MEMORANDUM.

FOR THE INFORMATION OF PERSONS WHO MAY DESIRE TO
LEAVE MONEY OR PROPERTY, BY WILL, TO THE
HOSPITAL FOR SICK CHILDREN.

THE HOSPITAL can legally receive any amount of money which may be given or bequeathed.

The Hospital can also take by gift, devise, or bequest any lands or tenements, or any interest therein, the annual value of which does not exceed \$1,000, provided the gift, devise, or bequest is made at least six months before the death of the person making the same.

The clause in the Will may be in the following form :—

“ I give, devise and bequeath to the Hospital for Sick Children, at Toronto, the sum of dollars ; and also [describing lands or real property intended to be devised.”]

In cases where death is apprehended within six months, and when, therefore, the devise of lands would probably fail, it will be advisable to put the bequest in this form :—

“ I give and bequeath to the Hospital for Sick Children, at Toronto, the sum of dollars, to be raised and paid out of my money and personal effects.” If the bounty is intended for the branch of the Hospital called the Lakeside Home, or for any especial purpose, as for endowing a Cot, the purpose should be specified. In such cases the form may be to the following effect :—

“ I give and bequeath to the Hospital for Sick Children at Toronto, for the use of the Lakeside Home, [or for the maintenance of a Cot to be called ‘ The Cot,’] the sum of, etc.”

The Capital sum required for the Endowment of a Cot is about \$2,000.

HOSPITAL FOR SICK CHILDREN.

90 JARVIS STREET, TORONTO.

For the relief of Children as OUT-PATIENTS, from birth to the age of fourteen years ; and for the reception of Children as IN-PATIENTS from the age of two years up to fourteen years.

No children suffering from *SMALL-POX*, or other infectious or any incurable disease, can be admitted into the Hospital.

The Parents or Guardians of Patients coming from the country are earnestly requested to communicate with the Matron a few days (if possible) before the presentation of the patient, to ascertain whether the case is suitable for admission, or whether there is a vacancy in the Hospital. Such communication must be accompanied by a certificate from the Medical Attendant stating the nature of the disease.

Parents or friends of patients are not allowed to give to the children *anything* but fruit and that only with the consent of the nurse in charge.

The Hospital is open daily for inspection (Sundays excepted), from 2 to 4 p.m., and the Committee invite all persons interested to visit it.

The Committee beg to intimate that donations of worn-out table, bed or other linen, articles of children's clothing, children's books and toys, will be most acceptable to the Charity.

Friends are requested to send their contributions to MISS MARIA BUCHAN, who will be happy to give every information, and to whom all Drafts and Post Office Orders should be made payable.

The Hospital is supported by contributions, VOLUNTARY, in the fullest sense of the word. And as there is no canvassing for funds, friends will kindly send such subscriptions as their generous hearts, guided by God's Spirit, may prompt, and state whether their gifts are for General Expenses, Building Fund, or Lakeside Home.

REGULATIONS FOR ATTENDANCE AND ADMISSION.

The Classes of Children admitted to the Hospital are the following:—
Sick children, destitute and friendless.

Sick children whose parents, owing to poverty, are unable to care for them.

Sick children who, from various circumstances, cannot receive the necessary care and attention at home, but whose friends are willing to contribute somewhat towards the expense actually incurred in their maintenance.

The Committee of the Hospital, unwilling to foster pauperism, have strictly enforced the rule of remuneration to *some* extent, whenever the relatives of applicants have been in a position to afford it.

Medical advice and prescriptions are given every day at two o'clock p.m.; out-patients are also visited and treated at their homes.

Parents and others from whom children are received into the Hospital shall be required to sign an application for admission, in a form approved by the Committee, which shall state the terms on which the patient is received, and contain an agreement on the part of the applicant to be bound thereby.

In-patients are seen at 2 p.m., daily.

Out-patients are seen at 2 p.m., daily, Sundays excepted.

No child can be admitted unless brought by some grown person.

No child should be brought unless needing medical or surgical relief.

Persons desirous of obtaining medical advice for their children as out-patients, must apply at the Hospital at two in the afternoon.

The visiting day for parents and friends shall be Wednesday, and no more than two shall be admitted to see any patient at a time.

The attendants are bound strictly to enforce these Regulations, which are intended to promote the general comfort. It is hoped that the friends of patients will feel it to be their duty to conform to these rules, and to behave with propriety to the attendants.

Patients once dismissed for breach of Regulations cannot be re-admitted to the benefits of the Hospital.

The Managing Committee will give immediate attendance to all complaints. These must be made in writing, and signed by the party making the complaint.

RULES.

FINALLY PASSED BY THE COMMITTEE, 11TH DECEMBER, 1878.

