BEAVERS GROUP RECEIVES PRAISE

Local Junior Red Cross Group Was
Highly Spoken of by Miss Lawson,
Director of Junior Red Cross for
New Brunswick.

At the Red Cross Provincial Convention held recently in St. John much praise was given to the Junior Red Cross Societies throughout the Province and to the Beavers of the Hartland school came special praise. Miss Lawson, who has charge of the Junior Red Cross in New Brunswick, said that this society sent in the most work and the best and wrote the best letters of any society in the Province. After making this statement she asked if there was anyone present from Hartland. Mrs. G. F. Bolster, who was the delegate and was present, responded, saying she was proud to be representing Hartland and said she would carry back to the Beavers the good report given of them. This she did at a meeting of the Juniors held recently at which a very nice program was rendered and to which parents were invited, quite a number of whom availed themselves of the invitation.

The Beavers is the Society of Grades 3 and 4 and is in charge of Miss Annie L. Kingston, teacher. Besides the work done at Christmas it was suggested to the Beavers by their leader that each one save what pennies they could to also send in to the head office. This they did, the sum of \$2.45 was realized. The Beavers received a letter from Miss Lawson thanking them for this extra donation and told them that up to the night before Christmas they had not decided in what way their money would be spent, when in walked a man saying he had been out of work for some time and had nothing to buy his children's Christmas dinner with and appealed to the Red Cross for help. The society had another small sum of money on hand so they put the two together and had enough to provide a dinner for these little children. When this was read to the Beavers, they were very much interested and were visibly affected. This and many other splendid instances go to prove what a splendid organization the Red Cross is and what a great thing the Junior Red Cross is in a great many more ways than one.

Besides the Beavers there are six other Junior Red Cross Societies in the school and they are all doing splendid work. Recently they have been very busy making valentines which they send to the head office at St. John where they are distributed to the children at the hospitals and homes, thereby spreading sunshine and cheer to those poor unfortunate little ones.

Lower Windsor

Lower Windsor, N. B. Feb. 10.—Coles and Page are working in the Nashwaak woods.

Mrs. Wealtha Craig has returned home from Rockland where she has been visiting Mrs. Francis Cook. Gordon Foster spent a few days at Oak Ridge last week visiting his parents, Mr. and Mrs. Elwood Foster.

We are glad to report that William Foster is much improved in health. George McBurney of Waterville is visiting his aunt, Mrs. J. W. Foster. The usual Sunday evening sing was held at T. H. Belyea's.

Josephine Fraser of Jacksonville is staying with her grandmother, Mrs. Joseph Craig.

Harry Albright of Victoria Corner has returned home after helping C. S. Hallett get lathwood.

Mrs. Solomon DeLong is still quite ill. Ray Caldwell is also on the sick list.

B. Seeley who spent Sunday at his home has returned to Oak Ridge. A number of the men of this place are engaged in hauling lathwood for F. W. Smith's mill at Rockland.

Mrs. Marion Shaw is visiting her daughter, Mrs. Bruce Seeley.

SUPPLIES NEEDED.

The Carleton County L. P. Fisher Memorial Hospital and Nurses' Home must have new supplies of all sorts, immediately, especially bed linen. A dozen tray cloths would make a splendid donation, plain and inexpensive, by request of the superintendent. Will the ladies of Carleton County make a special effort to help their hospital in this emergency.

Woodstock, N. B.

BATH

Bath N. B. Feb. 10.—On Saturday the weather was so fine that many of our young people went on snow shoe and skiing hikes. Among others we may mention the Misses Frances Fulton, Madeline Smith, Helen and M. Giberson.

Mrs. John Fulton and Mrs. Chapman spent Saturday with Mrs. N. Parker.

Matt Bohan and Miss K. Bohan spent the week-end with friends in Fredericton. Gage Montgomery is also in the Capital for several days.

On Sunday all the churches were well attended and the Mission Band service at the Baptist Sunday School is worthy of special mention.

On Wednesday afternoon members of Women's Missionary Aid met at the home of Mrs. Mary Secord. Plans are laid for the erection of new station at Bath to take the place of the old station recently destroyed by fire. Some of the citizens could like to see the new station on a site farther south, where there are not so many buildings so close together.

