## New Municipal Laws

The recent session of the Legislature was, as usual, prolific in enactments of interest to municipal officers and electors.

Nominees for election to township councils must in future file declaration of qualification before election, the same as in urban municipalities. Public utility or franchise by-laws may now be submitted to the electors at any time, and municipalities may bonus tobacco driers.

County councillors may in future receive double the present mileage allowance, and councillors in urban municipalities may be paid up to \$5 per day for attendance at council or committees.

The Assessment act Amendment now in force exempt pensions of soldiers, increase the exemption of income from personal earnings, and provide a new exemption of \$200 for each child under 18 years of age. A most important innovation removes the special exemption of dividends from stock in mercantile and manufacturing companies. This will now be assessable as investment income. County councils are authorized, on application, to declare that a local municipality may handle its own arrears of taxes and conduct tax sales.

The Act respecting Dog Tax and Sheep Protection, which comes into force on 1st of April next, makes it compulsory for all owners of dogs to procure numbered tags, to be supplied by the council, and for killing dogs without tags. The minimum penalty for not procuring tags is \$10. County councils are authorized to pass by-laws requiring all dog tax and license fees collected after 1920 to be paid to the county treasurer and form a sheep protection fund, all claims to be paid by the county, for which purpose county valuers are to be appointed.

Noxious weeds, after 29th July, on vacant land in urban municipalities and police villages may, on ten days notice to owner or occupant, be destroyed and cost placed on collector's roll.

The Obstruction on Highways removal Act provides for the removal of trees and obstructions by road superintendents of counties and townships with approval of council having jurisdiction over the road, for agreements with adjoining owners as to compensation, which in case of dispute may be determined by the County Judge.

Councils are authorized to pass by-laws fixing distances from centre of any highway within which no trees or other structures which may cause an accumulation of snow or may injuriously affect the highway, shall be planted or erected.

The statutory allowance to jurors is now \$4 per day and 13c per mile. This may be increased to \$5 per day by county council, and in districts by the Lieut-Governor.

The Highway Acts require future appointees to office of county road superintendents to be civil engineers or surveyors. Suburban area commissions are authorized to employ an engineer in place of the county road superintendent. The proportion payable by the Province to suburban roads is forty per cent, except that where it is a Provincial county road the Province to pay sixty per cent.

The Election Amendment provides for a return to a voters' list with part III, persons entitled to vote at elections to the Assembly only.

## Change in Bus Time

On and after August 28th the Waterdown Bus will leave Waterdown at 6 a. m., 7.45 a. m., 1.30 p. m., 5.15 p. m. Leave Hamilton at 6.45 a. m., 10 a. m., 3.45 p. m., 6.15 p. m. On Saturdays only an extra trip will be made leaving Waterdown at 11.30 a. m. and Hamilton at 12.15 noon. On Wednesday and Saturday nights the return fare will be 75c instead of 50c.

## Tenders Wanted

Tenders will be received by the undersigned until Saturday, September 4th, for the laying of cement sidewalk in front of new school. Work to be completed by September 25th, 1920.

R. J. VANCE, Sec. Treas.

## 14 Foot Corn

Mr. A. E. Alton has on exhibition in front of his Barber shop a corn stock measuring over 14 feet in length, and is challenging one and all to beat it. "Dad" is a past-master and 33rd degree member of the Corn club, and is some authority on corn growing.

## Lawn Tennis

Lawn Tennis is now in full swing here now. The courts are in good condition, and practices are being held nightly. All wishing to join the club should send in their names to the secretary, Miss V. Nicholson, or to the treasurer, Miss M. Shaidle. The membership fee is \$1.

## Corn Club Excursion

Invitations are out for a moon-light excursion on the Langford and Crane steam tug on the Dundas Marsh on Saturday evening next. This will be given under the auspices of the Corn club. Their band will be in attendance and furnish music for dancing. Refreshments and soft drinks will be served on board the boat.

## Locals

Mr. Gladstone Shorey of Toronto is visiting friends in the village this week.

The Women's Missionary Society of the Methodist church are giving a lawn social this evening at the home of Mr. and Mrs. Joseph Tuck, Mill street. A good program of local talent is being provided, and a pleasant time promised to all.

Chas. G. Attridge whose name, through a mistake, did not appear in the list of honor matriculants of the Hamilton Collegiate Institute, has received his certificate with honor standing as follows: Mathematics II, Physics III, English III, and pass in all other subjects.

Mrs. E. Shouldice and Miss Phyllis Nussbaumer of Chicago, Mrs. Dumps and daughter Dorothy of Milton, Mr. and Mrs. Turing and daughter Ada of Kitchener, Mrs. Bowman and Mrs. Johnston and daughter of Toronto, Mrs. Jas. Moore and daughter Clara of Acton, Mr. and Mrs. Chas. Moore of Dundas, Miss Jean Stewart of Milton, were the guests of Mr. and Mrs. Isaac Baker this week.

