The accused Pte THOMPSON has had an unhappy youth leaving home at the age of 13 and spending most of his time until he joined the army as a wanderer. The reason being that he could not get along with his step mother. His older brother left home for the same reason and his father finally separated from his step-mother in 1940. As a result the accused has never had much education and very little parental discipline. He joined the army when he was 16 and he is now only 19 although his paybook shows him to be 21.

The accused served in Canada for two years with the Victoria Rifles and was in Category B because of flat feet. Just before coming overseas he was given a medical board and his category was raised to A. All this can be verified in Part I of his paybook. When he arrived ~~over here~~ at the R. H. L. field unit he started having trouble with his feet occasioned by Battle Drill. He went to the M.O. who recommended that he be transferred to the Forestry Corps. The necessary papers were signed by the accused and when nothing came of it he applied to his coy comd for a job as DR or Dr I.C. As nothing came of this and as he was still having trouble with his feet he was continually being put on charge. At this time he heard that his brother who had been missing from Dieppe was definitely killed. Feeling upset at this news and believing that he was not getting anywhere with the unit he conceived the idea of getting transferred to the holding unit by incurring a stiff enough sentence to be S.D. 3 days field unit. As an F.P. man was ~~in~~ confined to ~~barracks~~ and ~~drill~~ by the M.O. and as he had plenty of opportunity to walk out ~~as~~ he took a convenient moment.

The accused is anxious to get a crack at the Germans on account of his brother and if he can get a job where his physical

defects won't handicap him knows that he can do a good job of soldering. He is very young and unsettled and I feel more if the court see fit to deal lightly with him he will prove to be a valuable soldier when time for action comes.

Sir: Plea of Prosecution on
May it please the Court. Gentlemen
the Court has heard the evidence given in a
clear and convincing manner by Witnesses.
The Prosecution feels the evidence to be most
conclusive as it proves certain facts.
The Accused most certainly did not
act in a soldierly manner. When a man
subject to Military Law shows in such a
startling manner his apparent utter disregard
for that law - he must be punished. The
exact fact he may be called upon to

MM

If perform a duty not especially in accord with his own views or goals for him must bear no weight. It was and is his duty to perform willingly any task given and to do so to the best of his knowledge and ability, without question.

Prosecution believes that the accused fraudulently had an Army Record without claim. Granting this to be true the Pros. can only wonder why a man would prefer anonymity a record of two years training as he most certainly has

W. done in this instance, in a matter of minute. the act shews a dominant defiance of authority. there can be nothing said in mitigation.

therefore in the interest of discipline an offence of such a glaring nature must not go unpunished

PLEA OF MIDIGATION

IN THE CASE OF

CPL. THOMPSON. F. J. K 70134

MADE BY THE DEFENCE.

Mr. Pres., sir, and gentlemen of the court you have heard our defence which has been made as straightforward as possible to bring out the truth of the case. You have seen the accused N.F.M.6 and also shown that since enlistment he has been convicted of no crime whatsoever. You have heard the witnesses as to good character. I only wish to say now that this soldier being in civvies and that he was being unjustly treated and harshly dealt with made the mistake of talking back

To a superior officer. The
defence I wish to make
for that ~~defence~~ mistake is, that
after ~~he~~ being recruited
into, & serving with for
22 months, the 12th Can. Lt.
Fd. Brds. he had developed
the practice of bringing
up a grievance with his
superior officers and demanding
satisfaction from them.

In closing I will say
that I am sure the court
will shall be justly treated
in the ~~finding~~ award they
deserve by this court.

Thank you, Sir

Lt. Lt. Lt.

On afternoon 5th June shortly after lunch about 1330 hrs I called at my orders room and left instruction that when Cpl Thompson returned I wished to see him to dictate. Shortly after about 1400 hrs. he appeared. As he entered I looked up and saw that he was smoking a cigarette which was hanging from his lips. I spoke to him saying this and said when you come in here to take dictation or otherwise you do not come in with a cigarette hanging out of your mouth. I added you should know better than that. Have you not been told before. He replied "No I have been told that one before and besides I don't like it" I explained that whether he liked it or not he would not do it in future I also cautioned him about his manner. He then proceeded to argue that "I don't have to do this sort of work" and he made some remark about "a class B clerk. I explained that he was compelled to carry out this work and therefore should

do as he was told. He persisted in arguing until I told him to be quiet and to sit down and get on with his job. He did this and took dictation for a letter. When he had finished and was about to leave the office he said "well that's the last dictation I take or words to that meaning. During this episode his manner was impudent, insubordinate and in my opinion his attitude at times bordered on defiance. By this I mean that I would not have been surprised if he had walked out of the office.

At apx 1400 hrs 5th June I was in Col Bashins office when accused came in to take dictation. He had a cigarette in his mouth. The Col told him to take it out. When asked if he was in the habit of smoking when taking dictation the accused said he was. He seemed to resent this

request and he said that he did not have to take dictation as he was not drawing Group B trades Pay. The Col then ordered him to take dictation which he did. When pressed the accused remarked that that was the last time he would take dictation from him. Because of his insolent manner to Col Bashin he was placed under arrest. 1. The a/m N.C.O. enlisted in the 12 Cdn Fd Amb (later 12 Cdn Lt Fd Amb) on the 4 Aug 1941. Following basic trg he was employed as a clerk in the Unit Orderly Room. In Mar 1942 he was made an acting corporal and was confirmed in this rank on the 9 June 42. On 30 Mar 43 he was S.O.S. 12 Cdn Lt Fd Amb to # 1 C.G.R.U.

2. As 2 i/c of 12 Cdn Lt Fd Amb I knew Cpl. Thompson from the time of his enlistment until he was S.O.S. to 1 C.G.R.U. He was a most efficient clerk and had no crimes while with this unit. He was somewhat restless and impatient in periods of comparative inactivity and in the Fall of 1942 requested transfer to the R.C.A.F. or to some combatant unit where he could get more action. These transfers were approved by O.C. 12 Cdn Lt Fd Amb but were not granted by higher authorities. Cpl. Thompson was S.O.S. in March 43 to C.G.R.U. in the anticipation of transfer to a more active unit from there.

To Whom It May Concern:

K70134 Cpl. Thompson, Frederick John RCAMC

1. I took over comd of 12 Cdn Lt Fd Amb 13 Dec 42.

2. Cpl. Thompson was employed in 12 Cdn Lt Fd Amb as Cpl. clerk at that time and continued to be so employed until S.O.S. to 1 C.G.R.U. 30 Mar 43.

3. Cpl. Thompson, during the above mentioned period, was a very efficient clerk, inclined to be restless due to inactivity and expressed a wish to be transferred to the R.C.A.F. or combatant army unit of some type. Being a tradesman, this could not be arranged, but on reorganization of the Medical Services, an exchange of Cpl. clerks was arranged with 2nd Echelon and Cpl. Thompson was S.O.S. to 1 C.G.R.U. This was not done to get rid of Cpl. Thompson, but it was thought that at 1 CGRU. he might be given an opportunity to get into the R.C.A.F. or a combatant army unit.

4. While under my comd he was not crimed at any time, was proficient at sports, cheerful and liked by person nel of this unit. He was at times considered to be verbose but never insubordinate. His verbosity was not considered to be obnoxious but merely an expression of personality.

5. I would be willing to accept Cpl. Thompson as a reinforcement at any time a vacancy exists.

1 PW Gerardus Klerx, Laagelande 120 Waalwijk Holland SWORN
(testified in English)

I am the administrator of "Algemeen Ziekenfonds Gertruidenborgen Omstreken" Woolwijk
"(General Sickfund of Gertruidenburg and district" Woolwijk.
on 18 Jan 45 I had to bring 30000 Guilders from Waalwijk to another sickfund in Tilburg by which we are reinsured. When I arrived at the office in Tilburg I saw that the brief case had been lost. I went in the office and reported the loss and I asked to go to the police. I then went back over the way I had come to look for the brief case and also I went to police station. When I was half way back to Waalwijk I went again to Tilburg to see if anybody had found the case. at Police station I got a report that the case had been found by an old man and had been given by an allied soldier as a present and that I could went to a Canadian billet in the Spoorlaan in Tilburg. There I saw P. 2 Hermans a civilian

461

and a civilian police man. I reported my loss to Capt Rowland who sent for military police. I had got the 30000 Gulden from the bank at Waalwijk (Nederlandsche Handelmaatschappij N.V.) on 18 Jan 45 and put it in brief case which also contained letters and documents relating to my business. Case was dark brown leather (imitation crocodile) handle broken and mended with piece yellow wire.

EX 1 identified by witness as brief case and contents

This is mine and the case I lost that day. The contents of this case, documents, letters, invoices, statements and loose card record system are also mine and were in the case when I lost it.

The case contained (witness speaks from memorandum)

115 X 100 Gl. notes		11500
157 X 50 Gl. "		7850
414 X 25 Gl. "		10350
15 X 20 Gl. "		300
		30000

I made this record when I drew the money in the bank.

The 115 X 100 Gl notes
157 X 50 Gl "
374 X 25 Gl "
15 X 20 Gl "

now in the case EX 1 are in my opinion part of the same notes which I lost. I say this because of the paper bands which retain the various packets of notes and my recollection of them. They are my property. Witness points out various markings on bands.

EX 1 is case, documents and Gulden notes to Gl 7
Value of 24000 Gl.

I had brief case hanging on handlebar of my bicycle. It is 17 Kilo. from Naaldwijk to Bilbury (12 miles) I cycled thru the Spoorlaan in Bilbarg. It was about 1230 pm I discovered the loss.
The Bag EX 1 contains papers with my signature. Indicates general to court. and demonstrates his own signature for comparison.

I think I saw accused for first time about 4.15 pm when he was brought into billets by investigating officer.

To court.
EX 1 the case and its present contents including the 29000 Gulden is my property.

2 P.W. Lieut A.M. Johnston 1 Can SIS. Sworn on 18 Jan 45 approx 1530 hrs I went to "B" Pl 1 Can Armoured Car Coy and there I met Hernandes Klerk (identified) Mr Homels and Capt Rowlands. I was informed that Mr Klerk had lost 30000 G. and it had been found by Mr Homels and turned into "B" Pl by a soldier. Enquiries revealed that Pte Robertson S.N. L 107352 had been sentry at the gate at time money was turned in. He was not available. He returned about 1600 hrs and was interviewed by me. 4/61

As a result I placed him under arrest I decided to conduct a search of the barrack with assistance of sec. of the Corps. When I searched the bed room and effects of the accused I found a brief case which contained 29000 G. which. Brief case EX1 and 29000 G. in it were found on floor underneath accused's mattress. The documents now in the case were handed to me later by accused. I spoke to accused and others in room and they denied all knowledge. I told them I suspected one member of room and I would leave them alone to talk matter over among themselves and clear the matter up if possible. About 10 minutes later accused brought to me in the office downstairs the documents and records now in EX1 and stated he wish to clear the matter up and make a confession. I warned him and took a statement from him in writing.

CT No threats promises or inducements. It was purely a voluntary statement. He came to me. The warning given appears at top of statement. I made sure he understood it.

D.C I have no objection to admission of statement

To court. When accused came to me to give statement he had in his hand the papers and documents now in EX I (including papers bearing Mr Klerk signature) accused admitted the case and its contents including the money less the money he had given Robertson was the identical case and contents he had received from Mr Homers who had picked it up on the street. The barracks is in the Spoorlaan in Silberg. On 18 Jan 45 in evening about 2000 hours I held an identification parade. accused in line up. Mr Homers who had not been brought into contact with acc. was brought in and asked to pick out the man whom he had given brief case containing money. He picked out accused. I was coming along the road from the direction of the station - I was just 25 metres from the Ambyacht School on 18 Jan 45 about 1245 pm I found a brief case in middle of highway. I picked it up and a soldier came to me and told me to give it to the guard. I did not understand what the guard

Guard bone but we both tried to find out what was in the case. The moment we opened the case the soldier who had told me to give the case to the guard came up and took the brief case and took it in the building. Two minutes later the soldier came out of the building without the brief case. He went in direction of the station. I thought it wrong for him to come out without case so I immediately went to police (canal) and told my story. The Guard and I looked in the case it contained a lot of paper money bound together in packets.

Ex 1 is the brief case. The Guard saw the money. accused is man who took brief case and money into building. The bldg is on Spoorlaan in Silberg. Witness identifies Pte Robertson S.W. as man who was guard. ~~Robertson~~ is man I gave brief case to Thompson the accused.

Defence

1 DW Accused Pte Thompson G.S. sworn

On 18 Jan 45 about 1.30 to 2 pm I was going down for hair cut opp. station. Beside road There was a brief case on side of road. Mr Hamels came along about same time as I did and picked it up. He mumbled something to me I do not know what he said and went on up to Guard Pte Robertson G.S. I started on my way - he was talking to the guard. The Guard was busy checking out a Jeep. He was mumbling away to guard so I went back. He was holding out the brief case and talking as if he meant for me to take it. I takes the brief case up in my room and put it under my pillow and went for hair cut. I did not look in brief case at that time and did not know what was in it. When I come back I went up to my room and I looked in the brief case about that time Robertson come along off duty. I told him that there was money in brief case and he said he was going down town so I give him some money I do not know how much. I went back down on duty. About 5.30 pm I went back up stairs but could not get into my room on account of an investigation I did not know what for. Lieut Johnston found the brief case under my pillow. At the time I was nervous and

feared not having that much money before I told him that I did not know how it got there. 5 or 10 mins. later I go down and took the papers down and gave myself up. I never used any of the money from the case.

XX when Robertson came off Guard I met him in hallway. The money was still in my room under pillow - my bed was on floor. There was no conversation except what I told you. I just gave it to him.

ct

EX 1 is the brief case. I did not remove papers from case. I found them under mattress or pillow just where I had left brief case. Robertson would know money came from brief case. They were a packet of 25 $5 notes I gave Robertson. The only money I took out of grease I gave to Robertson. I was nervous and scared I did not know what I was doing. It was not because Robertson knew I had the boy that I gave him part of money. I did not tell Robertson there was money in bag when I went out for haircut. I took money straight from the case and gave it to Robertson; he could see it. I was worked up when I gave him the money. Previously I had not intended to keep the money. I never did intend to. R.D. 83(b) complied with.

Pros considers no summing up necessary.

D.O. sums up. accused was honest enough when he saw what was in bag, he turned up and took papers down to SIS. He used some

of money for himself. Only money removed from bag was that given to Robertson and most of that has been recovered.

Lieut A.M. Johnston recalled by court RP 86(c) examined under his former oath.

Lt. Yes it is possible that the papers from the brief case were still under accused's bed when I found those so I did not make a thorough search. The case was closed when I found it.

No questions by D.O.

I George Edward Thompson state
that I am 27 years of age, I am a farmer
in civil life, farming in Nova Scotia.
I am a married man with two boys,
one 6, the other 4. I joined the army in June 1941.
At noon today after lunch I left
my quarters & went out for a hair cut.
About 1230 hrs or 1245 hrs I was returning
& when about 150 x away from the barracks
I saw a bag, brown leather lying on the
side of the road near the sidewalk on popular

& identify it as the same one.
A civilian an old guy carrying an old
bag, I think he had a moustache picked
it up ahead of me. I asked
him when I came along he was looking
into the bag & he gave it to me. I said
"Give it to me" & I'll take it into the

I have a correction to make. I was
while I was going out that I got the bag
I then took the bag up to my room & that
is the first time I looked into it. I saw it
contained money & placed it on the

my sailing – then I went out & got my hair cut & didn't take any of the money out of the bag at this time.

After Robertson came off guard he was in the hallway going out & I took him to the door of my room & said here I gave him a packet of 25 guilder notes. I don't know how much was in it or not for I know how much was in it or not for I saw the man slid away something but I don't know what he said & I didn't say nothing. He went out & I went to work, stayed there until 1150 hrs & when I came in to the room there was search & the box of money was found by you under my bed.

I have read this statement & swear it is the whole truth. D.E. Thompson

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)

(1. RP 35 fn 3. 2. MML p 54 para 47.)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement? Ans No, Sir.(5)

(1. Court may be closed to consider the statement. Delete whole or part not used.)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)

(1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.)

B5. The Summary of Evidence is marked Ex A, initialled and read aloud by the President.(1)

(1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. NB: If trial proceeds, accused must be allowed great latitude in making his defence, and the Court should not stop his defence solely on ground of irrelevance. (RP 60(C), 114, 116.)

D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused: Do you wish to give evidence yourself as a witness, make a statement, or do neither? Ans .....Do you intend to call witnesses on your behalf? Ans .....Are they witnesses as to character only? Ans .....

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. Acsd's Statement : -

Ever since unit on ORTONA front was with them.
I was stretcher bearer. CSM and I didn't click. Went to rest
area and I asked Padre to see if could get transfer to another
coy. My coy went into line and I went to MO and asked him for
transfer to another coy. Came out of line, nothing done about
transfer. Went AWL and turned myself in to Bari rest camp.
On way from Bari to Avellino - 9 prisoners made break but
I did not try and stayed behind. At Avellino I was put in gd rm
to await escort and was brought back to unit.

Def Offr in mitigation: -

Acsd 23 yrs old and in army almost 4 yrs.
Went to front and with unit during muddy mos of Jan, Feb and
part of March. Acsd with coy HQ whether CSM to blame or
acsd to blame there was friction and acsd wanted to get to
another coy to avoid this. Saw padre and could not get
transfer. Went back into line and did his work. When came
out to Castelnuovo rest area he still had no satisfaction so
to get away from friction went on loose.
AWL but shows Court the problem on his mind - it growes and
ultimately becomes unbearable and tried to get away.

Plea attached at E3.

PLEA IN MITIGATION

By R.79158 Pte George Merrle THOMPSON, 4 (Gen Rft) Wing, 1 Canadian Repatriation Depot, (the accused).

The Accused requested that his Plea in Mitigation be given under Oath. After being sworn he made the following plea:

When I returned from Italy in approximately Apr 45 I returned to England here to find that my Regiment was overseas on the Continent somewheres and after trying to rejoin my unit several times I was powerless and I could not get over there at all. Shortly after that VE Day came along and hostilities ceased on the Continent and I thought I would be able to get home right away. Previous to this I had applied for leave but was refused and I waited until waited until after VE Day and they asked for volunteers for the Burma campaign, so I volunteered expecting to go any day and they sent me to No 3 Repat Depot. There they gave me a leave for a few days. While on leave I was taken ill and gone for 21 days. When I returned they took me off the draft and a day or so later when I tried to get on another draft for Canada they said they could do nothing for me, so I waited around another few days and got another leave, expecting this to be my last one. I went to see my girl friend and told her that it would be the last leave as I expected to go to Canada shortly. Just before my leave ended she told me she was pregnant. I told her I was going to Canada on this Burma Campaign and she was beside herself with grief. I told her that I would be back as soon as I could but she would not believe me and she threatened to take her life if I went. I pleaded with her and I pleaded with her to make her understand but I could not get anywhere with her at all. I kept pleading with her to see my side of the story as well as hers but she would not listen to me and told me that I was going to Canada and would not return. She is a married woman but is legally separated since 1942. She has no mother or father and has no one to take care of her at all. She thought I was going to leave her in the cart more or less and she threatened me with her life. There was not much I could do but stop that. I told her I would not be able to work as we had no employment cards, but I did get a job which I had to quit in a couple of weeks and get another one, and that went on for some time. I kept after her to see my side and trust me but she would not listen to me. She got on in her pregnancy and went to London to get in the hospital there as she did not want anyone in Coventry to know. We went to London but we could not get in a hospital there as I had no permanent address and so we went back to Coventry and tried to get in a hospital there but could not. We had no place of our own and were living with other people, so we rented a caravan and were living ~~the~~ in the caravan. She was still unable to get into the hospital and was very destitute as to what she was going to do about the child. As I said before, she has no mother or father or anyone to take care of her and she has a little boy by her husband. I was doing all I could do to make things easier but all the time it was getting harder on me. I could not reason with her and one day I had an argument with her brother and he said he was going to get even with us. The next day there was a PC constable came up and asked me for my pass. I told him I had none and he said you are an absentee from the army and I said I was, so he asked that I surrender myself to the civilian police and I said that I would. I asked him for a little time as she was not home then. When she came home I told her what happened and she knew who it was without me saying anything and all she said was "I'll kill him". I knew who she was referring to and I tried to get her to calm down a bit. She is beside herself now with worry because she cannot get in the hospital and has no one to take care of herself as she is living alone in the caravan. She has a friend who is coming from the ATS and who may be able to stop with her for a few days but apart from that there is no one who can help her. Besides all this her sister passed away on Saturday, adding more worry to it. There was only one thing I could do and that was stay away as I did not want to have that woman's life on my hands. As

things are going now I don't know what she is going to do. She has very little money to carry on with as it is now and I don't know how she is going to fare with the baby coming along and no one to look after her but herself. I hope I will get someone to understand the position I was in as I had no alternative but to stop that.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement? Ans.....(5)

B5. The Summary of Evidence is marked Ex....., initialled and read aloud by the President.(1)
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).*)

D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

SUMMARY OF EVIDENCE

In the case

of

D173 Spr. Thompson, G.W.

1st. Battalion R.C.E.

Cdn Army (o)

First Witness - B26384 Spr. McRae, O.N. having been duly sworn states, On 10 Jul 43 at approximately 2000 hrs Spr. Thompson whom I recognize and myself left 1 Bn transport parking lot in a station wagon and proceeded to the N.A.A.F.I. Canteen in Upper Caterham. There Spr. Thompson informed me that he had a cheque that he wished cashed. We proceeded to Godstone. Spr. Thompson left me with the car while he cashed the cheque. When we went back to the car he and I went into a pub in Godstone and had one pint of bitter each. We then proceeded back to Bn H.Q. Spr. Thompson driving. On the Caterham By-Pass I dozed off to sleep and the next I remember I was picking myself up off the road, by the chalk cut on the Caterham by-pass.

O N McRae
B26384 Spr. McRae, O.N.

The accused declines to question the witness.

Second Witness - B94782 Sgt. Harrison, G. having been duly sworn states, I, B94782 Sgt. Harrison, G. on 10 Jul 43 at approximately 2215 hrs at approximate M.R. 786755 on sheet 115 - 1 inch to 1 mile saw Ford Station Wagon W.D. No. 4202780 in a wrecked condition and upon examining it found work ticket A/3/3/15 which I now produce.

G Harrison Sgt

B94782 Sgt. Harrison G.

The accussed declines to question the witness.

Work ticket A/3/3/15 referred to in the above evidence was produced, shown to the accused, marked exhibit "A" and is attached hereto.

W B Sinclair

(W.B. Sinclair) Capt RCE

Third Witness - Capt. P.B. McCaffary having been duly sworn states, In August 1942 I, together with Capt. E.B. Scott conducted a course at Buck's Green, Surrey, to qualify sappers as drivers i/c. At the time this course was conducted the new M.T. Drivers Regulations had only been in 1 Bn for four or five weeks. Two of the lectures given by myself during this course covered,

(1) The highway code, road signs and signals.
(2) Drivers documents and vehicle documents.

When these lectures were given the drivers regulations manual were issued to the students under instruction and collected at the end of the lectures to be issued again for the next lecture. The method of conducting the lecture was for myself to read aloud paragraph by paragraph and explain them as I proceeded. The students followed me in their own manual. In this manner pages "1" to "29" were covered completely. D173 Spr. Thompson, G.W., whom I recognize was a member of this class and attended these lectures. On the completion of this course Spr. Thompson was granted the qualification Driver I/C as is shown in 1 Bn RCE Part II order No. 45 dated 29 Aug 43.

(P.B. McCaffary) Capt RCE

The accused declines to question the witness.

Fourth Witness - Lieut. R.W. Anderson, R.C.O.C. having been duly sworn states, I am Lieut. R.W. Anderson, C.O. 25 L.A.D. RCOC attached to 1 BN RCE. On 13 Jul 43, I examined Ford Station Wagon, W.D. No. C.M. 4202780 which was damaged and estimated the cost of repairs to be approximately £54-5-0 as shown in the statement signed by me which I hereby present.

(R.W. Anderson) Lieut. RCOC

The accused declines to question the witness.

The statement referred to in the above evidence was produced, read over to the accused, marked exhibit "G" and attached hereto.

(W.B. Sinclair) Capt RCE

5th Witness having been duly sworn, states - I S/Coy/O McGregor, N.F.S., R.R.S. Tandridge, was on the Caterham by-pass at approx. 21-15 hours on 10th July, 1943. An N.F.S. self-propelled heavy appliance was parked by the side of the road. [redacted]. I saw a Canadian Army Station Waggon pass the N.F.S. vehicle and turn over four times. I saw no other vehicle on the road at the time that could have been implicated. The parked N.F.S. vehicle was in full view and could have been seen for at least a quarter of a mile from the direction from which the Canadian vehicle was coming. I helped render first aid to the two occupants of the Canadian vehicle until the ambulance arrived shortly afterwards.

J McGregor.

The accused declines to cross-examine the witness.

Sixth Witness - Lieut. W.H. Powell having been duly sworn states,

I, Lieut. W.H. Powell on the afternoon of 10 Jul 43 arrived at 1 Bn R.C.E. Headquarters at Caterham from Colchester in a Ford Station Waggon driven by D-173 Spr. Thompson, G.W. When we arrived at the 1st. Battalion officers mess at about 1700 hrs. Spr. Thompson asked if he would be needed any more during the evening and I told him that I didn't know but that if he telephoned me after supper I would let him know then. He then asked me to sign a pass for him for his use in case we did not need him. This I did. At about 1900 hrs. Spr. Thompson phoned me and I told him that Major J.T. Williams required him at the officers mess 1 Bn R.C.E. in time to take him to Purley to meet a train at 2130 hrs. At no time during the afternoon or evening did Spr. Thompson ask me for permission to use the station waggon for personal or other reasons.

W.H. Powell

(W.H. Powell) Lieut. RCE

The accused declines to question the witness.

The accused having been duly warned under the provisions of R.P. 4(c) declines to make a statement, reserving his defence.

The above summary was taken down by me in the presence of the accused, this 30th day of Oct. 1943. Certified that the provisions of R.P. 4(c), (d), (e) and (f) have been complied with.

Remark by the Court

The Evidence has revealed that at the time of the accident there existed in "A" Coy 1 Bn RCR some irregularity in the method of issuing M.T. Work Tickets, which irregularity may have induced the accused to commit the offence.

Opening Address by Prosecution:-

On this case I hope to prove beyond reasonable doubt the following points:-

(i) That D-173 Pte Thompson, G.W., the accused, was the driver of Ford Station Wagon W.D. No C.M. 430278, on 10 Jul 43 at approximately 1115 hours when it was involved in an accident.

(ii) That there was no authorization for the journey that this vehicle was engaged in at the time of the accident.

(iii) That M.T. driver's Regs had been read and explained to Pte. Thompson and that, therefore, he was well aware that the vehicle was on an unauthorized trip.

(iv) The amount and value of damage done to the car by this accident.

(v) That the accident occurred on a straight stretch of road with good visibility, in broad day light, and that the only other vehicle on the road at that time was stationary at the curb and in plain view for a reasonable distance.

Re the field
5 Nov 43. 1 Bn R.C.E.

First Witness: B-26384 Sgt. McRae, O.H having been duly sworn states:

On 10 July 1943 at approximately 2115 hours Sgt. Thompson and myself left the Bn parking lot and proceeded over to the N.A.A.F.I canteen with the station wagon. Sgt. Thompson then informed me that he had a cheque which he wished to cash. We proceeded to Godstone and Sgt. Thompson went in the first "Public House" and left me in the car while he cashed his cheque. Then Thompson went out we both went back in the "Public House" and had one drink of bitter, We proceeded for home after that and the last I remember on the way home was passing under the overhead bridge on the Caterham by-pass. Next I remembered I came to on the side of the road I also saw Thompson on the road, Then the National Fire Service came around and we were moved off to the hospital.

Questions by the Prosecution:

Q: Is Sgt Thompson in your evidence D-173 Sgt. Thompson, R. H. the accused?

A: Yes Sir.

Cross Examined by the Defence:

On the 10 July 43 I was informed that one of Bn Station Wagon had been smashed. I went to the scene of the accident on the Caterham by-pass and found the station wagon on the side of the road and this work ticket on the floor of the car. That is all the knowledge of the accident I had.
"The Work ticket was submitted to the Court and was marked Exhibit "A" and also was accepted by the Court as evidence.
Defence declines to question the Witness.

Questions by the Court
2: What is your occupation?
A: Transport Sargeant.
2: Had this vehicle made any authorized journey during that day?
A: Not that I know of?

Third Witness:
Capt. P. B. Mc Caffery. R.C.E having been duly sworn in states:
The accused Sgt. Thompson received his qualifications as driver ilc in August 1942, on the completion of a driving course at 1 Bn R.C.E. The course was under the supervision of Major E. B. Scott the then Transport Officer and myself was an instructor. At the time of the course the new M.T. Regulations

had only been in circulation on the Base for four or five weeks. Two of the lectures given were given by me and covered about 29 or 30 pages of M.T. Regulations. I believe that the 1942 edition was then in use. Those 2 lectures were on road signs, signals and highway code also drivers documents and vehicles documents. At that time the M.T. Reg. were issued on the basis of one per driver throughout the battalion. I was reading the paragraphs one by one and the students followed me with their copy. In this way about 30 pages of the manual were covered and Sgt Thompson whom I recognized here was a member of this class. On the completion of this course Sgt Thompson was qualified driver type

2: How much of this book did you read?
A: About 29 or 30 pages.
2: Do you remember the following paragraphs as being extracts of M.T. Regulations:
Quoted but under are extracts referred to:
(a) With the exception detailed in para. 9 (b) mil. transport will be used only for strictly military duty, i.e. normal military work such as training or administration.
(b) When driving a vehicle a driver must have in his possession a copy of Accident Report Form C.M.H.D. 1005:42 (A.F.H. 3676 or Rd.) and a Work ticket, A.F.H. 3518 authorizing the journey.

(c) They will also be responsible for ensuring that all recreational journeys are clearly shown on the transport work ticket (Army Form S-3518)

A: I do.

Q: The rest of the M.T. Regs. was explained to the drivers?

A: It certainly was.

Questions by the defence.

Q: Who would be responsible for a vehicle when more than one are riding in a military vehicle?

A: The senior person in the party is responsible for the vehicle.

Questions by the Court:

Q: At the time which the accident happened. were there rules in M.T. Regs? I mean in the old edition?

A: At the time of the accident these rules were in M.T. Regs; as a matter of fact they are in both editions with very little variance.

Further witness:

Lieut R.W. Anderson, R.C.O.C. having been duly sworn in states:

At this time the Prosecution presents to the Court a document signed by the witness showing the material damage to the W.D. vehicle No CM 202780. This document, ~~is accepted by the Court as~~ part of the Summary of Evidence, accepted by the Court and also as Exhibit 'B'.

Q: Will you tell the Court what you know about an accident which involved the vehicle No CM 202780?

A: I was called upon at the Officers

I was on 10 Oct 43 to an approximately 2000 hours to go over the Catterham by-pass and examined a vehicle involved in an accident. I proceeded to the scene and found the vehicle on the side of the road at about half a mile from the Catterham round about.

Q: How did you find the vehicle.

A: As I said before half a mile from the round about on the right hand side of the road.

Cross-examined by the defence.

Q: Was there any thing wrong with the steering wheel?

A: I can't recall that?

Questions by the Court.

Q: You recognize this report bearing your signature as being your own work?

A: Yes Sir.

Q: When you said that this vehicle was on the right side of the road you mean the wrong side?

A: Yes Sir. It was diagonally across the road the wrong way of the dual lane carriage way.

Q: What direction was the vehicle travelling?

A: It was on the east lane facing north east!

Fifth Witness: Senior Coy Officer (Mc Gregor, J. Regional Reserve Station, N.F.S, Tandridge, having been duly sworn in states:

At about 2110 hours on 10 July 43 I was in charge of a heavy self-propelled appliance parked on the Catterham

by-pass when I heard a vehicle proceeding down Catterham and the next I saw of the vehicle was when it passed the one I was sitting in after having passing us it suddenly turned over four times. At the fourth time it shot the two occupants of the car on to the road and proceeded on an erratic course further down the road. I then dismounted from the vehicle in which I was and proceeded where the two men were on the road. I rendered first aid and by that time some Canadian soldiers arrived with an ambulance. The ambulance took the casualties to Dean's Hospital. That was all that happened Sir!

Q: This way was your vehicle facing?

A: Heading towards Caterham I think it would be east facing the direction of the traffic.

Q: What happen to the car after it turned over?

A: It righted itself and then ran on a zig-zag course and finished up on a hillside on the other side of the road.

Q: Except for the vehicle in which you were sitting was there any other car in the vicinity before the car turned over?

A: No.

Q: From the disposition of the car vehicle how far could your vehicle be seen?

A: About a ¼ of a mile.

Defence Officer cross-examined the witness.

Q: Could you say that the car was driven at an excessive rate of speed?

A: No

Q: Did you examine the car?

A: I did walked across to have a look at it; it was badly damaged I tried the steering wheel but it was out of control, I turned it around four or five times without any effort on the front wheels at all!

Q: Did the vehicle touch your car?

A: It just scratch off the paint of a fender of the front side.

6th Witness: Lieut. W. H. Powell, R.C.E. having been duly sworn in states:

I arrived in Cutterham as the Officers' Mess at approximately 1700 hours in a Station Wagon No. C.M. 400 2780 driven by Sgt. Thompson. After we arrived Sgt. Thompson asked if he would be needed further on the evening. I told him to phone the Officers Mess and would be be needed I then would tell him. In case that his services would not be required that evening he asked me to sign a pass for him which I did. At about 1915 hours Sgt. Thompson telephoned me and I then told him that he would have to drive Major Williams to Purley in time to catch a train at about 2130 hours.

Q: Did Sgt. Thompson asked you at any time if he could take the Station Wagon for his own use?

A: No he did not!

Q: At Colchester if Sgt Thompson would of asked you to sign the work ticket for the trip to Caterham, would you have done so?

A: Yes!

Q: Did you know that the work ticket was made up only from 'A' Coy to 'A' Coy RCE Works?

A: No I did not. It had been a practice in A Coy to make out work tickets like that when the vehicle was staying in the area. No special work ticket was issued

Cross-examined by the defence:

Q. Who else rode in the car?

A. Lieut. I. Smith and Pte. Murdock.

Q. Who was the senior in that vehicle?

A. Lieut. I. Smith

Q. Had you been in that vehicle before on that day?

A. Yes from the Officers' Mess to the Parade Square in the morning.

Q: Did you have any cause to steal that work ticket?

A: No

Q: Was it the custom in A Coy to make out work tickets from A Coy to A Coy?

A: It was for jobs in the area, any long trips would not really require a new work ticket.

Q: Would you consider 30 miles a special trip?

A: Yes

Q: When Sgt. Thompson took you over to the Officers' Mess; was there any provision made for him to have supper?

A: No special provision had been made but it was about 5 o'clock and it was not considered that special provision were necessary.

Q: Did you considered that Sgt. Thompson in driving you to the Parade Square

in the morning and 2 Paterhand in the afternoon was driving on an authorized trip?

A: Yes I did!

Q: Did you know that that day the work ticket had not been made out correctly?

A: No I did not!
At that time the Work ticket already submitted by the Prosecution was placed by the defence in front of the witness who recognized the signature on it; especially authorizing this trip namely that of Lieut P. K. Smith of 2nd Coy, 1 Bde HQ.

Q: Where was the pass made out to?

A: I cannot recall for sure it was for one of the neighbouring boats either Purley or Draydon!

Q: Do you think any use was made of the pass?

A: Yes I do not.

Q: Did you think that Thompson intended to make that trip at 3130 hours as instructed?

A: Yes I do.

Adjournment

At 1800 hrs the Court adjourn until 1900 hrs on the 5th Nov 43.

On the 5th Nov 43 at 1905 hrs the Court reassemble, adjournment to a later would have entailed too great an expense to the public, present the same members as on the 5th Nov 43.

The Court is now declared open.

D-6

"D-6"

Defending Officer's Opening Address.

The accused pleads not guilty to both charges since:

(1) He was ~~driving~~ a vehicle which was his duty to drive. He was using a work ticket which he believed to be in order.

(2) He had further trips to make that day and was following his instructions to return to the Officers' Mess Cottesmore to take a trip at 2130 hours. He had received no instructions regarding the parking lot to be used for the vehicle. He was away from his normal mess. No provisions were made for the driver's evening meal. He proceeded to the N.A.A.F.I. canteen to provide himself at his own expense with food, under normal circumstances a trip which would normally not be forwarded upon by those in authority. Having a chance which he wished to cash, Dvr. Thompson proceeded to return to the Officers' Mess via Godstone, which he knew he could cash the chance. It was a devious route, true but negligible as to point of mileage.

(3) Dvr. Thompson was driving the vehicle with the work ticket shown as Exhibit 'D' (Summary of Evidence). This ticket had previously been used that day for the following trips:

Dr Colchester:

(a) To take Officers from the Mess to the parade square.

(b) To take an Officer to the work project on which the Coy was employed.

(c) To draw rations to Ms Officers Mess in Colchester.
(d) One trip to Colchester pursuing section to purchase food for the Officers' Mess (Extra-messing - Tomatoes etc.)
(e) With Officers forecast - presumably their orders — drove down Colchester to Caterham — approx. 90 miles — to Officers' Mess smoker. Ticket was not as presented as Exhibit 'A'. The responsibility for this trip if unauthorised should rest on the senior passenger.
Trips in Caterham area.
(a) Other Officers to Mess.
Called as Bde Orderly Lnd. J. M. Thompson Bde. and found it closed. Returned to Transport Office to pick up articles for the A/Coy Transport Corporal. All these trips were presumably in the line of duty. If the work ticket was not in order Dr. Thompson could scarcely be to blame. Further he was instructed by Lieut. Powell to return to the mess as he did so again it is presumed the usual work ticket was to be used.
- Proof of Ticket Authority — Two previous work tickets. By practice to make them out summarily, inaccurately. Could scarcely blame driver on such a technicality.
(b) Dr. Thompson did not ever suspect that his F.F.S. 3518 (work ticket) was not in order.
(c) He was providing himself with food, at his own expense and was proceeding back to Officers' mess to be there as ordered by Lieut. Powell.

