DEER PARKS.

LAUGH AND GET WELL.

'Laugh and grow fat," is a saying

England Has the Greatest Number of Any People Who Would be Healthy Shoul England has the greatest number of deer parks of any country of the that contains a deal of truth, and is vested by the Enemy Years Ago-Inclstocked with deer in the different in body as well as in mind. We instinccounties, while red deer are found in tively associate joility with rotundity, thirty-one. There are but few deer and a sour disposition with a spare terrible, the last siege of Gibraltar, parks in Scotland and Ireland, but form. The rule is, of course, not with when the rock was held by a British garrison under General Elliott, against the combined efforts of the Spaniards and French from July 5, 1779, to November 25, 1781, holds the reign of Charles I. Windsor park

Tom. The rule is, of course, not with the number will probably increase, especially in Scotland. Some of these English parks are of great extent, though they have gradually decreased in size during the past 200 years. In record as the longest important siege

The cables told the story as if Kitchener had been surprised and forced to take to his heels. The fact is that Lord Kitchener, instead of moving back to save himself, moved forward back to save himself, moved record as the longest important siege of modern times. The fact that every now and again the garrison were able to add to their provisions by successful stories kept them from succumbing to hunger, but scurvy claimed nearly one thousand victims,

For weeks together over six thou
The reign of Charles I. Windsor park covered an area of 100,000 acres, whereas it consists now of only 2,650 acres, with Windsor forest adjacent, making an additional 1,450 acres. Lord Bogot's park in Staffordshire embraces about 1,000 acres; near Tunbridge Wells, 2,500 acres is extent,

The convulsive movements which we call laughter exert a very real effect bridge Wells, 2,500 acres is extent,

The convulsive movements which we call laughter exert a very real effect bridge Wells, 2,500 acres is extent,

hearly one thousand victims,
For weeks together over six thousand shells were thrown into the town daily. A curious point about this siege is that the Governor of Gibraltar, after having done everything he could think of to strengthen the fortifications, issued a proclamation calling on any of the garrison who had any schemes to propose to call on him with them, as he did not wish the Rock to fall when by listening but a few minutes to a private individual it might be saved.

In holding the fortress of Plevna during the Russo-Turkish War, from September 7, 1837, to Decomber 10 Meritage A propose to call on first train to the conversable oaks, one of the fine old Engsenber 7, 1837, to Decomber 10 Meritage and series in the convulsive movements which we call laughter exert a very real effect upon the physical organism. They cause the arteries to dilate, so that they carry more blood to the tissues of the body, and the heart to beat more rapidly, so that the flow of the blood through the vessels is hastened. In other words, laughter promotes the wars to propose to call on him with them, as he did not wish the Rock to fall when by listening but a few minutes to a private individual it might be saved.

In holding the fortress of Plevna during the Russo-Turkish War, from September 7, 1837, to Decomber 10 Meritage and soult in the dealer and the private individual it might be saved.

In the convulsive movements which we call laughter exert a very real effect upon the physical organism. They cause the arteries to dilate, so that they carry more blood to the tissues of the body, and the heart to beat more rapidly, so that the flow of the blood through the vessels is hastened. In other words, laughter promotes the very best conditions for an increase of the vital processes—the tissues take up more nutritive material and the waste products are more promptly removed.

Miramichi Advance. OHATHAM, N. B., - - AUGUST 16, 1900

Canada's Buoyant Revenue and

over a million of last year's surplus go usual weight. twice before in the history of Canada. Government as shown in an interview hands, it is no wonder that the outcome

why the St. John Sun is so exceedingly it will cost more than if the pumping other way. The freight market is still Their casualties are estimated at seventy his adversary out in the sixth round. Ill-tempered over the ADVANCE'S adver-station were nearer to the town. ill-tempered over the ADVANCE'S advertising patronage, or why its special patron and director, Hon. Goo. E. Foster, Sir Wilfeld Laurier passed through seasons set in, and all this tends to the should concern himself so much about it. Moncton last Saturday morning on his prespects of higher prices. In addition continues the correspondent, Forty per His running mate, Mr. Hetherington, of way to Arichat, C. B. to attend the to this is the fact that we are replied.

followed by more able administrators. laugh at Mr. Powell's expense. It may be that the Sun will say that Mr. Foster was right, but the fact that he did not appreciate this excellent family jou :nal of the north shore of New Brunswick was, of course, due to the same cause

Everybody knows that to Mr. Foster's habitual neglect of Kings County was due that the stone-crusher was purchased in an unseemly hurry and put up six mouths before there was any pretence on the promise that he would change his conduct and give at least some reasonable attention to her interests. But he is as great a failure as a representation of the interests. But he is as great a failure as a representation of the promise that he is a great a failure as a representation of the promise that he is a great a failure as a representation of the promise that he would be no converts left in China at the promise that he would change his derested and other had been reared. With him was his wife and baby. They had never ridden on a few weeks ago were to be credited, there would be no converts left in China at the present time to represent the work of the missions in that mysterious country for generations past.

