Imperial Flings Doors Open Tomorrow For Big Event SOUTH CHINA MILITARY ENTERS FAY

BIG OPPORTUNITY IS HERE TO DO A NOTABLE WORK Men are Asked to Join Rally and Help Save Lives of Babies. THE NEED IS GREAT Hear Noted Speaker and Help Fund—Women's Council Back of It.

Tomorrow comes the big opportunity for all to help swell the Times-Star fund to supply milk for needy babies. The opportunity is a double one, for it includes the advantage and pleasure of hearing a clever speaker on a subject of prime importance, and also of giving a little to make this fund grow to something like the figure it should have reached ere this.

It is hoped that the large theatre will be filled, and it is assured that all who attend will realize that they have spent a very profitable hour, and it is undoubted that they will have helped a very worthy cause.

It is All Free.

Mr. Hawk is giving his lecture entirely free. W. H. Goding, with his usual courtesy and community spirit,

EDWARD LEE HAWK

makes no charge whatever for the lecture. The Women's Council are strongly behind the movement, and The Times-Star is lending its assistance so that the babies may not want. The treasurer of the Times-Star babies' milk fund will be at the meeting and the money taken in the collection will be counted at once and handed to him.

Will Preside.

Mrs. Richard Hooper has accepted an invitation to preside at Sunday afternoon's meeting and she will introduce the speaker.

Mrs. W. B. Tennant, convener of the milk fund committee of the Women's Council, will speak on the work and what this money means.

Mrs. G. Wilford Campbell will have charge of the corps of young ladies who will take up the collection, which it is hoped will be a large one.

The ladies are all very enthusiastic over this opportunity that gives in money so very needed in a notably good cause.

The Fund.

At the moment The Times-Star fund stands at \$675.50. Amounts received since yesterday are:

One Interested ..... \$5 Friend ..... 5 Friend ..... 1 Lola Harris ..... 1 Friend ..... 2

After tomorrow's meeting it should be above \$1,000 and it is hoped the big audience expected will keep the objective in view.

Men Invited.

It is hoped there will be a large attendance of men. Fathers and mothers, school teachers and others will gain much by hearing Mr. Hawk and as well will be able to help the fund.

That Mr. Hawk can attract large audiences is evidenced by the fact that (Continued on page 2, second column)

Went to Death With A Pinch of Snuff

Paris, Sept. 13.—Good morning, good-bye everybody, were the words with which Khemil Sillman greeted those who saw him, just before he died this morning. Khemil, although a Mohammedan, was a Christian in his heart.

FINDS A FORTUNE, GOES UNREWARDED

Woman Picks Up 40,000 Francs and Hands It To Police.

Paris, Sept. 13.—A case of conspicuous honesty and equally conspicuous ingratitude is reported from Pantin, an industrial suburb of Paris, Madame Boisseau, a woman whose circumstances are by no means enviable, was found a little blue packet lying in the road. On opening it she was surprised to find that she had picked up a bundle of 40,000 francs in banknotes as well as a number of negotiable securities, though there was nothing about the packet to indicate its rightful owner.

To anyone in Madame Boisseau's circumstances, but of less robust integrity, the temptation to accept this find as a gift of good fortune would have been strong, but she never hesitated, and she never hesitated to return the money to the police station, where she was warmly congratulated by the commissary. It was only a few hours later that the owner of the notes called to report his loss, and was happily surprised to find the same intact. But he apparently is not one of those who believe that virtue is its own sufficient reward, for his expression of gratitude took the form of nothing more substantial than a few words of thanks.

Taking this case as their text, certain writers in the Press are now demanding that the payment of rewards should be made compulsory—as at Scotland Yard—in the case of recovery of negotiable bonds or money. They suggest a levy of 20 per cent. on the recovered property, of which half would go to charitable institutions and half to the finder.

STILLMAN APPEALS

Banker Contests Award of \$15,000 Counsel Fees For Wife's Case.

White Plains, N. Y., Sept. 13.—James A. Stillman, former New York banker, who unsuccessfully brought suit for divorce against his wife Anne U. Stillman, will contest the decision of Justice Morschauer in awarding to Mrs. Stillman \$15,000 additional counsel fees for the preparation of her case for the court of appeals, it was learned yesterday.

Mr. Stillman, who has taken his case to the highest court of the State, will appeal Justice Morschauer's award to appellate division of the Supreme Court which will hear arguments next month.

WILL GATHER PLANT LIFE FOR LADY BYNG.

Dr. Wm. McIntosh Leads Party Up St. John River. TAKES 6 CANOES

Specimens to Go to Lady Byng's Gardens in England.

Acting on a request from Lady Byng, wife of Canada's Governor-General, Dr. William McIntosh, curator of the Natural History Society museum here, will head a party leaving today to secure specimens of New Brunswick plant life which will be shipped overseas, and re-planted in Lady Byng's garden which now has more than 500 specimens of Canadian flora.

While this is the main object of the trip, it has three other purposes: to collect plants for the local museum; to secure specimens of the medicinal plants of New Brunswick for exhibition purposes; and to fulfill a promise made by the curator on his trip this spring to the United States that he would send specimens to the American Museum of Natural History, New York, and the Philadelphia Museum.

When the curator first mentioned his projected trip, he was literally besieged with applications to make the journey until now it is probable at least twenty people will accompany him, using six canoes. The party will leave for Nashwaakias, opposite Fredericton, tomorrow. The party will leave for Nashwaakias, opposite Fredericton, tomorrow. Southampton, Ont., Sept. 13.—Alex and Stuart, a prominent business couple here, appeared before County Magistrate A. E. McNab here on a charge of neglect in connection with the death of their thirteen-year-old daughter, Ruth, who succumbed to a heart attack two weeks ago without receiving medical attention, due to the religious conviction of her parents. In his evidence at the hearing today Stuart appeared to be sincere in his religious belief, but promised to do better in the case of any sickness in the family in future.

RELIGIOUS BELIEF KEEPS DR. AWAY

Ontario Man Is Brought Into Court When Daughter Dies.

The magistrate let him off on suspended sentence. Stuart was arrested following a verdict of a Coroner's jury, who found that neglect of the parents was a factor in the death of the girl. On appearing before Magistrate McIntosh of Southampton, he was released on a \$1,000 bail bond.

AUTO LIGHTS BURN AT RIVER BOTTOM

Show Way to Body of Drowned Auto Driver Four Hours After Tragedy.

London, Sept. 13.—(United News)—E. Trett drove his motor car over the side of a bridge at Norwich in the dark. His wife saved herself and went for help. Trett's body was located four hours later at the bottom of the river by the headlights on his car, which were still burning.

New Cabinet Is Formed in Chile

Santiago, Chile, Sept. 13.—(By Associated Press)—Albaldillo Rolan, prominent lawyer, who was charged by the military triumvirate headed by General Altamirano, with the task of forming a new ministry, succeeded in organizing a cabinet in which he held the portfolio of the interior. The cabinet was sworn in late yesterday.

Floods Carry Away Hydraulic Plant

Three Rivers, Sept. 13.—The plant of the Newport New Hydraulic Company at Port Neuf has tumbled into the St. Anne River as the result of a washout according to advices received here yesterday. The river which has been at flood stage for several days swept away a bridge at Port Neuf.

Explosive Smokes Startle Parisians

London, Sept. 13.—Several smokes in Paris, on lighting up their cigarettes recently, have been alarmed when there was a faint flame up. At first it was thought that the cigarettes contained cellulose, but an examination revealed grains of gunpowder used during the war. Further investigation showed that the infamous 'Nancy' and 'Easy-See-Molnau' cigarettes were manufactured in a factory which was being used by unbalanced persons employed in factories.

PERSHING THANKED BY U. S. PRESIDENT

Army Leader Retires Today After 42 Years Active Service.

Washington, Sept. 13.—John J. Pershing ends his 42 years of active service in the army at noon today with a last signal honor paid him in the issuance of an executive announcement by President Coolidge expressing the nation's indebtedness for the service which won him leadership of the U. S. forces in the world war. Pershing arrived today at the automatic retirement age of 64 years.

