

Wolfville's "Clean Up Week" Begins on Monday, May 10. Every Citizen is Asked to Help.

# The Acadian

Vol. XXXIX. No. 33.

WOLFVILLE, NOVA SCOTIA, FRIDAY, MAY 7, 1920.

\$1.50, payable in advance.

**The Public Meeting**

The public meeting called by the Mayor last Friday evening was not so largely attended as it should have been, but there were a goodly number of citizens present when the meeting was called to order.

The chairman stated that the meeting was called on the request of the local chapter of the Daughters of the Empire for the purpose of considering the organization of a branch of the Victorian Order of Nurses here, and the appointment of a district nurse.

Mrs. Moore, representing the I. O. D. E., explained the proposed undertaking and Mrs. Black read a letter from the head office of the Victorian Order of Nurses, fully explaining the steps to be taken and the manner in which the nurse's work is carried on.

A number of speakers took part in the discussion, the unanimous expression being in favor of the undertaking.

A resolution was finally passed to the effect that the meeting approved of the engagement of a nurse, and a committee was appointed to make nominations and consider the matter of expense. This committee will report at a subsequent meeting to be called by the Mayor.

**The Great Picture Play "Checkers"**

AT WOLFVILLE OPERA HOUSE, FRI. AND SATUR., MAY 14 AND 15.

"Checkers" is the most successful drama melodrama of the last twenty-five years. Its situations are thrilling and its humor and sentiment have kept millions on the edge of their seats 'twixt laughter and tears.

It has all the drama, all the humor and all the love interest, with plenty of thrills as these can be produced only on the screen and only by a director like Richard Stanton. The exciting horse race scenes, the train wreck, the fight in the box car, the encounters in Chinatown and the aeroplane flights will hold you spellbound. The beautiful love scenes will enchant you.

You'll enjoy the cast. There are Tom Carrigan as "Checkers" and lovely Jean Acker as Pert Barlow. Then there are Ellen Cassity, Peggy Worth, Robert Elliott, Tammany Young, Bertam Marburgh and Ed Sedgwick. Don't miss this wonderful picture.

**Recommends Internal Bathing for Piles and Constipation.**

If people who suffer from constipation, piles and the many ills resulting from accumulated waste in the intestines would realize what the J. B. L. Cascade is doing for thousands of people who are being daily restored to perfect health by its use, there would be a J. B. L. Cascade in every Canadian home.

Mr. E. Nighswander, Green River, Ont., writes: "I purchased a J. B. L. Cascade from you about ten months ago and consider it the best money I ever invested. For years I have been troubled with constipation, ulcers in the bowels and piles, which all the money I spent on medicines and doctors only relieved temporarily. My J. B. L. Cascade has completely cured these troubles, and I feel it a duty I owe to my fellow-men to endorse the Cascade in the very highest terms. No amount of money could estimate the value it has been to me. No home should be without one."

The J. B. L. Cascade is the only perfected invention of internal bathing. Keeps the system sweet and clean, cures constipation, headaches, rheumatism, and keeps you fit at all times. It is shown and explained at A. V. Rands, Wolfville Drug Store.

Phone or ask them for free booklet all about it—or write Tyrrell's Hygienic Institute, 163 College St. Toronto.

**Sir John Willison's Lecture**

On Saturday evening a large number of students and citizens availed themselves of the opportunity of hearing the eminent journalist, Sir John Willison, who gave an address on "The Situation and the Outlook in Canada." Dr. Cutten, president of the university, presided and introduced the speaker.

Sir John Willison quoted abundant statistics, beginning with Canada's great debt in consequence of the war, whereby the staggering burden of \$215.00 per head must be borne by the nine million Canadians themselves, as compared with the \$43 per capita before the war. Sir John was equally careful and prolific in his quotations of figures to prove the enormous wealth of Canada, for the same conservation of which he made a very strong case. And while he was emphatic as to the imperative duty of Canada, as an important part of the British Empire, to maintain—and even improve—friendship with the United States, he insisted that Canada should not shrink from asserting its right to husband its own resources. All raw materials produced in Canada should be manufactured in Canada, and the products protected and exported. He would urge that the government apply the same policy to the fishing industry as they did to that of agriculture. In fact, he wished it were possible for all Canadians to forget all their old pre-war quarrels and differences as to fiscal matters and would now abandon claims for special protection for manufacturers or for any one class, but would unite as Canadians to demand only that which was best for Canadians as a whole, and not of any particular class or classes at the expense of all others. Such a course, he thought, was essential to enable Canada to meet its enormous obligations as the results of the Great War.

**Graduating Recital**

The first of the graduating recitals in connection with Acadia Conservatory of Music and Fine Arts was held in College Hall on Friday evening last, when the following program was most excellently rendered by Miss Rita Vaughan Atkinson, reader, assisted by Mr. Paul Cross, baritone:

1. Monna Vanna Maurice Maeterlinck  
Miss Atkinson
2. (a) Requiem Sidney Homer  
(b) Pretty Creature Old English  
Mr. Cross
3. In the Manner of the Duchess Dana Gatlin  
Miss Atkinson
4. (a) Life and Death Coleridge Taylor  
(b) Explanation Coleridge Taylor  
Mr. Cross
5. (a) My Dad an' I Bernard Trotter  
(b) Canadian Twilight Bernard Trotter  
Miss Atkinson

All those interested in the fine old game of cricket are asked to attend a meeting at the Royal Hotel tonight (Friday) at 7.30. Members of the newly formed Wolfville A. A. A. are especially asked to come, but all interested will be welcome.

