The Maritime Provinces-

t week that a stump orator, in the xcess of his zeal, declared that it-New Brunswick, Nova Scotia and wing to misgovernment, was se and that the people were leaving in heals, and that those who remained chind looked for relief in the reeal of the union or in annexation It happens that Bishop Melneyre. Prince Edward Island, was in posed to it; they are well satisfied th their position as a part of the lominion of Canada." Mr. Someille, M. P. for Brant, and one or lake's licutenants, was the polias ripe for repeal. He had better quare himself with the Bishop now. the meantime His Lordship'

sections to the contrary. With reference to New B. un-wick g State of Maine has been d in 1860 just double the popula on of New Brunswick. In the wenty years following New Brunsrick increased by seventy thousand and Maine by just twenty thousand! Between 1870 and 1880 the populaton of New Bounswick increased by ounties there was a large falling off. Franklin County, for example, and 700 people, Kennebec 150 Lincoln 770, Oxford 860, Penobscot, 1,600, Somer-et 2,300, Waldo 2,000. The town of Portland only increased by 2,400 in ten years, a smalle increase than in the N. B. Portland, and Bangor, without, fire last. which was nearly burned to the ground. The State debt of Maine is now \$20 per head of the population, and the State tax was three vears ago forty-live cents on each \$100 valuation. New Brunswick has some debt, it is true, but as yet it has no provincial taxation, its revenue being derived chiefly from the Dominion treasury. Comparing Maine with New Brunswick, the latter is certainly in the better and the estimated cost of maintaining this naval establishment is about fifty-five million dellars annually.

position. Its population is growing more rapidly than that of Maine, and its taxation is smaller. New Brunswick can gain nothing by re-Brunswick can gain nothing by re-peal or annexation, and does not look for either. This seems to answer the story of discontent New Brunswick. There now remains but Nova Scotia to be dealt with. The recent development of the manufactures of this province, the great strides taken this province, the great strides taken by the coal industry and the presperity of the fishing industry might have been used as testimony in favor of the view that the province is not successful. But the charge

ssued a pamphlet for distribution among the people of Greal Britain with the view to promote emigration to the province. The brochurs-says the people of Nova Sestia are pro-perous and happy. and tha provisions and all the necessaries of the fire of youth, those wonderful. itte are cheap, while labor is in lemand and is well remunerated Fa: m servants are in good demand at wages ranging from ninety cents to \$1.25 per day; and during haying cason \$1.50 with board is frequently the strength of the most complete cason \$1.50 with board is frequently the strength of the most complete cannical strength. a courage from \$7.50' up. The pamphlet states that all classes of working people can get on if the understand their business, and they can live more cheaply in Nova Scotia than in England. Speaking of a particular section of Nova Scotia, the writer says: "It is such a country as one might well be happy in, for I am sure independence and every comfort are possessed by the farmers of this portion of the province," This seems to be a pretty conclusive reply—and from a Grit Book was and day and discounter to the stories of decay and discounter to the stories of the most complete the and clause that and labor, with an alerthest that all clauses and no labor, with an alerthest that all clauses and no labor, with an alerthest that the stock in the whole field, with an element to the force of the McKenzie Government the average per capital cook in the whole field, with an element to the force of the McKenzie G

This seems to be a pretty conclusive reply—and from a Grit source, too—to the stories of decay and discontent which are related regarding Nova Scotia for political purposes in other parts of the Dominion.

It is evident that on the whole prosperity reigns in the East, Of course there is everywhere a desire to make what is good better. The man who has fallen into a state of easy content with his lot can never lies in position or wealth. So it is with communities. A dult, contented community makes no propose that, because our farm products are very cheap at the present time, the farmers are doing a losing business, or living harder than who has fallen into a state of easy content with his lot can never lies in position or wealth. So it is with communities. A dult, contented community makes no propose that, because our farm products are very cheap at the present time, the farmers are doing a losing business, or living harder than the very which is equally true that everything they have to buy is unusually cheap, that when they come to strike the difference between profit and with communities. A dult, contented community makes no propose that, because our farm products are very cheap at the present time, the farmers are doing a losing business, or living harder than in former years. While every low, the sequely cheap and losing business, or living harder than in former years. While every low, the present time, the farmers are doing to losing business, or living harder than in former years. While every low, the present time, the farmers are doing to losing business, or living harder than in former years. While every low, the present time, the farmers are doing to losing business, or living harder than in former years. While every low in the case, while every low is equally true that everything the propose and the present time, the farmers are doing to losing business, or living harder than in former years. While every low in the case, while the pushed of corn will buy the propose and indice to make a batined, but ye

Prince Edward Island, was in an Francisco a short time ago, and tile there he allowed himself to interviewed by a reporter for city paper. In the course of the terriew the reporter asked what do the people of Prince was the second rawal tord, the third as the second rawal tord, the Bishop replied: "They are not as seat in Parliament. The second rawal tord, the Bishop replied: "They are pull statisfied."

that it destroyed my appetite and weakened my system. After trying other remedies, and getting no relief, I began to take Ayer's Sarsaparilla, and, in-few months, was cured. Susan L. Cook, 909 Albany st., Boston Highlands, Mass.