1. The Committee mentioned in the Declaration of Incorporation, as the first Committee, consisted of the following, viz.: [*Naming twenty-two ladies*].
2. The Committee shall continue to consist of such of the above named ladies and of no others, as shall remain Members of it, as provided in the Declaration of Incorporation; so long as the number shall not be reduced below ten.
3. The Regular Meeting of the Committee shall be held at the Hospital on the first Friday in each month at 12 o'clock.
4. Four Members of the Committee present at any regular meetings or meeting called by notice to all the members, shall be a Quorum.
5. Any Member who fails to attend the regular meetings for three consecutive months, shall cease to be a member of the Committee. But failure to attend, by illness or absence from the city, shall not create a vacancy until the end of six months.
6. Every vacancy occasioned by non-attendance, resignation or death, shall be noted in the minutes of the next regular meeting; or if then by inadvertence omitted, shall be noted in the minutes of some other regular meeting.
7. Vacancies which reduce the Committee to a smaller number than ten may be filled at any Regular or Special Meeting of the Committee, provided that notice of the intention so to do shall have been sent to each member of the Committee a week before the Meeting is held.
8. One of the Committee shall be appointed as Visitor for each week; and shall visit the hospital daily, or procure another member of the Committee to do so in her place.
9. The Committee will avail themselves of the assistance of ladies who may be disposed to aid in the work of the Hospital, by reading and singing with the patients, or in other way contributing to their instruction or amusement.
10. The Medical Staff shall consist of the consulting physicians and attending physicians, appointed from time to time by the Committee.
11. Children shall be received as in-patients from two to fourteen years of age; and out-patients from birth to fourteen years of age may be brought for medical advice.
12. No child suffering from small-pox or other infectious disease can be admitted.
13. Presents or toys or other things to any patient shall belong to the child only while in the Hospital, and for its use and amusement there; and shall not (unless when given by its parents or guardians) be given away or taken from the Hospital without the consent of the Committee; when such consent is not given, they shall be left as the property of the Hospital.
14. The visiting day for parents or friends shall be Wednesday; and not more than two shall be permitted to see any patient at a time.
15. *Parents and others from whom children are received into the Hospital shall be required to sign an application for admission, on a form approved by the Committee, which shall state the terms on which the patient is received, and contain an agreement on the part of the applicant to be bound thereby.*
16. Notices required by these Rules to be given by members of the Committee shall be sufficient if given by prepaid letter or postal card, mailed to the address of the Member.
17. No amendment to these Rules, whether by addition or alteration, shall be made, except in one of the following cases, viz.:
 1. When all the members of the Committee agree to the amendment.
 2. When the amendment has been proposed at the regular meeting next before that at which it is to be passed.
 3. When a copy of the proposed amendment has been given to each member of the Committee, at least a week before the regular meeting at which it is proposed to pass it, with notice that it will be proposed at such meeting.

FOURTEENTH ANNUAL REPORT

— OF THE —

Hospital for Sick Children.

"Have not I commanded thee? be strong and of a good courage; be not afraid, neither be thou dismayed! For the Lord thy God is with thee whithersoever thou goest."—*Josh. i: 9.*

The swiftly-rolling wheels of time have again ushered in the day for our yearly review and summary of work, and doubtless the numerous kind friends who take an interest in the Hospital, and supply us with the sinews of war, are looking for some account of what we have been doing during the past twelve months.

This has been a prosperous, and in many respects the most eventful year of our history. For more than four years we have been thinking about a

NEW BUILDING.

To-day, though the new Hospital is not quite an *accomplished* fact, it is well under way, and will be completed before another review day comes around.

At the beginning of the year the minds of the members of the Committee were greatly agitated about the choice of a site. Several properties were viewed and considered, and earnest prayers were offered for guidance, as the following extracts from the minutes of devotional meetings in November, 1888, will show:— Nov. 9th.—"Miss Rogers asked especially for God to lead us in the choice of a property and building for the new Hospital." Nov. 27th.—"Mrs. O'Brien prayed the Lord to guide us in choosing our new Hospital." At length the Committee decided to purchase the "Davies' property," situated in Rosedale, and on the 21st Dec. the sale was reported by our Trustees as completed at a cost of \$30,000. At the time of the purchase it was supposed that the \$20,000 voted by the city for the addition of a wing to the Hospital for Sick Children on College Street, to be called the

VICTORIA WING,

would be available for the enlargement and improvement of the house in Rosedale. Upon making application, however, for the grant, we were informed by the City Solicitor that the amount could not be paid over, as the terms of the by-law voted upon by the people, called for a new Hospital, or a new wing to the Hospital on College Street.

In the meantime considerable opposition to the chosen

SITE IN ROSEDALE

had arisen, and eventually the Council decided not to request from the Government increased powers of legislation in the matter; and we were obliged, in order to secure the \$20,000, to dispose of the Rosedale property, and arrange to build upon the old site in College Street.

A Building Committee, composed of the following gentlemen: Mr. J. R. Robertson, Mr. J. J. Withrow, Mr. S. Rogers, and Dr. Machell, was appointed at once to superintend the arrangements for the new building, which was to be known as the

VICTORIA HOSPITAL FOR SICK CHILDREN.

The plans which had been presented by the architects, Messrs. Darling & Curry, and approved, some time previously, and which were arranged to accommodate 100 children, were revised with a view to the utilization of every inch of space. This proved a most satisfactory arrangement, and resulted in provision for the accommodation of 160, instead of 100 sick children. By some means the report has gone abroad, and we wish just here most emphatically to correct it, that the Victoria Hospital will contain an expensive mortuary, chapel, and handsome *suites* of rooms for superintendent, resident physician, etc. The space is all used for patients, except what is absolutely necessary for the comfort of the staff of matrons and nurses.

