BYE-LAWS
OF THE
INCORPORATED
DIOCESAN CHURCH SOCIETY.

1st. At all meetings of the Society or its Committees, before entering upon business, the "appointed prayers" shall be said.

2nd. His Excellency the Lieutenant-Governor for the time being, if a member of the Church of England, shall be respectfully requested to be joint Patron of this Society, with the Societies for the Propagation of the Gospel, and for Promoting Christian Knowledge.

3rd. The Bishop of the Diocese shall be President of the Society, and no alteration shall be made in the Bye-Laws, nor any proposition be adopted by the Society or the Executive Committee thereof to which his dissent shall be expressed, until the same shall have been submitted to the next Annual general meeting of the Society, and if such alteration or proposition be again adopted at such other meeting, it shall then take effect notwithstanding such dissent.

4th. The Archdeacon of Nova Scotia shall be the first of the Vice Presidents, whose number shall be limited to seven. There shall be also a Secretary, an Assistant Secretary, and a Treasurer.

5th. All Members of the Church are invited to unite with the Society as Subscribers; and every Clergyman licensed by the Bishop, and all Laymembers of the Church of England subscribing not less than Five Shillings annually, or Ten Pounds at one payment, shall be members of the Incorporated Society, and entitled to vote at all meetings of the same. But no Subscriber shall enjoy any of the privileges of an Incorporated Member, whose subscription is more than one year in arrear. The annual subscriptions shall be considered due upon the first day of January in each year.

6th. The Executive Committee shall consist of the President, Vice Presidents, Secretary, Assistant Secretary, and Treasurer of the Society, who shall fill the same offices in the Committee; of all Clergymen licensed by the Bishop of the Diocese; together with twenty Laymen to be chosen as here-

after provided ; and such other members of the Society as may be chosen by the Local Committees, according to the ninth Bye Law.

7th. An Annual meeting of the Society, open to all its members, shall be held at Halifax in the month of October, or at such time as the Executive Committee shall appoint; at which meeting the vacancies in the Executive Committee shall be filled up, the Secretaries and Treasurers shall be elected, and any vacancies in the number of Vice Presidents may be filled up at the pleasure of the Society. A Special General Meeting may be called at any time when the President, or, in his absence, two or more Vice Presidents, or the Executive Committee, shall consider it desirable to appoint such Special General Meeting.

8th. The Executive Committee shall meet monthly during the year, with the exception of July, August, and September; and a Special Meeting may be called by the President, or in his absence, by a Vice President.

9th. The Members of the Church in every part of the Province, are invited to co-operate with the DIOCESAN CHURCH SOCIETY, by forming Local Committees under the direction of their respective Clergymen, either in each Mission or Parish, or in more than one Mission or Parish united, as shall be deemed most convenient, and in strict accordance with the designs and Rules of the DIOCESAN CHURCH SOCIETY. Every Rural Local Committee shall have the power of appointing any one member of the Society to be a member of the Executive Committee. It is recommended to the Local Committees to forward their funds, as they may be collected, to the Executive Committee, who will faithfully apply them to the general objects of the Society; but when the Local Committees desire it, they shall receive Books at cost and charges, to the amount of one-fourth of their remittances, or the said one-fourth may be placed in the hands of the Endowment Sub-Committee, for the benefit of the Parish or Mission where the money was contributed.

10th. The following objects shall more particularly engage the attention of the Society, as soon as their means may enable them to afford such attention :—

- 1.—Provision for Clergymen.
- 2.—Missionary visits to neglected and destitute places, under the direction of the Bishop.
- 3.—Assistance to the Endowment of Parishes.
- 4.—Assistance to the erection and enlargement of Churches and Chapels belonging to the Church of England, in peculiar or extreme cases.
- 5.—Supplies of Books and Tracts published by the Society for Promoting Christian Knowledge, and such other Books and Tracts in strict conformity with the principles of the Church of England, as having been first carefully examined and approved by a Committee of Revision, to be appointed by the Executive Committee, shall then have received the approval of the Executive Committee; and, lastly, the written approbation of the Bishop.
- 6.—Assistance to the erection of Parsonage Houses.

- 7.—Assistance to deserving young men, desirous of being qualified for the Ministry of the Church, but requiring aid in pursuing their studies at the Collegiate Establishment at Windsor.
- 8.—Aid to Sunday and other Schools, in which due attention is paid to instruction in the principles of the Church of England.
- 9.—Encouragement to the instruction and training of respectable Teachers for Sunday and Daily Schools.
- 10.—Upholding, by all possible and proper means, the Collegiate Establishments at Windsor.
- 11.—It shall also be one of the objects of the Society to provide for the Widows and Orphans of deceased Clergymen, and for superannuated and incapacitated Clergymen; but no part of the Society's funds shall be appropriated to these objects, except such as shall be specifically given and paid into the Society therefor.

