decided to allow the matter to stand for the present, pending the outcome of other propositions which are under consideration.

A. H. MacKAY
Chairman

This report was received and adopted.

The chairman of the Light and Water Committee reported that Mr. Foss, Chairman of the N. B. Water-powers Commission, with Mr. Smith the Engineer of the department had been in town, since last meeting, looking over the general situation, and that they had stated that prospects were good for a central installation of a plant on the Toteague River, to supply electricity to all the North Shore communities and if the towns would agree to take a sufficient quantity of power our present requirements might be secured for about \$12000.00 per year. On motion the council adjourned.

SHIP SAILED.

The vessel which was built by the Miramichi Construction Co. Ltd. of Nordin, N. B. of which Mr. H. A. Frank is the enterprising manager, sailed out of the river last Friday afternoon at 1.15 o'clock.

SOUR, ACID STOMACHS, GASES OR INDIGESTION

"Pape's Diapepsin" neutralizes excessive acid in stomach, relieving dyspepsia, heartburn and distress at once.

Time it! In five minutes all stomach distress, due to acidity, will go. No indigestion, heartburn, sourness or belching of gas or eructations of undigested food, no dizziness, bloating, foul breath or headache.

Pape's Diapepsin is noted for its speed in regulating upset stomachs. It is the surest, quickest stomach sweetener in the whole world, and besides it is harmless. Put an end to stomach distress at once by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder caused by fermentation due to excessive acids in stomach.

You found Victory Bonds a good investment. Chance coming to buy some more.

If you don't buy Victory Bonds our efforts have been in vain.

Buy prosperity by buying Victory Bonds.

Control Of Liquor Prices

FREDERICTON, Oct. 11.—Controlled prices of liquor, sold on physician's prescriptions in New Brunswick, will go into effect on Nov. 1, when the present wholesale and retail vendors' licenses expire, it was learned today.

Conferences have resulted in the fixing of the profits, which will be allowed and, it is stated, that wholesalers will carry on a 20 per cent basis, while retail vendors will be allowed to add 22 1/2 per cent to the cost or liquors as their profits.

Vendors say that standard brands of Scotch whiskey, which have been selling locally at \$3.50, will retail at about \$2.75 per bottle of 24 ounces under the new system, while there will be a similar reduction in prices of other liquors. The new price lists will be published and vendors will be subject to penalties for selling in advance of the schedule which will be posted in their establishments.

I will buy more bonds!

OWES HER LIFE TO "FRUIT-A-TIVES"

After Years of Suffering with Dyspepsia, this Fruit Medicine Gave Relief

Mlle ANTOINETTE BOUCHER

917 Dorion St., Montreal.

"I am writing to tell you that I owe my life to 'Fruit-a-tives' for this remedy relieved me when I had abandoned all hope of ever recovering my health. I suffered terribly with Dyspepsia. I had it for years and all the medicines I took did not do me any good.

I read something about 'Fruit-a-tives' being good for all Stomach Troubles and Disorders of Digestion so I tried them. After finishing a few boxes, I was entirely relieved of the Dyspepsia and my general health was restored.

I thank the great fruit medicine, 'Fruit-a-tives', for this wonderful relief."

Mlle ANTOINETTE BOUCHER.

50c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa, Ont.

Finley Case Is Not Finished

FREDERICTON, Oct. 17.—The police commission did not continue the investigation of the charges against Chief of Police Finley last evening, but this morning, Ald. Wm. McKay, the chairman, said the Commission would meet this afternoon and be expected that the complainant's case would then be concluded. William Sturgeon, who was formerly a member of the permanent police force, has returned from the Miramichi woods and would be on hand to give evidence this morning, while it is expected that Harry M. Blair, the complainant, will also be called.

It was said this morning that the defense would call several witnesses and it will probably take at least one more session of the Commission before evidence has been completed. No official statement has as yet been given out as to the evidence that has been taken.

Pres. Wilson Improving

WASHINGTON, Oct. 17.—President Wilson continued to show improvement today, White House officials said, and he appeared to be much cheered by the defeat of the Shantung amendment to the peace treaty. The report of the senate vote was communicated to the president immediately after it was announced late yesterday.

WASHINGTON, Oct. 17.—Hope was expressed by labor delegates to the industrial conference that Samuel Gompers, president of the American Federation of Labor, who has been suffering from nervous exhaustion would be able to resume his place today as leader of the labor group.

Gompers' temperature was normal last night, his secretary reported. He is very anxious to be back in the conference room, but his physician has advised further rest.

THREE MURDERERS HANGED TODAY

PRINCE ALBERT, Sask., Oct. 17.—For the murder of James McKay, sheriff's officer, in November last, the three Steep Creek bandits died on the scaffold this morning. Victor Carmel, Jean Baptiste St. Germain and Jos. Gervais were taken from their cells at 7 o'clock into the jail yard, and within one minute from the time they left the cells, the men were dead. They died side by side at the same time on the scaffold for the same crime.

They gave no trouble and walked boldly to the scaffold. Arthur Ellis carried out the sentence of the court, the men standing on a single trap, and in the drop their necks were broken and death was instantaneous. Pulse ceased twelve minutes afterwards in each case.

BAD CUT HEALED BY Zam-Buk

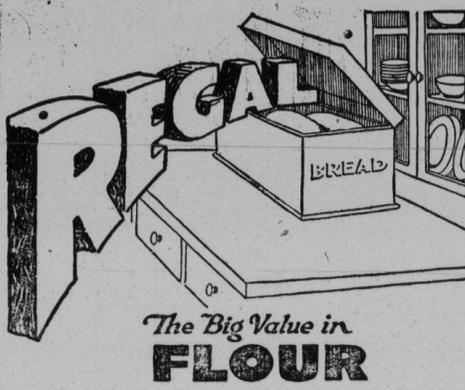

Mr. S. R. McClure of Ballinasfad, Ont., writing to the proprietors of Zam-Buk, says: "I cut my hand very badly between my thumb and first finger, with a saw. The place became very painful and swollen, and before I realized it blood-poisoning had set in. Having heard that Zam-Buk is the best thing for blood-poisoning, I got some at once, and it was really wonderful how the first few applications stopped the pain. Soon the poison was all drawn out and continued use of Zam-Buk entirely healed the cut."

Zam-Buk should be kept handy by everyone, and applied immediately an injury is sustained. By doing so, not only can pain and soreness be almost immediately ended, and being effected in the shortest time possible, but Zam-Buk being antiseptic, prevents any danger of festering or blood-poisoning. Get a box today and be ready for emergencies. Owing to its herbal composition Zam-Buk will keep for an indefinite period and still retain its strength and purity. It is best for cuts, burns, scalds, eczema, salt rheum, boils, pimples, ulcers, abscesses, blood-poisoning and piles. 50c. all dealers.

Loan Tax Leads To Misunderstanding

Many Canadians whose incomes are so small that they do not come within the scope of the income tax act seem to be apprehensive regarding the fact that the Victory Loan 1919 will be subject to taxation.

The average Canadian can rest assured that in very few cases will their investments in Victory Bonds result in the paying of extra taxes. In the first place, it is the interest from the bonds, not the original principal invested, that will be subject to taxation. Also the exemptions that have been provided for are so generous a nature that even with the interest from bonds added to the original income the great majority of married men will have no tax to pay.

