The copy filmed here has been re, roduced thanks to the generosity of:

Thomas Fisher Rare Book Library,
University of Toronto Library

The images eppearing here ere the best queiity possible considering the condition and iegibiiity of the originai copy and in keeping with the filming contrect specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. Ali other original copies are filmed beginning on the first page with a printed or illustrated impression, end ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Thomas Fisher Rare Book Library,
University of Toronto Library

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant per la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

#23

M. Borden est l'ami de la Province de Quebec

Jamais nous n'avons été aussi bien traités que depuis qu'il est premier ministre.

Contraste avec le Regime Laurier

M. Rogers est plus généreux pour la province dans la distribution des travaux publics que ne l'était M. Pugsley, le ministre libéral.

$13,000,000 de Travaux Publics en un an. Il y en a partout.

$25,000,000 seront dépensés par le gouvernement BORDEN dáns la Province de Québec, cette année.

Chiffres Eloquents

RB55193

Lorsque M. Laurier est tombé du pouvoir, le 21 septembre, 1911, son ministre des travaux publics n'était pas un Canadien-français, c'était M. Pugsley, du Nouveau-Brunswick.

Depuis 1902, date de la démission de M. Tarte, M. Laurier n'a pas donné ce portefeuille à la province de Québec. En 1911, M. Borden l'a confié à M. Monk. Puis M. Rogers y a été appelé, et nous devrions en remercier le premier ministre, car jamais on n'a voté autant que cette année de l'argent pour des travaux publics dans notre province.

Une petite comparaison des sommes dépensées depuis 1910, l'année où les libéraux ont été le plus généreux, fera voir comment nous sommes traités par M. Rogers et comment nous avons été négligés par M. Pugsley. On peut contrôler ces chiffres en référant aux chapitres 16 et 17 des Documents Nos 3 et 3a de la Chambre pour les années mentionnées.

Prenons d'abord les travaux publics dans la Province de Québec par comparaison les recettes du Dominion. Voici les sommes votées et l'augmentation sous le régime conservateur:

	1910-11	1911-12
Edifices publics	$910,341.92	$1,623,568.97
Havres et rivières	954,574.50	
	$1,864,936.42	

	1912-13	1913-14
Edifices publics	$2,534,900	$3,417,942.00
Havres et rivières	1,323,576	1,720,031.54
	$3,858,476	$5,137,973.54

Est-ce que nous y avons perdu depuis que M. Rogers est ministre des Travaux Publics? Non, puisqu'il met à notre disposition $3,273,037.12 de plus que M. Pugsley, l'homme de M. Laurier.

Prenons maintenant les sommes payées à même le capital du Dominion pour la province de Québec. Voici:

	1910-11	1911-12	1912-13
Havre de Québec	$335,000	$496,000	$1,650,000

1913-14

$1,514,000 (No 135 Estimés de 1913-14).

Tout cet argent a été voté en Chambre à la demande de l'hon. M. Rogers.

Voici maintenant quelles sommes ont été votées à même le capital du Dominion pour améliorer la navigation du fleuve Saint-Laurent :

	1910-11	1911-12	1912-13	1913-14
Chenal du St-Laurent..	$800,000	$900,000	$1,878,000	$894,000
Usines de Sorel	30,000	30,000		
Matériel de draguage.	250,000	650,000	1,037,000	1,317,000
Nouveau brise-glace . .				250,000
Total	$1,080,000	$1,580,000	$2,915,000	$2,461,000

Les appropriations de la dernière session, pour l'année 1913-14 sont les plus élevées qui aient jamais été votées au Canada. La province de Québec a eu sa large part. Le gouvernement s'est montré généreux. Le cabinet Laurier nous traitait avec mesquinerie. Notre province, en majorité libérale, est mieux traitée par M. Borden qu'elle ne l'était sous le cabinet Laurier. MM. Brodeur et Lemieux ne pensaient qu'à eux-mêmes.

Voici le détail des travaux qui ont été exécutés et payés à même le revenu du Dominion dans la Province de Québec cette année. Nous l'extrayons des documents de la session, Nos 3 et Nos 5.