## Base Ball

(By the Sporting Editor)

The Seniors by winning on Saturday last earn the right to enter the semi-finals against the Beavers of the Dundas league. The game at Wabasso on Saturday being their 13th straight victory this season.

The Waterdown boys are to be congratulated upon the splendid success which attended their efforts on the ball field during the past seasons playing in the league games, they having the honor of going through the season without having a loss checked up against them.

On Saturday the 28th the first of the home and home games between the Beavers and W. A. A. will be played at Victoria Park, Hamilton, commencing at 2.45 p. m. sharp.

Waterdown fans should turn out and encourage the boys, as the presence of a good crowd of rooters adds to the moral of a team. Individually they are the equal of any team playing in the district.

A return game will be played here on Saturday, September 4th, and if Waterdown is successful they will play the Port Credit team for the championship.

## Return of the Fishermen

Our local fishermen, Messrs. Geo. Potts and Geo. Copp and sons, returned on Saturday last from a pleasant fishing trip to Muskoka lakes, the trip being made by auto. They were accompanied by a Hamilton party consisting of our ex-townsmen, Alex McKay and friends. The party brought back several fine specimens of bass, the largest weighing some six pounds. Mr. Potts, being a lover of wild animals, purchased while away, a young crocodile which he has chained up in his shop, and is being viewed by a great many. "Old Crook" is very vicious, and on Tuesday last when one of Mr. Potts' assistants was busily engaged shoeing a horse, the ferocious creature seized him by the seat of trousers, it requiring the combined efforts of four men to pry his jaws open. Mr. Potts is now threatened with an action for damages.

## Greenville

Mr. and Mrs. Gordon Jackson are visiting Mr. Jackson's mother.

Mr. and Mrs. Bart and family and Mrs. Keivell and family spent Sunday at Niagara.

Mr. Nelson Surerus, of Detroit, is visiting relatives here.

Mr. Clarence Porter of Windsor is spending a few holidays at Mr. Geo. Surerus.

Mrs. Oland has returned from a trip to England.

FRIDAY, AUGUST 27, 1920

### LOCAL MENTION

#### KNOX CHURCH SERVICES

Morning—Baptismal Service, Subject, "The Pace of the Children".  
Evening—"Imitators of God".

#### NOTICE

If the party who signed "Voter" will send us their name, not for publication, but as a law of all newspapers, the article will be published.

Mr. Ed. McMonies, of Lyons, Neb. is visiting at the parental home.

Mr. Stanley Sawell is holidaying at Montreal and other eastern points.

Mrs. J. Harvey visited with relatives in Hamilton on Wednesday last.

Miss Doris Bews is a guest of Mr. and Mrs. Turing at their summer cottage.

Mr. and Mrs. E. T. Sawell spent a few days last week in Toronto and Niagara Falls.

Mrs. Peter Clark and daughter, of Bad Axe, Mich. is visiting her uncle Mr. A. Hemingway.

The Rev. A. B. Higginson and daughter visited relatives in the village on Tuesday last.

Constable John Smiley is confined to his home suffering from a severe attack of rheumatism.

Mr. and Mrs. Geo. Rogers of Hamilton spent the week end in the village visiting friends.

Mr. P. Featherston, wife and family of Cleveland, are the guests of Mrs. W. S. Featherston.

Mr. Geo. Willis left last week for several weeks visit with relatives and friends in the Northwest.

Mrs. Blain and Mrs. Fisher of Hamilton were visiting their aunt, Mrs. John Harvey, last week.

Miss Job, of the Guelph Agricultural College faculty, is visiting friends in the village this week.

Mrs. Jas. Young, Main street, returned home on Monday last from a pleasant visit with friends in Ancaster.

Mr. and Mrs. W. H. Torrance will entertain the members of the Senior baseball team at their home on Saturday evening next.

Mrs. Walter Johnson and Miss Ada Reid, who have been visiting at the home of Mr. Geo. Reid, returned to their home in Chicago on Wednesday last.

Mr. and Mrs. A. B. Cooper and family left Thursday morning for their new home at Parkhill, Ont. Their many friends here wish them every success.

For the benefit of parents and scholars, we would announce that the schools here will open as follows, the Public school on Wednesday, September 1st, and the High school on Tuesday, September 7th.

The many friends of Miss Lillie Reid will regret to learn that she was taken suddenly ill on Sunday last. An examination revealed the fact that she was suffering from appendicitis. She was taken to the City hospital on Monday evening, when an operation was performed, which we are pleased to state was successful. Her many friends will hope for her speedy recovery.