The Women's Institute plans to have a Bean Supper at the Court House on the evening of the 17th. Instant, after which a Valentine P. O. and other other items of entertainment. It is expected that many will attend.

A number of friends of the late Mrs. William Drost went from here to attend the funeral at Wicklow on Monday. Service conducted by Rev. G. A. Giberson and Rev. G. Wasson.

Carleton Temple proposes to have a Valentine Supper on the 14th inst. The sisters have the reputation of being good providers.

Another good time later when the Knights of Pythias will hold their usual anniversary session on February 19th, at 8 p. m.

On Saturday evening there was an extra good time at the skating rink when about all the skaters in town were on the ice.

CHURCH SERVICES

SERVICES AT THE

HARTLAND BAPTIST CHURCH
Services will be held next Sunday at the Hartland United Baptist as follows:

In the morning at 11 o'clock there will be preaching service by the pastor. The subject of the morning sermon will be "The Indwelling Christ." In the evening at 7:30 o'clock a second preaching service will be held. The subject of the evening service will be "Two Would-be Disciples." The Sunday School will meet at 2:30 with classes for all ages. Women's Bible Class has just appointed Mrs. T. S. Simms as teacher and a very urgent invitation is extended to the ladies of the church and congregation to attend this class. The attendance at the Men's Class continues to increase, yet there is room for more, and the men of the community are cordially invited to share in this privilege.

METHODIST CHURCH SERVICES

Rev. Erle Fyche of Andover will be the preacher at the Methodist Church Sunday evening. Service at 7:30 o'clock. All cordially invited. He will also be at the morning service at 10:30. Sunday School at this church is at 12 o'clock. There is a church class of young men in the school. They will make welcome all young men adherent to this church and any others who wish to come.

Rev. O. W. Shaw will hold services on Sunday as follows: Bannock, 10:30 a. m.; Cloverdale, 7:30 p. m.

Bon, Feb. 9, to Mr. and Mrs. Isaac Sherwood, a daughter, Alma Louise. Services will be held in Holy Trinity Church on Sunday at 11 a. m. and 7:30 p. m.

ANNUAL MEETING I.O.D.E. CHAPTER

Election of Officers—Secretaries Report on Activities of Chapter—Interesting Address by Mrs. Page Boyer on "Our Duties to the Empire."

The Malbaine Chapter of the I. O. D. E. held its first annual meeting Friday evening, Feb. 5, at the residence of Mrs. A. W. MacDougal, with a good attendance of members and much business transacted.

The election of officers for the coming year took place and resulted as follows:

Regent: Mrs. E. S. Miller.
1st Vice-Regent: Mrs. A. W. MacDougal.
2nd Vice-Regent: Mrs. Wendell Feltie.

Secretary: Miss Ada D. Boyer.
Treasurer: Miss Lyde M. Reid.
Echo Secretary: Miss Helen Raymond.

Educational Secretary: Mrs. Page Boyer.
Standard Bearer: Miss Martha McCollom.

Provincial Councillors: Mrs. H. H. Hatfield, Mrs. L. DeC. Macintosh, Miss Jean Miller.
Councillors for own Chapter: Mrs. Kenneth Keith Mrs. J. McLeod Boyer.

The secretary's report showed that the Malbaine Chapter had been organized October 8, 1924 with a charter membership of 19 and since that time 4 new members had been received. A Pantry Sale was held January 15, the proceeds of which are to go to the I. O. D. E. War Memorial Fund. At this meeting a splendid paper was read by Mrs. Page Boyer, the educational secretary, on "Our Duties to the Empire."

IVAN C. RAND WINS IN GLOUCESTER CO.

Attorney-General Defeats J. L. Ryan and Gains Seat in House—Majority of 1,919.

Ivan C. Rand, the government candidate in the Gloucester County by-election defeated J. L. Ryan, the opposition candidate by a majority of 1,919 votes. This gives the Attorney-General a seat in the Legislative Assembly and assures him of the re-election of his position. The downfall of the Veniot candidate in Moncton several months ago was heralded far and wide as a slap in the face for the Veniot administration and the federal government's attitude toward the railway centre of Moncton. Mr. Rand took his defeat and Premier Veniot was held in his return. He attempted to elect Mr. Rand in the County of Gloucester and his efforts were successful even if Mr. Rand was an outsider. This fact coupled with the success of the successful candidate plainly shows the attitude of the people of Gloucester County towards the Premier who has served them for over three years in a most satisfactory manner.