To these objects, generally, the contributions will be applied; while those who desire it may have their individual contributions scrupulously confined to any one or more of these objects. And as some Members of the Church, who are not unmindful of the great spiritual wants of their own neighborhood, still feel constrained, in pious gratitude for the blessings they enjoy, to allot something, however small, from the means with which a gracious Providence has blessed them, towards the spread of the glorious Gospel among the nations which still sit in darkness—

11th. This Society will gladly receive and forward to the Society for the Propagation of the Gospel whatever sums may be given for the conversion and instruction of the Heathen; to which object such sums will be strictly confined by the East India Committee of that Society.

12th. The Accounts of the Society shall be closed on the 31st December in each year, and shall be audited in one month from that time, by auditors to be appointed by the Executive Committee.

13th. An Annual Sermon shall be preached before the Society. The Preacher, time, and place, to be appointed by the President.

14th. At each Annual Meeting of the Society, the first five on the Executive Committee shall go out of office; but all or any of them shall be eligible for re-election. The new Members shall be first proposed and seconded, then elected by ballot and placed at the bottom of the list.

15th. None of the above Bye-Laws shall be altered, except at a General Meeting of the Incorporated Society; and a full year's notice of a proposal to change any of them must be given previous to the meeting at which the proposed alteration is to be effected.

Prevent us, O Lord, in all our doings, with Thy most gracious favour, and further us with Thy continual help; that in all our works, begun, continued, and ended in thee, we may glorify thy holy name, and finally, by Thy mercy, obtain everlasting life, through Jesus Christ our Lord. Amen.

O God, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with Thy favour our Sovereign Lady, Queen Victoria; and so rule her heart that she may in all things seek Thy honour and glory. Prosper with Thy blessing the designs of this Society. Comfort with Thy grace those benefactors who contribute to its support. Bless the ministry of Thy servants, the clergy; and the endeavors of all who are engaged in promoting the knowledge of true religion. And may Thy Holy Spirit direct all our consultations to the advancement of Thy Glory and the good of Thy Church, through Jesus Christ our Lord. Amen.

O merciful God, who hast made all men, and hatest nothing that Thou hast made, nor wouldst the death of a sinner, but that he should be converted and live, have mercy upon all Jews, Turks, infidels and heretics, and take from them all ignorance, hardness of heart, and contempt of Thy Word, and so fetch them home, blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd, Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy Spirit, one God, world without end. Amen.

Almighty God, Father of all mercies, we, Thine unworthy servants, do give Thee most humble and hearty thanks for all Thy goodness and loving kindness to us and to all men; more particularly for the providential support by which this Society has been hitherto sustained; but, above all, for Thine inestimable love in the redemption of the world by thy Blessed Son, for the means of grace, and for the hope of glory which Thou hast given us in the same our Lord and Saviour Jesus Christ: to whom, with Thee and the Holy Ghost, be all honor and glory, world without end. Amen.

Our Father, which art in Heaven, hallowed be Thy name; Thy kingdom come. Thy will be done in earth as it is in Heaven. Give us this day our daily bread; and forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation, but deliver us from evil; for Thine is the kingdom, the power and the glory, for ever and ever. Amen.

WHEN THE BUSINESS IS ENDED.

The grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all, evermore. Amen.

REPORT.

THE Executive Committee have the satisfaction of submitting to the Diocesan Church Society, on this its 22nd Anniversary, the usual account of their proceedings during the previous year.

They invite the Society generally to unite with them in expressing their gratitude to God for the support which He has given to our past labors, and in prayers for the Divine Blessing by which alone our efforts can be sustained, and guided aright.

The Committee have endeavored to discharge their duties with zeal and fidelity, and with that strict regard to economy which the prospective wants of our Church render necessary.

They have thought it expedient of late to confine the expenditure of the funds almost exclusively to the support of Clergymen. Their sentiments on this subject are expressed in a report of a sub-committee upon provision for the clergy, adopted at the regular monthly meeting in December last, and printed in the appendix to this report.

They have much pleasure in reporting the generally flourishing condition of the Society, and although the income for *general purposes*, during 1859 was a few pounds less than in the previous year, yet they are aware that this deficiency was caused rather by accidental vacancies in some of the Parishes, than by any diminution of interest in the Society's welfare, and they have good reason to hope that the similar income for the present year will be greater than it has ever yet been.

While rejoicing in the anticipated increase, they regret that the small amount at their disposal after paying the salaries of the Missionaries, prohibits them from giving favorable answers to many applications for assistance.

Your Committee cannot omit the opportunity of again impressing upon every member of the Society his individual responsibility for the maintenance of our church, and of urging the necessity of greater exertions in its support.

Since its formation in 1837, the Society has disbursed the sum of £369 5s. to aid in the erection of Parsonages; £1,594 for building and enlarging churches, and £6,732 10s. 8. for the support of the clergy.

The lists of subscribers for 1860 show that there are 1288 members of the Society paying five shillings and upwards yearly, while there are about 5683 others who contribute smaller sums to its support.

The agreement under which the S. P. G. paid a block sum to the diocese for the support of the clergy terminates with the present year, and it now

rests with this Society to determine if it is able any longer to sustain the payment of the missionaries whose salaries were guaranteed under that agreement.