On Friday, May 25th, the Chairman of the Building Committee, Mr. J. R. Robertson, informed the Committee that the contracts were ready to be signed, and that when that formality was complied with the building would be commenced. On Monday, June 10th, the excavation was begun, the first sod being turned by little Irving Robertson. The ceremony was a most interesting one. Rev. Dr. Johnson opened the short service with an appropriate prayer. Mr. Robertson, in a few words, outlined the work of the Building Committee, up to date, and its plans for the future. The little fellow then came forward, and managing his miniature spade with a good deal of dexterity, broke the ground, and encouraged by the applause of those present, successfully "turned the sod." Rev. Arthur Burson spoke briefly, and closed with prayer.

The Committee, in the meantime, were experiencing a good deal of anxiety about the Rosedale property. It had been placed in the hands of Mr. John Stark to be sold, but as yet no one had offered to purchase it. Through the kindness of Mr. E. B. Osler we were enabled to pay Mr. Davies the sum of \$12,000 cash, giving him a mortgage for the remaining \$18,000. Special prayer for the sale of this land was offered to God. He graciously heard and answered, and in the month of May it was bought by Mr. White for the sum of \$32,500.

We are greatly indebted to Mr. John Stark for his energetic efforts in our behalf, for the disposal of this land; and to Mr. Wm. Macdonald, our solicitor, who kindly transacted all the business connected with the purchase from Mr. Davies, and the sale to Mr. White, as well as all other business pertaining to the affairs of the Hospital, free of charge. Early in September, nine months from the time we had purchased the "Davies' property," the arrangements with Mr. White had been satisfactorily completed, the mortgage for \$18,000 had been assumed by him, and the balance in cash, \$14,500 was in the hands of our Treasurer. The loan of \$12,000, so kindly arranged by Mr. E. B. Osler, was refunded; the expenses of both purchase and sale, including interest, taxes, and commission were paid, leaving a clear balance of \$1,043.49 for the new building.

It is impossible for us to express our gratitude to the friends who so ably assisted us during all these months of anxiety and perplexity. All were kind; but special thanks are due to Mr. Samuel Rogers and Mr. E. B. Osler. Not only has Mr. Osler given us the benefit of his advice in our business affairs, but within the past few weeks he has most generously discharged a mortgage, the sum of \$1,100, which he held upon the land in Collège St. The whole sum of this timely gift amounted to \$1,350.25, which included the interest on the mortgage for 3 years and 9 months. On Friday, the 6th of September,

THE FOUNDATION STONE

The devotional exercises were conducted by the Rev. Elmore Harris, Rev. W. A. Hunter, and Rev. W. Brookman. Some of the friends invited to attend (among others, Hon. Mr. Justice Patterson and Hon. Chancellor Boyd), were unavoidably absent, but they kindly remembered us and sent encouraging letters.

A SCROLL

containing a short sketch of the work of the Hospital from the beginning was read by Mr. S. Rogers, and enclosed with a copy of the last report, the programme of the service, copies of the daily papers, coins, &c., in the Stone.

The Ladies' Committee of Management, through the Acting President, presented the Mayor with a Silver Trowel, containing the following inscription: "Presented to E. F. Clarke, Esq., Mayor of the City of Toronto, on the occasion of the Laying of the Corner Stone of the new Hospital for Sick Children, Toronto, 6th September, 1889."

During the service, Mr. Macdonald announced that Mr. E. B. Osler desired to contribute an additional \$1,000 to the Building Fund; and before the close of the meeting, Mr. A. M. Smith promised \$1,000. These amounts, with the sum of \$1,000 each, promised some time ago by Mr. John Macdonald and Mr. Hallam, and a partial promise of \$500 from another friend, may be paid in to our Treasurer at any time. These promised sums and amounts already contributed to the Building Fund give us a total at present of \$6,387.45.

The building (see frontispiece) is a large and substantial one, well built, and will decidedly be

AN ORNAMENT TO THE CITY.

The estimated cost is about \$100,000. The following statement gives the present financial position of the Committee with regard to the new building:—

his or her stay in the Hospital. We record with sincere sorrow the resignation of Dr. J. F. W. Ross from our active staff of physicians. His name has been added to our staff of consulting physicians. Dr. Ross has ever taken a deep interest in the Hospital and its affairs, and not only are we indebted to him for professional services, but for financial aid received through his influence. The additions to the Medical Staff this year are as follows:—Dr. W. B. Thistle, Medical Registrar; Dr. P. J. Strathy, Surgical Registrar; Dr. B. E. McKenzie, Consulting Physician in Orthopedy; Dr. J. MacCallum, appointed to the Active Medical Staff.

We have, in connection with our Hospital, the nucleus of what we hope will become an efficient

TRAINING SCHOOL FOR NURSES.

