Fourth Witness for the Prosecution

Lieut. R. G. McKinnon, Ass't Records Officer, No. 3 C.A.H.U., having been duly sworn, is examined by the Prosecutor.

Q. I want you to produce evidence as Assistant Records Officer at No. 3 C.A.H.U., that Gnr. Deveau was present in this Unit when an extract of C.A.M.C. (Overseas) was published in our daily Orders.

Can you give us proof that he was on th strength of this Unit at that time, and that the Order was duly published, and on what date?

A. As Ass't Records Officer at this Unit I made a search of the records and found that Gnr. Deveau was taken on the strength of No. 3 C.A.R.U. on the 14th Day of October 1941, and was present until going A.W.L. on or about the 18th day of December 1941. The section dealing with the sale of cigarettes was published on November 7th 1941. Therefore Gnr. Deveau must have been present in this Unit as he was on the strength of No. 3 C.A.R.U. on that date.

Questioned by the Court

Q. Do you identify this extract?

A. That is an extract of the Part I Order which was published on November 7th 1941. This is marked "D", signed by the President and attached to the proceedings.

Q. Was he present at the time in question?

A. Yes.

Q. Was he there when you gave over the Four Pounds?

A. He was in the room.

STATEMENT BY DEFENDING OFFICER

There are one or two little points I would like to bring to the attention of the Court.

The accused is charge with committing the offence on the 23rd July. The accused admits being there about that time, and leaving cigarettes with Mrs. Cox, but that no sale was made.

Mrs. Cox in her evidence stated that she had these cigarettes for a couple of days. They were confiscated on the 29th which would place the time she got them about the 27th. Sgt. Major Todd stated that Deveau was under restriction several days before the 29th, and thought that it would be two or 3 days anyway.

There was many other patients going out ~~from~~ from other wards, and they all look very much the same in their hospital clothes, and Mrs. Cox should have been given the opportunity of going through the entire hospital. She passed Deveau the first time she passed through the ward.

As regards the giving of a gift to a pub keeper who did not even know their names this is quite possible because I myself am friendly with a few pub keepers who do not know my name.

I think that there is nothing to prove that Mrs. Cox who admitted having cigarettes and a large quantity at that for a couple of days, that the transaction was made by Deveau, or if it was from Deveau that he received as he is charged with Four Pounds for selling these cigarettes on the 23rd day of July 1941.

STATEMENT BY PROSECUTOR

We definitely know, Gentlemen, that Deveau admitted giving cigarettes away, and the mention was made of about 10 packets a statement made by his witness.

We definitely have 26 of the packets here as evidence. In speaking of the indentification parade the slight difficulty that Mrs. Cox had in identifying the accused is really in favor of the Prosecution as this shows she did not know him very well, and I believe the number of packets of cigarettes mentioned is a very large amount to give away, and Mrs. Cox is definite in her statement that Four Pounds was given to Cpr. Deveau and that he accepted the money.

The Court is closed for examination of the findings.

The Court is re-opened and the accused is again brought in.

Lieut. G. F. Boyer, R.C.A., No. 3 C.A.R.U., having been duly sworn, produces AFB 296 and certified true copy of NFN 6, and

upon being questioned by the Court states that the accused is the person named in these documents which have been compared with the Regimental records, and are true extracts of the same. No cross-examination. Above documents read, signed by the President, and attached to the Proceedings.

The Court is not addressed in regard to mitigation of punishment.

Para.6. ILLEGAL SALE OF GIFTS FROM CANADA.

The British Government agreed to allow gifts for the Canadian Army to enter the United Kingdom free of duty, on the distinct understanding that these gifts were for personnel use and not for resale.

The number of cases of re-sale of gifts, particularly cigarettes and tobacco, are increasing to such an extent that the British Treasury have made representations that unless the practice is discontinued, they may have to reconsider their decision regarding duty-free entry.

The effect of a decision of this nature is obvious and officers commanding will take immediate steps to call to the attention of all ranks the fact that they are liable to lose this privilege, which is now enjoyed through courtesy of the Government of the United Kingdom and to see that Appropriate disciplinary action is taken immediately any cases are reported or come to their notice.

D.L.R.

The evidence regarding the second charge will be heard first

First Witness for the Prosecution.

Lt.-Col. D. Stuart Gordon, R.C.A.M.C., No.1 Plastic Surgery, having been duly sworn is examined by the Prosecutor.

Q. I believe that during the period May to October 1942 you had a patient, one Gnr. Deveau.

A. Yes.

Q. Is her here?

A. Yes, there (pointing)

Q. During the time that Deveau was in your Unit, did you have reason to observe him particularly?

A. On his last admission to us he came in for the treatment of an ulcer in his left groin.

Q. In your opinion did it heal properly?

A. It did not heal properly, and nithing we did seemed to help it in any way. We used three different types of graft none of which took.

Q. Is that usual?

A. Very unusual. The type of graft we used in the last case was one which takes in a very high percentage of cases, and consists of taking bits of skin about the size of a little finger, and putting about 4 to the square inch to the wound, and this type of graft takes almost always, yet when the dressing was removed from the wound none of the bits of skin were alive.

Q. Could you give any reason for this.

A. All grafts have to have lack of movement or interference will upset the graft and prevent its taking.

Q. Had the dressings been disturbed.

A. The dressing on his graft as far as we know had not been disturbed.

Q. Could you give any reason for the graft not taking?

A. It could be disturned without my knowing it, or if the patient moved around in bed a lot or turned his leg he could prevent the graft from taking.

Q. Was the accused warned not to move his leg.

A. Yes.

Q. Had you any reason to suspect that he moved his leg.

A. Only because three different types of grafts had not lived, and I have never seen this happen before, and have never seen a case of a pinch graft being used and that at least one of them did not take.

Q. In your opinion was the bandage or dressing interfered with?

A. That was the conclusion I arrived at after his pinch graft failed to take.

Cross-examined by the Defending Officer

Q. Is it not the case that a man might move in his sleep if this were paining him, and disarrange the dressing?

A. It is possible.

Q. You say that a high percentage of pinch grafts take, but you do not say that 100% take. You have known of pinch grafts and other types which have failed to take?

A. Yes.

Q. You did not at any time see the accused interfere with his dressings?

A. No.

Q. You were the surgeon in charge of the entire hospital, and you visited one a day.

A. Yes.

Q. You would see this patient.

A. Yes.

Q. Although you saw evidence that he had moved his leg or had disturbed the bandage you did not see him do it at any time.

A. No, I did not.

Examined by the Court

Q. Would you say that this particular case of graft on an ulcer is what is called a serious operation.

A. No.

Q. The although you would not call it a serious operation would you call it a case difficult to cure.

A. No.

Second Witness for the Prosecution.

Nursing Sister N. J. Blackler, R.C.A.M.C. No.1 Plastic Surgery, having been duly sworn is examined by the Prosecutor.

I am general duty nurse at this hospital.

Q. Did you have a patient at any time called Gnr. Deveau?

A. Yes.

Q. Would you recognize him?

A. Yes.

Q. Is her here.

A. There (pointing)

Q. Would you tell the court what your experience was when you were nursing Gnr. Deaveu?

A. I found that his dressings at times had a peculiar appearance not usually found in such dressings. Once when I did his dressing I found blood on the dressing which should not have been there, judging from the appearance of the wound when I dressed it.

Q. Would you say that with the normal restlessness of the patient, and the moving about in a bed, that the dressing would be in the condition in which you found it?

A. Not usually. Sometimes if a pateint is very restless, they would, but I do not consider Gnr. Deveau a very restless patient.

(Initd.)
D.L.R.

