DISTRICT MEETING AT BRIDGETOWN

Inspiring Addresses Created Profound Impressions at a Public Meeting, Monday

The Second District meeting of the Annapolis District of the Methodist Church opened in the Sunday School room of the Gordon-Providence United Church, Monday afternoon, the 22nd inst., at 2.30. Rev. Clayton A. Munro, the Chairman of the District, presided.

After the usual preliminary exercises, reports of the activities on the various circuits were given by the pastors and a discussion followed.

Rev. C. M. Mack delivered an able address on "Evangelism" that called forth frequent comments of approval from the listeners.

The Rev. G. A. Goodwin, the Field Secretary for Social Service and Evangelism, addressed the District, outlining certain forms of progressive work in accordance with which action was taken.

The Rev. R. G. Lonsley, recently returned Missionary from China, was welcomed to the District.

The evening session took the form of a public gathering at which most inspiring addresses created profound impressions were delivered by Rev. Mr. Longley, on Methodist Mission Work in China, and by Rev. Mr. Goodwin on Spiritual Conference for the Quarterly Official Boards and members generally. Both the addresses were highly appreciated. A feature of the evening that contributed much to the success of the gathering was the fine singing of Mr. Lattimer, of Centenary Church, St. John.

Mr. Lattimer's singing, both at this meeting and at the Sunday evening service, produced deeply spiritual results. He is to be congratulated on his fine talent and the depth of feeling displayed.

Yesterday morning's session took the form of a discussion on religious education at which illuminating addresses were delivered by Rev. W. H. Watts, of Digby, and Rev. H. P. Patterson, of Granville Ferry.

WANTED MONEY BACK

(Halifax Herald)

Many are the public ideas of the power of the law. A young gentleman interviewed Chief Detective Kennedy last evening, stating that he had recently purchased a pair of boots for \$4.50 from a local merchant. He discovered that it was possible to buy shoes for less money at other stores, and went back to the shop for his money. As he had no complaint against the quality of the shoes, the merchant refused to take them back, so the young man called in the law. Mr. Kennedy advised him that nothing could be done.

THE BRIDGE AT ANNAPOLIS

Seventy-Six Autos Formed the Procession Which Crossed Over New Structure Thursday

A historical event of more than ordinary importance took place in this county Wednesday afternoon, November 17th, when the big bridge connecting Annapolis and Granville was officially opened. At 1.30 a procession, consisting of seventy-six automobiles, started from Court House Square, Annapolis Royal, and crossed the new bridge to Granville Ferry, where a platform had been erected in front of the Methodist Church, to accommodate the speakers.

B. B. Birdwick, Esq., Mayor of Annapolis Royal, presided, and after a few appropriate remarks, introduced Hon. H. H. Wickwire, the Minister of Highways.

Mr. Wickwire, in referring to the Mayor's remarks, that the completion of this bridge was the realization of a dream of a quarter of a century ago. Said that he would go back further than that for in the year 1824, one hundred and one years ago, a petition had been signed by the residents of Annapolis and Granville, asking for this bridge. He was pleased to say that it had now been completed. The entire sum spent for bridges by the Nova Scotia government was \$4,123,000, of which \$317,000 had been spent on this new bridge, which is 2,273 feet, the longest bridge in the province of Nova Scotia. The next longest is the one at Lunenburg, 1,852 feet, which was built at a cost of \$102,000, when material, however, was much cheaper than it is to-day.

He said the man to whom, perhaps, the most credit is due for this structure, has gone to his reward before his time. He referred to the late Hon. S. W. W. Pickup, the former M. P. for this county.

The next speaker was Mr. A. F. MacMillan, chairman of the Highway Board. Mr. MacMillan said he took very little personal credit for the building of this bridge, but he took great pleasure in having the work completed and congratulated Annapolis and Granville on having the best and most expensive bridge in the province of Nova Scotia. He said it seemed fitting that these old historical places should be the first to possess such a structure. It was here that the first road was constructed in Nova Scotia, the date of the opening of which was 1604, three hundred and seventeen years ago.

Mr. MacMillan said he had taken a few days and is a guest at the Halifax Hotel. Mr. Anderson was for many years on the staff of the Boston Globe, and is now the secretary of New England Shoe and Leather Association, one of the largest organizations of its kind in the world. During his journalistic days, and in fact even now, Mr. Anderson takes the keenest interest in Nova Scotia and every thing Nova Scotian. He spends some time of each year at Digby, but on this occasion is spending several days in Halifax renewing old acquaintances.

Amongst the guests at the Reims wedding anniversary were Mrs. Helen of Bricton, and Mr. and Mrs. S. C. Turner, town.

Mr. Manning, who has been employed by Mr. Max D. Newcomb for several weeks, has returned to his home in Bridgewater.

More rain is needed. Many wells throughout the country are still very low. November is passing quickly. Politics seems growing more active. We look for great happenings "for the better" if all the fair sex cast their votes. Who will be left to "rock the cradles?"

Thomas F. Anderson, of Boston, a former Nova Scotian, is visiting Halifax, of which city he is a native, for a few days and is a guest at the Halifax Hotel. THE WEEK'S DEATH ROLL

Several Prominent Residents, Well Known Among Our Readers, Have Passed Away.

ALICE BENT

It is with deep sorrow that we record the death, on Tuesday morning, November 15th, of M. Alice, youngest child and only daughter of Mr. and Mrs. George A. Bent, of Granville Ferry. After a brief illness of erysipelas, in spite of all that medical skill and loving care and nursing could do, she passed to her rest.

