LOMBART CHOCOLATE

In 1760, under Louis XV, Mr. Meunier took up his residence on *Vieilles Etrées Saint-Honoré* Street, near the Du Trahoir Cross, now known as the *Fontaine de l'Arbre-Sec*.

This locality was the birth-place of the Chocolate Industry; for it was there that, some years earlier, an officer of Maria-Therese, wife of Louis XIV, obtained, through the influence of the Queen, the monopoly of its manufacture and introduced it in France.

In 1789, King Louis XVI made MEUNIER purveyor by appointment to Her Royal Highness Victoire de France.

In 1804, Grimod de la Reynière perpetuates, in his *Almanach des Gourmands*, the high reputation acquired by the "HOUSE MEUNIER"; he declares that he considers it "as one of the two or three which alone make good chocolate"; and in his edition of the same *Almanach* for the year 1807, he states "that the Chocolate Meunier is much superior to that made in Florence and other Italian Cities.

In 1814, Her Royal Highness the Duchess of Angoulême selected Meunier as her purveyor by appointment.

The prosperity of the Firm thence continually increased.

It was in 1852, that the *Gazette des Hôpitaux* called attention to Meunier by quoting a report of the Directors of the Medical Faculty, which ends as follows: "We do not judge of the value of the chocolate of the House Meunier, but by the results which we have obtained from it and we do not recommend any other, &c."

Finally, from 1849 to 1883, the following awards were granted to the Firm:

- PARIS EXHIBITIONS, 1849, 1855 and 1873, Bronze, Silver & Gold Medals.
 1873, Vienna Exhibition, Medal of Merit.—1874, Marseilles Exhibition, Gold Medal.—
 1876, Medal, Philadelphia Centennial Exhibition.—1876, Gold Medal of the First
 Class National Academy.—1878, Class 52, Two Medals for Patent Machines
 for the weighing and systematic cooling of Chocolate.—1878, Class 74,
 Out of competition, member of the Jury.—1879,
 Grand Diploma of Honor, National Academy.—1880,
 Melbourne (Australia) Exhibition, Two First
 Medals, and the Cross of the Legion of
 Honour.—1883, Gold Medal
 Amsterdam.

Such are the points which recommend the use of Lombart Chocolate, to the confidence of the public.

Mr. Lombart, for twenty-five years the proprietor of the Meunier Manufacture, has ever followed in the steps of his predecessor and has added to his industry all the improvements which his long experience aided by the advance of science has suggested.

The Manufactory, now working at No. 75 de Choisy Avenue, in the most extensive in Paris.

The House Lombart imports Teas direct from China. It only sells black teas carefully selected and of extra quality.

Black Teas are the only ones, according to the Medical Faculty which are wholesome. See in reference hereto the reports of Doctors TROUSSEAU and PAYEN.

PREFACE.

The issue, for the present year, is the TWENTY-SIXTH volume of the series of CHERRIER'S QUEBEC CITY DIRECTORY—established in 1858—and as a matter of fact, we would state the OLDEST DIRECTORY PUBLISHED IN THE DOMINION and under the same name.

In accordance with the promise made to our patrons, some months ago, we have the satisfaction of knowing that we have been true to our word, and that for the first time in 26 years, Cherrier's Quebec City Directory has been published in the month of May, an attempt, we believe, never tried before by a directory publisher, but which we are proud to state we have been able to successfully carry out, owing to our untiring efforts and the good will of our patrons and citizens generally.

We confidently hope that a good point will be allowed us in having thus achieved, for the benefit of our patrons and the public, such a *needed desideratum* as that of issuing a directory in a city where over 1500 removals annually take place, within the short space of THREE WEEKS from the 3rd of May—date of removals. And we trust to receive hereafter a still more generous support from the Quebec public as a token that our efforts to be useful as well as agreeable, have been justly appreciated.

In order to achieve this object, we had to be early in the field compiling and canvassing, and the work was thenceforth prosecuted with our usual care and vigilance.

