The accused pleads guilty. Accused does

charge. The summary of evidence is read.

E.I The accused duly sworn states.
I joined the army in August 1942 in
the artillery. I served in England 9 June 44
I became in France 7 July 44. I was
with No 10 Field ambulance. I stayed
with them from 7 July to 21 Aug 44. They
were in the front line keeping fit and
passed. When I came across I was A1.
My category now is S4 up — I being
the other was 9 Can we were in
action. We were being shelled this
position any one night one time when
not a shell was pretty close I was
stunned by the blast, I was sent back
to Hqs of my unit. I was with Hqs
for a while then sent out to "A" Coy
who were working at a C.C.P and the
R.A.P I came through Belgium and
up to Holland. A number of men were

period for eighteen hours in the Infantry Regiments in G.C.I.B. & my city was sent to the F.M.R.s. & was sent them 2 weeks when I come out with bouts of bronchitis. I was sent back to Hqrs of my unit. The first week when unit the F.M.R.s we were behind the S.S.R. Then we relieved them.

After evacuation I went to 3 C.C.S. I was examined on ground S.H. I went to No 3 Reclassification. I went before an S.P.O. He said I could not go to the F.M. until improvements around so I was sent to 9 Con. Gen Hosp.

On morning 7 15 th of May I was paid at 1000 hrs. I went to a park about a block away and started drinking, we must have left there until 1600 hrs I do not remember leaving. I went over to the hotels. I remember being in the hotels, when I really came to my senses was about 21 00 or 22 00 hrs.

The Belgian Canteen was not open of course. I never had anything to do until me before it would not have happened if I had been sober.

I am not married. I have been sending half my pay home but my father is working. My father served in the last war.

a volunteer for the far East and worked up on the Aleutian Islands & on 23 June 10 months ago. I came from Vancouver.

I remember but very vaguely giving the blankets to the civilian and getting 500 francs I was thinking that night, I must have spent the money.

2. 3. Defending Officer Accuses Court in Mitigation

The accused has told the court freely the particulars of his arrest and also what happened on this unfortunate day. He told me this morning that he was NOT sure to fight the charge, that he would much prefer to be heard about it. I have followed his decision

He has served nearly 3 years. There is nothing very serious on his M.F.M. 6 He served a comparatively long time on a position of danger and as a result his health has been seriously affected. On pay day he started drinking and behaved disgracefully. He is not the first person

who has behaved himself while drinking
& moves suggest with anyone that the
court in appreciation of his having showed
temperance and mercy and guilt the
accused on crimes which will count in
enforcing discipline but will also permit
the accused to continue his service, which
is so far commendable in our army.

The accused has volunteered for the
Invasion For Last Time.

FOURTH WITNESS - B5073 S/Sgt COOTE W., No.2 Cdn General Hospital C.A.O. having been duly sworn, states:

"On 16 May 45 at 1345 hours I saw a woman, who was a stranger to me, going downstairs from the mens' billets, carrying a fairly large bundle. I stopped her and I opened the bundle; I examined the contents and found therein three army blankets.

There were two light grey comparatively new blankets and one dark and fringed along the edges. These three blankets were the only army property in the bundle.

At 1400 hrs I put H35053, Sgt HADLOW F.J. in charge of the two civilians and the three blankets, while I telephoned the Sgt. Major.

On my return in ten minutes, I took over from him the three blankets and the custody of the two civilians. At about 1445 hours the R.S.M. and Q.M.S. MacMillan and the civilian foreman arrived. I then surrendered the three blankets and the two civilians to Sgt Major McBuckle. The blankets were never out of my sight, except for the period in which they were guarded by Sgt Hadlow. I surrendered them from my care to that of the R.S.M.

At 1330 hours the blankets were where I had left them. I was absent from the billet until nearly 1700 hours, and on my return I found the blankets had disappeared. The blankets, I was given were two grey and one dark, but further than that I cannot positively identify them.

"I am Mme CLAUS Rachel of 28 Brandstraat, Ghent. On the 16 of May 45, at about 1.30 p.m. I called at the mens billets for soldiers' washing. I received from MAEBE Maurice, one bundle wrapped in one of my own table cloths. He said "Here is the parcel to be washed; I will come for it" and handed me the bundle.

I was arrested by a staff sergeant who opened the bundle. I did not know until then that the bundle contained blankets. I was too much disturbed to notice the number or colour of them.

I received bundles wrapped in the table cloth or in a towel and money from Maurice only; never from the soldiers themselves.

All other parcels of laundry have been opened only by me in my home. There never were any blankets in them. Maurice has never taken back any unopened bundle of unwashed clothes from me. I have never had army blankets in my home at any time.

I left the bundle with the staff sergeant, who arrested me.

I placed the blankets behind the door and on the floor of a small Laboratory room close by and told the civilians to wait inside. I closed the door after them and stood on guard outside until S/Sgt Coote returned, which is approximately ten minutes. The only time

This is the first time that I have bought blankets from soldiers

After receiving the blankets from this soldier I left the blankets in the ablution room until the 16th of May 1945 at which time ~~I took~~ I then took the blankets from the ablution room and gave them to Mme Claus Rachel. She was to take these blankets to her

home where I would pick them up later
Mrs. Elaine Rachel knew that I bought
these blankets from a Egyptian soldier

Prosec. Closing Address.

The charges in this case are alternative so that if the court finds that the accused is not guilty of the first charge it may find him guilty on the 2nd ~~che~~ less serious charge. However the prosecution submits that the evidence has clearly shown the accused guilty of the 1st charge. The evidence of all the witnesses which was unquestioned by the defense was that a direct order was given to the accused to leave the premises of the Cuban Dance Hall. In fact to give the accused every opportunity to keep out of trouble the order was repeated 2 or 3 times & after each order the accused was given a minute at least to obey it. The order was given personally by a superior officer of the accused namely a R/Cpl. When the accused made no move towards leaving the premises after the order to do so the evidence of the two provost R/Cpls is that they asked him if he refused to obey the order. The accused then stated that he did ~~not~~ refuse to leave the premises or words to that effect thereby showing a wilful defiance of authority. The defense has not questioned any of this evidence, but merely asked the provost witnesses whether the accused was asked if he refused to obey to which the provost in their evidence in chief. The prosecution submits therefore that it has proven that the accused disobeyed in such a manner as to show

wilfull defiance to authority a lawful command given personally by his superior officer in the execution of his office. It is the duty of the provost corps to keep order & prevent trouble in town

Defense Closing Address

The defense would first like to point out that since the accused according to the prosecution own witnesses was under the influence of liquor that his recollection of what happened that evening was not good. & that if the officer had been taking the summary of evidence has done his job properly & impartially that he could have had any witness in his own defense. The only possible defense would have been to prove that since the time of the original charge the statements of the provost had been changed & the defense was not permitted to produce witnesses to that effect since it involved statements not under oath. The prosecution contends wilfull defiance in a man under the influence of liquor which is a crime in itself in the army cannot possibly be guilty of wilful defiance since he is not responsable for his actions. And I contend the same applies having reference to disobeying an order.

Character Witness - Lt Col Bingham W.J. M.C. J.D.

The statement which I give as to the character of the accused is as follows

I have always found him trustworthy & reliable To the best of my knowledge he does not drink.

I have know him since he has drawing with the unit. ~~I have~~ I think you get to know quite a bit about a man if he is acting as a driver over a period of time In the period of time in which Dickson has been driving me I have found him above reproach.

Clerk of Mutilation Ct Hudson

The accused has been in the army two years & six months and during that time has had only 3 minor charges against him the greatest punishment being 7 days CB. He is one of our best drivers and an excellent soldier and I trust the court will be as lenient in granting the sentence as an equally good sentence punishment would only tend to make a good soldier

APPENDIX "A".

Statement of Mr Wilcox

I am employed as doorman at the Cuban Dance Hall, Barnsley. and I rember the occurance which took place between a Canadian Soldier who I had never seen before and two Canadian Military Policemen on the night of 14 July 44. The facts as I remeber Them are, at about 2300 hrs a soldier came up to the floor and I asked him for his ticket he stated that he had given it to the doorman down stairs, I told him this was not usual and that I would go down stairs and check. As the two Military Policemen were there I requested them not to let him in until I had checked. However if the Military Policemen had not been there I would have let him in without a ticket. I went down stairs and checked and found out that he had not given his ticket to the doorman downstairs. I came back up stairs and told him that he must be mistaken about the ticket, he said he didn't want to dance but just wanted to watch. One of the provost said, "Well you can watch from here". "He said "no, I want to go inside and watch." The military police then told him three of four times to leave. He said that he wouldn't, so they placed him under arrest.

I do not think that he should get into any trouble as I feel that all the provost had to do was to escort him outside. He was not in a nasty mood or offered any violence.

Q Had he been drinking.

A Yes
Q Was he drunk.
A Well, he wasn't helpless but it was very noticable that he had been drinking.
Q Do you think the police did their duty.
A Yes but I don't think that the thing was as serious as they have made out.

M. Wilcox.

2. A- I was sitting in front of W. Horse Hotel in my Station Wagon with Capt de Montigny D.O. 6 C.A.R.V. the accused was seen to pass my vehicle driving a truck. As he was smoking a cigarette while driving I followed him & stopped his vehicle. Before I overtook him he stopped his vehicle and an officer stepped out - the started his veh. once more travelled about 10 yds and when I overtook him and stopped him. Taking his particulars I found he smelled strongly of alcoolic spirits, he was dirty and unshaven wearing a black beret. He could not satisfactory obey an order to do up his tunic. While inspecting his work ticket I had reason to query the hours of the journey. I referred the work ticket to Capt de Montigny D.O who stated that it was no good. I placed the man under closed arrest. Capt de Montigny ordered a substitute driver and a sergeant as escort and we took him to the police station and took him over to the Provost on duty. The vehicle was returned to transport lines 6 C.A.R.V by substitute driver.
3- Q- Would you say that the beret ~~was~~ worn by the accused was mechanic issue or similar to that issued to the tank corps.

10-Q. Tell the Court what happened on 7th April

10A. On the 7th April I was with Lt Breaker 7 Provost sitting in his car near White Horse Hotel in town watching for any irregularities that may occur either with tpt, misbehaviours and so forth. At 2040 hrs I saw a WD veh. passing by looked at the no of the veh, the last three numbers 710 and realised the vehicle should not be on the road. Noticed also that the accused Pte Dee was smoking and also there was an officer sitting in front. I asked Lt Breaker to go after him. At about 500 x from where we had started he pulled in front of 15 cwt that had just stopped. The officer had got out and was marching away. Lt Breaker questioned the driver and asked for his particulars. Then the officer who had marched away from the vehicle came back. He asked Lt Breaker if he could speak to him. Mr Breaker's answer was "I am busy at the moment". I then spoke to the officer who was a Lieut of RASC a Britisher. He told me he had been picked up a few minutes earlier by Pte Dee while from the way to go to Leeds. The officer asked if he could drop him on the way. At that moment,

By defending officer: I object to hear say evidence as submitted by the witness.

Objection allowed by the Court.

During my talk with the British officer, Lt Breaker drew my attention away by asking me whether the word ticket was an order. I looked at it and assumed it was not. That vehicle was used for training purposes and was due in at 1730 hrs, that is according to the transport regulation.

I noticed during Lt Breaker's investigation that Pte Dee was improperly dressed and that he was wearing a black beret ordinarily worn by the armoured corps. He was unshaven, tunic unbottoned. He was also smoking and under the influence of liquor in my opinion. Two or three times Lt Breaker ordered Pte Dee to throw his cigarette away. Pte Dee did not seem to obey very quickly that order. Lt Breaker asked him if he understood English or not to which Pte Dee answered he understood. He finally put out the cigarette. One of my N.C.O. passing by was detailed by me to take vehicle back to camp and make a complete check-up of the vehicle. There were no deficiencies of tools and the vehicle was in good order. We took the accused to the police station.

Q- Is it against Drivers Regulations to give a lift to soldiers or officers that would take the drivers out of his route

A- Yes it is against Dpt Regulations unless as ordered by R.R. § 316) complied with.

By the Defence:

Q- You say that the work ticket in question was not in order

A- That's right. The work ticket was made for a jeep

Q- Who for Capt Benoit who was then acting O.C. 3 S. Wing. Capt Benoit was not there and I know that vehicle must have been in at 1730 hrs on 7th April.

Q- Is it usual that the drivers should be familiar with the requisition?

14-A - The driver has no business to see the requisition. This is handled by the despatcher who assigns him to his duties and the appr. time of his return

14-Q - How could you tell that the witness was under the influence of liquor?

14-A - First of all he smelled of beer and the eyes appeared to be watery and dilated.

3rd Witness (Prowse)

15- Q - Give your name rank and occupation?

15- A - Capt Louis Denuset acting O.C. 35 Wing 6 C&R V

16-Q - Do you know E. 5514 Pte Die?

16-A - Yes.

17-Q - Will you tell the Court what happened on 21st April regarding the accused

17-A - On the 21st April I used Pte Die as a driver whilst I was making a recce for a Tactical Exercise without troops. I travelled roughly 50 to 75 miles that day. I came back to No 4 Camp of 6 C&R V at approximately 1715 hrs. Just as we were arriving to No 4 Camp, there was an officer going up the hill. We stopped to give him a lift. I asked him without looking at him as he jumped on the back, where he was going. I don't remember whether he said 1-2-3 Camp but I know he didn't say No 4 Camp. When we reached No 4 Camp I told Pte Die that I did not need him any more and to report to the transport office which is 1½ mile from No 4 Camp.

26

I told him to drop the officer of on the way as he had to pass in front of No 3 and No 1 Comp to get to No 1 Comp where the transport office is.

20-Q - When you ordered the driver to go back to Comp was he properly dressed?

20-A - If I remember right, he was unshaven. ~~I am not sure about that.~~

21-Q - Did you remark anything particular about his headdress.

21-A - No.

22-Q - When you told the driver to drop this officer on his way back, was it clear to you and the driver that the officer should be dropped off somewhere in between No 1 Comp and the transport office?

22-A - Yes definitely.

The defence refuses to cross-examine the witness R.P. 83(b) has been complied with.

The prosecution is closed.

104 Pte Davies (Defence) E-5514 Pte Stanislas Bee 6 C.I.R.U. C.A.C. being duly sworn.

21-Q - Tell the Court in your own words exactly what happened from the moment that Capt Demarest told you to drop an officer in one of the other camps?

21-A - At 1710 hrs on 21st April 44 when I left No 4 Camp Capt Demarest told me to take an officer down to the transport. I dropped him at No 3 Camp. when [illegible]

dropped him there another officer was there and he asked me where I was going to which I replied: To report myself at the transport. The officer informed me that he had his order from Capt de Montigny S.O. 6 C.I.R.V. to take him down town to which I replied there was no order and he asked to see my work ticket. On seeing this the officer said it was good to go anywhere. I know this as I am a transport officer myself. Then I requested that he put his signature on the work ticket to which he replied there is already one on I can't put mine. He then paid not to argue with him as he was a Captain and I was only a private. I told him if I took him down town I did not want any trouble and he questioned me about my service and I told him he wants to know too much. I took him down town and he ordered me to park my vehicle behind the fire station in Batley I was then ordered to pick him up at 2015 hrs near a big clock. It was there I was stopped and questioned by an English officer who asked him where I was going to which I replied near the clock. ~~Before I got to~~ I gave him a ride as he was going to the same place and on the way to the clock I was stopped by the police.

A- Whilst this R.P. 83(6) has been complied with.

The Court adjourns until 1330 hrs.

The Court reassembles at 1330 hrs.

- Will you tell the Court why you drove on when requested to stop

Because I was on the right side of the road and I had to clear the traffic.

Why was your license undone?

When I was with my regiment I was told to leave the

hook and top bottom undone while driving a lorry on that day I had pulled a button off.

24 Q - Were you ever issued with a black beret?

24 A - Yes

25 Q - Were you ever wearing the same hat on duty before?

25 A - Yes sir and also had it on, on a parade the same day.

26 Q - On that date did you or did you not take any spirit?

26 A - No Sir.

27 Q. - Why did you not drink?

27 A - In 1943 I was in hospital with V.D. and I was advised by the M.O. not to drink.

28 Q - Did you shave on that day?

28 A - I shaved at 0715 hrs 31st August 44

29 Q - Did you use your vehicle for your own purpose that day?

29 A - No Sir.

Cross-examined by the Prosecutor

Q - In the 3½ hours you were in town were you in the vehicle all the time?

A - I was never out of sight of the vehicle at any time.

Q - Did you have any supper?

A - No Sir

32 Q – Are you familiar with your M.T. Regulations

32 A – Yes I've been driving since 1939

33 Q – Do you know it's improper to take a vehicle without a work ticket

33 A – Yes, but my work ticket was signed.

34 Q – Where you on a race at the time of your arrest?

34 A – No Sir.
R.P. 83(c) has been complied with.

The Court is addressed by the Prosecution:

Prosecution has proven that the accused was found downtown with his vehicle at 2040 hrs. The work ticket shows that his duty started at 0930 hrs in the morning with said vehicle. Capt. Dennet stated that duty with said vehicle ceased at 1715 hrs Therefore, there is a lapse of time of 3½ hours ~~for~~ during which the vehicle was used without authorization. It was also proven th by witnesses of the Prosecution that the driver of said vehicle was improperly dressed at the time of his arrest. and also that his breath smelled of liquor.

The Defending officer addresses the Court.

He states that the three remaining charges, except first one are unfounded. It is stated that he was improperly dressed because he was wearing a blood test all drivers of 6 Cdn RU are issued with it and they wear them on parade. On the morning of that date the accus.

L. Col

sed was wearing it and no one mentioned that he was wrong. Yet in the same night, they charged him with being guilty of a crime.

Satisfactory explanation for his time being unbottoned has been given to the Court.

As far as the charge of the accused driving under the influence of liquor, nothing has been proven and the charge is unfounded.

The witness giving statement under oath has shown that as far as the charge of driving and using a W.D. vehicle for his own purpose, the accused has done so, being ordered to do so by a superior officer who took advantage of his rank to impede upon the regulations. I ask the Court if a vehicle being used outside the camp limits or transport lines constitute sufficient reason to imply that a W.D. vehicle is being used for personal purpose. I am sure the Court will consider the above related points

Plea of mitigation of sentence is made by Defending Officer.

It is proven that on various occasions he wore a beret and never had been checked up Also, I wish the Court to bear in mind that he only is found guilty of being improperly dressed after having being forbidden for so long with his beret. He was used in the fields to have his time with one hook and a button undone. He cigarette he was smoking has been given to him and he smoked it through force of habit. I beg the Court to be indulgent.

Re: STATEMENT ALREADY GIVEN IN THE CASE OF PTE. DIE.

1. Further to my statement already given concerning, Pte. Die., "As we pulled in front of the vehicle being driven by Pte. Die., an Officer from the Royal Army Service Corp(British), which I had noticed sitting in the front with the driver was already out and walking away from the vehicle.

On seeing that the driver was being questioned by Lieut. Braekey, from the 7 Provost Corp, the English Officer walked back towards the vehicle and asked Lieut. Breakey, if he could speak to him. Lieut. Breakey asked the Officer if he was in charge of the vehicle, to which the Officer replied in the negative, and Lieut. Breakey resumned his investigation The English Officer then spoke to me and told methat the driver of the vehicle had picked him up a few minutes earlier and that he was given a lift down town. He also told me that Pte. Die had asked him the way to Leeds, and also mentioned that the driver was under the influence of Liquor. I then turned to Lieut. Breakey, Provost Officer, to give him these details, when he asked me whether the Work Ticket was in order or not, to which "I replied that it was not."

After I gave Lieut. Breakey, details given to me by this British Officer, I turned to get his particulars and found that he had disappeared and could not be found any where around.

Regarding the use of a Training Vehicle on M.T. Holiday, has no bearing on this case, but can easily be explained. A Recce., T.E.W.T. (Tactical Excercise Without Troops) had to be made on that day as having just arrived in a new Area, training localities had to be Reccied as soon as possible.

SUMMARY OF EVIDENCE

In the case of No M-5514, Private Stanislas DIE, of the Canadian Infantry Corps, on the strength of No 6 Canadian Infantry Reinforcement Unit, a soldier of the Canadian Army Overseas.

By direction of the Commanding Officer, this Summary of Evidence is taken on oath.

First Witness for the Prosecution

Lt C.A. BREAKEY, of the Cdn Pro Corps, on the strength of No 7 Cdn Pro Coy., a written statement of this witness's evidence purporting to be signed by him has been read to the accused and is included in this Summary of Evidence and marked "Exhibit 'A'". Having regard to the exigencies of the service, the expenses and the loss of time involved, attendance of this witness cannot in my opinion be readily procured.

.....Lt.
Officer detailed to take the Summary of Evidence.

The accused does not demand the attendance of this witness for cross-examination.

Second Witness for the Prosecution

Capt. P. DeMartigny, of Le Regt de Mais., on the strength of 6 CIRU., having been duly sworn, states as follows:

I am T.O., of No 6 CIRU. On 21 Apr 44, I was in company with Lt C.A. BREAKEY, of the Cdn Pro Corps. We were sitting in his car and parked near the WHITE HORSE Hotel, OTLEY, YORKSHIRE. We were standing there for the purpose of checking army irregularities that might occurred either with soldiers or WD vehicles. At 2040 hrs, I saw one of my vehicle No CZ.42042710 passing by and I noticed the driver smoking a cigarette. An Officer was sitting with him in front of the vehicle. We went after the truck and stopped it about four hundreds (400) yards from where we were standing. The officer got off the vehicle. Lt BREAKEY and I questioned the accused, whom I now recognise, and found that he was improperly dressed, in that he was wearing a black beret pattern worned by armoured corps. His tunic was unbutton to the extend of one button and the two hooks, near the neck. He was still smoking and was dirty and unshaved. Lt BREAKEY asked him for his work ticket which he produced and BREAKEY asked me if it was in order or not. I looked at it and found it was not. I hereby produce a certified true copy of the said work ticket. The driver was then placed under arrest by Lt BREAKEY and I detailed a driver passing by to take the truck back to camp. A check of the vehicle and tools was made upon the arrival of the vehicle in camp and nothing was missing. I hereby produce a certified true copy or extract of M.T. Drivers'regulations, Cdn Army Overseas as "Exhibit 'C'." Standing orders to that effect are not posted in this camp now because we have no definite place yet and because we have just arrived here, but I am certain that the accused was aware of those regulations. They are part of tools and equipment of vehicles and are thereby issued to all drivers as they take a vehicle. They were also posted in the MT garage while we were stationed in WITLEY, SURREY.

Questioned by the officer taking the Summary.

Q.1 When you saw the accused at 2040 hrs on the 21st Apr 44, was he under the influence of alcoholic spirits?

A.1 In my opinion he was.

Q.2 Was the accused working at the MT garage while you were stationed in WITLEY?

A.2 Yes he was.

Q.3 What is the procedure to follow for a driver when his duty is complete?

A.3 He comes back to the garage and reports to the NCO i/c of the MT office. He then closed his work ticket, which means that he enters the hours he came back from his last trip and also enters the numbers of miles run during his trip.

The accused declines to cross-examine this witness.

.....Capt.

SUMMARY OF EVIDENCE

In the case of No H-5514, Private Stanislas DIK, of the Canadian Infantry Corps, on the strength of No 6 Canadian Infantry Reinforcement Unit, a soldier of the Canadian Army Overseas.

By direction of the Commanding Officer, this Summary of Evidence is taken on oath.

Third Witness for the Prosecution — Capt. L. DENISET, of the Royal 22e Regiment, on the strength of 6 CIRU., having been duly sworn, states as follows:

On 31 Apr 44, I was in charge of a number of officers and as we were to proceed on a reconnaissance T.E.W.T., I needed a transport. I made an application for such and the truck, driven by the accused, whom I now recognise, arrived at my office at about 1000 hrs. We used the transport until about 1715 hrs. I then told the driver to report back to the MT garage as I did'nt need him anymore. I also instructed him to drop on the way back to the garage an officer who stated that he was stationed in one of the camps near the MT park. I do not know if he is stationed in No 1 or 2 Camp.

The accused declines to cross-examine this witness.

L. Den. D. Capt.

The accused is then warned in French as follows: "Do you wish to make any statement or to give evidence on oath? You are not obliged to say anything unless or to give evidence unless you wish to do so, but whatever you may say will be taking down in writing and may be given in evidence.

The accused declines to make a statement and reserves his defence.

I certify that the foregoing Summary of Evidence, consisting of two page, was taken down by me in the presence and hearing of the accused and that Rules of Procedure 4 (C), (D), (E), (F), and (G) have been duly complied with.

K. P. Minard ..... Lt.
Officer detailed to take the Summary of Evidence.

PROCEEDINGS OF A FIELD GENERAL COURT MARTIAL, HELD AT ALDERSHOT, HANTS ON 26 SEPTEMBER, 1941

TRIAL OF NO. M/1545, Pte. J. P. Diebold, Calg Highrs.

PROSECUTOR: Lieut. W. McQueen, Calg Highrs.

DEFENDING OFFICER: Lieut. H.T.R. Gregg, Calg Highrs.

SHORTHAND REPORTER: D24030, S/Sgt. J. H. Spence, H.Q. 2 Cdn Div.

---

1. The Order Convening the Court is read to the accused.

2. The accused is asked the following questions:

Q 1 Do you object to being tried by me as President or by any of the Members whose names you have heard read over?

A 1 No, sir.

Q 2 Do you object to having the evidence taken down in shorthand?

A 2 No, sir.

3. The President, Members of the Court and shorthand writer are duly sworn.

4.(a) The accused answers to his name and number and is duly arraigned.

(b) The accused pleads "Guilty" to the first charge. The second, alternative, charge is withdrawn by the Prosecutor.

5. Rule of Procedure 35(a) is complied with.

6. The summary of evidence is read.

7. The Prosecutor files A.F.B. 296 and M.F.M.6 in connection with the accused, which are formally admitted by the defence.

THE ACCUSED MAKES THE FOLLOWING STATEMENT IN MITIGATION OF SENTENCE:

I realize now, sir, that a grave mistake has been made. Pte. Scott woke me up in the evening and he asked me if I would drive him down to Bordon, as the busses had quit running. I told him I would and he had another Private with him. They had broken the window in the Paymaster's Office and he asked me to help them out with the safe and then they drove down and hid the safe and they said they would leave it there until later and they asked me if I would take the truck back to the unit and put it back in the parking shot, which I did. I realize now how much of a foolish mistake it was and I should never have become mixed up in the affair at all.

THE DEFENDING OFFICER: I would just like to bring to the attention of the Court the statement made in the summary of evidence, especially the statement of the accused, and take into consideration the fact that the sentences passed on the other two soldiers that were implicated in this case. Further to this from the statements made by the accused and from the statements made by Pte. Scott and the other man mixed up in this case, it would appear that this man wasn't the prime instigator in this case, but was merely more or less led into it, and I would ask the Court to take into consideration the fact that he was not so much a party of the first part, but just an accomplice, and also I would like the Court

to remember that he has been in detention, awaiting this Court Martial now for over three months.

CERTIFIED TRUE TRANSCRIPT OF THE RECORD OF THE PROCEEDINGS IN THIS TRIAL, TAKEN BY ME IN SHORTHAND AT THE TIME AND PLACE AFORESAID.

(D2/030, S/Lt. J.H. Spence.)

Summary of Evidence in the case of M-11545 Private DieBold, J.F. Calgary Highlanders of Canada:-

Capt. T.M. Insinger, The Calgary Highlanders, C.A.(O) having been duly sworn states:-

"I am Captain T.M. Insinger of The Calgary Highlanders. On the night of 18/19 June 1941 I had been working in the Bn Orderly Room. At 0030 hrs 19 June I left there and passing the Intelligence Office I noticed that the window was closed. I also felt the door of the paymaster's office and found it locked.

At about 0345 hrs 19 June I was informed that the window of the Intelligence office was open and that the safe in the paymaster's office was missing. I saw that the safe was not in its accustomed place and that the window in the Intelligence office was open and broken.

I informed the Paymaster and the Military Police Aldershot Area.

At about 0415 hrs 19 June I saw the 8 cwt truck "B Ech 1" parked in an obviously wrong place at the East side of the parade square. At about 0100 hrs I had noticed this same truck parked in front of the kitchen. I questioned the driver of this truck.

At about 0700 hrs accompanied by L/Cpl. Gunson of the Mil. Police Aldershot Area and P.C. Johnson of the Hants Constabulary I proceeded to Bordon, where I interviewed Pte. Scott. He admitted having cached the safe and led us to a place about 500 yards from the barracks. We returned to Aldershot with Pte. Scott and the safe.

I saw Pte. Scott sign a statement which I read previously.

At Bordon I had Pte. Sawatzky placed under arrest. I had him taken to Aldershot in the afternoon of 19 June and saw him sign a statement after having been questioned.

At about 1130 hrs 19 June I ordered Pte. DieBold to be placed under arrest and after having been questioned I saw him sign a statement.

Summary of Evidence in the case of M-11545 Private DieBold, J.F. Calgary Highlanders of Canada:-

L/Cpl. W.C. Gunson, C.M.Police, having been duly sworn states:- "Sir, at about 2.15 p.m. 19th June 1941, in consequence of information I received I interviewed the accused Private Jack DieBold and told him that I was an officer of the Corp Military Police and that I had reason to believe he was concerned in theft of a safe from the Paymaster's Office. He at first denied this but after questioning he admitted he had taken part in the theft. I asked him whether he wished to say anything in answer to the charge. I told him he was not obliged to do so unless he wished but anything he did say would be taken down in writing and given in evidence. DieBold made a statement".

Q. I produce statement marked exhibit "A". Is this the statement you refer to?

A. Yes.

Q. Can you identify this statement?

A. Yes. I have read this statement which was signed by Pte.DieBold in my presence and was signed by me as witness. The signature on this statement as witness is my signature.

The accused asked no questions.

Summary of Evidence in the case of M-11545 Private DieBold, J.F. Calgary Highlanders of Canada:-

Police Constable E.J. Johnson, having been duly sworn, states:- "I am a constable in the C.I.D., Aldershot Hants Constabulary. At about mid-day, 19th June 1941, I was in company with L/Cpl. Gunson C.M.P. making enquiries regarding an offence of office-breaking at Talavara Barracks, Aldershot, where a safe containing approx £200 had been stolen. Private DieBold, whom I now identify, was told that we were police officers making enquiries respecting this offence. He was shown the safe which had then been recovered and asked if he had seen it before. He replied, 'No, only when I came in to get my pay'. He went on to say he knew nothing about the offence. He was further interrogated and later, after being cautioned, a statement was taken from him which I typed out at his dictation, which he signed, I witnessed and now produce as Exhibit "A"

Copy of statements made by Privates Scott and Sawatzky were brought to his notice. He was later conveyed to Aldershot Police Station and detained, being cautioned and charged, and he replied 'I have been a fool'."

Summary of Evidence in the case of M-11545 Private DieBold, J.F. Calgary Highlanders of Canada:-

L/Sgt. Lasance, H.A.J., Transport Section, Calgary Highlanders, having been duly sworn states:-

"On the morning of the 19th June 1941 after the Battalion had come in I got orders from Capt. Insinger to check the trucks and he told me to see if any were misplaced or missing. I found B Ech 1 parked at an unusual place and in an unusual manner. That is truck No. CZ 4205054, which I reported to Capt. Insinger immediately.
He asked me who the driver was and told me to awaken him and report to him. Private Wood was the driver and he reported to Capt. Insinger."

The accused asked no questions.