### DEPARTMENT OF MILITIA AND DEFENCE

Notice to ex-members of the Canadian Expeditionary Force

NOTICE is hereby given to all concerned that ex-members of the Canadian Expeditionary Force who are entitled to and who require post-discharge dental treatment must submit their applications to the District Dental Officer at the Headquarters of the District in which they reside on or before the 1st of September, 1920. Applications for dental treatment received after 1st of September, 1920, will not be considered.

(Sgd) EUGENE FISET,  
Major General,  
Deputy Minister, Militia and Defence,  
Ottawa, August 3, 1920.

#### Thirty-Five Canadian V.C.'s Living.

Canadian recipients of the Victoria Cross during the great war of 1914-1918 are given as numbering 56 by the Canadian Almanac of 1920, which has just been issued. Of this number 21 were either killed in action or died of wounds, leaving only 35 living ex-members of the Canadian expeditionary forces who hold the coveted distinction. Companions of the Distinguished Service Order, who were thus rewarded for individual instances of meritorious or distinguished services in the great war number 557. This naval and military order of distinction was instituted by Queen Victoria, September 6, 1886, and only those who hold at the time of their nomination a commission in the navy, in land forces, or marines, or in the Indian or colonial naval or military forces are eligible for the honor.

#### Symptoms of Eyestrain.

The symptoms of eyestrain are varied. A common symptom is congestion or inflammation of the edges of the eyelids, not infrequently that goes on to the formation of a sty. Headache, especially an evening headache, is one of the most frequent results of eyestrain; eyeache, coming on early in the day, as soon as one begins to use the eyes, is not uncommon. Indigestion that does not yield to dieting and drugs sometimes disappears as if by magic when eyestrain is corrected. Eyestrain cannot always be corrected merely by fitting the eyes with the proper glasses, it may be that the underlying cause is systemic, and that the treatment calls for tonics, good feeding and rest from overwork and worry.

#### Love's Labor Lost.

There is an amusing little tale of a Hoover supporter, who, while in Washington recently, labored successfully to win a Wood supporter away from the general to Hoover. "I worked over him for half an hour," said the proselytizer. "Finally, with a sigh, he gave in, and said he guessed maybe I was right; I seemed to him to put up a pretty convincing line of argument. Flushed with triumph, I said to him, 'Where do you live?' His answer dashed hope to the ground and proved that all my effort was love's labor lost. 'Ottawa,' was his reply."

#### A Canadian Protege of Beaverbrook.

The latest of the growing colony of editors of the London Mail, Sir Campbell Stuart, is nothing if not a diplomatist. He is a master of the honeyed word—something on the lines of what the Americans describe as "the warm hand and the marble heart." The curious thing is that he came over from Canada as a protege of Lord Beaverbrook. He is distinctly clever, but new, I think, to newspaper work.

#### Take Care of Your Shoes.

By the exercise of a little care the life of leather shoes may be considerably prolonged, says the Thrift Magazine. It is a well-known fact that if a wet shoe is placed too close to a fire the interior of the sole is sometimes utterly ruined before the surface of the leather shows appreciable signs of injury. Wet shoes should be dried slowly and shoe trees inserted to prevent their losing shape and becoming uncomfortable. It is economy to keep at least two pairs of shoes, wearing them in rotation. Some shoe manufacturers claim that two pairs of shoes worn alternately will outwear three pairs of shoes worn consecutively.

#### Chinaman Owns Airplane.

Henry Chew, of Galt, a Chinese restaurant magnate, is the first person in Canada to own his own airplane and pilot it as a civilian. Mr. Chew owns a J.N. 4, and wants hangar room at the Bishop-Barker Air-drome, Armour Heights, Toronto, from which he will fly to his places of business throughout Ontario. Chew learned to fly last summer at Armour Heights.

#### Invitation to Prince.

The city of Calgary is inviting the Prince of Wales to spend a two months' vacation in Alberta when returning to the Dominion. His royal Highness has a ranch fifty miles southwest of Calgary, where he will raise ponies, sheep and cattle.

#### Indians Died from "Flu."

Five thousand Indians succumbed to the epidemic of the "flu" during the fall and winter of 1918 is the statement of the deputy superintendent general of Indian affairs.

DUNDAS

## Why We Need More Money!

Last year our rates for service were increased by ten per cent.

That was the first general increase in telephone rates in over twenty-five years.

To-day the general level of commodity prices is three hundred and fifty per cent over what it was twenty-five years ago.

Our operating expenses in 1919 had increased 99 per cent over 1915, while gross revenue was only 49 per cent greater.