The Defence presents 2 work tickets previous to that of the one given as Exhibit 'A' in support of a statement made by the Defence to the effect that it was the practice of A Coy to make out work ticket in a summary manner and similar to the one referred to above. Exhibit 'A' in the Summary of Evidence. These are signed by the President and marked Exhibits 'B' "C"

D-193 Sgt. Thompson, J. H. the accused, having been duly sworn states:

Q: Give an account of what actually happened after you arrived at the Officers' Mess in Caterham?

A: After I had delivered Lieut Powell at the Officers' Mess and Cpl. Murdock I went down to the Bn. Post Office, D.R., then I proceeded to the Mess Mess which was locked at the time. I then went back to Transport Office to get some forms and supplies for Cpl. Reilly of A Coy transport. I then phoned Lieut. Powell and asked if I would be needed he told me that I would be needed at approx. 2130 hrs. I then went up to the N.A.A.F.I. to have something to eat. After having eaten I proceeded to Godstone and cashed a cheque after I had cashed that cheque I proceeded back to Caterham via the Caterham by-pass after passing the railroad bridge on the by-pass the steering wheel seemed to go completely out of control. From there I do not recall much that happened

and came to in Dean's Hospital.
That is all.

Q: Can you tell me if you had made some previous trips that day on the same work ticket.

A: For the morning I went from the Officers' Mess to the Parade ground of A Coy. After that I took one Officer to the construction site where A Coy was on works. I then reported back to the Officers Mess and from there proceeded to Colchester to detach some extra messing rations for the Officers' Mess. I then left Colchester with the party already mentioned and proceeded to Catterham.

Q: Did you make any attempt to see the pass Lieut Powell gave you?

A: No Sir I did not.

Q: Did you intend to make trips for Major Williams as Lieut Powell instructed you?

A: Yes Sir I did!

Q: Were you under the impression that you were doing with a properly made out work ticket?

A: I was Sir!

That is all.

The Prosecution Cross-examined the Witness:

Q: Did you considered your trips to get a meal and the cheque cashed a military duty.

A: I did as no provisions were made for my evening meal.

Q: Have you thought of asking Lieut. Powell for some cash to pay for your supper?

A: I did not think of it, Sir!

The defence do not desire to cross-examine the witness:

Questions by the Court:

Q: If your work ticket is made out for a special place does that mean that you are prohibited to drive all around the area?

A: No Sir!

Q: Can you explain to the Court why you took the Station Wagon for your own use!

A: I considered that getting a meal was part of my duties.

The defence makes a closing address:

I just want to point out that the whole case of the prosecution is based upon a small technicality. Namely an incorrect work ticket. The moral responsibility of the accident should not rest with Gr Thompson but with the Junior member of the party. He was under the impression that the work ticket was correctly made out and so carried out orders given to him by his superior Officer. If the Court found fit to find him guilty on that charge I wish to impress upon the Court that the whole case rest on a technicality. Gr Thompson in other words is a good soldier with a clean record and I am sure that the Court will not render him responsible for a miscarriage of moral justice.

The Prosecution Closing Address:

The accused has based his defence

on the facts that he believed that he was on an authorized trip or military duty. The authorization being from the Officers' Mess on an alleged trip with the vehicle to a site called R.C.E. works and from there on until providing for his own supper. On leaving the Officers Mess in Castleton Spr. Thompson would have left time for his supper would he had not called at different places on Bn area. It was not beyond possibility for him to do so. He then believed that he was authorized to take a military vehicle in order to obtain money for his supper. Could he not have done so by asking an Officer of 6 Coy? The defence alleged that the case of the prosecution is entirely on technicalities. I believe that the case of the prosecution is based on ~~to~~ material facts as the case of Spr. Thompson is based upon the verification of an Officer's signature on a work ticket. I doubt if Spr. Thompson is reasonably safe to believe that his work ticket was made out properly that for instance ~~the~~ he would be passed the Forward Corps would be ~~have been~~ stops. It is significant that he did not asked Lieut. Powell's permission to take the vehicle to Godstone. I have shown that Spr. Thompson has negligently violated R. & F. Regs. I believe that there is no doubt of him being guilty of that Offence.

The Court is Cleared to consider its Findings:

The Court is re-opened:

"E3" On the Evidence of Character the defence states that it is hoped that the Court will take in consideration his good record in the Army of his M.E. Medal and since the Court has chosen to lend ~~more~~ more weight to the purely technical side of the case in view of the moral aspect and the financial capabilities of the accused I hope that the Court will exercise all the leniency the case deserves.

The Court is Closed.

SUMMARY OF EVIDENCE

In the case of G-1/240 PSM Thompson R.H. (C.A.S.F.R.) No. 1 OCIRU

By direction of the Commanding Officer the evidence is taken on oath.

C

1st Witness - Lieut. R.W. McArthy (WNSR) being duly sworn states:

On the night of Oct 16, 1941 at approximately 2230 hrs. I was acting as umpire with a Company of the Mobile Column on a scheme (which they were) White mounted by the Royal Marines, umpiring a clash between the two forces. Lieut. Shuter came to me and said he had discovered a man lying in the field nearby, who was obviously drunk, and who said he was an umpire. I went over and investigated, and found the man definitely worse for liquor. He said he was PSM Thompson. In order that the Exercise should not be interrupted, I asked Lieut. Shuter to detail a couple of his casualties to accompany the PSM in question back to the cross-roads where Company H.Q. were. This I believe was done. About a half hour later I went back myself, and again spoke to the PSM, who assured me that he had only had a couple of drinks, but in my opinion he was unfit to carry out his duties. I ordered him to stay in a barn nearby that we were planning on using for sleeping quarters for that night. At that time the Major of the Black Watch, who was acting as Chief Umpire, came up and questioned me. I told him the story as I knew it. He ordered me to lay a charge in the morning. This I did. The charge was one of being drunk, the only possible charge.

On the evening of the 17th, the Chief Umpire with the Royal Marines, whom I believed to be an Essex Scottish Officer, told me that PSM Thompson was an umpire under him, and was missing from early in the evening to the end of the exercise. He was last seen proceeding, under instruction, in the direction of the field where I found this man. I would say that he was incapable of doing his duties as an umpire.

The accused declined to cross examine this witness.

R.W. McArthy Lieut.

2nd Witness - G-17081 CSM Glass, A.E. be (C.A.S.F.R./No. 1 OCIRU being duly sworn states:

I was detailed to the job of umpire on the scheme through my Training Wing last Fall. I was detailed to act as umpire on this scheme, but I was needed for other duties. I made arrangements through Major Price, O.C. of Training Wing to detail another NCO to take my place. The job was given to PSM Thompson, and he went out as umpire.

Question by PSM Thompson - When you asked me if I would go on that job that night, did you state that it would be with the Home Guard or with the Royal Marines.

Answer - If I remember correctly Sgt Major Thompson, I detailed you to report to No. 1 Holding Company for further instructions. If I remember correctly I did mention that the duties were with the Home Guard.

ADDITIONAL SUMMARY OF EVIDENCE

In the case Of No C-17246 PSM THOMPSON, H.H. (C.& Y.R.)

By direction of the Commanding Officer, the summary of evidence is taken on Oath.

1st Witness — Lieut. E.H. SHUTER (R.C.R.), having been duly sworn, states:

I, Lieut. E.H. Shuter, R.C.R., do most solemnly swear that as O.C. R.C.R. Pl. on a mobile column exercise 16 Oct 41 in pursuance of my duties as advance Pl. Cmdr. I entered the village of East Worldham. Whilst halted there I had occasion to speak to some person lighting a cigarette and making a lot of noise. He said he was an Umpire and pointed out a strip of 2" x 4" on his coat that I had not previously perceived. I was called away at this point to see the Coy Cmdr but as I doubted his identity I told my Pl Sgt who was a N.P.B. Sgt to check his paybook. He told me on his return that the man was a bona fide umpire and agreed with me that the man was under the influence of liquor. He also said that the man was a P.S.M. of the Carlt & York Regt.

Later that evening in making an attack I stumbled over the prone body of the same P.S.M. After the attack I sent the P.S.M. back to Coy HQ with two men to assist him, he slept all that night at Coy H.Q. Another Umpire told me that the P.S.M. was umpire to the Royal Marines and in view of the seriousness of his conduct before English troops I reported the incident to my Coy Cmdr Capt Charlebois and the Chief Umpire with our Coy.

In my opinion the PSM was drunk that night.

(Sgd) "E.H. Shuter" Lieut. R.C.R.

A sworn statement of this witness's evidence purporting to be signed by him has been read to the accused and is included in this summary of evidence.

Having regard to the loss of time involved, the attendance of this witness cannot in my opinion be readily procured.

The accused does not demand the attendance of this witness for cross-examination.

J.R. Turner Lieut.

Commanding Officer
1st Cdn Div I.S.U.

Sir -

I, Lieut. E.H. Shuter R.C.R. do most solemnly swear that- as O.C. R.C.R. Pl on a mobile column exercise 16 Oct 41 in pursuance of my duties as advance Pl. Cmdr. I entered the village of East Worldham. Whilst halted there I had occasion to speak to some person lighting a cigarette and making a lot of noise. He said he was an Umpire and pointed out a strip of 2"x4" on his coat that I had not previously perceived. I was called away at this point to see the Coy Cmdr but as I doubted his identity I told my Pl Sgt who was a R.P.E. Sgt to check his paybook. He told me on his return that the man was a bona fide umpire and agreed with me that the man was under the influence of liquor. He also said that the man was a P.S.M. of the Carlt & York Regt.

Later that evening in making a attack I stumbled over the prone body of the same P.S.M. After the attack I sent the P.S.M. back to Coy HQ with two men to assist him, he slept all that night at at Coy H.Q. Another Umpire told me that the P.S.M. was umpire to the Royal Marines and in view of the seriousness of his conduct before English troops I reported the incident to my Coy Cmdr Capt Charlebois and the Chief Umpire with our Coy.

In my opinion the PSM was drunk that night.

I remain Sir,

Your obedient Servant

E.H. Shuter Lieut.,
R.C.R.

Sworn before me this 22nd day
of Jan 1942

Witnesses for the Prosecution

1st Witness: B95605 Sgt McKeown W. No 3 Pro Coy having been duly sworn states: I am B95605 Sgt McKeown of #3 Pro Coy and at 1600 hrs 21 Nov 43 an identification parade of personnel of 1 Can Corps Def Coy was held. Salomani Domitica identified the accused, whom I now recognize, as the soldier who stands last on the face on the night of 20 Nov 43. On this parade also Barbara Raitano identified the accused as one of two soldiers who had molested her on the night of 20 Nov 43. There were 120-125 personnel on the parade and the identification of the accused by the first girl was well done in the presence of the other girl.

No cross-examination. R.P. 27 (a) complied with.

2nd Witness: Salamani Domitica, of Tasmania. - having been duly sworn states: On the night of 20 Nov a soldier whom I now recognize as the accused (Points to the accused) came to my home and asked for a girl. I made a business agreement with him for intercourse at the price fixed at was 10 shillings. He went into the next room and slept with me. After he had finished we came into the other room + he asked me for 5 shillings back. I did not want to give him 5 shillings back. So he gave me a blow on the face which knocked me down

and then he kicked me. He was accompanied by two soldiers. At this time they left. The accused was arrested.

The Deposition Cross-examined and the Court records (Witness sworn):-

I can not understand English and do not speak it at all. I understood what he wanted by the expression "Jiggy-Jig" the accused spoke to me in English and I did not understand him. The argument was made for 200 lira. He also used gestures. The accused returned to the house about 2 hours later and I gave him the 200 lira back. I was afraid that he would kill me. I was also told the soldier was pushing the door hard and demanding the money.

R.P. 53 (6) complied with.

3rd Witness BS/9212 Pt HALE S.D. of 1 CAMEL Def Coy having been duly sworn states:- On Saturday evening Nov 20 43 the accused, Pt Pender and myself went out and had a few drinks in a wine shop. From there we went to the house of the woman I now know as Barberina Raitano. We had a few more drinks there and then went to the house of the woman I now know as Salpurni Domicina. It was there that the accused made an agreement to have sexual intercourse with Domicina. The price first upon was 5 shillings. He gave her a 10 shilling note and they went into the next room. When they came out the accused asked for his 5 shillings change. There was an argument and the three of us and Domicina went outside. For a few minutes she went back in and the accused followed her. In a couple of minutes I heard her scream and I ran back to my billet.

Cross-examined The agreement between Dominica and the accused was carried on in a mixture of English and Italian. - She seemed to understand a little English and understood what we meant. I did not see the accused strike Dominica. I am convinced that the agreed price was 5/-. and that Domi. is fully understood the agreement.
R.P. 83 (B) complied with.

4th Witness. Barberino Salvatore, of Taormina - Sicily having been duly sworn states: The fellows came to my house at about 4 o'clock, there were 3 of them. They asked for Marsala and my mother went out and bought them a bottle which they drank and left. About 6 o'clock the accused and the other soldier returned, stayed until 6.30 and then left. The accused and the other soldier returned about 8 o'clock and asked for drink. I told them we had no ~~good~~ wine and in order to get them nicely out of the house I walked with them to the Victoria Hotel, and as soon as we got part way there they held me up against the wall by my waist. I bit one of the soldiers' hands (not the accused's) in order to escape. I could not get away and sat down on the ground & escaped that way and ran up the street & called for help in front of the Hotel Romachei - two other soldiers came on the scene and the others ran away.
Cross-examined: At the time of the struggle the accused was trying to harm me, trying to lift up my dress - but he did not hurt me. Both soldiers were trying to touch me - they did not touch my legs my petticoat up above my knees.
R.P. 83 (B) Complied with.

5th Witness: Pasquatino Russo, of Taormina Sicily having been duly sworn states:

The accused and another soldier came to my house at 8 o'clock in the evening on 20 Nov 43; they stood in wine, my daughter and I went outside & locked the door to keep them out. We went with the two soldiers to accompany them to their billets. About half-way to the hotel I saw the soldiers holding my daughter by the waist against the wall. I ran for help; the soldiers from the hotel Victoria came to the scene and just as we approached, I saw my daughter run away. The struggle took place in a side street just off the via Umberto.

No cross examination
R.P. 89(B) complied with

6th Witness: 85:192: Pte Pender C.T. of 1 Can Def Coy having been duly sworn states: On last night 21 Nov 43 I left my billet with the accused & Pte Hare. We went to a wineshop and had a couple of bottles of wine between the three of us. At approx 1900 hrs we went to the house of the woman I now know as Barbarino Raitano. We had a few drinks there and went to the house of the woman I now know as Domenica. In the house the accused asked if he could have sexual intercourse with her. She asked for 10 shillings. He told her he would only give her 5 shillings. The accused and Domenica made a bet with the arrangement agreed upon 5 shillings. The transaction seemed to be quite certain, she said "Cinque shillings". They went into the other room for a few minutes and came out. The accused owed her 5 shillings change. She said something in Italian & went out in the street. We all followed her. She stood there a few minutes and went back in the house - the accused followed her. They were in there a few seconds and he

6th Witness (Cont)

saw the accused hit her and saw her fall to the floor. She started to scream - so PC Hall and I started running - and PC Thomas followed. The accused and I, then went to the home of Barbarina Rainaud and stood for some while. She brought a couple of glasses + a bottle and we sat on the steps. We drank the wine and she said she would take us back to our hotels. We walked along arm in arm with and holding her hands. I felt her pull away + looked round and saw the accused trying to get his hand up her skirts. She struggled and hit my hand. I cut off + her and she made away from us. During the struggle some men came on the scene and asked if anything was wrong + then went away. When the accused was touching her skirt he may have touched her knee, but went no further.

Upon Cross-examination

The accused did not touch Veronica - I did not see it. I know nothing about Veronica

Giving back 102 to the accused.
R.P. 82 (B) complied with

First Witness to the Defence. B41273 PC H. J. Thompson

Having been duly sworn, states:-

On the 20 Nov 43, Pte Hall, Pte Pender and myself left our billets about 1730 hrs to get a drink. We went to the house of Barbarina Raitano & bought a bottle of Marsala. After finishing this we left & had a few more drinks in the main street. We then went to the house of Dominica and I made arrangements to have intercourse with her. She wanted 10 shillings but I argued her down to five. After I had argued for a while she seemed to understand that I only wanted to pay her five shillings. We went into the next room & had ~~more~~ intercourse. After finishing we went into the next room and I asked her for a change as I had given her 10/- before commencing. She did not bother to give me the change. She went out the door and I followed her, accompanied by the two others. She then made a dash for the door and I followed her back in, I argued with her for the change but she would not give it to me. I got quite angry, & was feeling pretty good & I hit her and knocked her to the floor. I turned around & went out the door. I caught up to Pte. Pender, we went to the house of RAITANO. We asked for some wine, she brought us out a bottle and 2 glasses. And we drank it. RAITANO decided to take us home & took us each by the hand and led us down the steps. When we were going up the alley towards the main street, Pender & I had her by the hand. I tried to put my arm around her waist. She broke away & hit Pender in the head, gave me a shove and broke away from us. She then ran away & Pender & I returned home.

(First witness for the Def. - Cont.)

Upon Cross - examination by the Defence.

I knew RAITANO, because she came into our billets to pick up our laundry - her mother had given us an invitation to go to her house for a drink a couple of days before. I saw her serve some wine to two other soldiers.

I had been to Domenico's house before with another soldier, who worked with me. I did not like her, my feet never went near here.

In the struggle with RAITANO she did not hold her against the wall - we were nowhere near a wall. It took place when she started to struggle. I thought she was very nervous. I could come to her finger. When we returned to billets, I did not go out again. I did not go back to Domenico's house that night.

Upon Cross - examination by the Prosecution

When bargaining with Domenico, I held up my fingers & counted off 5. She seemed to understand what I meant & understood my meaning. I am not definitely positive. I was not so drunk that I could not understand what was going on. I was not with RAITANO 3 minutes at the most - She seemed to understand in that length of time.

I had been to the RAITANO house on two other nights. The last time.

Upon Cross - examination

During the struggle I did not hold RAITANO against the wall. I do not remember pulling my hand under her skirt.

R.P. 83 (B) complied with.

Statement of the Prosecuting Offr.

He reads MML PARA 84 (definition of an assault)

In the case of Dominica, it has been proven that an assault was registered by the accused in the evidence of Dominica, Pinder & the accused.

In the case of RAITANO the accused is very indefinite as to his actions. RAITANO states that there was a definite struggle. RUSSO corroborates the evidence that Raitano was not against the wall. Pinder states a struggle took place. That there was physical contact in the struggle. RAITANO says therefore there was no fear.

Statement of Defending Offr:

There is a difference of opinion of the word serious for the prosecution. There is considerable provocation in Dominica stating a man is trying to rob him of $5. There is no corroborative evidence as to be being robbed.

RAITANO says that the accused did not put us hand on her legs. Circumstances might have indicated that a kiss or embrace was to be expected.

The Defending Offr makes the foll. statement in mitigation of punishment:-

The H.T.M. 6, does not reveal any serious of the accused charges. I hope that the Court will take into consideration the character of the person assaulted & the degree of provocation.

The three soldiers then ran away. Later they came back and I handed this man (Pte Thompson) his ten shillings out through a small window. One of the other soldiers shone a light on the money to see the amount and they then went away.

sworn states

On Sat. 20 Nov 43 at approximately [illegible] I left my billets with Pte Thompson and Pte Hare, both of my unit. We went to a wine shop and had two bottles of wine between the three of us. We then went to the house of a woman I know now as Barberina Paitoni. We then went to the home of another woman whom I now know as Salamani Dominica. While the three of us were in this house Pte Thompson gave this woman ten shillings to permit him to have sexual intercourse with her and the two of them went into another room. In a few minutes they both came out and Pte Thompson then asked this woman to return his five shillings. The woman talked a little in her own language then went out on the street and the three of us followed her out. She stayed on the street for a few minutes and then went back into the house and Pte Thompson went in with her. After they had been inside for a few minutes, Pte Hare and myself through the door which was partly open, saw Pte Thompson strike this woman, at least I think Pte Hare saw this incident, but I myself definitely did see this woman fall to the floor and at the same time I heard her scream and at this time Pte Hare and I ran away and I heard Pte Thompson running behind us. When I stopped running Pte Hare had [illegible]

This woman then knew where we were billetted when said she would take us home and started to walk back with us. While walking with this woman we were each holding one of her hands. I felt her arm jerk and on looking I saw Pte Thompson kneeling over and trying to put his hand up underneath her clothes. She then started to struggle and at the same time left my left hand, and I then let go of her. She then broke away from Pte Thompson and ran away from us. Both of us then returned to our billets. This was at approximately 2100 hrs. Although I had quite a few drinks this night I was not drunk and knew what I was doing at all times.

Witness as to character

Capt H.K.D. Heming on being duly sworn states.

" Pte Thompson joined my company P.E. in England in May or June 1944 and came to France with my P.E. to serve with us until the commencement of his AWL. During the time he was with us he worked hard under difficult circumstances and did not commit any crimes. In my opinion Pte Thompson is a man who could be led astray by a stronger character.

Cross examination

Q. what do you mean by working hard. Did he work harder than required by normal duty?

A. Yes Pte Thompson did his duty as a Coy cook under adverse conditions without complaint.

Q. Would you say he worked harder than anyone else?

A. I wouldn't say that - He carried out his duties satisfactorily

The defending Officers address is attached hereto.

PLEA FOR MITIGATION OF SENTENCE IN THE CASE OF
B-43294 Pte THOMPSON H J.

The a/m soldier has served with the Cdn Active Army for nearly 4½ years. During this time he has had a clean crime sheet, which would prove that he has always done his duty as a soldier. He has been employed as a cook for a considerable length of time and has always proved satisfactory to his comds up to the time he was sent to OSTEND where he came under command of a new messing officer. From then on he couldn't seem to please the messing officer in any way.

Owing to the trying nature of a job as cook coupled with his inibility to get along in his new situation and having been away from this job for 24 hrs on a pass he went AWL. Once started he became frightened of the consequences of returning and in due course was apprehended.

TRIAL OF D43294 Pte Thompson H.J.

The accused does not wish to make any statement.

Witness as to Character: Capt HKD Heming on being duly sworn states:-

Pte Thompson joined my Coy P.E. in England in May or June 1944 and came to France wotj my P.E. to serve with us until the commencement of his AWL. During the time he was with us he worked hard under difficult circumstances and did not commi any crimes. In my opinion Pte Thompson is a man who could be lead astray by a stranger character,

Cross-Examination

Q. What do you mean by working hard. Did he work harder thatn required by normal duty?

A. No Pte Thompson did his duty as a Coy Cook under adverse conditions without complaint.

Q. Would you say he worked harder than anyone else?

A, I wouldn't say that. He carried out his duties satisfactorily.

PLEA FOR MITIGAYION OF SENTENCE IN THE CASE OF
Pte Thompson H.J. B 43294.

The a/m soldier has served with the Cdn Army for mearly 4½ yrs. During this time he has had a clean crime sheet, which would prove that he has always done his duty as a soldier. He has been employed as a cook for a considerable length of time and has always proved satisfactory to hes comds up to the time he was sent to Ostend. where he came under command of a mew messing officer. From then on he could-n't seem to please the messing officer in any way.

Owing to the trying nature of a job as cook coupled with his inability to get along in his new situation and having been away from this job for 24 hrs on a pass he went AWL. Once started he became frightened of the consequences of returning and in due course was apprehended.

TRIAL OF D43294 Pte Thompson H.J.

The accused does not wish to make any statement.

Witness as to Character:Capt HKD Heming on being duly sworn states:-

Pte Thompson joined my Coy P.E. in England in May or June 1944 and came to France with my P.E. to serve with us until the commencement of his AWL. During the time he was with us he worked hard under difficult circumstances and did not commit any crimes. In my opinion Pte Thompson is a man who could be lead astray by a stranger character.

Cross-Examination

Q. What do you mean by working hard. Did he work harder than required by normal duty?

A. No Pte Thompson did his duty as a Coy Cook under adverse conditions without complaint.

Q. Would you say he worked harder than anyone else?

A. I wouldn't say that. He carried out his duties satisfactorily.

PLEA FOR MITIGAYION OF SENTENCE IN THE CASE OF
Pte Thompson H.J. B 43294.

The a/m soldier has served with the Cdn Army for mearly 4½ yrs. During this time he has had a clean crime sheet, which would prove that he has always done his duty as a soldier. He has been employed as a cook for a considerable length of time and has always proved satisfactory to his comds up to the time he was sent to Ostend, where he came under command of a new messing officer. From then on he couldn't seem to please the messing officer in any way.

Owing to the trying nature of a job as cook coupled with his inability to get along in his new situation and having been away from this job for 24 hrs on a pass he went AWL. Once started he became frightened of the consequences of returning and in due course was apprehended.

RECORD OF PROCEEDINGS - WHERE GENERAL COURT MARTIAL
In the case of [illegible] the [illegible] R.C.

FIRST WITNESS for the PROSECUTION

4542776 Pte FLANAGAN L. 74th Coy C.M.P., sworn states:-

" I am Pte Flanagan L. 4542776 . On the night of the 4th of June 45. I was on duty at [illegible] of 74th Coy, C.M.P. I was called out on duty on the streets of [illegible] where Pte [illegible] had been struck by a soldier. Four or five soldiers went out to the place where the incident occured and there I saw the soldier Pte Thompson, the accused, whom I now recognise in this Court.
We alited from the jeep and Cpl Huggett and myself approached Thompson. Cpl Huggett asked him what his trouble was; he said " i [illegible] I then asked Pte Thompson why blood was coming from his nose. He said " it is nothing to do with you cocksucking bastards". Cpl Huggett said "you must come with us" Pte Thompson pushed away. Cpl Huggett made a move towards him. Pte Thompson struck a blow to the Cpl. I moved towards Pte Thompson and fell over his legs and Pte Thompson also fell over. I was on my feet before Pte Thompson and got hold of him. Cpl Huggett struck the accused with a truncheon. The accused said 'you have struck me with something, you lousy cocksucking bastards". With the assistance of Pte Greenwood we lifted Pte Thompson into the jeep. The accused was still struggling. Cpl Fenwick then came to the jeep with the coat of the Accused. Cpl Fenwick said "there was a German pistol in the pocket of the jacket ". We all got in the jeep and drove back to the town guardroom. With the assistance of Pte Greenwood I carried Pte Thompson to a bed in the guardroom. He was mumbling words and it was very hard for him to breathe owing to blood around his nose. I washed his face and his hands, put him in a comfortable position and with that left him in charge of the Cpl of the guardroom. I arrived on the scene of the incident between ten and eleven in the evening. It was dusk and visibility was good up to fifty yards."

CROSS EXAMINED by Defence — Yes in my opinion Pte Thompson was drunk.

I found Thompson untidy and bleeding and there was evidence that a fight had took place.

Next morning I did not see the prisoner but understand he was alright.

EXAMINED by the COURT — I saw the accused strike at the Cpl but I did not see the blow land.

A.R. 83 (b) complied with.

SECOND WITNESS for the PROSECUTION

186069 L/Cpl FENWICK C.W., 74th Coy, C.M.P. sworn states:

" I am L/Cpl Fenwick C.W., 186069 on strength of 74th Coy C.M.P. T.C. I was on patrol with Cpl Huggett and Pte Flanagan when I saw Pte Thompson staggering along the pavement. Cpl Huggett got out of our jeep and approached Pte Thompson. With Pte Flanagan. I sat in the jeep to see if any assistance was needed. I saw the accused whom I now recognise in this Court staggering backwards with

with blood coming from his nose and mouth. When I got out of the jeep. I got at the back of the accused when I saw his coat laying ten yards away in a doorway. I picked the coat up and by the time I got to the jeep the accused was already in the jeep. We proceed to the guardroom where he was sentenced and put to bed."

EXAM by the Court: I did not witness any exchange of blows.

R.P. 83 (3) complied with.

PARA D-4 Defending officer submits that the evidence for the prosecution does not establish a prima facie case against the accused on the second charge.

ARGUMENT of DEFENDING OFFICER

The evidence given does not prove that Cpl Huggett was struck with the accused fists in his face. I ask the Court to withdraw this second charge and find Pte Thompson not guilty of striking his superior officer.

DEFENCE PROCEEDINGS

FIRST WITNESS FOR THE DEFENCE

I am Pte Thompson M.C., on the night of June the 4th I was drinking with some friends of mine. We were in [illegible] on a street corner. It was kind of a dark alley. I do not know the name of the street. I do not remember when my friends left. The last I can remember I was standing on that corner. When I awoke up in the morning in the English guardroom my nose was twisted and had been bleeding. In the afternoon I was brought to the guardroom of 1 C.L.T.C. I have never intended to or have struck an officer or NCO of my unit during the time I have been in the army.

I was seventeen when I joined the army.

I have volunteered for the Far East.

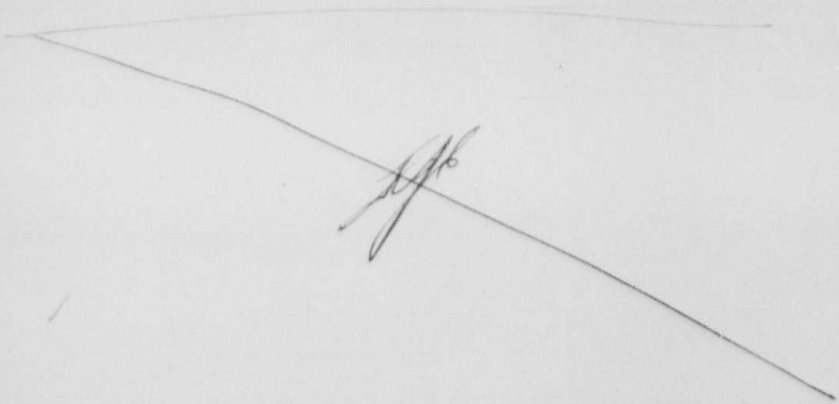
Closing address



K. 51920 Pte Thompson H.O.

Pte Thompson has pleaded guilty on the 1st Charge.
The 2nd Charge, he didnt know what happened, but he was in a guard room the next morning with some wounds in his face.
For all crime we must regard the intention of it" Is the intention exist on this Offence - "No" He was filling high, and after a small brawl. I presume with some other soldiers having suffered in the fight, he is mad for the one who struck him, he had thrown away his blouse and everything is red
The 3 M.Ps came along, it's dusk, all start an argument, Pte Thompson try to get away and the Coporal was the victime not of a fight, but the move of Pte Thompson when he asked them to leave him alone.

I suggest the court to look at the M. Mil-L. Ch. III para 48 and Ch. VII para 9 regarding the responsabilities at this particular moment

He was struck by the M.P.s-
it is proved-
Pte Thompson must be find not guilty on this charge

E-3 K-51920 Pte THOMPSON H.O.
(Seaforth Highlrs.)

Gentlemen of the Court:-

Pte Thompson volunteered 1st time at 17 years old in June 43

He has been discharged when the army found out he was underage.

He reenlisted two months later in July 44 and after having completed his trainning he was in U.K. feb 45 and in N.W. Europe march 45-

Now he is a man of 19 years old fully trainned with only small offences up to this misconduct due to his 1st drunkness party - He is too young for being a drunken man.

His cardcter is definitly good. he is young - "A" Category and last may he volunteered for the FAR EAST - So he is the type of man we need in the Cnd army

I bring to the attention of the Court

that he has presently spend 38 days waiting for trial, so he has lost all this too.

Gentlemen your sentence will affect his military ~~carrer~~ live, his rehabitation grant and also his civilian live.

I ask you to be lenient, considering his good will, his age and also the time he has been close arrest he sincerely regret his fault.

Yours Fabris

He had been previously recognized as being with the five who were all under the influence of some intoxicant. We pulled up and I spoke to him. He was uder the influence of drink and he didn't seem to know what I was saying or what he himself was saying. His face was covered in blood and he was bleeding from his nose and mouth.

I ordered him to be put under arrest and he began to hit out at anyone who went near him. Myself and Pte Flanagan closed with him and Pte Thompson struck me with his fist. With difficulty we got him in the jeep and took him to the town guard room where we handed him over to the corporal in charge. The prisoner's clothes were searched and all his possessions were taken off of him and L/Cpl Fenwick handed me a loaded enemy DREYSE Pistol which was in Thompson's inside pocket. The next morning Pte Thompson admitted before me that the pistol was his. The guard on duty cleaned up Pte Thompson and put him to bed as soon as we passed him over to them.

No cross examination.

EVIDENCE of ACCUSED ON OATH

(27)

C. 557 Pte. John Thompson,

Being duly sworn states:—

I was doing some work for myself at the time. I didn't have a vise as we were never allotted one. Out of my own kit I took a small pin vise which I placed on the work table. At the time I was using my own vise as it was my own work. After working a few minutes a job came in, and was presented to me by C.M.S. Goode. In that work, was two or three articles some of which I had finished. In this particular job there was a stud broken off. It had to be extracted and threaded. I worked for a few minutes with the job and had it all completed with the exception of new threads.

I had to use a "8" tap which was quite small. I was using it in my own pin vise. On account of the tap being small, I had to move from this small vise to another one. The reason for this, was because I was afraid of breaking a tap. I went over to the vise that Capt B. rash usually worked on. I had only

(24)

resumed my work, when Capt Brash arrived and we had the usual fooling whit we always had. I was anxious to have this job done and asked him to be quiet and when he kept on fooling, I pushed him by the shoulder

Cross-Examination by Prosecutor:-

Q.74. Why did you strike Capt. Brash?
A.74. Because I wanted to get my job done, I pushed him out of the way.

Defence Summing up.

1. In this brief summary at the close of the trial by Field General Court Martial of C 11887 Private John Thompson held in the Field on the 25th - 26th November 1942, the Defence respectfully takes this opportunity of bringing the facts before the Court.

The accused is charged under Section 40 of the Army Act- "Conduct to the prejudice of good order and Military discipline" in that he did engage in a scuffle and Argument with an N.C.O. K 73165 Pte. (Acting Lance Corporal) Brash A.

In all the evidence brought before the Court by the Prosecution and by the Defence - The Defence has shown that "Friendly" scuffles are not uncommon in the workshop - For that matter the N.C.O. who instigated the charges, 823216 Sgt Waespi, A.V. in cross examination by the Defence, stated that there "Friendly" scuffles did and do take place, also that a good deal of obscene language is used by the troops also in a friendly manner.

All witnesses have testified that the accused and L/Cpl Brash were the best of friends and all witnesses, with the exception of Sgt Waespi and L/Cpl Brash showed expressed extreme surprise that this scuffle had been taken as serious

Pte Thompson

R. Burger Sept President (33)

There appears to be a difference of testimony with regard to the number of empty vices in the shop at the time of the alleged Scuffle

1st Witness Sgt Waespi, Stated, that there was only One empty vice

2nd witness. L/Cpl Brack — Did not know how many empty vices

3rd Witness Pte Marko — Thought there were 2 vices empty.

Defence Witnesses

1st Pte. Grimmer Stated 2 vices were empty

2nd Pte Gregory Stated 2 vices empty

It is pointed out that there certainly were 2 empty vices and the Defence contends that, had L/Cpl Brack had any intention of using a vice he would have used one of the empty ones, instead, in a friendly manner he decided to "joke" along the accused by telling him to remove his work. The result of this "joking" was a friendly push and a statement to "leave me alone" [illegible] from the accused - This friendly push and Statement were witnessed by Sgt Waespi who, Mistaking this push and Statement for an act of violence placed the accused under arrest. L/Cpl Brack, in spite of his friendship with the accused was placed in the unfortunate position of taking the a party to Sgt. Waespi's charge of the accused.

(35)

The defence contends that, had Sgt Wacspi taken the time to inquire into the circumstances surrounding the alleged scuffle he would have found that this was merely a ~~once~~ repetition of the friendly scuffling that he himself admits goes on between the men in the shop, and that there was in fact, no reason for placing a charge against the accused.

As to the wording of the second part of the charge, no evidence whatsoever has been placed before the Court to indicate that the accused became engaged in an argument with an N.C.O.

The fact that the accused elected to make a statement in his defence, under oath, thereby leaving himself open to cross-examination, clearly indicates that he too felt the whole affair was nothing more than the usual friendly pushing.

On the strength of the evidence placed before the Court, the defence respectfully asks the Court to return a finding of Not Guilty.

CASE OF C11887 PTE JOHN THOMPSON

CLOSING ADDRESS BY PROSECUTION

"Gentlemen, I submit, on behalf of the prosecution, that the charge against the accused has been proved.

"If I may be permitted to break down the charge into its essential elements it will be found that there are two.

1. That the accused did engage in an argument in which he told his superior officer, A/L/Cpl. Brash, to go and fuck himself.
   The witnesses for the Prosecution have testified that such words were used and witnesses for the Defence corroborated by stating that such language was common occurence in the workshop. ~~of the common~~
   ~~Is there one Defence agree that foul language between men and N.C.O.s should be tolerated~~?

2. That the accused did engage in a scuffle with A/L/Cpl. Brash, in which he did strike him in the shoulder with his fist, knowing that A/L/Cpl Brash was his superior officer.
   I claim that the evidence given by the prosecution is more reliable than that of the defence, for this reason: The three witnesses for the prosecution were much closer to the scene of action itself than any of the defence witnesses. The three witnesses have testified in each case that a scuffle did take place in which the accused struck A/L/Cpl. Brash in the shoulder.
   In Cross examination, the accused agreed that he gave his superior officer a "push".

"I claim that each of these two essential elements has been proved.

"This case could have been tried under the more severe charge of striking his superior officer being in the execution of his office, but instead, the lesser charge was chosen.

"I submit, While everything possible has been done for the defence of the accused, that the prosecution case against the accused has been established."

OPENING ADDRESS BY PROSECUTOR - IN CASE AGAINST

C11887 PTE. JOHN THOMPSON

"Gentlemen, I shall endeavour to prove through witnesses, the following narrative of events which have led to the preferment of the charge against the accused.

