PREMIER OF BULGARIA ASKS FOR AN ARMISTICE
ALLIED FORCES ARE PRESSING FORWARD ON VARIOUS FRONTS

British Attack on Wide Front South of Sensee River; Lines Advanced

Wedge Between Douai and Cambrai May Be The Aim

Satisfactory Progress is Being Made, Field Marshal Haig Reports—Local Operations in Neighborhood of Arleux Also Carried Out Successfully

London, Sept. 27.—British troops attacked on a wide front south of the Sensee River this morning, according to report received here from Field Marshal Haig. First reports indicate that satisfactory progress is being made.

The Sensee River is a small stream flowing to the north and paralleling on the south the Scarpe River, which was past Arras and passes through the important city of Douai, one of the principal German bases on the Artois front in France. It is probable that the British attack is made for the purpose of driving a wedge between Douai and Cambrai, out fifteen miles to the south.

The British lines were advanced slightly north of the Sensee River in a local operation during the past night, and there were successful local attacks in Flanders. The text of the statement follows:

"At 5.30 o'clock this morning our troops attacked over a wide front south of the Sensee River. First reports indicate that satisfactory progress is being made.

"During the night successful local operations were carried out in the neighborhood of Arleux, northwest of La Bassée and southwest of Fleurbaix. Our line was advanced in these localities and prisoners captured."

Serbian Continue Their Drive, Capturing Important Towns

London, Sept. 27.—In the successful continuance of their drive northward the Serbians have entered Izbith and captured other important points, says the official statement of this morning.

A great number of additional Bulgarians and Germans have been captured in the neighborhood of Izbith and other points, says the official statement of this morning.

The Serbians now are west of the Izbith-Veles road, and have captured the village of Bogolovets, south of the road, and the village of Denirkup, in the direction of the Bulgarian border. The Serbs have captured the ridge of Kociana, twenty miles northeast of Izbith and fifteen miles from the important road southwest of the important road of Kustendil.

The statement follows: "Our troops yesterday (Wednesday) captured the very important point of Izbith, north of Denirkup. On the same day we entered Izbith. We have taken Bogolovets Hill. This morning (Thursday) our cavalry, pursuing the enemy, entered Kociana. "Our present lines run west of the Izbith-Veles road. Fighting is in progress before Veles.

"A great number of additional Bulgarian and German prisoners and enormous quantities of war material have been taken into our hands."

Synopsis: The disturbance is now centered near Quebec and rain is falling in the St. Lawrence Valley and maritime provinces. The weather is fine and generally warm in the western provinces.

Forecasts. Lower Lakes and Georgian Bay—Strong northwest winds, some scattered showers, but mostly fair; Saturday, fresh westerly winds and a little warmer.

Ottawa Valley and Upper St. Lawrence—Strong westerly winds, cool and showery today and on Saturday.

Lower St. Lawrence, Gulf and North Shore—Strong winds and gales east shifting to southwest with rain; Saturday, showery.

Mostly Fair. Maritime—Strong winds and gales southeast to southwest with rain; Saturday, strong westerly winds and mostly fair.

Superior—Strong winds and moderate gales from westward, mostly fair today and Saturday, a little higher temperature.

Western Provinces—Fair and moderately warm. Fair tonight; probably heavy frost; cooler in Maine and New Hampshire; Saturday, fair, fresh winds mostly southwest.

BULGARIAN PREMIER DEFERS ARMISTICE

Reports of Counter-Movement May Indicate That Revolution is in Progress in Bulgaria; Premier Formerly Friendly to Entente; New Move Probably Result of Threatened Invasion by Entente Forces Now Sweeping Through Serbia

London, Sept. 27.—Premier Malinoff, of Bulgaria, has made an offer of an armistice to the Allies, according to a Berlin message transmitted by the Exchange Telegraph Company correspondent at Copenhagen. The message states that the premier's offer was made without the support of other members of the cabinet or of King Ferdinand.

The Berlin message says that M. Malinoff's offer has created great dissatisfaction in Bulgaria and that strong military measures have been taken to support the Bulgarian front.

According to statements from Sofia by way of Jassy, it is added, a counter-movement against the offer of the premier has already been set on foot. (This would seem to indicate that a revolution is in progress in Bulgaria.)

French Continue Advance West of Argonne Forest Meet Fresh Obstacles And Greater Resistance

But General Gouraud's Men Go Forward Confidently—Cheered By Conquest of Positions Germans Have Held For Four Years and Sacrificed Thousands of Men to Retain—French Losses Remarkably Light

With the French Army on the Champagne Front, Sept. 26.—(By the Associated Press)—General Gouraud's men were continuing their advance tonight along the front west of the Argonne Forest. Greater resistance was being encountered and fresh obstacles were found to impede their progress. Ahead of them is a belt of country seven or eight miles deep over which there is a labyrinth of trenches. Many blockhouses have been built by the Germans there and the ground seems as difficult of capture as that wrested from the Germans today.

The Germans, by their retirement today, have gained a little time in which to bring up reserves, while General Gouraud is bringing up his guns. This is an advantage in which it is difficult to find sufficient compensation for the ground and men lost today. The lines they retired to are no stronger than those they abandoned.

Enemy airmen made several spectacular attacks on trench observation balloons today. Only one balloon was destroyed but the observers in these others were forced to descend by parachute. One German airmen attacked three balloons in quick succession, plunging down upon one and firing and then rising to dive at another. One of these burst into flames only an instant before the observer had jumped with his parachute. Shrapnel shells then began to burst close about the enemy machine and it turned and sped away for the German lines.

ENEMY RETIRING BEFORE ADVANCE OF U. S. TROOPS

To Prepared Lines To Which Artillery Was Withdrawn

HAD DISCOVERED PLANS

Reserves Greatly Increased But Enemy, Dazed by Suddenness and Ferocity of Attack, Could Not Recover Balance—Many Prisoners and Much Booty Taken

With the American Army on the Champagne Front, Sept. 26.—(By the Associated Press)—The assumption of the general staff that the Germans had not discovered the intention of the Americans to attack was proved by the earlier phases of the fighting. Apparently dazed by the suddenness and ferocity of the artillery preparation, the German artillery reaction was slow in being registered. It never recovered its balance.

From the minute the Americans swarmed forward the inferiority of the enemy resistance was marked. Early this morning the enemy had laid down artillery fire calculated to cover a local road. That incident was quickly forgotten in the magnitude of the operations that followed.

One division reports the capture of twenty 77-guns and plentiful supplies of ammunition. The check on the amount of booty has not yet been taken, but every report indicates that the amount of it will be large.

CONDEMNNS INACTION OF HEALTH DEPARTMENT

Quebec's Coroner Ascribes Spread of Spanish Influenza to Laxity of Officials—More Fatal Cases

Quebec, Sept. 27.—The inaction of the Quebec civic health department with regard to preventing the spread of Spanish influenza, which he affirmed was prevalent here, was severely condemned in an interview given last night by Coroner Jolicoeur.