Q. Did you find this condition of sufficient importance to report it.

A. Yes.

Q. To whom?

A. Col. Gordon.

Q. Did this condition continue.

A. At times. When I did his dressings I noticed it several time, though not all times.

Cross-examined by the Defending Officer.

Q. You say that it is not usual for a patient suffering from an ulcer of the type of Deveau's to disturb his dressing while asleep, but you say it is done sometimes. You also say that on occasions the dressing was not disturbed. Did you at any time watch Gnr. Deveau to see whether he was moving about unnecessarily?

A. I have never seen him move about unnecessarily.

Q. May I take it that you have never seen him also deliberately attempt to interfere with his dressing.

A. Yes.

Q. You were in and about the ward all the time Gnr. Deveau was there during your tour of duty, and being suspicious as you were, you would find time to cast an eye in his direction and having done this you cannot recollect at any time seeing him make an attempt.

A. I have never seen him make an attempt to interfere.

Third Witness for the Prosecution

Capt. W. S. Kittle, R.C.A.M.C., Medical Officer, No.3 C.A.F.U. having been duly sworn is examined by the Prosecutor.

Q. Did you have as a patient, one Gnr. Deveau?

A. Yes.

Q. Would you recognize him?

A. Yes.

Q. Is he here?

A. There (pointing)

Q. What was the reason for Gnr. Deveau reporting to you on sick parade?

A. He had at the time he reported a small ulcer at the edge of a skin graft in his groin.

Q. What was the history of this ulcer in your experience.

A. There was a skin graft some time previous, since he was in the army, which had taken very well except at one spot which at that time was an open wound or ulcer.

Q. Will you give the Court your experience with this ulcer while Gnr. Deveau was reporting to you.

(Initd.) D.L.R.

A. This ulcer behaved in a stra ge manner. I could never on any occasion keep a dressing on it. These were always so rumpled up that I could but conclude that ~~there~~ they were being interfered with, and I told Gnr. Deveau that he was interfering with them. On some occasions he was dressed two or more times a day, and despite the fact that there was but a short interval between dressings, these would always be crumpled up.

Q. The dressings continued in your opinion to be disturbed.

A. They did.

Cross-examined b the Defending Officer

Q. You dressed Gnr. Deveau once or twice a day.

A. It varied.

A. Is it not the truth that a dressing on the groin held in place by adhesive tape is likely to be disturbed when the patient walks? and might be said that it is a very difficult thing to avoid disturbing it in some way.

A. It is very difficult.

Q. Having been cautioned by you to avoid disturbing it, a normal person would not walk any oftener than necessary.

A. Not only that, but this disturbance did not have the appearance of having been disturbed merely by walking.

Q. Are you an expect in this type of skin treatment.

A. No, I am not.

Q. Did you at any time see Gnr. Deveau disturb his dressing.

A. I did not.

Q. Your conclusions are drawn from the appearance of the dressing.

A. Yes.

Q. But the graft when you first saw it was doing well.

A. It was an area at the edge of the graft that did not take. It was the first time in September that I treated this would.

Q. Did he seem very worried about it?

A. He seemed quite unconcerned about it generally, and yet made a great deal of fuss about it at other times.

Q. He was excused duty.

A. He was in detention.

Fourth Witness for the Prosecution.

Capt. T. Dalrymple, R.C.A.M.C., Medical Officer, No.3 Corps, having been duly sworn is examined by the Prosecutor.

Discussion took place as to the admissability of evidence having regard to the date of the charge, and it was decided that this Witness' evidence should not ben taken.

The case for the Prosecution on the 2nd charge being finished, the Prosecutor now calls witnesses on the first charge.

D.L.R.

Detective Sergeant A. C. Christopher, C.I.D. Branch, Wokingham Police, having been duly sworn, is examined by the Prosecutor, and states:-

S. During the evening of the 29th July 1942, in consequence of information received I went with Major Ritchie, Capt. Jennings and Sgt. Marples of the Cdn Army to the Welcome Inn, Wokingham.

On a shelf behind the bar I saw two packages of Cdn Winchester cigarettes. The words "gift to Cdn troops on active service - not for resale" were covered with brown paper.

Q. Would you recognize the cigarettes if you saw them.

A. Yes.

Q. Will you examine these cigarettes.

During the time I was in the hospital I was bandaged practically from the ankle to the groin in such a way as making it practically impossible to bend the knee without the badage stretching. I was then sent back to Headley where I was discharged and immediately sendt back to the Plastic Hospital where I was for about a week and then sent to 6 C.GS.

Q. Was the ulser as big as it is now.

A. It is now in a different spot to where it was then. I was discharged from 6 C.G.S. and brought beraunder close arrest pending my Court Matrial for the sale of cigarettes.

Q. Did you disarrange your bandages purposely at any time?

A. No, sir.

Q. Do you consider that your bandages have been properly applied.

A. No sir.

Q. Who applied them.

A. The medical orderly and occassionally the doctor.

Q. Do you consider you were properly looked after at the Plastic Surgery Hospital.

A. Yes, sir.

Q. But you do not consider that you have bee properly looked after since.

A. No, sir.

Q. Did you ever try to do anything about it?

A. I did, sir.

Q. Have you since been looked after better?.

A. A few days later I was sent to No.15 Gen. Hops.

Q. At no time have you ever disarranged your bandages?

A. No sir.

Examined by the Court

Q. How long all together were you at No.1 Plastic Hosp.

A. From the 28th May to 3 July; from 4 July for a week and from the latter part of Aug/first part of Sept to the 3 Nov.

STATEMENT BY D. C.

I will disregard the evidence of the doctors as I know nothing about these matters, but itdoes look as though this man, who has a bad record, has been pushed around. Nobody has ever seen him make any effort to disarrange his bandages. These doctors are going by effect rather than evidence of which there is none, and I consider there is no case whatever, Sir, on the 2nd charge.

(Initd.)
D.L.B.

On charge one there is a confliction of evidence between Charlton and Mrs. Cox.

There has been no evidence brought into the case except Mrs. Cox's regarding the transaction of cigarettes, and I there was any, and here again I submit that if cigarettes changed hands, and that possibly to the extent of 10 packages, they were a gift xxxx, and as a gift do not come under this charge which is one of committing a civil offence, that is to say selling tobacco. I contend, Sir, that no tobacco was sold, and that therefore Gnr. Deveau is not guilty of the first charge.

Statement by Prosecutor.

On the second charge, that of interfering with bandages, I am not qualified to make any statement. Insofar as the statement of the Defending Officer that the accused, who has had a bad record, has been pushed around, we have the same evidence given by both the local Medical Officer and the specialist at the Hospital, and therefore think that this can be discounted. It was agreed by all professional witnesses that there was indication of irritation to the wound beyond what would normally be expected from a patient, and I consider with the unanimous opinion of the witnesses that this evidence should be given due weight.

As far as the first charge is concerned, the witness for the defence states quite glibly that the accused at no time had sold cigarettes nor received any money. He was in no position to know whther the accused had sold cigarettes or received money, and I therefore submit, Sir, that this evidence should be discounted.

Statement by Defending Officer

In this case the point at issue was whether Deveau had sold cigarettes to Mrs. Cox in the presence of this man (Charlton), and I should have said to your knowledge do you know whether Deveau had ever sold cigarettes.

Continuation by the Prosecutor.

The evidence is conflicting. We have the definite identification of the accused by Mrs. Cox that he was the individual who sold her cigarettes and to whom she paid £4.

The Court is closed for consideration.

The Court re-opens.

