An Annual Meeting of the Society, open to all its members shall be held at Halifax in the month of October, or at such time as the Executive Committee shall appoint; at which meeting the vacancies in the Executive Committee shall be filled up, the Secretaries and Treasurers shall be elected, and any vacancies in the number of Vice Presidents may be filled up at the pleasure of the Society. A Special General Meeting may be called at any time when the President, or, in his absence, two or more Vice Presidents, or the Executive Committee, shall consider it desirable to appoint such Special General Meeting.

8th. The Executive Committee shall meet monthly during the year, with the exception of July, August and September; and a Special Meeting may be called by the President, or in his absence, by a Vice President.

9th. The members of the Church in every part of the Province, are invited to co-operate with the DIOCESAN CHURCH SOCIETY, by forming Local Committees under the direction of their respective Clergymen, either in each Mission or Parish, or in more than one Mission or Parish united, as shall be deemed most convenient, and in strict accordance with the designs and Rules of the DIOCESAN CHURCH SOCIETY. Every Rural Local Committee shall have the power of appointing any one member of the Society to be a member of the Executive Committee. It is recommended to the Local Committees to forward their funds, as they may be collected, to the Executive Committee, who will faithfully apply them to the general objects of the Society; but when the Local Committees desire it, they shall receive Books at cost and charges, to the amount of one-fourth of their remittance, or the said one-fourth may be placed in the hands of the Endowment Sub-Committee, for the benefit of the Parish or Mission where the money was contributed.

- 1.—Provision for Clergymen.

- 4.—Assistance to the erection and enlargement of Churches and Chapels belonging to the Church of England in peculiar or extreme cases.

- 7.—Assistance to deserving young men, desirous of being qualified for the Ministry of the Church, but requiring aid in pursuing their studies at the Collegiate Establishment at Windsor.
- 8.—Aid to Sunday and other Schools, in which due attention is paid to instruction in the principles of the Church of England.
- 9.—Encouragement to the instruction and training of respectable Teachers for Sunday and Daily Schools.
- 10.—Upholding, by all possible and proper means, the Collegiate Establishment at Windsor.
- 11.—It shall also be one of the objects of the Society, to provide for the Widows and Orphans of deceased Clergymen, and for superannuated and incapacitated Clergymen; but no part of the Society's funds shall be appropriated to these objects, except such as shall be specifically given and paid into the Society therefor.

To these objects, generally, the contributions will be applied; while those who desire it may have their individual contributions scrupulously confined to any one or more of these objects. And as some members of the Church, who are not unmindful of the great spiritual wants of their own neighbourhood, still feel constrained, in pious gratitude for the blessings they enjoy, to allot something, however small from the means with which a gracious Providence has blessed them, towards the spread of the glorious Gospel among the nations which still sit in darkness—

11th. This Society will gladly receive and forward to the Society for the Propagation of the Gospel whatever sums may be given for the conversion and instruction of the Heathen; to which object such sums will be strictly confined by the East India Committee of that Society.

12th. The Accounts of the Society shall be closed on the 31st December in each year, and shall be audited in one month from that time, by auditors to be appointed by the Executive Committee.

13th. At each Annual Meeting of the Society, the first five on the Executive Committee shall go out of office, but all or any of them shall be eligible for re-election. The new members shall be first proposed and seconded, then elected by ballot and placed at the bottom of the list.

14th. None of the above Bye-Laws shall be altered, except at a General Meeting of the Incorporated Society; and a full year's notice of a proposal to change any of them must be given previous to the meeting at which the proposed alteration is to be effected.

## PRAYERS.

APPOINTED TO BE USED "AT ALL MEETINGS OF THE SOCIETY, AND OF COMMITTEES," BEFORE THEY COMMENCE BUSINESS.

Prevent us, O Lord, in all our doings, with thy most gracious favour and further us with Thy continual help; that in all our works, begun, continued, and ended in Thee, we may glorify Thy holy name, and finally by Thy mercy, obtain everlasting life, through Jesus Christ our Lord. Amen.