RED CROSS ANNUAL MEETING.

The annual meeting of the Red Cross Society was held Thursday at the home of Mrs. Odhar Greer. There was a good attendance and the following officers were elected: Mrs. S. Miller, was re-elected president, 1st vice-president, Mrs. Arthur Currie; 2nd vice-president Mrs. Gordon Boyer; 3rd vice-president, Mrs. Ann Kennedy; Secretary, Mrs. L. E. MacFarland; treasurer, Mrs. E. A. Moore. Mrs. R. Harris and Mrs. W. E. Thornton were appointed counting committee and Mrs. Odhar Greer and Mrs. George McGoldrick were appointed the buying committee.

DEAR MR. CREASE:

I thank you for the box of chocolates which reached me a few days ago. Really I take off my hat to the manufacturers. The chocolates are as good as I have ever tasted and my wife, who is a better judge than I, says they

are the best she has eaten. I am no longer from Missouri, but am ready to concede that you Canadians DO know how to make candy. (From a letter written by Mr. A. C. Shaffer of the Insurance Company of North America, Philadelphia.)

Needless to say the chocolates referred to were made by Moirs.

BABY'S COLDS

Children's delicate digestions are easily disturbed by too much "dosing." Still, the little ones' cold troubles cannot be neglected.

At the very first sign of croup, sore throat, or any other cold trouble, apply Vicks VapoRub over the throat and chest. There is nothing to swallow—you just rub it on. Colds go over night, croup is usually relieved in 15 minutes.

NERVES AND FAINTING SPELLS

Sent Woman to Bed. Great Change After Taking Lydia E. Pinkham's Vegetable Compound

Sarnia, Ontario.—"After my girlie was born I was a wreck. My nerves were too terrible for words and I simply could not stand or walk without pains. I suffered with fainting spells until I was no longer any good for my household duties and had to take to my bed. The doctor said I should have an operation, but I was not in a fit condition at that time. My neighbor said, 'Why don't you try Lydia E. Pinkham's Vegetable Compound?' I am sure it will do you good and will save those doctor's bills. So I was advised by my husband to try it after I told him about it. I am very thankful to say that I was soon able to take a few boarders for a while as rooms were scarce at that time. My baby is 17 months old now and I have not yet had an operation, thanks to your medicine. I have recommended the Vegetable Compound to a few people I know and have told them the good it has done me. I know I feel and look a different woman these last few months and I certainly would not be without a bottle of your medicine in the house. You can use this letter as you see fit, as I should be only too glad for those suffering as I have to know what it has done for me."—Mrs. ROBERT G. MACGREGOR, R. R. No. 2, Sarnia, Ontario.

A recent canvass of women users of the Vegetable Compound report 98 out of 100 received beneficial results. This is a remarkable proof of its merit. C

Here and There

Mineral production in Canada for 1924 is estimated at \$203,194,000, as compared with \$214,079,381 in the preceding year, according to a preliminary statement issued by the Department of Mines. Metallic minerals accounted for \$96,034,000 of the total, followed by fuels and other non-metallics with \$73,830,000, and structural materials and clay products with \$33,330,000.

The Port of Montreal created a new world record in 1924 for the amount of grain handled by any one port in any one year, namely, 165,139,396 bushels, while from January 1 to November 30 she handled 94,366,508 bushels more than her nearest competitor and 17,332,709 bushels more than the seven next busiest ports combined.

Described as the finest coastal vessel in the world, the "Princess Kathleen," recently launched by Lady Mount Stephen, widow of the late Lord Mount Stephen, a former president of the Canadian Pacific Railway, left Glasgow on January 15 on her ten thousand mile journey through the Panama canal to join the Canadian Pacific's fleet of coastal steamships plying the seaboard of British Columbia.

