REPORT OF SESSION.

It is with feelings of thankfulness to the Giver of all good that the Session report to the congregation at the close of another year.

The first six months was uneventful, the work being carried steadily on in the various organizations. In July the congregation was called to enter on one of those critical stages which is the experience at some time or other of almost every church. The General Assembly having chosen our Pastor to be Secretary of the Foreign Mission Committee of the Western Section, the duties of which required him to give up the pastorate, the congregation with great regret gave consent to the call, which terminated a relationship of over $7\frac{1}{2}$ years of the most happy and prosperous kind. We trust that the loss we have sustained will be lasting gain to the whole church.

The effect of Mr. MacKay's withdrawal from the pastorate of our church has been somewhat lightened by his continuing among us as a member, and by acting as Moderator of Session during the vacancy.

The congregation having heard a number of ministers decided to extend a call to the Rev. Robt. Johnston, of Lindsay. We trust that, whatever the result may be the guidance of the Holy Spirit will be ours and that the Harvester of souls will yet gather in many from this corner of the great field.

We desire to bring before the members of the congregation the necessity of an addition being made to the Session at an early date, in consequence of the resignation of Mr. J. B. Harris, and the continued absence from the city of Mr. James Stewart as well as the increasing membership of the church.

The congregation have lost the valuable and efficient services of Miss Lawson, organist and choir leader of the church, on account of her removal to the United States. In order to secure the services of a successor to her such as the congregation should have to teach and conduct the psalmody of the church, the Session recommends that the salary be increased to \$450 per annum.

It is worthy of note that an honored worker in this congregation, Mr. M. Swartout, has devoted himself entirely to the work of the Master, and is now laboring in British Columbia. May blessing attend his work, as well as of those of our number now in the foreign field, in all nine persons.

The work in the Sunday School continues to be hampered by the inadequacy of the accommodation, notwithstanding the effort made to use all available space. It is hoped that the congregation at no distant date, will see their way clear to make such improvements in the building as will satisfy the urgency of the case.

The various other branches of church work are heartily commended to the interest and support of the whole congregation. May God's favor be ours still, so that we may become more worthy co-workers with him as the days of our probation draw to a close.

MANAGERS' REPORT.

The Board of Managers in presenting this their Fourteenth Annual Report and Financial Statement desire to congratulate the congregation on the measure of success which has this year attended their efforts notwithstanding the commercial depression which has been and still continues. They have pleasure in reporting that the ordinary revenue from envelopes and open collections amount to \$5,719.31.

They regret however to report that the congregation is not adopting the envelope system as freely as they should, the contributors by envelope having decreased in number from 275 to 254 during the past year, sustaining a loss of \$170.00 while the open collections have only increased \$90.00, thereby causing a falling off in the aggregate amount of about \$80.00. The rate per sabbath for the year 1892, being only about \$110.00 as against \$111.50 per sabbath for the year 1891.

The Board would remind the Congregation that before incurring further liability it is necessary that there should be a sufficient increase in the contributions to warrant such further expenditure. The outstanding liabilities are:—

Mortgage (bearing interest at $5\frac{1}{2}\%$)	\$21,000.00
Accrued interest	32.08
Floating debt	849.19
Unpaid account	20.50
Total liabilities	\$21,901.77

and would strongly recommend that an earnest attempt be made to reduce the mortgage and pay off the floating debt. It is now six years since the present building was erected and which will soon be in need of repairs, but before undertaking such an expenditure the said liability should be reduced.

Your Board as in former years earnestly recommends all members and adherents to reconsider their weekly offerings with a view

to a general increase and in order to secure uniformity, beg to suggest to the congregation the desirability of increasing their contributions 10%.

The Board desire to explain that there is a loss of revenue from their inability to accommodate those applying for sittings and if the prosperity of the congregation is to be maintained, pew holders will require to make room for strangers and those who do not attend regularly, should not take offence if their sittings are occupied.

Your Board in accordance with the instructions given them at the last annual meeting, beg leave to report, that they have done the necessary excavation in the basement for the preservation of the church property.