**Town Council**

The regular monthly meeting of the Council was held on Wednesday evening with the Mayor and all the Councillors present.

After the routine business had been disposed of a delegation composed of President Wheelock and Secretary Roach, of the Civic Club, were given permission and addressed the Council asking that the town undertake the financing of the proposition to erect a tablet to the memory of the Wolfville boys who gave their lives in the great war. With unanswerable arguments, Prof. Wheelock showed why this undertaking should be made a town charge instead of being paid for by private subscriptions. After considerable discussion it was resolved that the Council approve of the suggested expenditure and if not authorized under the present act that the necessary legislation be secured to make the cost of the erection of the tablet a public charge.

The Mayor announced that the act providing for the appointment of an Electric Light Commission had received the governor's signature and that it was now in order to appoint the commission.

The following were appointed: Mayor Fitch, Couns. Rand and Shaw and Messrs. H. W. Phinney and L. W. Sleep.

**Automobile Accident**

As a Ford car, driven by Bob Forbes, with two or three children as passengers, was coming very slowly down Campbell avenue by the Methodist church Tuesday morning, something suddenly snapped in front, putting the steering gear out of commission completely, so that a long piece of steel dropped against the rim of the right front wheel, causing the car gradually to swerve in the direction of the open cellar, over which once stood T. L. Harvey's store on the corner of Main street. The several eye-witnesses of the accident were horrified, and ran to meet the car, but before they reached the spot, it had turned sharply round to the right and across the sidewalk four paces clear of the cellar, and into a strong fence-post, when the car turned turtle, pitching its occupants into the ditch. The miracle of it all was that no one was seriously hurt. One of the little children received a slight injury above his wrist.

**Church Parade**

On Sunday morning the Boy Scouts under the command of Scoutmaster E. Percy Brown, and headed by the Scout Band under the direction of Mr. H. W. Phinney, marched to the Methodist church for worship. In spite of the disagreeable state of the weather there was a good attendance at the service. The band led the singing, and Assistant Scoutmaster R. A. Bishop gave a very fine cornet solo, accompanied on the organ by Miss Rockwell. Rev. W. H. Watts preached a most appropriate sermon from the text found in Daniel 6:10, his subject being "Courageous Daniel."

Next week will be "Clean Up Week" in Wolfville. Let it be a real united effort for a cleaner and prettier town.

**Wolfville A. A. A.**

The Executive Committee met at the house of the president on Wednesday night. After discussing several reports on various matters relative to the immediate development of the Organization to meet the requirements of those who have already invested in membership tickets, and including a very generous offer of a suitable plot for tennis courts, it was resolved to hold another meeting of the citizens next Thursday evening at 9 o'clock, at the Temperance Hall. The ladies and all who are interested in tennis are particularly invited to attend this meeting as the Executive are anxious to ascertain some idea as to the extent of the demand for this branch of sport, so as to be able the better to make the most adequate provision possible for it. At the same time discussion is invited on the larger subject of the acquisition of a suitable recreation ground or field to accommodate all the sports promoted and controlled by the Association and the Boy Scouts. A report will also be made of the plans that are being made for the First of July, when a monster athletic meeting is being arranged by a Strong Sport Committee under chairmanship of Mr. E. Percy Brown, who will have as Col-leagues Dr. Coit, (W. A. A. A.), J. W. Williams (G. W. V. A.), Edson Graham (Town Council), Hugh Calkin (Board of Trade), and any others whom they may wish to co-opt. A regular Gala Day on a scale worthy of Wolfville is to be the Committee's objective, and the earnest co-operation of the Merchants and the whole Community is requested to help them get over the top.

**Acadia Choral Club**

The Concert to be given this evening (Friday, May 7) will be the Musical event of the year. A Chorus of one hundred voices under the leadership of Miss Winifred Stephens has been working hard ever since November and are now in splendid form to render a most interesting programme, which is as follows:

**PART I,**  
March of the Prophets Meyerbeer Orchestra  
Italia - Donizetti  
Chorus and Orchestra  
Solos - Miss MacDonald  
Anvil Chorus - Verdi  
Male Voices  
Spinning Chorus - Wagner  
Female Voices  
**PART II**  
Lord of Our Life - G. H. Knight Chorus  
Gallia - Gounod  
Soloist and Chorus  
Orchestra  
Canada

The Acadia Orchestra will assist and support the Chorus and Miss Lillian Russell will be at the Pianoforte.

The general public will be glad to know that not only will Miss Ruth Blaisdell MacDonald, Soprano, carry the solo parts in Gallia but will also sing two song groups in addition.

It is hoped considering the high grade work to be presented as well as the expense involved that Wolfville will be so interested as to give a packed house, that the Club may be encouraged to attempt bigger and better things next year. Secure your seats at Rands'.