Major J. H. McLeod, R.C.A., No.3 C.A.R.U. duly sworn, produces A.F.B. 296 and N.F.N. 6, and upon being question by the Court states that the accused is the person names in these documents which though not compared by him, have been compared with the Regimental Records, and are true extracts of the same.

The Prosecutor then brought out that AFB 296 was made up on the 12 December and the number of days in confinemtn therefore should be increased from 15 to 18 days.

No cross-examination. Above documents read, signed by the President and attached to the proceedings.

(Initd.) D.L.R.

Q. Do you wish to make any statement in mitigation of punishment?

D.O. This soldier enlisted after several attempts. He first joined up on 1 Sep 39 and was discharged as medically unfit. He again enlisted in March 41 and on discharged for medical grounds rejoined on 4 June 41 being passed by the Medical Board with "A" Category despite the burn on his leg which is nothing but skin tissue, and which two previous Board had refused to consider. The third Board took him in as "A" category which shows that he was not trying to avoid service, but wanted to do what he could. He has suffered considerably from this knee injury, and there is no doubt in my mind that his conduct, especially the A.W.L.'s, have been brought about by his injury, which we must admit has not been good, but I think I am right in saying that he has always given himself up except twice when going absent, and he never had any intention of deserting, and it is my opinion that he feels himself being unfairly treated.

He is a native of Halifax and had tried to join up in the Navy, on many occasions without result, and being familiar with the sea and boats thought he would make good in the merchant navy, but they had no vacancies at the time, so he went into the army. His record is bad, but I think it is due in great measure to this injury, and I would ask the Court to bear this in mind when considering sentence.

SUMMARY OF EVIDENCE IN THE CASE OF
F 86714 Gnr. DEVEAU, J.C., "A" Bty.,
8pr Training Wng, No.3 C.A.P.U.

The Commanding Officer directs that the evidence be taken on oath.

1st Witness for Prosecution

Det. Sgt. A. C. Christopher, C.I.D. Branch, Wokingham Police, having been duly sworn, states:-

"On the night of the 29th July 1942 it was reported to the Wokingham Police that Canadian Cigarettes, Winchesters, were being sold over the counter of the Welcome Inn at Wokingham. We were requested to investigate this charge by Major W. S. Ritchie and Capt. P. A. Jennings of No.6 Cdn. C.C.S., R.C.A.M.C. who had sent M-16318 Sgt. Warples, W. into the Inn to obtain the necessary evidence. The charge was therefore immediately investigated by me in company with the above mentioned officers. I found that Winchester Cigarettes were for sale over the counter. After completing my investigation I confiscated twenty six packets of twenty five Winchester Cigarettes. The seal bearing the statement "Gifts to Canadian Soldiers on Active Service Only. Not for Resale" had been covered with a gummed sticker on the two packages which had been found on the shelf behind the counter. Mrs. Cox of the Welcome Inn agreed to go to No.6 C.C.S. Hospital at any time to identify the patient who had sold the cigarettes to her. These twenty six packets od cigarettes I marked with the letter "A" in the top right hand corner. As a result of instructions I received from the Customs and Excise 7 Castle Street, Reading. These cigarettes were handed over to them on the 2nd of November 1942 for which I obtained a receipt."

(Signed) Anthony C. Christopher.

The accused declines to cross-examine this witness.

2nd Witness for Prosecution

W 19007 Sgt. Major B. B. Todd, Wardmaster, No.6 Cdn.C.C.S. (Conv. Hosp) R.C.A.M.C.

I, J.A. Biggar, Capt., R.C.A., the officer taking this Summary of Evidence, certify that owing to the loss of time and expense involved, the attendance of this witness cannot, in my opinion, be readily procured.

I now produce and read to you a statement, purporting to be signed by the said Sgt. Major Todd, dated at Pinewood, on the 3rd of August 1942 stating that on an identification parade at No.6 C.C.S. Hospital on the 29th July 1942, Mrs. E. J. Cox, of the Welcome Inn, Wokingham, identified you as the patient from whom she bought Canadian Cigarettes. This statement is marked "A" and annexed hereto.

(Signed) J. A. Biggar, Capt.

The accused does not require the presence of this witness for the purpose of cross-examination.

(Initd.) D.I.R.

3rd Witness for Prosecution. Mrs. E.J.Cox, The Welcome Inn, Wokingham, Burks, having been duly sworn, states:-

"Gnr. Deveau came into the Welcome Inn, Walingham, on the 23rd of July 1942. He had visited the Inn on several occasions previous to that date and had mentioned that he had received several parcels of cigarettes and other things from friend at home and that he had more cigarettes than he could smoke.

On the evening of the 23rd of July 42, he came in with a parcel. When I came in there were some cigarettes belonging to him on the table. I fetched him some money and gave him four pounds (£4. 0. 0). He thanked me and I took the cigarettes away. The cigarettes were in packets of twenty five (25) and there were twenty six (26) packets, all of which were sealed.

On the evening of the 29th July 1942 I was called to No.6 C.C.S. Hospital and asked to identify Gnr. Deveau as the soldier to whom I had given four pounds (£4. 0. 0) for cigarettes. I had trouble identifying him at first as he was playing cards and dressed in pyjamas and I had never seen him before dressed in other than hospital blues. When I saw his face I recognised him as the same soldier to whom I had given the four pounds (£4. 0. 0) for cigarettes."

Cross-examined by the Accused.

Q. "Mrs. Cox. When I came into the Welcome Inn, did I offer to sell you any cigarettes?"

A. "No. Nothing was mentioned about money."

Q. "Did I sell you any cigarettes?".

A. "No. You didn't sell me any".

Q. "Then the cigarettes that you received were given to you free of charge?".

A. "Yes."

The accused declines to further cross-examine this witness.

4th Witness for Prosecution. Lieut. Col. D. Stuart Gordon, C.O. #1 Plastic and Jaw Surgery Unit, having been duly sworn, states:-

"Gnr. Deveau was admitted to this hospital on 30 May 42 with a scar deformity on the left thigh as a result of an old burn. The scar was excised and the defect grafted on 2 June 42. He was discharged on 27 June 42 with a graft well taken. He was re-admitted on 4 Sep 42 with a linear ulcer between the upper end of his graft on the skin above. On 7 Sep 42, a "Paddle graft" was done. This failed to take. On 18 Sep 42 a graft such as he had had before was done. This also failed to take. On 6 Oct 42, the area was covered with small "Pinch grafts". The dressing was done on 13 Oct 42 at which time not one of the grafts was alive.

One is not surprised to lose one graft, but losing three in succession makes one suspicious that some local interference had been done. The type of graft done on the third occasion, 6 Oct. 42, is the easiest type to take and a high percentage of take is seen even in badly infected wounds.

It is, therefore, my opinion, that there had been local interference with the grafts between the time of their application and the first dressing."

The accused declines to cross-examine this witness.

5th Witness for Prosecution

Lieut. M.J. Blackler (N/S) #1 Plastic and Jaw Surgery Unit, having been duly sworn, states:-

"On doing Gnr. Deveau's dressing on the morning of 1 Nov. 42, its appearance suggested that it had been tampered with by him. There was fresh blood on the dressings and in the ordinary course of events this should be hen seen. His dressings never had the usual characteristics of such dressings. They were almost always free from the wound."

(Signed) Marian I. Blackler Lt. (N/S)

The accused declines to cross-examine this witness.