JAMES HUNTER,
Chairman.

A. G. GOWANLOCK,
Secretary.

SUPERINTENDENT'S REPORT.

It is my duty at the end of another year to report progress in Sunday school work, as the great aim is the gathering in of the young to Christ's kingdom, so the weighty and all-important question meets us—"What has been the result of our work during the year now closed?" How many have declared themselves to be on the Lord's side? When we consider the size of our school and say that about sixteen have publicly declared themselves by uniting with the church in full membership, we are apt to say "How few" but when we think of the great value of a soul, we ought to thank God for these tokens of His love and mercy, and pray with greater earnestness and fidelity that more may speedily be brought into a living union with our Lord and Master.

This congregation has reason to be thankful for so large a body of faithful workers in the school and Bible classes, and it is earnestly hoped that parents will reward their unselfish efforts by making home preparation of the lessons a certainty on the part of their children, as well as send them regularly to school.

We are hampered still for want of proper accommodation. Crowded classes, and imperfect heating and ventilation, and such we have, are not conducive to successful work. We, however, look forward with hope, that with a settled pastor and better accommodation in the shape of perhaps a new building, together with continued faithfulness on the part of the teachers and parents, the school will, under God's blessing, enjoy such a measure of His favor as it has never before experienced.

A. HENDRY,
Superintendent.

MRS. G. SCOTT.	MRS. J. INGLIS.
MRS. W. F. MITCHELL.	MRS. PETERSON.

We present this our Annual Report with praise and gratitude to our Heavenly Father, for the acceptance of the work we have been enabled to do "In His Name."

There are thirty-nine members on the roll, with an average attendance of fourteen.

Thirteen business meetings have been held and several sewing meetings, at which quilts and various articles of clothing were made for distribution.

Many poor families were helped most liberally with food, rent and fuel.

The envelope system is still in force and has been very successful throughout the year.

A Fuel Club was organized in March, the Society promising to add ten cents to every dollar subscribed. Several families thus saved something towards providing for winter's scarcity and severity of climate.

Meetings are held on the last Tuesday of each month, and all ladies are earnestly urged to come and help in this important work of caring for the poor and sick around our doors.

M. G. WILLIAMSON,
Secretary

It is with pleasure we submit the Report of the year just closed. We offer up our sincere thanks that God though He has been pleased in His wisdom to remove many of our members to

other spheres of usefulness and service, yet in His kind Providence has spared the lives of all our members to continue life's work under His guidance and direction. We cannot let this occasion pass without a reference to the removal of our Honorary President, Rev. R. P. MacKay, from the sphere of active membership. To his faithful and earnest effort the Society owes much of the prosperity it has reached, and we are grateful to know that he has so honored our Society as to permit his name to remain on our membership roll.

In October last the Society sent Miss Martin to the Provincial Convention held at London. The report presented by our delegate on her return gave us much encouragement and added a new zeal to our efforts in the work we are endeavoring to carry on.

We are pleased to report that the sum of \$100 undertaken to be raised for special mission schemes has been collected. The amount raised for other objects during the year is \$109.30. Of this the sum of \$71.75 was received for the aid of the poor.

All of which is respectfully submitted.

GENERAL MISSIONS.

In presenting our financial statement, the attention of the congregation is drawn to the fact that the total contributions received for General Missions during the year has suffered a decrease of about \$70.00, as compared with that of the previous year. The necessities of the various missions requiring our attention and support are greater than ever, and as this year's statement shows a decrease, it is hoped a stronger effort will be made to augment the funds during this year.

The Treasurer commends the interests of General Missions as one of the most useful agencies for the spread of Gospel Light in the possession of the church; and prayerful attention to its requirements is request from the membership of the congregation.

JAMES CRICHTON,
Secretary-Treasurer.

Envelopes can be obtained at the south door of the Church from the Secretary.

In presenting our seventh annual report we desire to give grateful praise to Him in whose service we have been privileged to engage, for the measure of success which has crowned our efforts.