Alice was twelve years of age. She was exceptionally clever, and was dearly beloved at home, at school and by all who knew her. She leaves to mourn their loss a mother, father, and two brothers, besides many relatives and young friends. The funeral was held from her late home Thursday at 2 p. m., interment in Wadville cemetery. The service was conducted by Rev. A. W. Watson, rector of All Saints Church. He spoke comforting words to the bereaved from the text "Suffer Little Children To Come Unto Me," and "Forbid Them Not For of Such is the Kingdom of Heaven." And the choir very beautifully rendered the selection "Safe in the Arms of Jesus."

The pall bearers were Ivan Troop, Otto Calnek, Victor McCormick and Percy Mills, members of Seymour Division S. O. T., of which the deceased was also a member. Owing to the condition of the weather, instead of having their service at the grave the Division and school formed in line at the house and strewed evergreen in the path of the procession.

The floral tributes were many and beautiful, including a broken circle from the family, a wreath from the school, cut flowers from the church and many others from relatives and friends. Mr. and Mrs. Bent and family have the deepest heart-felt sympathy of the entire community in their sad bereavement.

CHARLES W. TRIMPER

Mr. Charles W. Trimper, postmaster at Clements, died at his home in that village Friday night, November 11th, aged 79 years. He was a native of Clements and had been postmaster for the past twenty years. He had led a Christian life, was very obliging and highly esteemed, not only by his friends in Clements, but wherever he was known. The funeral service which was largely attended was held from his late home Tuesday afternoon and was conducted by Rev. O. E. Steeves, pastor of the Clements Baptist Church, of which Mr. Trimper was a life long and valued member.

He was extended the greatest sympathy of those who are left to mourn their loss, his aged widow, who faithfully cared for him during his illness, and only child Meredith, wife of Julian Glidden, of Somerville, Mass., who with her husband arrived to attend the funeral; one brother, Thomas; two grand children and a large number of relatives and friends. The floral tributes were beautiful, including a large pillow from Meredith and Julian, cut flowers from grandchildren, Beulah and Merrill, Mrs. Dora Glidden and others.

INGLES GAVEL

A sudden death occurred at the home of V. B. Leonard, at Upper Clarence, Thursday night, when an employee on his farm, Ingles Gavel, passed away, after only a few hours' illness of inflammation of the bowels. The deceased, who was about fifty years of age, was a native of Kemptville, Yarmouth Co., where his widow resides. He also leaves an aged father and at least one brother in Yarmouth county. He was a member of the Baptist Church, possessed an excellent character, was faithful to his employer, and well liked by all who knew him. Before coming to Annapolis County, he was a teacher in a Chinese Mission in St. John.

The remains were forwarded to Yarmouth via Friday's express, where interment took place.

TROOPS NEEDED TO STOP RUM

Toughest Job Tackled in the Last Twenty Years. 25,000 Troops Required

Sydney, Nov. 18.—"Nothing short of a cordon of 25,000 troops around the island will ever keep smuggled booze out of Cape Breton," declared Capt. Alfred Lacouvee, commander of H. M. C. S. Margaret, here to-day.

The Margaret has been on patrol duty off the Cape Breton coast all summer and has captured smuggling schooners as well as overhauling and searching numerous suspects. Her captain says smugglers have been unusually busy this year.

"Not in my twenty-six years experience in the patrol service of the Canadian government have I ever run up against a tougher proposition than that of keeping St. Pierre Ignor 'out of Cape Breton,'" declared the officer. "The coast-line of the island is ideal for smuggling operations because the innumerable bays and inlets afford the best of concealment for the small schooners engaged in the business and they are assisted materially by the co-operation of people on shore."

The Margaret is here to load 200 cases of liquor seized by Revenue cruisers during the summer which she will take to Quebec for storage.

WAR VETERANS AT KENTVILLE ELECT OFFICERS

The Kentville Branch, G. W. V. A., at a well-attended meeting held at their rooms, elected the following officers for the ensuing term:

President—E. W. Roscoe, D. S. O.
1st Vice-President—Roy J. Millett,
2nd Vice-President—Lieut. J. D. Gault.

Executive of three—W. S. Prince, C. M. Tupper, Dr. H. Clay.

H. F. Hamilton, Provincial Secretary, was present and gave an account of the Dominion Convention from which he has just returned, and which was held at Port Arthur. One of the most important matters dealt with at the Convention was the Distribution of the Canteen Fund. A plebiscite is being held by the Government at which all returned men are entitled to vote. This is being carried out by the Postal Authorities. The opinion of the Great War Veterans Association is that this fund should be used for Educational purposes, for children of deceased soldiers.

A CHANGED ATTITUDE (From Yarmouth Light)

A feature of the present election campaign is the attitude of many of the newspapers. It is a changed attitude. In other days practically every newspaper in the country was associated with a political party, and its chief business during a campaign was to support the candidate of its party and abuse its opponents. Now the most of the newspapers are attending chiefly to the work of making and publishing a newspaper. According to Ontario papers the rural journals are not saying a word in this campaign—the country newspaper "has graduated from a Grit or Tory back into a real business."

The trend towards greater independence has been noticeable in the press of Canada for some time. It was a natural development, but there is no doubt that the movement was greatly hastened by conditions in the newspaper world, which made it absolutely necessary for publishers to get down to a strictly business basis or quit.

