BRITISH RETAKE LOST LINES--- POSITIONS AT HOOGE REGAINED AFTER DECISIVE BAYONET ACTION

Germans Defeated Along Three Quarter Mile Front— Metz Shelled.

London, Aug. 10.—The British forces before Hooge, in Belgium, threw themselves against the Germans yesterday morning and were everywhere successful. All of the trenches in this locality lost to the Germans on July 30 were retaken, as well as some fresh ground, making in all the capture of about three-quarters of a mile of fortifications.

SCENES IN WARSAW AFTER THE RUSSIAN ARMY EVACUATED

London, Aug. 10.—Stanley Washburn, a special correspondent for the Times, who was in Warsaw up to the moment of evacuation by the Russians, sends a despatch describing the hours that preceded the fall of the city. The despatch which is dated Warsaw, August 4, 8 P.M., says:

BRANT BOYS THANK PEOPLE FOR TOBACCO

Two Letters Received From the Trenches in France.

The Courier to-day takes pleasure in publishing the following letters from Capt. Jones and the men of No. 6 Platoon 'B' Co., 4th Battalion, the first contingent now in the trenches. They wish to thank this journal for its kindness in collecting the comforts now being forwarded regularly.

Dear Sir—We, the undersigned men of No. 6 Platoon 'B' Co., 4th Battalion Brantford, first contingent, wish to tender our very hearty thanks to all who so kindly contributed in sending out to us the practical gifts of tobacco, cigarette papers, lead pencils, etc. It is both satisfactory and pleasant to us to know that whilst we are engaged in this life and death struggle for freedom and liberty we still retain a place in the hearts of the people of Brantford and districts and at the same time we wish to express our sympathy with the relatives and friends of all who have fallen in this campaign.

GREAT LOSSES FOR GERMANS WHILE ATTACKING

Geneva, Switzerland, Aug. 10.—A despatch to The Tribune from Innsbruck, Austria, says that in the recent fighting along the section of the eastern front running from the Pissa River to Ostrov, northeast of Warsaw, the Germans lost 65,000 men killed or wounded, but succeeded in capturing the principal fortified positions of the Russians.

ALLIED SUBMARINE SUNK

By Special Wire to the Courier. CONSTANTINOPLE, AUG. 9, VIA BERLIN, AUG. 10.—BY WIRELESS TO SAYVILLE.—A SUBMARINE OF THE ENTENTE ALLIES WAS SUNK NEAR BULAIR THIS AFTERNOON BY A TURKISH AEROPLANE, WHICH THREW BOMBS UPON THE CRAFT. ALL THE CREW WERE LOST.

FRENCH FIELD POST STARTING FOR THE FRONT

In this photograph is shown a French field post leaving Hermaville, the general headquarters of the French army operating in the Arras region, for the front. The field post is one of the lesser triumphs of the war, but despite the volume of work dealt with in regard to distribution and collection of letters and parcels, which is extremely great, cases of non-delivery are a rarity.

OPTIMISM FELT OVER MEXICAN AFFAIRS NOW

Resumption of the Pan-American Congress to Take Place Tomorrow. Washington, Aug. 10.—With a definite program for the pacification of Mexico agreed upon, administration officials were ready for the resumption of the Pan-American conference in New York to-morrow. At that time the plan will be taken up for formal ratification.

MOVIE MAKING OF THE BATTLEFRONT FOR GOVERNMENT

British Authorities Are Endeavouring to Have an Authoritative Record Taken. London, Aug. 10.—Under the authority of the war office, arrangements have just been completed for taking a complete moving picture record of events of the war in the British lines, both at the front and along the lines of communication.