Incomes of married men only in excess of \$2,000 will be subject to income tax. And it should be impressed in this connection that it is the amount in excess of the \$2,000, not the entire amount, that will be taxed. Also in the case of married men \$200 is allowed for each child under 18 years of age, while single men who have anyone dependent upon them are only taxed for any amount in excess of \$2,000 of their income.

The great mass of subscribers to the Victory Loan 1919 will be people of moderate means. These, in the majority of cases, will not be brought under the income tax by reason of their investment in Victory Bonds. Only wealthy individuals and corporations will be affected to any extent.

Mother's Bill Is Rarely Presented

(Western World.)

A ten-year-old overheard a conversation about certain bills for service rendered which had to be paid, and conceived the idea of making out a bill for his own services. So the next morning he laid his statement of account on his mother's breakfast plate: "Mother owes Willie for carrying coal six times, twenty cents, for bringing water lots of times, thirty cents; total, sixty-five cents." His mother read the bill, but said nothing. That evening Willie found on his plate the sixty-five cents, and also another bill, which read as follows:

"Willie owes mother: for his happy home of ten years, nothing; for his food and clothing, nothing; for nursing him through a long illness nothing; total, nothing." When Billy saw the sixty-five cents he was pleased, but when he read his mother's note his eyes became dim and his lips quivered. Then he took the money to his mother, threw his arms around her neck, and begged that she would let him do lots of things for her! Mother's bill is rarely represented, but it will pay each child to think it over for himself, and then pay it in love and service.

If your subscription date is in arrears we would be pleased to receive your remittance.

Keeping the Home Fires Burning

THERE ARE MANY MEN YET LIVING who can tell about going to the neighbor's miles away perhaps, to "borrow" a chunk of fire. Until it arrived, no warmth, no light could be kindled. Whole families have shivered for hours until the messenger could return with the precious spark from a neighbor's fireplace.

Today, with a box of

Eddy's Matches

on the shelf, you need not worry least the fire die down in the night, and you can leave your hours for weeks without making elaborate plans for getting a fire started when you return.

A match is a little thing, perhaps, but it has made a big difference in the world. And it makes a difference whether you get good matches or poor ones.

The best assurance of match satisfaction you can have is to see that Eddy's name is on the box.

The E. B. EDDY CO. Limited
HULL, Canada

Relieve Your Rheumatism For 25c.

NR does it by improving digestion, assimilation and elimination—the logical way.

NR Today—Relief or No Pay

There are three vital processes of human existence—the digestion of food, the extraction of nourishment from it and the elimination of the waste.

Let anything interfere with these processes—let them be interrupted or improperly carried on, and sickness of some kind follows.

Poor digestion and assimilation means failure to derive full nourishment from food and that in turn often means impoverished blood, weakness, anemia, etc. Poor elimination means an accumulation of waste matter which poisons the body, lowers vitality, decreases the power of resistance to disease and leads to the development of many serious ills.

Rheumatism, due to some interference with the process of elimination, failure to get rid of certain body poisons—cannot be expected to yield to any medicine that fails to correct the condition responsible for it. Could any reasonable person expect to rid himself of rheumatic pain as long as

rheumatic poison is allowed to remain in the body.

Think of this. It explains the success of Nature's Remedy (NR Tablets) in so many cases where other medicines have failed. Thousands are using NR Tablets every day and getting relief. Why pay five or ten times as much for uncertain things? A 25c box of Nature's Remedy (NR Tablets), containing enough to last twenty-five days—must help you, must give you prompt relief and satisfactory benefit—or cost you nothing.

And Nature's Remedy is not only for the relief of rheumatism. It improves digestion, tones the liver, regulates kidney and bile secretion, improves the blood and cleanses the whole system. You will make a new person when you've used NR Tablets a week. You've tried the expensive medicines and doctors, now make the real test. You'll get results this time. Nature's Remedy (NR Tablets) is sold, guaranteed and recommended by your druggist.

Report of Ford Line To Ireland Is Confirmed

Detroit, Mich., Oct. 8.—A report from London that Henry Ford is considering the establishment of a steamship line to Ireland was corroborated here this afternoon by Charles E. Soren, sen superintendent of the Ford Tractor Company.

Mr. Sorensen declared that a number of American industrial concerns, having Irish branches, have been asked to provide means of shipping to and from Ireland. The Ford interest with a branch at Cork, he said, were asked to do so and Mr. Ford promised to consider the request.

Cablegrams to that effect, he said, had been sent to Cork.

Royal Bank of Canada Expansion

Announcement is made that the Royal Bank of Canada in its policy of expansion has opened a branch in Rio de Janeiro and will shortly open branches in Buenos Aires, Argentina; Montevideo, Uruguay; Barranquilla, Colombia, and San Paulo and Santos, Brazil. The Royal Bank of Canada was the pioneer Canadian financial institution to develop a connection with Cuba and now is taking the lead in getting into the South American field.

School Teachers And Salaries

A meeting of the Commission appointed under an act of the last session of the Legislature to consider the question of teachers' salaries was held in the Government rooms yesterday.

The commission has several propositions before it in regard to the pay of teachers, and is making progress in working out a schedule which it is hoped will be satisfactory to the teachers of the province. The members of the commission are Hon. W. E. Foster, Hon. Peter Veniot, W. S. Carter, the Chief Superintendent of Education; W. S. Sutton, M. P. P. for Carleton County; William Barker, Principal of the Moncton High School representing the teachers, and W. H. Fiewelling, of Hampton, representing the School Trustees.

STRUCK OFF STRENGTH.

The undermentioned officers are struck off the strength of the C. E. F. on general demobilization, unless otherwise stated:

Major George Harris Willett, June 30, 1919.

Major Roderick French MacLaughlan, M. C., medically unfit, July 7, 1919.

Captain Charles Benjamin Bate, M. C., July 16, 1919.

Captain Albert Edward Logie, August 1, 1919.

Captain Charles Potter McCulley, August 7, 1919.

"My Back Is So Bad"

PAINS in the small of the back, lumbago, rheumatism, pains in the limbs all tell of defective kidneys.

Poisons are being left in the blood which cause pains and aches.

The kidneys, liver and bowels must be aroused to action by such treatment as Dr. Chase's Kidney-Liver Pills.

There is no time for delay when the kidneys go wrong, for such developments as hardening of the arteries and Bright's disease are the natural result.

One pill a dose, 25 cents a box, all druggists, or Edmaness, Balpe & Co., Ltd., Toronto.

Dr. Chase's Kidney-Liver Pills

The Feeding Value of Tankage And Meat Scraps

Leghorn pullets, if heavy layers, consume about 82 pounds of feed per year.

Pullets that were poor layers used within 18 pounds as much feed as the good layers. This amount of feed, if of the proper kind, may increase egg production over 100 eggs per bird.

When given an opportunity, pullets ate eight to ten times as much oyster shell as grit.

Results indicate that the presence of animal protein in a ration increased the efficiency of the other feeds given.

Although the egg production varied from year to year, the general tendency was for meat scraps and tankage to be equally efficient.

The pullets in the pen fed tankage laid an average of 183.5 eggs; in the meat scraps pen, 179 eggs; and in the no meat-fed pen, 59.35 eggs per year.

Under war time conditions, it cost slightly over \$2.00 to feed a laying Leghorn pullet for 12 months.

It cost an average of \$0.123 for feed to produce one dozen eggs in tankage pen, \$0.136 in the meat scraps pen, and \$0.33 in the no meat feed pen.