CANADIAN ELECTIONS

The date for the general election has been announced for December 6th. This date has never been chosen before, the nearest approach to it being December 17th, 1917. When the speed of compiling election returns to-day is considered, with presses standing in readiness to turn out extras by the tens of thousands a few hours after the voting has ceased, it comes like a glimpse into the far distant past to recall that in 1867 the elections were held from August 7th to September 20th. In 1872 it also took from July 20th to October 12th. With these two exceptions, the elections have been one day affairs, and on the following dates:

1874	January 22
1878	September 17
1882	June 29
1887	February 22
1891	March 5
1896	June 23
1900	November 7
1904	November 3
1908	October 26
1911	September 21
1917	December 17
1921	December 6

A FINE NEW BUILDING
(Annapolis Spectator)

Certainly one of the finest and most creditable additions to the town buildings since the fire is the store and dwelling of M. C. McDormand, opposite the Post Office. Although this was begun only seven weeks ago the contractors, Denton and Condon, have brought it along in such excellent shape that it is now ready for occupation as completely as if its construction had occupied five times as long, and the proprietors will take possession next week. The grocery on the ground floor is easily the finest shop now in town. 12 feet high, handsome, tiled, and equipped with a fine specimen of the new style pipeless furnace, having also a comfortable office in rear on one side and commodious "back shop" for packing, etc., on the other. Above is one of the finest and most modern dwellings in town, large hall, ample closets, parlor and dining room, kitchen, three bedrooms and bath, laid out in a manner it would be difficult to improve upon. All concerned are to be heartily congratulated.

GOOD SHOES TO COST \$3.50 AND \$1.

Boston, Nov. 9—The era of high shoe prices is practically ended and in the near future it will be possible to purchase good shoes for \$3.50 and \$4. L. Q. White, President of the L. Q. White Shoe Company of Bridgewater, told the state board of conciliation and arbitration.

Speaking at a hearing on a proposed wage cut of 25% Mr. White asserted that the cheaper shoes would be made in St. Louis and that unless Massachusetts manufacturers could reduce their wage scales they would be unable to meet western competition. He added that the proposed reduction was necessary if his plant were to continue in operation.

The representatives of the Boot & Shoe Workers' Union charged that the White factory was being made the "feeler" by shoe manufacturers in the Brockton district in attempts to reduce wages.

PRE-HISTORIC PILE

Notwithstanding that Ponoka, Alta., is one of the new towns in Western Canada, this is how the Ponoka Herald, published by the Postmaster of that hustling place, reports an improvement in the railway yard: "That pre-historic pile, known as the Ponoka railway depot, has received a coat of paint, likewise the water tank, pump house and stock guards, adding much to the appearance of the place and staff."

ARCTIC PARTY IS SAFE IN SIBERIA

Kansas City, Mo., Nov. 8—Vilhjalm Stefansson, Arctic explorer, announced to-night that a party he had sent from Nome, Alaska, to Wrangel Island, about one hundred miles north of Siberia, to establish a base for what he said would be a huge British exploring party into the North had arrived safely at their destination.

Angile

It was one of those rare occasions when a famous lawyer had lost a case, and he wasn't feeling very happy over it.

"Your profession doesn't make angels out of men, does it?" said a medical friend, teasingly.

THE WORLD'S LONGEST TUNNEL

One of the greatest tunnels in the world is nearing completion.

The new Simplon Tunnel will shortly be ready for traffic, and its transportation from a mere gallery into an international high road, and which was first started in December, 1912, will greatly stimulate business conducted between Channel ports and those of the Mediterranean.

Tremendous difficulties have been encountered and overcome in making the tunnel. Hot springs had to be drained away, and at one spot, about two and a half miles from the Italian opening, the rock pressure was so great that 18 months was spent in boring 50 yards at a cost of 160,000,000 pound sterling.

The whole tunnel is 12 3/4 miles long, of which 5 3/4 lies in Swiss territory. Electric traction will be used, so that this will be the cleanest tunnel in Europe.

The longest tunnel in England is the Severn Tunnel. Its length is 4 1/2 miles, and it was built in 1873-1886, and, during the recent railway strike was in some danger of being flooded and irrevocably ruined.

ONE WOMAN ON ARBUCKLE JULY

May Be More As Only Five So Far Accepted—Comedian Glum In Court.

San Francisco, Nov. 15—Twelve venire members examined and five jurors accepted tentatively. One of them, a woman, was the situation at the opening of the second day of the trial of Roscoe C. (Fatty) Arbuckle, here to-day, on a charge of manslaughter.

Without any sign of his "million dollar smile," the comedian sat glumly through the proceedings of the first day. It is expected that the jury will be completed by Thursday. Prospective jurors were subjected to searching interrogation as to their knowledge of the case, and their predilections among stars of the screen.

MISSING WITNESS FOUND

Chicago, Nov. 15—Miss Betty Campbell, long sought as an important witness in the Arbuckle case, was found to-day in her home here. Miss Campbell, who is twenty, said she was a member of the party at which Virginia Rappe met her death. She denied she had attempted to hide from the San Francisco authorities.

BRITAIN TO PAY INTEREST ON DEBT

Millions of Pounds Yearly Will Be Paid To United States.

London, Nov. 9—An arrangement has been made to begin paying the interest on the debt owed by Great Britain to the United States at the rate of \$50,000,000 yearly, it was announced in the House of Commons to-day by Sir Robert Horne, the Chancellor of the Exchequer.