The coroner said there had been many suspicious deaths, and as far as he was informed, a number of them were due to the dread disease. He said that the bodies of the nine sailors who had died from the disease in this port had been taken to the undertaking establishment to be embalmed for shipment, and no precautions had been taken by the authorities. The undertaker had notified the authorities that the men had died from influenza, and still they remained inoperative.

It was reported last night that a patient at the Hotel Dieu Hospital had died from influenza, and that the man who had nursed the patient had taken the disease and died shortly afterwards.

WILSON MAY REPLY TO VON HERTLING

New York, Sept. 27.—President Wilson's address at the Metropolitan Opera House here tonight, signaling the opening of the national campaign for the fourth Liberty Loan, was awaited with intense interest and thousands today clamored in vain for tickets of admission. The available five thousand seats have been reserved for Liberty Loan committees.

The exercises at the opera house will be simple. The popular belief is that, in addition to making a stirring appeal for the sale of bonds, the president will reply to the recent speech of Count Von Hertling, the German imperial chancellor.

AUTHOR-AVIATOR FLIES ACROSS ALPS

Paris, Sept. 27.—Gabriele D'Annunzio, the Italian author-aviator, arrived in Paris this morning in an airplane, flying from Italy across the Alps.

THE INFLUENZA SITUATION GROWS MORE SERIOUS

Washington, Sept. 27.—Spanish influenza, sweeping through all but thirteen of the army camps and apparently beyond control of local authorities in many eastern communities, has caused a tremendous increase in the death rate of the army at home.

For the week ending Sept. 20 the surgeon general's office reported today, with 23 per cent of the preceding week. This increase was attributed to large measure to influenza, but the report pointed out that the figures do not show the seriousness of the situation as since last Friday there has been a further rapid spread of the epidemic, with many deaths.

While the epidemic heretofore has been prevalent chiefly near the Atlantic seaboard, the surgeon general's office said it may be expected to sweep westward with a still greater increase in mortality in the next few weeks.

Orders issued last night by Provost Marshal General Crowder calling for enlistment of 148,000 draft registrars to be taken on October 7 and 11, were due to the serious conditions in many camps, and were said by health officials to be absolutely necessary at this time.

CLOSING OF THE BAPTIST ASSOCIATION MEETINGS

Some Resolutions—I. B. Young-husband Dies Suddenly in West

Fredrickton, N. B., Sept. 27.—The United Baptist Association of New Brunswick closed its annual session in Marysville last night. A resolution was passed approving of the action of the provincial government in regard to the enforcement of the prohibitory act. Another resolution which was passed called for reconsideration of a motion passed by the Maritime Association in Toronto calling for extension of Scriptural teaching in the public schools.

Officers for 1918-19 were elected as follows:—Moderator, Rev. S. S. Poole, St. John; vice-moderator, Rev. G. B. Macdonald, Sussex; secretary, Rev. J. G. A. Belyea, Cross Creek; assistant secretary, to be appointed; corresponding secretary, Rev. R. J. Colpitts; treasurer, James Patterson, St. John.

I. B. Younghusband, superintendent of the works branch, military hospitals commission, who is well known in Fredrickton, because of his connection with the building of the convalescent home in this city, died on last Sunday night in Calgary. He was on his way to Kamloops, B. C., to superintend construction work and was taken ill with pneumonia on the train. Mrs. Younghusband, who was with him, also was taken ill, but will recover. Word of his death has been received with great regret by his many friends here.

DEFICIT, TWO MILLIONS

New York, Sept. 27.—The Baltimore and Ohio Railroad suffered a deficit of \$1,922,000 in 1917, but the new rate increases of twenty-five per cent, authorized by the railroad administration, should restore the former relation between the road's gross income and its operating revenues, according to the annual report made public this morning.

ARMED FORCES TO OCCUPY HUN SHIPS IN CHILEAN PORTS

Santiago, Chile, Sept. 26.—The Chilean government has ordered the naval authorities to occupy with armed forces all the interned German ships in Chilean harbors.

MACHINE GUNNERS NEEDED

Toronto, Sept. 26.—Instructions have been issued authorizing in every military district two platoons of a strength of 100 men for special instruction as machine gunners. The men are to be selected from the depot infantry bat-

BOLSHEVIKI ARMY OF HALF MILLION ON VOLGA FRONT

Plans for New Force, Reinforced and Led by Germans, Endangers Czech Army in That Region—Gaidis Can Hold With Three Allied Divisions

London, Sept. 26.—The plans for the Bolshevik army on the Volga front, which seriously endangers the Czecho army in that region of Russia, call for fifty-one divisions, or a half million men. The army is constantly being reinforced by Germans and to a great extent it is led and instructed by Germans.

The reports indicate that while some of the Bolshevik personnel of this army have improved in value, a majority of the soldiers are comparatively worthless. Outlook improving.

Vladivostok, Sept. 24.—(By the Associated Press)—If given the support of three divisions of Allied troops, General Gaidis, commander of the Czecho-Slovak forces, said today that he could hold the Bolshevik army on approximately the present line until the Russians in Siberia can organize an efficient army whose discipline need not be questioned. General Gaidis made this statement while talking to correspondents at the Czecho-Slovak headquarters.

General Dietrichs and two other Czecho-Slovak leaders have undertaken the organization of such force and are being aided by the Omak and Samara governments.

It is declared that the political situation is clearing and that the Omak and Vladivostok groups are settling whatever differences which have existed. This move has followed the resumption of communication between the two cities. It is stated, rather significantly, that General Harvath, the former dictator, will return to his post as manager of the Chinese Eastern Railway.

SENT CORN DOWN

Chicago, Sept. 27.—Armistice proposals by Bulgaria sent the corn market sharply downward today. General selling resulted from reports of the new peace move, and there was a broad, active market. Some of the unloading was of an automatic stop loss character. Opening prices, which ranged from 1.8-2 cents to 1.48-1.46, were followed by a slight rally to 1.42-1.40, and November at 1.42-1.40. It is stated, rather significantly, that General Harvath, the former dictator, will return to his post as manager of the Chinese Eastern Railway.

CLAIM AGAINST QUEBEC CITY

Quebec, Sept. 27.—A claim for \$2,600 damages was made to the city last night on behalf of J. R. Chabouli, Quebec representative of the United Typewriter Company. Some fifty-eight typewriters which had been leased to the military service act registrar and all were damaged when the premises were mobbed during the riots here last spring. The men will be sent overseas as reinforcements to the machine gun corps.

Died Suddenly

Quebec, Sept. 27.—Alfred Lord, seventy-four years of age, died suddenly yesterday evening while attending the agricultural exhibition at Lislet.

