The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Législature du Québec

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

NOTE

As the law concerning the parliamentary elections of this province is now applicable, in as much as compatible, to the election of the members of the city council, I have considered it advisable to insert in this compilation, at their convenient place, some articles of the provincial law, as also certain provisions of other provincial laws applicable to the city of Quebec.

ACT OF INCORPORATION

OF THE

CITY OF QUEBEC

CORPORATION.

1. The inhabitants of the city of Quebec form and continue to form a corporation under the name of "The city of Quebec," which is constituted an administrator and as such responsible for the matters entrusted to its administration.

51-52 Vict., ch. 78, art. 1.

GENERAL POWERS.

2. The said corporation has and shall have perpetual succession, and a common seal, with power to break, renew, change and alter the same at pleasure, and may sue and be sued, implead and be impleaded, in all courts of law and equity, and other places, in all manner of actions, causes and matters whatsoever, and may accept, take, purchase and hold goods and chattels, lands and tenements, real and personal movable or immovable estate, and may grant, sell, alienate, assign, demise and convey the same; and may enter into and become a party to contracts; and give and accept any bills, bonds, judgments, or other instruments or securities for the payment or securing the payment of any money borrowed or lent, or for the performance or securing the performance of any duty, matter or thing whatsoever, as hereinafter provided.

29 Vict., ch. 57, art. 2.

BOUNDARIES OF THE CITY.

3. The city of Quebec, for all municipal purposes, shall have the following boundaries:

To the east and south-east, the harbour commissioners' line, and if there be any wharves, piers, or other constructions beyond the harbour commissioners' line, then to the end of such wharves, piers, or other constructions which adjoin the main land.

56 Vict., ch. 50, art. 1, 1st paragraph.

The limits of the city of Quebec include all the wharves and embankments built in the river St-Lawrence and the estuary of the river St-Charles, joined to or connected with the mainland of the said city, on the demand of the Quebec harbour commission and dating from the acceptance of such demand, by the city council, in whole or in part.

1 George V, ch. 47, art. 6.

From and after the first day of May 1901, the extent of land hereinafter described shall be and remain annexed to the city of Quebec and form part thereof, to wit: the extent of land starting from the Cap-Rouge road, situated in the parish of Notre Dame de Québec, to the line of the Quebec harbour commissioners and the lot designated under the No 227 of the official cadastre for the parish of St-Colomban de Sillery, with the road which bounds it to the south-west, and the boundary of the city shall be changed accordingly.

1 Ed. VII, ch. 42, art. 7, 1st paragraph.

N. B.—From the Coteau St-Genevieve to the Grande Allee, the western boundary of the city is a straight line extending from the western alignment of the Boulevard Langelier. Between the Coteau St-Genevieve and St-John street, the western boundary is the present western line (though not straight), of the extension of Boulevard Langelier.

The boundaries of the heretofore village of St-Malo, now St-Malo ward, are described in the law 2 Ed. VII, ch. 57. Those of the heretofore town of Limoilou, now Limoilou ward,

are described in the laws 8 Ed. VII, ch. 98, art. 8 and 9, and 9 Ed. VII, ch. 91, art. 1.

On account of the changes made to the boundaries of the city of Quebec by the statutes—60 Vict., ch. 59, art. 1,—1 Ed. VII, ch. 42, art. 7, 1st paragraph,—8 Ed. VII, ch. 83, art. 1, and of the By-Law therein mentioned, concerning the annexation of the heretofore village of St-Malo,—and on account also of the By-Law No 436 of the city council of Quebec, concerning the annexation of the heretofore town of Limoilou,—it may be said that the city of Quebec has now the following boundaries, to wit:

