The copy filmed here has been reproduced thanks to the generosity of:

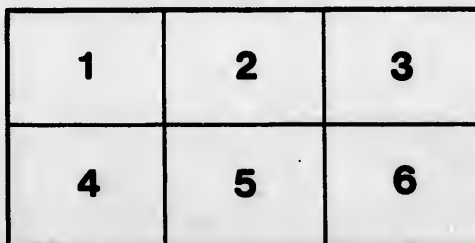

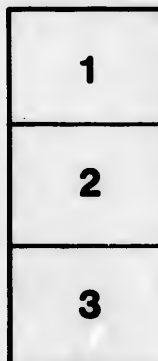

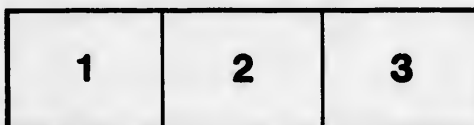

Anglican Church of Canada
General Synod Archives

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagram illustrates the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Anglican Church of Canada
General Synod Archives

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

PRAYERS,

TO BE USED AT ALL MEETINGS OF THE SOCIETY, AND OF
ITS SEVERAL ASSOCIATIONS.

Prevent us, O Lord, in all our doings with Thy most gracious favour, and further us with Thy continued help; that in all our works, begun, continued, and ended in Thee, we may glorify Thy Holy Name, and finally, by Thy mercy, obtain everlasting life through Jesus Christ our Lord. *Amen.*

O merciful God, who hast made all men and hatest nothing that Thou hast made, nor wouldest the death of a sinner, but rather that he should be converted and live; Have mercy upon all Jews, Turks, Infidels, and Heretics, and take from them all ignorance, hardness of heart, and contempt of Thy Word; and so fetch them home, blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be one fold under one Shepherd. Prosper, O Lord, the labours of those Societies of the Church in the land of our Fathers, which Thou hast deigned to use in the promotion of this object, and which have nourished the Church in the Colonies: and bless in like manner with Thy Holy Spirit and Providential succour the Society in whose cause we are now met, and the undertakings which we have now in hand. "Prosper Thou the work of our hands upon us; O prosper thou our handy work," for the sake and through the merits of the same Thy Son Jesus Christ Our Lord, who liveth and reigneth with Thee and the Holy Ghost, one God, world without end. *Amen.*

Our Father, which art in Heaven, Hallowed be Thy name. Thy kingdom come. Thy will be done in earth, as it is in Heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation: But deliver us from evil: For thine is the kingdom, the power and the glory, For ever and ever. *Amen.*

There shall be a Central Board for the management of the general business of the Society, consisting of the President, the Vice-Presidents, and the other Officers of the Society, all officiating Clergymen of every Church, &c., or Chapel of the United Church of England and Ireland, and of such other persons, being members of the Church of England, as shall be elected in the manner following:—

One half of all monies collected must be transmitted to the Treasurer of the Society; the other half may be expended within the Parish, Mission, or Chapelry, for such objects only as are specified in the Constitution of the Society, or forwarded to the Treasurer of the District Association, where any such exists, or the whole may be transmitted to the Treasurer of the Society.

And where three or more Clergymen may desire it, a District Rural Association may be formed, with the approbation of the President of the Society, the same to be composed of the Clergy resident within the bounds of the same, and all other Members of the Church who shall contribute 5s. per annum in aid of the Society's funds.

Any officiating Clergyman resident within the bounds may be elected by such District Association as Chairman, with whom shall be associated, as composing a committee of Management, the Clergy of the several Parishes or Missions within the bounds of such District, one or two Laymen from each of the same, a Secretary and Treasurer. A General Meeting of each District Rural Association shall be held in each year at such time and place as may be agreed upon at a previous Quarterly Meeting of the Committee of Management; and Quarterly Meetings of the Committee of Management, not less than five to form a quorum, shall be held for the transaction of the business of the Association.

The Rural Parochial Association shall communicate to the Secretary of the Parent Society, a minute statement of the receipts and expenditure within the sphere of their operations, embodied in the form of a Report, at least one month before the General Meeting of the Church Society.

VIII.

LAY COMMITTEE.

A Lay Committee, consisting of not less than thirteen members, of whom the Treasurer shall be one, shall be chosen at the Annual Meetings of the Society, from among the Members of the Society, of whom three shall be a quorum for the transaction of business.

The proceedings of the Lay Committee shall be reported monthly to the Central Board.

The Clerical and other Members of the Central Board may attend at any of the General meetings of the Committee, and may propose and discuss matters therein, but have no vote.

It shall be the duty of this Committee to recommend to the Central Board the best means of carrying out the following objects :—

First,—The securing to the Clergymen now resident and doing duty in the Diocese, a sufficient and permanent income, and providing with the least possible delay for the increase of their number, so as to meet the increasing exigency of the population.

Second,—The building in every place where it may be required, a Church of brick or stone, upon a well-considered plan as to dimensions, external form, and internal arrangement, keeping in view the probability of its requiring enlargement.

Third,—The assisting of the different Parishes and Missions in the Diocese, in the erection of a residence for the Clergyman, by loan, to be repaid by instalments.

Fourth,—The procuring an adequate and permanent support for all the Institutions, Authorities, and Functionaries suitable and appertaining to the Establishment of the Church of England in the Diocese.

Fifth,—The encouraging the formation of a Local Endowment Fund, at every station or place having a Church or Clergyman.

Sixth,—The management and superintendence of all lands belonging to the Society.

Seventh,—It shall also be the duty of the Lay Committee to investigate all applications for grants of money, and to report thereon to the Central Board. Every application for aid in the erection of a Church must contain the following information.

1. The precise situation, especially with reference to the nearest Church and the amount of population within five miles of the Church.

2. The title of the ground on which the building is to be erected,—copies to be produced.

3. The size of the building, the number it is intended to accommodate, and the probable number of the congregation that will be likely to attend it.

4. The supposed cost of the building, the progress it has made towards completion at the time of application, and the amount of contributions on the spot in money or labour.

SERMONS.

Such Sermons as the Lord Bishop of the Diocese shall direct shall be preached in each year in each Parish, Chapelry, and Missionary Station, on such days as the Bishop shall appoint, in favour of some *one or more* of the objects of the Society, and a collection made in aid thereof, which shall forthwith be transmitted to the Treasurer of the Society; and no grant or benefit from the Society shall be obtained for any object within any Parish, Chapelry, or Missionary Station within which such Sermon or Sermons shall not have been so preached and such collection shall not have been made.

BY-LAWS

No alteration or amendment in the Constitution or By-laws of the Society shall be made, unless the general nature of such alteration or amendment shall have been proposed at the next previous General Meeting of the Society, provided that not less than one month intervene between the two Meetings, and that the object of the Meetings be stated in the advertisement by which they are called. At all Meetings of the Society, of the Central Board or of Committee, the Chairman, in case of an equality of votes shall have a double or casting vote.

Whereas some Members of the Church, who are not unmindful of the great spiritual wants of their own neighbourhood, still feel constrained in pious gratitude for the blessings they enjoy, to allot something, however small, from the means with which a Gracious Providence has blessed them, towards the spread of the Glorious Gospel among the nations which still sit in darkness; the Society will gladly receive and forward to the Society for the Propagation of the Gospel, the Church Missionary Society, or the London Society for Promoting Christianity among the Jews, whatever sums may be given for the conversion or instruction of the Heathen or the Jews.

CHURCH SOCIETY'S OFFICE,
MONREAL, January, 1859.

BY-LAW.

To make provision for the administering and improving the Widows' and Orphans' Fund of the Church Society of the Diocese of Montreal.

I.

That all rents, issues, or profits of lands or tenements, held by the Society for the relief of the Widows and Orphans of Clergymen, and all moneys given or granted for the same purpose, unless special provision be made by the grantor or donor of the same for the distribution thereof otherwise, shall be put to the credit of a fund to be called the Widows' and Orphans' Fund.

II.

And that the Society shall and will put to the credit of the Widows' and Orphans' Fund yearly, and every year, a sum of money equal to One Pound Five Shillings for each duly recognized Clergyman in the Diocese, from the Fund for General Purposes, provided that fund will bear such a charge upon it; and that after the current and customary expenses of the Society are paid, the charges for the Widows' and Orphans' Fund shall be the first paid from the General Purpose Funds, and that such sum shall be put to the credit of the Widows' and Orphans' Fund on the first day of April in each year, on the Lord Bishop of the Diocese forwarding to the Treasurer a list of the Clergy duly recognised, signed with his hand.

III.

That each Clergyman, either Incumbent or Travelling Missionary, having Cure of Souls in this Diocese, in order to entitle his Widow and Children to claim the annuity hereafter provided, from the passing of this By-law, or from the time of his appointment in the Diocese, shall remit to the General fund of the Society the sum of £1 17s. 6d. per annum; shall observe the directions from time to time given by the Lord Bishop of the Diocese, in respect to the collections to be made on behalf of the Widows' and Orphans' Fund, unless such Clergyman shall have been excused by the Lord Bishop of the Diocese in writing under his hand, from making such Collection or Collections in any Church, Chapel, or Station, served by him; but it is essential to the stability and prosperity of this fund, so as to meet the demands that may hereafter be made upon it, that every Clergyman in the Diocese should contribute towards its maintenance, it is hereby declared that any Clergyman refusing to become a subscriber, or neglecting to make the annual collections in his parish, or mission, (except as above stated,) shall not be entitled to any benefits of the fund

Should, however, any Clergyman fail to become a member, and afterwards desire to join it, he shall make application to the Central Board, through the Committee of management, and if the Board should favorably receive his application, it can only be on payment of all back subscriptions.