GERMANIC PEACE PROPAGANDA OPERATING OVER A NEW FIELD IN THE DUTCH PRESS PROPOSALS

London, Aug. 10.—Appropos of the reported German peace proposal to Russia, the Times this morning (Tuesday) publishes the following Amsterdam despatch, dated August 9th:

TURKS ARE NOW BEING OUTFOUGHT

PARIS, AUG. 10.—THE ALLIED FORCES HAVE RESUMED THEIR ATTACKS UPON THE TURKISH POSITIONS AT THE DARDANELLES WITH GREAT VIGOR DURING THE LAST TWO DAYS AND HAVE MADE SENSIBLE PROGRESS ON THE GALLIOLI PENINSULA, ACCORDING TO A HAVAS DESPATCH RECEIVED FROM ATHENS. THE TURKISH LOSSES HAVE BEEN HEAVY. SIMULTANEOUSLY THE ALLIED FLEET BOMBARDED THE TURKISH POSITIONS ON THE DARDANELLES, INFLECTING SEVERE DAMAGES UPON THEIR DEFENCE WORKS.

ITALIANS GAIN OVER AUSTRIAN TROOPS AGAIN

New Armies From Russian Front Were Hurling Back. Geneva, Switzerland, Aug. 10.—Via Paris—The appearance on the Italian front of Austrian troops released from the Russian campaign is announced by The Tribune, in a despatch from Laibach, Austria. These troops, to the number of 30,000 which are equipped with artillery sufficient for two army corps, attacked the Italians yesterday outside of Gorizia. The Italians brought up additional artillery and after a battle of fifteen hours, the despatch says, forced the Austrians to retreat into Gorizia, leaving 2,000 dead on the battlefield.

YANKEE SAILORS GET CERTIFICATE OF IDENTIFICATION

Washington, Aug. 10.—Certificates of registration will be issued to American seamen now in British waters in lieu of the passports now required by British law for ships crews as well as travellers. Orders were cable to consuls in England to-day as passports can be issued only in Washington and can be obtained by mail or personal applications. As the British order requires only adequate identification, the certificates, bearing photographs are expected to suffice.

GLASS SHATTERED AT PORT DOVER

Port Dover, Aug. 10.—On Sunday the most remarkable hail storm in the history of this district of Norfolk took place in an area extending about two miles north of Port Dover and several miles east and west along the lake front.

THREE HUNDRED FINE

Woodstock, Aug. 10.—Edward Hall, proprietor of a temperance hotel at Princeton, who was charged the other day with selling liquor in a local option village and who was fined, was Saturday sentenced to pay a fine of \$300 for the offence. Failing to pay the fine, Hall was sent to jail for three months, or until the money is forthcoming.

MAY BE TRAINED IN OLD COUNTRY IN THE FUTURE

Ottawa, Aug. 10.—The advisability of keeping four divisions in England and France instead of two, as at present, is to be considered by the Militia Department, it was learned to-day. It would mean that future units would be equipped here but would get all their training in England. At present Canada has one division at the front and another, the second, in England perfecting its training. It has practically two divisions in Canada—the third, minus the drafts sent over as reinforcements; and those regiments of the additional 35,000 men which have now been recruited.

TURKS LOSE BATTLESHIP TO THE ALLIES

Constantinople, Aug. 9.—The Turkish battleship Kheyr-ed-Din Barbarossa, of 9,900 tons displacement, and formerly the German warship Kurfurst Friedrich Wilhelm, has been sunk by a submarine of the entente powers, according to an official announcement issued to-day by the Turkish Government. A majority of the officers and men composing the crew of the Turkish battleship was saved.

LOMZA FORT TAKEN

BERLIN, AUG. 10.—FORT NO. 4 AT LOMZA HAS BEEN STORMED, AND THE TOWN OF LOMZA, WHICH IS SITUATED ON THE NAREW RIVER, 72 MILES SOUTHWEST OF SUWALKI, HAS BEEN OCCUPIED BY GERMAN FORCES, ACCORDING TO AN OFFICIAL STATEMENT ISSUED BY THE GERMAN STAFF TO-DAY.

Maintaining Unity of Corps — Plan is to Supply Drafts From Four Divisions.