A line running from the north-east end of the embankment built by the Quebec harbour commissioners, in the mouth of the river St-Charles, and through the mouth of the said river to the public road dividing Limoilou ward from the parish of Beauport,—thence, the said road from the river St-Charles to the public road known as Beauport road,—thence, the said Beauport road to the division line between the lots of land designated under the numbers 589 and 590 of the official cadastre for the parish of St-Roch of Quebec North,—thence, the said division line between the said lots numbers 589 and 590,—thence, the northern boundary of the lots of land numbers 589, 585, 584, 581, 580, 567, 566, 547, 508, 509, 425, 426, of the said cadastre,—thence, the western boundary of the lots numbers 412, 413, 415, 416, 417, 418, 419, 420, 425, of the said cadastre,—then the St-Michel's stream to its junction with the river St-Charles,—thence, the line of the high water mark on the left bank of the river St-Charles, to the bridge known as Scott bridge,—thence, on the right bank of the river, the by-road of Scott bridge, from the river to St-Valier street, and Lesage avenue, from St-Valier street to St-Genevieve cliff,—thence, the top of the Coteau St-Genevieve running north-east to the Boulevard Langelier,—thence the town of Montcahn, from the Coteau St-Genevieve to the Cap-Rouge road,—thence, the Cap-Rouge road running south-westerly to and included the road of Wolfe's cove,—thence, the parish of St-Colomb of Sillery.—thence, the top of the cape, from the parish of St-Colomb of Sillery to the line formerly dividing the parish

of St-Colomb of Sillery from the parish of Notre Dame de Québec,—thence, to the south-west, the line of the Quebec harbour commissioners, to the north-east end of the Louise embankment.

But, according to the law 56 Vict., ch. 50, art. 1, 1st and 6th paragraphs, are to be excluded from that territory, the lots and buildings forming the actual precincts of the Hôpital Général de Québec to the outside of the present wall.

And the above indication of the boundaries of the city shall not have the effect of subjecting the lands belonging to the Hôpital Général de Québec and to the Hôtel Dieu du Sacré-Cœur de Jésus, to municipal taxes and assessments, so long as such lots shall be occupied by the said communities for the purposes of their institutions.

By the law 57 Viet., ch. 6, art. 2, of the 8th January 1894, the lot of land designated under the No 591 of the official cadastre for the parish of St-Roch of Quebec North, has been declared exempt for the future, of all municipal and school taxes, as well as of all special assessment and tax or compensation for the water.

By the law 60 Viet., ch. 72, of the 9th January 1897, the said lot No 591 has been declared to form part of a parish erected and designated under the name of the parish of St-Michel Archange, for civil ends. But that erection of parish does not seem to have had the effect to exclude that lot from the municipality of Limoilou.

It is also what seems to result of the law 8 Ed. VII, ch. 98, art. 1 and 8, of the 25 april 1908.

But the said lot No 591 remains not taxable.

BOUNDARIES OF THE WARDS.

4. The city is divided into twelve wards, namely:—
St-Louis, Palae, St-Peter, Champlain, St-Roch, Jacques-Cartier, St-John, Montcalm, St-Valier, St-Sauveur, St-Malo, Limoilou, wards, and such wards have the following boundaries:
St-Louis ward comprises that portion of the Upper Town situated within the walls, which lies to the south of a line

drawn from Mountain Hill to St-John's Gate through the middle of Buade, Fabrique and St-John streets.

Palace ward comprises that portion of the Upper Town within the walls which is not comprised in St-Louis ward.

St-Peter's ward comprises that portion of the Lower Town which is bounded to the south by a line drawn in the centre of Sous-le-Fort street and prolonged in the same direction on one side to the south eastern-limit of the city and on the other side to the cliff under Dufferin Terrace, on the west by a line drawn in the middle of St-Roch's street, from the foot of the cliff to the river St-Charles and on the north by the (bed of the river St-Charles).

Champlain ward comprises that part of the city bounded on the north-west by Montcalm and St-Louis wards, to the east, by St-Peter's ward, to the south and west by the southern and western limits of the city.