GOOD THINGS COMING TO THEATRES OF ST. JOHN

THE GEM

Last Times Tonight for This Programme—Another Good One Tomorrow

Tonight at 7.15 and 8.45 the Gem will present for the last time the present fine programme—Gladys Brockwell in "The Devil's Wheel" and three entertaining vaudeville acts.

Tomorrow, at 7.15 and 8.45 an entire new programme will be offered, consisting of three picture subjects and two specialty acts. The latter are Thornton and Thornton, man and girl in singing and lively chatter, and Oscar and Rose, man and woman, in singing, dialogue and dancing, with special scenery. The pictures are "The Eagle's Eye," episode No. 16, a two-reel comedy and the Pathé News Weekly—a fine programme.

PROBING TORONTO RIOTS

Lieut. Miller Places Responsibility for Directing Pickets on Military Authorities on Scene

Toronto, Sept. 27.—The full responsibility for directing the military pickets sent from exhibition camp to the scenes of rioting here on the night of Friday, Aug. 3, rested with the higher military authorities who were on the scene, and not on the junior officers of the military police, according to Lieut. William Miller, deputy assistant provost marshal of the military police, who gave evidence at yesterday's session of the riot inquiry.

His evidence consisted largely of a sweeping justification of the conduct of the police on both Friday and Saturday nights, as he had seen it. As a matter of fact Lieut. Miller was so positive in his declaration that, in his opinion, the police did all possible for them to do on Friday night in the way of saving property, and that he did not see them using any undue violence on the following night, that he was unable to answer the G. W. V. A. who wanted to know whether he spoke as a military man or as a past member of the police force.

Lieut. Miller, it was shown, has been in the military service for four years, prior to which he was on the detective force for nine years. His answer was that he spoke in both capacities.

Major E. F. Oiler, assistant provost marshal and head of the local military police, spoke of the impossibility of the military police placing any soldiers under arrest. There were only ten or twelve men on duty that night, and this number he considered inadequate to battle with a mob of more than 1,000 citizens and soldiers, armed with clubs and stones. He saw men in uniform taking part in the actual rioting, but realizing that it would be impossible to stop them, he merely asked his men to identify as many as they could.

RECENT SELLERS BUYING

New York, Sept. 27.—(Wall Street)—Recent sellers were again buyers on a large scale at the opening of the stock market today, the inquiry embracing also outside orders attracted by yesterday's upturn in various specialties. Equiments shares were carried to substantially higher levels and there was a broad demand for United States Steel, tobacco, International Paper and American Ice at gains of a half to two points, with many new high levels being reached. Mercantile Marine shares were heavy.

Noon Report

International political developments and the brilliant war news contributed to an improvement in financial sentiment, causing materially higher prices during the forenoon. Various industrials were absorbed at steadily rising figures, and an increase of investment buying suggested a strong underlying position. Virginia deferred certificates added four points to yesterday's large advance. Texas Company gained 4 1/2 points.

HORSE LOSSES LIFE

A valuable horse owned by Charles F. Francis & Co., grocers in Mill street, was struck this morning by an automobile owned by F. A. Peters, at the corner of Charlotte and Market streets, and had one of his hind legs broken. A veterinary was summoned and shot the animal.

FRENCH CONTINUE ADVANCE WEST OF ARGONNE FOREST

(Continued from page 1)

They are leaving behind them scores of burning villages. Thirty had been observed in flames up to noon today. Ever in addition and unjustifiable devastation can scarcely add to the desolation that has been spread all over this beautiful fertile ground.

A feature of today's operations was the activity of the enemy aircraft, which furnished several spectacular encounters with French observation balloons and anti-aircraft artillery.

The French have captured the Butte-Du-Mesnil, the Butte-Du-Souain, the Butte-Du-Tahure and the villages of Tahure, Ripont, Rouvroy, Cernay-Es-Dormois and Seron-Molécourt.

More than 7,000 prisoners were taken by the French.

The French forces resumed their attack this morning.

Official Statement

Paris, Sept. 27.—The official statement follows: "The attack by French troops in the Champagne developed yesterday with success. From the Suippe to the Argonne the first German positions, a formidable network of trenches and wire entanglements of a depth of more than five kilometers, which the enemy had not ceased to strengthen since 1916, were brilliantly carried by the French troops."

Attack Resumed.

Paris, Sept. 27, 11:30 a. m.—Reports at this hour from the battlefield in the Champagne between the Suippe and the Meuse rivers indicate that the attack of the French and American forces is progressing under the most favorable conditions.

General Gouraud's fourth army in the Champagne resumed its attack this morning from the positions captured from the Germans yesterday.

The assault is progressing satisfactorily. The French have attained all their objectives.

The prisoners captured by the French today have not yet been counted.

PENETRATE MORE THAN THREE MILES

Paris, Sept. 27.—Successful developments of the French offensive began yesterday in the Champagne region. The field of attack by the French, between the River Suippe and the Argonne Forest, the formidable German positions of a depth of more than three miles were brilliantly carried.

NAPOLEON KNEW

Toronto News: A statement by Napoleon I: "I made the mistake of my career in not removing the Hohenzollerns from the throne of Prussia which I had the opportunity. As long as this house reigns, and until the red cap of liberty is erected in Germany, there will be no peace in Europe." The opportunity of removing this dynasty from the throne of Prussia is approaching once again. It should not be neglected.

The prisoners captured by the French today have not yet been counted.

FOR HALIFAX ORPHANS Halifax Echo: J. D. O'Connell, the children's picnic king, who is to give a picnic to all the orphans in the city, has arrived here to see about the final arrangements, and will spend a few days here before giving the affair. When interviewed by an Echo reporter he said he had been giving these picnics for years and at present was entertaining the children in forty cities throughout the United States, Canada, Cuba, South America and Mexico, just wherever he happened to be. This is the first time that the orphans of Halifax have had a picnic. O'Connell mentioned on one occasion having given such a picnic to the orphans of a city in Belgium.

Mrs. G. A. Kubring, who crossed to England with twenty-five members of the V. A. D. of this province, gave an address last evening to the V. M. P. A. in their rooms in the G. W. V. A. building. She told of sights she had seen in France, and a series of slides made from official photographs were thrown on the screen.

War Secretary Watched Drive With the American Army on the Champagne Front, Sept. 26.—(By the Associated Press, 8:30 p. m.)—United States Secretary of War D. Baker witnessed the beginning of the American drive along the front northwest of Verdun this morning. At 5:30 o'clock, after the enemy positions had been bombarded with high explosives and gas shells, the infantry advanced.

Squadrons of tanks again formed an effective part of the attacking force, especially in the region of Chappuy. These "land battleships" moved up with the infantry, smashing down wire entanglements and routing the enemy from machine gun nests.