A historic pageant of some proportions is being planned by the Calgary exhibition board for this year, its object being to commemorate the fiftieth anniversary of the founding of the city by the old North-West Mounted Police in 1875. In the period which has since elapsed, Calgary has grown to be an extremely busy, modern city, having a population of 75,000. A stampede similar to those held in Calgary in previous years is also planned for this summer.

The itinerary of the "All Blacks," New Zealand's wonderful rugby team, hitherto unbeaten, in their tour of Canada, was announced by the Canadian Pacific recently. Landing at St. John, N.B., on January 31, from the company's steamship "Montlaurier," the team will proceed across the Dominion via Canadian Pacific lines. They will make short stays at Montreal, on February 1; Toronto, February 2; Niagara Falls, February 3; Calgary, February 6; Banff, February 7-9; Vancouver, February 10-21, and sail from San Francisco on the 25th. Calgary is giving them a ball and dance at the Palliser Hotel, they will take part in the Banff winter carnival, and will play teams from Vancouver and Victoria while on the coast.

Very heavy summer travel is anticipated by the Canadian Pacific Railway during 1925, especially to conventions on the Pacific coast of Canada and the United States. C. B. Foster, passenger traffic manager of the company, announced recently. Canadian and American railroads expect 150,000 persons to attend these conventions, some of which will be very large. At least thirty westward bound special trains, and as many eastward bound, will be provided by the Canadian Pacific to handle the delegates. Mr. Foster stated, and Banff and Lake Louise expect great seasons, as so many of the travellers will stop off at those famous mountain resorts. There will also be a very heavy movement to conventions in eastern Canada and the eastern United States.

RECEPTION AT EAST FLORENCEVILLE

Mrs. James S. Turner received for the first time since her marriage on Wednesday afternoon at her home in East Florenceville. She wore a lovely dress of navy silk canton while her mother Mrs. Walter Turnbull, who received with her, was tastefully gowned in a combination of black

canton crape and satin. The guests were presented by Mrs. D. R. Chown who wore black taffeta with green trimmings.

The reception rooms presented a very pleasing appearance with yellow candles and decorations of spring flowers, yellow being the predominating color. Mrs. Laura Banks, wearing a fawn wool crepe with powder blue trimmings, ushered the guests to the dining room, which was especially attractive with its profusion of daffodils and pretty appointed tea table, centered with daffodils and yellow lighted candles. Mrs. G. Fred Turner, who wore black satin with hat to match, poured, while Mrs. A. D. McCain, wearing brown canton with black picture 'at, cut the ices. They were assisted by Miss Muriel McCain who was charmingly gowned in velvet with trimmings of grey fur and wore hat to match.

Local And Personal Items

Centreville, N. B., Feb. 10.—The feature film on Wednesday evening was a comedy entitled Six-Cylinder Love. A most enjoyable evening was spent sort of a burlesque showing the sort and number of friends a man develops when the agent loads him up with a car. Donald Meek and Ernest Truex were the stars. On Saturday evening "More to be Pitted Than Scorned, proved an excellent picture though a bit sobby in spots. A good exhibition of fisticuffs between the hero and the villain injected a lot of pep into it. Rosemary They showed to good advantage against the artful tactics of Alice Lake as the other woman. "Grandpa's Gal, a Christie Comedy in two reels filled out the programme. Read page 7 for this week's bills.

Mr. and Mrs. C. H. Sullivan entertained the members of the bridge club on Friday evening at their home on Mill Street. Guest filled seven tables and included Mr. and Mrs. A. J. Lee, Mr. and Mrs. LeR. WEEKLY ITEMS OF INTEREST

MILD WEATHER

Last Friday was the first warm day we have had for several months. The chill left the air and one did not have to listen to Miami over the radio to realize spring was coming sooner or later. Several weather prophets say it will be later. Are these fine days "weather breeders"? We sincerely hope not for we have had enough winter for some time to come. The continued soft weather is benefiting the water situation which has been very distressing in this locality.

