Woman In Dir-

This Mook Had Antlers With A Spread Of 66 Inches But Lost The Tips.

His on Martinelle was in town lest week with the standard moose heads. One of the heads was a monster in standard an antler spread of exactly 63 inches but as a seldem the case with a moose antlers there was a sirinkage of soft an irch. Mr. Manderville told a reporter for the Advocate that the antlers were originally even bigger than 63 inches. Both points had been broken off before the moose was shot and he is confident that at one time the spread was sixty six inches.

Mr. Manderville believes that this was the largest head shot in New Brunswick thas geason, He disposed of it to Mr. Ernest Hutchinson for a good round sum.

It is the strong and service was missing. So with the case of the service was into town lest the strong and the service was into the largest head shot in New Brunswick thas geason, He disposed of it to Mr. Ernest Hutchinson for a good round sum.

of calico. A little farther up the street

and near the one tall spired white church Mrs. Mears, the village gossip.

may be sitting on the veranda of a small house almost hid by luxuriantly

growing Norway spruce and idly rocking while she chats with the Widow

STRANGER visiting Sandgate

In the Green mountains, on a

summer afternoon would in-

Thursday evening a prayer meet-

It was on these latter occasions that Deacon Oaks was in conspicuous evidence. The Widow Leach, a poor

I've kep' that hole ever since an' paid taxes on't to prove to myself jest how big a fool a man can be an' live.

"I've never wronged nobody nor done much prayin', an' when the Almighty calls me I think I'll stand jest as good a chance o' gittin' a harp as those whose done more on't. The worst skinnin' I ever got was done by this ere lawyer, who never sot down to meals 'thout askin' a blessin', an' meb be that's the reason I'm a scoffer. I've observed a good deal since I left the eld farm, an' have come to the belief that thar's a sucker born every minit and two ter ketch him. When I was young I took hold o' the big end o' the log an' did the liftin', but now I take hold o' the little end an' do the gruntin'. Thar's one thing I've larned, an' larned it for sartin, an' that is thar's few people in this world that cut a ham in the middle. Most on 'em cut few slices an' cut 'em thin." candomore for you in ten minutes, than two years study in deep breathing and chest development. The same rule ap-plies to Public Speakers, Readers, Ac-tors, Lawyers or anyone appearing in

Among the Southport islanders Uncle Terry was considered an odd stick, and yet one who would go out of his way to do a good turn to others. He was seldom seen at church, though his wife and Telly usually were. As he once remarked: "It's a good thing for 'em, 'cause it takes up thar mind an is more sociable, though prayin' allus seems to me a good deal like a man tryin' to lift himself by his boot straps. It keeps him busy, though, an' it's healthy exercise."

Thave used Dr. Agnew's Catarrhal Powder for Catarrhal deafness and chronic colds and have never laided to get immediate benefit, it is the best remedy it know of.

P. Adderwise Pills some all like 3. way to do a good turn to others. He healthy exercise."

In spite of his investment in a mine he had been frugal and owned most of the land between the village and with two other men, in a small trading schooner that made semimonthly trips between the Cape and Boston. She carried fish, clams, lobsters, hay and potatoes and fetched an "all sorts" cargo useful to the islanders, from a paper of needles to a hogshead of mo-

of Uncle Terry was his unfailing good humor, tinged with a mild sareasm.

He loved his fellow men and years.

The Widow Leach, a poor unfortunate woman who had seen better days and in whose poverty stricken life religion was the only consolated. Joyed puncturing their small conceits. but so droll was his way of doing it by Mandy, helped to fill out the serv-that no one felt the sting. To Bascom, ice. who kept the only store and also postoffice at the Cape and dearly loved to o' happiness in the next world," obhear himself talk, Uncle Terry once served Uncle Terry once, "for she ain't said: "You've got the greatest gift o' gittin' much in this. gab I ever heerd, Bascom, an' you "I can't hear On gab I ever heerd. Bascom, an' you "I can't hear Oaks, though, 'thout could 'a' made your fortin in the show thinkin' o' Deacon Rogers up in Wolbusiness. But if you're ever took with cott, who never mentioned the need o' rain till he'd got his hay in. He was a

Uncle Terry answered: "Your tak- lot o' eggs that had been sot on two in' the lead at meetin's is a blessin' to weeks, an' the store man I sold 'em to the rest, for none of 'em has to worry bout who's goin' to speak next. They o' the ungodly sufferin' for the sins o' the righteous that time, which may be know you're allus ready."