The practice since the sending over of the second contingent has been to supply reinforcements through the medium of drafts from units raised as the third contingent. Though this plan was the one advisable under the circumstances, it has its disadvantages. For one thing, the sending over of drafts interferes with the esprit de corps of units, which, as a rule, prefer to maintain their unity. It was announced, therefore, this morning, that the authorities would shortly give consideration to the plan of raising and equipping troops here and immediately sending them over to England where they would get their training. Two extra divisions besides the two which are now on the other side of the water would thus be maintained in England, the drafting to be done there instead of from Canada.

Fighting Cannot End War, So Allies Will Listen, Say Huns

London, Aug. 10.—Appropos of the reported German peace proposal to Russia, the Times this morning (Tuesday) publishes the following Amsterdam despatch, dated August 9th:

Paris Reports Series of Further Gains on Gallipoli.

PARIS, AUG. 10.—THE ALLIED FORCES HAVE RESUMED THEIR ATTACKS UPON THE TURKISH POSITIONS AT THE DARDANELLES WITH GREAT VIGOR DURING THE LAST TWO DAYS AND HAVE MADE SENSIBLE PROGRESS ON THE GALLIOLI PENINSULA, ACCORDING TO A HAVAS DESPATCH RECEIVED FROM ATHENS. THE TURKISH LOSSES HAVE BEEN HEAVY. SIMULTANEOUSLY THE ALLIED FLEET BOMBARDED THE TURKISH POSITIONS ON THE DARDANELLES, INFLECTING SEVERE DAMAGES UPON THEIR DEFENCE WORKS.

SHE STUCK TO HIM

Marriage in Paris of a Badly Crippled Lieutenant.

Paris, Aug. 10.—The most pathetic marriage in Paris since the war started was celebrated in the Church of the Antoine Quarter between Lt. Canler, who lost both eyes and his left arm in the explosion of a shell at Vouglans, Lorraine, and Mlle. Mariotte Pothion, instructor at the Normal School, at Tunis.

Despite the mutilation of his face, the couple made a magnificent appearance. The scene at the Mairie before the religious ceremony filled the spectators with deep emotion.

LOCAL NEWS ITEMS

NO CONNECTION. The Jack Johnson referred to in the police court news is a Paris man and not connected with Mr. J. Johnson, baker, city.

BASEBALL. London Free Press—Up this way the Brants look like the ball team to beat and it should be more like Ottawa being lucky to get more than one game in Brantford the first of this week.

AN INCREASE. It is unofficially stated that an agreement has been concluded between the Grand Trunk Railway and its engineers and firemen whereby the latter will get a wage increase of between 5 and 6 per cent.

NOT ABLE TO ATTEND. Young Howarth who had his leg broken in the automobile accident when Mr. James was killed is still in Brantford Hospital and will be unable to give evidence at the inquest which opens to-night in Ancaster. In addition to a fractured leg he is suffering from severe shock.

CELEBRATED BIRTHDAY. On Sunday Mr. Spence, of the Adam Spence and Sons, carriage works, celebrated his 85th birthday. He was born in the north of Scotland, Aug. 8th, 1830, and left for Canada in 1850, working in Quebec and Belleville, and then learned the carriage business in Hamilton. He came to Brantford, April 21st, 1854, and worked for Smith and McNought, who failed during the crisis of 1857. He then successfully started on his own account. Mr. Spence who is an ardent adherent of Zion Presbyterian Church, has always proved himself a most sterling citizen in the highest sense of the term.

AT MOHAWK PARK. It is estimated that nearly four thousand people were present at Mohawk Park during the day and evening of Civic Holiday.

EX-OFFICERS MEET. The ex-officers of the 38th Dufferin Rifles will hold another meeting in the armories on Wednesday evening, regarding the machine gun contribution.

LARGE ATTENDANCE. There are 2,000 delegates in attendance at the sixty-first annual convention of the International Typographical Union in San Francisco. Mr. George Ward is representing the members of the craft in this city.

A REQUEST. Those who are intending to contribute towards the gun fund, and everybody should, are requested to kindly put their names down for what they feel they can afford without having canvassers call two or three times.

