The average daily number of patients in the wards during the year was 145. The average time of each patient in the Hospital was 26.13 days, being greater by 4.73 days than last year; and the aggregate number of days spent in the Hospital by all patients was 53,191, an increase of 3,371 from last year.

The percentage of deaths to the whole admission is 6.35; and if the 32 cases in which death occurred within three days after admis-

sion be omitted, the rate of mortality falls to 4.89, a death-rate considerably lower than that of many past years in this Hospital, and a satisfactory showing, considering the numerous grave cases and serious accidents always under treatment.

Of the 139 deaths from all causes, 16 (or 11.5 per cent.) were due to Phthisis; 15 (or 10.8 per cent.) to Diphtheria; 14 (or 10.1 per cent.) to Typhoid Fever; and 7 (or 5 per cent.) to Pneumonia.

There have been treated during the year: 99 cases of Typhoid Fever; 87 cases of Diphtheria; 41 cases of Acute Rheumatism; 75 cases of Phthisis; and 41 cases of Acute Pneumonia.

There were 18,776 consultations in the General Out-door Department, and 6,669 new patients. In the Eye and Ear Department, 6,317 consultations and 1,776 new patients. In the Gynæcological Department, 1,454 consultations and 343 new patients. In the Laryngological Department, 983 consultations and 415 new patients. In the Department for Diseases of Children, 2,544 consultations and 729 new patients.

One Life Governor has died during the year, viz., Mr. Archibald M. Cassils, a firm friend of the Hospital, who was deeply regretted by all.

The following gentlemen have been constituted Life Governors during the year: Fred. C. Henshaw, Chas. Gurd, Alex. Archibald, James Morrison, James Elliott, Samuel Penniston, J. C. Wilson, John Dillon, G. C. Hamilton, Donald Macmaster, Q.C., John McLean, W. C. Munderloh, Robert A. Becket, John S. Shearer, George Bishop, James N. Laing, J. Marshall, W. F. Torrance, George H. Labbe, Selkirk Cross, J. Cradock Simpson, Edward Archbald, James A. Ogilvy, E. S. Clouston, D. McCaskill, Henry Birks, George W. Reed, Chas. R. Hosmer, James Tasker, Hon. James McShane, A. W. Hersey, Frank C. Stephens, Feodor Boas, Edgar McDougall, John Murphy, J. Lionel Smith, J. N. Greenshields, Q.C., George W. Sadler, L. J. Seargeant, James Slessor, J. W. Marling, Richard Costigan, James Stewart, M.D., Edwin Hanson, Hugh Watson, T. Johnson Alloway, M.D.

A matter of much importance during the past year has been the establishment and carrying on of a training school for nurses. This now-a-day's necessary addition to every large hospital has been under contemplation by the governors for several years, but, owing to many hindrances, it is only now that it has been successfully

established and operated. The chief difficulty has always been the want of necessary room accommodation for a number of pupil-nurses. This difficulty was finally overcome by the construction last year of a new mansard storey to the hospital, which has been found to fully meet all the requirements. The school was organized for work under the lady superintendent, Miss Livingstone, on April 1st, 1890, and a formal public opening, at which the Governor-General and Lady Stanley kindly consented to be present, took place on the 11th December following. There were thirty-eight pupils in training during the year, and weekly lectures were given by members of the medical board and resident staff, besides daily instruction by the lady superintendent. The working of the school has been eminently satisfactory, and the nursing of the hospital has been brought up to a high standard.

The Committee of Management, as desired by the governors, have been earnestly engaged in preparing for the construction of considerable additions to the hospital. After careful consideration of the requirements, it was decided to erect two large surgical pavilions and a spacious amphitheatre attached thereto, at an estimated expenditure of \$100,000. These are to be called respectively the Campbell wing, under the donation of Sir George Stephen, and the Greenshields wing, under the bequest of the late Mr. David Greenshields. Contracts have been given out, ground broken and building operations begun. It is thought that about one year will be required for their completion.

During the year Dr. Kirkpatrick continued to fill the position of medical superintendent with his accustomed diligence and faithfulness. In April he resigned his office to begin the practice of his profession in this city. The Committee have appointed Dr. D. J. Evans, a former resident medical officer, to be medical superintendent, and believe that under him the affairs of the Hospital will be successfully conducted.

The vacancies occurring by the termination of the year of office of Drs. McKechnie, Smith, Inksetter and Vidal have been filled by the election of Drs. J. R. Spier, W. S. Morrow, H. Tatley, E. A. Grafton and W. F. Hamilton. The non-resident clinical assistants to serve alternately for six months in the outdoor and gynaecological departments are Drs. E. A. Robertson and W. F. Farwell.

The following gentlemen have acted as collectors in the different

wards of the city during the year, and to them the governors are much indebted for the valuable assistance thus rendered, viz. :—
 West ward, Geo. Kemp ; Centre ward, W. E. Cheese ; East ward, D. Hatton ; St. James ward, Henry Porter ; St. Mary's ward, Edward Rennick ; St. Louis ward, Geo. Nicholson ; St. Lawrence ward, Chas. Gurd, Louis Sutherland and C. A. Jacques ; St. Ann's ward, Wm. Masterman, J. E. Kirkpatrick ; St. Gabriel ward, Jos. E. Allen ; St. Antoine ward, James Moore, Thos. Davidson, J. C. Holden and Thos. Patton.

The printed report, in addition to the names of subscribers and donors of money, will contain a list of the many friends who have contributed in so many other ways to the support of the Hospital and the comfort of the patients.