O God, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with thy favor our Sovereign Lady, Queen Victoria; and so to rule her heart that she may in all things seek Thy honor and glory. Prosper with thy blessing the designs of this Society. Comfort with thy grace those benefactors who contribute to its support. Bless the ministry of Thy servants, the clergy; and the endeavors of all who are engaged in promoting the knowledge of true religion. And may Thy Holy Spirit direct all our consultations to the advancement of Thy Glory and the good of Thy church, through Jesus Christ our Lord. Amen.

O merciful God, who hast made all men, and hatest nothing that thou hast made, nor wouldst the death of a sinner, but that he should be converted and live, have mercy upon all Jews, Turks, infidels, and heretics, and take from them all ignorance, hardness of heart, and contempt of Thy Word, and so fetch them home, Blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd, Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy Spirit, one God, world without end. Amen.

Almighty God, Father of all mercies, we Thine unworthy servants, do give Thee most humble and hearty thanks for all thy goodness and loving kindness to us and to all men; more particularly for the providential support by which this Society has been hitherto sustained; but above all for Thine inestimable love in the redemption of the world by Thy Blessed Son, for the means of grace, and for the hope of glory which Thou hast given us in the same our Lord and Saviour Jesus Christ; to whom, with Thee and the Holy Ghost, be all honor and glory, world without end. Amen.

Our Father, which art in Heaven, hallowed be thy name; thy kingdom come; thy will be done in earth as it is in Heaven; give us this day our daily bread; and forgive us our trespasses as we forgive them that trespass against us. And lead us not into temptation, but deliver us from evil; for Thine is the kingdom, the power and the glory, for ever and ever. Amen.

WHEN THE BUSINESS IS ENDED.

The grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all, evermore. Amen.

... a portion of this fund is reserved for the object for which it was collected, and unless taken as a special collection, this fund will be received in 1871. It will not be possible to secure the office of a continuance of the Block Sum for 1870, except by the payment of the deficiency...

### REPORT.

THE Executive Committee have little to communicate in their thirty-third Report, beyond their continued efforts to dispense the funds of the Society to the best advantage for the benefit of the Church in this diocese. The payment of \$575 to meet, in part, the deficiency in the Block sum, for 1870, materially reduced the amount at the disposal of the Committee for missionary support. Were it not for vacancies in several of the missions on the Society's list, the engagements for the past year could not have been met; more especially since the receipts in 1870 were less than in the previous year, in which an effort was generally made to increase the income.

A deduction of one-ninth from the salaries of some of the missionaries on the Block Sum was made by the S. P. G., in the year 1870. In accordance with the wishes of the Society, the Committee have in a great measure protected those clergymen from this loss, by making grants to encourage special exertions on the part of the people. The grants have been made from the fund which had been set apart to secure the payment of missionaries for at least one year. There will be a deduction of two-ninths from the same salaries in the year 1871. The ninths thus deducted have been partly applied and appropriated for new missionary work in the diocese, but a portion is still unappropriated in consequence of the lack of clergy to undertake new work.

The special collection asked for by the Committee, to meet the deficit in the Block Sum for 1870, produced but \$110.72. The remainder of the deficiency, viz., \$37.25, was made up from the reserved fund above mentioned. The Committee are bound to

keep a portion of this fund in reserve for the object for which it was first laid aside; and unless a large amount, as a *special* collection, is received in 1871, this fund will be so much reduced that it will not be possible to accept the offer of a continuance of the Block Sum for 1872, except with the understanding that there must be a reduction *pro rata* from the salaries of all the clergy, old and young. If, indeed, the Endowment Fund could be made available, there would be no difficulty.

Our hearty and continued thanks are due to the Ven'ble Society for the Propagation of the Gospel for the aid it still gives to the Church in this diocese, and for the considerate manner in which the unavoidable reduction in its grant is being made.

The Committee submit the following summary of Income and Expenditure during the year 1870:

The amount unpaid for Missionary grants alone, due, but not called for in 1870, was nearly \$1600\*; this with several small amounts yet unclaimed would more than exhaust the balance at the end of the year.

**INCOME FOR 1871.**

The receipts for general purposes up to the present time amount to \$4546.44. The Society can depend upon sufficient yet coming in to make up the Income for 1871 to \$5300.00.