**W. C. T. U. County Convention**

A large number of delegates, from Greenwich, Canning, Kentville and Wolfville Unions attended the Annual County Convention held in the Wolfville Baptist church, Wednesday, April 28th. The morning session was given to "Reports" of Officers and superintendents, the afternoon to the annual election of Officers, Presidents address, and other business matters. The Cor. Sec.'s report showed 149 County members, an average of six Departments worked, and the sum of \$83.82 raised during the year apart from dues. Mrs. N. G. Morton, of Berwick, was re-elected County Pres. and the following elected for County Supts.; Evangelistic—Mrs. Turner, Kentville; Temp. in S. Schools—Mrs. Hayden, Berwick Juvenile—Mrs. L. F. Blinkhorn, Canning Citizenship—Mrs. Musgrave—Aylesford; Work for Goldiers at Sanatorium Kentville—Mrs. Pelton and Mrs. J. W. Turner—Kentville. Mrs. Creighton, of Berwick Union, who was one of the delegation of ladies, who united upon the "Municipal Council," Kentville, April 27th spoke of their success in having their petition asked for, namely, the "Amalgamation of the Poor Districts of the County into one poor section so that proper provision could be made for all our poor, with the sexes separated, and adequate room for our harmless insane."

of the Cigarette menace to our boys and girls and urged that all the Unions of the County work the department of "Anti Narcotics" most earnestly. Every hour of the Convention was full of interest and help, and if the "Plan of Work" made and forward steps taken, are carried out in the same spirit of enthusiasm, a successful year's work is assured. Delegates were served to dinner and supper by the ladies of Wolfville Union, in the Dining room of the church.

Cor. B. Taylor.  
County Rec. Secy.

**Open Propylaeum**

The Propylaeum Society of Acadia University gave an open entertainment in Assembly Hall on Monday evening. The program was splendidly presented and much enjoyed. Clause I portrayed a scene at Tully Tavern. Miss Olivia Lamont, as Miss McIntosh, the dean of women, and Miss Marguerita Cutten, who impersonated her father, Dr. G. B. Cutten, the president, were perhaps the most conspicuous successes. Clause II was a vocal quartette by Misses Frances DeWoife, Olivia Lamont, Mabel Nichols and Josephine Harris. Clause III was a splendid synopsis of the events of the year by Miss Janet Kinsman. Clause IV was a short play entitled "The Queen of Hearts", in which the following characters were excellently sustained: Geraldine Bruce, a senior, by Aida Boyer; Dolly Hilton, her cousin, a freshman, by Marion Grant; Marion Kendrick, a senior, by K. Fitzpatrick; Fitzhugh Chauncy, instructor at Weston, by G. Spicer; Gerald Bruce, Yale Senior, by Lucy Smith; Tim Gregg, Yale Freshman, by I. Murray; Miss Miriam Chisholm was the critic of the evening.

Notes and Comments

"Amen" is a Hebrew word meaning "faithful."

Toronto is likely to be the scene of an all-Canadian apple show next fall.

Halifax has adopted Daylight Saving, the new time to start on May 10th.

The Royal Commission on Decimal coinage in England, after nearly two years' deliberation have decided against a decimal system.

Even a young pullet, with mighty little head and no brains, believes in advertising. Ever notice her just after she has laid an egg? What a noise she makes.

Two U. S. army aviators flew from Ottawa to Toronto in two hours and five minutes. It takes the fastest train twice as long and more to cover the same distance.

Members of the Local Council of Women of Toronto at a recent meeting covenanted to buy potatoes for a month as a protest against the high cost of this article of food.

The Chancellor of the Exchequer says England has had an unprecedented increase in the consumption of tobacco due to the great growth in the habit of smoking on the part of women.

It is significant, if not remarkable, that as the canning season approaches the voice of the profiteer is raised in the land with prophecies of another boost in the price of sugar. It is time a halt was called.

The statement that Uncle Sam is spending \$18,000,000 a day in running the Government means that it is costing something like 100,000,000 of us something like 18 cents a day apiece.—Boston Globe.

Publishers in New York of several leading magazines have decided to combine two issues in one or to reduce the number of pages because of the shortage of paper. Some magazines may suspend publication temporarily.

Last year the Provincial revenue was \$3,280,313.42, the first time since confederation that it has soared above the three million dollar mark, and next year it will move up another digit in the nine figure class, being calculated at \$4,008,132.80.

The Lloyd George letter to Holland, on the subject of the ex-kaiser's residence, plainly indicates British recognition that the former emperor is a very serious menace to world peace. The tone of the British note carries its own proof that Wilhelm is not regarded in official circles as the broken man he is so frequently depicted by press correspondents.

The will of Mrs. Margaretha Apman, of Brooklyn, N. Y., who died recently, provides a "last treat" for her relatives and friends. The estate is to pay for the coaches used by those who attend the funeral, as well as for lunch, coffee and beer for these mourners at a Long Island hotel. The estate, which is valued at \$22,000, is left to relatives in Germany and the United States.

Cause of Early Old Age. The celebrated Dr. Michenhoff, an authority on early old age, says that it is "caused by poisons generated in the intestine." When your stomach digests food properly it is absorbed without forming poisonous matter. Poisons bring on early old age and premature death. 15 to 30 drops of "Seigel's Syrup" after meals makes your digestion sound.

Minard's Liniment Cures Colds, etc.

