THE BRITISH COLUMBIA MEDICAL REGISTER contains the names, addresses and qualifications of Medical Men admitted to practise their profession in British Columbia at this date. It also contains a synopsis of requirements for persons intending to register, together with a copy of the Consolidated Medical Act. I regret the addresses are in some cases inaccurate and would strongly urge members to advise me at once of any change of residence.

There are one hundred and seventy-three names on the Register of which thirty have been added during the past year. Two members have died and one name has been erased.

## REPORT OF COMMITTEE.

---

The committee appointed by the Council to arrange for the publication of the Annual Announcement report as follows:

The announcement contains the usual information concerning the business of the Council, as well as a copy of the Consolidated Medical Act.

The Committee regret that a detailed financial statement of the Council's affairs will not accompany this issue as was intended. The Auditor has met with unforeseen difficulties and requires more time. An audit dating back to time of incorporation has been ordered. The Auditor's report will be placed before you in our next issue.

It is decided that an amendment to the present Medical Act will be laid before the Local Legislature at its next sitting. Suggestions from Associations and from individual members are invited.

There have been three prosecutions for irregular practice during the year. It is proposed to continue this aggressive policy. The Council expects the support and assistance of the profession in this matter, and asks that all cases of irregularity coming to the knowledge of members be reported to the Registrar.

Annual dues amounting to a large sum are still outstanding. The Council has instructed the Registrar to collect ; we hope members in arrears will not compel him to have recourse to the law.

Thirty-nine Candidates have presented themselves for Examination. Thirty names have been added to the Register.

All of which are submitted,

JOHN A. DUNCAN,

G. J. FAGAN,

CHAPTER 81.

5. The number of persons to be elected as members forming the said Council shall be seven, and the mode of election shall be by voting papers as hereinafter mentioned. 1886, c. 13, s. 5.

6. The charge and conduct of elections shall be under the management of the Registrar of the said Council. 1886, c. 13, s. 6.

7. After the election of members for the Medical Council held in April, 1887, the election of members for the said Council shall take place on the last Monday in the Month of April in each third year, at such place as may be determined on by the Medical Council. The persons elected shall hold office until the next triennial election, and until their successors be elected, and shall be eligible for re-election. 1887, c. 21, s. 3.

8. Every person entitled to vote may vote for seven persons. 1886, c. 13, s. 8.

9. Such votes shall be given by closed voting papers in the form in the first Schedule to this Act, or to the like effect, signed by the voter and delivered to the Registrar of said Council on any of the twenty days preceding the day of election. Any voting paper delivered to the said Registrar by post during the respective times aforesaid shall be deemed delivered him. 1886, c. 13, s. 9.

10. In respect of every election the members for the time being of the Council shall appoint, on the last Monday in April, two persons, who, together with the Registrar of the Council, shall act as scrutineers at the election.

On the day succeeding the day of election, the voting papers shall be opened by the Registrar, in the presence of the scrutineers, who shall scrutinize and count the votes, and keep a record thereof in a proper book, to be provided by the said Council. 1886, c. 13, s. 11

In case any medical practitioner, entitled by this Act to vote, complains to the Registrar of the Council in writing of the improper omission or insertion of any name in the said list, it shall be the duty of the Registrar of the Council forthwith to examine into the complaint, and rectify such error, if any there be; and in case any person is dissatisfied with the decision of the Registrar, he may appeal to a judge of the Supreme Court in a summary way, and the decision of such judge shall be final, and such list shall remain or be altered in accordance with such decision. 1886, c. 13, s. 17.

17. The list or register so to be made out shall be held to be the register of persons entitled to vote at the next election, and no person shall be entitled to vote whose name is not upon such register. 1886, c. 13, s. 18.

18. The members of the Council may make such regulations as they consider expedient, not contrary to the provisions of this Act, for regulating the procedure under the preceding section of this Act. 1886, c. 13, s. 19.

23. In case of the failure in any instance to elect the requisite number of duly qualified members of the Council, or in case of any vacancy caused by the death or resignation of any member of the Council, or by any other cause, then it shall be the duty of the remaining members to supply the deficiency by appointing to such vacant place or places, as the same may occur, any person or persons duly qualified, according to the provisions of

this Act, to be elected as a member or members of the Council. 1886, c. 13, 24.

24. The members of the Council may from time to time make, alter, or amend and repeal, rules and regulations for well-being and discipline of the Council, the conduct of its affairs, and the promotion of medical and surgical knowledge, and the disposition of the funds of the Council, provided such rules and regulations be not repugnant to the provisions of this Act. 1886, c. 13, s. 52.

25. All moneys forming part of the Council's funds shall be paid to the Treasurer, and may be applied to carry this Act into execution. 1886, c. 13, s. 49.

#### *Registration.*

26. The Council shall cause to be kept by an officer appointed by them, and to be called the "Registrar," a book or register in which shall be entered the name of every person registered according to the provisions of this Act, and from time to time the names of all persons who have complied with the enactments hereinafter contained, and with the rules and regulations made, or to be made, by the Council respecting the qualifications to be required from practitioners of medicine or surgery in this Province, and those persons only whose names are inscribed in the book or register above mentioned shall be deemed to be qualified and licensed to practice medicine or surgery in this Province, except as hereinafter provided, and such book or register shall at all times be open and subject to inspection by any person. 1886, c. 13, s. 26.

27. It shall be the duty of the Registrar to keep his

register correct in accordance with the provisions of this Act, and the rules, orders, and regulations of the Council, and he shall from time to time make the necessary alterations in the addresses or qualifications of the persons registered under this Act, and the said Registrar shall perform such other duties as may be imposed upon him by the Council. 1886, c. 13, s. 27.

32. Any registered medical practitioner who has been convicted of any felony in any Court shall thereby forfeit his right to registration, and by the direction of the Council his name shall be erased from the register; or in case a person known to have been convicted of felony presents himself for registration, the Registrar shall have power to refuse such registration. 1886, c. 13, s. 30.
