Issues of Bonds

The parish of Lancaster was given authority to issue bonds for a sewer in a street running from Duke to Prince streets, West Saint John, when this street had been deeded over to the municipality by the owner.

Bonds amounting to \$68,000 for sewerage in Simonds and \$9,000 for fire alarm system in Lancaster were ordered issued. The Simonds bonds will be for 20 years and the Lancaster bonds will be serials, of which \$1,000 will be paid off each year. Both issues will bear 5 per cent. Interest.

AGED MAN SAVES BOY.

Captain David Gallagher, an 70-year-old tugboat captain, figured in the role of hero yesterday afternoon when he saved a four-year-old boy from drowning at the Indiantown slip. Hearing a splash, he found a young boy struggling in the water. He reached over and pulled him out in quick time. Captain Gallagher resides in Bridge street.

If you are a victim of Stomach Troubles—Gas, Sourness, Pain or Bloating—you may have quick and certain relief by following this simple advice.

Don't take strong medicines, artificial digestants or pull down your system by following unnecessary starvation diets. Never hurry your meal or over-eat of anything, but within reason most folks may eat what they like—if they will keep their stomach sweet, clean and active and free from the souring acids that hinder or paralyze the work of digestion.

And the best and easiest way to do this is to follow every meal with a small amount of pure Bisurated Magnesia—a pleasant, harmless and inexpensive form of Magnesia that promptly neutralizes acidity and keeps your stomach which may be obtained from any drugglist for only a few cents, will easily convince you of the great value of this old English recipe.

Be sure and get BISURATED Magnesia—not a laxative.

Canadian Press Despatch.

LINDHURST, Eng., May 12.—Sir
Stephen Leech, who for 32 years was a member of the British diplomatic service, was found dead in bed at his home this morning.

CRIME FIGHT URGED

World-wide Co-operation is

Sir Stephen Leech was born in 1864, educated at Eton and Magadelene Col-lege, Oxford, and entered the British diplomatic service as attache in 1888, serving successively at Berlin, Brussels, Constantinople, Lisbon, Rome, Copenhagen, Christiana, Peking and in Central America. He retired from the service in 1920.

Plan Work at Once

Memorial will begin this week, and possibly tomorrow, it was said this morning by a member of the committee. The firm of Meating & Epps, St. George, who have the contract, were communicated with this morning and informed of the decision of the committee. Work on the erection of the Soldiers' informed of the decision of the committee to erect the monument to the north of the centre walk in King Square, and said they would make a start on the foundation at once.

It will probably be three weeks before the monument is ready for un-veiling, as a concrete foundation will have to be put down.

PREVENTION

In an analysis of the data obtained, Dr. Robert M. Woodbury, former director of statistical research for the bureau, said it emphasized that efforts to reduce the infant mortality rate must be directed equally to prevention of specific infectious diseases, to proper feeding for reduction of gastric and intestinal diseases, and to counter-action of pre-natal and natal cases.

The latter causes, with the mother's health a controlling factor, were said to have accounted for 36.1 per cent. of the deaths in the cases studied, with gasatric and intestinal diseases causing 32.4 per cent.; respiratory diseases, 19.6 per cent.; and epidemic and other communicable diseases 7.1 per cent. Seasonal conditions were shown to have caused a variation in the rates from the differ with the death of the cases with August showing the limit of the Cases one son and three daughters. Neuralgia—Sciatica—Rheumatism

NEURITIS is inflammation of a nerve. The pain is burning and tearing, not darting as in neuralgia, and is increased by movement.

There may be swelling and sensitiveness to touch, and sometimes redness of the skin.

Your experience will tell you that neuritis, like neuralgia and sciatica, only bothers you when your nervous system gets run down gets run down.

Restore energy and vigor to the nerves and you remove the cause of these torturing ailments.

The nerves must be nourished back to health and vigor by

the use of such restorative treatment as Dr. Chase's Nerve

"I was a sufferer from neuritis for several years, and tried all kinds of remedies, yet never seemed to get any better. At last my nerves and whole system seemed to give way, through not being able to get any rest or sleep at nights for pain which mostly used to take me in all parts of the limbs and feet. Almost at the point of despair, I began using Dr. Chase's Nerve Food, and I feel it my duty to tell you of the benefit I derived. I am more than proud to say that after taking over twenty boxes I believe myself almost normal again, and for the past year I seem to enjoy my usual health." "I was a sufferer from neuritis

Mr. John Woodward, Lucan, Ontario, writes:— Mrs. Wm. Mapletoft, Mount Forest, Ont., writes:— "For about three years I suffered from neuritis in my right side. I had pains through my back and twitching of the nerves and muscles. I had also been operated on for appendicitis, and it left me a nervous wreck. I was very restless and uneasy, and bothered with frequent neuralgic headaches. My appetite was poor and I sometimes took weak spells. I commenced a treatment of Dr. Chase's Nerve Food and in a very short time I found relief. This medicine has done me the world of good and I can recommend it to all suffering as I was."