IV.

That a managing Committee be annually chosen, (at the Annual Meeting,) to control the affairs of the Widows' and Orphans' Fund, consisting of five members of the Society, two of whom shall go out annually, but eligible to re-election, and it shall be the duty of such Committee to prepare, for the consideration of the Society at its Monthly Meetings, all business relative to the management, investment and improvement of the Widows' and Orphans' Fund, and no matter connected with the management or investment of the said Fund shall be decided upon until it has first been submitted to such committee for them to report thereupon to the Central Board.

V.

The Treasurer shall lay before the Central Board, at its Meeting in December in each year, a statement of all moneys invested, or in his hands, belonging to the Widows' and Orphans' Fund ; and of all Moneys received and paid on account of the said Fund since the last annual statement. And the Secretary of the Lay Committee shall, at the same time, lay before the Society a statement of all Lands held by the Society by grants or otherwise, on behalf of the said Fund.

VI.

That from and after the passing of this By-law, the Society shall pay an annuity to the Widow of every Clergyman who at the time of his decease shall have been duly licensed to the Cure of Souls in this Diocese, and recognized by the Bishop, or have been placed on any retired List with the consent of His Lordship, and from the passing of this By-law, or from the time of his appointment in the Diocese, shall have been a subscriber as set forth in Rule III, and who shall have complied with the requirement of this By-law, such annuity to be of Forty Pounds currency, payable in two equal half-yearly payments on the first day of January and July in each year ; the first of such half-yearly payments, or such portion thereof as may have accrued from the day of the death of her husband, to be made on the day above mentioned, next following the death of her husband, so long as she shall remain a Widow. In the event of marrying again, the question of continuation of annuity to be re-con-

sidered. And in case such Widow shall, at her death or marriage, have four or more children by her late husband under the age of eighteen years, such annuity shall be paid to the guardians of such children; and should there be less than four children, then such a sum, not exceeding Ten Pounds, shall be paid as aforesaid for each, and, that all annuities paid for children shall cease on the day at which they attain the age of eighteen years. And in case of a Clergyman deceased, leaving no Widow, but leaving children, then such children to enjoy the annuity as above provided. But as circumstances may occur to cause this fund to fluctuate in its amount, the Central Board may, on receiving a special report from the managing Committee, respecting the funds of the Society, increase or diminish the annuity to the Widows or Orphans, should it appear advisable or necessary so to do.

VII.

As it is but just and equitable that when any member of this Association, who should in future marry a lady many years younger than himself, and thereby in the common course of events leave a widow for many years drawing her pension, and so become a heavy burthen on the Fund, the following scale of fines shall be established as a rule of the Society, for all under such circumstances.

VIII.

That the money already in the hands of the Treasurer, and the annual collections in the Diocese, together with the amount put to the credit of the Fund annually by the Society, for each of the Clergy, that these several sums shall be put out, as far as is practicable, at compound interest, and not used for the space of eight years.

And in the event of any Widows to be pensioned in the interval of the eight years, the pension to be paid out of general funds of the Society.

IX.

Every Widow, or the guardians of any of the Orphans of a Clergyman, desiring annuities from the Widows and Orphans' Fund, shall apply by Memorial to the Church Society of the Diocese of Montreal for such annuity, setting forth the time of decease of such Clergyman, the

Should any doubt hereafter arise as to the interruption of this By-law, or the construction which should be put upon it, or upon any of its clauses, such doubt shall be referred to the Standing Committee, or to any other Committee that shall be appointed for that purpose by the Central Board, who shall make a report thereupon to the *General Monthly Meeting* of the Church Society of the Diocese of Montreal, and the decision upon such doubt shall be final.

At the annual meeting of the Church Society, on the 19th January, 1858.
the following addition to the above By-law was adopted:—

“That upon the voluntary removal of a Clergyman from this Diocese,
‘he thereby forfeits all claim for a pension in favour of his Widow or
“Children, and that all exceptional cases should be submitted and adju-
“dicated on, at they may occur.”

At the annual meeting of the Church Society, on the 18th January, 1859,
It was resolved:—

“That Superannuated Clergymen shall retain their interest in the
“Widows’ and Orphans’ Fund simply on the continued payment of their
“annual subscriptions.”

The PATRONAGE OF THE RECTORIES in this Diocese is by an
Act of the Legislature (14 & 15 Vic. : c. 175) now vested in the
Church Society.

At a general meeting, held on 5th October, 1852, it was re-
solved:—

Resolved,—That, in accordance with the terms of an Act passed, 14 &
15 Vict., c. 173, respecting the patronage of certain Rectories, established
by letters patent in Canada, on a vacancy in any Rectory so established
in the Diocese of Montreal, the Churchwardens of the Parish Church,
having received notice of such vacancy from the Lord Bishop, shall pro-
ceed to summon a meeting of the Vestry, as constituted under the Church
Temporalities Act (notice of such intended meeting having been affixed
to the door of the Church on two previous Sundays), for the purpose of
choosing two or more Clergymen in Priests Orders, whose names shall
be forthwith returned to the Bishop, in order that his Lordship may, if
they shall be found otherwise canonically qualified, select one of them
for institution to the said Rectory; and no informality in the manner of
choosing such Clergyman by the Vestry, shall invalidate the institution,
unless notice in writing shall have been sent to the Bishop or his Com-
missary, within twenty-one days from the date of the nomination. But
if no such nomination shall be made by the Vestry, and returned to the
Bishop or his Commissary, within three calendar months from the date
of notice of the vacancy sent to the Churchwardens, then the right of
presenting an Incumbent or Minister to the said vacant Rectory, shall
rest absolutely with the Bishop.

REPORT.

January 6, 1859

for 1858.

The proceedings of our Diocesan Church Society, for the past year, may be considered, on the whole, satisfactory and encouraging, considering the great financial difficulties under which this province has been labouring during the past year, and the great scarcity of money everywhere. Still there are many who do not yet seem to feel the importance of the work in which the Society is engaged, nor is the amount contributed at all corresponding to the great necessities of the Church. The Central Board would acknowledge with thankfulness the result which has been obtained, trusting to this past year's measure of success as an earnest of still much greater and better things to come.

The following is a summary of the Society's receipts for the past year :—

Total amount of investments for the Widows' and Orphans' Fund is \$14310.00.

During the year there has been a decrease in the amount raised in Montreal of \$156.92, and there has been an increase in the Parishes and Missions in the Country of \$472.68.

The Montreal Parochial Association has paid to the Treasurer the sum of \$1507.23, which includes \$397.42 contributed by the Missionary boxes.

- The total income of the Society has been \$406.38 more than last year.

The sum of \$698.72 was raised in the name of the Society and expended on local objects, independently of the Central

Board. This sum is not included in the income of the Society, as it does not appear in the Treasurer's accounts.

\$486.75 has been contributed towards endowments, and \$342 have been received from the sale of books.

The total amount raised within the year for Church purposes is \$45636, which is \$5406 more than last year.

No doubt the difficulty of carrying on the ministrations of the Church so as to bring under her influence all the members of the congregation who used to attend at the Cathedral (a difficulty that we hope will be removed by the completion of the New Cathedral in the course of the present year), may account in no small degree for the deficiency in the amount collected in the City, as compared with former years. But, nevertheless, it is most certain that, from whatever causes, the Income of the Society is not sufficient to meet its demands; and not until the conviction be deeply impressed upon the members of the Church, that we are all stewards, that all we have belongs to God, and is only lent to us for a time to be employed in His cause and to His glory, shall we be found faithful—making the service of God the first consideration in all our calculations—honoring the Lord with our substance, and with the first fruits of all our increase. May God then be pleased so to incline the hearts of all the members of our Holy Church as that each shall cheerfully come forward and claim the privilege of being permitted to co-operate in the pious work contemplated by the Church Society, of spreading abroad the glad tidings of Salvation through Jesus Christ our Lord, and of securing to themselves, and to those who shall come after them, the perpetuity of the ministrations of our Holy Church in this land. For it must be borne in mind, that the day is not far distant when churchmen in Canada will have to depend almost entirely on their own exertions for the maintenance and extension of their Holy Faith. The SOCIETY FOR THE PROPAGATION OF THE GOSPEL, which has done so much for the Church in British North American Provinces, finding such innumerable and overpowering demands upon its funds from all parts

of the vast colonial possessions of Great Britain, has resolved that the Canadian Church must not any longer expect to enjoy the large measure of help which has hitherto been afforded to it; and it is evident that each colonial branch of the Church will eventually be thrown completely upon its own resources. To the Church Society it is, therefore that we must look for the supply of our spiritual wants.

During the past year, aid has been granted towards the stipends of the following Clergymen to the extent of \$2115.

REV. J. CONSTANTINE,	REV. A. D. LOCKHART,
" J. C. DAVIDSON,	" T. MACHIN,
" J. GRIBBLE,	" W. C. MERRICK,
" J. GODDEN,	" E. G. SUTTON,
" D. LINDSAY,	" C. A. WETHERALL,
REV. E. DuVERNET.	