In this connection it must be stated a pervarsion o' Scripture, but the truth that the spiritual life of Southport was fust the same.

of a primitive description. The small "But I got "But I got a little comfort finally, for when the deacon died, by some inunpainted church at the Cape, above which hung a diminutive bell, was the only place of worship, and to this every other Sunday came a minutes foother. From Whom All Blessin's Flow,' an' I wa'n't the only one who felt that way other Sunday came a minister from the mainland. It was furnished with long either." wooden settees, and a small cottage organ graced the platform, upon which vored shafts of sarcasm he made no gan graced the platform, upon which an antique desk did duty as pulpit and emeries, and his kind heart and sternantique desk did duty as pulpit and emeries, and his kind heart and sternantique desk did duty as pulpit and emeries, and his kind heart and sternantique desk did duty as pulpit and emeries, and his kind heart and sternantique desk did duty as pulpit and emeries, and his kind heart and sternantique desk did duty as pulpit and emeries, and his kind heart and sternantique desk did duty as pulpit and emeries, and his kind heart and sternantique desk did duty as pulpit and emeries, and his kind heart and sternantique desk did duty as pulpit and emeries, and his kind heart and sternantique desk did duty as pulpit and emeries, and his kind heart and sternantique desk did duty as pulpit and emeries, and his kind heart and sternantique desk did duty as pulpit and emeries, and his kind heart and sternantique desk did duty as pulpit and emeries, and his kind heart and sternantique desk did duty as pulpit and emeries, and his kind heart and sternantique desk did duty as pulpit and emeries, and his kind heart and sternantique desk did duty as pulpit and emeries, and his kind heart and sternantique desk did duty as pulpit and emeries, and his kind heart and sternantique desk did duty as pulpit and emeries, and his kind heart and sternantique desk did duty as pulpit and emeries, and his kind heart and sternantique desk did duty as pulpit and emeries, and his kind heart and sternantique desk did duty as pulpit and emeries, and his kind heart and sternantique desk did duty as pulpit and emeries, and his kind heart and sternantique desk did duty as pulpit and emeries, and his kind heart and sternantique desk did duty as pulpit and emeries, and his kind heart and sternantique desk did duty as pulpit and emeries, and his kind heart and sternantique desk did duty as pulpit and emeries are desk did duty as pulpit and desk did duty as pulpi wall bracket lamps lighted this room near. Mandy Oaks, tributed his share when that edifice presided at the organ and turned gos-pel hymns into wheezy and rather long given. drawn out melodies. Most of the audi

#### ARE YOUR KIDNEYS SICK?

Let your morning urine stand for 24 hours of a glass or vessel, and then if it is milky or cloudy, or contains a reddish brick-dust sediment, or if particles or germs float about in it, your kidneys are diseased. If the kidneys are well they filter just so much blood, but it they are sick or weak from any cause they leave the poison in the blo d and this poison affects the entire

It is natural to pass urine three times a day, but many who regard themselves as beat by are obliged to pass water six to ten times daily and are obliged to get up frequently during the night. They have sick kidneys and bladder and dad't know it. Smith's Buchu Lithia Pills cure Rheumatism and all Kidney and Bladder diseases, and make new rich blood.

we will send you a generous sample post paid Free, together with our large book on the above mentioned diseases, Address, W. F. Smith Co., 185 St. James Street, Montreal, Canada.

Master Fred Mil's, the twelve year old on of Mr. and Mrs. Arthur Mills, of Bonner, Montana, made many friends here durng his annual visits to his grandmother Mrs S. McLood and they will learn with regret of his death which occurred at hi parents home on Dec 12th.

The many North Shore readers of the Boston Pilot will learn with mingled feelings editor, Mr. James Jeffrey Roche, has onsul at Genoa, Italy. This appointment is regarded as one of the test Mr. Roosevelt has made in the consular service.

Capt. T. W. Lawlor received last week rom the Medals Claim Board, Ottawa, two olonial auxilary forces long service medals to be presented to ex Sgt. Major twenty years continuous service in the 12th Field Battery.

terday from his son Fred, under whose on the face of the tunnel, all of which looks rich.-Gleaner.

The Campbellton Events is of the opinion Keyes has been in consultation with Mr. that its town will have direct telephone Crombie, manager of the Bank of Montreal connection with St. John within a reasonably at Chatham, and Mr. Lawlor and Mr And short time. It says —The fact that the erson, also of Chatham, on matters in con- project is now under consideration is a nection with the purchase of the pulp mills sufficient guarantee of the early establish made to the provincial government for a doubtless he constructed along the line of charter which will be dealt with by the the I. C. R. from Newcastle to Bathurst premier and his colleagues very soon. Mr. and thence slong the road leading to Petit Keyes will probably return here next week. Rocher, Belledune, Jacquet River, Nash's He has not decided whether the output of Creek, Black Point, New Mills, Charlo, manufacture of paper at his Pepperell mills, Campbellton. We are inclined to think or whether a paper mill will be that the maintenance of a long distance established at Chathan. A meeting telephone service which would tap the that such a service will be established at an A new engine, or rather a second band early date. It is a matter which our newly me newly repaired in first class working organized board of trade might profitably

> "MALTESE CROSS" Why not make a CHEISTMAS PRESENT of a nice pair of OVEFSHOES, RUBBERS or RUBBER the GOOD KIND. "MALTESE CROSS"

Dr Cates Dentist will visit his Newcastle from the Tracadic Lumber Company's mills duced race of 20 PER CENT DISCOUNT has impressed the public of the fact that will be allowed one ARTIFICIAL TOOTH
