The copy filmed here has been reproduced thanks to the generosity of:

University of Victoria  
McPherson Library

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol  $\Rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagram illustrates the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

University of Victoria  
McPherson Library

Les images suivantes ont été reproduites avec la plus grande soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\Rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

**T**HIS little book of quotations  
has been compiled by the  
ladies of section three, St. Andrew's  
Woman's Guild, Vancouver, B. C.

December, 1910.

"There is not less wit nor invention in applying rightly  
a thought one finds in a book, than in being the first author  
of that thought."

—BAYLE.

I.

"The Lord is my Shepherd;  
I shall not want;  
He maketh me down to lie  
In pleasant fields where the lillies grow,  
And the river runneth by.

II

"The Lord is my Shepherd;  
He feedeth me  
In the depth of a desert land;  
And, lest I should in the darkness slip,  
He holdeth me by the hand.

IV.

"The Lord is my Shepherd;  
I shall not want,  
My mind on Him is stayed,  
And tho' thro' the Valley of Death I walk,  
I shall not be afraid.

IV.

"The Lord is my Shepherd;  
O, Shepherd sweet,  
Leave me not here to stray,  
But guide me safe to Thy Heavenly fold,  
And keep me there, I pray."

—MARIE CORELLI.

"Dost thou spread the sail, throw the spear, swing the axe, lay thy hand upon the plow, attend the furnace door, shepherd the sheep upon the hills, gather corn from the field, or smite the rock in the quarry? Yet whatever thy task, thou art even as one who twists the thread and throws the shuttle, weaving the web of Life. Ye are all weavers, and Allah the Merciful, does He not watch beside the loom?"

—FROM "THE WEAVERS."

"Whatever is worth doing is worth doing well."

MRS. F. ALLEN.

"Do nobly that deed which lies nearest thee."

MRS. WILLIAM ASHLAND,  
Berkeley, Cal.

LOUISE M. ALCOTT.

"We live in deeds, not years;  
In thoughts, not breaths;  
In feelings, not in figures on a dial.  
We should count time by heart throbs;  
He most lives who thinks most,  
Feels the noblest, acts the best."

A lip for her that smiles;  
But if her mind be like the wind,  
I'd rather foot it twenty miles."

than Norman blood."

WM. ALGY,  
Brampton, Ont.

Tacoma, Wn.

"Whoever says, when clouds are in the sky—  
'Be patient, heart, light breaketh by and by,'  
Trusts the Most High."

MRS. BAIN.

LIZZIE YORK CASE.

"In men whom men condemn as ill,  
I find so much of goodness still;  
In men whom men pronounce divine,  
I find so much of sin and blot,  
I hesitate to draw the line,  
Where God has not."

FRANCES ARNOLD BLACK,  
Bellingham, Wash.

"There is ever a song somewhere,  
My dear!  
Be the skies above or dark or fair.  
There is ever a song that our hearts may hear—  
There is ever a song somewhere."  
My dear—  
There is ever a song somewhere.

—JAMES WHITCOMB RILEY.

"Build thee more stately mansions, O my soul."

—OLIVER WENDELL HOLMES.

But ring the fuller minstrel in."

—TENNYSON.

H. P. BARLOW,  
Vancouver.

"To be trusted is a greater compliment than to be loved."

—GEO. MACDONALD.

ELIZABETH BAKER.

"If you can keep your head when all about you  
Are losing theirs and blaming it on you:  
If you can trust yourself when all men doubt you,  
But make allowances for their doubting too;  
If you can wait and not be tired by waiting,  
Or being lied about, don't deal in lies,  
Or being hated don't give way to hating,  
And yet don't look too good, nor talk too wise  
If you can take loss philosophically, if you can  
Resist temptations, if you can fill the unforgiving  
Minute with sixty seconds' worth of distance run—  
Yours is the earth and everything that's in it.  
And—which is more—you'll be a man, my son!"

—KIPLING.

—BURNS.

causes in all extraordinary events, and when such natural  
causes are wanting, resort to God."

—COUNT DE GABALIS.

H. M. BURRITT.

"Trouble's a ton, or trouble's an ounce,  
Or trouble is what you make it;  
It's not the fact that your hurt that counts—  
It's only, how did you take it?  
Your battered to earth; well, what of that?  
Come up with a smiling face,  
It's nothing against you to fall down flat,  
But to lie there, that's the disgrace."

"So many gods and so many creeds,  
And so many paths that wind and wind;
