HYMENEAL.

CHUTE-CHENEY.

A pretty wedding took place at Hancock, N. H., January 29th, at 11 a. m., when Miss Harriet Bell, daughter of Mr. and Mrs. Charles W. Cheney, was united in marriage to William Fred Chute of Antrim, N. H. The bride is one of Hancock's best known young ladies and the groom is well known in his own town. Rev. W. R. Colman performed the ceremony at the residence of the bride's parents. The bride was beautifully and becomingly gowned in white silk tulle, with Valenciennes lace trimmings, and carried a bouquet of bridal roses and white carnation pinks. Miss Bessie E. Thurston of Stoddard, N. H. was maid of honor. She wore white organza with lace trimmings and carried pinks. Mr. Fred A. Faulkner, the groom's nephew, of Antrim, was the best man.

After the ceremony the guests repaired to dining room, where luncheon was served. The decorations were a feature. The parlor was decorated with wedding bells and green and white trimmings, also carnation pinks. The large number of wedding presents included cut glass, silver, china, bric-a-brac and money. The groom's gift to his bride was a gold watch and chain. A large number from Peterboro, Hancock, and Antrim waited to give the couple a rousing "send off" as they left on Tuesday on the S. S. Prince Arthur for Bridgetown, the groom's former home. Surviving the showers of confetti and rice, they found their carriage extensively and beautifully decorated. Arriving in Bridgetown on Wednesday, 2 p. m., they drove to the home of Mr. and Mrs. George Chute, where in the evening a large number of invited guests attended the reception. A very pleasant evening was spent and after an enjoyable treat, the guests retired to their different homes, wishing Mr. and Mrs. Chute a long and happy wedded life.

SPRINGFIELD.

The Misses Margaret and Reba Freeman of Middleton are visiting at the home of their grand-parents, Mr. and Mrs. J. C. Grimm.

Mrs. E. H. Howe, who has been spending the past month with friends in Amherst and Halifax, is expected home this week after having enjoyed a successful operation in one of the Boston Hospitals. Her many friends are glad to see Mrs. Howe looking so well.

Mrs. Irving Mason arrived home this week after having undergone a successful operation in one of the Boston Hospitals. Her many friends are glad to see Mrs. Mason looking so well.

An invitation has been extended to Cloverdale Division on the evening of the 19th. An interesting programme is being prepared by both Divisions, and an enjoyable evening is anticipated.

Mr. Bernard Swallow spent a few days of last week with friends in Melvern Square.

Mr. and Mrs. Clayton Grimm very pleasantly entertained a number of the young people at their home on Wednesday evening last.

Miss Winnie Conrad of New Germany is visiting friends in this place.

Messrs. Ellison Grimm, George Darling and Delbert Sanford left today (28th) for Bear River, where they will remain for the remainder of the winter.

This being "Leap year" the inmates of the Bachelor's Hall had better "beware."

Mr. J. C. Grimm has made a change in his business, having taken his son into partnership. Hereafter the firm will be known as J. C. Grimm & Son.

An agreement has been signed by the merchants of this place to close their stores at 6:30 p. m., on the evenings of Monday, Wednesday and Friday to go into effect on Feb. 4th.

Cure for Weak Lungs

"I have used your *Psychine* for about six months, and have found it an excellent remedy for pneumonia and weak lungs."—Donald Johnson, Farnell, Ont., April 15, 1907.

"*Psychine* is one of the best medicines on the market, and for all throat and lung troubles is unequalled."—A word from a man who has tested it.

Pneumonia, Bronchitis, Coughs, colds and all throat, lung and stomach troubles yield to *Psychine*. At all drug-gists, 50c and \$1.00, or Dr. T. A. Slocum, Limited, Toronto.

Annapolis and Kings County Medical Association.

The semi-annual meeting of the Annapolis and Kings County Medical Association was held in Bridgetown, Wednesday, and was attended by the following members: Dr. Moore and W. S. Woodworth, Kentville; J. C. Morse, Pt. Williams; Dr. S. E. Shaw, Berwick; Dr. P. N. Balcom, Aylesford; Dr. S. Spangue, Miller and Reid, Middleton; Dr. Cole, Springfield; Drs. DeBlois, Armstrong and Burns, Bridgetown; Drs. Young and Morse, Lawrenceton; and Drs. Robinson and Byers, Annapolis.

