The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. CANADA.

Victoria, by the grace of God, of the United Kingdom of Great Britain and Ireland, *QUEEN* Defender of the Faith, &c., &c., &c.:

To all to whom these presents shall come

GREETING:

WHEREAS, by an Act of the Parliament of Canada, passed in the thirty-fifth year of Our Reign, entitled "An Act respecting the Canadian Pacific Railway," it is provided, upon the considerations therein declared, that a Railway, to be called "The Canadian Pacific Railway," should be made, in conformity with the agreement referred to in the preamble to the said Act, and should extend from some point on or near Lake Nipissing and on the south shore thereof, to some point on the shore of the Pacific Ocean; both the said points to be determined by the Governor in Council, and the course and line of the said railway between the said points to be subject to the approval of the Governor in Council.

AND WHEREAS, it is, by the said Act, further provided, That the Government of Canada might further agree with the Company with whom they shall have agreed for the construction and working of the said railway, for the construction and working of a branch line of railway, from some point on the railway first thereinbefore mentioned, to some point on Lake Superior in British Territory, and for the construction and working of another branch line of railway from some point on the railway first mentioned, in the Province of Manitoba, to some point on the line between that Province and the United States of America, the said points to be determined by the Governor in Council; and that such branch lines of railway should, when so agreed for, be held to form part of the railway first thereinbefore mentioned, and portions of *The Canadian Pacific Railway*.

AND WHEREAS, amongst other things, it is by the said Act in effect provided, that if there should be no company either incorporated originally for the construction of the whole line of railway, or formed out of two or more companies for that purpose, or if the Government could not agree, or did not deem it advisable to agree, with any such company for the construction and working of the whole line of railway under the said Act, or if the Government should be of opinion that it would be more advantageous for the Dominion, and would better ensure the attainment of the purposes of the said Act, that a Company should be incorporated by Charter as therein provided, then if there should be persons able and willing to form such Company, and having a subscribed capital of at least ten million dollars, secured to the satisfaction of the Governor in Council, and ready to enter into such agreement with the Government for the construction and running of the said railway, the Governor should have power, upon the conditions in the said Act mentioned, to grant to such persons, and those who should be associated with them in the undertaking, a Charter embodying the agreement made with such persons which should be binding on the Company and so much of the said Act, and of the Railway Act (as such Railway Act was modified by any Act of the now last Session, with reference to any Railway to be constructed under such Act on any of the lines or between any of the points mentioned in the said Act now in recital) as should be agreed upon between the Government and such Company; and that such charter being published in the *Canada Gazette*, with any order or orders in Council relating to it, should in so far as it is not inconsistent with the said recited Act, have force and effect as if it were an Act of the Parliament of Canada.

AND WHEREAS, the Government has failed to induce the two companies incorporated by Parliament during its last Session for the purpose of constructing the railway, to form one Company, and does not deem it advisable to agree with either of the said two Companies for the construction of the railway, and is of opinion that it will be more advantageous for the Dominion, and will better ensure the attainment of the purposes of the Act first above mentioned, that a company shall be incorporated by charter as in such Act provided;

AND WHEREAS, Sir Hugh Allan, of the city of Montreal, Knight; The Honorable Adams George Archibald, of the city of Halifax, C. M. G., a member of the Queen's Privy Council for Canada; The Honorable Joseph Octave Beaubien, of Montmagny, Commissioner of Crown Lands in the Province of Quebec; Jean Baptiste Beaudry, of the City of Montreal, Esquire; Egerton Ryerson Burpee, of the City of Saint John, Esquire; Frederic William Cumberland, of the City of Toronto, Esquire; Sandford Fleming, of the City of Ottawa, Esquire; Robert Newton Hall, of

