The copy filmed here has been reproduced thanks to the generosity of:

Archives of Ontario

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol —— (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Archives of Ontario Toronto

Les images suiventes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'Impression ou d'Illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'Illustration et en terminant par la dernière page qui comporte une telle empreinte.

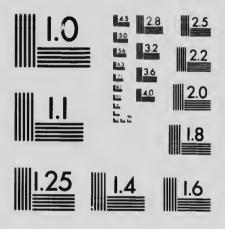

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

## RAILWAYS, STEAMBOATS AND CUSTOMS

Favorable arrangements have been made with all the Railroad and Steamboat Companies for the conveyance of passengers and articles to and from the Exhibition at greatly reduced rates, and for special excursions from all parts of the Dominion and the northern portion of the United States.

Live Stock and all other exhibits sent as freight by railway (not by express), will be returned free on lines in Canada only on the freight having been prepaid one way, that is, to Toronto. but to obtain this concession, exhibitors must obtain from the Secretary of the Exhibition before leaving the grounds a certificate to be presented by the shipper with the original Bill of Lading to the Railway officials when reshipping the goods on their return journey.

Arrangements have also been made with the Customs Department for the admission of articles from foreign countries for exhibition, free of duty, on giving the customary bond, but exhibitors must attend to the bonding of their exhibits themselves.

All Stock, Implements, Machinery, etc., can be unloaded from the railway cars directly upon the grounds, the expense of transshipment being thus avoided.

All articles sent by express will be delivered on the grounds without extra charge by the Express Companies.

# PROCESSES OF MANUFACTURE

The Association hope that manufacturers who are in a position to do so will send some of the machines used by them in the manufacture of their products, and show them in operation, and it is certain that they will be amply repaid for their trouble by the extra benefits they will receive from such an exhibit.

# MISCELLANEOUS

Every facility will be afforded for the transaction of business, by taking orders, but no delivery of articles sold can be made on the premises during the Exhibition, except by special arrangement.

Where space has been awarded to any exhibitor, the Board of Directors reserve the right, in case any such exhibitor shall fail to have his exhibits placed by the proper time or shall fail to make or main tain a creditable display, to declare the space allotted to him, or any portion thereof, forfeited. Exhibitors must arrange their exhibits in as neat and attractive a manner as possible, and neatly fit up the space allotted to them, in default of which the Directors may cancel their entries and require the removal of the goods.

The Board of Directors reserve the right to prescribe the dimensions and regulate the positions of all signs, and generally to direct the management of articles on exhibition, so far as the same may be necessary to secure harmony and an attractive appearance. Exhibitors will not be allowed to distribute about the grounds or buildings hand-bills or other advertisements that may cause a nuisance. Neat cards for this purpose are recommended, as they are more likely to be kept by visitors and not thrown on the ground.

No exhibitor or attendant shall be permitted to make unseemly noises, that may be considered a nuisance, in calling the attention of visitors to his exhibits; and any exhibitor or attendant that may be guilty of distributing any advertising cards or other notices that may be considered immoral or objectionable by the Board of Directors, shall forfeit his space and all other privileges, and shall be removed from the Exhibition Grounds.

As these passes are positively not transferable under any circumstances, exhibitors who may desire to change their attendant must have their passes exchanged at the office. The names of all attendants must be written on the passes, and no pass will be accepted at the gate until the name of such attendant has been written thereon in ink.

The issue of these passes will be limited as follows: Horses—one for every two up to six, one for every three over that number; Cattle—one for every herd of six; Sheep—one for each breed shown, or one for each pen or flock; Pigs—the same as for Sheep; Poultry—one for each exhibitor who makes eight or more entries. The production of any of the animals in the Show Rings may be ordered by either of the Committees on Live Stock, for review or other purposes, at any time during the Exhibition; and any exhibitor or attendant refusing to bring such animal or animals into the ring when so required, shall forfeit his entry fees and any remiums which may have been awarded him, and be precluded from exhibiting in future.

# JUDGES AND JUDGING

## PAYMENT OF PRIZES

The Treasurer will be prepared to commence payin; premiums at his office on the grounds, for all classes of eximits, except horses and cattle, on Friday, September 11th, at 11 a.m., and on horses and cattle after the final parade in front of the Grand Stand, on Saturday September 12th, on report from Superintendent that all have taken part in the same. Prizes will be withheld from those not taking part in the parade.