At the afternoon session which was held in the private parlor of the St. James Hotel Annex, Dr. Balcom occupied the chair in the absence of the president, Dr. DeWitt. Letters of sympathy were ordered sent to Dr. DeWitt, Wolfville, Dr. Primrose, Lawrenceton and Dr. Bell of Kingston all of whom were unable to be present on account of illness.

Dr. Balcom, Burns and Miller presented papers of purely scientific subjects, that were beyond the comprehension of your reporter; these were discussed by most of those present and if we were to judge by the applause and the amount of tobacco smoke, we would say the discussions were interesting and enjoyable to a high degree. This organization of our medical men we learned, dated from last June when at a meeting held in Middleton. The society was formed to promote a greater social and fraternal spirit among the profession and for the advancement of Medical Science. The secretary, Dr. Read announced that so far 24 men in actual practice in the two counties had united. Dr. DeWitt, the president was unable to be present on account of illness, but in a letter read from him, he said he was able to return home from Montreal and hoped soon to be able to return to his work.

A very cordial reception was given Dr. Robinson of Wolfville by his medical confreres, as this was his first appearance among them since his return home from the West. The doctor is looking particularly well. It was decided to hold the next meeting at Wolfville in June.

TOWN FINANCES.

The account of the town's finances for the year 1907 have passed the auditor's and will be in the hands of the printer in a few days. The auditor has favored us with the following items, which will be of interest:—

The total receipts for the year were \$19,192.04. Of this amount \$7,243.03 was collected for property taxes, \$80. for dog taxes, \$2,172.06 water taxes, \$244.69 fines, \$73.95 misc. \$378 cash on hand Jan. 1st 07. The disbursements amounted to \$8,994.05, in addition to which \$955. was deposited in sinking fund, an overdraft of 1906 in bank of N. S. of \$684.29 was paid and a cash balance remains on hand of \$461.60.

The following is an extract from the auditor's report:—

"It is commendable that there was no overdraft in connection with the ordinary town account at the end of the year, and that the various sinking fund in an aggregate of \$955 deposited in them." This latter amount is larger than the total sum deposited since incorporation.

HAMPTON.

Henry Chute and Bernard Mitchell are home from sea.

Boy Farnsworth is home from Lynn where he has been at work.

Joseph Snow of Cliftondale, Mass., is visiting his parents and other friends Albert Tolan, who has been sick for several weeks is getting better.

The Clam Supper held on the evening of the 21st was a decided success. The night was very fine, a goodly number was present and a very enjoyable evening was spent. The sum of \$31.35 was realized.

District Division at Round Hill.

The annual meeting of the District Division for Annapolis County was held at Round Hill on Tuesday, Jan. 21st. Representatives were present from five divisions. Owing to floating ice in the river many were unable to cross from Granville which was much regretted. The reports from Divisions were encouraging—four having been revived since last meeting—viz, Regina at Paradise, Ever Hopeful at North Williamston, Nictaux at Nictaux Falls and Cloverdale at Falkland Ridge. Bro. J. Hall, Scott Act Inspector's reports work done during year—The law well enforced outside incorporated towns. A communication from Bro. Warren, Grand Division Organizer, was read and a vote of appreciation for work done passed. The next meeting will be held with Old Colony at Chemsport. Officers were elected viz:—E. W. Rice, D. W. P. G. W. Armstrong, D. W. A. L. W. Elliott, D. Seab. Jas. Turner, D. Treas. Mrs. Turner, D. Chap. S. Turner, D. Con. S. B. James, D. Secy. Mrs. Milner, D. S. Y. P. W.

A large audience was assembled in the evening to enjoy the programme:—

Miss Whitman, Song
Rev. Mr. Simpson, Prayer
Rev. Mr. Recker, Address
Rev. Mr. Simpson, Address
Mr. Rice and Mrs. Bancroft, Music
Rev. Mr. Henry and Elliott, Address
Bro's. Turner and Elliott, Homatics National Anthem.

Ice Racing in Digby.