6th Witness for Prosecution

Capt. W.R.Little, RCAMC, Medical Officer, No.3 C.A.A.U., having been duly sworn, states:-

"I was treating Gnr. Deveau at the R.A.P., No.3 C.A.A.U., for more than ten days previous to 3 Sep 1942. During this period of time, Gnr. Deveau's wound in the groin was dressed on many occasions, sometimes by myself. The dressings were invariably in such a crumpled condition and were pulled from the wound and the wound was irritated in such a manner that I can only conclude that the would was being irritated from an outside source. I told Gnr. Deveau on one or more occasions that I knew he was interfering with the wound, and I thought, maliciously."

(Signed) W.R.Little.

The accused declines to cross-examine this witness.

7th Witness for Prosecution

Capt. T. Dalrymple RCAMC, Asst. Medical Officer, No.3 CAAU, having been duly sworn, states:-

"On Saturday evening on 28 Nov 1942 at about 2200 hrs. the Medical Sgt., Sgt. Eveleigh called at the Ontario Camp Officers Mess and asked me to come over to the R.A.P. to see Gnr. Deveau. I went with him immediately and there examined the patient. I removed the dirty dressing from his left groin which exposed a red granulating ulcer four inches long and one inch wide. He was placed in the sick bay under escort and I prescribed treatment consisting of daily change of dressing to the ulcer. The next four consecutive mornings while making Sick Bay rounds I examined Gnr. Deveau and invariably found a loose dressing exposing part of the ulcer. I brought it to the attention of the Medical Orderly and told him to put on a more secure bandage but in spite of this the condition remained the same there appearing to be some interference. It is my opinion that the bandage had been tampered with.

Cross-examined by the accused.

Q. "I will now show you the wound and the dressing on my groin. Do you think that it has been tampered with?"

A. "The ulcer is exposed. The dressing has slipped."

Q. "Would a small dressing on a wound such as I have on the groin slip if I was walking around?".

A. "Not if properly applied."

Q. "Would you consider that the dressing I have on now was applied properly?"

A. "As this dressing was applied yesterday morning, I cannot state now whether or not it was properly applied."

8th Witness for Prosecution

B.1012 Gnr. Lesieux, J.T., "A" Battery, No.3 C.A.P.U., having been duly sworn, states:-

"On the 3rd of Nov 1942 I was at Park Prewitt Hospital guarding Gnr. Deveau. At around 0800 hrs. Gnr. Deveau left his ward and went into the hall leading to the next ward. There I could see him speaking to some of the other patients. We then went on down the hall to another ward and I followed him. When I came to the next ward, where I expected to see him, I couldn't find him. There was only one other door in the ward other than the one by which I had entered. I asked a patient if he had seen the prisoner, Gnr. Deveau, and he told me he had just gone through the ward. I then crossed the ward to the door leading out of the ward into another hall, but could find no trace of him. After reporting his escape to the Sister in charge, Gnr. DeMulling, my relief escort, and myself searched the grounds for about ten or fifteen minutes but could still find no trace of him."

Re Deveaux L.

Statement in Mitigation.

In spite of the long list of charges to which the accused has pleaded guilty, his excellent record in the army so far serves to verify his sworn statement - and his sworn statement has this effect - that his excessive drinking that day released his control over himself - which he normally had - and resulted in his crimes.

When a man has proved himself to be a soldier, a good one, it would seem a pity to destroy his possibilities at a time like this by giving him a long period in detention. Detention serves, as often as not, to take the good out of the soldier - the contact with habitual defaulters makes of the newcomer a potential defaulter. Men like Deveaux should not be locked away but should be kept for service - that was what he joined for two years ago - and given the opportunity now he should prove his record prior.

to his offences of the 4th to be sounded.

In the case of Pte. [redacted] Deveaux, L.

The accused, having been duly sworn states —

On the morning we went to the Ranges I wasn't feeling so good. When I got there most of the boys were laying around. There was a tea shop quite close. I decided to go there. An officer turned me back, but I went through the woods and went down to the pub — I stayed for quite a while. When I got back the usual parade was on, but I didn't wait for dinner, and went back to the Pub. The other fellows — 4 of us — came with me. We drank until it closed. We came back & Sgt. Mackay marked us where we had been, and we told him we had been asleep. We denied we had been in the pub. He took us to Lt. Liptrot who placed us under open arrest. Later we were placed under close arrest after we had fired.

They told us we were going back in the trucks. We didn't think we had to walk. I just wouldn't walk and refused to do so.

Summary of Evidence
in the case of

No. F88234 Private Sergeant in Strength of A Sub-Unit 1 Battalion 1 Canadian Base Reinforcement Depot, a soldier of the Canadian Army Overseas.

By direction of the Commanding Officer, the Summary of Evidence is taken as read.

First Witness for the prosecution — Lieutenant [illegible], 2nd i/c in Strength of No 1 Battalion A Sub-Unit 1 C.B.R.D. a officer of the Canadian Army Overseas, having been duly sworn, states as follows:—

On the 4th day of June 1943 this acting Company Commander at Aldershot Camp, Aldershot Range, and at about 1130 hours, having previously collected forward rolls from the platoon Commanders of the platoons of the Unit, found the name of the accused among those missing. At 1610 hours Sergeant McKay brought the accused to me with the report that he had found him outside the Range Limits. I placed the Accused under open arrest and informed him that a charge would be laid against him in the morning. Approximately twenty minutes later, Sergeant McKay reported to me that he had seen the accused drinking tea left at a tea cup and that when he ordered him to open his kit he saw the accused remove a Record from his [illegible] and place it in his pocket. During the time Sergeant McKay was making his above report to me, the accused escaped, while under open arrest and was recaptured at approximately 1700 hours by Sgt. McKay. When the accused was brought before me had questioned about the possession of his documents, he denied having any in his possession. However upon having him searched by Sgt McKay a record was found in his pocket. I then placed him under close arrest. At approximately 1700 hrs. before placing the accused under close arrest he used insulting language to Sgt McKay in my presence in that he said "Sergeant you are yellow, I will push this stripes down your throat". At approximately 1900 hrs. I ordered Corporal McCluskey who was in charge of the guard to fall the accused on and march him to the head of the column to head the Brigade back to camp, there being no transport available. After a few moments I personally McCluskey returned and informed me that the accused refused to obey his order

to prove it. I then approached the accused and ~~asked~~ him if he intended to move off, ~~but intended to report that~~ but he refused & marched back to camp. The accused was perfectly able & marched back but refused to do so. I thereupon took measures to secure transportation and having obtained same, had the accused transported back to camp.

The evidence was read to the witness.

Additional Summary of Evidence

In the Case of

F-88234 Pte Deveaux, L. on the strength of A Sub-Unit, No 1 Battalion, 1 Canadian Base Reinforcement Depot, a Soldier of the Canadian Army Overseas.

By direction of the Commanding Officer, the Summary of Evidence is taken on oath.

FIRST WITNESS for the Prosecution — Lieut S.E. Lipen, on strength of A Sub-Unit, No 1 Battalion, 1 Canadian Base Reinforcement Depot, an officer of the Canadian Army Overseas, having been duly sworn, states as follows:-

When the time came to march the Company back to camp I had all the accused formed up and ordered Cpl McCluskey to lead the party to the head of the column where they would lead the march back to camp. When Cpl McCluskey reported to me that all the accused refused to obey my order I approached the group and individually questioned each man as to his motives to which each replied that they absolutely refused to march back, to camp. They insisted that being under close arrest they didn't have to obey the command to march back to Camp, and insisted that if I would change their close arrest to open arrest they would then march. When I refused to do this, they maintained their contention in refusing to march, upon which I was obliged to secure transportation for them.