"On Nov 19, 1942 at about 1600 hrs. at the Gun Shop of No.2 Group, 3rd Cdn Div Ordnance Workshop RCOC, Sgt. Waespi had been giving some instructions to A/L/Cpl. Brash about a new plug to pack in a recuperator. Sgt. Waespi then asked A/L/Cpl. Brash to file down a ferrule for him.

"A/L/Cpl. Brash has a bench and vise at which he is in the habit of working, so he walked over to his vise and found the accused working on it. A/L/Cpl. Brash asked the Accused to remove his work from the vise. The accused refused, using obscene language, and struck A/L/Cpl. Brash in the shoulder with his fist. At that moment Sgt. Waespi interfered, and warned the Accused for Orderly Room.

"The accused has elected to be tried by Court Martial instead of being dealt with summarily by his Commanding Officer.

TRIAL OF

B-53341 PTE THOMPSON J CIC - 11 CDN REPAT DEP

PROSECUTION

FIRST WITNESS

K-15529, SGT COOPER FJ, 11 CDN REPAT DEP, sworn, states:-

Q. Will you tell the Court exactly what happened on the night of 21 Jul 45?

A. I was Tpt Sgt for 5 CITR. I had been put on duty as Sgt for the Officers' Mess dance for 5 CITR. I had taken a convoy of vehicles to Chapplewood Manor, Sussex, and parked the vehicles in the parking lot. The vehicles were there for the convenience of the dance and all the vehicles were checked in the lot to see that they were all there. A check of the personnel was made at the parking to see that all were present. That was at approx 10 minutes after we came in. There was one vehicle driven by the accused, whom I recognize in this Court as being Pte Thompson, vehicle No. CM 4231543 (Jeep 543) which had to go for a tire repair, as stated by the accused. I didn't check to see whether the tire needed the repair or not; I took his word for it. In that time the vehicle went away and returned to the square in front of the Officers' Mess and not to the parking lot.

THE PROSECUTOR SHOWED THE WITNESS A SKETCH OF THIS AREA AND THE WITNESS SAID THAT IT WAS APPROX CORRECT; THE DEF OFFR SAID THAT HE HAD NO OBJECTION TO IT.

(THE SKETCH IS MARKED EX 1 BY THE COURT)

The vehicle was parked approx 50 feet across from where I was despatching and where I had made my HQ. He accused had been over talking to me in a sober manner; he seemed to be fairly sober; he probably had had a drink; I said to him that he was to have no beer and that he was to leave the vehicle where it was; I was busy getting the vehicles and the officers away into the dance as the persons came in from the vehicles. The accused walked towards the vehicle which I estimated to be 50 feet away stating that he was going to have a drink of beer. He had been forewarned not to drink and got into the vehicle and smartly turned on the ignition key and drove towards the clock tower at 1930 hrs; it could have been a little later; he could have been probably 10 minutes later. With that, I sent the DR who was on duty, Pte Stevenson, to see which way he had gone and to see if he could turn him about but it is winding through there and he lost track of him before he got on his vehicle. There was nothing else that I could do but to wait until the vehicle returned and when it returned at 2300 hours that same evening, I was there, Sir. When I saw the vehicle come in, I walked over to the vehicle which driven by the accused and asked for the keys, the ignition keys that would be. I was refused the keys; I then made it an order and said, "Give me the keys, Thompson" and I held my hand in a manner to receive them. I was refused again. I then lifted the hood of the jeep, No 543, and removed the high tension wire lead which runs from the coil to the distributor; when I did that, there was a remark passed by the accused, "I suppose you think that you are smart by doing so". I asked him for the keys and he said that he wouldn't give me the keys. I returned to my duty and I left the accused by the vehicle. He still had the keys. I had immobilized the vehicle. I was back on

duty at 2310-15 hrs and resumed my duties. While carrying on, Sgt Boyd who was assisting me found it necessary to use his jeep and he went over to start it and found that the vehicle would not start, that was at approx 2315 hrs; that was Jeep No 402; with that Sgt Boyd came over to me and we went to check the parking lot and found that Jeep No 543 was missing from the parking lot, and that would be around 2320 hrs. I didn't see the accused. I looked for him. I sent a Sgt to look for him through the Nutley Area. He also looked through the camp. The trip was taken by Sgt Boyd in Jeep 402 and with that all trips were completed as the dance finished I should say at 0300 hrs on 22 Jul 45. With that we returned to camp and made a check of the vehicle parking lot first; jeep 543 was missing; with that we checked the quarters and the driver of jeep 543, the accused, was not present; I made a report into the Tpt Officer, and we notified the RP on the gate to hold Jeep 543 and the driver when it would come in. The jeep returned at approx 2300 hrs on Sun night which would be 22 Jul. I was not present at the time. I examined the speedometer and it shoed approx 190 miles driven that was not authorized.

Q. When the accused first came to the vehicle park in front of the officers' mess, were you alone?
A. Pte Stevenson and Sgt Boyd were in the immediate vicinity.

Q. Did you hear Boyd talk to the accused?
A. Yes, he told him to lay off the beer.

Q. Did Sgt Boyd hear you talk to the accused?
A. Yes, Sir, he was close enough to hear him and me.

Q. Did he hear you when you asked for thekeys?
A. Yes, he must have he was close enough to hear that.

CROSS-EXAMINED

Q. When the accused was in the vehicle park in the first instance you said that he had been drinking, did you think then that he was in a condition to be left with a vehicle?
Yes, Sir, definitely

Q. Did you say that Pte Stevenson followed the accused on his MC?
A. Yes, Sir, and he reported to me that he went as far as the road that leads on to the Nutley Road; it would be probably ¼ a city block, which would be from 500 to 600 feet, where the road goes into a "T" road.

Q. The second time, you saw the accused at 2300 hrs how was he?
A. He had just come in. I should say his condition was sober, more so than he had beer. I don't know was his capacity is but I would say that he was sober and he answered me in a normal manner.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83 (B)

SECOND WITNESS

B-127620 Sgt BOYD, GE, 11 Cdn Repat Dep, sworn, states:-

Q. Will you tell the Court what happened on thenight of 21 Jul 45?
A. Sgt Cooper and myself had been detailed as Tpt Sgt for 5 CITR Officers' Dance. We had left our lines at 1830 hrs and got over to Depot Bn Officers' Mess. We put the vehicles in the parking lot marked "B" on Ex 1. Sgt Cooper and I proceeded to the Officers' Mess where our duty would be for the evening. A short time later, an officer came down and told me that the accused

had returned to tpt to fix a tire that had gone soft. He returned shortly with a S/Sgt in the vehicle who wished to go somewhere and I pointed out that it was impossible for him to go; he got out; the accused seemed to have a little trouble or difficulty with the vehicle and I felt that he had been drinking. He was not drunk by all means. I then told him to lay off the beer as he had a trip in ½ an hour. To that he said something about getting more beer. Sgt Cooper told him that he was not to have any more beer as he was on duty. At that moment, I went over to an officer who wanted to know something about something. The accused drove off. He returned about 2300 hrs; in the meantime, I had taken a vehicle which I had there and had taken the accused's trip which he had missed. The DR came down and reported that the accused had reported his car; Sgt Cooper and I went up and found the accused opposite his vehicle; Sgt Cooper asked him for the keys; the accused seemed to be evasive; Sgt Cooper ordered him to give him the keys; the accused still didn't give him the keys; it was an Officers' Mess Dance, we didn't wish to cause any commotion, so Cooper just removed the high tension wire from the vehicle. About ½ an hour later, I found it necessary to use the vehicle that I had; it didn't start; I found that the hight tension wire on my vehicle had been removed; I told this to Sgt Cooper; I want up to the vehicle park and we (Sgt Cooper and I) found the accused's vehicle to be missing at 2330-45.

Q. Could the high tension wire from your vehicle have been put in another vehicle such as a jeep?
A. Yes, Sir.

Q. And it would work?
A. Yes, Sir.

Q. Had the accused made any remark when Sgt Cooper removed the high tension wire from his vehicle?
A. Yes, Sir, I believe he said something to the effect that we were being smart. He said this in a hostile manner and defiant. We found his car to be missing from the parking lot. We finished at about 0330 hrs on 22 July 45 and returned to our lines. We checked the vehicles at the vehicle lot and Jeep 543, the accused's vehicle, was missing. We checked the quarters where the accused was living, and he was not there. We simply reported the vehicle and the man to be missing.

Q. Do you know when the vehicle returned?
A. No, Sir.

Q. Did you check the mileage later?
A. Yes, Sir, we found about 190 miles for which we couldn't account for according to the authorized trips or journeys on the work tickets.

CROSS-EXAMINED

Q. You say the accused had been drinking some beverage before he reported to the parking lot at 1940 hrs?
A. Yes, Sir.

Q. Did you think that he was in a fit condition to handle a vehicle that night?
A. I would say that he was quite capable.

Q. No steps were taken at that time to prevent him from going out and getting any more drinks?
A. We considered that when we told him to leave the vehicle there that it was sufficient. He hadn't been drinking to any extent to lose his sense of responsibility.

Q. After he left in the jeep did anyone follow him?
A. Yes, Sir, I believe Pte Stevenson did, but it is very difficult to try to follow a jeep because of the winding road there.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83 (B).

THIRD WITNESS

A-105625 PTE STEVENSON GA, 11 CDN REPAT DEP, sworn, states:-

Q. Will you tell the Court what you know about 21 Jul at night?
A. I was DR for the Officers' mess dance at 5 CIDB and saw Jeep 543 go into the camp at about 1940 hrs, driven by the accused whom I recognize in this Court as being Pte Thompson. I heard Sgt Cooper warn the accused three times to leave the jeep there. He wouldn't leave the jeep there; he got near the jeep and went out. He came back later at about 2359 hrs laterand on the way out I followed his jeepto the clock tower and I turned right and he turned left. I did that as I was going for my truck. I followed the accused the first time at 1940 hrs. I rode up to the clock tower and went towards the Nutley Rd where I couldn't see the accused's jeep any more. I couldn't see just waht way he turned then.

FIRST WITNESS

The accused, sworn, states:-

At about 1630 hrs on 21 Jul I was warned to go to a dance. I had been drinking at noon. After that I got beer till 1500 hrs that day. Everything seemed hazy to me by then. I just remembered about half of things after that. I had no work to do that afternoon until the dance. I got some spirits too. I remember being in the NAAFI that night. It seemed as though all the drivers were in there drinking thatnight. After that things were pretty vague to me. On Sun morning I was at 13 Brigade where I had been the previous morning; I just stayed under cover until I kind of pulled myself together and drove back in the evening. About the mileage on that speedometer, I don't think that I ever turned in my bookin on 21 Jul. I only got a recreational ticket. I drove this jeep all the time

I think I covered over 100 mi with Major Wilson on the morning of 21 Jul; of course, I went to 13 Brigade and back; also from there I took him to Sheffield Park which is about 8 mi from RHQ; also I returned to RHQ in between around 12 o'clock on 21 Jul. I should judge that this trip covered about 100, and I don't think that the work ticket gave credit to such a trip.

C-58194, Pte LEBEL, M, No 11 REPAT DEP, sworn, states:-

Q. Do you recognize the accused?
A. Yes, Sir.

Q. When did you see him on the night of 21?
A. At approx 2210 hrs in front of the Officers' Mess in 5 CIDB where there was a dance.

Q. What was his conditon?
A. At the time he came in with thejeep, he tried to start the jeep three times; three times, the amount of time required to pull away too; he couldn't have been normal.

Q. Have you known him for a long time?
A. Since Jan 45.

Q. Have you seen him in that condition before?
A. Not that I can recall, Sir.

Capt D.P. INGRAM, 11 CDN REPAT DEP, sworn, states:-

I arrived to 5 CITR in Dec 44 to be Tpt Offr, at which time the accused was driving in the section. At that time he was driving a 800 cwt vehicle. He had done very good. Reports from the NCOs were that he was efficient and a good driver. He was given a stn wagon and drove for the MIR more or less on his own. At no time did I have to doubt his efficiency until the time of this charge. I didn't see him that night.

STATEMENT BY THE DEFENDING OFFICER ON THE FINDINGS

We have the accused, it's happened before, where a man amasses a number of charges all in one evening where he could have been spared of all of them and could have been charged with a much minor offence, that of being drunk. He was in charge of public property; he was out on duty where he was driving officers and civilians and his two senior NCOs knowing that he had been drinking were still willing to permit him to drive a vehicle and felt that hewas quite capable of doing so. It is my contention that in a case like that, he should have been placed into protective custody not only for his own sake but for the sake of anyone who might have been with him. The accused had been drinking. No man can drink for a long time and again in the evening without becoming inebriated. Is the accused guilty of a crime he does not recall doing? The NCOs must have been worried about his condition or they wouldn't have sent out a DR after him to see where he was going or how he was going there. We have evidence as to his character, given by his unit tpt offr, for whom he has been working since last Dec and his evidence was in the accused's favour. We have another witness who knows the accused for a few months who has never seen the accused in that condition before that night and who claims the accused must have certainly under the influence of liquor at that time. In conclusion, the Court has had evidence presented to show that the man did do certain things but I hope the Court will take into consideration that the man being drunk cannot be charged with intentionally doing a crime as he didn't know what he was doing; he couldn't do it intentionally or deliberately.

(STATEMENT BY THE PROS OFFR ON THE OFFR ATTACHED TO THIS FOLIO)

The evidence produced by the various witnesses clearly justifies the charges laid against the accused Mr Thompson but there is some doubt as to the account deliberately throwing the deceased having worked with him for the past few months I am fairly certain Mr Mr Thompson although he was intoxicated, his perception was certainly affected so that he did not realize the seriousness of the act that he was doing at the time.

[illegible]

Plea in mitigation, in the case of
B 53341 Pte John Thompson

Pte Thompson enlisted at the age of 40, ~~then~~ an age usually considered too great for army employment. He enlisted in Oct, 1941 with the R.C.O.C. and arrived in England in Aug 1942. Served with R.C.O.C. until R.C.E.M.E was established and at that time he became a member of R.C.E.M.E

Pte Thompsons personal life has been very unsettled, and has caused him a great deal of worry. He is married to an American citizen who wishes to obtain a divorce, but cannot do so because of a ruling which prevents divorce proceedings being instituted against a member of the armed forces. He also has an association in this country and has a child as a result of this association. He intends to marry the woman just as soon as the divorce can be arranged, but in the meantime his mind is in a turmoil and he doesnt appear to be completely responsible. The only way in which he can get straightened away is by getting a discharge, and in view of the accused's age, and record and circumstances I strongly recommend that the court be as lenient as possible and that Pte Thompson be given an opportunity to re-establish himself. He intends to reside in the county and has a position waiting for him.

SUMMARY OF EVIDENCE

In the case of No. B. 53341, Private John THOMPSON, R.C.E.M.E., 11 Canadian Repatriation Depot, a soldier of the Canadian Army Overseas.

The Commanding Officer directs that the evidence be taken on Oath.

FIRST WITNESS: No. K. 15529, Sgt. COOPER, F.J., 11 Canadian Repatriation Depot having been duly sworn states:

On the evening of 21st July, 1945, there was an Officers' dance at 5 C.I.D.B., Chapplewood Manor, Sussex. No. B. 127620, Sgt. Boyd, G.E. and I were on duty as transport sergeants. No. B. 53341, Pte. Thompson, J., then of 5 C.I.T.R. now of 11 Can. Repat. Depot, whom I recognize and identify as the accused, was on duty there as a driver of W.D. Vehicle No. CM 4231543 (Jeep 543). I now identify trace shown to me as a very rough sketch of the Area of 5 C.I.D.B. Officers' Mess.

(The trace is shown to the accused, marked Exhibit "A" and attached hereto).

About 1930 hrs that evening I heard Sgt. Boyd give an order to the accused personally in the following words "You lay off the beer. You will leave on a trip at 2030 hrs". The accused, who had been drinking alcoholic beverages but was not drunk, immediately replied to Sgt. Boyd in a defiant and offensive manner "I am going to get some beer now". I then gave an order to the accused personally in the following words "You are not to have any beer: you are on duty: you will leave the vehicle where it is". The accused immediately replied to me in a defiant manner "I am going to have some beer now". Saying this he turned his back on me and suddenly jumped into Jeep 543 and drove it away at high speed before I could stop him. This was about 1940 hrs that evening. About three hrs later at about 2300 hrs the accused returned to Area "A" on Exhibit "A" with Jeep 543. I then asked the accused where he had driven the Jeep 543. The accused replied to me "Out". The accused appeared to have been drinking still more alcoholic beverages but he was not drunk. I then gave an order to the accused personally in the following words "Give me the keys for the vehicle. That is an order Thompson". The accused immediately replied to me "No, I won't give you the keys". I immediately lifted the engine hood and removed from Jeep 543 and placed in my pocket the high tension lead wire from the coil to the distributor. The accused in an insolent manner remarked to me "I suppose you think you are being smart". Sgt. Boyd and I returned to the front of the Officers' Mess by way of the clock tower "C" on Exhibit "A". In Area "A" on Exhibit "A" at about 2315 hrs Sgt. Boyd tried without success to start his W.D. Vehicle No. CM 4230402. The high tension lead wire from the coil to the distributor had been removed by someone between 2300 and 2315 hrs that evening. At 0400 hrs 22 July 45 in company with Sgt. Boyd I checked the vehicle park in transport lines, Pippingford Park, where the Jeep 543 should then have been. It was missing. We then checked the living quarters where the accused should then have been and found the accused to be absent. The accused had no permission to be absent nor was

he away on duty from 1940 hrs till 2300 hrs 21 Jul 45 or from 2320 hrs 21 Jul 45 till 2345 hrs 22 Jul 45. The mileage indicator on Jeep 543 at 1630 hrs 21 Jul 45 read 12330 miles and at 2345 hrs 22 Jul 45 read 12526 miles, a difference of 196 miles of which only 6 miles are properly accounted for.

F. J. Cooper Sgt.

The accused declined to cross-examine this witness.

SECOND WITNESS: No. B. 127620, Sgt. BOYD, G.E., 11 Canadian Repatriation Depot, having been duly sworn states:

On the evening of 21 July, 1945, No. K. 15529, Sgt. Cooper, F.J. and I were on duty as transport sergeants at 5 C.I.D.B. Officers' Mess Dance (Area "A" on Exhibit "A"). The accused, whom I recognize as No. B. 53341, Pte. Thompson, J., then of 5 C.I.T.R. now of 11 Can. Repat. Depot, was on duty there as a driver of W.D. Vehicle No. CM 4231543 (Jeep 543). About 1940 hrs that evening I gave an order to the accused personally in the following words "You lay off the beer. You will leave on a trip at 2030 hrs". The accused immediately replied to me in a defiant and offensive manner "I am going to get some beer now". The accused had been drinking alcoholic beverages but was not drunk. Sgt. Cooper then gave an order to the accused personally in the following words "You are not to have any beer: you are on duty: you will leave the vehicle (meaning Jeep 543) where it is". The accused immediately replied to Sgt. Cooper in a defiant manner "I am going to have some beer now". Saying this the accused turned his back on Sgt. Cooper and suddenly jumped into Jeep 543 and drove it away at high speed. No. A. 105625, Pte. Stevenson, G.A., a dispatch rider, followed the accused to Point "C" on Exhibit "A" on a motorcycle. This was about 1940 hrs that evening. About 2300 hrs that evening the accused returned alone in Jeep 543 to Area "B" on Exhibit "A". Sgt. Cooper and I immediately walked over to the accused. Sgt. Cooper then asked the accused where he had been with the Jeep 543. The accused replied to Sgt. Cooper "Out". Sgt. Cooper then gave the accused personally an order in the following terms "Give me the keys". The accused did not obey the order though he was given ample time to do so. Sgt. Cooper removed and placed in his pocket the high tension lead wire from the coil to the distributor. The accused then said to Sgt. Cooper in a very insolent and defiant manner "I suppose you think you are being smart". Sgt. Cooper and I returned to the Officers' Mess via the clock tower "C" on Exhibit "A". About 2345 hrs that evening I tried to start my W.D. Vehicle No. CM 4230402 but found that the high tension lead wire from the coil to distributor had been taken away at sometime after 2300 hrs that evening. In company with No. C. 21517, Cpl. LeBreton, W., I went immediately to Area "B" on Exhibit "A". Neither the accused nor Jeep 543 was there. No other jeep in the area was short its high tension lead wire from the coil to the distributor. At 0400 hrs 22 July in

company with Sgt. Cooper I checked the vehicle park in transport lines, Pippingford Park, where the Jeep 543 should then have been. It was missing. We then checked the living quarters where the accused should then have been and found the accused to be absent. The accused had no permission to be absent nor was he away on duty from 1940 hrs till 2300 hrs 21 July, 1945 or from 2320 hrs 21 July, 1945 till 2345 hrs 22 July, 1945. The mileage indicator on Jeep 543 at 1830 hrs 21 July, 1945 read 12330 miles and at 2345 hrs 22 July, 1945 read 12526 miles, a difference of 196 miles of which only 6 miles are properly accounted for.

R. Boyd. Sgt.

The accused declined to cross-examine this witness.

THIRD WITNESS: No. A. 105625, Private STEVENSON, G.A., 11 Canadian Repatriation Depot having been duly sworn states:

While I was on duty as motorcycle dispatch rider about 1940 hrs 21 July, 1945 at 5 C.I.D.B. Officers' Mess, the accused, whom I recognize and identify as No. B. 53341, Pte. Thompson, J. drove W.D. Vehicle No. CM 4231543 (Jeep 543) to Area "A" on Exhibit "A" and stopped. No. K. 15529, Sgt. Cooper, F.J. warned him three times not to drive the vehicle away. Suddenly the accused jumped into Jeep 543 and drove away via Point "C" on Exhibit "A" at a speed of about 25 miles per hour. I followed on my motorcycle to Point "C" on Exhibit "A" and saw the accused's Jeep 543 go out the main gate of the camp area and turn to the left on the Chelwood Gate - Nutley Highway. I next saw the accused about 2300 hrs that day in Area "B" on Exhibit "A". He was sitting alone in Jeep 543. I then heard Sgt. Cooper demand from the accused the keys of Jeep 543 and heard the accused refuse to give them to Sgt. Cooper. I returned to Area "A" on Exhibit "A". About 2345 hrs that evening No. B. 127620, Sgt. Boyd's Jeep 402 would not start because the high tension lead wire from coil to distributor had been removed by someone in the preceding 45 minutes.

G A Stevenson Pte.

The accused declined to cross-examine this witness.

FOURTH WITNESS: No. D. 157965, Cpl. RENNIE, W., 11 Canadian Repatriation Depot having been duly sworn states:

While I was on duty at the main gate at Pippingford Park, Sussex at 2345 hrs 22 Jul 45, the accused, whom I recognize and identify as No. B. 53341, Pte. Thompson, J. drove into the 9 C.I.T.B. Camp Area in W.D. Vehicle No. CM 4231543 (Jeep 543) alone. I placed him under arrest. He was sober.

The accused declined to cross-examine this witness.

President

No. S-94670 Pte. J. THOMPSON, and No. B-88048 Pte. D.R. ROBERTS, No. 1 Canadian General Holding Unit, tried by Field General Court Martial at BORDON, Hants. on the 14th day of August, 1941.

The order convening the Court, the charge sheet, summary of evidence and medical certificates are laid before the Court.

The Court satisfy themselves as provided by R.P. 22 & 23.

The accused is brought before the Court.

Prosecutor:-	Capt. W.B. Keith,	No. 1 C.G.H.U.
Defending Officer:-	Capt. N.N. Wardlaw,	No. 1 C.G.H.U.

At 1100 hrs the trial commences.

The order convening the Court is read, signed by the President, and attached to the proceedings.

The names of the President and members of the Court are read over in the hearing of the accused, and they severally answer to their names.

Q1. Do you object to be tried by me as President, or by any of the officers whose names you have heard read over?
A1. BOTH ACCUSED: No, sir.

The president and members are duly sworn.

The officers under instruction are duly sworn.

Q2. Do you object to No. B-66944, Sgt. T. Pyburn, R.Regt.C., acting as shorthand writer?
A2. BOTH ACCUSED: No, sir.

The shorthand writer is duly sworn.

The charge sheet is signed by the president and annexed to the proceedings.

The accused are arraigned upon each charge in the above mentioned charge sheet.

Q3. Are you guilty or not guilty of the first charge against you, which you have heard read?
A3. BOTH ACCUSED: Guilty, sir.
Q4. Are you guilty or not guilty of the second charge against you, which you have heard read?
A4. BOTH ACCUSED: Guilty, sir.
Q5. Are you guilty or not guilty of the third charge against you, which you have heard read?
A5. BOTH ACCUSED: Guilty, sir.
Q6. Are you guilty or not guilty of the fourth charge against you, which you have heard read?
A6. BOTH ACCUSED: Guilty, sir.
Q7. Are you guilty or not guilty of the fifth charge against you, which you have heard read?
A7. BOTH ACCUSED: Guilty, sir.
Q8. Are you guilty or not guilty of the sixth charge against you, which you have heard read?
A8. BOTH ACCUSED: Guilty, sir.

The accused both having pleaded Guilty to all six charges, the provisions of R.P. 35(B) are here complied with.

The summary of evidence is read, signed by the President, and attached to the proceedings.

Q9. Do the accused wish to make any statement in mitigation of punishment?

DEFENDING OFFICER: Yes, sir. The statement is simply to the effect that these offences were committed while the accused were under the influence of liquor to such an extent they did not appreciate the offences they were committing. Furthermore, sir, with respect to the accused Roberts, he has a clean record, this is the first time I believe he has been in trouble, and Thompson, I think, has some minor charges on his sheet, but nothing covering any offence similar to this. Otherwise the whole gist of the question is the fact that they were under the influence of liquor when the crimes were committed.

Q10. Do you wish to give evidence yourself or to call any witnesses as to character?
A10. DEFENCE: Yes, sir - Sgt. MacFarlane.

1st witness for the defence) No. B-81685, SGT. J. MacFARLANE, No. 1 Canadian General Holding Unit, being duly sworn, is examined by the defending officer:-

Q11. You are No. B81685, Sgt J. MacFarlane of No. 1 CGHU?
A11. Yes, sir.
Q12. Do you know the accused Roberts?
A12. Yes, sir.
Q13. How long have you known him?
A13. Quite some time; I don't know exactly, sir, but over six months.
Q14. During that time how often have you seen him?
A14. Quite often; I could not say definitely but quite often; well, in our unit I would see him mostly every day.
Q15. Could I say for a period of six months you have seen him nearly every day?
A15. Yes, and for a time I saw him every day; he was with my regimental police.
Q16. What would you say as to his character and reputation during that period of time?
A16. He was all right with me; he was a very good worker and was always tidy; I had no fault to find with him at all. He was taken away off the RPs. to go on a course.
Q17. Was he ever in any trouble?
A17. Not that I know of, sir.

Prosecutor declines to cross-examine this witness.

Q18. THE COURT: Any other witnesses?
A18. DEFENCE: I would like to produce Pte Thompson's paybook.
THE COURT: Well now, we can't receive any evidence. If you wish to refer to the paybook in the course of your address I am quite prepared to listen to it. I want to give the accused every chance of making whatever statement they wish, but we cannot receive evidence at this stage. You understand technically we cannot receive evidence now.
DEFENCE: I was treating this as being part of the statement, sir.
THE COURT: Then you may be permitted to continue with your statement.
DEFENCE: It may not be the proper time to produce it, but I wanted to refer to it and show his record as shown by his paybook; I thought that was in order, but I may be wrong, sir.
THE COURT: Would you like to be sworn as a witness for character and produce it as something being read from the official paybook? You can get it in as evidence if you wish to be sworn, if you wish to be sworn as a witness as to character and produce the book as the evidence you wish to introduce. Have you any objection to that, Capt. Keith?
PROSECUTOR: None whatever, sir.

2nd witness for the defence) The Defending Officer, Capt. N.N. WARDLAW, No. 1 Canadian General Holding Unit, being duly sworn, states:-

I produce as a witness for character of No. B94670 Pte Thompson J. his paybook. On p.11 of the paybook I read the following: "From Jun

40 to 5 Apr 41, Driver. Remarks and signature of O.C. Coy - Excellent. Signed, R.H. Noble, Captain."

Now I should like to call some witnesses, sir, to prove the condition the accused men were in the night of the offence and the day following but if the court is satisfied as to their condition I will not call them.

THE COURT: If you wish to call any witnesses as to the facts, that question was asked you previously. You cannot call any witnesses now as to the facts.

DEFENCE: I think this is really not evidence as to the facts. The facts are indisputed.

THE COURT: And they are all contained within the summary so far as the court is concerned, and the accused stand or fall on the summary, and the only way in which the defence can produce witnesses as to the facts is by pleading Not Guilty, which was carefully explained to the accused at the beginning of the trial.

DEFENCE: I am not disputing the guilt or innocence of the accused, but I want to produce to the court evidence of the condition these accused men were in when the offences were committed. I take it that is not evidence as to the guilt or innocence of the accused, but evidence which might be used in mitigation of sentence.

THE COURT: The only evidence which can be adduced in mitigation of punishment is the statement which might be made by the accused or on behalf of the accused, which you have already made - the witnesses as to character.

DEFENCE: Then sir, under sec 35, I may have misunderstood you, but as I understood it you said if there was any question as to the statement or any evidence which could be produced to corroborate it, that could be produced before the court.

THE COURT: There is no such statement contained in 35(B), unless you wish to point it out to the court. Under Note 5 you will see at the foot of the page:-

> "It must be recollected that there is nothing untrue in an accused person pleading not guilty, even though he committed the offence: his plea merely amounts to a claim, which he is entitled to make, that the charge against him shall be formally proved. And, indeed, where the accused, while admitting the offence, wishes to show that it was committed in circumstances of great provocation, he must plead 'not guilty' if he desires to prove the existence of such provocation out of the mouth of the witnesses for the prosecution who would not be called to give evidence if he pleaded guilty."

It then refers to 37(F):-

> "When the accused states anything in mitigation of punishment which in the opinion of the court requires to be proved, and would, if proved, affect the amount of punishment, the court may permit the accused to call witnesses to prove the same."

Therefore you may call your witnesses.

DEFENCE: That is what I had in mind, sir.

(Page 4 follows)

3rd witness) for the defence) No. C-4663, PTE. A.A. ROBBINS, No. 1 Canadian General Holding Unit, being duly sworn, is examined by the defending officer:-

Q19. You are No. C4663, Pte A.A. Robbins of No. 1 CGHU?
A19. Yes, sir.
Q20. What is your status in the unit?
A20. I am a member of the Regimental Police, No. 1 C.G.H.U.
Q21. Do you remember Sat evening, 29 Jun last, when certain articles were missing from the officers' quarters?
A21. Wasn't it the 28th?
Q22. The 28th or 29th?
A22. The night of the 28th; I remember the stuff was reported missing the next morning.
Q23. The night of the 28th - it was the 29th when it was reported missing?
A23. On the morning of the 29 Jun it was reported missing.
Q24. On the 28 Jun did you see the accused, Thompson and Roberts?
A24. Yes sir, at about 2300 hrs I was on a tour of duty and inspected all the camps to see the lights were out, and I ran along Pte Roberts and Pte Thompson. Pte Thompson was sitting on the ground, and he was drunk. Pte Roberts was trying to get him up on his feet. They were not making any noise and I thought the best thing to do would be to take them to their hut, which I did. I helped Thompson to his feet and helped the two of them to their hut.
Q25. Why did you help them to their hut?
A25. I didn't want them out, but they were not causing any trouble.
Q26. I mean, why did you consider it necessary to help them?
A26. For the simple reason they were too drunk to navigate themselves.
Q27. Why did you come to that conclusion?
A27. Pte Roberts was trying to help Pte Thompson to his feet and he fell down, he was so drunk, and I figured they couldn't get to their hut.
Q28. Did you smell anything?
A28. I could smell liquor on their breath.
Q29. And it was your conclusion they were too drunk to get to their hut?
A29. Yes, sir.
Q30. What time did you take them there?
A30. It would be either 2300 hrs or a few mins after that.
Q31. Did you see them again that night or the next day?
A31. I don't remember seeing them again until they were brought to the detention.
Q32. And that was on the following Mon, was it?
A32. Yes, sir.

Prosecutor declines to cross-examine this witness.

4th witness) for the defence) No. B-84370, SGT. J.M. HOOD, No. 1 Canadian General Holding Unit, being duly sworn, is examined by the defending officer:-

Q33. You are No. B84370, Sgt J.M. Hood, No. 1 C.G.H.U.?
A33. Yes, sir.
Q34. Stationed at Louisburg Bks?
A34. Yes, sir.
Q35. Do you remember seeing the accused Thompson and Roberts on 28 Jun 41?
A35. Yes, sir.
Q36. What time?
A36. Approximately 2200 hrs.
Q37. What was their condition at that time?
A37. They were drunk.
Q38. Why do you say they were drunk?
A38. I know Pte Roberts personally, and he was drunk.
Q39. What led you to come to the conclusion he was drunk?
A39. He had been drinking all night, I imagine, and he didn't know where he was or what he was doing, and the R.P. came along, so I left him in his hands.
Q40. Did you smell anything?
A40. Yes, sir.

Q41. What did you smell?
A41. Intoxicating liquor.
Q42. Which one of them did you smell it on?
A42. Mostly on Pte Roberts.
Q43. Did you smell it off Pte Thompson, too?
A43. Pte Roberts was holding him up.
Q44. Did you see them again after 2200 hrs?
A44. No sir, I went directly to my quarters.

Prosecutor declines to cross-examine this witness.

5th witness for the defence) No. C-11580, PTE. D. ROSSI, 1st Corps Petrol Park, Royal Canadian Army Service Corps, No. 1 Canadian General Holding Unit, being duly sworn, is examined by the defending officer:-

Q45. You are No. C11580, Pte D. Rossie, 1 Corps Petrol Pk, RCASC, attached to No. 1 C.G.H.U.?
A45. Yes, sir.
Q46. On Sun 29 Jun 41 where were you?
A46. I was in The Soldiers' Club, in Bordon.
Q47. Did you see the accused Thompson and Roberts?
A47. Yes, sir.
Q48. At what time?
A48. Sunday afternoon, about one o'clock.
Q49. And what condition were they in then?
A49. They were pretty drunk, sir.
Q50. Do you know how much liquor had been consumed by Thompson and Roberts?
A50. Well sir, we were drinking beer, and after the club closed we had some whisky, two bottles of whisky, and a bottle of gin and some wine.
Q51. When were they drinking the beer?
A51. Sunday afternoon.
Q52. Starting at what time?
A52. I don't know exactly what time, but I met them at one o'clock.
Q53. Did you start to drink then or later on?
A53. I drank with them; it was one o'clock.
Q54. Do you know how much beer was drunk?
A54. I figure we had eight or nine pints of beer.
Q55. Divided between you?
A55. No - that is nine beers apiece.
Q56. After that what did you have?
A56. Two bottles of whisky and a bottle of gin and some wine; I don't know how many bottles of wine.
Q57. When were the bottles of whisky and gin consumed?
A57. After the club closed.
Q58. How long did it take to drink that?
A58. I don't remember, sir.
Q59. Did Thompson and Roberts drink as much as you did?
A59. Yes, sir.
Q60. But you don't remember how long it took to empty the bottles?
A60. No, sir.
Q61. I shouldn't think you would.

THE COURT: I think it is up the court to decide that.

Q62. DEFENCE: Now I understand from your statement taken on the summary of evidence you went to London and ---

THE COURT: Has this anything to do with the sobriety or drunkenness of the accused?

DEFENCE: Yes, sir.
Q63. You went to London with the two accused?
A63. Yes, sir.

Q64. What time did you arrive there?
A64. I can't remember the time, but I think about half past eight or nine o'clock.
Q65. In what condition were you when you arrived in London?
A65. We were pretty drunk, sir, all of us.
Q66. Do you remember the next morning what condition you were in, that is, on the Monday morning?
A66. We were pretty sick.
Q67. Did you have anything more to drink on the Monday?
A67. Yes, sir.
Q68. Did Roberts and Thompson have more drink on Monday?
A68. Thompson was not with me on the Monday, but Roberts was.
Q69. Were you still drinking on the Monday?
A69. Yes, sir.
Q70. How much did you have to drink on the Monday?
A70. We had about six beers apiece on the Monday.
Q71. At what time?
A71. I couldn't say exactly, but I suppose about eleven o'clock.
Q72. What time did you get up on Monday?
A72. About half past seven.
Q73. Was Roberts sick?
A73. We were both sick, sir.

Prosecutor declines to cross-examine this witness.

CLOSING ADDRESS OF THE DEFENDING OFFICER

That is the end of the evidence, sir. I have only this to say on behalf of the accused, that they are ready and willing to make restitution for any loss that has been sustained. I understand that the bulk of the articles taken have been returned. There is a matter however of £1/- which was paid to Pte. Nock and the accused are ready and willing to repay that; and they are also ready and willing to make any possible resitution with reference to the cigarettes.

My further submissions are simply references to matters laid down in the M.M.L. I would first refer you to para 48 of Ch. III:-

"Drunkenness often has to be considered by courts-martial not as an offence itself, but in relation to greater offences, which it accompanies. It is a principle of English law that drunkenness is no excuse for crime. But where intention is of the essence of the offence, drunkenness may justify a court-martial in awarding a less punishment than the offence would otherwise have deserved, or reduce the offence to one of a less serious character. Thus, if an ordinary steady respectful man commits himself when drunk by the use of insubordinate language, it may be clear that he did not really intend to be insubordinate; and though the offence cannot be passed over, yet a more lenient punishment will meet the justice of the case than if the same man had used the same language deliberately when sober."

I don't think the rest of the para really relevant to the facts in this case.

I should also like to draw the court's attention to paras 78 and 80 and 81 of Ch V:- Para 78 deals with the matter of discipline and I don't know that it is necessary that I should read it to the court. However, para 80 says:-

"The court must pay special regard to the question whether the offences of which the accused has been found guilty were committed with or without premeditation and with or without provocation."