NEW YORK, May 13—Oli and Gas Journal esimates domestic crude oil prodiction averaged 2,239.651 barrels daily last week, increase 63,200 daily.
Fisk Rubber earned \$10.47 share on first preferred, six months, against \$3.98 year before.
Market Street Railway, April surplus after tax, \$117,502, against \$117,227. Four months, \$383,106, against \$495,296.
Willys Overland directors take no action on paying \$80 accrued dividends on preferred.
MONTREAL, May 13—Textile made a new high yesterday. The statement will make its appearance next week and will refresh the memory of the street as to the fact that this is one of the strongest industrials in Canada, and one which can earn dividends even in very abnormal times. can earn dividends even in very abnormal times.
Howard Smith issues again were
prominent. If the company's business
has improved to the point where the
preferred dividend is assured, as is the
case, according to reports from good
sources, there would seem to be no reason for the stock remaining around recent low levels.

Brokers' Opinions NEW YORK, May 13—Hornblower:—
"The demand for stocks upon reactions and the scant supply under aggressive bidding appears to forecast an early advance into new high ground and this is the development we anticipate before Thursday's close."

Houseman & Co.: — "Renewal of strength in motor group naturally concentrates a large part of speculative attention, but we doubt the advisability of entering that group at the present time."

ists, accompanied by Mrs. Gunn, also assisted Mr. Currie. Mr. Parsons always interprets well, he feels what

he sings, and his enunciation was good in both numbers, 'The Vale' by Rus-sell and 'Abide With Me,' by Liddle. "Mrs. Blake Ferris, a gifted singer, with a brilliant dramatic soprano, was given the honor of singing Mr. Currie's song, 'God Keep You.' This was comsed for a relative of Mr. Currie's, a choir leader in Springfield, Mass., from where she broadcasted the song a year ago. In this very singable selection, the theme is so well developed in the accompaniment that it forms a beau-tiful harmonic background to the song, Mrs. Ferris also, sang 'My Redeemer and My Lord,' by Dudley Buck, one of America's pioneers in advanced mu-

sical work.

"Mrs. Gunn played two violin solos.

Her natural gifts and excellent training give her a high place among the artists of Saint John. CHILDREN NEED THE EXTRA HELP IN FATHER JOHN'S MEDICINE

It Gives Them The Strength to Throw Off Lingering, Wasting Diseases

A child's hody is like a stove in one respect. The stove must have a constant supply of fuel, to give out plenty of heat. The child must have a constant súpply of certain food elements, in an easily digested form, in order that in an easily digested form, in order that
the body may be well-nourished and
the strength and vigor kept up.
Colds, coughs, bronchitis fasten on
under-nourished children.
And these dangerously weakening
troubles hang on and on, as long as the
child does not get the kind of food
that is needed for strength.
But—when Father John's Medicine
is given to the role weak, run-down is given to the pale, weak, run-down children, they gain weight, gain color, gain the strength to throw off the

weakening, dangerous coughs.

Mrs. P. O'Brien certainly appreciates
the value of this old-fashioned family

remedy. Writing from No. 30 Donnacona Ave., Montreal, Mrs. O'Brien states: "I am greatly satisfied with the results of using Father John's Medicine. It rid my daughter, 13 years old, of an attack of Bronchitis. It was only after using other medicines without satisfaction that a friend recommended Father John's Medicine to me and now I recommend it to my

Feels So Different Now Montreal, Quebec.—"I am one of thousands who have used Lydia E. Pinkham's Vegetable Compound and I have great faith in it. I can safely say it has relieved me of my troubles and I shall never be without a bottle of it in my house. Since my last baby was born I suffered from pains and backache and would feel so tired I could not do anything in my home. Since I have been taking the Vegetable Compound and Lydia E. Pinkham's Blood Medicine I feel so different. I recommend it to all my friends and hope it will help other women who are suffering from the troubles I have had."—Mrs. Thos. H. Gardner, 821 Evelyn Street, Verdun, Montreal.

Weakness and Headaches

A great many letters similar to the following recommend Lydia E. Pinkham's Vegetable Compound as a wonderful medicine for bringing the new mother back to normal health and strength.

Montreal, Quebec. — "After my third child came I had some trouble and the doctor said I would never have any more children. A book was thrown in at my door telling about the good results of taking Lydia E. Pinkham's Vegetable Compound, so I started with it. I was just about dead when I began. I used to be so weak that I could do hardly anything. But I have kept on getting stronger and stronger, and I am glad to say it has done me a world of good. I recommend the Vegetable Compound to other women as I am sure it will do them as much good as it has done me."

Check Terrific Slugging Which Swept Over **Both Circuits**

NEW YORK, May 13-The wave of terrific hitting which swept over both major leagues from the start of the season has finally been dashed against rock-ribbed pitching. Much maligned boxmen finally banded together yesterday in the season's best exhibition of hurling to lull the loud hitting bats of the pennant contenders with no less then caren withing duels breaking the than seven pitching duels breaking the monotony of the long hitting carnival.

IT IS EXPECTED that before many days elapse the local professional teams will be ready to make definite announcements regarding the personnel of their line-ups, their playing schedule and plans for bringing outside teams here for exhibition games. Fans are eagerly awaiting this news for they are

beginning to get the fever.