The official twelve miles away, where he had been reared. With him was his wife and baby. They had never ridden on a railroad train before, and as the cyneration and of the impressions they had made upon him. After disposing of some of these the Globe says:

THE WEST IS SOLID

When asked respecting the political aspect of affairs in the west, Mr. Emmers and other increases and other made upon him. After disposing of some of these the Globe says:

THE WEST IS SOLID

When asked respecting the political aspect of affairs in the west, Mr. Emmers and other increases and other made upon him. After disposing of some of these the fields and baby. They had never ridden on a railroad train before, and as the cynerative of his experiences in western Canada and of the impressions they had been reared. With him was his wife and baby. They had never riden on a railroad train before, and as the cynerative of his experiences in western Canada and of the impressions they had been reared. With him was his wife and baby. They had never riden on a railroad train before, and as the cyneral cyneral cyneral cyneral cyneral cyneral c Manager.

The official classes connected with the great a failure as a representative of York as he was of Kings, hence his frantic efforts to work up sufficient interest in Queens to secure a refuge there, now that was paid. The Town Council also failed to provide power to test the Queens to secure a refuge there, now that machine and it was taken off the seller's outside the communications with the communications with the communications with the was not partially determined by efforts to work up sufficient interest in the was not partially demonstrated with the same and the was not partially demonstrated with the son said he was not partially demonstrated by left their sents, and, homself to political classes connected with the son said he was not partially demonstrated by left their sents, and, homself to political matters, but he proceeding to the platform of the coach, the wife country from the Outside partial classes connected with the son said he was not partially demonstrated by left their sents, and, homself to political matters, but he was not partially demonstrated by left their sents, and, homself to political matters, but he wife to react was paid on the balance due until different foreign governments having in the was not partially demonstrated by left their sents, and, homself to political matters, but he was not partially demonstrated by left their sents, and, homself to political matters, but he was not partially demonstrated by left their sents, and, homself to political matters, but he was not partially demonstrated by left their sents, and, homself to political matters, and, homself to provide here was not partially demonstrated by left their sents, and, homself to provide here was not partially demonstrated by left

and views of public life, and they are congenial in their tastes and habits. Mr. Foster will, of course, experience much personal pleasure in the association of Mr. Hetherington with himself until the prospective assembly election is over, but after Mr. Hetherington is politically buried it is probable that Mr. Foster will time after Chatham did. They purchan's back on the scene of that gentleman's obsequies and, like the political gipsy that he is, seek to promote his fortunes as a candidate somewhere else. When Mr. Foster "moves on" and, like the political properties and being unrolled when laid down, or on the being unrolled when laid down, or since.

In Newcastle they have done things a little differently. They began, in that town to prepare for street-making some properties as a little differently. They began, in that town to prepare for street-making some time after Chatham did. They purchased a crusher that works perfectly and is more portable than that of Chatham did, of getting a second hand boiler and engine. They put their action of all the ambassaclors and their methods.

It is satisfactory to know that the torned out to be to know that the stories of a general massacre of all the target a little differently. They began, in that the torned out to be to expose the theorem on the stake town to prepare for street-making some time after Chatham did. They purchased a crusher that works perfectly and is more portable than that of Chatham did, of getting a second thand boiler and engine. They put their and their methods.

In Newcastle they have done things a little differently. They began, in that the tom and their methods.

It is satisfactory to know that the tom one who is a friend of the Dominion Government. No one who is a friend of the Dominion Government. No one who is a friend of the Dominion Government. No one who is a friend of the Dominion Government. No one who is a friend of the Dominion Government. No one who is a friend of the Morning Post, take the conditions with hatte us with a hatre as or When Mr. Foster "moves on" and, screen on and worked it in connection tooth for a tooth, the Chinese have paid with his usual lack of sagacity, comes with their crusher, which they don't dearly in the way of Mongolian corpses as Excursion Rates on Steamer North, perhaps, only to meet defeat, he wil', no doubt, want to advertise his election card in the Advance, but while

They have and are constantly receiving race who have died at their hands. On Theredays, Thursdays and Saturdays, Excursion Tickets, good for day of feeue only, will be creasing the Sun's wrath and jealousy placing on their streets in a proper way other despatches as we find them and consider Tickets, good for day of issue only, will be important the subject of the west the finer on top, and they are in a paper, we feel assured that Mr. Foster will be defeated all the same, for the control of the same that the same

A Careful Man's View.