Digby is expecting some interesting ice racing. A correspondent of the Digby Courier says:—The ice on Daley's Lake is reported as being in good shape, and with a day or two more cold weather will be perfectly safe when the cup race will be called on. The probable starters are Capt. Teak with his fast pacer lately procured from St. John, Dr. F. E. Bliss, with his speedy trotter, T. D. Graham, with his pacing mare "Leda" that put up a mile in 2:26 as a three year old, C. R. Morton with "Look-away Boy" that was a mile last season in his work in 2:19; L. B. Eldridge, with his speedy little pacer mare that is known to have extreme speed, and possibly Dr. J. D. with his warrior "J. D.", one of the hardest horses to beat ever owned in the county; also Mr. Armstrong, with "Border Jr.", one of the fastest trotters in the province, and L. D. Morton may start "Kingborough".

Card to Electors.

Goodwill electors of the Town of Bridgetown:—

Having been requested for a number of months past, by a large number of my friends, who are property owners and ratepayers of this town, and being counted by the same gentlemen, and believing that the business transacted from time to time by the mayor and council of the town should be considered of great importance to each home, I have at last consented to be a candidate for councillor in the coming election. I therefore respectfully ask your support and promise if elected on Feb. 4th, 1908, I will serve in said office to the best of my ability.

Yours faithfully,
W. E. JEWETT.

Encouraging Sign of the Times

LONDON, Jan. 23.—The rate of discount of the Bank of England was today reduced from 5 to 4 per cent.

The reduction of the bank rate was a foregone conclusion, owing to the rapidly improving financial conditions prevailing everywhere, which caused the market for discount rates to fall to 3 1/2 per cent. The return of cash from the country considerably swelled the reserve, which will be increased in the near future by the receipt of bar gold from Egypt and Australia, as well as bar gold now enroute to London. This will include \$5,000,000 worth of gold, which probably will be secured by the Bank of England on Monday. Other influences tending toward the reduced bank rate are the improved conditions prevailing on the continent, forecasting early reductions in the bank rates of France and Germany, and the likelihood of the return of gold from America to Argentine Republic, thus relieving the demand on London. The announcement of the bank rate had a favorable effect on the London Stock Exchange, where the reduction of a half per cent only, had been anticipated.

Gruesome Result of Year's Operation.

CANADIAN RAILWAYS DURING LAST YEAR KILLED ONE OUT OF EVERY 459,104 WHO TRAVELED.

The Canadian railways during the year ended June 30th, 1907, killed one out of every 459,104, and injured one out of every 41,299 passengers carried. The total number of passengers killed was 70 and the total number injured 349. Besides this 219 employees lost their lives or were hurt on level crossings or on the tracks of the railways the record of accidents amounts up to 387 killed and 1,688 injured—a gruesome result of a single year's operations. The slaughter of 35 persons and injuries to 287 others are attributed to broken rails, and the use of care in the manufacture of this portion of railway equipment is thereby strongly emphasized. Now that the heavy demands on the steel rail mills have ceased the makers may find it possible to turn out a higher class article and better calculated to stand the increased strain of present day traffic. The year's accidents cost the railways \$1,961,970, including \$662,248 for injuries to persons. Amongst the remedies urged are a stricter inspection of rails, roadbed and equipment, the adoption of a thorough block system and an emphatic holding to account of those responsible for accidents.

GRANVILLE CENTRE.

Mr. and Mrs. Eds. Palmer are receiving congratulations on the birth of a daughter. The baby, Miss Lillian Fowler of Bridgetown, spent last week at the home of Mr. Henry Troop.

Miss Mable Troop is home from Annapolis for a few weeks vacation.

Mr. David Gilliland sr., an aged lady, is quite sick.

Misses Mary Taneh and Lena Withers left last week for Boston, Mass., where they will remain several weeks.

The ladies of the Episcopal church held a very successful 10c tea at the home of Mr. and Mrs. A. B. Fish, and realized \$10.00.

The ladies of the Baptist church held a clam supper in the hall, Jan. 22nd and realized the sum of \$39.00.

A number of families and individuals have been afflicted with lagrippe, but are all recovering.

Mrs. Gilbert Willett is spending the winter in St. John with her son.

The W. M. A. S. for the month of February will be held at the home of Mrs. E. P. Gilbert, Thursday, Feb. 6th if stormy, Friday Feb. 7th.

Miss Ada McCormick of Clements-port is the guest of her brother, Harry McCormick.

CLARENCE.

Mr. A. J. Wilson is spending a few days at Deep Brook.