"Sir, on the morning of the 19th April, L/Sgt. Lasance, awakened me and told me to report to Capt. T.M. Insinger. Capt. Insinger asked me where I had parked my truck on the night I returned from the scheme. I told him I had parked it in the usual place with the other trucks in the line, by the Mens Kitchen. He then showed me where the truck was parked and asked me if I had left it there and I said "NO".

Summary of Evidence in the case of M-11545 Pte. DieBold, J.F. The Calgary Highlanders of Canada:-

Capt. J.C. Valentine, Paymaster, Calg Highrs, having been duly sworn states:-

"Sir, I am Capt. J.C. Valentine, Paymaster, Calgary Highlanders. Safe No. P.4440 (No.1144 painted on the outside) was issued to me on approximately 19 Dec 1940. Duplicate keys are on deposit with the Barrack Officer, Wellington Lines. Original key is held by me. It has been in use in my office exclusively to date for the safe custody of Government funds and records.

On the evening of 18th June 1941 I last visited my office at approx 2130 hours. I checked my desk to see if there was any correspondence, checked the handle of the safe to see if it was locked, and left, locking the office door behind me. At approx 0345 hrs on the 19th June I was awakened by Capt. T.M. Insinger who asked me if I had removed my safe from the office. I said 'No'. He asked me then if there was any money in it. I said 'Yes', about £200'. He said, 'Your safe has been removed from your office'. I got dressed and arrived at the office at about 0355 hrs and found that the safe had been removed. I noticed that the blackout was down, which had been up, and inquired who had let it down. I was informed that the office was as it had been found some time earlier. I also noticed that there was a burnt match on the little wooden stand above the safe. This I knew had not been left by anyone from my staff as we all use cigarette lighters.

The contents of the safe were as follows -- an open acquittance roll signed by the rear party men; cheques from officers amounting to £71/15/0; Chief Treasury Officer's Cheque in favour of the Commanding Officer for £239:17:6; Cash in notes and coin £206:14:2 all being public property, and in addition approx £20:0:0 being the property of men of the unit, left with me for safe custody. With the exception of the one cheque made in favour of the Commanding Officer, the rest were all made out to 'Cash'.

CHARACTER WITNESS

Lt J CALVERT, 1 NETD, having been duly sworn, states:

Sir, the accused was in my pln in action and I remember that he asked me to write some letters about having some help for his troubles that he had in private life. He was wounded and was evacuated before he could do anything about it. That was in Jul 44. I can say that he was a good soldier, and no trouble was had with him at all and he was one of the best fighters I've ever had and I would be glad to be with him in action again.

STATEMENT BY THE ACCUSED
(ON OATH)

R-1

Sir, before my release from 24 CCH I recd word that caused me to go AWL afterwards. Mrs. Thorpe who is my legal next of kin and Mother of my 2 children, while in a cafe a man came along and sold her blankets. Not knowing they were stolen she bought them and later she was brought up in Court about them and given either a month's imprisonment or £20. She went to prison as I couldn't get the money, and at the time she was nearly 8 mths pregnant. I make an assignment of pay to her of £2/4 for the children only. The LCC then took the 5 children and put them in the Chelsea Workhouse and after I came out of hosp I got 7 days leave, but while on leave she was only on remand and it was after this that she was convicted. I got a 48 hr pass and went to London to try to get enough money to release her from prison and also to try to get my son out of the Home. I got a 24 hr extension then the LCC had evacuated my son to WALES and I had to go up there and it took me sometime to get things straightened out - they telling me when I got there that I couldn't have the son out of the Home without the Mother's permission. That was on 7 Sep 44 and I had been absent 5 days and the LCC sent a letter to my Col stating that it was necessary for me to be up there to get my son out. The Col gave me 28 days FP although I asked him for 28 days pay instead. When I got out I got the balance of the money for her fine by working for it and she was released from prison. She served a little over 2 wks altogether. We got our son back, then I took her to hospital, and I worked by day to get some money and spent it on the rent and keeping of my son at night - while I had someone look after it in the daytime while I was away. My wife gave birth to a little baby girl on 11 Oct and then it caught pneumonia and died on the Thurs before Christmas and then I arranged for a funeral but it couldn't be buried the funeral director said until I had the money to pay for the funeral expenses. However, he gave me until 15 Jan to pay for it and while this time was passing I was apprehended by the Pro, and I didn't get a chance to pay the bill.

This man is "B" category now. He has proven himself a good soldier in action. Having his domestic troubles cleared up he has a clean mind with one thought — to get back to action with the battalion in France.

In throwing himself on the mercy of the court, the accused pte. Dietle begs leaving to expidate his return to battle.

Both Mrs. Thorpe & Pte Dietle the accused, are married to other people from whom they are separated. But — the court must know that these two people are utterly sincere in their relationships as father & mother of children & as soon as they are able to obtain divorces are to be married & start a true family relationship which they both desire a great deal.

Dear Sir:

I hope you don't mind my taking the privilege of writing this letter but perhaps after I've explained a few things, things won't look so black against my husband Pte D Drette.

First of all I got into a little trouble regarding some blankets I bought, then Peter found out they were stolen. I was consequently fined £20 or one month's imprisonment. That was the start of my husband's being AWOL as he was trying to raise the money. He did not succeed so ultimately I served one month in prison. Then we had trouble to get baby out of the home he had been in while I was serving my sentence.

A few weeks later I was taken to hospital to have my second baby. After I came out of hospital our baby girl was taken ill, went into hospital and died. Pte Drette fully intended to return to camp after trying to settle the funeral expenses but was unable to settle down. He himself had not been in the best of health.

I take this opportunity of asking you to please be lenient with him for the sake of our little boy, 16 mths old, who is fretting for his daddy. I should hate anything to happen to our baby as he is the only thing we have left to live for.

I am sure for his son's sake Pte Drette will go straight in the future.

Thanking you in anticipation, I remain

Yours truly,

(sgd) (E. Drette)

B1. The President ~~or JA, if any,~~ complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement? Ans. Nº, SIR.(5)

B5. The Summary of Evidence is marked Ex 'A', initialled and read aloud by the President.(1)
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). PLEA OF MITIGATION

Plea of Mitigation in the case of F 44635 Spr DIGGINS, W.E., of No 1 C.E.R.U., Canadian Army Overseas.

Spr DIGGINS has pleaded guilty to the charge of being A.W.L. for 47 days, after surrendering himself to the Military Police. In his case there are certain facts on his behalf which I would like to bring before the Court.

(1) He joined the Army on the 3rd of September, 1939, seven days before Canada officially declared war and as he has stated he joined to fight or to work in the Canadian Army and not to sit around a Holding Unit.

(2) He transferred from the West Nova Scotia Infantry Regiment to the 1st Tunnelling Company, when he heard that there was a call for experienced miners at Gibraltar. He worked there for 20 months without a crime.

(3) He returned to England and worked in the Iron Mines for 3 months until this work was completed, and since that time he has been in the Reinforcement Unit, being A.W.L. for short periods.

(4) He has had the unfortunate experience of receiving word that his wife has been living with another man and this has been an influencing factor upon his mind, aggravated by being held in a Holding Unit doing Basic Training.

(5) He has requested posting to the field and has been paraded before his O.C. without obtaining results.

(6) I had Spr DIGGINS in my Platoon for five weeks here in the Holding Unit and found him reliable and a willing worker, and his one request was to be allowed to proceed to the Field.

I ask the Court to consider the above mentioned facts before passing sentence. I recommend that the Court be as lenient as possible with accused.

F 44635 Spr DIGGINS, W.E., 1 CERU

STATEMENT BY THE ACCUSED

Sir,

I joined the Army in Sep 1939 and came overseas in that year in the infantry. I had no crimes in the infantry. Then I heard that men were needed in the RCE to go to Gibraltar I joined the 1 Canadian Tunnelling Coy and went along. During my time at Gibraltar I have no crimes, that was for a period of 20 months, and my only offence was being AWL or late, I missed three hours work as a result of a party that was leaving and I spent a little too much time with them before returning to work. On my return to England I worked in the iron mines for three months in Dover, my crimes here consisted of a few short AWLS, then I returned to the Holding Unit. I did not and still do not like Holding Units, I did not leave my home in Canada and come all the way over here to sit around Holding units. I pleaded with my CO to send me back to the field, or put me on a draft overseas, I never received any satisfaction.

I have a skin disease and that was one reason I wished to go abroad, it might cure it, nothing that any specialists here can do seems to help it any. However I was put on basic training and did six weeks of it. Then I received a letter from my wife in Canada, she was living with another man, word came that my mother died, between those two things and my skin disease that couldn't be cured I went AWL, I don't believe I was in my right mind, because after about 10 days AWL I realized what I was doing and I came back and I surrendered.

When I was in the field, I worked on all sorts of jobs, I was busy and felt I was doing something, but here I've been sloping arms and parade square drill, I am an engineer, actually I am a miner by trade and I like to work and like that sort of work. Had the major sent me to the field and allowed me to keep on working I would not be here today. I was supposed to be happy in the AU sloping arms by numbers, but I wasn't, in the end I contracted VD to make matter worse.

That is all I have to say Sir.

EVIDENCE AS TO CHARACTER

1st WITNESS FOR THE DEFENCE

No 2345 L/Cpl LACHANCE, J.L., on strength 1 C.E.R.U. having been duly sworn states:

I met Spr DIGGINS in 1940 after joining No 1 Canadian Tunnelling Company. I have been with Spr Diggins from then on, for 22 months we were in Gibraltar I spent working with him as a miner. I have six years mining experience mining in Canada in nickel mines. Spr Diggins is a coal miner. We moved several thousands of tons of rock down there and I am sure that Spr Diggins helped a good deal in doing it. I can verify his statements regarding a skin disease. Four or five skin specialists down there tried to cure him, but could do nothing. On the suggestion that he be sent home for treatment, he requested to stay and be with the rest of the company and keep working with us, doing this he turned down the chance

to come back to England for treatment. With all his trouble I think that Spr Diggins should be in Basingstoke or No 2 Special Hospital. I have been looking after him as M.P. and have had no trouble whatsoever with him, he is a model prisoner.

Statement.

"I am a member of the Womens Land Army and employed doing gardening and poultry keeping at Mr John Young's "Chalgrove" St. Nicholas Hill. Leatherhead.

At about 6 pm on Friday 12th January 1945 I went to the chicken house to close up the hens for the night. I counted them to see if they were all in and they were mine. The chicken house door is secured by means of a push catch and a large wooden box placed in front of the door. I saw these were securely in place before I left.

At about 8.45 AM. Saturday January 13th 1945 I again went to the chicken run and found the chickens were already out, but that three were missing. The hen house was open and in a state of disorder, and on the ground around about there was a lot of white feathers. Part of the wire netting fence was on the ground and the trail of feathers led to the fence and to Highlands Road.

I then went to the house and told Mr Young that three hens were missing.

At about 10.30 AM Tuesday 16th January 1945 I was shown the heads of three chickens which appear identical with those stolen from Mr Young's hen house.

I volunteered to come over
there. I stayed in chantpanty

a call came for men

very hard. I had a
few little crimes. such
such as a day or two
A. W. L.

Company was formed
to go to Egmondston. I
kept getting paraded for
two days to go on that
draft. I finally made
it. I was in Egmondston
almost 2 years. In all
that time there I only
missed 3 hours from
duty. so I had one
crime there. for missing
3 hours work. While I
was in Egm. I had
a letter from Canada
signed a friend. Telling
me my Wife was running
around and not taking
proper care of my child.
I showed this letter
to Capt. Wooster he
tried to help me. I got
no results. We came
back from Egmondston

through my mother to
tell her the truth. I knew
that she didnt want to
hurt my feelings. Being
so far away from home.
We done a lot of hard
work in various places
in England since coming

I suffered badly with boils

Then I came back to
England we also worked
on the Iron mines

one there. Then the
skin disease was bothering
me, I went to a
Hospital and when I

came back. I was sent
to a the Hoosac tunnel.
I want to stop here,
for I like work. Talking
I worked hard in the coal
mines at home. I have
14 years experience in the
mines. I heard my
old company was going
abroad. I pleaded to
be sent with them. I
was with these boys
so long we were
all like brothers. It
broke my heart to leave
them. I was paraded four
times to find out if I could
go abroad. I never once
asked to go home. I
wanted to see the war
through. My mother was
proud of me. and I didn't
want to go home until
it was all over. Even
with the threats with

my work. I was working
at Chard. they put me on
the parade ground. I was
a good soldier on the parade
ground in the infantry in 1939.
but find working at my
old trade. I slipped a lot.
and besides I am getting
already 210. and I told them
I could do much soldiering
on the parade ground.
and any way I had this
skin disease. It would
bother me. when I went
to parade ground drill
I again asked to go to
Italy, the answer was
no. I went A.W.L.
all I was pleading for
was work. day turned

I told her I was on leave and that I had lost my Ration card Mrs Grantham believed me and put me up for occassional nights, as I used to go to Sutton and Epsom and Guildford and spent nights there with public house acquantances. I had plenty of money. which I had obtained by selling presents and playing "Craps". I bought all my food from shops and it was unrationed.

On Friday 12th January 1945. I was in Epsom and drinking heavily. I got into company with civilians and drank more than I could handle, I came to Leatherhead between 8 pm and 9 pm and drank a few more pints at The "Kings Head" and then went to Mrs Granthams house, I was very much under the influence of drink, and went into a coal shed in Mrs Granthams Garden and picked up a sack which was in the shed. I never saw Mrs Grantham and went to the garden opposite Mrs Granthams house in Highlands and entered the chicken house there, which was unlocked, I took three chickens and pulled their heads off and put them with the chickens into the sack. I took the sack and chickens away and disposed of the carcase of the birds. I then threw the sack which contained the heads, legs, and giblets into the Cemetery at the foot of Highlands Road.

Continued.

I would like to add that I am alone responsible for the theft of these chickens. I did not sell them, and have obtained no profit from the theft.

In my drunken state I conceived the idea that I would help some people who needed help and played Robin Hood. I therefore accept all responsibility, and will not disclose the names of the poor people to whom I gave the chickens.

I am sorry to have to admit telling lies to Mr. Grantham, she believed me to be on leave Wm E. Diggins

I have read the above statement and it is true. Wm E. Diggins

2. Educational, occupational, military background and other relevant information and appraisal.

On release from detention in June 44 Spr. Diggins was returned to 1 CEMU. The SPO recommendation made at Headley was emplemented and he was employed on R.P. Duties. He was employed satisfactorily for 3 months and then hospitalized. During hospitalization he went A.W.L. His explanation for this is that he was told by a fellow patient that he (Diggins) was slated for return to Canada. Since he did not want to return he went AWL. At present sentenced to detention for AWL and theft. Diggins is rather a peculiar case. He insists on his desire to proceed O/S and is quite bitter over his lowered category. At the same time is erratic and impulsive and would certainly be no asset to a working unit in an operational theatre. He cannot be depended upon but appears to be the type that could return useful service if handled sympathetically. Accustomed in civil life to hard labor, he appears, with the exception of skin disease to be in good shape physically and if retained C/S could be employed usefully on manual labour if it were impressed on him that he was fulfilling a useful purpose. This mans trade is of very little use in a Base Unit RCE and it is doubtful if further useful employment can be found for him in the Corps.

Recommendation: Posting to S.E. Coy on release from detention.

F-44635 Sus. Diggins, W.E.

1. The m/n Sus. was examined by me 14 Feb 45.

2. He was found to still have Psoriasis of a considerable extent. However, I do not feel that it constitutes a disability which would interfere with his performance of military duties. It was noted that the specialist who examined him in May 44 recommended P-3 and this was not concurred in by the Standing Medical Board, who on 21 Jun 44 categorized him P-4.

3. At the time of the above board he was examined by Capt. A.M. Johnson the regional psychiatrist and diagnosed as having Mental Retardation and Psychopathic Personality, Inadequate Type, fit for base duties, and on the strength of this was given Category M-2, S-4. It has been the opinion of his officers that this man's psychic disability is of such a degree that he is unfit for further service. On interview he appeared co-operative and anxious to serve in an operational area. However, I do not feel that this could be recommended in view of his past record, nor do I feel that his present condition cause for down-grading under the S. Any further investigation would require examination by the regional psychiatrist who is resident at Cdn Detn Bks and I feel that this could be advantageously undertaken while serving his sentence.

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. First Witness for the Prosecution

Lt Gordon Douglas Cochrane, 14th H.L.I. Highrs.
16 Pl & Coy, duly sworn, states,

An afternoon 5 Apr 45 I Coy was ordered to attack across a canal at Lathum Holland and then to clear part of the town on the other side. My pl was to lead the attack. After being briefed by my coy comd I briefed my pl. and ordered no 1 sec to cross the canal first and act as fire sec. while the remainder cleared the houses. I recognise the accused. He was a member of my pl at this time in no 1 sec. He was present when I briefed the pl. We moved from our L.U.P down to the S.L which was in a fairly thick wooded 100 yds from the canal. I lined up the pl ready to cross. The accused was to my left and I was on right flank of his sec. Shortly after we moved fwd from across the canal on our left flank. It was harassing fire with odd shots hitting the trees above our heads. They could not see us. On my comds engineers not prepared to move fwd as the sec (he) started crawling fwd I noticed the accused was not keeping up to the rest of the men but was 30 yds behind. I yelled at him to get going and catch up with the rest. He replied "I can't do it, sir!" I told him again to get going and he started to crawl fwd. I then ran around on the left flank of that sec to make sure they were all going fwd. When I came back behind the sec. The accused was again behind the rest of the sec by about 10-15 yds. The sec was nearing the canal but the accused was stopped. He had moved ahead 35-50 yds further than last

time I had told him to move fwd. I was very near the accused at the time and I again told him to catch up to the others as we had to get across. He replied "I can't go fwd any further." He seemed to be very nervous and shaky at the time I was talking to him. The rest of the sec hit the water and then found it was too deep to get across the men swam over but the rest had to return into the woods. Pte Sargent did not go into the water with the sec. The boy was ordered now to return later on to the RAP. There I told him what had happened. I then laid a charge against the accused and sent him to our MO for med inspection. Accused was LOBd the next day and has been LOS ever since.

Cross-exam

Q Did the accused reach the canal bank
A No, he did not.
Q Did he come out of the woods at all
A No, he was not out of the woods but the woods ran almost to the canal bank - within 4 or 5 yds.

A The second time I told him to move fwd. He then ran fwd with the rest of the sec after they went into the water and out again I ran back to the accused and he was still in the same spot by a big log. This was two or three minutes later.
Q How far was the accused from the edge of the canal the last time you ordered him

A I don't think so sir.

Court

Q How far did you crawl before the final dash

A About fifty yards.

R.P.T.B. complied with.

Lieut. G. D. Cochrane, D Coy, North Nova Scotia Highlanders, sworn, states -

On the afternoon of 8 Apr 45 D Coy North Nova Scotia Highlanders was ordered to attack across a canal near the town of Zutphen. I'm 16 platoon of which I was the platoon commander was to make the initial crossing. I briefed my platoon prior to the attack and ordered No 1 section of which Pte Legout was a member to go across first and become fire section. We moved to a wood on the near side of the canal awaiting the company commander's orders to go across. At 4 hr I told No 1 section to start moving. I noticed that Pte Legout who was immediately to my left was not moving with the rest of the section. I told him to get going and he replied "I can't do it, sir." I told him again to crawl along with the rest of the section he started to do so. I moved then to the left of the section to straighten out the line before entering the water. At the time there was enemy M G fire from the right flank coming in our general direction. After straightening the line I crawled to the right flank of the section and noticed Pte Legout some distance behind the rest of the men. Again told him to move on and keep up

with the rest and he replied "I just can't go across". Shortly after he again crawled forward toward the canal bank behind the rest of the section but he stopped before reaching the bank and did not enter the water with the rest of the men. The water was too deep for us to wade so our coy commander ordered us back. Pte Dagout remained in the wood when the section tried to assault across the canal. We moved back finally to our starting point. I informed the company commander of Pte Dagouts actions and he told me to put him on charge and R.O.B. him at the first opportunity. After some time we crossed the canal in another place behind A Coy. We took up a defensive position for the night. The next day we moved to a new locality and I informed Pte Dagout that he would be up on charge and I sent him back to our rear coy HQ where he has remained ever since. The night of the attack I sent Pte Dagout to the M.O. to be examined I saw the M.O. the next day and he told me Pte Dagout should see a psychiatrist. I got the particulars of his case history and turned them in to the M.O. two days later.

We moved back finally to our starting point. I informed the company commander of Pte Digout's actions and he told me to put him on charge and L.O.B. him at the first opportunity. After some time we crossed the canal in another place behind "A" Company. We took up a defensive for the night. The next day we moved to a new locality and I informed Pte Digout that he would be up on charge and I sent him back to our rear Coy HQ where he has remained ever since. The night of the attack I sent Pte Digout to the M.O. to be examined. I saw the M.O. the next day and he told me Pte Digout should see a Psychiatrist. I got the particulars of his case history and turned them in to the M.O. two days later.

(Sgd) G.D. Cochrane, Lieut.

The accused declines to cross-examine this witness.

Second Witness for the Prosecution F96352 Pte Perry, V., "D" Coy, North Nova Scotia Highlanders, sworn, states:

On an afternoon somewhere between 7 and 14 days ago, Mr. Cochrane briefed the platoon for an attack across a canal in Holland. Cpl Ross was my section leader at the time and Pte Digout was a member of the section. After the platoon briefing we moved up to a woods some 400 yards away and waited for the order to attack. I can't say whether or not Pte Digout moved off towards the bank with us. I know he was in the wood with us. All I can say is that he wasn't in the water at the time that I was in. I remember the boys who were in the water and Pte Digout wasn't one of them. The next time I saw him was at the creamery where we had been briefed. I didn't see him after we left the creamery.

Q. Do you wish to make any statement or to give any evidence on oath? You are not obliged to say anything or to give any evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be used in evidence.

A. I wish to give evidence on oath.

The accused, sworn, states:

Just before the attack something seemed to tell me I just couldn't cross the canal. I was shaking all over so I stayed behind the section. When Mr. Cochrane told me to go with the section I tried but just couldn't bring myself to cross the canal with them.

(*1. RP 25 fn 3. 2. MML p 54 para 47.*)

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

B5. The Summary of Evidence is marked Ex....., initialled and read aloud by the President.(1)
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). Ex.1 Accused gives evidence on oath for character

The accused is sworn

I am 22 years old. I enlisted on 13th March 42 at Kirkland Lake Ont coming overseas Dec 18th 42. I arrived in France on D Day with Sherbrook Fus. I served with them continuously until Nov 28th. The unit was them at Breda when I was wounded in the head. I went back to the unit on 6 jan 45. I served with the unit until 12 March 45. We got as far as Wessel on the Rhine. I am willing to continue in the army. I have not had a chance as yet to volunteer. If I can I should like to go to the South Pacific. The reason that I went A.W.L. was that my nerves were getting bad and my eyes bleery.

R P 83 (b) complied with.

Plea in Mitigation Ex "E" "GBC"

The Court has found the accused guilty of two offences, but justice involves also mercy for a boy whose nerves got the better of him after a long long period of service under fire. Remember that he landed on D-day on the beaches of Normandy and that he served continuously while his unit - the Sherbrooke Fusiliers, fought its way accross France and Belgium and into Holland. Near Breda his service was broken, but in the most honourable way possible. He was taken to hospital with wounds in the head. When able to return to his unit he did so, and fought with the unit to the banks of the Rhine at Wessel. His unit had been withdrawn for regrouping at the time he went absent. Please remember thathe has only public school education, that he dnlisted at 19, that his conduct sheet is good up to now in spite of three years service. He has told us of his head wounds, of his nerves cracking under shell fire, and of his eyes getting blurred. Under these conditio he "beat it" to get away from all this. While AWL he was rather unfortunately handled by three English soldiers, and committed a second offence. It may have been the head wounds, maybe, just battle nerves.
He wants to volunteer for the far east force, but has not had a chance yet to do so. He realized the errors he has committed hopes to redeem himself as a soldier, and get back to the Sherman Tanks with which he served so long and well.

Remarks by J A on submission of Def Officer D 4 of Proceedings.

Court does not now decide innocence or guilt. Only questions for court is: Is there any evidence which points to guilt of accused on which court may (not necessarily will) find accused guilty of charge. If there is such evidence then court should disallow submission. If court decides there is no such evidence then court should allow submission and find accused not guilty of that charge.

"R P Milligan" Capt

J A

"GBC"

Pros Summing up

1st Charge - Facts proven by documentary evidence.

2nd Charge - No attempt to site law as JA will do this. Facts disclose that acc & 2 men Tawton & Titley were outside cafe. That Acc struck Tawton in area of lower part of body. Tawton felt pain but thought it was merely caused by blow - tried to run and on feeling his groin found his scrotum cut & bleeding. Only answer is that acc must have caused it. Medical evidence sets out that it was a bad wound. Even though acc may have been brought out of cafe by illegal force, his action can't be considered as justified as it was apparent far more force was used by him than would have b en required to repel Tawton & Titley. Why did he run away. Support accused by his failure to return to cafe after this incident indicates guilty knowledge. The accused is in my opinion guilty of this charge.

Submission by Defending Officer

1. With respect to the first charge no submission is being made.

2. With respect to the second charge it is submitted that the accused was so drunk as to be unable to have the intention necessary for the offence charged. The prosecution witnesses establish that he had been drinking, and he has himself swornboth as to the drinking and the "black-out" condition which resulted.

3. It is also submitted that there was great provocation for an assault. The accused was paying a visit to a woman he knew, in her bedroom which he had visited before. He was causing her no concern and she had not asked him to go. Three English soldiers ejected him by what I submit was an unlawful act of violence. Not much force was used but it was available if the accused resisted too much. They took his weapon from him, took him outside, and then proceeded to take him someplace else. Then he did resist, possibly with unnecessary means, but he undoubtedly had the right to resist. They were two - formerly three - to one against him. In the scuffle, a soldier was hurt, we're not sure how. If the accused had not been in a stupor, we might today have discovered that it was self-defence. Whether it was self-defence or not, the provocation of the unlawful abduction certainly exists.

4. If the accused is found guilty of an offence, it should be one much less serious that that alleged in the charge sheet.

Pros states that his case is complete "GBC"

Def: Submits that prima facie case in the second charge has not been made.

Pros states that Dvr Tawton states that he was wounded and that a case has been made out.

Submission dis-allowed

The accused elects to give evidence on oath, sworn, states:

"I spent most of my time while AWL around the Cafe Molenstun, Edegern. I stayed there over night. I stayed nearly every night there. I stayed in a small room downstairs. I had some equipment there, including battle dress, shaving kit, socks, and a rifle. My shaving kit was left in the wash room and rifle and clothing in the small room where I slept. Julia was my special friend at the cafe. I was upstairs 5 or 6 times as I sometimes slept up there with Julia. I remember Sunday 27th May 45. I remember drinking in Cafes and I went to the Cafe Molenstun at about 1100 hrs. I don't remember having but I remember being in another cafe drinking at about 1900 or 2000 hrs. I am not certain if I saw Julia that day but think that I saw that her that morning. I remember that someone had told me during the afternoon that she was sick in bed. The last thing that I remember that day was drinking in a Cafe across the street from the Cafe Molenstun.

By Pros

Julias Mother did not object to me being there and no one else seemed to object. Sometimes I paid for my board. Sometimes I paid 100 francs. I cant say how much I money I spent while AWL. I had 3000 frs when I went AWL. It was drawn from my paybook, in December. I went AWL from someplace on the border of Germany and Holland. The unit was not in action at the time. I had saved up my money. The paymaster paid me 2000 francs and sometimes 1000. I only paid Julia about twice. I dont think that I hit Dvr Tawton. If I had hit him I would have hit him with my hands. I dont know how I got the cut on my thumb. I carry a small knife in a leather case. I also carried a nail file. I did not carry a razor. As far as I could see it was just a skin cut on my right thumb but there was some blood on my hands. I don't think that it was there the night before. I dont know where I spent the night but I woke up in a park in Antwerp. I did not return to Julias that day nor since I was in Antwerp. I shaved in a barber shop. I stayed in the Max Hotel. paying 35 frs. I ate in the Y.M.C.A. I don't think that I was afraid to go back to Julia's.

By A.D.J.A.

I don't remember being taken out of the cafe. I didn't remember anything until the following morning when I woke at 0600 hrs inst., as it was raining.

By Court

I don't remember Tawton at all. I don't remember how much I had to drink that day but I had been drinking pretty steady. I spent my money in other cafes because I just liked to go around talking to people.

Fourth Witness Julia Elisabeth Anthoni, sworn, states:

I recognise Ronny. (The accused is identified). I recall 27th May 45. I was sick in bed that day. I saw the accused at 2245 hours that day. I saw him in my room. He was sitting on the side of my bed. He spoke to me. I did not speak to him. Three or four English soldiers took him away. I dont know why they took him away. I did not ask them to take him away. I saw the English soldiers again when one of the soldiers was wounded. I saw them when they brought the wounded soldier upstairs. I did not see the wound. The wounded soldier was in my room. I could see that he was wounded. A doctor came. his name is Dr VOUGHT. I did not see what he did. I dont know the wounded sddiers name nor had I seen him before.

By Def

The accused called me Julia and I call him Ronny. He came into the Cafe many many times. He did not have his rifle there most of the time. He did not stay in the rooms over the cafe at night. Only sometimes when he was drunk he slept on the sofa or chair. The sofa is in the little room downstairs. There is none of his kit or clothing at the cafe. He came after during the daytime. He did not tell me why he was not at work. He was only a customer the same as the other ones. It did not bother me when he came into my room that night. It did not bother the child either. I don't know if he had his arm around me, he was sitting quietly on the bed. He had been drinking. I did not ask him to leave. He did not object to leaving but asked why.

By Court

The accused had not been up to my room before. No one, other than the soldiers, asked him to leave. He was only in my room one minute. I did not invite the accused into my room. I don't know why he was in my room he just walked in. He asked me if I was sick. I cannot think of any reason why he would ask if I was sick.

Fifth Witness Dr Fr. De VOOGT, sworn, states,

"I hold the degree of Medical Doctor. I got in in Lauvain University in 1938. I practice medicine now. I recall the 27 May 45. I was called to Molenstuns Cafe at about 2245 hrs or a little later, more like midnight. I saw soldiers and the mother and the last witness. A soldier and a civilian called me to go over. I saw soldiers in the cafe and one upstairs He was injured in a bed. I examined him. He was wounded in the scrotum 10 centemeters long and one centemeter deep. I closed the wound by using clips and used an antiseptic. I dont know if the wound was one minute or one hour old. It was a cut wound. His clothes were all torn in the place of the wound. I have seen that soldier today I dont know his name. I think it was caused by a knife or could be caused by a piece of glass.

By A D J A

A nerve might have been touched and an artery. I could not examine him very closely. So I could not say if it was a serious wound.

and while Sgt Chapman and I were inspecting the rifle Dvr Titley re-entered the Cafe supporting Dvr Tawnton who was bleeding badly from between the legs. He was taken upstairs and I went outside the cafe to look for the accused: After having been away some 20 minutes I returned to the cafe and found that Dvr Tawton was being attended to and I returned to billets. There was no conversation while I was in the bedroom by the accused or the woman. The woman is the daughter of the Cafe owner. She is here today.