A Desire to Eat What You Want

HOW STOMACHS CAN BE RESTORED TO A VIGOROUS, HEALTHY CONDITION

Not to be limited in diet, but to eat whatever he pleases is the dream of every dyspeptic. No one can honestly promise to restore any stomach to this happy condition, because all people cannot eat the same things with equally satisfactory results. It is literally true that "what is one man's food is another man's poison. But it is possible to so tone up the digestive organs that a pleasing diet may be selected from articles of food that cause no discomfort.

When the stomach lacks tone there is no quicker way to restore it than to build up the blood. Good digestion without rich, red blood is impossible, and Dr. Williams Pink Pills offer the very best way to build up and enrich the blood. For this reason these pills are especially good in stomach trouble attended by thin blood, and in attacks of nervous dyspepsia. Proof of the value of Dr. Williams Pink Pills in even the most obstinate cases of stomach trouble is given by Mrs. S. Morrison, Varney, Ont., who says:—"I shall always feel indebted to a friend who advised me to use Dr. Williams Pink Pills. I had been a sufferer for upwards of twelve years with stomach trouble which resulted in a general weakness of the whole system. My meals always caused me great discomfort, and at times I would go hungry rather than undergo the suffering which followed meals. I was constantly taking something or other recommended for the trouble, but without finding a cure, and often the trouble kept me in bed when I should have been about doing my housework. My friend, who had had a similar attack, came to see me and urged me to try Dr. Williams Pink Pills which had cured her. I got a supply at once and began taking them, and soon found relief. By the time I had used eight boxes I was again enjoying the best of health, and with a good appetite and a stomach restored to normal. Had I known of this medicine earlier it would have saved me years of suffering, and I urge any who may be in a similar condition to try these pills at once."

You can get Dr. Williams Pink Pills through any dealer in medicine or by mail postpaid at 50 cents a box or six boxes for \$2.50 from The Dr. Williams Medicine Co., Brockville, Ont.

A Chess Prodigy

A youthful chess prodigy recently made his debut in Berlin. A boy by the name of R. Rzeschewski, 8 years of age, dared to play in the Berlin Chess Society 20 or more games simultaneously against more or less classy chess players, winning 18 games, losing one and drawing the rest. Furthermore, the little fellow undertook to play blindfolded against the famous master player, Kurt Von Bardeleben, an expert of over 40 years standing, and many times a prize winner in national and international tournaments. Marvellous to relate, the boy had the satisfaction of drawing this game after 20 moves.

Keep Them Growing

Children who are over-thin, listless or delicate, should take Scott's Emulsion regularly every day as an aid to growth and sturdiness. Nothing surpasses Scott's Emulsion as a tonic-nutrient for a child of any age.

Keep Them Growing. Children who are over-thin, listless or delicate, should take Scott's Emulsion regularly every day as an aid to growth and sturdiness. Nothing surpasses Scott's Emulsion as a tonic-nutrient for a child of any age. Scott & Borne, Toronto, Ont.

Canada Makes Farmers

Canada took up the question of soldier settlement of lands more than two years ago. Furthermore, the country did not confine itself to parliamentary discussion of plans, but proceeded to adopt something practical without delay.

As a result more than 1,000,000 acres of free lands have been taken up by returned soldiers. Up to Jan. 17 of this year \$55,948,495 had been loaned to soldier settlers, the number of individual loans being 18,548 and the average loan \$3,016. Only those who qualify can receive loans, but not one out of four applications is turned down.

Nothing better can be done for the returned soldier who has a taste for the outdoors than to back him in a farming venture. Thousands of new farms, run by men who have proved their patriotism on the battle field, will do much to strengthen the Dominion in every way.

Great Interest Manifest Throughout N. England in "Old Home Week"

Mr. John F. Masters, of Boston, who was a recent visitor to his native town of Kentville, states that great interest is manifest throughout New England in the "Old Home Week" to be held in Nova Scotia in 1924. He says whether or no there takes place a "World's Fair," but instead a Maritime Exhibition, the "Old Home" idea has taken a firm and picturesque hold upon the public mind of the people of Boston, and in fact all over the United States. Already some firms are printing on the envelopes the trite statement, "Go to Nova Scotia Old Home Week, 1924."

**World Short of Food**

The Globe (Toronto) says: The advent of spring brings to the great majority of Canadians opportunity and responsibility. The world is short of food. There is need for production at its maximum. This vast agricultural Dominion can contribute in a really wonderful way to the solution of the present pressing problem of humanity if its people do their part. Everything done will prove practical and profitable. There is a tendency on the part of others to leave the whole project of land production to the farmer. He is the mainstay. But the coming of spring sunshine and the lure of the out-of-doors permit many to operate in a small but substantial way. There are tens of thousands of village, town and city dwellers with garden spaces and back lots the careful cultivation of which would yield in the aggregate an enormous addition to the food-producing achievement of the country. Let everyone who can lend a hand. Pleasure and profit are waiting for every volunteer.

**The Best Medicine For Little One**

Thousands of mothers state positively that Baby's Own Tablets are the best medicine they know of for little ones. Their experience has taught them that the Tablets always do just what is claimed for them and that can be given with perfect safety to children of all ages. Concerning this Mrs. Joseph Therrien, St. Gabriel de Brandon, Que. writes: "Baby's Own Tablets are the best medicine I know of for little ones. I thought I would lose my baby before trying the Tablets but they soon made him healthy and happy and now I would not be without them." The Tablets are sold by medicine dealers or by mail at 25 cents a box from the Dr. Williams Medicine Co., Brockville, Ont.