It cost less to feed a pullet when no tankage or meat scraps were fed, but it cost more to produce one dozen eggs.

The amount of feed required to produce one pound of eggs was 3.6 pounds in the tankage pen, 3.77 pounds in the meat scraps pen and 9.32 pounds in the no meat-fed pen.

Sudden severe lowering of temperature in the winter retarded egg production of Leghorns.

The profit over feed costs was \$4.17 in the tankage pen, \$4.60 in the meat scraps pen and \$0.43 in the no meat-fed pen.

A Leghorn pullet produces about 25 pounds of manure on the roosts each year.

There was nothing to indicate that the rations given had any influence on the mortality of the flocks.

—Purdue Experimental Station, Bulletin.

GET YOUR NAME ON HONOR ROLL

When the light is flashed upon Victory's Honor Roll—upon the names of those who served—will your name be there?

Heaven: Long years from now, when the infants of today have become men and women, when the Great War is only a memory and tall trees are waving over the graves on Vimy Ridge, in the Somme Valley and in countless other places on the old battlefields of France, you will still be pointed to and spoken of as a Canadian who did or did not do his duty.

Place your name where the torch of victory will illuminate it in a queenly, deathless glow. Place it with those who pledged their last dollar in the purchase of Victory Bonds, 1919.

His First Shave—Nearly.

For some time young Jones had suspected when he stroked his chin, that there was something there, and now he was certain of it, so fearfully he hid himself to the barber's shop, and braced again when he found he was the only customer. Calmly he took possession of the operating chair, and the towel had just been placed below his chin when—horrors!—the door opened, and in stalked three of his office colleagues. "Shave sir!" said the barber to the horror-stricken Jones. "N-n-no," blurted out the unfortunate youth in desperation; "Face washed, please."

Don't Bother with "Special Pastry Flour"

You can get the same flaky lightness in your Pie Crusts, Tarts and Cookies, with

BEAVER FLOUR

as you can with any pastry flour. Beaver Flour is milled of the famous Ontario fall wheat, strengthened with western spring wheat.

And more than that—Beaver Flour makes a loaf of bread that is a joy to eat—with fine, even texture and a delicious, "homey" nutlike flavor, unknown to those who still use the tough, tasteless, western spring wheat flour. Make the change today—order a barrel of Beaver Flour at your grocer's and have really delicious bread and Pastry.

TUESDAY, OCT. 21, 1919

CONCERNING THE PRIVATES.
Divisional, brigade and battalion officers are necessary. They do their part in organizing victory. In directing all available force to the weak spot of the enemy's line. Yet it would be unwise to forget that the actual fighting is done by the rankers. A General Staff without command of privates in suitable numbers would be an opera bouffe organization.

Let the principal be applied to another situation. Canada is floating a new Victory Loan to meet the indebtedness incurred in the repatriation and discharge of the army to provide credits for overseas customers desiring to buy Canada's surplus products. The Minister of Finance has his General Staff, consisting of some of the most eminent financiers and business men in all Canada. The subordinate organizations are complete. All this work is necessary to concentrate the effort, and to avoid all semblance of overlapping in the direction of the campaign.

But the people of Canada will carry the Loan to victory. Undoubtedly each high official who has accepted honorary responsibilities will buy Bonds. There will be an eager demand for the securities from men of wealth and leadership. But the Loan will succeed only in proportion to the number of general subscribers. The sale of Bonds for \$50, \$100, and \$200 determined the success of the Victory Loan of 1919 when the issue was heavily over-subscribed.

Therefore it is well to ask if the privates are in good fettle, if they are able for the task, if the morale is good if they still have confidence in the nation, and pride in its good name. To ask the question is to answer it. Everyone must realize that in this difficult year we have just passed the Canadian people have shown the great measure of sanity and common sense. They are interested in public affairs. They know the great burdens which demobilization has imposed, as the state of the Bank deposits will show. Once more they will make a show of the pessimists and carry this Victory Loan to a decisive triumph.

A Tonic For The Nerves

The Only Real Nerve Tonic is a Good Supply of Rich, Red Blood

"If people would only attend to their blood, instead of worrying themselves, ill," said an eminent nerve specialist, "the doctors would not see our consulting rooms crowded with nervous wrecks. There are people suffering from worry than anything else."

The sort of thing which the specialist spoke of is the nervous run-down condition caused by overwork and the many anxieties of to-day. Sufferers find themselves tired, morose, exasperated and unable to keep their minds on anything. Any sudden noise hurts like a blow. They are full of groundless fears, and do not sleep well at night. Headaches, neuritis and other nerve pains are part of the misery, and it all comes from starved nerves.

Doctoring the nerves with poisonous sedatives is a terrible mistake. The only real nerve tonic is a good supply of rich, red blood. Therefore to cure nervousness and run-down health Dr. Williams' Pink Pills should be taken. These pills actually make new, rich blood, which strengthens the nerves, improves the appetite, gives new strength and spirits, and makes hitherto despondent people bright and cheerful. If you are at all "out of sorts" you should begin curing yourself to-day by taking Dr. Williams' Pink Pills.

You can get these pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

PILES
Do not suffer from this itching, bleeding, burning, and painful condition. Dr. Chase's Ointment will relieve you at once. It is certainly one of the best of all ointments, or E. J. Mansfield & Co., Limited, Toronto. Sample box free if you mention this paper and enclose 10 stamp to pay postage.

Store Breakers Sent Up For Trial

(Continued from page 1.)

and helped ourselves to the revolvers and flashlights. We got the bolts hanging up, the cartridges in the back of the store, and the knives on the other side of the store. We got the pipe in the show case in the front store. He identified the articles in court as the ones stolen by himself and Gallah. This was about 12 o'clock Sunday night, and we carried the things in our pockets to my home. Gallah and I then put the things in the box at my home. I had 4 revolvers. I loaded one revolver and Gallah loaded the automatic revolver. I also took a flashlight and Gallah took one. I also took about 8 boxes of cartridges, 2 belts, 4 Jack Knives. Gallah got as much as I did. I also took a pipe, and 2 prs of gloves. The rest of the stuff in the box was taken by Gallah. I think Gallah got an automatic revolver also, as I saw two of them in the store. We put them in the cellar at my home and Gallah went home. The shells which were found in the oatmeal box were ones I had loose in my pockets, and I put them there that night. Gallah told me he had been at the other window of Ferguson's store before. Gallah also said he was in Demer's store with O'Brien and Fallon. Gallah told him about these things Sunday night before breaking into Ferguson's store. I went to bed and have not been talking to Gallah since, until today.

Mr. John Ferguson was the next witness.

He might have seen accused before but did not know him. On Monday morning he discovered that the rear window of his store had been broken. 7 or 8 revolvers had been taken, and the ammunition had been disturbed. Witness identified the articles stolen, which were shown him, to be his property. A similar flashlight to the one shown witness was kept in a box, just as you enter from the back store to the front store. This box is on the end of one of the shelves. Witness identified, the flashlight as his, from his mark which was on the end of it. Richard Daigle, Mr. Ferguson's clerk was the next witness. He knew the accused John Gallah. Before entering the store I noticed the window broken. On entering I found the revolvers gone. There were 8 revolvers missing. Then I saw some ammunition was missing, also the flashlight which we used in the store was gone. Later, on I missed more flashlights then went to Mr. Ferguson's home and notified him. Mr. Ferguson, then came down and the store was in the same condition as I had found it.

