(Formerly Stubbs') PRINCE WILLIAM STREET.

OPPOSITE CUSTOM HOUSE, ST. JOHN. N. B.

T. F. RAYMOND, Proprietor. Dec. 22nd, 1874. " Wilbur House,"

Bathurst, Gloucester County, N. B. This House, which has been enlarged thoroughly repaired, repainted and re-nished, will be open to the public on Monday next, 12th June.

As regards situation, it is located in a very pleasant town, and being in close proximity to the Baie des Chaleurs, is one of the very best summer resorts for tourists and families who leave the heated cities to seek the invigorating air of the North. The County excels in beautiful scenery and excellent fishing rounds. The hotel is within easy reach of the Intercolonial Railway, and every effort COMMISSION MERCHANTS. the Intercolonial Railway, and every effor will be made by the Proprietor to secure the comfort and pleasure of all who may patronize the establishment, which will be conducted in the very best style.

The presence of out. I could not cure it and had to return Tarte's armed minions was calculated to excite the worst feelings of the English, and if they had been so minded would seen have.

"Remedy" and a box of "Pills," and before they had been so minded, would soon have despatched them. It is a well known fact that defore they were finished my foot was since first the people of this County exercised completely cured. It is now 17 months the right to vote there has never been a serisince, but have had no further attack.— Price of the Remedy in pint bottles \$1;

SPECIAL NOTICES.

exchanged those civilities which are so essential to the prosperity of a community.—

And who are to blame for this state of affairs? Most undoubtedly the Catholic Clergy whose professed mission is to promote peace and good will on earth. Alas! how have they prostituted their mission.

LISTLESSNESS, HEADACHE, FLATULENCY, &c. &c. These symptoms, so frequently forerunners of serious diseases, if neglected, too often terminate in apoplexy. When giddiness and dimness of sight comes on, Dr. Wilson's Family Anti-Bilious Pills should be taken to thoroughly cleanse the bowels. No medicine and the prosperity of a community. hey prostituted their mission.

The Tarte Police Brigade passed through bowels. No medicine equals those Pills for removing Biliousness, suppressing Nausea, the Protestant settlement on Sunday the 25th checking flatulency, and acting as mild, yet ult, on their return to Quebec, and as their effective aperients, they are suitable for campaign had been worse than useless thus

threatening to shoot a party who returned ly been restored to activity by a persevering use of this powerful rubefacient. A

Ignorance in Farming.

the unknown quantity-ignorance of should consider themselves under an JOHN L. SCOFIELD ing our produce. We often produce seller estimated that it would weigh placed in an industrial enough is soon made this way to put in and maintain a hay-scale, even in a small neighborhood. The same third is true in the same thing is true in the same the same than the same is the same the same the same is th thing is true in regard to live stock. Dealers can judge much more experience in weighing stock for others, I have found that the greater part fall short in weight from the estimate of the owner; some come very short. Not more than five per cent. exceed the estimates. Horses estimated at 1,100 pounds generally weigh about 1,000. Loads of hay called a ton quite often weigh only 1,200 or 1,500 pounds. Those who estimate the number of tons by the number of loads are often very much deceived, and in selling think they have been cheated, because the scales have been cheated, because the scales other preparations. failed to show as much as they ex-