A report of the state of that fund will no doubt be submitted to you by the committee entrusted with its care.

This committee desire gratefully to acknowledge the contribution of £1000 sterling from the S. P. G. towards a fund for the Endowment of the Church in this Diocese, and to express a hope that this proffered liberality may stimulate to renewed efforts for the above object.

The Executive Committee feel assured that all will unite in acknowledging the loss we have met with by the death of the late Sir Brenton Halliburton, Chief Justice of this Province.

As a V. P. of this Society since its establishment in 1837 he always took the deepest interest in its welfare, and testified his regard by the prudence of his counsels in its guidance and the liberality of his donations in its support.

His firmness of principle, his integrity of life, and his piety of heart, adorned with true christian charity for all men, present a bright example for future generations.

The committee submit the following statement of receipts and disbursements for 1859:—

The total amount of receipts during the year was £1694 16s. 7d., for the following objects, viz :

Superannuation fund.....	£83	6	5
Bishopric Endowment fund.....	108	0	1
Widows and Orphans fund.....	309	15	4
Funded donations.....	2	10	4
Endowment of Parishes.....	312	2	4
General Account.....	879	2	1
Total.....	£1694	16	7

SUPERANNUATION FUND.

The committee have much pleasure in stating this fund is gradually increasing by donations and a few collections made in the diocese. Although they are not prepared to recommence any active steps for its establishment in consequence of the effort which is now being made to endow the Diocese, yet they gladly keep the subject before the members of the Society. The fund now amounts to £301 5s. 3d.

as the regular income of the fund. They have also the pleasure of acknowledging a donation of £25 through the Bishop of the Diocese.

At a meeting of the sub-committee in 1860 a statement was submitted, showing that there were thirty-six certificates held by the clergy whose united premiums amounted to £112 11s. 9d. Also that the collections in the parishes for this fund had much decreased, and that there were about twenty-seven parishes or missions whence no collection had been received for 1859.

Whereupon it was unanimously resolved, that

“Whereas the late appeal to the clergy has not been attended with the desired success, this committee request the Lord Bishop of the Diocese, earnestly to call upon the Clergy to make the annual collections for the W. and O. fund, which form part of the basis on which the scheme was established, and which are necessary for its full development.”

The committee are withheld by this seeming want of interest from increasing the pension.

At the same meeting it was determined to recommend the Society to extend the benefit to orphans, by lengthening the time during which they may receive the pension.

The fund is at present paying but one pension of £25 per annum, which has become due under the certificate held by the Rev. W. Y. Porter.

ENDOWMENT OF PARISHES.

There has been added to this fund during 1859 £81 0s. 9d. the interest of money invested, and £231 1s. 7d. the reserved fourths of parish contributions and donations.

To the Incumbents of parishes there has been paid £31 3s. 4d. as the interests at 5½ per cent. on money held in trust. To the parish of Cornwallis the full amount held in trust £136 6s. 9d. has been returned. Also to Truro £116 8s. 5d. To the Parish of St. George's £198 7s. 8d. as the amount of reserved fourths. Also to Liverpool £40 0s. 0d., and to Sackville £26 18s.

These amounts have been securely invested in the name of the several parish corporations, and care has been taken that the annual proceeds can be applied solely for the benefit of their Incumbents.

The amount in the Society's hands at the close of 1859 was £1707 5s. 3d.

In accordance with the recommendation of a sub-committee on the subject, grants to a small amount have also been made to several missionaries whose income did not amount to £150, upon condition of the people fulfilling their agreements with their clergymen.

In consequence of the wish expressed by the Society at its last meeting, the ex-committee have prepared a table containing parochial statistics from the clergy who are aided by the D. C. S.

The committee regret that there are now two vacancies in the number of the assistant missionaries which this Society has undertaken in part to support. The money voted for this purpose has been set aside to meet future wants in the Diocese.

COLPORTAGE.

The committee were able to obtain the services of a Colporteur for a few months during the early part of the present year. His route lay through Lakelands, Newport, Rawdon, Maitland, Truro, Londonderry, and also for a short time in Chester and Mahone Bay.

The committee are led by their experience to the conclusion that the effort cannot be sustained except at a greater cost than they feel justified in expending.

From the missionary at Bridgewater—

"I am glad to be able to say that matters in the parish are progressing as well as one who knows the ground could expect. The only thing I can complain of is the want of energetic men to take hold with me in the temporalities of the parish. I have continual requests from those who in former years were connected with the Church, to consider them as my parishioners again, and to favor them with an occasional pastoral visit, which among our people I find to be much esteemed. The number of baptisms so far this year exceeds the *whole* previous number, and the marriages and burials are far more numerous than they were last year. So that I feel cheered, and have every reason to believe that my labors in Christ are appreciated, and that there is, as the people themselves say, a bright time for us yet,—that though we are poor ours will be the true riches."