St-Roch's ward comprises that part of the city bounded to the south by a line drawn in the centre of St-Joseph street, on the west by a line drawn in the centre of the Boulevard Langelier, to the north by (the bed of the river St-Charles), and to the east by a line drawn in the centre of St-Roch's street, from the middle of St-Joseph street, to the river St-Charles.

56 Vict., ch. 50, art. 2, six first paragraphs, with the modifications resulting of the annexation of the town of Limoilou and of the village of St-Malo.

Jacques-Cartier ward is bounded to the north by St-Roch's ward, to the west by a line drawn in the centre of the Boulevard Langelier, to the south by St-John's and to the east by St-Peter's ward.

59 Vict., ch. 47, art. 1.

St-John's ward comprises all that space which is bounded by Jacques-Cartier ward, the walls of the town, the limits of the city, to the west, and a line drawn in the centre of St-John street, from St-John's Gate to the western limits of the city.

Montcalm ward comprises the territory which is bounded to the east by the walls of the city, to the west by the limits

of the city, to the north by St-John's ward, and to the south by the top of the cliff on the river St-Lawrence.

St-Sauveur ward is bounded to the east by Jacques-Cartier ward, to the north by St-Valier street, from the Boulevard Langelier to Massue street, on the north-west by Massue street, c. the south-west and south-east by (St-Malo ward).

St-Valier ward is bounded to the east by St-Roeh's ward, to the south-east and south by St-Sauveur ward, to the south-west by St-Malo ward, and to the north by the bed of the river St-Charles.

56 Viet., eh. 50, art. 2, four last parag., with the modifications resulting of the annexation of the town of Limoilou and of the village of St-Malo.

St-Malo ward is bounded to the east by St-Sauveur and St-Victor wards, to the north by the bed of the river St-Charles, to the south-west by the by-road of the Scott bridge and Lesage avenue, to the south by the top of the Coteau St-Genevieve.

2 Ed. VII, eh. 57, art. 3.

Limoilou ward comprises the extent of land described in the preceding article 3, as being situate on the left bank of the river St-Charles.

EXTENSION OF THE CITY LIMITS.

5. The council of the city of Quebec shall have power to pass a by-law for the purpose of annexing any municipality adjacent to the city of Quebec.

51-52 Vict., eh. 78, art. 68.

6. Such by-law shall contain a full description of the territory to be annexed, set forth the terms and conditions of the annexation and specify whether the territory so annexed shall constitute a new ward, or whether it shall be annexed wholly or partially, to one or more wards of the city.

In imposing the assessments and taxes for the territory to be annexed, the city may make a distinction between properties held for agricultural or horticultural purposes, and urban property; it is also empowered, for annexation purposes,

to grant the rate-payers of such territory, for a period not exceeding ten years, different rates for assessments, taxes or licenses of any kind, on the terms and conditions of the aforesaid by-law.

The by-law passed by the council of the city of Quebec, on the ninth of november, one thousand nine hundred and seven, respecting the annexation of the municipality of the village of St-Malo, is declared to be within the powers of the city of Quebec.

8 Ed. VII, ch. 83, art. 1.

7. The territory so annexed shall form one or more new wards, or shall form part of one or more of the wards of the city of Quebec, the number whereof shall be increased or diminished, or the limits whereof may be changed, as the council of the city of Quebec may decide, and which it shall have power to do.

Such new ward or wards so formed shall be known by the name or names selected by the council of the city, and may be represented in the council by a number of aldermen and councillors determined by the council, who if possessing the qualifications required by the charter of the city or the acts amending the same, shall be elected in the manner prescribed by such charter or the acts amending the same by the municipal electors of the territory so annexed, having the qualifications required by the charter of the said city, a list of whom shall have been previously prepared with due diligence by the secretary-treasurer of the municipality to be annexed, who shall forward such list to the clerk of the city of Quebec.

51-52 Vict., ch. 78, art. 70.