Cross Examination by Def

I do not know if the accused was drinking. I went to the cafe at 2000 hrs. I had about 3 half pint glasses of Belgian beer. As far as I could see the woman was not objecting to the accused having his arm around her. The child was not crying or showing distress. I do not know who owned the rifle I assumed that the rifle belonged to the accused that was the reason I removed it. The accused did not show any signes of drunkenness. I did not give him his rifle when he went outside the cafe because I did not take him outside the cafe. I was the senior soldier present. I did not take charge because the accused was removed from the Cafe and showed no resistance whatever and there was no damage or further trouble so I did not have to take charge. I did not give the soldier his rifle because I had not examined his rifle. We did not Hi-jack the accused out of the cafe.

By Court

I did not go outside the cafe. The rifle along with the trousers and jacket were handed to the C.M.P.

Third Witness 288820 Sgt Chapman J.W., sworn, states:

I recall the 27th May 45. I recognize the accused. At 2230 hours I was in the Cafe Molenstun in Edegem. I went into the Cafe with some men of our unit, and there were several in the Cafe at the time. Dvr Titley and Dvr Tauton went upstairs and came down again with a Canadian Soldier the accused. Sgt Thurwood came down after with a rifle. I saw the accused outside the Cafe when I looked out the door. That was the last time that I saw the accused. Dvr Titley and Dvr Tawton came back into the cafe. As Tawton put his hand to the door at the back of the Cafe I noticed that there was blood on his hand. I followed him upstairs and laid Tawton on the bed. I removed his trousers and found that he had been stabbed in the right side of the scrotum. The wound was about 2½ to 3 inches long. The wound was on the side starting at the top and crossing the bottom towards the left. A civilian Doctor was sent for. I don't know his name. It was dark outside but light from the door lit up the pavement in immediate vicinity. I did not speak to the accused.

By Def

We kept the rifle because we thought that there might be some trouble. When you see a chap being taken out of a Cafe you don't want any arms around. The accused did not look as if he would cause trouble. I did not know that he had been living in that Cafe off and on. He walked out of the cafe quite readily enough. I only saw the three together outside talking. I did not see any fight.

By Court

They were upstairs about 3 minutes. They were outside about 2 or 3 minutes. I did not see any fight going on, they were only talking.

First Witness 262453 Dvr Tawton A.E., sworn, states:

"I recall Sunday evening 27th March 45. I was in a Cafe in Edegern with Dvr Titley. That evening we went to this Cafe and went up to a room in which the accused was. (Accused identified). The room was upstairs in the Cafe. I saw a women in bed and a child. The accused was sitting on the bed. Dvr Titley and Sgt Thumwood was in the room with me. We Titley and I asked the accused to leave and he refused. We asked him again and he refused again. We then took him, one on either side, outside. After we got him outside we asked him to leave the vicinity of the cafe and he refused. We started walking away with him. We had him by the arms. We broke free and turned to face us. I thought he spoke but am not sure and then I felt a blow in the lower part of my body. The accused turned and ran away. I saw his hand come towards me. I started to run after him and had to stop because of the pain. I put my hands to my groin and felt a wound to the right of the scrotum. I then turned and walked back towards the cafe. I was helped upstairs by Dvr Titley and there laid on a couch, awaiting the doctor. The doctor then came and dressed my wound. I never carry a knife. There is none in my pocket. I did not see a knife in the hands of the accused.

Cross Examination by Def

I would say that the accused was drinking I had two glasses of beer, along with Titley. I had never seen him in that room where I found the accused before.

By A D J A

There were only three of us together outside. Titley was alongside of me. No one else was close enough to strike a blow.

By Court

I had never seen the accused before. It was 2245 hours and dark. When we were taking the accused down stairs he hung back but then went on as if he was going to go along willingly. There was no fight or scuffle prior to the time we went outside. I was in Hosp 34 days. The wound is still open about ¼ in. I was discharged yesterday at 1400 hrs. The accused is sworn

I am 22 years old. I enlisted on 13th March 42 at Kirkland Lake Ont coming overseas Dec 18th 42. I arrived in France on D Day with Sherbrook Fus. I served with them continuously until Nov 28th. The unit was then at Breda when I was wounded in the head. I went back to the unit on 6 jan 45. I served with the unit until 12 March 45. We got as far as Wessel on the Rhine. I am willing to continue in the army. I have not had a chance as yet to volunteer. If I can I should like to go to the South Pacific. The reason that I went A.W.L. was that my nerves were getting bad and my eyes bleery.

R P 83 (b) complied with.

Plea in Mitigation Ex "E" "GBC"

The Court has found the accused guilty of two offences, but justice involves also mercy for a boy whose nerves got the better of him after a long long period of service under fire. Remember that he landed on D-day on the beaches of Normandy and that he served continuously while his unit - the Sherbrooke Fusiliers, fought its way accross France and Belgium and into Holland. Near Breda his service was broken, but in the most honourable way possible. He was taken to hospital with wounds in the head. When able to return to his unit he did so, and fought with the unit to the banks of the Rhine at Wessel. His unit had been withdrawn for regrouping at the time he went absent. Please remember thathe has only public school education, that he dnlisted at 19, that his conduct sheet is good up to now in spite of three years service. He has told us of his head wounds, of his nerves cracking under shell fire, and of his eyes getting blurred. Under these conditions he "beat it" to get away from all this. While AWL he was rather unfortunately handled by three English soldiers, and committed a second offence. It may have been the head wounds, maybe, just battle nerves.
He wants to volunteer for the far east force, but has not had a chance yet to do so. He realized the errors he has committed hopes to redeem himself as a soldier, and get back to the Sherman Tanks with which he served so long and well.

Remarks by J A on submission of Def Officer D 4 of Proceedings.

Court does not now decide innocence or guilt. Only questions for court is: Is there any evidence which points to guilt of accused on which court may (not necessarily will) find accused guilty of charge. If there is such evidence then court should disallow submission. If court decides there is no such evidence then court should allow submission and find accused not guilty of that charge.

"R P Milligan" Capt

J A

Pros Summing up

"GBC"

1st Charge - Facts proven by documentary evidence.

2nd Charge - No attempt to site law as JA will do this. Facts disclose that acc & 2 men Tawton & Titley were outside cafe. That Acc struck Tawton in area of lower part of body. Tawton felt pain but thought it was merely caused by blow - tried to run and on feeling his groin found his scrotum cut & bleeding. Only answer is that acc must have caused it. Medical evidence sets out that it was a bad wound. Even though acc may have been brought out of cafe by illegal force, his action can't be considered as justified as it was apparent far more force was used by him than would have be en required to repel Tawton & Titley. Why did he run away. Support accused by his failure to return to cafe after this incident indicates guilty knowledge. The accused is in my opinion guilty of this charge.

Submission by Defending Officer

1. With respect to the first charge no submission is being made.

2. With respect to the second charge it is submitted that the accused was so drunk as to be unable to have the intention necessary for the offence charged. The prosecution witnesses establish that he had been drinking, and he has himself swornboth as to the drinking and the "black-out" condition which resulted.

3. It is also submitted that there was great provocation for an assault. The accused was paying a visit to a woman he knew, in her bedroom which he had visited before. He was causing her no concern and she had not asked him to go. Three English soldiers ejected him by what I submit was an unlawful act of violence. Not much force was used but it was available if the accused resisted too much. They took his weapon from him, took him outside, and then proceeded to take him someplace else. Then he did resist, possibly with unnecessary means, but he undoubtedly had the right to resist. They were two - formerly three - to one against him. In the scuffle, a soldier was hurt, we're not sure how. If the accused had not been in a stupor, we might to- day have discovered that it was self-defence. Whether it was self- defence or not, the provocation of the unlawful abduction certainly exists.

4. If the accused is found guilty of an offence, it should be one much less serious that that alleged in the charge sheet.

"D B MacKenzie" Capt

Pros states that his case is complete "GBC"

Def: Submits that prima facie case in the second charge has not been made.

The accused elects to give evidence on oath, sworn, states:

"I spent most of my time while AWL around the Cafe Molenstun, Edegern. I stayed there over night. I stayed nearly every night there. I stayed in a small room downstairs. I had some equipment there, including battle dress, shaving kit, socks, and a rifle. My shaving kit was left in the wash room and rifle and clothing in the small room where I slept. Julia was my special friend at the cafe. I was upstairs 5 or 6 times as I sometimes slept up there with Julia. I remember Sunday 27th May 45. I remember drinking in Cafes and I went to the Cafe Molenstun at about 1100 hrs. I don't remember having but I remember being in another cafe drinking at about 1900 or 2000 hrs. I am not certain if I saw Julia that day but think that I saw ~~that~~ her that morning. I remember that someone had told me during the afternoon that she was sick in bed. The last thing that I remember that day was drinking in a Cafe across the street from the Cafe Molenstun.

By Pros

Julias Mother did not object to me being there and no one else seemed to object. Sometimes I paid for my board. Sometimes I paid 100 francs. I cant say how much I ~~paid~~ money I spent while AWL. I had 3000 frs when I went AWL. It was drawn from my paybook, in December. I went AWL from someplace on the border of Germany and Holland. The unit was not in action at the time. I had saved up my money. The paymaster paid me 2000 francs and sometimes 1000. I only paid Julia about twice. I dont think that I hit Dvr Tawton. If I had hit him I would have hit him with my hands. I dont know how I got the cut on my thumb. I carry a small knife in a leather case. I also carried a nail file. I did not carry a razor. As far as I could see it was just a skin cut on my right thumb but there was some blood on my hands. I don't think that it was there the night before. I dont know where I spent the night but I woke up in a park in Antwerp. I did not return to Julias that day nor since I was in Antwerp. I shaved in a barber shop. I stayed in the Max Hotel. paying 35 frs. I ate in the Y.M.C.A. I don't think that I was afraid to go back to Julia's.

By A.D.J.A.

I don't remember being taken out of the cafe. I didn't remember ~~anyxxi~~ anything until the following morning when I woke at 0600 hrs inst., as it was raining.

By Court

I don't remember Tawton at all. I don't remember how much I had to drink that day but I had been drinking pretty steady. I spent my money in other cafes because I just liked to go around talking to people.

Fourth Witness Julia Elisabeth Anthoni, sworn, states:

I recognize Ronny. (The accused is identified). I recall 27th May 45. I was sick in bed that day. I saw the accused at 2245 hours that day. I saw him in my room. He was sitting on the side of my bed. He spoke to me. I did not speak to him. Three or four English soldiers took him away. I dont know why they took him away. I did not ask them to take him away. I saw the English soldiers again when one of the soldiers was wounded. I saw them when they brought the wounded soldier upstairs. I did not see the wound. The wounded soldier was in my room. I could see that he was wounded. A doctor came. his name is Dr VOUGHT. I did not see what he did. I dont know the wounded sddiers name nor had I seen him before.

By Def

The accused called me Julia and I call him Ronny. He came into the Cafe many many times. He did not have his rifle there most of the time. He did not stay in the rooms over the cafe at night. Only sometimes when he was drunk he slept on the sofa or chair. The sofa is in the little room downstairs. There is none of his kit or clothing at the cafe. He came after during the daytime. He did not tell me why he was not at work. He was only a customer the same as the other ones. It did not bother me when he came into my room that night. It did not bother the child either. I don't know if he had his arm around me, he was sitting quietly on the bed. He had been drinking. I did not ask him to leave. He did not object to leaving but asked why.

By Court

The accused had not been up to my room before. No one, other than the soldiers, asked him to leave. He was only in my room one minute. I did not invite the accused into my room. I don't know why he was in my room he just walked in. He asked me if I was sick. I cannot think of any reason why he would ask if I was sick.

Fifth Witness Dr Fr. De VOOGT, sworn, states,

"I hold the degree of Medical Doctor. I got in in Lauvain University in 1938. I practice medicine now. I recall the 27 May 45. I was called to Molenstuns Cafe at about 2245 hrs or a little later, more like midnight. I saw soldiers and the mother and the last witness. A soldier and a civilian called me to go over. I saw soldiers in the cafe and one upstairs He was injured in a bed. I examined him. He was wounded in the scrotum 10 centemeters long and one centemeter deep. I closed the wound by using clipps and used an antiseptic. I dont know if the wound was one minute or one hour old. It was a cut wound. His clothes were all torn in the place of the wound. I have seen that soldier todsy I dont know his name. I think it was caused by a knife or could he caused by a piece of glass.

By A D J A

A nerve might have been touched and an artery. I could not examine him very closely. So I could not say if it was a serious wound.

and while Sgt Chapman and I were inspecting the rifle Dvr Titley re-entered the Cafe supporting Dvr Tawnton who was bleeding badly from between the legs. He was taken upstairs and I went outside the cafe to look for the accused: After having been away some 20 minutes I returned to the cafe and found that Dvr Tawton was being attended to and I returned to billets. There was no conversation while I was in the bedroom by the accused or the woman. The woman is the daughter of the Cafe owner. She is here today.

Cross Examination by Def

I do not know if the accused was drinking. I went to the cafe at 2000 hrs. I had about 3 half pint glasses of Belgian beer. As far as I could see the woman was not objecting to the accused having his arm around her. The child was not crying or showing distress. I do not know who owned the rifle I assumed that the rifle belonged to the accused that was the reason I removed it. The accused did not show any signes of drunkenness. I did not give him his rifle when he went outside the cafe because I did not take him outside the cafe. I was the senior soldier present. I did not take charge because the accused was removed from the Cafe and showed no resistance whatever and there was no damage or further trouble so I did not have to take charge. I did not give the soldier his rifle because I had not examined his rifle. We did not Hi-jack the accused out of the cafe.

By Court

I did not go outside the cafe. The rifle along with the trousers and jacket were handed to the C.M.P.

Third Witness 288820 Sgt Chapman J.W., sworn, states:

I recall the 27th May 45. I recognize the accused. At 2230 hours I was in the Cafe Molenstun in Edegem. I went into the Cafe with some men of our unit, and there were several in the Cafe at the time. Dvr Titley and Dvr Tauton went upstairs and came down again with a Canadian Soldier the accused. Sgt Thumwood came down after with a rifle. I saw the accused outside the Cafe when I looked out the door. That was the last time that I saw the accused. Dvr Titley and Dvr Tawton came back into the cafe. As Tawton put his hand to the door at the back of the Cafe I noticed that there was blood on his hand. I followed him upstairs and laid Tawton on the bed. I removed his trousers and found that he had been stabbed in the right side of the scrotum. The wound was about 2½ to 3 inches long. The wound was on the side starting at the top and crossing the bottom towards the left. A civilian Doctor was sent for. I don't know his name. It was dark outside but light from the door lit up the pavement in immediate vicinity. I did not speak to the accused.

By Def

We kept the rifle because we thought that there might be some trouble. When you see a chap being taken out of a Cafe you don't want any arms around. The accused did not look as if he would cause trouble. I did not know that he had been living in that Cafe off and on. He walked out of the cafe quite readily enough. I only saw the three together outside talking. I did not see any fight.

By Court

They were upstairs about 3 minutes. They were outside about 2 or 3 minutes. I did not see any fight going on, they were only talking.

Certificate of Arrest showing arrest at 0100 31 May 45 marked Exhibit "B"

First Witness 262453 Dvr Tawton A.E., sworn, states:

"I recall Sunday evening 27th March 45. I was in a Cafe in Edegern with Dvr Titley. That evening we went to this Cafe and went up to a room in which the accused was. (Accused identified). The room was upstairs in the Cafe. I saw a women in bed and a child. The accused was sitting on the bed. Dvr Titley and Sgt Thumwood was in the room with me. We Titley and I asked the accused to leave and he refused. We asked him again and he refused again. We then took him, one on either side, outside. After we got him outside we asked him to leave the vicinity of the cafe and he refused. We started walking away with him. We had him by the arms. He broke free and turned to face us. I thought he spoke but am not sure and then I felt a blow in the lower part of my body. The accused turned and ran away. I saw his hand come towards me. I started to run after him and had to stop because of the pain. I put my hands to my groin and felt a wound to the right of the scrotum. I then turned and walked back towards the cafe. I was helped upstairs by Dvr Titley and there laid on a couch, awaiting the doctor. The doctor then came and dressed my wound. I never carry a knife. There is none in my pocket. I did not see a knife in the hands of the accused.

Cross Examination by Def

I would say that the accused was drinking I had two glasses of beer, along with Titley. I had never seen him in that room where I found the accused before.

By A D J A

There were only three of us together outside. Titley was alongside of me. No one else was close enough to strike a blow.

By Court

I had never seen the accused before. It was 2245 hours and dark. When we were taking the accused down stairs he hung back but then went on as if he was going to go along willingly. There was no fight or scuffle prior to the time we went outside. I was in Hosp 34 days. The wound is still open about ¾ in. I was discharged yesterday at 1400 hrs. I was wounded in the scrotum on the right side.

TRANSCRIPT OF EVIDENCE IN THE TRIAL BY FGCM OF C-11750 PTE (A/CPL) DILLEN, G W, 6 CDN INF BDE COY, RCASC, HELD ON 22 DEC 44.

First Witness for the Prosecution, 7691998 L/Cpl Wright, A H, 244 HQ Pro Coy, CMP (Br), being duly sworn is examined by the prosecutor.

Q.1 - Will you give the Court your number, rank, name and unit?
A.1 - Yes, sir, 7691998 L/Cpl Wright, A H, 244 HQ Coy, CMP.
Q.2 - On 22 Nov 44 were you on duty?
A.2 - Yes, sir.
Q.3 - Where?
A.3 - At Coy HQ, sir.
Q.4 - Was there any happening that night that stays in your mind?
A.4 - Yes, sir.
Q.5 - Will you tell the Court about it in your own words?
A.5 - Upon receiving a message concerning an accident to 2 WD vehicles - from the civil police - I went down there to investigate. I went to the civil police station at Hoboken, in Antwerp, to find out the location of the accident. When I arrived on the scene I saw two WD vehicles parked on the footpath at the side of the road. There were civilians there and a civil policeman. I saw a civilian girl on the opposite side of the road who was injured and I took her to the civil hospital. I returned to the scene of the accident and took the particulars of the drivers concerned.
Q.6 - I show you this paper, are these the particulars you took? Is that your signature?
A.6 - Yes, and that is my signature.
Q.7 - Did you put these particulars into the report you made?
A.7 - Yes, on my return from the civil hospital with the civilian girl I took the particulars of the two drivers and asked them if they wanted to make statements. They did. I took them down.

JA

Q.8 - Did you give any warning when you asked about the statements?

Q.34 - What was the visibility?
A.34 - It was foggy, sir.
Q.35 - You know civilians are not allowed to ride in military vehicles?
A.35 - Yes, sir.

In the opinion of the Court and JA it is not necessary to comply with RP 83(B).

The witness withdraws.

D-4

The Defending Officer makes the following motion.

The first witness is unable to identify the accused. The second witness says the accused was driving the vehicle in the proper manner. The accused had nothing to do with the girl in the cab and was interested only in properly operating his vehicle. You are all familiar with the inside of a 3-tonner. It is almost impossible for a third person to sit between the driver and spare driver. You have also heard evidence that the driver was proceeding at 20 miles an hour and there were no lights on the vehicle he struck. In view of this I submit the prosecution has failed to prove its case and has produced no evidence to support this charge of negligent driving in this case.

The Prosecutor declines to reply to the Defending Officer's motion

E-3

The Defending Officer makes the following plea in mitigation.

Cpl Dillen enlisted in Jan 40 and was subsequenrly,drafter Overseas one month later, in Feb 40. Apart from one or two minor infractions of the Army Act he has since proven himself a good soldier and a good NCO. While he followed the rules, the mistake he made in carrying these civilians was done on the spur of the moment and it was a gesture of friendliness towards Belgian civilians rather than any effort with intention of offending against the Army Act. There was no intention. He stopped to inquire the way. And these people said we can show you and are going that way if you can take us. So he said alright jump in. He merely followed the line of least resistance. It was not like taking a civilian friend one journey, knowing what he was doing was wrong. There was no intent in this case. In view of these facts I submit an earnest plea in mitigation of sentence.

The accused having been duly cautioned in accordance with R.P. 4(e) says. I want to make a statement,on Oath. Accused duly sworn states In the evidence of L/Cpl Wright that was read to me he states that I told him that I did not know that there were any civilians in the back of the lorry,this I deny.I did state to him that I had picked them up,coming back from old unit lines Hoboken.I had been there to pick up a stray lorry which had been lost in route frompresent unit lines to Antwerp.I had given instructions to all drivers, that if they became los ton route they were to report to the old unit lines at Hoboken,and there I would pick them up and direct them to 167 D.I.D. That is why I was in Hoboken at that time of night.I had stopped in the old unit lines for over an hour and as the lost lorry did not show up I was returning to 167 D.I.D. I was driving C.L.4264494 as the driver was tired and we had no spare drivers. As far as the accident it was caused because the vehicle I ran into was stationary and did not have any rear lights or any traffic control the driver was sitting in the cab. After the smash I checked the rear lights of the other vehicle and found that the switch inside the cab was on but the one under the tail gate was off and when I switched the latter on the tail lights went on.

First Witness for the Prosecution. H-65085 Pte.Lyndon,W.G. 6 Cdn Inf Bde Coy RCASC. having been duly sworn states. On 22 Nov 44 at approx 2215 while riding in lorry # C.L.-4264494 which was driven by Cpl.Dillen We were in Hoboken and just near the railway tracks we stopped and asked some civilians for the direction to the coal depot. They told us that they where going that way and said that they would show us the way. We gave them a lift. One girl got in the cab (the front seat) with Cpl Dillen and myself. One girl, one man,and his son got in the back of the lorry. We then drove off. On our way we ran into the back of a Cdn Lorry that was parked on the side of the road. I saw the lorry just before we hit but I am certain that there were no lights on it and in my opinion Cpl Dillen had no chance to avoid the accident. The girl in the front seat with Cpl Dillen and myself was injured in the accident her face was cut. The man in the back had a slight cut on his head but the girl and the boy were not hurt at all.

Memorandum

F.G.C.M. - 29 Jan 42
C.19549 Gnr Dillon, S.A.
4 Cdn Fd Regt., R.C.A.

Irregularities

1. Sentence not dated - Green Book 59B.

2. Christian names of accused do not appear - R.P.12 and N.M.L.714.

3. Unauthorized abreviations are used in recording pleas.

4. Endorsement on the charge sheet, the convening order, etc., signed "for" Convening Officer contrary to R.P.105, footnote 2.

5. Medical certificates and other exhibits not signed by President - N.M.L.769, para 25.

6. Offences in the charge sheet allegedly committed 4 Dec 41. Charge sheet signed 27 Dec 41, endorsed by Convening Officer 24 Jan 42 and trial 29 Jan 42. No reason appears for delay.

7. Charge sheet not signed by unit C.O. - R.P.11.

8. On application by the Defending Officer under R.P.62(E) charges were tried separately. The Court in complying evidently did not note R.P.62(F). As a result trial proceeded on the first charge to which the plea was "Guilty", contrary to R.P.37(B) and (C). As this involved reading the Summary of Evidence, the accused was thereby prejudiced.

9. A.F.B.296 and M.F.M.6 were produced but not on oath and not properly certified - A.A.163(h) and footnote 1. This also was prejudicial to the accused on subsequent trial of the second charge.

10. Trial on the second charge then proceeded. The second witness identified certain stolen articles which the transcript describes as exhibits "P.2 and P.3". According to the record those exhibits are A.F.B.296 and M.F.M.6.

11. A.F.B.296 and M.F.M.6 were again produced, but not on oath and not properly certified - A.A.163(h) and footnote 1. Having once been in the custody of the Court on the first charge, the Prosecutor could not file them again as stated.

12. A great deal of hearsay was admitted by the Court in trial of the second charge and in the Summary of Evidence on the first charge, but both are sufficiently proven by admissible evidence.

13. Although some of the above irregularities are serious, it is not considered that any prejudice suffered by the accused was sufficient to warrant quashing.

14. Passed.

15. Return for recording please.

6. Prosecution Evidence

The first witness No. Thomas Upton, Police War Reserve, of Eastbrough Laundry, Rye, Sussex being duly sworn stated.

On the night of December 4 I saw Dr Hartley at 1030. As a result of a conversation I had with him I went into a military toilet and found 3 articles which were missing from Dr Hartley's car. I identify the two articles now produced as two of them. The articles produced being an anaesthetic mask and a mouth gag. Two soldiers were in the room. Gnr Dillon whom I recognize as the accused and Gnr Brown. I questioned Gnr Dillon but he was too drunk under the influence of drink to give intelligent answers. Dr Hartley identified possession of the articles

Cross-Examined by Defending Officer

There were other people in the toilets but not in that room. I understood from Dr Hartley that articles were missing from the car. We searched the toilets and found them. There is no reason to connect Dillon rather than Brown with the articles except that Brown assisted in search. Gnr Dillon was drunk. They were both drunk.

Re-examined by Prosecutor

Brown was not as drunk as Dillon as he could help search and did his best to find missing articles.

The Second Witness No D114798 Gnr Brown. E. 4 Coln Fd Regt being duly sworn stated.

I remember the night of Dec 4 1941. I left Railway Pub with Gnr Dillon whom I identify as the accused. We passed near a car at which he stopped. When he arrived at our room he had a satchel. He unpacked the satchel and put some things on the mantelpiece. I identify the two articles shown to me (exhibits P2 and P3) as being articles taken out of the satchel by Gnr Dillon.

Cross-Examined by Defending Officer

I first saw Dillon when they came home at 0230 hrs and asked him to have a drink of a

When I came out of the lavatory, Brown and Bellin were both upstairs. I don't know whether they came in together.

Questioned by Court.

This happened around 10 o'clock in the morning.

The accused duly warned elected to give evidence on oath, was duly sworn and stated.

On the night of Dec 4 1941, Gnr Brown and I were in a pub drinking. I don't remember how much I drank. I don't recall any trouble with other soldiers. I don't remember coming home from the pub. I first heard of the ~~[illegible]~~ of medical appliances the following afternoon. Next morning I was taken to Brigade. I knew nothing of the matter and I was very surprised. I can think of no reason why I would want to take the articles. As far as I am concerned I don't know who took them. I had started drinking about pub-closing on the afternoon of Dec 4.

Cross-examined by prosecutor.

I had drunk half a bottle of wine before 5.15 that afternoon. Walker had the other half. I then had another bottle which I split with Gnr Brown. We finished this a short time before going to the pub. I remember drinking in the pub but that is all.

in the case of
C19549 Gnr Dillon S.A., 2nd (Ottawa) Fd Bty, 4th Can Fd Regt R.C.A. 1st charge, Sec 41(5) A.A.

Taken by Capt A.J. Hicks, 2nd (Ottawa) Fd Bty, 4th Can Fd Regt, R.C.A., as directed by the C.O., 4th Can Fd Regt, R.C.A. in pursuance of provisions of D.R.O. No 772, Appx A.

No 1

C19549 Gnr Dillon, S.A., having been duly warned by Capt A.J. Hicks states under oath:

About five o'clock in the afternoon of Thursday 4th Dec 41 Gnr Wallis and I were standing at the door of our billet next to 77 High St, Rye and we noticed a wine truck with liquor in it drawn up in front. Wallis walked over to the truck, looked in it and came back. He said "It's only beer", and then he looked again and said, "No it's wine". He grabbed a bottle and handed it to me. I went upstairs with it and hid it in the coal bin. He came after me with another bottle and hid it in the coal bin. We

came downstairs and went out the back way through the archway into the street ~~that runs~~ off off High St, then on to High St. Walles went back into 97 High St and I went into Forgi's Tea Shop. From there I went down to the M.T. garage on Cinque Ports St. Walles came down there after a while. I left the garage and went to the billet. I told Gnr Brown S. I had a bottle of wine and asked him if he would like a drink. He said "Yes." We had a cup apiece. I phoned Walles at the garage and asked him what he was going to do with the other bottle of wine. He said "Bring it down to the garage." I brought it to him. He took it into the garage and I don't know what he did with it. I went up to the house and then Brown and I went into the Railway Hotel. We stayed in drink there. I was questioned about the wine by a detective the next day.

No 2.

C18533 Pte Walter M.L. having been duly warned by Capt A.S. Hicks states on oath:

I had been drinking on Thursday, 4 Dec'ber. At about 1730 hours Pte Billon and I were standing together in the doorway of our quarters next to 97 High St. when we saw a wine lorry parked out in front. The driver and his assistant came out of the store at 97 High St. He said to the assistant, "Don't miss the fall with the empty ones". They walked down the street to another liquor store about four doors down. Billon and I each reached out and took a bottle of wine. We went upstairs and put them under the steps. Billon went out and I went up to the third floor to get my greatcoat. When I got back downstairs Mrs Schofield came in and said, ~~Billon is stealing the scoundrel just stole two bottles of wine from the wine lorry~~ something. I continued downstairs and went to the M.T. garage on Cinque Ports St. I met Billon there and told him what Mrs Schofield had said. He went back to our quarters on High St. I went out to the street and was talking to two girls. I think I

phoned Billon; yes I guess I must have before I went out to the street. He came up and handed me a bottle of wine; then he went away. I placed the bottle in the front of a 30 cwt truck in the garage and went back out to talk to the girls. About 20.00 hrs that evening I walked past the truck, reached in to get the wine and it was gone. I heard nothing more about it until I was questioned by the detectives the following night.

No 3.

D114798 Gnr Brown, E. states:

I was given a drink of wine on Thursday evening 4 Dec. '41 at about 1800 hours. Gnr Billon gave it to me. After that we went to a few taverns. Later on that night I asked him where he got the wine. He said "I didn't take the wine, Waller took it and gave me one bottle, keeping another bottle for himself."

H. J. Dicks, Capt.
2nd (Ottawa) Fd Bty RCA

Witness: Mr. Charles Henry Ruffle of the town of Eastbourne in the county of Sussex states:

"I am 47 years of age, married and lieve at No. 154 Whitley Road, Eastbourne, my occupation being that of a lorry driver.

I am employed by Messrs. Spain & Albury Limited, Wine and Spirit Merchants, whose registered Office is at No. 36 Waterloo Street, Brighton. (Secretary Mr. E.W. Peacock).

About 5:15 p.m. Thursday 4th December, 1941, I stopped my lorry outside Venalls, High Street, Rye. On getting out of the driver's cabin, I noticed two soldiers standing on the pavement close to the shop window. I unloaded and took into the premises part of the order, and on returning to the lorry noticed that two bottles of Robertson's Old Ruby Port were missing from the vehicle, also that the two soldiers were no longer in the vicinity.

On returning to Eastbourne, I immediately reported this matter at my head office, No. 29 Terminus Road, Eastbourne.

The value of the missing Port is £1 (One Pound), and I identify it as the property of my employers, Messrs. Spain & Albury Limited".

(Sgnd) C.H. Ruffle

Witness: Mr. Harry Oswald Schofield M.C., F.G.I. of the town of Rye in the county of Sussex states:

"I am a master grocer, with business premises at 97 High Street, Rye. At 5:15 p.m. on the 4th December 1941, Messrs Spain & Albury's, van, of Eastbourne, called at my shop, 27 High Street, Rye, to deliver cases of goods. Whilst the driver was unloading the vehicle, he left it unattended for a few moments. On returning, he found that two bottles of Robertson's Old Ruby Port, valued at 10/- per bottle, had been stolen from the vehicle. When the van called at my shop, I was putting the shutters up and I saw Gunner Dillon with another Gunner in the doorway leading to the army billet over my shop. The door is at the side of the shop. These two soldiers were both sober. When the bottles of port were found missing, these two soldiers were not in sight. I went up in the billets at 97 High Street, Rye, but I could not find Dillon or the other soldier. I told the driver that I would report the facts to the police."