CUP PRESENTED. On Saturday afternoon, in the final football match for the John Hill Charity Cup, the Thistles defeated the P.S.A. 3 to 2. There was a good attendance and some \$16 collected. At the close, Ald. Pitcher, in a few timely words, presented the trophy to the Scotchmen, who have this year annexed all three local cups—Courier, Expositor and now the John Hill.

IN GOOD SHAPE. Many flattering compliments were paid yesterday to Superintendent of Parks, John Waller, on account of the splendid improvements recently made at Mohawk. A very great change in the surroundings is noticeable and when the improvements contemplated are completed, Brantford will possess one of the finest picnic grounds in the country. The car service to and from the Park yesterday was also good and the manner in which the large crowd was handled was certainly a feather in the caps of the Municipal Railway Commissioners and their efficient railway staff.

EXCEEDED SPEED LIMIT. Mr. I. S. Armstrong, 83 Dundas street, and a member of the Board of Education, while on his way to business on Saturday morning met with a nasty mishap, which gave him a bad shaking up. While going down Terrace Hill on his bicycle, his castor break refused to work and so both went down to the bottom of the hill with great rapidity. While endeavoring to negotiate the turn at the bottom of the hill, his wheel skidded in the mud and landed the occupant with great force on the cement walk. A number of men assisted him and on arriving at home found himself badly shaken up and bruised. Dr. Gamble who was called said there were no bones broken and that the trustee would be around again in a few days.

PLAYER HONORED. A very pleasing event took place on Saturday night when a farewell party was given to Herbert Bonner, of the P. S. A. football club, at the home of Mr and Mrs W. J. Hollands, on Rawdon street. Mr. Bonner has enlisted for active service in the 25th Dragoons, and is expected to leave the city soon. Having played for the P. S. A. the last two seasons, he has become well liked and respected, and in consideration of this he was made the recipient of a beautiful wrist watch. The president, Mr. E. W. Maynard, read the address, while Captain Hollands made the presentation to Mr. Bonner, who expressed his deepest thanks. The rest of the evening was taken up with songs and dances, and a happy time was spent and enjoyed by all.

ACTING-MAYOR. Mayor Spence left on Saturday for Port Dover, and during his absence Ald. T. E. Ryerson is acting-Mayor.
GOOD FOR HIM. The Courier in the list of recruits for the Second Dragoons, put down Geo. Caswell, of 182 Marlboro street, as a Canadian. Mr. Caswell is an American, but who believes in the cause of the allies enough to fight for it.

LIFE INSURANCE. W. J. Seymour, city clerk of Niagara Falls, wanted to know, in a communication to City Clerk Leonard, this morning, what action was being taken by the Brantford council to insure the carriage drivers who enlist for overseas service.

GRAVES DECORATED. On Sunday members of the Knights of Columbus decorated the graves of deceased members in the Roman Catholic cemetery. Despite the unfavorable weather, there was a good attendance, and Dean Brady delivered an eloquent address.

SLIGHT COLLISION. On Monday evening, at about 8 o'clock, a slight accident occurred at the Grand Trunk station. It happened that a Market street car was standing at the end of the line and rather obscured the view of a driver, who steered his auto around the end, so he could not stop in time to avoid a slight collision with a horse and buggy driven by a soldier and his lady friend. The car was knocked over on its side and the occupants thrown out, but fortunately no one was injured. The wheel of the carriage was the only thing that sustained injuries.

Two Former Citizens Have Passed Away. The death is announced of two former Brantfordites, Mr. Robert Turner and Mr. Ben Foster. Mr. Turner for many years ran the "Palace" Grocery store on Colborne street, but was better known as the manufacturer of "Turner's Tonic Bitters." He passed away at the residence of his son in Detroit in the 83rd year of his age. Mr. Turner was prominent in local circles for many years and had served more than one term as alderman. He left Brantford many years ago, but paid an annual visit to the place in order to renew old acquaintances.

SCOTLAND NEXT? London, Aug. 10, 4.21 p.m.—A Central News despatch from Amsterdam says that five Zeppelins were sighted this morning off Vliefland, near the entrance to Zuider Zee. They were taking a northwesterly course, in the direction of the Scottish coast.