The following grants have also been made by the Central Board during the year:—

To New Church at Rawdon.....	\$200.00
" Hemmingford	200.00
To Book and Tract Committee.....	120.00
	<u>\$520.00</u>

The following Reports have been received from the different Parishes and Missions:—

ABBOTSFORD AND ROUGEMONT.

Rev. F. ROBINSON reports that a variety of circumstances have combined to make the past year an eventful one in the history of his charge; one of the most interesting of which was the visit of the Lord Bishop of the diocese, to administer the important rite of confirmation.

The Bishop's presence amongst us is always productive of much good. One sensible effect of it is to keep alive in the minds of the people the fact that they are not mere isolated congregations, but are members of the One Body, of which Christ is the Head. And, so much is the pastor strengthened in his work by this beneficial influence, it is always a source of regret to him, and no less so to his people, that the great extent of the diocese, and the absence of sufficient facilities of communication, do not permit of an annual visit from the Chief Shepherd to each scattered portion of the flock.

This year the Bishop's visit to us was providentially most opportune. It had pleased God in his inscrutable wisdom, just previously, to cut off from sorrowing friends, in a brief space of time, the little child in its engaging loveliness, the young man ~~rejoicing~~ rejoicing in his strength, the wife and mother in the noon-tide of her days and maternal cares, and the husband and father, in the full vigour of manhood; and, with such suddenness, too, as to fill all hearts with seriousness and awe.

And, if we can judge from the number of devout candidates that presented themselves for adult-baptism and confirmation, and from the increased attendance at the Lord's Table, which has since ensued, we cannot but feel that, while God has afflicted, he has also blessed his people here.

In collecting subscriptions too to the funds of the Church Society, evidence has not been wanting of increased love for Christ and his Church. The contributions have apparently been made with that "cheerfulness" which "God loveth," and in that spirit which will insure a blessing both upon the gifts and the givers. And surely it is not in vain that we hope our people, who, though not wealthy, are by no means destitute of the means to give, will yet become more fully alive to the truth that "offerings unto the Lord," made "in righteousness," tend not to poverty, but rather to that "blessing," which "maketh rich"; and with which "he addeth no ~~more~~"; then will the offerings in future be more numerous and of greater amount. May God in his mercy grant this, and may all our people throughout the length and breadth of the land have the "veil" lifted from their hearts to see and "know, in this their day," the true use of worldly substance: may they all be preserved from "trusting in uncertain riches, but in the living God, and become "rich towards God," "rich in good works," "ready to give, and glad to distribute; laying up in store for themselves a good foundation against the time to come, that they may attain eternal life."

The amount raised during the past year is as follows, viz. At Abbotsford: Subscriptions to Church Society, \$27; towards clergyman's salary (\$38 paid and probably \$17 more to come in) \$55; to the poor, \$30; Missionary collection \$4.47; Widows' and Orphans' collection, \$5: incidental expenses, \$5.73. Total, \$127.

At Rougemont: towards clergyman's salary, \$60; Sunday collections and incidental expenses, \$17.12; Missionary collection, \$3.88; Widows' and Orphans' collection, \$4. Total, \$85. Total in both places, \$212.

ADAMSVILLE AND W. FARNHAM.

The Rev. A. C. SCARTH, writes:—It affords me much gratification to be enabled to state, that, notwithstanding the difficulties under which we labour, the work of the mission progresses quietly and steadily.

Although the population is scattered the attendance upon Divine service is generally good, and an increased interest in the welfare of the Church is manifested by many of her members.

The contributions towards the Church Society and for the support of the clergyman, are perhaps as large as could be expected; they are somewhat less than last year, but the deficiency arises from some of the out stations, where the number of Church people are very few.

Much praise is due to the congregation, and especial thanks to the Church-wardens for the improvements made on the glebe, through which a discharge has been cut, at an estimated cost of \$40. The land has also been surveyed, causing an outlay of \$15. Repairs and improvements have been made on the parsonage to the amount of \$20. Collected for the Church Society, \$29.50. For the support of the Clergyman, \$77.50. For the widows' and orphans' fund, \$5. For missionary purposes, \$5. Total, \$192. In addition to the above I would state that the parsonage has been painted at the cost of \$28, which we hope to be able to make up by Easter.

AYLMER.

From Rev. J. JOHNSTON :—During the past year, we have been enabled to expend about £120 on repairs in the Church at Aylmer, by which it is now put into a fit state for consecration. We are looking forward with much pleasure to the fulfilment of the Bishop's promise to visit us in the spring for that purpose. As the clergyman here has been for many years wretchedly accommodated, as regards a home to live in, and as he had resolved to erect one for his own large family, the people of the mission generously contributed £43 to assist him, exclusive of a generous donation from R. Wright, Esq., of Hull, of all the lime required for the entire building. To the last named gentleman and his family, as well as many other kind and generous hearts and hands in this mission, the missionary owes a debt of gratitude. The further sum of £43 has been raised in the mission towards the clergyman's support. This properly would belong to 1857, but as we do not collect our pew rents until some time in the winter, 1857 must go into 1858, and 1858 into 1859.

BEDFORD.

From the Rev. J. JONES :—There is, I believe, ten dollars in the hands of our Churchwarden, towards repairing the northern corner of the Church, and a subscription is on foot for the purpose of procuring better apparatus for warming the Church; but both those undertakings must be deferred until after the winter shall have passed.

I see no immediate prospect of improving our subscriptions to the Church Society. The French and the Irish Romanists are buying the farms of our people in the vicinity, and our people are removing to

localities where land may be procured at a lower rate ; and the people who come to our manufactories, with scarcely any exception, are people from the neighbouring States, who appear to have no sense of religious obligation, and who pay no attention to the worship of God, and have no regard for the Sabbath.

BERTHIER.

The Rev. W. C. MERRICK says :—I feel thankful to be able to report, that the congregation to whom I minister in this diocese at Berthier, the home station of my extensive mission, notwithstanding the occurrence of a circumstance of a public and most discouraging character during the year, have afforded a generous and liberal support to the various objects before them.

The amounts raised may be classed under the following heads :—Church Society subscriptions \$39.50, Widows and Orphans' Fund \$10.91, Offertory Collection \$76.06, Parsonage Fund \$111.50, Pew-rents \$86, Lamps and Fittings for Church \$23.50, Sunday School purposes \$16, Donations to Missionary \$72 ; total \$435.47.

The repeated efforts which have been made to stanch the ceiling under our church tower here, I regret to say have proved unsuccessful. The leakage has so far injured the ceiling that all the plastering on it must be renewed. We have good hope, however, that, with the assistance of the Ladies' Sewing circle, which lately has commenced operations vigorously, we will be enabled, during the coming summer, not only to repair this damage, but to effect some further improvements in the church.

Among the evidences of the Lord's work among us during the past year may be mentioned the presentation of twelve young persons to our respected chief pastor the Bishop for the apostolic rite of confirmation,—the largest number ever presented at Berthier,—and the presence at the Lord's table, on Christmas day at Berthier of thirty persons, and of seventeen the following day at Lake Maskinongé, the other station in this Diocese.

The Missionary cannot close his report without expressing his gratitude, and that of the congregation to Messrs. Boswick and Dixon, the church-wardens, for their exertions during the year ; the former of whom has now filled the office with kind attention and much efficiency for nearly four years : and he gladly desires to offer a similar tribute to Mrs. Bethune and the other teachers for their faithful and untiring work in the Sunday School ; and to Miss Guerout and Miss Morrison, whose kind and valued services in presiding at the melodeon have contributed so much to the efficiency of the choir.

BROME.

From. Rev. R. LINDSAY :—During the year past the work of the Church in this Mission has been very prosperous. The numbers in the congregations have increased. Several adults have been admitted into communion by the sacrament of baptism. Greater interest has been manifested in the ordinary means of grace. A greatly increased spirit of liberality has been shown, and I cannot but feel that there has, during the year past, been marked tokens of the progress of true religion.

Our financial statement shews \$232 collected for the mission, \$100 of which is paid to the Society, \$809.60 towards a Church at Brome Corners. \$50 towards a Font. Our Sacramental collection was voted, at the Vestry Meeting on Easter Monday, to be applied towards assisting to open a Mission in the township of Bolton.

BUCKINGHAM.

The Rev. W. MORRIS writes, that during the current year, efforts have been made among the members of the Church in that Mission, to liquidate the debt of one hundred and sixty pounds (£160) due upon the Parsonage. Up to the present period the sum of one hundred and thirty-three dollars (\$133) has been raised towards that object.

In consequence of the above exertions, he was unwilling to make any further application to his congregation by way of *Subscription*, but he placed the sums collected during the present year, under the respective heads of the "General purposes of the Church Society" and "Widows' and Orphans' fund"—the sum total of which is nearly equal to the annual amount usually contributed in that mission, viz :—

Rev. W. Morris, Annual Subscription,	\$ 7.50
Sermon in aid of Church Society,	8.70
Sermon in aid of Widows and Orphans Fund,	17.80

Total, \$34.00

The whole of which has been sent to T. B. Anderson, Esq., Treasurer Church Society.

CHAMBLY.