I don't know that that is relevant. Then para 81 says:-

Q64. What time did you arrive there?
A64. I can't remember the time, but I think about half past eight or nine o'clock.
Q65. In what condition were you when you arrived in London?
A65. We were pretty drunk, sir, all of us.
Q66. Do you remember the next morning what condition you were in, that is, on the Monday morning?
A66. We were pretty sick.
Q67. Did you have anything more to drink on the Monday?
A67. Yes, sir.
Q68. Did Roberts and Thompson have more drink on Monday?
A68. Thompson was not with me on the Monday, but Roberts was.
Q69. Were you still drinking on the Monday?
A69. Yes, sir.
Q70. How much did you have to drink on the Monday?
A70. We had about six beers apiece on the Monday.
Q71. At what time?
A71. I couldn't say exactly, but I suppose about eleven o'clock.
Q72. What time did you get up on Monday?
A72. About half past seven.
Q73. Was Roberts sick?
A73. We were both sick, sir.

Prosecutor declines to cross-examine this witness.

Thus, if an ordinary steady respectful man commits himself when drunk by the use of insubordinate language, it may be clear that he did not really intend to be insubordinate; and though the offence cannot be passed over, yet a more lenient punishment will meet the justice of the case than if the same man had used the same language deliberately when sober."

I don't think the rest of the para really relevant to the facts in this case.

I should also like to draw the court's attention to paras 78 and 80 and 81 of Ch V:- Para 78 deals with the matter of discipline and I don't know that it is necessary that I should read it to the court. However, para 80 says:-

"The court must pay special regard to the question whether the offences of which the accused has been found guilty were committed with or without premeditation and with or without provocation."

I don't know that that is relevant. Then para 81 says:-

"Again, due regard should be paid by the court to previous convictions. A habitual offender deserves far more severe punishment than an infrequent offender, and a first offender should always, if possible, be treated leniently."

I should also like to point out to the court that both these accused have been in detention since the 3 or 4 Jul 41, and I would submit that, as I think the summary of evidence shows and as the evidence submitted shows, when the offences were committed the accused were undoubtedly under the influence of liquor, and I think it is only fair to state that this was the cause of the crime. If these men had previously been guilty of a number of petty offences relating to stealing or offences of that sort, then it would be a different matter, but this is the first time they have been charged with any offence of a like nature.

That is all I have to say, except I submit to the court that the punishment which might be imposed might be detention and not imprisonment. I think the court is empowered with the discretion to impose a sentence of detention rather than imprisonment where there are mitigating circumstances. That is all I have to say, sir.

The Prosecutor, CAPT. W.B. KEITH, No. 1 Canadian General Holding Unit, being duly sworn, is examined by the Court:-

Q74. Have you any evidence to produce as to the character and particulars of service of the accused?

A74. Yes, sir. In the case of both No. B94670 Pte Thompson J. and No. B86048, Pte Roberts D.R. I produce certified copies of MFK-6 and AF B296 in both cases, statement as to character and particulars of service of both accused. I might explain the reason for the discrepancy in the time spent in detention awaiting trial: both men were convicted by their C.O. of being AWL, and the portion of the time they have been in detention was actually serving the sentenced awarded by the C.O. In one case the award was less than the other.

The above statements are read, signed by the President, and annexed to the proceedings.

Q75. Are the accused the persons named in the statements which you have heard read?

A75. Yes, sir.

Q76. Have you compared the contents of the above statements with the regimental books?

A76. Yes, sir.

Q77. Are they true extracts from the regimental books, and are the statements of entries in the conduct sheets a fair and true summary of those entries?

A77. Yes, sir.

Prosecutor declines to cross-examine this witness.

DEFENCE: I might point out, sir, that those awards for being AWL arise from the same set of circumstances.

THE COURT: That is understood. I must congratulate the defending officer on the defence he has presented in this connection, particularly in view of the fact that all the evidence for the accused men is that of character and of their condition at the time the crime was committed.

THE COURT IS CLOSED FOR THE CONSIDERATION OF THE SENTENCE.

4 July 1941

"On Saturday 28 June 1941 B88046 Pte.Roberts D.R. and I were drinking in the Soldiers Club at Bordon with some of the fellows. I overheard someone saying that there was a dance in the officers mess. We stayed in the club until closing time (2130 hrs). When we left the club a bunch of us started a "crap" game in front of it. We played until it was too dark to see. A Pte. Smitherman suggested we go to his room in one of the married quarters to continue the game. Roberts and I must have broke away from the others because we landed up at the officers quarters (Grafton Lodge) by ourselves. We went into the lodge and up the stairs. We went through some of the rooms and picked up about 1500 cigarettes, a portable radio, a camera, a revolver and three flashlights. We took all this stuff to our quarters. We sleep in the one hut. Later we hid this stuff in the woods behind the shooting range (Louisburg South). A policeman came and searched my kit but as we had hidden the stuff he found nothing and I told him that I had been in my quarters since 2200 hrs. I was pretty drunk but I had some sense left. I remember being in the officers quarters and picking all this stuff up and taking it to our quarters. It must have been the liquor we drank that made us do this. Pte.Roberts was pretty drunk too.

On Sunday 29 June 1941 in the afternoon Roberts and I had quite a few beers and when we ran short of money we went to the spot where we had hidden the stolen stuff and picked up the

Exhbit "G"

cigarettes. We sold them to different soldiers in the Soldiers club. I do not know how much money I received for the cigarettes nor how much Roberts got. We were selling them at one shilling per packet. We sold all that we had taken. Several of us chipped in to buy some liquor. The money was given to a Sergeant, Whom I do not know, and he bought one bottle of gin and five bottles of whiskey. We drank this and then, Roberts, Cpl. Rossi and myself left to go to London. Roberts and I went to our hiding place and picked up the revolver, radio, camera and flashlight as we intended to sell them. Roberts was carrying the radio and camera. The flashlights were in my respirator haversack. I sold the radio and camera to a British soldier in the "pub" at Bentley for one pound.

In London we ended up at the Union Jack Club. We went into the dining room to have something to eat. Rossi and Roberts said they were going to have a wash before eating. They left their respirators with me. I fell asleep in the doorway to the dining room and did not see them again. I waited for them until noon on Monday 30 June 1941 then asked the storekeeper of the small badge store on the opposite of the road from the Union Jack Club if he would take care of the two respirators for me. He accepted them. I also left the flashlights with him. I did not sell these articles. I returned to my unit at 0205 hrs this date.

2 July,1941

I remember being in the soldiers club at Bordon on Saturday night 28 June 1941 until about 2300 hrs. closing time. I had been drinking heavy since about 1.30 that day. From the club I went to the front of it with Curly (Pte.Thompson J.B94670) and several others where we got into a dice game. We played until it got too dark to see. I can remember getting up from the game and walking away with Pte.Thompson J.and others but from there on the effects of the liquor I had drank must have hit me so as to leave my mind a blank. I cannot remember anything more that night.

The next day - Sunday - 29 June 1941 - I helped to drink a bottle of gin and two bottles of whiskey. I do not know who got them or where they came from. It was about 3.30 or 4 o'clock in the afternoon when we finished these bottles.Pte.Thompson J.and Cpl. Roosi D. (C11580) were drinking with me.

At about 5.20 that same afternoon Pte.Thompson and Cpl.Roosi and I went to Bordon Station from where we took the train to Wimbledon. We went to London from there.

Just before leaving the camp Thompson left us saying "I'll be back in a minute". When he returned he was carrying a small radio in a blue zipper cover and a 455 Smith & Wesson revolver. I did not ask him where this stuff came from because I knew that some stuff had been taken from the officers quarters and figured that this was some of it. Thompson handed me the revolver and I carried it to London where I hid it over a flush tank in a sleep quarter toilet.

Thompson said he would try to sell the radio and camera. I do not know where the camera came from. He went into the R.T.O.'s office at Bordon station to try and sell them, but did not do so.

He sold the radio and camera in the Hotel at Bentley. He was going to sell the revolver in London. I did not get any of the money Thompson received for the radio and camera.

In London we went to the Union Jack Club and went into the dining room. Cpl.Moosi and I told Thompson we would have a wash and when we returned Thompson was gone and so were our respirators and steel helmets.

It is possible that I was with Pte.Thompson when the revolver and radio were stolen but I have absolutely no recollection of it.

I can now remember being in the officers quarters on the night of 28 June 1941, because I fell down the stairs getting out. Pte.Thompson J. and I were in those quarters but I do not know why we wandered in there. We took this stuff to our quarters and later hid it in the bush at the rear of the shooting gallery.

DESCRIPTIVE RETURN of a Deserter or Absentee without Leave.

INSTRUCTIONS FOR THE GUIDANCE OF MAGISTRATES.

(1) When a man is apprehended by the Civil Power as an absentee without leave, or as a deserter, if the information tendered leaves no doubt in the mind of the Magistrate that the prisoner is a soldier, this return should be completed and given to the Police to hand to the escort on arrival.

(2) To avoid delay in the arrival of the escort a telegram stating the Number, Rank, Name and Unit of the soldier should be sent by the Police, as soon as the man is committed, to the Officer Commanding the soldier's Unit. The place where the escort is required to attend should be stated, also whether the soldier *surrendered* or was *arrested*.

(3) Any recommendation for a reward should be made on Part II of this return.

(4) The Court fees chargeable for Descriptive Returns should be claimed periodically from the Command Paymaster of the Command in which the Court is situated.

(5) The stations of all Units are shown in the Monthly Army List, as are also the Depots of Corps.

In the case of doubt as to the location of a particular Unit reference should be made to the nearest O.C. Troops. Where the soldier's Unit is stationed overseas (outside Great Britain, Northern Ireland District, and the Channel Islands) the telegram for an escort should be despatched to the O.C. Depot, who will take all necessary action for its provision.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused : Do you wish to make a statement ? Ans ~~Yes~~ - .(5)

B5. The Summary of Evidence is marked Ex A, initialled and read aloud by the President.(1)
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). RP 37(D).*)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

D5. President to accused : You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused : Do you wish to give evidence yourself as a witness, make a statement, or do neither ?

Summary of Evidence in the case of B-78670 Tpr Thompson J A, HQ Sqn 4 Cdn Armd Div, Canadian Army Overseas, charged with Conduct to the Prejudice of Good Order and Military Discipline in that he in the field at approximately 2200 hrs on the night of 24 Jun, 1944 improperly and without authority took and used Cdn Mil Veh No. CL-4264654 thereby occasioning damage to the said vehicle to the extent of £15-10-0.

The C.O. directs that the evidence be taken on oath.

First Witness

K-38545 Tpr Sartorius G, Tpt Tp, HQ Sqn 4 Cdn Armd Div, sworn states:-

On the night of 24 June 1944 I was detailed to drive veh CL-4264654 on a recreation trip to Heathfield which was authorized by Major C S Campbell O.C. HQ Sqn 4 Cdn Armd Div. We left unit lines about 1915 hrs and arrived at Heathfield at approx. 2010 hrs. I stayed with my vehicle until approx 2125 hrs. When I left it to go to a nearby NAAFI, approx 50 yards distant, to get a cup of tea. I had immobilized the vehicle by detaching the wire from the starter button as soon as we arrived. I was away from the vehicle for about 10 minutes returning to the parking spot at approx 2135 hours. In my absence someone had taken my vehicle and it was not where I had parked it. No one had, or was given authority to move this vehicle.

The accused declined to cross examine this witness.

I was on 24 June 1944 and still am batman at HQ RCA 4 Cdn Armd Div. On the night of 24 June I accompanied Tpr Thompson, whom I recognize as the accused, on a recreational trip to Heathfield. When we arrived at Heathfield, Tpr Thompson and I went to the Half Moon Hotel and had a couple of drinks. We were in the hotel for about an hour to an hour and a half (approx) when Thompson went outside and was away for about 10 minutes. He then returned and said to me "Come on - lets get going". We went outside and he got into the truck which had brought us to Heathfield. I asked him where he was going and he said, "To pick up the other two fellows". I asked him if he had permission to use the truck and he said he did. So I thought that he was going to pick up two fellows and go to the dance.

After we had been driving for about ten minutes, I asked him again where he was going and he said "Just down the road to pick up somebody".

Just after that we made a sharp turn and immediately after another which we didnt quite make and the truck crashed into a wall. Right after that Thompson said something to the effect that he had taken the truck without authority so I jumped out of the truck and headed back for Heathfield. Because of the excitement I cannot recall his exact words.

Having been duly sworn states that Sir I am C-120663 Pte GRIER R.J. On June 21 44 the morning after we had taken the monastary I was on a bren post on the side of the hill up from the monastary. Pte. Thompson was sitting beside me. He had the captured German Mauser in his hand and was apparently trying to ease the action forward on the weapon and he handed it to me, warning me to be careful because he didn't know much about it, and that the active appeared to be stuck. I held it in my hand for only a few seconds and returned it; and he continued to try to ease the action forward, it went forward all of a sudden and was discharged into the calf of his left leg, upon which I applied a first field dressing.

Questions by prosecution:

(1) Do you recognize the accused?

A. Yes Sir.

Was Pte Thompson also on guard duty?

A. No Sir.

A. No Sir.

(7) Did you see the pistol go off?

A. I more or less saw it indirectly Sir.

(8) After you had bandaged Pte Thompson's leg did he reprimand himself for his carelessness?

A. I dont know Sir I was excited at the time myself.

(9) Can you recall (in your own words) anything Pte Thompson said after the accident?

A. No Sir I cannot.

(10) Was Pte Thompson able to walk away.
How was he taken care of?

A. He did not use his injured leg but he put his arms around two of our shoulders and walked away.

Cross examination by Defence.

(1) Pte Grier did you try to unload this pistol when it was handed to you.

A. No Sir I just looked at it and handed it back.

A. Yes Sir it flew from his hand onto the road way and was picked up by the Corporal.

(3) How far away did the pistol land after it flew from his hand.

A. About four feet Sir.

2nd Witness

Having been duly sworn states that Sir I am Capt T.B. Swainger. 2 FDS RCAMC formerly attached to L. Edmn R. as M.O., and I recognize the accused as Pte Thompson. He stated that he had been examining a Mauser pistol, and it had accidently discharged wounding him in the leg.

Questions by Prosecution.

When Pte Thompson was brought to you was he walking or was he carried.

A. He was assisted.

(2) Was the leg wound pf Pte Thompson serious enough to keep him out of action with the coy.

A. Yes.

(3) For approx. how long would it keep him out.

A. It depends on whether there was infection or a bone injury.

(4) What would be the minimum time with no infection or bone injury.

A. From two to three weeks.

(5) Did Pte Thompson reprimand himself for his carelessness.

A. I do not remember.

(6) Did Pte Thompson state that he had been handling a Mausser pistol and had accidently shot himself.

A. Yes Sir

The defending Officer submits that the evidence of the prosecution does not establish a prima facie case against the accused on first charge owing to the lack of evidence.

(6) In what position was the mechanism when you got it.

A. When I took the pistol out of the case the action was forward Sir.

(7) Had you ever seen a Mausser before.

A. No Sir.

(8) What did you do when you took it out of the case.

A. I started to look the weapon over. I tried to take out the magazine. I could not get the magazine out so I asked a friend of mine how the magazine was taken off. He then gave me a couple of pointers about the safety catch and the magazine. Then he pulled the action back and cocked the gun. When he put the magazine back in the action jammed.

The Defending Officer produces a Mauser pistol 6.35. and shows it to the accused.

(9) The weapon you had, was it similar to this one?

A. Yes Sir.

(10) Was it jammed with the action half forward?

A. Yes Sir

(11) Did you give the pistol to anyone after the pistol was jammed?

A. Only Pte Grier Sir.

(12) No one else helped you?

A. No Sir

(13) Why did you try to fix the jam?

A. So I could put the pistol away.

(14) Away where.

A. In its case Sir.

(15) Were you out with Sgt Chetelborough that morning?

A. Yes Sir.

(16) What did you do?

A. We went to get five Germans that were in a cave on the hillside a few hundred yards up the road.

(17) Did you get them?

A. Yes Sir.

(18) Were they searched?

A. Sgt Chelborough searched and disarmed them Sir.

(19) What did he do with their weapons.

A. He brought them back to coy h.q. with the German prisoners.

(20) Did you get any of their weapons.

A. I was given the Mauser pistol sir.

(21) The same one that caused your injury.

A. Yes Sir.

The defending Officer shows the court a jammed pistol which was very difficult to clear and could not be done, without an instrument of some sort.

Questions by the Prosecution.

(1) Was there anything faulty with the mechanism of this pistol.

A. Not to my knowledge Sir.

(2) When you handed the pistol to Pte Grier did you warn him to be careful bwcause it was dangerous to handle it.

A. I warned him to be careful because the weapon was jammed.

was this particular pistol jammed by firing it.

A. No it was not.

(3) When Sgt Chetleborough gave you the pistol, did he give it to you the intention you were use it, or did he give it to you as a souvenir?

A. He didn't say anything, he gave it to me without comment.

(4) Was the pistol properly cocked when you received the pistol back from you friend.

A. No sir the action was only to the rear.

(5) Who is this friend.

A. I do not know his name sir.

Is he still around now.

A. I do not know sir I've been with the N.A.F. since the 6 June.

2nd Witness M-15920 L/Sgt CHETTLEBOROUGH L.F.

Question by defence.

(1) Do you recognize the accused?

A. Yes Sir

(2) On the morning of 2 Jun 44 did he go on a patrol with you.

A. Yes Sir.

(3) What were the results of this patrol.

A. We captured five prisoners sir. Cornered by Pte Thompson I disarmed the prisoners and started for coy H.Q. Pte Thompson stopped at the platoon area to exchange his pres for a tommie gun and we turned the prisoners over to coy H.Q.

(4) Where did you leave their weapons?

A. I carried the weapons myself to coy H.Q. When they had been checked by the major he gave them back to me.

"DS" Evidence of 1st Witness for Defence (cont)

(4) The pistol was pointing at your leg when you started to ease the the action forward.

A. No Sir, when I first started to clear the weapon I made sure that it would miss my leg if it was to go off.

(5) Was there a second time you tried to ease the action forward?

A. Yes after I got the weapon back from Pte Greier Sir.

(6) Was the pistol pointing at your leg when it went off?

A. In order for it to have been pointing at my leg when it went off it must have been the pressure of my hand working on the action that lowered the barrel.

(7) I wanted to know was the pistol pointing at your leg when it went off.

A. It must have been for the bullet to pass through my leg.

(8) Therefore were you wounded when you were trying to ease the action of the pistol?

A. Yes Sir.

(9) Was the pistol jammed in the same manner as the pistol on exhibition?

A. I dont recall clearly but I do know there was a second round that was jammed in the action.

(10) Did your friend show you how to take out the magazine and apply the safety catch on with pistol.

A. Yes Sir.

(11) Did you try to take off the magazine before trying to ease the action forward?

A. Yes I first tried to remove the magazine.

Question by the court.

(1) How did you finally clear the gun in order for it to go off.

A. That is something I dont know sir, I dont remember.

"TDJ"

(V) How many weapons were there?
A. Five Sir.

(VI) What kind were they

A. One Luger one P38 one P.08 two Mauser automatics, Sir.

(VII) After the Major checked them over did he give you any instructions.

A. I asked for one to give to Pte Thompson, he told me to take them and give them out to the patrol.

(VIII) And you followed out his orders.

A. Yes, Sir.

The Defending officers closing address.

First: The coy in which Pte Thompson is , were still in contact with the enemy, Prisoners were taken from a cave three hundred yards away that morning. It is quite evident that the coy com sant the captured weapons out to Pte Thompsons platoon to be used if necessary against the enemy. Pte Thompson received this weapon which he had neve r seen before, and endavoured to find out how it worked Since the coy was cramped for space as a result he was accidentally wounded. He couldn't have negligently handled the weapon, he had never received any instructions about and therefore, if a booby trap had went off while he was trying neutralize it.

The Prosecutions closing address.

I just want to review a few very short point. Pte Thompson handed Pte Grier the pistol and warned him to be careful because the action was stuck, yet when Pte Thompson tried it ease the action of the pistol forward the pistol was pointing at his leg as it went off

This leg wound was serious enough to render Pte Thompson from carrying out his duty with his company for at least two or three weeks.

The Defending Officer calls witness of character for the accused.

1st Witness Capt R.M. Levine No. L. Admn R. having been duly sworn states that.

Question Do you recognize the accused.

A. Yes I do

What kind of a job has he been doing since he came to the R.A.F?

A. Very satisfactory he has been employed as my batman for the past four days and previously when I was relieving for Capt. Grainger the previous M.O. was handyman about the R.A.F.

The prosecution declines to cross-examine the witness.

Statement in mitigation for the accused by the defence.
Pte. Thompson before joining the army was turned down on medical grounds from the merchant navy, the navy and the air force. He underwent an operation for a hernia in order to become category A and join the army to come overseas. Unfortunately this operation had to be performed while he was still a civilian and there are no army records to verify it. In view of this fact and his absolutely clean conduct sheets I submit the court should deal as leniently as possible with him when considering the sentence.

He had the captured German Mauser in his hand and was apparently trying to ease the action forward on the weapon. I asked to see the weapon, and he handed it to me, warning me to be careful because he didn't know much about it, and that the action appeared to be stuck. I held it in my hand for only a few seconds and returned it, and he continued to try to ease the action forward. A. I asked for one to give to Pte Thompson, he told me to take them and give them out to the patrol.

(VIII) And you followed out his orders

A yes sir

The Defending officers closing address.

First: The coy in which Pte Thompson is, was still in contact with the enemy, Prisoners were taken from a post three hundred yards away that morning. It is quite evident that the coy com. sent the captured weapons out to Pte Thompsons platoon to be used if necessary against the enemy.

Pte Thompson received this weapon which he had never seen before, ~~about no one in the~~ and endeavored to find out how it worked. Since the coy was in action he would be nervous and perhaps cramped for space. As a result he was accidentally wounded. He couldn't have negligently handled the weapon, he had never received any instructions about and therefore was wounded in action just as legally as if a booby trap had went off while he was trying neutralize it.

The Prosecutions closing address.

I just want to mention a few very short points Pte Thompson handed Pte Gill the pistol and warned him to be careful because the action was stuck. Yet when Pte Thompson tried to ease the action of the pistol forward the pistol was pointing at his leg as he said and off

The leg wound was serious enough to render Pte Thompson from carrying out his duty with his company for at least two or three weeks

The Defending officer calls witness of character for the ~~def~~ accused.

1 st Witness Capt R. M LEVINE M.O. 2/Edmon R. having been duly sworn states that

Question. Do you recognise the accused

A yes I do

Q What kind of a job has he been doing since he came to the R.H.P.?

A Very satisfactory he has been employed as my batman for the past four days and previously when I was relieving for Capt Grainger the previous M.O. was handyman about the R.H.P.

The prosecution declines to cross examine the witness.

Statement in mitigation for the accused by the defence

Pte Thompson before joining the army was turned down on medical grounds from the merchant navy, the navy and the air force. He underwent an operation for a hernia in order to become category A and join the army to come overseas. Unfortunately this operation had to be performed while he was still a civilian and there are no army records to verify it. In view of this fact and his absolutely clean conduct sheet I submit the court should deal as leniently as possible with him when considering the sentence

SUMMARY OF EVIDENCE in the case of D139140 Private THOMPSON, John Alfred, of The Loyal Edmonton Regiment, a soldier of the Canadian Army Overseas, CMF.

By Order of the a/Commanding Officer, evidence is taken on oath.

1st Witness Prosecution

C120663 Pte Grier, Robert James, of The Loyal Edmonton Regiment, being duly sworn states:

I am C120663 Pte Grier, R.J. of C Coy, The Loyal Edmonton Regiment. At approx 1115 hrs 2 Jun 44 near the Convent (MR 434427 - FROSINONE Map) I was on guard at a Bren post by which the accused, D139140 Pte Thompson, J.A., whom I now recognize, was sitting and trying to ease the action of German Mauser automatic pistol, forward. I asked to see the weapon and he gave it to me but warned me not to fool around it because it was loaded and that the action was stuck. When I took the weapon in my hand I looked it over and handed it back to Pte Thompson. Pte Thompson continued trying to ease the action forward when suddenly it went off, the round going through his left leg. I applied a first-field dressing to the wound and then called for a stretcher bearer. After the accused had been hit he mentioned that he had hurt himself on the mortar range and now he had hurt himself again. He seemed to be reprimanding himself for his carelessness.

Questioned by Officer taking Summary.

Q. 1 Was the safety catch on?
A. 1 I didn't notice.

Cross examined by the accused.

Q. 2 Do you recall my surprise at the gun going off, that it left my hand and landed on the road?

A. 2 It flew from Pte Thompson's hand and believe it was due to the surprise that he had shot himself. He daid that he never wanted to see an automatic pistol again.

He stated that he had been handling a Mauser Pistol and had accidentally shot himself. On examination I found that he had a soft tissue relatively minor wound of his left leg. Dressings were applied and he was evacuated to the Field Ambulance.

(signed) T.R. Grainger

The accused, D139140 Pte Thompson, J.A., after being duly warned as follows, "Do you wish to make any statement or to give evidence upon oath? In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

STATEMENT BY THE ACCUSED(ON OATH) NOTE E-1

Sir:

I would like to start my story at the beginning of my service in England and try to make it as brief as possible. When I came over first I came over as a Small Arms Instructor and as such I was given promotion of two occasions and I was originally with an Anti-Tank Unit. I was transferred from that Unit to the RCOC and after being in the field shops for some months I was sent to the Holding Unit for Trade Test which I passed. I was then sent on a course at London as an Instrument Mechanic and again passed and was returned to the holding unit. At this time I asked to be re-attached to my original Unit which took place and at the time that they left for Italy I was taken out of the draft and sent on a further course. Up until this time I had had no trouble at all and had even enjoyed the army, even the spit and polish, but I was naturally disappointed when I could not go with the Unit. The name of this unit was the 1st. Division "orkshop. Just at this time I was advised that my wife in Canada had left her home and including myself, that is she left me, and a short time later I was advised by the Paymaster that I would be forced by the Government to pay the maximum allowance or allotment and the paymster at that time said not to sign the commitment unless I was forced to do so, and a few months later I was forced to make the assignment of $22.50. Ithinkat this time was my first entry on my MFM 6. I went a bit off the beam. Again I was sent on a further course which I passed quite successfully and had no trouble whatever. I was again returned to the holding unit, but was unable to be posted to a field unit even though I stated this desire on many occasions. The only thing I wanted to do was to get abroad so I could forget all my domestic troubles. I was turned down, even though the 10 other men on the course were drafted, I was left behind. Because I could not get a posting and got into one of my black moods . I have a University Education which I got the hard way, but inactivity of the holding unit was more than I could bear. I fought to get abroad but it was no use. I am Category "A". I am qualified in Small Arms Training, Thompson Sub-Machine gun and Instrument Mechanic Group "B". When I finished this course and was returned to the Unit, my tradespay instead of increasing, was taken away from me because of a ruling that tradespay would not be granted until you were sent to a field unit. This took money away from me, that I really needed. When my wife left her home she had made arrangements to get the allowance, and my assigned pay. I was an accountant in Civil Life. Well I Think sir, that I have gotten into trouble because of the extra time on my hands, but I feel sure sir, that If I could get abroad that I could distinguish myself as a year ago I was nothing more than a Pscopathic case. I know I am quite wrong, but if one sits in the holding unit and sees many other boys being posted to the field who have neither the qualifications, nor as good a M.F.M. 6, it is enough to make you do something wrong. I simply plea in conclussion to get a chance to get abroad and do something.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B)

PLEA IN MITIGATION NOTE E-1

Read by Defending Officer and is attached to the proceedings.

THE COURT WILL BE CLOSED TO CONSIDER THE SENTENCE

PLEA OF MITIGATION
COURT MARTIAL
C-16716 Pte. Thompson, J.F.

The evidence submitted by the prosecution allows the accused no alternative but to plead guilty to the charges.

Before rendering punishment on the accused may it please the court to take into consideration certain circumstances outlined in the statement made by the accused under Oath. Enlistment in an Anti-Tank Regiment in June 1940, showed a desire to get into a highly combatant Unit and such was the wish of the accused. Due to civilian experience and suitable education the accused was transferred to R.C.O.C. and received training on Instrument repairs, although such a transfer was not requested by the accused, who would have apparently preferred to remain in the Anti-Tank Regiment with his friends. However it was deemed that the accused would be more useful in Instrument Work and courses in England after arrival in Sep 1940 were attended and qualifications obtained. The unfortunate fact however, is that the accused was never on strength of any one workshop group for any appreciable length of time and employed at his Army Trade to an extent in keeping with the training given. Probably the reason for this condition was the inactivity of the Canadian Army in actual warfare after Dunkirk, and could not this activity been the cause of restlessness resulting in men going AWL? A s the accused has stated relations between his wife and himself were a source of ittitation and coupled with a feeling of not contributing his full worth to the war effort, a condition of frustration resulted. Had the accused been kept more busily engaged at his trade or some other productive occupation, it is quite probable this court-martial would not have been required. It is practically impossible for some individuals to not become restless when engaged in a seemingly not worthwhile occupation, and such an individual is the accused. On one occasion the accused was held back from a posting to the field and sent on another Instrument Course. On completion of this course the accused returned to the Holding Unit and again began a period of hopefully waiting for a posting. Such was the circumstances at the time of going AWL. Please note that during the AWL period, the accused worked on farms and thus spent the time to some good.

The accused realizes his crimes and the necessity for punishment, however in passing judgment may the Court consider the value of the accused at the fighting front at this time. The accused has that one desire to get into action and may the sentence be such as to still provide that opportunity before hostilities cease.

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

E Q C M

CASE OF :

B 45745 Pte THOMPSON

FIRST WITNESS FOR THE PROSECUTION: SWORN STATES:
Jack Arnold SMITH PC of COVENTRY

Q. When did you see the accused and in what connection?
A. As a result of a telephone call, I arrested the accused and brought him into the police station at Coventry. There I asked him to produce any document to prove his identity, he produced this piece of paper(Ex "C") he said what would you say if I told you I was on leave from the Army? I said why did you not produce this pass before? On examining it I found out it was a leave pass made out to expire 2359 hrs 14 Dec. Shortly after this a telephone message was received and as a result of this message I charged the accused with being an absentee. When he was searched this letter was found on him. (Marked Ex. "B" for identification) I asked the accused about another piece of paper he had on him and he said that this was a discharge paper issued in 1940 and he was using it in an endeavour to obtain a civilian identity card. At the time I arrested him he was dressed in civilian clothes , with a muffler which when removed revealed a khaki shirt and collar.

Q. Was this conversation with the accused after he was under arrest?
A. After the accused was under arrest I was making inquiries as to how he came to be in possession of a discharge certificate and did not obtain an identity card . I gave him this warning after I arrested him. I said"Do you wish to say anything in answer to the charge, you are not obliged to say anything unless you wish to do so, but whatever you say maybe taken down in writing and used as evidence."

BY THE COURT TO THE DEFENDING OFFICER:
Q. Do you wish to question this witness. Are you objecting to any statement by the accused?
A. No Sir.

WITNESS CONTINUES:
The accused told me that he had worked his way over in a cargo boat from Canada and landed at Liverpool. The accused told me that he had used his discharge certificate. He said it was a certificate he had obtained when he was in Canada. He came over to England on a cargo boat working his passage and landed at Liverpool, there he left the boat and did several kinds of work, after that he went to London where he picked up with a girl and they came to Coventry and she and he went to the Food Office she for the purpose of getting her name on her identity card changed to her married name"Thompson" and he to get a civilian identity card. He stated that he had been able to get food from different Cafes and eating h houses.

Q. At the time the accused was picked up was there anything to make you think that the accused was not in the country over two months?
A. No Sir

Q. This letter that the accused had on his person at the time, which has been marked Ex. "B" for identification, did the accused say anything about this letter?
A. No Sir.

...../2

STATEMENT BY WITNESS (Cont)

Q. How did you find out that the accused's pass was not good?
A. The accused admitted that he was absent.

Q. When was this?
A. When I charged him. When the accused was charged he said, "I am absent from 1st. of Dec." I said you have put the 4 in between the figure one and Dec. And he said, yes, I am AWL.

Q. When did he say this to you?
A. When he was charged.

Q. Before or after?
A. After the warning.

DEFENDING OFFICER:

Q. When did you first place the accused under arrest?
A. He was placed under arrest at 4 PM.

Q. Where did you pick him up, on the street?
A. Yes sir, at 1145 AM.

Q. Between 1145 AM and 4 PM did you ask him any questions?
A. Yes Sir.

Q. And got answers you have given us in evidence?
A. I did not get a lot of them until later, after he was formerly charged.

Q. Did the answers after arrest differ from those given before?
A. Yes Sir.

Q. How was the accused dressed?
A. In civilian clothes. He was wearing a navy blue suit and a dark overcoat.

Q. Was that dark overcoat not a service great coat?
A. Not to my recognition.

Q. What form of identification did the accused show to you and did you find any Army identification on him?
A. The discharge certificate Ex"C" and the leave pass.

Q. Did you not see his identity discs?
A. I did not see those until he was formally charged.

Q. Did you see his pay book with identity card?
A. I did not.

Q. Did you not see his pay book?
A. I did not search him. After he was searched his pay book was on him and we found it when he was searched.

Q. Did you see this woman?
A. Yes Sir.

A certified true stencil copy of Part II Order #176 d/14 Dec 44 para 6 , section "B" sub-section 3 and 4 relating to the absence of the accused submitted by Lt. J.C. DENT of #1 CCOD 4VRD. (Marked Ex. "D") and Expense Voucher (marked Exhibit "E".)

...../3

DEFENDING OFFICER:

The accused does not propose to make a statement but has asked to submit a Plea in Mitigation.

Q. Is he pleading guilty to the charge of being a deserter?
A. He did not intend to desert. The evidence shows no intention to desert. I hope it will be accepted from evidence today. There is no proof that he was a deserter or that he accepted a job or that he was going to desert or that he made any effort to get out of the country. Any man is entitled to wear civilian clothes on leave and that he was carrying all military identification. That would not be likely in a case of desertion. He had adequate time to dispose of all these if he fully intended to desert the army.

PROSECUTOR:

The thing is that he did try to get civilian identification card by producing a discharge paper dated 1940, which is one point which shows intention to desert. Secondly I propose he would be very foolish to throw away this documens until he could get a civilian identification card. He was trying to get a civilian ration card.

STATEMENT BY THE ACCUSED:

I am guilty of being absent, of changing my pass to 14 days. I did not intend to desert the Army. I intended to come back when 14 days was up. I had my uniform with me in a suitcase, and I had my identity card and pay book both with me all the time.

Plea in mitigation for the accused.

Mr. President + Members of the Court

The accused Pte. G. H. Thompson enlisted in the Can. Army for the second time in Jan. 1941 and has been over (4) years of service with approx. 3½ of it in England. At the times of his re-enlistment it was known that he had been previously discharged as being unlikely to become an efficient soldier. This was ignored or passed over, as the case may be and it is the fault of the Army administration that Thompson was permitted to re-enlist and is in the army to day.

He was sent overseas in July 1941 with the trade of cook and has been in England ever since although his wish was to get to a fighting front. Any possibility of him getting to a fighting front was stopped in 1942 when his category was dropped to C because of trouble with his legs and ankles. This trouble has ameliorated and his present Category profile as of Apr 44 shows an E4 and M4. With regard to the M4 rating on his Category profile and his recent routine employment it would seem to suggest that his mental ability is definitely below average. From conversation with the accused, it was concluded that although he appears to be able to differentiate between right and wrong on army conduct standards he does not seem to appreciate the implication of his acts adequately.

Therefore the defense asks that a plea for leniency will be considered and it is submitted that the accused should appear before a psychiatrist

SUMMARY OF EVIDENCE

In the case of

By direction of the acting officer in Command 4 V.R.D. 1 C.C.O.D., R.C.O.C. The summary of evidence is taken on oath.

First Witness. For the Prosecution.

Jack Arnold SMITH, P.C.95 of Coventry City Police. having been duly sworn, states:

At 11.45 a.m. Tuesday, 12th December 1944 in consequence of a message received, I went to the local Food Office, where I saw the prisoner. I arrested him and brought him to the Central Police Station, Coventry, and on searching him I found a letter addressed to Thompson's parents, marked exhibit "E", which I produce, and also found a certificate showing his pre-discharge from the Canadian Army on the 27th September 1940, marked exhibit, "F", which I also produce, and which had been presented at the local Food Office with a view to obtaining a civilian Identity Card for the prisoner.

When I arrested Thompson he was dressed in civilian clothes, a blue suit and a dark overcoat and he had a scarf round his neck, which, when undone, revealed a khaki shirt with collar attached.

The prisoner had produced to me during the time I was questioning him a Leave Pass, exhibit, "G", which I produce. This was a Pass entitling the prisoner to leave from A.D. hours, 30th November 1944 to 23.59 hours, 14th December, 1944 for the purpose of proceeding to London, but upon checking this up it was found that the figure "4" had been inserted between the "1" and "Dec.", thus forging the Leave Pass

REPORTS:-

Re: Gunner John Henry Thompson, No. B.48745,
Canadian Army, A.V.R.D. Bordon, Nr. Aldershot.
Army Absentee, 1st December 1944.

At 11.30 a.m. Tuesday 12th Dec. 1944 a message was received from the local Food Office that a girl named Margaret G. Blakeman, E.T.B.O. 7/29, home address, 8, Eight Acres, Beacon Hill, Hindhead, Surrey, was there applying for a new Identity Card and Ration Book as she had just got married and she was also applying for a new Identity Card in respect of her husband, John Henry Thompson, whom she stated was a discharged Canadian soldier. I went to the Food Office and saw Miss Blakeman. She repeated her story and produced an Army Field Discharge Certificate, dated 27th Sept.1940, issued to Gunner John Henry Thompson, No. B. 48745, authorising his discharged on that date as unlikely to become an efficient soldier. She stated that she was meeting her husband later in the day as he had gone to look for a job in Coventry and that they were staying.