Entering the army as a commissioned officer after graduation at the U. S. Military Academy in 1886, he took part in the Indian campaigns for the pacification of the western frontier, the war with Spain he participated in the Santiago campaign in Cuba, in the Philippine Islands, after their capture by the United States, and in the suppression of the native insurrection. Becoming a general officer in 1901, he was in command of the expedition sent to Mexico. His appointment to the high command of the American Expeditionary Forces in Europe was a natural consequence.

FLOOD IS WORST IN THIRTY YEARS

Boats Used in Sherbrooke Streets And On Some Quebec Farms.

Sherbrooke, Que., Sept. 13.—Residents of Sherbrooke were obliged to navigate the streets in rowboats and farmers and their families to escape into available craft from second story windows during a flood which inundated part of the city. The flood is the worst in 30 years. At the various farms considerable livestock was drowned, while washouts occurred on the railway lines at several places.

Are Freed From Murder Charge

Dover-Foxcroft, Maine, Sept. 13.—No bills were returned yesterday by the Piquetacqui grand jury in the cases of Alonzo Beaham of Lincoln and Mrs. Laura Smith of East Guilford, arrested last March, charged with the murder of the body of an unnamed infant found buried in a field on the Smith farm at East Guilford. They were discharged. The grand jury returned 15 indictments.

Cold Weather Halts N. Y. Court Session

Rochester, N. Y., Sept. 13.—Cold weather temporarily halted the session of City Court, criminal branch, when Judge Kohlfeltz refused to mount the bench until the building was heated.

Three Tombs 1,000 Years Older Than King Tut's to be Uncovered

Paris, Sept. 13.—The wonders of Tutankhamen's tomb may pale into insignificance next year when three other tombs, at least 1,000 years older, are uncovered by a group of experts who are already being organized by the Egyptian Government.

Knowledge of the existence of the mysterious tombs was obtained from an inscription on the tomb of Tutankhamen opened by the late Lord Carnarvon and Howard Carter.

This inscription, which has been kept secret, was submitted by a native official to the Egyptian experts, and when deciphered provided a sensational clue, which has also been jealously guarded.

The inscription told of three other tombs of earlier rulers on the outskirts of the Valley of Kings and within five miles of the site of Tutankhamen's last resting-place. The rulers buried there were one of the oldest provinces, and Egyptian officials are convinced that, if the tombs are found, incalculable wealth, both material and historical, will be unearthed.

Interest in the new discovery is enhanced by the fact that the three tombs must have been constructed at a time when gold and ivory, instead of polished woods, were the chief materials used in royal furniture and decorations.

PRESENTS PLAN TO SETTLE FRENCH DEBT

Commission Member Would Give France 67 Years Pay-in \$100,000 Yearly.

Washington, Sept. 13.—Edward N. Hurley, member of the American Debt-Funding Commission, and war-time chairman of the Shipping Board, has submitted to Secretary Mellon as commission chairman, a plan for settlement of the French debt to the United States and informed the secretary he had found French reaction to the proposal favorable. Mr. Hurley, who returned from a visit to Paris two days ago, discussed the whole problem with French government officials.

DR. SUN YAT SEN MOVES FORWARD WITH REGIMENT

Opposing Forces Battle for Shanghai in Spite of Rain.

RAILWAY LINE CUT

Traffic Stopped on Mukden Line Indicating New Operations.

(By The Associated Press.) Canton, Sept. 13.—Dr. Sun Yat Sen the head of the South China government, accompanied by a regiment of his troops, has departed for Shichou, in the northern part of Kwangtung province, the greater part of which is under his control.

Shanghai, Sept. 13.—Rival forces of warring Chinese military governors, battling for possession of Shanghai, disregarded their traditional rule against fighting in the rain today when firing was resumed at Hwangtu 15 miles west of here while that area was being soaked by a new storm.

The Kiangsu military governor was reported to be rushing reinforcements to Changhow 110 miles west of Shanghai, to defend that place against the advancing Chekiang troops who took things yesterday according to a Chinese observer who arrived here today for Chekiang, 146 miles west of Shanghai.

A Japanese news agency here received a report that the Mukden railway line had been closed to traffic. This was taken as an indication of impending warfare between Gen. Chang Tso-Lin, Manchurian dictator and Wu Peifu, military leader of the Peking government.

INVALID IS SLAIN BY JEWEL THIEVES

Robbers Disappear Without Booty When Strong Boxes Resist Them.

New York, Sept. 13.—Two negroes who set out to quiet an elderly white man while they robbed his flat did their work so ruthlessly that when his form, bound and gagged, was found, he was dead from strangulation. His wife, too, had been bound and gagged, but she survived the beating.

The elderly man was Samuel Turk, 68 years old, a retired lawyer, living with his wife, Carrie, 65 years old, in a tenement building occupied almost entirely by negroes in the heart of the Harlem “Black Belt.” Mrs. Turk was a semi-invalid. Her husband was suffering from palsy.

Neighbors knew that Turk had a large collection of jewelry in his flat. These were kept in two strong boxes in a bureau drawer.

Turk was preparing breakfast for his wife when there came a rap on the door. As he opened it slowly, two negroes came in and pounced on him. He was borne to the floor and bound and gagged with towels. His wife, rindling excitedly and feebly from bed, tottered into the kitchen. She also was bound and gagged.

The criminals ransacked the flat, they came upon the two strong boxes and tried to pry them open. Unable to force them, they left the boxes behind and fled. Hysterical with fight and enervated by illness, Mrs. Turk managed nevertheless to free herself. As she bent over her husband, his stiffness sent her screaming into the hallway. Neighbors called the police and an ambulance from the Harlem Hospital. Turk was dead.

At the autopsy it was found that Turk had been punched in the neck and choked so severely that the larynx had been fractured.

No trace of the robbers was found in the neighborhood, but the police found finger marks on the strong boxes.

New York, Sept. 13.—Thomas F. McMahon of Providence, R. I., was unanimously elected president of the United States Workers of America yesterday.

U. S. SHIPPING BOARD FLEET, BUILT DURING WAR, TO BE BURNED.

Thousands of People Plan Trip to Tidewater to View Destruction.

Norfolk, Va., Sept. 13.—Preparations for burning 218 wooden ships, built by the United States Shipping Board at a cost of \$225,000,000 for use in the World War, are being made by the Western Marine and Salvage Company, which has an option to purchase the ships from the Government for \$262,000 providing the metal in the first 10 destroyed show the purchasers a fair profit on the investment.

The ships are only a part of the idle fleet that has been in the James River for several years. The huge bonfire will occur in the Potomac River, off Tidewater, Va., where the ships were towed by tugs. A plan to burn them for the purpose of salvaging the iron bolts and copper and steel used in their construction did not prove feasible.

Instead, the vessels were towed out of the water on rafts and burning them on shore was tried, and this is said to have proven more satisfactory. As many of the craft as can be hauled ashore will be burned there, while the others will be set adrift in the stream.

It is reported that oil, valued at \$25,000, will be used in starting the destruction of this fleet which will provide the biggest bonfire ever seen in America, and hundreds of people already are making plans to go to Tidewater to witness it.

HOSPITAL BOARD PLANS NEW PORTICO

Improvements to Main Entrance are Considered—Drug Addicts.

Authority was given to ask for sketch plans and estimates for a portico and other improvements for the main entrance to the General Public Hospital when the Board of Commissioners held its regular meeting yesterday afternoon.

Hon. Dr. W. F. Roberts spoke of the federal legislation with regard to drug addicts which he believed would be of great benefit to the hospital.

M. E. Agar, president, was in the chair. Others present were Commissioners Mrs. J. V. McLellan, Hon. Dr. W. F. Roberts, Dr. W. W. White, Alexander McMillan, Dr. E. J. Ryan, J. King Kelley and R. H. Gale, superintendent.

The superintendent's monthly report showed the average daily number of patients 1246 and the total 338 with 180 remaining. There were 13 deaths, 817 operations in the operating room, 138 in outpatients' department, and 960 treatments for outpatients.