This closed the case for the prosecution in the Ferguson theft case.

The accused John Gallah, had no witnesses and did not wish to go on the stand in rebuttal.

Court adjourned until after supper. Francis O'Brien's evidence in the Demer's case was taken in the evening. He was 15 years old. He knew John Gallah. Remembered Oct. 3rd and was in Mrs. Demer's store with John Gallah and Thos. Fallon, on that night. John Gallah had a horse, he thought it was Gremley's and drove a fellow to Nelson. He got into the wagon with Gallah and drove around with him. Gallah took the horse back to Gremley's stable about 11 o'clock. When coming from the stable we met Fallon. The three of us walked to Demer's store and agreed to enter the store and get some goods. We went back into a back room and climbed over some buildings and went down through a hole in Mrs. Demer's roof. We pushed a tin off a whole in the door leading into the store. Gallah was ahead and he opened the door and we all went into the store. We were in there about 1 1/2 hours. We went in about 11:45 p. m. While in the store we helped ourselves to chocolates, cigarettes, lemon extract, 3 bolognas, 3 cans beans, 3 cans of salmon, a case of 25c bottles and a case of 50c bottles of lemon. We took mixed cakes, 1/2 doz knives. The knives in court are like the ones we took. We took about 20 or 30 pkgs of cigarettes and one box of cigars "Margarettes". We took a couple of pipes. Also butter and tea and 4 or 5 mouth organs.

After leaving the store we took the stolen goods to the Quigley barn on the C. I. Road where we hid the articles in the field near the fence among a pile of stone. Fallon then went home and Gallah and I went home also. I think Fallon took a pound of butter home. Gallah and I took nothing home with us. On Saturday afternoon Gallah and I went over to the steamer at Maloney's where Fallon was working and we asked him to go back to the camp on Sunday. Fallon said he would see me after supper and what he told him he told us he would not go back but perhaps he would go back on Sunday afternoon. On Saturday

Booril
gives strength to win

On sale at all Druggists and Stores.

night, Gallah, George Williston and I went back to the field to get the stuff. We told Williston where we got the stuff.

We all carried the stuff away to Dalton's Camp near Patterson's Sliding, and Williston bought a loaf of bread. We stayed at Dalton's Camp all day Sunday and came out Monday afternoon. A man by the name of Curtis who works on the telephone line camped with us on Sunday, but he had his own grub. A Scott boy who lives out there was also with us in the camp for awhile.

Williston was the only one whom we told about the robbery. Gallah did not tell the witness anything about his other escapades. Witness gave himself up last Tuesday. Since then he was home and cut to his ankles, at Beveridges, and came out to town on the local this morning. He was afraid to come to the Police office this morning and went down the road instead. He came back about 6:45 p. m. tonight. Gallah, Williston and myself drank the two cases of lemon, but it did not make us drunk. The mouth organs were left in the camp, along with the balance of the food which was not eaten.

One of the mouth organs was lost on the road. They smoked all the cigarettes at the camp. Witness went back to work to Mrs. Demer's store on Saturday morning.

Court adjourned until 10 o'clock Thursday morning.

This concluded the evidence against John Gallah in the Demer's robbery.

The case against Thos Fallon was held in the Police Court, Thursday morning at 10 o'clock, for entering Mrs. S. A. Demer's store. The same evidence given by Frank O'Brien in the case against John Gallah was submitted as evidence against Thos. Fallon.

John Gallah was the next witness. He knew Thos. Fallon the accused. He remembered the night of Oct 3rd Thos Fallon, Francis O'Brien and himself were in the vicinity of Demer's store. They went around back of Morrissey's, climbed up on Morrissey's barn, and went across on a shed to Demer's shed. Went down through a hole in the roof. Went down stairs, forced the tin off the door, opened the door and all three went in. O'Brien made for one side and Fallon and I went to the other. We got a bag and put beans, salmon, lemon, a bag and put beans, salmon, lemon, and cigarettes and a tin of butter in the bag. Fallon went to the back shed and brought three Bolognas and he put them in the bag. O'Brien and I drank beer in the shop. We were there about one and one half hours. I drew the bolts out of the front door and we took the stuff back the road to Quigley's field, and hid it by the fence in a pile of rocks. Fallon said he was going to take home a pound of butter. We all went home. O'Brien and I stayed for a while on our veranda.

O'Brien and I saw Fallon about 3 p. m. Saturday at Maloney's. We asked him if he was coming back to the camp. He said he would see us after supper. We saw Fallon after supper and he said he would go back on Sunday. He did not come back. I next saw Fallon in the goal Monday night. Adjourned.

The Thos. Fallon hearing was resumed before Police Magistrate J. R. Lawlor in the Police Court Room on Saturday morning.

The evidence of A. Stuart Demers and Policeman J. H. Ashford against Thos. Fallon was the same as in the case of John Gallah.

This closed the case for the crown against Thos. Fallon.

The accused Thos Fallon had no witnesses in his defence and did not wish to give evidence himself in rebuttal.

Thos Fallon was sent up for trial in the Demer's case. John Gallah was sent up for trial in the Demer's case and the Ferguson case.

FALL UNDERWEAR

For Every Member of the Family

Soon frosty winter will be whistling through the frozen streets and empty tree tops. Sensible people are preparing now to protect themselves with Warm WOOL UNDERWEAR that will keep out the winter chills.

**THICK, GLOSSY HAIR
FREE FROM DANDRUFF**

Girls! Try it! Hair gets soft, fluffy and
beautiful—Get a small bottle
of Danderine.

If you care for heavy hair that glistens
with beauty and is radiant with
life; has an incomparable softness and
is fluffy and lustrous, try Danderine.
Just one application doubles the
beauty of your hair, besides it immediately
dissolves every particle of
dandruff. You can not have nice heavy,
healthy hair if you have dandruff. This
destructive scurf robs the hair of its
natural strength and its very life,
and if not overcome it produces a feverishness
and itching of the scalp; the
hair roots furnish, loosen and die; then
the hair falls out fast. Surely get a
small bottle of **Kaiser's Danderine**
from any drug store and just try it.

SOCIAL AND PERSONAL

Dr. R. Moore of Stanley, N B was a visitor to town last week.

Mr. Allan Menzies of Fredericton spent last week at Tracadie on a bird shooting trip.

Mr. Fred C. N. Parke, Taxidermist of Bangor, Me., returned to his home last Saturday.

Major King Hazen, returned from overseas, Sunday on the S. S. Celtic which docked at Halifax.

Newcastle, Oct. 11—In St. Patrick's church, Nelson yesterday morning, Allard Vautour was united in marriage to Miss Alice Jimmeau, Rev. Father N. Power officiating. Miss Theresa Curry was bridesmaid and Peter Malley best man. Mr. and Mrs. Vautour will reside at Chatham Head.

ALLISON—DUNNETT.

Newcastle, Oct. 11—At the Methodist parsonage, Wednesday, Miss Annie Dunnett, of Trout Brook, daughter of the late Mr. and Mrs. William Dunnett, was married to James Allison, of Wayerton, son of Mr. and Mrs. Henry Allison, Rev. Ernest Rowlands performing the ceremony. Miss Rose Tozer, of Sunny Corner, was bridesmaid, and Weldon Dunnett, brother of the bride, supported the groom. The bride was gowned in navy blue with blue hat, and the bridesmaid wore black, with hat to match. Wedding supper was served at the bride's home, and afterwards a reception was held at the home of the groom. Mr. and Mrs. Allison will reside in Wayerton.