(sgnd) H.O. Schofield

Witness: Thomas Upton P.W.R. No. 422 of the town of Rye in the county of Sussex states:-

I beg to report that at 10;30 p.m. on the 4th of December, 1941, I was on duty in High Street, Rye, where I saw Doctor HARTLEY of the "Holloway House", High Street, Rye. He informed me that some soldiers had interfered with some of his instruments which were in his car, and that some parts of an outfit for administering an anaesthetic were missing, and that he suspected two soldiers who were billeted over Mr. Schofield's shop, at 97 High Street, Rye.

I went to this billet accompanied by Doctor HARTLEY, where we saw two drunken soldiers, whom I had previously seen being ejected from the Railway Hotel, Rye, by Military Police.

I questioned these men, but they were to much under the influence of drink to give inteligent answers.

I searched the room and found an anaesthetic mask, mouth gag and note book. These were the missing articles.

Doctor HARTLEY took possession of these, as they were his property.

At Manchester on 30 Jun 45 at approx 2359 hours in Gardner's Restaurant, Piccadilly, while on duty with Cpl Ames I approached Cpl Dimanizio and asked him to let me see his pass. He replied "No, let me see your pass first." I then again asked to see his pass and he replied again with the same words. I then asked him to come with me. He came with me towards the door to where Cpl Ames was at the time. Cpl Ames asked what was going on and he said "Fuck off, you Canadian bastards," and at the same time took a swing at me. I grabbed him and took him out to the door where he braced himself and refused to go any further. While we were taking him through the door he struck me on the side of the head. We took him outside where he continued to struggle. We all three fell down to the pavement where he was eventually overpowered and handcuffed. He then refused to enter the truck and had to be lifted in. Once we got him in the truck he gave us no further trouble. We took him to the Ardwick [illegible]

Guardroom, and turned him over to the Guard Commander. At the time of this incident escorted Cpl. Dimaunigis was sober.

the conversation between L/Cpl Melnyk

seemed to be having trouble. I went

Dimaurizio had his tunic off and tucked

two N.C.O's and asked what the
trouble was. L/Cpl. Melnyk stated "His

man will not show me his leave pass or Pay book." I then ordered Cpl. Dimaniyio to produce his pass and pay book and to put on his tunic, to which he replied "Fuck you cease fire bastards, I'm not going to do anything for you." I then placed Cpl. Dimaniyio under arrest and while he was being escorted from the restaurant he became violent. He shoved L/Cpl. Mulingi on the side of the head with his fist. Then I took hold of him by the right arm and tried to get him out the door. He then braced his feet and his arms against the sides of the door and we had to use force to remove him from the premises. After getting outside he was still violent and then I had to put handcuffs on him. While trying to get the handcuffs on the three of us fell to the pavement where we forcibly restrained Cpl. Dimaniyio and prevented any further violence. We then escorted him to our lorry on a short distance away and when we got to the lorry he would not get onto it. We then lifted Cpl Dimaniyio bodily and put him in the truck and escorted him to the Admiral Keen Guardroom where he was handed over to the R.C.O. & I left to be detained. At the time I left Cpl Dimaniyio was sober.

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. Plea of Mitigation - D-122739 Cpl DiMAURIZIO, J.A.

May it please the court:

We have here a case of a man who has pleaded guilty for two distinct reasons. First and foremost is the reason that the events of the night of 20 JUN 45, which resulted in his facing this court to-day, are a complete haze in his mind. He has no distinct recollection of what actually happened and thus is forced to accept the sworn testimony of two members of the Can Provost Corps. Secondly, his own two witnesses, for some unknown reason, have been allowed to return to Canada. Under a plea of not guilty, he would be allowed to have these witnesses present, under Chap X sec 27 of AWL. As he knows the hardship this would cause these men to be suddenly recalled from leave with their families, whom they have not seen for years, he has decided to rest his case on the evidence presented and the clemency of the court.

I should like to bring to the Court's attention a few facts in this case. Cpl DiMaurizio enlisted in the Army on June 30, 1941. He proceeded o/s on the 7 Oct 42 and went with his unit to the continent on 26 JUN 44. He has been on the continent through all the horrors and privations of that campaign until being returned to the UK on the 23 of last month. He returned for a very good reason. He had volunteered for the CFEF to fight the Japs in the Pacific theatre. Returning to England he was given his last leave in the UK. Naturally in view of all the circumstances he was out to have a good time and who deserved it more? Talking in with two chums they all started to drink and drank steadily from 1900 hrs to 2200 hrs, a matter of three hours. Under oath, Pte Rydall states that during this time they consumed at least 1 doz half pints of a mixture of beer called "Young Tom".

Gentlemen, also under oath two members of the Can Provost Corps stated that at the time of his arrest this soldier was sober. There is no doubt in my mind and cannot, in view of the circumstances, be any doubt in yours that this soldier was not sober. He himself is hazy as to what occurred, yet he is pronounced sober by his apprehenders. Are they competent to make such profound statements on sobriety?

Having been duly arrested, the Cpl was placed in the guard house until 4 JUL 45, 19 days ago, when a Summary of Evidence was taken. On 21 JUN 45 Cpl DiMaurizio was given an officer to defend him, after he had spent 17 days after the necessary awaiting his Defending Officer. Any hopes that he had of

finding witnesses of his own to the occurrence were of course
dashed after this length of time had been allowed to elapse.

As to his past conduct as recorded on his AF B 6, the
court will note that in 2½ yrs this soldier has only two entries,
both being charges under Sec 40 of the A.A. For one charge he was
awarded 14 days F.P. and for the other a mere reprimand. No entries
of drunkenness are recorded. To all intents and purposes we have
here a soldier who has served well and faithfully in his line
of duty and has only two very minor charges on his crime sheet. I am
sorry that I am unable to bring to this court a witness as to
the character of this man. Any such witnesses are still on the
continent and unable to be summoned. If they were available, I am
sure their remarks would show that Cpl DeMarigo has been
a good and faithful servant.

In summing up may I say that this man is sorry for
any disturbance that he has made. Had he been sober, his actions
would have been quite different. He has been held in custody
for 23 days already without trial and in all this time his heart
has been to be with his pals who are going to the Far East. He wants
to help finish the job. His record is good. He has already suffered
most unduly for some unknown reason. He begs that the Court
take all this into consideration and give justice, tempered with their
mercy.

We stayed until closing time; approximately 2200 hrs. During the evening, we consumed at least one dozen half pint glasses of beer. When we left the hotel at closing time I was not entirely sober and Cpl Dimaurizio was in the same condition. We wandered around the streets and parted company at approximately 2330 hrs, 30 Jun 45. I do not know where the accused went after I left him.

SECOND WITNESS FOR THE PROSECUTION

B-136999 L/Cpl. Melnyk, J., No. 6 Detachment, No.6 (Area) Provost Coy., Cdn Provost Corps, having been duly sworn saith:-

At Manchester on 30 Jun 45 at approx 2359 hours in Gardener's Restaurant, Piccadilly, while on duty with Cpl. Ames, I approached Cpl. Dimaurizio and asked him to let me see his pass. He replied, "No, let me see your pass first". I then again asked to see his pass and he replied again with the same words. I then asked him to come with me. He came with me towards the door to where Cpl. Ames was at the time. Cpl.Ames asked what was going on and he said, "Fuck off, you cease fire bastards" and at the same time took a swing at me. We grabbed him and took him out to the door where he braced himself and refused to go any further. While we were taking him through the door he struck me on the side of the head. We took him outside when he continued to struggle. We all three fell down to the pavement when he was eventually overpowered and handcuffed. He then refused to enter the truck and had to be lifted in. Once we got him in the truck he gave us no further trouble. We took him to the Ardwick Green Guardroom, and turned him over to the Guard Commander. At the time this incident occurred Cpl. Dimaurizio was sober.

Statements of evidence under oath in the case of D-122739 Cpl. DIMAURIZIO, J.A., No.2 Cdn Repatriation Depot, Cdn Army Overseas.

FIRST WITNESS FOR THE PROSECUTION

F-50448 Cpl. Ames, F.M., No.6 Detachment, No.6 (Area) Provost Coy., Cdn Provost Corps, having been duly sworn saith:

At Manchester on 30 Jun 45 at about 2359 hours I was on duty in Gardener's Restaurant, Piccadilly, together with B-136999 L/Cpl. Melnyk. I saw L/Cpl. Melnyk check a Canadian Corporal for his leave pass. This Corporal who later proved to be D-122239 Cpl. DIMAURIZIO, J.A. of No. 2 Cdn Repat Depot, was sitting at a table with two American soldiers. I did not hear the conversation between L/Cpl. Melnyk and Cpl. Dimaurizio, but L/Cpl. Melnyk seemed to be having trouble. I went over to see what I could do to help L/Cpl.Melnyk and on the way over I checked a Canadian soldier for his pass. When I got finished checking the soldier, L/Cpl. Melnyk and Cpl. Dimaurizio were standing in the centre of the floor not far from the main entrance to the restaurant. Cpl. Dimaurizio had his tunic off and tucked under his arm. I approached the two N.C.O's and asked what the trouble was. L/Cpl.Melnyk stated, "This man will not show me his pass or Pay Book". I then ordered Cpl.Dimaurizio to produce his pass and pay book and to put on his tunic, to which he replied, "Fuck you cease fire bastards, I'm not going to do anything for you". I then placed Cpl. Dimaurizio under arrest and while he was being escorted from the restaurant he became violent. He struck L/Cpl. Melnyk on the side of the head with his fist. Then I took hold of him by the right arm and tried to get him out the door. He then braced his feet and his arms against the sides of the door and we had to use force to remove him from the premises. After getting outside he was still violent and then I had to put handcuffs on him. While trying to get the handcuffs on the three of us fell to the pavement where we finally overpowered Cpl. Dimaurizio and prevented any further violence. We then escorted him to our lorry a short distance away and when we got to the lorry he would not get into it. We then lifted Cpl. Dimaurizio bodily and set him in the truck and escorted him to the Ardwick Green Guardroom where he was handed over to the N.C.O.i/c of Cells to be detained. At the time of his arrest Cpl. Dimaurizio was sober.

Proceedings in the case of

K49784 Pte JAMES DIMETROF of the CALGARY HIGHLANDERS

CHARACTER WITNESS FOR THE DEFENCE.

K65729 Sgt Barstow C.A. having been duly sworn states:

" I am K65729 Sgt Barstow C.A. of 11 Bn CBRG,and I have known Pte Dimetrof for about 2½ years.
About two and a half years ago Pte Dimetrof came to my unit in Canada.He was placed in my Platoon and was subsequently made a Lance Corporal.During the time that I knew him which was about six months after that he carried out his duties well,and to my knowledge was never in any difficulties.
During the time that he was in my Coy at 11 Bn CBRG he carried out all his duties cheerfully and was no trouble to us in the Coy while he was there."

R.P. 83(b) has been complied with.

In mitigation, sir, I wish to say that Pte. Demeriot has a fine record up to the time of this lapse. He has also been wounded in action with his regiment, the Calgary Hig/Sanders. I want the court to bear these facts in mind in awarding sentence, and not be too severe with a man for his first mistake, especially as it was after the shock of action and being wounded. Give him a chance to return to carrying out his duties as a soldier at the front.

To President
F.G.C.M.

Sir. The accused received a letter from his woman friend a Mrs Stamp, 21 Stokeness Rd. Purley stating she was passed her ~~maternity~~ current monthly yield & that he was the culprit. She threatening to write his wife in Canada, whose address she knew, that if he did not help her she would tell all.

The accused applied for 48 hours leave, but was unable to get it and consequently went AWOL.

He procured from the local chemist pills to make said girl friend abort. This treatment was unsuccessful and when all was well returned to unit and gave himself up to Unit Guard Room.

The accused has been a good soldier in the field with 1st Corps Petrol Coy. W.S. but broke his wrist in pursuance of his duties. He is now C.1 Category and I would submit that if he went before Medical Board would probably be found of unsound mind. He has applied for a P.B.O.W.E and it is hoped on serving his sentence that he might be returned to Canada.

R. Prosecution: May it please the Court, I have no further evidence to call and I imagine the defence has no further witnesses so we can now deal with the 4th. Charge, so far as this is concerned, Rule of P. 35(B) must be complied with.

R.P. 35(B) complied with.

Prosecution: I would like to give the fact about the 4th. charge. The accused Dimock was in Close Arrest in connection with this case and on the 13th. of May he broke arrest and about 24 hours later gave himself up, so that we can say he actually returned within twenty four hours, but nevertheless he broke arrest.

Court. But he was absent more than six hours?
Pros. Yes about 24 hours.

The address by the defence dwelt on the fact that owing to the excessive drinking of the accused he did not know or at least did not remember what had happened until he woke up in the Police Station. Quoting M.M.L. 105 page, (6) and page 106 (9). The defence that on these grounds the 1st. and 2nd. charges should be dismissed. On the 3rd. charge it was claimed that the accused had been in arrest about two and half months awaiting this trial, and even then was away only a few hours and gave himself up. None of the charges were very serious and asked that they be dismissed.

The address of the Prosecution laid stress on the fact that drunkenness was no excuse for crime, and referred to the same M.M.L. page 106 (9). The Prosecution then went over the chain of events and declared that the accused had not told the truth in any way and asked that the maximum sentence be given.

The Court closed for the consideration of the findings.

The Court being re-opened the accused is again brought before it.

Captain Guy, Adjutant, Cdn. Cps. Pet. Park. having been duly sworn :-

Q.222 Have you any evidence to produce as to the character and particulars of service of the accused?

A.222 I produce M.F.M. 6 Conduct sheet of the accused and A.F.B. 296.

Q.223 Is the accused the person named in the statement which you have heard read?

A.223. Yes Sir.

Q.224. Have you compared the contents of the above statement with the regimental books?

A.224. Yes Sir.

Q.225. Are they true extracts from the regimental books, and is the statement of entries in the Conduct sheets a fair and true Summary of those entries?

A.225. Yes Sir.

Q.226. To Defence, Do you wish to cross-examine?

A.226. No Sir.

Sheet

Q.227. Dp you wish to address the Court?
A.227. Defence: In considering the sentence I would just like to point out to you that the accused has already been in arrest for two and half months, I have not seen his M.F.M.6, but I believe there are several minor charges on it and these charges are not particularly serious. I know it was wrong to take leave and to take the lorry without permission, but it is not as serious as if he had deserted his post etc. I am sure he has learned his lesson and would ask for your leniency.

Captain G.H. Guy, Adjutant of the Cdn Cps. Pet. pk.

Sir, I would just like to say on behalf of Dimock, that he is a hard worker, perhaps a little headstrong, but I can say that anything that we have asked him to do it has always been done willingly. There are several charges on his M.F.M. 6 but he has always been a good soldier.

The Court is closed for consideration of the sentence.

B1. The President ~~to S.C. absent~~, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(1. *RP 35 fn 3.* 2. *MML p 54 para 47.*)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement? Ans No Sir.(5)

(1. *Court may be closed to consider the statement. Delete whole or part not used.*)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records findings of Guilty in Part I of the Schedule.(1)
(1. *RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex A, initialled and read aloud by the President.(1)
(1. *If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).*)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

RECORD FORM C—PROCEEDINGS ON MIXED PLEAS OF GUILTY AND NOT GUILTY.

NB: If trial proceeds, accused must be allowed great latitude in making his defence, and the Court should not stop his defence solely on ground of irrelevance. (RP 60(C), 104, 115.)

D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

1. I enclose herewith proceedings of the marginally noted F.G.C.M.

2. In this case the Court has before it a soldier who had been in the Militia for three years before the war and who has been in the R.C.R. since the 30th of June, 1941. He was a caterer in the Officers' Mess. He had what his M.O. considered a slight injury to his big toe. He knew his unit was about to go overseas and was very anxious to go with it. In every medical institution to which he went, he apparently used his best efforts to be returned to his unit but without success. The following two occurrences stand out; first, Major McLeod of 1 CACRU wrote to Alton Convalescent Hospital asking that the accused be returned to his Unit. He was not returned. The accused stated that he had been told there that, if he could get such a letter, he would be returned. Second, the accused states that he was told at Hindhead Convalescent Depot that the C.O. was too busy to see him when he asked to be paraded to him. It is my opinion that these matters require investigation.

Note E-2

The accused states in mitigation:-

I have three years in the Militia here at home in Canada. ~~with the~~ When the R.C.E. mobilized I tried to join up. I have been over here two years. I have been employed in the Officers Mess for the past 2 years 3 months as a caterer to the officers running the bar and waiting in the dining room. I was moving a piano on the 7th Oct 43. The piano tipped and broke my big toe. I reported to the M.O. The M.O. said the bone of my toe was broken and I was sent to No 5 Convalescent Hosp. My M.O. said that I would return that evening. When I arrived at No 5 Convalescent Hosp. I had an X-ray taken of my toe. I reported to the M.O. at the hospital that my own M.O. had said that I would be able to return to my own unit that evening. He kept me there four days. I was sent out of No. 5 Convalescent Hosp to 14 Gen. Hosp. Two days later 14 Gen. Hosp. moved out. I paraded up to the 14 Gen. Hosp. requesting that I wished to be returned to 1 CAPV as I wanted to join my kit before it went abroad. They ~~and~~ said they couldn't do anything about it as they were moving out. I was sent from No 14 Gen. Hosp. to No. 12 Gen. Hosp. I was paraded before the O.C. of No. 12 Gen. Hosp in an effort to get back to my own unit ~~but~~ but to no avail. I was sent from No 12 Gen. Hosp. to Alton Convalescent Hosp. I paraded up before the O.C. of Alton Con Convalescent Hosp. in an effort to get back to 1 CAPV. They said I had to go to Headhead Convalescent Depot and that I had to get an officer

from 1 C.A.C.R.V. to claim me. I wrote to Major McLeod that I wanted to get back to No. 1 C.A.C.R.V. He wrote to Alton Convalescent Hosp. that I be returned to 1 C.A.C.R.V. They said they were too busy. I was just pushed around. I then went A.W.L. I had one 48 hr. pass while at Alton and received ~~one~~ week-end passes while at the other hospitals. I was well enough to walk around and do fatigues in hospital. At Alton when I first went there, I was graded "B", being well enough for route marches, P.T. and fatigues. My category was never changed. I am still "A" category. In my opinion I could have performed all my duties in my unit at any time which is the opinion of the Unit M.O. at the beginning of my fracture. It was found that there was a fracture in my big toe. I am married. I worked for the Coca-Cola Company at Brantford, Ontario as a salesman. Major McLeod was in the Adjutant's room when I was before the Colonel on this charge, and he there said that he had received a letter from me and had written a letter to Alton Convalescent Hosp. asking that I be returned to 1 C.A.C.R.V.

NOTE E-3

F.G.C.M. of B328 Tpr DINGMAN, L.G.

Plea in Mitigation of Sentence on behalf of the Accused

The accused, Tpr Dingman, has pleaded guilty to the charge of absence without leave and thoroughly realises that he has committed a military offence which no court can overlook but he hopes that the Court will in passing sentence consider two things:-

FIRST the full circumstances which led up to his absence without leave

SECOND his past good record as a soldier.

The President of this court has, I know, had a great deal of experience with cases of A.W.L. and it is not new to him to be told that an accused was "browned off", to use a current term. However, I do not believe that he can have encountered many instances where a soldier had ~~reason~~ as much reason to feel that he was being badly treated and to be fed up with the army and all its works.

The Court have heard Tpr Dingman's account of the events leading up to this offence and know that he believed that his unit, the R.C.D., was shortly going overseas and can appreciate his anxiety to proceed with it. The members of the court know how much a unit can mean to a soldier, to a Canadian in England it is home, family and friends and I think they will realize that it meant all that to this trooper.

Tpr Dingman made all possible efforts to get back to his unit and I think there can be no doubt that HE BELIEVED THAT HE WAS PHYSICALLY FIT TO BE WITH HIS UNIT.

This was due to:-

(a) The words of his unit M.O. who told him he was merely going to S.C.E.S. for an X ray and not to take his kit with him.

(b) The opinion of the Capt. at S.C.E.S., later overridden by

the major, that he was fit to return to his unit

(c) The way in which he was treated at 12 and 14 Gen. Hosp. where he was given week ends allowed to move about and led to believe that it was only RED TAPE which kept him there, (that he had to go to Convalescent home for discharge and it was too full to receive him.

(d) The information given him at ALTON that if he could be claimed he could go right to Holding Unit, otherwise he would have to go to HINDHEAD CONVALESCENT DEPOT and he felt that at ALTON he was placed in "GREY" category as fit for Route marches and P.T.

Pte Dingman therefore felt that he should be on full duty and he took all steps open to get back, first to his unit and then to the Holding unit. Unfortunately the change over from 12 to 14 Gen. Hosp. with consequent confusion and the failure of ALTON to take any action when Major McLEOD, RCD, wrote claiming him, in response to a letter from Dingman, (a fact which Maj McLeod mentioned before C.O. #1 CACRU prior to his proceeding on draft) and finally the ~~news that~~ failure to get parade to the C.O. of HINDHEAD and the news that his unit had left, presumably for overseas, all led him to believe that the RCASC was just playing with him and no body cared where he was and what he did.

In these circumstances he went on the loose.

I have been in a Transit Camp in Canada three afternoons of waiting about officers and men get the feeling that they were forgotten men and discipline and morale reached such a low ebb that officers missed parades if they felt like it and two even went A.W.L., and it is difficult to feel that if officers act like that an ordinary trooper who under even less satisfactory conditions behaves in a similar way should be dealt with as severely as one who goes A.W.L. from duty.

SERVICE & CHARACTER

3 Yrs 54th Bty R.C.A. Brantford. NPAM

Attempt to enlist with 54th in Sept. '39 found category "E" due to hernia.

1 yr with 2 Bn Dufferin and Haldimand Rifles Reserve Army.

FEB 41 hernia operation at own expense ($150.00)
JUN 41 on recovery enlisted with R.C.D (Active).

Crime sheet clean except for two short absences on returning from Privilege Leave, at Maresfield where bus & train connections poor.

Employed as Off. Mess Caterer, a position of trust for 2 yrs.

Unfortunately Lt. SINGER, the only RCD officer at #1 CACRU has gone on detached duty and cannot give evidence as to character but with the Court's indulgence I should like to mention that Mr Singer told me last night that he would give DINGMAN the highest possible recommendation.

CONCLUSION

I sincerely believe that this is a case in which the Court might be expected to temper Justice with mercy and the accused hopes that the court will exercise its prerogative of mercy.

Sir,

At London on the 6th Nov. 42. at about 12.30 hrs. I was on duty in Waterloo Rd. in company with L/Cpl. Bryant, when I saw the a/m soldier.

I asked him for his pass. He produced one which did not satisfy me. I asked him if he was on leave. He stated "Yes, I am on leave and my pass is good". I told him I would take him to No. 6 Cdn. Provost Corps H. Q. where his unit would be contacted and his leave verified.

Upon arrival at this H. Q. the a/m soldier admitted that he was A.W.L. and that his pass was false.

I therefore placed him under arrest and handed him over to the N. C. O. i/c Cells to be detained.

Statement for Mitigation of Punishment

The accused, C-5592 Private Reginald Alfred Leng Deignan, 1st Battalion, R.W.F., joined the army voluntarily, at the age of 18 years and within four months of his 18th birthday. He was attested on 29 April 1940 and arrived in England in August 1940.

From the time of this man's enlistment until Sept. 1941, constituting a period of nearly 1½ years this man not only did not commit any offence but furthermore conducted himself in a manner befitting a good soldier. As his records will show. Throughout this whole period this man was kept in the holding unit because he was considered too young for the field.

This man, during his whole army career, nearly three years, the only offence which he has ever committed is that one of being A.W.O.L.

This man, or boy, who came from a large family of ten children and who started to earn his own living at the age of 13 years, joined the army at the age of 18 and became fed up because he was kept in the holding unit for over two years.

I respectfully suggest that if this man had been given the proper guidance long before he came to his present unit that he would still be the enthusiastic soldier that he was when he joined the army.

In closing I would like to state this point - if this man is shown leniency by the court and given the proper guidance that he will again prove himself a good and willing soldier.

Summary of Evidence

in the case of

No. C.5592, Private Dingman, R.L., on the strength of "E" Sub-Unit, No. 1 Battalion, 1 Canadian Base Reinforcement Depot, a soldier of the Canadian Army Overseas.

The evidence is taken under Oath by the direction of the Officer Commanding.

FIRST WITNESS for the prosecution — No. B.95720, Sgt. MacKenzie, D.A., unit provost of No. 1 Battalion, No. 1 Canadian Base Reinforcement Depot, having been duly sworn states:

"Private Dingman, R.L. whom I now recognize, was in close custody in the detention room of No. 1 Battalion, 1 C.B.R.D. guard house on the morning of June 5, 1943. The accused had been sentenced to 27 days detention on 4 June 1943 and at that time was serving the sentence. At approximately 0945 hrs I went into the detention room and found that three men in confinement in the detention room, one of whom was the accused, were missing. On examining the detention room I observed that the window sash had been ripped apart from the steel structure and the accused with the others had escaped through the op ening between the sash and the structure. I notified the Canadian Provost Corps and gave them a description of the accused. On discovering that the accused had escaped, I sent out four Regimental Police to search the surrounding district. This was done but no trace could be found of the accused."

I produce herewith a written statement signed by myself and which sets forth the particulars regarding the escape of the accused and the relevant time of the escape. (Statement marked Exhibit "A" hereto).

"At 0800 hours on 5 June 1943, I came on duty as a Regimental policeman. Together with Sgt. Mac Kenzie we checked the prisoners in the guard room of 1 C.B.R.D. At this time 0800 hours, all prisoners were present. At 0900 hours I checked the guard room and annex alone and found the prisoners all present. At 0945 hours Sgt. MacKenzie came to the guard room and together we checked the guard room and found that Private Dingman whom I now recognize and who was in the detention room on the morning of 5 June 1943, as a prisoner, was missing. On looking around we fond that the wooden frame at the side of the window was broken and the tin roof was lifted high enough to allow for a man to escape. On discovering this Sgt. MacKenzie reported the incident. The accused had escaped through the opening."

Opening address by prosecution

D.7 The prosecution will prove the following medical testimony that the manner in which the bullet struck the hand of the accused shows that it was caused by a wilful act on the part of the accused. The prosecution will also prove that the discharge of the rifle took place shortly after the platoon was warned to prepare to move up to go into action. The manner of discharge shows that it could not have gone off accidentally in the hands of the accused.

1st witness for the prosecution.

D.7 The accused has been warned of this additional witness in accordance with R.P. 76.

Capt C H Crosby R.C.A.M.C. sworn states.

I am Capt C. H. Crosby in charge of the surgical division of 5th C.C.S. The diagram below I now recognize has been a patient under my treatment since about 30 Oct. On 6th Nov I examined the wound of the accused. The wound is a through & through wound of the right hand the entrance wound being on the palm surface and the exit wound being on the dorsum portion of the hand.

Adj

The entrance wound is in the middle of the palm of the hand. The wound is approx. straight through the hand. He has a relatively small entrance wound in the palm of the hand and a larger, jagged exit wound on the back of the hand causing a compound fracture of the third bone of his ~~hand~~ right, that is to say the third metacarpal. ~~Smith~~ It is impossible at this time to give an accurate estimate of how long the accused will be unfit for active service. In my estimation it will be a minimum of two months. I can not say at this time to what extent the injuries to the accused will affect his future efficiency as a soldier.

No cross examination.

During this 5 minutes I was finishing cleaning and putting my kit away. I was standing about the middle of the left side of the truck. From where I was standing at this time I could not see the accused. When the shot went off I immediately turned around and saw Pte Dingwall holding his right hand. There was no one else around. I don't remember the accused saying anything at this time. I didn't ask any questions about the shot and I was not interested at the time afterwards did Pte Dingwall say

Closing address for defence

After having heard evidence given by both sets of witnesses I can not see any proof that Pte Dingwall mimiced N.C.O's maliciously or in any way in danger the Pl. It is human nature to parrot. The men were broken off and were just joking and the charges brought against the accused can not be justified.

Closing address by Prosecution

The actions on the accused strikes at the foundation of all discipline of a Unit. The defence has attempted to show that the accused did not mimic. The charge as laid down is that having been told to keep quiet the accused continued to talk. In this Coy. The CSM has been newly appointed and has been attempting to repair the damage done by his predecessor by enforcing strict obedience of orders. In this Pl. there has been a troublesome group and the CSM decided to eradicate it. The accused tried to put one over. The defence has brought forward no witnesses to prove Pte Dingwall innocent. I do not think that this man is a bad character but is a victim of previous lack of discipline.

Plea of defence for leniency for accused.

For the stated Crime I do not think the accused is guilty of any crime against discipline or the Army Act. The N.C.O. should not have put him on orders and when the accused asked for trial by Court Martial he thought the Court would take the same view point. At the most I plead for an admonishment.

Summary of Evidence in the case of
#L12033 Private DINGWALL, Norman John
1st Battalion, South Saskatchewan Regiment.
Canadian Army Overseas.

Accused requested Field General Court Martial.
By direction of the Commanding Officer the
Summary of Evidence is taken on oath.

1st Witness #L12026, C.S.M. MATHER, Frank, South Saskatchewan Regiment, having been duly sworn states as follows.

I Frank Mather, state that on 21 May 42 while C.S.M. of "B" Company of the South Saskatchewan Regt. that at about 0830 hours I ordered Lance Sergeant Allen D.S. to get #10 Platoon on Parade. He ordered, in my presence, the Section of which the accused is a member, to get ready and immediately the Section started to mock him. I warned the Section then that the next man I heard mocking him would be placed under arrest.

At 1800 hours I fell in "B" Company for the March to new Billets, some members of #10 Platoon were smoking, which I ordered to be stopped, immediately the accused mocked my tone and words. I ordered him to 'Keep Quiet'. As soon as they were broken off, after approximately a hundred yards march, the accused once more mocked & mimicked the orders I had given him to keep quiet.

I then warned him for Orders for the following morning.

Question 1. You said you ordered the Section that were in keep quiet?
Answer 1. I ordered the whole Platoe of all Sections of #10 Platoon to keep quiet.
Question 2. You said a few of the men of #10 Platoon were smoking and you ordered them to put their smokes out and that it was done?

F.M.

. . I mimicked the tone of your voice?

Answer #2 I know that part of the Platoon was smoking and that I roared them to stop.

Question #3 Why should I mimic your voice at that time because I don't smoke and it wouldn't make any difference to me?

Answer #3 I don't know.

Question #4 You say that you told me to keep quiet.

Answer #4 Yes.

Question #5 As we were sitting along side of the road waiting for the trucks were all the boys talking & yelling when you roared me for order.

Answer #5 They were. H. Mather CSM.

2nd Witness

L12550, Lance Sergeant ALLAN, Donald Stewart South Saskatchewan Regiment, being duly sworn states as follows.-

I, Donald Stewart ALLAN, state that on 21 Aug 42 I was acting Platoon Sgt of # 10 Platoon in "B" Coy of the S. Sask. Regt. At approximately 0830 hours I warned # 10 Platoon Platoon for Parade and called for a Marker. As I was placing the Marker on the road about 30 yards from the tents I heard the number of one tent talking. I did not hear what they were saying but I did hear C.S.M. Mather, I tell them that they must stop the grumbling and 'back talk' or he would put them up on orders. The Platoon fell in and I did not hear anything that was mentioned during the day. Then at approximately 1745 hours the Company was called on Parade and there was some mimicing of myself and C. S. M. Mather F. by # 10 Platoon. C.S.M. Mather, F. warned the Platoon again that if the mimicing didn't cease there was going to be some of them on Orders.