the Town of Sherbrooke, Esquire; The Honorable John Sebastian Helmcken, of the City of Victoria; Andrew McDermot, of the Town of Winnipeg, Esquire; Donald McInnes, of the City of Hamilton, Esquire; Walter Shandy, at present of the Town of North Adams, in the United States of America, Esquire; and John Walker, of the City of London, in the Province of Ontario, Esquire; have shewn themselves to be able and willing to form such Company for the construction and working of the railway and branches; and have subscribed a capital sum of ten million dollars, secured to the satisfaction of the Governor in Council, and have so subscribed the same in the proportions following, that is to say: \$3,816,000, or nearly five thirteenths, in the Province of Ontario; \$3,076,800, or nearly four thirteenths, in the Province of Quebec; and \$739,300, or upwards of one-thirteenth, in each of the Provinces of Nova Scotia, New Brunswick, Manitoba and British Columbia respectively, And are ready to enter into an agreement with the Government for the construction and working of the railway and branches; and the Government has agreed with the said persons for the construction and working of the railway and branches.

AND WHEREAS, the agreement so made and entered into between the said persons and the Government, is embodied in this Our Royal Charter.

NOW THEREFORE KNOW YE, that WE of our especial grace, certain knowledge and mere motion, and in pursuance of the power vested in us by the Act herein before in part recited, DO ORDAIN, GRANT AND DECLARE that the said Sir Hugh Allan; Honorable Adams George Archibald; Honorable Joseph Octave Beaudin; Jean Baptiste Beaudry, Esquire; Egerton Ryerson Burpee, Esquire; Frederic William Cumberland, Esquire; Sandford Fleming, Esquire; Robert Newton Hall, Esquire; Honorable John Sebastian Helmcken; Andrew McDermot, Esquire; Donald McInnes, Esquire; Walter Shandy, Esquire; and, John Walker, Esquire; together with all such persons as shall become associated with them in the undertaking, for the purposes herein mentioned, shall be and are hereby constituted a body corporate and politic by the name, style and title of "The Canadian Pacific Railway Company," and by that name, they and their successors shall and may have continued succession; and be capable of contracting and being contracted with, of suing and being sued, pleading and being impleaded, answering and being answered unto in all courts and places whatsoever, in all manner of actions, suits, complaints, matters and causes whatsoever. And that they and their successors may and shall have a common seal, and may change and alter the same at their will and pleasure; and also that they and their successors, by the name of "The Canadian Pacific Railway Company," shall be in law capable of taking, purchasing, and holding to them and their successors, any estate, real, personal, or mixed, to and for the use of the Company, and of selling, conveying, leasing or otherwise departing therewith, for the benefit and on the account of the Company, from time to time, as they shall deem expedient or necessary, subject to the provisions, restrictions and limitations hereinafter contained.

STOCK.

2. AND WE DO FURTHER ORDAIN AND DECLARE that the capital stock of the Company shall be ten million dollars, which shall not be increased but by Act of Parliament, (such capital stock having been already subscribed as aforesaid), to be held in shares of one hundred dollars each, which shall in all respects be deemed personal property, and ten per centum thereon shall be paid into the hands of the Receiver-General of Canada, in money or Canadian Government securities, within one month after the date of these presents, to remain in his hands until otherwise ordered by Parliament. And the interest received by the Receiver-General from the investment of such money and from such securities shall be paid to the Company as received, until he shall be authorized by the Government to withhold and retain the same by reason of some default incurred by the Company in the performance of the conditions of this Charter, or of any subsequent agreement between the Government and the Company.

3. That the shares of the said capital stock shall, after the first deposit thereon has been paid, be transferable; but no transfer made within six years from the date hereof shall be valid or effectual, unless it be made with the consent of the Government, and of the Directors, and registered in the books to be kept by the Company for that purpose; nor after six years, unless it be made with the consent of the Directors, and registered as aforesaid. And in the event of the right of property in any of the shares in the Capital Stock of the Company becoming transmitted otherwise than by direct transfer, the person claiming the same shall be bound to establish such claim in the manner provided for the transmission of Bank Stock by the Act 31 Vic., cap. 71.

intituled, "An Act respecting Banks and Banking." And in the event of the bankruptcy or insolvency of any holder of any shares not fully paid up, or of the sale thereof and execution, such shares shall be *ipso facto* forfeited, but the Company shall pay the purchaser of such shares, or the Assignee or other representative of such Shareholder for such shares at the current value thereof.