As it was impossible to make an application for an Identity Card otherwise than personally, Miss Blakeman arranged to bring Thompson to the Police Station as soon as she saw him. She then went out and I followed and then saw the girl and Thompson walking along Hertford Street. I stopped them and they accompanied me to the Police Station. There Thompson told the tale that he was discharged from the Canadian Army in accordance with the Discharge Certificate and that he had come over to England on a Cargo Boat, working his passage and had landed at Liverpool approx. 4 mths.ago. He had been in possession of a Passport and what he called a Canadian Register Card, but that after 'walking off the ship at Liverpool' he went to London and several other places including Surrey, where he met the girl Blakeman and lost all his documents. He then came to Coventry on Sunday last in order to get work. He stated he had been managing to get food without Ration Books and had never been challenged for his Identity Card, but thought that if he was coming to Coventry to work he would want an Identity Card.

He was unable to give any definite date on which he arrived at Liverpool and he did not know the name of the ship of which he did arrive, but as he stated he was unable to give any further particulars of himself and he said he had no further papers on him, I communicated the with Liverpool City Police, Aliens Office, and requested them to communicate with the Immigration Office, with a view to seeing if any trace of this man could be found as it appeared that he had landed in this country without the permission of the Immigration Officer. They later replied that they were unable to find any trace of Thompson.

I then communicated the with Canadian Army Records Office, London and they intimated that they would make a search of their records and ring back. Whilst waiting for this call Thompson called me and produced the attached Leave Pass saying, "What would you say if I proved to you that I was on leave?" I told him that if he had had this document on him all the time and had not produced it it was his fault and that he should have had more sense. This Leave Pass purported to expire at 23.59 hours, 14th December 1944. Immediately after this the Canadian Army Record Office telephoned to the effect that Thompson was posted as an absentee from the 1st December 1944. They arranged to send an escort and upon a closer examination of the Pass it is possible to see that the figure "4" has been inserted by the side of the figure "1", making the 1st into the 14th. He was charged and taken to the Charge Office and detained.

P.T.O.

Continuation.

Upon being searched the attached Identity disc in the name of A.L. Boinin, stamped on it was found, as was also a letter addressed to Thompson's parent informing them that he was going to desert from the Army, using the Discharge Certificate, and was going to get a job in Coventry as a Baker.

I am, Sir,
Your obedient servant,

(Signed) Jack A. Smith,

P.C.95.

EVIDENCE IN THE CASE OF No. B-45745, Gunner John Henry THOMPSON, of Special Increment, 3 Canadian Field Regiment held in the Field on this twenty ninth day of April, 1942.

5. The court, having been reopened, the charge to which the accused pleaded guilty was read to him again.

6. Question to the accused :

Do you wish to make any statement in mitigation of punishment ?

Answer: Yes. (Pointing to Defending Officer)

7. The Defending Officer, Lieut. A.L.Currie, 3 Fd Regt., R.C.A. having been duly sworn, made the following statement:

I have known Gnr. Thompson since his second entry into the Canadian Army, which was in the spring of 1941. Evidence that he was in the Canadian Army before that time is here, which is his original discharge paper. He has shown himself to be a rather efficient soldier, given a job to do, he will do it well, although I must admit that he has to be told in detail what is wanted, but it will be dome. As far as initiative is concerned and ability to qualify for an N.C.O. he is entirely lacking. Gnr. Thompson's first offence in the Canadian Army was due to trouble at home, the details of which I am familiar with, and it is a sad case, due to his wife's adultery. He asked for compassionate leave to return home, which was refused so he went A.W.L. Since that time he has suffered from a wracked mental condition and his subsequent lapses, I consider, are entirely due to his domestic troubles.

8. Question: Are there any more witnesses as to character ?

Answer : Yes.

9. Capt. P.K.Tisdale, M.O. was called and having been duly sworn made the following statement :

I am Capt. P.K.Tisdale, Medical Officer, 3 Fd. Regt., R.C.A. The accused, Gnr. Thompson, in my opinion is what might be termed an "inadequate personality". He has not demonstrated the fortitude which enables him to face up to the life as he has found it, both in civil life and in the Army, resulting in various attempts at escapism which have frequently landed him in trouble.

10. Bdr. H.S.Stone was called, and having been duly sworn, made the following statement:

I am H-5071, Bdr. H.S.Stone. Ever since Gnr. Thompson joined this regiment, he has been working with the samitary detail of which I am in charge; also any work given to me by the R.S.M. that I have passed on to him. He has done this work thoroughly and well, and I have never had any trouble with him. In fact, I could not wish for a better sanitary orderly.

11. Prosecutor is asked if he has any evidence as to character, and having been duly sworn, states :

I am Lieut. A.C.Patterson, 3 Fd.Regt., R.C.A., Acting Adjutant. I produce a certified true copy of M.F.M. 6 (Field Conduct Sheet) of the accused.

12. Court is closed for consideration of sentence.

[illegible] President.

Det

"M" Exhibit

plea in mitigation for the Prisoner

The defense is based upon three main headings, which will try to show, that Sigan Thompson L. is not totally responsible of the crime as charged against him.

1. Age factor
2. Crime sheet history factor
3. psychological factors

1. Sigmn Thompson L. was under age when he first enlisted- and yet- after 2 years and 5 months of service in the Armed Forces,- he is still under age.

When he was signed up- his age was given as being 19 years old. When the recruiting Officer made enquiries from the Registrar's Office at Toronto, and asking to forward the birth certificate of Sigmn Thompson L., the clerk from the Registrar's Office had written on the document sent, and seen by Thompson L., that he had looked up years 22 23 and 24, and that he had not found any trace of the mentioned person, and then went on suggesting that the birth had not been registered.

Now if that official had looked as far forward as 1926- very likely he would have found the person's name and the information requested by the recruiting Officer- which information would have made the recruit only 16 years of age, and thus, not eligible for military service.

First mistake made by a civil official, permitting a young impulsive immatured, adventure-seeking lad to be accepted in the Canadian Army. If the right information had reached the recruiting Officer this boy would have been refused, and to-day- he would not be here standing trial.

2. Since 4 may 42 up to now- this boy has 11 cases of AWL 4 of which are in the field. Now, had this boy been dealt with, more severely in the past while at his third ~~whuba~~ or fourth offense, it is very likely that he would not be here to-day. There is such a thing as being good and " too good"-- This " being too good" often becomes a lack of firmness- of authority- and often it is found to be the cause of more harm than good.

It's just like spoiling a child, and the first one to suffer often is the child himself.

3. Very impulsive- bored-under nervous tension- and of mediocre morale and of immatured character, this boy should not be here. Well- he has been more of a liability to the Army than an active asset. Employed as a batman, this boy very frequently had to work late in the evening, and the place where he is billetted is about four miles from the nearest town, where one can have certain amount of relaxation.

Now, gentlemen, try and picture a young lad leaving his home for the first time, just when life takes a new meaning to him, at an irresponsible age, being enregimented with some others of a wider experience of the world and life. There is bound to be a shock for him, and he feels insecured until he gets accustomed to his new surroundings. Even when that stage has been reached, he will get lonesome if proper relaxation and entertainment is not available at periodical times.

The human being is so made that the familiar things lose the power of being entertaining, and so, in order to get out from under the impending boredom, he must do something different; leaving habit aside he acts with determination or impulsiveness. Such is a man taking a furlough. This boy had his last furlough last November 43, since then he had a couple of short week ends, and on 8 Jan 44, he met a friend of his on a 9 days furlough, with plenty of money and who was going up North. Both of them had a little celebration and then went on seeking for " friendly interest in the big town of London, which interest they found.

Adventure is thrilling, especially if there are the things in the back of one's mind to which he was hoping for. And so, in a "pub" the two friends made contact with two alluring forms which, in no time, had managed to impress their desires unto the two soldiers. The rest is old history. But then, how quick time goes, and soon the quartet had to come to reality again, and the boys to find that the last train back to camp had been missed by an hour or so, and then on, as before, the judgement of this man was wronged- by fear(as being AWL)- by

by boredom(as having to come back to the same grind)- by thrill and the sensation of adventures(in the acquaintance of new feminine understanding) and by uncertainty (in not being able to resolve one'self to seek some other means of transportation in the early morning.)
The sense of guilt was much lessened on account of the previous offenses of the same nature already committed and entered on the crime sheet of this boy.
If less lenient sentences had been delivered previously- perhaps to-day this ordeal would have been spared, would have been averted.

Now a sentence is about to be passed upon a boy who is under age, under military age; a boy very impulsive- bored- disliking the army- a misfit almost and with not totally his fault- a boy lacking enough education and experience when he was signed up- a boy, who, when life takes a new meaning for him has a few"flings" at life in emotional and sentimental affairs- seeking in such adventures understanding and friendly affection, which he has been missing since he was 16, when he signed up.
With his dreams shattered to bits and desillusionned he awaits sentence for something for which HE IS NOT TOTALLY TO BE BLAME FOR.
It is always hard and difficult to administer justice, but in view of the history of this case, may I suggest a little leniency, and also that this man's case be studied later on and steps be taken so as to help him recapture self respect.
I thank you.

A Yes
Q Where and when have you seen him before
A I saw him the first time in the cellar the 19th of January - I was with my family in the cellar to sleep there - I undressed, when my father who is in charge of the air raid shelter shouted there are two drunk Canadians here The Canadians came in to the shelter and one was so drunk that he fell down at the bench by the door where he fell asleep. The Sgt Major sat down on the bed stead. he turned round and grabbed the girls leg with his right hand on the top of the bed covers. He said "I will fuck where is your mother" The girl said that her mother was in Hospital he did not believe it but I told him that it was the truth. I tried to explain to him that her mother was suffering from V.D.

The Major said I fight with you and I put his foot on my stomach I said to the Sgt Major that I did not like to fight with allied soldiers. The Sgt Major left the cellar. first he woke up the soldier who was asleep and we helped the Sgt Major to get this soldier out of the cellar. We were my father the Sg Major and I - I went back to the cellar and after five or ten minuts they came back again the soldier sat down on the same place and the Sgt Major went to the second part of the air raid shelter - He said I look for a girl. In the second part of the cellar was a girl of about 21 years asleep, she was ill, The Sgt Major saw her and said that is a good girl for me - he went to her bed and opened his Greatcoat and his tunic He said to him that the girl was ill and placed ourselves between him and the bed - Children began to cry and women were scared - The Sgt Major said you fucking Dutch Soldier - We told him that he had better go away. I forgot something - When the Sgt Major was the first time in the shelter he said to me go away but I answered that he had better go away because it was already 10.00 PM and people wanted to sleep.

The Sgt Major did not say anything and went to the front part of the cellar

Statement by the accused not under oath

In this statement is just a few of the points of this case which I myself would like to bring out one witness claims that I fell down on the street that is so and also quite possible as I was wearing rubber boots

Witness # 2 Claims that I was wearing a Canada patch on my short coat - That is how he knew I was a Canadian but there never has been a canada patch on the coat I was wearing that night

Another Witness Claims that although I was drunk I was still able to help my friends up and out of the shelter -

My third try to the shelter that night was to get back the belt off my coat which I had lost somewhere in the shelter.

Now my original try to the shelter was for a reason somewhat the same as the other two soldiers that visit the air raid shelter quite frequently that Mr Van Dieman has told us about. That is all I think

Defending Officers Closing address

This case as in civil law the accused must be proved guilty beyond a ~~reasonable~~ doubt. In my mind on this case there is a reasonable doubt he is charged in the first instance under section 40 of the Act - and I call your attention to the note thereunder which is to the effect that the conduct proved must be to the prejudice of both good order and military discipline I do not believe that the accused has made a breach of military discipline - one point I would bring out in regard to evidence - nearly all witnesses were most sure as to the date of the occurance but there was a considerable variance of opinion as to the weather on that date and as it was the accused was dressed. With respect to the charge of drunkenness I submit there is not sufficient evidence for a conviction on this charge - the only evidence being that he fell down once was a little unsteady on his feet and the smell of alcoholic beverages. It is quite possible that the accused fell down because he slipped on the road. It is admitted that the accused may have had a few drinks but certainly not ~~admitted~~ admitted that he was drunk

evidence of this effect has been given by S/Cpl Desmond. He was also quite capable of assisting another soldier up the stairs on at least two occasions that evening as to the alleged disturbance. evidence has been given by the 4th witness of the prosecution that Sgt Major Thompson was quiet and she was not afraid. She left the witness for the prosecution stated that the accused left the shelter as soon as the Children began to cry. Sgt Major Thompson admits he entered the shelter on this particular evening a shelter which according to the evidence is frequented by soldiers and Mr Van Dung himself has stated that two soldiers frequently stay there for part of the night With respect to this charge I submit that the prosecution has not established the fact that Sgt Major Thompson created a disturbance inasmuch as only one witness gave evidence of kicking at the door but there is no evidence that it was Sgt Major Thompson and it might well have been the other soldier referred to in the evidence perhaps he was somewhat indiscreet in entering the building but yet he did leave when he was asked and upon the arrival of the relieving police he made no attempt to get away from that locality even though he had ample opportunity to do so.

(See closing Address of the Prosecutor (page 21A attached)

Statement in Mitigation of Sentence

I would like to call to the attention of the court the accused only 25 years of age - he enlisted in the army 5th Sept 1939 landed in England Sept 1941 - Disembarked in France on June 6th D day he held the rank of WO II since the first of June of this year - throughout the

Campaign through France Belgium and Holland. It is rather unfortunate that Sgt Major Thomson became involved as he ~~did not~~ did which resulted in the not too serious charges laid against him.

Closing Addrs

Summing up in the Case of Pte Thompson A.B.

Prosecution 1

21A

The evidence put before the court has been given in a clear and straight forward manner by the witness. There have been some small differences in the statements that is natural no two people will ever remember every detail of the same event they have witnessed.

The Evidence of all witnesses but two, Cpl Sigamore and Mrs Barrick state that the accused was drunk and have cast the charge of drunkenness. R & M McCallum is another exception he even withdrew the classification parade.

The Charge under section forty is borne out by the witnesses

① A disturbance was created in the shelter by a soldier identified as Pte Thompson. Children were awakened and crying, nursing mothers were awakened from their sleep and the statements show that for some considerable time the people in the shelter were not able to rest due to the presence of Pte Thompson. Certainly the cause of such conduct as military discipline when the lives of civilians are disturbed by the conduct of an allied soldier.

A few comments on the accused statement not given under oath

① Rubber heels I have always found quite on a much surer footing than the normal steel studs & hobnailed boots

② From everyone experience we can no doubt recall efforts of intoxicated and drunken people to assist a comrade then in turn been helped by other sober people.

③ Certainly the evidence shows that the presence of the accused was not desired in the shelter

I suggest that the evidence before the court has proved the first charge and the second charge without there being any reasonable doubt

SUMMARY OF EVIDENCE IN THE CASE OF

A-31035 BSM. Lewis George THOMPSON

By direction of the Commanding Officer, the Summary of Evidence is taken under oath.

FIRST WITNESS Marinus Wilhelmus Schuurman, 28A Grootestraat, Nijmegen, having been duly sworn states through interpreter L. De Klerk, having been duly sworn:

I am Marinus Wilhelmus Schuurman, 28A Grootestraat, Nijmegen. On the evening of 19 January 1945 I had a game of cards at a friends home. At about a quarter to eleven I went home. I had no key so I went to an air raid shelter 22A Grootestraat where my mother was sleeping and asked for the keys to the house. When I came out the door of the shelter to come home I saw two Canadian soldiers who were drunk. I walked up the stairs to the street. The two soldiers began kicking and knocking at the door into the shelter. I went down the stairs to see what they were going to do. The smaller of the two soldiers said to me to open the door. I said this was not possible. The same soldier said to me that he wanted to sleep here. I took them with me to my house and he wanted to sleep in my bed. I told him that it was not possible because it was the bed where I slept. Then he wanted to go to the girls. I showed him to the Pipergas where I knew a girl. After that I went home again. I waited by the door for some time because I thought they might come back again. I saw them coming back. I went inside the house, locked the door and stood at the window watching to see where they were going. The went to the entrance to the air raid shelter and down the steps. I left the house and went to the military police near the pontoon bridge . The military policeman brought a soldier and came with me. When we arrived at the shelter a soldier was standing in the street just outside the entrance to the stairs. The military policeman talked with him for a little. Then the military policeman and the soldier he had brought with him from the bridge went with me to the cellar. Van Ing came up to us and told the M.P. that a soldier was kicking at the door in the street. We went upstairs again to see if somebody was in the street. The soldier had a torch with him and so it was easy to see where he was standing. The M.P. took him with him. I went home.

At 9 o'clock on Saturday the military police picked me up and I gave a statement of what had happened on the previous night. At one o'clock in the afternoon I had to go back again and a Dutch policeman took a statement in Dutch. I also attended an identification parade. There were three of us all civilians in a room. I was taken out of the room and asked through an interpreter if I could identify any of the soldiers who where standing in line in a corridor as one of the soldiers I had seen the previous night near the air raid shelter. There were ten or twelve soldiers standing there. I pointed out one of the soldiers as one who had been kicking and knocking at the door and who I had been talking with. I do not know what happened to the other soldier.

SECOND WITNESS 083499 Sgt. G.T.M. Van Den Ing, Dutch Frontier Guard Coy, Nijmegen 1 Sector 4 having been duly sworn states through interpreter, Lieut. L. De Klerk having been duly sworn states:-

I am 083499 Sgt. G.T.M. Van Den Ing, Dutch Frontier Guard Coy Nijmegen 1 Sector 4. On Friday the 19th of Jan 45 at about ten o'clock in the evening I went to the air raid shelter Grootestraat 22 to sleep there with my family. I was undressing myself when the man in charge of the shelter Van Den Ing G.J.A. my father shouted "here are two drunk Canadians". They came into the shelter, a Sgt Major and a private. The private sat down on the bench beside the door and fell asleep. The Sgt Major went to the last bed on the right side of the cellar, there was a girl sleeping. He name is Dina Hurkins. He sat down on the bed with his back to her, then he stood up and placed his hand on her leg outside the bed covers and said to the girl, "I will fuck and asked her where her mother was. She said "my mother is in hospital". The Sgt Major would not believe it but I told him in broken English, "her mother is in hospital". I tried to explain to him that the mother was suffering from venereal disease. The Sgt Major said "Go away". He may have said more but I only remember the words "go away". I said "No, it is better that you go for it is ten o'clock and people want to sleep here". The Sgt Major said again "I fight with you" and I felt his fist on my stomach. I told him that I don't like to fight with an allied soldier. After that the Sgt Major went to the door. We woke up the other soldier and took him upstairs with the Major and my father. About ten minutes later the Sgt Major and the soldier came back. The soldier sat down in the same place by the door. The Major said "I am looking for a girl". He went to the second part of the shelter and there was a girl of about 21 years who was ill, "a good girl for me" he said and went and stood beside the bed. The Major unbuttoned his great coat and tunic. I and two men stood between the Sgt Major and the bed. The children shouted and women were scared. I told him to go away and after some minutes he went to the door again. He asked for his coton, I gave it to my father and he handed it to the Major. We woke the soldier again and both went upstairs. We locked the door and after approx fifteen minutes we heard a knock at the door. We could hear that the same persons were there again. We did not open the door and I had gone to bed, at about 1215 an M.P. and English soldier came in. They went up to my father who is in charge of the shelter and they came to my bed because my father could not understand whey they said. The M.P. asked me if I spoke English. I answered "yes a little bit". He asked me if I had seen what happened. I told him "yes". Next morning at 0930 he picked me up with a jeep, took me to Oude Heeschlaan where I gave a statement. At one o'clock I attended an identification parade.

which he had left on the bed.

Miss Hendrina Maria Hurkens, Grootestraat 22A, Nijmegen, having been duly sworn states through interpreter Lieut. De Klerk, having been duly sworn:

I am Hendrina Maria Hurkens, age 18, Grootestraat 22A, Nijmegen. In the evening of 19 Jan 45 I was sleeping in an air raid shelter at 22A Grootestraat, at about half past nine. Two soldiers came into the shelter. They were drunk. One of the soldiers sat down on the side of my bed and I woke up. I was afraid; my mother is in hospital, my female cousin was leaping beside me. The soldier who sat down on my bed behaved very strangely. He grabbed my right leg with his right hand, just below the knee and I seized his right hand to try and push his hand away. About six men came very quickly and took the soldier to the entrance of the shelter. His pal was asleep just inside the entrance of the shelter and he woke him up. When the other soldier was awake the men took both soldiers out of the shelter and they closed the door. The two soldiers went upstairs (the shelter is built in the cellar of the house). Both the soldiers came back into the shelter very soon, one of the soldiers went to sleep on a bed near the entrance, the other soldier went further into the second room of the shelter. About six men who were in first part of the shelter cellar where I was went into the second part of the ~~shelter~~ cellar. I could not see anything until the men came back out of the second room pushing the soldier towards the entrance. I saw that he was very drunk. He was staggering and walking very zig-zag he had a bottle in the pocket of his overcoat. The soldier woke the sleeping soldier and they were forced by the men to go outside. He kicked or knocked at the door and used words in English that to me meant "I will sleep here". The men who had forced him to go out of the shelter said "there are too many people living here to allow you to sleep here" . The military Police came for me the next day the 20th of Jan 45. My cousin and another man, and I went with the M.P. and I made a statement of what had happend. The M.P. held an identification parade at about one o'clock where I pointed out a soldier standing with about ten other men.

I am F-50164 L/Cpl Deyarmond, P.C. 19 Cdn Prov Coy. I have to report that on the night of 19 Jan 45 I was on duty at the Pontoon bridge in Nijmegen when I was called by a civilian who informed me that a soldier had entered his house and wished to fight with him. I went with this civilian to his home and found a B.S.M. standing just outside. I asked this BSM what he was doing there at this time of night and he informed me that he was on his way home. While I was talking to him I was called to an air raid shelter on Grootestraat, Nijmegen, by another civilian. I followed the civilian into the air raid shelter where he took me to Sgt G.T.M.Van Den Ing of the Netherlands Army who spoke a little English. This Sgt told me that a BSM and a soldier came into the shelter and assaulted women and that they had persuaded the BSM and soldier to leave on some occasions but that they had kept coming back into the shelter and kicking and hammering on the door of the shelter. I then left the shelter and found the BSM standing in the doorway just outside the shelter. I asked him to accompany me to the pontoon bridge which he did. We were then driven to my Coy H.Q. by L/Cpl Evans, 19 Can Prov Coy. I found in his possession two cans of canned beer, 99 guilders and some change in cash. On instructions from the RSM I placed the Sgt Major in the detention room. The Sgt Major had been drinking but was not drunk when I placed him in the detention cell.

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. 1st WITNESS: Marinus Whihelmus Schuurman,- civilian 28A Grootestraat Nijmegen - having been duly sworn states:

Q. Do you recognize the accused?
A. Yes
Q. Where have you seen him before?
A. I saw him in cellar and the identification parade.
Q. Do you know the address of this cellar you mention.
A. Grootestraat.
Q. Tell the court all you know about the time you saw the accused with the time of day - day - month and year.
A. 19 of Jan 1945 I came from Peters a friend of mine where we had a game of cards - at 1045 pm. I went home. I went into the cellar because my mother was sleeping there and I wanted the keys of our house. I went home and saw two Canadian soldiers who went into the cellar - I saw what they were going to do. One of the soldiers said to me open the door - I said it is impossible because the door has been locked inside, one of the soldiers sie.ed the collar of my coat and would beat me. They said to me that they wanted to sleep - I took them with me to my own house and one of the soldiers would lie down in my bed I said to him that it was impossible because I had to sleep there. They wanted to go to the girls. I showed them the way to Pepergas. I went back and waited for a couple of minutes, the soldiers came back again I locked the door - they went into the cellar again. They knocked and kicked at the door of the cellar. I went outside and locked the door of my house - I went to the pontoon Bridge to the Military Police. The M.Ps and a soldier went with me to the cellar - We were near the cellar and the soldier was standing in the street. The Military Police went up to him and spoke to him. The soldier and the MP went with me into the cellar. Van Ing said to me that he was kicking at the door again. The policeman and the soldier went with me out of the cellar and looked for the soldier. The soldier who was drunk had a torch with him so that we had no difficulty to find him. The MP took him with him. I went home again - that is all.

Q. Who is the soldier whom you say was drunk and had the
A. torch with him.
A. The same soldier that I saw at the identification parade.

Q. Could smell what?
A. I could smell that they had been drinking.
Q. Do you know what they had been drinking?
A. No, I could not say.
Q. How do you know that the two soldiers you saw on the street were Canadian.
A. I saw it by their hats.
A. What did you see in that hat that would indicate that they were Canadian soldiers?
A. I could see it by the badge.
Q. Do you remember what the weather was like on the evening of the 19 of January?
A. It was slippery moonlight and mild.
Q. Was it snowing on the evening of the 1th of January?
A. No it was not.

Q. Is your house on the same side of the street as the cellar?
A. Yes it is.
Q. You said in answer to a question that you saw the accused in the cellar and yet in your statement there is no evidence of the accused having been in the cellar with you.
A. I saw him down stairs in that part of the cellar quite close to the entrance which is not tthat part of the cellar where people are sleeping.
Q. Was a door open to that part of the cellar in which people were sleeping?
A. No it was closed.
Q. How many electric lights in the cellar.
A. Two, one in the front part and one in the back.
Q. When the door is closed is it possible for either of the lights to show in that part of the cellar where the witness saw the accused?
A. No not when the door is closed.
Q. If the door was closed how was it possible to see the accused?
A. I saw him upstairs when he went home with me.
Q. What do you mean by the statement I saw what they were going to do?
A. They wanted to go into the cellar.
Q. Where did it happen that one of the soldiers siezed the witness by his coat?
A. Down stairs we were standing by the door.
Q. If it was dark in the cellar how do you know which soldier siezed you by the coat?
A. I was quite close to him and I could see who it was.
Q. When you went in your house and locked your door you say the soldiers returned and went to the cellar again. How do you know they went into the cellar again?
A. I locked the door because I was afraid that they would come back - and I stood by the window and saw that they went down stairs into the cellar.
Q. Could you see from the window of your house the soldiers entering the cellar.
A. I was standing by a window when they passed my house but as soon as possible I went outside again and saw that the soldiers went downstairs.

A. Yes both of them.
Q. Did the accused fall more than once?
A. Only once.
Q. Besides the soldiers falling and smelling that they were drinking was there any other way that you could tell that they were as you state drunk?
A. I could smell that they had been drinking alcoholic beverages I saw them fall.
Q. How were the soldiers marching or walking?
A. Just like a man who is drunk - unsteady walk.

21. WITNESS - 063499 Sgt G.T.M. Van Den Ing - Dutch Frontier Guard Coy Nijmegen, having been duly sworn states:

Q. Do you recognize the accused?
A. Yes.
Q. Where and when have you seen him before?
A. I saw him the first time in the cellar the 19th of January I was with my family in the cellar to sleep there. I undressed, when my father who is in charge of the air raid shelter shouted there are two drunk Canadians here. The Canadians came in to the shelter and one was so drunk that he fell down at the bench by the door where he fell asleep. I saw that one of the two Canadians was a Sgt Major. The Sgt Major came into the cellar and went to the last bed on the right side. There was a girl of about 16 years her name is Dina Burkens. The Sgt Major sat down on the bed stead, he turned around and grabbed the girls leg with his right hand on the top of the bed covers. He said "I will fuck where is your mother". The girl said that her mother was in Hospital he did not believe it but I told him that it was the truth. I tried to explain to him that her mother was suffering from V^. The Major said I fight with you and I felt his fist on my stomach. I said to the Sgt Major that I did not like to fight with allied soldiers. The Sgt Major left the cellar. First he woke up the soldier who was asleep and we helped the Sgt Major to get this soldier out of the cellar. We were my father the Sgt Major and I. I went back to the cellar and after five or ten minutes they came back again the soldier sat down in the same place and the Sgt Major went to the second part of the Air Raid shelter. He said I look for a girl. In the second part of the cellar was a girl of about 21 years asleep, she was ill. The Sgt Major saw her and said that's the girl for me. He went to her bed and opened his greatcoat and his tunic. We said to him that the girl was ill and placed ourselves between him and the bed. Children began to cry and women were scared. The Sgt Major said you Fucking Dutch Soldier. We told him that he had better go away. I forgot something - When the Sgt Major was the first time in the shelter he said to me go away but I answered that he had better go away because it was already 1000 pm

and people wanted to sleep.

The Sgt Major did not say anything and went to the front part of the cellar. We woke up the soldier again and they left the cellar. We locked the door, after about 15 minutes we heard someone knocking at the door. We did not open the door and I went to bed. It was about 15 minutes past 1200 pm (0015 hrs) when my father and an MP and an English soldier came to my bed. The MP asked me if I had seen what had happened in the cellar I said "Yes"."Next morning the MP took me with them to his HQ where I gave a statement of what had happened. At 1300 hrs I had to come back for the identification parade, I pointed out the soldier who I recognized as the Sgt Major who had been in the cellar the night before - he wore the uniform of a L/Cpl.

The Sgt Major arose from the bed left the shelter with the other soldier who had been sleeping on the bench beside the door. A. Yes - on the night of Jan 19 at approximately 2400 hrs I was on duty at the pontoon bridge at Nijmegan when I was called by a civilian. I went with the civilian to 28A Grootestraat Nijmegan where I saw a soldier standing outside who proved to be A.31035 BSM Thompson, L.G. I asked him what he was doing there at that time of night. He told me that he was on his way home, a short distance from where he was standing was an air raid shelter, a civilian called me from the doorway of the shelter and took me to Sgt Van Den Ing of the Netherlands Army from what the sgt told me I then left the shelter and found BSM Thompson still standing outside. I asked him to accompany me to the pontoon bridge which he did we were driven to my company HQ by L/Cpl Evans, 13 Pro Coy. I searched the soldier and found in his possession two cans of corn beef 53 Gldrs and some change. This mand had been drinking, but I would not say he wasdrunk. BSM Thompson wore a L/Cpls tunic the same as the other members of the parade. 3 witnesses - Mrs Hurkins a civilian, Mr Schuurman civilian and Sgt Van Den Ing, Dutch Frontier Guard were in a room adjoining the parade. R.P. 83 (8) complied with.

Statement by the accused not under oath

Sir this statement is just a few of the point of this case which I myself would like to bring out. One witness claims that I fell down on the street, that is so and also quite possible as I was wearing rubber boots.
Witness No 2 Claims that I was wearing a Canada patch on my short coat. That is how he knew I was a Canadian but there never has been a Canada patch on the coat I was wearing that night.
Another witness claims that although I was drunk I was still able to help my friend up and out of theshelter. My third trip to the shelter that night was to get back the belt off my coat which I had lost some where in the shelter.
Now my original trip to the shelter was for a reason somewhat the same as the other two soldiers that ~~xxxx~~visit the air raid shelter quite frequently that Mr Van Den Ing has told us about. That is all I think.

Defending Officers closing address.

This case as in civil law the accused must be proved guilty beyond a reasonable doubt. In my mind on this case there is a reasonable doubt he is charged in the first instance under Section 40 of the AA and I call your attention to the note thereunder which is to the effect that the conduct proved must be to the prejjudice of both good order and military discipline. I do not believe that the accused has a made a breach of military discipline. One point I would bring out in regard to evidence - nearly all witnesses were most sure as to the date of this occurance but there was a considerable variance of opinion as to the weather on that date and as to how the accused was dressed. With respect to the charge of drunkeness I submit there is not sufficient evidence for a conviction on this charge. The only evidence being that he fell down once was a little unsteady on his feet and the smell of alcoholic beverages. It is quite possible that the accused fell down because he slipped on the road. It is admitted that the accused may have had a few drinks but certainly not admitted that he was drunk evidence to this effect has been given by L/Cpl Beyarmond. He was also quite capable of assisting another soldier up the stairs on at least two occasions that evening as to the alleged disturbance, evidence has been given by the 4th witness of the prosecuion that Sgt Major Thompson was quiet and she was not a fraid. The fifth witness for the prosecution stated that the accused left the shelter as soon as the children began to cry. Sgt Major Thompson admits he entered the shelter on this particular evening a shelter which according to the evidence is frequented by soldiers and Mr Van Den Ing himself has stated that two soldiers frequently stay there for part of the night. With respect to this charge I submit that the prosecution has not established the fact that Sgt Major Thompson created a disturbance inas much as only one witness gave evidence of kicking at the door but there is no evidence that it was Sgt Major Thompson and it might well have been the other soldier referred to in the evidence. Perhaps he was somewhat indiscreet in entering the Bldg but yet he did ~~xxxx~~ leave when he was asked -

and upon the arrival of the Military Police he made no attempt to get away from that locality even though he had ample opportunity to do so.

(See closing Address of the Prosecutor Page 21 A attached)

STATEMENT IN MITIGATION OF PUNISHMENT

I would like to call to the attention of the court the accused is only 25 years of age - he enlisted in the Army 5th Sept 1939 landed in England Sep 1941 - Disembarded in France on June 6th "D" day - he held the rank of WO"I since the first of June of this year - throughout the Campaign through France Belgium and Holland. It is rather unfortunate that Sgt Major Thompson became involved as he did which resulted in the not too serious charges laid against him.

Closing Address Prosecution.

Summing up in the case of BSM Thompson, L.G.

General

21 A The evidence put before the court has been given in a clear and straight forward manner by the witnesses. There have been some small differences in the statements That is natural no two people will ever remember every detail of the same event they have witnessed.

The evidence of all witnesses but two, Cpl Deyarmond and Mrs Barrck state thatthe accused was drunk and bear out the charge of drunkenness. RSM McCallum is another exception he only witnessed the identification parade.

The charge under section forty is born out by the witnesses.

(1) A disturbance was created in the shelter by a soldier identified as BSM Thompson. Children were awakened and crying, Young women were awakened from their sleep and the statements show that for some considerable time the people in the shelter were not able to rest due to the presence of BSM Thompson. Certainly a breach of good conduct and military discipline when the lives of civilians are disturbed by the conduct of an allied soldier.

A few comments on the accused statement not given under oath.

(1) Rubber boats I have always found give one a much surer friction then the normal steel shod and leather boots.

(2) From everyones experience you can no doubt recall effects of intoxicated and drunken people to assist a comrade then in turn being helped by other sober people.

(3) Certainly the evidence shows that the presence of the accused was not desired in the shelter.

I suggest thatthe evidence before the court has proved the first charge and the second charge without there being any reasonable douby.

Presiding officer's statement in mitigation of sentence

The manning of L.A.A. guns sites in England involves long hours of living work with very little hope of engaging the enemy. Sgt. Thompson did not leave his post in face of the enemy and he did return immediately the alert was sounded when there was a possible chance of an engagement.

In view of the excellent character references given by Major B.F. Gossage and the fact that since his enlistment on 6 Sept 1939 Sgt. Thompson has only two entries on his M.F.M. 6 I ask the court to show great leniency in passing sentence on the accused.

SUMMARY OF EVIDENCE IN THE CASE OF
A-31035 SGT. THOMPSON, Lewis George

By direction of the Commanding Officer, the Summary of Evidence is taken under oath.

FIRST WITNESS for The Prosecution

Capt. D. M. DUNLAP having been duly sworn states:-

I am Acting Troop Commander of "p" troop, 69th Light A. A. Battery and was so acting on the night of 29th April 1943. Sgt. Thompson, the accused, is a detachment commander in my troop. On the 29 April 1943,69 Lt. A. A. Battery was employed in an operational role in WORTHING, Sussex, and the accused and his detachment were posted to a site on the Worthing Pier. The tour of duty was from half an hour before the time that blackout ceased in the morning until half an hour after blackout came on at night. This covered his hours from about 0530 hours until about 2215 hours.

On making my rounds of "p" troop gun sites, I arrived at Sgt. Thompson's site at about 2010 hrs, Sgt Thompson was not there, I returned in about half an hour and Sgt Thompson was still not there. I asked L/Bdr Schertzberg, who had been left in charge in Thompson's absence, where Sgt Thompson had gone and as a result of his reply, I later returned at about 2215 hrs with Sgt Watt. Sgt Thompson was still absent and as we left the Pier we met Sgt. Thompson returning. He was under the influence of liquor, his speech was thick, his breath smelt of liquor and his walk was unsteady. On my asking him whether he was drunk or not, he replied that he was drunk. I ordered him to go to bed and together with Sgt Watt proceeded to Battery Headquarters and reported the matter to Major Gossage, the Officer Commanding.

The events above described occurred on 29 April 1943.

At each of the times when I visited the above site, it was properly manned and a guard had been posted at night. Sgt Thompson did not apply to me to be relieved of his duties on 29 April 1943.

The accused declines to cross examine this witness.

D McDunlap

SECOND WITNESS for The Prosecution

B.8117 Sgt. WATT, A. K., having been duly sworn states:-

I am troop Sergeant of "p" troop in 69 Light A.A. Battery and held that appointment on 29 April 1943.

On 29 April 1943 I returned to billets at about 2205 hrs at which time Capt. D. M. Dunlap asked me to accompany him to the Pier site. We went to the Pier site and Sgt Thompson (the accused) who was the Detachment Commander for that site, was not there.

On returning to our vehicle we met Sgt Thompson who was very jovial in his manner and speaking thickly and when asked if he was going back to sleep at the site, he said, he definitely was. As Sgt Thompson walked away from us I observed that he was walking unsteadily.

(to sheet #2)

"H"
R Mackenzie Major
President

SECOND WITNESS for The Prosecution

It was a part of Sgt Thompson's duty to be on the Pier site at the time when we went down there, as his detachment had been assigned to that site and he, as detachment commander should have remained with them until properly relieved as he was in charge of the Light Anti-Aircraft Gun on that site. Proper relief consists of turning over to a full Bombardier after first obtaining permission from the Troop Commander.

Cross examined by the Accused

Q. - Has the turning over ever been done before without permission from the Troop Commander ?

A. - Officially, No.

Q. - But it has been done ?

A. - Yes it has, but contrary to Orders.

Q. - Has it been done very often that you know of ?

A. - No.

Q. - Do you think that the men left in charge of this equipment under a L/Bdr or Bdr are competent to take care of it ?

A. - No, not in my opinion.

A.K. Watt

THIRD WITNESS for THE PROSECUTION

A.8015 L/Bdr. SCHERTZBERG, L. having been duly sworn, states:-

I am a member of "D" troop of 69th Light A.A. Battery and am the No. 1 gunner on No. 2 Detachment in that troop. I was so employed on 29 April 1943 and Sgt Thompson (the accused) was my detachment commander.