Sir Robert made this announcement in the course of statement on the budget prospects. He added with emphasis:

YARMOUTH MAN DIES SUDDENLY

Yarmouth, Nov. 16—The death occurred this evening of one of Yarmouth's most prominent citizens in the person of Roy F. Kelly, at his residence, South East street, following an illness of 24 hours. He was 49 years old. He was well known business man throughout Nova Scotia, being manager of the Minard's Lintiment Company, Limited. He was also an enthusiastic yachtsman and was formerly secretary of the Yarmouth Yacht Club. Among other offices held by Mr. Kelly were those of secretary of the Liberal Association, Deputy Game Commissioner and Deputy Sheriff.

He is survived by a widow, one son and one daughter, who are on a vacation in Massachusetts, and also his mother, three brothers, Clifford R., and Aubrey, of Yarmouth and Murray D., of Hamilton, Ont., and one sister, Mrs. Perry, of Saskatchewan.

ABLE TO DO HER WORK

After Long Suffering Mrs. Peasey Restored to Health by Lydia E. Pinkham's Vegetable Compound

Toronto, Ont.—"I suffered with irregular menstruation, was weak and run down, could not eat and had headaches. The worst symptoms were dragging down pains, so bad I sometimes thought I would go crazy and I seemed to be smothering. I was in this condition for two or three years and could not see to work. I tried all kinds of medicines and had been treated by physicians but received no benefit. I found one of your booklets and felt inclined to try Lydia E. Pinkham's Vegetable Compound. I received the best results from it and now I keep home and go out to work and am like a new woman. I have recommended your Vegetable Compound to my friends and if these facts will help some poor woman use them as you please."—Mrs. J. F. PEASEY, 387 King St., Toronto, Ontario.

If you are one of these women do not suffer for four or five years as Mrs. Peasey did, but profit by her experience and be restored to health.

Choice Of Language

"I speak four languages," proudly boasted the door man of a hotel in Rome to an American guest. "Yes, four—Italian, French, English and American."

"But English and American are the same," protested the guest.

"Not at all," replied the man. "If an Englishman should come up now, I should talk like this: 'Oh, I say, what extraordinarily shocking weather we're having! I dare say there'll be a bit of it ahead.' But when you came up I was just getting ready to say: 'For the love o' mike! Some day, ain't it? Guess this is the second flood, all right.'"

A Near Relative

A wicked exchange says a woman whose husband was in the habit of coming home tipsy at night decided to cure him by fright. So one night she arrayed herself in frightful apparel and when the boozey husband entered the front door she said in a dread and sepulchral tones: "Come with me; I am the devil!" "Zat sho? Shake, I am your brother-in-law. I married your sister."

What He Fears

Here is a delightful story of quaint Scottish humor, illustrating the Scottish character. An old Scottish farmer was nearing his end, and as he had done many things he ought not to have done, and had failed to do many things which he ought to have done, he thought it wise to send for the local minister.

A HIGH CLASS MUSICAL EVENT

Without doubt, the best musical and literary entertainment this season was held in the Court House Tuesday evening, Nov. 15th, by the Chester R. Scott Co., under the local management of Mr. Kenneth Leslie, who is arranging for a series of similar entertainments during the winter months.

AWARDED \$1,000 SCHOLARSHIP

The many friends of Mr. Allan Gordon Dunstan will be interested in hearing that he has been awarded a scholarship of \$1,000 from the Dominion Government in recognition of important research work on entomological lines.

TO-NIGHT AT THE PRIMROSE

The Theatre patrons of Bridgetown will, to-night, have the pleasure of witnessing one of the season's latest and best comedies, entitled, "Cappy Ricks." This is the same story that appeared in the Saturday Evening Post, Cosmopolitan and Red Book.

A FISHERMAN'S ROUGH EXPERIENCE

A fishing boat from Port Wade, operated by John McGrath which left for the fishing grounds in the Bay of Fundy Thursday, did not return with the other boats. The life saving boat at Bay View, under command of Capt. Orbin Condon and the C. G. S. Arleaux, in command of Capt. Milne, both searched for the boat without success.

CAPT. JOHN W. HAYDEN'S ARM AMPUTATED

In reference to the accident on Digby Basin, a story of which appears on Page 7, of to-day's MONITOR, it should have read John W. Hayden, of Lighthouse Road, Digby County, instead of James Hart Hayden, of Bay View. Capt. Hayden's arm has been amputated. He has returned home from St. John and is doing as well as can be expected.

PROGRESSIVE ANNAPOLIS ROYAL

The vote on two important questions in that town last week resulted as follows: On the \$10,000 proposition for town expenses and reconstruction the vote stood, yes, 71; no, 3. On the proposition to borrow \$18,000 for a memorial hall the vote stood, yes, 50; no, 6.

Local Happenings

Read the Christmas ads. in to-day's MONITOR and shop early.

The Sewing Circle will meet with Mrs. J. E. Lloyd on Friday afternoon, at 2.30.

See the Tennis adv. in this issue. Don't say you did not read it. You know you did.

Every merchant should remember that the biggest advertiser always gets the biggest Christmas trade.

Present indications show that every county in the Dominion will have an election—there will be no acclamations.

Mr. O. C. Jones, proprietor of the Riverside Inn, has purchased Mr. Grant Walker's property on the Brickyard Road.

Degree work took place in Crescent Lodge I.O.O.F., and Rothsay Lodge, A. F. and A. M., in Bridgetown, Thursday evening.

A glance at the business being done in the Bridgetown stores Saturday nights is enough to tell who are advertisers in the MONITOR.

Annapolis Royal is rising from the ruins very rapidly. Several new buildings have been completed and more are under construction.

Mr. Herbert Williams who purchased a couple of car loads of cattle last week in Yarmouth and Digby Counties, has shipped them to Halifax.