UNDERHILL—STEWART

A very pretty wedding was solemnized at St. Mary's Catholic church, Wednesday last, at eight o'clock, when Rev. Fr. Dixon at nuptial mass united in marriage, Miss Emma Stewart, daughter of Mr. and Mrs. James Stewart of Newcastle and Robert Wesley Underhill of Blackville. The bride who looked charming was attired in a suit of bottle green velvet with black picture hat and wore white furs and carried a shower bouquet of brides roses, white carnations and maiden hair fern. She was assisted by Miss Margaret McGrath who wore taffetta silk and picture hat, while the groom was supported by Fred Hachey.

After the ceremony the happy couple and invited guests drove to the home of the bride where a dainty wedding breakfast was served, after which the bridal party motored to Blackville, where in the evening a wedding reception was held at the home of the groom, over 100 guests were present to extend congratulations to the bride and groom, among them being Rev. Fr. Crumbley who presided.

at the first table and gave his blessing.

A delightful program of music was rendered by Professor Ross, assisted by Mrs. James O'Brien, sister of the bride.

Mr. and Mrs. Underhill were the recipients of a large number of presents, including furniture, china, silver, cut glass etc. The N. B. Telephone Co., of which the bride was an official member sent a beautiful silver cake basket.

The Advocate joins in wishing the young couple future happiness and prosperity.

SCOTCH TWEEDS

From the Land of the Heather

WHEN we say that these are genuine Scotch Tweeds—imported by Fit-Reform directly from Scotland—haven't we said all that can be said about the sturdiest and—to many men—the most likable Suits and Overcoats that can be made?

And these new Tweeds have gained added charm from being shaped into Suits and Overcoats by the master hands of the Fit-Reform tailors.

If you have a preference for Tweeds, either in Suits or Overcoats, let us show you the novelties we have imported in genuine Scotch Tweeds.

Johnson's ANODYNE Liniment

is a doctor's famous prescription for internal and external use. A soothing, healing, pain quelling anodyne with a record of over 100 years of remarkable success.

OTHER TABLETS NOT ASPIRIN AT ALL

Only Tablets with "Bayer Cross" are Genuine Aspirin

If you don't see the "Bayer Cross" on the tablets, you are not getting Aspirin—only an acid imitation. Genuine "Bayer Tablets of Aspirin" are now made in Canada by a Canadian Company. No German interest whatever, all rights being purchased from the United States Government.

During the war, acid imitations were sold as Aspirin in pill boxes and various other containers. The "Bayer Cross" is your only way of knowing that you are getting genuine Aspirin, proved safe by millions for Headache, Neuralgia, Colds, Rheumatism, Lumbago, Neuritis, and for Pain generally.

Handy tin boxes of 12 tablets—also larger sized "Bayer" packages can be had at drug stores. Aspirin is the trade mark (registered in Canada), of Bayer Manufacture of Monoceticacidester of Salicylicacid.

"CASCARETS" WORK WHILE YOU SLEEP

For Sick Headache, Sour Stomach, Sluggish Liver and Bowels—Take Cascarets tonight.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret to-night will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months.

MINARD'S "KING OF PAIN" LINIMENT

Extract from a letter of a Canadian soldier in France.

To Mrs. E. D. BAMBRICK:
 The Rectory, Yarmouth, N.S.

Dear Mother:—
 I am keeping well, have good food and well protected from the weather, but have some difficulty keeping uninvited guests from visiting me.

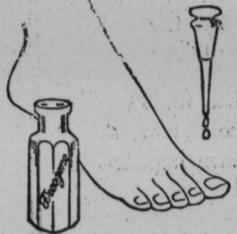

Have you any patriotic druggists that would give something for a gift overseas—if so do you know something that is good for everything? I do—Old MINARD'S Liniment.

Your affectionate son,
 ROB.

Manufactured by the
 Minard's Liniment Co. Ltd.
 Yarmouth, N.S.

LIFT OFF CORNS!

Apply few drops then lift sore, touchy corns off with fingers

Doesn't hurt a bit! Drop a little Frezzone on an itching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic!
 A tiny bottle of Frezzone costs but a few cents at any drug store, but is sufficient to remove every hard corn, sore corn, or corn between the toes, and the calluses, without soreness or irritation. Frezzone is the sensational discovery of a Canadian genius. It is wonderful.

Rev. C.W. Squires Man With 7 Degrees

The following item taken from the Leighton (Penn.) Evening Leader, gives some account of the ministry of Rev. Dr. Charles W. Squires, who became a Presbyterian minister in 1918, having previously occupied with great acceptance, the Methodist pulpits of Campbellton and Newcastle, N. B. respectively, and one of whose brothers is now the pastor of the Methodist church at Plainville, Penn.

Rev. Charles W. Squires, who lately came to Leighton as Presbyterian minister, was formerly active in the Canadian ministry. After his work of preparation in a Canadian academy, he entered Mount Allison College at Sackville, N. B., Canada, where he was an honor man in philosophy. In 1900 he received his B. A. degree and in 1902, Master of Arts. Later he finished his B. D. degree at Sackville in the Provinces. This however, was merely the beginning of his work in divinity and philosophy for he afterwards received B. D. from Montreal and finally also from Princeton, so that he has received the Bachelor of Divinity degree three times. Finally an American institution conferred upon him in 1914 the Doctor of Divinity degree.

In his quest for knowledge, Dr. Squires visited Harvard University, where he spent four years in post-graduate work in philosophy, studying under James, Royce and Professor Münsterberg. At this famous Cambridge institution he took the Master of Arts degree for the second time, gaining the honor of resolving his degree in person, and in addition passed successfully the preliminaries for the Doctor of Philosophy degree. In scholarships at Harvard he received more than \$750. He is now in the final years of his S. T. D. at Montreal having put in two years towards that degree and being allowed to take the other in absentia.

The seven degrees that he now possesses should fit him to preach as far as literary attainments go.

Dr. Squires has been secretary for Sunday schools for a district in the Canadian ministry and has done much work in strengthening the financial foundation of his Alma Mater for which he was the means of raising hundreds of dollars.

Dr. Squires has written two books, one of which, called 'Münsterberg and Militarism Checked,' had a fine reception in Canada and some were circulated in this country. Another is 'Travels in Labrador,' which was founded on knowledge furnished by his father, who for a quarter of a century did missionary work in Newfoundland and Labrador and who is now with his son in this city.

Dr. Squires main object at Princeton this year was to gather material for a book on 'The Foundations of Christianity,' being a defence of Christian fundamentals, which he hopes to offer within a year for his S. T. D. degree at Montreal.

As Dr. Squires' wife was born in the United States and lived here almost all her life, the Canadian climate did not agree with her.

Thus Dr. Squires judged it better to seek a new sphere of labor. This partly accounts for his putting in past year at Princeton. Dr. Squires seems to like Leighton very well and so far is pleased with the entire outlook.

No Bill Against Albert Nowlan

The case of Albert Nowlan, charged with the murder of Military Police Officer Richard, which was up before the Kent Circuit Court at Richibucto on Tuesday, His Honor Chief Justice McKeown presiding, was dismissed the grand jury having found no bill, and the prisoner walked out a free man. The evidence of twelve witnesses was taken and, after deliberation for about twenty minutes, the jury returned, stating that no bill was found against the prisoner. They stood seven for no bill and four for true bill, only eleven jurors being present.