Parties who may have prizes awarded to them are particularly requested to apply for them before leaving Toronto, presenting AN ITEMIZED STATEMENT OF PRIZES CL..IMED, or leave a written order with some person to receive them, stating the articles for which prizes are claimed.

Persons entitled to premiums must apt ly for them at the Secretary's Office, on the grounds, who will give orders on the Treasurer for the amount. These orders must be endorsed, as they will be payable to order, not to bearer; and on presentation to the Treasurer, promptly endorsed, will be paid either in cash or by cheque on the bank.

Orders for premiums not applied for as above will be issued by the Secretary, and the amount forwarded by the Treasurer, as soon as possible after the close of the Exhibition, to the address on the entry forms.

All persons to whom a prize is awarded, and who do not receive the same as above, must apply to the Secretary of the Association for payment thereof in writing, on or before the 30th day of November of the year in which such prize is awarded, or such prize will be forfeited.

## JUDGES AND JUDGING

The Judges will be appointed by the Board of Directors previous to the Exhibition, and will receive a circular informing them of the fact, and when to report at the office on the grounds.

No person will be allowed to act as Judge who is in any way

interested in the animals or articles to be examined.

The judging will commence, if possible, at the times stated in

the various departments of the Prize List.

It is desired that all the Judges of each class sign their books and go together to hand in their report at the Secretary's Office as soon as possible after completing their duties, instead of sending it in by one of their number, and to remain together until their book has been examined by the Secretary or his assistants, in order that cases of error or doubt may be more promptly and easily made right.

In the absence of competition in any section, or if the stock or articles exhibited be of inferior quality, the Judges will award only such premiums as they think the articles deserving of. They will exercise their discretion as to whether they will award the first, second or any premium. It does not follow that because a prize is offered for any particular animal or article and it must be awarded, unless there is proper competition, or unless the exhibit is really of sufficient merit to warrant the award being made. The Judges are particularly requested to note this fact.

In addition to the stated premiums offered for animals or articles enumerated in the list, the Judges may also distinguish such animals or articles as they consider deserving of notice, but which have not received prizes, by tickets with the words "Highly Commended" upon them. These tickets will, however, not entitle the holder to any money payment.

No award of a prize not offered in the List will be paid until

sanctioned by the Board of Directors of the Association.

Exhibitors can ascertain from the Superintendents of the several Departments when the Judges may be expected to examine their animals or articles. No complaint or appeal based upon the statement that the Judges have overlooked animals or articles will therefore be considered by the Directors.

Any exhibitor lodging a protest must make it in writing and it must be delivered to the Secretary's Assistant within six hours of the cause of protest. It must state plainly the cause of complaint or appeal, and must be accompanied by a deposit of \$5, which sum may in the discretion of the Board be forfeited to the Association if the protest be not sustained, but this provision shall not preclude the right of any director or judge to bring any case of fraud in an exhibitor before the notice of the Board of Directors for their consideration, and in which case the Board reserves full right to act in the premises as fully and to the same extent as if a formal protest had been filed by an exhibitor.

The Judges are particularly requested not to leave the grounds until they have ascertained from the Secretary's Office that there are no protests against the awards in the classes they have judged.

The I lges are expected, in the execution of their duties, to be careful to act with the most rigid impartiality, in all cases of doubt or difficulty referring freely to the Secretary, or to the Committee of the Association in charge of the Department.

No animal or article exhibited shall have about it any prize colors or eards until the awards have been made in their respective classes.

No person shall be permitted in the Judging Rings during the time of judging except the Judges, the grooms or persons in charge of the animals and members of the Committee. Except that no Director or Member of the Association shall be allowed to lead or randle his stock at the Exhibition whilst competing for prizes or be present in the ring during the judging of such.

All prize cards which have been affixed by the Judges must be displayed during the Exhibition. Any infraction of this rule will incur the forfeiture of any premium awarded.

Any person, who shall attempt to interfere with or influence the Judges while in the discharge of their duties or who shall at any time on the premises of the Association use any contemptuous or abusive language to any judge or within his hearing in consequence of any award made by him, or any exhibitor refusing to accept any award made by a Judge, shall forfeit his right to any premiums to which he might otherwise be entitled and shall be excluded from exhibiting for one year thereafter. Judges are particularly requested to report any breach in this rule.