**When Car Smokes--Some Causes**

One of the greatest nuisances that the public has to contend with is the smoking automobile that leaves an evil-smelling smudge as it travels through the streets.

This evil is due mostly to carelessness and in most instances can be avoided. Much of the smoke we see comes from too much lubricating oil being applied to the engine. This may come from having the reservoir too full, that is, well above the level indicated by the manufacturer. The remedy would be to draw off the surplus. Again the fault may be in the construction with too much oil feed to the engine even when the reservoir level is normal.

Some of the trouble with oil comes when driving at low throttle opening. When touring there is likely to be very little smoke, as the engine is run with fairly wide throttle most of the time. When this same car enters the city, where there must be much throttling down, there may be trouble with smoke. The reason is that with a closed throttle the gas drawn in does not fill the vacuum in combustion chamber and this draws oil past the pistons.

Smoke caused by excess of gasoline may be distinguished by its being black, while that from excess oil is blue, and there is always steam issuing from the exhaust and as soon as it strikes cool air it is white. One of the products of combustion in the cylinders is water, which is vaporized and passes out with the exhaust, becoming steam.

The Overall campaign is spreading through the United States and professional men, business men and work men are donning these overalls.

**The County Council**

The County Council met last week in their April session with a full Council present and Warden Campbell in the chair. Councillor Meek filled the vacancy caused by the death of Councillor Illey. The political complexion of the Council was so changed that most of the doings of the January term were scrapped. At the January term the following Overseers of the Poor were appointed: C. A. Burns, Owen H. Porter, and J. W. Hubbard. A few weeks ago Mr.

Burns resigned, and the other two were released this week, and the following appointed: R. L. Palmer, George McLean, and John Sanford.

At the January meeting a committee was appointed to deal with the matter of the amalgamation of the County Poor Houses and the segregation of the sexes. The committee only reported on a part of it, and that was "that there should be only one Poor House," recommending that the County, instead of the various townships, take charge of it. This recommendation was unanimously adopted by the Council.

**Have You A "Twenty Pay Life Policy?"**

*A true story of a Canada Life Policy issued over forty years ago.*

At age 30 he secured his \$5,000 Twenty Pay Life Policy.

At age 35 he received his first Dividend, which was added to the Policy.

At age 50 he received notice that his Policy, with 20 years' Dividends, was fully paid for.

At age 60 his Policy, still earning Dividends, helped him to finance the purchase of a new home.

At age 70 he withdrew the Cash Value for his own personal use. He received a Canada Life cheque for \$6140 in return for his \$2830 paid in premiums. For many years his home had been protected by insurance of \$5,000 and Dividends.

A Policy on your life may do much that you intend to do—if you live. It may pay off the mortgage, supply food and clothing for your family, keep the children at school and prevent a forced sale of your other property.

It may be all that is left of your life work—to keep you in comfort in your old age.

But—your Policy must be large enough.

**The Twenty Payment Life**

Our new up-to-date policy provides—

1. That premiums will cease in 20 years.
2. That dividends will be paid during the 20 years, and afterwards.
3. That if you should be totally and permanently disabled before age 60, all premiums will be cancelled, and a monthly income paid to you.
4. That such monthly payments will not be deducted from the policy at your death.
5. That after 3 years you may take a Cash Value, or receive a paid-for policy or pledge the policy as security for a loan.
6. That the policy cannot lapse while a cash value exists; that the policy is indisputable after one year; that you may reside or travel in any part of the world or engage in any occupation without affecting your insurance.

(There are many other valuable privileges.)

**An Immediate Estate**

The great advantage over any other form of investment is that a small percentage paid yearly creates immediately an estate of \$5,000, \$10,000 or more.

These active, progressive years of life in which you are earning the most money are the years in which premiums can be more easily met.

Twenty years is a convenient period and premiums spread over that length of time are moderate and easy to handle.

Do not delay this important matter. Ask for particulars today.

Mr. J. L. Franklin has purchased the building next his residence, used for many years as a carpenter shop, and will move it to a lot on Orchard avenue and convert it into a two-residence house. The building is a good one for this purpose and when properly fitted up will make a very desirable property. Mr. Franklin has built some of the best residence in town and is yet one of our most enterprising citizens.

### Editorial Jottings

Daylight saving has proved so much a factor for profit in the years that it has been in operation that even though the government of the country has refused to continue the regulation progressive cities and towns all over the country are still holding to it. People who are unfortunate enough to reside in sections where the new time is not used might get the same advantage by moving their rising time instead of their clocks an hour ahead.

The personal of the Electric Light Commission, we feel safe in saying, was a real surprise to citizens. It was generally supposed that ex-Mayor Hales, who has been the most active spirit in promoting the success of the system and who probably knows more than any other citizen about the work already done would have been one of the members of the commission. Mr. Hales has his critics but everybody will admit that he has been most generous of his time and attention to civic affairs. His experience in this regard is of the same order as that meted out to public benefactors since the world began.