His Honor said that in view of the evidence submitted he did not see how they could have returned any other verdict.

MOBILIZATION.

Just about all the soldiers are home. They have turned in their rifles and equipment, got their pay cheques and discharge papers, and have been demobilized.

Another army must fall in—Canada's volunteer army, about half a billion strong. What sort of a clean up the war bills, to finance good times. Get Ready Dollars! "Victory Loan, 1919" will be the mobilization order.

ROYAL YEAST CAKES

Royal Yeast has been the standard yeast in Canada for over 50 years, and it is a well known fact that bread made with Royal Yeast possesses a greater amount of nourishment than that made with any other.

Caillaux To Be Tried Oct. 25

PARIS, Oct. 17—Jos. Caillaux, former premier of France, who is under arrest charged with intriguing to bring about a premature and dishonorable peace with Germany, will appear before the high court of the senate on October 25, at which time the accusation against him will be read and the date of his trial determined.

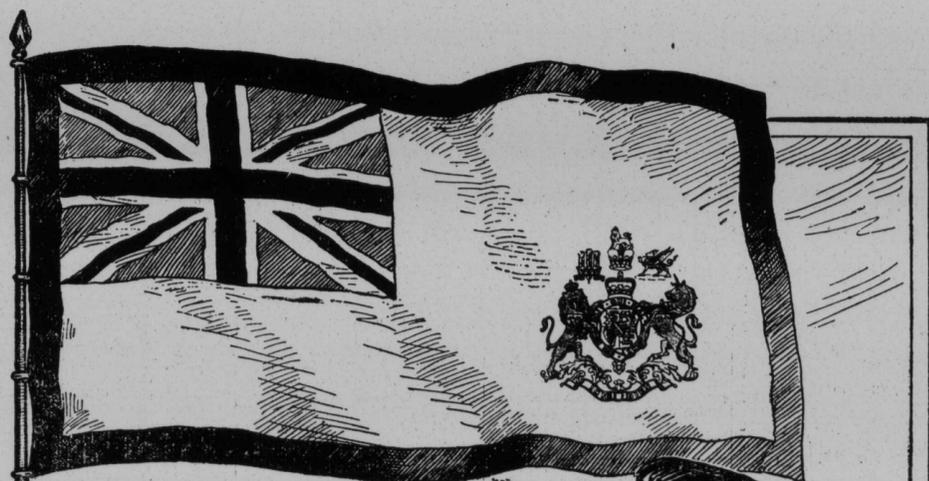

L. Moro-Giafferi, his attorney, will ask that Caillaux be admitted to bail in order that he may be a candidate in the constituency of Sarthe, where he has been chosen as a nominee by the Radical party in the event the high court agrees to a postponement of the trial and will permit Caillaux to go before the voters. If this request is refused, Moro-Giafferi will ask that the trial be deferred for six weeks, owing to the impossibility of bringing witnesses from America in less time.

Widows and orphans—Your Victory Bonds help them.

KING COLE'S ORANGE PEKOE TEA

"A Cup of Rare Delight"

FRAGRANT and full of flavor. The quality of KING COLE Orange Pekoe is well expressed in the phrase "The Extra in Choice Tea." Always ask for it by the full name KING COLE Orange Pekoe. Perfectly packed in bright lead foil and price marked on every package.

"I Hope Every City and District Will Win My Flag"

When Edward, Prince of Wales—eager, bright eyed, smiling and sincere—arrived in Canada in August, and when he voiced his great admiration of the wonderful achievements of Canadians, on the fields of battle and at home, once again we were thrilled with joyous pride.

He asked concerning Canada's reconstruction programme, and when he was told of the Victory Loan 1919, he graciously consented to the use of his Coat of Arms on a flag, which is to be the prize of honour for districts achieving their quota in the loan.

In dedicating "The Prince's Flag" at Ottawa on Labor Day, His Royal Highness said in part:—
 "It is a great joy to me to be associated with the loan, which is the bridge between war and peace, and which is finishing off the job."

"I hope every city and district will win my flag." Striking, and beautiful in design, this flag will form not only an unique memento of Victory Year, but a lasting and outstanding souvenir of the visit of His Royal Highness—a visit which will remain as one of the most memorable events in Canada's history.

The reproduction above shows the design of the flag. The body is white, the edge red; in the upper left hand corner is the Union Jack, and in the lower right hand corner the Prince of Wales' Coat of Arms.

The flag is made in two sizes, 4 feet 6 inches by 9 feet for small cities, towns and villages, and 7 feet by 13 feet 6 inches for cities of over 10,000 population.

Canada has been divided into canvassing districts by the Victory Loan Organization. Each city forms one district. Other districts have been determined according to population.

Each of these canvassing districts has been allotted a certain amount in Victory Bonds to sell. To win the Prince's Flag, therefore, a district has to sell its allotment. That is the one and simple condition.

Anticipating that many districts will buy far beyond their allotment, the organization decided that for each twenty-five per cent. excess of the quota one Prince of Wales' Crest be awarded. Thus the workers in a district doubling its quota will be the proud winners of four small crests for their Honour Flag. These crests will be sewn to the flag. The Prince's Crest—

the three ostrich plumes—is shown at the top of the coat of arms.

To every organization with fifty or more employees, where seventy-five per cent. of the enrollment invests a total of ten per cent. of the annual payroll in Victory Bonds, a supplementary Prince of Wales Flag in smaller form—48 inches by 34 inches—will be awarded.

The allotment for each district has been carefully considered, and is based on a conservative estimate of the purchasing power of the district.

Your district can sell its allotment and thus win the Prince's Flag, provided each person does his or her share.

You will gladly do your part and encourage your neighbour to do his.

Remember YOUR purchase may be the one that decides whether or not your district is to be the proud possessor of the Prince's Flag.

The Prince's Motto is "I Serve" Will You also Serve?

Victory Loan 1919

Issued by Canada's Victory Loan Committee in co-operation with the Minister of Finance of the Dominion of Canada.

THIS WOMAN SAVED FROM AN OPERATION

By taking Lydia E. Pinkham's Vegetable Compound, One of Thousands of Such Cases.

Black River Falls, Wis.—"As Lydia E. Pinkham's Vegetable Compound saved me from an operation, I cannot say enough in praise of it. I suffered from organic troubles and my side hurt me so I could hardly be up from my bed, and I was unable to do my housework. I had the best doctors in Eau Claire and they wanted me to have an operation, but Lydia E. Pinkham's Vegetable Compound cured me so I did not need the operation, and I am telling all my friends about it."—Mrs. A. W. Binzer, Black River Falls, Wis.

It is just such experiences as that of Mrs. Binzer that has made this famous root and herb remedy a household word from ocean to ocean. Any woman who suffers from inflammation, ulceration, displacements, backache, nervousness, irregularities or "the blues" should not rest until she has given it a trial, and for special advice write Lydia E. Pinkham Medicine Co., Lynn, Mass.

He Feels Fine In The Mornings Now

Cameron Eats Better, Sleeps Better and Works Better After Taking Tanlac.