If it be proved to the satisfaction of a majority of the Board of Directors that an exhibitor has been guilty of any of the above named dishonorable practices at any other Exhibition held in Canada or the United States of America, or has falsified any pedigree or otherwise dealt unjustly with the public, said exhibitor may be excluded from exhibiting at this Association in future by said Board of Directors.

Any eases where protests are entered for improper or malignant purposes, the Board may exclude the party making such protest from exhibiting for two years thereafter.

Decision of Judges shall be final and no protest or appeal will be entertained except in cases where actual fraud is alleged against the Judge.

# MISCELLANEOUS

# FIRE AND POLICE PROTECTION

The most careful and thorough arrangements possible are made to guard against fire. At the Fire Hall on the grounds a detachment of the City Fire Brigade will be present night and day, and the grounds are connected with all the Fire Halls by telephone; and with the precautions taken, it is believed the danger of such an occurrence is very remote; but exhibitors desiring insurance must give the matter their personal attention.

An ample police force, detailed for the purpose by the city, will be on duty night and day during the continuance of the Exhibition. But exhibitors are expected to exercise constant supervision over their articles on exhibition, as the Association will not be responsible for loss or damage by theft, fire or otherwise. Small and valuable articles should be exhibited in show eases, which may be securely locked when desired.

## INQUIRIES

as to the Exhibition and its arrangements before the opening should be addressed to the Secretary at Toronto. During the Exhibition inquiries may be made at the Association Offices on the grounds.

#### THE PRESS

The Press Bureau is located near the Secretary's Office on the grounds. Members of the Press are cordially invited to the Exhibition. Ample accommodation will be provided for them, and all necessary information will be promptly furnished. Editors are requested to notify the Secretary two or three weeks previous to the Exhibition of the name or names of representatives they will have on duty, in order that tickets for them may be forwarded. No complimentary tickets of any kind will be issued after the Exhibition is open.

#### GENERAL" CONVENIENCES

The Great North-Western and Canadian Pacific Telegraph, the Telephone, and the Express Companies and the Post Office Department have offices on the grounds; and there is a Post Office at which mails are received and despatched twice daily.

Visitors may be assured of finding on the grounds everything necessary to the convenience and comfort of young or old, during the entire day. Ample restaurants and lunch rooms, managed by experienced caterers, and under the supervision of the Board of Directors, as to the price and quality of food, serve meals and refreshments during hours of exhibition at reasonable rates. A barber's shop, wash rooms, and bicycle and parcel rooms, in charge of responsible parties, are conveniently located for the accommodation of visitors.

Special rules governing the exhibit of horses in the horse rings will be issued at the time of exhibition, and all exhibitors will be required to conform to the same. The ages of borses will be calculated to the est of January, 1903. See also General Rules.

Horses may be measured by the official Veterinaries of the Association at any time previous to being brought into the ring for competition. Their certificate of height will be considered the official height of a horse during the present Exhibition. Any horse not previously measured may be measured by the Veterinaries during competition. A Veterinary Surgeon shall be stationed in the judging ring during competition for the purpose of pronouncing on the soundness of any horse when requested to do so by the Judges or Committee.

27 For the purposes of the Catalogue all entries must be as full and complete as possible. Numbers corresponding with those in the Catalogue will be furnished exhibitors on their arrival at the grounds, and the number of stall the horse is to occupy will be sent to exhibitor on or before August 24th, and no animal will be allowed in the ring without having its number on. All horses, except foals of 1903, winning a first prize at the present Exhibition, must be shown for championships.

All stalls must be cleaned out before 7 a.m., so that refuse out be cleared away before the arrival of visitors.

All animals competing for prizes must be entered in the names of their bona fide owners or their duly authorized agents, except in the case of progeny which need not necessarily be the property of the exhibitor. Should doubts arise the Judges may require affidavits of ownership from the exhibitor.

In making entries the owner's name and address in full, the name of animal, its age, color, markings and sex must be given. (These are imperative.) Names of sire and dam must be given if known.

In stabling, all horses will be classified according to their different breeds and in the order in which they are entered on the Association's books.

No horse will be allowed a premium unless sound, except in cases of stallions and brood mares injured by accidents which does not lessen their usefulness, and in the speed classes which **must** be practically sound.

Horses must be shown uncovered, and in such a manner as the Judges may require or allow; and if exhibitors refuse to submit to the proper requirements of the Judges, their animals will be ruled out.

The Judges will commence their duties on the day specified for each class, but may continue their work during consecutive days at the discretion of the Horse Committee. All postponed judging will commence next day as may be ordered.