But, as the compiling and printing of a directory of this importance, is an undertaking of no small magnitude and considerable difficulties—which can only and best be known to those in the business—errors of omission and commission will, in some instances perhaps, be discovered by persons who are disposed to look for them. Entire accuracy in a book of this class has never yet been obtained, and owing to various reasons which it would be superfluous to here specify, it is more than probable, never will be. Such being the case, indulgence is claimed for any errors that may be found in this work, more especially as we are confident that they are fewer in number than those which generally occur in other books of the same description.

And though of the way in which our duty has been discharged, it may not become us to speak, yet we may be permitted to say that the greatest possible care has been taken to render our work thoroughly reliable, and, with the exception of the few errors that will unavoidably creep in, in spite of the utmost vigilance, it can be depended upon as being in the main *correct*.

It is a pleasure to us to have to chronicle the fact that at last the numbering of the houses in that part of St. John ward, which had been so unmercifully destroyed by fire some years ago, has been effected, thanks to our energetic and indefatigable mayor, the honourable François Langellier. To him also is the city indebted for many valuable and much needed improvements; amongst the many, our long needed new water-works system now being pushed with all the dispatch and zeal possible. May he long sit in the Civic Chair he so honourably and ably occupies, an example of that which can be done for the public good, by an energetic, upright and popular man.

We trust that the street key which we have, for the first time, given to our patrons of St. Sauveur, will be duly appreciated by them, and will serve as a compensation for the unpleasantness which had arisen from the fact that we had somewhat neglected them in a previous issue.

In conclusion, we feel we have reason to congratulate our Citizens upon the fresh dawn of prosperity to our business circles, which we believe are on the verge of enjoying a more enviable and prosperous year.

Building of houses and other erections has assumed a more modern and substantial character, and from what we have learned and seen during the past year, other buildings will be shortly erected, that will prove both serviceable and ornamental.

Finally, we must ask our annual patrons who, believing a good directory is deserving of success and have tendered us their support, to accept our sincere and grateful thanks.

To the merchants, manufacturers, corporate bodies, heads of departments and citizens generally, to whom we are annually indebted for many favours shown in furnishing information so essential to our work, we also say: "Merci et au revoir."

The publisher and compiler,

A. B. CHERRIER.

DIRECTORY BORROWERS.

The Directory borrower is abroad in the land ; his name is " legion." We do not mean your customer, nor the stranger who wishes to look up the address of a friend or relative, but the pessimist who does business next door, up stairs, or around the corner, who is too *stingy* to possess a Directory of his own, and too *small-souled* to contribute a dollar to its support. He who thinks it smart and manly to snub the convasser when asked to give his name and those of his employees ; he who is the first one to find fault if he should see an inverted letter, or fails to find a name which *he does not know how to spell*. Discourage him. He borrows your Directory for "*just a few minutes*," and keeps it *as many days*—indeed you are fortunate to get it back *at all*. He is the unenterprising fellow who helps to *kill* a city. Send him around to the DIRECTORY OFFICE, **72 St-Peter St.** Let him *sponge* on us. We keep **FOR SALE** an extra Quebec Directory, also Directories of Canadian and American Cities for free reference by **EVERY BODY**, at our branch office, **72 St-Peter St.**

A certain number of names are unavoidably left out from the Street Key—owing to the tardiness of persons in giving us the required information—which however appear in the Alphabetical list.

In the Street Key, numbers followed by a—*are houses not rented* at the time of publication.

Names of residents in houses of ill-fame are not inscribed in the Street Key, and as a consequence will not be found in the Alphabetical Directory.

At the time of putting the Street Key to press, 15th of April, there were still 775 lodgings and offices *not rented*

Pressing Request.

We wish to impress upon the minds of more of our business men the importance of aiding us, not only by their subscription to the work, but more particularly by their **ADVERTISING PATRONAGE**, to keep this indispensable Annual up to its present high standard. It is a duty which they owe to the community and themselves, and which is trifling in amount for them to subscribe; it is solicited but once a year, and, as a rule, they reap a **HANDSOME PROFIT** from the investment, instead of it being any loss to them. It is with us as with newspaper publishers, we offer copies of our publication, at a price almost below the **COST OF PRODUCTION**, and it is the income from this **ADVERTISING PATRONAGE** which should make up for the loss we sustain otherwise. Had the **ADVERTISING PATRONAGE** been bestowed more liberally upon our work in past years, we certainly would not have been under the painful necessity of augmenting the price of subscription. Upon our non advertising business community and upon it alone, must we cast the responsibility and its consequences.

