which were selected in the cheapest markets,

with a view of suiting the requirements of this section of the Province. Many of them are the production and manufacture of the New Dominion—long may it live—and for cheapness, excellence, and durability excel anything that has hithereo been in this mar-1st. That from the perfect construction of the enses, they assist and preserve the sight, renderloded loded ing frequent changes unnecessary.

2d. That they confer a brilliancy and distinct