### Local News

The street authorities have begun the work of constructing a concrete culvert at the "Bridge" to take the place of the crock drain which has done service there. It is planned eventually to have this culvert extended to the railway sluice so as to expedite the filling in and improving of this part of the town.

The dance given by the Sir Robert Borden chapter, I. O. D. E., on Tuesday evening was a great success. About 250 dancers were in attendance and all thoroughly enjoyed themselves. The warehouse of the Wolfville Fruit Co. had been most tastefully decorated for the occasion with bunting, flags, evergreen and colored lights, and it presented a very gay appearance. Splendid music was furnished by the Harwood orchestra, of Halifax. The chaperones were Mrs. L. H. Moore, Mrs. C. R. H. Starr and Mrs. E. S. Crawley.

Mr. A. V. Rand has recently made some changes in his place of business which add materially to the appearance and accommodation of the store. The partition dividing the store from what was formerly the old post-office has been practically removed and the latter has been tastefully fitted up to provide for the ice-cream business. Five conveniently arranged stalls, each furnished with the required furnishings, and mirrors have been constructed and will be appreciated by customers. The soda-water appliance will also be located there, leaving all the room formerly occupied in this way for his drug business and other line.

Orders for engraved calling cards, wedding invitations and announcements taken at the office of THE ACADIAN. Get our prices before going elsewhere.

## Wolfville Opera House

MONDAY AND TUESDAY, MAY 10-11

Thomas H. Ince presents

THE BIG WESTERN SUCCESS

William S. Hart

IN

## "Wagon Tracks"

Mountain and plain and his horses, and long wagon trains crawling over the trail. Such had been his life, until one day they brought his brother home—murdered!

After that he was Hamilton, the Avenger. But when at last he found his man, he found the brother of a woman he loved.

Then a strange ordeal of the desert, and a roving Indian hand, seeking—and taking—an eye for an eye.

The end of the trail? You would never guess. Come and see where it leads to.

ALSO

## Canadian Weekly.

Show at 7.30 & 8.45. Prices, 17c. and 28c.

## SEEDS!

**Items of Local Interest**

Furnished rooms to rent after June 1st. Apply to Box 462.

Get ready for "Clean up Week". It ought to be the biggest affair of the year.

FOR SALE.—Chevrolet touring car in first-class running order. Apply to PHILIP ILSLEY.

General Sir Arthur Currie has accepted the invitation of Acadia University to lay the Corner Stone of the Memorial Gymnasium on May 26th.

WANTED TO RENT—By middle of May small house or flat, about six rooms. Centrally located. Apply to THE ACADIAN.

Rev. Gordon H. Baker, of Montreal, a graduate of Acadia in the class of 1904, has accepted a call to the First Baptist church, of Schenectady, N. Y.

LOST—On Main Street, between the Campus and a little beyond the Presbyterian church, a letter and some papers, relating to the W. A. A. A. Finder will oblige by leaving same at Blakeney's Book Store or mail to Box 181, Wolfville N. S.

Mr. and Mrs. W. M. Stevens, of Truro, announce the engagement of their second daughter Beatrice Anita, to Kenneth Loring Palmeter, Halifax, son of Mr. and Mrs. Harry Palmer, North Grand Pre, the marriage to take place June 15th.

Victor Records—the only satisfactory record on the market. At RAND'S.

The Engineering class of the College is putting on a vaudeville show in College Hall on Saturday evening. A splendid program has been prepared and a most enjoyable entertainment is promised. The engineers will be assisted by Miss Marie Wilson and some young ladies from the Seminary.

FOR SALE—Building sites, among the choicest in the town of Wolfville. Apply to Stackhouse Brothers.

On Sunday evening the service at the Baptist church was under the auspices of the newly organized brotherhood, who attended a hundred strong. The speaker of the evening was Sir John Willison who gave a very interesting and instructive address. A vocal solo by Mr. Paul Cross was very much appreciated.

Just received our usual line of sporting goods—Tennis, Fishing, Base-ball—Give us a call. RAND'S.

The committee wish to thank all those who so willingly lent their assistance in making the I. O. D. E. dance a success. Especially Mr. Peck whose assistance was invaluable, Mr. Mitchell, who furnished the electrical decoration, Mr. Rand and the College and Town boys, also the Division and Rink management for lending seats.

The services next Sunday at St. Andrew's church will be of special interest. Rev. Principal MacKinnon, of the Presbyterian College, Halifax, will officiate at both services. At the morning service a handsome tablet in bronze containing the names of members of the congregation who took part in the great war, will be unveiled. This tablet is the gift of Mr. and Mrs. W. H. Chase.

Miss Ruth Blaisdell MacDonald will sing at this service and the choir will be assisted by Miss Marie Wilson, Miss Evelyn Duncanson, and the Rhodes Hall quartette.

"IBACH" Boudoir Grand Piano. New, just arrived from England. Owner going away. Special price for quick sale. Phone 72 or write P. O. Box 11, Windsor.

**Personal Paragraphs**

Mr. H. P. Davidson spent the week-end with friends in Dartmouth.

While in Wolfville Sir John Willison was the guest of Dr. and Mrs. Cutten.

Miss Florence Cowie, of Halifax is visiting at the home of her brother, Mr. Gordon Cowie.