The financial statement showed receipts \$13,111.13, including the following: City Chamberlain, \$7,141.76; patients, \$4,006; X-ray, \$971, and salaries, \$515.

July accounts unpaid totalled \$8,731.79. Expenditures for August totalled \$10,746.84. The balance in the bank was \$5,851.61.

Two bonds of \$500 each were placed to the sinking fund account.

Miss Allen's resignation to take effect Sept. 20, was received. Miss Allen has been operating room nurse.

Dr. Ryan was appointed commissioner of the ensuing month. He received a draft letter sent the medical staff with regard to attendance at standardization meetings.

The purchase of the Hanev lot on White street for \$700 was authorized.

ST. JOHN, N. B., SEPTEMBER 13, 1924

WEST FACES THE SAME PROBLEM

The question of the support of the public schools is just as live in British Columbia as it is in any of the Eastern Provinces. At a recent municipal convention, which corresponds to our Union of Municipalities, a resolution was proposed, suggesting that the provincial government should consider a proposal to take over entirely the cost of the educational service and relieve the municipalities of the burden.

There you have it. Taxation must keep pace with education and the other public services. There are a large number of people who think we cannot spend too much upon education, just as we cannot spend sufficient to please them upon the highways or public health. The demands of the people are not measured by the ability to pay, but rather by their own ideas as to what they would like to see accomplished.

MR. JOHN MARTIN'S VIEWS

John Martin, the Labor Member of the Legislature for the County of Northumberland, is fully justified after his attendance at the Unemployment Conference at Ottawa that New Brunswick is better off so far as the matter of general prosperity is concerned than any of the other provinces of Canada. He expects to report this at the meeting of the Government next week.

DESPERATE CONDITIONS IN RUSSIA

Conditions in Russia, as described by Great Britain's diplomatic representative, Mr. Hodgson, are very embarrassing to foreigners who attempt to travel in the ordinary way. The British authorities had even to ask the Russian Foreign Minister not to permit the espionage inflicted upon their representative. Watchers noted the comings and goings of all British officials, and visitors to the British Mission have been shadowed and afterwards regarded with suspicion.

PREMIER VENIOT ASKS A HEARING

New Brunswick Interested in Crow's Nest Pass Rates

In conversation over the long-distance telephone yesterday, Hon. P. J. Veniot, Premier of New Brunswick, informed The Telegraph-Journal that he had written to the acting chairman of the Railway Commission at Ottawa, requesting that no decision be arrived at with regard to the Crow's Nest Pass rates until the province of New Brunswick was heard.

TREATY MAY CAUSE BRITISH ELECTION

Quebec, Sept. 12.—That the Russian Trade Treaty may cause general elections in England as a result of the strenuous opposition it is bound to meet in the House of Commons was the opinion expressed by G. G. Dawson, editor of the London Times, in an interview this morning at the Chateau Frontenac.

**HAVE TALK ABOUT THE PLAYGROUNDS**

Association Decides to Keep Allison Grounds Closed Till Next Year.

The Allison Playgrounds, near Rockwood Park, will not be opened for use this year. This was the decision of the Playgrounds Association at its monthly meeting yesterday afternoon in the Health Centre. Frank T. Lewis, president, was in the chair. Miss Emma I. Heffer's report occasioned interesting discussion regarding the work of the Boys' Club for the coming winter. A. M. Belding, Miss Heffer and Mr. Lewis were appointed a committee to arrange for a physical male instructor to assist Miss Heffer and to prepare the club room over Victoria Rink for the winter's work.

L. M. Farquhar, the secretary, was requested to send letters of condolence to Mrs. A. C. D. Wilson in the death of her mother, and to Dr. G. B. Peat, whose father died this week. Mr. Farquhar reported having sent a letter to Mrs. James H. Duddy to express sympathy in her recent bereavement in the death of her son in Los Angeles.

Mrs. George Dishart, treasurer, gave a satisfactory report on the finances. Among the money received were several dollars sent in by the children of the playgrounds at King George and West St. John. These children had the right spirit, Miss Heffer said, and always tried each summer to do something to help defray expenses for any extras they might require. They had done so this season very successfully.

Gratitude was expressed to those who had given prizes for the closings of the centres. It was said that the operation of the Allison ground at the South End and the Alexandria ground had not been successful this summer. The other grounds had been very successful and the spirit of co-operation had been very encouraging.

At the East End slide has been condemned by W. L. Harding, commissioner of public safety and the caretaker of apparatus, D. L. McRoberts, as unsafe, the meeting requested the secretary to send notice to the East End Improvement League to whom the slide belongs, to have it removed, since supervision is not given there after the closing of the grounds in August.

**Richest Racing Stake Up Today**

New York, Sept. 13.—The richest racing stake of the season will be run today at Belmont Park, when 81 two-year-olds start in \$75,000 futurity over a three-quarter mile course. Sweepstakes, owned by E. G. Drake, with top weight of 127 pounds, is regarded as a favorite. The Whitney entry, Reminder, with Candy Kid and Mother Goose as contenders, is second choice. The futurity, first run in 1888, was won last year by St. James of the Widener Stable. Man o' War, Colin and Domino were other notable winners of the two-year-old classic. The \$15,000 Jockey Club Gold Cup, for three-year-olds and up at two miles will also be run.

**Six Metre Cup Finals Today**

New York, Sept. 13.—Through their victory in yesterday's British-American six-metre cup race off Oyster Bay, the United States regained the lead in the international contest. The American team won by a score of 20 to 16½, and now have a 3-2 advantage in the series. If Great Britain suffers another defeat today, the trophy will remain at the Seawanhaka-Corinthian Yacht Club.