The parish of St. Luke's having been separated from that of St. Paul's, a local committee was organized in the latter, which has sent the above handsome contribution, and transmitted the following extract from its report:—

Extract of report of the local committee, St. Luke's Church, Halifax, adopted at a general meeting of the parishioners of St. Luke's.

"Of our contributions to the general objects of the Society, we are entitled by a standing rule to reserve *one-fourth*, for the purchase of books, or for the endowment of the parish.

"To make this claim in favor of the city church of St. Luke's, the committee think would be inconsistent with the Christian liberality which has been exhibited by the parishioners; but there is a large district extending *twenty miles* along the Western shore, forming an integral part of the parish, but receiving little or no effective share of its ministrations, the inhabitants of which are very poor, uneducated, and greatly exposed to sins and errors of every kind.

To remedy this evil the Committee propose that the privilege should be exercised in favor of these destitute settlements, and that one-fourth of the contributions be claimed for the endowment of the Western District of the Parish.

(Signed.)

WILLIAM BULLOCK,
President.

The separation will also account for the apparently smaller collection in St. Paul's parish.

The missionary there communicates the following interesting occurrence which he met with in the course of his duty :

"I had a pleasing proof afforded to me on one occasion last autumn, that though the love of many for the church of their fathers, through neglect and other causes, may have waxed cold, yet in the hearts of some of her faithful children, though they be far removed from her ordinances and ministrations, it still glows and burns with a flame steady and unquenchable. Having been told that there were one or two families of church people living about 30 miles from here in the heart of the woods, and that some of their children had not been baptized, I resolved to visit them which I accordingly did. After I had been in one of the houses a few minutes, an old lady came out of an adjoining room, and to my amazement handed me 15 shillings. "This Sir," she said, "is a trifle for the D. C. S., it should have been \$5, but I have lent 10 shillings and it has not yet been returned. Although," she continued, "I very seldom get to Church, and you are the first clergyman of my persuasion I have seen for two years, I nevertheless love my church very much, and I make it a point to save one-tenth of all I earn as a contribution towards the funds of the D. C. S." I asked her what induced her to make such a laudable resolution, and she replied, that one evening she had been reading in the Bible that the Jews paid one-tenth of all their possessions into the treasury of the Lord, when the question suggested itself to my mind, why might I not do the same? The thought was father to the resolution. From that evening up to the present time one-tenth of her earnings she has most religiously devoted to the service of God. This incident is not only pleasing in itself, but it is a practical proof of how much may be done by hoarding small sums."

CHURCHES.

Every application for aid in the erection of a Church must contain the following information :

- 1.—The precise situation, especially with reference to the nearest Church, and to the amount of population within five miles of the Church.

- 3.—The size of the building; the numbers it can accommodate; and probable amount of the congregation that will usually attend it.
- 4.—The supposed cost of the building; the progress it has made towards completion; and amount of contributions on the spot in money or labor.
- 5.—The frequency and regularity of the proposed services in the Church.
- 6.—That all the sittings are to be free.

It is the wish of the Executive Committee that no Clergyman should, when building a Church, rely upon aid from this Society without first ascertaining whether it is in the power of the Society to grant any assistance.

All grants to Churches are made on the following terms, namely: That the first moiety be called for within one year, and the second within two years from the date of the grant. The first moiety may be obtained when the exterior is finished—the second when the interior is finished.

“The Endowment Sub-Committee receive and hold any money given in trust to the Society for Church purposes, and pay over the annual interest arising from the same, when invested, towards the furtherance of the special object for which it was given.”

With reference to a resolution authorizing the employment of Assistant Missionaries, it was resolved on the 17th August, 1859:

“That no part of the Funds of this Society shall be paid under that Resolution, until the first and each subsequent Quarterly payment of the £50 to be provided by the People in such cases, is actually paid in advance to the Treasurer of the Local Committee.”

“*Resolved*,—That it is the opinion of the Executive Committee, that it is the intention of the fifth Bye-Law that the annual payment of five shillings to the general objects of the Society constitutes a member; but that any person may devote his money to any particular object which is recognised by the Society.”

Form of Legacy.

“I give to the Diocesan Church Society of Nova Scotia the sum of _____, to be applied to the general purposes of the Society.”
And the receipt of the Treasurer of the Society shall be sufficient discharge for the same.

“All donations of Ten Pounds and upwards are funded, and the interest only applied to the general purposes of the Society.”

“The Society will not make its usual grant toward the payment of an Assistant Missionary appointed to a separate cure, unless the people there consent to pay toward the *Endowment Fund of their Parish or Mission*, all the proceeds of whatever glebe lands may be in that parish.”

At a meeting of the Executive Committee, October 19th, 1855, the following resolution was adopted:

“That in future all subscription lists received before the 31st March, in each year, will appear in the next forthcoming report, while those received after that date shall be omitted.”

At a meeting of the Executive Committee, April 18th, 1856, it was directed:

“That if reservations and special donations are not mentioned at the time when the contributions are sent in from the Local Committees, the whole amount will be considered as devoted to the general purposes of the Society.”

The attention of the Local Committees is particularly requested to the above resolutions.