Mrs. Hugh Fowler was at Deep Brook last week, attending the marriage of her niece, Miss Spurr.

Mr. and Mrs. A. N. Perry and little Donald, of Hortonville, recently returned from a visit among friends and relatives in Digby, Mr. Perry's former home.

Mrs. James Primrose, of Bridgetown, who has been spending some weeks in town visiting at the home of Dr. and Mrs. F. Primrose, returned home on Wednesday.

Dr. G. E. DeWitt, who has spent a very pleasant winter in Florida, returned home this week. Mrs. DeWitt and Miss Marguerite are in Washington and will return home about the end of the month.

The baccalaureate sermon is to be preached this year by Rev. Austen K. deBlois, pastor of the First Baptist church, of Boston. Rev. Dr. deBlois, is a well known graduate of Acadia, a Wolfville boy who has made good. His many friends here will be glad to renew his acquaintance.

**Forever**

Those who love truly never die,  
 Though year by year the sad memorial  
 wreath,  
 A ring and flowers, types of life and  
 death,  
 Are laid upon their graves.  
 For death the pure life saves,  
 And life all pure is love; and love can  
 reach  
 From heaven to earth, and nobler lessons  
 teach  
 Than those by mortals read.  
 Well blest is he who has a dear one  
 dead;  
 A friend he has whose face will never  
 change—  
 A dear communion that will not grow  
 strange;  
 The anchor of a love is death.  
 The blessed sweetness of a loving  
 breath  
 Will reach our cheek all fresh through  
 weary years.  
 For her who died long since, ah! waste  
 not tears,  
 She's thine unto the end.  
 Thank God for one dear friend,  
 With face still radiant with the light of  
 truth,  
 Whose love comes laden with the scent  
 of youth,  
 Through twenty years of death.  
 —John Boyle O'Reilly.

**To Assure Good Crops**

This is the season for planting  
 seed, and 'tis also the printer's  
 time of need. Sow radish seed  
 and lettuce, too, and pay the  
 printer whatever is due. Go  
 build yourself an onion bed and  
 remember the printer must be  
 fed. Sow several rows of early  
 peas and pay for last year's paper  
 please. Dig up the earth round  
 each strawberry vine and if you  
 want THE ACADIAN drop us a line.  
 Plant some potatoes to put in the  
 hash and remember the printer  
 is short of cash. Fix up a hill or  
 so of beans and with the editor di-  
 vide your means. Pay up your  
 subscription then plant your corn,  
 and you'll raise a big crop as sure  
 as you're born.

**Locomotor Ataxia Yields  
 TO  
 PHOSPHONOL  
 TREATMENT**

The remarkable efficacy of this advanced scientific method of treatment is demonstrated in the case of a patient who secured a box of Phosphonol less than a month ago. This case was of a man 54 years old, who had been afflicted with locomotor ataxia for more than four years. He came shuffling into a drug store on his cane which announced his entrance as he painfully labored to a chair. This man told the old sad story of a fortune wasted in "doctoring" and "cures," trying to regain health. After only 3 days' treatment, this same man came back a different man. He was able to walk unaided for the first time in more than a year. His eyes spoke the gratitude his tongue could not express. For the past week this man has been working in his store. He was able to scrub the floor unaided. He does not need his cane any more. His step in walking is almost brisk. At the rate of his remarkable improvement this man should be entirely well within a short time. His name and address will be given to any one interested on application. This is only one of many dreaded ailments which have yielded to Phosphonol.

Sold at all good drug stores or by mail from The Scobell Drug Co., St. Catharines, Ont., Prices \$3.00 a box, or for \$5.00. Don't waste your money in cheap remedies. Get one worth while.

**Prairie Province Leads In  
 Dominion**

According to population the Province of Saskatchewan has the greatest number of motor vehicles in Canada.

The following list shows the number of persons to each car in the nine Provinces, compiled from the latest statistics recorded:

Saskatchewan, per capita	13.4
Alberta, per capita	17.1
Manitoba, per capita	18.2
Ontario, per capita	20.2
Br. Columbia, per capita	37.5
N. Brunswick, per capita	45.2
Nova Scotia, per capita	52.5
Quebec, per capita	66.5
P. E. Island, per capita	82.8

**All Canadians are Forest  
 Owners**

Canada is in a unique position in regard to forests. Not only has she still large forest resources, but about 95 per cent of the land on which these forests stands belongs to the Dominion or to provincial governments—that is to the people of Canada. Nor is this ownership merely nominal. The different governments receive from the lumberman a price per thousand feet when the timber is cut and a ground rental for every year the lumberman occupies the land. Thus, in addition to the benefit Canada receives from timber as a great basis of trade and manufacture, the taxes are reduced by the amount of this revenue. It therefore doubly behoves every Canadian to do all in his power to stop forest fires. Tourists may start a fire by throwing a lighted match from a smoking-car, or a clearing fire may get away from a settler clearing his land, or a hunter or fisherman may leave his camp-fire still burning when he breaks camp. Everyone should remember that every time these things happen and a fire starts every citizen in Canada is a loser. Those who care to pursue this subject further may secure free of charge a bulletin giving the statistics of forest fires by applying to the Director of Forestry, Ottawa.