Two candidates were received for baptism at the Baptist conference last Saturday.

Messrs. L. W. Elliott and Howard Wilson have gone to attend the farmer's association at Antigonish.

Harley Dunn of Springfield is visiting his aunt, Mrs. Ruth Beals.

Mr. Oscar Beals purchased a fine pair of oxen of Maynard Oakes of Albany last week.

Mrs. McPherson of Caledonia, Queens Co., is spending the winter with her daughter, Mrs. R. B. Fisk.

Mr. and Mrs. H. D. Woodbury were guests over Sunday at Mr. G. H. Jackson's.

Mr. Geo. Burbridge and sister of Middleton spent Sunday at N. B. Foster's.

Mr. Lorenzo Elliott arrived home on Tuesday after spending over two months with his sister, Mrs. (Dr.) McCurdy at Blue Hill, Me., and other friends in Boston, Lynn, Marlboro and Yarmouth. We are very glad to report he is much improved in health.

THE SECRET OF CRISP PASTRY

Keep three things in view, if you want unvarying success with your pastry—cold water, good shortening, and Blended Flour.

Ice water and butter are preferable, but it may be more convenient to use cold water and some other good flour. It will never fail to give a shortening. But stick to the Blended light flaky crust—so tender, it will break with a breath, and as easy to digest as it is delicious.

The wholeness of the crust depends on the lightness of the flour—that is, the crisp flakiness that you look for in pie crust must be made of flour having a large percentage of starch. Ontario Fall wheat contains all the requisites for light pastry, cake and biscuits, while Manitoba wheat has the heavier properties required in a strictly bread flour.

Combine the two and you will get a perfect flour, that has the full rich flavor and delicacy of Ontario fall wheat, and the strength of Manitoba spring wheat—an ideal combination.

With ordinary care in mixing and rolling the dough, Blended Flour will give you the most delicious pastry you ever ate. Many millers are now blending these two grades of flour scientifically, so do not attempt to do the blending yourself—it is no easy thing to get just the right proportions.

KAISER'S YACHT SKIPPER DEAD.
 Captain Ben Parker Figured Also in a Couple of Races for the America's Cup.

NEW YORK, January 22.—Captain Ben Parker, one of the best known of the American yachtsmen, died a few days ago, at Southampton, England. For some years he had sailed the Emperor's yacht, including the schooner Meteor, which he had

Cough Caution

Never, positively never poison your lungs. If you cough—never from a single cold only—rush to the nearest drug store, and get the relief that only Dr. Shoop's Cough Cure can give. charge of when it sailed away from this side for his home port. When the Shamrock I came here in quest of the America's cup, she was in charge of Captain Hogarth and Wrings, and while she was here, Captain Ben Parker came out also, but only to sail on the yacht and advise those who were handling it. It was understood that Sir Thomas Lipton wanted to have the best talent possible on board, but the Emperor declined to allow Captain Parker to become prominent in the race for the cup.

When the Shamrock II came in 1901 she was in charge of Captain Sycamore and John Jameson was on board and in charge. Captain Parker came again and on that yacht it was a case of too many captains. Many think she should have beaten the Columbia, but she failed in the three closest races ever sailed for the trophy.

Captain Parker was one of a family of yacht skippers who hail from Ithaca, N.Y., whence so many famous yachtsmen have come.

A fire broke out in the Slater shoe store building, Yonge street, Toronto on Tuesday morning, damaging the Slater Shoe Company to the extent of \$15,000, Toronto dentist \$2,000, and \$1,200 to Griffith's barber shop, all the damage being covered by insurance. The Slater Shoe Company have a stock of about \$33,000 and insurance of \$39,000.

The liquor war is to be waged in the British parliament. The distillers and dealers are uniting to fight the proposed temperance legislation. The agitation over this question extends throughout the Anglo-Saxon world and in several of the countries of Europe.

Schr. Arons, Capt. Spurr, of Nova Scotia, from Carrabelle for Martinique captured at sea in a storm. The captain and crew were rescued by Capt. Hatfield, of Bark Osborne, and landed at Savannah, Ga., on Tuesday last. They are in quarantine.

OUR FOREST WEALTH.