**Tommy Murphy Wins Big Stake**

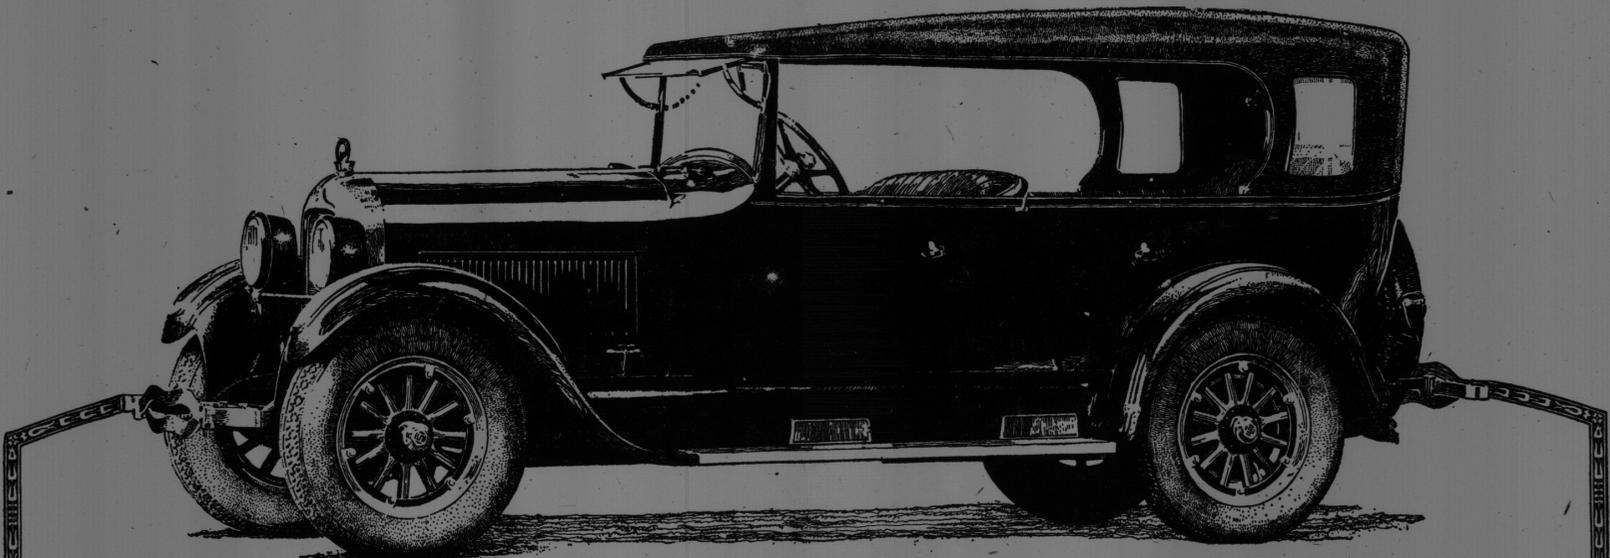

Syracuse, N. Y., Sept. 13.—Tommy Murphy of this city, driving Baron Worthy, bay gelding, to victory in the \$10,000 Chamber of Commerce 2:08 pace, and Ben White, driving Eileen Guy, a Guy Axworthy chestnut filly, on the line first in the \$2,600 wet weather track stake, divided honors at the get-away meeting of grand circuit racing on the New York state fair ground here yesterday. White also came to be front in driving Mr. McElwyn, a Guy Axworthy offspring, to a new record of 2:09¼ for three-year-olds in the western horseman's stake, 16 year old grand circuit classic, with an approximate value of \$4,000. Nine events claimed total purses of \$33,000.

# 15 New Studebakers

Including an entirely new type of car—the DUPLEX-PHAETON

Today Studebaker has made Automobile History and established standards of value and quality more fully and obviously than ever before.

**T**ODAY Studebaker proves that beautiful, distinctive, stylish body lines can be originated by American body designers without following precedent or imitating or adapting what has been done before.

Today Studebaker proves that a practical and beautiful type of car can be made to combine the pleasure and performance of the open car and the comfort and protection of the closed car—and this without excessive price or compromised quality—a car "duplex" in open-car smartness and convenience and closed-car elegance and comfort—and at a price no higher than that of an open car!

Today Studebaker proves, in its new Standard Six Duplex model, that a six-cylinder car of fine quality, great power, plenty of room and impressive appearance can be made and marketed at a price of \$1575.

Today Studebaker proves in its new Special Six and its Big Six Duplex models that the ultimate in all the essential features of quality in five- and seven-passenger cars can be made and marketed at a price of \$2050 and \$2550 respectively.

And this is possible only because Studebaker cars are made in one of the most comprehensive industrial plants in this country, 70 per cent of which is new within the last six years.

Every modern method of manufacture and long experienced management are available for the production of Studebaker automobiles.

Today Studebaker proves that the highest grade closed car bodies—framed in selected hard woods, cushioned with the best cushion work, upholstered in fine mohair fabrics and fitted with expensive appointments—can be made and marketed on superlatively good chassis at moderate prices.

This is made possible by the new \$10,000,000 Studebaker closed body plants. Studebaker designs and builds all of its closed bodies in one of the best equipped and most modern body plants in the industry.

### The Three New Chassis

**THE STUDEBAKER STANDARD SIX**—113 in. wheelbase, 5-passenger. Engine, 3 1/2 x 4 1/2, 50 h.p.—with 6 different bodies, including Duplex-Phaeton, Duplex-Roadster, Coupe-Roadster, Coupe, Sedan, and Berline.

**THE STUDEBAKER SPECIAL SIX**—120 in. wheelbase, 5-passenger. Engine, 3 1/2 x 5, 65 h.p.—with 5 different bodies, including Duplex-Phaeton, Duplex-Roadster, Victoria, Sedan, and Berline.

**THE STUDEBAKER BIG SIX**—127 in. wheelbase, 7-passenger. Engine, 3 1/2 x 5, 75 h.p.—with 4 different bodies, including Duplex-Phaeton, Coupe, Sedan, and Berline.

### The Ten New Closed Bodies

**COMPLETELY NEW BODIES**—each car a masterly expression of modern style, yet distinctly original in beautiful lines—individual, conservative, impressively elegant, but crisp enough in its departure from imitation to be entirely distinctive.

Three completely new chassis!.. 15 completely new bodies!

Completely new lines! . . . . . Marvelous new performance

Completely new open-closed car!

Completely new radiators, new fenders, new lamps, new seating comfort, new finish, new colors in lacquer finish, three improved engines

Real balloon tires, not low-pressure cords. Sizes—21"x 5.25" to 20"x 7.30".

New Studebaker automatic hydraulic 4-wheel brakes—optional.

New values, never before equaled—even by Studebaker!

### The Five New Duplex Bodies

(A new type of car originated by Studebaker to take the place of the open car)

SO ENTIRELY NEW and so different from any other body ever made before that a new name had to be created—the DUPLEX.

The upper structure is shaped in pressed steel and covered with the finest water-proof fabric. The steel construction permits the use of another radical Studebaker creation, the new roller enclosing curtains. There is the permanent beauty and durability of the steel top plus the instant convenience of the roller curtains.

Thus Studebaker engineers have solved the open-closed car problem.

The buyer who wants the airiness and practical convenience of the open car and who also wants the comfort, protection and beauty of the closed car can now get both in one car and at the price of an open car.

One moment the new Studebaker Duplex is a beautiful open car—a touch of the hand to the over-lapping roller curtains and it is a snug weather-tight closed car.

### Balloon Tires

Genuine and full size balloon tires on all models. Every part that functions with the tires has been specially designed for balloon tire equipment—steering gear, steering knuckles, spindles and springs, even the fenders.

### New Lacquer Finish

The Standard Six closed bodies are beautifully finished in semi-gloss, satin lacquer. The hood and lower panels are in light gray, the upper panels in darker gray. Hair-line parallel striping in oriental red. Burnished nickel radiators, jet black fenders, light golden finished, natural wood wheels and big balloon tires are contrasting touches.

The Standard Duplex Models are finished in glossy jet enamel—lasting, lustrous and wear-resisting.

The Special Six and the Big Six Duplex models are in soft satin lacquer with dark blue hoods and bodies striped in light blue and ivory. Here, too, the sparkle is added with burnished nickel radiators and light, natural wood wheels in contrast with jet black fenders and big, black balloon tires.

### More Power

The universally famous Studebaker engine is more than ever a peer among power plants. The crankshaft is heavier. ALL surfaces are perfectly machined to exact dimension and balance. The bearings are larger.

The engine is in unit with the clutch and transmission. There is a force feed lubrication system with clean, strained oil always in reserve. There are many changes and improvements which result in MORE POWER, MORE QUIETNESS and SMOOTHNESS and STILL BETTER PERFORMANCE in every way.

### New Brakes

Larger, more powerful, simpler and much easier operated two-wheel brakes. An entirely new emergency brake is operated from the instrument board, instantly convenient to the driver's hand where it simplifies the control and frees the floor board from the old style lever. It acts on the propeller shaft. There is uniform pressure at each wheel—equalized through the rear axle.

The regular two-wheel Studebaker brakes with their simplicity, safety and great braking power are entirely adequate.

But Studebaker 4-Wheel Hydraulic Brakes (with disc wheels) can be furnished as optional equipment on all models at extra charge if desired.

Studebaker 4-Wheel Brakes have three exclusive features not found on any other system in this country.

1. Braking pressure is furnished by hydraulic power automatically developed. A light touch to the braking pedal controls its great force like a touch to the throttle controls the power of the engine. This feature will appeal instantly to women.

2. The front wheels cannot lock. There are only two adjustments required—one at each rear wheel. The front brakes are permanently adjusted at the factory. The oil in the transmission is used to generate the hydraulic power; the action of the gears and the pump keep it in circulation; it cannot congeal or freeze. Braking power is always instantly ready—in winter as well as in summer!

### New Ease of Operation

**New Ease of Gear Shifting**—New power in braking, a touch to the pedal exerts a giant's strength at the rear wheels—New clutch action, soft as velvet—A new steering gear and steering knuckles designed for balloon tires—A new grouping on the dash, including ALL the usual instruments plus a gasoline gauge that always works accurately.