AMALGAMATION

The amalgamation of the Stetson-Cutler interests in northern New Brunswick and Quebec with the Fraser Companies Limited is an event of provincial importance. The Fraser Companies have been negotiating with the Stetson-Cutler Co. since early fall and it was not till last week that the outcome was made known to the public. This remarkable combination of interests has combined two of the largest companies in New Brunswick. The Stetson-Cutler Co. with head office at Campbellton, was the recognized leader in northern N. B. and now comes this union of forces. What changes will be brought about one cannot foretell, but one thing is certain, the Fraser Companies Limited, are gradually gaining control of a large portion of the available forest lands of the Province. With the erection of the paper mill at Madawaska, this company has a chain of mills almost completely surrounding the province. The question is: Will this amalgamation and the ones that have gone before be beneficial to the province?

ONTARIO LIKES THEM

New Brunswick potatoes find a ready market in Ontario and many more could be handled there if properly advertised, according to C. D. Devlin, who is in St. John from Toronto, attending an insurance convention.

He was eating potatoes from this province this winter because he had become acquainted with their quality and went after them and got them in the Toronto market.

Why the potato growers did not insert a small ad in the Toronto papers advertising their wares as the best produced in Canada, he could not understand. The price was 10 or 15 cts. a bag higher than the Ontario potato but the difference in the quality more than made up for the difference in the outlay, was his idea.

THAT EMBARGO

Senator Moses tells American Paper and Pulp Association that if Canada imposes a heavy duty or an embargo on pulpwood exported to the U. S., then the United States would retaliate by declaring trade war.

We would suggest that they go to it for it is doubtful if they can do worse than they have done already.

POTATO SHIPMENTS

Local shippers shipped over 35 cars of potatoes from Hartland during the past week. Of these 50 per cent were consigned to Western Canada where the New Brunswick varieties are gaining favor. Railway officials report increased activity with the advent of warmer weather and although the price remains stable local shippers are gradually getting clear of a large portion of their stock.

FAIR PLAY SPEAKS

Editor Observer:

Kindly publish the following: I read with interest "Ratepayer's" article in The Observer of the 4th. inst., regarding retrenchments in town finances.

From the reading of his article it is inferred that the new mayor has by his own vote increased the expenses of the town. Whether this is done intentionally or not none but he knows, but to set the public right in the case let me explain.

The Town Budget for the year 1925 is \$10,000.00 and what the Mayor did was simply to favor a motion to take from one department and add to another the sum of about \$400 without increasing the Budget one cent for the town. It seems to be most unfair to write such an article, misrepresenting facts and by doing so cast reflections on the new mayor and making it appear that he is deliberately doing a thing after his election which he promised he would not do before his election and such not being the case. I approve of criticism, but there are two kinds: one is constructive and kind; the other is destructive and unjust. One has its motive in a sincere desire to be helpful, the other becomes merely petty, pecking, nagging disposition to find fault. One shows you where you are wrong and tries to put you right; the other snarls at your best efforts but offers no remedy. The reader may place "Ratepayer" in one of the two which they judge he belongs.

FAIR PLAY.

AVERY'S CAMP

Avery's Camp, Nashwaak, Feb. 9.—Perhaps our friends would like to know how we are enjoying life in the woods and here goes:

Weather has been very cold and frequent snowstorms. At present we are busy hauling off the yards. Our crew consists of thirty-two men, and two road monkeys, Running Jack and Walking Joe.

The operations are being run under the skillful management of Lee Dyer. We are all sumptuously fed by Mrs. Cecil Avery assisted by Robert Rideout. Our menu would shame the Mt. Royal.

We have thirteen teams, which are handled by thirteen hustlers, who are not afraid to ride high and the men who load them can sure throw some quick and fearless holds. McKel Sewell's teams are loaded by Seth Brooks and Walter Wasson. The company's teams are loaded by Warren McIntyre, Alton Avery and Logue Campbell. H. V. Frasher's teams are being loaded by Lawney Elms.

Our coast is solid blue ice put in with an eighty barrel tank. Henry Crockett is the engineer and A. K. Avery the conductor.

Our teams are unloaded by six landing men who claim they are the best on the Nashwaak.

The company teams are unloaded by S. W. Rideout, C. R. Thorne and B. Burlock. Sewell McKel's teams are unloaded by C. W. Rideout, our curly-headed boy and C. E. Pelkie. H. Frasher's teams are unloaded by Archie Francis. Our book-keeping is done by Cecil Avery and by all accounts he is sure good at doubling figures. Alton Avery is camp barber. He has taken the ears off four of our best men, and no extra charge. Chas. Rideout and Seth Brooks are running a Chinese laundry, Sunday being their busy day.