The Platoon then moved off, down the road about 350 yards and we were halted and then broke off and told to sit down.

H.S.A.

of me wished. I was at the rear end of #10 Platoon and about four minutes later I could hear the accused talking. I do not know what he was saying or if he was menacing anybody but just at that time C.S.M. Mather, V came down and spoke to him. I did not know at the time just what the C.S.M. said to the accused. Later I was informed that he had been placed in a charge.

Question"-
Sgt Allen you did not hear C.S.M. Mather tell me to be quiet after we went on parade?

Answer" No. Not you in particular.

3rd Witness H. S. Allan

L125543 Sgt. PASSMORE, Clifford Herbert, South Saskatchewan Regiment, having been duly sworn states as follows-

I, Sgt Clifford Herbert PASSMORE, state that on 21 May 42, due to the absence of my Platoon Officer, I was acting as Platoon Commander of #10 Platoon. At approximately 0900 hours on 21 May 42, I heard C.S.M. Mather V warn my Platoon that any further mimicking of N.C.O.s would cause the offenders to be placed on Charges. ~~This~~ I had heard three or four members of my Platoon mimicking Sgt Allan just previous to the C.S.M.'s order, but I could not state definitely ~~who~~ ~~were~~ they were. During the day there was nothing unusual heard by me, or reported to me, about the actions of my Platoon.

About 1000 hours we formed up as a Company and at 1030 hours we were stopped and broken off at the side of the road. While we were there I heard the accused mimicking someone, whom I took to be Sgt Allan. The Major, Major White, E.V. and the C.S.M. also heard it and the C.S.M. went down and spoke to Private Dingwall and on his return he told me that he had warned the accused for Orders.

C.H.P.

The accused declines to cross examine the witness.

C H Passmore

4th Witness.

Major E. W. White, South Saskatchewan Regiment. having been duly sworn states as follows -

I, Elmer William White, Company Commander of "B" Coy of the South Saskatchewan Regiment state that on 21st May 42. about 1800hrs the Company was broken off at the side of the road waiting for transport to move us to our new billeting area. I was talking to C.S.M. Mather at the front of the Coy and just in front of the Platoon which was formed up in Column of Route. I heard a certain amount of talk going on in the Platoon but as this was quite normal I paid no attention to it until C.S.M. Mather got up and went back to the accused, and told him [redacted] he had been warned before to shut up or he would lay a charge against him. When C.S.M. Mather came back to where I was sitting I asked him what the trouble was. He said the accused had been nagging Pte Allen and that he had warned him previously to stop it.

Shortly after this I heard the accused talking in a manner which clearly indicated to me that he was not considering the C.S.M.'s remarks seriously. He was evidently mimicking in an exaggerated manner the tone and words of the C.S.M.

The accused declines to cross examine the witness.

E W White major

The accused having been duly cautioned in accordance with Rule of Procedure 4(E) makes the following statement.

I, Norman John Dingwall a private of the South Saskatchewan Regiment hereby state, that I am a member of #10 Platoon of 'B' Coy. On the 21 May 42 about 0800 hours C.S.M. Mather warned Lt Lt. Allan to get the Platoon on Parade. Lt Lt Allan warned us to get ready and there was the usual amount of grumbling and 'back-talk' among the men. C.S.M. Mather, apparently heard the grumbling, because he warned the Platoon to stop at and get on Parade when told. This was all that was said in the morning.

We then carried on with our training during the morning by sections and nothing more happened in this connection. In the afternoon we continued our training as a Platoon until about 1630 hours when we had supper.

After supper we started to get our packs ready to move to new billets and there was some grumbling in the Platoon, but no mention of R.S.M. at this time. We moved off down the road about 300 yards then we were broken off to wait for the trucks. The boys in the Platoon were all talking with each other in a sort of a drawl, similar to Lt Lt Allan's speech. This was a habit which we had got into from the time we had been put on with the Platoon.

C.S.M. Mather came from the front of the Platoon to me and told me that I was up for orders in the morning and was 'shut up'. I remarked to the boys that

would not say anything that he could use against me and I did not say anything more. N J Dingwall

I would like to point out to the Court a couple of facts with respect to the crime of the accused. He has been with the 2nd Bty for over a year, during which time he had only one minor offence. This is his first serious AWL offence since he joined the army. The defense submits that the accused's crime, on going AWL, was one of lack of will power. When he was in good company he behaved like a soldier.

SUMMARY OF EVIDENCE IN THE CASE OF: D-36396 Cpl. Dion G.H., No. 85 Cdn. Bridge Coy. R.C.A.S.C., a soldier of the Canadian Army Overseas on active service.

The Commanding Officer directs that the evidence be taken under oath.

FIRST WITNESS: F-87082 Pte. Woodworth W.J., having been duly sworn states:

"I am Pte. Woodworth, W.J., No. 85 Cdn. Bridge Coy. R.C.A.S.C.

Ptes. Cooperman, Bousfield and I went to the Canteen together on the 29 Nov. 1942 at approximately 1630 hrs. We sat around talking and drinking beer. We did not go to the Mess Hall for supper but had sandwiches in the Canteen. Everything was quiet and peaceful until suddenly I heard a quarrel and on looking around saw Pte. Cooperman and Cpl. Dion facing one another. Cpl. Dion was holding a chair over his head and Cooperman standing with his hands clenched. Pte. Bousfield was holding Pte. Cooperman from behind as if to prevent him from striking Cpl. Dion. There were several others standing nearby, taking no part in the quarrel; these I did not recognize. I got up from where I was sitting with the intention of investigating when Cpl. Sevigny who was sitting at the table with me told me to sit down which I did. I then saw Cpl. Huard of the regimental police break up the quarrel and order those involved to leave the Canteen. I remember Ptes. Cooperman, Bousfield, Cpl. Dion and one other O.R. leave the Canteen. The O.R. I later found out to be Pte. Lemieux. They did not leave together and I don't know in what order they left. Everything was then peaceful from that time until closing time at 2130 hrs. I left the Canteen at closing time in company with Pte. Reay and proceeded to "G" Section lines. I stopped off in Pte. Reay's hut and sat talking to him while he was preparing for bed. Someone, I don't know who, opened the hut door and shouted that Pte. Cooperman had been shot over in "G" Section hut. Pte. Reay and I rushed out and hollered "where is he?" and Pte. Bousfield replied "over here". On arriving at the hut I saw a bed upset in the middle of the floor and Pte. Cooperman lying on the floor near the centre of the hut next to the wall. Pte. Bousfield told me to go for the M.O. which I did.

The accused declines to cross-examine the witness.

SECOND WITNESS: B-85102 Pte. Bousfield H. No. 85 Cdn. Bridge Coy. R.C.A.S.C., having been duly sworn states:

"I am B-85102 Pte. Bousfield H. of No. 85 Cdn. Bridge Coy. R.C.A.S.C.

On 29 Nov. 1942 Pte. Cooperman and I went to the Canteen at approximately 1600 hrs. We sat around talking and drinking with other men who we knew and during this time drank considerable beer. I don't remember going for supper and became drunk. Later in the evening my attention was drawn to a quarrel between Cpl. Dion and Pte. Cooperman. I saw these two men facing one another but did not see any blows struck.

SECOND WITNESS (Cont'd.)

"They just appeared to be quarreling. Nearby was a table around which were seated 4 or 5 other ranks (French - Canadian). I stepped between the table and the participants in the quarrel and told those seated at the table not to interfere but to let them fight it out. I recall seeing Cpl. Huard of the Regimental police approach the participants in the quarrel and everything then became orderly again. Until I left the Canteen at 2145 hrs. in company with Pte. Cooperman everything seemed to be quiet and orderly. We proceeded down the road towards our quarters during which time I lost Pte. Cooperman in the darkness. The next thing I remember was hearing Pte. Cooperman calling to me. His voice came from the direction of an "E" Section hut. I met Cooperman at the door of the "E" Section hut (the same hut where the shooting took place) and we entered together. We made our way to the center of the hut and exchanged words with some of the personnel present. What was said or who were present I do not remember. We then started to leave by the same door when we were both struck by some missile which I believe was thrown from the outside. I slammed the door shut. Cooperman left bythe other door and I went outside through the door the missile was thrown in. After standing for a few minutes in the darkness I heard Cooperman calling to me as though he was outside at the other end of the hut. On arriving there I saw Pte. Cooperman and Clelford entering the hut so I followed them in. When inside the shots rang out so I dove under a bed and took cover. When the shooting was over I found out that Pte. Cooperman had been shot so I rendered first-aid.

The accused declined to cross-examine the witness.

I left the Canteen with Pte.s Woodworth and Clelford who took me to my hut. They helped me off with my shoes and I was lying in my bunk when someone I did not see who entered the hut and said "Hap, come here quick" and Clelford left the hut. About a minute or so after Clelford left the hut we heard shots fired but paid no attention until we heard a commotion on the road outside the hut. We went outside and was attracted by the light and noise from a "E" Section hut. On arriving there we found Pte. Cooperman lying on the floor wounded and someone asked for my field dressing.

Reay at the far end of the counter when my attention was attracted by a commotion near the front of the canteen and I saw Cpl. Dion and Pte. Cooperman standing facing one another. I saw Cpl. Dion swing at Pte. Cooperman and Pte. Cooperman in turn swing at Cpl. Dion. The Provost Cpl. then separated them and Pte. Bousfield attempted to swing at Cpl. D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

MEDICAL OFFICER'S CERTIFICATE

K.R. (Can) para 557

I certify that I have this morning examined No D 59251,
Name Pte Dionne J.A. and in my opinion he is fit
to undergo trial by Court Martial.

In the Field
Date: 17 Dec. 43.

H. Henderson Capt.
Medical Officer,
4 Cdn Gen Plen Coy C.A. (O)

A.D.C.

1st Witness for the Prosecution) D-53701, Pte. (A/Cpl.) J.H. DICK, 1 CACRU sworn states:

Sir, on 11 Dec 43 at 0745 hrs. this man Pte. Dion, came into the mess with a group of men and the cook refused to feed the boys, being ten minutes after meal parade was called. Pte. Dion turned to Lt. Breive and asked him about breakfast, and while he was asking him he began shouting. So Lt. Breive told Pte. Dion to calm down or he would put him in the Guard Room. So then Pte. Dion said put me in the Guard Room, then took a swing at him, and ran away down the mess hall. Pte. Dion, I mentioned, is that man there (pointing to the accused). I was standing on the same side of the counter about four feet away when this occurred. The accused was using English as far as I could make out. The Orderly Officer was using English when he asked him to calm down. The cook refused to feed him and took the food and went to the cook house. When Pte. Dion first came up the cook was at the counter, clearing away the food. I did not hear the Cpl. cook say anything. While the Cpl. cook took his food, Pte. Dion turned to the Orderly Officer. I would not say that he was much excited. He started shouting at the Orderly Officer. The more he talked, the more excited he got. The Orderly Officer was very calm at first, but as Pte. Dion was shouting he had to raise his voice and then Pte. Dion struck him on the side. He took a swing at him. I did not see him strike him. I only saw him swing at the officer.

It is the opinion of the Court that it is not necessary to comply with Rule 83 (B).

2nd Witness for the Prosecution) B-60790, Pte. (A/CPL.) N. Denholm, 1 CACRU, sworn states:-

On 11 Dec 43 at 0745 hrs. Saturday morning I was in the dining room for my breakfast noticing a group of men standing back a bit and found out that they were a little late for their breakfast, and the cook would not feed them. As it happens, I am the night despatcher for transport and as a rule I am late for breakfast in the morning. As I went up for breakfast, theOrderly Officer asked what I was doing there, and I explained it to him. I explained the circumstances and he told the cook to give me my breakfast and heard quite commotion behind, so I turned around and saw Pte. Dion arguing with the Orderly Officer asking what his complaint was. I was paying very little attention at thetime, but could not help but hear the argument. It was about Pte. Dion being late for breakfast. Some works followed, but I could ~~not~~ hear very clearly what the Orderly Officer said. "Don't shout at me like that or I'll have to put you under arrest". Pte. Dion said "Put me under arrest" and struck the officer. I was standing right beside the Officer and could not help seeing his fist hit him on the face.

Cross-examination.

The Orderly Officer put Pte. Dion under arrest immediately and went out of the dining room. He walked out. I heard a little argument between the Cpl. cook and Pte. Dion, but I could not understand it. I was attracted by the commotion and turned around. Pte. Dion appeared to be very excited. The conversation I heard was in English.

By the Court. The Orderly Officer was Lt. Breive. I would not say it was a real blow, but was merely a push (witness demonstrates).

It is the opinion of the Court that it is not necessary to comply with Rule 83 (B).

707.

3rd Witness for) C-15038, Tpr. Forbes, C., 1 CACRU, sworn states:
the Prosecution)

While I was on breakfast duty around 0745 hrs., there was an argument over breakfast parade as there always is. This happened on 11 Dec 43. The Orderly Officer told Pte. Dion that if he didn't keep quiet he would put him under arrest, and he said to him put me under arrest, and then he hit the officer in the face. The Orderly Officer was Lt. Breive. I recognized the accused as that man sitting there (pointing to the accused). The blow seemed to stagger him back some. I do not know whether he hit him hard or not. I would say that it was an overhand blow. I could not say that his fist was clenched. It happened in a flash.

Cross-examination.

After the blow the accused ran down the mess hall. He seemed excited. There were a number of men late. When I first came in there was food on the counter. When I first saw the accused he was talking to the cook. He seemed to be excited. I did not hear what was said. Up to the time the Orderly Officer got up there, the accused was pretty well worked up.

It is the opinion of the Court that it is not necessary to comply with Rule 83 (B).

4th Witness for) Lt. John Louis Breive, 1 CACRU, sworn states:
the Prosecution)

I arrived in CACRU some three days before the incident took place and I was detailed as Orderly Officer on 11 Dec 43. That morning at breakfast I was keeping order in the mess hall. We had quite a large parade, and the men had to queue up. Breakfast is normally over at 0730 hrs. and about 0745 hrs. five or six people arrived for their meals. I spoke to several of them and asked why they were late, and I received the answer that they had slept in, and the Cpl. cook refused to serve them, and the accused became excited demanding why he can't have his meal. I intervened and tried to explain to him that I was the Orderly Officer, and if he had a legitimate complaint I would look after it. He continued to shout and I asked him to quiten down. He carried on and this time I warned him if he didn't addressed me properly I would put him under arrest. He then said place me under arrest and struck me in the face. He immediately ran away. I have never seen this man before. The man I refer to is the accused, the man right here (pointing to the accused). He did not hit me terribly hard. If I had not ducked, I would have got it in the eye, but I got it on the cheek, and it was more or less a glancing blow.

Cross-examination.

The conversation was in English. When I started talking to him I realized he was French. I speak and understand French. I had to raise my voice a little to make myself understood. The plates were being washed, and there was the usual kitchen noises. Following the blow, he actually ran away. Some of the people who came in late were fed because they were on duties in which they could not eat at regular meal hours. I ducked and I only got a glancing blow. It did not hurt me much. He must have had his fist coupled up.

It is the opinion of the Court that it is not necessary to comply with Rule 83 (B).

The case of the Prosecution is closed.

J.D.

1st witness for) Capt H. Hersnon.
the defence)

I am Medical Officer of No 4 CBPC, of which the accused is a member. I am acquainted with the accused. He was brought to my attention in my professional capacity. What I know of Pte Dion is not only from my examination but also from his medical record as I have received it from the previous unit, and as a matter of fact he is a member of No 4 CGPC because of his nervous condition. Pte Dion came to the 4 Pioneer Coy from No 2 CIRU where the medical officer had found him tense, fidgity and somewhat apathetic apparently of average intelligence. He considered it advisable to sent him before a Psychiatrist. It was a Capt Gould, and he obtained history from the accused of both his family and his own person. There is the family history of nervousness and the patient himself is nervous. He was unable to attend school because of that condition. After a year and a half at school, the doctor advised to take him out and to teach him reading and writing at home. He had shown other marks of nervousness and instability. He was a bed-wetter until the age of 13. He had worked in various jobs for about a year and a half, and at that time he had had about 5 or 6 jobs. He lost them because of his nervous instability. From what I know of him, I know from the slightest provocation he becomes tense, very nervous, and highly strung, and whoever happens to be near him is liable to be hit. I feel that he is incapable of judging at the time what he does and that his actions are purely ~~fi~~ reflexes. He does not realize the importance of his act nor the consequence. In my opinion, once the accused has been given a stimulus, he will strike anyone who is near him and is not capable of restraining himself. A loud shout would provide the stimulus if he thought that something was going to be done to him. The report from the N.C.O.'s who have had him on the range is that he is entirely irresponsible and it was considered dangerous to send him on the ranges.

Cross-examination.

Personally I do not know of any incidents in which he has struck someone ~~since~~ other than the one before the Court, but other incidences have been reported to me. I should caution that after his stimulus and the accused strikes somebody he does know that he is striking someone, but does not realize the importance of his act. Under ordinary circumstances, he knows right from wrong. Under irritation he does not. When he is irritated, he has no idea of what he may be doing that it is wrong.

It is the opinion of the Court that it is not necessary to comply with Rule 83 (B).

2nd Witness for the Defence) L-27582, Cpl. Gordon, G.L., 4CGPC, sworn states:

I am in the same Company as the accused. I know the accused. I have been the Cpl. in charge of him for approximately 6 months. As a worker, I have found him very good, but he is nervous and very excitable. When he is working with any of the other chaps he seems to be very excited and goes through various motions.

Cross-examination. - Nil.

The Defending Officer reviews the evidence and submits that although the facts are established, the evidence shows that the accused is not responsible mentally and should not be punished for an offence which under the circumstances he was incapable of realizing the act that he had committed.

The Prosecutor reviews the evidence and submits that the accused has not established a defence that he is not guilty and his mental condition is such that the defence would have to prove insanity.

1st Character Witness) Lt. R.F. Dionne, 4 CGPC, sworn states:

The accused is in my Company. I have known him for approximately 6 months in the capacity of superior officer. As a soldier we never had any complaint as far as carrying out his duties. His character has been good and his N.C.O.'s have always reported that he was willing to carry out any duties asked to perform. I have never had any reports of disrespect for his superiors.

Cross-examination - Nil.

The Court is closed.

D3 Evidence for the Prosecution D3

First Witness M20823 Sgt E.G. Burrell. 10 Coy
for the Prosecution 2nd Bde Coy RASC sworn:

I am Coy HQ sgt. 26 Nov 44 I was Coy HQ duty NCO. My duties were to take a tattoo roll call at 2100 hrs of Coy HQ personnel and attached personnel. At 2100 hrs I went down to the hospital building where some of my platoon sleep. I called the roll in the presence of Cpl Bernard C. The accused whom I recognise did not answer his name. I proceeded back to Coy HQ and on the way I dropped into the club room which is near our HQ and the accused was not there. I checked at the park directly across from Coy HQ and the accused was not there. I then marked him AWL. At this time I had occasion to check the whereabouts of my Norton m/c No. C.H.869772. My m/c was not in the DR park. I went back to the hospital and checked the front yard but my motorcycle was not there. I had last seen my m/c at 1230 hrs 26 Nov 44 parked near the kitchen. My tent corporal driver had been checking it over in the morning and I supposed that he had parked it there. After checking if the tent corporal should have put it in the DR park and reported to me. It was normally kept in the DR park. I handed in the tattoo report with the name of the accused as absent also one m/c missing. I handed this to the duty officer Lieut Macfarlane at approx 2230. About 3 minutes later my Sq. Major C.R. Walker came into the Coy Orderly Room. The report was shown to him. On his instructions I remained up at Coy HQ awaiting the return of the accused. At the same time on instructions I woke up Cpl Bernard to remain at the hospital. At 0015 hrs 27 Nov 44 while I was sitting in the Coy Orderly Room I heard a m/c coming up the road. I went out and stood on the edge of the sidewalk and saw a m/c turn into our Coy HQ DR park. I walked across the road and there sat Pte Dixon getting off my m/c No. C.H.869772. I asked him where he had been and he said 'Viborg'. I then placed him under close arrest.

Coy HQ is located on a family farm road. The kitchen is at the right corner if facing the Coy HQ. The Orderly Room is on the left. Both the windows of the kitchen and the orderly room look out on the main road. The DR park is directly across the

Road from Coy HQ. It is a small driving between two buildings. Coy HQ has four 4 wheels vehicles. They are parked in the Courtyard of the hospital. The only vehicles parked near Coy HQ are five light vehicles parked near the DR park. There are no other vehicles parked in the road in the DR park. When I last saw my m/c at 1730 hrs 25 Nov it was parked approx 20 yards from the vehicles and was right near the windows of the kitchen. This was about 60 yards from the DR park. There is a fence around Coy HQ, there is an entrance near the kitchen and an entrance, a gateway, in the centre opposite the door of Coy HQ. On the left of Coy HQ is a church and on the right is a road with a high fence. When I saw my m/c at 1730 hrs 25 Nov it was within the Coy lines there are no other vehicles except the two I have mentioned. When I found my m/c missing I searched the entire Coy HQ area thoroughly with a flashlight and it was not within the lines. There is a guard consisting of one sentry at Coy HQ all night. There is also one sentry at the hospital where the vehicles are. The guard at Coy HQ holds after the DR park. He can see the DR park. The main road is about 12 feet wide. From Coy HQ gate to the DR park is about 14 feet. On 25 Nov at 2 I had given the accused specific instructions that he was not to ride my m/c without my permission. I did this as I found that he had been taking the m/c without my permission. On 26 Nov at 2 I did not give the accused permission to use my m/c. I had not given the accused any duty to perform after 1800 hrs 26 Nov at. When the accused returned I asked him where he had been and he said Tilburg and he gave no further explanation.

Cross exam: I had instructed that my m/c was to go to the Corporate Platoon and accordingly on 25 Nov I had instructed my lance corporal to take it to the hospital to put it in good order. It was to be ready by 26 Nov. On 26 Nov I attended Church parade and when I returned I detailed a DR to take my m/c to the Corporate Platoon at about 1100 hrs. The DR reported that the m/c was not [illegible]

in the DR park. The DR could not find it. I did not see it until it came into the DR park at 0058 hrs 27 Nov when the accused rode it in. I worried about my m/c but I assumed that my Ygpl was still working on it. I certainly did not know that the accused had my m/c all afternoon. On 25th at the kitchen I assumed that the Ygpl had my m/c. The accused has often parked my m/c outside the kitchen when he was using it with authority. I am not aware that the accused used my m/c the morning of 25th without my permission. When the accused brought the m/c in at 0058 hrs 27 Nov I helped the accused pull it up on the stand. I did not have a light but I recognized it as my m/c because of the style of saddle bag supports which is different than the others. The front head lamp was completely off. It was a bright moonlit night.

Re exam: I wish to change one point. I recall that the morning of 25th I saw the accused with my m/c. I did not give him permission. I told him that he was not to use my m/c without my permission. It was after that in the afternoon of 25th that I gave the Ygpl the m/c to carry out repairs.

Sgd [illegible]

Examined by the Court. At 0058 hrs 27 Nov there were 6 vehicles in the MT park. The Ygpl is a driver but is very good at mechanical work. It was about 1200 hrs 25 Nov that I told the accused he was not to use my m/c without my permission.

I wish to change my statement that the Ygpl had my m/c in the morning of 25 Nov. He did not get it until the afternoon.

I am provost corporal 10 CIB Coy. The evening of 26 Nov at 2200 hrs Sgt Burnell came in to our quarters at the hospital. He called the roll. Pte Dion was not present. We checked the room and area around and Pte Dion was absent. He should have been there. On instructions I stayed up until 0200 hrs 27 Nov waiting for him to come in. At 0115 hrs 27 Nov I went to Coy HQ and saw the accused there in the guard room. When I searched the area of the hospital at about 2200 hrs there was not a m/c in the courtyard. I did not hear any m/c come in. On 26 Nov I did not give any work to the accused. I did not see him after 1645 hrs 26 Nov I had told the accused to fill and clean the provost lamps on the direction signs. I did not give him any work which would require the use of a m/c.

First Witness for the Defence D135038 Pte J L Dunn 10 Adm Sig Bde Coy RCPSC sworn:

I am the accused. My job is the provost corporal's assistant. I do a bit of everything. I work around the kitchen and get stuff for the kitchen. I was in the habit of taking Sgt Burrell's bike to get things like cabbage + carrots and potatoes. On 25 Nov I didn't use the bike in the morning as L/Cpl ~~Latour~~ Delannoy was working on it. For the afternoon I used it right around noon. I returned about 2 hours after. About 1400 hours. Sgt Burrell did not say anything to me when I used the m/c in the afternoon. The Sgt was aware that I was using the m/c because he was standing in the kitchen window when I left. I don't know whether he saw me when I came back at 1400 hrs. When I came back I left the ~~bicycle~~ m/c right beside the kitchen. I did not use the m/c after 1400 hrs. I don't know if any one used it. At 1400 hrs I ate and then I took the m/c over to the m/c park and left it there. I do not know if it had been repaired in the morning. The lights were broken on it when I was using it. I did not use the motor cycle again on the 25th. On the 26th Nov I used the m/c around 1000 hrs. The Sgt knew I was using it. He did not give me permission but I did not need permission because before that I never needed permission. I took the m/c whenever I liked. I came back about noon 26 Nov. The Sgt did not say anything to me about using it. About 1500 hrs 26 Nov I used it again + came back about 0055 hrs 27 Nov. I was back at the coy lines about 1915 hrs 26 Nov. I walked back from Tilbury and stayed about an hour and a half. I asked one of the guards where was Sgt Burrell. He had not seen him. I then walked to the sleeping quarters and asked Cpl Bowers where was Sgt Burrell. He told me he might be at the Orderly Room. From there I went to the cinema. When I came out about 2130 hrs I sat in a pub in the camp area and waited until 2300 hrs. Nobody came so I walked back to Tilbury and got the bike and brought it back. I did not bring the bike back at 1915 hrs because I could not get

OC

the bike started. I wanted to ask Sgt Burrell about it.

Cross exam: Did not ask anyone for permission 25 Nov. Did not ask anyone on 26 Nov. At 1000 hrs 26 Nov I went out for potatoes. I went about 2 miles. At 1500 hrs when I took the bike I was not on any duty. I was at a lady's house at Kilburg from 1500 hrs until I walked back at 1915 hrs. It was my duty to fill and clean the mortar bombs but I had a friend put them on. I saw Cpl Wilson and told him to tell Sgt Burrell not to worry about his bike. I was concerned about the bike. I went to the cinema. I was with the lady from Kilburg. I could not go into my quarters with the lady for roll call so I waited at the post [illegible] Sgt Burrell might come in.

Re exam: None

Exam by the Court: I left the bike in the lady's house in Kilburg. I will have been in the army 3 years next April. I knew that to go anywhere on a bike I had to have authority. About 6 or 7 weeks ago Sgt Burrell told me not to take the bike unless I got permission from him.

When I got it running I parked it in the court yard of the hospital. About 15 minutes afterwards

Pte Dixie came and told me that Sgt Burrell said he could have the m/c and as far as I know he took it. He said Sgt Burrell sent me after the motorcycle.

(1) AN ACT TO THE PREJUDICE OF GOOD ORDER AND MILITARY DISCIPLINE.

(2) ABSENTING HIMSELF WITHOUT LEAVE.

FIRST WITNESS -
M20523 Sgt. Burrell, E.G. Pl Sgt, HQ Pl, 10 Cdn Inf Bde Coy, RCASC, sworn, states -

I was on 26 Nov 44, and am still, Pl Sgt, HQ Pl, 10 Cdn Inf Bde Coy, RCASC. I am well acquainted with D135038 Pte. Dion, J.L., whom I recognize here as the accused. On 26 Nov 44 I was HQ Pl Duty NCO, at 2200 hrs I called the roll of HQ Pl personnel in their billets, Pte. Dion did not answer his name. I questioned the guard at the gate, he explained that he had not seen Pte. Dion. I then checked the Club Room on my way back to Coy HQ, I also searched another Public House, directly across from Coy HQ, and the accused could not be found. I then marked him absent. At this time I had occasion to check the whereabouts of my Norton M/C, W.D. No. C4869772, and found that it was missing. I then checked the area, at the men's quarters, very thoroughly, also the area around the Coy HQ Orderly Room, and the D.R. Park, and could not locate my M/C. I reported to my OC. The OC instructed me to remain up until Pte. Dion returned. I carried out this order, and at 0055 hrs, 27 Nov 44, I heard a M/C coming up the road. I left the Orderly Room and went outside. At this time a M/C turned into the D.R. Park, I approached the machine and found it to be my M/C, C4869772, and the rider was Pte. Dion. I then placed the accused under arrest. Pte. Yoemans was on guard at the time. Pte. Dion did not have a pass.

The accused declined to cross-examine the witness.

Plea of Mitigation of Punishment

7 Dec 45

Mr President, members of the Court.

1. The accused E 14586 Pte Dion Robert of 2/7 Cdn Inf Bde Coy RCASC CAOF has pleaded guilty to the charge of drunkeness. This man has nearly five years service in the Cdn Army and has been through the campaign starting in France and finishing here in Germany.

2. Everyone is entitled to some relaxation and as the accused was not on duty on the date stated I feel that he should be given the lightest punishment possible.

3. He has previously been charged with a few minor crimes but as this is his first offence of drunkeness I feel that the sentance should be lenient.

Summary of Evidence in the case of E14586 Pte Dion R., 2/7 Cdn Inf Bde Coy R.C.A.S.C. (CACF) Charged with:

1. Drunkenness (AA Sec 19)
2. Conduct to the Prejudice of Good Order and Military Discipline (AA Sec 40)
3. Conduct to the Prejudice of Good Order and Military Discipline (AA Sec 40)

By direction of the Commanding Officer, the evidence is taken on oath.

FIRST WITNESS. Ernst Liebert, Artist, AM Pferdemarkt (Barracke), Oldenburg, Germany having been duly sworn states;-

"I am Ernst Liebert. On 15 Nov 45, at approximately 2130 hrs, a Canadian soldier came to our house. Without knocking, he entered the house and the room where my wife, my parents-in-law, my brother-in-law and I were sitting. The soldier was visibly drunk and played with a pistol in his hands. He was also carrying a bottle under the blouse of his uniform. He asked us for Schnapps and when I told him we had none, he saw through an open door my sister-in-law, 21 years old, lying in bed in the next room. He went straight into the next room. My brother-in-law, Anton Erwin, and I followed him immediately. My sister-in-law only returned last April from a concentration camp and is lying in bed with lungs-tuberculosis since then. Apparently the soldier wished to go to bed with the girl, as he said among other things "Oh, a nice girl." My brother-in-law and I stood before him and tried to appease him by talking and trying to get him to go out. When the soldier approached her bed side with his pistol in hand, she became very excited, jumped out of her bed in her night dress and ran away in another room. All my relations had left the room except my brother in law and I, and after persuasion, we succeeded in inducing the soldier to go away. He left the house and we looked up the door. We turned off the lights and soon after the soldier began to curse and to knock on the door with his pistol. He also kicked the door, broke the door-latch and destroyed five window panes with his pistol. In the meantime, I went out through a back window and fetched two scottish soldiers who were with the civil police. They accompanied me home immediately but ta soldier had gone away in the meantime. Later on the Scotch patrol came for me and put me before the soldier which I recognized at once as the perpetrator.

Cross-examined by accused:

QUESTION 1. "Are you positive that I am the soldier who broke your door and windows?"

ANSWER 1. "Yes."