GERMANIC PEACE. (Continued from Page 1)
fleet are unbeaten will ultimately listen to the voice of reason. There is no single reason why their opponents should offer conditions that would exclude a rapprochement and prolong the war unduly.
"The chance of obtaining peace while exhausting the enemy is small for all the belligerents' general staff everywhere desire to impose upon the enemy a peace which would make it impossible for him to resume hostilities for generations. There is little chance of realizing this wish.
"There is far more probability of realizing the desire of the Socialists in all countries to negotiate for peace on the basis that the victor will not annex peoples of any race or language different from their own, though such a basis would, of course, need to take account of the results achieved on the battlefields.
"These two claims may appear irreconcilable, but it should be remembered that, apart from conquest in Europe, there are many other means of restoring a balance, and providing compensation."

TWO HUNDRED YARDS GAINED. London, Aug. 10, 5.20 p.m.—Troops of the entente allies in the Dardanelles made a gain of 200 yards on a front of 300 yards east of the Krithia road on the Gallipoli peninsula, it was officially announced here to-day. A footing has been gained in Chunuk Bahr and another landing effected elsewhere, the statement adds.

GERMANS ADMIT LOSS. Berlin, Aug. 10.—The statement follows: "Western theatre of war: East of Ypres strong British forces succeeded in taking possession of the western part of Hooge. Mine explosions in the neighborhood of the hamlet of Beausejour, in Champagne, were without success.

he tried to eliminate the misunderstanding between the two countries, which he considered stupid and highly obnoxious for both, but his zeal did not correspond to the political ideas of his sovereign.
"The Belgian minister at Paris on October 8, 1908, declared that Russia would not be admitted to the Berlin treaty. The Belgian charge d'affaires in London on April 12, 1907, wrote:
"King Edward's visit made to his royal nephew in Carthage had as its main object to try to strengthen the bonds that unite Spain with Great Britain and to diminish as much as possible German influence in Madrid. The ministers of Belgium at Berlin confirmed this idea, writing on April 18, 1907:
"EDWARD, THE PEACEMAKER. "The King of England's visit to the King of Spain is one manoeuvre in the campaign for Germany's isolation, which His Majesty, Edward VII., conducts personally and with equal tenacity and success.
"The main weapon in the campaign of the English press, the newspaper says, is thus arraigned by the Belgian Minister at London, Count Laing, on May 24, 1907:
"THE BELLOW PRESS. "A certain kind of press known here under the name of yellow press, is largely responsible for the hostile feeling between the two nations, but what could be expected of newspapers like Mr. Harmsworth (now Lord Northcliffe), the editor of The Daily Graphic, The Daily Express, The Evening News and The Weekly Dispatch, who said in an interview to the Matin:
"Yes, we detest the Germans cordially. They make themselves odious

Following up this success, we made further progress north and west of Hooge, extending the front of the trenches captured to 1,200 yards.
"During this fighting our artillery shelled a German train at Langemark (five miles northeast of Ypres) derailing and setting fire to five trucks.
"The captures reported amounted to three officers and 124 men of other ranks, and two machine guns."
WORK OF AIR SQUADRON
Yesterday morning an allied air squadron consisting of 32 bombardier aeroplanes, convoyed by some scout speed planes, sallied forth to bombard the station and factories of Saarbruecken (north-east of Metz). The atmospheric conditions were not favorable, the valleys being concealed under fog and the sky cloudy. Notwithstanding the difficulties attending the proper steering of the aircraft, 28 aeroplanes reached their goal and dropped 164 shells of various calibres. The speed planes meanwhile were keeping away the German aviators who were attempting to cut off the squadron from its base. Many fires were observed in the territory shelled.

