The copy filmed here has been reproduced thanks to the generosity of:

National Library of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Bibliothèque nationale du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

INSTRUCTIONS TO INSPECTORS

— HAVING —

UNION SCHOOLS

AND TO THE

PRINCIPALS OF SUCH SCHOOLS.

The Board of Education, in putting forth the regulations relating to Union Schools, desire it to be understood that these regulations are tentative and provisional, the idea being to bring such schools into operation as soon as possible. When they exist and the Board has had an opportunity of forming an opinion about them, it will revise all the regulations relating to the course of study in all its schools, as well as the regulations relating to the attainments of its teachers.

With regard to the Normal Sessions, the Board feels that it must, at this stage of things, rely very greatly upon the judgment and good sense of Inspectors and Principals to make such arrangements as will result in the carrying on of a complex system with the utmost advantage to all the pupils concerned.

Students, whose literary attainments do not extend beyond the subjects of examination for 3rd Class teachers, should be encouraged to take as much of the work required in Standard VI., prescribed for Protestant Schools, or in the Superior Course, prescribed for Roman Catholic Schools, as possible, having regard to the time required to be given to

professional subjects, and to what may be required of them in order to gain a knowledge of practical teaching. Such students should, from time to time, take classes in the junior departments of the school, and then only under the direction of the Principal or the teacher of the department.

Students, studying the subjects assigned either for first or second class teachers, may take classes in all departments of the school, at the discretion of the Principal.

JAS. BROWN,
Secretary Board of Education.

Adopted 14th March, 1889,
Department of Education,
Regina, N.W.T.