Without a hitch and absolutely according to schedule the entire line was moving tonight into positions paralleling the line of attack.

Several Towns Captured With the American Army on the Verdun Front, Sept. 26.—(By the Associated Press, 10 p. m.)—The American troops took the Germans somewhat by surprise

by the speed of their attack today, and without giving the enemy time to recuperate, the Americans pushed him steadily northward. This evening the Americans between the Argonne and the Meuse had reached Malancourt, Mont Faucon, Cuisy, Dannevoux and other towns along that line.

The opposition met with at Mont Faucon and Dannevoux and a few other points indicated that the German resistance was becoming stronger and it was apparent the enemy had had time to place in position some of the artillery withdrawn earlier in the day. Late in the afternoon the German aerial activity increased, indicating a determination to check what had developed so rapidly into a sweeping advance.

More Than Attempted.—The Americans troops in their attack northwest of Verdun appear to have attained all and more than they attempted.

The Americans were confronted by the German fifth army. This force had been diluted, which explains the relatively small number of prisoners taken. The American advance over most difficult ground amidst woods is looked upon here as a fine feat of arms.

Prussian Guards defending Vauquois, where three divisions in the line and one in reserve, strongly resisted the advance of the American troops early in the day. They were instructed to hold the town at all costs.

By a general review of the fight after many hours, it is evident that the enemy is stubbornly retiring to prepared lines to which all his heavy artillery has been withdrawn. This was the reason that his artillery reaction was inadequate during the early phases of the battle.

ENEMY RETIRING BEFORE ADVANCE OF U. S. TROOPS

(Continued from page 1)

Officer prisoners show that there was much enemy perplexity as to the exact point of attack, but say they were aware that one was impending.

Magnificent Spectacle.

With the American Army on the Champagne Front, Sept. 26.—(Reuter's)—Last night's bombardment of the German lines preparatory to the attack began this morning was a magnificent spectacle. It was a cloudless night and thousands of guns, all firing furiously, wreathed the hills in a ceaseless sparkle of flame like myriads of fire flies. For six hours the roar of the cannon, all the roll of a giant drum, was unbroken.

The enemy is reported to have been surprised of an attack somewhere in the Champagne sector or toward Briey and for the past ten days was watching this front closely. During the forty-eight hours preceding the attack he had increased his reserves in this region from four to twenty-three divisions.

Prussian Guards defending Vauquois, where three divisions in the line and one in reserve, strongly resisted the advance of the American troops early in the day. They were instructed to hold the town at all costs.

"MISSING" IS STRONG PICTURE OF CONTRASTS

Notable Scenes in J. Stuart Blackton's Production at Imperial

The story of "Missing" the latest Paramount picture produced under the supervision of J. Stuart Blackton, and being shown again today and on Saturday at the Imperial, is a remarkable study in contrasts between two English sisters, Nell and Hester. Hester, the elder, craves wealth and social position. Nell is beautiful and unworried, and she falls in love with a poor young Englishman, who is about to receive a lieutenant's commission and leave for the front. She marries him, and when he is reported missing, the elder sister attempts to instill in Nell's mind the belief that he is dead and thus marry a rich man. In the end Nell's soldier husband returns to her, Sylvia Bremer plays Nell in the Blackton production and Ola Humphrey is seen as Hester. The actual singing of "Bonnie Sweet Beside" during the action of the play was very affecting.

The Biggest Values in Town

This is loud talk; however, we are quite able to prove our statement. All we ask you to do is to come and compare our prices and quality, and we can assure you that your time will be well spent.

Just look at it. Where can you get a real good coat for the small sum of \$12.00? We have them made of very fine cloth, plain black and greys, just as good a coat as you can get at other stores for \$18.00 or \$20.00.

Our \$15.00 range is very large and exceptional good values.

Our \$18.00 and \$20.00 Coats we are quite willing to compare with \$25.00 coats sold elsewhere.

Our usual guarantee stands behind every sale, and your money refunded if not satisfied.

HOOSIER CLUB SALE

COMMENCES SATURDAY MORNING

Only \$1.00 Down Puts This Hoosier in Your Home

Winning The War in the Kitchen

Saving Time, Energy and Labor Providing Extra Hours For War Work

It is every woman's patriotic duty, not only to save food but to give part of each day to some other form of war work. To provide the time you should have such a labor-saving kitchen equipment as the Hoosier Cabinet. The Hoosier is becoming more important every day, due to the growing shortage of domestic help and also the extra service that Canada must depend on her army of housekeepers to perform—inside the home and out of it.

The Famous "White Beauty" Hoosier Fits Any Kitchen

The Hoosier Cabinet heads the list of kitchen conveniences because it saves steps and time and prevents waste every day in the year in preparing meals and clearing up after meals. It is the housekeeper's work bench and tool chest combined, or it can be compared with a business man's desk and filing case.

Only a limited number of Hoosiers to be sold.

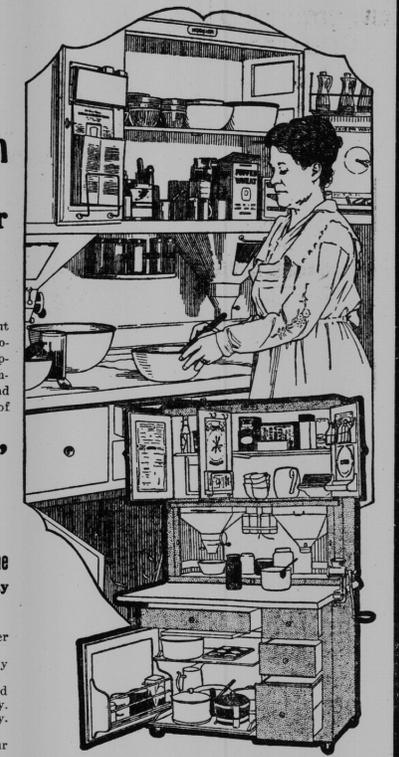

Only \$1.00 down Saturday puts this Hoosier in your kitchen and you pay the balance monthly for twelve months.

The Hoosier Will Last a Lifetime

Join the Club Plan Saturday

THE PLAN IS:

- 1.—One dollar puts any Hoosier in your home.
- 2.—One dollar weekly quickly pays for it.
- 3.—The low cash price fixed by the factory prevails absolutely.
- 4.—Payments are paid monthly.
- 5.—No interest or extra fees.
- 6.—No collectors going to your doors.

ANOTHER BLOW.

Marshal Foch has struck the enemy another blow. Under orders of the generalissimo British troops this morning went at the Germans on a wide front south of the Senne river on the northern part of the line.

The French and Americans today are developing the offensive begun yesterday in the Champagne sector. In the fighting there on Thursday the Allies pressed back the Germans from four to seven miles, captured several towns and took more thousands of prisoners.

IN ENEMY LANDS.

