## Orangemen Had Fine Turnout Sunday

Marched to St. Luke's Where  
Rev. R. G. Fulton Preached  
Eloquent Sermon.

(Gazette.)

Yesterday was Guy Fawkes Day and the Orangemen of Chatham, Loggieville, Tabusintac and Newcastle joined in procession in the morning and marched to St. Luke's church, where Rev. R. G. Fulton preached a very fine sermon, appropriate to the occasion.

The procession was headed by the Newcastle Orange Band and the Lodges taking part were Chatham, True Blue, No. 90, Tabusintac, Loggieville, Derry, No. 143, Newcastle, No Surrender No. 47, Royal Scarlet Knights of Newcastle, and the Royal Black Preceptory of Loggieville. The turn-out was a very creditable one, upwards of 200 members being in line, and their appearance elicited many favourable comments. The order of marching was as follows:

Orange Chapters  
Royal Arch Chapter  
Officers of Premier Lodges  
Royal Scarlet Chapter  
Officers of County Lodge  
Black Knight Preceptory

James Dickeson was director of Ceremonies and fulfilled his duties in an excellent manner.

The service in the church was a very hearty one. Familiar hymns were sung and the choir gave two good anthems under the leadership of Miss Cliffe, the new organist. Rev. Mr. Fulton preached from St. John V, 21-22, pointing out practical and elevating lessons to be drawn from the deliverance of the Israelites from their enemies by the sudden withdrawal of the waters of the Red Sea. In speaking of the persecutions and strife that led up to the Gunpowder Plot, Mr. Fulton declared it gave additional emphasis to Christ's command that His Kingdom could not be extended by the sworn. Education was the only means and he made a strong plea for the proper moral and spiritual education of children in the home.

## Chicago Widow Under Arrest on Murder Charge

Mrs. Louise Vermilya to be Arraigned While Still in Bed at Her Own Home.

Chicago, Nov. 6.—Mrs. Louise Vermilya, the widow suspected of having poisoned Arthur Bissonnette, was ready to-day to leave her home where she has been under guard and become a prisoner in the county capital. Her alleged attempt at suicide by calmly sprinkling her food with an arsenic poisoning resembling pepper convinced the police that she would be safer under their direct watch than in her home.

Municipal Judge Walker, who issued the warrant for Mrs. Vermilya's arrest consented to hold court in her room before her removal to a hospital and she will be arraigned while still in bed.

### WORK IS WHAT IS WANTED

(Chatham World.)

The way to build up a community is for every person in it, who can, to put some money into industries that give the people employment and push the industries to success. Industries that last all the year round are the best; but those that last part of the year are better than none. The most valuable power on earth is human power, but when it is not employed it is not only lost but it also consumes part of what others earn. Work creates wealth; work sets money in motion; work pays debts; work is the vital power in prosperity, and that city, that community, and that nation whose people are idle, are poor, and poor in proportion to the number that work and the time they work. Heaven's greatest earthly blessing to any people is to give them honest remunerative work.

### To Move Part of I. C. R. Shops to Riviere Du Loup

Quebec, Nov. 5.—Hon. Frank Cochrane, minister of railways and canals, and Hon. F. D. Monk, minister of public works, were in the city yesterday and paid a visit to the harbor and its proposed improvements. They were accompanied by Hon. L. P. Pelletier. It was announced by the latter that he had been promised that a portion of the Intercolonial railway shops at Moncton would be transferred to Riviere Du Loup.

### Leader of Holy Ghost and Us Society Must Answer at U. S. District Court.

Portland, Me., Nov. 2.—After a hearing before U. S. Commissioner William M. Bradley at Portland, that lasted nearly all of Wednesday, Rev. Frank W. Sandford, head of the Holy Ghost and Us Society with headquarters at Shiloh in the town of Durham, was held in the sum of \$10,000 for the December term of the U. S. court on the charge of causing the death of Charles Hughey, a follower of his on the yacht Coronet, by reason of neglect to provide proper and sufficient food when the craft put to sea. The sureties were Anna T. Clement, Mrs. H. A. Perry, Wm. Marsteller and Wm. Bailey, all of whom belong to the Shiloh Colony and own farms in Durham.

## Destructive Fire

### At Chatham

Premises of W. J. Groat Destroyed—Loss About \$4,000 and No Insurance.

Chatham, N. B., Nov. 3.—Fire early this morning wiped out the blacksmith, carriage and repair shops of W. J. Groat, at the corner of Water and King streets and gutted the rear of W. J. Connor's grocery store next door, so that what goods were not burned were badly water soaked. Mr. Groat's loss was total, as he had no insurance on buildings or stock, and will approach \$4,000, as his large wedding coach, some carts and sleighs also fell victims to the flames. Mr. Connor's loss is hard to estimate, but may go about \$1,800 including that on the building. He has considerable insurance.

### APPRECIATE THE HOME PAPER.

Things will indeed come to a sorry pass when the people of a community fail to give the local paper their loyalty and assistance along material lines. The newspaper in a small community is some times the only means of letting the outside world know that there is such a place. Kindly excuse our slang expression, but did you ever see a town or community, without a newspaper, that amounted to a hill of beans? If you have it is the only one in existence. When the local paper is missing from a community, that spirit which inspires growth is missing also. Don't be a knocker on your home paper. It is the one thing that will make your town grow.—World.

## Just Splendid

We doubt whether there is any one little thing on earth that will afford an elderly person so much pleasure as to find a glass that will give them GOOD vision after their eyes once begin to fail; something that will "make them see like they used to." Those on the shady side of life are always and eternally "TRYING" glasses to see if they can't find a combination that will restore lost vision.

Let us once get a pair of our glasses on anyone and we invite them to try others to their heart's content—such comparisons only bring out the superiority of our glasses and the excellence of our work.

## Chatham Auto Partially Burned

J. Russell McKnight's fine Winton auto was partially destroyed by fire Saturday afternoon on the MacKenzie Road eight miles from town. The roadway was muddy and in trying to clear a rock the car skidded into the ditch where it turned on its side. The nearest house was half a mile and Mr. McKnight went there for help leaving the car in the ditch. When he returned he found that the gasoline had become ignited in some way and before the fire could be quenched the body of the car, the top, two tires and other parts had been destroyed.

The loss is in the vicinity of \$1000, but is covered by insurance.—Gazette.

## Head of A. O. H. Visits Chatham

**President Regan Addresses a Public Meeting on the Aims of the Order.**

Chatham, N. B., Nov. 6.—National A. O. H. President James J. Regan, of St. Paul, arrived in Chatham this afternoon accompanied by County President Chas. J. Morrissey and Provincial Secretary J. R. McCloskey, of St. John. They were taken for a tour in an auto around town, and at 7 o'clock Mr. Regan met members of the local division in their rooms. At 8 o'clock a public meeting was held in the Opera House attended by a very large audience. County President Chas. J. Morrissey occupied the chair and the distinguished guest was at his right. On the platform were Rev. Fr. O'Leary, Fr. Roach, Fr. Preckett, Fr. O'Keefe, J. R. McCloskey, Hon. John Morrissey, Patrick Hennessy, Mayor Byrne, Michael F. Haley.

The stage had been decorated with plants and in the rear the Irish flag was entwined with the Union Jack and Canadian ensigns. Selections were given by the orchestra, and a massed chorus sang two selections. Speeches were given by C. J. Morrissey, Fr. O'Leary, Mayor Byrne, Hon. John Morrissey and Mr. Regan.