In view of the constantly increasing value of our forests, it seems worthy that there should be such waste and destruction of them as there is at present, for it is only a few, who have lately begun to realize in a measure, that our forest wealth is not a fixed quantity like so much capital which becomes less as we use it, on the contrary it is a great growing quantity, something that is being reproduced and expanded and increased year by year. When the first settlers came to this country to make homes for themselves it was essential to get rid of the forest growth in order that they might have land to cultivate. This necessitated cutting down and burning or otherwise destroying the timber trees.

Another factor that admitted of their destruction was that they had comparatively no value for economic purposes. Now the entire situation has changed. Clearing land for tillage purposes has ceased to be profitable unless the land is fairly free from stumps and timber trees have become valuable. Although our knowledge has increased very much in many lines during the last two or three decades, yet our knowledge of the value of our timber trees has not kept pace with the increase in value of those same trees. There are a few who are beginning to realize that the timber of this country is a great asset, and that it is being annually wasted. A very large portion of Nova Scotia is now being cultivated to agriculture but is very suitable for growing timber. We know that the timber areas of the United States have been growing less for some time, while the population has been constantly increasing thereby making the quantity of available timber less according to the number of people. There are no signs at present that the civilized nations of the earth will use less wood than they have been using. Several countries have wood for export but the peer of them all is the Dominion of Canada. Nova Scotia should use every means to get her full share of profits from her timber areas. The easy accessibility of every part of the Dominion is a great advantage. The annual increment of growth is something scarcely dreamed of by the average man, yet there is going on year by year a shameful waste simply because very few give the matter any thought.

Telephone Improvements.

(Middleton Outlook.)
 The Yarmouth Amalgamated Telephone Co., have just completed a telephone line to Digby, and the Valley Telephone Co., have extended their copper circuit from Annapolis west to that point making a complete metallic circuit to Yarmouth. The N. S. Telephone Co. have just completed a metallic circuit between Windsor and Truro via the Midland, so that we should get an excellent service to Truro. New Glasgow, Sidney and points in New Brunswick.

The line between Middleton and Bridgewater has been rebuilt and two metallic circuits have been strung. The N. S. Telephone Co., are now engaged in running another circuit from Bridgewater to Halifax, which when completed will give Middleton two through lines to Halifax, one via Windsor and one via Bridgewater.

This part of the country certainly should be gratified with their telephone facilities as the Nova Scotia Telephone Co., and associated companies are doing all in their power to improve the service each year.

Permanent Results

"I had been suffering for over two months with a chronic cough, as had also my little girl. We tried several remedies common to any drug store without obtaining any apparent relief, in fact we were growing worse. I got a bottle of Coltsfoot Expectorant from my druggist and inside of two days the cough was stopped, and the results so permanent and rapid that we decided to keep it in our home continually.

C. A. B. Station, Ottawa.
 Coltsfoot Expectorant is recognized the world over as the best prescription ever used by the medical profession for Coughs, Colds, Croup, Bronchitis and Tightness of the Chest. Children like it. To introduce it into every home we will send a free sample to every person sending their name and address to Dr. T. A. Sleum, Limited, Toronto. Sold by all up-to-date druggists at 25c. Ordered: That this Council hear a delegation from the Annapolis Town Council on the afternoon of Wednesday at two o'clock.

Ordered: That Councillors Thomas Charlton and the Clerk of the Municipality be a committee to revise the Jury Lists.

Upon reading the petition of John B. Gesner and upwards of twenty others, freeholders of the County of Annapolis, praying that a piece of road be added to Section 4 in Ward 5 to join it with Section 16, it was ordered that the prayer of said petition be granted.

Ordered: That the report of the committee appointed to examine the Books in the office of the Registrar of Deeds for this County and to arrange for the copying of such as are in such a state as to endanger the preservation of the records, be laid over for consideration at ten o'clock on Wednesday morning.

Ordered: That the Registrar and the different Books and found four important ones in a terribly mutilated state

Ellen Terry to Star with Irving's Son

LONDON, January 23.—Here is a bit of inside theatrical news that will make American theatregoers sit up and take notice, and possibly hold their hands up in holy horror. I understand it isn't at all unlikely that Miss Ellen Terry, for many years co-star with Sir Henry Irving, and much loved in America, will appear in a sketch in a vaudeville theatre in company with Mr. Lawrence Irving.