Early despatches today indicate the possibility that a revolution has broken out in Bulgaria. If so, it has come very swiftly upon the heels of the disaster to the Bulgarian and German forces in Macedonia.

There is now practically open admission that things are going very badly with the Hun armies. Of a surety the Hun armies are having a hard time with defeat upon defeat, huge losses in men and equipment and their strongest defences being gradually overcome.

Times have changed, indeed, since the Teutons marched into Belgium to begin the war for domination of the world.

The Kaiser, it now appears, was in Mannheim on last Saturday when British airmen, out on a raid of German territory, bombed the city.

When the Huns bombed our hospitals in France, though death and destruction were wrought on all sides, the brave doctors and nurses who survived kept steadily on at their work.

President Wilson is to speak in the Metropolitan Opera House in New York tonight, and his address will mark the opening of the drive for six billions of dollars or more for the new Liberty Loan.

Congratulations alike to Lieut. Col. W. R. Brown, D. S. O., new commander of the N. B. Battalion, and the men under him, a worthy leader and a gallant regiment.

"Hoch der Kaiser" is not so popular a cry in Germany as it was in 1914.

Nice thing to have around, an accommodating person with \$88,000, particularly "when a feller needs a friend."

Honors continue to come to our soldiers. Ten more lieutenants, including two New Brunswickers, have won the Military Cross.

A fall session of Canada's parliament now seems unlikely. The middle of January may see the members summoned to Ottawa.

Go back to July 18 and review the incidents of the Allied offensive. You will not find one attack made at the command of Foch which has not scored success.

Another smashing blow this morning on the west front, this time by the British.

TIME CHANGES ON C. G. R. LINES

Effective Sept. 29, Service to P. E. I. via Cape Tormentine.

Time changes effective on Sept. 29, on Canadian Government Railways lines, will only slightly affect trains leaving St. John.

There is practically no change in the time of trains arriving. No. 18 express, the connection with the westbound Ocean Limited, will arrive at 5.30 p. m. as usual, but not on Sundays.

OAK HALL SALE OF FALL OVERCOATS OPENED AT 9 O'CLOCK THIS MORNING.

As announced yesterday, 400 fall and spring weight overcoats were placed on sale this morning. These overcoats were recently purchased in Montreal at a price substantially below present day quotations, and we are now offering our customers and friends the full benefits of this saving.

Quebec, Sept. 27.—The authorities last night refused to grant the increases of salary requested by the police and firemen. The former, who have recently affiliated with the International Union, may go out on strike.

The Hand of the Hour

Daily Fish Bulletin
 Issued by Canada Food Board.

"WHY FISH FOR ME?"

Why eat pork or beef when meat is needed Overseas and when there's as good fish in the sea as ever came out of it? If there is one country in the world more than another whose heritage is a wonderful supply of fish, that country is Canada. Canadian fishermen produced over 800,000,000 pounds of fish last year, but the consumption within the Dominion was only about one-quarter of that amount. Last year the people of Canada ate only 29 pounds of fish per capita. This year our objective should be at least fifty-two pounds. A pound a week all round.

Housewives should learn all about fish and how to cook the many varieties of sea, lake and river fish of Canada. The recipe book issued by the Food Board on the cooking of fish will help. It costs only five cents, and can be obtained from Ottawa or from any of the provincial committees.

Food Board Flashes For Feminine Folk

"Extravagance costs blood, the blood of heroes," says Lloyd George. The sinews of war are gathered largely from thrift. Our stored-up food resources are munitions of the first order. We must save out of the present products of labor. The British people had to learn, as we must learn, that money, food and supplies must be saved by all. Saving must become a permanent habit. War is a battle of resources. Food conservation must be continued. Cables from the British Ministry of food continue to emphasize the necessity for greater conservation.

RECENT WEDDINGS

The wedding of Miss E. Louise Faris, former teacher of the Sussex school, and Albert S. Black, Canadian express agent at Sussex, was solemnized on Saturday. The ceremony was performed by Rev. G. B. MacDonald.

Miss Bessie Reeder, daughter of Mr. and Mrs. Arthur W. Reeder of Salisbury, and Edwin Taik of St. John were united in marriage in Salisbury on Wednesday. The ceremony was performed by Rev. Charles K. Hudson.

The wedding of Miss Helen Stephens Fuller of Amherst and Robert Corey Ayer was solemnized in Amherst on Sept. 25. The ceremony was performed by Rev. H. E. Dibblee.

THE METAL MARKET

In its summary of the iron, steel, metal and machinery markets for week ended Sept. 26, Canadian Machinery and Manufacturing News, Toronto, makes the following observations: For the first time in many months it is safe to say that there are signs of a little improvement in some marketing conditions. The plate situation, which has been almost hopeless, shows signs of improving. And the Canadian shipment of material from United States points has been increased by enough tonnage to make the difference noticeable. The shippers look to the government for their supplies now. Mills at the big producing points in Canada States have been concentrating on plates for some months, and the result is that there are indications of the demand being overhauled.

BUSINESS PROFITS TAX WILL YIELD ABOUT \$64,000,000

Taxing Commissioner Interprets Measures to Canadian Accountants; Fair Allowance for Depreciation in Determining Profits (Toronto Financial Post.)

The taxing commissioner of Canada, R. W. Bradner, made a marked impression upon the first convention in Montreal on Thursday of this week in the reasonable attitude he took on the varied and conflicting details in connection with the interpretation of the new profits tax and the income tax.

Another of the rather surprising features of the working out of the act as announced by Mr. Bradner was the small amount collected, and a very small amount to offset this. The estimated receipts from the act for the three years are \$12,000,000, \$20,000,000, and in the second year \$21,271,038, making a total to date of \$53,271,038, with an estimated amount still to be collected for these years of \$22,500,000, and for the accounting period of 1918, \$18,000,000, which would bring the total to \$83,800,000.

The expense of collecting these sums was only \$58,174 the first year; \$80,000 the second, making the cost the first year 46c per cent, and the second year to less than 38 cents. Of the whole staff of 40 more than half were stenographers and typists.

The commissioner also praised the spirit in which the business men of Canada were meeting the tax, and declared that the department expected that the tax payable during the three years of the act was originally intended to cover will be collected before the close of the fiscal year.

In the course of a three hours' explanation of the act covering business profits and income taxation, Mr. Bradner explained a number of rulings of the department on disputed or uncertain points, dealing with the varied questions of depreciation, capital, patriotic gifts in their relation to the tax, reserves for future depreciations, dividends, insurance and in fact that whole gamut of the relations of corporations under the terms of the two acts.

RECENT DEATHS

Mrs. George Harborth.

