Mr. Brown.—Will you allow me a small
space in your valuable Journal, to answer a query
brought to my notice by Mr. John Clark, that
the Subscribers to the "Montreal Advertiser"
are entitled to a right of reply?—
I beg leave to say, that I have no objection
to make to the right of reply given to Mr. Clark,
but I have been induced to write to the Committee
in order to give the public a full and correct
knowledge of the facts. The Committee are
not yet in session, and have not yet received
any information from their members or
other sources, so far as to enable them to
make a satisfactory reply. They have
not yet had time to consider the matter in
detail; and as they have not been able
to get into communication with the
Committee, I will, therefore, give a brief
outline of the facts at present known to me.
The first point is, that the majority of
the Committee in question, call attention
to the fallacy of the course pursued; the cause
of their entire and other failure, and serve the public
no end in this regard. Next, it has
been perfectly natural to expect a disclosure such as this, when their failure
was so baldly exposed; but, really, to insist
that they should be afraid of public censure, is in
itself sufficient to establish the truth.
They can only escape a trial concerning
this matter, by publishing their records, which
will expose them to a severe punishment.
Now, if men perfectly natural to expect

**DR. HALEY'S
FOREST PILLS.**

These Pills were first made before all other physicians had discovered their great value. They have always been the best of all, and now Dr. Haley's Pills are sold by all the principal dealers in New York, Boston, Philadelphia, and elsewhere.

NO FATHERS OF FAMILIES!
The first cause of the disease continues to be the want of exercise. In the latter part of life, however, the disease becomes more prevalent, and there is no better way to cure it than by the use of Dr. Haley's Pills. These Pills are sold under the name of Dr. Haley's Forest Pills, and are the best made and most effective.

DEATHS OF THEIR OWN CHILDREN!!!
Ten thousand cases of children and adults die every year through the want of exercise. This is a very common disease, and can easily be cured by using our muscles which are the best medicine. It is also a common disease of the heart, and the best way to cure it is to take a walk or a ride in the country, or to swim in the sea. A single night's rest of Dr. Haley's Pills will cure the disease, and the family will be well again.

NO DOCTOR WOULD REFUSE IT.
We send out free of charge to all who desire to know the effects of Dr. Haley's Pills, and we will be happy to receive any letter from you. We will also send you a sample of our Pills, and we will be happy to answer any question you may have.

SALTIS AND GANTOR OIL.

No reliance can be placed on Salis or Gantor Oil. These, as well as all common purgatives, pass through the bowels, and do not leave the body. They are not good for the skin, and do not cure the disease.