**Lighting Control Switches**—all on the steering wheel— instantly handy.

**Automatic Spark Control**—No manual attention required, so the lever is eliminated. Automatically governed to all speeds with the precision of machinery.

### And the Details

The new cars are longer and lower to the ground. The line from the radiator to the rear is nearly straight. The wheelbase of all models is increased.

The fenders are much wider and deeper crowned to cover the width of the tires. They fit more closely over the wheels. The rear fenders are long and gracefully curved into the running boards.

The radiators are high and set low in the frames and convex curved just below the filler cap. The design is strikingly original and beautifully distinctive.

Entirely new head lamps and cowl parking lamps designed by Studebaker—artistically appropriate and in perfect keeping with the originality of the body and fender design.

Deeper, stiffer frames, more cross members; shorter, flatter springs for balloon tires. All bodies lower, all roomier, better and more comfortably cushioned. Seats are lower, backs and sides are higher.

### Look Forward Into Next Year

The new Studebaker is here today! And no matter how sweeping your ideas of what a new model should be this car will satisfy you. It will thrill you with the very newness and originality of its beautiful lines!

You may not be in the market now, or even this year. But to see the new Studebaker is to look forward into next year—and the year after! SEE IT TODAY!

**Social Notes of Interest**

The supper table was very attractive with its centre of pink roses and hollyhocks in exquisite profusion, set in a large silver bowl. There were individual cut glass vases for the smaller tables, which were centred with lace cloths, with varieties of flowers for each receptacle, the pink and blue color scheme predominating. Formal dress was worn and the ladies looked their best in lovely gowns, with all the latest bright colors enhancing the remarkably brilliant scene.

Those present were: Lieutenant-Colonel and Mrs. M. B. Edwards, Mr. and Mrs. Hugh Mackay, Dr. and Mrs. Walter W. White, Major-General Hugh H. McLean, Mr. and Mrs. H. H. McLean, Jr., Mr. and Mrs. G. Heber Vroom, Mr. and Mrs. F. Peniston Johnston, Mr. and Mrs. F. M. Keator, Mr. and Mrs. Allan Gundry, Mr. and Mrs. Percy Turcot, Lieutenant-Colonel Herbert C. Sparling, D.S.O., and Mrs. Murray, Mr. and Mrs. C. W. deForest, Mr. and Mrs. Douglas V. White, Mr. and Mrs. Simeon A. Jones, Mr. and Mrs. John Spivey, Mr. Frank S. White, Mrs. Fred Cavellill Jones, Mr. and Mrs. W. A. Fisher, Mr. and Mrs. Hugh Bruce, Mr. and Mrs. William Vassie, Dr. and Mrs. E. Stanley Bridges, Mr. and Mrs. A. K. Mr. Victor Benson entertained at the Villa Tebo at Rockwood Park on Wednesday evening with about 70 guests of the married set, with a few of the younger people interspersed. The villa was prettily decorated with bunting and flags all around the balcony and the searchlights played upon the waters of the lake, making a very picturesque scene. The floral arrangement was particularly remarked upon in the ball room, where the hardwood floor was well prepared for the dance. Massed cedar and yellow flowers made a gold and green effect that was carried out with sunflowers, yellow dahlias and golden rod placed among the greenery. Boxwood trees were placed at intervals about the room and gave the whole the appearance of a garden, surrounded by a small wood.

**Your folks will be Surprised**

—and delighted with Chocolate Layer Cake made with Borden's Milk. The double richness of St. Charles, as compared with ordinary milk, gives a new and delicious flavor not only to cakes of all kinds but to cream soups, sauces, salad dressings, desserts—all dishes that call for milk. Include St. Charles Milk on your next grocery order and try this recipe. Many housewives order half a dozen tins at a time, so they're never without rich, pure milk.

**PLAIN CHOCOLATE ICING**  
2 Tablespoons Borden's St. Charles Milk, 1 cupful powdered sugar, 1 teaspoonful desired flavoring, 1 square (one) chocolate, one melted—or 1/2 tablespoonful of cocoa, in a small saucepan, add the milk in a small saucepan, add the sugar and chocolate. If necessary to make the icing very stiff add two or three tablespoonfuls more.

**PLAIN LAYER CAKE**  
With Chocolate Icing  
3/4 Cupful Borden's St. Charles Milk, diluted with 1/4 cupful cold water, 1/2 cupful Vegetable Cooking Oil (scant), 1-1/2 cupful sugar, 2 eggs, 1 teaspoonful salt, 3 teaspoonfuls baking powder, 1 cupful sifted flour, 1 teaspoonful vanilla.

Beat the egg light and cream it with sugar, salt and flavoring. Combine the milk, diluted with the cooking oil. Sift together the dry ingredients and add them alternately to the first mixture with the milk. Beat thoroughly, and transfer to three oiled layer-cake pans. Bake in a moderate oven for thirty minutes, and put together with chocolate frosting.

ROYAL ARCH MASON OFFICERS ELECTED

Meeting of General Grand Chapter Held in Portland, Maine

Portland, Me., Sept. 12.—Acknowledgement of fraternal greetings from Portland Council, Knights of Columbus, and selection of Denver, Colo., as the 1927 meeting place were outstanding events of the closing session today of the thirty-ninth triennial convocation of the General Grand Chapter of Royal Arch Masons, at Masonic Temple.

Appearance of a large bouquet of gladioli at the general grand high priests station marked the opening of the final session. Attached was a card extending fraternal greetings of the Knights of Columbus by an immediate and unanimous vote, the gift was accepted with appreciation and general secretary Conover was instructed to convey to Portland Council hearty acknowledgements of the gift and the spirit of fraternal greetings.

It was voted to duplicate the action of the General Grand Council of Royal Arch Masons here this week in donating \$5,000 to the George Washington Masonic Memorial at Alexandria, Va.

Henry DeWitt Hamilton, of New York City, was elected Deputy General Grand High Priest under John A. Blake, of Boston, who yesterday was chosen General Grand High Priest.

Charles C. Davis, of Centerville, Ill., was elected General Grand King, and Leon T. Leach, Indianapolis, General Grand Scribe. Gustave A. Eltel, Baltimore, General Grand Treasurer, and Charles A. Conover, Coldwater, Mich., General Grand Secretary were re-elected.

Other officers chosen were: John W. Neilson, Councils, Kans., General Grand Captain of Hosts; Wm. T. S. O'Hara, Toledo, Ohio, General Grand Principal Sojourner; Matthew B. Jones, Los Angeles, California, General Grand Royal Arch Captain; John H. Anderson, Fayette, N. C., General Grand Master of the Third Vell; G. Allison Holland, Lexington, Ky., General Grand Master of the Second Vell, and Wm. E. Goff, of Michigan, General Grand Master of the First Vell.

Security under conditions once considered impossible

HERE is a new way in personal hygiene. A way that assures peace-of-mind, charm and exquisite-ness under circumstances impossible with all conditions. Dances, bridge, the theatre—the demands of business and social duties—meet them now, confidently unhindered. Wear, too, your filiciest frocks, your daintiest gowns!

Makeshift sanitary pads, say health authorities, are responsible for 80% of the lack of charm, loss of immaculacy expected of a woman.

Big Polo Matches Will Start Today

New York, Sept. 13.—American and British polo teams will make their fourth attempt to meet in the first match of the series for the International cup this afternoon at 4 o'clock at the Meadow Brook Club.

Intermittent showers were predicted by the weather bureau tonight, but officials of the United States Polo Association said that nothing but a down-pour would prevent the game, already postponed three times by rain.

The second contest is slated for Tuesday of next week and the third tentatively scheduled for Saturday, but the association announced that the final game might be moved up to Thursday to permit play in the open championship to begin on Saturday.

Frequent postponements have work-

ONTARIO WOMAN REGAINS HEALTH

Wants Other Women to Know About Lydia E. Pinkham's Vegetable Compound

Mount Forest, Ont.—"Before I took Lydia E. Pinkham's Compound I felt weak and miserable. I had pains all through me. I was living in Ailsa Craig at the time, and one day a friend came in and told me her experience of using the Vegetable Compound and advised me to take a bottle which I finally did. I began to get stronger and those pains left me. I am glad I found out about this medicine as I think there is none equal to it for women who have troubles of this kind. I cannot praise the Vegetable Compound too highly for the good it has done me. Whenever I know of a woman suffering, I am glad to tell her of it."—Mrs. Wm. RIBBOLD, R. R. No. 1, Mount Forest, Ontario.