The death of Mrs. George Harborth occurred very suddenly yesterday afternoon. She was a most faithful worker in Portland Methodist church. She is survived by her husband, five sons and three daughters, viz: Edward, George, Frederick, Howard, Roy, Albert, Anna and Percy. She was the daughter of John Nash, of Montreal, who survives, and has one brother, John Nash, of Montreal; also four sisters, Mrs. John Flood of this city; Mrs. George White, of Bloomfield, Kings county; Mrs. John Harty, of Moncton; Mrs. Nelson Rand, of Everett (Mass.). The funeral service will take place at her residence, 65 Harrison street, at 2:30 on Saturday next.

James J. Duggan.

Many friends here will regret to learn of the death of James J. Duggan, formerly of this city, who died yesterday at his home in Roxbury (Mass.). Besides his wife, three small children survive. He also leaves his mother, Mrs. Mary Duggan, and one brother, Thomas, both of this city.

A. C. Whitehead of Upper Queensbury, died Tuesday.

He was seventy-four years old. Mr. Whitehead sold farm machinery for the Massey-Harris Co.

George B. Lewis, of Middlesex, died on Wednesday.

He was seventy-seven years old.

The death of George E. Robidoux occurred at his residence in Montreal on September 26.

He was thirty-three years old. He was a member of the St. Joseph's Club.

LONGED TO GET STRASSBURG.

Frenchman Who Died 20 Years Ago Left Reward for His Recapture.

Philadelphia, Sept. 27.—The first French soldier to plant his flag in the city of Strassburg will receive \$541.43 or more from the will of a French patriot who died in this city twenty years ago. Jacques C. Azenbacher, a contractor and builder here, was secretary of the French Association of Philadelphia. Like all French patriots, he grieved over the fate of the stolen provinces of Alsace and Lorraine, and lived in hope of the day when his countrymen would rescue them from the Germans. As he grew old and the German heel remained on Alsatian soil, Azenbacher prepared his will and included in it the following clause: "I give and bequeath \$200 to be given to the first soldier, sergeant, or officer, in the next war, whoever puts up the first French flag upon the walls of the city of Strassburg, Alsace."

He arranged for the money to be given to the French consul in Philadelphia and transferred by him to the minister of war in Paris and placed at interest. The interest to date is \$441.43, making the fund \$641.43.

The will made Oct. 10, 1897, is on file at city hall here. Azenbacher died July 11, 1898.

HASTEN PLANS FOR SIBERIAN FORGE

Busy Time Amongst Officers and Men Going to Vladivostok—Lieut. Col. Powell's Arrival in Montreal

(Montreal Gazette.) Evidence of a hurry-up proceeding with regard to the sending of the Canadian Siberian expeditionary force were apparent at military headquarters yesterday afternoon. Coupled with this was the drafting of men from the depot battalions for the service in Siberia, and arrangements for uniforming and equipping such men.

It is not yet definitely known where the Canadian expeditionary force to Siberia will winter. This will depend to a large extent upon the speed with which its organization is put through. But it is believed that the majority of the force, instead of wintering at some point in British Columbia, will make their final preparations at Vladivostok, or such Siberian point as may be selected as the base for the Canadian forces.

As matters stand it is understood that the concentration point for the Canadian expeditionary force of 3,000 men, of all classes of the service, will be at Vancouver Island. There the troops will be mobilized and prepared for the voyage west to the territory where their future campaigns will be fought.

The preparations for this expedition were emphasized yesterday by the arrival here of Lieut.-Col. A. H. H. Powell, who has been appointed as officer commanding the base in Siberia for the Canadian expedition.

Lieut.-Col. Powell arrived yesterday morning, and had an interview with General Wilson, G. O. C., before leaving for Ottawa, on his way to Victoria, and thence to Vladivostok. Lieut.-Col. Powell has tried to get overseas ever since the war started, but has never got nearer than Halifax, and was jubilant that at last he had a chance to get into active service.

He is an old-time Canadian soldier, first with the militia and then with the permanent corps, with whom he was well known in Montreal as an officer of the R. C. D. at St. John, Que. before concluding his term with the R. C. D. He served for several years in the South African campaign, with one of the later Canadian contingents, and at the conclusion of that campaign served for two years with the South African constabulary.

Since the outbreak of the present war he was transferred to St. John, N. B., where he was appointed as A. A. G. for Military District No. 7, with promotion to lieutenant-colonel. He has served in that capacity until recently, when he was appointed as officer commanding the Canadian base in Siberia.

Capt. E. J. Thon, who for some time has been signalling officer here, has also been appointed on the divisional signalling company, with the Siberian force. He returned to Montreal for a few days' holiday to prepare for the expedition, and was yesterday notified by telephone from Ottawa headquarters to get ready to leave as soon as possible in charge of a draft for Victoria. B. C. Captain Thon will leave today or tomorrow for Ottawa.

TOMMY'S TEMPER.

(Hamilton Herald.) This characteristic incident is related by a war correspondent: Among the German prisoners captured by a British battalion in a recent engagement were three boys of school age. A loaf of bread was given to each of them and they were sent back to the German lines with a note saying that Englishmen were out to fight them, not schoolboys.

CABLE THE KAISER.

(Toronto Globe.)

In a single day forty-three thousand American soldiers were landed in France. The ships that contained them were detained only twenty-four hours in port before returning.

Rheumatism
A Home Cure Given By One Who Had It

In the spring of 1893 I was attacked by Muscular and Inflammatory Rheumatism. I suffered as only those who have it know, for over three years. I tried remedy after remedy, and doctor after doctor, but such relief as I received was only temporary. Finally I found a remedy that cured completely, and it has never recurred. I have given it to a number who were terribly afflicted and even bedridden with rheumatism, and it effected a cure in every case. I want every sufferer from any form of rheumatic trouble to try this marvelous healing power. Don't send a cent; simply mail your name and address and I will send it free to try. After you have used it and it has proven itself to be that long-looked-for means of curing your rheumatism, you may send your price of it, one dollar, but understand, I do not want your money unless you are perfectly satisfied to send it. Isn't that fair? Why suffer any longer when positive relief is thus offered you free? Don't delay. Write today.

Every Woman Needs IRON at Times

If women would only take Nuxated Iron when they are weak, run-down, tired out—when they are pale, nervous and lagged, they would be strong and healthy and much more attractive. When the iron goes from the blood of women, the quality of their youth leaves their skin and their cheeks and wrinkles appear. A week's course of Nuxated Iron works wonders in restoring the blood. Satisfaction guaranteed or money refunded. Good druggists.

Shippers Demand Extra Money for Ships to Higher Wages.

Ottawa, Sept. 27.—Pacific coast shippers working on government contracts are seeking a revised schedule of rates from the minister of marine in view of increased wage rates allowed on the Pacific coast since the original contracts were entered into. The United States government has fixed wages for shippers at Seattle and other points on the coast, and these new rates are higher than the rates allowed at Vancouver, Victoria or other Canadian shipping centers on the Pacific.