8. Every by-law passed by the council of the city of Quebec to annex, upon the conditions therein mentioned, the territory of a municipality adjacent to the city, shall, in order to have force and effect, and under pain of nullity, be duly approved by a vote of the majority of the municipal electors, who are proprietors in the territory to be annexed, who have registered their votes upon such by-law.

51-52 Vict., ch. 78, art. 71.

9. After the above-mentioned final approval by the electors of the territory so to be annexed, and within the thirty days following the forwarding of the list of electors by the said secretary-treasurer to the clerk of the city, as above mentioned, it shall be the duty of the council of the city of Quebec to proceed to the election of aldermen and councillors to represent the new ward or wards in the council of the said city, which aldermen and councillors shall remain in office until the expiration of the term of office then commenced for the aldermen and councillors of Quebec, or as shall be provided by any by-law to that effect.

51-52 Vict., ch. 78, art. 72.

10. When these formalities shall have been complied with, the new ward or wards shall be incorporated with the city of Quebec, and shall be subject to all its existing or future by-laws, and shall enjoy all the rights, privileges and immunities conferred upon the city by its charter and the acts which amend the same, and shall be subject to all duties and obligations provided for in the said charter and its amendments; but none of the provisions of this act shall have the effect of modifying or amending the charter of the city of Quebec, except in so far as what is mentioned in this act respecting the annexation of such territory.

51-52 Vict., ch. 78, art. 73.

11. From the date of the sanctioning of this act, the extent of territory hereinafter described, bordering on the city, and acquired by it from one Frederic Canac dit Marquis, under deed of sale passed before Jos. Savard, notary, on the 23rd august 1907, and registered the 24th day of august 1907, shall be and remain annexed to the city of Quebec, and shall form part thereof, to wit: a lot of land of irregular shape in the parish of St-Malo, forming part of the undivided portion of lot number two thousand three hundred and forty two (2342) on the official plan and book of reference of the cadastre of the parish of St-Sauveur, the said lot being bounded as follows: to the north by the river St-Charles; to the south

partly by the line of the Canadian Pacific Railway or their representatives, and partly by the land belonging to the Imperial Oil Company or their representatives; to the east by the land of the Reverend Sisters of the Ursulines of Quebec or their representatives; to the west partly by the said Imperial Oil Company or their representatives, and partly by the road leading to the aqueduct bridge; and the limits of the city are accordingly changed.

8 Ed. VII, ch. 83, art. 9.

in the mayor, when the mayor is unable to exercise them through absence from the city, illness or other cause.

53 Vict., ch. 68, art. 1.

7 Ed. VII, ch. 62, art. 9.

DISQUALIFICATIONS.

N. B.—The law 29-30 Viet., ch. 57, art. 20, of 1866, authorized the city council of Quebec to pass a by-law to compel the commercial travellers coming from places outside of the city, to take out a license for the exercising of their trade in the city, for which license a sum not exceeding \$200.00 might be exacted.

The law 50 Vict., ch. 15, of 18th may 1887, has abrogated any statute empowering a municipal corporation to exact a license from the commercial travellers taking orders or selling on samples or catalogues or lists of prices; and that same law has abrogated the municipal by-laws then in existence in that respect. That provision of the law has been refunded in article 4644 of the R. S. P. Q., of 1888.

The law 2 Ed. VII, ch. 29, has made to that article 4644, a modification according to which a city may make a by-law to compel those commercial travellers to take out a license, if they sell on samples to persons other than merchants, traders, or manufacturers, only in the ordinary course of their business. Article 5932 of the R. S. P. Q., of 1909, now contains the law in that respect.

The same moveables and moveable effects, which by law are security for the payment of the rent of an immovable or part of an immovable, shall be subject to the privilege of the city for the payment of every personal tax or business tax due to the city by reason of any business, trade or profession being exercised or carried on, in or upon such immovable or part of an immovable.

wife so separated as to property, and all judgments so rendered against the husband alone may be levied against the moveable or immoveable property of the wife, without the latter having a right to stay the execution of the judgment by any opposition based solely on the fact of such separation.