From J. P. WHITE :—It is now 14 years since a Branch of the Church Society has been established in this Parish, and it is pleasing to state that from the Society's first formation to the present time, it has continued to receive that support which its benevolent objects so justly claim ; evidence, it is hoped, that with churchmen here it has become a sense of duty to give of those means with which the Lord has blessed them, towards fixing, upon a permanent basis, a Society which aims at the dissemination of the pure faith and worship of the Church in our midst.

And I cannot help thinking that the establishment of the Church Society has been a source of happiness to many, inasmuch as, through her instrumentality, sympathy has been enlisted, and zeal awakened in behalf of the wants of our Church. At the expiration of each year, the Society tells her members of all her labors, shows how their contributions have been expended, what good has been done, how many Missionaries have been assisted, how many Churches have been built or are in progress of erection, and how the Macedonian cry still comes to her, "Come over and help us."

Our annual subscription list amounts to \$182.67½; and our Subscribers number 188;—to effect which result, much diligence and zeal were displayed by those who kindly undertook the office of Collectors, and our thanks are due to them. In compliance also with the Bishop's Circular, a subscription for the new Cathedral has been made, which amounts to \$140; and further donations may still be expected.

And here it may be proper to state, that, in consequence of the removal of several families from the Parish this past year, so large a sum of donations cannot for the future be expected; but, with God's blessing, no effort shall be spared to promote, to the utmost, the varied Missionary objects of our truly excellent Church Society. And may the Spirit from on high be shed upon all the members of our Holy Church in this place, and then shall we not be barren or unfruitful in the work of the Lord, but be found giving cheerfully, "as God hath blessed us," for the prosperity of His Church and the extension of His Gospel!

CHRISTIEVILLE.

From Rev. T. W. MUSSEN :—Our subscriptions for the Church Society, including a donation of \$10 for Widows and Orphans, amount to \$62.80, Of this sum \$15.15 were retained for local objects. Collections for Widows and Orphans (for 1857) \$9.50; for Missionary purposes \$10.42½. The Offertory collections during the year amounted to \$17.43½. In addition to the above, \$68 were collected by the Sunday School children for the Church Missionary Society, and the School Missionary box contained \$10.70. Total \$178.85½.

CLARENCEVILLE.

From Rev. CANON TOWNSEND :—The amount under the head "Local Purposes," was raised by the "Ladies Benevolent Society," towards the repairs of the Church and the relief of the poor, \$70.00; a collection was taken up in aid of the E. India Relief Fund, \$5.00; contributed by voluntary subscription for building a plank side-walk from the Church through the village of Clarenceville, \$100.00; contributed towards repairs of the Academy, \$38.16; offertory, St. George, \$16.11; St. Thomas, \$13.26. Total, \$248.64.

CLARENDON.

From Rev. T. BONSALL,—I regret to say that I cannot raise anything in this parish. There is a total disinclination among the people to contribute. Whether this arises from want of means or not I cannot say. There is a large congregation at Clarendon, and I sincerely hope that the rising generation will do better than their forefathers.

COTEAU DU LAC.

From Rev. T. A. YOUNG :—The contributions for local purposes were, —towards parochial library, \$5.05 ; towards clergyman's salary, \$72.00 ; poor fund, \$6.87½ ; pew rents, \$56.75 ; offertory, 16.80 ; total, \$157.47½.

COWANSVILLE AND CHURCHVILLE.

The attendance at the Churchville church is very unsatisfactory, especially on the part of those who have been most liberal in their subscriptions to its erection. The prospect is much brighter at Cowansville. During the past year additions have been made to the former subscriptions for the erection of a church at this place. Above \$467 altogether have been subscribed in this community for this object. In October last the subscribers were called together, and a Building Committee appointed, consisting of Messrs. Hiram Traver, James Ruiter, and George Baker, who are fully authorized to go forward in the erection of the edifice.

Subscriptions authorized by the Bishop were taken up in July and August last in favor of this Mission in Christieville, St. Johns, Lachine, and Montreal. The amount subscribed in this place, and a list of the subscribers' names, have been handed in, and the money is being expended under the direction of his Lordship. The Missisquoi High School, over which the clergyman presides, considering the great number of schools all around, maintains its position and usefulness very successfully.

The following is the account of the usual subscriptions and collections for the past year : Missionary purposes \$4, Widows and Orphans \$3, Church Society \$46.19, sundry collections \$29.92, clergyman's support \$172 ; all which, being added to the subscriptions for the church at Cowansville, make a total of \$2,123.11.

DUNHAM.

From the Rev. J. SCOTT :—My people have complained very much of hard times ; and having agreed to double what has heretofore been the local annual subscription for the Ministers support, and also to provide a more comfortable parsonage, towards which object, although nothing has yet been paid, they have raised a subscription amounting to something more than \$1600 ; and some, I am sorry to say, have pleaded that they could not do as much for the Church Society this year as last.

But, I thank God, I have reason to believe that some among them are beginning to realize for themselves the revealed truth, "There is that scattereth, and yet *increaseth*; and there is that withholdeth more than is meet, but it tendeth to poverty."

At a vestry meeting of this parish, held in August last, a goodly number of the most influential and responsible inhabitants being present, it was unanimously resolved that a subscription should be circulated, with a view to secure a certain sum for the minister's support, and that, whatever was necessary over and above the sum subscribed, shall be made up by those who subscribe to the principle, by an equal rate upon their real property, as it is assessed by the municipal authorities.

I am not aware that so just a principle of raising the clergyman's support has before been acted upon anywhere in this diocese. I have no doubt but that it will here be faithfully carried out; and I trust that many other parishes will soon adopt the same rule. If, through the Divine goodness I am spared to make another annual report, I hope to be able to give such a list of subscribers to this principle—the list is not yet complete—as will convince all who will consider it, that it is not only the fairest, but it is also the cheapest mode of supporting all the institutions of the church.

FRELIGHSBURGH.

The REV. CANON REID writes:—I believe there is not a family in the Parish, having any regard for the Church, that has not contributed to the Society; and I do hereby tender them all my hearty thanks for the kind manner in which I was received by every one of my parishioners.

Annual Subscriptions to the Church Society, \$126.12; collected for Missionary purposes \$12.80; for W. and O., \$6.41; contributions for Local purposes, \$295.52;—which, added to the amount paid for last year, makes a total of \$505.09.

FROST VILLAGE.

From Rev. R. LINDSAY:—We have reason to be thankful for what has been done during the past year. Our direct contributions to the Church Society, are not so large as we could wish, but it must be borne in mind that a considerable part of my income has to be supplied by the mission, Frost Village furnishing \$120 and Stukeley \$79. The total amount collected for all purposes is very good, and I hope is indicative of the growing estimation in which religion is held. A. B. Foster, Esq., M.P.P., has faithfully fulfilled his promise of giving a Bell for Christ Church, Frost Village, so soon as the steeple should be finished. It cost \$200, and now summons us to the House of God. It is a munificent gift for which I am sure the parish at large is most thankful. J. C. Ellis, Esq., of Malone, N. Y., has also placed \$20 at our disposal for the

interior of the Church. The total amount collected for Frost Village amounts to \$460.86, namely, Bell, \$200.00; J. C. Ellis, 20.00; Mission Fund, \$121.05; pew rents and offertory, \$75.00; Church Society, \$44.81. In Stukeley we have had many things to encourage us,—the total amount of contributions for that part of the Mission, amounting to \$140.31, forty of which were raised by the Ladies of the Congregation for furnishing the interior of the Church. Total raised in Mission \$601.17.

GORE.

From Rev. J. GRIFFIN:—In reviewing my labors of the past year, I have much cause to lament, and considerable reason to rejoice. Less has been accomplished than I desired to see, yet more than I could reasonably expect.

I desire first of all to express my gratitude to Almighty God for blessing me beyond my most sanguine hopes in the progress of my undertakings. I have most affectionately to acknowledge the Christian sympathy and courtesy with which I have invariably been treated, in my appeals for aid to our Church Building Fund.

It is true, we are still compelled, from dire necessity to meet for Divine worship, in the time-honored, weather-beaten Church; with its unpainted, blindless windows, glass rattling or falling from its decayed sashes, with the asthmatic wheezing of the winds through the uncounted apertures; the plaster broken and missing, to say nothing of the dark, dingy color of what remains, altogether present a forlorn and gloomy aspect.

This gloomy picture, it is hoped, will deeply move our wealthy brethren, and thus prepare the way for another appeal for aid on behalf of our Church, which may now be considered as past the perils of youth, so that an increasing, vigorous maturity, it is hoped, will hereafter mark its progress.

On behalf of my Church and congregation, and on my own behalf, I beg to return to our friends generally, and to the citizens of Montreal particularly, my unfeigned thanks. Amid our overwhelming cares, isolated and borne down with toil and anxiety, our spirits have been truly refreshed by the visitation of our beloved Bishop, who has at several times largely assisted us in the erection of our Church; and he has also presented to our Loan Library a handsome lot of books. J. J. Abbott, Esq., in addition to a donation to our Church, has supplied our Loan Library also with upwards of 60 volumes of strongly bound books. Nor can we pass the benevolence of J. J. Gibb, Esq. in silence, to whom we are indebted for liberal pecuniary aid to our Church funds. Thus with the aid of our friends from abroad, a neat, commodious Church has been erected, with the exception of the ceiling and pewing. Also,

my congregation at West Gore have the walls of another Church up, which must await the arrival of the spring ere the roof can be put on.

