The copy filmed here has been reproduced thanks to the generosity of:

Vancouver City Archives

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Vancouver City Archives

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

## The Origin of the Festival

In 1911, Dr. Charles Harris, of Ottawa, organized a Musical Festival Tour of the Empire, with the famous Sheffield Choir, conducted by Dr. Henry Coward. This splendid Choir visited our City on May 15 and 16 of the same year, and gave two evening and one afternoon concerts. The latter to afford our school children an opportunity of hearing the famous singers. Dr. Harris was so much pleased with the spirit and enthusiasm of our teachers and pupils on that occasion that he decided to present a trophy to our School Board for competition among the schools. This consummated some time later in the form of a handsome shield, with the stipulation that it be competed for annually by choirs of school children who should be trained wholly by the regular grade teachers, and that the competition must be in public. The adjudicators to be appointed by the Trustees of the Shield.

The School Board gratefully accepted the gift on these terms, and commenced arrangements for the competition last year, but through the delay in the arrival of the necessary music, were compelled to postpone it until this year.

In the meantime, the Vancouver Musical Society, which has been organized and developed under the auspices of the School Board, had made such splendid progress, that it was thought desirable to amalgamate the forces and arrange a two-day festival, which we trust is but the earnest of what is to follow in years to come.

That the competitive festival movement has done much for music in the British Isles every music lover knows. It is chiefly through this instrumentality that choral music particularly has been raised to such a high standard of excellence. One of the most striking things in connection with competitions there is the frequent high excellence of the results attained by school classes and choirs. This occurs all over the country and springs up sometimes in districts where the adult choral singing is indifferent. All this goes to prove the natural capacity of children is almost everywhere good, and simply awaits the fairy wand of a good teacher.

It is hoped, therefore, that the movement just started here will receive encouraging patronage from the public, so that it may be a stimulus to musical activity in our City and its influence be felt throughout the Province.