Exhibitors who may desire to take their horses away at night will be allowed to do so **only on order of Chairman** and on depositing \$5 with the Secretary as a guarantee for the return of the animal next morning. If the horse is not returned by 10 a.m. the next day, the amount deposited and the occupancy of the stall or stalls will be forfeited to the Association.

Parties entering a horse or horses and not bringing same to the Exhibition and occupying the stall allotted shall be subject to a penalty of \$5 on each animal, unless notifying the Secretary of their inability to exhibit the same, for good cause, not later than August 20th. This rule will be rigidly enforced unless in the case of sickness or accident to the animal, when a certificate from a Veterinary Surgeon must be furnished.

on Saturday, August 29th. In case of horses coming from any other exhibition, they may upon decision of the Committee be admitted on Monday, August 31st. Horses may, however, be brought to the grounds any time between August 27th and date named above, for which stalls and fodder will be ready.

#### DAIRY PRODUCTS AND UTENSILS, BUTTER-MAKING COMPETITIONS, ETC.

COMMITTEE.—Messrs. A. F MacLaren, M.P. (Chairman); Edward Kidd, M.P. (North Gower), J. N. Paget, Jas. Whitten, Andrew Gunn, and Jno. Muir.

(Entrance, Fee, 25 cents each entry)

A new Dairy building with about one acre floor space having been constructed of cement blocks during 1902, fitted up with all the most down-to-date apparatus, including cold storage system, etc., installed by the British Linde Refrigeration Co., Montreal, every Butter and Cheese Manufacturer in Canada should make it a point to visit the Exhibition this year. Lectures and demonstrations of a practical nature in butter and cheese making, operating cream separators, testing milk, etc., in different stages, daily from 10 a.m. to 5 p.m., under the guidance of Prof. Dean, of O. A. C., Guelph, will be given by the Chairman. Superintendent, Judges and other well-known persons.

Arrangements have been made to have Cheese-making, in it-various stages, illustrated during the period of the Butter- Aking competitions.

A written declaration will be required from each prize taker that the cheese shown were made in the factory named. The latter also applies to creamery butter. All Butter and Cheese sent to the Exhibition will become the property of the Association, and will be sold by public nuction on the goards on Tuesday Sept. 8th, and money so obtained remitted property to exhibitors.

Any exhibitor misrepresenting as to dates or otherwise will forfeit any prize that may be awarded to him, her or them.

Any factory or manufacturer can compete, but no factory or manufacturer can compete under different names in the same section.

All butter competing for the prizes for creamery butter must be the product of an established creamery or butter factory

All cheese and butter exhibited must be salted with some improved dairy salt, and with a view of securing a uniform salting of the butter exhibited, it is recommended that seven-eighths of an ounce of salt be used to each pound of butter.

The cheese will be judged by a scale of points, as follows: Flavor, 40; Closeness, 15; Even Color, 15; Texture, 20; Finish, 10; total, 102.

The butter will also be judged by a scale of points, as follows: Flavor, 45: Grain, 25; Color, 15: Salting, 10; Finish and Package, 5; total, 100.

The Judges will attach to each lot of butter and cheese exhibited the card of points awarded by them.

No brand or other distinguishing marks will be allowed on any of the boxes, tubs or crocks in which cheese and butter are exhibited, other than the entry ticket.

Exhibitors of cheese and butter will be entitled to receive the core card by the Judges, giving the number of points made by their exhibits, which, if not called for at time of Exhibition, will be mailed to them after it has closed.

Exhibitors in this department, who do not desire to come with their exhibits, can address them to the Superintendent of the Dairy Department. Exhibition Grounds, Toronto. (see below for directions), from whom they will receive every care and attention, but exhibitors in Butter and Cheese should allow in weighing for shrinkage, so as to prevent disputes in selling.

The Butte: is kept in large, new, glass refrigerators constructed especially for the purpose.

All Butter and Cheese not receiving a money prize and scoring 94½ points and over will be awarded a Silver Medal.

All exhibits in the Dairy Department must be delivered and placed at noon on Saturday. Aug. 20th, and exhibitors are requested to have their Cheese and Butter as perfectly finished and stylish as possible. The judging will commence at 0 a.m. on Tuesday, Sept. 1st.