Our Nurses come to us a month on probation. At the end of that period, if they are found suitable, they are provided with a uniform, and are allowed \$8 per month for the first year, and \$10 for the second. They have regular weekly lectures upon subjects bearing upon their work. These lectures, owing to the large demands upon the time of Miss Cody, our Superintendent (herself a trained nurse), have been somewhat irregular during the past year. The Committee, desiring to make this department as efficient as possible, have engaged Miss Underhill, who has acted as matron, for the last two summers, at the Lakeside Home, as Assistant Matron at the Hospital. By this arrangement, Miss Cody will be relieved, and in a position to pay more attention to the training-class, as well as to other matters which require her efficient supervision.

OUR DEVOTIONAL MEETING

is held regularly every Friday morning at 11 o'clock. In order that our readers may have a clear idea of this service, and understand that it is the Rock upon which the Hospital stands, because it links us with the All-Powerful, the Eternal, the Infinite One, we copy the minutes of the Meetings on two consecutive Fridays.

COPY OF MINUTES

Of Devotional Meetings of the H. S. C. Committee, held March 8th and March 15th, 1889.

MARCH 8th.—After singing a hymn, Mrs. Harvie offered prayer, asking for God's presence at our Meeting, and for a blessing on our beloved and absent President.

Our lesson for to-day was on the words "Fear not;" and among other helpful and encouraging texts read to us were these, "Fear not, little flock for it is the Father's good pleasure to give you the kingdom;" "Fear not, for thou shalt not be ashamed; neither be thou confounded, for thou shalt not be put to shame;" "Thou drewest near in the day that I called upon Thee, Thou saidst, fear not."

Mrs. Howland gave us some thoughts about resting in the Lord, having such perfect rest that there is no room for a shadow of doubt.

The Lord had answered our prayers of last week by opening up a way whereby more of the rooms at the "Haven" would be furnished; also in arranging for money to pay for the Rosedale property.

Mrs. Howland led in prayer, asking the Lord to give us all that perfect faith and trust in Him that we had been hearing about.

Miss Buchan stated that \$23.00 had been received to-day and \$668 was needed for expenses.

Secretary read the minutes, which were approved, also several interesting letters.

Miss Rogers asked for the money we need for daily bread, and to meet all our obligations; that the little boy now so ill may be restored, if it be the Lord's will, or else taken speedily to Himself; that more rooms may be furnished at the

"Haven"; and that our Matron and Nurses may be cheered and encouraged in their work here.

Mrs. Hough returned thanks to God for the answers He had sent to our prayers, asking for a spiritual blessing on our children and those we love; for recovery for Mrs. O'Brien and strength for our President in her new duties.

The meeting was closed with the Lord's prayer and the benediction.

MARCH 15th.—The Meeting opened with singing of the hymn :—

"Saviour, I follow on, guided by Thee,
Seeing not yet the hand that leadeth me;
Hushed be my heart and still, fear I no further ill,
Only to meet Thy will, my will shall be."

Mrs. Harvie asked the Lord to be present with us, showing us His power to save and help His servants. Our Scripture lesson was the thought "He is able," and the first text was Dan. iii. 17, "Our God, whom we serve, is able to deliver us from the burning, fiery furnace." We could not be in a worse condition than these servants of God in the fiery furnace, yet they trusted Him to deliver them. Cannot He deliver us from all our difficulties? Then came a text from II. Chron., Amaziah asking where he would get 100 talents to carry on the war, and the man of God answered, "The Lord is able to give thee much more than this," and our God is able to supply our need of \$716.18. "And God is able to make all grace abound to you, that ye always having all sufficiency in all things, may abound in every good work." God can do all things for us if we only ask Him in faith, and wait patiently for the answer.

Answers to prayer this week—Three more rooms furnished at the "Haven"; the little boy so ill last Friday has been taken home where there is no more pain; \$50 received this week. Mrs. Howland led in prayer, asking for the \$716.18 we need to pay our account at the bank; that our Trustees may have great wisdom in disposing of the Rosedale property to advantage, and that our Building Committee may be guided to do just the right thing for our new Hospital.

Secretary read the minutes, which were confirmed, also the letters received during the week.

Treasurer stated that \$50 had been received this week, and \$736.18 was needed to pay expenses.

Miss Rogers brought the spiritual needs of the house before the Lord, asking that everything here may be done for His glory; for a blessing on our Matron and dear Mrs. McMaster wherever she is, and that she may be useful in bringing souls to Christ; offering thanksgiving for so many in this house who are the Lord's own children, and for the money received this week.

Mrs. Hough asked a spiritual blessing on those men so greatly interested in our work; that God's blessing may rest upon Miss Simpson, and that she may do great work for her Master in her far away home. The meeting was closed with Lord's prayer and benediction.

We have no collectors, no subscription lists, no canvassers. True, the needs of the Hospital are from time to time made public, through the reports, conversation, or printed articles in the daily papers; but no one is personally asked for subscriptions. We invariably, at the Friday morning meeting, look over the letters received during the week, and find out if enough has come in to meet the expenditure. If there is sufficient, we thank God; and if not, we simply ask Him to send it to us. The following three letters presented are fair samples of a large part of our correspondence.

ORILLIA, July 29th, 1889.