SCENES IN. (Continued from Page 1)
"Early to-day I visited the corps defending our left flank in the vicinity of Garwolin, between Warsaw and Ivangorod, and found them holding the Germans satisfactorily while our centre was being evacuated.
"I am unable to express an opinion as to the movements of the Russian army moving as quietly as on the first day of the civil evacuation two weeks ago. The Baron road is filled with tired and dirty troops coming back from their positions, and there is nothing to indicate any feeling of hopelessness, though disappointment is written on every face.

PROMISE TO RETAKE WARSAW.
"Another said: 'We do not want peace. When we have plenty of shells we will take Warsaw back again. We can never leave it in the hands of the Germans.'
"Another said: 'We do not want peace. When we have plenty of shells we will take Warsaw back again. We can never leave it in the hands of the Germans.'
In a despatch dated August 5, Washburn adds:
"I have passed the night outside the city on account of the probabilities that the road, being under shell fire, might at any hour be sufficiently destroyed to prevent motor travel. From the hills east of Warsaw one can see the sky dotted with flashes of bursting shells just outside the town. Since five o'clock this evening there has been continuous heavy gun fire in the direction of the city, which probably is a prelude to what may be the last attack before the Germans enter it. I am returning now in the direction of the city, hoping to get in once before the bridges are destroyed and the city finally passes out of our hands. There are indications that there will be only a rear guard action and after that we shall retire directly to the Brest line. (Later.) 'Warsaw has been given up. The bridges were blown up at 3 o'clock this morning and the German cavalry entered the city at 6 a.m.'

BRANTS NOW HAVE BOTH HANDS ON THE PENNANT; SAINTS AND SENATORS LOSE

Mighty Ottawa Team Humbled Twice Yesterday Before Holiday Crowds; Brilliant Fielding by the Brants; Home Runs Plentiful.

With two games on Saturday with St. Thomas and two games, morning and afternoon, with the mighty Ottawa champions, even the most ardent and enthusiastic fan scarcely dared hope that the fast-going Brants would win them all. But win them all they did, cleaning up St. Thomas on Saturday, Ottawa Monday morning in a heart-breaking game and once more in the afternoon before the largest crowd that ever patronized baseball in Brantford, with Walker, who had pitched only two days before, in the box, defeated the Senators again in such a manner that even the great and only Shaughnessy was reduced to silence and could crave no more.

dition of ball seen this year behind the dyke in the first game of Saturday's double header. Linneborn was played at short and he was lost in that position. His weak playing rattled the other players and some very queer plays were pulled off. Six boots were chalked up to their credit before the game was finished. Hughey received very little support and made two errors himself, so it is no wonder the game was lost to them. With all these boots and the five mostly scratchy hits they made, no other result than a shut-out could have been expected.

It was through one of Hughey's errors that Dunn scored in the first. Then in the third frame, two singles and a double scored two more runs. Another double smashed out by Gabby in the sixth helped to score still another. Streeter rapped out a single in the next innings, made second on an error and stole third. Then when Cooper singled, the fifth tally was made. In the eighth frame, Fried, Ryner-son and Streeter singled. On Dunn's timely double the last two runs were brought in. A general bone was pulled in this frame, when Todd, Stewart, Hughey and Linneborn tried to catch one fly, which lit in the middle of the ring.

Monday's Games: Fresh from taking two out of three from Hamilton, and in the exalted mood which goes with a team in a winning streak, Shag and his mighty henchmen tripped gaily upon the grounds of Agricultural Park yesterday morning, all his 42 cm. guns in readiness to batter down another fortress. It mattered not to him that 1000 pair of eyes were there to see and 4000 lungs were there to root for the Brants. So much the worse for the misguided people who thought that Ottawa could be beaten.

The finest test ever invented for a weak heart was yesterday morning's game. It was all the grueling, exciting contests ever staged in these parts, it takes the cake. It was a pitcher's battle between Close and Peterson, where Close pitched a little better ball, but Peterson had more control. Close was always in trouble; in five innings out of nine, Ottawa had men on bases. The Brants could scarcely get on at all, but they did once—in the fourth—and that won the game. Neither team did anything in the first, but Bullock gave everybody heart-failure in the second by walloping out a double, which Comstock reached but couldn't hold. But Close tightened, striking out Shag, while both Smykal and Powers flew to center field. But that was nothing to the fourth. Fuller walked, Bullock sacrificed him along. Shag reached first on an error and Smykal walked. Powers hit high and short to Streeter, who snapped it home, catching Fuller by ten feet at the plate.