The Committee regret to notice that there are one or two places in which no collections have been made of late, and they suggest that the Society might, perhaps, prevail upon these Parishes not to thus isolate themselves from the general interests of the Church in the Diocese. The Committee cannot but notice that in several other Parishes there is not that hearty co-operation with the work of this Society which its position in the diocese and its impartial administration might justly claim.

A statement was made on behalf of the Black Sem. It was Resolved that the sum of \$300 be paid to the Black Sem. as an additional grant for 1870. The Bishop stated that there would still be a deficiency of \$215 and that it is worth not in some way provided for that would have to be a two two reduction in the salaries of all on that list. It was Resolved that a statement be published showing that the deficiency and the need of a two two reduction, and that a collection be taken during the next four months in every parish or mission

## ANNUAL GENERAL MEETING.

THE Annual General Meeting was held in Halifax, on Monday, July 4th, 1870.

There were present many of the clergy from the country, and some others, members of the Society.

The Right Rev'd. the President opened the meeting at 2 o'clock, P. M.

His Lordship drew attention to the general position of the Society, and its responsibility. He showed that the deficit in the "Block Sum" at the end of 1870, after spending all the reserves from that fund, would be \$776. Also, that if the offer of the Society for 1871 were accepted, there would be a deficiency of \$3000 at the end of that year.

The following officers were appointed for the ensuing year:—  
Rev. Edwin Gilpin, *Secretary and Treasurer*; B. G. Gray, Esq., *Asst.-Secretary*. Also, as new members of the Executive Committee, to fill up vacancies:—Messrs. J. M. Jones, R. Taylor, G. R. Anderson, H. Y. Payzant, and J. T. Wood.

A Report was read from the Church Endowment Committee, which will be found on a future page, under its proper heading. The Report having mentioned the valuable services of W. C. Silver, Esq., the following resolution was heartily adopted:

That the warm thanks of the Society be given to Mr. Silver for the able manner in which he has advocated the cause of the Church Endowment Fund.

A statement was made on behalf of the "Block Sum" Committee shewing that with the guaranteed amount from the D. C. S., there would be a deficiency at the end of 1870 of \$776, all reserves being then entirely expended.

It was *Resolved*, that the sum of \$200 be paid to the "Block Sum," as an additional grant for 1870.

The Bishop stated that there would still be a deficiency of \$576, and that, if it were not in some way provided for, there would have to be a *pro rata* reduction in the salaries of all on that list.

It was *Resolved*, that a statement be published shewing that deficiency and the need of a *pro rata* reduction, and that a collection be taken during the next four months, in every parish or mission in

It was *Resolved*, that the "Block Sum" offered by the S. P. G. for 1871, be accepted by this Society, and that every effort be made to raise the \$5000, which would be the deficiency at the end of that year.

The reduction required by the S. P. G. from all salaries, on the Block Sum list, since 1850, was stated by the Bishop.

It was directed that the Executive Committee should take into consideration the position of those from whose salaries the "ninth" has been, and will be, deducted; and, if possible, to devise means for making up to them the loss thus sustained.

The S. P. G. having required that the "ninth reduction" should be applied to *new work*, or else refunded to the Society in England, the following resolution was passed, viz.:

That in Rule 10th, the words "more particularly" are not to be understood as limiting the application of the funds to the objects therein enumerated.

Notice of motion was given:

"That the Annual General Meeting be not held on Monday, but on a Wednesday, and that when the Synod be in Session, the General Meeting of D. C. S. be in the evening."

#### EXTRACTS FROM THE MINUTES OF THE EXECUTIVE COMMITTEE.

MAY 20, 1870.—There was some discussion relative to the power of the Executive Committee to accept money for *new work*. The matter was finally referred to the General Meeting of the Society.

A draft of the 32nd Report was read by the Secretary, adopted, and ordered to be published, as usual.

JUNE 17.—The President and Secretary were requested to appoint, on behalf of the Society, a valuer for the Parsonage at Raydon.

The Bishop brought forward the subject of the "ninth reduction" required by the S. P. G. upon salaries of those appointed

since 1850, shewing that if the reduction were not made here and applied to *new work*, it would be deducted in England from the Block Sum and applied by the Society as they may see fit.