Lawney Elms amuses us every evening with his dancing which is not slow. We intend to break camp not later than March 1st.

From the boys who fear no noise!

THE BEST MONEY-MAKER

Dr. J. H. Grisdale, Deputy Minister of Agriculture in the Federal Government, says that the best money-maker in Canada today is the sheep industry. Here is a statement of his: "Indications are that the prices of wool will be higher this year than for a very long time. The wool supply of the whole world is down. The United States can take all that Canada can provide it with; and yet the total value of sheep flocks in Canada is only about \$2,750,000, not one-quarter of what it easily might be."

It is not only the United States which is a great potential market for Canadian wool, but the Orient as well. Japan alone the wool imports in 1913 were 6,655,000 pounds. In 1923 they had increased to 46,985,000 pounds. Wool yarn imports increased from 3,262,000 to 21,143,000 pounds, and wool and cotton mixture cloths from 8,836,000 to 21,060,000 yards. China's demand, too, is growing at a remarkable pace. Conditions the world over tend to point to the sheep industry as sure and staple in every respect. Here in British Columbia at many points there are ideal conditions for the raising of sheep, but the industry in this quarter is only in its infancy and at present we doubt if there is an ounce of the local produce going to overseas markets, although that product, properly encouraged, might be made a source of increasing wealth to the province.

Tit for Tat.

McIntosh made a fine art of meanness. When travelling he would keep railway porters busily attending to his luggage, and then purposefully forget the much-deserved tip until the starting of the train made its payment almost impossible.

One morning, however, he executed this manoeuvre once too often on the same man.

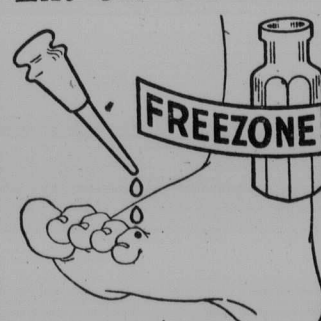

"Dear, dear; I am so sorry," he said, as the train gave a lurch forward. "I quite forgot to get change."

"And I am very sorry, too, sir," was the porter's dry retort. "I quite forgot about that brown portmanteau of yours—it's lying on the platform."

EDMUNDSTON'S DELEGATES FOR CIRCUIT MEET

(Edmundston Observer)

President J. F. Rice, Secretary T. Medley Richards and J. W. Hall, who has been one of the principal factors in Edmundston's race meetings, have been named as delegates from Edmundston Driving Club to attend the annual meeting of the stewards of the Maine and New Brunswick Circuit on February 11 at Fredericton.

Edmundston will be back in the circuit again this year if suitable dates can be arranged.

Fredericton, N. B., Jan. 31—Reports received from present members of the Maine and New Brunswick Circuits and also from New Brunswick tracks which will apply for membership in the circuit this year already have made it certain that there will be a solid season's racing for stables which campaign down East in 1935.

From everywhere comes word that horsemen are much pleased with the prospect of having St. Stephen back on the circuit again with a midsummer meeting, for some of the best summer meetings in the East in the past have been those given at the St. Croix border town.

As predicted some time ago, any

open dates during the season can be filled in with racing in New Brunswick, but the latest word from Northern Maine is that the customary number of summer meetings will be held in Arcoostook County.

Canadians Make Pilgrimage to Holy City

St. Peter's, Rome.