Card to be used by each exhibitor in Butter and Cheese, which must be filled in and securely fastened to each exhibit:—

FLORAL SECTION SHOWING A SECTION OF FLORAL HALL

#### FLORICULTURAL DEPARTMENT

FLORICULTURAL COMMITTEE.—S. E. Briggs (Chairman); John Chambers (Vice-Chairman); J. H. Dunlop, W. E. Wellingon, J. K. Leslie, George Vair, E. Tyrrel, T. Manton, W. Jay, H. Simmers.

#### FRUITS, PLANTS, FLOWERS, ETC.

(Entrance Fee in this Department. Single entries up to four, 25 cents each; five entries \$1.00; all additional entries, 10 cents each entry.)

The entries in this department will be exhibited in the Horticultural Hall. Exhibitors of Fruit will be allowed to replace any portion of their exhibit that may have become decayed after being placed on the tables, to properly maintain their display, and for this purpose are requested to bring an extra supply with them.

Competitors can only make one entry and receive only one premium in each section.

All articles to be correctly named and properly labelled.

The names of the exhibitors will not be allowed on the exhibits until the prizes have been awarded.

In arranging the fruits on the table, exhibitors will be required to place the varieties, as far as possible, in separate groups. When a certain number of varieties is specified, there must be neither more nor less. Premiums will be withheld if the samples are not worthy.

Entries positively close Saturday, August 15th.

All Plants and Flowers in pots must be delivered and arranged on the tables by 1 p.m. on Monday, August 31st.

All Fruit must be in the building and be properly displayed by 11 p.m. on Monday, the 7th of September, and all not in by that time will be excluded, as judging will commence on Tuesday, the 8th September, at 9 a.m.

Cut Flowers must be delivered and arranged by 11 a.m. on Tuesday. September 8th.

Positively no exception will be made to the above rules as to the delivery of exhibits, and no excuse for non-delivery at the proper time will be accepted. Exhibits arriving late may, however, be placed on the tables, but will be debarred from competition.

All articles once in the Hall are under the control and subject to the order of the Committee or Superintendent in charge of the department, and cannot be removed or withdrawn without permission. Flants which have been damaged may be removed and replaced by others, subject to the approval of the Committee. All persons may be excluded from the Hall, if the Superintendent of the Department deems it necessary, until the awards are made.

By a variety of fruit is meant an established variety, known as such to pomologists. New varieties, with only local names, are classed as seedlings.

Exhibitors must furnish the Superintendent of the Department, as soon as they arrive, with a list of their entries, so that proper space may be reserved.

No cards allowed on any exhibit except those furnished by the Association to be found in the envelope.

Exhibitors are particularly requested, in order to avoid unnecessary labor, to enter only such articles as they intend to exhibit.

The Horticultural Hall will be closed at 4 p.m. on Saturday, the 12th September, after which hour exhibitors will be allowed to remove their exhibits.

See Rules and Regulations, page 5.

As attempts are frequently made to obtain prizes on old articles, which have previously been shown at this and other exhibitions, exhibitors are particularly requested to note that articles which have been awarded prizes at previous exhibitions cannot be entered in competition for the prizes named in the prize list for this year.

3. The Judges will also give preference to articles which have

not been previously exhibited.

4. Any exhibitor may be required by the Directors, if the question is raised, to make a statutory declaration as to her standing as an amateur, or that the work exhibited by her is of her own make, and has not been awarded prizes at any previous Exhibition. Each article in a group, exhibited under one section, must be labelled with the number of section and exhibitor, and not only on one article of said group.

- 5. Articles that are not named in the list cannot be entered.
- 6. Exhibitors in this Department may leave moreakable exhibits at the Office, 70 King St. East, on Monday and Tuesday, August 24th and 25th, between the hours of 10 a.m. and 4 p.m. Exhibits sent by express shall be addressed to the "Superintendent Women's Building, Exhibition Grounds, Toronto," and must reach her on Wednesday, August 26th.
- 7. No exhibits will be received after 6 p.m. on Wednesday, August 26th. Those coming after that time will positively be refused.

Note.—As the Exhibition opens this year on Saturday, August 29th, it is desirable that exhibits shall be sent promptly so as to enable the Committee to have them properly arranged.

The Association will take reasonable precaution to ensure the safety of articles sent to the Exhibition, but the owners themselves must take the risk of exhibiting them; and should any article be accidentally injured, lost or stolen, the Association will give all the assistance in their power towards the recovery of the same, but WILL NOT MAKE ANY PAYMENT for the value thereof.