SOLDIERS' WIVES LEAGUE.

The Soldiers' Wives League met yesterday afternoon for the first time after its summer vacation. Preliminary plans are made for the inaugurating under the auspices of the league a monthly entertainment for the wives and mothers of soldiers and for holding a children's Christmas treat this year as has been done in the four previous years. The secretary was asked to send letters of sympathy to Mrs. McKenize, widow of Lieut.-Colonel A. E. G. McKenize, Mrs. Lyder and Mrs. Walter Holly.

LT. COL. BROWN TO COMMAND 26TH

Lieut.-Colonel W. R. Brown, D. S. O., who went overseas as a company commander in the 26th Battalion is now in command of the unit on the western front, according to advices received in the city by military men. Lieut.-Colonel Brown, then a major, led the "crater attack" and in this engagement was wounded in the foot. He was sent to England and finally given a furlough and returned to St. John, where he took an active part in recruiting. He returned to the front in the fall of 1916. Major C. G. Porter, who has been in command of the 26th since the death of Lieut.-Colonel A. E. G. McKenize, is to return to England, where he will take a commanding officer's course. Lieut.-Colonel "Art" Blois of Halifax, who was temporarily in command of the 26th Nova Scotia Battalion has been given command of the 10th reserve battalion in England.

TORONTO REVENUE \$14,870,000.

The report of the Toronto city treasurer for 1917, which was issued the other day in book form, shows that receipts from revenue for the year amounted to \$14,870,000. Of this amount the tax on real estate produced \$9,049,332; the water rates \$1,037,344; the meter rates for water supplied for commercial purposes \$356,483; the business tax \$1,000,545; the licenses \$419,602; the recorder's court \$151,678; with various other smaller amounts to make up the grand total. As to the disbursements, the report declares that the interest charge and sinking funds amounted to \$8,784,843; that the school tax account was \$2,573,428; and that the general administration account amounted to \$1,058,907.

SUMMER TRAINS OFF.

No trains will arrive and none will leave the city going east next Sunday, according to the new winter schedule. The new time table goes into effect on the 29th. The train for Halifax which formerly left at 12:30 will now leave at 2:10 daily except Sunday. The Maritime express will be the daily train between Montreal and Halifax. Travelers for the Island will leave at 7:10 a. m. and change at Sackville for Cape Tormentine.

WAGES TOO LOW.

Quebec's Police and Fire Forces Much Depleted.

Quebec, Sept. 27.—That upwards of twenty men had resigned from the Quebec police and fire forces since the first of May last is reported by Alderman Garvin, chairman of the police and fire committee, commenting on a request for an increase which came up before the committee.

He said it was impossible to retain the services of the good men under the present wage scale.

He also intimated that unless something could be done to assist the men the citizens might wake up some morning to find that they were without police or fire protection.

The policemen at the present time receive between \$14 and \$16 a week, while the firemen's wages vary between \$14 and \$18.

It was decided by the committee to recommend the increase to the finance committee.

ENO'S FRUIT SALT
for sick Stomach and torpid Liver

OCEAN LINER IS LAUNCHED AT TORONTO.

Toronto, Sept. 27.—The St. Michel, a new steel freighter, built by the Dominion Shipbuilding Company, was launched successfully here yesterday. The St. Michel has been designed for trans-Atlantic service, and is 201 feet in length, has a gross carrying capacity of 4,000 tons and a speed of ten knots an hour. Five smaller vessels are to be built almost immediately.

POLICE OFFER REFUSED.

That the Trades and Labor Council of this city were willing to make amendments to the by-laws whereby it would be impossible for the police, if allowed to form into a union, to go out in sympathy with them, was a proposition put up to Commissioner McLellan yesterday.

TELLS DYSPEPTICS WHAT TO EAT

Avoid Indigestion, Sour Acid Stomach, Heartburn, Gas on Stomach, Etc.

Indigestion and practically all forms of stomach trouble, say medical authorities, are due nine times out of ten to an excess of hydrochloric acid in the stomach. Chronic "acid stomach" is exceedingly dangerous and sufferers should do either one of two things: Either they can go on a limited and often disagreeable diet, avoiding foods that disagree with them, that irritate the stomach and lead to excess acid secretion or they can eat as they please in reason and make it a practice to counteract the effect of the harmful acid and prevent the formation of gas, sourness and excessive fermentation by the use of a little Bismarck Magnesia at their meals. There is probably no better, safer or more reliable stomach antacid than Bismarck Magnesia and it is widely used for this purpose. It has no direct action on the stomach and is not a digestant. But a teaspoonful of the powder or a couple of five grain tablets taken in a little water with the food will neutralize the excess acidity which may be present and prevent its further formation. This removes the whole cause of the trouble and the meal digests naturally and healthily without need of peptic pills or artificial digestants. Get a few ounces of Bismarck Magnesia from any reliable druggist. Ask for either powder or tablets. It never comes as a liquid, milk or citrate and is the Bismarck form is not a laxative. Try this plan and eat what you want at your next meal and see if this little best advice you ever had on "what to eat."

SICK WOMAN NOW WELL

Took Lydia E. Pinkham's Vegetable Compound. Read Her Letter.

Pottersville, Pa.—"For a long time I was bothered with pains in my side, and was so weak from my troubles that I could not do any lifting or hard work of any kind. If I tried to straighten out when lying down it seemed as though something would tear loose. Lydia E. Pinkham's Vegetable Compound has restored my health and I am quite myself once more."—Miss ELLA CRUBBICK, Pottersville, Pa.

Thousands of women drag along from day to day in just such a miserable condition as was Mrs. Chubbick, or suffering from displacements, irregularities, inflammation, ulceration, backache, headache, nervousness, or "the blues." Such women should profit by Mrs. Chubbick's experience and try this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, and find relief from their sufferings as she did.

For special suggestions in regard to your ailment write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its long experience is at your service.

Catarrhal Deafness and Head Noises

TELLS SAFE AND SIMPLE WAY TO TREAT AND RELIEVE AT HOME.

If you have catarrh, catarrhal deafness or head noises caused by catarrh, or if phlegm drops in your throat and has caused catarrh of the stomach or bowels you will be glad to know that these distressing symptoms may be entirely overcome in many instances by the following treatment which you can easily prepare in your own home at little cost. Secure from your druggist 1 ounce of Farmant (Double Strength). Take this home and add to it 1-4 pint of hot water and a little granulated sugar; stir until dissolved. Take one tablespoonful four times a day. An improvement is sometimes noted after the first day's treatment. Breathing should become easy, while the distressing head noises, headaches, dullness, cloudy thinking, etc., should gradually disappear under the tonic action of the treatment. Loss of smell, taste, defective hearing and mucus dropping in the back of the throat are other symptoms which suggest the presence of catarrh and which may often be overcome by this efficacious treatment. It is said that nearly ninety per cent. of all ear troubles are caused by catarrh and there must, therefore, be many people whose hearing may be restored by this simple, harmless, home treatment.