Ayer's Sarsaparilla is superior to any blood purifier that I have atement that the province

With reference to New B un-wick interesting comparison of its sistion with that of the neighborse of the new y the more grate of Maine has been made coording to this statement, Maine d in 1860 just double the popular of the three naval lordtwelve and a half per cent, while hat of Maine increased by three and a half per cent. The entire gains in Maine were in two counties and in the cities. In fourteen of the counties there there were the counties there is a fourteen of the counties there is a fourteen of the counties there were the counties there were and eighty-five the counties there is a fourteen of the counties there were and eighty-five the counties there is a fourteen of the counties the counties the counties are considered in the counties and in the counties are considered in the conside and eighty-five subordin

and Bangor, without fire, lost a larger population than did St. John, which was nearly beyned to the ground. The State debt of Maine is now \$20 per head of the pupulation of

of the view that the province is not as represented. But the charge that Nova Scotia is depressed is answered more satisfactorily by the Secessionist Government of that province than it can be by any statistics which may be quoted. The Government of Nova Scotia has just inseed in the market of parliamentary assued a pamphlet for distribution

isolation, and annexation, which Sh phailding in Free Trade Scotland looks to the making of Eastern inlook New Brunswick compares with Maine. The Nova Scotta Seessionists Write a Book, and give Themselves Away.

Stories of depression, retrogression a discontint in the Maritime Princes are stock features of Griperches in Outsrio. It was only tweek that a sump orator, in the xcess of his zeal, declared that in spoke.—Mail.

Hes,

the Legislative Council. With onor two exceptions, the result is duentirely to the apathy of our Libera servative friends. So little inportance is attached to the existence the Council, that a large number of electors, instead of going to the nabled the Grits, who mustered all their strength, to secure a majority.

Contrary, however, to Grit expectaa handsome vote. Mr. Alexander Martin, who was defeated in June last, owing to disgraceful Grit slarders, has been elected by a larg majority to represent the property holders of that large and flourishing District. We congratulate the people of Belfast upon their spirited reply tthe Grit organ's charges of job bery and corruption. Seeing that the Patriot based nearly all its charges of extravagance and jubbery against the Government in the Belfast District, the triumphant election of Mr. Martin is a powerful refutation of its slander-

In the First District of Oueen'-Hon. Mr Campbell made a gallan fight. If not elected he is not, it i supposed, more than five or six votebehind his opponent. Considering all the circumstances, the victory ivirtually on Mr. Campbeli's side. H. had to contend against alm s insuperable obstacles. No stone was decions, Elward Bake has deterleft unturned by the Grits to compas- mined that he shall not be burdened his defeat, but notwithstanding all with any scruples as to what their efforts he received a loyal suj - method to make use of to dish his throughout the Island, and especially convinced, is saying a good deal, in the First and Second Districts in and may possibly startle those who Queen's County, to stir up religiou are familiar with the manner in thich the great "Bodler" of the electors with Catholic domination, whilst they had a bran new set of questions, and the actions of his tables were well furnished with hand.

The Write alleges and Ward discusses public tables were well furnished with hand.

The Patriot alleges Senator Howlan threat electors with Catholic domination, whilst they had a bran new set of yatns for Catholic voters. In this way they succeeded in influencing of statement and shallow.

A the great "B sodier" of the gre which means amalgamation, or, in other words, the utter disfranchis-ment of nearly one-half the popuBake is destined nevertheless to which it was decorated. Beside the would rather be at a safe distance triumph of "Liberalism" which the Catholic electors of the First Districts of King's and Prince Counties, who were guided by Messrs. J. R. M.
Lean, Dr. McIntyre, and S. F. Perry, are trying to propagate. But not- full-some additions and the state of lation, as prepounded in the "Political take the belt from him, for at leas lamb was the soda water fount, pre- from lifeless Grit analomy. were guided by Messrs. J. R. M. Lean, Dr. McIntyre, and S. F. Perry, are trying to propagate. But not-withstanding the desperate efforts of his opponents, and the inactivity of some of his supporters, Mr. McEachen fought a splendid battle, and were it not that he was opposed by a professed caused the defeat of Hon. Sewart ment cooly told the story of their Burns. In the Second District of brutalities themselves. After for-King's Mr Owen is only six votes be-

As will be seen by the figures given in another column, the battle in this city was easily won by the Grit candidate. The lapse of time and the internosition of civic matters, of which he made the most possible, caused Dodd's jobbery when in power, and part of the speaker. The Globe his bitter Gritism on all occasions. Some of them may live to see their mistake, but that is none of our funeral. Only about one-half the votes enrolled in the City, Common and Royalty were polled, which shows that the electors were altogether apathetic about the fate of the Council. Indeed, we know that many abstained Indeed, we know that many abstained took up the cry, and grew frantic.

When the clamor subsided, it was country districts would muster strength discovered that the quotations given igh to remove this barnacle from by Mr. Blake were a chaplet or the Ship of State without their assist-