Mr. Curtis Denton's house at Little River, Digby County, was badly damaged by fire last Wednesday. The loss is partially covered by insurance.

Kentville Advertiser: The Dominion Atlantic Railway, at the present date, has handled 833 cars of apples more than at the same time last season.

Caledonia Gold Hunter: The automobile season in this district is about over. Other districts can run their cars all winter. We pay the same license price.

Don't forget to attend the meeting in the Court House Thursday evening and hear such prominent men as will speak on that occasion. See advertisement in this issue.

THE REGULAR MEETING OF AUTUMN LEAF REBEKAH LODGE

The regular meeting of Autumn Leaf Rebekah Lodge was very largely attended Monday evening when eight candidates, six ladies and two gentlemen, received the degree.

The marriage took place on Wednesday of last week at Torbrook of Miss Faye Waterman and Ralph Goucher, of Torbrook. They passed through Bridgetown en route to Boston on their wedding trip.

Mayor Warren has the Editor's thanks for some nice moose steaks, having returned last week from a successful trip, accompanied by Freeman Shipp as guide. Mr. Percy Bath was also successful in getting a moose.

Yesterday was nomination day, all over Canada. Proceedings for Annapolis-Digby constituency took place at Digby. Mr. A. L. Davidson, of Middleton, being nominated by the Conservatives, and Dr. L. J. Lovitt, of Bear River, by the Liberals.

Middleton will have a \$6,500 new skating rink, \$5,500 of which has been subscribed. What is Bridgetown doing for the amusement of her boys and girls for the coming winter? If we get a rink let's keep it for amateur sport. Don't commercialize it.

The committee of management have decided on Tuesday evening, December 27th, for the annual Christmas entertainment at the Recreation Hall, for the benefit of the inmates of the County Institutions, more particulars of which will appear in a future issue. Please keep this date clear.

At the 2nd Nova Scotia Egg Laying Contest just closed at Truro, a R. I. Red hen belonging to Mr. E. C. Griffin, Port Williams, won first place in number of eggs laid in 11 months, 233. The prize was \$10 in cash. There were thirty pens of five each, 150 birds in all, in the contest.

A Wholesale Dry Goods house, located at Aylesford, has been incorporated under the name of Wholesale Merchandise, Limited. The incorporators are F. E. Bentley, Middleton; F. E. Harris, Aylesford; J. M. Patterson, Berwick; C. H. Porter, Wolfville; and Geo. W. Silver, Lunenburg.

In reference to the Marshall-Guest wedding, a story of which appears on the third page of to-day's MONITOR, this wedding took place at 10 o'clock in the morning, the church being filled with guests and friends of the bridal party. A pleasant feature of the wedding was the singing of "The Voice That Breathed O'er Eden."

A number of the officers and members of Autumn Leaf Rebekah Lodge entertained Mrs. Annie McBean, of Inverness, C.B., the Vice-President of the Rebekah Assembly, in their lodge room last Wednesday night. Mrs. McBean gave a short address on the Rebekah branch and a very appropriate recitation on Oddfellowship.

Mr. Geo. E. Graham's private car

"Nova Scotia" was attached to yesterday's west bound express, on board of which were, besides Mr. Graham, Messrs. R. U. Parker, F. G. J. Comeau, of Halifax, and Mr. T. F. Anderson, of Boston. The latter was returning to the city after a short visit in Halifax and Mr. Graham has also gone to Boston.

As is well known among our readers, no classified ads. are inserted in the MONITOR unless paid in advance. A week or so ago an advertiser tried to get us to insert one on the promise that he would remit later. He said it would "save time." We were not caught, however, and sent the bill in advance. Now we believe the advertiser intended to "save money."

GORDON-PROVIDENCE UNITED CHURCH

The sermon preached in the United Church by the Rev. John H. Freestone on Conscience last Sunday evening is the first of a series to be delivered (D.V.) to young people particularly, the first Sunday in each month, for the next six months. The series will include the following subjects:

- "Can we Prove the Existence of God?"
"The Bible, is it the Word of God?"
"Is There a Life After This?"
"Is Christianity the True Religion?"
It is expected that the Taxis and C.G.I.T. will lead the music at these services.

WARN AGAINST MAILS

The Post Office Department is taking up with the senders, wherever practicable, all cases of newspapers and parcels which are left on top of letter and parcel receptacles. This practice gives rise to loss and mis-treatment of mail matter as being unprotected, every opportunity is given for a dishonest person. It is pointed out that any mail matter left on top of letter and parcel boxes cannot be considered as posted and any loss which occurs in this manner is a matter entirely outside the jurisdiction and operation of the Postal Service.

THE RURAL DEANERY

The Clergy and Church-Wardens of the Rural Deanery of Annapolis will assemble at Annapolis Royal next Monday afternoon for the annual meeting re P. M. B. and other matters. At its close the Clergy will meet "in camera" for the usual series of meetings and services until Wednesday. The "ad interim" preacher will be the Ven. Archdeacon Watson, Rector of Granville, and readers of papers—the Rev. M. Taylor, Weymouth; Rev. A. W. L. Smith, Clementsport; and Rev. T. C. Meller, Annapolis Royal.

THERE ARE A FEW IN BRIDGETOWN

The Digby Courier says: To find out how closely and painstaking his paper is read, an editor has to commit an occasional error. A paper might boast for 999 years and never hear a word of commendation, but when a slight error is made, a howl is at once raised. The people who say they do not read the papers are just plain liars.