It is a subject of thankfulness that, at a time when the prevailing depression of agricultural and commercial interests, have tended to hinder and cripple our exertions, the Church is not suffered to languish. We should, therefore, look at the progress of the whole as satisfactory; especially when the Gore men have paid in their promised subscriptions of \$80 in building materials, now waiting the advantage of the winter roads, to convey it to the Church. There is also a subscription list signed to the amount of (£28) \$112 to be paid to the West Gore Church as the work progresses.

In concluding this Report, I beg to acknowledge the good hand of God upon me, who spares me from day to day, and gives me strength to labor in some measure in his vineyard. While for what has been done in accordance with His will, I do most fully confess that all the glory is His, I would humbly take shame to myself for all my mistakes, negligences, and short evenings, for such alone can be called my own. I commit my work and myself to him, trusting that he will vouchsafe to own and bless my efforts, to the glory of His great name and the salvation of souls.

Contributed towards a Church bell by the Orange Association, \$4.25; Sunday collections, \$8.25; Incumbent's subscriptions to the Church Society, \$7.50; collection after Missionary sermon, \$8.35; Widows' and Orphans' Fund, \$2.86. Total, \$29.20 (£7 6s.)

GRANBY.

From Rev. W. Jones:—The Missionary reports that some little progress has been made in this Mission during the past year. The attendance upon our public service has been encouraging; and some advancement has been made in surmounting those pecuniary difficulties that embarrass this field of missionary exertion.

During the past year we have been enabled, principally by our own exertions, with the help from some friends at a distance, to reduce the Parsonage debt \$100, and to meet the annual interest of \$64.00; making the amount raised, on account of this grievous and perplexing burden, \$164.—This, however, still leaves, with future interest, \$828 yet to be discharged.

Those kind friends who responded to our printed "Appeal for Help," will find their christian liberality acknowledged in another part of this report; and will please accept our *warm, united, and unfeigned* thanks.

Knowing how many calls upon their liberality our people have to meet in *almost* every portion of the Diocese, the "Appeals" were issued by the Committee from a list of names prepared with a careful and anx-

ious discrimination—that is to say, they were not forwarded to any but those concerning whose *ample means* and attachment to the Church we did not entertain a doubt.

The Committee, I regret to say, are not a little surprised and disheartened in receiving so little sympathy and assistance from abroad.

The merest trifle from each one to whom those "Appeals" were sent, would have released our necks from a yoke that may press us down for years. Will not some kindly reconsider the matter, and lend us a little assistance. I would earnestly call upon our people generally throughout the Diocese, to take warning from the wretched blunder that has been here committed, in attempting to build and finish a parsonage house with borrowed money.

The Clergyman had better submit to a thousand lesser inconveniences—better crowd himself and family into a single room and finish the others as means and opportunities arise, than entail upon himself and his people an annual interest amounting to a handsome rental, and, when all this is paid to be followed up immediately with a six-fold heavier demand, in the shape of principal, urged on by all the terrors of the Law.

Leaving this harrassing and painful subject, we allude with pleasure to the completion and consecration of our New Church at North Shefford; that building, by means of the Society's liberality, has been placed out of debt, and will not draw upon our people there any very serious expense for the future. I do hope that they will manifest their gratitude to God and his Church by a long and liberal subscription list, every year, to the many excellent objects of the Church Society.

The amount raised throughout the Mission during the past year, \$817.78; the different stations contributing as follows:—St. George's Church, Granby, \$473.00; St. Peter's Church, North Shefford, \$303.08; Savage School House, Shefford Mountain, \$41.70.

GRENVILLE AND CHATHAM.

From Rev. C. FOREST :—The past season has, unhappily, not been a favorable one to our farmers; and this, by consequence, has restricted our ability to do justice to the Church Society. We have, notwithstanding, done what we could, and we send the whole in, without reserve, as a willing offering to the cause of God. Much, however, of what has been effected is due to the kind assistance of one lady in St. Matthews Church congregation, and to the effective and ever liberal aid of George Kains, Esq., our representative at the Central Board, to both of whom I here tender thanks.

Our collections have been as follows:—

In Grenville, by Rev. C. Forest,	\$30-00
“ “ Miss Pridham,	9-50
Augmentation of Grenville,	11-47½
General purposes of Society,	4-00
Widows and Orphans, { St. Matthews Church,	22-00
{ Augmentation,	1-42½
Finishing exterior of Church,	40-00
Total,	\$118-40

The remaining half of our subscription to the Cathedral Fund (\$60) will, I trust, be sent in during the course of next month.

I cannot close this report without acknowledging the kindness and assistance experienced at the hands of Mr. Crawford's family, in the Augmentation of Grenville.

HEMMINGFORD.

Rev. E. DU VERNET, writes:—Since I last reported I have opened services at Henrysburgh and Bogton, and I am happy to say with good indications of interest on the part of the people. At the latter place a church is now being erected.

The corner stone was laid by the Lord Bishop on St. John Baptist's day. The new building is of stone, will seat comfortably about 125 persons, and will probably be completed by June next. The money raised for its erection has been contributed almost entirely by members of our Church residing in the mission. At Henrysburgh the attendance upon our services has been uniformly good, and I am happy to add the people have not been unmindful of their duty towards their minister.

The following sums have been raised in the mission during the year:—Subscriptions to Church Society \$37.75; towards Missionary's support, \$50; collected for Missionary purposes, \$3.28; for Widows and Orphans, \$20; towards erection of church at Bogton, \$795; for improving Henrysburgh Sunday School Library, \$20; offertory collections at St. Paul's Church, \$36; making a total of \$942.

HUNTINGDON.

From Rev. F. S. NEVE:—During the past year the sum of \$286.46 has been collected and applied in the following manner:—Proceeds of a soiree applied to the repairs Huntingdon Church, \$57.09; proceeds of a soiree applied to the repairs of Hinchinbrooke Church, \$65; donation from Rev. F. S. Neve for Hinchinbrooke Church, \$20; collected for missionary, \$108.50; contingent expenses of public worship, \$24; sermon for missionary purposes, \$2.10; sermon for Widows and Orphans, \$2.27; subscription Rev. F. S. Neve, \$7.50; total, \$286.46.

The sum raised towards my support has not been one half of what was promised. In other respects the aspect of Church matters is more encouraging than hitherto. Hinchinbrooke Church, which had stood for ten years in an unfinished condition, has, aided by a *promise* of £20 from the Society, been brought to completion and consecrated. Within the year the attendance on public worship has tripled, there has been an increase of communicants, and the walk and conversation of the people furnish satisfactory evidence of growth in the divine life.

LACOLLE.

The Rev. C. A. Wetherall reports that, having taken charge of Lacolle only since the first day of October last, he has been unable to make any collection for the Church Society. He hopes, however, to be able to give a favorable report next year. Three hundred and sixty dollars have been subscribed towards support of clergyman, not including sixty dollars for house rent.

LAPRAIRIE AND LONGUEUIL.

From Rev. R. LONSDALL :—There is nothing of very particular note to report. The subscriptions for the Church Society at Longueuil amount to \$19.25 ; sermon on behalf of Widows and Orphans \$5 ; and for general purposes \$6.65. Expended for local purposes \$192. At Laprairie and Latortue the subscriptions on behalf of the Society amount to \$13.62½. On repairs of church, &c. &c. there have been expended \$40. Collected after Sermon for general purposes \$3, and for Widows and Orphans' Fund \$2.80. The sum collected for various church purposes in the mission amounts to \$282.34.

MASCOUCHE.

From Rev. G. D. C. O'GRADY :—It is a gratifying fact that notwithstanding the pressure in money matters which has been universally felt by the farmers about here during the past year, our contributions are not much below what they were last year. Accompanied by one of the congregation, I visited all those in the parish who are members of the congregation, and though collecting is seldom pleasant and is frequently most irksome, yet I can look back with pleasure to the kind reception we met with, to the manner in which the matter was taken up, and the good-will and liberality with which the offerings were presented.

The contributions for local purposes have been, for Grace Church, one year's pew rents to Easter, 1858, £30 ; repairs, etc., to parsonage, £7 12s. 4d. ; expenses of church, £8 0s. 10½d. Total, £45 14s. 2½d.

The contributions for local purposes at St. Michael's, Terrebonne, have been one year's pew rents to Easter, 1858, £10 ; repairs to church, draining, planting church lot, etc., £8 10s. 10d. ; sundry expenses, £1 0s. 10d. ; making a total of £19 18s. 8d,

Collections after sermons in both places amounted to £11 3s. 0½d.; subscriptions to Church Society, £31 15s. 6d.; and by nine boxes, £3 16s. 3d. Thus we have paid in again this year to the Church Society, *in cash*, £48 14s. 6½d., exhibiting a slight falling off from last year, easily accounted for, and which we trust may not again appear. I am happy to be able to state that our congregations are large, in Mascouche almost too large for the church; that notwithstanding the departure of some there has been an increase of communicants, and that our Sunday schools and a Bible class which I have held every Sunday evening since the confirmation, are well attended, and I trust with God's blessing will be productive of good. Total amount expended and collected in the parish during the 1858, £112 0s. 8d.—\$449.73.