Women throughout the Dominion are finding health in Lydia E. Pinkham's Vegetable Compound.

No harmful drugs are used in its preparation—just roots and herbs—and it can be taken in safety even by a nursing mother. For sale by all druggists.

An Exceptional Opportunity For Sound Investment

The location of the Acadia Apartments—on Sherbrooke Street, directly opposite the Ritz-Carlton Hotel—is one of the finest sites in Montreal for a high-class residential building.

A conservative commercial valuation of the land, building and equipment is \$1,350,000. These properties constitute the security for the issue of \$550,000 First (Closed) Mortgage Bonds which we are now offering.

Demand for housing accommodation of this type in Montreal is constant and increasing—as is shown by the record of existing apartment buildings in the same locality.

Estimated net earnings of the Acadia Apartments exceed First Mortgage Bond interest requirements by more than 100%.

We offer these bonds with our recommendation as a sound investment, at 9 1/2% and accrued interest, to yield 4.65%.

You will find of interest the descriptive circular which we have issued regarding this security. Write our nearest office for a copy.

SPORTS NEWS GLEANED FROM WORLD'S CENTRES

DODGERS IDLE BUT GAIN ON GIANTS

Only One Game Played in the American League Yesterday.

New York, Sept. 13.—(By the Associated Press)—The Brooklyn Dodgers picked up ground yesterday by remaining idle while the Giants lost a 5 to 1 decision to the ambitious Cardinals. The Pirates, who have been tugging frantically at the portals of fame, won a 5 to 4 decision over the Braves, while Chicago defeated the Phillies, 4 to 1. Aside from these three exhibitions things were quiet in John Heydler's three-ring circus yesterday. But they were even quieter in Ben Johnson's traveling brigade of baseball performers. The Senators and the Yankees, flying headlong into the final stages of the season, headed due west to open up a flock of crucial series to-day against Chicago, St. Louis and Detroit. The Yanks make a three-day stand in Chicago while the Senators will wrestle for honors against the Detroit Tigers. This series means much to the Tigers and their pennant ambitions will be all wrapped up in this short series with Satchel Harris' pennant-bitten regiment of cowboys. But one game was played on the records in the American League yesterday, and that was to St. Louis, 5 to 0, with Cleveland on the losing end. The eastern teams today all open up their final invasions of the west.

AMHERST OFFERS USE OF GROUNDS

Invites Westville and Springhill to Play Deciding Game There.

Amherst, N. S., Sept. 13.—D. Webster Fraser, president of the Amherst Amateur Athletic Association, today extended an official invitation to Westville and Springhill to play the fifth game of the Nova Scotia baseball championships, if necessary, in Amherst. The question of neutral ground for the fifth game, providing it is needed, was also referred to Normal Ralston, president of the Nova Scotia Amateur Baseball Association. Possessing one of the largest ball parks in the Maritime Provinces the A. A. A. have stated their intention of putting the grounds in billiard table shape if a deciding game for the provincial title is necessary.

WALKER CUP MAY STAY IN STATES

British Golf Aces Defeated by Veteran American Title Holders.

Garden City, N. Y., Sept. 13.—The chances of the Walker Cup, emblematic of international team supremacy in amateur golf, remaining in the United States for another year were bright yesterday at the conclusion of the four foursome inaugurating competition. The Americans won three of the 36-hole matches. Eight singles today will conclude the competition and if the British win five of them the score will be a six to six tie with a consequent failure for the third of Britain's effort to win the trophy. The American winners were led by veteran American title holders, a pair of golfers known generally in the United States, Michael Scott and Robert Scott, Jr., defeated the redoubtable Bobby Jones of Atlanta, former open champion, who had W. C. Fownes, Jr., of Pittsburgh, veteran former champion, as his partner. The Boston team of Francis Oulmet and Jesse Guilford took the measure of British Captain Cyril Talley with Major Robert C. Heald his partner, two and one. Max Marston of Philadelphia, present amateur champion, and Robert A. Gardner of Chicago, a former champion, defeated E. F. Storey and W. A. Murray, three and one. Jesse Sweetser of New York, former amateur champion, and Harrison Johnston of St. Paul, western amateur title holder, defeated T. T. Torrance and O. C. Brewer, four and three. Chick Evans of Chicago is slated to play today.

SOCCER GAME TODAY

The R. C. N. V. R. and St. Andrew's will play off their postponed game on the Barrack Green this afternoon. The kick-off is at 3 o'clock. The St. Andrew's team will be chosen from the following players: Aylott, Murphy, McIntyre, Hughes, Smith, Simpson, James, J. Hughes, Livingstone, Sharpe, Keir, Benton and Laird. The Navy men will use Mantle, Chattoo, Richmond, Montgomery, J. Glass, Burnett, Phillips, Fenton, Thompson, Penrice and Hunter.

DAVIS CUP RESULTS

German town Cricket Club, Philadelphia, Sept. 12.—The Davis Cup, emblem of International Lawn Tennis team championship remains in the United States for another year. This was ascertained today when Wm. T. Tilden, 2nd, of Philadelphia, and Wm. H. Johnston, of California, the American team, won from Gerald Patterson and Pat O'Hara Wood, of Australia, in three out of four sets. The scores were: 5-7, 6-3, 6-4 and 6-1.

GIBBONS AND TUNNEY

New York, Sept. 12.—Tom Gibbons and Tom Tunney for the latter's light heavyweight title at Boyle's Thirty Acres before the close of the outdoor season, if Tex Rickard goes through with the plans he has under consideration. The promoter has obtained the consent of Eddie Kane, Gibbons' manager, to box any suitable opponent but has not yet reached a definite understanding with Tunney's manager. A date around the middle of October is being considered.

WHITE STAR DOMINION LINE

PORTLANDS MEET HILLSBORO TODAY

Title Game in East End Grounds to Start at 3 O'clock.

The championship between the Portland, City League winners, and Hillsboro in the first of the final for the provincial amateur baseball crown commences this afternoon on the East End grounds at 3 o'clock, it was announced today. Ira Hannah will twist for the Portlanders, with Eddie Cox behind the plate. Eight and Condon will form the battery for the visiting team, which recently defeated the fast Chatham outfit.

Considerable interest has been aroused over this game, and the fans are anxious to find out what kind of a battle the victors will give the Portlanders, who are favored to win the title this year. Last year, Chatham defeated Briggs, a fast ball pitcher, against St. Rose's, but the Saints took kindly to speed. It is understood Blight has plenty of speed. If he has nothing else on the ball, the Portlanders should have no difficulty in pulling through to a win. The infield also must be well up to standard, otherwise Gorman is going to make life miserable for them.

INTERSCHOLASTIC LEAGUE MEETING

High School Football Teams to Meet Here September 20.

Announcement has been made in Fredericton by E. D. Cass, F. H. S. coach, and N. B. Interscholastic League secretary, that the annual meeting of the league officials would probably take place in St. John on Saturday, Sept. 20. The season's schedule will be drawn up and routine business transacted, considerations necessitated by the Marconi engineer, who has been appointed to inspect and rig receiving stations. A date around the middle of October is being considered.

MARCONI PHONE

WHEN you buy a Marconi Receiver you know, positively, in advance, that it is going to give you the pleasure you anticipate. In each instrument is a "Certificate of Test," bearing the same serial number as the Receiver. It is signed by the Marconi engineer, who has submitted your Marconiphone to a most critical mechanical inspection and rigid receiving test. Over his signature he lists the distant stations heard on a specified date. You cannot be disappointed with a Marconiphone. Send for descriptive booklet. NUXATED IRON

Helps make rich, red blood and revitalizes weak nerves. WEAK NERVES AND THIN BLOOD. RUIN HEALTH OF THOUSANDS WITHOUT THEIR EVER SUSPECTING THE REAL CAUSE OF THEIR TROUBLE—IRON STARVATION.