SECOND WITNESS

Anton Erwin, Artist, AM Pferdemarkt (Barracks) Oldenburg, Germany, having been duly sworn states:-

"I am Anton Erwin. On 15 Nov 45, at approximately 2230 hrs, a soldier entered the house. He was very drunk. He entered my brother-in-law's room and asked for whisky. He pulled a pistol out of his pocket and put it inside the blouse of his uniform. He left the room walked down the hall and the door of the next room being open and seeing my sister in law in bed, he entered the room. He expressed the desire of going to bed with her. I tried to explain to the soldier that my sister in law was very sick as she had recently only been released from a concentration camp and I told him that he was to go down the street and find himself another girl. As the conversation was carrying on, the soldier, taking the pistol in and out of his tunic but not pointing to anyone, walked to my sister in law's bedside. Frightened, she jumped out of bed and ran into another room. After a certain persuasion, we succeeded in getting the soldier to leave. I locked the door as soon as he was out of the house. A few minutes later, my brother in law's child knocked at the door to be let in. As the boy was coming in, the same soldier followed in and came back into the room. My sister in law had in the meantime returned to bed and upon seeing him reenter, ran into the next room. The soldier being very drunk, I forced him outside the house and locked the door behind him. We turned off the lights and the soldier began knocking on the door to be let in again. After knocking for a while and not being answered to, the soldier walked away from the door and smashed in the windows. Seeing this, my brother in law went out the back window to fetch the police. When the police arrived, the soldier had gone.

Cross-examined by accused:

QUESTION 1. "Are you positive that I am the soldier who broke your door and windows?"

ANSWER 1. "I can swear that he is the same soldier.

"I am 4270881 Gnr McCaughey, A., 108 Battery, 79 Scottish Horse Medium Regt RA. On 15 Nov 45, I was duty Police Patrol at Oldenburg Main Police Station. At approx 2100 hrs a German civilian (Ernst Liebert) came to the station and asked for the British Patrol. He complained that a French Canadian soldier was at his house demanding SCHNAPPS at the point of a revolver. I immediately left for his house accompanied by another

patrolman. On the way down, another civilian (Herr Karn) stopped us and informed us that the same soldier armed with a pistol had been to his house and had broken the windows. On our arrival to both places, the soldier had gone and we ascertained the fact that windows had been broken in both places. I,then, afterwards, returned to the civil police station when later on during the evening, approximately 2230 hrs, I went out on road patrol. At approx 2300 hrs, on our way back to the police station, we saw a group of soldiers on the sidewalk and fearing trouble, I got out of my vehicle to investigate. We found a canadian soldier (Dion) intoxicated and covered with blood who according to himself had been beaten up by another Canadian soldier (Coldrick). He(Dion) then directed us down to the house where the fight had occured and upon arriving there, the other Canadian soldier (Coldrick) informed us that he had been threatened by this soldier (Dion) with a pistol and handed the pistol to the Cdn Provost present. Just about then, I reported to the Cdn Provost about this other disturbance earlier in the evening and he asked me to get this German civilian to identify the Canadian soldier. On arrival back to the house accompanied by the German civilian (Ernst Liebert), the civilian picked out the intoxicated Cdn soldier (Dion) right away as being the soldier who had been in his house earlier in the evening. The Cdn Provost and myself then drove this soldier to the Airport guard house.

The accused declines to cross-examine the witness.

G44900 L/Cpl Coldrick, E., SAuxiliary Services Section, Beaver Club, Oldenburg having been duly sworn states;-

"I am G44900 L/Cpl Coldrick, E., 6 Auxiliary Services Section, Beaver Club, Oldenburg. On Nov 15, 1945 I G44900 L/Cpl Coldrick, E., was sitting in Herr Harm's house when someone staggered up and pounded on the door and wanted to be let in. As he was drunk, we ignored it and he went next door and repeated the procedure, only I heard him threaten to shoot unless he was let in. He came back to the door at [illegible]markt 14 where I was, and the family there hearing him threaten to shoot, turned out the light. He kicked on the door and then threatened to shoot it in. I heard him cock the weapon and then I turned on the light and opened the door before he could shoot. I managed to get the weapon from him after a struggle and held him to try and quieten him down. He finally agreed to go and leave the weapon with me. I examined his pay book and found his name, number and Unit to be S14586 Pte Dion, 2/7 Cdn Inf Bde Coy RCASC. I recognized him as he had been there on a night previous and kicked a piece off the door, but that evening I talked him into leaving without trouble. After checking his pay book, I saw him to the street as he appeared more sober and walked back to wash up as my nose was bleeding. I examined the weapon which was cocked, had one round in the chamber. Then about five minutes later, the same soldier came in with L/Cpl Stacey from The Provost Corps. I turned the weapon over

FIFTH WITNESS

Anna Marie Harms, 21 years old, Pferdemarkt 14, Oldenburg Germany having been duly sworn states:

"I am Anna Marie Harms, Pferdemarkt 14, Oldenburg. On 15 Nov 45, at approx 0330 hrs, my mother, father, a friend of the family L/Cpl rnie Goldrick and myself were talking together in our sitting room. We heard someone coming up the stairs and knock on the door. We turned out the light and kept quiet in the room. As we did not answer, he went down the hall to another door. He was speaking but I could not understand what he was saying. We then heard a sound as is he was loading a firearm. With that, he came back to our door and produced the same sound as if he was again loading or cocking a firearm. He then said:"Open the door or I will shoot". Frightened my mother, friend and I went into the next room. I left the door open to see what would happen. The L/Cpl standing on the sofa by the door, turned on the light and holding the door handle unlocked it and opened it rapidly. He knocked the soldier's hand, the soldier lost his grip on the revolver and the pistol went up in the air, falling back on the L/Cpl's nose and onto the floor. The l/cpl immediately picked up the revolver and threw it on the sofa. They then started to fight and being scared I ran out of the room. I was going downstairs when I saw the Scottish patrol, one Cdn Provost, two civilian police coming which had been warned by our next door neighbor. The scuffle was over by then and all the members of the police went down the hall to talk to our neighbor who had called for them. By the time they returned to our room, the soldier who had been fighting with the L/Cpl had gone. The Scottish police left and came back a few minutes later with this soldier. They talked amongst themselves, the soldier washed the blood off him and they all left.

The accused declines to cross-examine the witness.

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

MEDICAL CERTIFICATE

I certify that I have this morning examined B115428 PTE DIONNE E.
of The Highland Light Infantry of Canada, and find him fit/~~unfit~~ to
stand trial by Court-Martial.

Date DEC 27/44

(Medical Officer)

D3 - B-116713 Pte Turner, C.E.F., N.S. of C.
having been duly sworn states:
I recognize the accused. I saw
him in Court. Around 6 Nov 44
when the unit was in Vent at
approx. 1130 one morning, I went
up to the apartment to get my
mess tins. Dionne, the accused
followed me up the stairs and
as I entered the apartment, I
noticed Mr. A. Pauldey, owner of
the apartment, was present & I
was talking to him as Dionne came
in. Dionne came into the room
and walked to the bedroom. As he
passed me I noticed he had a
weapon holster in his hand. It was
black leather, it looked like a
German pistol holster. I ask
Dionne to let me see it. He gave
it to me and I opened the holster
and took a pistol out. It was
a revolver. I noticed that it
was loaded. I do not know if
all the chambers were loaded. I
returned it to the case. I know it
was not a P38, German weapon,
because I have seen many P38
German weapons. It did not look
like any Canadian weapons I have
seen. Just as he came into the
room Dionne said he was going
to sell his P38. Dionne came out
of the bedroom with a P38
pistol in his hand. I asked to look
at it. He cleared the weapon

by removing the mag. and working the slide and handed it to me. He placed the mag on the table and left the room. It was a P38 German automatic weapon. I worked the action and pulled the trigger three or four times. I found that the safety catch worked opposite to what Dionne had previously told me. Mr. A. Pouliot was interested in the weapon. So I handed it to him. He examined the weapon but did not work the action. He just looked at it. He then turned around and took the mag off the table and placed it in the pistol and handed it to me. I put the safety catch on first as Dionne came back. I handed the weapon to Dionne saying it was safe. I am not sure whether I said on safe or first safe. Dionne took the weapon and pushed the safety catch up, cocked the weapon and pulled the trigger. I heard a report and a flash saw a flash in front of Dionne. Pouliot was standing to my right facing Dionne who was on my left and slightly forward and facing Mr. Pouliot. I was sitting down and the other two were standing. I heard Mr. Pouliot give a gasp and I turned towards him and

saw Mr. Pauilliz was clutching his heart with his hand. I noticed his eyes roll and he slightly turned and started to fall. Dionne said something and we both caught Mr. Pauilliz and lowered him to the floor. Dionne left the room saying he was going to get one of the stretcher bearers. I started to undo some of his clothes and then went into bed room to get my first field dressing. Just as I came back into room, Dionne entered with a stretcher-bearer of the Company. The stretcher bearer opened Mr. Pauilliz's clothing, and applied a dressing to his back. The police came. Thinks are rather jumbled, I can't remember exactly what happened then. I went to bed room and stayed there, for some time. When I came out of the bed room there were a lot of people in the room. I gathered up my equipment and left the apartment.

Cross-Examination — I noticed rounds in the chambers of the first pistol, not the P.38. - When I handed the P.38 to Dionne, I did not prove the weapon. I did not tell Dionne that Mr Pauilliz had put the mag in the pistol. When I told Dionne the pistol was at safe, I received no answer, he did not acknowledge

in any way that he heard me. I knew which was "safe" because I found out when I worked the action. I did not think Bonnie was going to fire the pistol. I am not certain of relative positions of Bonnie and Pauillier just before the weapon went off. I can't remember how he was holding the weapon when he cocked it. He was not pointing it at anyone. The unit policy at that time was that ~~German~~ captured German weapons were to be kept in our large packs. Both Bonnie and I had our large packs with us. Bonnie kept his large pack in the bedroom.

By Court: I do not know if it was Bonnie's P38 or not. I know of no order from the unit or anyone to turn in German weapons. So far as I knew at that time we were allowed to keep them. Since then I know we have been ordered to turn in all captured German weapons. I believe there are exceptions to that order.

Pros. Rest. Cross-examination waived.

Charles E. McFarren

A-37795 Pte Rivers, R.R. H.Q. 1 I.C.

having been duly sworn states:

I recognize the accused. Sometime when the unit was at Ghent, I don't remember the exact date, I had just received my dinner. Pte Bonne came over and asked

me where my kit was. I told him it was up in my room. He said get it & come quick there is a man that up in my room. I got my kit and went to Devines room. When I entered the room a mans body was lying on the floor on his face inside the room about five feet from door. I pulled off his vest & shirt and noticed a wound on his back. The witness indicated a spot on his back at the left side just at the lower ribs. I applied a first field dressing. Turned the man over and then I saw that he was dead. He had no pulse and his skin was off colour. There was a hole in his lower chest just off centre to left. It was not bleeding. I put a small patch on the wound. I saw that I could do nothing, so just waited for police to arrive. A P38 pistol was lying on the floor at the mans feet. I knew a P38 when I saw one. The next day at police station I saw a P38 pistol on the desk.

Cross Examination:

When I first entered the room Mr Devine and Mr Turner were there. When I first saw the man he had vest and shirt on but no coat.

By the Court: I had a whole course on general first aid in England in

summer of 1943. I became a unit stretcher bearer about July 8, 1944 and have been one ever since. I looked at the Main's eyes, the lids were open. He had eyes of a dead man. When I entered the room, Pte Turner was standing at Main's feet Dionne at his head. They were both highly agitated. The wound was a gun shot wound. The wound in his back was a ragged hole. There were no signs of a struggle in the room.

Lieut. J.W. Pollard, W.E.I. R.C. having been duly sworn states:

I have known Pte Dionne for some time. At one time he was a member of my platoon. During this time I found him to be a steady, honest man and a good soldier. He left my platoon to be batman for Capt Hall Major Kingman. I recommended him for that job. He was not a careless person. He was my platoon runner. I knew him approx 6 months. His standard of training was satisfactory.

D6 - Summing up by Pros.

When Dionne came back, he should have made certain that it was clear before he handled it and made certain it was clear before he pointed it at anyone - and while handling he should have made certain it was not pointed at anyone. In these two instances he has shown negligence.

Address of Defending Officer:

It has not been shown that there was gross negligence on the part of the accused. It was a mere accident that the gun went off. I would like to refer the Court to what I submitted previously.

Summing up by J.A.

D.6. -

The evidence of the Prosecution does not establish a prima facie case against the accused in either charge.

On the first charge of manslaughter the prosecution has not proved gross negligence on the part of the accused. The evidence has shown that Pte Downie did prove the pistol before turning the pistol over to Pte Turner. The fact that Mr Pauling put the magazine in the pistol while Pte Downie was out of the room and that he was not informed of this fact when he took the pistol again was indirectly the cause of the shot being fired. Not because of any negligence on his part. The pistol was not turned over to him properly proved by Turner also. Therefore I feel that the accused Pte Downie was not guilty of the first charge under section 71 of manslaughter. The witnesses for the prosecution have not clearly established the happenings as to the position of the victim Mr Pauling.

On the second charge of unlawful possession the first witness Pte Turner has given evidence that at the time of the shooting it was permissable to have captured enemy pistols as long as they were kept in the large packs. The evidence has shown that the reason Pte Downie did have the pistol in question on was that he intended to sell it. Therefore I feel that the prosecution

-verdict of Not Guilty.

As to second charge all you have to do is ask yourselves Has the prosecution presented any evidence on which you could possibly find the accused guilty? If so, disallow the submission. If he has allow the submission and record a verdict of Not Guilty on the second charge.

H. J. Milligan Capt.
J.A.

The evidence of the Prosecution does not establish a prima facie case against the accused in either charge.

On the first charge of manslaughter the prosecution has not proved gross negligence on the part of the accused. The evidence has shown that Pte Downie did prove the pistol before turning the pistol over to Pte Downie. The fact that Mr. Pavilley put the magazine in the pistol while Pte Downie was out of the room and that he was not informed of this fact when he took the pistol again was indirectly the cause of the shot being fired. Not because of any negligence on his part. The pistol was not turned over to him properly proved by Downie also. Therefore I feel that the accused Pte Downie was not guilty of the first charge under section 41 of manslaughter. The witnesses for the prosecution have not clearly established the happenings as to the position of the victim Mr. Pavilley.

On the second charge of unprivileged possession the first witness Pte Farmer has given evidence that at the time of the shooting it was permissable to have caps and enemy pistols as long as they were kept in the large packs. The evidence has shown that the reason Pte Downie did have the pistol in question was that he intended to sell it. Therefore I feel that the prosecution

has not proved that Pte Dionne was in improper possession of a German automat in P.S.S. and that the accused is not guilty.

Defending Officer

H. L. Plumptre Capt.

D.J.- Comments by Judge advocate on submission by Def. Officer that prosecution has not established a prima facie case.

At this point in the case you are not called upon to decide the guilt or innocence of the accused. You are only asked to decide whether the prosecution has established a prima facie case. In other words has the prosecution adduced or presented sufficient evidence to put accused on his defence? Was the prosecution presented evidence on which you might find the accused guilty of the offence. I quote to you a definition of Criminal Negligence from M.M.L. page 119. Has the prosecution presented enough evidence to convince you that the accused might, not necessarily will, be found to have been Criminally negligent and thus caused the death of Pavillon? If you answer this in the affirmative you should dismiss the submission on the 1st Charge. If in the negative you should allow this submission and record a

D6 Summing up by Judge Advocate.

I again read to you the definition of Criminal Negligence as contained in N. W. L. at page 117. To find the accused guilty you must find that the accused was criminally negligent and thereby caused the death of Pauliby. You must find that his negligence, if any, came within the definition I have read to you.

That this might be negligence on the part of Pauliby has nothing to do with the guilt or innocence of the accused. I might say this last statement has been denied by some judges but I think it is now the accepted view by the courts.

The evidence in this case is clear and there is not much doubt as to the facts. It is for you to decide whether on the facts as you find established the accused was criminally negligent. Remember the negligence must be much more than the negligence in a civil action for damages. It must be so gross as to amount to a crime.

I would also remind you that the accused is innocent until proven guilty. The whole burden of proof lies upon the prosecution. You must give the benefit of all and any doubt to the accused. However it must be a reasonable doubt and not a fanciful one.

Second Charge AA Sec 11 — Disobeying Standing Orders, in that he, in the field in Belgium on 6 Nov 44 was improperly in possession of two captured German pistols contrary to 21 Army Gp Overseas R O No 194.

By direction of the Commanding Officer, the evidence is taken on oath.

First Witness — B.116713 Pte. Turner, C.E.N., a Regt'l Signaller attached to "A" Company, The Highland Light Infantry of Canada, sworn states:-

"On 6 Nov 44 I was billeted with Pte. Dionne at 115-9 Kortryksche Straat, Ghent. On that morning I went up to my room for my mess tins for lunch at approximately 1145 hrs. I was in the sitting room, talking to Mr. A. Pauilliez, owner of the house, when Pte. Dionne came in and mentioned that he was going to sell his German pistol. As he passed me to go into the bedroom, I noticed that he was carrying a revolver in a holster. I asked to see it, and he handed it to me as he went into the bedroom. I removed the revolver from the holster, looked at it, and put it back in the holster and laid it on a chair. When Pte. Dionne returned he handed me a P/38 automatic pistol which he had first cleared by removing the mag and working the slide. I cocked and fired the empty pistol a few times. I found that the safety catch worked directly opposite to what Pte. Dionne had had previously told me. Mr. Pauilliez was interested, so I handed him the weapon, which he took and looked at only. He took the magazine off the table and put it into the pistol, which he handed back to me. I put the safety catch on, and handed the pistol back to Pte. Dionne who had gone to the bathroom while Mr. Pauilliez was examining the weapon.

First Witness (Contd)

Pte. Dionne then pushed the safety catch up, cocked the pistol and squeezed the trigger, and the automatic went off. Pte. Dionne just stood there and Mr. Pauilliez appeared not to be shot, but then he clutched at his stomach and started to fall. Pte. Dionne dropped the weapon and both of us helped him to the floor. Pte. Dionne left saying he would get one of the stretcher bearers. I went into the bedroom and got a field dressing. I was just undoing Pauiliez's clothes when one of the company stretcher bearers, Pte. Rivers came in. Pte. Rivers dressed the wound with the field dressing."

Cross-examined by Officer Detailed to take Summary:-

Q. Was Pte. Dionne in the room when Mr. Pauilliez put the mag back into the weapon?

A. No sir. He was not in the sitting room.

Q. Did Pte. Dionne make any effort to prove the automatic when it was handed back to him?

A. No sir.

Cross-examined by accused:-

Q. Did you say anything to me when the automatic was handed back to me to indicate that the magazine had been put back into the pistol?

A. I only mentioned to you that the pistol was on "safe" as I handed it to you.

Second Witness A.37765 Pte. Rivers, R.R., a Stretcher Bearer attached to "A" Company, The Highland Light Infantry of Canada, sworn states:-

"At approximately 1200 hrs 6 Nov 44 I had just received my lunch at the company cooker when Pte. Dionne ran up to me and asked where my kit was saying that there was a man shot in his room. I got my kit and went up to the room with Pte. Dionne. A civilian was lying on the floor and Pte. Turner was standing at his feet. I applied a field dressing to the wound on back, and turned him over to apply a dressing to the wound on his chest, and found that the man was dead. There was no pulse, no heart beat and the man's skin was pale, but I applied the dressing anyway."

Statement by the Accused

"On coming out of Detention Barracks the 23rd of May I was extremely tired and my nerves were extremely on edge and I needed a rest. I immediately on the following Monday asked Major Willis, my Commanding Officer, for my 7 days leave that was due but instead he agreed only to give me a 48 hour pass. If I would have had that leave, what happened would not have happened, because I was determined to do good from then on. Nevertheless I was satisfied with that pass for the time being, expecting to have my leave soon afterwards.

But unfortunately on the 30 May I went to a party with some friends and had quite a few drinks. Not having a great habit for it, it went to my head so they put me to bed. They let me sleep until Monday morning at about 10 o'clock.

My friends thinking that my pass expired on the Monday noon, as it was on the Monday noon that the passes use to expire when I was with my regiment. They thought it was still the same. So there I was on the 31st of May already in trouble.

Having swore to myself to go straight and to do all possible to keep on going straight I was again in trouble. I went out and wandered about for quite a few hours, asking myself what to do.

I was no good to myself and no good for the Army. I considered myself a failure, I was very depressed and broken.

I had a few pounds and I decided to take a room with a gas ring in it and when my money was gone I would commit suicide, but when I found in the papers that the Canadians were in action in Sicily, I couldn't carry my plan any further. It was stronger than me I had to surrender myself, my King and Country needed me. Now I am in front of my Superior to get my punishment.

With the permission of the Court I ask my judges not to be too severe and that they would give me the opportunity to come back to my duty that I have neglected for some time."

D.R.J.

Plea of Mitigation by the Defending Officer

"Tpr. Dionne enlisted for Active Service, 6 Feb 1940 with The Royal Montreal Regiment (MG). As the first Battalion of the Regiment had proceeded overseas in December 1939, Tpr. Dionne knew that he would cross to England in very short order.
The fact that he had a wife and a child to support did not deter him nor keep him from joining up and eventually proceeding overseas, as one of the first reinforcements to the Canadian units then in England.
At the time of enlistment he was 32 years of age and is now 35 Therefore, due to his age, he was, and still is, even more so now, outside the age limit being called up under the National Resources Mobilization Act.
Therefore the aforementioned points prove conclusively that this man joined up to serve his country to the best of his ability, and not to mention with a certain detriment, to his family.
Arriving in England on 1 Aug 1940 he was immediately taken on strength R.M.R, then (MG). From 1 Aug 40 until 8 Mar 42, Tpr. Dionne had no crime of any kind against him, and his training was most satisfactory. His conduct is further shown to have been of a very high standard, due to the fact that on 6 Mar 42, a new M.F.M. 6 Field Conduct Sheet was created, and an entry signed by his Company Commander at that time Major D.H. Campbell, O.C. "B" Coy. R.M.R.(MG) states "At the end of two years service a new Conduct Sheet was made out. There was no Regimental entries on the old Conduct Sheet."
Tpr. Dionne pleads guilty to the charge before the court to-day, the charge being Absent without Leave, and willingly admits that he has been A.W.L. previous to this present instance, but it is the contention of the Defense that although the guilt in each case rests on Tpr. Dionne, he, nevertheless had not taken leave, wholly without reason, which to him seemed logical and in fact which he could not control, at the time.
The prosecution will no doubt try to show that Tpr. Dionne has a great list of crimes, and that he is deserving of the utmost in punishment, which the Court can impose. However, a check of former charges against this man will show that apart from his Absence without Leave, no other charge, even of a minor character has been laid against him in over three years, of service.
In the present case the accused admits and pleads guilty to having been Absent without Leave and I produce a statement in his own handwriting and signed by him, giving his reason for his action, and also the reason for his surrendering. It must not be forgotten that he did surrender of his own free will thereby showing his willingness to accept the punishment due him, and to place himself at the mercy of the Court, through a plea of "Guilty". Also as it is brought out in his statement, he knew full well at the time of surrender that the Canadian Forces were in action and that he may be called uponto join them as a reinforcement in the battle zone, in the very near future.
The Defense therefore asks, Sir, that the charge against Tpr. Dionne be considered , not only in the face of the length of his absence but also from the standpoint of:

(1) His total length of service.
(2) His long period of over two without a crime of even a minor nature.
(3) The fact that he surrendered of his own accord and now signifies his avowed willingness to soldier properly.

and every effort be made to impose as light a punishment as it is within the power of the Court. Thereby allowing Tpr. Dionne to serve out his sentence, which he is willing to accept, in the quickest time possible and afford him the opportunity to soldier and return to the same status as was his ,prior to 1942.

The Court was closed.

Getting worse myself to contend

I went out and wandered about for

what to do?
If I was no good to myself and no
good for the army, I would be myself a
failure. I was very depressed and heavy
hearted. At last quite a few friends

SUMMARY OF EVIDENCE

Summary of Evidence in the case of No. D 77068 Tpr. Joseph, Zephirin, Philippe, DIONNE, 32nd Cdn. Recce Regt. (RMR), on the strength of No.1. C.A.C.R.U., a soldier of the Cdn. Army Overseas.

The Commanding Officer directs that the evidence be taken on Oath.

FIRST WITNESS for the Prosecution — D 76951 Sgt. Turner, W.H., 32nd Cdn. Recce Regt. (RMR), on the strength of No.1. C.A.C.R.U., having been duly sworn, states,

"I was Sqn. Orderly Sgt. of "B2" Sqn. of No.1. C.A.C.R.U. on the 30th and 31st May 43 and continued as such until 5th Jun 43. At Reveille roll call 31st May 43 at approximately 0600 hours Tpr. Dionne whom I can identify as the accused, present at this Summary, and who belonged to "B2" Sqn., failed to answer his name. I immediately checked the Guard Room to see if his 48 hour pa ss which expired at 2359 hours 30th May 43 had been turned in. It had not been turned in, I therefore reported Tpr. Dionne's name on the Sqn. Absentee Report as absent from 2359 hours 30th May 43. I again called his name on the morning Sqn. parade at approximately 0720 hours, and he failed to answer it. At no time during the remainder of my tour of duty till 5th June 43 was he present at any roll call or parade. While on duty 30th May 43 I made a tour of the barracks but failed to see Tpr. Dionne. From the end of my tour of duty 5th Jun 43 to the present, I have been on duty with "B2" Sqn. except for a leave from 14th to 23rd Jun 43 and I have not seen Tpr. Dionne on any Sqn. parade since I reported his absence, nor have I seen him in the barracks until 16th Jul 43 when I saw him under escort."

The accused declines to cross examine this witness.

SECOND WITNESS for the Prosecution — D 76042 Sqn.S.M. Checkette, G.D.T., 32nd Cdn. Recce Regt. (RMR), on the strength of No.1. C.A.C.R.U., having been duly sworn states,

"I am the Sqn.S.M. of "B2" Sqn. of No.1. C.A.C.R.U. I know the accused and can identify him as Tpr. Dionne, J., who was on the strength of my Squadron during May and June of this year. Tpr. Dionne's name appeared on the Sqn. Absentee Report for 31st May 43. During that day, I covered nearly the whole of the barrack area, my Sqn. area in particular, and did not see Tpr. Dionne anywhere in the barracks. Since that date my duties have led me to take daily Sqn. parades, except for the period of 5th-14th Jul 43, when I was on Privilege Leave, and one or two short leaves, and Tpr. Dionne was not on any of these Sqn. parades nor did I see him in barracks from the time his absence was reported till his return under escort.

The accused declines to cross examine this witness.

~~Candidate~~

I have known the accused ~~personally~~ since training
1st 40 at which time he was in the same Coy
in Canada as myself. He remained in the same
Coy. until proceeding overseas, this accompanied a
brief interval of a few months when we were with
different Units. In early Spring 1941 on being posted
to my unit I went to B Coy, in which the
accused was then a member. I remained with
B Coy for 4 months approx. and during
this time the accused was also with the Company.
So far I can then say that I know the accused
pretty well. In all this time the accused, to the
best of my knowledge, ~~and~~ with the exception of
one or two AWOL's, performed his duty in a very
satisfactory & soldierly-like manner. On checking
his AFW 6, which I have not done, I think you will
find that it is clear of any serious charge for
at least the first two years of the accused service
in the Army & that the only charges contained therein
are two AWOL charges of approximately a week
each and one of a slightly longer period making
a total of three in all. So much for his record.

As to his reasons for spoiling ~~one~~ an other-
wise excellent record by these several AWOL's,
the ~~only~~ reason he gave me was simply that

It has at times become dysarmed and to the point where he has felt that he simply must get away. This, of course he realises is no excuse, but is simply brought to the Courts' attention to explain why an otherwise good soldier should find himself charged as Pte. Dionne is charged to-day.

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

"I hereby certify that I have this day examined . No. B77.94.8

Rank. Pte..... Name. DIONNE J.C.P. and in my opinion he is fit

to undergo trial by court martial

Capt. F.D. Mackenzie R.C.A.M.C.

I would like to say in my defence that I feel that a fair deal has not be given me during the past year.

My first term at Headly was of 60 days and on my release I was looking forward to a leave, during which time I had hopes of a rest and a chance to return to a normal way of living,
After a peroid of that length in detention a man has need of time to get accustomed to being a free man once again.

On my release to No.1 C.A.C.R.U. I applied for leave and while waiting for a reply to my request, I applied myself to all the work I was given to do, Later when I inquired for the answer to my request for leave, I was bluntly told that I was not to be granted it.

Others who had returned the same time as I did were granted leave and after having looked forward to my leave and having tried so hard to prove that I wanted to become as good a soldier as I was in my machine gunner days,this abrupt treatment discouraged me, I felt that I was not being fairly dealt with and made the misteke of taking the law into my own hands and went away on my own.

I returned after a period of 45 days and gave myself up to the military authorities and at my court martial for this offence was sentenced to 9 months detention.

I served 4 months of this sentence and was then released on a supended sentence because of my good conduct while in detention.

On my return to No.1 C.A.C.R.U. I applied for leave to readjust myself before continueing with my normal army duties.
This time I was told that it would be granted to me in two weeks time.
I was paraded to my C.O. but he was not able to see his way clear to grant me my leave sooner.
I made up my mind to stand by the rules and wait the two weeks and do whatever was asked of me without complaint.
The work given me was all dirty fatigue duties and all of long hours
I was not free any evening to go out of camp but with the thought of my leave being granted in the near future I took all that came my way and did not complain.
Before the two weeks were up I was sent from No.1 C.A.C.R.U. to my regiment arriving at the regiment on Dec,21943 in the late afternoon
The next day I was put on picket duty and I was informed that on the Saturday I would be on kitchen fatigue.
I felt very fed up and disappointed because once again I felt I had tried to show my willingness to soldier only to find that my promised leave was not being granted.

I left without permission without giving enough thought to the situation and only thendid I realize that I had made a foolish move, with the thought always in my mind of having to go back to Headley for at least five months as a result of my actions you can realize that I was not very keen about returning and giving myself up.
I did finally make up my mind to face what was in store for me and returned to the regiment and gave myself up.

I am fully aware of the foolishness of my thoughtless attempts at adjusting what I felt were injustices to me but feel that had I been given more consideretion I would be today a useful member of my battalion instead of being under arrest,
If you would grant me one request, a thing I feel would give me a chance to once again find myself and my old ambition
If possible could I be posted to a regiment in service overseas.
This I feel would give me my chance to once again be a useful soldier as I once was.

Statement of Witness

B. 161592 Pte Leo Devine having been duly sworn states: At approx 0830 hrs 26 Sept '45 I was present at the Platoon warning for the attack. I was in # 4 Sec 14 Pl, about 50 yds from the start line we came under enemy shelling and we were pinned down approx 30 minutes. The the Sec Leader ordered us to move foward, which we did for approx 300 yds, and we then came under shelling for another 15 minutes. We move up a little and the Sgt called out wait I see three dug-out. Then he told us to take cover under the dug-out. We were then told to stay there till the orders to move off. We stayed there from approx 1100 hrs till 1800 hrs. At approx 1800 hrs the Sgt said our objective was approx 150 yds ahead, and we then started off. The Sections were all mixed up and I couldn't find mine, I then call out: "Where is # 4 Sec?" A few minutes later I found it and reported it. Then the Sgt said we must double to the objective. Near the objective an enemy gun opened up on us and we took cover. enemy shelling started again so I jumped in a nearby slit-trench. I then asked where my section was. Somebody answered: "we are here." - I'm almost certain that "E" Coy was still there, when I received the answer. Then all of a sudden Pte LaPlante (No. B 155391 Pte) jumped in my slit trench.