MILTON.

From Rev. G. SLACK:—It will be seen that the amount raised in this mission rather exceeds that of last year. But the missionary has still to regret that there is not that interest felt in the proceedings and advancement of the Church Society, which he would wish, and desires to record his conviction that such will not be the case until some regular system of visiting the different missions by an accredited agent of the Church Society is adopted.

MONTREAL.

CATHEDRAL.

From the DEAN OF MONTREAL:—Detailed statement of the amounts raised during the year 1858, for Church purposes, by the congregation of Christ Church Cathedral:—Pew rents in St. John's Chapel, \$3344; offertory, \$2102.20; subscriptions to Church Society, \$614; subscriptions to Church Society per boxes, \$223.13; collection for general purposes, \$147.20; collection for Widows and Orphans' Fund, \$100; subscriptions to new cathedral, paid, \$7225; total, \$13755.53,

The new cathedral is progressing towards completion as rapidly as could have been expected, and, if no accident or other great hindrance occur, we may confidently hope to open it for Divine Service next autumn. Very nearly £27,000 have been already paid, and some £15,000 more will be required to complete it. Very little has, as yet, been remitted from the portions of the Diocese without the limits of the Parish. Within the Parish itself, more than £7000 have been subscribed.

ST. GEORGE'S.

From Rev. CANON LEACH:—Amount of subscriptions to Church Society, \$613.72; collected after annual sermon for missionary purposes, \$78.25; for Widows and Orphans, \$127 for 1857, and \$151.58 for 1859; contributions for local purposes, \$7276.76; total, 8347.98.

ST. LUKE'S.

Rev. F. B. TATE:—Notwithstanding the comparatively small Church of England population in this district, the congregation at St. Luke's continues to be respectable both in number and character, though with a slight temporary diminution. The attendance at the Lord's table has increased, there having been present on Easter day, 1858, forty-eight against thirty-nine in 1857; and the late confirmation has added eighteen actual communicants, of whom some are regular partakers in the sacred ordinance; the average for the whole year being twenty-eight. The Sunday School has been well attended and supported. At Hochelaga there has been, on the whole, much encouragement.

The following is a statement of the various sums contributed during the year:—To the Diocesan Church Society, \$107.88; Widows and Orphans of Clergy, \$22.75; Sunday School, 59.09; for the poor, including offertory, three special collections, subscriptions to Dorcas Society, and communion alms at Hochelaga, \$165.98; Sunday collections for incidental expenses, \$121.41; Pew rents, \$503.36; private collection, \$114.84; annual contribution to support of Minister from a member of the congregation, \$300.00. Total, \$1326.47. To which, perhaps, should be added \$200 collected for repairs and decorations of St. Mary's, Hochelaga; making a total of \$1526.47.

It is to be hoped that the extreme pressure upon the resources of the Church, during the last winter, in the relief of the poor, satisfactorily accounts for the omission of a sermon for missionary purposes.

ST. STEPHEN'S.

From Rev. J. ELLEGOOD:—Collections after sermon for missionary purposes, \$28.00; collection after sermon for widows and orphans, \$40.00; contributed by congregation for missionary purposes, \$41.58; contributed by congregation for parsonage fund, \$919.00, which sum does not comprehend proceeds of concert or bazaars in which the congregation assisted; contributed to parsonage fund by friends not of the congregation, \$1196.00; contributed for the poor including Dorcas Society, \$325.00. This sum embraces two donations, one of \$100 and the other of \$40, by charitable friends not of the congregation. Pew rents, \$1000.00; ordinary offertory collections, \$461.00; total contributed by congregation, \$2673.75; by others, \$1336.00; sum total, \$4169.75.

The Building Committee of St. Stephen's Church Parsonage desire gratefully to acknowledge the valuable professional services of Messrs. Hopkins, Lawford, and Nelson, so kindly and gratuitously proffered, in preparing architectural plans and specifications, and supervising the erection of the building.

We have also much pleasure in stating that the work, under their

superintendence, has progressed in the most satisfactory manner to all concerned. The value of their professional services being equal to a contribution of \$200.

NEW GLASGOW.

The Rev. A. D. LOCKHART, in forwarding the Annual Report, has much pleasure in being able to state that the subscribers to the Church Society in Kilkenny, have increased to 50, which is just double the number that appeared last year. Every family in the Township in connexion with the Church was called upon and an opportunity offered to give of those means which God has blessed them with as an offering to the Lord, and the result has been very gratifying indeed—I humbly pray that this spirit may increase more and more, and that the people will feel in duty bound, year by year, to increase their subscriptions, and thus help on the good work in which the Society is engaged.

The Church at New Glasgow has undergone considerable repairs during the last year, to which the people have subscribed as the names in the Report will shew, and this year we have been trying to collect sufficient to purchase an altar cloth.

I must again mention the kindness of Mr. Ralph Stephenson of New Paisley, in thrashing the grain upon the glebe this year also, free of charge.

Annual subscriptions £5 6s. 8½d. Amount collected after Sermon for general purposes £1 0s. 2½d. Sermon for Widows and Orphans 18s. 6d. Contribution for local purposes £25 14s. 3d. Total £32 19s. 8d.

ONSLow.

From Rev. H. HAZARD:—In consequence of the very deplorable state of business, and owing in some measure to my visit to England, I have not been able to contribute much to, or do much for, the Society. It will be borne in mind that I have only been a year in this mission, that everything was at a commencement, people poor, only one half-finished church in the whole three Townships, money hardly any to be obtained anywhere, no parsonage, no glebe, &c. Notwithstanding these and other difficulties I have struggled on. Some little has been effected towards completing the church at Onslow village. Besides Mr. Walton Smith's annual subscription and my own, I have obtained nothing for the general purposes of the Society. The people have subscribed largely to my support, in order to meet the Society's allowance of \$200.

ORMSTOWN.

From the Rev. W. BRETHOUR:—\$240 have been expended in the year 1858 for the erection of a belfry on the church; \$12 on the internal

repairs of the church, so that, now our church is finished and out of debt. We have not been able to do much more, as our people have felt the monetary crisis very much. There have been \$6 collected at the offertory, and \$60 from pew rents; \$2.70 for Missionary purposes, and \$3.30 for Widows' and Orphans' Fund. Total, \$366.

PORTAGE DU FORT.

From the Rev. J. GIBBLE:—The most interesting occurrences in the past year were the consecration of our Church, and the first confirmation was held in this mission at the visit of the Lord Bishop of the Diocese. The first of August is indeed a day long to be remembered here, not only by those who then, in the Presence of God and of the congregation, renewed their baptismal vows, and dedicated themselves afresh to God, but by all who then took part in the solemn service of the Sanctuary.

During the first six months of this year, services were held in the mission of Clarendon, then vacant; services were also held in the mission of Onslow, in the absence of the resident missionary. On the Calumet Island also, where a small congregation assembles, I give a service occasionally. The difficulty of reaching this station, prevents me from visiting it as often as I could wish.

The amount raised in this mission for Church purposes is as follows:—

Subscribed to Church Society, of which \$21.75 is remitted,	-	\$	22.75
Collected for Missionary Fund at Portage du Fort,	-	-	4.60
Do. do. do. at Clarendon,	-	-	3.40

Do. do. Clarendon,	-	-	16.00
For Melodeon,	-	-	80.00

POTTON.

From the Rev. J. GODDEN:—When I last year reported favorably of our work in this Mission, I had hoped that this year we would have done better than we have; but I am more strongly made to feel that the members of Christ's household generally are not sufficiently alive, not only to their great and blessed privileges, but to their responsibilities also; yet our brethren will be glad, like the Church of Christ (Acts xv. 3), to learn that on the whole our work has been signally blessed of God. Our congregation in Mansonville has more than doubled, the

attendance very uniform, and order with responses excellent. At three other places regular services were held ; at two on alternate Sundays, and at the other on week evenings. Eight persons (seven adults and one infant) have been baptized during the year ; and in October last I had the happiness to present fifteen persons to the Bishop for confirmation. On Christmas day 1856 the Lord's Supper, for the first time was administered, when only four persons belonging to the Township commemorated their Lord's death. We have now fifteen persons belonging here who communicate. With these facts before us, and finding that on every hand, hostile feelings and false notions of the Church are breaking down, we see, with God's blessing, every hope of future victory.

The following amounts make up all that has been raised during the year : Towards Church Society \$53.75, \$20 of which have been forwarded to the Treasurer, and the remainder applied chiefly to paying off balance on church bell ; Offertory collections \$25.40 ; Ladies' Sewing Society towards painting parsonage \$9.20 ; new platform to church \$3.40 ; and donation to Clergyman \$33.75, and in wood for him \$3. And collected at Montreal \$4 towards finishing Parsonage, at Sherbrooke \$5, and at Troy, Vt., \$6. Total raised in Mission \$128.50, out of Mission \$15. While I feel thankful to many friends around me, I indulge the hope that during the coming year the good sense and discrimination of the people of Potton will move them to identify themselves with our mother the Church, and join with willing hearts in everything tending to help onwards the kingdom of our Lord and Saviour Jesus Christ.

RAWDON.