34 Vict., ch. 35, art.21.

253. If any person, other than the proprietor, occupy a property exempt from assessments or taxes, the corporation may impose upon the said person an amount of assessments and taxes equal to the half of that which the corporation could impose upon the said property, if the same were leviable, and it shall also have the right to collect from the said person water rates to which like immoveable property in the city of Quebec is liable.

34 Vict., ch. 35, art. 24.

254. In the case of an immoveable held by a lessee under emphyteutic lease, the city assessors may enter, in the assessment and taxation books, the name of such holder and that of the direct owner of the property of which such immoveable forms part, and both shall, after the expiration of existing leases, in each case, be jointly and severally liable for the payment of the assessments and taxes imposed on such immoveable.

[Note. According to by-law No 242 of the city council, of the 10th april 1874, the water tax is declared to be payable on the first of november, thus rendring useless the amendement made by 36 Vict., ch. 55, art. 4].

The city engineer and inspector or inspectors of roads shall visit the streets, roads, lanes, bridges, market-places, and other places, and generally all the property of the said corporation, and cause all obstructions to be removed therefrom and also all encroachments, by the persons liable or interested therein, by giving such persons notice in writing, either by serving or causing it to be served upon them personally, or by leaving or causing to be left such notice at their domicile or place of business, in charge of a reasonable member of their family, or person in their employ, requiring them to remove and suppress the said obstructions and encroachments, within a reasonable time to be specified in such notice, and in default of their doing so within the time to be so specified, the said inspectors or any or either of them, shall cause the said obstructions to be so removed and the said encroachments to be suppressed, at the cost and charges of such persons, which cost and charges may be recovered, by a suit for debt brought in the recorder's court in the name of the said corporation, of and from such persons, together with the cost of such suit or action, and such persons shall further be liable to a

This notice should be addressed or left at the domicile of such proprietor, if he is a resident of the city, or at the house of the occupant of the said immovable, if such proprietor does not reside in the said city. If the said proprietor does not reside in the said city and the said immovable has no occupant, then the said notice is not necessary.

If, within eight days following the said notice, the works required to be done to the said sidewalks have not been done, then such works shall be done by the corporation which may compel the proprietor to reimburse it by a sum of equal to three fourths of the cost of such construction or repair. This sum or amount equal to three fourths is recoverable as a tax, and in the same manner, and with the same privileges as all other taxes imposed upon real estate in the city; but the proprietor, except in cases of express agreement to the contrary, has no right to oblige his tenant to reimburse him any portion whatever of the same.

may, at any time, if he deem it necessary and expedient, require that such curb-stone be laid in stone, the cost being divided between the city and the proprietors, as for the sidewalk itself.

56 Vict., ch. 50, art. 5;—61 Vict., ch. 52, art. 29.

478. Every proprietor who shall so neglect to make, renew, maintain or repair such sidewalks, as the case may be, within eight days from the receipt of such notice, shall be also liable to a fine not exceeding forty dollars, and, in default of the payment of such fine and costs, to an imprisonment not exceeding eight days. 483. The council shall thereupon, by resolution, determine what materials shall be used in making the sidewalks; and after the passing of the said resolution, the city engineer shall call for tenders for making such sidewalks in the same manner as tenders are called for paving streets.

1 George V, ch. 47, art. 11.

484. To pay the cost of such works the city may, and as the same may be necessary, issue and sell bonds in the manner set forth for the loan authorized by the foregoing sections of this act, the proceeds of the bonds to be exclusively devoted to paying the cost of such works.

1 George V, ch. 47, art. 12.

485. The owner of land liable for the cost of the sidewalk shall repay to the city, on demand, one half of the cost in default whereof the amount so due may be recovered by suit before the recorder's court. Such claim shall have the same privilege as municipal assessments and taxes.