Then I was trying to contact my section and everytime I popped out to see, snipers of the enemy weapons would fire at me. I then said to myself: "Should the section move off, they will warn me."
A heavy barrage then came down after which I call for # 4 Sec and received a reply: "We are here." — Then not wishing to repeat such calls and feeling they knew where I was I felt they would warn me when they moved. The answer I received when I ask them to inform me when they moved, was: "Yes we shall warn you." We were not warned to move until the time Major Rochon came to the trench and told us we were in the wrong Coy area. I proceeded to C Coy area with Pte La Plante and when I reached there I could not find the Pl Sgt nor my Sec Leader. The first time I saw them was at breakfast at 0000 hrs 27 Feb 45. I saw my Sec Leader and he said "Oh here you are, I thought you were dead." I then explained what had happened.

X-EXAM by prosecution

Q1. THE LAST TIME YOU ASKED WHERE IS # 4 Sec DID YOU SPECIFY "C" Coy?

ANS: NO.

Statement of EVIDENCE of D-157668 Cpl LAFERTE M.

of the R de Chaude having been duly sworn states: "I am D-157668 Cpl Laferte M, I recognize the accuse as Pte Dionne Les. I am Section Comm. of #4 Sec "A" Coy. We were consolidating on our own A Coy objective as "C" Coy was passing through our Coy going into an attack. It was approx 1900 hrs 26th Feb 45 and getting dark. Shells were dropping all around the position, so C Coy personnel took cover with A Coy. Somebody yelled: "Where is #4 Sec". I answered "Here is #4 Sec". — We A Coy was along a hedge on one side and C Coy went through on the other side of the hedge. The voice had come from the other side of the hedge asking to warn them when the section moved off. The following morning at approx 0700 hrs Major Rochon R. and Sgt Derbate #8 PL Sgt, inspected our Positions and noticed Pte Dionne, the accuse, in a slit trench just across the hedge about twenty feet from my section position. Major Rochon asked Pte Dionne what are you doing here. The answer was: "We are waiting for our section to attack." Major Rochon then asked: "Where is your section. The answer was: "Just across the hedge." — Major Rochon told them that the section across the hedge was A Coy not C Coy. Pte Dionne answered: "No Sir it is #4 Sec of C Coy; because we were

told last night that we would be warned when to move off. We waited all night for instructions. Pte Devine got out of his slit trench and noticing he was in the wrong Coy, he then proceeded to his own Coy, C Coy.

Statement of Character by Sgt Chartrand R.

Pte Hemmel L has been in my Platoon since late January 45. His conduct was always good and I have nothing but to say that he was always a good soldier in the field. I am almost sure that if Pte Hemmel L. did not reach his objective there must have been a misunderstanding somewhere.

Summary of Evidence

IN THE CASE of A 106635 Pte Melvin Joseph Dionne, Lincoln & Welland Regt., Canadian Army Overseas, charged with

(1) Desertion

(2) Using insubordinate and threatening language to a superior officer

(3) While in lawful custody, escaping

(4) Disobeying a lawful command in a manner calculated to show a wilful defiance of superior authority

The CO directs that the evidence betaken on oath.

First Witness

Capt JP Stewart, 8 Cdn Pro Coy, sworn, states:

"I am OC 8 Cdn Pro Coy. At approx 2200 hrs 14 Sep 44, accompanied by Lt CL Ray and D98558 RSM Knight WH, both 8 Cdn Pro Coy, I entered the Central Cafe, Bruges. Shortly after my arrival I noticed several officers of 4 Cdn Armd Div attempting to quiet a Cdn soldier. This soldier was using abusive language and later began to swing his fists at one or two offrs who were standing nearby. I grabbed his arm and assisted by Lt CL Ray and D98558 RSM Knight WH forced him to the street where he was turned over to L4 L/Cpl LaBelle A and K53402 L/Cpl May AE, 8 Cdn Pro Coy. This soldier was later identified as A106635 Pte Dionne MJ, D Coy, Linc & Welld R. It was difficult to tell whether or not he was drunk due to the fact that I only saw him while he was wrestling with two or three offrs. He certainly had been drinking. The offrs with whom A106635 Pte Dionne MJ and his companion, A105652 Cpl Voegtle DA, were arguing dispersed soon after my arrival and it was not possible to identify the individual offrs concerned. The cafe concerned, on the date in question, was open to all ranks although, on the previous day, it had been out of bounds to Other Ranks."

The accused declines to cross examine this witness.

Second Witness

B41286 Sjt Christie AF, Linc & Welld R, sworn, states:

"I am Pl Sjt of 17 Pl, D Coy, Linc & Welld R. On 13 Sep 44 forty men of D Coy were on an op roll in sp of the Algonquin Regt. One of these was A106635 Pte Dionne MJ who is a member of my Pl. The men returned on the afternoon of 14 Sep 44. They were told to rest until 1700 hrs and then they could proceed into Syseele until 2200 hrs. I checked my Pl at 2215 or 2230 hrs and found that A106635 Pte Dionne MJ was missing. I reported this to my Pl Comd, Lt Dickie. At that time it was generally expected that the bn would be engaged in an op roll in the very near future. At approx 1100 hrs 15 Sep 44 the bn was moved on an op roll into the city of Heeloo. On the morning of 16 Sep 44 A106635 Pte Dionne MJ was returned to the Pl. He was not with the pl during our move into the city."

Third Witness

Lt CL Ray, 8 Cdn Pro Coy, sworn, states:

"I am a member of 8 Cdn Pro Coy. At approx 2200 hrs 14 Sep 44, accompanied by Capt JP Stewart and D98558 RSM Knight WH, 8 Cdn Pro Coy, I entered the Central Cafe, Bruges, shortly after a fracas arose. I do not know the cause but two soldiers under the influence of drink had apparently taken exception to something about some of the offrs present. One of the soldiers, later identified as A106635 Pte Dionne MJ, Linc & Welld R, had apparently started to fight someone. Capt JP Stewart intervened and then, assisted by D98558 RSM Knight WH and myself, got him to the door. The other soldier, later identified as A105652 Cpl Voegtle DA, Linc & Welld R, left more or less peacably. I turned them over to two L/Cpls of 8 Cdn Pro Coy."

Cross examined by the accused:
Q. "Would you swear I was drunk?"
A. "I would swear that you had been drinking but not that you were drunk."

"I am RSM of 8 Cdn Pro Coy. At approx 2200 hrs 14 Sep 44 I entered the Central Cafe in Bruges with Capt JP Stewart and Lt CL Ray, 8 Cdn Pro Coy. There seemed to be some sort of disturbance. I do not know the cause but two soldiers under the influence of drink were arguing with a group of offrs. One of the soldiers started to fight. I recognize him as the accused A106635 Pte Dionne MJ. Capt JP Stewart intervened and assisted by Lt CL Ray and me, got the soldier to the door where he and his companion, A105652 Cpl Voegtle DA were placed in the custody of two L/Cpls of 8 Cdn Pro Coy."

Fifth Witness

M60275 Cpl Young G, 8 Cdn Pro Coy, sworn, states:

"I am a member of 8 Cdn Pro Coy. At about 2240 hrs 14 Sep 44 while I was on Stand To duty at E Sec HQ, 8 Cdn Pro Coy, in Bruges two Canadian soldiers were escorted into Sec HQ by L4 L/Cpl LaBelle A and K53402 L/Cpl May AE. They were identified as A105652 Cpl Voegtle DA and A106635 Pte Dionne MJ, D Coy, Linc & Welld R. A106635 Pte Dionne MJ had no identification of any kind on his person and when asked for his Pay book he replied,'Fuck you bastards, that is your job. Find out for yourself.' Both men were then taken under escort from E Sec HQ. After leaving there A106635 Pte Dionne MJ escaped. He was chased for a distance of approx 100 yds and in the dark he tripped on the road curbing. He was then taken to the Civil Police Stn in Bruges and while being placed in the cells he made the following statement, 'When I get my gun back I will shoot every God damned Provost I see, whether on traffic duty or not.' Both men had been drinking but were not drunk."

Cross examined by the accused:
Q. "Who gave you my name and number?"
A. "Cpl Voegtle did."

"I am a member of 8 Cdn Pro Coy. At approx 2230 hrs 14 Sep 44 while on town patrol with K53402 L/Cpl May AE, we were going down High Street when some offr told us there was trouble in a cafe which he pointed out. We went to the cafe and when we reached the door two two offrs and an RSM were trying to get A106635 Pte Dionne MJ out the door. A105652 Cpl Voegtle was standing to one side watching the struggle. I was told to take the two soldiers and place them under close arrest. They were both disarmed at the time they were handed over to me. We took them to H Sec HQ, 8 Cdn Pro Coy, and turned them over to M60275 Cpl Young G. A106635 Pte Dionne MJ had no identification on his person and when asked for his Pay book he replied, 'Fuck you bastards, that is your job. Find out for yourself.' M60275 Cpl Young G and I then took them under escort and when outside A106635 Pte Dionne MJ escaped. He was chased for about 100 yds until he tripped over the curb in the dark. The accused was warned as follows:

"Do you wish to make any statement or to give evidence upon oath? You are not obliged to say anything or to give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing, and may be given in evidence."

The Accused: "I desire to give evidence under oath."

The Accused, A106635 Pte Dionne MJ, Linc & Welld R, sworn, states:

"On the evening of 14 Sep 44, at the time of the disturbance in the cafe in Bruges, I was drunk. I was with A105652 Cpl Voegtle DA. We had consumed five or six bottles of cognac during the day and early evening. I remember being in some cafe and someone trying to put me out. At the time I did not know who they were. That is all I can remember concerning the affair. The following morning I found I was in the civil goal. M60275 Cpl Young G, 8 Cdn Pro Coy, came in and asked me who I was and after a little argument I told him."

M J Dionne

The Accused states that he desires to call A105652 Cpl Voegtle DA as a witness in his behalf:

A105652 Cpl Voegtle DA, Linc & Welld R, sworn, states:

"I was with A106635 Pte Dionne MJ on the evening of 14 Sep 44 at the time of a disturbance in a cafe in Bruges. In my opinion he was well under the influence of liquor at that time. The disturbance started with an argument when some offrs who were drinking there seemed to think the cafe was out of bounds to us. On the following morning, 15 Sep 44, in the Civil goal in Bruges, M60275 Cpl Young G, 8 Cdn Pro Coy, asked our names. A106635 Pte Dionne MJ objected at first but when I had given my name and number he did likewise."

PLEA IN MITIGATION

May it please the Court.

Pte Dionne has been in the Army since Aug 1942. At that time he volunteered for Active Service, joining the Fus Montreal. He came o/s in Aug 1943. One month later after being transferred to the R 22 R he landed in Italy.

In a very short time he was in action as an infantry man and for one and one half months he played his part in continuous fighting to the best of his ability.

He was wounded in one of the fiercest actions of the campaign in Italy, that during which Major Paul Triquet won the V.C. Then followed that long and tiring sequence of hospitalization, convalescence, reboards and Holding Units.

It was during this trying time that Dionne, unfit for further action, absented himself without leave. May it please the Court to consider these facts and deal as leniently as possible with this man.

SUMMARY OF EVIDENCE

In the case of D.163157 Pte Paul Emile DIONNE CIC, on strength of No. 2 Cdn Gen Rft Unit, a soldier of the Canadian Army O/S.

By direction of the CO, this Summary is taken on oath.

Letter of Mitigation for—

Pte Dionne M.J.

April 19 1945

Gentlemen - as you know this man has been to the front. The atmosphere and conditions of the battle front tend to change a man. He becomes slightly high strung and I may say a little bolder. This condition remains with him and often causes much worry.

This man is having trouble with his wounds. He has been to see the doctors but with no result. As a matter of course he took the attitude that the army didn't care about him so he decided not to care about the army.

He realizes now that he made a grave mistake and hopes that you will be lenient with him.

I would like you to recommend him for attention by the doctor.

(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. Trooper Russell Allen Schier having been duly sworn gave his evidence:

On 13 Apl 1900. I was at Fontaine le Bourg approx 2 miles south of unit location. At that time I thought I saw Dispatch ride into the town on his m/c. I went back to camp to find Dispatch and warn him that he was not to leave camp. I returned back at camp and asked Sgt Parkwood of the Ord Room as to Dispatch's whereabouts. He did not know but he thought he was in the M.T. lines. I asked Sgt Parkwood if he had given Dispatch permission to leave HQ and go to the M.T lines and he said he had not. I went to the M.T Lines but could not locate Dispatch. I made a thorough check of the unit area - Dispatch was nowhere to be found. I completed this area check by 1920 hours. At 1930 hours I met Sgt McKay who was ordered to re-search the area and to report to me if Dispatch's whereabouts. Sgt McKay reported back to me that he had searched the area and could not locate Dispatch. I then instr Sgt McKay to place Dispatch under close arrest when he returned. Dispatch reported to HQ at approx 0540 hrs 14 Apl and I ordered him placed in close arrest.

Q. Explain the duties of Dispatch. 6

A. The D.Rs of this unit have all been personally

insts by me as to their duties. On Sept 2 Dipietro of A was made a D.P. 1 and on Sept 9 he outlined his duties and instructed in his duties which are - he will make his runs with as little delay as possible. Report immediately back to Sgt Packwood at Guy Office or to me or Sgt night when we are not around to the duty clerk. I explained that the sleeping quarters would be in the immediate vicinity of the Guy Office and that he must be there at all times when not on a run. I explained that if he required time off to even go for a walk or any thing that would take him away from the he must first get permission from Sgt Packwood or me and he must be where he said he was going to be and when excused he must be available to make a m/p run in 5 minutes notice. I explained this clearly to Dipietro on both occasions and he said he understood.

Q2. Had the accused reported to you on the past when he wanted to go out.

A2. Yes.

~~Q3 Why was it necessary to explain Dipietro's duties on 2 occasions~~

~~A3 I explained Dipietro's duties on the 9th because he had already left the place of duty on Sept 2nd without~~ Objection by defense and sustained by the court.

Q3 by defense. Were you alone in Fontaine le Bourg.

A3 No.

Q4 What was the D.P. you had doing.

A4 Just driving. It turned near me and went

and must back towards camp.

Q.5 Did you see the unit no on the m/c.

A5 NO.

Q 6 Why did you think the M/C belonged to the unit.

A6. The prosecutor objects to this questionary stating that the evidence is relevant and that the accused is on trial for the of A.W.L. from his unit at 1920 hrs not for being in Leave Fontaine le Bourg at 1930

The court is closed at 1030 hrs to consider the objection

The court re-opens and rules that the defence can question the witness on any point mentioned in his evidence. Re-opens at 1035

A6. I dont know why I thought the m/c was of our unit except that it appeared to have turned back in a hurry when it saw the R.P. and my vehicle.

Q 7. By virtue of the fact that the unit has other D.R.s why did Dispatch come to your mind

A7. I didnt know it was necessarily Dispatch but I had reported him on the 9th of Sept. against leaving the camp area and didnt know whether or not he was still misusing the privilege of leaving that m/c. When I returned to camp I checked and found his m/c was the only one missing.

Q8 Why didnt you stop the m/c when you saw it.

A8 I was in the market place when I first saw it and by the time I could do anything it had turned about and had gone.

Q9 Was there a duty D.R. other than Dispatch?

A9 All D.R.s are on duty at all times

Q 10: Have any control instr on D.Rs been given in writing.

SUMMARY OF EVIDENCE

In the case of D-163094 Spr DiPietro A.S., of 1 Cdn Road Construction Coy., R.C.E., C.A.O.S. On a charge of absenting himself without leave from his place of duty. A.A. Sec. 15 (2).

The Commanding Officer directs that the evidence be taken on oath.

FIRST WITNESS

Lieut Russell Allen Shier of 1 Cdn Road Construction Coy., R.C.E. an officer of the Canadian Army Overseas, being duly sworn, states:

"I am Lieut Russell Allen Shier, Administration Officer of 1 Cdn Road Construction Coy., R.C.E. On 2 Sep 44 Spr DiPietro was sent to me for fullinstructions as to his duties as despatch rider. I explained to Spr DiPietro as far as the job was concerned, he was on two weeks probation. I explained that when he was dispatched on a run that he must go to his destination and return immediately to Unit HQ and report to Sgt Packwood,or whoever was on duty,regardless of whether or not he had a despatch to deliver. I also explained that his billets would be in the immediate area of the Orderly Room and that he must not leave that area at any time, even to go elsewhere in the camp area without authority from Sgt Packwood or myself, and that his exact location when in the camp area must at all times be known by the Orderly Room Staff. That he must always be available to make a run on five minutes notice unless previously excused. Spr DiPietro was again warned and instructed by me of his duties on 9 Sep 44.

At approximately 1900 hours on 13 Sep 44 I inquired of Spr DiPietro's whereabouts at Unit Orderly Room, but could not find out where he was. I then personnaly made a thorough check of the Unit Area and Spr DiPietro was not to be found nor was his motorcycle. I returned to the Orderly Room and instructed Sgt MacKay to re-check the entire Unit Area. At approximately 0545 hours on 14 Sep 44 I saw Spr DiPietro talking to Sgt MacKay. In instructed Sgt MacKay in Spr DiPietro's presence that if Spr Dipietro had not already been placed under close arrest, that this must be done immediately with no further argument. I had not given the accused leave to be absent.

Cross-examined by accused:-

Question Sir you saw me quite clearly in Fontaine-le-Bourg at about 1830 hours on 13 Sep 44. Why did you not mention this in your testimony?

Answer No I did not see you quite clearly at that time but I did think it was you and I asked Spr Dargus who was with me, if that was not Spr DiPietro on the motorcycle. His reply was that he was not sure. I returned to the Unit to warn you about being away from the Unit Area but on my return you could not be found. The reason I did not give this in my evidence was that I could not swear that I had recognized you in the village and you had made the statement before the O.C. this morning that you had not been out of the area after you returned from your run at approximately 1630 hours. I did not think that statement was the truth at the time but I could not definitely refute it.

Question Did Sgt MacKay check the trucks in which we had been sleeping while on the convoy?

Answer I don't know of which trucks Sgt MacKay checked the loads, but while I made my personal search of the area, I am quite sure that there was no truck parked between the kitchen and the Legion Services' Lorry which remained in this location over night. Regardless of what trucks Sgt MacKay investigated your sleeping quarters were in the tent left up for the Headquarters Staff.

Examined further by the Officer taking the Summary:-

Question When Spr DiPietro reported back to the Unit from his run about 1630 hours, do you remember what he told you?

Answer To the best of my knowledge I spoke to him of the return of the lorries which he had D.R.'d. I also told him that he would act as D.R. in the morning on one of the first Unit Convoys to leave.

Question Did Spr DiPietro tell you that his motorcycle was damaged?

Answer No.

Question Did Spr Dipietro say anything at all to you regarding the condition of his motorcycle on his return to camp at about 1700 hours?

Answer To the best of my knowledge the answer is no. Our conversation at this time was quite brief and I did most of the talking. I definitely was not left with any impression that his motorbike required any major maintenance previous to leaving in the morning.

Cross-examined by accused:-

Question Do you remember that I told you of the accident which I had had?

Answer I believe you mentioned this and my reply was to inquire if your and your machine were OK and ready to move off, and your answer was yes. It was at this time that I gave you instructions to D.R. one of the two fast convoys in the morning.

Question After this do you remember that I told you I had some work to do on my machine?

Answer No.

SECOND WITNESS

L-25810 Sgt MacKay J A/CSM of 1 Cdn Road Construction Coy., R.C.E. a soldier of the Canadian Army Overseas, being duly sworn, states:

"I am L-25810 Sgt MacKay J.A/CSM of 1 Cdn Road Construction Coy., R.C.E., C.A.O.S. At approximately 1930 hours on 13 Sep 44 the Adjutant instructed me to search the Camp Area for Spr DiPietro. I went through the lines, and over to the M.E. Section, but could not find Spr DiPietro or his motorcycle. Then again at about 2200 hours I searched the Camp and still could find no trace of Spr Dipietro or his motorcycle. I next saw Spr Dipietro at about 0640 hours on 14 Sep 44 and I then placed him under close arrest.

Cross-examined by accused:-

Question Did you notice on your search of the camp area a 60-cwt G.S. Lorry between the Legion Services and the kitchen?

Answer I saw no 60-cwt G.S. Lorry in this area, but I did see a 3 ton dump Lorry loaded with tin from the Officers' Lines.

Examined further by the Officer taking the Summary:-

Question — Did you while looking for Spr DiPietro make any mention that you were looking for him to Spr Cole?

Answer — No Sir.

Question — Did you at 2200 hours when you were looking for Spr Dipietro see a 60-cwt G.S. Lorry between the Legion Services and the kitchen?

Answer — I could not say, there were so many lorries around there.

Question — When you asked Sgt Cowger if he had seen Spr Dipietro where was he ?

Answer — By the Tech Stores in the M.T. Lines.

THIRD WITNESS

L-33035 Sgt Cowger C.L. of 1 Cdn Road Construction Coy., R.C.E., a soldier of the Canadian Army Overseas, being duly sworn, states:

" I am L-33035 Sgt Cowger C.L.,M.T.Sgt of 1 Cdn Road Construction Coy R.C.E., C.A.O.S. On the 11 Sep 44 I was in charge of a convoy proceeding to the CAEN area. During this trip Spr DiPietro, who was the D.R., was forced in the ditch by a transporter and that night he told me he was shaken up and that the bike caused him trouble from then on, which caused him to make frequent stops. At ABBEVILLE on our return on the 13 Sep 44, Spr DiPietro told me at about 1000 hours that he was not sure if he could ride back to the Unit location. At 1000 hours we were told to return and I told him to leave, when he could, after eating. I next saw Spr Dipietro at about 1700 hours that afternoon and again at about 1900 hours when he was talking to Capt Huxley, Lt Hickey, and myself at the Teck Stores in the M.T. Lines. I did not see Spr Dipietro again that night."

Cross-examined by accused:-

Question — On the 11 Sep 44 do you remember that prior to our leaving I told you that the gaskets on my bike needed replacing and that the bike was losing oil?

Answer — Yes.

Question — Do you personally know that my bike stopped on me twice during the trip?

Answer — I saw you forced to stop in ROUEN.

Question — Could a stoppage in the fuel line cause backfiring through the carburettor and cause the bike to quit?

Answer — It would cause backfiring but it would have to be a complete block to cause the biketo quit.

Examined further by the Officer taking the Summary:-

Question — Did you see Spr Dipietro forced in the ditch?

Answer — Yes.

Question — On your return to camp was it reported to you that Spr Dipietro's bike was not in running condition and required attention immediately?

Answer — No.

Question — Would it normally be reported to you?

Answer — Yes

Question — What were the exact damages to the bike of which you were aware?

Answer — The headlight shield was off, footrest bent and possibly the clutch release lever was bent.

Question — To the best of your knowledge was there any reason why Spr DiPietro should make repairs to his bike or be away from the Camp Area to test the bike?

Answer — No.

Question When you saw S-r Dipietro at 1900 hours was the bike with him?
Answer He was talking to us while on his bike.
Question 'id he ride off on the bike, and if so in what direction?
Answer Yes, and I believe he went in the direction of the Orderly Room across the fields.

On the 13 Sep 44 at about 1800 hours I saw Dipietro on his bike near the Orderly Room going towards the M.T. Lines. I called him back and asked him if we should load his bed or leave it till next morning. He said he would get up in time to load it. His bed was at that time between the latrine and the place where our tent had been, quite near the Orderly Room. I had not given the accused leave to be absent.

Question Do you remembermy saying to you that I wanted to go to bed early as I was tired?
Answer Yes I remember something about it but I don't remember what was said.

D-163094 Spr. DiPietro, A.B. of L Cdn Road Constr. Coy., RCE, a soldier of the Canadian Army Overseas, being duly sworn, states:-

On the 11 Sep. 44, I was sent as D.R. with a convoy of 18 lorries. During the trip I was quite sick but I remained on the motorcycle. I also had quite a lot of trouble with my machine as Sgt. Cowger knows and I was forced to stop a few times for repairs which I did myself. After my trip was completed, Sgt. Cowger told me to return to the unit alone from Abbeville. I arrived back at 1630 hrs. on 13 Sep. 44 and reported to the orderly room. I was told by Lt. Shier that I would D.R. the fast convoy at 0645 hrs. on the 14 Sep. 44. I then told him my bike was not in good shape and that I intended to try and repair it. I then went to supper. Afterwards I worked on my bike for a little over an hour in the bike area of the M.T. lines. After I had finished, I took the bike out on the road for a trial and it was during this time that I was in Fontaine-le-Bourg. My trouble with the bikehad been on fast driving and I gave it a good fast trial. I returned at the kitchen at approx. 1930 hrs. and I stopped at the kitchen and I asked Spr. Lloyd if there was any tea as I was still not feeling well. I also saw Spr. Forsyth afterwards while I was cooking corn and I believe he saw me. At approx. 2000 hrs. I decided to go to bed in the truck and I got my blankets. I then made my bed in Spr. Cunningham's truck. At approx. 2200 hrs. Spr. Cole and CUnningham also came in. It was then I was told for the first time that I was wanted. I was very tired and did not get up. I must have been half asleep. Next morning, at 0545 hrs. I saw Sgt. MacKay and asked him why I was wanted and he told me Lieut. Shier wanted to see me. A few minutes later when I saw Lieut. Shier, I heard him tell Sgt. MacKay that I was to be put under close arrest. During the night my motorcycle was by Sgt. MacKay's tent in the Plant Section area.

The accused, who has been in the army nearly three years, has had, until joining this unit, a clear crime sheet. It would appear strange that as soon as he joined the unit he began getting into trouble. There must be some reason. Being a French Canadian among English he began to think the there was a predjice against him. And well he might. Upon looking over the evidence it is shown in the Administrative Officer evidence, that he the Adm. Officer personally made a search, in spite of the fact that in Sgt. Packwood's evidence the D.R.'s had often neglected to report their whereabouts to the Orderly room. If you can visualize yourself as a Sapper I am sure that this would evidence predujice. Furthermore, after he had returned from a 3 day convoy, tired, weary and suffering from schock the Adm showed no interest whatever where this man would sleep. Naturally this would lead him to belief that nobody cared. Nor did the Adm show any interest whatever how badly the man was hurt.

These items ~~xxxxxx~~ are on this occasion only--contributing to the accused's attitude toward the administration--and when such things have been going on for four months naturally he though they were predjuiced against him.

Furthermore it would seem that the Adm were very confused at the time for when they were of the opinion that he was away with the motorbike they made no attempt to have a muster parade--they did not check the petrol in the motorbike or the speedometer when it was found next morning

There is evidence that this man is a good D.R. There is actual proof here of a D.R. doing maintenance , something the army has been demanding for years. In spite of the injuries received as in Sgt. Cowger's statement he continued to ride, he stayed on the job, at his post. When Mr. Shier informed him that he would be on a fast convoy the following morning his first thought was to get his bike in shape. A motorbike is a variable thing. In order for him to have it in condition to handle a fast convoy he must needs check his carburetor, which had been giving him some trouble. He adjusted it and tested it out. In order to test it properly he must attain a speed between 40 and 50 m.p.h., and to build up this speed he must needs travel one or two miles. Even Sgt. Cowgers evidence as regards the condition of the motorbyke shows some bias--he appears to be ignorant that the bike needed repair, and yet speaks of the headlight shield being off, footrest bent and possibly the clutch release lever was bent. It is impossible for a bike to show such exterior injuries with out suggesting a thorough check up on it internally. Moreover the Transport Sgt. does not ride a motorbike and is actually not acquainted with the "Matchless"

There is evidence of misunderstanding on the part of the accused. He returned after 3 days to a camp loaded unto trucks and ready to move. They didn't use him for 3 days, he understood the wouldn't need him till morning and he slept in the same place as he had slept the previous 3 nights, namely the truck, which itself was parked only about 100 yds from the orderly room. He has a fear of the Adjutant--he refrains from questing him too closely fearing a curt or sharp unpleasnat reply. There are no written orders or regulations from the Coy itself governing the conduct of D.R.'s--every thing was in shambles, the unit was ready to move off.

The accused done what he thought was the right things. He checked his bike, made himself a snack and proceeded to bed. There is no evidence that he attempted to do any wrong--waht he did was quite natural under the circumstances.

That is all I have to say

SUMMARY OF STATEMENT IN MITIGATION, CHARACTER EVIDENCE, and ADDRESS OF ACCUSED OR HIS DEFENDING OFFICER

Statement in Mitigation by Defending Officer attached hereto.

HS9917 Gnr Critchfield William Henry.

Statement on Mitigation of Punishment

I recommend to the Court that leniency be shown in the case of the Gnr.

Although his age, according to his attestation papers is 21 years, Records, which have investigated show that his correct age is now only 18 years. He was born on 29 July 1924.

You will observe that he is already under sentence of 90 days Detention. Due to the thought of 90 days confinement at such an age he broke down and had an epileptic fit. He did not understand the consequences when he went AWOL on 9 March 43. He knew another man took leave and when he thought of the moment, freedom, before the Second followed.

Under the circumstances may I again ask the Court to show leniency in this case.

Reporting Officer.

Address Surrey Joint Police, Haslemere.

Age 42. Occupation Police Sergeant. 29.

States:- "At 8.40.a.m, the 10th March.1943, I was at Haslemere Police Station, when Gunner William DITCHFIELD. No.H/59917 of "A"Battery, No.3. C.A.R.U. was brought into the Station by T.C.475.Dibble.

"I asked Ditchfield for his Pay book and Pass. He said he had left his Pay book in camp, he did not require a Pass, as he was allowed to be out until 7.a.m. I pointed out to him that the time was now well past 7.a.m.

"Owing to the dirty state he was in, I asked him where he had stayed the night, he informed me that he had been with his girl at "Beech Nut", Farnham Lane, Haslemere.

"I thought his story was untrue, and rang his unit, the Officer with whom I spoke to over the phone, said he would send an escort down for Ditchfield, and pending the arrival of the escort, he was placed in the cells, he had no personal property. The escort arrived at 9.10.a.m, the 10th March.1943, and the prisoner was handed over to S/Sergt.Lamar.

"T.C.Dibble was approached by Ditchfield, who asked him where a canteen was. Dibble questioned him, and not being satisfied with his explanation brought him to the Station for further enquiries to be made."

Plea in mitigation by Defending Officer herein attached

Defending Officer's

PLEA IN MITIGATION OF SENTENCE
in the case of

H 59917 Gunner DITCHFIELD, W.H.

During the time this man has been in detention he has found it to be the custom for prisoners to be free from work on Sundays in order to bathe, wash their clothes and otherwise attend to any personnel work they might have to do. This is the only time during the week that they have a chance to do this, and it is obviously necessary that they have the opportunity.

On this particular Sunday, this man, and other soldiers under sentence had been required to work all morning. Although this was not customary, they made no complaint. They did expect that they would be permitted to do their work during the afternoon. When they were called upon about 1300 hours to scrub out a large lecture hall they grumbled, as was natural. Feeling let down and cheated out of the time they had been accustomed to regarding as allotted to their own personnel work they did not obey the command that had been given to them. There was no collective action, but this man felt as the others did and acted in the same way.

