REPORT OF THE COUNCIL  
OF THE  
ONTARIO RIFLE ASSOCIATION  
FOR 1883.

---

Again your Council has to chronicle a successful Prize Meeting in that of 1883, so far as the conduct of the matches was concerned, but in point of attendance a still further falling off from that of the preceding year has to be recorded.

The meeting opened on Monday, 20th August, and closed on Friday, the 24th; during which time good shooting weather predominated—the same competitions and amount of prizes as was on the programme of 1882 were offered, with the exception of the Carbine Match.

The experiment of granting free membership to men who had never won prizes at Provincial or Dominion meetings was tried, with a view to drawing a larger number of young shots to the meeting, but it cannot be said that the result was encouraging.

In the matter of finances, the Association has not been as successful as your Council could have wished, owing in the first place to a falling off in the receipts from Affiliated Associations, Municipal Grants, entries and sighting shots; and secondly, through an unlooked-for expenditure in the finishing of the butts for the new targets; in last year's report it was promised that though a good deal had been spent on the fittings for and the targets themselves, yet until the butts had been properly altered, it could not be said that they were perfect. This has now been done to the two largest butts, though at a greater cost than was anticipated, necessitated by a general "falling in" of the old works on account of the very heavy rain in the spring. They are now, however, in first-class order save

the smallest one, to which, however, comparatively little remains to be done.

The Secretary, Lieutenant-Colonel Otter, having been selected to the command of the Wimbledon Team, was unable to be present during the prize meeting nor during a great portion of the season, but his duties were most efficiently performed by Lieutenant W. C. Macdonald in the office, and Lieutenant W. G. Mutton (both of the Queen's Own Rifles), on the ranges, and to the energy and zeal of these gentlemen is greatly due the successful result of the prize meeting.

With them must be associated the names of Lieutenant-Colonel Gibson, M. P. P., 13th Battalion, and Captain Perley, Engineer Staff, the Executive Committee, Major Mason, 13th Battalion, the Executive Officer, Major Miller, Q. O. R., the Statistical Officer, Captain McLaren, 13th Battalion, and Captain Boomer, Retired List, the Range Officers, Surgeon Major De la Hooke, Surgeons Macdonald, McCollum and Strange, who each in his own special duties did everything that was possible to bring about the end achieved.

The cordial thanks of the Association are due these gentlemen for their interest in its affairs, as well as to Captains Graham and Boomer, who have again audited the accounts now presented.

Before concluding their Report, your Council have to most gratefully acknowledge the several grants and donations mentioned below :

## XVII.—PRIZE WINNERS.

1. Winners of prizes must apply to the Treasurer's office on the ground for them, and on receiving the amount of such prizes sign a receipt for the same.
2. All prizes not claimed before the 31st December, 1883, will be forfeited to the Association.

## XVIII.—GENERAL REGULATIONS.

The Meeting will be under the direction of an Executive Committee, composed of the chairman and two members of the Council, to be nominated by the Council, whose decision shall be final and binding in all matters submitted to them for their consideration; but they may, at their discretion, refer any questions to the decision of the Council, in which case the decision of the Council on such questions shall be final.

1. All Competitors will be subject to the Executive Committee, Officers or Non-Commissioned Officers, in charge of their respective ranges or squads, the Camp Police, and the General Regulations for the conduct of the meeting.
2. Competitors must make themselves acquainted with the General Regulations of the meeting, as also with the conditions attached to the prize or prizes for which they have entered, *as the plea of ignorance of such regulations and conditions will not be entertained.*
3. They must refer to the Notice Boards daily, and ascertain whether any orders have been issued which alter or affect the original detail.
4. They must attend at the firing point punctually at the hour detailed on the Firing Detail Board, and deliver their tickets to the Register Keeper. Unless a competitor produces his firing ticket at the firing point, he will not be allowed to fire. Should a competitor lose his firing ticket, omit to take it to the firing point, or fail to attend at the hour detailed, and so by *his own neglect* miss the opportunity given him of competing for the prize for which his ticket was issued, his claim on the Association in regard to such competition will be cancelled.
5. The Matches will take place, if possible, at the time named. Any deviations from the rule will be posted on the board at the Secretary's Hut. Temporary discontinuance on account of bad weather will be at the discretion of the Executive Committee.
6. The firing will begin daily at 9 a.m., and cease when the mid-day gun is fired. It will be resumed at 1 p.m., and cease at 6 p.m., except on the second day, when the firing will cease at 5 p.m., to enable members of the Association to attend the Annual General Meeting.
7. Two guns will be for the "Fire," one ten (10) minutes before the named hour, to warn competitors to move to the firing points, the second being the signal that firing is to begin; two guns also at the "Cease fire," one ten (10) minutes before the named hour, after which no competitor will be allowed to begin his score, the second as a signal that all the scores begun before the first gun are completed.
8. Competitors must submit their rifles and ammunition for inspection whenever required.
9. No hair triggers will be allowed.
10. Slings may be used as an assistance in all matches; but in those restricted to the Militia the slings must be of regulation length and pattern, and attached to the rifles, as in Government arms.
11. No "fouling" shots will be allowed.
12. Competitors may wipe out or clean out their rifles during any competition between distances only. This does not apply to the "Small-bore" Match.

13. No two competitors shall shoot with the same rifle in the same match (except in the "Martini-Henry"); nor shall a competitor change his rifle during a match, unless it becomes unservicable through an accident, which must be verified by the Range Officer.

14. Every competitor must enter and shoot under his own name, and, unless otherwise specified, not oftener than once for any prize.

15. No member of a squad or firing party shall absent himself without leave during firing. Any competitor delaying the squad will be passed by.

16. No competitor using a breech-loader shall load until called to the front to shoot.

17. In all competitions restricted to the use of breech-loading rifles, competitors will be formed up by files, and fire shot and shot *alternately*; but only one file at a time will be allowed within the firing ropes; and no person, except the Register Keeper, will be permitted to speak to a competitor after he has taken his place at the firing point, except in cases hereafter specified.

18. In competitions open to "Any rifle," the competitors will be formed in a squad, and fire shot for shot in the order in which their names are called.

19. Where only one competitor is present, he must necessarily fire his shots consecutively and without undue delay.

20. A competitor may have any one present within the ropes to see that the scores recorded by the Register Keeper are in accordance with the signals from the butts.

21. In individual competitions, a competitor may use a binocular or telescope, *not mounted on any kind of stand*, provided his doing so is not allowed to delay the shooting.

22. In matches shot for by "representative" Teams, all competitors will be permitted to have a "coach" or "spot," and to use binoculars or telescopes, provided that their doing so does not delay the firing.

23. The duly recognized Captain or Adjutant of a team, although not himself shooting, will be permitted to assist his team in like manner, and to appoint a "spotter" to assist him; but no person, with the above exceptions, will be permitted within the ropes, or allowed to offer advice or give instructions to competitors.

Any violation of this rule, or of any part of it, must be at once reported by the Register Keeper to the officer in charge, who will caution the offender, and on a repetition of the offence shall report the same to the Executive Committee, who will deal with the case as laid down in the Regulations under the head of Penalties, and may remove any person advising or instructing a competitor from the ground.

24. Any competitor protesting against the ruling of the officer of the Range, or feeling aggrieved in any way, must make a statement of his grievances in writing (upon forms to be had at the office), giving the names of two or more members of the squad who can bear him out in his statements, and hand it in to the Secretary; but his firing must not be delayed for that purpose.

25. No practice will be allowed on the ranges during the continuance of the meeting, either before or after the day's firing.

By Order.

W. D. OTTER, LIEUT.-COL.,  
Secretary.
