The copy filmed here has been reproduced thanks to the generosity of:

Seminary of Quebec
Library

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

1	2	3
4	5	6

L'exemplaire filmé fut reproduit grâce à la générosité de:

Séminaire de Québec
Bibliothèque

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

PRVINCE

LOWER CANADA,

IN APPEAL.

JOHN MUNRO,

Appellant,

AND

PAUL VALLE',

Respondent.

THE RESPONDENT'S CASE.

THIS was an "Action d'Injures" brought by the Respondent Paul Vallé, Esqr. Surveyor of the Highways &c. for the City and Parish of Quebec against the Appellant John Munro, a Merchant of this City.

The Declaration contains two Counts, the first of which alledges the Appellant to have, with the malicious intent therein expressed, composed and published and cause to be published a Libel containing the false, scandalous, malicious, defamatory, libellous matter therin recited of and concerning the said Paul Vallé and his said Office of Surveyor &c.—The second Count states the Appellant to have published the same Libel with the like malicious intention &c.

The inconveniences alledged by the Respondent to have resulted to him from the composition and publication of this Libel are fully enumerated in his Declaration.

Conclusion £1000 Damages and Costs.

The Defendant Pleas were :

1° A défense au fonds en droit which the Defendant upon argument could not support.

2° A défense au fonds en fait, upon which issue having been raised, an Enquête was ordered, which accordingly took place on the fifteen of October last, when it was proved that the Libel alledged in the Respondent's Declaration was all at the proper hand writing of the Appellant, and had been publicly handed by him to the Clerk of the Peace, Mr. Perrault, in the Court of Quarter Sessions sitting that Court at Quebec, and there publicly read at the Appellant's request before a full audience.

The Appellant endeavoured to prove by witnesses his pecuniary inability to pay a large sum of money and how far he has succeeded, would still be a problem, were it not evident that the Court below have been powerfully moved by his Plea of Poverty and have on that account chastised him with a sparing hand.

The Judgment of the Court below by which the Appellant was in the nineteenth of October last found guilty of composing and publishing the scandalous Libel exhibited by the Record, condemns the Appellant to pay to the Respondent the very moderate Sum of £50 currency with costs, and from that Judgment the present Appeal has been brought.

The reasons of Appeal are reducible to three.

1st. The insufficiency of the Declaration.

2dly. The want of Evidence to support the Action.

3dly. The illegality and inadmissibility of the Respondent's Evidence.

The Respondent's Answers are general.