It was *Resolved*, that the clergy placed on the list of the S. P. G., since 1850, be notified that, in accordance with the requirement of the S. P. G., a reduction of "one-ninth" the amount now received by them from the Block Sum, will be annually made in their salaries from that source, commencing with the half-yearly payment on June 30, 1870.

It was directed that notice be given to all the clergy on the list, that unless some means be devised for meeting the deficit of \$776 in the "Block Sum," there would be a *pro rata* reduction at the end of 1870.

Oct. 21.—A sub-Committee was appointed to consider the position of those subject to the "one-ninth reduction," and to suggest some mode for relieving them where most required.

It was *Resolved*, that the Church Endowment Committee be respectfully requested to take steps for a thorough canvass of the whole city of Halifax, with a view to increase the fund.

Nov. 18.—The following recommendations from the Block Sum Committee were adopted :

That \$300 from the "ninth reduction" be granted to the missionary at Wallace, for *new work*, in lieu of the amount heretofore drawn by him from the "Block Sum." Also, \$200 to Eastern Passage, Dartmouth, with the understanding that the missionary have charge of the adjacent Islands as *new work*.

The sub-Committee on the "ninth reduction" presented a Report recommending that part of the reserved fund be appropriated to the purpose of encouraging the efforts of certain of the poorer missions to make up the loss inflicted upon their clergy, during the years 1870 and 1871.

DEC. 16.—The appointed valuers of the Rawdon Parsonage reported that they considered it to be worth \$72 annually.

MARCH, 17, 1871.—J. T. Wyldé, Esq., and Col. Wood were appointed Auditors for 1871. The Auditors for 1870 reported that they had found the accounts correct and satisfactory.

On the recommendation of the "Block Sum" Committee, \$125 out of the \$200 resigned by Mr. Ellis, was appropriated to Pughwash. Also, \$175 out of the "ninth reduction," was granted for *new work* in places adjacent to Glace Bay, C. B. Also, \$250 for

APRIL 21.—A statement of receipts was submitted, shewing that the income for 1871 would probably be equal to that of 1870.

MAY 26.—A draft of the 33rd Annual Report was submitted; after an amendment it was adopted and ordered to be printed, as usual.

JUNE 16.—On the recommendation of the Block Sum Committee, a grant of \$250 from the "ninth reduction" for *new work* in Falkmouth was approved. Also, the proposal of Rev. J. Forsyth, viz.: to reside where he may think fit, and to pay \$200 toward support of a clergyman at Londonderry Mines and \$100 to Truro, retaining \$200.

It was agreed that the General Annual Meeting of the Society be held during the last week in August next.

It is to be regretted that the clergy do not send to the Society more detailed accounts of their parochial work and of the many interesting events which must occur in their yearly routine. The Annual Report might then be made more valuable both to the clergy and the laity.

The Executive Committee gladly note the increase in some of the returns. ALBION MINES.—The returns including special collection to make up the Block Sum, are nearly fifty per cent. more than in the year 1870. ANNAPOLIS.—Although the usual amount from this parish has not been received, yet the district of Rosette has sent more than in the previous year. ANTIGONISHE has slightly increased its contribution. ARICHAT.—The Committee regret to find that no return has been made from this mission. BARRINGTON.—No return has been received for the past two years. BEAVER HARBOR.—No return was made in 1870, but for the present year the amount has nearly reached the average return. BRIDGEWATER has sent three times the amount of last year's return. CHESTER has slightly increased its contributions to the general purposes of the Society. CORNWALLS and HORTON.—This parish has sent in fifty per cent. more than in 1870. DARTMOUTH has sent in a larger return than in the previous year although the district of the Eastern Passage has been set apart as a separate parish. DIGBY has sent \$44.40, whereas the return for 1870 was \$27.50. EASTERN PASSAGE, formerly included in Dart-