Wages absorbed over 56 per cent of our revenue last year, and our wage bill this year will be at least 35 per cent higher than in 1919!

*It is apparent that if we are to continue to pay good wages, and so ensure good service, and at the same time pay such a return to investors as will attract new capital to enable us to extend our plant, we must earn more money!*

We must accomplish both of these things, else service to our present patrons will suffer and new applicants for service cannot be accommodated!

Increased rates are the only source from which such further revenue can come!

THE BELL TELEPHONE COMPANY  
OF CANADA

### THE DWINDLING DOLLAR.

Drop of Value Since 1896 Is Very Sensational.

The purchasing power of the dollar has declined greatly since 1914, but it was back in 1896 that the dollar had its greatest buying power.

Some figures have been given out from Washington showing how the value of the dollar has gone down steadily year by year since 1896. Taking the price in that year of about one hundred different commodities in general use and comparing the prices on these representative articles each year since, the purchasing value of the dollar is said to have declined as follows:

1896	1.00	1908	.74
1897	.97	1909	.69
1898	.90	1910	.66
1899	.82	1911	.63
1900	.75	1912	.64
1901	.78	1913	.64
1902	.75	1914	.63
1903	.75	1915	.60
1904	.74	1916	.50
1905	.73	1917	.36
1906	.70	1918	.32
1907	.66	1919	.32

In the last month of 1919 the decline is said to have gone to 29 cents, although the average for the year was 32. These are American figures, but in Canada pretty much the same experience has been gone through. If the hundred commodities on which this calculation is based included everything a family would ordinarily purchase, or if in everything else there has been a similar increase in prices or decline in the buying power of money, it means that the man who earned \$20 a week in 1896 was as well paid as he is to-day if he draws \$60 per week, and the man who earned \$2,000 in 1896 was as well off at that sum as he is now if he earns \$6,000 a year. In the latter case, however, if a man saved one-twentieth of his salary (\$100) in 1896, and saved the same percentage now (\$20) he might be better off to that extent, because it is the dollar that is spent, not the dollar saved, that has declined in value. The dollar that is saved may recover its purchasing value, or some part of it, in course of time.

It is not probable, and perhaps it is not at all desirable, that prices should ever drop to the 1896 level, or the dollar be as scarce and powerful as it then was. To-day a Toronto housekeeper pays \$2.20 for a chicken; in 1896 she used to buy two for 35 cents—not as good chickens as those bought now, but deemed good at that time. Nearly everything is three or four times the price of 1896. No matter how wages may go up, it seems to be comparatively easy for prices to over-top them.

# ALTON'S

## HARDWARE AND GARAGE

The Hoover lifts the rug from the floor, like this—flutters it upon a cushion of air, gently "beats" out its embedded grit, and so prolongs its life.

Although your reception hall rug receives harsh traffic, it will brightly welcome callers for years longer if you clean it with The Hoover. The Hoover beats out the destructive street grit that becomes embedded. It sweeps straight the heel-crushed nap and picks up the stubborn, clinging litter. It sucks up the color-dimming surface dirt. Only The Hoover does all of these essential things. And it is the largest selling electric cleaner in the world.

## The HOOVER

It BEATS... as It Sweeps as It Cleans

We will gladly demonstrate The Hoover in your home or at our store, without obligation. Convenient terms if desired. We advise prompt consideration, as the popularity of The Hoover makes it difficult to keep them in stock.

Canada Leads.

A paragraph appearing in Repatriation, a monthly bulletin published in the interests of returned men in Australia, quotes the speech delivered in Sydney by Premier Holman, of New South Wales, in which he stated that the state had settled 1,100 men on the land. The Premier claimed that this was a much larger number than had been settled in any of the other states. New South Wales sent to the battlefields of Europe thirty-nine per cent. of the total of the Australian Expeditionary Force. If the proportion of ex-service men settled in the land in the other states was equal to that of New South Wales the figures would be for the whole of Australia 2,820 men benefited by the Land Settlement Act up to the date of the Premier's speech.

Up to the 17th of May, the Soldier Settlement Board of Canada had approved 7,900 applications for the benefits of the Soldier Settlement Act and a great many more applications were before the Qualification Committees in the various provinces. These figures which will be largely augmented by the returns for the last two weeks of May and for the present month show that Canada is well in advance of the sister commonwealth in providing suitable farms for her war heroes.

Two of a Trade.

"Do you think these alienists are any good at a trial?" "Some, I take it. An alienist is the only person I ever saw who could bluff a lawyer."

Clean Hen-house Windows.

Always remember that the rays of the sun are the cheapest and best life-givers and purifiers, and that they will kill all germs which they touch. Therefore, keep the windows clean so that the sun can shine in.