4. That no call shall be made upon the stock of the Company beyond or above the first deposit of ten per centum thereon, save as in this clause mentioned, and the balance of ninety per centum thereof shall not be called up until after the expenditure of the money to be raised upon the bonds of the Company or otherwise, as hereinafter authorized and provided; but such balance shall remain as a security to the Government for the final completion and equipment of the railway. After such expenditure the Directors may, from time to time, if necessary, with the approval of the Government, call upon the shareholders for such instalments upon each share, and in such proportion as the Directors may see fit; except that no such instalment shall exceed ten per centum on the subscribed capital, and that ninety days' notice of the time fixed for the payment thereof shall be given in such manner as the Directors shall think fit. And such calls shall not be made more frequently than once in ninety days.

RAILWAY.

5. That the Company, may and shall lay out, construct, equip, maintain and work a continuous railway, of the width or gauge of four feet eight and one-half inches; which railway shall be made in conformity with the Act heretofore recited, and with this Our Royal Charter; and such railway shall extend from some point on or near Lake Nipissing, and on the south shore thereof, to some point on the shore of the Pacific Ocean, both the said points to be determined by the Government, and the course and line of the said railway between the said points to be subject to the approval of the Government.

6. That the Company may and shall lay out, construct, equip, maintain and work a branch line of railway from some point on the railway in the last preceding clause mentioned, to some point on Lake Superior in British Territory, and also another branch line of railway from some point on the railway in the last preceding clause mentioned, in the Province of Manitoba, to some point on the line between that Province and the United States of America, the said points and the courses and lines of the said branches between the said points to be determined by the Government; the said branches to be of the gauge aforesaid; and such branch lines of railway shall form part of the railway in the last preceding clause mentioned, and portions of THE CANADIAN PACIFIC RAILWAY.

7. The Railway shall be divided into sections, as follows:—

- (1.) THE EASTERN SECTION.—Extending from the Eastern Terminus to Red River.
- (2.) THE LAKE SUPERIOR SECTION.—Extending from some point on the Eastern Section to Lake Superior.
- (3.) THE CENTRAL SECTION.—Extending from Red River to a point in the longitude of Fort Edmonton.
- (4.) THE MANITOBA SECTION.—Extending from the main line in the Province of Manitoba to the Boundary of the United States.
- (5.) THE WESTERN SECTION.—Extending from a point in the longitude of Fort Edmonton to the Pacific coast.

8. That the Company shall, within two years from the twentieth day of July, in the year 1871, commence simultaneously the construction of the railway from the Pacific Ocean towards the Rocky Mountains, and from a point in the Province of Ontario hereafter to be determined by the Government, towards the Pacific Ocean, to connect the seaboard of British Columbia with the railway system of Canada; and further shall construct the Manitoba Section by the thirty first day of December 1874; the Lake Superior Section and such portion of the Eastern Section as shall be required to complete communication between Lake Superior and Red River, by the thirty first day of December, 1876; shall proceed with and construct the eastern and western sections simultaneously; shall prosecute the work of constructing the railway with all due diligence; and shall complete the whole railway within ten years from the said twentieth day of July, 1871, unless the last mentioned period shall be enlarged by Act of Parliament, in which case the Company shall complete the whole Railway within such extended period.

9. That the railway shall be constructed and equipped according to specifications to be hereafter agreed upon between the Government and the Company, and the materials of, and manner in which the several works forming part thereof shall be constructed, and the mode of working the railway, or any part thereof, including the description and capacity of the locomotive engines and other rolling stock for working it, shall be such as may be hereafter agreed upon between the Government and the Company; Provided always that if the Government and the Company should be unable to agree as to the details of any of the matters in this clause mentioned, the same shall be, from time to time, referred to the determination of three competent Engineers, one of whom shall be chosen by the Government.

one by the Company, and a third by such two Engineers, and the expenses of said references shall be defrayed by the company. And in order to establish an approximate standard whereby such matters may be regulated, the Union Pacific Railway of the United States is hereby selected and fixed as such standard, but in a general way only, and not with respect to any minor details in its construction or working which may be found to be objectionable, nor with respect to alignment and grades, which shall be as favorable as the nature of the country will admit of without undue expenditure.