Regrets and satisfactions are continually mixed in all human affairs. I had a hope that the new church in Rawdon would have been opened at the next visit of the Lord Bishop, in February, to hold a confirmation. This hope has been blasted. There are, however, a goodly number of candidates for the sacred rite of confirmation, who, I trust, will prove "living stones" in the Temple of God. Much has been done, as the statistics will show, by the people themselves, chiefly in labour ; and on a visit to New York, last autumn, I collected about \$300, for which I may mainly thank the clergy of Trinity Parish, who showed that though an imaginary line may divide our country from theirs, that there still remains a bond to unite the church.

In Kildare it will be seen that the subscriptions have in some degree fallen short of former years ; but this is not from any decrease of zeal on the part of the members of the church ; but a glebe at the cost of \$1900, has been purchased, and some of the subscribers, the Dixons, who have become responsible in the matter, have retained their usually liberal subscriptions to pay the interest on the money borrowed to make the first payment.

RUSSELTOWN AND MANNINGVILLE.

From the Rev. J. FULFORD:—Offertory, \$17.67; for missionary purposes, \$3.60; for Widows and Orphans, \$3; donations at Manningville, \$1.25; donations in oats for my horse, \$5.75; subscriptions, \$36.60; total, \$67.87.

ST. ANDREWS.

From the Rev. W. ANNOTT:—During the past year the following sums have been raised:—Subscriptions for Church Society \$87.75. Collected for Missionary purposes \$11.35 and for Widows and Orphans \$17.75. Contributed for local purposes \$130, and for Endowment Fund, \$28 Total, \$274.85.

ST. ARMAND WEST.

Rev. H. MONTGOMERY:—Having only been in charge of this parish for about two months, little can be said of progress as far as I am personally concerned. Whatever of this kind there may be to report, the praise thereof is justly due to my esteemed predecessor, the Rev. C. A. Wetherall, B. A., late Rector.

We have been, however, enabled to reorganize our Sunday School and form a Bible class, which, from the interest at present taken therein, bid fair to succeed, and we trust, greatly benefit that very interesting and important part of our charge, the youth of both sexes.

The annual subscriptions to the Church Society, I am happy to say, amount to a sum nearly double that of last year, the praise of which is due to the zeal and faithfulness of the young lady collectors, and furnish an unanswerable argument in favor of securing, where practicable, such valuable assistance, instead of the minister ineffectually endeavouring to rightly discharge this duty himself alone.

I am also grateful for the kind and Christian reception which we received from the venerable ex-Rector, the Rev. R. Whitwell, and all classes of the community on our entering on the duties of this important charge, and for the indulgent manner in which my ministrations among them are being received, which is not only in accordance with the general character of the people and the unanimity of their call, but we doubt not, a favorable presage to continuous, united co-operation and fervent prayer for the advancement of the interests of the Redeemer's Kingdom among ourselves throughout the diocese, and these rapidly extending and rising Colonies of the British Empire.

There have been contributed during the past year:—To the Diocesan Church Society, \$77.37½; Widows' and Orphans, \$6.20; Missionary purposes, \$5.30; offertory collections, \$33.84; pew rents, \$8; towards the late Rector's salary for nine months, ending 30th September last, \$180; net avails of the collection for Widows' and Orphans' at the meeting of the Clerical Association, \$5.98. Total, \$316.69½.

ST. HYACINTHE.

The Rev. T. MACHIN reports that his mission includes St. Hyacinthe, Roxton Falls, Upton, St. Simon and Acton Vale. There are three Day Schools in operation and three Sunday Schools. Two hundred and ten dollars have been raised for local purposes, and seventeen for the Church Society.

The interior of the building used for Divine Service in St. Hyacinthe, has been much improved by the addition of suitable blinds to the windows and appropriate trimmings to the Communion Table, Desk, and Pulpit. This addition to the "House of the Lord" is the work and gift of the ladies of the congregation.

Evidences of the Missionary's labour not having been in vain have presented themselves during the past year; and it is hoped that God may still farther bless the seed so widely sown, that it may spring up in fruit of thirty, sixty, and a hundred fold, to the increase of his Church and to the glory of his own Great Name.

ST. JOHN'S.

Messrs. W. BROWNE and W. E. MACDONALD (the Church Wardens) report that the annual subscriptions for the present year amounted to \$101.75, of which \$50.00 have been expended, and \$51.75 remitted to the Parent Society. After sermon for Missionary purposes \$20.00 were collected, making whole sum to Church Society for this year, \$121.75.

In addition, \$160.00 have been received from the Ladies Association towards endowment fund, and also \$30.00 from same association for cushions, curtains, &c., for the Church. Additional books have been purchased for the Sunday School Library at a cost of \$28.00. The sum of \$775.00 has also been contributed for local purposes by the parishioners generally.

Considering the circumstances in which the parish has been placed, during the past year, consequent upon the resignation of Rev. Canon Bancroft, the loss by death of several staunch supporters of the Church, and the removal of many liberal contributors, the wardens are satisfied that the parishioners, although less in number, are yet possessed with the same spirit of liberality that has heretofore distinguished them.

The Rev. John Irwin, of Boston, having received the unanimous call of the parishioners, was appointed Rector by His Lordship the Bishop, dating from 1st November last, six months leave of absence having been granted Mr. Irwin by His Lordship. The requirements of the parish have been and are now faithfully and satisfactorily performed by that zealous and efficient missionary, the Rev. F. Burt, of Montreal.

The High School, now under the able management of Mr. John Smith, is worthy of increased patronage.

ST. REMIE.

From Rev. E. G. SUTTON:—CONTRIBUTIONS FOR LOCAL PURPOSES:—Collections at Divine Service, \$23.25; Local Church purposes, \$21.72; Sunday School Missionary box, \$1.30; Towards Missionary Support, \$31.90; Church Library, \$3; India Relief Fund, \$16.32½. Total \$97.59½.

Though during the past year we have lost some valuable members of the Church, by removal to Western parts, yet there is reason to be thankful for many encouraging signs of God's blessing. The aggregate of collections shows an increase in the past year. The number of Contributors to Church objects has also increased. The young are getting to be enrolled more generally as helpers of the sacred cause of religion, which good habit is full of promise, and will prepare them the better to bear their part in Church work when arrived at years of maturity. There have been some pleasing features manifested of care and concern for welfare and becoming adornment of the House of God. These fruits of faith, with others, that might be named, are reasons for devout thankfulness to the great Lord of the Harvest, who never permits his blessed promises to fail. It is, however, a source of great embarrassment to the missionary, to know how he may best divide his services as to satisfy the just cravings of each congregation. For this purpose an increase of labourers is urgently needed. To be compelled to suspend our work in any part, however obscure, and leave the sheep of Christ to famish, after having been instrumental in awakening spiritual longings after the bread of life,—to suffer to perish a tree which is just beginning to bud and bring forth fruit, is indeed a sore trial to the Minister of Christ, and we should fervently pray that such consequences may be averted through Churchmen learning to make greater sacrifices for the cause of their religion by increased contributions.

STE. THERESE.

From Rev. G. D. O'GRADY:—I have held services at Ste. Therese during the year as frequently as I could. The congregation is a very small one, and the greater part come to Terrebonne on Sundays. There were no sermons preached there for widows and orphans or missionary purposes this year. The collection for the Church Society amounted to £2 5s. There was a small sum collected for local purposes.

SOREL.

The Rev. W. ANDERSON reports,—That the subscriptions to the Church Society, amount this year to £18 14s. 8d.; collected for Missionary purposes, £6 5s.; for Widows and Orphans, £3 13s.; Sunday School Library, £7; Pew rents, £79 10s.; offertory, £36 10s.; endowment fund,

£18; local expenses, £26 5s.; proceeds of Bazaar for repairs of the Church, £105 10s. Total, £301 7s. 8d. This total is largely in excess of the amount reported last year, although that was the highest amount ever previously raised in any one year in this parish. The last mentioned item in the foregoing list was the result of a most successful and gratifying effort, made by the ladies of the congregation, in the sale of useful and ornamental articles for the purposes above designated. Great credit is due to the several ladies, under whose auspices the bazaar was conducted, for their untiring efforts to promote its success. And grateful thanks are tendered to the many friends, both in the neighbourhood and from a distance, who liberally sustained the effort. A pleasing feature attending the bazaar was the spontaneous support generously extended to it, by all classes of our Roman Catholic neighbours. With the proceeds of the bazaar some necessary repairs of the church have been effected, together with some internal decorations. But there still remain several objects of great and immediate importance to be accomplished. The wooden spire of the church is in urgent need of *tin* or other covering, to protect it from the ruinous effects of the climate and weather. The church fencing is old and decayed, and not at all in keeping, with the general appearance of the church and rectory. And the cemetery is not in a creditable condition. For the accomplishment of these and other purposes, scarcely less needed, may God incline the hearts of His servants to "devise liberal things," and "freely having themselves received, freely to give." The whole of the subscriptions have this year been transmitted to the Parent Society, without the deduction of a part of the amount, which was last year paid into the Endowment Fund, in accordance with the rule of the Society, authorizing such appropriation. The donations to this important fund, include this year, a bequest of £3, from a deceased excellent young parishioner, the late Mary Collings; and the last instalments on their original contribution from those unvarying friends of the Church, Miss Cuthbert and Mrs. E. A. Clark. This fund, which has been chiefly collected from a few personal friends, and which is carefully vested under the sanction of the Lord Bishop of the diocese, is yet in its infancy and comparatively but of small amount. But a sanguine hope is entertained that, with God's blessing, upon future purposes and efforts, it may be so increased, as ultimately and materially to assist in placing the parish in a self-supporting condition. The rectory roof was painted, and the stable lined, and other internal and external repairs of the church property were effected, at a total cost of £20, paid for by the rector himself, and included under the item of local expenses above mentioned. Thanks are rendered to Mr. George Shepherd, who kindly undertook the onerous duty of collecting the subscriptions of the Society; and

also to Miss Elizabeth Laprairie, who has now, for the third year, with exemplary perseverance, raised her monthly contributions for the Society, resulting in the sum of £3 10s. 1d., included in the amount above reported.