DEAR MRS. DONALD,—I am writing on behalf of a Mrs. Malcolm, who has a little boy she is anxious to get admitted to the Hospital. He is about nine years old and has been suffering from catarrh in the head. She is anxious to have it attended to before the child grows worse, and says she cannot find a doctor here

willing to undertake the case. I promised to write you at once and would be glad of an early answer if convenient. Please let me know how the other children are when you write, Ida Pearsall and Alex. Ralston. Mrs. Pearsall has such a wistful face whenever I see her, and asks so anxiously for news. I am afraid you will think Orillia is very prolific in sick children.

I remain, yours sincerely,

C. M. STEWART.

Our beds have all been occupied for some time, but when we have room the boy is expected to come to us.

CHRISTMAS, 1888.

DEAR MADAM,—Please accept these two little knitted shirts, which were made for a darling child, who was taken back again to her Father's arms, Dec. 2nd. Please give them to a very poor little one, and may God in His mercy bless and keep it.

TORONTO, Dec. 22nd, 1888.

DEAR MADAM,—Enclosed please find \$5.00, to be applied as you may be directed for the benefit of the Hospital. I may say in explanation of this small donation, that on the occasion of my visit to the Hospital last year, with the committee of the I. O. O. F., that I promised, if my expectations in the matter of an investment were realized, I would give \$25 of the proceeds to your work, but as they were not realized, I was unable to do so, but continued to ask for blessings on your work. After retiring last night, while thinking of the blessed work in which you are engaged, and my duty as a steward to help in it, I was reminded of the reproof given to Naaman by one of his servants, when he said: "Master, if the prophet had bidden thee do some great thing, wouldst thou not have done it?" So I decided, the Lord being my helper, (as I could not give the \$25) to at least send \$5, which will be the *minimum* of my annual subscription; and as the Lord may see right to prosper me the increase will be proportional.

And now, asking an interest in your prayers, that I, a very weak servant of the Lord, may be strengthened and enabled to do at least something when there is so much to be done, and on my part promising to aid you in your blessed work and to pray that His choicest blessings may continue with your institution.

I remain,

Yours in Christ,

"A STEWARD."

PERTH, Dec. 23rd, 1888.

DEAR MADAM,—Some of the children are quite anxious to send some of their books and dolls to the sick little girls and boys, so we made up this box, which I know will be received in the spirit in which it is sent.

One little boy thought it must be very hard to be sick all the time, so he sent his box with the coppers in, and I know it would be quite a sacrifice on his part for he does not get many nice things or coppers either.

All send Christmas greeting to the children.

Yours sincerely,

JEAN M. RIDDELL.

The box contained toys of all kinds, dolls, puzzles, scrap books, marbles, etc

God has promised to hear the united prayer of faith:—"If two of you shall agree on earth, as touching anything that they shall ask, it shall be done for them of my Father which is in Heaven." God has faithfully kept His promises, as is evidenced by the fact that last year the large sum of \$11,978.08 (almost \$12,000) were received for all purposes connected with the work of the Hospital, and we closed the year with a balance. This amount does not, of course, include the

\$20,000 grant received from the City for the new Hospital. Since the H. S. C. was opened, fourteen years ago last March, the sum of

\$65,238.02

has come into the Treasury, and no means other than those stated above have been used.

Last year, the maintenance of the Hospital required the sum of \$6,218.96; the Lakeside Home a further amount of \$1,854.37. To some, this might seem an unnecessarily large amount; but it must be borne in mind that our children are *sick* children. They cannot be employed in any way, and even in their convalescence, they require as much, if not more care than when they are in bed. They cannot help themselves, but must be lifted, carried, fed, nursed, watched, amused, instructed, and entertained. Our great object is to teach the children, as they are able, lessons of trust in the wonderful Jesus, who came to save and bless little children; to heal the body, if possible, and to carry some brightness into lives, that, without our care, would be wretched and lonely indeed. This work requires time and many helpers.

The children must frequently be coaxed to eat, and dainty morsels must be prepared for them. Poor little Mary, who is slowly dying, has sometimes a half-dozen different condiments at her side. On Friday last she wanted "a pancake," not a "bought one," but an old-fashioned home-made one, made "big" to cover all the pan, and "buttered." Several minutes are occupied in preparing Mary's pancake, and when it goes up, perhaps the poor little creature will only just taste it. Nevertheless it is a work of love, and in the name of the Loving One it is done.

In March last, the beloved President and Founder of the Hospital,

MRS. L. McMASTER,

informed the Committee that she had decided, after mature consideration, to enter a training school for nurses, in Cook County Hospital, Chicago, with the intention of taking the two years course of training. Her object in taking this step was to qualify herself more fully for the duties of the Presiding Officer of the Hospital. This determination was keenly felt by every member of the Committee, especially on account of the critical state of our affairs, with regard to the Rose-dale property, and the preparations for the new building. Mrs. McMaster, however, was firm in her decision, and it was finally agreed to request Mrs. Harvie to act as President during her absence; and on Feb. 23rd, we bade our sister and fellow worker God speed.

It is almost impossible for one to conceive the amount of self-sacrifice required to carry out what seems to us a noble resolution. It involves separation from children and friends, hard—almost *menial* work, long hours, restraint, conformity to discipline, besides many other things connected with the profession of nurse, which are both unpleasant and difficult; and yet all this is borne cheerfully and patiently by our President, that she may be better qualified to care for Christ's little ones.