"Yes, sir, I can recommend Tanlac for it set me right several months ago and I have been in the pink of health ever since." D. Cameron, who made this statement while discussing his experience with a Tanlac representative, recently, living at 621 Cambria st., Vancouver, and is fireman at the Northern Construction Company's Shipyards. Mr. Cameron has made Vancouver his home for the past thirty years and is known to hundreds of people throughout the city. "It has been more than a year now," explained Mr. Cameron, "that I lost my appetite and my stomach began troubling me. For eight months, that is from the time my trouble first started until I got relief by taking Tanlac I suffered more than I can find words to tell. My stomach was so upset that at times I could not even bear the sight of food. Many a time I have had to get up and leave the table without eating anything on account of being nauseated. What little I did manage to eat at any time would sour, float me up so with gas that I would have to unbuckle my vest and let my belt out in order to get a good breath. And sometimes this gas would cause my heart to palpitate so hard and fast that I could almost hear it and I would get so dizzy that I would have to grab hold of something to keep from falling and hurting myself. I also had pains under my heart that almost cut off my breath and was so nervous that the least noise would startle me. I could never get a good night's sleep and would get up in the mornings so tired and worried that I felt absolutely unfit for work.

"But my lucky day came around at last, when some of the boys down at the shipyards, got to telling me how Tanlac had helped them and persuaded me to try it. So I did and the results and that was something ago—I was feeling as strong and well as I ever did and I am still feeling that way. I picked up eight pounds while taking it and am still holding on to that increase. My appetite is so big that meal time comes too slow for me and I don't believe anyone in Vancouver has a better stomach than I have. I am never troubled any more with gas, palpitation of the heart or shortness of breath and I never have a pain or a dizzy spell. And sleep; why, I never wake a single time during the night and I always get up in the mornings feeling fine and I don't have that tired, no account feeling any more. Tanlac has certainly done me a world of good and I am ready at any time to recommend it."

Tanlac is sold in Newcastle by E. J. Morris, and in Redbank by Wm. M. Sullivan. (Adv.)
Village Schoolmaster (to old elder, who is paying a call. "But surely, John, you'll have a drop before you go?" John—"No, thank ye, sir, I've three good reasons for refusing your hospitality. First, I am Chairman of the Temperance Society; second, I'm just gann, too, a kirk meeting; and third, I've just had one."

Highway of the Great Divide

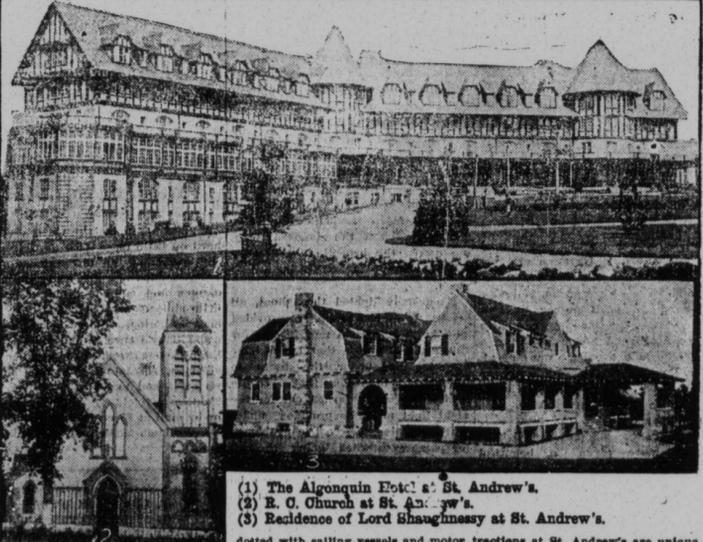

In Canada, opening up an Alpine region of entrancing beauty. It will be possible to motor from Calgary to Windermere between sunrise and sunset through a hundred miles of the most glorious scenery in North America. A good automobile road runs south to Fort Steele and Cranbrook, and from Cranbrook there are excellent roads to Spokane, or eastwards through the Crow's Nest Pass, and back to Calgary. The Good Roads Association of Alberta is enthusiastic over the prospect as this will mean the advent of many tourists from all over America. The new road will also be of great benefit to the Upper Columbia Valley which has many attractions for settlers on account of the fertility of the soil and suitability for mixed farming. This valley is served by the Kootenay Central Railway, a recently constructed branch of the Canadian Pacific.

Between Banff, the popular summer resort in the Canadian Pacific Rockies and Lake Windermere, the headwaters of the great Columbia River, lies an Alpine ridge of spectacular beauty, forming part of the Great Divide. This ridge is penetrated by two comparatively easy passes, the Simpson, and the Vermilion which lead into the Valley of the Kootenay River, a region abounding in game on account of its being well south of the main line of the Canadian Pacific Railway. Between the Kootenay River and the Columbia River is a small range of mountains through which the Sinclair Pass and Canyon provide an easy road. When the first surveys were made for an automobile road between Banff and Windermere it was planned to use the Simpson Pass, named after Sir George Simpson, Governor of the Hudson's Bay Company, who made this crossing in 1841. But the route over the Vermilion was found to be easier and at the same time more beautiful, and construction of the Highway of the Great Divide was commenced from opposite Castle Mountain in this direction. At the same time the road from Windermere through the Sinclair Canyon was also commenced and at the time of the outbreak of war a gap of only thirty miles separated the two roads. War put an end to construction, and a great washout destroyed several miles of the western end, so that the project seemed to have been abandoned. Now, however, the Dominion Government has made an arrangement with the British Columbia Government by which the route of the road comes under the jurisdiction of the Dominion Parks, and a substantial appropriation has been allotted to finish the work. In this way there is every prospect of the early completion of what will be the most wonderful automobile road

(1) Sinclair Pass, Highway of the Great Divide.
(2) Sinclair Canyon, Highway of the Great Divide.

A GLIMPSE OF ST. ANDREWS

(1) The Algonquin Hotel at St. Andrew's.
(2) R. O. Church at St. Andrew's.
(3) Residence of Lord Shaughnessy at St. Andrew's.

Nearly everybody knows that the golf was first played by the Scotch. A veteran devotee of the game, once said that Scotland's greatest contribution towards the welfare of mankind was the royal and ancient game.
Saint Andrew's By the Sea, New Brunswick, called after the patron saint of Scotland, is the home of many families of Scotch descent, and it is appropriate that the spot thus named should be possessed of golf courses as fine as any in the world. It is not exactly known when golf was first played at St. Andrew's, but the Algonquin Club came into existence in 1890. A club was finally established here in 1896, and now St. Andrew's has the reputation of being the "Mecca of Golf." Hundreds of visitors from Canada and the United States flock hither annually and enjoy the glorious sport.
Golf is an invigorating game anywhere, but it is most delightful when played along the sea. At St. Andrew's there are two courses, a nine hole course 2,500 yards long and an eighteen hole course 6,000 yards long. Both overlook the sea, and are clad in the richest and most verdant green. While resting on the course you can enjoy the view of the sea beneath, dotted with sailing vessels and motor boats, and little row boats that glide serenely over the waves. From the golf links you may watch the fishermen catch millions of sardines in their weirs that are set a few hundred yards, or less, from the shore. And old men and old women may often be seen gathering shell fish on the beach. It is a delight to listen to the continuous panting of the waves that expire on the red-lipped land—sand of rich deep red; and looking on it one might fancy that here in prehistoric times some great sea monster was killed and dyed the place with his blood. When a game of golf is ended it is pleasant to sit on one of these red rocks, or gather bunches of the lovely New Brunswick wild roses from the hedges, or rich bouquets of blue lilies in the marshy meadows. In July the fields are laden with a wealth of wild strawberries that tempt many to go berry gathering.
The climate of St. Andrew's makes the place an excellent holiday resort. The skies are seldom clouded, and the heat of the sun is tempered by the cool breezes of Passamaquoddy Bay. The most pleasant golf is not when you go away from it there is an allurement about the place which brings you back again.