The Brants had gone out 1, 2, 3 for three innings, but in the 4th they stirred themselves. Streeter singled, went to second on Dunn's sacrifice, and then when Peterson threw, he was ready to catch him off second. Cooper grounded out to Fuller, but Streeter got home. In the 7th, the Brants took another brace, Cooper singled, was sacrificed along, but was caught going to third on Ivers's grounder to Bullock. That ended the Brants' chances.

Close kept the Senators pretty well in hand until the 8th. In that spasm, Payne singled, Bashung fanned, and Powers took second when Dolan died. Fried to Ivers. It was then that Mr. Fuller walloped a nice looking single to left field, but Streeter ran in and dived on the ground, supporting himself by his elbows and caught him out. Shag kicked off course, but it got him nothing and he ended the game in the 9th by being caught stealing second.

In spite of a couple of misplays the Brants put up a grand defence game, while Close absolutely refused to have the Senators hit in the pinches. Gabby Ivers pulled off a back-hand catch off Peterson's drive in the 5th which was real baseball. Ottawa's infield, on the other hand, was nervous. Two in the pinches and practically handed the game to the locals, the only time they were ever dangerous.

It was not much better in the afternoon game, but the Brants were far more aggressive. Walker and Shocker were the box artists and after the 3rd inning Ottawa was never dangerous. They grouped 7 of their 10 hits in the first three innings for two runs and at that Empire Halligan presented them with one of them. The Brants put up snappy, heady ball, and walloped the pill for two homers and a triple in a manner which caught the fancy of the crowd. And it was some crowd. They were on the stands, around the fences, in the trees, everywhere and anywhere they could see and they saw about the nicest, most satisfactory game they will ever see in their lives.

The Score—Morning game: Ottawa 000 000 000-0; Brantford 102 001 12\*-7. Summary—Morning game—Stolen bases—Bashung, Shaughnessy. Sacrifice hits, Dunn, Mullin; 2-base hits, Bullock; double play, Streeter to Cooper. No. innings pitched by pitcher, Peterson 8 hits in 7; Roberts one in one; Close 6. Base on balls—Off Close 4. # CANADA CALLS

## The Empire Needs YOU!

"If we do not do more in the future than we have in the past, we are going to be beaten." These are the words of Sir John Simon, British Home Secretary. We are going to do more and **WE WILL NOT BE BEATEN**, but Canada must send more men and Brantford and Brant County will continue to do their share. What would happen to the women of Brantford if Britain were beaten? Ask the women of Belgium! They know!

# MEN OF BRANTFORD

Will you let the Hun trample British liberty in the dirt, or will you do your bit? Never mind the shirkers and the won't-works. The women of Canada want you to protect them and fight for them. **WILL YOU DO IT?**