During the year, two of our Trustees, Hon. Chancellor Boyd and Hon. Mr. Justice Patterson, felt it necessary to resign. Mr. Patterson had been for years a kind and unfailing friend to the Hospital, and only his removal from Toronto to Ottawa led him to sever his connection with our Committee. We are greatly indebted to Chancellor Boyd for wise counsel and direction in our business affairs. Mr. A. M. Smith and G. A. Cox have been elected as Trustees, to fill the vacant places. We have also to record the resignation of our valued friend and fellow-worker, Miss Martha Rogers, who has been appointed a missionary to India by the Baptist Women's Board of Missions. Miss Rogers will sail in a few weeks, and our earnest prayer is that she may be enabled to tell the Gospel story with such wondrous power that many through her words may be saved.

DEATHS.

Six of our children have been taken home to Jesus. *Louise C.*, a little infant, 2 months old, brought in ill with bronchitis.

Mahala R.—, a little girl, 12 years old, almost gone with consumption when she was admitted. This was a sad case—the mother has been in the Haven for a number of years. *Mahala* was sent to the Girls' Home, and after a time was placed in a good home in the country. Soon the fatal disease, consumption, began to develop. As the last hope she was sent to the Hospital, but died in a few days.

Mabel K.—, 1½ years old, sick with bronchitis.

John W.—, a bright little boy, 2 years old. He came in with an affection of the lungs.

THE CHILDREN IN THE HOSPITAL ON 31ST SEPT., are—

Charlie D., a dear little fellow of 3 years, who expects to go home well tomorrow.

Willie, a boy of 4 years, whose muscles are subject to severe and painful contractions.

Polly, 9 years old, who has Pott's disease of the spine.

Joe K., 12 years old, and suffering with spinal disease. *Joe* has been with us over 7 years and is of great help in the wards.

Faith, a girl of 13 years, with typhoid fever. She is recovering nicely.

Alice, a little girl 3 years old, who has a very sore neck.

Maggie, 7 years, a case of hip joint disease.

Maudie H., 8 years, another hip joint case, in which a large abscess is forming.

Jennie, 14 years old, also with hip disease.

Ella, 11 " " "

Mary, 11 " " "

Johnnie, a boy of 4 years, who has spinal disease.

Georgie, 6 years old, with very painful abscesses in his back.

Georgie, a dear little fellow, 4 years old, with hip joint disease.

Willie, boy, 7 years old, and paralyzed.

Sarah, a delicate girl of 15 years.

Liza, a girl of 13, troubled with heart disease.

Mary, a poor delicate child of 7 years.

Lizzie, a romping girl, 4 years old, who has a very sore throat.

Mabel, a tiny mite of 3 years, deaf and dumb.

Little *Ida*, from Orillia, four years old and now beginning to walk with aid of a splint, after being in bed over a year.

Georgie, from Spanish River, has a very painful disease in the knee which he bears manfully

Little *Willie*, 2 years old, has badly deformed feet which we hope to benefit.

Willie has been with us a long time, suffering from abscesses in his back. He is now 7 years old, and is known better as "Jumbo."

Fred is 10 years old, and has quantities of diseased bone in his leg.

Grace, a girl with an exceedingly pretty face, but a deformed little body.

Blondina, a dear little girl, 3 years old, now well and ready to go home.

Iosa, from Cobourg, a child of 6, not very bright, and who has a cleft palate.

Mary Jane, 6 years old. A very bad case of hip joint disease.

Bruce has Pott's disease of the spine.

Mary is five years old and has a badly burned chest and neck.

Willie, from Roache's Pt., is 12 years old.

Mabel, a bright child of 4 years, has disease of the hip.

Alfred is 8 years and has diseased bone in the leg.

Eliza is 12 years and suffers from hysteria.

George is 13 years and has white swelling of the knee.

A number of these children, though sick, are able to sit up during the day, while some have to lie in bed from one week to another. Those walking round the wards are very kind to those in bed, making many steps for them and bringing them the toys they desire.

It is interesting to note that the children of Ontario and from other parts of the Dominion are doing much towards the support of the Hospital. Through the year from children's earnings and savings we have received \$892.08; from Sunday school and Bible classes, \$264.02; and from Sunday schools in support of cots, \$485. The amount required per year for the support of a cot is \$100.

BENEDICTION.

Little *Joey*, our oldest patient, (that is the one who has been longest with us), was organist. Her delight was unbounded when Mr. Blake introduced her to the audience as Miss Joey Kane, the organist for the occasion.

The ladies who come every Wednesday to repair old garments and make new ones, are always faithful. Some of our children remain with us for months and years, consequently supplies of cast-off clothing, in good condition, are always in demand. We ask our Heavenly Father for the children's clothing as well as for their daily bread; and one way in which He answers is, by moving the hearts of our kind friends to give an afternoon a week to making and mending for the little ones.

Christmas was a happy time for the children. As they have kindly done for years, the Misses Bayley provided a grand dinner, catering for each according to his or her appetite. On the 27th, Santa Claus, in the form of Dr. Thistle, came, and distributed the gifts, from a loaded tree, among the patients.