10. That whenever any portion of the railway exceeding twenty miles is completed, the Company shall, upon being thereunto required by the Government, work the same for the conveyance of passengers and goods, at such times and in such manner as shall be from time to time agreed upon between the Government and the Company, or in case of failure to agree, as shall be determined by three Engineers selected as hereinbefore provided.

11. That the Government may, from time to time, appoint such persons as it may think proper, to examine, inspect and report upon the construction and equipment of the railway, for the purpose of ensuring the faithful performance of the agreement between the Government and the Company, and the observance of all the provisions of this Charter.

12. That the Company may and shall construct, maintain and work a continuous telegraph line throughout and along the whole line of the railway, such telegraph line being required for the proper working of the railway, and forming a necessary appendage thereto.

13. That the Company shall from time to time furnish such reports of the progress of the work, with such details and plans of the work as the Government may require.

LAND GRANT.

14. That to secure the construction of the main line of railway, and in consideration thereof there is hereby appropriated a grant to the Company of fifty million acres of land, which land, with the exceptions hereinafter mentioned, the Company shall be entitled to demand and receive in the Provinces of Manitoba and British Columbia, and in the North-West Territories, in blocks not exceeding twenty miles in depth on each side of such main line and not less than six nor more than twelve miles in width, alternating with blocks of like depth and width on each side thereof, reserved by the Government.

That to secure the construction of the branch lines, and in consideration thereof, the Company shall be entitled to demand and receive from the Government in the North-West Territories, a land grant in aid of the branch line to Lake Superior, of twenty-five thousand acres per mile; and a land grant in aid of the branch line in Manitoba, of twenty thousand acres per mile.

That the land to be granted in aid of the main line, which shall not be comprised within the alternate blocks hereinbefore mentioned, or be within the Province of Ontario, shall be allotted to the Company in alternate blocks on each side of a common front line or lines, in like manner as the blocks granted and reserved along the line of the railway. And the land grant which the Government may be enabled to make to the Company for the purposes aforesaid, under any arrangement with the Government of the Province of Ontario, shall be received by the Company as part of the said land grant in aid of the main line.

But no land grant shall include any land then before granted to any other party, or on which any other party has any lawful claim of pre-emption or otherwise, or any land reserved for school or other public purposes, or any land reserved, or to be reserved under agreement with the Hudson's Bay Company, and the deficiency arising from the exception of any such lands shall be made good to the Company by the grant of an equal extent from other wild and ungranted Dominion lands.

That if it shall be found that any of the alternate blocks laid out along the line of the railway are unfit for settlement, the Company shall not be bound to receive from the Government any greater depth of land in such blocks than one mile, computed from the railway.

That the lands to be granted in aid of the main line of railway from out of the lands of the Dominion, and the lands to be granted in aid of the said branches, shall consist of such land as shall be found east of the Rocky Mountains between parallel forty-nine and fifty-seven of north latitude, and the Company shall not be bound to receive any lands which are not of the fair average quality of the land in the sections of country best adapted for settlement lying within those limits; and the same shall be laid out, as nearly as may be, contiguous to the lands granted along the main line of the railway, and to the Lake Superior branch.

The Company shall also have a right of way for the railway through Dominion lands.

The lands hereby appropriated to the Company shall be granted from time to time, at intervals of six months, as any portion of the railway is proceeded with, in quantities proportionate to the length, difficulty of construction and expenditure upon such portion, to be determined in such manner as hereafter is provided.