The distinguished son of the late Sir Henry. The theatre that this remarkable couple is to benefit by is the Coliseum, that anomalous structure in the heart of London's west end, which, after being some time in idleness, was recently turned into a vaudeville house at cheap prices. Two shillings is the price there for the best seat, and from that the prices run down to as low as sixpence.

The contracts have not yet been signed with Miss Terry, I am told, but it is quite safe to prophesy that she will appear there soon, and it is a sure thing that Mr. Irving will. He was in the audience last night and watched the show carefully from the beginning to the end. The thing now that is interesting the energies of a number of people is to get them to appear together. That certainly will be a stroke of genius.

 Council met at two o'clock.
 All Councillors present.
 Minutes read and approved.
 The report of the Sec. Act Inspector as read was on motion received and adopted.

The following is the report:
 REPORT OF SCOTT ACT INSPECTOR, 1907.

To the Warden and Councillors of the Municipality of the County of Annapolis:

Gentlemen,—As your Inspector for enforcing the Canada Temperance Act in this Municipality during the past year, I beg to submit the following report:

Twenty-one informations have been laid by me against ten-licensors of the Act, two of them so recently that the trials have not yet been held. Eleven convictions have been obtained out of the nineteen cases tried. Two of the convicted persons were imprisoned for terms of two months each, and one fled from the province. In four cases the fines and costs have been paid in full, and in two other instances the costs only have been accepted as a settlement during good behavior, since the defendants were not regarded as "in the business" of liquor selling, although they were technically guilty of violation of the law in these two cases I have not included the fines imposed as assets of the Municipality. Three fines with costs remain to be collected, together with one from the work of 1907. If all of these sums due had been paid, there would be a balance of \$22.10 over and above all expenditures, and I think that payment may yet be secured. The prime object in view, however, is the suppression of the liquor traffic and not the neat balancing of accounts, and for such purpose I have pressed the work throughout the year.

So far as I am now able to view the field, I know of but one place in the Municipality in which liquor selling is probably carried on at the present time, and its entire eradication can soon be accomplished even there, that if not a bottle of liquor were sold in this Municipality the practically open bars of Bridgetown and Annapolis Royal would still afford an ample supply in a convenient way to those of our people who desire it. Until the law is rigidly enforced in our incorporated towns, it is impossible to see how far we are from the field.

A Million Dollar Fire in Portland, Maine

PORTLAND, Me., January 24.—A fire which caused a property damage of \$1,000,000 early to-day, destroyed the city hall and police buildings, and endangered the lives of more than 700 persons. Although known as the city hall, the building was divided between the police and county offices, while the police building sheltered the supreme judicial and municipal courts in addition to the police department.

The fire was the worst in the state since the great conflagration in Portland, in 1866, when the city's business and residential sections were almost completely wiped out. Deaths were absent from the fire, a fact considered very remarkable, as there were more than 700 members of Boston and Maine Knights of Pythias gathered in the auditorium of the city hall when the flames were discovered. Only a few persons were hurt.

Chief Engineer Melville Eldridge, the only one known to be seriously injured, was able to direct the fight against the flames throughout, being supported by two assistants.

The financial loss is estimated at \$1,000,000, but this sum will not cover the loss of papers and documents in the registrar of deeds, where everything was destroyed.

Other city departments were swept clear of everything by the flames, with the exception of the city clerk's and the city treasurer's offices.

The money and securities in the latter are believed to be intact, although it will be almost impossible to ascertain definitely until the vaults have cooled sufficiently for an examination to be made. One of the most valuable libraries in the state, the Greenleaf College, was completely destroyed with a loss of \$100,000. The library originated in the city electrician's office, and was caused by crossed wires.

Chief Engineer Eldridge was injured by the breaking away of a Siamese coupling of hose, which hit him on the stomach.

When the flames communicated to the police building, where the city jail is located, the prisoners were liberated. The building which was a five story brick structure, was burned.

The city hall survived the great fire of 1866, although it was badly damaged at that time. It was first opened in 1859. The building had a frontage of 150 feet, and was 250 long. The property destroyed was insured for \$240,000.