On the evening of 29 April 1943 at about 1800 hrs the Sergeant said he was going out for a walk and that I was to take charge while he was gone. At about 1905 hrs the Sergeant returned while an alert was on and we were on "Stand to" but he left again when it was over. At 2220 hrs we stood down and I posted a guard and went to bed. I did not see Sgt. Thompson again that night.

Cross examined by the Accused

Q. - Have I ever left you in charge of my detachment before ?

A. - Yes.

L Schertzberg

The accused having been duly cautioned in the words of Rule of Procedure 4 (E) declines to give evidence or make a statement and reserves his defence.

I certify that Rule of Procedure 4 (C) (D), (E) and (F) have been complied with.

Taken down by me in the presence and hearing of the accused.

(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

(*1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex ....., initialled and read aloud by the President.(1)
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).*)

D5. President to accused : You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused : Do you wish to give evidence yourself as a witness, make a statement, or do neither ?
Ans No Do you intend to call witnesses on your behalf ?

SPECIAL INVESTIGATION SECTION.
Canadian Provost Corps.

I have been duly cautioned by Sgt. Frost, Special Investigation Section, Canadian Provost Corps, that I need not say anything unless I wish to do so, but that anything I do say will be taken down in writing and may be used in evidence. I understand this caution and wish to make the following statement.

Date 24/3/45 ..... D. H. Thompson .....

(1) About a year ago I sold a wrist watch to L/Cpl Haydock. I do not remember for how much. I do remember that it cost him 4 shillings to have it repaired. While sweeping the floors in the Sgt Quarters I found the watch. It wasn't my watch. I told the boys in my room that I had found a watch. I kept it for about three weeks before I sold it to L/Cpl Haydock. I have since found that the watch belonged to Sgt CARTER. I have returned the money to L/Cpl. Haydock and the watch to Sgt CARTER.

(2) On March 1st while A.W.L I left London at 2200 hrs by train and arrived at Guildford at 2220 hrs. I started to WALK from Guildford to Dunsham PK. I obtained a lift for about a mile. West of Ripley. While walking alone towards Dunsham I saw a Rudge Whitworth bicycle laying down near the hedge. It had racing type handlebars. This time I found it would be between 2310 hrs and 2000 hrs. There was no one about so I took the bike and rode in to camp arriving at 2346 hrs. I left the bicycle down the road at a cottage on the road into the camp. I went to this house the next morning and got the bike and kept it in the camp. It was still in my possession when arrested by Sgt. Frost. I did not report the finding to any authority but mentioned it to some of my own men. I asked one of the grounds gardeners, if he wanted to buy the bicycle. I asked him £6-0-0 or £5-0-0 for it. He didn't buy it. I may have asked another gardener to buy it. Although I knew that it wasn't my bike.

On the morning 22 MAR 1943 my KIT was inspected AT which time I LEARNT that Spr McALLISTER-Thompson had had taken from his KIT a number of watches and a pair of shoes. I sleep in the same room as McALLISTAR-Thompson. The KIT inspection was held AT about 0930 HRS. I was working in the Kitchen of the OFFICERS mess that day and started 0630 HRS. I had BREAKFAST there. I was called away from there for the K.I.T inspection. While in this Kitchen I saw Spr Hope, Spr Gilbert, E.S.,

I did not have in the OFFICERS MESS, any watches, Tools, or jewellers glass. I had on a pr civilian shoes which were given to me the night before by Spr. Spence. I also now remember seeing Spr Spence in the mess that morning.

The only bag I ever had was the one off the bicycle which contains bicycle tools. I had this bag in the Kitchen on Mon morning. The bag was left on the bicycle by me AT noon when I was put in the men's Kitchen.

I have never seen any of the things reported STolen by Spr. McALLISTER. Thompson.

SUMMARY OF EVIDENCE

In the case of C5649 Spr. Thompson, M.G.L.G., 1 Canadian Field Survey Company, Royal Canadian Engineers.

By direction of the Commanding Officer, the summary of evidence is taken under oath.

First Witness For The Prosecution — L33126, Spr. Nelson, A.M., 1 Canadian Field Survey Company, Royal Canadian Engineers, having been duly sworn, states:-

I, L33126, Spr. Nelson, A.M. was approached repeatedly by Spr. Thompson, M.G. during the period 15-21 Mar. 43 incl. who asked me if I knew anybody who wanted to buy a bicycle. On the 22 Mar. 43 at about 1800 hrs. while I was on guard, Spr. Thompson, M.G. showed me a bicycle and asked me if I wanted to buy it for £4-0-0. I looked the bicycle over. It was a "Rudge-Whitworth" machine in good condition with three speed derailleur type and open metal pedals. The handle bars, crank gear and rims were chromium plated. The bicycle had a pump and calliper type hand brakes. The seat was made by "Brookes". A dynamo type lighting system had been originally fitted on but only the rear lamp, and the front lamp standard on the fork remained.

I told Spr. Thompson that the machine was worth twice the amount he was asking for it but that I did not wish to buy it as I had one of my own. Spr. Thompson replied that he was trying to raise money for leave.

Second Witness For The Prosecution — M9021 Spr. McAllister-Thompson, G., 1 Canadian Field Survey Company, Royal Canadian Engineers, having been duly sworn states:-

I am an instrument mechanic of the Special Increment of the 1 Canadian Field Survey Company, R.C.E. On the week-end following 19 Mar. 43, several articles were stolen from my kit-bag which was locked. These are the articles:- 1 pair black oxfords with blunt toes; 1 brown morocco leather wallet with three pockets; one with flap; one brown cloth bag (marked with my name) containing miscellaneous odds and ends such as screwdrivers, watch case

covering, watch parts, a watchmakers' eye-glass, and numerous other parts; a metal box approximately 5" x 3" x 1", containing 5 wrist watches of various size (2 shock proof lever movements with luminous hands and figures, 1 Ingersoll jewelled movement, one small rectangular brass cased movement with no make shown, a brightly polished brown face and the winding stem button missing and another movement having a nickel plated case with a square face; 1 R.E. brass cap badge, 1 pair watchmakers tweezers. During a kit inspection made by Lt. Hammond, in the presence of the Orderly Sergeant, Spr. M.G. Thompson and myself, I noticed two Sweet Caporal War Plane series cards in a wooden box belonging to Spr. M.G. Thompson. One of the cards had the corner torn off and represented a German "Stuka" dive bomber, the other was a "Hudson" bomber. Both of these cards were of a series that I have been collecting and I feel certain that they were in the pockets of my clothes which I packed in my kit bag on 19 Mar. 43.

Shortly after 1300 hrs. on 24 Mar. 43, I was shown a pair of black shoes that had been found by L/Cpl. F.C. Briggs at the Officers' Mess of this Company. They were my shoes. Inside the shoes there were also a number of the Sweep Caporal package backs illustrating war planes. These too belonged to me. At 1930 hrs. 2 Apr. 43 I was shown some watch parts that had been found by Spr. R. Hope in the Officers' Mess of this Company. Amongst them was a winding stem which, to the best of my knowledge belongs to one of the two lever movements which I lost.

Exhibit "A"
For The
Prosecution

Statement by George Ernest Linsey, The Cottage, Ockham Park, Surrey, witnessed by P/C. H. Cooper of the Surrey Constabulary, dated 24 Mar. 43.

"I am an odd-job man employed by the Royal Engineers, Guildford and reside at the above address.
On coming out of me cottage at about 7-0 a.m. on the 15th March, 1943, I saw in the garden a gent's Rudge Whitworth pedal cycle against the wall. This cycle was not there at 11-0 p.m. the previous night.
I then went to the Canadian Camp to work, which is situated in Ockham Park the same as my cottage, and on arriving there saw a Sapper Thompson. He said to me, "Did you see a bike in your garden". I replied, "Yes and wondered who it belonged to". He said, "I left it there last night", and asked me if he could leave it there as the other soldiers would ride on it if he left it up at the camp. I asked him who the cycle belonged to and he said that it belonged to his young lady's father and that he had lent it to him to come back to camp on. He then left me.
Last Sunday morning, the 21st March, 1943, I was up at the Camp and was just going down the cellar of the house when Thompson followed me down and asked me if I wanted to buy the cycle. I replied, "I did not know that it was yours". He then said that he had had a letter from his young lady's father telling him that he could keep the cycle as he had no further use for it and would I like to buy it as he wanted the money to go on leave with. I replied, "What is the price". He said, "£5". I said that I did not think that I wanted it as I had already got one. He then asked me if I knew of anyone who would buy it. I told him that I could not think of anyone at the moment. He then said, "I Hear that a man named Dick Dawes buys and sells second hand bikes. I think I will go down and see him". With that he left me, returning in about a quarter of an hour with the cycle. I said to him," You have not sold it then", and he replied, "No he would not pay the price". I asked £5 and he offered £4. He then left me.
On the Monday morning the 22nd March, 1943, I saw Thompson at the camp and he had the cycle with him. I said to him, "You have not sold the cycle yet then". He replied, "I suppose I shall have to take the £4 and I will go down and see him tonight". That same evening I again saw Thompson with the cycle and he told me that he had been to see Dawes, but there was no one at home and he asked me if I would lend him £3 on the cycle until he came back from leave. This I refused to do and he asked me to take the cycle to Dawes the next night and accept the £4 and that I could have 10/- of it for my trouble. Thompson left the cycle in my garden that night and I have not seen him since. On the Tuesday morning I handed the cycle over to one of the guards from the camp. (Sgd) E. Linsey - witnessed by H. Exhibit "B" For The Prosecution

Statement by Edward Dawes, No. 1 New Cottage, Church End, Ockham, Surrey, witnessed by P/C. H. Cooper of the Surrey Constabulary, dated 24 Mar. 43.

"I am a gardner by occupation and reside at the above address. At about 10-15 a.m. on the 21st March, 1943, I was just leaving my house when a Canadian soldier entered the garden gate with a cycle. He asked me if I was Mr. Dawes and I told him that I was. He said that the fireman from up the Ockham Park had sent him down as he wanted to sell the cycle. I asked him how much he wanted for it and he said, "£5". I looked at it and saw that it was a gent's Rudge Whitworth cycle with a De-Railleur three speed gear. He said that he wanted to sell it as he was going away and would not be coming back. I told him that I was not interested and he then said, "I had better get back as I have only nipped away for a few minutes". He then left me and I did not see him again.

I do not know this soldier's name, but he told me that he came from Ockham Park. I should recognize him again if I saw him, also the cycle." (Sgd) E. Dawes- witnessed by H. Cooper P/C.

it on the 17th". He replied, "Because it was the day before pay day. I went to London on the Saturday and stopped the night up there. I then went A.W.L. and did not return to Ockham until the Sunday night. I left London about 10-0 p.m. and took a train to Guildford arriving there about 10-45 p.m. I then started to walk and was given a lift in a car by a night worker. He dropped me just before Ripley and I started to walk when I found the cycle in the ditch nearby a cafe just before you go into Ripley. As no one was near it I took it and rode back to camp". I then said to him, "If you arrived in Guildford at about 10-45 p.m. and then got a lift in a car to just outside Ripley, you must have been dropped at about 11-0 p.m. and a few minutes after you said that you found the cycle. That would have been almost impossible as the distance is about 10 miles from where the cycle was stolen". He replied, "Well that is my story".

"At 10-45 a.m. on the 24th Mar. 43, I saw Sapper Thompson in detention at Ockham Park, Ripley. I told him that I was a police officer from Esher and that I was making enquiries respecting a gent's Rudge Whitworth pedal cycle which had been stolen from outside of the Winning Post Cafe, Hight St., Esher, sometime between 10-20 p.m. and 10-40 p.m. on the night of the 14th March, 1943, and that I had been given to understand that the cycle had been found in his possession. I asked him if he cared to give me any explanation how it came into his possession and cautioned him. He said, "I found the cycle along the road between Guildford and Ripley on the night of the 17th". I said to him, "Are you sure that you was not in Esher on the night of the 14th March, 1943", to which he replied, "No I was C.B. on that date". I then said to him, "From the information that I have received I understand that you was in possession of the cycle at 11-45 p.m. on the night of the 14th", to which he replied, "I did have the cycle on the 14th, but I did not get it at Esher". I then said to him, "How can you remember the date so well as you have just told me that you had it on the 17th". He replied, "Because it was the day before pay day. I certify that I have this morning examined

Case of G 11549 Pte Thompson, M. J. (5)
Carleton & York Regt.

Prosecution

First Witness G 52967 Cpl Cruikshank, W. G. A Coy, Carleton & York Regt., having been duly sworn states:

I am G 52967 Cpl Cruikshank, W. G. A Coy, Carleton & York Regt.

On 16 Dec 44 I was #6 Section commander in #8 Platoon of "A" Coy. On the afternoon of 16 Dec 44 we proceeded from our billets to go to take our position in the line from the P.P.C.L.I. Our company moved off at approximately 1700 hrs. When we left Pte Thompson was with me. When we arrived at our position in the line Pte Thompson was absent. That was at approximately 2000 hrs 16 Dec 44.

Cross-examination by the Defence

Q A1 When we left our billets to proceed to the front line positions #8 Pte ~~Cruikshank~~ Thompson was under the influence of liquor.

Q A2 The platoon sergeant warned the section commds including myself in the following manner: Have the blankets rolled and the cargo packs turned in. We will be moving up to relieve the second brigade at about 1600 hrs

~~Re-examination by the Prosecution~~ HH

Question by 2nd count

dA1 Pte Thompson was in my section on 16 Dec 44.

dA2 That afternoon I warned Pte Thompson personally that we were about to move up to the front.

R.P. 93(13) complied with

Second Witness

G 17492 Pte Hollet, G., "H" Coy, Carleton & York Regt., having been duly sworn, states:

I am G 17492 Pte Hollet, G., "H" Coy, Carleton & York Regt.

On 16 Dec 44 I was a member of 6 section of #8 Platoon, "H" Coy.

At approximately 09 00 hrs 16 Dec 44 the platoon sergeant had a platoon parade and arms inspection. After it was over he told us that it was rumoured that we may be moving that night but it was not official and not to say any thing about it. Pte Thompson was present when the platoon sergeant made this statement. He was also present with his section when we started to move to the front line.

Cross examination by defence

dA1 Pte Thompson was quite drunk when we moved off for the front line.

dA2 When we left the billet area for the line I had to help Pte Thompson along the road because he couldn't walk very well himself. After we had

(10)

marched for about a mile and started to get behind the rest of the section so I left him and carry on supervising the section.

R.P. 83(B) complied with

Third Witness

G 18024 C.S.M. Upton, D.C., C.S.M. of A Coy, Carleton and York Regt., having been duly sworn, states:

I am G 18024 C.S.M. Upton, D.C. A Coy, Carleton and York Regt.

On 24 Dec 44 I was with A Coy in my capacity as C.S.M. At approximately 0930 hrs on that date, upon entering the company orderly room, I found Pte Thompson reporting back from being absent without leave. I escorted him to his platoon billets and told his sergeant to place him under open arrest. At that time the unit was out of the line for Christmas.

The defence declines to cross-examine the witness.

R.P. 83(B) Complied with.

Defence

G 17549 Pte Thompson, M.J., "A" Coy, Carleton & York Regt., having been duly sworn, states:

I am G 17549 Pte Thompson, M.J., "A" Coy, Carleton & York Regt. On 16 Dec 44 I was a member of 6 Section #8 Platoon. About 0900 hrs 16 Dec 44 the platoon

(11)

sergeant told us that we might be moving forward that night. When the parade was dismissed I started to drink and drank heavily till dinner time and after that I don't remember any thing till about 2 AM the morning of the 4th. Then I was with another private from A Coy. We didn't know where to go then so we stayed in an Italian house that night. The next day we reported to Lieut H.A. Carleton + 4 yrs Sgt. P.A. Mallette, the private who was with me, went in and talked to the Colonel and the Battle Adjutant. Then the Battle adjutant came outside and gave us directions to the company. We started out following his directions. It was getting dark at that time and after going some distance we became afraid of getting lost so we went into a building occupied by the B C D's. We stayed there that night and the next day, waiting to see if we could see anyone from the company. We didn't see any one from our company so we stayed there another night. The following day there were snipers about so we decided to remain in the house for another day. That night just about dusk we went forward again into a dug out and entered an Italian house. In

H/Pte

(12)

reply to our questions the Italians said there had been some Canadians in the area but that they had gone. They said this had been a German patrol nearby the preceding night so because we didn't know where we were we remained at that house all night. The next night about dusk we decided to contact our quartermasters so we left and landed up on the 2nd Bde front. We went to 2 Bde Hd. and asked them if they knew where our Echelon was. The Intelligence officer took Pte Mallett's name and sent it in to our 3 Bde Hd. He directed us back and we ended up on the 5 Div front. We stayed there in a house about three days and then went back and found the unit.

~~Cross examination by the Prosecution~~

The prosecution declines to cross-examine the witness.

R P 53(B) complied with.

Closing address for Prosecution

I have to say a last word about the warning. Just how close the warning was does not matter. It was close enough for Thompson to join the section and move off with them. He must have realized that the move was taking place. He stayed with the platoon for a mile or more. A man who was drunk cannot walk a mile and continue going for a mile and a half to the section. Stop until he got to the section. Anyone, I submit that Thompson was not too drunk to know what was going on, even though he

Closing address for Prosecution

I've been a bit worried about the warning. Just how clear the warning was does not matter. If was clear enough for Thompson to join the action and move off with them, as he must have realized that the move was taking place, he stayed with the platoon for a mile or more. A man who was drunk cannot walk a mile and coordinate enough to keep a mile and stay with the rest of the section. Therefore, I submit that Thompson was not too drunk to know what was going on, even though he

says he was unconscious for 11 hrs.

Now about the 8 days he roamed around. Natives he never touched for he was out during daylight always at dusk when there was very little Capt. He first day he spotted the Bull right but not till dusk. It was always the same. But when he went past the next area many miles from its previous area, he found it very early – at 0430 hrs

RE- G/7549 PTE MERLE THOMAS THOMPSON

Closing address for the defence

The points in favor of the defence when we follow Pte Thompson are that he was a minor or a prohibited person by the statutes or enjoyed to go around the canteen to drink or he would have been in any of the circumstances. The time came to leave for the line and Pte Thompson was not fit to go up the line in addition proved by Pte Walker who try to help him to walk. When Pte Thompson came to his senses he was just on the way by all means to go back to his company. He would not go to the line for 14 days and come back. I want to draw the attention to the court on what is stated in the A.C.I. on Drunkenness considered in relation to the case - - -

sergeant told us that we might be moving forward that night. When the parade was dismissed I started to drink and drank heavily till dinner time and after that I don't remember any thing till about 2300 hrs the same night. Then I was with another private from A Coy. We didn't know where to go then so we stayed in an Italian house that night . The next day we reported to Tac HQ Carleton & York Regt. Pte Mallette, the private who was with me, went in and talked to the colonel and the Battle adjutant. Then the Battle Adjutant came outside and gave us directions to the company. We started out following his directions. It was getting dark at that time & after going some distance we became afraid of getting lost so we went into a building occupied by the RCD'S. We stayed there that night and the next day, waiting to see if we could see anyone from the company. We didn't see anyone from our company so we stayed there another night. The following day there were snipers about so we decided to remain in the house for another day. That night just about dusk we went forward again quite a distance and entered an Italian house. In

"LFT"/Pres.

reply to our questions the Italians said there had been some Canadians in the area but that they had gone. They said there had been a German patrol nearby the preceding night so because we didn't know where we were we remained at that house all night. The next night about dusk we decided to contact our quartermaster so we left and ended up on the 2nd Bde front. We went to 2 Bde HQ and asked them if they knew where our Echelon was. The Intelligence Officer. took Pte Mallette's name and sent it in to our our 3 Bde HQ He directed us back and we ended up on the 5 Div front. We stayed there in a house about 3 days and then went back and found the unit.

CLOSING ADDRESS FOR PROSECUTION (13)

There has been a lot said about warning. Just how clear the warning was does not matter. It was clear enough for Thompson to join the section and move off with them so he must have realized that the move was taking place. He stayed with the platoon for a mile or over. A man who is very drunk cannot walk a mile nor can another carry him a mile and stay with the rest of the section. Therefore, I submit that Thompson was not too drunk to know what was going on even though he

days he was unconscious for 7 hrs.

Now about the 8 days he roamed around. Notice he never looked for his unit during daylights always at dusk when there was very little hope. The first day he reported to the Battle adjt but not till dusk. At was always the same. But when the unit got back into rest area, many miles from its previous area, he found it very easily - at ~~0600~~ 0930 hrs.

RE: G17549 PTE MERLE THOMAS THOMPSON

CLOSING ADDRESS FOR THE DEFENCE.

The points in favour of the Defence where as follows First there was a rumor or probably for the platoon or company to go forward the man starts to drink as he would have done in any other circumstances. The time came to leave for the line and Pte Thomson was not fit to go up this is proven by Pte Watto who try to help him to walk. When Pte Thompson came to his normal he was not so hotsy by all means to go back to his company. He went back to the line for 14 days and came back. I want to draw the attention to the court on article 48 Chapter three of MML on Drunkenness considered in relative to other cases.

Thank you Lt" J.B. Laporte"

ARGUMENT ON OBJECTION TO COMPOSITION OF THE COURT

In addressing the prospective members of the Court in the matter of disqualification, I will be quite frank in stating that as a matter of law there seems to be no reason why each members should not sit. But the matter goes beyond that and concerns a question of policy or shall we say principle.

This is not an ordinary case on the contrary it qhite an unusual one. It rests almost entirely on the written statement of one witness who is the Commander of D Gp.

The awkwardness of the position of the prospective members is so apparent that I submit justice would be effected with more ease, if the composition of the Court altered.

The fact, which I think is well known to all the members of this prospective court, is that all the accused have previously been tried by an FGCM and acquitted of a charge arising out of the same set of circumstances and no doubt the circumstances themselves are well known to you all. If that be so, then it is only fair to assume that in the minds of the accused, there is a feeling that before this case is heard there is already a certain amount of prejudice against them. Is this not a reasonable conclusion for them to draw?. They reason something like this:

1. They have already been tried and acquitted of a charge of AWL arising from the same circumstances as this present charge of disobeying a lawful command.
2. The convening authority for the previous FGCM who understood all the circumstances of that charge and necessarily settled or approved the charges then laid against the accused is also the principal witness in this case.
3. Aside from all this, there is the further fact that this witness is also the superior officer of all the members of the Court.

Should the Court at the conclusion of the evidence decide to convict, there will be a feeling throughout the units of D Gp where this case seems to be already well known, that this FGCM has not been conducted in the best traditions of British Courts of justice. And when I say this I do not for a moment infer or suggest that the Court will act in any improper way or be swayed by any outside motives whatsoever or that there is anything irregular about the manner in which it was convened. But what I do say is that the ordinary soldier around these units who has had always a great respect for the fairness of such Courts might think that d ue to the peculiar circumstances of this case, that here is one time when the fairness of Court martial procedure might be criticised.

I suggest that this matter is most important and would recommend through you sir, that the convening authority reconsider the detail of officers in the convening order and that officers from outside D Gp be substituted in your places, in order that not the slightest suspicion of prejudice might be hinted in this case.

FIRST WITNESS FOR THE PROSECUTION - Brigadier J.R. Stewart Lough, Comd "D" Gp, having been duly sworn, states:

Questioned by Prosecution

Q1 You are Brigadier J.R. Stewart Lough, Comd "D" Gp?
A1 Yes.

Q2 Doyou recognize the accused in this court?
A2 Yes I recognize the accused.

Q3 Do you remember meeting or seeing the accused on 2 Jun 44?
A3 Yes.

Q4 Would you tell the court under what circumstances you met him and just what happened?
A4 Accompanied by my Staff Captain, Capt. Stevenson I was returning from No.2 Cap. On passing the Italian Prisoners of War the NCO in charge of them asked me to stop. He made a complaint to me about three Sgts who he said had just passed. Through this complaint I looked out for three Sgts and on approaching the DCRE Camp I overtook what I first thought to be three Pte soldiers who were going towards Helmsley in a very unsteady manner. When I came up to them I noticed that they were three Sgts. I dismounted from my bicycle and stopped the NCOs. I asked them where they were going. They said they were going to the NAAFI. I asked them if they knew that the NAAFI was out of bounds during parade hours. They said no. They had all been drinking. I could smell liquor on their breath. CQMS MacDonald was the worst man of the three and when I overtook them was being supported by the other two. Sgt Thompson was very poorly dressed and had his tunic blouse completely undone. I ordered him to return to his quarters. In my opinion he was drunk. On arrival to Gp HQ I phoned Col Power at 4 CIRU but could not get him so I got the Adjt and asked him to have these men paraded before Col Power so that he could see them and take disciplinary action. It was later reported to me that they could not be found in their quarters.

Q5 You said you ordered him the accused Sgt Thompson to return to his quarters?
A5 I ordered all three to return to their quarters.

Q6 With reference to Sgt Thompson who is charged with two offences namely with Disobedience of a lawful command and being improperly dressed.

A6 He was wearing a Glengarry with a CBH Badge and his battle dress tunic was undone completely. I ordered him to button his blouse After taking his name from his Pay Book I noticed that his blouse was still unbuttoned. I again ordered him to button his blouse and his excuse was that he had been wounded and could not use his right arm. I ordered all three to return to their quarters.

Cross-examined by the Defence

Q1 When you were talking to these NCOs were they disrespectful?
A1 No.

Q2 As for CQMS MacDonald did he answer the questions you asked him sensibley?
A2 Yes I made sense out of them.

Q3 When you and the Staff Captain mounted the bicycles to move off the accused turned about in the direction of No.4 CIRU?
A3 Yes.

Q4 You expected that they would then obey your order?
A4 Yes.

Q5 At what time did you meet the accused?
A5 At 1430 hrs.

Q6 I am told it was nearer 1400 hrs.
A6 I might have been 1415 hrs.

Q7 You did not look at you watch?
A7 No.

Q8 You know that the accused was tried on the 13 Jun 44 on a charge of AWL before an FGCM?
A8 Yes.

Q9 The circumstances then are the same circumstances out of which these present charges arise?
A9 Yes.

Q10 You were the convening authority for the FGCM on the 13 Jun 44?
A10 Yes.

Q11 And as such you necessarily settled and approved the charge of AWL as then laid?
A11 Yes.

Q12 If these NCOs had not been acquitted on that charge ~~k~~ we would not be here today?
A12 No, we would not be here.

Q13 And since they were acquitted on the charge of AWL you instructed these charges of disobeying a lawful command and drunkeness and being improperly dressed to be laid?
A13 Yes I did.

SECOND WITNESS FOR THE PROSECUTION - Capt H.W. Stevenson, Staff Captain, "D" Gp, having been duly sworn, states:

Questioned by Prosecution

Q1 You are Capt H.W. Stevenson, Staff Captain "D" Gp?
A1 Yes.

Q2 Do you recognize the accused, Sgt Thompson in the court?
A2 Yes I do.

Q3 Do you also know Sgt Scott and CQMS MacDonald?
A3 Yes.

Q4 Do you remember having met these NCOs on the second day of Jun 44.
A4 Yes I do.

Q5 Would you tell the court under what circumstances you happened to meet them and what happened?
A5 At approximately 1430 hrs on the 2 Jun 44 I was proceeding with the Brigadier Lough from 4 CIRU to "D" Gp HQ. As we were proceeding along the road from No.4 Camp towards the main gate we saw three soldiers going along the road arm in arm and as we got up to them Brigaidier Lough stopped them. Brigadier Lough took their particulars and accused them of drinking. He then instructed them to return to to their quarters and they proceeded in the direction ~~fm~~ of 4 CIRU and we proceeded to HQ "D" Gp.

Q6 You said that they were proceeding arm in arm?
A6 Yes.

Q7 Did you suspect by this that they were in a drunken condition?
A7 No I did not say so. I did say they were under the influence of liquor.

Q8 With reference to the accused CQMS MacDonald did you say that he was drunk?
A8 No.

Q9 Did you notice anything suspicious in his condition?
A9 CQMS MacDonald appeared to have difficulty in standing up.

Q10 In what condition was he when you spoke to him?
A10 In my opinion he was under the influence of liquor.

Q11 With reference to Sgt Thompson did you notice anything particular with his dress?
A11 Sgt Thompson had his battle dress blouse completely unbuttoned and was ordered by Brigadier Lough to do it up.

Q12 Did he comply with the order?
A12 After the second warning he proceeded to do so.

Cross-examined by the Defence

Q1 Did you look at you watch to see the exact time you were talking to the accused?
A1 No I did not.

Q2 I am told it was approximately 1400 hrs.
A2 No I would say 1430 hrs. from an estimate I made on time and space when we arrived back at Gp HQ.

Q3 The Brigadier says it could have been 1415 hrs?
A3 It might have been.

Q4 From what was told you by a British Cpl you were particularly on the watch for the three NCOs.
A4 Yes.

Q5 And otherwise you might not have observed the three NCOs when you did?
A5 I do not know.

Q6 How close were you standing to these NCOs when the Brigadier talked to them?
A6 About 8 or ten feet away. I was close enough to hear what was said.

Q7 Did you hear every word?
A7 I think so.

Q8 Did you hear the Brigadier use the word quarters in his order?
A8 Yes.

Q9 When you left the accused had he turned to go back to 4 CIRU?
A9 Yes.

Q10 And that indicated to you I suppose that the Brigadier's order would be obeyed?
A10 Yes it did.

Q11 Did the accused appear disrespectful?
A11 No.

Q12 When Sgt Thompson was told the second time to button up his tunic, you did not infer from that, that he intended to deliberately disobey the Brigadier?
A12 I don't think so.

Q13 Well, did he appear sullen?
A13 No.

Q14 Now Capt Stevenson you are under oath to speak the truth. Did you say that CQMS MacDonald was drunk?
A14 I did say that he was under the influence of liquor.

Q15 There is a distinction between drunk and under the influence of liquor and I am asking you to say in which of these conditions CQMS MacDonald was in?
A15 I have already said he was under the influence of liquor.

Q16 Then you do not say he was drunk?
A16 I prefer not to answer that question.

Q17 You are not familiar with the Routine Order relating to dress regulations of Scottish Units regarding Glengarries and Balmorals are you?

A17 I think I have read the Routine Order but I am not familiar with it.

THIRD WITNESS FOR THE PROSECUTION - C-17211 CSM Reilly, W.D., Carlton & York Regiment, on strength of 4 CIRU, having been duly sworn, states:

Questioned by Prosecution

Q1 You are C-17211 CSM Reilly, W.D.?
A1. Yes, Sir.

Q2 Do you recognize in this court , the accused; Sgt Thompson ?
A2 Yes, Sir.

Q3 Do you know also Sgt. Scott and CQMS MacDonald ?
A3 Yes, Sir.

Q4 Do you remember anything occurring on the day of 2 Jun 44 with reference to the three NCOs?
A4 At approximately 1830 hrs I received word from "H" Wing for the three accused to report to "G" Wing. I sent the Orderly Sgt, St Patriquin, and the runner, Pte Corbett, to look for these men. At about 0045 hrs that evening they reported back while I was working in the Orderly Room.

Q5 What did you do then?
A5 I had orders to place them under arrest, which I did, and put an escort in charge of them.

Q6 You state thatyou ordered Sgt Patriquin and Pte Corbett to search for these 3 NCOs, did you tell them to search in any particular areas?
A6 The Coy lines, and their billets and the Sgts Mess.

Q7 Anything else?
A7 No, Sir.

Q8 What do you mean by the Coy lines?
A8 "G" Coy area, Sir.

Q9 These 3 NCOs had their quarters in "G" Coy lines?
A9 Yes, Sir.

Q10 Would d you know particularly what hut they were quartered in ?
A10 Hut 18, sir.

Cross-examined by the Defence

Q1 Do you remember Sgt Major, giving evidence under oath at a Court Martial on the 13 Jun 44.?
A1 Yes, sir.

Q2 Against these NCO's ?
A2 Yes, sir.

Q3 Do you remember the prosecutor asking you at that time, this question, No. 13. "What did you do with regard to finding the accused?" and do you remember giving this answer - " I sent the Orderly Sgt to check the lines, sir." Was that the answer you made at that time ?
A3 It could be, sir, or something to that effect.

Q4. You do remember the question and the answer dont you ?
A4 Yes, sir.

Q5 And nothing was said by you at the time, although that was over two weeks ago, about your sending a runner down to look for these NCO's.
A5 I think I did, sir.

Q6. In any case Sgt Major, you remember the trial of these three NCO's on 13 Jun 44?
A6 That's right sir.

Q7 There was no runner called to give evidence that he was sent to find these NCO's ?
A7 He was outside the door sir.

Q8 Yousay he was waiting to give evidence ?
A8 Yes, sir.

Q9 The fact is he was not called to give evidence, was he ?
A9 I dont know sir.

Q10 Do you mean to say you dont know whether he was called upon or not to give evidence ?
A10 That's right, sir.

Q11 Do you mean to say Sgt Major that you have not talked this case over with the runner between then and now ?
A11 Yes, sir I did.

Q12 And didn't you ask him whether he gave evidence ?
A12 No, sir, I did not.

Q13 Yet the important thing from the runners standpoint viz.- whether he was called to give evidence or not - was for some reason not discussed in this conversation ?
A13 No, sir.

Q14 This is a large camp at 44CIRU ?
A14 Yes, sir.

Q15 How many buildings are there here ?
A15 I do not know.

Q16 How many acres are there is this camp ?
A16 I dont know sir.

Q17 Then so far as you can state, these NCO's could easily ha

Q17 been within camp from 1400 hrs 2 Jun 44 until they reported to you at 0045 hrs 3 Jun 44 without being seen by you or the Orderly Sgt or this particular runner during that period?

A17 Yes, Sir.

Q18 And outside of the short time it took for the Orderly Sgt and the runner to go down to their hut and do whatever looking they did they might easily have been in their hut before or after that time?

A18 Yes, Sir.

FOURTH WITNESS FOR THE PROSECUTION - F-45655 Sgt Patriquin, H.N., CIC, on strength of 4 CIRU, having been duly sworn, states:

A4 There is only one evidence that I could give, sir.

Q5 I suppose that is the whole truth and nothing but the truth?
A5 Yes, sir.

Q6 What time did you go down to the Sgts Mess?
A6 Between 1530 hrs and 1600 hrs, sir.

Q8 The latrine is near by?
A8 It is back of there, sir.

Q12 Did you, or did you not know that Sgt Patriquin was searching?
A12 I have heard it mentioned that Sgt Patriquin was also searching.

A4 No, Sir.

Q5 Do you say he didn't tell you to search the Mess?
A5 Yes, Sir, he did not tell me to search the Mess.

Q6 And if he said in evidence that he did tell you to search the mess he must be mistaken?
A6 Yes, he must be Sir, or I didn't hear him.

A7 About 5 minutes, sir.

Q8 You just looked in the hut and came reight away again?
A8 Yes, sir, and at the latrines.

A1 Yes, Sir.

Question by the Court

FIFTH WITNESS FOR THE PROSECUTION - P-88254 Pte Corbett, H., Cape Breton Highrs, on strength of 4 CIRU, having been duly sworn, states:

A5 Yes, Sir.

A6 All that I know Sir, is that I was sent out to look down at their quarters and around the latrines and I came back and reported and was sent to the Sgts Mess.

Defending Officer's Motion for Dismissal of charge for disobeying a Lawful Command

I w ish now to move that the prosecution has not made out a prima facie case on the charge of disobeying a lawful command and under RP 40 footnote 1, I am asking the court to dismiss this charge.

The command was "To return to your quarters", it was not to report to any particular person or to go to the Orderly Room a nd I submit that so long as the Prosecutor is unable to show that the order was not in fact obeyed, he has failed in his case. The only thing that the prosecution has shown is that for a bout five minutes of the day when two persons who were searching for the accused, that the accused was not in his quarters. He has not shown that they were seen in some distant place and in such circumstances that they had not obeyed the order or were incapable of obeying the order. Besides all this the particular command did not say " stay in your quarters." About one hour elapsed from the time the command was given and when the search was made. Were the accused expected to wait in their quarters indefinitely ? How long were they to stay there ? This we dont know for the simple reason that the particular order that they are supposed to disobey did not include any such time element. Therefore if they went to their quarters for even a very short space of time the order would be obeyed.

The Court cannot guess or conjecture on what was done. It can only go on the evidence and where is the evidence of disobedience ? The fact that for five minutes they were not in their quarters can hardly constitute such a disobedience. If there is any doubt in the minds of the court as to whether or not this charge has been proven up to this point against the accused then he is entitled to the benefit of the doubt. I ask therefore that the charge of disobeying the order be dismissed at this stage of the proceedings.

Prosecuting Officer's Reply to Defending Officers Motion

The Prosecution has two things to prove, first that a lawful command was given and secondly the disobedience to such a command.

The evidence of the first and second witness is quite clear as to the giving of the lawful command and noone will doubt that it was a lawful command.

The mere fact that the accused could not be found in their quarters at 1530 hrs is sufficient to shift the burden of proof onto the Defence. Thus, if the burden of proof is shifted over to the Defence, there is no possible doubt that the prosecttion has established a prima facie case.

The Court closed to consider the Motion of the Defending Officer.

The Court re-opened, and has considered the submission of the Defence and has disallowed the submission that there is no prima facie case on the charge of disobeying a lawful command. The defence will therefore be proceeded with.

FIRST WITNESS FOR THE DEFENCE - G20081 Sgt Cartwright, F.T. Carlton & York Regt, on strength of 4 CIRU, having been duly sworn states:

Questioned by the Defending Officer

Q1 On 2 Jun 44, what company and what Unit were you in ?
A1 4 CIRU, "A" Company, sir.

Q2 Do you know CQMS MacDonald, Sgt Scott and Sgt Thompson ?