15. That the price at which the alternate blocks of land retained by the Government shall be sold by the Government, shall be from time to time adjusted by agreement between the Government and the Company, according to the price that is found to be obtainable for such lands without obstructing the settlement of the country. But unless the Company shall sell lands granted to them at a lower average price, or shall otherwise agree, the Government shall, for and during the term of twenty years from the date hereof, retain the upset price of such alternate blocks at an average price of not less than two dollars and fifty cents per acre. The provisions of this clause are, however, subject to the sanction of Parliament.

16. That the subdivision of blocks of land granted to the Company shall be made in conformity with the system of survey prescribed by the Dominion Lands Act and any amendment thereof; and shall be made by the Company, and be subject to the inspection and approval of the Surveyor General of Dominion lands.

17. That the Government shall extinguish the Indian title affecting the lands herein appropriated, and to be hereafter granted in aid of the railway.

SUBSIDY.

18. That a subsidy or aid in money, amounting to thirty million dollars, is hereby granted to the Company, payable from time to time by instalments at intervals of one month as any portion of the railway is proceeded with, in proportion to the length, difficulty of construction and cost of such portion, such proportion to be ascertained and settled in the same manner as is herein provided with respect to the grants of land.

19. That the Company shall allow as part of the subsidy, the cost of the survey made in the years one thousand eight hundred and seventy-one and one thousand eight hundred and seventy-two, and to be made in the year one thousand eight hundred and seventy-three, by the Government of Canada, for the purpose of ascertaining the best line for the railway.

20. That it shall be lawful for the Company to accept and receive from the Government of any Province, or from any Municipality in Canada, or from any Corporation, a subsidy or aid in money, or bonds, or securities, payable in such manner, at such times, on such conditions, and at such places in Canada or elsewhere as may be agreed upon with the Company.

BOARD OF TRUSTEES.

21. That the Company may by By-Law create a Board of Trustees, to consist of three persons, to be chosen and to be removable at pleasure, as follows, that is to say: one member thereof by the Government, one other member thereof by the Board of Directors, and one other member thereof by or on behalf of the bondholders, in such manner as may be provided by such by-law; and upon the completion of such Board by the choice of such members the same shall be published by the Secretary of the Company in the *Canada Gazette*.

22. That the removal, resignation, mental incapacity, or insolvency of any member of the Board shall vacate his appointment as such; and thereupon or upon the death of any member, the vacancy occasioned thereby shall be filled by the choice of a person to be a member of the said Board by the Government, the Board of Directors, or the bondholders, as the case may be by whom the member whose vacant seat is to be filled was originally chosen. And such change shall be published in the manner aforesaid.

23. That the duties and powers of the Board of Trustees shall be as follows:—

i. To receive from time to time from the Government of Canada such portion or portions of the subsidy of thirty million dollars as may be earned by, and payable to the Company as hereinbefore mentioned.

ii. To receive from time to time the nett proceeds of the sales or rents of such portions of the land hereby appropriated as may from time to time be sold or leased by the Company; and also all such subsidies and aids as may be granted to the Company by the Government of any Province, or by any Municipality or other Corporation.

iii. To pay the Board of Trustees, for their services, such sums of money as shall be from time to time fixed by by-law of the Company.

iv. After payment of the expenses of the trust, to invest all monies received by them as Trustees in the securities of the Government of Canada, or of any of its Provinces, or of the United Kingdom of Great Britain and Ireland, or of any of the Colonies of the United Kingdom, or of the British Possessions in India, or of the United States of America; and the Board may from time to time sell any such securities, and shall in any such case forthwith reinvest the proceeds of any such sale in other securities of the nature and kind hereinbefore mentioned, or in lieu thereof, when so directed by resolution of the bondholders passed in accordance with a by-law of the Company, purchase outstanding bonds of the Company.