ARRESTED A 2 YEAR OLD BOY

Pittsburg, Pa.—George Shaffer, 2 years old, was arrested on a warrant and charged with trespassing. A neighbor swore that George tore up his lawn and flower beds. But the Court declined to hear the case. The little son of Mrs. John Cline of Aylmer, Ont., was only a year older than baby Shaffer when his mother noticed that he suffered with severe attacks of biliousness. She tried everything she could think of, but the boy grew steadily worse. "Fruit-atives" are the ideal medicine for children, as well as grown folk. They are pleasant to take and mix in action—being made of fruit juices and tonic. 50c a box. At all dealers.

B.) as designated on plans to be seen at the office of the Secretary of the Department of Railways and Canals, Ottawa, and at the office of the General Manager of the Intercolonial Railway, Moncton, the lease to be granted to cover together with the general terms and conditions in such cases, the following:

- 1.—Term 21 years at rental named, with right of renewal for second term at such rental and upon such conditions as the Governor in Council may then determine.
- 2.—Occupation and use to be bona fide for an industry that will yield a reasonably steady traffic for the railway the character and prospective output of which to be commensal within one year from date of Lessee acquiring property.
- 3.—That yearly operation shall be of such an extent as to continuously employ not less than 300 employees.
- 4.—Each tender must be accompanied by a certified bank cheque for \$10,000.00, payable to the order of the Minister of Railways and Canals to be held by the Department in case of the successful tender, until such time as the then Lessee has duly installed on the premises for the operation of the work to be carried on under lease, machinery in value to the sum covered by the cheque, of which value the Minister aforesaid shall be the sole judge and at which time to be duly returned to the Lessee by the Department.

The highest or any tender not necessarily accepted.

By Order,
L. K. JONES,
Secretary

A Brave Boy

MIDDLEBORO, Mass., January 23.—The bravery of a fourteen-year-old boy, Antonio Veroni, in entering a burning building last night, saved the life of Michael Broder, who was asleep. Broder is a laborer, 66 years old, and lives alone in a single-story, two-room house in the rear of the electric light station. Last night the building took fire in some way unknown. While the firemen, hampered by frost in the hydrants, were trying to get water on the flames, Broder slept soundly. The little boy entered wrapped in flames, and made his way through the smoke and dragged the man out. Broder was in a semi-conscious condition.

Tolstoi Adm 'Sies Russian Czar.

ST. PETERSBURG, January 22.—Simeon Count Leo Tolstoi was excommunicated by the Holy Synod of the Russian Greek church several attempts have been made to secure from the Czar the imperial good offices to bring about a reconciliation between the author and the orthodox church.

The Czar has had several talks with the Metropolitan Anton, who has suggested to the Czar to write a personal letter to the Count. The Czar has asked his nephew, Grand Duke Constantin, a noted poet of the Czar's family and president of various scientific organizations, to write the letter to Count Tolstoi, making such a proposal of reconciliation.

TOLSTOI ADVISES CZAR.

Count Tolstoi has replied to this letter of the Grand Duke, enclosing a special letter to the Czar, the text of this reading as follows:

"Your Majesty—A few more days, weeks or years and I am gone. Some days or decades more and Your Majesty will follow my example. That is the eternal law of nature. But before that occurs I desire to direct these lines to you as the ruler of the Russian people.

"I wish you could follow and realize the words and example of Christ: 'Whoso will be master shall be a servant of the others.' To rule a people or empire does not mean to govern them by force and violence, but to serve them with wisdom and love, and execute the highest ideals for the benefit of the ruled.

"Neither parliament nor constitutional government makes a nation happy, great or advanced, but the ideals for which they strive and the freedom necessary to obtain those ideals. If you will be a ruler as described and realized by Christ, your first duty is to build your sovereignty upon the love of peace, liberty and brotherhood. Build your empire upon the religion of humanity and peace and there will be not necessary either prisons or enormous military expenses. Give freedom to every man to think, worship or speak as he likes, and they

FOR EMPEROR.

1.—To follow the example of Christ and become a servant of the nation.

2.—Abolish the army of violence and establish an army of peace and love.

3.—Give the largest freedom to all the individuals of our country to act as they think right and proper.

4.—Renounce all the wealth and luxury, abolish all titles and particular privileges and proclaim the religion of Christ and humanity as the fundamental constitution of our empire.

"Having done this you will become one of the greatest rulers of the present time and your name will be blessed and worshipped by millions.

"Very respectfully submitted,
"LEO TOLSTOI."
