Storekeeping of the Period

The true theory of retail trading in this generation is that the storekeeper is the consumers' agent. The retail buyer has a right to expect storekeeping to be managed in his interest. If prices are depressed he should get all the advantages. A single small profit is all he should pay. This is equally true of Canadian, European or Asiatic productions. The great retailers of the world accept this theory. They put capital and capacity at the command of the smallest buyers. Mercantile genius is simply the finding and following of trade laws. We accept and abide by these principles. Witness the magnificent stocks that fill our store and the extremely low prices. In both respects we lead retailing. More than ever this business appeals to your intelligent self interest. In every stock in our store such as **DRESS GOODS, CARPETS, MILLINERY, MANTLES, HOSIERY AND GLOVES, CLOTHING** there are bargain triumphs. Failure to know what we are prepared to do upon anything you need to buy will cause you loss of money. Thanks to the Cable and Quick Steamers, we are always receiving fresh novelties for our many departments. Dressmaking at popular prices, special attention given to Wedding Trousseaus and Mourning orders.

WOODSTOCK DIRECTORY

FOR 1897.

Containing an alphabetically arranged list of Business Firms and Private
Citizens, a classified list of Business and Professional Men,
and a Miscellaneous Directory of the town and
County Officers, Public and Private
Schools, Churches, Bank,
Incorporated Institu-
tions, etc., etc.

G. W. F. CARTER,

PUBLISHER.

PREFACE.

In presenting to my patrons my first Directory of the Town of Woodstock I hope it will meet with their approval. A thorough canvass of the town has been made, and every effort used to obtain the name of every person who should be represented in a Town Directory.

Mistakes will occur, but I am confident that no more thorough canvass of the town has ever been made.

I have aimed to make my work a fit representative of the public spirit and importance of the Town of Woodstock, and an accurate and complete guide to all public places, business locations and private residences of the inhabitants of the town.

THE CLASSIFIED BUSINESS DIRECTORY is a complete mirror of the business interests of the town, and represents it to the outside world only as a Business Directory can.

THE MISCELLANEOUS DIRECTORY furnishes a large amount of information useful to strangers.

THE STREET GUIDE will be found of much value

Thanking my patrons for the liberal patronage bestowed on my work, I remain.

Yours Respectfully,

THE PUBLISHER.

A LEADING MANUFACTURER TOOK OUT \$20,000.00 ENDOWMENT INSURANCE IN 1896 IN THE
 ONTARIO MUTUAL. SEE THE NEXT PAGE FOR HIS REASONS.

THE INVESTOR. Why not place your \$100.00 with the Ontario Permanent Building & Loan Association, of Woodstock, Ont., and have it doubled in 11 years, beside receiving during the interval 5 per cent. per annum paid to you every six months. In other words for your \$100.00 you will receive as interest \$66.00 and a lump sum of \$200; making a grand total of \$266.00. A LEADING MANUFACTURER TOOK OUT \$20,000.00 ENDOWMENT INSURANCE IN 1896 IN THE
 ONTARIO MUTUAL. SEE THE NEXT PAGE FOR HIS REASONS.

THE INVESTOR. Why not place your \$100.00 with the Ontario Permanent Building & Loan Association, of Woodstock, Ont., and have it doubled in 11 years, beside receiving during the interval 6 per cent. per annum paid to you every six months. In other words for your \$100.00 you will receive as interest \$66.00 and a lump sum of \$200; making a grand total of \$366.00. An investment safe as government securities, and much more profitable: realizing the investor an equivalent to 15 per cent per annum. Simple interest.

A LEADING MANUFACTURER TOOK OUT \$20,000.00 ENDOWMENT INSURANCE IN 1896 IN THE
 ONTARIO MUTUAL. SEE THE NEXT PAGE FOR HIS REASONS.

THE INVESTOR. Why not place your \$100.00 with the Ontario Permanent Building & Loan Association, of Woodstock, Ont., and have it doubled in 11 years, beside receiving during the interval 6 per cent. per annum paid to you every six months. In other words for your \$100.00 you will receive as interest \$36.00 and a lump sum of \$200.00, making a grand total of \$236.00. An investment safe as government securities and much more profitable: realizing the investor an equivalent to 15 per cent per annum. Simple interest.

A LEADING MANUFACTURER TOOK OUT \$20,000.00 ENDOWMENT INSURANCE IN 1896 IN THE ONTARIO MUTUAL. SEE THE NEXT PAGE FOR HIS REASONS.

THE INVESTOR. Why not place your \$100.00 with the Ontario Permanent Building & Loan Association, of Woodstock, Ont., and have it doubled in 11 years, beside receiving during the interval 6 per cent. per annum paid to you every six months. In other words for your \$100.00 you will receive as interest \$66.00 and a lump sum of \$200; making a grand total of \$266.00. An investment safe as government securities and much more profitable: realizing the interest for an equivalent to 15 per cent per annum. Simple interest.

A LEADING MANUFACTURER TOOK OUT \$20,000.00 ENDOWMENT INSURANCE IN 1896 IN THE
 ONTARIO MUTUAL. SEE THE NEXT PAGE FOR HIS REASONS.

THE INVESTOR. Why not place your \$100.00 with the Ontario Permanent Building & Loan Association, of Woodstock, Ont., and have it doubled in 11 years, beside receiving during the interval 6 per cent. per annum paid to you every six months. In other words for your \$100.00 you will receive as interest \$66.00 and a lump sum of \$200; making a grand total of \$266.00. A LEADING MANUFACTURER TOOK OUT \$20,000.00 ENDOWMENT INSURANCE IN 1896 IN THE ONTARIO MUTUAL. SEE THE NEXT PAGE FOR HIS REASONS.

THE INVESTOR. Why not place your \$100.00 with the Ontario Permanent Building & Loan Association, of Woodstock, Ont., and have it doubled in 11 years, beside receiving during the interval 6 per cent. per annum paid to you every six months. In other words for your \$100.00 you will receive as interest \$86.00 and a lump sum of \$200; making a grand total of \$286.00. An investment safe as government securities and much more profitable: realizing the investor an equivalent to 15 per cent per annum. Simple interest.