An enormous number of people who ought to be strong, vigorous and in the prime of life are constantly complaining of weak nerves, headaches, pains across the back, disturbed digestion, shortness of breath, palpitation of the heart, a general "run-down" condition, melancholy, bad memory, etc., all as a result of iron starvation of the blood. There are 80,000,000,000,000 red blood corpuscles in your blood and each one must have iron. Without iron your blood also loses its power to change food into living cells and tissue, and nothing you eat does you the proper amount of good—iron do not get the full strength out of it and as a consequence you become greatly weakened both in body and mind. If you are not strong or well you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-train tablets of Nuxated Iron three times per day after meals for two weeks. Then test your strength again and see how much you have gained. Over 4,000,000 people annually are using Nuxated Iron. It will not injure the teeth nor disturb the stomach, because it is organic iron like the iron in your blood and like the iron in spinach, lentils, and apples and not metallic iron which people usually take. Your money will be refunded by the manufacturer if you do not obtain satisfactory results. Beware of substitutes. Look for the word "Nuxated" on every package and on every tablet. 80¢.

TO DECIDE TITLE IN TODAY'S GAME

Canucks and Nationals Will Battle for Intermediate Championship.

This afternoon on the North End ground, the final game for the intermediate title will be played between the Fairview Canucks and the Nationals. Either Nelson or Burgess will start in the box for the Canucks with Snodgrass on the receiving end. Armstrong will officiate in the mound for the Nationals with Wittren behind the bat. Both teams have been practicing hard since last Saturday's game and a good brand of ball will be handed out to the spectators. The game will commence at 2:45 o'clock and a large crowd is expected.

The Halifax Chronicle says: "Fifteen years of intensive study rather than an athletic career, which, if his performance to date are to be considered, promised for him a future of prominence in the athletic world, is the obligation this youthful star has taken upon himself. From himself nothing was learned of his future intentions, but his team mates were not so reluctant, and the decision of a young athlete was learned with mixed feelings of admiration and regret. FREDERICTON RACES

The Fredericton Exhibition, Ltd., with its usual enterprise has arranged for races between thoroughbred running horses, and four stables of these horses are already on the ground. In addition to entries received from the owner of John R. Braden, 2028-4; Jackson Grattan, 2011-1/2; Roy Grattan, 2011-1/2, and Dan Hedgewood, 2044-1/2, further entries have been received from Symbol S. Forrest, 2011-1/2—the only horse this year that has conquered Kate Hal, 2011-1/2—also Palfrey, 2061-1/2, the sensational Canadian bred grey pacing gelding, which has had such wonderful success on the Grand Circuit and in New England. This will certainly be some race. There will also be eight other trotting and pacing races and four running races. The running races will be six furlongs, seven furlongs, one mile and one and an eighth miles. The running races will take place on Sept. 16 and 18, and

Double Opportunity to Help Save Lives of Babies and  
Hear Noted Lecturer.

Four o'clock tomorrow afternoon is the hour, The Imperial auditorium  
is the place—the speaker Edward Lee Hawk, The subject is The Child.  
The purpose is not only to give a brilliant speaker a hearing on a vital  
subject but to swell the Free Milk Fund for babies who otherwise would  
go without proper nourishment and either enter upon life handicapped by  
under-nourishment or die because of it.

Every father, every mother, every citizen who believes human life is  
worth saving and making strong for the world's work is interested in the  
subject: "How to Know What Your Child Should Be." Mr. Hawk has  
made a deep impression by addresses he has already delivered in this city,  
and what he will say tomorrow will appeal to every heart.

Do not fail to hear him. He speaks under the auspices of the  
Council of Women, and The Times-Star fund, as Mr. Golding has  
given free use of the Imperial and Mr. Hawk makes no charge whatever,  
the total collection which will be taken by a group of young ladies will go  
to the Free Milk Fund.

People who do not feel that they could give a large subscription will  
be able at this meeting to give a contribution and so help to Save the  
Babies. This is the sole purpose of the work now carried on here at the  
Council of Women to the limit of the funds available. Hear a very  
able speaker tomorrow afternoon on the subject of the child in our midst,  
and help to save the little ones.

**PLAYERS WE KNOW  
NOW IN NEW YORK**

Theatrical Favorites in St.  
John are Filling Engage-  
ments There.

St. John theatre-goers will be inter-  
ested in the fact that the two leading  
players of the first St. John company  
of the F. James Carroll Players are now  
filling engagements in New York—not  
on Broadway, it is true, but within a  
stone's throw of that street of theatres.

Miss Lillian Foster, who was the  
leading lady of the Carroll Players in  
1922, opened this week in the Belmont  
Theatre in 47th street, in a new show  
called "Conscience." Leslie Adams,  
who shared the first roles with Miss  
Foster that season, has been playing for  
the last three weeks in Miller's Theatre  
in 48th street in another new produc-  
tion, "The Haunted House."

Miss Frances Woodbury, who was  
Mr. Carroll's leading lady at Halls  
last season, is another who in the near  
future will be filling a New York en-  
gagement. On Sept. 29 she is due to  
open with Margaret Lawrence in a  
New York production.

On Monday of next week Mr. Carroll  
will open his first season on the 8th  
avenue Theatre, Brooklyn, with a com-  
pany in which no less than six of the  
people who were in St. John last season  
will participate. They are Miss Edna  
Freston, James Coats, Miss Myra  
Marsh, Miss Virginia Odeon, all tak-  
ing part in the cast; John Gordon, who  
will direct the company, and R. C. Ben-  
jamin, who will look after the scenic  
end of the engagement. The players  
will open with "Dolly with a Hat,"  
which was one of the bills played here  
last year.

Mr. Carroll, who has been in the city  
for the opening of St. John season,  
is due to leave for Brooklyn this evening  
to be present when his company  
make their bow on Monday night.

**MARRIED IN ROXBURY.**

A wedding of interest to St. John  
friends was solemnized in St. Patrick's  
church, Roxbury, Mass., on Sept. 8,  
when Rev. J. T. Donovan, C. S. R.,  
who was celebrant at nuptial mass,  
united in marriage Miss Christina L.  
O'Neill, daughter of Mrs. Catherine and  
the late James J. O'Neill of this city,  
and William A. McNulty, son of Wil-  
liam McNulty of Roxbury. The bride,  
who was given away by her mother,  
wore a becoming traveling suit of sand  
and a dress of cinnamon velour with fox  
fur and hat to harmonize. The groom  
was supported by his brother, John  
McNulty. Following the ceremony  
breakfast was served at the Quincey  
House, after which Mr. and Mrs. Mc-  
Nulty left on a honeymoon to New  
York and Atlantic City. On their re-  
turn they will reside in Roxbury. They  
were the recipients of a large number  
of magnificent presents.

**As Hiram Sees It**

"Hiram," said The  
Times reporter to  
Mr. Hiram Hornbeam,  
"there could never be  
a question of my alle-  
giance to Mrs. Horn-  
beam's pumpkin pie.  
If ever it had been  
possible to waver for  
a moment it would  
have been in the C.  
McAdam the other day.  
She was low  
voiced, demurely at-  
tentive, graceful in  
movement—what I  
mean to say is that  
the pumpkin pie was  
real pie. It was not  
a thin slab or a slice,  
but the deep kind that  
satisfies. At first I thought Jim Wood,  
man must have heard I was on my  
way and ordered out the pie—but  
soon discovered that it was just her  
natural sweetness and charm—what  
I mean to say is that the pie was de-  
signed to meet the needs of an open  
countenance."  
"I see what you mean," said Hiram.  
"You got that there gal an' the pie  
all mixed up an' you can't get 'em  
apart. Wait till I tell Hanner."  
"You wouldn't think of repeating  
our conversation to her—would you?"  
anxiously enquired the reporter. "I  
wouldn't, I'll be bound."  
"I'll tell her," said Hiram, "that  
when you see a hunk o' pie you  
thought o' her an' cried."  
"That would be better," said the  
reporter. "Yes—with that amend-  
ment I think you may tell her the  
story. Her sweet."  
"Mrs. Hornbeam," said the reporter  
unblushingly.  
"You're another," said Hiram. "I  
guess you better quit gallivant-  
ing round the country—it goes to your  
head."