The increase in our membership from 41 to 79 has been due, largely, to the visiting of the congregation by the members. We regret that out of this large increase so few have taken any active interest in the Society. The average attendance has been 22 members and 8 visitors. The annual membership fee is now only 25 cents.

The work for the Indians in the North-West was entered into with the usual vigor. Goods to the value of \$110 were prepared, and \$25 in cash was paid the Supply Committee. The Society gave two "at homes"; at the first a collection was taken for the North-West clothing fund, and at the second the goods which had been prepared were exhibited. At this latter meeting, the Society presented Mrs. Thos. Bryce with a life membership certificate and address in appreciation of her earnest and untiring services.

In June, the Society was addressed by Mrs. Nicoll, wife of our missionary to Mistawasis Reserve in the N.W., but ere two months had passed she was called to serve in the Master's kingdom above.

In October, Mr. Nicoll gave a very interesting and instructive address on his work among the Indians, thus our sympathy and prayers have been especially directed to this field.

In October the annual Thank Offering service was held, the meeting was addressed by Mrs. Frost, of the China Inland

Mission, and \$80.00 was offered in thanksgiving to the Giver of all good.

Through the wreck of the S.S. "Roumania," the supplies for the schools and hospitals in India were lost, this Society contributed \$5 worth of goods towards renewing the supply.

In closing this report, our earnest prayer is that God who has blessed our feeble efforts for the advancement of His kingdom may stir up our hearts to fuller consecration and greater liberality, and that this year may be one of rich spiritual blessing, both to our own Society and to the work at home and abroad.

MARY E. LEAMEN,
Secretary.

In presenting this the fourth Annual Report of our Mission Band we desire with grateful hearts to express our thanks to God for His many mercies to us during the past year, and pray that He may continue to bless us in helping to send the Gospel to perishing souls in heathen lands.

We have 15 members on our roll, 7 of whom have been taking the Letter Leaflet.

Clothing and literature amounting to \$13.15 were sent to the North-West.

In October we held our third Thank-offering service. Addresses were given by Mr. Swartout and Mr. and Mrs. Frost. The meeting proved to be very interesting and instructive. We trust that God will put it into the hearts of the young women of the congregation to join us that we may be the means of bringing some souls out of darkness into his marvellous light.

This Association was organized on the evening of May 6th, 1892. It then had seven members, but since that time ten more names have been added to the roll. The object of the Association is to obtain information regarding missions throughout the world. A programme is arranged for every Friday evening consisting mainly of an essay, address or debate on some interesting mission topic. About every month an open meeting is held for which an outside speaker is generally procured to give an address. The Association has also commenced correspondence with active missionaries. A much larger membership is strongly desired as well as the hearty support and sympathy of the congregation.

H. R. McCracken,
Secretary.

HOME MISSIONS.

(WINLAW.)

The Missionary in charge of the cluster of preaching stations in south-eastern Assiniboia known to us as the "Winlaw Mission" has been doing faithful and efficient service, as his own letters and those of Dr. Robertson, both of which have been read to the congregation, will abundantly show. This is a very important work and one which is very much appreciated in that sparsely settled district, and requires every encouragement at your hands. The Treasurer requests to report that the contributions have fallen off during the year and takes this opportunity of reminding the subscribers that the undertaking was to support the Missionary for three years.

SPECIAL FOREIGN MISSION.

(CHINA INLAND.)

The total amount promised towards the support of James Lawson and James E. Duff, laboring in connection with the China Inland Mission has been \$420.15, and of this the sum of \$350.15 has been paid. Early in 1892 the sum of \$200, being the amount received up to that time, was paid over to Mr. J. W. Frost, the representative of the China Inland Mission in Toronto and since then there has been received \$150.15 including the sums of \$75 from the Christian Endeavour Society and \$24.75 from Mr. James E. Duff, of China. There is still a balance of \$70 due which it is

expected will shortly be paid when it and the \$150.15 now in hand will be paid over to Mr. Frost and the account closed.
