About the same date as Mr. Jenkins' settlement came also the Cox brothers, Jcs. Whitehead and John Wilson. Hence Mr. Jenkins could very well be called one of the township fathers. In 1843 he removed to lot 18, where he lived until his death, and which place he called "Woodlands Farm." FRIDAY, JAN. 25rm, 1884.

THE DISMISSAL REDRESED The ground taken by THE SIG

MAI regarding the illegal dismissal of Col Ross by the partizan masority of the late County Council, at the December meeting, has been sustained.

The by-law appointing Dr Holmes treasurer then passed, was repealed on Wednesday, and the whole irregular proceedings of the December meeting attempt to snatch an office in an illegal manner was overturned.

It was thus admitted that Col. A M. Ross was the legal and only treasurer of Huron up to Wednesday, January, 23, 1884.

The action of those who oppos ed and condemned the conduct of the Tory majority of 1883 was approved of.

The Tory members who were returned for 1884 swallowed the bitter pill, without much trouble. Col Ross was permitted to re-

tire like an honorable man. Then W. J. R. Holmes, to save

further political bickering in the Council, was appointed treasurer.

The new Reform members are deserving of any credit which may attach to this "compromise." As vote on the Wardenship would have given Mr. Gibson at

least a majority of 6. Col. Ross would also have been permitted to honorably retire on at least as strong a vote.

W. J. R. Holmes, his successor would likely have secured a majority on a vote, but a very small

one. He had been so long in the field, and so incessant in canvass, that he had got to be regarded by the independent members as having a sort of squatter right to the

In opposition to this theory we contend that no young cou-ple should think of marriage who do not truly love each other, and are not willing to face poverty, if need bs, with each other and make a social position for themselves. The right to all the luxu-ries of life should be earned, and then they will be appreciated. In support of this statement and in opposition to these marriages of convenience — mere com-nerveial bargains — we will instance Lap-land, where they go to the opposite ex-thought of or known. AYER'S PILLS.

A large proportion of the diseases which cause human suffering result from derangement of the stomach, bowels, and liver. AYER'S CATHABTIC stomach, bowels, and liver. AYER'S CATHARTIC PILLS act directly upon these organs, and are especially designed to cure the diseases caused by their derangement, including Constipation, Indigestion, Dyspecials, Headache, Dysen-tery, and a host of other allments, for all of which they are a safe, sure, prompt, and pleasant remedy. The extensive use of these PILLS by sminent physicians in regular practice, shows unmistakably the estimation in which they are

held by the medical profession. These PiLLs are compounded of vegetable sub-stances only, and are absolutely free from calomel or any other injurious ingredient.

A Sufferer from Headache writes :