A2 Yes, sir, I have known them since they have been in A Company.

Q3 On 2 Jun 44, did you see these three NCO's ?
A3 Yes, sir.

Q4 What time did you see them ?
A4 I saw the three of them at Reveille that day and again at aproximately 1515 hours leaving Hut 15, sir.

Q5 Were the three of them together at 1515 hrs.
A5 Yes, sir.

Q6. Are your quarters in Hut 15 also.
A6 Yes, sir.

Q7 You say you noticed them leaving Hut 15 at 1515 hrs, did you notice in which direction they went ?
A7 They went in the direction of No 1 Sgts Mess.

Q8 Did you go into the Hut ?
A8 Yes, but there was noone else there at that time.

Q9 The hut was empty of NCO's ?
A9 Yes.

Cross-examined by the Prosecution

Q1 You said they went in the direction of No 1 Sgts Mess
A1 Yes, sir.

Q2 Where is that mess ?
A2 Down towards the woods.

Q3 You are quite sure of the time ?
A3 I think I can put it fairly close, sir. At three o'clock I was on parade with "A" Coy and I had asked someone the ti time and was told that it was three o'clock. I spoke to a couple of NCO's up there which would take two or three mi utes and came down to Hut 15.

Q4 Your estimate is that it took you 12 minutes to walk from the parade square to your hut ?
A4 I cannot say definitely as to that, as I spoke to some NCO's for two or three minutes before leaving at three o'clock.

Q5 You did not look at your watch ?
A5 No sir, I asked the time.

Q 6 You could not state the exact time ?
A 6 No, sir.

Defending Officer's Closing Address

That is the case for the Defence. Much of my argument at this time has already been given by me when I argued that no prima facie case had been made out. I will shorten this present argument by asking the Court to recall what was then said. In addition, and this makes all the difference in the world, we have the evidence of Sgt. Cartwright, the only witness for the Defence but an independent one. He definitely states that at 1514 hrs he saw the three NCO's coming out of the Hut 15. If you believe this witness then the Court is forced to the conclusion that the accused was in the hut and therfore obeyed the order to return to his hut. There is also the evidence in the statement which the accused has put in viz that he went to the hut and stayed there for almost an hour and nothing happened.

Prosecuting Officer's Reply

The evidence as to the lawful command is quite conclusive. The only evidence as to the obeying of the said lawful command is that of Sgt. Cartwright who stated that he saw the three NCO's coming out of their quarters.

I submit that that is not sufficient compliance with the order of the first witness. The evidence of the accused does not state how long they remained in their quarters, if they remained at all.

I submit that the Defence has not shown compliance with the lawful command as given to the accused.

The Court closed to consider the evidence.

The Court re-opened and its finding was that the accused, G 2700 Sgt. Thompson P.A. is not guilty of disobeying an order. The Court will now proceed on the second charge against the accused.

Defending Officer's Address on the Second Charge against Sgt. Thompson of being improperly dressed.

I do not propose to call any evidence in this matter but at this time I make a motion as formerly I did on the first charge that no case has been made out by the prosecution.

This charge is bad in law as it does not disclose an offence against the Army Act. The prosecution produces a Routine Order # 4144 which concerns the wearing of glengarries. This RO provides that " glengarries may be worn off duty." Now it is admitted by everyone that these NCO's were off duty and if Sgt. Thompson was wearing a glengarry then he was complying with the provisions of the RO. The RO allows for regimental regulations to vary its provisions by saying " if in accord with Regimental regulations." What are the regulations of 4 CIRU on this subject ? None that we know of as none is produced before the Court and the prosecutor admits that so far as he or the adjutant are concerned none can be found. This is the first time I have ever heard of a person being charged because they happened to be obeying a routine order.

If the Court thinks I should go further to argue about the battle dress being unbuttoned, then I state my position to be this. The prosecutor put in a Unit Order which provides that the battle dress blouse may be unbuttoned when walking out. These NCO's were not walking out. They were within the bounds of the camp when the brigadier spoke to them. The camp bounds have never been defined. This I know from the previous FGCM. The prosecutor has not brought in any evidence to show what regulations exist at 4 CIRU for the wearing of battle dress blouses. Nor has any CSM, RSM, or any officer been brought forward to state what the practise is. Or what the custom is. We cannot guess about such matters. Such evidence as I refer to could easily have been obtained. There is therefore nothing before the Court to sa y that a person seen within the camp bounds is breaking any regulation or order.

My submission therefore is that there is no case to be answered and that no offence has been shown.

Prosecuting Officer's Reply.

Overseas Routine Order 4144, Appendix "B", section 4, para 2 sub-section (b) - "When on duty the appropriate Glengarry cap ma y be worn " - that is the only reference in Routine Orders on dress with respect to the wearing of the Glengarry cap. The logica l conclusion for the Court to deduce is that the Glengarry on all other occasions will not be worn.

With reference to the unbuttoned tunic, I shall remind the Court of 4 CIRU Daily Order No. 126, para 1197 which is as follows: "Effective immediately and until further notice the top hooks and top button only of the battle dress may be left undone by other ranks when walking out. It is again emphasized that all other buttons of the battle dress must be fastened. Ties will not be worn by other ranks."

This last para is quite conclusive as to the wearing of unbuttoned tunics, and I do not think that I could add any more.

The Court closed to consider the evidence.

The Court re-opened and has found on the submission of the Defence that a prima facie case has not been established and therefore the accused is found not guilty.

Statement of C 27700 Sarjeant Percy Arthur Thompson

Sir,-

On 2 Jun 44 at a pproximately 1400 hours, I, in company with CQMS Dannie MacDonald and Sgt. Scott was stopped by Brigadier Lough and a Captain on a grade on the Helmsley side of the Garrison Theatre. Brigadier Lough stated that a British army corporal had told hÃm that we had been talking to Italian prisbners and that we had used abusive language to them. Before we explained to him the circumstances, he asked us our names which were given and these he took down in a book. Then he told us to get back to camp. He carried on down towards Helmsley and we turned around and went back to 4 CIRU. We arrived back close to 1430 hours and went to our hut where we stayed for almost an hour and then all three of us went to sunbathe on a slope near the sgts' mess.

The Brigadier told me to button up my tunic and due to the fact that I was listening to the others give their names and in what was going on, the Brigadier repeated this order and I buttoned up my tunic which had four of the middle buttons undone but the top button was buttoned. The reason the other buttons were not done up was because I had a bad cold and I kept my hankerchiefs in my inside tunic pocket.

I had a glengarry on my head as I did not know it was improper to wear them and I had worn it on parade before then and had never been checked. Others at 4 CIRU wear glengarries during parade hours and they had never been checked. As a matter of fact, I had actually lost my plaid patch for my balmoral in Italy and had asked the QM for another but there were no patches in stores. I arrived back from Italy on 23 May 44 to 4 CIRU.

At approximately 1430 hours on 2 Jun 44 I was cycling from No. 2 Camp, Duncombe Park in company with Capt. H.W. Stevenson, Staff Captain "D" Group, when we were stopped by a Cpl of RE of i/c of a group of Italian Prisoners of War. The Cpl reported to me that 3 Cdn Sgts had just passed and that they had made obscene remarks addressed to the Italians and that the Italians were resentful.

I asked him if he would recognize the Sgts again and he said "No", but that they had only passed a few minutes previously going in the direction of Helmsley.

Capt Stevenson and I proceeded towards Helmsley and as we approached the vicinity of the DCRE Camp we saw 3 soldiers on the road ahead of us moving towards Helmsley in a very slovenly manner.

I stopped them and found that they were the a/m NCOs and that all three had been drinking, CQMS MacDonald was drunk and that Sgt Thompson was improperly dressed as he was wearing a Glengarry cap during training hours and his battle dress blouse was completely unbuttoned. had to tell him twice to button up his blouse.

I took their particulars and ordered all three to report back to their quarters.

On arrival at Group HQ, I phoned the Adjutant of 4 CIRU Capt Gallop and instructed him to have these NCOs paraded to Lt.-Col Powers in order that he could see their condition and take necessary disciplinary action.

In making a statement you will not be sworn or subject to cross-examination, and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

(Canadian Reinforcement Units Routine Order No. 3, para 27, d/6 Jan 42)

Sir, as Defending Officer for F54605 CQMS MacDonald, D; G32004 Sgt Scott, J A; and G27700 Sgt Thompson, P A, charged here this morning I have no objections, in order that the proceedings may be shortened, to have the evidence taken only once and for that evidence to be applied to the trials of CQMS MacDonald, D; and Sgt Scott, J A.

The evidence, as I know it having talked to each of the three NCOs, is exactly the same for each trial.

With the consent of the prosecution, the Court decided to concur in this suggestion, and on this basis trial was opened, the prosecution evidence being taken on Sgt Thompson, P A, only. This evidence to apply in all three cases.

First Witness for the Prosecution - G17211 CSM Reilly W D, having been duly sworn states:

Questioned by Prosecuting Officer

Q1 Are you the CSM of "B" Coy?
A1 Yes, Sir.

Q2 Do you recognize the accused CQMS MacDonald D as F54605?
A2 Yes, Sir.

Q3 You understand the charge of course, the accused is charged with being absent without leave for 12 hrs 15 mins?
A3 Yes, Sir.

Q4 Are there definite times of parades within "B" Coy?
A4 Yes, Sir.

Q5 Are they prominently displayed in the Coy Office?
A5 Yes, Sir.

Q6 Are these orders shown to NCOs when they arrive in the Coy?
A6 Yes Sir, they are on the order board outside the Coy office.

Q7 On the date 2 Jun 44, when did you first see CQMS MacDonald?
A7 On morning parade, Sir.

Q8 Did you see him again that day?
A8 I saw him in the Mess before the noon parade Sir.

Q9 What time?
A9 At about 1200 hrs, Sir.

Q10 Was CQMS MacDonald on the noon hour parade which is called at 1315 hrs?
A10 No, Sir.

CQMS MacDonaldwas required some time during the afternoon. Could you tell the Court who required the accused and at what time?
A11 The order came from "B" Wing Orderly Room at approximately 1530 hrs.

Q12 Were you able to find CQMS MacDonald?
A12 No, Sir.

Q13 What did you do with regard to finding CQMS MacDonald?
A13 I sent the Orderly Sgt to check the lines, Sir.

Q14 Was he able to find CQMS MacDonald?
A14 No, Sir.

EX. D.

Q15 When did you next see CQMS MacDonald?
A15 When they reported into the Orderly Room at approximately 12:45 that night.

Q16 What action did you take?
A16 I placed them under close arrest, and confined them to their hut.

Questioned by Defending Officer

Q1 Speaking of all these NCOs, the three that are here to-day, is it not customary for the NCOs in "B" Coy to attend morning parade?
A1 Yes Sir, it is.

Q2 At the 1315 hr parade it has not been customary for NCOs to attend that?
A2 Yes, Sir.

Q3 Is there a roll call?
A3 Yes, Sir.

Q4 Do you call the roll?
A4 Not always Sir, sometimes the Orderly Sgt.

Q5 Did he call the roll at 1315 hrs 2 Jun 44?
A5 Yes, Sir.

Q6 You were present?
A6 Yes, Sir.

Q7 Do you remember giving evidence on a Summary of Evidence taken on 3 Jun 44 at 4 CIRU?
A7 Yes, Sir.

Q8 Do you remember saying then that you checked the afternoon parade?
A8 Yes, Sir.

Q9 What does that involve?
A9 I check the Sr NCOs myself, Sir.

Q10 Does checking mean calling a roll?
A10 No Sir, not always.

Q11 Did you call the roll at 1315 hrs on 2 Jun 44?
A11 No, Sir.

Q12 You say that you did not call the roll on 2 Jun 44 at 1315 hrs did anyone else call the roll of Sr NCOs?
A12 No, Sir.

Q13 How many Sr NCOs would you have in "B" Coy on 2 Jun 44, approximately?
A13 About 12, Sir.

Q14 Do you know whether all the other NCOs were on the afternoon parade?
A14 Some were detailed in the morning for other jobs and were not on parade.

Q15 How many were on parade?
A15 I think there were 6, I am not sure, Sir.

Q16 In other words, you do not know how many Sr NCOs were on that parade that day?

Ex. D

A16 No Sir, I couldn't say.

Q17 "B" Coy is known as the Category Company in this Unit?
A17 It was at that time, Sir.

Q18 Is it not true that the NCOs in that Coy have no regular duties?
A18 That's right, Sir.

Q19 Concerning ourselves particularly with these three NCOs, is it not true that they have had no duties prior to 2 Jun 44?
A19 No regular duties, Sir.

Q20 I am told by these NCOs that they had no duties at all during that period?
A20 That is quite possible Sir, because some of them use their category.

Q21 Do you say that these men who we have accused before us used their category?
A21 No, Sir.

Q22 When the NCOs are broken off parade and have no duties to perform, it is permissible for them to wander about the Camp?
A22 As far as I know they were confined to No 1 Camp, but there are no definite orders in that regard, Sir.

Q23 Is it alright for them to wander around the Camp for exercise?
A23 Yes, Sir.

Q24 There are no limits as far as you know to the Camp?
A24 No, Sir.

Q25 This is quite a large Camp, is it not?
A25 Quite large, Sir.

Q26 It covers how many acres?
A26 I don't know, Sir.

Q27 How many buildings?
A27 Quite a few, Sir.

Q28 You couldn't give any approximate number?
A28 I'd rather not, Sir.

Q29 Coming down to "after duty" what do you consider "after duty" hour?
A29 1630 hrs, Sir.

Q30 After that time, NCOs may go to say Holmsley or Ringwood without any pass or special permission?
A30 Yes, Sir.

Q31 What time are they supposed to be in?
A31 2359 hrs, Sir.

Q32 You state in your evidence that you sent the Coy Orderly Sgt to look for these NCOs, you didn't go yourself?
A32 Not at that time, Sir.

AAH

A16 No Sir, I couldn't say.

Q17 "B" Coy is known as the Category Company in this Unit?
A17 It was at that time, Sir.

Q18 Is it not true that the NCOs in that Coy have no regular duties?
A18 That's right, Sir.

Q19 Concerning ourselves particularly with these three NCOs, is it not true that they have had no duties prior to 2 Jun 44?
A19 No regular duties, Sir.

Q20 I am told by these NCOs that they had no duties at all during that period?
A20 That is quite possible Sir, because some of them use their category.

Q21 Do you say that these men who we have accused before us used their category?
A21 No, Sir.

Q22 When the NCOs are broken off parade and have no duties to perform, it is permissible for them to wander about the Camp?
A22 As far as I know they were confined to No 1 Camp, but there are no definite orders in that regard, Sir.

Q23 Is it alright for them to wander around the Camp for exercise?
A23 Yes, Sir.

Q24 There are no limits as far as you know to the Camp?
A24 No, Sir.

Q25 This is quite a large Camp, is it not?
A25 Quite large, Sir.

Q26 It covers how many acres?
A26 I don't know, Sir.

Q27 How many buildings?
A27 Quite a few, Sir.

Q28 You couldn't give any approximate number?
A28 I'd rather not, Sir.

Q29 Coming down to "after duty" what do you consider "after duty" hour?
A29 1630 hrs, Sir.

Q30 After that time, NCOs may go to say Helmsley or Rivaulx without any pass or special permission?
A30 Yes, Sir.

Q31 What time are they supposed to be in?
A31 2359 hrs, Sir.

Q32 You state in your evidence that you sent the Coy Orderly Sgt to look for these NCOs, you didn't go yourself?
A32 Not at that time, Sir.

Ex. D.

Q33 You are referring to 1530 hrs?
A33 Yes, Sir.

Q34 It was not a duty for which you yourself wanted these NCOs that they were sent for?
A34 No, Sir.

Q35 So far as you can state, these NCOs could easily have been within the boundaries of the Camp from 1315 hrs 2 Jun 44 until they reported to you at 0045 hrs 3 Jun without being seen by you or the Coy Orderly Sgt during that period?
A35 Yes, Sir.

Q36 During the time that you have had these NCOs in "B" Coy you have never had any trouble with them, have you?
A36 No, Sir.

Re-questioned by Prosecuting Officer

Q1 You stated that you were not sure how many NCOs were on parade at 1315 hrs 2 Jun 44, however, you do definitely know that the three NCOs in question were not on parade?
A1 Yes, Sir.

Q2 You also said that these NCOs had been given duties that had not been permanently employed? Had they been employed say the day before?
A2 I could not say Sir, but Sgt Scott had been working as Court Orderly.

Q3 Can you remember any particular recent duties that these other 2 NCOs had been given?
A3 The CQMS had been given work with the Barrack Stores.

Q4 If a man is standing 6 feet away from a parade, not actually on that parade, is he to be considered present or AWL?
A4 He falls in on the rear of the Coy as a supernumerary.

Q5 But if the NCO or private soldier does not fall in, he is to be considered absent?
A5 He is not on parade unless he is in the ranks.

Q6 I understand that there are actually 3 Camps?
A6 That is correct, Sir.

Q7 What do you understand by the word "Camp" as far as personnel in "B" Coy are concerned?
A7 No 1 Camp Sir, and No 1 Camp alone.

Questioned by the Court

Q1 You state that "B" Coy is your Category Coy, what is your procedure in 4 CIRU in handling NCOs who don't hold an appointment on the WE?
A1 On any job that "H" Wing might detail, or any request that might come in through "H" Wing.

Q2 Do you have for non-perzanently employed NCOs a regular routine of parades?
A2 Morning and afternoon parades, and they break off and hang around to do any job that might be necessary.

DAA

Q3 It is customary to send for these NCOs at odd hours of the day?
A3 Yes Sir, they might call for an NCO to take charge of a party.

Q4 Do you hold a roll call at the morning parade and noon parade?
A4 Yes, Sir.

Q5 On this parade do you have knowledge of what NCOs should be on that parade if not employed?
A5 Yes, Sir.

Q6 If an NCO was missing on the parade, would that be apparent to you immediately?
A6 Not immediately, Sir.

Q7 You have stated that these men were absent from parade at 1315 hrs, what steps did you take then?
A7 I made a note of it on my note book, and was busy in the Orderly Room, and didn't have time to check on them.

Q8 When did you next check?
A8 When the order came from "H" Wing at 1530 hrs.

Q9 Were these the only 3 NCOs not accounted for on this parade?
A9 I checked especially on these 3 NCOs after their actions in the Sgts Mess.

Q10 What is the reason for that?
A10 They were quite noisy Sir, and were drinking.

Q11 Then you didn't check again for them until a message came from "H" Wing?
A11 No, Sir.

Q12 Why did you look for these NCOs at 1530 hrs 2 Jun 44?
A12 To report to "H" Wing, Sir.

Q13 What subsequently happened after you received a message to have these NCOs report to "H" Wing?
A13 They couldn't be found, Sir.

Q14 Is that the last you knew of these NCOs?
A14 Yes Sir, until they reported back.

Q15 Was this message from "H" Wing for these NCOs by name, or for any three NCOs?
A15 By name, Sir.

Second Witness for the Prosecution - P45655 Sgt Patriquin H N, having been duly sworn states:

Questioned by Prosecuting Officer

Q1 Are you Orderly Sgt of "B" Coy?
A1 Yes, Sir.

Q2 May I say permanent Orderly Sgt?
A2 I have been on 3 weeks, Sir.

EX. D

Q3 You were definitely Orderly Sgt on the date 2 Jun 44?
A3 Yes, Sir.

Q4 Were these 3 NCOs on that parade to the best of your knowledge?
A4 No, Sir.

Q5 How do you know these 3 NCOs were not on this parade?
A5 I was on the parade myself, Sir.

Q6 As Orderly Sgt you form up this parade and hand it over to the Sergeant Major, is that right?
A6 Yes, Sir.

Q7 Do you call a roll or have anything to do with the presence or absence of Sr NCOs on that parade?
A7 We call a roll on morning and noon parades.

Q8 Did you call the roll on this date?
A8 No Sir, not on that date.

Q9 Did the Sergeant Major ask you to find these NCOs?
A9 Yes Sir, at approximately 1530 hrs.

Q10 Will you tell the Court exactly what you did after that?
A10 About 1530 hrs the Sergeant Major asked me to go to the Sgts quarters and see if they were in, and I went down there and around the Sgts latrines and could not find them and reported back to him.

Q11 Did you have anyone else help you look?
A11 No, Sir.

Q12 To the best of your knowledge were you the only one looking for these NCOs?
A12 Yes, Sir.

Q13 For "B" Coy personnel what are the bounds of the Camp?
A13 I would say No 1 Camp.

Q14 Did you see these 3 NCOs in the Mess at noon hour?
A14 I would not be positive, Sir.

Questioned by Defending Officer

Q1 Are the bounds for "B" Coy set out in Orders?
A1 No, Sir.

Q2 In any case, the NCOs from No 1 Camp eat at No 2 Camp?
A2 That is right, Sir.

Q3 That means that they would have to pass through No 2 Camp lines?
A3 Yes, they would have to pass through No 2 Camp lines.

Q4 The men and the NCOs fall in on the same parade?
A4 Yes, Sir.

Q5 Did you call the roll for the men that day?
A5 The Orderly Cpl calls the roll for the men, Sir.

Q6 And you did not call the roll for the NCOs?
A6 No, Sir.

Q7 Is it your duty ordinarily to do that?
A7 Yes, Sir.

Q8 At any rate, you didn't call their names, nor hear anyone else call them?
A8 No Sir, as I left just before the roll was finished being called.

Q9 How long have you been with "B" Coy?
A9 Since the first week in Apr 44.

Q10 Have you been permanent Orderly Sgt since then?
A10 For 3 weeks only, Sir.

Q11 How long before the 2 Jun 44 were you Orderly Sgt?
A11 About a week or so.

Q12 Were these 3 NCOs present in body on every parade in the afternoon during that week prior to 2 Jun?
A12 Yes Sir, I think so unless they were on duty.

Q13 Is is customary for NCOs in "B" Coy to fall in the afternoon parade?
A13 Yes Sir, they have been doing that right along.

Q14 If these people were absent from the parade at 1315 hrs, would not their absence be checked up immediately?
A14 I don't know, Sir.

Q15 When absentees are reported from a parade, you as Coy Orderly Sgt have to do something about it don't you?
A15 Yes, Sir.

Q16 Why didn't you search for these 3 NCOs right after the afternoon parade?
A16 We had a little parade in the back of the Office of men going to the SPC and MO.

Q17 You weren't concerned with the absence of these men from that parade?
A17 No, Sir.

Q18 I am told that Sgt Ferguson, who is the escort here this morning, was not on that parade on 2 Jun, do you know that?
A18 I couldn't say Sir, I was not there when the NCOs were called out.

Q19 In your search for these 3 NCOs, I want to make it quite clear that you went only to their hut and to the latrines?
A19 Yes, Sir.

Re-questioned by Prosecuting Officer

Q1 Is it part of your definite duties in "B" Coy to check up on the Sr NCOs, or did you leave it to the Sergeant Major?
A1 The Sergeant Major usually takes care of the NCOs.

Q2 Did the Sergeant Major ask you to check the 1315 hour parade and make sure these NCOs were there?
A2 No, Sir.

SOH

EX. D.

At this point, the prosecution requested permission to produce further evidence on the ground that he had not had sufficient time to prepare his case and was unfamiliar with aspects of charge brought out in evidence.

Defence counsel registered strenuous objection to the calling of further witnesses on the grounds that further evidence would be irrelevant to the charge.

The Court was closed, and after due deliberation, considered the request of the prosecution was justified, and that further witnesses would be called.

The Court re-opened, and prosecution was instructed to prepare further summary of evidence in the presence of defence counsel. Said summary to be completed and reviewed by defence counsel by 15 Jun 44.

Prosecution and defence were instructed that the Court would re-open at 1000 hrs 16 Jun 44.

-:-:-:-:-:-:-:-:-:-:-:-:-:-:-

At 1000 hrs 16 Jun 44, the Court re-assembled pursuant to adjournment, the same members as on the 14 Jun 44 present. Medical Certificate 40/25 is produced. Marked Exhibit C I con.

The Court enquired if the prosecution had any further evidence.

The Prosecuting Officer replied that a further summary of evidence was not taken due to the fact that it was shown that it was not essential to the charge to prove either the bounds or why the presence of these NCOs was requested at 1530 hrs the afternoon of 2 Jun 44.

Address by Defending Officer

The defence submits that the prosecution has not established prima facie cases, and asks that the cases be dismissed under Rule 40 of Rules of Procedure, reference foot-note No 1 on Page 644 MML.
Submission attached as Exhibit F con
The Prosecuting Officer replied to the Defending Officer's address.

The Court closed to make its deliberations and decision.

The Court re-opened and finds that the submission of the defence for non-suit is allowed, and also finds the three accused Not Guilty of the charge of AWL and will be released forthwith.

The proceedings are now terminated.

As shorthand writer was employed it was decided by the Court that rule 53(6) would not be applied. Rules of Procedure.

G 27700 Sjt Thompson P.A. reported to me at the "B" Coy. Orderly room at 0130 hours 3 Jun 44. I placed him under arrest and detailed an escort.

ARGUMENT Exhibit "B" Charles S Hadley

1. No "prima facie" case - R.P. 643 - Rule 40 - Footnote 1.

What does prima facie mean?

e.g. - Theft - possession of stolen goods.

Burglary - possession of burglar's tools.

2. Review of evidence -

There was much said about the practice of falling in at 1315 hrs. The practice actually isn't important - it really comes down to roll call. That is the custom in the army and no reason why it should be departed from. Where are the absentee reports? Where is evidence of absence? There is much vagueness and doubt in the whole business. In fact I should say, to put it frankly, that it points to a pretty sloppy show and way of doing things. When the army gets down to recording absences by no other means than a casual glance at parade by the CSM, I think we are reaching to a new low in inefficiency. Why do I say it was casual and absence not noticed?

(a) Because nothing was done about it until over two hrs later and that as a result of a call.
(b) No absentee report or the note that CSM said he made in his book.
(c) They were not concerned with it.

There is no evidence before the Court that they were seen elsewhere. The evidence is they were in the mess at 1245 - ½ hr before parade - the CSM says noisy and drinking - but the COS doesn't even know whether he saw them at mess, so the evidence is inconsistent, if, in fact, (as the inference from the CSM would have us believe) it would be difficult not to notice them. Besides all that the CSM was purposely asked by me if these NCOs had given any kind of trouble and he said No!!

The charge is - absence from 1315 hrs 2 Jun to 0130 hrs 3 Jun. The evidence is that they reported to CSM at 0045 hrs 3 Jun and he definitely stated they might have been within camp from 1315 hrs until 0045 hrs without him or COS seeing them to warn them, as their next normal parade was 0700 hrs 3 Jun 44.

This is, I submit, a most unusual charge and most unusual for 3 NCOs of good record and service to be sent before a FGCM for a 10 hrs absence. The thing is rather ridiculous and certainly picayune.

There is, I know, a feeling by the Court that there must be something else back of it. What can it be? Whatever it is we can only speculate. The Court is not allowed to speculate and at the same time do justice. The oath is to try the accused according to the evidence before them and on the charge as laid and not on some other conditions or circumstances.

 Exhibit F cont'd

The evidence of the Prosecution, as I have shown, is inconsistent, vague, shows a lack of Coy efficiency and points to parades held in an unregimental way. To find the accused guilty the court must be certain that these NCOs were absent on the evidence which on those facts concerning a charge of absence must be definite and clear. The accused at any rate is entitled to any doubt you have in mind and I ask for a dismissal!!

IN THE MATTER OF THE FIELD GENERAL COURT MARTIAL
of M.50186 Gnr. THOMPSON P.V.

The accused has pleaded guilty to the charge of absence without leave for 110 days 5 hours 15 minutes.

The accused has been overseas since January 1943. Before coming over he obtained numerous qualifications, as a Fitter M.V. Class B, as a Gun Layer and as a Gun Artificer. No attention has been paid to these Canadian qualifications, and since his arrival in England he has been on every type of job except those for which he was qualified. At that, he has applied himself quite well, and there are comparatively few entries in his NFM 6.

He became acquainted with a lady in England, the mention of whose name will add nothing to the Court records, and over a period of time this lady gave the accused sums of money, without his asking, but which were regarded as a loan. In December 1943, there being some misunderstanding between the accused and the lady, she billed him for a total of £24 and gave every indication of making things nasty for him if this was not paid immediately. He sent her £2 and realizing that he could not possibly pay this sum from his army pay, he applied for leave for seven days so that he could work at a job he had arranged for himself. Leave was refused, and as the lady was bringing pressure to bear, he went absent without leave in order to augment his income by his earnings from a civil employment. He wandered about for 110 days, without in any way increasing his income, andfinally decided to come back to No.L CARU. While purchasing the ticket he was apprehended by the Provost and was returned to this unit. It is not difficult to understand the reactions of a gunner who is beset by problems that are apparently overwhelming and certainly are too big for any immediate and personal solution.

If the accused was placed at some job in keeping with his previous training he could do well, and the defence respectfully asks that the court give consideration firstly to the circumstances under which the accused went absent, and secondly the need for a proper allocation of the accused in the Canadian Army.

Respectfully submitted,

(A.J. CULLEN) Lieut. RCA

MEDICAL OFFICER'S CERTIFICATE

K.R. (CAN) Para 557

FEB 15th 1945

I hereby certify that I have this morning examined No F95034 PTE THOMPSON. R.B. on strength 4 Cdn Rft Bn, 1 C B R Gp, and in my opinion he is FIT/~~UNFIT~~ to undergo trial by Court Martial

W. J. Grant Capt
Medical Officer 4 Cdn Rft Bn.

PLEA IN MITIGATION IN THE CASE OF F95034 PRIVATE THOMPSON RB

May it please the court to consider the following facts in awarding sentence on the accused.

The accused is a young man of 22. He is a rifleman in the Cape Breton Highlanders.

He volunteered in 1941 at the age of 18, came to England the following year and to Italy in Nov 43. He was in action in Italy from Jan until Nov, and fought through the Hitler Line, the Gothic Line and came through unscathed.

He is a young man full of fighting spirit, liked by his comrades and trusted by his officers. He has been a good soldier, and has exposed his life and health on many occasions, for his country he is still willing and anxious to do so again. From Jun 44 until Jan 45 he did not reqeive any mail from home at all, and became worried about his family. He expressed his worries to his CO but nothing was done. This was a contributing factor towards his lapse.

In summarizing, Gentlemen, you have before you a young man, with his whole life ahead of him. He is definitely an asset above average to his country and to himself both in war and in peace. He has made a mistake, but he has learned his lesson from it. I, therefore, beg that you be as lenient as possible in awarding sentence.

(A3885 Pte Knowles H)

Question to the Accused:

Do you wish to make a statement or to give evidence upon oath? You are not obliged to say anything or to give any evidence unless you wish to do so, but anything you say or any evidence you give will be taken down in writing and may be given in evidence.

Answer by the Accused:

I certify that this summary of evidence was taken down by me in the presence and hearing of the accused.

PLEA IN MITIGATION IN THE CASE OF F950034 PRIVATE THOMPSON RB.

May it please the court to consider the following facts in awarding sentence on the accused.

The accused is a young man of 22. He is a rifleman in the Cape Breton Highlanders.

He volunteered in 1941 at the age of 18, came to England the following year and to Italy in Nov 43. He was in action in Italy from Jan until Nov, and fought through the Hitler Line, the Gothic Line and came through unscathed.

He is a young man full of fighting spirit, liked by his comrades and trusted by his officers. He has been a good soldier, and has exposed his life and health on many occasions, for his country he is still willing and anxious to do so again. From Jun 44 until Jan 45 he did not receive any mail from home at all, and became worried about his family. He expressed his worries to his CO but not ing was done. This was a contributing factor towards his lapse.

In summarizing, Gentlemen, you have before you a young man, with his whole life ahead of him. He is definitely an asset above average to his country and to himself both in war and in peace. He has made a mistake, but he has learned his lesson from it. I, therefore, beg that you be as lenient as possible in awarding sentence.

F-95507 PTE THOMPSON, R.E., RHC, HELD ON 24 Jan 45.

First Witness for the Prosecution, D-81862 Pte Ryan, T P M, RHC, being duly sworn, is examined by the Prosecutor.

Q.1 - Will you give the Court your number, name and rank?
A.1 - T P M Ryan, Pte, No. D-81862, The Black Watch of Canada.
Q.2 - Do you know the accused?
A.2 - Yes, sir.
Q.3 - Is he here?
A.3 - Yes, sir (indicating accused).
Q.4 - Will you tell the Court the circumstances surrounding the charge under which he is accused as far as you know?
A.4 - As far as I know, I was COS of A Coy quite a while back. There was a BOR guard. Pte Thompson was one of the guards. The Guard fell in and Pte Thompson was not there. I went to his Pl Sgt to get another man.
Q.5 - How far back was that?
A.4 - About 3 Nov 44, around the begining of Nov.

The Defending Officer declines to cross-examine the witness.

Questioned by the Court.

Q.6 - I want you to think back a way. You told us this happened on 3 Nov. If I were to suggest to you it was the 8 Nov would you agree?
A.6 - It could be anywhere between the 1 Nov and the time we left Lierre.
Q.7 - Inasmuch as your statement is in the summary of evidence, in the discussion of this date, I show you the statement you made then and ask you to tell the Court the date. Is that your signature?
A.7 - Yes, sir.
Q.8 - Does that statement help you to remember the date any better?
A.8 - It's just another date, sir.

In the opinion of the Court and JA it is not necessary to comply with RF 83(B).

The Witness withdraws.

Second Witness for the Prosecution, A-29034 Sgt G.K. Bull, RHC, being duly sworn is examined by the Prosecutor.

Q.16 - Where did you get the roll?
A.16 - I got it myself, sir.
Q.17 - Did you make any attempt to locate Thompson?
A.17 - Yes, sir. The Orderly Cpl tried to get him. I went in, sir, and seen the Orderly Cpl, looked through the billets, and tried to find him. He was not in the billets.

Cross-examined by the Defending Officer.

Q.18 - You said you mounted the guard at 5:30. Might it have been possibly 5:35 or 5:40? At the time you fell in and found the accused was not there?
A.18 - It did take 5 minutes or so up to the time we went out, falling in, then called the roll and found the man was missing, and went looking around and trying to find him. It could not have taken a great deal of time because we had a long way to go, and we had to get going.

A.19 - Maybe 5 minutes but not 10, sir.

The Prosecutor declines to re-examine the witness.

MKM

Q.63 - Were they warned on meal parade or individually?
A.63 - I believe individually in that area, not on meal parades.

In the opinion of the Court and JA it is not necessary to comply with RP 83(H).

The witness withdraws.

The Prosecutor makes the following closing address.

Sir, in prosecuting this case I have realized that due to the evacuation of some witnesses I intended to call on the first charge they are not here. Therefore I have tried to present the case on the alternative charge of AWL 5 hrs. The accused himself has given us a statement that he might have been called on guard by L/Cpl Nicholas. It was therefore his duty to be in at 1730 hrs and find out if he was on guard. At 1730 hrs the guard was being mounted and if he was on hand common military knowledge whould have made him inquire from Cpl Nicholas as to whether he was on guard. He did not do so, from his own evidence. He further states he was in his billets alone with a civilian child at 1730 hrs. Sgt Bull states he went with the COS looking for Thompson in his billets and could not find him. If Thompson was in the billet alone then Sgt Bull and the COS when they looked in the billet would have at once seen whether he was or was not there. The accused further cotradicts himself when he tells the Court that the guard were in that room. So much for his going absent. L/Cpl Davis tells us that he saw the accused walk into the billet between 10 and 10:30 that night, 2200 and 2230 hrs, the normal time he should report in. There were NCOs in the room and L/Cpl Nicholson who spoke to him. I therefore consider, sir, that the alternative charge of AWL has been proven.

The Defending officer makes the following closing address.

I still do not feel here that any of the facts that have been brought out by the prosecution have indicated in any way or form any evidence that Pte Thompson disobeyed a lawful command or that he was AWL. The first point I want to clear up is in the statement of the accused. He was asked if he was alone and he said he was, was with a civilian boy. I am sure he meant that although others were present in this large billet room they were not with him, and he was by himself with the boy. That was merely a misunderstanding on his part in some of the questions put to him, which he later explained quite clearly. Next, the accused has said the only order given to him was to stick around until 5:30 as he may be put on guard. It was certainly a highly ambiguous order. However the accused fully obeyed it. He was still in his room at 5:30, thus obeying the order. Then having received no further instructions he felt it safe to assume he was not on guard that evening. In discussing this with Thompson I ascertained he had just been posted to the Coy and he pointed out to the NCO that he had been on guard the previous night with his former Coy, C Coy. Even so, he had stuck around, and it was 5:30. I don't see how he disobeyed and lawful command when the only command given to him was to stick around until 5:30. Capt MacLaren stated that if a man was not on duty that evening it was perfectly proper to go out. He went out and returned at 10:30, the proper time, so I don't see how he can be called AWL. He properly assumed he was not on duty, he had not been definitely told to go on guard, and he knew his unit was in a rest area, so naturally he thought he could go to visit a civilian friend in town for the evening and return at 10:30, which he did. From the facts proven the defence contends that he is not guilty of AWL of 5 hrs.

RKM

D-6 PAGE 4

The JA sums up as follows:

I will advise the court that on the first charge there is absolutely no proof on which they can convict in law. A finding of not guilty must be brought in. Regarding the second charge, it is a simple case of AWL. I am of the opinion that this Court, being composed of regimental officers, can decide that charge which involves very little law. As far as the law goes you must have the start of the absence, the end of the absence and some continuity. You must believe this man had an absence without leave. The accused has raised the defence that he waited until 5:30 and then without hearing further went out. His Captain testified that unless he was on duty he could go out at that time. Now if there are no further questions I shall only remind you that under our law every man is innocent until he is proved guilty beyond reasonable doubt. The onus of proof is always upon the prosecution. By reasonable doubt I mean a real and substantial doubt, not an idle conjecture or fanciful doubt conjured up in your minds. It must be a real and substantial doubt which you as reasonable men find in your minds. But if you have such a doubt you are bound by law to construe that doubt in favour of the accused.