mouth, has sent its first separate return to the Society. FALMOUTH has not as yet made any return. GUYSBOROUGH has made a slight advance on the fund for general purposes, sent in last year. HALIFAX—"St. Paul's" has sent for general purposes nearly the amount given last year. There are some special collections yet to be made. "St. Luke's" has sent in \$1400, and the Committee understand that there is a sum of about \$150 yet in their Treasurer's hands to be paid to the Society. "St. George's" has made an advance of \$70 for general purposes. "Trinity" has not yet sent in a return but the usual amount is promised. From the Garrison Chapel we have received \$255.50, fifty dollars of which, being devoted to a specified object, had to be returned. KENTVILLE has not for the past two years sent any contribution for general purposes. LIVERPOOL has made an advance of \$40 upon the return for 1870. LUNENBURG, although making special exertions to enlarge their Church, has advanced from \$60 in 1870 to \$111 for this year. MAHONE BAY, which made a return of \$80 for general objects in 1870, has this year sent in all, \$106.39. MAIRLAND, also, from which but \$15 was received last year, has resumed its former position by contributing \$103. NEWPORT has not given any aid to the Society for the past two years. NEW ROSS, although one of the poorest of our missions, has this year advanced more than fifty per cent. on the contributions of last year. PORT MEDWAY, though making special exertions for local objects, has increased its return. PUGWASH has not for two years sent any aid to the Society's general objects. RAWDON has made a slight advance on the returns for 1870; SACKVILLE, also. SEAFORTH, formerly called "Three Fathom Harbor," has increased at least twenty-five per cent. SHIP HARBOR has not yet made its return, but the Committee are confident that it will be made with the usual success. WINDSOR has sent a larger contribution than in 1870. WALLACE has not made a regular return, but the Missionary there promises that \$50 shall be sent. WILMOT again appears among our contributors, having returned \$20 for 1871. YARMOUTH, although making unusual exertion to complete the beautiful new church there, has not ignored the claims of the Society.

The Committee regret that vacancies in several Missions, and changes of missionaries in others, have caused the usual collections to be omitted, yet on the whole they acknowledge that there is good ground for thankfulness and encouragement.

## APPENDIX.

### RULES OF THE WIDOWS' AND ORPHANS' FUND.

The following is the 11th object of the Diocesan Church Society :

"It shall also be one of the objects of the Society to provide for the Widows and Orphans of deceased Clergymen, but no part of the Society's funds shall be appropriated to this object except such as shall be specifically given and paid into the Society therefor."

1st. In accordance with the above, the Society will open a special account for the object to be called "The Widows' and Orphans' Fund." This fund shall be formed and consist of all subscriptions, donations, legacies, and other contributions, given and paid to the Society for this special object, and of all premiums received under these rules, and of all benefits arising therefrom; and this fund shall be held and applied to and for this particular object, and no other.

2nd. A standing sub-Committee of seven members shall be appointed, in whom, together with the Secretary of the Diocesan Church Society, (who shall be paid as Secretary of this sub-Committee,) shall be vested the whole management of this Fund, subject to an appeal to the whole Society.

3rd. The Diocesan Church Society undertakes to pay, out of this Widows' and Orphans' Fund, the pensions which become due under the following rules.

4th. Every Clergyman of the Church of England within the Diocese wishing to avail himself of the benefits of this fund, shall, within six months from the 10th October, 1855, or within one year from taking orders, or from his admission into the Diocese, apply to the Secretary for a certificate of pension, and shall pay the annual sum or premium therefor, as hereafter mentioned.

5th. Any applicant, after such period of time, shall only be permitted to receive such certificate at the option of the sub-Committee, and upon such terms as they shall direct.

6th. The following shall be the rate of the yearly sum or premium payable by every clergyman applying for a certificate, according to his age at the date of his first application; it being understood that any parish or congregation contributing to the fund more than \$8.00, then the excess be counted toward payment of the premium of the minister or ministers for that year :

35	9.80	48	14.92		

7th. If any clergyman marry the second time he shall pay the annual sum or premium for the age he may be when he marries the second time.

8th. Upon payment of the first sum or premium, the applicant shall receive a certificate, as hereafter mentioned, and the same sum shall be paid by him, up to the time of his death, on the first day of January in each year.