Gunner Ditchfield gave his age on enlistment as 19 years, but in actual fact he was only 18. When a boy of those years gives a false age in order to get into the Army during a war, he does so because he wants to fight. Gnr. Ditchfield was sent to a unit in the field, and while he was there he had only one minor offence charged against him. However, he was sent back as under age and he has been feeling since then that he has not been used to the best purpose by being kept in a Reinforcement Unit. He wants to be where he will have a chance to get into the fight when it starts. As a result, he feels disgusted with things in general, and has not done as well as he should have in consequence.

SUMMARY OF EVIDENCE IN THE CASE OF
H 59917 Gunner DITCHFIELD, W.H.
"A" Battery, "P" Training Wing,
No. 3 Gun. Arty. Rein. Unit.

The Commanding Officer directs that the evidence be taken on oath.

1st Witness for Prosecution D 9224 S/Sgt. Lamarre, J.B., Regt'l Police, No. 3 C.A.R.U., having been duly sworn, states:-

"I am S/Sgt. Lamarre, J.B., of the Regt'l Police, No. 3 C.A.R.U. At approx 1300 hrs on the 28th of Feb. 1943 I was in the Regt'l Police Hut. I gave an order to L/Bdr. Horne to send Gnrs. Ditchfield, Melnick and Waldeck to scrub the large lecture room which I was ordered to do by Capt. Parker. L/Bdr. Horne called for me and reported that these three men refused to go out and scrub the lecture room, so I talked to them and gave them another chance to go out and work and asked them if they knew what it meant to refuse to obey an order and they replied that they were not going out to work on Sunday. They wanted to wash their clothes and take a shower. I told them that it was only for an hour and that they had all the rest of the afternoon to do their washing and have a shower but they still refused to do their work."

The accused declines to cross-examine this witness.

2nd Witness for Prosecution F 80885 L/Bdr. Horne, D.J., Regt'l Police, No. 3 C.A.R.U., having been duly sworn, states:-

"I am L/Bdr. Horne, D.J., of the Regt'l Police, No. 3 C.A.R.U. I was on duty in the Guard Room, Huron Camp at approx 1300 hrs 28th of Feb 43. I gave gunners Ditchfield, Melnick and Waldeck orders to get ready to scrub the large gas lecture room. They refused to go to work because it was Sunday afternoon, at which time they said they did not have to work. I reported the incident to S/Sgt. Lamarre who came into the Guard Room and told the men that they had to go to work which they still refused to do. S/Sgt. Lamarre told the men that it would only take about an hour and then they would have the rest of the afternoon to themselves, but they still refused to go to work." L/Bdr. Donald J Horne F80885

The accused declines to cross-examine this witness.

3rd Witness for Prosecution F 89264 L/Bdr. Prendergast, P.S., Regt'l Police, No. 3 C.A.R.U., having been duly sworn, states:-

"I am L/Bdr. Prendergast, P.S., of the Regt'l Police, No. 3 C.A.R.U. On the 28th of Feb 43 at approx 1300 hrs I was on duty in the Guard Room, Huron Camp in company with L/Bdr. Horne. L/Bdr. Horne was given an order to have the large lecture hut scrubbed. He went to the cell doors and called out gunners Ditchfield, Melnick and Waldeck. They came out and started grumbling. Gnr. Ditchfield went back in his cell. L/Bdr. Horne then went down and got S/Sgt. Lamarre to come in. He came in and asked what was wrong that they were not going to work. They said that they had to wash their clothes. S/Sgt. Lamarre said

PLEA OF MITIGATION.

In the case of H.59917 Pte DITCHFIELD, W.H.

Mr President and Members of the Court.

The accused joined the Cdn Army when only 16 years of age on 22 Feb 41, at a time when volunteer enlistment had slowed down considerably, as the Court will recall.

He eventually was taken on strength 4 Lt A.A. Regiment in England in Sept 41 where he was a good soldier as his record shows. His youth then came to light, and he was sent to a Rft unit where he was assigned the humiliating duties of a permanent camp. He was not happy there, and his record shows a succession of AWL charges and other infractions of discipline. In Nov 43 he reached Italy and joined the 2 Lt A.A. Regiment, and his Conduct Sheet shows an immediate improvement because the accused was in the line with a unit doing a worthwhile job. When the Lt. A.A. was broken up in Aug 44 the accused was sent to the Lanark and Renfrew Scottish Regiment as an infantryman, and went into the line with them in Sept 44. When the Regiment came out to rest at Riccione in October the accused went absent for five days, but gave himself up, and served his punishment at 5 Div FP camp. Afterwards at 4 Bn (on discharge from FP Camp) he went absent after a drinking bout, and fearing the consequences he stayed away on the present charge.

The accused is now only 20 years of age, his record does not look good, but I ask the Court to take the facts which I have mentioned into consideration as definite grounds for leniency do exist in this case.

RE: FGCM OF B-26058, SPR. DIX D.G., 1 CERU.

DJA 1120/Karsen

DEF. OFFICER:- In my plea for mitigation I had hoped to procure evidence to substantiate what I am going to state, and which I believe to be true. I was refused permission to go and get this evidence, and therefore it will have to be given verbally. In summing up the character of the accused, I would like to deal with his army record first. I would point out that Spr Dix joined the army on 14 Sep 39 in No. 1 Cdn Workshop Park, which has since been disbanded, but which was recruited as a mechanical unit for the Cdn Engineers. In Dec 39 he asked permission to transfer to a unit which was going o/s, as the unit he was in had received no equipt, had done no mechanical work, and had undergone no mechanical training. He came o/s and went to France, was evacuated from Brest, came back, and he carries the scar of a wound he received when being bombed. After having an operation he came out of hospital and has worked as a batman at CERU, looking after anywhere from three to nine officers for a period of nine months. He asked again and again to be trade-tested as a mechanic; instead he was appointed to A.D. duties and he has spent several months of his army career going around kicking fire buckets to see they were filled with water or sand, and he was not even allowed to fill them himself but had to detail others to do these menial tasks. He has had crimes, many of them, but none of them serious enough to have him charged before a court martial before. In his civilian life I would point out that Spr Dix was the star left-winger of the Rouge Maroons, O.H.A. champions. He has had a high school education, having passed several of his examinations with honours. His father is Chairman of the Board of Education for the School Board at Scarboro, Ont. His sister is a High School teacher in the city of Toronto. His brother is a graduate of Toronto University. Spr Dix himself operated a fleet of trucks in the Township of Scarboro, which business is still being carried on by his wife and his father. Whilst operating this fleet of trucks, Spr Dix operated also a garage which maintained them. He was in this business for ten years. He has had training in home life which would teach a man that he must make some attempt to do the right thing. Now I come to a matter which Spr Dix is not charged with, but which is the real reason for this crime. Spr Dix arrived at a point where he needed £25 very badly. It was impossible for him to pay the £25 from his army wage. He went AWL for 30 days and received a job in a garage as a mechanic for 28 days, for which he was paid £32, £27 of which he paid to his creditor. He returned to his unit and reported back to carry on doing his best in the army, having lost no kit and having put no-one to any expense, other than himself. In summing up Spr Dix's position I would further point out that this Spr was M&Q tested as A-plus. We have not got before us an ordinary criminal. I might say I have never defended a man at a court martial unless I personally felt that I would be very pleased and glad to have him in any unit with which I was connected; this is particularly true in Spr Dix's case. I would be only too glad to be with a coy composed of men - NCO's and officers - of the same type of men as Spr Dix. Spr Dix was requested by a recruiting officer to join a unit directly connected with the business he was in in civilian life. He did not intend to enlist at the time, but was

interviewed by the recruiting officer; he had taken a party of men and on talking with the recruiting officer was told that the army needed mechanics, that this was a mechanical war, and he was recruited in a mechanical unit. He has asked for mechanical trade tests, not one of which has been granted. He has been put out as a batman. Several officers have asked to take him to the field with them; their requests have been refused because of a scarcity of good batmen in the CERU, and of their being so hard to replace. He was a batman for nine months, and any man who is not a good soldier is not kept in such a position of trust and responsibility the way Spr Dix has been. I maintain that this man's crimes, several of which are small, were caused by the position he has been put in by someone else, not by himself. As regards this charge on which he is facing a FGCM, he has proved himself to be a competent mechanic, being able to earn £32 in 28 days. The army has made no recognition either of his ability or of his background in civilian life, nor of the potentialities of his being of greater service to the army in some other field. While it is true he was AWL for 30 days, he had a reason for being AWL, and he showed some fine qualities in his nature by returning to this unit without being apprehended or putting the unit to any unnecessary trouble.

THE COURT: What category are you now?

ACCUSED: B-2, owing to a mastoid operation. I was never re-classified as A-1. My category was changed to B-2 in Feb 41.

THE COURT: Have you asked for a re-board to see if you are now category A-1?

ACCUSED: I would like that, sir.

DEF. OFFICER: That, sir, is a typical examination of the sort of thing that caused him to go AWL.

"I was very discouraged with the way things had been going for me for quite some time, very dissatisfied with my work as I am a motor mechanic by trade and I had never worked at that since enlisting. I don't see any reason why I can't make myself of some use in the army. I have owned and operated a transport business of my own for 12 yrs previous to enlisting. It was a much better business when I left then when taking it over. I can't seem to make ~~army life~~. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. Record Form B 2

Exhibit "A"

D/Lt Col Major
President

DEFENDING OFFICER:

Sir, and the Members of the Court: the accused has pleaded guilty and is throwing himself on the Court because he believes that although he knows that he has committed a crime against Military Law, he feels that circumstances behind the reasons for his offence are things that he was unable to avoid.

The accused came over in December 1939. He had been married in Canada since February 1939. He has been over here five years and 6 months or so and in this time he has met another woman in this country and they have had a child which they have put out for adoption and its future is assured and he has looked after that matter.

Now, on 14 July of this year, the accused had a pass from the hospital. He went up to visit his lady friend in London and discovered that she was ill and what was more important, her mother was seriously ill in Haywards Heath. This girl is alone and he has a certain moral responsibility, which the Army does not recognize. He came down here when his pass expired and handed it in. He felt from past experience that it was not much use asking for an extension of time, as previously, as his record will show, this same lady's house in London was bombed and though he applied in the proper way for an extension of leave and went to CMHQ to get it, he was sent back to his unit and had Field Punishment for being late. Now, having had this experience previously, he felt he would not get an extension in this case and went away again.

Each day, he and the lady friend went to the hospital to see the mother and on 26 July the mother died of a brain tumor. The girl was overcome with grief and was not well. He stayed with her and made all arrangements for everything and saw it all through. The mother was buried on 30 July and he took the girl back to London and on 2nd August he reported back here.

I should like to ask the Court to consider this background of the offence in the light of the fact that although it is illegal from the Army point of view, there was little else he could do under the circumstances. I should also like the Court to consider the time he has been over and though he has not a very clear MFM 6, practically all the charges are absence charges. So that all I could ask on behalf of the accused is that he was taking care of responsibilities that he has over here and I would ask the Court to use all the consideration it can in this case.

1. *The accused may not plead or be found Guilty on more than one of two or more charges laid in the alternative (RP 37(A).) As to withdrawal of alternative charges by Prosecutor see RP 35(C). No other charge can be withdrawn for any reason without authy from Convening Offr. If Convening Offr concurs, Court may accept plea of Guilty to lesser, etc, offence. (RP 44(H).) Accused may change a plea of Not Guilty to Guilty during trial. (RP 38.) As to refusing to plead or not pleading intelligibly see RP 35(A). As to plea when sentence may be death see RP 35(D).*

2. *The proceedings on each charge sheet (RP 62) after arraignment will be conducted as follows in the respective circumstances stated:*

RECORD FORM B—PROCEEDINGS ON PLEAS OF GUILTY TO ALL CHARGES.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accusod the nature and meaning of the charge(s)[1], and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.[2]

(1. RP 35 fn 3. 2. MML p 54 para 47.)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).[1] If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty[2], or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined[3], we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.[4]

President to accused: Do you wish to make a statement? Ans. No.[5]

(1. RP 37(B). 2. RP 37(D) fn 6. 3. RP 35(B) fn 5 para 3, MML p 54 para 47. 4. See para E3 of Record Form E. 5. Statement, if any, recorded per Notes.)

B3. The Court considers the accused's statement.[1] The Court decides (not) to advise accused to change his plea(s) (three pleas) of Guilty to Not Guilty on ..... charge(s). The accused is (are) so informed, and he (they) change(s) his (their) plea(s) on ..... charge(s). Part I of the Schedule is amended accordingly.

(1. Court may be closed to consider the statement. Delete whole or part not used.)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records findings of Guilty in Part I of the Schedule.[1]

(1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.)

B5. The Summary of Evidence is marked Ex. A, initialled and read aloud by the President.[1]

(1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

RECORD FORM C—PROCEEDINGS ON MIXED PLEAS OF GUILTY AND NOT GUILTY.

C1. As to the charges on which accused pleaded NOT GUILTY the trial is continued by using paras D1 to D8 inclusive of Record Form D on p 3 before proceeding with C 2.[1]

(1. RP 37(A) (E).)

C2. The charges on which accused pleaded GUILTY are read to him (them) again, and the trial is continued by using paras B1 to B5 of Record Form B above.[1]

(1. Under B5 such parts only of the Summary of Evidence are read as relate to the charges dealt with under C2. If any plea is changed to Not Guilty, trial thereon proceeds by complying with paras D1 to D8 inclusive in Record Form D on p 3 and making an appropriate record thereof on a separate sheet.)

C3. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 2.

PRESIDENT OR JA WILL INITIAL ALL DELETIONS AND ALTERATIONS.

RECORD FORM D—PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

D1. President to accused: Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity to prepare your defence? Ans. .....[1]

(1. If "yes", see RP 39(A) for procedure. Statement or evidence, if any, is recorded per Notes.)

D2. The Prosecutor makes (an) (no) opening address.[1]

(1. RP 39(B), 60(A) (B), 90, 92(C) (D). Record address per Notes, subject to RP 95(C).)

D3. The evidence for the Prosecution is taken.[1]

(1. RP 39(C), 114, KR Con 555. Record evidence per Notes. As to Prosecutor giving evidence himself see RP 39(D) (E).)

D4. The Prosecution is closed.[1] The Defending Offr submits that the evidence for the Prosecution does not establish a prima facie case against the accused on the ..... charge(s).[2] The Court is closed, and considers the submission.[3] The Court is re-opened, and the President announces that the submission is disallowed on the ..... charge(s), and allowed on the ..... charge(s), and that, accordingly, the trial will proceed on the former, but the accused is (are) found Not Guilty on the latter charge(s).[4]

(1. Delete remainder of this para, if submission not made. 2. Arguments on submission, answer and reply are recorded per Notes. 3. RP 40 fn 1. See MML p 72 paras 12-14 and p 81 para 42. 4. Delete part not used. If accused acquitted on all charges use second alternative in para D8.)

NB: If trial proceeds, accused must be allowed great latitude in making his defence, and the Court should not stop his defence solely on ground of irrelevance. (RP 60(C), 114, 115.)

D5. President to accused: You will now proceed with your defence.[1] You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.[2] You may, however, make a statement without being sworn, and you will not be subject to cross-examination.[3] But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.[4] You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused: Do you wish to give evidence yourself as a witness, make a statement, or do neither? Ans. ..... Do you intend to call witnesses on your behalf? Ans. ..... Are they witnesses as to character only? Ans. .....

(1. RP 115. 2. RP 40(A), see 60(D). 3. RP 40 fn 10. 4. RP 40 fn 2, 9.)

D6. Consequent on the answers recorded in para D5 the appropriate procedure for the defence is followed.[1]

(1. RP 114, 115, 116. For procedure see Notes on back of Convening Order. Cf A95. Evidence for accused as to his character should, if in his interest, be given before the finding. (1. RP 40, 117(A). See Notes in Part I of Schedule. 2. RP 44(A).)

D8. The President announces the finding(s), if any, of Not Guilty, and states to the accused that the finding(s) of the Court on the ..... charge(s), being subject to confirmation, will be promulgated later.[1]

Or, The President announces that the accused is found Not Guilty on all charges and is to be released forthwith, and that the proceedings are accordingly terminated. Part I of the Schedule is dated and signed.[2]

(1. AA 54(3) (d), RP 45, 120(A). 2. AA 54(7), RP 45, 117. This alternative pronouncement is not applicable when there are pleas of Guilty outstanding and dealt with under Record Form B ter C.)

D9. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E below.

RECORD FORM E—PROCEEDINGS ON CONVICTION BEFORE SENTENCE.

E1. President to accused: Do you wish to give evidence yourself or to call any witnesses as to your character?[1] Ans. Witness as to character.

(1. If evidence has already been given by accused or his witnesses as to his character, delete this para. RP 37(C) fn 4, 46 fn 3. Accused and witnesses are sworn. Evidence recorded per Notes.)

E2. The Prosecutor produces Statement(s) as to Character and Particulars of Service[1], and certified true (copies) of Conduct Sheet(s)[2], purporting to refer to the accused, which he submits to the Defending Offr for examination, and then to the Court for admission in evidence. The Court is satisfied that these documents refer to the accused, because (i) they purport to be signed in the manner required by AA 163(1) (g) (h), and (ii) they purport to refer to (a) soldier(s) having the same number, rank, name and corps as the accused. CASE OF

F. 97981. Pte DIXON, Angus. (Essex Scot)

First witness for the Defence.

Capt. R.W. Meanwell Adj 1/Bn. Essex Scottish, having been duly sworn, identifies the accused and states; Pte Dixon was posted to us on April 18 as reenforcement and was immediately put on strength of C' Coy, a rifle Coy. He was not under arrest until receiving a message from this Unit on the afternoon of May 14 18. There was no charge against him up to that time. Not to our knowledge. Reports I had on the accused, conduct from April 18 to May 14 18 have been good, and in that time, he committed no breach of discipline.

Case of F 87981 Pte Dixon A. 4 E3

Mitigation Plea

The accused enlisted in Jun 41, and came to France with his unit about (Sep) 44, serving in a rifle company until he was wounded at the beginning of November (October) & sent to hospital. He and a friend were put in a ward with some Germans, and were unable to get any pay, and received only seven cigarettes a day. They got fed up with this being treated no better than the Germans, and on leaving the hospital they went on a drunk, and while they were drunk they went A.W.L.

The accused subsequently was to 20 Cdn General Hospital to have a cut hand dressed, and told them there that he was A.W.L. From there he was sent to 9 British and then to 106 British hospital, and thence to 11 Bn. From there he was sent to his unit, and not being under arrest or charged he was posted to a rifle company where he served in action from 15 Apr. until V E day, and he was not charged with this offence until 15 May.

In view of his previous good service and the fact that he was wounded, and particularly in view of the fact that since returning to his unit he served in action and conducted himself well, I would ask the court to be lenient in punishment.

BY THE PROSECUTION

The facts in this case, briefly, are these: There was a dance at the Church Hall, Farncombe. During the course of the dance arguments among many of the soldiers developed. This was followed by fighting. The situation was considered serious enough by the civil policeman who was present to call for help and as a result two more civilian police arrived at the Hall to quell the disturbance. The situation became even more intense and the Provost were called. The Provost were attacked when they attempted to break up the disturbances. Pots, pans, and other articles were thrown about the kitchen, and the whole scene had the atmosphere of a brawl.

The Prosecution will introduce witnesses who will place L/Cpl. Dixon at the Church Hall. Witnesses will be introduced whose evidence will show L/Cpl. Dixon to have participated in the general fighting which took place, witnesses will also show that the actions of L/Cpl. Dixon contributed to the brawl which resulted in the disturbance in which he is charged as a participant.

ADDRESS BY THE DEFENDING OFFICER

In the case of F-79582 L/Cpl. Cecil Dixon, C.B. Highrs, on strength of 5 C.I.R.U. (Arm'd Div.)

Mr. President, Gentlemen:

The weak case set up by the Prosecution has been adequately answered. I suggest that your task here is relatively easy.

Are you able to say that in this confused atmosphere of this lettle Church Hall at Farncombe on the unlucky Friday the 13th that the accused was creating a disturbance.

Firstly do you think that there is a possibility, a chance, that the witness, Ray, mistook the witness Mayers for the accused. You can see and give necessary consideration to their stray similiarity of appearance.

In a drawing room of good society the dragging out of a drunk might very well constitute the creation of a disturbance. But I think that I can have little fear that you will consider it a crime under these circumstances.

Rather, indeed, in taking out a drunken friend where a riotous state is incipient he acted more than properly

Let us have a look at another point. We have a police constable arriving and taking over and telling all but C.B.H. to leave the Hall, though others he says were fighting. Does that not smack of prejudice? Do you not think that the Provost had made up their minds that a C.B.H. man was guilty. He said,"It appeared to me the trouble was with this Regiment", when he had only arrived in the Hall at that moment. The fact that the Provost Corporal, Higgins, says in a summary that he was hit with the accused's fist, and say here that he was not struck at all. That in the summary that he did not hit Cpl. Ray, but here says that he did hit him.

It boils down to this; Cpl. Ray says he saw him hit L/Cpl. Higgins. The accused has denied it. A police constable says he saw him fighting. Is it not possible that he saw him taking out Morrison?

Have I raised a doubt in your mind to these facts, it so you must acquit. Are you going to convict the accused for being present at this place and take the evidence of the Provost Ray, who was watching the affairs of a half dozen other people as well as his alleged view of the accused.

In conclusion, having answered the allegations of the Prosecution, it will be entirely within the evidence of both Prosecution and Defence to acquit the accused.

Witley, Surrey,

CLOSSING ADDRESS BY PROSECUTION

In the case of F-79582 L/Cpl. Dixon, C.B.Highrs on Strength of 5 C.I.R.U. (Arm'd Div.) a soldier in the Canadian Army Overseas.

You have heard the evidence of two members of the Provosts Corps and three members of the Civilian Police They have described to you the scene which they witnessed at the Church Hall, in Parncombe. Witnesses have stated that there were arguments which developed into fights and these grew in intensity, until, as one witness states, it reached the proportions of a proper riot.

The defence attempts to disparage the evidence of the two Provosts by denying that the accused was fighting with the Provosts. The accused has not been charged with fighting with them. The accused has been charged with participating in a brawl. Witnesses for the prosecution have described the action of the accused and have recited the part he played in contributing to the general disturbacnes.

The accused and his witnesses say there were no arguments, that there was no fighting, everthing, they say, was peaceful. If this was so why did it become necessary for the Civilian Police to call for reinforcements from the Civil Police Station at Godalming. If everything was as peaceful as the defence claim, why was it necessary, after the Civilian Police were reinforced to call upon the Provosts for further assistance. If there was such a total absence of fighting as the defence claim, why the necessity to treat for first aid persons who were injured during the brawl which the prosecution claims did take place.

Can there be any question that there was a brawl? Can there be any question that the accused was one of these, who did participate in the brawl?

Mr. President and members of the court.

I was handed the summary in this case last night with instructions to prosecute the accused. On reading over the summary I have been unable in my opinion ~~offhand~~ to find sufficient evidence to convict the accused. Of the three witnesses to be called two are plainly defence witnesses and I do not think the evidence of the one witness for the prosecution is sufficient ~~offhand~~ enough in its content to convict the accused. I will proceed to call my only witness if the court so wishes but I believe the court should acquit the accused.

The Commanding officer directs that the evidence be taken on oath.

First Witness for the Prosecution - M-20 Gnr. Bowles, C of the 18 A.Tk. Bty, 2nd A.Tk Regt. R.C.A, having been duly sworn states:-

"On 17 Feb. 43 around 1000 hrs, I was ordered to tell the A/Tk Troop to follow the infantry. As I came to the last truck I stopped and gave the Sergeant the order. I was facing East. I looked back behind and in front of me and didn't see anything coming so I turned around. As I was turning something hit the front wheel of my motorcycle. I was knocked down but not hurt. I got up and found another motorcycle had struck me. I could see approximately 400 yds in either direction up the road. The road was in good condition and enabled a two ways traffic up and down the road. The road was in level, flat country and it was not a built up area.

East of me on the other side of the road the column was halted with one of the vehicles about 20 yds East of me and another vehicle about 100 yds down the road from it with infantry between the two trucks. I saw one of the cars was signal.

The accident took place about 2½ miles north east of Embury.

Second Witness for the Prosecution - C 4942 Sgt Mary N.I. of the Essex Scottish Regiment, having been duly sworn states,-

On the morning of 17 Feb. 43 at about 1000 hours while acting as witness on exercise "Tuck" I was marching with the "O" Group of 13 pl. along the highway leading to Houghton. The Driver acting

He was passing one of the Artillery Trucks when an artillery D.R. who was talking to the driver of the truck from across the road without looking in our direction wheeled his bike around in the centre of the road. There was no signal given to show that he (Gunner) was going to turn about in the road. Dixon did not have time to give any warning of pulling up. His (Gunners) front wheel hit Dixon's bike somewhere near the centre and threw him off balance causing him to swerve and topple over. Dixon got up and jumped to one side of the road.

Visibility was good and it was not a built up area.

9. Closing address by Defence Pte
Under the charge of desertion under third Art
Accus is charged first under 17 Defence Act 1903 &
the first wording is the intention between desertion
and A.W.O.L. to intention. It is not necessary
for the defence to rebut this intention but it
is necessary for the prosecution to prove this
intention. In this case there has been no
attempt by the prosecution though they have
mentioned desertion must have to prove
desertion. It is true that Pte Brown court
absent without leave this regiment was on a
not area therefore under sec 17 HH Act
Brown has not and cannot be proved a
deserter. Further Sec 30 of the same act the
prosecution must prove that an accused was
guilty of trying to avoid some particular service
and that the accused "in a dishonest or
clandestine manner with a view of shirking
some important service absented himself"
Now the evidence of Pte Wilson is to
that effect that he entered a room occupied
by 2 Inf. Pls and obtained words to the
effect that we are on two hours notice
He did not tell the roll it was 8 o'clock
1300 hrs. He does not know anyone in the
room except he does identify Pte Brown he
does not identify Pte Brown actually according
to his evidence he identifies no one but Pte
Papers We have the evidence of Pte Baker &
Pte Brown take make oath saying that by
1300 hrs they had both left their billets
in which they were at rest in Ripiano

19

from this evidence it is quite obvious that the
Jury got up & stopped inside the door and shouted
out answer to his notice could not possibly
identify a man in such case unless he at the
time by the evidence was not present. Which
time. by the evidence was not present. Which
is point not once again is the most
that but the accused was present at this
time that he could not have been guilty &
Counsel because the prosecution has not proved
or attempted to prove any intent to desert. I
wish further to draw to the attention of
the court that Pte Deane guilty of same
offence was charged with A.W.L. and desert
& and the court can two men commit the
same offence at same time and one be
guilty of A.W.L. the other guilty of desertion.
I ask the court to find accused not guilty &

[illegible]

11/ Closing Address by Prosecutor

It is the duty of the prosecuting officer to assist the court in the administration of justice. The counsel for the defence has tried to prove both "Alibi" and "Insanity" had the accused intended to return to the Bar whether it were in action or not during the 16 days preceding the matter for the matter stands. "Intent" is proved by the prosecution showing any form of [illegible] It is immaterial that the Bar was in rest at the time of the accused was wanted [illegible] on the road following. Even if the court is undecided that he was not with the MP's when he was wanted

P.O.

Gen in Mitigation

Gen Bissa joined the respectable Highlanders before the battle line and fought in the battle line. Since he was wounded slightly and returned to the Ba in time for the battle at Florence. When we moved over to this coast he came with us and was in the battle line. At the time he went A.W.L. This Ba was not in the line of Battle but in the rear. I mean to say that the type of battle in which we were involved in the Apennines and in the battle line is the type of NCO and soldier that we want in this regiment. I submit to this court that Gen Bissa even though on a spree at the moment "Idea" did go absent but by his previous conduct and by the very fact that he did become a Gen in the Regt should be dealt with very very leniently. I think the court will realize that it is difficult enough for us here in Italy to get NCO soldiers who are capable of doing their Gen in action that we cannot afford to waste NCO material because it is just foolish crime. After studying the men & this man you will notice Twenty a simple case which could have happened to any Gen. Do not let Idea assume the court will not consider this to the detriment of a Gen serving in action

The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)[1], and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.[2]

(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).[1] If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty[2], or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined[3], we shall advise you to change your pleas to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your pleas and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.[4]

President to accused: Do you wish to make a statement? Ans. .....[5]

D5. President to accused: You will now proceed with your defence.[1] You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.[2] You may, however, make a statement without being sworn, and you will not be subject to cross-examination.[3] But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.[4] You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

STATEMENT OF C 53901 SGT. BURNS, E.J., CHARACTER WITNESS
IN THE CASE OF
C 53250 PTE. DIXON, E.A.

I, C 53901 Sgt. Burns, E.J. am Platoon Sergeant of No. 10 Platoon, "B" Company, S.D.G. Highrs.

C 53250 Pte. Dixon, E.A. has been a member of my platoon for a period of approximately three months, and during that time, he has always been a cool man in action. He has done his job willingly and well, no matter how tough a position we were in.

For this reason, I am quite willing to have Pte. Dixon back in my platoon

PLEA FOR MITIGATION IN THE CASE OF

C 53250 PTE. DIXON, E.A.

This soldier, Pte. Dixon has pleaded guilty to the charge of Absence Without Leave.

This was Pte. Dixon's first offence since coming to a field of action, but please remember this, gentlemen, THIS OFFENCE WAS NOT COMMITTED IN THE FRONT LINES, but rather while his unit was out of the lines on a rest.

Pte. Dixon was a member of an organized party that proceeded to Brussels to spend the day, and on arriving in Brussels, they were broken off to roam around as they pleased.

As everyone present in this Court to-day knows, his unit had been going through some of the toughest fighting since D-Day, and, as is the habit and privilege of every one of us when on rest, he had a few drinks to celebrate, and also, undoubtedly, to relieve the tension that had been on his mind during the fighting. No one would deny this soldier or any other soldier the opportunity of having a few drinks, but, unfortunately, he extended his celebration to the perpetual "one too many", and did not return to the appointed place of rendezvous, from which the party was to return to the unit.

Upon sobering up, he realized that he was Absent Without Leave, and immediately starting searching for possibilities of returning to his unit. This was more difficult than he at first realized, but finally, he managed to obtain transportation on a truck belonging to the Highland Light Infantry Of Canada. If it had not been for the difficulty of obtaining transportation, Pte. Dixon would have been back with his unit much sooner.

As already brought out in the statement by Sgt. Burns, Pte. Dixon is a good man in action, has always done his work well, irregardless of how tought the position was. For this reason, I would ask the Court to give as light a sentence as possible, so that a good man may return to action.

In summing up, I would ask the Court to consider the following facts:

1) That this offence was not committed in the front lines.
2) That Pte. Dixon returned to his unit of his own accord.
3) That this soldier is a cool man in action, and
4) That Pte. Dixon's platoon sergeant is very willing to have him back in his platoon.

F.G.C.M. trying B.82583 Pte. E.E. Dixon on one charge under A.A.15(1)

The accused questioned by the Court, admits that he is the person referred to in Exhibit "A" as B.82562 Pte. Earl Edward Dixon.

Address by the Defending Officer in mitigation of Punishment.

"The Defendant pleads guilty to the charge as read. As counsel for the Defence I wish to make a plea for mitigation of the sentnece in view of the following considerations: The Defendant voluntarily surrendered himself to the civilian police. He wants to be married. He enlisted in 1940 and after four years in the Army has been unable to better his position or get to a theatre of war, and entries on his M.F.M.6. have prevented him from going on draft overseas.
Finally the Defendant is absolutely allergic to the Army, in spite of his efforts to soldier and shows definite tendencies of mental instability making him unsuitable if not detrimental to the Canadian Army. I recommend that he be examined by a Neurological Specialist.