On the 4th day of June, 1943, before reaching Short Siberia Range, during a break period en route, I ordered the platoon commanders of the Company to take the names of the men in their platoons. On reaching the range I called in the rolls after the platoon commanders had checked off the rolls of the men with those present on my order. I discovered that some men were marked absent. This was at approximately 1120 hrs. The accused - all of them - were among those absent. On reaching the range I gave the order verbally to the platoon commanders and to several men who asked permission to leave the range area, that no one was to leave the range area. The accused were not men who asked for such permission.

CROSS-EXAMINED BY THE ACCUSED:

Q 1. Are you the officer who called us back when we were headed towards the tea shop?

A 1. No I wasn't.

The Evidence was read to the witness.

(Sgd) S.E. LIPIN, LIEUT.

1 Bn. 1 C.B.R.D.

The accused was cautioned as follows: Do you wish to make any statement or to give evidence on Oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence.

The accused declines to make a statement and reserves his defence.

The accused declines to call witnesses on his own behalf.

I certify that the foregoing Summary of Evidence consisting of one page was taken down by me in the presence and hearing of the accused and the Rules of Procedure 4(c)(d)(e)(f) and (g) have been complied with.

B-2 Statement by the Accused. B-2

Before going to Field Punishment I requested to be paraded to the Commanding Officer and was refused. Plea of Mitg. 7th

10 Oct 44

7th Remarks 2

The accused on his plea admits his guilt of absenting himself without leave. His claim in defence is that he has, since joining the 1st Nova Scotia Regiment, wanted a Transfer to the C.B.H., his original unit. By absenting himself from the 1st N.S. Regt he believes he could by some method return to the C.B.H., as 7th Remarks contention.

His period of absence starts back in June, 1941 when he enlisted with the C.B.H. & until the unit is subsequently came overseas. Although he did not arrive in Italy until the 5th Cdn. Division, he fully expects to reinforce his original unit until such a time as he joined the 1st Nova Scotia Regt. in February 1944. His visit from that time to date has been to return to the C.B.H.

The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)

(1. *RP 35 fn 3.* 2. *MML p 54 para 47.*)

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused : Do you wish to make a statement ? Ans Yes Sir.(5)

B.2

Accused: On the evening of the 21st of June, I was attending a farewell party at the home of a friend in Belgium. Sometime during the evening the house was entered by RSM Humphrey and Sergeant Ewenson. I was not sure of the time. They took our names and numbers. If the RSM made a statement or told me to report to barracks, I don't recall it. I returned to barracks next morning at 8.15 and was placed under close arrest and taken up for office in front of the Camp Commandant at approximately 10 o'clock and was remanded to the OC the Unit. I returned to the Guard Room to get my shaving equipment. I asked the Sergeant when I would be going up and he told me I would not be up for office before getting to Germany in about five or six days time. The next morning I wasn't feeling well and went to the house and laid down. At two o'clock I reported to the MIR and left there at 2.30 in the afternoon. I then went back to the house and went to sleep. I had been accustomed to sleeping at this home and Sunday - the next day being Sunday, I didn't report back. On Monday morning when I reported back to barracks I was told by a fellow soldier that the Provost were looking for me and I reported in to the Guard Room and asked them if they had been looking for me and they placed me under close arrest.

E.1 The accused, C.32982, Corporal Dever, JB, having been duly sworn, is examined by the Defending Officer:

Q.1 Would you give the Court your story?

A.1 On the evening of 21 June, I was attending a farewell party at the home of friends in Belgium. Some time during the evening, Sergeant-Major Humphrey and the Provost Sergeant - Sergeant Swenson came into the house and took our names and number. If the Sergeant-Major or the Provost Sergeant told me to return to barracks I didn't hear them. I returned to barracks approximately 0815 hours the next morning and I was placed under close arrest. I was taken up for office tothe Camp Commandant approximately 10 o'clock and remanded for the OIC's orders. I returned to the Guard Room to pick up my shaving kit. I asked when I would be taken up for office and they told me not until we got to Germany in four or five days. The next morning, 23 June, I was feeling sick and went down to the house where I had been at the party, and went to bed. At approximately 1400 hours in the afternoon, I I went to the MIR. I left the MIR at 2.30 and went back to the house and went to sleep. The next day being Sunday, I didn't report to the billet. When I reported at approximately 7 o'clock Monday morning I was told by one of the fellows that they were looking for me. I went to the Guard Room and asked if they were looking for me and they said yes and placed me under close arrest.

Q.2 Is there any check at the billets at 1100 hours?

A.2 No sir.

The witness is cross-examined by the Prosecutor;

Q.3 Corporal, where did you sleep the night of the 20th - in Alost?

A.3 In barracks, sir.

Q.4 You slept in barracks?

A.4 Yes sir.

Q.5 And the night of the 19th, where did you sleep?

A.5 I couldn't be sure sir.

The Defending Officer declines to re-examine the Witness.

In the opinion of the Court and Judge Advocate, it is not necessary to comply with the provisions of NP 83(B).

The Witness stands down.

First Character Witness

M.50226, Sergeant Laing, JM, Canadian Section 2 Echelon, Headquarters, 21 Army Group, having been duly sworn, is examined by the Defending Officer:

Q.6 Sergeant Lain, do you recognize Corporal Devers in Court?

A.6 Yes sir (indicating accused)

Q.7 Could you tell the Court what associations you have had with Corporal Devers?

A.7 He works under me in X-List Records B. He has been with me for approximately three weeks. His work is very good. He is co-operative and willing in everything I give him to do.

Q.8 You have never had any trouble with him at all?

A.8 No sir, no trouble at all, sir.

Q.9 He has been with you for only three weeks?
A.9 Approximately three weeks.

Q.10 Where did he come from?
A.10 With the AAI boys, sir.

The Prosecutor declines to cross-examine the Witness.

In the opinion of the Court and Judge Advocate, it is not necessary to comply with the provisions of RP 83(B).

The Witness withdraws.

E.3

The Defending Officer makes the following plea in mitigation:

Sir, in plea in mitigation, I must apologize for only being able to call Sergeant Laing as character witness. As you heard him say, he came up from AAI and the officers who had anything to do with Corporal Dever in that theatre have all returned to Canada as have the majority of the supervisors. QMS Nadalin, one of the Prosecution witnesses, is at the moment absent. Corporal Dever does admit his guilt on this charge but I would like to bring your attention to the number of mitigating circumstances. First, in reference to the charge of being AWL. You will notice that the charge is laid as fr@ 0100 hours on the 22nd. It is not from 2300 hours the 21st. That means that there was a very loose check and that there was, in actual fact, no way of checkingif other ranks were in billets or not, that night. This all happened merely because two other Sergeants were walking the street at 0130 hours and through a window saw a great pile of beer and liquor. They entered this house, found the accused and one other soldier. Sergeant Edwards and Sergeant Svenson both admit that the accused was under the influence of liquor. It seems strange to me that they didn't check more closely and if they didn't feel, since they were senior NCOs, like acting as escorts, they could have sent other Provosts. The whole thing was very loose as far as this charge goes.

Now, the second charge, the action of the Provost Sergeant in informing Corporal Dever that this case would not be called before the Colonel until after the move. This was the morning they were making the final arrangments for the move. Corporal Dever had every right to believe this Sergeant. And you will notice that he states that he did leave the quarters and went to the house where he had been before. The Provost were sent for Dever before the OIC's orders and they didn't find him. They did not go to this house, which appears to me to be the logical place to go to look for him. Also, at Alost there were always Provost on duty at the gate and yet they made no attempt to stop Dever when he left the quarters when he was placed under arrest. Corporal Dever has admitted his guilt but I think I have pointed out that the whole charge is the result of a very loose system of checking.