Mr.President, are there any further matters on which you wish me to advise the Court?
A. - No.
Mr. Prosecuting Officer, are there any further matters on which you wish me to advise the Court?
A. - No, sir.
Mr. Defending Officer, are there any further matters on which you wish me to advice the Court?
A. - No, sir.

D-3 PAGE 1

The Defending Officer makes the following plea in mitigation.

I would like to briefly run over the background and some of the events leading up to the time at which the accused went AWL, and to outline briefly his particulars of service. He enlisted in the army in 1941 in the RCA, received training in Canada, and proceeded Overseas in the Artillery in 1942. In August, 1944, the accused was transferred to the infantry as a reinforcement and proceeded on a short remuster course. While he was on it, I believe it lasted about 3 or 4 weeks, the accused was ill a good part of the time and received only about 5 weeks training. From the very beginning of the time when he was transferred from the artillery where he liked it very much and had friends, he considered himself a sort of square peg in a round hole. He was put at the front when he had almost no conception of what infantry work was like at all. He felt strange and inferior, and also felt he did not know what it was all about, felt incapable of doing a good job. That is the frame of mind in which he left England and came Overseas as a reinforcement. He says that he has never since that time felt confident that he could do the job of a soldier in the infantry. After a short period in the line, when the unit came out to rest at Lierre he was transferred from his original coy, C Coy, to A Coy, and then on his first day there found himself under arrest and on a charge, as he felt, very unjustly. That was his frame of mind. He was browned off. A frame of mind officially not recognized but nevertheless in that state of mind his only thought was to get out of it and thinking like that he acted on it. He was absent for 46 days, 21 hrs and some minutes. He spent most of that time with a civilian family he had met. At the end of the period he told me that he gave himself up to a Captain, I believe it was an officer attached to the RTO, who, as the evidence shows, called the Provost and turned him over. His previous record is clean. His MFM 6 shows no serious crimes. Further I feel that if it is at all posible that leniency should be shown to this man and that he should be given an opportunity to try and get his bearings straightened out. Under these circumstances I think he might possibly settle down and do a good job as a soldier.

TRANSCRIPT OF EVIDENCE IN THE TRIAL BY FGCM OF
F-95507 PTE THOMPSON, R E, R H C, HELD ON 24 JAN 45.

First Witness for the Prosecution, D-81862 Pte Ryan, T P M, RHC, being duly sworn, is examined by the Prosecutor.

Q.1 - Will you give the Court your number, name and rank?
A.1 - T P M Ryan, Pte, No. D-81862, The Black Watch of Canada.
Q.2 - Do you know the accused?
A.2 - Yes, sir.
Q.3 - Is he here?
A.3 - Yes, sir (indicating accused).
Q.4 - Will you tell the Court the circumstances surrounding the charge under which he is accused as far as you know?
A.4 - As far as I know, I was COS of A Coy quite a while back. There was a BOR guard. Pte Thompson was one of the guards. The Guard fell in and Pte Thompson was not there. I went to his Pl Sgt to get another man.
Q.5 - How far back was that?
A.5 - About 3 Nov 44, around the beginning of Nov.

The Defending Officer declines to cross-examine the witness.

Questioned by the Court.

Q.6 - I want you to think back a way. You told us this happened on 3 Nov. If I were to suggest to you it was the 8 Nov would you agree?
A.6 - It could be anywhere between the 1 Nov and the time we left Lierre.
Q.7 - Inasmuch as your statement is in the summary of evidence, in the discussion of this date, I show you the statement you made then and ask you to tell the Court the date. Is that your signature?
A.7 - Yes, sir.
Q.8 - Does that statement help you to remember the date any better?
A.8 - It's just another date, sir.

In the opinion of the Court and JA it is not necessary to comply with RP 83(B).

The witness withdraws.

Second Witness for the Prosecution, A-29034 Sgt G K Bull, RHC, being duly sworn is examined by the Prosecutor.

Q.9 - Will you tell the Court your number, rank and name?

A.10 - I would not know him, sir.
Q.11 - Will you give the evidence so far as you know of the circumstances surrounding the case where one Pte Thompson was to be on guard?
A.11 - Yes, sir, I was the guard commander on the night in question--

JA

Q.12 - What was the night in question?
A.12 - It was ~~hmm~~ so long ago.
Q.13 - Was it 8 Nov 44?
A.13 - It was the 8 Nov 44. I was guard commander on 8 Nov 44. I was falling in my guard and found I was a man short. I found out it was Pte Thompson. I reported it to the Orderly Cpl who immediately got a replacement.

Prosecutor

Q.14 - What time did you fall in the guard?
A.14 - At 5:30, sir.
Q.15 - How did you find out Thompson was not present?
A.15 - I called the roll, sir.
Q.16 - Where did you get the roll?
A.16 - I got it myself, sir.
Q.17 - Did you make any attempt to locate Thompson?
A.17 - Yes, sir. The Orderly Cpl tried to get him. I went in, sir, and seen the Orderly Cpl, looked through the billets, and tried to find him. He was not in the billets.

Cross-examined by the Defending Officer.

Q.18 - You said you mounted the guard at 5;30. Might it have been possibly 5:35 or 5:40? At the time you fell in and found
A.18 - the accused was not there?
A.18 - It did take 5 minutes or so up to the time we went out, falling in, then called the roll and found the man was missing, and went looking around and trying to find him. It could not have taken a great deal of time because we had a long way to go, and we had to get going.
Q.19 - It would have taken 5 or 10 minutes then?
A.19 - Maybe 5 minutes but not 10, sir.

The Prosecutor declines to re-examine the witness.

Questioned by the Court.

Q.20 - You had to get another man to replace Thompson?
A.20 - Yes, sir.

A.22 - Not sir, all I know is Pte Thompson was in at 10:30 that night.
Q.23 - How do you know that?
A.23 - That was my first day in A Coy. A bunch of the boys were all saying the new fellow never went on guard. I thought they meant me. Then Thompson came in and they jumped him. That is how I know it was 10:30.

Q.33 - You were there at 5:30?
A.33 - Yes, sir.

Q.45 - You didn't think you were part of the guard?

Q.53 - And how late did it go on? How long did supper take?
A.53 - About 15 or 20 minutes, sir.

Cross-examined by the Prosecutor.

Q.54 - You say Thompson was supposed to go on guard. Wil you clarify that? Why?
A.54 - After 10:30 I heard a Cpl tell him he was supposed to go on guard. They were waiting around, said he had to go on guard. I didn't pay very much attention.

The Defending Officer declines to re-examine.

A.58 - No, sir, not that I remember.
Q.59 - Would you normally have seen him if he had been in his billets or around the unit lines?
A.59 - No, sir, I was not in the room myself. I was out.

Q.61 - The men were free to go out?
A.61 - If they were not on duty, yes.

The Prosecutor declines to cross-examine the witness.

Questioned by the Court.

Q.62 - Could you tell, or explain to us, the policy of mounting a guard in the unit?
A.62 - The duty roster was made up and the CSM, or the COS, warned the guard for duty, the dress and the time they would

parade.
Q.63 - Were they warned on meal parade or individually?
A.63 - I believe individually in that area, not on meal parades.

In the opinion of the Court and JA it is not necessary to comply with RP 83(8).

The witness withdraws.

The Prosecutor makes the following closing address.

Sir, in prosecuting this case I have realized that due to the evacuation of some witnesses I intended to call on the first charge they are not here. Therefore I have tried to present the case on the alternative charge of AWL 5 hrs. The accused himself has given us a statement that he might have been called on guard by L/Cpl Nicholas. It was therefore his duty to be in at 1730 hrs and find out if he was on guard. At 1730 hrs the guard was being mounted and if he was on hand common military knowledge should have made him inquire from Cpl Nicholas as to whether he was on guard. He did not do so, from his own evidence. He further states he was in his billets alone with a civilian child at 1730 hrs. Sgt Bull states he went with the COS looking for Thompson in his billets and could not find him. If Thompson was in the billet alone then Sgt Bull and the COS when they looked in the billet would have at once seen whether he was or was not there. The accused further contradicts himself when he tells the Court that the guard were in that room. So much for his going absent. L/Cpl Davis tells us that he saw the accused walk into the billet between 10 and 10:30 that night, 2200 and 2230 hrs, the normal time he should report in. There were NCOs in the room, and L/Cpl Nicholson who spoke to him. I therefore consider, sir, that the alternative charge of AWL has been proven.

The Defending Officer makes the following closing address.

I still do not feel here that any of the facts that have been brought out by the prosecution have indicated in any way or form any evidence that Pte Thompson disobeyed a lawful command or that he was AWL. The first point I want to clear up is in the statement of the accused. He was asked if he was alone and he said he was, was with a civilian boy. I am sure he meant that although others were present in this large billet room they were not with him, and he was by himself with the boy. That was merely a misunderstanding on his part in some of the questions put to him, which he later explained quite clearly. Next, the accused has said the only order given to him was to stick around until 5:30 as he may be put on guard. It was certainly a highly ambiguous order. However the accused fully obeyed it. He was still in his room at 5:30, thus obeying the order. Then having received no further instructions he felt it safe to assume he was not on guard that evening. In discussing this with Thompson I ascertained he had just been posted to the Coy and he pointed out to the NCO that he had been on guard the previous night with his former Coy, C Coy. Even so, he had stuck around, and it was 5:30. I don't see how he disobeyed any lawful command when the only command given to him was to stick around until 5:30. Capt Maclaren stated that if a man was not on duty that evening it was perfectly proper to go out. He went out and returned at 10:30, the proper time, so I don't see how he can be called AWL. He properly assumed he was not on duty, he had not been definitely told to go on guard, and he knew his unit was in a rest area, so naturally he thought he could go to visit a civilian friend in town for the evening and return at 10:30, which he did. From the facts proven the defence contends that he is not guilty of AWL of 5 hrs.

The JA sums up as follows.

I will advise the Court that on the first charge there is absolutely no proof on which they can convict in law. A finding of not guilty must be brought in. Regarding the second charge, it is a simple case of AWL. I am of the opinion that this Court, being composed of regimental officers, can decide that charge which involves very little law. As far as the law goes you must have the start of the absence, the end of the absence and some continuity. You must believe this man had an absence without leave. The accused has raised the defence that he waited until 5:30 and then without hearing further went out. His Captain testified that unless he was on duty he could go out at that time. Now if there are no further questions I shall only remind you that under our law every man is innocent until he is proved guilty beyond reasonable doubt. The onus of proof is always upon the prosecution. By reasonable doubt I mean a real and substantial doubt, not an idle conjecture or fanciful doubt conjured up in your minds. It must be a real and ~~xxxxxxxx~~ substantial doubt which you as reasonable men find in your minds. But if you have such a doubt you are bound by law to construe that doubt in favour of the accused.

Mr. President, are there any further matters on which you wish me to advise the Court?
A. - No.
Mr. Prosecuting Officer, are there any further matters on which you wish me to advise the Court?
A. - No, sir.
Mr. Defending Officer, are there any further matters on which you wish me to advise the Court?
A. - No, sir.

The Defending Officer makes the following plea in mitigation.

I would like to briefly run over the background and some of the events leading up to the time at which the accused went AWL, and to outline briefly his particulars of service. He enlisted in the army in 1941 in the RCA, received training in Canada, and proceeded Overseas in the Artillery in 1942. In August, 1944, the accused was transferred to the infantry as a rinforcement and proceeded on a short remuster course. While he was on it, I believe it lasted about 3 or 4 weeks, the accused was ill a good part of the time and received only about 5 weeks training. From the very beginning of the time when he was transferred from the artillery where he liked it very much and had friends, he considered himself a sort of square peg in a round hole. He was put at the front when he had almost no conception of what infantry work was like at all. He felt strange and inferior, and also felt he did not know what it was all about, felt incapable of doing a good job. That is the frame of mind in which he left England and came Overseas as a reinforcement. He says that he has never since that time felt confident that he could do the job of a soldier in the infantry. After a short period in the line, when the unit came out to rest at Lierre he was ~~turned~~ transferred from his original coy, C Coy, to A Coy, and then on his first day there found himself under arrest and on a charge, as he felt, very unjustly. That was his frame of mind. He was browned off. A frame of mind officially not recognized but nevertheless in that state of mind his only thought was to get out of it and thinking like that he acted on it. He was absent for 46 days, 21 hrs and some minutes. He spent most of that time with a civilian family he had met. At the end of the period he told me that he gave himself up to a Captain, I believe it was an officer attached to the RTO, who, as the evidence shows, called the Provost and turned him over. His previous record is clean. His MFM6 shows no serious crimes. Further I feel that if it is at all possible that leniency should be shown to this man and that he should be given an opportunity to try and get his bearings straightened out. Under these circumstances I think he might possibly settle down and do a good job as a soldier.

TRANSCRIPT OF EVIDENCE IN THE TRIAL BY FGCOM OF
F-95507 PTE THOMPSON, R.E., RHC, HELD ON 24 Jan 45.

First Witness for the Prosecution, D-81862 Pte Ryan, T P M, RHC, being duly sworn, is examined by the Prosecutor.

Q.1 - Will you give the Court your number, name and rank?
A.1 - T P M Ryan, Pte, No. D-81862, The Black Watch of Canada.
Q.2 - Do you know the accused?
A.2 - Yes, sir.
Q.3 - Is he here?
A.3 - Yes, sir (indicating accused).
Q.4 - Will you tell the Court the circumstances surrounding the charge under which he is accused as far as you know?
A.4 - As far as I know, I was COS of A Coy quite a while back. There was a BOR guard. Pte Thompson was one of the guards. The Guard fell in and Pte Thompson was not there. I went to his Pl Sgt to get another man.
Q.5 - How far back was that?
A.4 - About 3 Nov 44, around the begining of Nov.

The Defending Officer declines to cross-examine the witness.

Questioned by the Court.

Q.6 - I want you to think back a way. You told us this happened on 3 Nov. If I were to suggest to you it was the 8 Nov would you agree?
A.6 - It could be anywhere between the 1 Nov and the time we left Lierre.
Q.7 - Inasmuch as your statement is in the summary of evidence, in the discussion of this date, I show you the statement you made then and ask you to tell the Court the date. Is that your signature?
A.7 - Yes, sir.
Q.8 - Does that statement help you to remember the date any better?
A.8 - It's just another date, sir.

In the opinion of the Court and JA it is not necessary to comply with RP 83(B).

The Witness withdraws.

Second Witness for the Prosecution, A-29034 Sgt G.K. Bull, RHC, being duly sworn is examined by the Prosecutor.

Q.9 - Will you tell the Court your number, rank and name?
A.9 - A-29034 Sgt Bull, G.K., The Black Watch of Canada.
Q.10 - Do you know the accused?
A.10 - I would not know him, sir.
Q.11 - Will you give the evidecne so far as you know of the circumstances surrounding the case where one Pte Thompson was to be on guard?
A.11 - Yes, sir, I was the guard commander on the night in question--

JA

Q.12 - What was the night in question?
A.12 - It was in so long ago.
Q.13 - Was it 8 Nov 44?
A.13 - It was the 8 Nov 44. I was guard commander on 8 Nov 44. I was falling in my guard and found I was a man short. I found out it was Pte Thompson. I reported it to the Orderly Cpl who immediately got a replacement.

Prosecutor

RKM

Q.14 - What time did you fall in the guard?
A.14 - At 5:30, sir.
Q.15 - How did you find out Thompson was not present?
A.15 - I called the roll, sir.
Q.16 - Where did you get the roll?
A.16 - I got it myself, sir.
Q.17 - Did you make any attempt to locate Thompson?
A.17 - Yes, sir. The Orderly Cpl tried to get him. I went in, sir, and seen the Orderly Cpl, looked through the billets, and tried to find him. He was not in the billets.

Cross-examined by the Defending Officer.

Q.18 - You said you mounted the guard at 5:30. Might it have been possibly 5:35 or 5:40? At the time you fell in and found the accused was not there?
A.18 - It did take 5 minutes or so up to th e time we went out, falling in, then called the roll and found the man was missing, and went looking around and trying to find him. It could not have taken a great deal of time because we had a long way to go, and we had to get going.
Q.19 - It would have taken 5 or 10 minutes then?
A.19 - Maybe 5 minutes but not 10, sir.

The Prosecutor declines to re-examine the witness.

Questioned by the Court.

Q.20 - You had to get another man to replace Thompson?
A.20 - Yes, sir.

In the opinion of the Court and JA it is not necessary to comply with RP 83(8).

The witness withdraws.

In the opinion of the Court and JA it is not necessary to comply with RP 83(B).

The witness withdraws.

The Prosecutor makes the following closing address.

Sir, in prosecuting this case I have realized that due to the evacuation of some witnesses I intended to call on the first charge they are not here. Therefore I have tried to present the case on the alternative charge of AWL 5 hrs. The accused himself has given us a statement that he might have been called on guard by L/Cpl Nicholas. It was therefore his duty to be in at 1730 hrs and find out if he was on guard. At 1730 hrs the guard was being mounted and if he was on hand common military knowledge whould have made him inquire from Cpl Nicholas as to whether he was on guard. He did not do so, from his own evidence. He further states he was in his billets alone with a civilian child at 1730 hrs. Sgt Bull states he went with the COS looking for Thompson in his billets and could not find him. If Thompson was in the billet alone then Sgt Bull and the COS when they looked in the billet would have at once seen whether he was or was not there. The accused further cotradicts himself when he tells the Court that the guard were in that room. So much for his going absent. L/Cpl Davis tells us that he saw the accused walk into the billet between 10 and 10:30 that night, 2200 and 2230 hrs, the normal time he should report in. There were NCOs in the room and L/Cpl Nicholson who spoke to him. I therefore consider, sir, that the alternative charge of AWL has been proven.

The Defending Officer makes the following closing address.

I still do not feel here that any of the facts that have been brought out by the prosecution have indicated in any way or form any evidence that Pte Thompson disobeyed a lawful command or that he was AWL. The first point I want to clear up is in the statement of the accused. He was asked if he was alone and he said he was, was with a civilian boy. I am sure he meant that although others were present in this large billet room they were not with him, and he was by himself with the boy. That was merely a misunderstanding on his part in some of the questions put to him, which he later explained quite clearly. Next, the accused has said the only order given to him was to stick around until 5:30 as he may be put on guard. It was certainly a highly ambiguous order. However the accused fully obeyed it. He was still in his room at 5:30, thus obeying the order. Then having received no further instructions he felt it safe to assume he was not on guard that evening. In discussing this with Thompson I ascertained he had just been posted to the Coy and he pointed out to the NCO that he had been on guard the previous night with his former Coy, C Coy. Even so, he had stuck around, and it was 5:30. I don't see how he disobeyed and lawful command when the only command given to him was to stick around until 5:30. Capt MacLaren stated that if a man was not on duty that evening it was perfectly proper to go out. He went out and returned at 10:30, the proper time, so I don't see how he can be called AWL. He preperly assumed he was not on duty, he had not been definitely told to go on guard, and he knew his unit was in a rest area, so naturally he thought he could go to visit a civilian friend in town for the evening and return at 10:30, which he did. From the facts proven the defence contends that he is not guilty of AWL of 5 hrs.

RKM

D-6 PAGE 4

The JA sums up as follows:

I will advise the court that on the first charge there is absolutely no proof on which they can convict in law. A finding of not guilty must be brought in. Regarding the second charge, it is a simple case of AWL. I am of the opinion that this Court, being composed of regimental officers, can decide that charge which involves very little law. As far as the law goes you must have the start of the absence, the end of the absence and some continuity. You must believe this man had an absence without leave. The accused has raised the defence that he waited until 5:30 and then without hearing further went out. His Captain testified that unless he was on duty he could go out at that time. Now if there are no further questions I shall only remind you that under our law every man is innocent until he is proved guilty beyond reasonable doubt. The onu of proof is always upon the prosecution. By reasonable doubt I mear a real and substantial doubt, not an idle conjecture or fanciful doubt conjured up in your minds. It must be a real and substantial doubt which you as reasonable men find in your minds. But if you have such a doubt you are bound by law to construe that doubt in favour of the accused.

Mr.President, are there any further matters on which you wish me to advise the Court?
A. - No.
Mr. Prosecuting Officer, are there any further matters on which you wish me to advise the Court?
A. - No, sir.
Mr. Defending Officer, are there any further matters on which you wish me to advice the Court?
A. - No, sir.

D-7 PAGE 1

The Defending Officer makes the following plea in mitigation.

I would like to briefly run over the background and some of the events leading up to the time at which the accused went AWL, and to outline briefly his particulars of service. He enlisted in the army in 1941 in the RCA, received training in Canada, and proceeded Overseas in the Artillery in 1942. In August, 1944, the accused was transferred to the infantry as a reinforcement and proceeded on a short remuster course. While he was on it, I believe it lasted about 3 or 4 weeks, the accused was ill a good part of the time and received only about 5 weeks training. From the very beginning of the time when he was transferred from the artillery where he liked it very much and had friends, he considered himself a sort of square peg in a round hole. He was put at the front when he had almost no conception of what infantry work was like at all. He felt strange and inferior, and also felt he did not know what it was all about, felt incapable of doing a good job. That is the frame of mind in which he left England and came Overseas as a reinforcement. He says that he has never since that time felt confident that he could do the job of a soldier in the infantry. After a short preiod in the line, when the unit came out to rest at Lierre he was transferred from his original coy, C Coy, to A Coy, and then on his first day there found himself under arrest and on a charge, as he felt, very unjustly. That was his frame of mind. He was browned off. A frame of mind officially not recognized but nevertheless in that state of mind his only thought was to get out of it and thinking like that he acted on it. He was absent for 46 days, 21 hrs and some minutes. He spent most of that time with a civilian family he had met. At the end of the period he told me that he gave himself up to a Captain, I believe it was an officer attached to the RTO, who, as the evidence shows, called the Provost and turned him over. His previous record is clean. His MFM 6 shows no serious crimes. Further I feel that if it is at all posible that leniency should be shown to this man, and that he should be given an opportunity to try and get his bearings straightened out. Under these circumstances I think he might possibly settle down and do a good job as a soldier.

Q. When he asked you about using the vehicle, what did he say to you?
A. He asked me if he could use the 532.

Q. Where was the work ticket?
A. The ticket and log book was in the transport office.

Q. Where had to truck been prior to Thompson taking it?
A. Borden station.

Q. How did he get the work ticket?
A. He just went in and took it, I imagine.

Q. Had the work ticket been completed up to that time?
A. Yes, s ir, up to 11:15, the driver completed it.

Q. Did you have the work ticket and log book in your possession as despatching NCO.
A. Yes, Sir, it was in my possession until I left the office.

Q. Then how did he get it?
A. He just w ent in and took it from the office, as I was not there.

Q. Could I have went in and taken the work ticket?
A. Yes, Sir.

Q. Did you see this vehicle go out?
A. No, Sir.

Q. Did you see it come in?
A. No, Sir.

Q. The only reason that you have to believe it came in at 11:15 was the fact that it was completed up to that time on the ticket?
A. Yes, Sir.

Q. Could the Driver have completed the work ticket in the afternoon rather than at 11:15.
A. Yes sir., any time after the journey.

Q. Is the vehicle considered to be on an authorized trip if the work ticket is with the vehicle?
A. No sir, if he had a trip authorized to Farnham, he could not be found in Aldershot.

RE-EXAMINATION BY PROSECUTOR

Q. If a work ticket is made out to go to the Borden Station, does that authorize the Driver to go to the town of Borden?
A. The ticket is made out to the Borden Area, and he could have gone anywhere within that area, but he must be on duty, and cannot make a trip on his own.

QUESTIONS BY THE COURT

Q. Was it not your duty to see that he had a work ticket?
A. No sir, he should have known the score.

Q. But we don't, Explain just what you mean by the "score".
A. Well, he should have turned in this transport work ticket to the transport officer and had it signed by him, authorizing this particular trip.

In the opinion of the Court it is unnecessary to comply with RF 83(B)

SECOND WITNESS
D-76062 Cpl. HAWES, C.J. on strength of No.1 CARU, having been duly sworn states:-

Q. What do you do at No.1 CARU?
A. I am at the M.T. Section, just now, I am a driver.

Q. Did you see Thompson at 12:10 hours 7 Nov.44?
A. Yes sir

Q. Where? And what did he say?
A. I ca me down to the Transport Truck that we were working on before dinner, and Thompson drove into the M... park with my 8 cwt truck, the last three numbers of are 738, and he stopped in the yard and he said he had some coke, and I asked him where he was taking the coke and he said to his home. He said he had permission to take the coke, and I helped him load three bags of coke from a C cwt which was in the M.T. Yard. We put it in my truck the 8 cwt. I wanted to stay behind and finish my work, but he said he wanted me to come with him, so we drove up to his home in Borden. We both got out of the truck, went around to the back, took out one bag and put it in a small lean-to between the two houses. When we came out to get another bag of coke, there was a Constable standing at the back of the truck.

PROSECUTOR POINTS TO THREE BAGS OF COKE IN ROOM AND ASKS:

Q. There are some bags over there with something in them, do you recognize them? Also are those the bags in question?
A. Yes sir, I believe they are.

Q. When you put the coke in the lean-to, did you put a whole bag in there?
A. Yes sir, we emptied the bag into a bin in the corner of the lean-to.

Q. What did you do with the bag?
A. Thompson and I took the bag back to the truck., and the Policeman asked Thompson------

OBJECTION BY DEFENDING OFFICER. I object to the witnesses continuing his statement as it has nothing to do with the vehicle.

PROSECUTOR: I will drop the matter.

CROSS EXAMINATION:

Q. Had you been driving this vehicle earlier in the day?
A. Yes I took a Quarter master Sergeant down to Borden in the morning and we came, and my next trip was this one with the accused.

Q. What time was this?
A. About 9:30.

Q. Had the vehicle been used again that morning?
A. No sir, not by me.

Q. Could anybody else have used it?
A. No not to my knowledge.

Q. When you were out with the QMS did you have a work ticket?
A. Yes sir. It was for Borden Area.

Q. Is this trip the last authorized one before your trip with Thompson?
A. Yes sir, because after each trip, I turn my work ticket and log book into the M.T. Office.

Q. When you bring a work ticket into the the M.T. Office, do you fill in the times?
A. No sir, we might run a whole day before doing this, as we would have a work ticket for each truck in the Borden Area.

W7

Q. For this trip with the WMB, will you look on the work ticket and see what time is indicated there?
A. On here it says out at 1400 hours and in a 1445 hours to the Borden Station.

Q. What about 9 a.m in the morning? Where does the 1400 hours come in?
A. My mistake, it was 1000 hours, I checked in again at 11.15 hours.

Q. In what column is that of the work ticket?
A. It is in Column 15 of Exhibit "A".

Q. Did you record 11:15 in the work ticket(Exhibit "A") in column 15?
A. Yes sir.

Q. When did you?
A. When I came in from the trip?.

Q. What did you do with the work ticket?
A. I took it back to the M.T. office.

Q. Did you drive the vehicle without a ticket? for the accused
A. They were in the truck when we went out.

Q. How did they get in the truck?
A. I don't know?

Q. Were you curious and checked to see if the work ticket had been signed?
A. No sir, since it was in the Borden area.

Q. You were quite happy about the situation?
A. Yes sir.

Q. Was it normal for a Bdr to tell you that he was taking a truck?
A. Yes sir, and N.C.O. would have that authority.

QUESTIONS BY THE COURT

Q. You say a trip was authorized to take an NCO to the Borden station?
A. Yes sir

Q. The first entry under the date 7 Nov.44 was a detail to take a trip "Trpn kit stores" is that the trip to Borden?
A. Yes sir, that is the Trip to Borden station.

IN the opinion of the Court it is unnecessary to comply with KR 83(a)

SUBMISSION BY DEF OFFR:

I submit that on the third charge that no evidence has been offered that this trip which appears to be taken was unauthorized. The evidence of the two witness, the Sgt and the Driver indicates that the system of handling work tickets and authorizing such journeys was very loose and an NCO would have the use of trucks at his own wish. Therefore then since this work ticket was issued for this truck ~~trip~~ for the Borden area it would seem that this truck could be in the Borden area any time of that day. The use of the truck for private purposes without proper authority-- I submit that the authority for the use of the truck was the authority of the Transport Sergeant. The truck had been authorized that date in the Borden area. There is no evidence to indicate that it was put to an improper use

REPLY BY THE PROSECUTOR

In reply may I point out, that the truck was put to in improper use, namely, carrying coke to a private residence. Bdr has been with the M.T. Section for a year and a half and would know the Army regulations with regards to the use of army vehicles. To use an army vehicle, the work ticket must be filled out and signed by a Transport Officer. The Sgt in his evidence said that he could not authorize the vehicle going on a journey and from the work ticket it appears that nobody else authorized this particular journey.

ANSWER BY DEF OFFR: The statement by the Prosecution does not agree with the evidence given by the Sergeant.

THE COURT WILL BE CLOSED TO CONSIDER THE SUBMISSION.

THE COURT RECOPENS:

PRESIDENT: The finding of the Court being subject to confirmation will not be announced, but will be promulgated at a later date.

A. I am not sure about that, but I believe ~~--~~ I did, as he came to us as a Lance- Bdr.

PLEA IN MITIGATION: NOTE E-3

Sir:
May I point out to the Court that up until about a year ago he has been in trouble on several occasions, but none of them very serious, and has had no trouble during the last year. Capt Platt for whom he works has evidently found him satisfactory as he recommended his promotion. No good purpose will be served by removing him to a position where he will not be of any further use to the army of himself. He is category "A", and I ask~~ed~~ that the court show lenency in order that he may again serve a useful purpose in the Army.

THE COURT WILL BE CLOSED TO CONSIDER THE SENTENCE

I said to him "I am taking you to Whitehill Police Station." I escorted him there, where I cautioned and charged him. I took possession of the bags of Coke.

Sir:

Several days before the 29 Nov I made application for a forty eight hour pass to take effect from After Duty on the 28 Nov. I was late in completing my duties that day and found that there was no pass available for me at the Battery Office when I called for it. I made inquiries at the guard room and found that the pass was not there either. From these circumstances I presumed that my pass had been turned down.

On the 26 Nov I had been interviewed by a constable of the civilian police and he had informed me that proceedings were going to be taken against me on a serious charge. If I was proved guilty of this offence I felt that I would be sentenced to imprisonment. Naturally I was under a very heavy strain and felt that I would like to get away for a short time. Consequently although I had no pass I decided to leave anyway.

I would like to impress the Court of the fact that I had no intention of running away from any punishment I might receive in connection with the civil charge.

SUMMARY OF STATEMENT IN MITIGATION, CHARACTER EVIDENCE, and ADDRESS OF ACCUSED OR HIS DEFENDING OFFICER

Statement by the Accused.

The reasons I have been going A.W.L. start backs last April, 1941. The last letter I got was in May, 1941. That was the last letter I got from my wife. I never got any word from her since. The last letter I got I got from my brother. He wrote and told me my wife was in the family way. I went to the paymaster and he said that he would look after her. Six months went by, and nothing was done, and I have heard nothing since. In July 42 I applied to Mr. Gray, a solicitor

in Sarnia, Ontario, and he wrote me saying that my wife had a child born in April 42. She was getting annulled, pay cuts, present [illegible] days absent. I was escorted back to Borden and paraded. The [illegible] told me I could get [illegible] back. And I said "no". That is why I have been going A.W.L. It was cut up when I went A.W.L. for 28 days. I did not sign the papers. I have a letter here to prove what I have been saying. It is from the law firm mentioned. I have no child and have been married 5 years. (The accused handed the court a letter from Lawson, Gray and Kellman, barristers and solicitors which stated courtesy that a child was born to his wife on the 3rd of April, 1942.)

I thought if I went A.W.L. enough they would cancel it out her money off.

The defending officer stated that he had nothing to add to the statement made by the accused.

The court is closed for the consideration of the sentence.

When soldiers are apprehended in plain clothes, at a distance from their units, and after having been absent for some time, the reward may be increased to 10/- or 15/- according to the nature of the cases and the trouble incurred in apprehension. A reward in excess of 15/- will seldom be granted.

TO WHOM IT MAY CONCERN.

I, B.S.M. Collard, A.N. Of No. 1 C.A.R.U., wish to make the following statement on behalf of the accused, A-17288 Gnr. Thompson, R.K. on strength of No. 1 C.A.R.U.

I have known the accused for a period of approximately 14 years. During this time I have formed a very good opinion as to his character and feel that all the trouble that he has been getting into arrises from the fact that no attention has been paid to his request for the cutting off of all allowances to his wife.

Gnr. Thompson has had advice from Canada that his wife has not only been unfaithful, but has had a child by parties unknown and showed me the letter to this effect. I advised him to take the matter up with the unit paymaster but seemingly no action has been taken, and I firmly believe that this is the cause of all his trouble.

sworn states:

I was born at "Sauble Falls," Ontarion 20th January 1923. My parents were both Chipewa Indians. They are both dead now. I was seven and a half when my mother died and nineteen when my father died. I went to school at "Sauble Falls", I went to Grade V in Country School. I left when I was 14 years old. I then worked around home. My home was situated in the "Suageen Reserve" near Owen Sound Ontario. I enlisted in the army on the 4th February 1942. I was a volunteer. I did my basic training at Chatham Ontario for two months and my advanced at Halifax Nova Scotia for six months. I had a little battle training during this time. I came to the UK on the 23rd June 1944. I was there for 3 weeks. I came over as a reinforcement. I came to France on the 25rd of July. I went to CHRG. I went up to the RWR's three days later. During the period 26th July to 26th Sept I had one period of rest lasting 8 days. I was with the Regiment during all the rest of the time.

I got a brother wounded. He was in the Algonquin Regiment. I want to go back to my own Regt "The RWR's". I was happy there. I have friends there. I just learned of his wounding today.

My category is B-1. I had a broken arm once, the left arm. I am right handed. I have no dependents. I have more right to fight for my country rxthxx really than the white man and I am anxious to get back because of this fact & also because of my friends.

Plea in mitigation by defending officer.

This accused is a full blooded Chipewa Indian. He hails from the "Suageen Reserve" near Owen Sound Ontario. His mother died when he was seven years of age and his father when he was nineteen.

He is anxious to return to action and restore his honour - as evidence of this we have his remark to the effect that he has even more right to fight for his country than the white man. I think we all admire his sincerety in this regard. He knows full well that the fighting qualities of his people are admired all over the world. He also knows he has made a great mistake and when he thinks of his own brother being wounded there is only one foremost thought in his mind; he wants to get back and fight.

Gentlemenx, I have no hisitation in asking you to give him that chance by recommending suspension of sentence to senior authority.

SUMMARY OF EVIDENCE

Summary of Evidence in the case of H. 92434 Pte
Russell Roy THOMPSON, R Hpgs R, att 21 Cdn Gen Hospital
charged with, when on active service wilfully injuring
himself with intent thereby to render himself unfit for
service (AA Sec 18(2)), alternative, when on active
service neglect to the prejudice of good order and mili
tary discipline (AA Sec 40).

By direction of the Commanding Officer the evidence is taken on oath.

FIRST WITNESS

Major M.T. Kobrinsky, No.21 Cdn Gen Hospital, sworn, states:

I am Major M.T. Kobrinsky, Med Offr at No.21 Cdn Gen Hospital. Pte Thompson is a patient under my present care. Review of his med documents reveal that he had a through and through GSW of his right hand in the region of the second metacarpal phalangeal joint. He still requires further hospital treatment for approximately three weeks. In all likelihood there will be a slight disability in the movement of this joint. However, in my opinion it will not necessitate the lowering of his 'U' grade and at the completion of his treatment he should be fit for full duty. The wound could have been caused by a weapon held in the man's own hands.

The accused declines to cross examine this witness.

"M.T. Kobrinsky" Major
Witness.

SECOND WITNESS

U.2015 Sgt Gatehouse, W.H., S.I.S., Cdn Provost Corps, att 21 Cdn Gen Hospital, sworn, states:

On 1 Oct 44, in company with Cpl Horton, I interviewed the accused, whom I recognize, at No.7 Cdn Gen Hospital. I identified ourselves to him, told him we were members of the SIB and we were enquiring into the circumstances surrounding an injury sustained by him in the right hand. He was cautioned that he need not say anything unless he wished to do so but whatever he did say would be taken down in writing and may be used in evidence. He understood the caution, read it and signed it. He then made a voluntary statement which was taken down in writing. It was read over to him and he read it himself and then signed the statement. There were no threats, promises or inducements held out to the accused in order to obtain the statement. He was not under arrest at the time.

The accused declines to cross examine this witness.

"W.H. Gatehouse"
Witness.

The statement referred to in the evidence of the above witness is attached hereto as Exhibit 'A'.

The accused is cautioned as follows:

Do you wish to make a statement or give evidence on oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you do say or any evidence you give will be taken down in writing and may be given in evidence.

"I have nothing to say at present".

The accused does not call any witnesses.

I certify that the foregoing summary of evidence consisting of two pages was taken down by me in the presence of the accused and that RP 4 (C) (D) (E) (F) and (G) have been complied with.

but when I took it out of its leather case I found about 8 rounds of .32
ammunition in the bottom of the holster. Just about this time we were
ordered out to round up some Jerries and I put the pistol away. We
finished this job about noon. Then in the afternoon about three o'clock
I got the pistol again and loaded it. I tried to fire it but the shells
wouldn't go off, although it revolved the chamber alright. I changed the
pistol into my left hand and put my right hand over the barrel and pulled
the trigger. I was pretty well shaken up at the time and I figured it
would be a good way to get out of the line. I never thought it would go

Plea in mitigation by Defending Officer

"This accused is a full blooded Chippewa Indian. He hails from the "Saugeen Reserve" near Owen Sound Ontario. His mother died when he was seven years of age and his father when he was nineteen.

He is anxious to return and resume tactical his honours - as evidence of this we have his remark to the effect that he feels he has even more right to fight for his country than the whiteman. I think we all admire his sincerity in this regard. He knows full well that the fighting qualities of his

people are admired all over the world - He also knows he has made a great mistake and when he thinks of his own brother being wounded there is only one foremost thought in his mind: he wants to get back & fight - Gentlemen, I have no hesitation in asking you to give him that chance by recommending the suspension of sentence & denial authority -