At a meeting of the Executive Committee in February, 1857, it was resolved:

“That in future but one sermon be preached before the Society at its Annual Meetings, and that the sum of £5 be offered to the preacher towards defraying his travelling expenses.”

In January, 1858, a sub-committee was appointed “to aid the Bishop in obtaining information respecting the endowments of Parishes and Missions, and the ability of the people to maintain their own missionary, with a view to an equalization of the aid which the Society may be able to afford.” This sub-committee prepared a tabular statement, showing the available resources of each parish and mission, and also stating the deficiency of salary in any case where the whole income fell short of what they were of opinion should be its minimum amount.

At a meeting of the Executive Committee, February 19th, 1858, it was

“Resolved, That in future all applications for aid from this Society be proposed at one meeting and considered at the next.”

The Committee appointed by the Ex-committee D. C. S., 15th November, 1859, to report upon the Funds of the Society, and the practicability of equalizing and increasing the salaries of Missionaries, beg to report:

That it is the opinion of this Committee, that the *minimum* amount of income of each Missionary of the Diocese should be £150 per annum.

That they have carefully considered the circumstances of the various Missions and Income according to the Parochial returns, and the best information they can obtain, and they recommend the following sums be granted for the ensuing year, viz:

The Committee cannot too strongly urge, that the Missionaries salary or allowance should be the first great object of the Society's care in preference to any other; and next, aid to parsonages; that until the funds of the Society materially increase, assistance towards the building of churches is not deemed advisable, and they would call attention to a Minute in the Society's report, "That it is the wish of the Executive Committee, that no clergyman should when building a Church rely upon aid from this Society, without first ascertaining whether it is in the power of the Society to grant any assistance."

The Committee have not this year interfered with the usual grants from D. C. S. to Missionaries receiving £50 stg. from S. P. G., but they recommend that in future these grants should be separately considered; and it will be matter for consideration hereafter, whether any and what change or alteration should be made in the appropriation of these grants.

That this committee are not desirous of reducing any clergyman's allowance, but would rather bring all up to a reasonable and just standard. The funds, however, will not at present admit of an increase above £150; but they ardently hope that such a true christian spirit of duty and benevolence, will animate the hearts of churchmen generally, as to lead them by their subscriptions, example and influence to foster and build up this society, which must be looked to now and ultimately as the main support of the church in this Diocese.

In reference to the funds of this Society, the committee are led to hope, that the income for general objects for the current year will not be less than the last, and will be sufficient to meet its missionary engagements.

The committee in conclusion would respectfully urge upon his Lordship the Bishop the propriety "of such clergymen as receive aid from this Society," furnishing to the Executive Committee through his Lordship or the Secretary, one month (at the latest) previous to the annual meeting of this Society in each year, statistical returns embracing—

- 1.—Annual proceeds of glebe or landed property.

and any matters of importance which may have taken place in their respective missions, so that this society may be kept fully informed, and that interesting extracts may be made from such returns and embodied in the report, that the efforts and labors of clergymen may be more generally known and duly appreciated. Such information, the Committee feel, would be most acceptable, and would also create increased zeal and interest both on the part of Clergy and Laity. The committee advise that printed circulars, embracing the foregoing enquiries, be forwarded to every clergyman receiving any allowance from this Society.

All which is respectfully submitted,

Chairman.

PUBLIC MEETING.

A public meeting of the society was held in the Temperance Hall in the evening of Friday the 9th March, 1860.

The Chair was taken by the Right Rev. the President at half-past seven.

The meeting sang the 100th Psalm.

After prayers the Lord Bishop opened the meeting with an address, and then gave an interesting account of his visitation to the Eastern part of the Diocese, embracing Cape Breton.

The first resolution was moved by the Rev. J. Hensley, Theological Prof. King's College, Windsor, and was seconded by the Rev. T. Crisp, Curate of St. George's, Halifax, viz. :

“Resolved, That the various objects of the D. C. S. are judiciously adapted to the wants of the Church in this Diocese, and it has a claim to the efforts of all members of the Church, in order to increase the funds at its disposal for the furtherance of those objects.”

The meeting then sang “Heber's Missionary Hymn.”

The second resolution was moved by Col Nelson, R. E., seconded by P. C. Hill, Esq., and supported by the Rev. W. Bullock, Rector of St. Luke's, Halifax, viz. :

“Resolved, That the increasing energy manifested by the Church in England and on this continent, in the propagation of the Gospel of Christ, should stimulate our exertions not only to diffuse the knowledge of the Truth throughout the Diocese, but also to impart to those who are yet in heathen darkness the glad tidings of salvation through a crucified Redeemer.”

The thanks of the meeting were offered to the Bishop, and also to Colonel Nelson, for the interest he had taken in the Society's welfare.

After singing the Doxology, the meeting was dismissed with the Episcopal Benediction.

ANNUAL GENERAL MEETING.

The annual general meeting of the D. C. S. was held in the National School, at Halifax, on Tuesday, October 9th, 1860.

The Right Rev. the President took the chair at 2 o'clock P. M.