**GASOLINE CHEAPER.**  
A drop of two cents a gallon in the  
price of gasoline was announced this  
morning by the Imperial Oil Company  
making the price 27 1/2 cents a gallon  
wholesale and 31 cents retail.

**BASEBALL GAME.**  
The St. Rose's defeated the All Stars  
this morning on the St. Peter's diamond  
by the score of 4 to 2. The batteries  
were: For the winners, McFarlane and  
Scott; for the losers, Cochrane and  
Boyer.

**ENGAGEMENT.**  
Mrs. B. G. Northrup of Apohaqui,  
N. B., has announced the engage-  
ment of her daughter Gladys  
Wantula, to George P. Worcester, of  
Springfield, Mass. Marriage to take  
place in the near future.

**THE LATH MARKET.**  
Reports from the New York lumber  
market state that construction of all  
kinds is falling off, and consequently  
the demand for laths is decreasing in  
proportion. The Sussex Record re-  
ports that the lath market is weak, and  
they are selling in cargo lots for \$7.50 and  
car lot lots at \$8.00.

**POTATO SHIP ARRIVES.**  
A steamer to take the first shipment of  
the 1924 crop of potatoes from this  
port this season arrived this morning  
from Portland, Me., and docked at No.  
14, Sand Point. This steamer is the  
first one of a weekly service which  
the St. John Steamship Co. expects to  
operate this fall and winter from this  
port in addition to the potatoes, the vessel  
will carry general cargo.

**PRESENTATION.**  
Mrs. H. P. Fuller was pleasantly  
surprised this evening when a number  
of her friends called on her in honor  
of her birthday, and, on behalf of the  
gathering, B. Everett presented to her  
a beautiful china tea set, also a hand-  
some beaded necklace. The evening  
was pleasantly spent in games and  
music, after which refreshments were  
served.

**DEATH OF CHILD.**  
The death of Marion Ordway  
Nesbit, infant daughter of Mr. and  
Mrs. Harry Nesbit of Church avenue,  
East St. John, occurred yesterday.  
The little one was three months and  
three weeks old. Her parents, two  
brothers, Kenneth and Everett, survive.  
The funeral will be this afternoon at  
2:30, from her late residence, to the  
Methodist cemetery.

**THE FARMERS AND MILK.**  
Some of the milk dealers in St. John  
that agreed at a meeting of the dealers  
of that city and the Kings Co. milk  
producers held recently, to fix the price  
of milk, shipped into St. John from  
Kings county, at 7 cents a quart  
at the point of delivery, now want  
the terms changed to read St. John.  
The farmers will not make any change  
in the present price, the Sussex Record  
says, and the dealers will be compelled  
to stick to their agreement, otherwise  
the milk supply will stop.

**BOYS IN COURT.**  
Several boys were summoned to the  
police court this morning to answer  
various charges. Two were reported  
for destroying ornamental trees, the  
property of Mrs. Helen Miller in  
Douglas avenue. Four were reported  
for being members of a disorderly  
crowd, and six were reported for mis-  
demaneors in the C. P. R. yard in  
West St. John. None of these cases  
help The Times-Star Milk Fund by  
press.

**THE BRIDE TO BE.**  
Friends of Miss Marion Patterson,  
who is to be married next Wednesday  
afternoon, met at her home on Thurs-  
day evening and surprised her with a  
novelty shower. Mysterious looking  
parcels were hidden about the room,  
and when brought to view by long  
ribbon streamers, disclosed many beau-  
tiful gifts for the bride-to-be. Bride  
was played during the evening and  
refreshments were served by the hos-  
tesses, Miss Margaret Gilmour and  
Miss Esther Weirford.

**WILL GO TO KENTVILLE.**  
Four delegates from the St. John  
Board of Trade have already signed  
their intention of attending the  
annual meeting of the Maritime  
Board of Trade at Kentville, N. S.,  
next week and it is expected that at  
least four others will go. Those who  
have already decided to go are G. E.  
Barbour, president; R. A. Armstrong,  
secretary; and M. E. Agar and A. H.  
Wetmore. The delegates will leave  
on Tuesday morning, on the steamer  
Empress and will arrive at Kent-  
ville shortly after one o'clock.

**GET READY FOR  
HUNTING SEASON**

Sportsmen Preparing for the  
Woods—What Game  
Laws Provide.

Now that summer sports are drawing  
to a close, hunters are looking forward  
with keen anticipation to the shooting  
season. As a result many a rifle has  
been taken out of its case, shotguns  
have been unslung from their racks  
and old shoe packs have been dug out  
of chests and closets in readiness for  
the day when their owners will pack up  
and start off in quest of moose or deer,  
birds about their ears, and a chance  
for a chance to bring down some ducks  
or geese. The exhilaration and satisfac-  
tion which is a part of this sport can  
only be fully appreciated by those who  
have tramped through the woods,  
caught a glimpse of the king of the  
New Brunswick forests and got a head  
on a big bull as he was nibbling at  
strawberry or with his head hung up  
in the air trying to get a moment's  
rest—a suspicion that the dead enemy-  
man—was approaching.

**Record Season Looked For.**

Outfitters and guides in conversa-  
tion with a reporter from The Times-  
Star say that from all indications this  
season will create a new record so far  
as the number of hunters going into  
the woods is concerned. They say that  
great enthusiasm is being displayed by  
sportsmen here as well as throughout  
the province and in addition many  
lovers of big game hunting from the  
U. S. have written asking for particu-  
lars as to supplies and informa-  
tion about camps.

The passenger department of the  
C. N. R. in Montreal in a circular  
says that parties of sportsmen, ranging  
from 10 to 25 in number, have made  
reservations for hunting trips in On-  
tario, Quebec and New Brunswick,  
these parties originating in Pittsburgh,  
Detroit, Buffalo, Boston and New  
York.

In view of the fact that the shooting  
season opens for some birds on Septem-  
ber 15 and that for moose on October  
1, the following official summary of the  
game law should prove interesting as  
well as a guide to hunters.

**IN THE MARKET**

A good supply of all the necessities  
for pickling and preserving was avail-  
able for the housekeeper this morning  
in the country market, with the excep-  
tion of peaches, which were scarce.  
Strawberries were to be had at 25 to  
35 cents a box, blueberries 10 to 12  
cents a quart, and cranberries 15 cents  
a quart.  
Eggs and butter were higher in price  
and the quantity on sale was not large.  
The former sold at 50 cents a dozen  
for strictly fresh and the latter at 40  
to 45 cents a pound. Meats were about  
the same price as last week, lamb sell-  
ing at 20 to 20 cents, pork 20 to 20  
cents, veal 14 to 20 cents, and beef 12  
to 30 cents a pound. Chickens sold for  
45 to 50 cents and fowl for 35 to 40  
cents.  
It was said that this was about the  
best time for the housewife to secure  
her plums, the price today being \$1 a  
basket.  
**MARTIN IS SUSPENDED.**  
In a bulletin issued this morning by  
A. W. Covey, president of the M. P.  
B. A. U. of C. this morning, E. Ed-  
ward Martin, holding card C. 754, is  
indefinitely suspended for playing with  
and against professionals on the East  
End grounds on Saturday, Sept. 6.  
The bulletin is signed by W. C. Mc-  
Quade, secretary, also. Martin de-  
clares he did not receive any money  
and filled in only when some of the  
players on the Portland Oxford failed  
to show up for a scheduled game  
against the War Veterans. Under the  
amateur rules, however, playing with  
professionals is sufficient grounds for  
suspension and under the circumstances  
this was the only course for the am-  
ateur officials to follow. Martin played  
amateur ball this summer with the  
St. John Bayliss team.