We have given character evidence - the best that is available. He has a comparatively good record. There is nothing there that the average has not been charged with. And also I think it should be brought to the Court's attention that this Corporal has been under close arrest since the 25th June, which is nearly a month and I feel that that is punishment enough for this offence. I don't know whether I did stress the fact or not, the last nights before we left Alost we all had friends and a lot of us were invited to parties and I am sure that the majority of the other ranks accepted these invitations and were out after 2300 hours.

SUMMARY OF EVIDENCE

Summanry of evidence in the case of No. G.32982 CPL. DEVER, J. B., on strength Canadian Section 2 Echelon, Headquarters 21 Army Group, is charged with(1) absenting himself without leave (AA Sec 15(1)). (2) breaking out of camp (AA Sec 10(4)). (3) absenting himself without leave (AA Sec 15(1)).

By direction of the Commanding Officer the evidence is taken on oath.

First Witness

A.6160 RSM HUMPHRIES, A.C., Canadian Section 2nd Echelon Headquarters 21 Army Group, having been duly sworn, states:

I, Regimental Serjeant-Major, on the date and time stated, was visiting all the cafes in Alost. Upon nearing the railway station in Alost, I heard on one of the side streets, very loud singing. It was then approximately 0100 hours. In company with me was Sjt Edwards and the Provost Serjeant, Sjt Ewenson. We came to the house where the sound was coming from; the lights were all lit in the house; the cellar was observed to be lit up from the sidewalk, and showed to possess a very large quantity of beer. I rang the door-bell, and a lady opened the door. When she observed Serjeant Ewenson, my Provost Serjeant, she made an alarm and ran towards the inside of the house leaving the door open. I followed through with Serjeant Ewenson and Serjeant Edwards, and went to where the lady had gone. The Accused was sitting at a table, in company with another Canadian soldiers, and two other male civilians, drinking and singing. I asked one of these civilians, who appeared to be the host, and behind whom the woman placed herself, if the soldiers were not being entertained rather late. The woman replied that these soldiers were billeted there. I asked the Accused how long he had had these billets. The Accused then said that the lady had misunderstood what we were talking about, and that they were not billeted there, but were merely visiting. I informed him of the lateness of the hour, told him to report back to barracks and told Serjeant Ewenson, the Provost Serjeant, to take his name and number. Upon return to barracks, at approximately 0130 hours, the Accused had not reported in. Around 0830 hours that morning, I visited the guard-room and asked if the Accused had reported in. He had not. While I was inspecting the rest of the guard-room, the Accused reported to me properly dressed and sober. With him was the other soldier, Pte. MacDonald. I placed both of them under close arrest.

(The Accused declines to cross-examine the witness)

(The foregoing evidence haveing been read back to the witness, and the witness acknowledging that it is correct, signs the same.)

Arthur C. Humphries RSM

Second Witness — B.45619 SJT EDWARDS, W.C., Canadian Section 2nd Echelon Headquarters 21 Army Group, having been duly swonr, states:

On the night of 21st to 22nd June, RSM Humphries, Sjt Ewenson, and myself were walking along the street in Alost. I heard Canadian voices clearly on the street. I accompanied the RSM and Provost Serjeant to the door of this private house. As the RSM knocked on the door, a lady came to the door. When she saw us, she immediately ran to another room and spoke something in Flemish. Upon seeing that she was alarmed, the RSM, Provost Serjeant and myself followed her to the room where I saw the two soldiers, one of them being Cpl Dever, and the second soldier, a member of 2nd Canadian Echelon, whose name I'm not certain. As we entered the room, the man of the house invited us to have a drink, upon which I refused. I took a position outside the entrance to the room while the RSM instructed the two soldiers, Cpl Dever and the second soldier, to return to barracks. I then left the building with the RSM and Provost Serjeant to complete our rounds of the town of Alost. We returned to the guard-room, and I was told at the gate that the two soldiers had not yet returned. It was then approximately 0130 or 0200 hours. I then returned to my billets.

Q.1 Did you see any liquor bottles on the table at which I was seated?

A.1 There was a small table with many bottles on it. I did not notice as to whether any of them were liquor bottles, but I am sure the majority of them were beer bottles.

Q.2 Did I appear to be under the influence of liquor?

A.2 The Accused did appear to have drank a considerable amount.

(The foregoing evidence having been read back to the witness and the witness acknowledging that it is correct, signs the same.)

Edwards

Third Witness — D.86368 SJT EWENSON, B. F., Canadian Section 2nd Echelon Headquarters 21 Army Group, having been duly sworn, states:

On the night of 21st June, I went out with RSM Humphries and Serjeant Edwards, on a tour of duty.

At about 0130 hours we came to a civilian house with lights in the basement and I could see many cases of beer. We heard singing in English, so the RSM rang the door-bell. A woman opened the door. Upon seeing me, she tried to slam the door, and RSM Humphries pushed in the door, went inside, and Sjt Edwards and I followed. In a room we saw Cpl. Dever and Pte. MacDonald. As the RSM started to question the soldiers, the civilain, who appeared to be the head of the house, invited us to have a drink. We refused. He also stated that the Accused and Pte. MacDonald slept there. RSM Humphries told the two men to report back to the barracks. Before leaving, I also told the two men to report back. We left the house. We patrolled for a short time, and upon arriving back at barracks, about 0200 hours, we found no one had reported in. I then went, accompanied by the RSM and Serjeant Edwards, for a bite to eat. I then returned to the guard-room. RSM Humphries and Serjeant Edwards left. I stayed on duty until 0500 hours. The Accused and Pte. MacDonald had not reported in at that time. I went to bed at 0505 hours and got up at 0700 hours. At 0700 hours, I checked andfound that Cpl. Dever and Pte. MacDonald had not reported. The RSM was around the guard-room at 0745 hours and asked me if Cpl Dever and Pte. MacDonald had reported in. I told him they hadn't and he left. RSM Humphries returned at about 0830 hours. Just as RSM Humphries had come in, Cpl Dever and Pte MacDonald reported. RSM Humphries placed them under close arrest.

Q.1 Did you see any bottles on the table when you entered?

A.1 Yes, there was a number of glasses and bottles on the table. They appeared to contain liquor and beer.

Q.2 Did I appear to be under the influence of liquor, Sjt?

A.2 Yes, you appeared to be under the influence of liquor, but you appeared to recognize me.

Fourth Witness B.111405 PTE MacDONALD, C.H., Canadian Section 2nd Echelon Headquarters 21 Army Group, having been duly sworn, states:

On the evening of 21st to 22nd June, in company with Cpl Dever, I was attending a farewell party given to us by friends in Alost. We were both pretty drunk, and sometime during the night, RSM Humphries and Sjt Ewenson entered the house. Our hostess answered the

door. She attempted to shut the door, but was apparently unable to do so. I remember Serjeant-Major Humphries, and Sjt Ewenson being in the dining-room. Everthing else that happened is a bit hazy. Next morning I awoke in the house and returned to barracks in company with Cpl Dever, and reported to the guard-room. RSM Humphries placed us both under close arrest.

Q.1 Pte. MacDonald, do you think that I was under the influence of liquor?

A.1 Yes, you were under the influence of liquor before I was. I remarked at 1030 hours that you were drunk.

I phoned his Section and got his Supervisor, QMS Nadalin, to have the Accused come to the OIC's Orders. QMS Nadalin replied that he had not seen the Accused that morning at all. I sent Serjeant Edwards in search of the Accused. Serjeant Edwards later reported back to me that he had made a thorough search and was unable to find the Accused.