TENDERS

TENDERS will be received by the undersigned till December 1st, 1921, for the following supplies for the County Institute for the ensuing year:

LAWRENCETOWN BRANCH M. L. A.

Third Annual Meeting Held in the Demonstration Building on Thursday Evening

The third annual meeting of the Lawrence town Branch of the Maritime Library Association was held in the Demonstration Building, Thursday evening, November 10th, 1921.

Notwithstanding the inclemency of the weather the attendance was good. President Dr. J. B. Hall in the chair. Meeting opened with two choruses: "Oh! Canada," and "My Own Canadian Home." Mrs. R. J. Shaffer, pianist.

Minutes of last annual meeting read and stood as recorded. Rev. H. T. Jones then favored with a solo, which was much enjoyed. After which the following reports were read:

Financial statement of Lawrence town Public Library from November 11th, 1920—November 11th, 1921. Number of members enrolled—129. By membership fees \$ 98.50. Fines for books overdue 17.16. Proceeds from afternoon teas 23.83.

Total \$144.49. To debit bal. Nov. 11, 20 22.67. Magazines 14.35. Books 72.55. Repairs, Janitor and postage, etc. 25.75.

Total \$144.49. Balance forward \$ 8.17. (Sgd.) MRS. W. E. PALFREY, Treas. Rev. H. T. Jones, Convener of Book Committee, gave a stirring address. Spoke of books as friends, and strongly recommended the reading of such books whose friendship would be helpful, stimulating to a higher life, rather than belittling our ideals. It was the regret of the committee that more money had not been available for procuring new books.

Mrs. J. B. Hall, Librarian, reported not only sustained interest, but procures 1100 books in Library—beside the monthly magazines, Literary Digest, National Geographic, Canadian Popular Mechanic, MacLean, Good Housekeeping, and other magazines. Books well kept and promptly returned.

Suggested that for those outside the Lawrence town school section that the time limit for keeping books without fine be three weeks.

Referred to the lunches served by the ladies each library afternoon during the winter months as being not only a source of income but creating a social atmosphere. Moved by Rev. A. H. Whitman and seconded by Mr. A. J. Wilson that these reports be adopted. Carried.

Mr. J. A. Beckwith, of Berwick, favored us with a solo which gave much pleasure to the audience.

The chairman, Dr. J. B. Hall, then briefly addressed the meeting, thanking the officers for their faithful services rendered during the year. Further spoke as to the aim of the Library, not merely to give passing entertainment to its readers, but particularly to give to the boys and girls the reading of such books that would help them to become men and women of which Lawrence town, or any other town, might justly be proud. Suggested that to stimulate the reading of solid books we have four social evenings, during the winter. One to be devoted to Scott and his writings, another to Dickens, third Educational evening, and fourth Local Improvement. The suggestion was subsequently adopted by the meeting. Nominating committee appointed as follows: Messrs. F. G. Palfrey, A. J. Wilson, J. W. Elliott, M. Daniels and Dr. L. R. Morse. Before they retired Mr. F. G. Palfrey spoke words of appreciation of two of our interested and active late members, Mr. J. E. Shaffer and Mr. A. H. Bishop. Moving that the association extend to both bereaved families its sincerest sympathy in the great loss sustained by them.

It was expected that the Rev. C. W. Robbins, of Bridgetown, would be the speaker of the evening, but fate decreed otherwise and instead we listened with much interest and pleasure to an address by Rev. A. H. Whitman, of Lawrence town. Mr. Whitman followed along the line of thought expressed by the other speakers, urging the necessity of cultivating a taste for the heavier lines of reading, such as Histories, Biographies, etc., mixing with them the lighter reading so that we might not become mental dyspeptics. Touch on the friendship of books as a dependable way—or as some one has put it:

"Nor tell to various people various things. But show to subjects what they show to kings."

Then followed the usual sing of the popular and patriotic songs, after which Mr. F. G. Palfrey reported as follows for the nominating committee: Pres. Dr. J. B. Hall; 1st Vice-Pres. J. W. Elliott; 2nd Vice-Pres. A. J.

Wilson; 3rd Vice-President, B. M. Shankel; Librarian, Mrs. J. B. Hall; Treasurer, Mrs. W. E. Palfrey; Assist. Librarians, Mrs. W. W. Bent, Miss James, and Mrs. H. T. Jones; Book Committee, Rev. H. T. Jones, Miss Morgan, Miss James, Mrs. L. D. Handley, Mrs. L. R. Morse, Rev. A. H. Whitman; Lecture Committee, Mr. F. G. Palfrey, Dr. L. R. Morse, and Rev. A. H. Whitman; Literary Committee, Dr. Hall, Rev. A. H. Whitman, Rev. H. T. Jones, Dr. Morse, and Miss Blackadder; Executive Officers, chairman of committee, and the Town Clergymen; Sec., Mrs. E. H. Freeman.

A social hour was then enjoyed and refreshments served by Mrs. Clyde Bishop, Mrs. A. Duncan, Mrs. H. Reid, and Mrs. S. Hall, Mrs. W. E. Palfrey and Mrs. L. D. Handley hostesses. Meeting closed with National Anthem.

ISABEL C. FREEMAN, Secretary.