HAVE SET WORLD EXAMPLE

King's Words to Staff of Hospital Bombed by Germans

Ottawa, Sept. 26.—Fred James, official correspondent with the Canadian forces in the field, France, writes as follows: During a recent visit to France, His Majesty paid a special visit to the Canadian hospital at Doullens, which was deliberately bombed by the Huns a few months ago. The king had once before inspected the buildings, just before the Amiens retirement in March, and had congratulated the staff on the excellent work they were doing. His Majesty had specially admired the big operating theatre at that time, but on this visit found it a mass of charred ruins. From the lips of the commanding officer the king heard the story of the outrage, and as he was leaving, the royal visitor paid a special visit to the sisters and doctors. "By continuing your work of mercy," His Majesty said, "you have set an example to the whole world."

GIRLS HELD BAZAAR.
Four young girls of Miss Ducey's class of the Victoria street Baptist church, Ethel Akerly, Bernice Vincent, Evelyn London and Marian Scribner, held a bazaar yesterday afternoon on the corner of Bryden and Adelaide streets. The sum of \$15 was realized for patriotic purposes.

THE STORM.
From the time the storm broke over the city late last night until 1 o'clock this afternoon eight-tenths of an inch of rain fell. The wind blew stronger from the southeast and at times reached a velocity of forty miles an hour. The indications early this afternoon were for a change and the probabilities promise clearing weather tomorrow with strong westerly winds.

CONWAY-LOEMAN.
A pretty wedding took place in St. Peter's church yesterday when Miss Lillian Loeman and James Conway were united in marriage by Rev. J. Woods, C. S. R. The bride was attended by Mrs. C. J. Cusack and the groom was supported by Morris Garvin. Following the ceremony, a wedding supper was served at the home of the bride's aunt. They were the recipients of a large number of beautiful presents. Mr. Conway was employed as a fireman on the Bangor and Aroostook railway for several years.

ST. JOHN MAN GROOM.
Bangor Commercial: At 6 o'clock on Wednesday morning, Sept. 26, in the Church of the Holy Rosary, St. Stephen, Rev. Father Flaherty with nuptial mass united in wedlock Kathleen Anastasia, daughter of Mr. and Mrs. Richard Shields, to Richard Gervas Murphy of St. John. The bride, becomingly attired in blue satin with hat to match and fox fur, was attended by her sister, Miss Ethel Shields, and the groom was supported by his brother, Lawrence Murphy. After partaking of a wedding breakfast at the home of the bride's parents, Mr. and Mrs. Murphy left on a trip through the province. Upon their return they will reside in St. John.

MARRIED IN ST. STEPHEN.
A wedding of interest in this city was solemnized in the Church of the Holy Rosary, St. Stephen, on Wednesday morning, when Rev. Father Flaherty, who was celebrant at nuptial mass, united in marriage Gervase Richard Murphy of this city and Miss Kathleen Anastasia Shields, daughter of Mr. and Mrs. James Shields of St. Stephen. The bride, who wore a pretty tailored traveling suit, was attended by her sister, Miss Ethel, and the groom was supported by his half-brother, Lawrence J. Oram. Following the ceremony a wedding breakfast was served at the home of the bride's parents, after which Mr. and Mrs. Murphy left on a honeymoon. They will reside at 146 Paradise Row. The popular young people were the recipients of a large number of beautiful and useful presents. Included in them were a silver service from Campbell Bros., where the groom is a valued employe, and a combination chair and smoking set from the staff.

KAISER DRIVEN TO THE CELLAR BY BRITISH AIRMEN

Royal Party in Mannheim When Bombs Were Dropped—On Tour of Alsace-Lorraine to Appraise Unrest and Fear

Geneva, Sept. 26—Emperor William, Field Marshal Duke Albrecht of Wurttemberg, and Prince Stephen of Schaumburg-Lippe were in Mannheim last week when British airmen raided the city. The royal party, according to the Democrite, of Geneva, was staying in the Royal Palace and the emperor and his staff promptly took refuge in the cellar, remaining there twenty minutes. The palace was not hit, as it had been during a previous raid, but bombs fell in the vicinity.

MRS. GLASS RECEIVES FURTHER WORD OF DEATH OF HER SON

Letter From Lieutenant H. R. Simms—W. F. Hatheway Writes Tribute to France

Mrs. Emily Glass, who was recently called on to mourn the death of a second son in the war, has received the following letter from Lieutenant Simms of his battalion:—
France, Sept. 8.
Dear Mrs. Glass:—
By the time this letter reaches you, you no doubt will have been informed of the death from wounds of your dear son, George. I wish to extend to you and yours the most profound sympathy from myself and the entire section of which your son was an original member. Words of mine can give little comfort in your great sorrow, only that your son died as he lived—a good and brave soldier. I was with him when he was hit and he was carried out almost immediately by two of his comrades to the dressing station, where he received the best possible care. I cannot give you the exact place where George was killed, but you will receive that information from the casualty clearing station.

Personally I feel the loss very keenly, as George was a comrade of mine since we enlisted in St. John, and a better friend and comrade one could not have. May God comfort you and yours. If there is anything I can do I will be only too willing to serve you.
Yours in deepest sympathy,
LIEUT. H. R. SIMMS,
26th Battalion.

Mrs. Glass also has received the following:—
Dear Madam:—
It is my privilege as representing the French Government in this city to thank you on behalf of that government for the brave sacrifice that your son has made in aiding France to drive out the Germans from her territory. I know that this is a poor compensation for the loss of your son. In 1918 I was in France for several weeks and saw how grateful the French people were to the Canadians for their bravery and pluck. While France rejoices in the victories of the last month her people sorrow with you in that you and your family have sustained.

I have the honor to be
Yours very truly,
W. FRANK HATHEWAY.

LETTER OF SYMPATHY FROM OFFICER WOUNDED IN THE SAME ACTION

A letter expressing sympathy for the loss of his son, George, who was reported recently killed in action, has been received by G. Perkins of Hampton Station, from the officer commanding his platoon, who evidently was wounded in the same action. The letter follows:—
Brighton, Eng., Sept. 8, 1918.
Dear Sir:—I am writing to you to express my deep sympathy with you and your family in the loss you have sustained in the death of your son. It seems to me that one who has been out and wounded before should have to face the dangers of the front again. On his return to France, your son had come to my platoon and had proved himself to be a good soldier. He was still going strong when I was hit so that it came as a shock to me to learn that he had been killed. He has died in a good cause and in one of the most glorious battles of the war, so that his work has not been in vain.
Yours respectfully,
(Sgd) G. A. FERGUSON,
Lieutenant 15th Can. Batt.