1. Herewith a letter of recommendation in the case of the a/m NCO.

2. This man has been with the unit since Sep 39, and has given this unit very good services and has always been considered as one of our best soldiers, highly recommendable.

3. Since the 25 May 44, he has received no news whatsoever or parcels from his wife, and no letters from his parents since 40.

4. For nearly a year he has complained with severe headaches, which could not be cured by medecines and his case not being serious enough, he was never evacuated.

5. In consideration of the facts mentioned, and the state of anxiety this NCO has been going through, I would ask the Court to be lenient in his case, so that he can be returned to our unit.

6. For your consideration, please.

PLEA OF METIGATION
IN THE CASE of D-56410 - Cpl DEVILLERS A.

The case of Cpl DEVILLERS is a common one but a very unusual one too. His Commanding Officer highly recommends him on his very reliable efficiency and good conduct since 1939. His parents have not written to him since 1940 and his wife for over 9 months now. This man has faced the enemy many a time and has fulfilled his duties as a first class NCO. He did not go absent as a coward but upon circumstances beyond his control. No news from his home certainly did not improved or

encouraged him in his line of duty.

A severe punishment will not remediate his situation but will aggravate it.

This man needs help, ~~and~~ careful consideration and special attention.

Capt D. Bourcier R. de mais sent epl Dwitter for a medical examination for his hood. at NO 3 CCS. at the end of Jan 45. no report yet has been received from his examination.

It is my duty to instruct drivers, with instructions that have been passed down to me from HQs & provide vehicles whenever they are req'd. I recognized the accused Cpl Devine on the 2 Feb. I was sitting in my room when Spr Looker came in with the verbal statement from Major Cameron saying a half-track was required at the CRE's for the purpose of pulling a caravan out of the ditch. I refused to take it out without a written statement from Sqn HQs. Spr Looker proceeded to Sqn HQs to get the necessary work sheet to release grounded vehicles the note being signed by Capt Badnell. When he returned I went out & started the vehicle Cpl Devine asked me who gave me authority & I told him Capt Badnell. I didn't have the message on me so I sent Spr Looker to return to my room & bring back the message to the vehicle. As soon as he returned the message was shown to Cpl Devine After he read the message we had trouble with the headlights. I went around to the opposite

R.C.E. I recognize Cpl Devine as the accused.
On 3 Feb I received orders from Major Cameron
to proceed to 1 Fd Sqn lines & get a ½ track
to tow his caravan out of the mud, at
the CRE's. When I came to #3 Tp Cpl Cheney
refused me the vehicle because it was grounded.
I came down to HQs & had an order typed out
to release the veh. The order was signed by
Capt Ladner. I went back to 3 Tp & gave
the order to Cpl Cheney. I then went out to the
½ track & started the motor. The lights were
not working as I was using them. Cpl Devine
came along & asked us if we had authority to
move the vehicle and we said we had.
Cpl Cheney said he had left the order in
his room so I went back for it. It was
then shown to Cpl Devine. Cpl Cheney
proceeded to find the trouble with the lights
while Cpl Devine read the order. Cpl Cheney
got out of the Cpl hand side of the vehicle
& walked around to the right side so that
he could see better with the panel lights.

It was then that Cpl Devine struck Cpl Cheney. We then went back up to Cpl Cheneys room, he washed his face then we went downy to see Sgt Skinner who came back with us. He then told us to take the white ½ track & proceed on to the CRE's & complete the detail which we did.

I intend to show to the court that Cpl Devine struck Sgt Cheney while under the influence of liquor and doing as he thought was his duty in preventing a vehicle which had been grounded from being moved.

1st Defdn Witness

Cpl Devine, the accused, duly sworn, states:

On noon of 8 Feb I started to drink when off duty. I had already been told that the ½ tracks couldn't move because they were grounded. Then when I heard the motor running I went down stairs and I told them the ½ tracks were grounded and they weren't to leave the yard. They produced a work ticket or what they said was a work ticket which I never read and I never remember seeing until Sunday morning when the summary of evidence was taken. I looked at the work ticket Sunday morning, I never read it, I looked at the marking on it. I seen some pencils marks on it which I couldn't make out.

Q. Do you remember if you gave Sgt Cheney an order to get out of the Veh

A-1 I think I did.

Q-2 Was it obeyed.
A-2 No.

Q-3 Did you take any further steps to have him carry out your order.
A-3. I tried to pull him out.

Q-4. Did you realize that the paper shown to you was proper authority for the vehicle to be moved.
A-4. No.

Q-5 Did the message make any impression on you at the time
A-5 No.

Q-6 How many glasses of wine had you drunk.
A-6 About half a demijohn.

Q-7. What was the reason that you tried to get L/Cpl Cheney out of the veh.

Summary of Prosec

All the evidence has been brought forward to show that L/Cpl Cheney knew Cpl Devine was drunk I believe that this in fact was the case. I am Lieut. T.G.Clendenning, Offr i/c 3 Tp 1 Cdn Fd Sqn RCE and I wish to make the following statement .

On or about the fourteenth of January 1945 I strongly stressed to the accused the importance of the grounding of the half-track vehicles of No.2 Section . This was done to save wear on the tracks and bogies. The vehicles were to be released only by a written order from the Officer Commanding . At the time the incident occurred , both half-track drivers were absent from the troop on duty .

As Officer i/c 3 troop I have found Corporal Devine is an N.C.O. who sees that orders are carried out, and has been a very efficient section commander.

Statement from defending officer (to go on page 62 B)

Cpl Devine came out of the house under the impression that someone was interfering with the half tracks which he was responsible for, a logical conclusion, and one shared by at least one other member of the section. If L/Cpl Cheney had advised Cpl Devine that he had orders from HQ to take the half track, before starting it up, as I believe he should have done, the incident would have never occurred. But due to circumstances the impression he had gained, the darkness, and his condition he never grasped that L/Cpl Cheney had proper authority. It is true he scribbled something on the message, but he did not read it or comprehend it. Even at this stage if L/Cpl Cheney had shown a little patience with a man in his condition and made certain that Cpl Devine understood the message the incident could have been avoided. L/Cpl Cheney was struck by Cpl Devine only after he refused to obey the order Devine gave him to get out of the vehicle. Cpl Devine's intention thereof was to prevent the unauthorized use of his, and other vehs. Two things were uppermost in his mind, the drivers were absent and the vehs were grounded, and he wished to prevent their misuse. I ask the Court that he be found not guilty of this charge.

the latter was drunk and that an argument might possibly have ensued. Secondly I submit that no NCO of the rank of Corporal should never become so intoxicated as to impair his reasoning powers. In the case Cpl Devine pursued a course of action which he knew was wrong therefore Cpl Devine should be found guilty of the charge as laid.

I am B-92455 SSM GORDON I. 1st Sqn RCE.

I have been Cpl Devine's troop Sgt & SSM for nearly four years and I can rely on him to do a good job and carry out an order. He can also be relied upon not to drink during operations, and only after parade hours when in rest and drinking is permitted.

#2. I am B-78539 Sgt McCrae A.A. I was for 3 mos. beginning about Sept 1st Tp Sgt of 3 Tp During all that time Cpl Devine was a sect leader of 3 Tp I found him to be industrious, intelligent, and with a great interest for the welfare of his men. They in turn respected him for his ability as an engineer, his leadership and his courage. During that time I have never known Cpl Devine to have been under the influence of liquor except in a recognized restarea. Because of those facts I regard him as an especially good N.C.O.

Address by Defence in Mitigation & Punishment.