ELECTED PRESIDENT OF SALEM COUNCIL

We have received a copy of the Salem Evening News which contains a good photo of Mr. William C. Safford of that city, who has been elected President of the City Council, receiving every vote except his own. Mr. Safford having voted for Councillor Owen P. Theriault, who placed Mr. Safford's name in nomination. Mr. Safford has many friends in Nova Scotia, having spent more than twenty-five consecutive summers in Digby, as a summer visitor at Lour Lodge. He is the only one holding this distinction. His rival was the late Mr. Smithson, of Ottawa, who spent some twenty summers at the Digby House. At the twenty-first anniversary of Mr. Safford's visit at Lour Lodge, the American guests at that house gave him a big celebration, he being the guest of honor at a banquet in which a birthday cake was cut containing twenty-one candles. Mr. Safford is a thorough gentleman. The above election will demonstrate his popularity in his native city and he is just as popular wherever he is known.

BEYOND AT HOME

Every dollar that is sent out of this district means a dollar less in circulation so far as the people of this district are concerned. It is good for you and good for us all to keep the money right where it is going to do all of us the most good.

We hold that it is the right of every man to spend his money how and where he pleases. We have no "kick" against any man buying where he can get the best value for his dollar, but we do say that the local merchants give better service in every way than it is possible for any out-of-town store to give.

In your home town stores, when you want an article you can personally choose it—you can see it is exactly the right kind of thing you wanted, you can examine it for flaws, test it in any way you please and see whether or not it is value at the price.

And then if you are satisfied you take it away and have the article just when you want it—no waiting, no taking chances that it will not be what you ordered.

Merchandise bought from your town stores is dependable in every way because they have a reputation to maintain. They are with you always and realize that they can only succeed by giving you service and by selling you goods that qualify considered equal to any you can purchase out of town.

6,000,000 MEN UNDER ARMS

There are still in the world about 6,000,000 men under arms. China alone is said to have 1,370,000 active troops, while France has 1,024,000 and Britain 740,550. The United States has 149,000 men in her army and Germany reports only 10,000. But Russia has 528,000; Poland, 450,000; Greece, 255,000; Spain, 253,000; Turkey, 152,000; and even Switzerland, 170,000. Japan is supposed to have only 300,000 under arms, but like European countries she has a great reserve of trained men, still equaling 845,000. The day seems still rather a long way off when the sword shall be beaten into plough-shares; and so-called Christian nations are the greatest hindrance in the way.

AUTOMOBILES VERSUS HOMES

Investigations made by the United States Department of Labor show that in the year 1920 there were more homes built for automobiles than for families, and more moving picture houses than churches and schools combined. In the 196 cities in the land of more than 35,000 population one and two-family houses were built to accommodate \$1,103 families, while the number of garages was 93,121.

GUILTY OR NOT GUILTY

"I was just wondering," mused the Cheerful Idiot. "Wondering what?" asked the Wise Guy. "I was wondering if the pictures in the rogues' gallery are framed in gilt," replied the Cheerful Idiot.

BURNS TELLS OF WIFE'S TROUBLES

Says Tanlac Proved to be Just What She Needed. Health is Splendid Now

"My wife is certainly well pleased with Tanlac and it's the main thing she talks about since it restored her health," said M. Burns, of Saint Rose Man, an employee of the Canadian National Railway.

"My wife had been in poor health for three years and she seemed to be getting worse rapidly. She had stomach trouble and indigestion and had to be particular about everything she ate. At times she complained of awful pains in her stomach and gas would form and bring on more distress. She was all the time having headaches, at night could not get much sleep and became so weak she could hardly do the house work.

"Finally, as nothing she tried seemed to help her, I got her some Tanlac, and it proved to be just the thing she needed. She is looking fine now and says she feels as well and strong as she ever did in her life. Her appetite has returned and she can eat anything without it hurting her. She sleeps fine and her health is as good as it used to be years ago."

Tanlac is sold in Bridgetown by S. N. Wear, and by leading druggists everywhere.

CLERGYMEN WORK AS LABORERS

Boston, Nov. 9.—Seven clergymen to-day exchanged the ministerial frock for laborers' overalls and went to work in the building trades. It was a one-day job for them; the result of an invitation by the Central Labor Union in return for the clergymen's courtesy in asking labor leaders recently to speak from their pulpits.

In a pelting rain, Rev. W. Harry Freda drove a cement wagon. Rev. Newton C. Fetter, and Rev. C. A. Young worked as laborers on the new Municipal Latin School.

Rev. Frank Kingdon and Rev. F. D. Parker piled brooms on a Winter Street building and Rev. C. S. Stephenson, and Rev. A. Smith, odd jobs on other buildings under construction in the business district.

The Weymouth schooner Nettle C., 149 tons, Capt. Boudreau, has been chartered to load lumber at a gull port for Trinidad.

Stmr. Bay Queen, Capt. E. H. Lewis, arrived here Sunday with freight from St. John and sailed again yesterday afternoon.

The schooner Levuka, Capt. Tupper, arrived at Digby on Monday from Parrsboro with a cargo of soft coal for W. E. VanBlarcom.

The schooner Northcliffe came recently from Port Greville to Hall's Harbor, and there she took a load of potatoes for the Cuban market.

The tern schooner Leo J. LeBlanc went into Bear River last Saturday and on Monday went through the upper bridge and on the blocks for repairs.

The tern schooner Charles F. Gordon, now at New York, is to load coal there for Yarmouth and after discharging at that port will go to Bridgewater to load lumber again for New York.

The schooners Thomas and Robert, Captain Ansel Snow, and Catherine M., Captain Tellspore D'Entremont, are at Yarmouth. The former had a fare of 5,000 pounds fresh fish and the latter 22,000.

The schooner Win-the-War, Capt. Edw. Keans, which was anchored off Annapolis a week with fertilizer for Bridgetown, was unable to obtain a tug to tow up the river, so returned to Digby to discharge. A portion of her cargo will be shipped to Bridgetown via the D. A. R.

