A SCENE IN THE LIFE OF A PRONEER.

I was once told a thrilling adventure of the first settler in Paris, Maine, with a cammoun Although I cannot relate it with that lively off or with which it was told me, still I have this did the facts in this sketch?

I had been on a hunding excursion, and as I was returning. I fell in with that off-discribed personage, "the oldest inhabitant." He kindly accosted me, and I gladily entered in the convergation with him.

"Young mah," said he, "when I first visited this town, there were only three families heigh in You who now live in ease, can prove know the hard-hips and performs seems through which the earlier settlers passed.—
Come with me," he continued, "and I will life crowded to my brain. The hot bloom

Cane with me," be continued, "and I will life crowded to my brain. The hot bloom

that ever erected in this town was located."

I followed silently, until the old man teach edite totalm of the west side of Paris Hill, "There," said he, "on this spot was erected the bull. I shall pover forget the first time I visued it, and the stary I was told."

"What was it?" I asked.
"I will tell it to you. When the first settler moved here, his nearest midelant lived.

"Another shrick, and I tossed the garmen | Christian Times.