HARTLEY WHEATON, who was known as the champion pin setter in the Maritime Provinces, is certainly making good in the Boston Suburban League. He only recently recovered from a serious accident, but was able to take his place in the line-up and help his team cop the championship. Hartley finished the season with an average of 101 3-61 and in addition won a purse of gold for the highest single string, 155. He also had a three string total of 383. His average was the highest for the season and he was awarded a beautiful silver cup. From this it will be seen that Hartley is certainly making a mark for himself. Prior to leaving here for the Hub he showed marked ability at toppling over the candles. He intends coming home for a month's vacation and will undoubtedly meet with some of the local stars in a series of matches. Archie Walsh, another Saint John boy, made a mark in candle pin competition. He is proprietor of several alleys in New England and is one of the leading bowlers in the world. He expects to come to Saint John next month.

VANKEE FANS are certainly anxious to see Babe Ruth back in the line-up. Since his illness the team has been flirting with Boston and Detroit for cellar honors. It would seem as if the morale of the team was shaken when their mighty home run

AN ANNOUNCEMENT made by Silas E. Rice that he is arranging a programme of races for May 24 has reawakened interest among turf enthusiasts throughout the city. Harness racing holds a fascination for many and they are eagerly awaiting the day when the drivers will send their fast steppers up under the wire and away over the mile course. David Hal is undoubtedly the pick of Rice & Scott's string now training at Moosepath Park, although Dr. Gano, the old warhorse, should make the best of them step pretty fast to beat him, if he is right. Big things are expected from Guy Spear, a green trotter by Guy Axworthy, although his ability to compete in fast competition will be questionable until he has been put to the test. He is acting well in his training and shows a good burst of speed. While it is regrettable that no big meets are to be staged here this year it is at least gratifying

plight who took Carter's with good results. I tried them and can honestly say that they freed me of nasty gas on stomach, so that I can now gas on stomach, so that I can now eat without getting bilious, and they improved my appetite fully 100%. You can rest assured that from now on I will boost Carter's Little Liver Pills whenever I can." For sale and recommended by all druggists.

Children are powerless to defend their heritage of loveliness. Neglect can rob them of their beauty. You wish to prevent the loss of all their charm, and the happiness that it will one day bring to them. You realize that it is the care bestowed upon them during their childhood that enables them to grow up into attractive men and women. You know the havoc that can be wrought upon their health and beauty in later life by the existence of decayed teeth.

Then safeguard their pearly white teeth now. Teach them to use Colgate's Ribbon Cream after each meal. For Colgate's is the ideal dental cream for children. It is delicious in flavour, gentle in action, and of course contains no grit, which would ruin little teeth. It is the safe dental cream for a lifetime.

PROCESSION TO CHURCH PLANNED

Lorneville to Organize L. O. B. A.—Mayor Is Among Speakers,

Arrangements for a church parade in observance of July 12 were made by the Orange lodges of the city at a meeting of representatives of the lodges last night.

The service will be held at St. David's MEETING PLANS.

MEETING PLANS.

The North End and West Side lodges will meet at the Simonds street hall and, accompanied by the Saint John County (West) Lodge and headed by the Carleton Cornet Band, will march from there. The city lodges, with the two Black Preceptories and the Scarlet Chapter, will meet at the Germain street hall and march from there by way of Germain and Union, to Dock street, where they will john with the North End contingent and march together to the church. The lodges meeting at Simonds street will be Nos. 1, 3, 24 and 27.

Boys Steal Boat and Travel; Adventure Ends in Court

Three young lads in search of adenture left their homes yesterday of their way across the river with venture left their homes yesterday morning but fell into bad ways and last night were arrested by local detectives on two theft charges. This morning they appeared in the police court accompanied by their mothers, who were reduced to tears at the plight of their children. All pleaded with Magistrate Henderson not to send them to the Boys' Industrial Home, but give them one more chance. On receiving the assurance from the boys and the parents that it would not happen again, His Honor said he would allow the charge to stand.

According to the police, the boys laded their way across the river with some sticks. Landing on the other side, they stole a pair of oars and then rowed up the river to Morna station, where they noticed a package. Opening it, they found some silverware and then tried to sell it. In the meantime, the police had been notified and followed their trail. They were found struggling to get a handcar on the rails to ride into the city. Fortunately for them they were caught by Detectives and Saunders as they might have been happen again, His Honor said he would allow the charge to stand.

BOYS IN COURT.

Four juveniles were before Magistrate were before Magistrate out this morning on a charge of throwing stones in Elliott row. The father of two of the boys said the lads probably were guilty, but he would undertake to see that, the practice was stopped. These two boys were allowed to go with a warning. The mother of the other two boys, however, insisted there must be a mistake about her boys, and the magistrate set the case over until Saturday morning.

The work of structural steel, masonry, and plastering is about completed. The work of lobby tiling is still to be done. The materials for interior wood finish are all in the building is insured for \$23,000 as called for by terms of contract, and the contractor is bonded with The Canada Accident Co. for 50 per cent. of the amount of contract.