Premier Emmerson, who has been so important a part in street-making, London. making quite an extensive tour of but when Newcastle is done with it, it Western Canada, going to the great is to go to Moncton. Meantime, our says: Western Canada, going to the great stone-crusher stands idle, the second-conditional stone-crusher stands idle, the second-band spending spend ment of the Finance Department up to __within the range of his travels. He plant. The job is evidently too big for to the Standard, expresses grave fears for give two Conservatives and no more, as the end of July last, shows a surplus of is well known as a man of moderate the council, or, perhaps, it would be the safety of the members of the legations Sir Charles Hibbert Tupper had when he \$10,076,986.44. The expenditure on views, who does not make up his mind capital account for last year appears as with undue haste, or express his opinions of moderate is well known as a man of moderate nearer the mark to say that the council is not big enough for the job. For the The Austrian naval commander reports to Province. But this statement was so \$8,659,374.01, including South African without having first duly weighed them. money that has been spent the town Vienna that the allies decided to rest for utterly absurd on its face that it bought contingents, \$1,445,349.01, so that His ideas of the condition of public should have better service. It is costing three days after the taking of Yang Tsun. there is every reason to believe that sentiment and the attitude of the people too much to buy experience the estimate of the Finance Minister towards the Dominion Government for the gentlemen who are undoubtedly will be realised, and that there will be ought, therefore, to carry more than more willing than competent to undertowards the reduction of the debt. The fact that there is a manifest When it is realised that the water and and the country is in good marching order, Such a result has only been effected increase of allegiance to the Laurier sewerage undertaking is in the same subsidiary dykes having made the enemy's damming ineffective.

The revenue for the current year in with Mr. Emmerson, as published in is contemplated by thoughtful citizens 65, an increase of \$578,697.37 over not more to its fairly good administraon consolidated fund account was the old Conservative party, which has but even its best is extremely dislast year. The expenditure last month tion than to the regrettable collapse of fallen so largely into the hands of such It is opportune to consider, just now, men as Messrs. Foster, Haggart and another fact, as disclosed by Canada's the younger Tapper. These, after having trade returns, namely, that there is an increase of forty-seven per cent. in our leader in January 1896 have since 1st inst. Messrs. Faraworth & Jardine exports of manufactured goods. And this reminds us of Sir Charles Tupper's prophecy, when Finance Minister Fielddesolation and poverty. The old gentleman's wall was in the following operation, and the honorable gentleman knows that the industries of this country disgusted with the unworthy tactics of books that the industries of this country are already paralysed in consequence, while honorable members gloat over the destruction of Canadian industries. I was reading the wail—the sorrowing wail—of these industries in the men now at the head of affairs where one manufacturer after another declared that those industries were ruined, that the men there against those whose recent party are already manufacturer after another declared that those industries were ruined, that the men that multiple must close, and that they saw the must close are already paralysed in consequence, while disjusted with the unworthy tactics of the London disjusted with the unworthy tactics of the London the members gloat over the declared with the unworthy tactics of the London of the D. CH. According to his advices from the French colony in Pekin and one customs semploye have been killed. Timber Trades Journal of 4:h inst. Says:

Tien Tsin, Aug. 6, via Shanghsi, Aug. 12.

That figures may be used to prove the decident many attempt to paralyze his hand in favor of the C. P. R. by giving that company the control of the Intercolonial would meet with the most severe condemnation of the people of the Province. That will be a burning question before the people of the Province. That will be used by buvers with what they would be unworthy tactics of this every popular in New Brunswick, and an attempt to paralyze his hand in favor of the C. P. R. by giving that company the control of the Intercolonial would meet with the unworthy tactics of the London of the beautiful the sorrowing wail—of the country and its good name, says —

The British and the theory of Pretoria and the industries of the London of the beautiful the sorrowing wail—of the country

His running mate, Mr. Hetheriogton, of way to Arichat, C. B. to attend the to this is the fact that we are rapidly Queens County, having consented to Acadian convention which opened there approaching the time when the rates of sacrifice himself in his interest in that yesterday. He was accompanied by marine insurance will be largely increased, constituency, the great Kings County Lady Laurier and a party of ten. He and all these factors will stiffen the peripatetic ought to be in a good humor, was greeted by a large concourse of market. but, instead of that, he displays a petty people and had a popular ovation. Mr. disposition to be jealous because first Powell, M. P. met him and asked for a class advertisers, who do not care to "tip" as to the date of the elections. entrust their announcements to the Sun, The Premier was equal to the occasion atronise the ADVANCE.

and said: "I thought when I saw you will be said or assume outside the saw you coming you had the plans and the date that because he never had the gumption already. Sir Charles, however, will be paratively meagre, so far as its value in

CHATHAM'S PROPOSED NEW

Town Meeting Votes Bonus of \$15,000!