1 George V, ch. 47, art. 13.

486. All amounts repaid to the city by the owners for their half of the cost of the sidewalks, shall be placed in the sinking fund established for the payment of the bonds at maturity.

for placing building material or rubbish thereon, and such width shall not exceed one third of the said street, road, lane, or public place, and shall be enclosed by the person so building, demolishing or repairing, by a wooden fence of at least ten feet high; any person violating any of these provisions shall be liable to a penalty not exceeding forty dollars.

488. The said corporation may charge a reasonable fee for such permit to the person to whom it shall be given.

29 Vict., ch. 57, art. 33, parag. 6.

489. No gallery, window, portico, staircase or other obstruction shall extend or project from any house or building into or beyond the line of any street, lane, road or public place in the said city otherwise than in such manner as may be prescribed and permitted by the by-laws of the municipal council of the said city.

9 Ed. VII, ch. 80, art. 5.

490. The city shall have power to grant to railway and other railway companies, making use of electricity, horses or other motive power, permission to make use of the streets for the purpose of laying their rails.

The city council shall first determine by resolution all the conditions on which it intends to grant such permission; and, when the city and the said company shall agree upon all the said conditions, a by-law shall be made and passed by the said city council comprising all the said conditions of the said permission, the said by-law to come into force only after the passing of a notarial contract between the parties, based on the said by-law and in conformity therewith.

57 Vict., ch. 58, art. 20.

492. From the first day of november until the first day of may in each year, the proprietors or occupants of houses,

493 The council of the said city of Quebec shall have full power and authority to provide by a by-law of the said corporation for opening, extending or widening of streets, public highways, places or squares, or the construction of public buildings, and to order at the same time that such improvement shall be made out of the city funds, or that the costs thereof shall be assessed in whole or in part upon the pieces or parcels of land belonging to parties interested in, or benefited by, the said improvement, and to purchase, acquire, take and enter into any land, ground or real property whatsoever within the limits of the said city, either by private agreement or amicable arrangement between the corporation of the said city and the proprietors or other persons interested, or by complying with all the formalities hereinafter prescribed, for opening streets, public squares, markets, or other public places, or for continuing, enlarging, or improving the same, or a portion of the same, or as a site for any public building to be erected by the said council.

29 Vict., ch. 57, art. 35, parag. 1.

494. The construction of public municipal buildings may be decided and ordered by resolution of the city council.
2 Ed. VII, ch. 48, art. 6.

495. All corporations or bodies, and all husbands, tutors, guardians, curators, *grevés de substitution*, or trustees who are or shall be seized or possessed of, or interested in, any piece or pieces, lot or lots, of ground or real property within the said city, selected and fixed upon by the said council for any of the purposes aforesaid, may not only for themselves, but

496. In case the council of the said city, after having resolved upon undertaking and carrying out any of the said works or improvements for which it has been necessary to acquire one or more lots of ground or real property, or any part of such lots of ground or real property, within the limits of the said city, cannot come to an amicable arrangement with the persons seized or possessed of, upon any title whatsoever, or interested in, the said lots of ground or real property, or any part thereof, or who may be absent or unknown, as regards the price or compensation to be paid for the said lots of ground or real property, or any part thereof (the said corporation, however, shall not be bound to take any step or proceeding towards securing such amicable arrangement), such price or compensation shall be fixed and determined in the following manner, to wit:

29 Vict., ch. 57, art. 35, parag. 3.

53 Vict., ch. 68, art. 5; 61 Vict., ch. 52, art. 29.

498. The amount mentioned in such certificate is then tendered by notarial deed to the said vendor or the person entitled to such compensation.