9th. If any person fail to pay the amount of his premium within forty days after the payment become due, all claim to the pension under his certificate shall be forfeited, and the same shall thereupon become null and void. But if he desire to have his claim to the pension renewed, it shall be in the power of this Committee to readmit him on such terms as they see fit.

10th. Permanent removal of the Clergyman from this Diocese to any place beyond the limits of British North America or the United Kingdom, except with the leave of this Sub-Committee, expressed in writing, or under such conditions as they may impose, forfeits all claim to the pension.

11th. If any Clergyman shall go beyond the limits mentioned in Rule 10th, without the leave of the sub-Committee, he shall forfeit all claim to the pension.

12th. The widow of every Clergyman who shall have paid the annual sum or premium (subject to the above exceptions) shall receive a pension of £25 per annum during widowhood.\*

13th. If at any time it is the opinion of the sub-Committee that the state of the funds will safely warrant their doing so, they shall have power to increase the amount of the pensions.

14th. If the widow die or marry again before the expiration of ten years from her husband's death, the child or children of her deceased husband shall receive the pension for the residue of ten years. But no part of the pension shall be received by those children who have arrived at the age of sixteen years, if males, or eighteen years, if females, while those who are still under those respective ages will receive the full amount of the pension.

\* The Committee have increased the pension to £50 per annum.

#### ENDOWMENT RULES.

The following Rules for the guidance of the Endowment Sub Committee were adopted by the Standing Committee, May 17th, 1850:—

I. The investment of Endowments may be made in lands, houses, stock in banks, or other companies, money invested in mortgages or other securities, to be approved of by the Endowment Sub-Committee, and to be conveyed and held for the benefit of the incumbent or resident Missionary, for the time being, of any Parish or Mission for which they are designed, the said incumbent or resident Missionary to receive the yearly proceeds only of the interests or rents arising from such Endowment.

II. The conveyance or trust of such Endowment may be made either to the Society for the Propagation of the Gospel, or to the Church Corporation of the Parish, or to the Diocesan Church Society.

III. When real property is purchased and conveyed for Endowment, it shall be free from any debt or incumbrance.

IV. The annual proceeds arising from such Endowment shall be withheld from any incumbent or resident Missionary of any Parish or Mission who may be suspended by the Bishop of the Diocese from performing public services in the Churches in his Parish or Mission, during the continuance of such suspension,

The Endowment Sub-Committee shall hold any sums contributed toward the endowment of any Parish or Mission, as well as the reserved one-fourth of any contributions that may be made by any Parish or Mission, in trust for such Parish or Mission, and obtain such a rate of interest for the money as may be practicable, consistent with safety, until an opportunity shall arise of investing it for the permanent endowment of such Parish or Mission; and if, in the judgment of the Endowment Sub-Committee, such opportunity or proposition for Endowment shall come within the true intent and scope of the foregoing regulations, they shall authorise the said one-fourth to be paid to the Parish or Mission so applying for it.

VI. If any difficulty shall arise as to whether any opportunity or proposition for endowment be agreeable to the foregoing rules, or if any other point relative thereto should be disputed or doubted, the question shall be referred to the Standing Committee of the Diocesan Church Society at their next meeting then ensuing.

VII. All applications from any Parish or Mission to the Endowment Sub-Committee for aid, shall be signed by the Rector and Church Wardens of such Parish, or by the resident Missionary, accompanied by a resolution of the Local Committee of the Diocesan Church Society in its favor, in such Mission; and shall state the nature, situation, value, and annual profits of the investment desired to be made, the names of those in whose behalf it is to be made, the office where it should be duly registered, the sums that are contributed for its purchase, and all other particulars which may enable the Endowment Sub-Committee to form a correct judgment. All such applications to be made to the Secretary of the Diocesan Church Society, who is ex-officio Secretary of the Endowment Sub-Committee.

The Endowment Sub-Committee, in a Report to the Executive Committee, dated May 11th, 1863, made the following recommendations:—

“That while no restriction is made as to the sum which a Parish may withdraw from its “*Reserved Fourths*,” and invest as heretofore, yet that \$1000 be the minimum to which they should amount before they can be placed in trust with the Society and the interest be payable to the incumbent.

