passed a very successful examination before the examiners of the New Brunawick Phar- maceutical Society, and has been awarded the diploms. <u>The University.</u> The senior class at the university will finish the examinations on Tuesday, and the result will probably be made known the following day. The encouis exercises will take place on Thursday, when the successful candidates of the receive their "sheep skins." The Ellis Contempt Case. John V. Ellis appeared before the supreme court yesterday morning and was sworn to truly answer all such interrogatories as should be exhibited against him at the time of his examination in the contempt case. Time to answer the interrogatories was fix- ed for the 20th instant. Deserved Compliment. The Story of the spade, recently published in The GLEARER, has been translated into French and published in the Moniteur	Yesterday morning in David Sinnott vs. George Howland, C. W. Beckwith moved for a new trial. Bank of Nora Scotia vs. Harrison-Wr. Blair moved for a new trial; Mr. Pugsley contra. Mr. Pugsley produced an affdavit for the purpose of showing that the bank had been paid the amount of its claim since the trial, by Mr. A. A. Sterling, and he (the solicitor general) contended that under the otroumstances the plaintiffs were not en- titled to have a vericit entered for them even if they could otherwise succeed, but that the defendant would be entitled to a new trial. Mr. Blair objected to the read- ing of the affdavit, and the case was al- lowed to stand until next week in order that the court might determine as to the ef- fect of the affdavit. Ex parte City of Portland-Mr. A. I. Trueman showed cause against a rule nigi to strike the case of Collinsvs. the City of Portland off the docket; Mr. L. A. Currey supported the rule. Rule refused. Oollins vs. the City of Portland-Mr. A. I. Trueman movel to set aside a nonsuit and for new trial; Mr. Currey contra. The court considers. Bays He Was Ebobed.	not ashamed of the game they played, as they say the Wanderers are a much oider club than they, and one that would give our Shamrucks here a pretty even game. Notwithstanding the fine battery of the op- posing nine and the curved pitching, our toys took the lead at the beginning and held it until the eixth inning, whon Fred Mackey, their pitcher, weakened, and the Wanderers batted him for 10 runs. Jree Hayes captured and caught for the Freder- icton team. The following is the score by innings: 1 2 3 4 5 6 7 8 9 Wanderers	AQUATIC. Vall and Galanaugh Matched. Dan Galanaugh Matched. Dan Galanaugh of Philadelphia, and Harry Vail, of St. John, N. B., have signed articles for a three mile single soull boat race for §200 a side, to be rowed over a course to be mutanily agreed upon in the near future.—Sporting Life. THE AROOSTOOK FALLS JAM. It Was Broken Up Wednesday—A Hard Year for Log Driving. The Bangor Commercial publishes the following from a Fort Fairfield correspon- dent about the breaking of the Arnostook Fails log j on and the condition of the drives in that section :- This has been the hardest year for driving in this part of the country that was ever thore. There was very little snow and a warm rain about the time parties were put- ting in their landings, made the water very high, consequently logs drifted into bushes and across intervales and when it did turn it went down like a tide, falling five feet in three days in the Aroostook river. Water fel in all the streams rapidly. The dam at the foot of Mooselenk lake went out so Bearce 6 Hill had to hang up their drive of bont 5 000 000 feat and 0. Haverman hung	political leanings of E-gland toward the power, which it is her highest aim to conciliate." All the London papers comment editori- ally upon the treaty. The Daily News says it is believed Phelps, who leaves to-night for New York, will be appointed American Ambaseador at Berlin. The Standard says the treaty guarantees an autonomous administration of Samoa an autonomous administration of Samoa as roburator in the event of any differ- ence arising. EMPEROR WILLIAM'S HEALTH Said to be Seriously Attacked by Pisease. Special ao Gleaner. VIENNA, June 15. A sensation has been caused here by the announcement that Noavelle Revue will shortly publish a letter purporting to be from the Princes states to King Leopold, in which the Prince states that Emperor William's body is seriously attacked by disease; that he cannot get the suffers from intense headaches, compell- ing him to resort to morphine, and that he easily loses his tempor. begin, and there was an end of the terror which had haunted her of his appearing in court and publicly compromising himself from a sense of chivalrous loyalty to Naïka.
I must see at once about getting counsel,' said M. de Beaucrillon, too selflessly absorbed in Naïka's trouble and the impending crisis to stop to consider the motive of his wife's silence. There is no time to lose. I will go at once to Maitre X...... If I am late for dinner, don't wait for me.'
CHAPTER XXXIX.
It was not often that so great a treat as this trial of Naïka's was provided for the sensation-loving. Parisian public. Amongst the numbers who crushed in to assist at it there was not one who remembered a trial which contained such original and dramatic elements. The public of and hand dramatic elements. The public of and hand dramatic elements. The public of and hand of a marka is a supernatural original and dramatic elements. The public dramatic elements.

membered a trial which contained such original and dramatic elements. The prisoner was a young girl of rare beauty and brilliant gifts, and among the wit-nesses were to figure a grande dame and a Sister of Charity. The judge and coun-sel had been besieged with applications for ten times more places than the court contained, and when the day came the crowd even outside was so great that the police had much to do to facilitate the crowd even outside was so great that the police had much to do to facilitate the

contained, and when the day came the crowd even outside was so great that the police had much to do to facilitate the entrance of those who had tickets. The court was densely filled long be-fore the entrance of the judge, but curi-osity reached its climax when the door opposite the judgment seat opened, and the prisoner, walking between two gend armes, was led to the bar. Narka had been so exhausted and strained by the week's imprisonment that on the evek's induced to her immediate effort, her splendid young vitality asserted itself, and her high courage rose to the occasion. She was lumainously pale, but there was no lack ness in her bearing, as able stood at the bar. A murmur, partly of admiration, partly of curiosity, rose from every part of the audience', but this quickly sub sided, and profound silence reigned in ing except of being confused into a