There were present during the meeting, about forty of the clergy, besides lay delegates from the local committees in the country, and members of the Society in Halifax.

The Venerable the Archdeacon of P. E. Island was also present.

After prayers and reading the minutes of the preceding meeting,

The Right Rev. the President opened the meeting, alluding to the present state of the Church in the Diocese, and stating the important matters to be brought forward for consideration on the present occasion.

The Secretary read the twenty-second annual report of the Executive Committee.

It was unanimously

“Resolved, That A. M. Uniacke, Esq., be appointed a Vice President of the Society.”

The following officers for the ensuing year were appointed by the Society: Rev. Edwin Gilpin, A. M., *Secretary*; H. Pryor, Esq., D. C. L., M. P. P., *Assistant Secretary*; W. C. Silver, Esq., *Treasurer*. Also, as members of the Executive Committee:—Col. Myers, S. P. Fairbanks, Esq., N. Clarke, Esq., W. Gossip, Esq., B. Collins, Esq., and H. Hartshorne, Esq.

In pursuance of notice of motion, it was moved by the Hon. M. B. Almon, and seconded by the Rev. F. Uniacke—“That the third bye-law of the Society be repealed.”

It was moved in amendment by A. M. Uniacke, Esq., and seconded by the Rev. J. Storrs, that in place of the present third bye-law, the following be substituted:

“The Bishop of the Diocese shall be President of the Society, and no alteration shall be made in the bye-laws, nor any proposition be adopted by the Society, or the Executive Committee thereof, to which his dissent shall be expressed, until the same shall have been submitted to the next annual general meeting of the Society; and if such alteration or proposition be again adopted at such other meetings, it shall then take effect, notwithstanding such dissent.”

The Hon. M. B. Almon withdrew his motion.

It was moved in amendment by the Rev. J. Ambrose, and seconded by W. Tupper, Esq., that the following be substituted for the present third bye-law:

“The Bishop of the Diocese shall be President of the Society, with a control over all its proceedings; and no alteration or addition to the bye-laws, to which his dissent shall be expressed, shall be valid, until the same shall have been submitted to the next two annual meetings of the Society; and if thereafter the difference shall continue, an appeal may be had to the metropolitan, which appeal shall be final.”

The amendment proposed by the Rev. J. Ambrose was put to the meeting and lost.

The resolution moved by A. M. Uniacke, Esq., was carried by a large majority, and declared to be the third bye-law of the Society.

The meeting adjourned to two o'clock the next day.

At the adjourned general meeting, October 12th,

The Right Rev. the President took the chair at two o'clock P. M.

After prayers, and reading the minutes of the preceding meeting,

The thanks of the Society were unanimously offered to Rev. R. F. Brine for his sermon before the Society on the preceding Sunday.

The Right Rev. the President addressed the meeting relative to the proposed endowment of the Diocese.

It was moved by the Rev. G. Hill, and seconded by the Rev. C. Shreve :

"That as the Bishop had announced that the trust of the Endowment Fund was offered to the D. C. S., it should be accepted, under the prospectus which had been issued."

It was moved in amendment by the Rev. H. L. Yewens, seconded by C. Bowman, Esq., and

"Resolved, That the Society consider the prospectus, clause by clause, previous to deciding whether the trust be accepted or not."

The consideration of the prospectus occupied the meeting until it adjourned to two o'clock on the following Friday.

At the adjourned meeting of the Society, Friday, October 12th, 1860,

The Right Rev. the President took the chair at two o'clock P. M.

After prayers, and reading the minutes of the preceding meeting,

The Society continued the consideration of the regulations of the proposed Endowment Fund.

It was moved by the Rev. J. Storrs, seconded by E. B. Meynell, Esq., and

"Resolved, That this Society accepts the trust of the Endowment Fund under the amended regulations."

It was moved by the Rev. J. Forsythe, seconded by the Rev. J. Cochran, and

"Resolved, That a committee be appointed to carry out the trust."

Several members understanding that, as the preamble to the prospectus had not been put to the meeting, the Society had not accepted the trust with unalterable rules,—it was agreed that the subject be still open for discussion.

It was moved by the Rev. J. Ambrose, and seconded by Col. Gladwin :

"That the annual meeting of the D. C. S. shall have power from time to time to frame such additional regulations as may be required, provided that no such

The motion was put to the meeting, and lost.

The whole prospectus, both preamble and regulations, as amended, was then put to the meeting and adopted, as follows :

Forasmuch as the committee appointed in 1858 to raise an Endowment Fund for the support of the ministers of the Church of England in this Province have resigned, and the proposed scheme is now in abeyance, many members of the Church, deeply impressed with the necessity for immediate action, and believing that some of the obstacles encountered by the committee have disappeared, have resolved (in compliance with the request of the Lord Bishop) to attempt to carry out this important work without any further delay, availing themselves of a very liberal offer of James R. Mosse, Esq., to devote his time and attention for one year to the promotion of this object, as secretary and agent, without any remuneration.