DIRECTORY BORROWERS.

The Directory borrower is abroad in the land ; his name is " legion." We do not mean your customer, nor the stranger who wishes to look up the address of a friend or relative, but the pessimist who does business next door, up stairs, or around the corner, who is too *stingy* to possess a Directory of his own, and too *small-souled* to contribute a dollar to its support. He who thinks it smart and manly to snub the canvasser when asked to give his name and those of his employees ; he who is the first one to find fault if he should see an inverted letter, or fails to find a name which *he does not know how to spell*. Discourage him. He borrows your Directory for "*just a few minutes*," and keeps it *as many days*—indeed you are fortunate to get it back *at all*. He is the unenterprising fellow who helps to *kill* a city. Send him around to the DIRECTORY OFFICE, 72 St-Peter St. Let him *sponge* on us. We keep **FOR SALE** an extra Quebec Directory, also Directories of Canadian and American Cities for free reference by **EVERY BODY**, at our branch office, 72 St-Peter St.

ALPHABETICAL DIRECTORY.

EXPLANATIONS :

The Names in CAPITALS are those of Subscribers and Advertisers.

ABBREVIATIONS USED IN ALPHABETICAL DIRECTORY : bdg. *hse.* *boarding house* ; bds. *boards* ; h. *house* ; r. *rear* ; sq. *square*.

The object of the ALPHABETICAL DIRECTORY is to find out a person's address knowing his or her name : the object of the STREET DIRECTORY is to find out a person's name by having reference to the No. and Street.

When hill, lane, place, road, square, or any other such word, does not follow the residence, the word *street*, is to be understood ; for example : Abgrall Victor, laborer, Champlain 809, means Champlain street 809.

When two numbers are given in connection with one name, and only one street mentioned, the number first given is the place of *business*, and the second the *residence*,—which is always indicated by the letter *h*—and both in the same street.

It will be noticed that the names of all members of a firm are added directly after the name of said firm. This, it must be understood, does not interfere with the regular insertion of the same names in their *Alphabetical order*.

Our advertising patrons may be found by referring to the Index, page 5. We feel justified, after many years acquaintance, in saying we believe them to be among the very best in their vocations in the City of Quebec.

For full indices to the CONTENTS, see page 6.

Names of residents in houses of ill-fame not being inscribed in the Street Key, will not, as a consequence, be found in the Alphabetical Directory.

There are about 1,600 proprietors in the City.

The number of landlords in each ward, including women, are about as follows : Champlain 100 ; St John 150 ; Montcalm 245 ; Palace 125 ; St Roch 325 ; St Peter 96 ; St Louis 190 ; Jacques-Cartier 390.

At the time of going to press, 3rd of May, there were still 271 lodgings, stores and offices unoccupied, a fact which will more than account for the few omissions that may be found during the year.

To find a name, first know how to spell it.

STADACONA

A village in Quebec County, on the River St. Charles, and connected with the City by "Bickell Bridge," very recently constructed by the gentleman whose name it bears. Although this village is outside the limits of the City, it may be considered a suburb of Quebec, possessing most of its advantages without being subject to its burdens. The population consist of about 100 families, containing some 500 souls, mostly of the working class, who gain their livelihood in the adjoining ship yard owned by J. & I. Samson; there is likewise a steam saw mill which is not now in operation. The Riverside Worsted Co., which is now in operation, no doubt adds greatly to the prosperity of the place. Hare Point, on the City side, has two ship yards, viz: Messrs. W. H. Baldwin and Narcisse Rosa. It is to be hoped that in the good time that is now coming, when manufactures of all sorts will take the place of the now languishing industry of ship building, Stadacona will rank as one of the most populous of our suburbs. It is in every way suitable for the establishment of manufactories. On the heights above the river St. Charles is a fine level plateau, exceedingly well adapted for Villas, and overlooking the extensive valley of the St. Charles, with a fine view of the Parishes of St Foye, Lorette and St. Ambroise, on one side, and on the other bounded by the pretty little river "Lairt" having a splendid view of the City and Port of Quebec. Distant from Quebec about 1 mile.