SLEIGH RIDES FOR THE CHILDREN.

At the beginning of the season, Mr Robertson arranged that the convalescent little patients who were able to sit up and be dressed, should have a sleigh ride every week while the snow lasted. The day for the ride was the important day of the week; generally three, or at least two large double sleighs were drawn up at the door, and it was amusing to watch the "getting ready" and the "starting" of the funny procession.

THE ODDFELLOWS' VISIT

was a rare treat for our little ones. These kind friends do not send gifts,—they *bring* them, and express, by a gift, with the name attached, their personal interest in every child. The ladies of

THE FLOWER MISSION, W. C. T. U.,

have sent flowers, fruits, and jellies every Friday during the season; they also give instruction, after the Kindergarten method, to those who are able to receive it. A novel contribution came to us this year, in the shape of a small barrel containing \$12.47, worn by the

ST. BERNARD DOG, "PLINLIMMON," AT THE EXHIBITION.

This beautiful dog, with the barrel attached with a pretty collar to his neck, with the words "For the Hospital for Sick Children" inscribed upon it, attracted much attention; and the gift he sent was a welcome one. From various churches in Toronto and others in Ontario, we have received many gifts of flowers which brightened up the wards wonderfully.

Our story is now concluded. It has, perhaps, in some respects been a tedious one, but as this year marks a crisis in our history, we have entered more fully into details. In closing, we ask God most earnestly to bless each one who has helped, in the smallest possible way, this Christ-like work of caring for the suffering little ones. May our workers ever remember that the children are very near to the heart of Jesus. "Take heed that ye despise not one of these little ones; for I say unto you, that in heaven their angels do always behold the face of my Father which is in Heaven;" and that in comforting, healing, and making their lives happy, they are doing it unto Him. Our motto for this year is: "In His Name."

REPORT OF THE LAKESIDE HOME FOR 1889.

The sun rose warm and bright on the morning of June 20th, rejoicing the hearts of many anxious little people in the Hospital for Sick Children. This was the day on which twenty-four sick children were to be moved to their summer home on the Island. Long before ten o'clock the wards presented a most animated and curious appearance; cots divested of clothes and mattresses were being tied up and removed; cupboards were being emptied and the contents packed into baskets and boxes by the excited children; Joe was everywhere in demand, helping to dress the numerous dollies in their best clothes for this important journey; all around were bright smiles and happy faces, though worn, in some cases, by suffering children. After dinner, and there was very little eaten that day, the children were made ready for removal by their kind nurses, limbs bandaged, splints put into place, crutches brought out, and warm clothes put on all that none might take cold.

At 2 o'clock all was ready, the ambulance and cabs at the door. Then our kind friends, Dr. MacCallum, Mr. Cullen, and six medical students tenderly lifted and carried our little patients to their respective places. Through the kindness of Dr. Nattress, we had the use of the stretchers belonging to the Queen's Own Ambulance Corps, which were of great assistance in removing those children with the long splints; some of the worst hip joint cases were put in the ambulance—Jennie Galloway, Ella Henry, Maudie Harris and Mary McAvoy. Nurse McKellar took charge of these girls, with Joe Kane as assistant, while Mr. Cullen and one of his friends rode with the driver to the wharf to assist in removing the children. The other children were placed in the cabs by Dr. MacCallum, with a nurse in charge of each. They drove off merrily, waving their hands to dear Miss Cody and the nurses who were to remain behind. We reached the Union station to find that the horses belonging to the Ambulance would not cross the track to the York Street Wharf, so the children had to be carried from the station to the wharf, and we were thankful to have Mr. Cullen with us to do this work. Mrs. Harvie met us at the wharf and assisted in making all comfortable and happy while waiting the arrival of our boat.

In the meantime, at the Hospital, Dr. MacCallum and his friends were placing Georgie Gay, Georgie Soper, Georgie Skippen, and Johnnie Brown in the Ambulance. Then they quickly joined us at the wharf, where, through the kindness of Mr. John Hanlan, the little boat "Rescue" was awaiting us. Very soon the children were placed on mattresses in the bottom of the boat, then Mrs. Harvie, the nurses, Dr. MacCallum, Mr. Cullen and his friends followed, quite filling the "Rescue." At last we are off, slowly out from the wharf, then out through the gap at the Queen's Wharf, and away round the Island—the children keeping us busy answering their numerous questions, and replying to exclamations of delight. Little Georgie, lying in the bottom of the boat, eagerly asked "If the island was this way or that way," pointing in the directions he meant with his tiny fingers, and seemed quite satisfied when told "This way," though he could see neither land or water—only blue sky above his head. One small maiden, who was enjoying her first trip to the Island, exclaimed, "Oh, I never thought anything could be so nice!" Soon Captain Murray's Wharf, our landing-place, was reached, and the children recognized Miss Underhill and Mrs. McGarvey, wait-

ing there to meet them, with mattresses, on which to place the children; and all the baby carriages, etc., which could be borrowed from our Island friends. Here we missed the familiar face of our dear friend, Mrs. McMaster, who always rejoiced to have the little ones safely settled in their Island Home; we spoke and thought of her, and were sure that she, in her distant home, was remembering us. Now began the work of moving the children from the wharf to the Lakeside Home; some were carried on the stretchers, some wheeled in the carriages, some carried, while a few walked with the aid of crutches—a strange and funny procession we made, to be sure. Everything was in readiness at the Lakeside Home; each bed turned down, waiting its little occupant; we saw each child comfortably placed in its bed, heard them sing—