Another unknown quantity is in trains. failure to know the number of acres, under cultivation. A farm which had been taken up when the country was new, and occupied by five successive generations of the same fami- To Robert Ferguson, of RICHIBUCTO, in ly, had a twenty-acre lot. On the death of the first member of the famideath of the first member of the family the farm was sold. The twenty-acre lot contained but fourteen acres by actual measurement. Here were five generations of heroic workers deceived in the amount of work actually done, all the while supposing that they were cultivating six acres more than there really was. If the yield came up to what the increased acreage should produce, it did not matter so much. But the probability is that they were so far from the SATURDAY, the 23rd day of truth in the yield as in the acreage. I once bought a tract of salt marsh, said to contain six acres. The sur- At twelve o'clock, noon, the Land and Presaid to contain six acres. The surveyor made less than four acres, much to the disgust of the seller, and the detriment of the reputation of persons who had gained a local notoriety for big days' works done thereon. Traditional "big days" often owe their existence the surveyor made less than four acres, mentioned and described in the said Indenture of Mortgage, as follows, viz:—All that certain Piece, Parcel and Lot of Land, stitutate, lying and being in the Parish of Weldford, in the County of Kent, and bounded as follows:—That is to say: Beginning at a marked hemlock tree standing on the southern bank or shore of Richibucto river, at the northwest angle of Lot number eighters that the said Indenture of Mortgage, as follows, viz:—All that certain Piece, Parcel and Lot of Land, stitute, lying and being in the Parish of Weldford, in the County of Kent, and bounded as follows:—That is to say: Beginning at a marked hemlock tree standing on the southern bank or shore of Richibucto river, at the morthwest angle of Lot number eighten. days" often owe their existence more to some errors in calculation than the amount of work really done.

There is uncertainty enough attending the business of farming, from unfavorable seasons and causes over unfavorable seasons, and causes over or shore; thence following the several control which we have no control, without of the same down stream to the place of the same down stream to the same down stream to the place of the same down stream to the place of the same down stream to the same down stream to the place of the same down stream to which we have no control, without being subjected to loss in those we can remedy. We suffer loss in buying and paying for things we do not get; by selling what we do not get pay for, and in many other ways in which the unknown quantity affects us unfavourably. We should endeavor, where it is in our power, to deavor, where it is in our power, to eliminate it from our business.—Cor. Country Gentleman.

pected. Weighing will remedy this.

The column for Minimum Thermometer shows the lowest temperature for every day.

The column for Minimum Thermometer shows the was saved. At one time the eaves caught, and all supposed it would be consumed, but it was saved by a young man (whose name I could not learn) who rushed up a ladder and dashed a bucket of water on the flames, extinguishing them. This young man (whose name I could not learn) who rushed up a ladder and dashed a bucket of water on the flames, extinguishing them. This young man (whose name I could not learn) who rushed up a ladder and dashed a bucket of water on the flames, extinguishing them. This young man (whose name I could not learn) who rushed up a ladder and dashed a bucket of water on the flames, extinguishing them. extinguishing them. This young man deserved special mention, and I am H. W. CHISHOLM, sorry I am not in possession of his One of the greatest drawbacks to name to give it to you. Mr. Record and the owners of the adjacent house

the exact condition of things, in everlasting obligation to him. I hope value, weight and measure, concernat a loss. An account with each A Boston boy was lately picked up at a loss. An account with each crop would decide the matter. If after a few trials it costs more to produce than a crop will sell for, its cultivation should be abandoned.

A Boston boy was startly pleased up in San Francisco, whose career had been quite adventurous. He had heard at school about the big trees of California, as the story is told, and one day went to the family treasury Many continue to produce from year and helped himself to \$170 in money many continue to produce from year to year at a loss simply from the want of a little calculation. The unknown quantity in weight and measure subjects us to great loss in buying and selling. A stack of hay came to my notice recently. The a ton and a half. The buyer preferred to buy by weight. It weighed 1,850 pounds, quite a difference in favor of the buyer. There is no doubt that a great deal of hay guardian. Last Friday the youthful changes hands every year on a basis traveller, without having seen any big GROCERIES and HARDWARE no nearer the truth than this. Loss trees, was placed on board a steamer

Truth for Dyspeptics. Dealers can judge much more accurately than farmers, and are much less liable to be cheated, farmers are much more liable to fail in which is a symbol to the same much more liable to fail in son's Tonic and SARSAPARILLIAN buying than in selling. If we pay too much in buying, it makes an appetite is sometimes too vigorous for the uphill business all the way through.
This is one great cause why many fail to make anything in feeding and handling stock. From considerable experience in weighing stock for of the remarks the stock for of the remarks too vigorous for the comfort and safety of the stomach, and indigestion is most prevalent and most distressing. The first thing now to be done is to restore the tone of the stomach. There is no remedy so effectual to accomplish this object as the ELIXIR. The Tonic powers of the remarks the stomach and indigestion is most prevalent and most distressing.