STANBRIDGE EAST.

From Rev. J. CONSTANTINE :—During the year which has just closed I have been a sufferer from sickness, returning in a severe form at short intervals. I must, therefore, express my sense of the kindness of the collectors who have acted for me in this capacity, not omitting to mention the ready and zealous manner in which they have performed this work. Our general statement continues to shew an increase. But I should ill discharge my own feelings, or my gratitude to God, if I failed to make mention of the improved state which is evident amongst us. For a long period we have been suffering from the ill effects of infidel and immoral principles freely disseminated among the people in years gone by. These principles brought forth their usual fruits, and one of the saddest was that the Church (the word as well as the material edifice) was used for furthering the designs of evil men, to the dishonour of religion. This, we trust, cannot take place now. In consequence, a better class of men, who have hitherto stood aloof, begin to manifest an active interest in the welfare of the Church. We are now, at length, beginning to find standing ground, and to breathe the atmosphere of Christian freedom from violence and persecution. The blessings of civilization and order, which are the fruits of the gospel, are now beginning to have place among us, and profanity, drunkenness, and vice, must give way before them. Our congregation is good, steady, and decidedly improved in reverence and attention. The Sunday School is kept in operation throughout the year. But, above all, there is evidence of the influence of the Holy Spirit acting upon the hearts and lives of those who are constant in their attendance on the means of grace, giving proof of the reality of our Christian work. We may not, indeed, look for large and astonishing results—such as sometimes appear in questionable religious reports of the day—nor would it be safe for our position to have such, but with faithfulness to God we have an humble confidence that He will be with us to bless us, and grant us the returns of the gospel of peace.

Contributed :—Subscriptions, one half (except of my own) expended in the Mission, \$49. Collection for Missionary purposes \$3.08. Collection for Widows' and Orphans' Fund \$3.14. Subscription towards clergyman's stipend \$109. Subscription for a gateway, &c., \$31.65. Collection towards Parsonage, \$4. Contributed by the Ladies of St. James's towards Parsonage, \$26.41. SUTTON.

From Rev. J. SYKES :—Having had charge of this mission for the last two months only, I have nothing to report on my own account, but simply give the sums collected by my predecessor.

Donation by the Rev. H. Montgomery, towards liquidation of debt on parsonage \$263; subscriptions towards parsonage, \$83.75; towards the erection of house and wood sheds for the use of Church and School, \$202.20; towards fencing and arranging burial ground, \$24; towards addition to barn and wood sheds for the use of parsonage, \$155.31; towards clergyman's support, \$100; after sermon for Widows' and Orphans' Fund, \$6.50; after sermon for Missionary purposes, \$6.20; subscriptions to Church Society, \$35.45; offertory collections, \$16.22. Total, \$892.63.

VAUDREUIL.

From Rev. J. PYKE :—I send you herewith a statement of monies raised for Church purposes in this mission, during the past year. The total amount collected for our own local wants, and for the Church Society, is \$385. Last spring the Parishioners, at an expense of \$130.50, erected a substantial and commodious shed in the church-ground—about 60 feet long. The building itself has been whitewashed and the roof cold-tarred. We have also raised for local Church purposes, by pew rents, \$127; offertory collections, \$47.20; Church shed, 130.50. For the Church Society we have raised a total of \$80.50; by annual subscription, \$62.40; by sermon for missionary purposes, \$9.10; Widows and Orphans, \$9; making a total of monies raised for various Church purposes, \$385.20. This, I trust, will show that we are not altogether inactive in or indifferent to the good and blessed work of the sacred cause of the gospel, and of the Holy Church of Jesus. And, if like too many of our brethren, we cannot, I fear, take to ourselves the blessed commendation of the Saviour, bestowed on a humble disciple, when he said, "She has done what she could," yet we have done something, and let us hope and pray that each year may exhibit greater exertions and increased liberality, not with individual members of the church or among the single parishes only, but generally throughout the Diocese, that the Church Society may be placed in a position to fulfil her high and sacred mission, and, eventually to take the place of those noble societies at Home which are now the chief source of support to the church in the colonies. Let us give, then, a cheerful assistance to the Church Society and bid her "God speed."

WATERLOO AND WEST SHEFFORD.

Rev. A. T. WHITTEN writes :—The work of collecting for the Society this year in this mission has been done by collectors for the first time

and consequently, many who would willingly contribute to the funds of the Society, have been passed over, for this time; but collectors will, as they become more accustomed to the work, give every church person both old and young an opportunity of giving something. The amount, however, has not fallen short of other years. Two of the subscribers whose names appear in this year's Report, have already passed from earth to heaven, teaching us all the importance of the scriptures, "Whatever your hand findeth to do, do it with all thy might." Our motive in giving to the Church Society should be pure, always accompanying the contributions with a fervent prayer that they may be blessed to the promotion of the good cause for which they are given; for it is the motive not the amount that the Great Head of the Church considers. The amount raised in the mission for this year, independent of liberal donations for the Missionary's own use, and medical services gratuitously given to the whole family by J. Butler, Esq., M. D., is as follows: \$51.10 subscriptions; \$8.25 for Missionary purposes; \$14.50 for Widows' and Orphans' Fund; \$120 for the support of Missionary Amounting in all to \$193.85.

EDUCATION.

The following Report was presented to the Central Board from the Education Committee, in February last:—

"The Committee to whom was referred the letter of the Principal of Bishop's College, Lennoxville, on the subject of aid towards the Education of the Sons of the Clergy, from which it appears that the Council of the College, in establishing their Grammar School and Junior Department, have resolved (to enable the Clergy of the Diocese of Quebec and Montreal to send their sons to it) to reduce the fees for tuition from £9 to £6, and their charge for Board from £40 to £25 per annum; now respectfully report, that as soon as the funds of the Church Society will permit, a sum of not less than £50 be annually appropriated for the purpose of affording aid to Clergymen within the Diocese desirous of sending their sons to the Junior Department and Grammar School at Lennoxville, at the rate of £10 per annum for each of the children; not more than one out of the same family receiving aid at the same time."

The Central Board desires particularly to call attention to this subject and gratefully acknowledges the kind liberality of two par-

ties, who have enabled the Board to grant aid towards the sons of Clergy of this Diocese at the Grammar School at Lennoxville. The Rev. Mr. Doolittle, at the commencement of the year, presented to the Society the sum of £10 towards the education of two scholars, and has again placed a like sum at the disposal of the Central Board, which, at the meeting in January, was appropriated to the education of one of the sons of our Clergy.

The Secretary was also authorized by another party to place at the disposal of the Board a sum of £10, with a request that the donor be permitted to make the first presentation. The Board have thus the satisfaction of reporting that, through the kind liberality of these friends of the Church, two sons of Clergymen are now receiving assistance to aid them in pursuing their studies at Lennoxville Grammar School.

Extract from the Report of Colonial Church and School Society for the present year :—

MODEL SCHOOLS AT MONTREAL.

Boys' School gives instruction to	175 Children.
Girls' " " 	160 ^{0/11} "
Infants' " " 	100 "

In the country there are 19 schools, with 663 pupils.

These schools are of much greater importance than might at first sight be admitted, but it must *appear* when it is remembered that destitute places are sought, where paucity of numbers and poverty make it almost impossible for the people to support an efficient school. But, besides, it should be borne in mind that the supervision of the Society, thus permitted, secures a Missionary school-master, who *should* be, and generally is, a willing assistant of the pastor.

It is especially observable that this working of the Society has gradually produced a complete revolution in the class of teachers; it is no longer composed of men who could succeed in no other way of obtaining a livelihood, or who could be trusted in no other employment; nor of women who sought the schoolhouse only as a temporary means for obtaining a little ready money. They are becoming as respectable a body as any in the country, and, upon enquiry, we find that they have imbibed a love of teaching, and a respect for the teacher's office, under some well-conducted and christian teacher.

In closing this report, we must remark that a great and important work is set before the Society which may well call into action the energies and zeal of the members of the Church, and which may be aided by the smallest gift, and furthered by the humblest prayer. May all churchmen mark well the claims it has upon them. Onwards then would the Society pursue its course in Faith and Prayer, humbly trusting that, in God's own time, through the increased offerings of all its members, it may be used as the means of supplying the spiritually needy and remote settlements in the land with the means of grace and of distributing the Bible, the very bread of life, and the Book of Common Prayer, unrivalled for devotion, and, by the labors of the living Missionary, of propagating Evangelical Truth and Apostolic order throughout each settlement in the Diocese.