A meeting of the ratepayers of Chatham was held in Masonic Hall on Tuesday evening for the purpose of considering the subject be established on the Morrison mill property, near the upper end of the town. Mayor Loggie explained the object of the

taken in. The contemplated undertaking per day of twenty-four hours, to be increased afterwards to one hundred tons. It would had offered the promoters a bonus of \$50,000; They have not, however, even to the extent Newcastle had indirectly offered \$30,000; of exhibiting them in their showcases, supply of wood and other encouragement.

Freight rates were against Woodstock. None of the other places offered as good facilities as Chatham, whose interest it was to show the stockholders that this was the place for the mil and Morrison's the site. The promoters are asked what bonus would would take in the territory up to the Harper Road which is now valued at \$23,400. The additional income value which would be from the taxes collected, as the direct bene-

locality and that would mean more income soratch on the face. for the town, [Applause.] After a few remarks from Chairman and how anybody escaped instant death is An interesting base ball game was played Loggie ss to the desirability of having a miracle. resolution before the meeting—Mr. W. C.
Winslow took the pla'form, and after left Chipman this morning for Norton at left Chip Winslow took the practice of the proposed new industry to the workingmen and to the interests of Chatham generally, said the town should not miss the chance of securing it. He referred to the necessity of extending of an engine, tender, box car, car of coal, the necessity of extending of an engine, tender, box car, car of coal, fell mortally wounded. The posse withdrew He referred to the necessity of extending the town limits in the event of the mill being built at Morrison's cove in order to secure to the town the binefit of the assessable value to be created. He was fully 150 feet of the structure crashed down.

The section where the tragedy occurred the black population considerably outnum.

Monoton however turned the tables in the would, as it was now doing, protect our own As soon as it could be done, all the injured

also did well this inning, securing three runs The resolution was then put and carried after Mr. Barker and Mr. Ryan. Doctors brought system into his accounts until he without a dissenting voice, the result being Lewin of Belleisle, Molean of Sussex, and In the seventh no one of the visitors greeted with great applause.

Dr. Manchester, V. S. worked hard all day reached first, and Chatham added three Ald. Watt, seconded by Mr. W. C. and by dark were satisfied that all possible

Cassidy. In this inning some good batting was done by the Stars, but the visitors were right on the ball and held down the score, which stood at the end, 14 to 8 in Chatham's fawor.

In the eighth Chatham added two more scores by Foley and Perry, but the visitors were kept down to nothing in this as well as the minth, so that the score stood 16 to 8 in favor of the Chatham Stars, with an inning favor of the Chatham Stars, with an inning to spare.

Winslow, moved as follows:

Resolved that this meeting petition the legislature for power to extend the limits of the swince to extend the limits of the sunt of Chatham from the present southwesterly corner thereof westerly along the base line of the first concession of lots (fronting on the Miramichi River) to the Harper Road (so-called) thence northerly along the easterly side line of the said line at Cody's. He was sitting in the baggage oar with Bernard. Conductor Ryan was breaking the car, the train crew being one man short. A sudden jolt threw Barker themselve when the corner of the said Miramichi River, the Chatham Stars, with an inning favor of the Chatham Stars, with an inning favor of the Chatham Stars, with an inning favor of the Said town. ner of the said town.

He said the people living in the new first jolt came what had happened, and but was a little severe on all parties at area would have to be exempted from town knowing the road, realized the awfulness of times. The visitors think Chatham has an school taxes in the same way as a portion of the situation. When the car struck he was exceedingly goed team, and could give their those living in the east and of the town are, brought up standing. Soon he felt some so that they sould continue to support a water slowly creeping upon him and he school in their own locality. The resolution was unanimously carried. the top of his voice, all the time fearing that

The Mayor said that the Town Council he might be drowned. the Sun reporter found a number of men That a photographer has no right to use which Bernard was lying. Willing hands the negatives of sitters without their con- had done all they could for the poor fellow sent was again established one day last and many of the sad faces were tear-stained, Mayor Loggie explained the object of the meeting and called for the election of a chairman. He was duly elected to that position and fully explained the meeting's object with which he was in sympathy. He said that several places were auxious to secure the new enterprise; it was not necessary that it should be located here and if Chatham wished to secure it it must be prepared to offer some inducement to of the detail of the week. At the Westminister County Count the Taber Bas-Relief Photo Company were sued for damages by two actresses (sisters) for selling their portraits without permission. According to the reports in the press the ladies had their portraits taken in the ordinary way of business. Later, when touring in the country, they found them on sale everywhere. The portraits appeared to offer some inducement to Christmas cards and on handkershif. and if Chatham wished to secure it it must be prepared to offer some inducement to that end to the promoters. The encouragement could take the form of a bonus, or exemption from taxation. At the conclusion of his remarks he called upon Alderman Murdoch to place the subject more fully before the meeting.

At the operation of the promoters of the before the meeting.

Ald. Murdoon submitted some figures, etc.
He said it would be necessary, if the town
