The copy filmed here has been reproduced thanks to the generosity of:

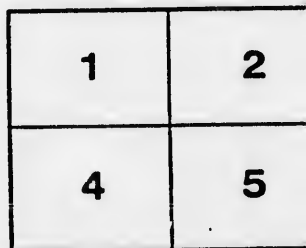

The United Church of Canada Archives
Victoria University Archives

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

THE CANADIAN

The Tailor

That talks best is the tailor who talks through his Clothing. What idiocy to spend money advertising a foolish superiority over all other tailors if one's garments do not prove it. We claim nothing. We point to our customers and their clothes. We only ask the credit of good taste.

We make a specialty of **Clerical Clothing**. Shall be pleased to have ministers and laymen call upon us.

IT REQUIRES YEARS

of education and practice to determine with any accuracy the value of Diamonds, for their value depends not alone upon their weight, size, color, shape or brilliancy, but upon a combination of these qualities. WE POSSESS THAT knowledge, and in purchasing from us you have a guarantee of being honorably dealt with, and on as favorable terms as fine Diamonds can be obtained.