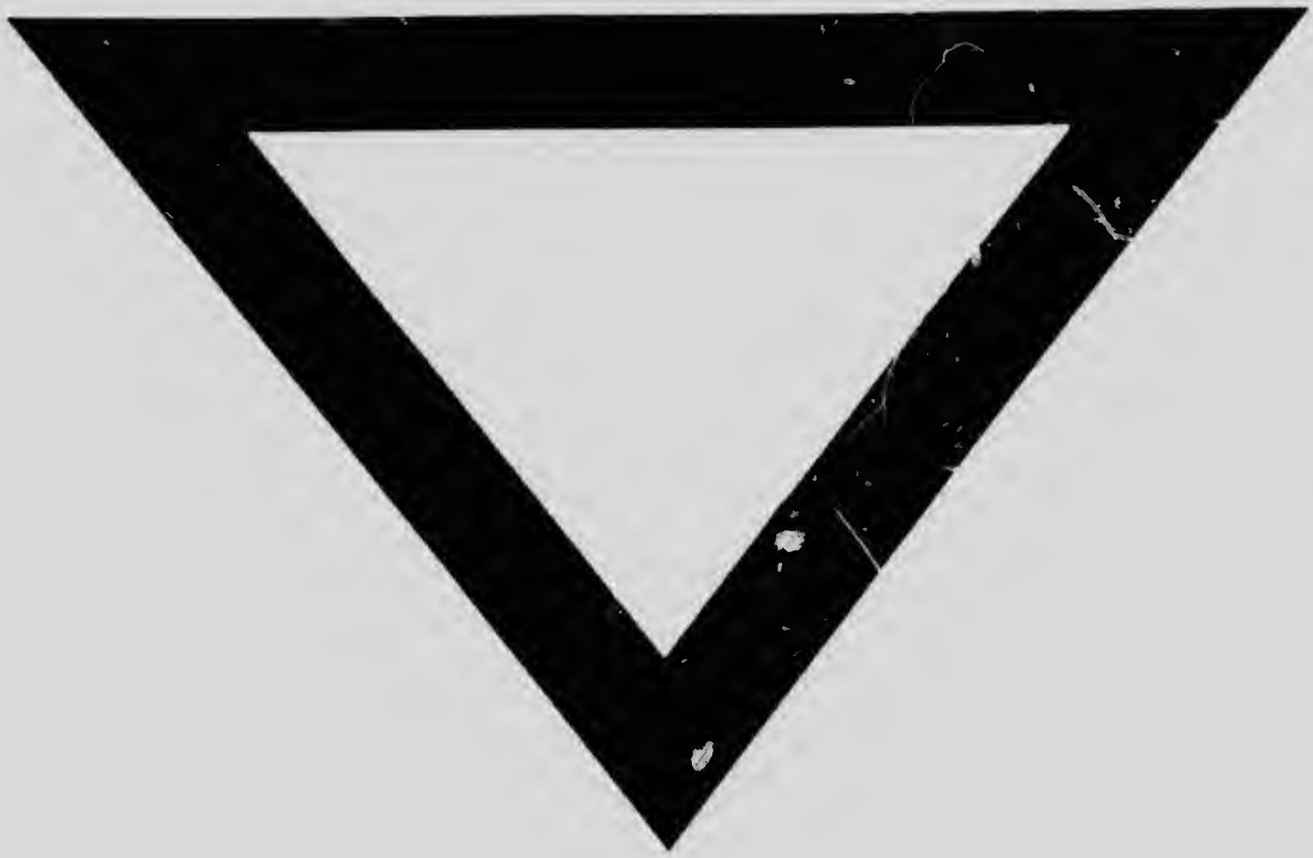
Et nous ne comptons pas dans cette addition les subsides à l'agriculture ni le port de Montréal ni les sommes énormes qui vont être dépensées dans notre province pour la construction du Grand-Tronc-Pacifique dont les usines seules, à Québec, vont coûter plusieurs millions. On peut dire, au bas mot, que le gouvernement Borden va dépenser $25,000,000, cette année, dans la province de Québec. Voilà des faits que les libéraux ne peuvent nier. Quand ils affirment que notre influence a diminué, ils mentent sciemment et effrontément. C'est par le mensonge qu'ils sont arrivés au pouvoir et y sont restés et ils espèrent y remonter par le mensonge. Le peuple est fatigué des ruses politiques. Ce qu'il demande aujourd'hui, c'est une administration pratique, et M. Borden la lui donne. Sous le gouvernement Laurier, l'argent du pays s'en allait dans l'Ouest, et les Canadiens-français étaient négligés. Jamais nous avons eu même la moitié des appropriations qui vont être dépensées ici cette année. M. Laurier ne faisait rien même pour le port de Québec qui se trouve dans le comté qu'il représente à la Chambre des Communes.

Le parti libéral s'est usé au pouvoir. Les bons hommes ont disparu, et, sur la fin, il n'y avait dans le cabinet que des politiciens inférieurs qui ne connaissaient pas les vrais intérêts de notre province. C'est pourquoi nous avons été honteusement sacrifiés à chaque fois qu'il s'est agi de progrès matériel, dans le Dominion. Aujourd'hui, le parti conservateur, vigoureux, composé d'hommes honnêtes, prévoyants, patriotes, juste et pratiques, est en train de nous donner l'administration la plus progressive que le pays ait jamais eue.


Electeurs de Châteauguay, voulez-vous retourner au régime des Brodeur et des Lemieux, ou préférez-vous la prospérité de la province de Québec?