“ We thank Thee, Lord, for this our food,
And more because of Jesus' blood;
May manna to our souls be given,
The Bread of Life sent down from Heaven.”

then enjoy their evening meal, and very soon settle down into quiet happiness. After enjoying our tea, we walked slowly to the Point, thanking God for sending us such kind friends to help us in this, His work, among sick and suffering children.

On Saturday, June 29th, a deputation of the I. O. O. F., of Toronto, visited the Lakeside Home, bringing a valuable and suitable gift for each child. These gifts were presented by the Oddfellows themselves, who take a deep interest in the welfare of our children, and who add much to their happiness. Little Ida was delighted with a beautiful wax doll and large doll's carriage; while Ella Henry was deep in one of “Pansy's” books. Arthur Smith, the occupant of the cot supported by the Oddfellows, was happy with a handsome copy of the “Arabian Nights,” and on the whole, this was a very happy day for the children in the Lakeside Home.

During the next week, a floral offering from Woodstock reached the Lakeside Home and beautified the wards there for several days. On the 4th of July there were thirty-four children in the Home, one a dear little mite, Tilly, four years old, who could neither walk nor talk, and weighing only fifteen pounds. Though this little girl was so tiny, she had a bright and winsome face, attracting all to her. You will be glad to know that when she left the Home at the close of the summer, she had begun both to talk and walk.

Our kind friend, Mr. J. Ross Robertson, visited us early in the season, and desired that the whole household should enjoy berries and cream each Saturday at his expense. This treat was thoroughly enjoyed by all.

Mr. Skippen, father of our little patient Georgie, sent us a large box of “blueberries,” from Spanish River, which were much appreciated.

This summer Mr. G. A. McKenzie, his wife and mother invested \$500, the interest, \$25 a year, to be for the perpetual maintenance of the “Allan Norman Cot”; this is the first Cot which has been endowed at the Lakeside Home.

The cost of keeping a Cot at the Lakeside Home, for the summer season of three months, is \$25.

At the beginning of the summer, we decided to sheet and paint the Home, at a cost of \$575. Even though we had this heavy extra expense, we only *now* have overdrawn our Lakeside Home account, and that not to a large extent. This shows that the interest in our work is increasing, and we thank God for it, and take courage for the future.

Mr. Doty kindly provided us with *four passes* for the season, over his line of ferries; thus our household was enabled to go to and from the city free of charge. One pass was also sent to our Lakeside Home physician, which was of great use to him. We here thank Mr. Doty for his kindness in giving these passes, also in so comfortably bringing home the children from the Island on September 16th and 18th. We also wish to thank Dr. MacCallum for his great faithfulness in attend-

ing to the children

The little dresses and suits of clothes, provided by Mrs. Morse and her friend, gave a presentable appearance to our family of children, and we wish to offer thanks for this gift.

During the summer, 90 children were admitted to the Lakeside Home ; some from the H. S. C., others sent in by physicians through the city, some from the Girls' Home and the Haven, while others were delicate children needing a change of air, which we were only too glad to be able to give them.

We have to thank our Heavenly Father for His continued blessings to us in our work at the Lakeside Home, and pray that He will always be with us to bless us and do us good.

Are you out of Tea or Coffee?

Are you tired trying to find Tea or Coffee to suit you?

Are you willing to buy a trial lot from a first-class cash house which has had twenty-five years' experience in blending Teas and Coffees, and which guarantees every lot sold to suit you or money refunded? If so, please give a moment's time to a careful study of these few remarks and the adjoining prices.

The time has gone by when a person having nothing else to do could sell Tea and Coffee until something better turned up. The public now-a-days require that every tradesman should be a thorough master of his business in all its details, giving proof of his excellence by his success therein. The house of Richard Donald, 134 King Street East, Toronto, is one which has thus proved itself. After a quarter of a century's steady progress there is no house that can stand a closer inspection or more severe trial. Every branch is thoroughly looked after and its success thereby assured. The Tea and Coffee branch especially so. The goods are carefully bought and as carefully

blended, so as to give the customer the very best results for the money invested. All that is asked is that the purchaser shall buy the tea generally used by them and at nearly the same price (not more than 10c. per lb. lower). The Tea thus bought is fully guaranteed to suit you or no sale. The same rule applies also to Coffee of which no house in Toronto enjoys a larger sale.

TERMS :—Cash.

City orders will be sent C.O.D. to any address.

Orders from outside the city must be accompanied by the total amount of order.

For twenty pound parcels an additional discount of 5 per cent. will be given, and these parcels may consist of as many different Teas or Coffees as you may choose to order; they will also be delivered free of all charges to any station in Ontario.

Correspondence invited.