53 Vict., ch. 68, art. 6.

499. If the offer be not accepted, a copy of the deed of tender is deposited in the office of the said city clerk, and the city then applies by petition to the superior court, sitting at Quebec, or to a judge thereof, for the appointment of three experts to inspect the place and establish the price or amount of the compensation to be allowed.

53 Vict., ch. 68, art. 8.

501. As soon as the petition is presented, the said city may deposit in the office of the said superior court, the amount of such legal tender and, after such deposit, the city may take possession of any such immoveable or part of an immoveable mentioned in the petition and exercise the powers conferred upon it by law as if the compensation had been finally determined and paid.

53 Vict., ch. 68, art. 9.

502. Articles 396, 397, 398, 399, 400, 401, 402, 403, 406, 408, of the code of civil procedure apply to references to experts under the charter of the city of Quebec.

61 Vict., ch. 52, art. 25.

503. The experts are entitled to a fee of four dollars a day for the period during which they perform their duties.

53 Vict., ch. 68, art. 11.

504. Immediately after the appointment of the said commissioners, it shall be the duty of the city surveyor to furnish them with a plan or map showing the proposed improvement, as also the pieces or parcels of ground or real estate to be expropriated.

29 Vict., ch. 57, art. 35, parag. 7.

505. The experts may hear the witnesses produced before them by the parties, and at their expense, and also the parties if they deem advisable.

Such witnesses and the parties may be sworn by one of the experts, the examination shall be *vivâ voce*, and the depositions shall not be taken down in writing.

53 Vict., ch. 68, art. 12.

506. The report of the experts shall be made on or before the day fixed for that purpose by the court or judge; it is signed by the experts or made in notarial form and *en brevet*.

In the case of difference of opinion between the experts as to the amount of the price or compensation, their award has full force and effect if two of them agree.

A statement of the costs must accompany the report.

53 Vict., ch. 68, art. 13.

507. As soon as the experts' report is filed in the office of the said court, the city or the parties interested may, after three days' notice to the parties interested, apply to such court or to a judge thereof for homologation of the report to all intents and purposes; and the said court or judge, as the case may be, after ascertaining that the proceedings and formalities, above prescribed, have been duly followed, confirms and homologates the report, which, as regards the parties concerned, is final and without appeal.

53 Vict., ch. 68, art. 14.

508. If the amount awarded by the experts does not exceed the amount tendered the party expropriated may be condemned to pay all the costs of the expropriation; in the contrary case, such costs may be given against the city.

53 Vict., ch. 68, art. 15.

509. If the amount deposited in the prothonotary's office by the city is less than that awarded by the experts, the city shall, within eight days from the homologation of the report, deposit the difference in the said office.

53 Vict., ch. 68, art. 16.

510. As soon as the deposit is made after the homologation of the experts' report, the prothonotary delivers to the city a certificate (*acte*) of such deposit with the description of the immovable expropriated, and such certificate (*acte*) of deposit constitutes a legal title in favor of the city to the ownership of such immovable, and is registered accordingly.

53 Vict., ch. 68, art. 17.

511. The said expropriation has the same effect as a judicial sale, as well as in the cases where the compensation is established by mutual agreement.

If the city council deem it advisable, it may expropriate the whole or a portion only of the immoveable.

53 Vict., ch. 68, art. 18.

512. After delivering such certificate of deposit, the prothonotary must, at the request of any party interested, and at the expense of such party, obtain a registrar's certificate in connection with the said immoveable; he shall also publish, during two consecutive weeks in the Quebec Official Gazette, and twice in an english and in a french newspaper, published in the city, a notice of such deposit, ordering the filing, within eight days from the final publication of the notice, of all oppositions for payment.

53 Vict., ch. 68, art. 19.

513. After the expiration of the delay for filing the oppositions, the prothonotary draws up a report of distribution of the amount of the deposit as in ordinary cases before the court.

Nevertheless, the amount of the deposit is not liable to any tax, commission or impost whatsoever.