The American four-masted schooner Zebedee E. CBB has been loading potatoes at Kingsport for the Cuban market. She is 1,450 tons register, and came from Baltimore. This will be one of the largest single shipments of potatoes ever sent forward from this county to Cuba.

Capt. John Smith, of Plympton, has taken command of the schooner Westway, which took on a part cargo at Plympton and finished loading at Belliveau's Cove. Capt. Will Brooks, the former master of the vessel, has resigned as Captain. The vessel has sailed for Lynn, Mass., where the cargo will be discharged.

The schooner Cupola, Captain Louis LeBlanc, received a supply of bait last Wednesday afternoon and sailed Wednesday night for the banks. It has been some time since the Cupola has landed a trip of fish at Yarmouth, her home port. She has been fishing off Halifax and brought her fares there to the National Fish Company.

Owners of sailing vessels are complaining bitterly of the freight rate they are now forced to accept in preference to laying up their crafts, declaring that there is great difficulty in breaking even, and little show of making a living profit. The sailing vessel market continues slow, there being no noticeable improvement in the general demand for tonnage, and few charters were effected last week.

Kentville Advertiser: Capt. William McBride arrived home from Baltimore, Tuesday, November 28th, accompanied by his son, John, who has been sailing with him for several trips. Capt. McBride has been for some time with the United States Shipping Board in command of their large ships. Business is now so dull that most of the ships are now being laid up, there being not sufficient freight offering.

Stmr. Valinda, of Bridgetown, was placed on the marine blocks at Bear River last Friday. Mr. Reginald Benson has the contract to repair her. Mr. W. A. Chute, the old Commodore building mover and vessel raiser, has the job to raise the steamer several feet in order for the workmen to have a chance to do the repairs and also to have the steamer out of the tide way. Mr. Benson is a first-class workman and the Old Commodore knows his business from A to Z.

The Weymouth new tern schooner J. Scott Hankinson, loading lumber at Yarmouth for Boston, had a narrow escape from serious damage on Tuesday. The stevedores were moving a loaded car of lumber down the line to the head of the wharf when it got beyond their control and before it could be stopped the forward wheels went over the capstan and the heavy drawbar of the car struck the schooner's rail a smashing blow. Just at the chain plates of the forward rigging, badly splitting the rail to the forward chain plates. Fortunately it was high tide at the time and the schooner being high in the water prevented the car from going over the wharf on the vessel's deck. Repairs are being effected by the broken rail being heavily bolted.

Forest fires and public opinion

A great United States newspaper notes the advances made in fighting forest fires by means of watch towers, telephone lines, portable gasoline pumps, etc., but says that the destructive fires in Maine and the Maritime Provinces this year show that only by eternal vigilance and the support and public opinion all over the country can the forests be made fireproof.

Friendship—Yes! But—

"The Bill will not let in Canadian wheat, but will save to the American farmer the right to raise a bushel of wheat instead of transferring that right to Canada." Mr. Fordney, in introducing the Fordney Emergency Tariff Bill which has shut millions of dollars worth of Canadian foodstuffs out of the United States market.

While ties of friendship unite Canada and the United States, the attitude of Uncle Sam is that of "Business First", and Canada cannot and should not hope for any consideration from the United States where the interests of the farmers and business people of that country are involved. Uncle Sam has built the Fordney Tariff directly against Canadian agriculture, and new additional Tariff proposals are now under consideration to shut out from the United States Canadian goods of every kind. These measures are due to the insistence of the American farmer that the United States market shall be retained exclusively for him and that the influx of Canadian farm products into that country must cease. They are also due to a like insistence of United States manufacturers and workers, who have seen their country develop tremendously and grow rich under a Protective Tariff, and who believe that a still further increase in Tariff is the only means of assuring continued prosperity.

CONTRAST THE ATTITUDE OF THE UNITED STATES LEADERS WITH THAT OF CANADA'S WOULD-BE LEADERS, CRERAR AND KING

Crerar proposes to allow American goods to enter the Canadian market free of duty. King proposes that the present reasonable Tariff on the products of the American factory and farm shall be greatly reduced, and that the home market of the Canadian farmer and manufacturer alike shall be thrown open to our Southern neighbour, in the face of the United States Emergency tariff, which practically shuts out Canadian farm products from these markets, and also in the face of the permanent tariff now under consideration at Washington, which gives every promise of being even more drastic than the Emergency Tariff so far as our products are concerned. In view of the attitude of the United States, what folly it is for Crerar and King to propose throwing open the Canadian market to a flood of both agricultural and manufactured products of the United States when there is not the slightest possibility of any compensative advantage to Canada. Does any sane Canadian believe that Crerar or King, hat in hand, could persuade the United States Government to completely reverse its Tariff policies and agree to reciprocal trade in face of American public demand for a high protective Tariff? The people of the United States conduct their affairs and protect themselves by the principle that "Business is business." Why should Canada do otherwise? Unlike Crerar or King, MEIGHEN stands firm for a reasonable Tariff to protect all our industries—those of the farm, the sea, the mine, the forest, the factory, and for the building up of a bigger and better Canada through the full development of the home market.

FRIENDSHIP WITH THE UNITED STATES? YES, BY ALL MEANS! BUT— let us defend our home market, our industries, our farms, our workmen, our homes by the same methods as are used so effectively against us. Let us work out our own destiny—that of a strong, self-contained nation within the British Empire group of Nations, courageous, masterful, self-reliant.