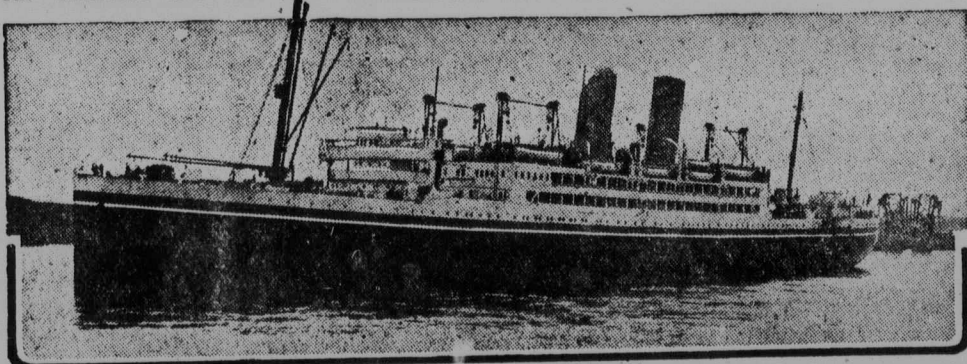

Canadian response to the Papal Bull promulgating the "Holy Year Universal Jubilee" is, according to reports of transportation companies operating between this continent and Europe, assuming unexpected proportions. Canadian Pacific officials report that applications for accommodation on the "S.S. Minnedosa", chartered by the Hone Tours Incorporated to carry Holy Year pilgrims to Bordeaux this summer, are steadily pouring in from all over Canada and the United States and that the Canadian contingent will be accompanied by many distinguished members of the episcopate, clergy and religious orders. His Eminence Cardinal Louis-Nazaire Begin, of Quebec, has signified his intention of sailing on the Minnedosa as have several other high dignitaries of the Church in Canada.

The opening rites of Holy Year have already been performed and the Papal Bull, formally announcing its commencement and inviting Catholics the World over to assemble in Rome has been issued. The purposes of the Great Jubilee as set forth in the Papal Bull are to live the year in expiation of sin, and peace through the unity of all charity. The opportunities to preside Pentecostal ceremonies afforded them by His Pius XI, are powerful factors in many to visit the Holy City.

The Minnedosa sails from

Quebec on May 5th next, one of the first sailings from the St. Lawrence for Bordeaux where the pilgrims will disembark and continue their journey by rail, stopping at Lourdes, Gressone, Marseilles, Nice and Genoa en-route to Rome. This vessel has accommodation for seven hundred passengers and in view of the special low rate quoted for the tour, it is expected that the Minnedosa will carry a capacity passenger list.

Although born in Levis, Quebec, in 1840, Cardinal Begin is well known in Rome as it was there in 1865, that the present head of the Roman Catholic church in Canada was ordained to the priesthood. In 1888 he was created bishop of Chicoutimi and, in another three years, Archbishop of Cyrene and coadjutor of His Eminence Cardinal Taschereau. In 1894 he took over the administration of the diocese of Quebec, being elevated to the Cardinalate in 1914.

Greer's Mud Muddle Mumbles

By ERWIN GREER

(President Greer College of Automotive Engineering, Chicago)

GREER PREDICTS FUTURE OF THE MOTOR CAR

The crowds that blocked every entrance when the big exhibit doors of the New York and Chicago automobile shows swung open were veterans of wheel and trail, for the most part. They were ushered in upon a world of absolutely new motor cars, set like strange jewels in brilliant decorative schemes, unequalled in lavishment by any preceding show. All the old familiar makes of cars were there, but name plate and basic construction alone marked them for the friends of former years.

Each succeeding booth held its mechanical surprise. Here a famous manufacturer unveiled a 1925 creation, new from hood to trunk rack and powered with a motor fresh from the modern experimental laboratory. There flood lights picked out a graceful body so radically improved that it made last year's coach work antique in comparison. Everywhere was change, improvement and confidence.

Whither are we rolling? There are

no reverse gears in motor progress. "Saturation point" means transportation sufficiency and we grow too rapidly for transportation to catch up with demands and requirements.

Automotive factories will operate on a more accurate basis with finer limitations and more delicate operations than watch, surgical or astronomical instrument factories.

An automobile mechanic will be the greatest skilled workman in the world. The chassis will soon be so developed as to carry a 25-year guarantee against breakage, rattles or squeaks. Hoods will be constructed not to lift up. There will be one place only for feeding oil and grease.

Garages will be for storage and gas, oil and accessories only; no repairs needed at all. Every office building will have its own garage, while heavy traffic streets will be constructed either over or under the streets.

The battle of the future in the automotive industry will be sales organization, merchandising methods and constructive advertising.