## ENLIST NOW!

Here are the questions you would ask and their answers

- Q. I am a married man. Must I have the consent of my wife to enlist?
  - A. Yes, the following must get proper consent in order to be able to enlist for active service: (a) Husbands, (b) men over 18 and under 21 years of age must get the consent of both parents, (c) sons who are the only support of a widowed mother or whose parents are dependent upon them for their support.
- Q. What are the rates of pay?
  - A. The rate of pay is One Dollar per day before moving to camp. A further allowance of 75c a day is made to cover meals and lodging, making \$1.75 per day while in Brantford. When in camp and on active service a field allowance of 10c is made, making the total pay \$1.10 per day.
- Q. What examinations must a man pass in order to be accepted?
  - A. The recruit must be over 18 and under 45 years of age. The minimum height is 5 ft. 3 in. and the minimum chest measurement 33½ inches, with the chest normally expanded. The eyesight must be good, teeth in good condition. He must have free use of his limbs and not be flat footed. It is also necessary for the heart to be strong.
- Q. What is the reason in making a man assign at least one-half his pay?
  - A. The Government believes that if they are willing to allow a separation the soldier should be equally willing to assign at least one-half the pay received. It is hoped the families of soldiers will have the foresight and common-sense to put in the bank all the assigned pay received, so that when the soldier returns there may be a nest egg to help the family along until he receives employment.
- Q. I am a married man. What provision will be made for my wife and family?
  - A. It has been found that a woman requires an income of \$30.00 per month on her own account, \$7.50 for a child between the ages of 10 and 15, \$4.50 for a child between the ages of 5 and 10, and \$3.00 for a child under 5 years.
- Q. When does the separation allowance start?
  - A. Immediately upon being sworn in and enlisted in Brantford, but the first installment will not be paid until after the final acceptance for overseas service.
- Q. To whom are Government Separation Allowances granted?
  - A. Separation allowances are granted (a) wives, (b) children of a widower if they are in the care of a guardian. Girls over 16 and boys over 14 years of age are not eligible. (c) Widowed mothers, if the son is unmarried and her sole support.
- Q. What pensions are paid in case of the death of a soldier?
  - A. The widow receives \$22.00 a month and \$5.00 a month for each child. In the case of a soldier leaving a wife and three children the pension would be \$37.00 a month or \$484 a year. It would require \$10,800 worth of Government Bonds, paying 4½ per cent. interest, to give a pension of \$484 a year.

## ENLIST NOW!

Here are the questions you would ask and their answers

- Q. How much pay must a soldier assign to his wife?
  - A. Every man who receives a separation allowance for his wife must assign one-half his pay (\$16.50 per month) and may assign as much as \$25.00 per month, but not more.
- Q. Is the assigned pay figured as part of the income necessary to support a family?
  - A. No. The assigned pay of the soldier is not taken into account by the Patriotic Fund in determining the amount to be paid to a depending family for support. In the case of the family described above, if the soldier assigned \$20.00 per month, the total income of the family would be \$69.50 per month.
- Q. Are the requirements with regard to teeth as strict as before?
  - A. No. Arrangements have now been made at Niagara Camp to do the necessary work on teeth that are not in quite good enough state of preservation. Men are now being accepted with partial sets of false teeth, this being left to the discretion of the examining doctor. A great many men who were turned down for the first and second contingents may now join under the present regulations.
- Q. How is Government allowance paid?
  - A. It is paid by check on the Bank of Montreal forwarded from Ottawa.
- Q. How is the assigned pay of a soldier forwarded?
  - A. It is also paid by check from Ottawa.
- Q. How is the Patriotic Fund allowance paid?
  - A. It is paid by the local branch of the Patriotic Fund.
- Q. My wife is in England. Will she receive a Government separation allowance?
  - A. Yes, this will be forwarded from Ottawa regularly just as if the wife were living in Canada.
- Q. Will the Patriotic Fund help dependents of soldiers living in England or out of Canada?
  - A. No. The separation will be forwarded, but any other assistance needed would be of a local nature. All children under group ages 10 to 15 are carried at minimum of \$3 per month, one child alone in each family between these ages being carried at \$7.50; ditto between the ages of 5-10, \$4.50 per month being paid one child and the minimum of \$3 being allowed the others. Thus, if a man leaves a wife and four children, aged 13, 11 and 7 and 3, the income would be \$30 for the wife, \$7.50 for one child between 10 and 15, \$4.50 for one between 5 and 10, and \$3 for each of the other children, being a total of \$48 per month.
- Q. How much of the family income does the Patriotic Fund pay?
  - A. The Government allowance is \$20.00 per month to the wife of a soldier, the balance is made up by the Patriotic Fund. Thus in the above case \$20.00 would be paid as a Government separation allowance and \$28.00 per month would be paid by the Patriotic Fund. In no case, however, will the Patriotic Fund pay more than \$40.00 per month, and in the case of large families a certain amount of discretion is allowed to the officers of the fund.