It is proposed to raise a sum of money as an Endowment Fund for the Church of England in this Province, upon the basis of this prospectus, and strictly in conformity with it; the money subscribed and paid to be held for the present, in trust, for that purpose, by the Hon. M. B. Almon, and Edward Binney, Esq., the treasurer of the fund—to the latter of whom subscriptions may be paid—and who will receive and hold the same as trustees, provisionally, until the next annual meeting of the Diocesan Church Society of this Province, when all subscriptions, which shall have been received by them, shall be paid over to the said Society (provided it shall consent to receive the same), which shall also receive all further subscriptions and contributions for this fund, unless at any time hereafter it should be thought advisable to apply for an act of incorporation for said fund.

All monies so collected to be held by the Diocesan Church Society, *in trust*, solely and strictly for the objects, purposes, and designs, and under the rules, regulations and provisions set forth in the present prospectus. The future management and investment of the said trust funds to be vested in a committee of the said Society, to be appointed at such annual meeting of the Society; but neither the Society nor such committee to have any power to change, or in any respect to vary from, or to control the objects, purposes and designs of such fund, set forth in the said prospectus, or any of its rules, regulations, and provisions, whatever.

1. The proceeds and annual income arising from this fund shall be appropriated solely and exclusively towards the support and maintenance of the clergy of the Church of England within this Province in the following manner.

2. The annual deduction of £100 stg. which the Society for the Propagation of the Gospel intend to make from the amount of their present grant, (which has been transferred by them to a sub-committee of the Diocesan Church Society) shall be made good out of the proceeds of this fund, so that the said grant shall be kept up and maintained in its full integrity, at the sum which may be required, for the purpose of paying all the rectors and missionaries who shall be on the list of the Society for the Propagation of the Gospel, on the day when this fund shall go into operation, the full amount of the salaries to which they may on that day be entitled from the said Society.

3. Whenever and as often as any of the rectors or missionaries on the said list on the day above-named shall die, or from any cause shall cease to be entitled to receive the salaries to which they were at that time entitled, out of the

said grant of the Society for the Propagation of the Gospel, then the said grant is no longer to be kept up at its former amount, but only at such an amount by contribution from this fund as will suffice for the payment to those rectors and missionaries still living, and entitled to receive the same, their salaries from this fund. And every new rector or missionary appointed in their places shall be paid out of the annual proceeds of this fund a yearly sum, according to the class and scale arranged for that purpose, and herein contained.

4. In like manner, whenever and as often as any of the present rectors or missionaries, now on the Government list and paid by it, shall die, or cease to be entitled to be so paid, then every new rector or missionary appointed in his place to any parish or mission shall be paid out of the annual proceeds of this fund, according to the said class and scale; and whereas there are some parishes and missions of which the incumbents are not paid either by the Government or by the S. P. G., the said incumbents and their successors shall be on an equality, in respect to their claims upon this fund, with the successors of the clergymen now upon the lists of the Government or of the S. P. G.,—it being understood that *parishes* shall have always the first claim upon this fund, except on all questions arising under clause No. 8, which shall still be decided by seniority of appointment, as there provided.

5. If, from any unforeseen cause, the present grant of the Society for the Propagation of the Gospel, subject to the present reduction of one hundred pounds (£100) stg. a year, should fail, or if the present provision by Government for certain missionaries should not be continued (neither of which contingencies it is fully believed will occur, and are only hereby provided for *ex abundanti cautela*), then, in such case, the annual proceeds of this fund shall, according to their means, be appropriated towards the payment of the old rectors and missionaries, whether on the Government list or on that of the Society for the Propagation of the Gospel, and of the other rectors and missionaries claiming under this prospectus, rateably by an equal per centage deduction from the old salaries and new allowances, under clauses Nos. 3 and 4, as the state of the fund may require and will permit.

6. If the annual proceeds of this fund, after providing for the payment of fifty-one claimants, according to clauses Nos. 3 and 4, should exceed the amount required for fully carrying out the proposed scheme, then, in the first place, the surplus shall be devoted to the payment of additional clergymen, under the same classification and at the same rates, and preserving as nearly as may be the same proportionate numbers in each class as are herein prescribed. But if at any time the income of this fund shall exceed what is necessary for the fifty-one payments now provided for, and such additional payments as may hereafter be agreed on, and there shall be no need nor opportunity of adding to the number of clergymen to be paid out of this fund by any further subdivision of parishes, then such surplus shall be applied to increase the allowance of each clergyman, *pro rata*.

7. The subjoined scale is that referred to in clauses 3 and 4. It provides for fifty-one clergymen, and is based upon carefully prepared calculations, so that reliance may be placed upon the capabilities of the fund to supply the payments proposed for the respective classes.

The clergymen are to be divided into three classes:—

Class 1 will contain twenty-one clergymen, who must have officiated in this Province more than fifteen years, who are to receive each £75 cy. per annum.

Class 2 will contain fifteen clergymen, who must have officiated in this Province more than five years, who are to receive each £50 cy. per annum.

Class 3 will contain fifteen clergymen, who are to receive each £30 cy. per annum.