NEW BOOK MAKES ROMANCE OF HISTORY

Tells Story of Canadian Pacific Railway and Building of Dominion

R. G. MacBeth must know that of the Canadian Pacific. Now at last comes a volume, well illustrated with photographs, which presents that history in its most palatable form—that is, in a form emphasizing the human factor. "The Romance of the Canadian Pacific Railway," by R. G. MacBeth (the Ryerson Press, Toronto, \$2.50).

The author, who has a number of historical works to his credit, is singularly well equipped. Apart from his literary skill, he has the advantage of having lived in the Canadian West all his life. He has always been in close touch with the Canadian Pacific, though he is careful to point out that he has never been connected with it and has written and published his book independently.

Mr. MacBeth here traces the amazing story of the company's development into the world's greatest transportation system; of the steamships, of the telegraph and express; colonization; irrigation; hotels and bungalow camps; of its war service and of all its activities, with a wealth of interesting detail which illustrates the brilliant administrative and organizing ability of its executive.

Canadians should be proud, as Mr. MacBeth reminds them, that their country approved the construction of this pioneer transcontinental when the population was only 4,000,000, though the United States had not dared to undertake a similar road till she had ten times that number. The frightful difficulties, political, technical and financial, through which the company's sponsors and founders fought their way to victory are well summarized. For instance, it is recalled that sections of the line north of Lake Superior cost \$500,000 a mile to build, and a musketeer east of Winnipeg swallowed seven tracks before it was conquered. The author shows that the triumphant accomplishment of the work was especially creditable because it took place in a period of immense depression.

Sir William Van Horne, general manager and later president, that man of tireless energy, vision and determination, is the central figure in the volume and there are many anecdotes illustrating his versatile character. But all the other great men of the company—Mount Stephen, Shaughnessy, Beatty, Angus and a host of others—receive their due. Lord Shaughnessy's fine words: "The shareholders and directors of the company have always been impressed with the idea that the interests of the company are intimately connected with those of the Dominion and no effort or expense has been spared to help in promoting the development of the whole country" are amply backed by the company's deeds. And the author makes a statement which is very a propos when he says: "The country and the railway, in such a case as this, must stand or fall together. Each is necessary to the prosperity of the other. Hence for one to attempt the destruction of the other is practically a roundabout but effective way for that one to commit suicide."

Use the Want Ad Way

If you have anything to sell, a house to rent, money to loan; IF you want a position, or a farm or a store; IF you are in need of help for your farm or your business;

Then put a WANT AD in The Observer. It will make money for you. If you read our Want Ads you can save the price of your year's subscription to The Observer by saving money on some article advertised in our Want Ad column.

The Way you write your Want Ads has a lot to do with their effectiveness. State clearly just what you want to buy when you are advertising a farm or a house, etc., for sale; give the price and terms you will accept. If you want a position give your qualifications. Be explicit and to the point.

The Cost of these Want Ads is very small. Fifty cents for the first week and twenty-five cents for each additional week. No ad to exceed five lines, six words to the line. If over five lines the price is ten cents per line for first week and five cents per line for each additional week.

Money must always accompany the order. Please don't forget this as no ad will be charged. Address all communications to

The Observer Ltd.

Zam-Buk

"A fiery irritable rash on my hands turned to eczema," says Mrs. H. McDonald, of Oyster Pond, N.S. "After medical treatment failed, I tried different salves and blood-purifiers. But my skin got steadily worse, and became one dreadful mass of eczema."

Quickly Ends

"After a year's suffering I was persuaded to get Zam-Buk. I shall never forget how it soothed the fiery pain and itching. Day by day, as I persevered with Zam-Buk, the sores lessened and died away, until in time my skin was thoroughly purified and healed."

"Exhausted Nerves and Palpitating Heart"

Mrs. L. Whiting, 202 King St. West, Brockville, Ont., writes:

"I took very sick with my nerves and stomach, and seemed to be all run down. At times my heart would flutter and palpitate so and I would take such weak spells in the pit of my stomach that I sometimes thought I would never get better. I tried several doctors, but it seemed nothing they gave me helped. I had almost given up hope when a friend advised the use of Dr. Chase's Nerve Food. I tried it, and can say it certainly has done wonders for me. I did not stop until I had taken twenty-five boxes."