Local and General News.

COUNTY COURTS.

The county court, with Judge McClellan presiding, opened in the Court House today.

ARRIVED.

One car Extra Western Oats just in Price \$1.20 per bushel. Also 1 car Gravenstein Apples.

EDUCATIONAL ADVANTAGE.

The Consolidated public school of Coaldale is considered to be one of the best in the Province. It has a most efficient staff of teachers consisting of Mr. D. G. Schofield, M. A., principal, assisted by Miss Macdonald, who has been here since last Christmas, and three new teachers who came here highly recommended, as follows: Miss Macdonald from New Brunswick, Miss Maclean from Medicine Hat, Alta., and Miss Young from Lethbridge. The education of the young is thus in the hands of some of the best teachers in the Dominion—Lethbridge Times.

Miss Etta Macdonald was one of the teaching staff of Blackville Superior School before going west.

MASONIC MEETING HELD

IN DOUGLASTOWN.

About 55 members of A. F. & A. M. Northumberland Lodge No. 17, and Miramichi Lodge of Chatham, motored to Douglastown last Tuesday evening and the members of No. 17 Lodge conferred the third degree on four candidates. The meeting was held in the Associated Lodge Hall, and a very enjoyable evening was spent. Mr. David Anderson, who is a member of No. 17 Lodge extended the invitation to the lodges which was gratefully accepted.

After the ceremonies the visiting Masons were given a bountiful chicken supper, which was supplied by some of the Douglastown ladies. Several very interesting speeches were made during the supper by past masters and members of the various lodges. Some vocal music was rendered by members of No. 17 Lodge and the evening brought to a close by a treat to the ladies of Douglastown and the National Anthem.

GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little Stomach, Liver and Bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad, has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of his little bowels without griping, and you have a well, playful child again. Ask your druggist for a bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

REMINDER OF WINTER.

At noon on Sunday we were reminded that winter is fast approaching, by a flurry of hail and snow.

ENGAGEMENT ANNOUNCED.

Dr. and Mrs. B. A. Marven announce the engagement of their daughter, Alice Dobson, to Mr. John Adams Creaghan of Newcastle—marriage to take place at an early date.

CORRECTION.

The report that Lieut. Arthur Jardine had taken over the local office of the Soldiers Re-establishment Commission is incorrect. Mr. Jardine is supplying at the present, and the position is still open for applicants.

TEA AND APRON SALE.

Don't forget the Tea and Apron Sale which the Hospital Aid intend holding on Nov. 6th. Whatever you can give in the way of preserves, jellies, or canned goods will be greatly appreciated.

FROZEN APPLES.

It is reported from an authentic source, that in Annapolis Valley, this fall, 75,000 bbls of Winter Stock apples are likely to be left on the trees to freeze as it is impossible to pick and pack same, on account of the scarcity of labor.

SOME GOOD HEADS.

Sportsmen returning this season from their big game hunt are bringing in with them some fine specimens of heads. Recently some large ones were brought to town and the possessors were highly delighted with their success.

CIGARETTES ADVANCED.

The users of cigarettes will in the future pay more for their preferred smokes, as some of the brands have advanced 5 cents a package. The anti-war price was 10 cents, then they jumped to 15 and now a further advance of 5c making them now 20 cents per package. One hears considerable talk about the H. C. L. but we never hear anything about the H. C. C.

Latest Type Of Tourist Cars

One of the Features in Canadian National Railways' Daily Service Toronto-Winnipeg-Vancouver

The Canadian National daily transcontinental train, Toronto-Winnipeg-Vancouver made its initial trip from Toronto, with one of the very latest type of steel tourist cars as part of its equipment, the first of an order of twenty such cars in whose construction every point has been considered for the safety and comfort of passengers. This modern type of tourist car, with antitelescopic device is of similar design to the standard sleeping coach, the exception being they are upholstered in leather instead of plush.

Electrically lighted throughout, all berths, upper and lower, are provided with berth lamps. A new feature for this class of car is that lamps have been installed under the seats in the aisles of the car, so that when the ceiling lamps are turned out for the night light may be provided under berth curtains, a great convenience for passengers when going through the car.

Phosphorous push buttons can be readily seen in the dark, should the passenger require to switch on the light or ring the bell, when the berth is in darkness.

A safety feature introduced is a device for holding down the upper berth which precludes any possibility of the upper berth closing when in use. Separate berth curtains are provided so that passengers in the upper berths will not disturb passengers in the lower.

The kitchen has the latest steel range, facilities for washing dishes, and lockers enable passengers to store their food. Lavatories have received special attention, and provide greater conveniences than the older type. An electric thermostatic heating control can be so adjusted as to regulate the temperature of the car, thus preventing overheating.

Thus with the introduction of the daily service of the Canadian National lines between Toronto-Winnipeg-Vancouver, is the added convenience of the second-class passengers who can enjoy a transcontinental trip in every comfort at minimum expense.

RESIGNATION TENDERED

Willard Allison, Inspector, under the Prohibition Act, has tendered his resignation to take effect Oct 15.

You found Victory Bonds a good investment. Chance coming to buy some more.

ANNIVERSARY CELEBRATED.

The twenty-fifth anniversary of Grace Presbyterian Church, Millerton, was celebrated on Sunday Oct. 12th and special services were held, the pastor, Rev. W. McN. Matthews, presiding. The sermon was delivered by Rev. L. H. MacLean of Newcastle. There was special music by the choir and by a male quartette, composed of Rev. Mr. Matthews, Lindon Crocker and Albert Hill of Millerton and C. M. Dickson of Newcastle.

DAYLIGHT SAVING

ENDS OCTOBER 25.

Montreal, Oct. 16—The daylight saving time which has been in effect on all Canadian railways during the summer will change at 2. m. on Sunday, Oct. 25. This announcement is made in a circular sent out to the railways from the offices of the Canadian Railway War Board.

At the hour mentioned all railway clocks will be put back, thus re-establishing winter time.

The board's order affects directly only the railways of Canada, keeping them on the same footing as regards time as on the United States railways.

Canadian National Railways Increased Service

A daily Transcontinental service between Toronto-Winnipeg-Vancouver-Victoria, is the principal feature announced in the Canadian National Railways Fall and Winter time table.

This train will leave 9.15 P. M. daily and will be equipped with up-to-date sleeping, dining, first-class day coach, tourist and colonist cars. Between Toronto and Winnipeg there will also be a compartment-observation library car.

A parlor car will be attached, for the convenience of passengers, while travelling through the Rockies, so they may enjoy, in the utmost comfort, the magnificent scenery for which the Canadian National route is famous.

Further particulars can be obtained from Passenger Officers of Canada's National system of Railways.

The Fall Weather Hard on Little Ones

Canadian fall weather is extremely hard on little ones. One day is warm and bright and the next wet and cold. These sudden changes bring on colds, cramps and colic and unless baby's little stomach is kept right the result may be serious. There is nothing to equal Baby's Own Tablets in keeping the little ones well. They sweeten the stomach, regulate the bowels, break up colds and make baby thrive. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

A Three Years' Course is offered at ST. LUKE'S HOSPITAL TRAINING SCHOOL FOR NURSES NEW BEDFORD, MASS., U.S.A. in theoretical and practical nursing under special instructors.