“With reference to the control of the Society over the *Reserved Fourths*, the Committee state that they have no wish to interfere in any way with the right of the Parishes to manage their own property. They would merely, for the better security of this fund, for the support of the Clergy, recommend—That a Rule be adopted which would require that, when an investment, made by any Parish from its *Reserved fourths* may be paid off, the money be returned to this Society to be held under the same Rules, and on the same terms as before, until such time as the Parish may be able to procure another satisfactory investment.”

The first recommendation was adopted by the Executive Committee,—the second is still under consideration.

## CHURCHES.

Every application for aid in the erection of a Church must contain the following information :—

- 1.—The precise situation, especially with reference to the nearest Church and to the amount of population within five miles of the Church.
- 2.—The title of the ground on which the building is to be erected.
- 3.—The size of the building, the numbers it can accommodate, and probable amount of the congregation that will usually attend it.
- 4.—The proposed cost of the building, the progress it has made towards completion, and the amount of contributions on the spot in money or labor.
- 5.—The frequency and regularity of the proposed services in the Church.
- 6.—That all the sittings are to be free and unappropriated.

It is the wish of the Executive Committee that no Clergyman should, when building a Church, rely upon aid from this Society, without first ascertaining whether it is in the power of the Society to grant any assistance.

All grants to Churches are made on the following terms, namely: That the first moiety be called for within one year, and the second within two years from the date of the grant. The first moiety may be obtained when the exterior is finished, the second when the interior is finished. Grants to Parsonages are made on similar conditions.

“The Endowment Sub-Committee receive and hold any money given in trust to the Society for Church purposes, and pay over the annual interest arising from the same, when invested, towards the furtherance of the special object for which it was given.”

“It is the opinion of the Executive Committee that it is the intention of the fifth Bye-Law that the annual payment of five shillings to the general objects of the Society constitutes a member, but that any person may devote his money to any particular object which is recognized by the Society.”

## FORM OF LEGACY.

“I give to the Diocesan Church Society of Nova Scotia, the sum of \_\_\_\_\_, to be applied to the general purposes of the Society.” And the Receipt of the Treasurer of the Society shall be sufficient discharge for the same.

All donations of Ten Pounds and upwards are funded, and the interest only applied to the general purposes of the Society.

“The Society will not make its usual grant toward the payment of an Assistant Missionary appointed to a separate cure, unless the people there consent to pay toward the *Endowment Fund of their Parish or Mission*, all the proceeds of whatever glebe lands may be in that Parish.”

All subscribers appear in the list shall be omitted.

“If resented the contribution be considered.”

“The above referred to.”

“All applications to the Society.”

“The Executive Committee of the Clergyman of the Society.”

“No person of the Society, nor not been a member.”

“The Church Incumbent of the parish during his absence by the parish those two.”

At the General Meeting of the Society.

All subscription lists received before the 31st March in each year, will appear in the next forthcoming report, while those received after that date shall be omitted."

"If reservations and special donations are not mentioned at the time when the contributions are sent in from the Local Committees, the whole amount will be considered as devoted to the general interests of the Society."

☞ The attention of the Local Committees is particularly requested to the above regulations.

"All applications for aid from this Society are proposed at one meeting of the Society and considered at the next."

"The Executive Committee are authorized to grant, at their discretion, a sum of money not exceeding £40, towards an outfit for any newly ordained Clergyman of the Church who may require such assistance, previous to his assumption of actual duty in the Province."

"No person shall be qualified to vote at any general meeting of the Society, nor to be elected a member of the Executive Committee, who has not been a Subscriber for three months preceding the day of meeting."

At the General Meeting in 1869 the following Resolution was adopted :—

"The Church property, in any Parish, which is actually occupied by the Incumbent of the said Parish, shall be valued by competent valuers, upon his taking charge, and be considered at the same value for purposes of salary during his incumbency; and the valuers shall be appointed as follows, viz., one by the parish, one by the Executive Committee of D. C. S., and another by those two."

At the General Meeting in 1870 it was determined "that in Rule 10th the words 'more particularly' are not to be understood as limiting the application of the funds to the objects therein enumerated."