8. All removals from one class to another must depend not only upon the standing of the individuals, but also on vacancies in the upper classes. If at any time there shall be more clergymen holding appointments within the Province than the number for whom provision is made in clause 7, or by the committee under the conditions of clause 6, then admission to class 3 must also depend upon vacancies in that class,—the seniority of original appointment in this Province deciding the question. The standing of any clergyman who, after leaving this Diocese, except on account of ill health, shall return to it again, shall be reckoned from his appointment to a parish or mission on his return, and any previous service shall not be reckoned. If any clergyman officiating in this Province shall cease to hold any parochial or missionary appointment, but shall not leave the Diocese, and after an interval shall again be appointed to any parish or mission, he shall take his place upon the lists in the position in which he stood when he ceased to officiate, as soon as a vacancy shall occur in the class to which he belonged.

9. Every clergyman applying for his salary under this scheme must furnish proof that provision has been made by those to whom he ministers for the payment to him of at least one hundred pounds (£100) currency for the past year, or at least fifty pounds (£50) currency for the past half year.

NOTE.—This amount may be made up from local endowments, from the subscriptions of his congregation, from pew rents, or from any other source (except from this fund), and may include the fair estimated yearly value of the glebe or parsonage, if any. This estimate shall be settled by the committee, and every care shall be taken to arrive at a just and equitable conclusion.

10. The application of the clergyman shall be made annually or semi-annually to the secretary of the Church Endowment Committee. It shall state the number of years' service in this Province of the party applying, and contain a solemn declaration, either by himself or by his churchwardens, or by three members of the vestry, that the amount guaranteed by the parish has been actually and *bona fide* subscribed. Upon this application, with such statement and declaration, the treasurer of the fund shall be authorized by the chairman to pay to the applicant the amount to which he is entitled by his length of service.

11. On the expiration of eighteen months from the commencement of his incumbency or mission, and at the end of each half year thereafter, the application of the clergyman shall be accompanied by a certificate that the whole of the subscription for the year preceding the last six months has been *bona fide* paid. And if such certificate be not furnished, he shall nevertheless be paid the amount then due from this fund, but he shall not be entitled to any further payment so long as he shall remain in the same cure until he shall be again enabled to, and do, certify that the payments due under the agreement with his people are not more than six months in arrear.

12. It is proposed that the sum of forty thousand pounds (£40,000) currency shall be raised, but if this amount be not realized, then the payment to each class of missionaries will be reduced *pro rata*; and this scheme is not to go into operation until at least twenty thousand pounds (£20,000) shall have been subscribed and paid into the hands of the treasurer. It is hoped, however, not only that the sum of £40,000 will be subscribed, but that by judicious management it will so accumulate as to secure a provision for the increase of parishes, missions and missionaries in this Province.

13. As this fund is raised with a view to the support of the ministry in places where a sufficient provision for the clergyman cannot be procured without assistance, it is to be understood that no clergyman receiving an income of two hundred and fifty pounds (£250) currency and upwards per annum, from any of the sources mentioned in the note to clause 9, shall be entitled to any payment from this fund.

14. No missionary receiving any portion of his stipend from any society in England, at the time when this fund goes into operation, shall receive any payment from this fund, except such as is secured to him under clauses 2, 3, 4 and 5, so long as he continues to receive the payment from such society in England.

It was moved by the Rev. H. L. Yewens, and seconded by the Rev. J. Ritchie, and

“Resolved, That the committee to carry out the trust be composed of laymen.”

It was moved by the Rev. J. Storrs, and seconded by P. Lynch, Esq. :

“That the committee consist of fifteen members, five of whom shall be a quorum.”

It was moved in amendment by Rev. E. Nichols, seconded by the Rev. W. H. Snyder :

“That whereas each parish is expected to contribute to the fund, the committee be selected by the parishes, one member being allowed to each country parish, and two to each in Halifax.”

The amendment was put to the meeting, and lost.

It was moved in amendment by H. Hartshorne, Esq., and seconded by the Rev. J. Ritchie :

“That the committee be composed of seven, four of whom shall be a quorum.”

The amendment was put to the meeting, and lost.

The original resolution, by the Rev. J. Storrs, was put to the meeting, and passed.

The Society then proceeded to appoint a committee to carry out the trust of the Church Endowment Fund. The following were chosen :—Hon. M. B. Almon, A. M. Uniacke, H. Hartshorne, A. McCochran, C. B. Bowman, C. H. Harris, W. C. Silver, W. Hare, J. C. Cogswell, J. B. Snow, Esqrs. : Hon. Judge Bliss ; P. C. Hill, E. Binney, J. W. K. Rowley, Brenton Collins, Esqrs.

Notice of motion was given by the Rev. J. C. Cochran, relative to “a proposed change of bye-law under which vacancies in the Executive Committee are filled up.”

Notice of motion was given, at the recommendation of the W. & O. Com., of a proposed change in the 14th and 15th rules of the W. & O., whereby the word “ten” would be altered to “fifteen.”