The wise Maritimer here in the West will soon begin saving dimes and nickels in order that a fund sufficient may be available with which to secure a berth on "The Maple Leaf Special" leaving Oakland for Halifax early in 1924, to attend the Old Home Summer in that city. Every home in the Maritime Provinces will have the "Welcome" sign over the door that year.—Maple Leaf, California.

## WORLD ASCENDANCY

GAINED IN THE 18<sup>TH</sup> CENTURY

OBTAINED IN THE 20<sup>TH</sup> CENTURY

### Brandram's GENUINE BB WHITE LEAD

THEY used it for the stage-coach of olden days in England—we use it in Canada today. Compare it with any other white lead or white paint, and you will decide that your house—or anything you wish to have truly white and remain white—must be painted with this brand which has survived as the leading white lead for nearly two centuries.

Thinned with linseed oil and turpentine, it makes a perfect white paint. Combined with coloring matter, it makes the satisfactory tinted paint of any shade. It is the basis for that finest of ready-mixed paint, B-H "English" Paint.

Made in a modern Canadian factory, and by the same process as was employed for its manufacture by its inventor in England, it is today the only survivor of all the patented white lead processes of that earlier generation. It has survived because it results in a white lead of exceptional fineness, whiteness and durability.

### Pick Up the Shovel and the Hoe!

This is the time of year for picking up, not throwing down, the shovel and the hoe, as we sing in the old song. It is gardening time!

"No boy but a real boy can grow a real garden." It takes patience, perseverance and real ambition for a boy to turn a scraggly piece of ground into a wealth of flowers and vegetables in the fall. There are weeds and bugs to overcome; there is good exercise in the open air (we might have called it hard work, but what is work to the fun of really growing things outdoors?) There is a better diet for all the family and the satisfaction of coming in before dinner with a fine head of lettuce as a treat to all the folks.

Boys in the open country and small towns have a much better chance to get in on this game than their cousins in the cities. They have more ground; they have tools and implements ready; a horse for ploughing is easy to procure; natural fertilizer is usually at hand in abundance and they can garden to their heart's content. I have, however, known country boys who went swimming while their mothers weeded the cucumber patch!

Here are the requirements for winning the Trail Rangers' Badge, wovon of silk, for Gardening:

(a) Operate a plot of not less than 10x10 ft., planted with vegetables or flowers and show a profit of not less than \$3.00 on the season's work.

(b) Keep an accurate record of the growth and sale of the crop.

(c) Win a prize for vegetables exhibited at local, country or school fair.

(d) Take flowers grown by yourself to sick persons or hospital each week for six weeks.

FIRELIGHTER.

### The New Hebrides

Seventy-two years ago the Rev. John Geddie went forth from Nova Scotia and founded a mission in the New Hebrides in connection with the Presbyterian Church. The people were largely fierce cannibals, and the islands were somewhat populous.

The population however is now on the wane. It is estimated that it has decreased by a third in the past 8 years. The decrease is attributed to the indenture labor system which removed the able bodied young men and women at a time when they would naturally be establishing homes. In addition there were other existing causes, the sale of liquor and the introduction of disease. It is said if the present conditions continue in another 20 years there will be no natives left, and when there can be no whites, for industry cannot be carried on without native labor.

It is claimed that the French woman marries, not because of love, but with the hope of love afterwards.

The man who is an optimist is usually a success, for his mind is never worrying about the reasons why a thing cannot be done. He doesn't think that way.

**Greenwich News**

Mrs. Cutler Forsythe and two little sons, Willis and Lloyd, who spent the winter in Mass., returned home one day last week.

Mr. and Mrs. Edgar Forsythe are being congratulated upon the arrival of a little daughter, on Wednesday, April 28.

The friends of Mrs. A. K. Forsythe sympathize with her in the recent death of her father, a New Brunswick man.

Miss Dorothy Williams, a student at Acadia College, will spend the month of May with Miss Lillian Bishop, but will continue her studies at the College, in Wolfville.

The deep sympathy of the whole community is extended to Mr. and Mrs. Dexter Forsythe, in the death of their eldest child and only daughter, little Winnifred, aged 3½ years. She passed away about midnight, Saturday, May 1st, after a brief illness, which was of a serious nature from the first. The funeral was Monday afternoon and was largely attended. Rev. Mr. Watts—Methodist, of Wolfville, conducted the service, assisted by Rev. Mr. Logan—Presbyterian, of Upper Canard. A most touching part of the service, was the rendering, so softly and clearly, by the large Edson Phonograph, of the home, the two hymns, "Scatter Seeds of Kindness" and "Safe in the Arms of Jesus," these two selections were favorites of little Winnifred, she often asking to have them played. The little girl was a very bright, winsome maiden, with many lovable qualities, also being an exceptionally smart child. Little Winnifred won a secure place in the hearts of all who knew her and will long be remembered by many in this place.

Mrs. Rupert Porter, of Upper Pereaue, has been visiting her daughter, Mrs. Dexter Forsythe recently.

**The Cleveland Tractor**

**WHY THE CLEVELAND?**

PROGRESS BRAND CLOTHES

Because it has gone rapidly to the front with a record of performance in the hands of its users which has increased the Cleveland demand faster than they can supply the tractor.

Because the Cleveland is simple, compact, sturdy and long lived.

The Cleveland increases its owner's yield.
