The copy filmed here has been reproduced thanks  
to the generosity of

Library of Congress  
Photoduplication Service

The images appearing here are the best quality  
possible considering the condition and legibility  
of the original copy and in keeping with the  
filming contract specifications.

Original copies in printed paper covers are filmed  
beginning with the front cover and ending on  
the last page with a printed or illustrated impres-  
sion, or the back cover when appropriate. All  
other original copies are filmed beginning on the  
first page with a printed or illustrated impres-  
sion, and ending on the last page with a printed  
or illustrated impression

Maps plates charts etc., may be filmed at  
different reduction ratios. Those too large to be  
entirely included in one exposure are filmed  
beginning in the upper left hand corner, left to  
right and top to bottom, as many frames as  
required. The following diagrams illustrate the  
method

Les images suivantes ont été reproduites avec  
plus grand soin, compte tenu de la condition  
de la netteté de l'exemplaire filmé, et en  
conformité avec les conditions du contrat de  
filmage.

Les exemplaires originaux dont la couverture  
papier est imprimée sont filmés en commençant  
par le premier plat et en terminant soit par la  
dernière page qui comporte une empreinte  
d'impression ou d'illustration, soit par le second  
plat, selon le cas. Tous les autres exemplaires  
originaux sont filmés en commençant par la  
première page qui comporte une empreinte  
d'impression ou d'illustration et en terminant  
la dernière page qui comporte une telle  
empreinte.

Les cartes, planches, tableaux etc. peuvent être  
filmés à des taux de réduction différents.  
Lorsque le document est trop grand pour être  
reproduit en un seul cliché, il est filmé à partir  
de l'angle supérieur gauche, de gauche à droite  
et de haut en bas, en prenant le nombre  
d'images nécessaire. Les diagrammes suivants  
illustrent la méthode.

England and Canada, or on the way to America. But still under His Grace all the  
True Soldiers are to be found. There are others, however, for every Godly Army contains  
men who do their duty, though they do not call themselves soldiers. The  
Army of God is composed of men and women, of all ages, who have  
done their duty, and have fought the good fight, and have made it off to  
Heaven, and are now in the presence of the King of Kings.

The last money to be delivered by the Company will be paid over to the Auditor of the Fund and Confiscated Oil, before applying to the Regulations.