The costs adjudged or taxed in favour of an interested party, or incident to the proceedings, shall be collocated in favour of those who are entitled to the same.

53 Vict., ch. 68, art. 20.

1 George V, ch. 47, art. 30.

519. The roads now under the control of the Quebec North Shore Turnpike Trust, and which are now within the city limits shall be maintained by the city and be under its control,

29 Vict., ch. 57, art. 36, parag. 27.

553. Hereafter the council shall not have power to make any contract for the supply of water to be furnished to any brewery, distillery, tannery or other buildings mentioned in subsection twenty-seven of the said section thirty-six, for manufacturing purposes, or for workshops or industrial establishments, for a longer period than five years.

29 Vict., ch. 57, art. 36, parag. 29.

556. Nevertheless, the city shall be bound to place hydrometers, to regulate, determine and measure the quantity of water to be supplied by the said water works to any institution or religious or teaching community, already exempted by law from taxation, situate within the limits of the said city, which shall apply therefor in writing, and to supply them water, as aforesaid, at a rate fixed by the city council, but not to exceed sixty cents per thousand gallons of water, except charitable institutions supported by public subscriptions, such as the *Sœurs de la Charité de Québec*, the Asylum of the Good Shepherd, Quebec, Jeffery Hale Hospital, St-Bridget's Asylum, and the Ladies' Protestant Home, for whom the rate

shall not exceed twenty-five cents per thousand gallons of water. The institutions or communities which shall have obtained hydrometers, as above provided for, shall pay to the city the cost thereof and place them in position at their own expense; and the city shall have the right to inspect the hydrometers whenever they deem it expedient so to do.

29 Vict., ch. 57, art. 36, par. 30.

558. All actions or suits against any one whomsoever, for anything done under this section, respecting the water works shall be instituted within six months after the commission of the act or thing done, or in case of damages, within six months after the damage shall have been done, and the defendant may plead the general issue, offer the present act in proof, and allege that the act or thing was done under the authority of the present act, and if this shall appear to be the case, or if the action shall have been brought after the delay fixed by this subsection, judgment shall be rendered in favor of the defendant, with treble costs against the plaintiff, who shall also be bound to pay them in case where he shall make default, or discontinue the action or suit, and such costs shall be levied in the ordinary way.

29 Vict., ch. 57, art. 36, par. 35.

559. And whereas difficulties have arisen as to the correct interpretation of the words "occupied house and store" in the acts relating to the water works of the said city: it is hereby declared and enacted that the words "occupied house or houses" in the section of this act, relating to the water

works, and in the by-laws of the council of the said city, have signified, do signify, and shall signify any house occupied as a dwelling or for any other purpose whatever, except as a store; and the words "store and other similar buildings" in the said act and by-laws have signified, signify, shall be held to and will signify in the said section of this act, any building whatever used for storage and sale by wholesale only of merchandize and effects, notwithstanding any matter, thing or enactment contrary thereto in the said act, section or by-laws contained.

29 Vict., ch. 57, art. 36, parag. 36.

560. Judicial or other sales of lots, the official cadastre numbers of which cover lands belonging to the city for the purposes of its water works, or used for the purposes thereof, shall not affect the rights of the city in or to such lots.

59 Vict., ch. 47, art. 14.

561. Every action, suit or claim against the city for damages is prescribed by six months, counting from the day when the right of action arose, any article or provision of the civil code to the contrary notwithstanding. But no such action, suit or claim can be instituted unless a notice containing the particulars of such claim and the address of the domicile of the claimant, be previously given to the said city within thirty days from the date on which the accident happened, and no such action or suit can be taken before the expiration of thirty days from the date of such notice.

The default to give the above notice shall not deprive the victims of accidents of their right of action, if they prove that they were prevented from giving such notice by irresistible force or for other reasons deemed valid by the judge or the court.

7 Ed. VII, ch. 62, art. 45.

INTERPRETATION
