NUMBER OF GRANGES: Division, 46; Subordinate, 693.

A large number of Granges being behind in reports owing, I presume, to the busy season, a full report cannot be given this Quarter.

The gain by initiation does not in all cases equal difference between the number of members at close of last quarter, and at close of quarter for which report is made, for the reason some members have been admitted by Dimit, some have withdrawn to join other Granges, some dropped for non-payment of dues, some died, &c.

PATRONS OF HUSBANDRY.

INSTRUCTIONS TO SECRETARIES.

FONTHILL, Sept. 30, 1878.

Quarterly dues should be paid for all who are members at close of quarter for which report is made. Secretaries of Division Granges will please give name and number of Subordinate Granges which have not reported as well as those that have, and mark "no report." Also make out report in full, especially the blank totals at foot of report.

Subordinate Granges are not required to report for fractional quarters, but to date their reports from beginning of first full quarter after organization, which reports should contain membership dues from date of organization (Charter members excepted) and dues from beginning of first full quarter. (This refers to new Granges.)

SECTION 97, "Parliamentary Guide," amended to read; "When a Division Grange is organized during a quarter, all Subordinate Granges in the jurisdiction of said Division, organized previous to the commencement of that quarter, shall report and pay to Division all quarterly and membership dues required."