v. The investments to be so made as hereinbefore directed, and the securities whereof the same shall from time to time consist, shall form a sinking fund, to be held by the Board of Trustees, upon the trusts following, that is to say, upon trust to pay all costs and charges, which may be incurred in respect of the execution of the trusts hereby created, and in the investment and re-investment as hereinbefore mentioned, and thereafter

upon trust to pay the interest upon the bonds of the company, as the same shall, from time to time become due and payable, and thereafter upon trust to pay and discharge the bonds of the company as the same, and the principal money thereby secured, shall mature and become due and payable; and upon this further trust, after the payment and discharge of all sums of money of principal, and interest upon the bonds of the company, and of all costs and charges incurred in respect of the execution of the trusts hereby created, to apply the said sinking fund, and the securities thereof to the Company, to and for, the absolute use, and behoof of the company; and the trusts hereby created shall, thereupon cease and absolutely determine.

VI. The Board of Trustees shall conform to any order or direction respecting the performance of its duties, which may be concurred in by the Company and by the Bondholders acting as provided by by-law.

21. That the Board shall have such further, and other powers in the premises, as may be conferred upon them by any By-Law of the Company approved by the Government. But no such By-Law shall be contrary to, or inconsistent with, the provisions of this charter.

25. That a majority of the Board of Trustees may lawfully exercise the powers of the Board, and the action of such majority shall be held to be the action of the Board. But none of the powers hereby vested in the Company or in the Board of Trustees or the majority of them, shall be acted upon contrary to or inconsistent with the provisions of any agreement which shall be duly entered into by the Company, or the Board of Trustees, or by both, with any person or persons who may agree to become holders of the bonds of the Company. And any agreement, resolution or proceeding made or taken contrary to, or inconsistent with such agreement, to the detriment of such bondholders, shall be absolutely null and void in law, and shall have no force or effect whatever.

LAND MANAGEMENT.

26. That the Board of Directors may, from time to time, appoint Commissioners or Agents for the management and disposal of the lands of the Company, with such powers and duties as shall be provided by the by-laws of the Company.

27. That the Company shall render to the Board of Trustees, yearly accounts of all sales, leases or other disposition of lands; and shall from time to time pay over to the Board of Trustees the net proceeds thereof, after deduction of the cost of management and sale, such cost not to exceed ten per centum of the gross proceeds.

28. That the Company shall, from time to time, cause the names of the several parties interested in the stock of the Company, and the amount of interest therein of such parties respectively, to be entered in a book to be called "The Stock Register," and may in like manner cause the names and interest of the bondholders, to be recorded from time to time in a book to be called "The Bond Register"; and duplicates of all registers of stock and bonds of the Company, and of the holders thereof, kept at the principal office of the Company in Canada, may be transmitted to and kept by the agent for the time being of the Company in London.

29. That the Company may pay to the shareholders, interest on the amount of their paid up capital at the rate of five per centum per annum, during the construction of the railway and works.

30. That the Company shall have power and authority to become parties to promissory notes and bills of exchange for sums not less than one hundred dollars; and all such promissory notes made or endorsed, and such bills of exchange drawn, accepted or endorsed by the President or Vice-President of the Company, under the authority of the Board, shall be binding on the Company; and may also issue scrip with the like signatures, redeemable in the stock of the Company, or in lands, or in both; and in no case shall it be necessary to have the seal of the Company affixed to any promissory note, bill of exchange, or scrip; Provided, however, that nothing in this section shall be construed to authorize the Company to issue any notes or bills of exchange payable to bearer, or intended to be circulated as money, or as the notes or bills of a bank.

31. That the Company may, with the approval of the Government enter into and conclude any arrangements with any other incorporated railway company in Canada or the United States, for the purpose of making any branch or branches to facilitate a connection between the railways of the Company and of such other incorporated company, and they may, with like approval, enter into arrangements for the mutual interchange of traffic with all railway companies completing their lines to the lines of the Company; and they may with like approval, lease or acquire such last mentioned railway or railways, or make running arrangements therewith, and generally may, with like approval, enter into such arrangements as will secure uniform and complete railway connection with the system of railways now or hereafter existing in Canada or the United States.