Cpl Devine has acted as an NCO in all the engagements with the enemy that this unit has had since coming to Italy. He served with credit and is rightly regarded as a valuable & efficient N.C.O. His conduct since he joined the army has been excellent. I submit that the offence with which he is charged occurred because he was under the influence of liquor and was obeying his orders that the vehicle was not to move. I would ask the court therefore in determining sentence to consider his value & service he has given & the fact that I believe his intentions were sincere tho' influenced by liquor

FIRST WITNESS

C 30217 L-Cpl. Cheney E J, 1 Cdn Fd Sqn RCE, sworn states: -

I am C 30217 L-Cpl. Cheney E J, of 3 Troop, 1 Cdn Fd Sqn RCE. I am Tpt L-Cpl. in 3 Troop. At approximately 1900 hrs 3 Feb 45, Spr Looker came in and told me that Major Cameron's vehicle was in the ditch and that 3 Troop were to send a half track to pull it out. Since all half tracks had been grounded and could not move except on the written order of the O C I sent Spr Looker down to see Capt Ladner the acting O.C. to get permission to use the half track. Spr Looker returned about 1930 hrs with a written message from Capt Ladner giving me permission to use the half track. I went out to one of the two half tracks which are 9 section vehicles. I started the half track and was warming it up when Cpl. Devine came out and asked me where I was taking the vehicle. I told him I was taking it down to the CRA Hq. Cpl. Devine asked me whose authority I had for moving the vehicle and I told him Capt Ladner had given me authority. I had left Capt Ladner's message in the house so I sent Spr Looker in to the house to get the message. When Spr Looker returned with the message I showed it to Cpl. Devine. Cpl. Devine put a note on the message. The lights on the vehicle were not working properly so I got out and went around to the spare drivers side of the vehicle to check the wiring. Cpl. Devine ordered me not to take the vehicle out and ordered me out of the vehicle. I did not get out. Then Cpl. Devine grabbed me by the arm and hit me. I went down to Tp Hq and reported the incident to Sgt Skinner who returned to 9 section with me. Cpl. Devine was not around so I got into the half track and drove away.

I hereby produce the message from Capt Ladner giving me authority to move the half track.

Q 1 Did you tell Cpl. Devine that you had orders for the half track to go out before you started the vehicle?

A 1 No.

Q 2 Why did you not tell Cpl. Devine about the half track going out before starting it up?

A 2 I thought the authority from Capt Ladner was sufficient.

Q 3 Why did you not get the regular driver of the half track to drive the vehicle?

A 3 The driver of the half track was not available. Both half track drivers were away on another job.

The accused declines to cross examine the witness.

SECOND WITNESS

B 4517 Spr Looker A, 1 Cdn Field Sqn RCE, sworn states: -

I am B 4517 Spr Looker, A A of Hq Tp, 1 Cdn Field Sqn RCE. At approximately 1700 hrs 3 Feb 45 I was at the CRE Hq. Major Cameron told me to spot his caravan. While moving the caravan into position it became stuck. I attempted to move it with an armd car but could not move it. I reported this to Major Cameron and he told me to go to 1 Fd Sqn and get a half track to move the caravan. I went to 3 Tp, 1 Fd Sqn and asked L-Cpl. Cheney for a half track. L-Cpl. Cheney told me all half tracks were grounded. He said I would have to get permission from Capt Ladner to use the half track. I went down to the orderly room and had Cpl. Thurston type out a message authorizing the use of the half track. I took the message down to the officers mess and had it signed by Capt Ladner. I returned to 3 Troop and gave the message to L-Cpl. Cheney. L-Cpl. Cheney and I then went to 9 section where the half tracks were parked. L-Cpl. Cheney got in one of the half tracks and started it. Spr Regimey came up and asked us what we were doing. He asked L-Cpl. Cheney if he had permission to move the half track and L-Cpl. Cheney said that he did. The lights on the half track were not working properly so we tried to fix them. Cpl. Devine came up and told L-Cpl. Cheney that the vehicles were grounded that they were section vehicles and were not to be moved. L-Cpl. Cheney told Cpl. Devine that he had written authority to move the vehicle. I went up to L-Cpl. Cheney's room, got the order, returned to the half track and gave it to L-Cpl. Cheney. L-Cpl. Cheney gave the order to Cpl. Devine who wrote something on it and handed it back. Cpl. Devine said the half tracks were not to be moved. L-Cpl. Cheney continued to try to fix the lights. He was leaning back in the vehicle in the spare drivers seat reading the maintenance manual and looking at the wiring diagram. It was then that I saw Cpl. Devine hit L-Cpl. Cheney in the face. L-Cpl. Cheney went up to his room and bathed his face and then L-Cpl. Cheney and I went down to see Sgt Skinner and brought Sgt Skinner back up to where the half track was. Sgt Skinner told us to take the half track and then went in to see Cpl. Devine. L-Cpl. Cheney and I took the half track and proceeded to the CRE Hq to do the job.

Q 1 Do you recognize this message? (showing witness exhibit A)
A 1 Yes, its the one typed out by Cpl. Thurston authorizing me to use the half track.

The accused declines to cross examine the witness.

Cpl Devine came out and said that no body was taking the half track out because they were grounded. L-Cpl. Cheney said that he had an order to take the half track out. Cpl. Devine ordered L-Cpl. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

Plea of Mitigation

Sir, I wish to submit the following plea of mitig
on behalf of the accused B 64413 Pte Devlin H.

"For the past two years this man has acted as an M
instructor at 4 Canadian Infantry Reinforcement Unit.
During that time he was "frozen" in the Instructional Staff
of that unit where he instructed on wheeled and tracke
vehicles. He also instructed on 3 inch and 4.2 inch mortar

In May 1944 he heard that his field unit was going
on to action on the near future. He had come overseas
in ~~October~~ August 1941 with the intention of fighting and now whe
the opportunity was at hand he found that he was to be
held as an instructor with no hope of being released. He
went AWL in May 1944 for a day and a half in the hope
that they would send him to the field unit ~~he~~ instead
he was reduced to the rank of Private for a period of
a week or so and then was given the rank once more
of A/Cpl, and still held as an instructor. He ~~again~~ tried
to get his release once more by going AWL again. This ti
for a period of seven and a half days approximately. He
succeeded and was transferred to 7 Canadian Infantry
Reinforcement Unit and placed on draft. Just before he
to leave he found himself taken off draft because he
had reached the age of ~~forty~~ one in June. He was so f
up with everything by this time that he went AWL a
more and remained AWL until apprehended. He n
realizes that he will be unable to go on draft on acc
of his age and he also realizes that he can be of more
value as an instructor. Let me point out at this
the period he served as an N.C.O. instructor he had a c
conduct sheet. He is willing to accept your punishme
but sir with the need for trained instructors being
what it is at the moment it would be a shame to w
his experience by awarding any time in a detention
barracks.

MEDICAL CERTIFICATE

I certify that No. B-64413, Rfn. Hugh Devlin, Queens Own Rifles of Canada, of 3rd Cdn.Div.Inf.Reinf.Unit, is fit to stand trial by Field General Court-Martial.

Unit Medical Officer.

Salacanca Barracks,
21 August 1942.

Statement of Capt White defending Officer in Mitigation.

The accused was granted permission to marry last December. When he came back from leave after marriage rumours circulated that he had a wife in Canada. These rumours were strong enough to stop any dependents allowance for his wife. He has given the name of the priest + chief of police of his town in Canada to his unit RC. Padre so that the fact that he was not married in Canada may be verified. It is over 8 months since his marriage + to date his wife has received no assigned pay or dependents allowances. It is submitted these facts have a decided effect on his actions. His wife is living with her mother in Aldershot in rather straightened circumstances.

The Court is closed to consider sentence.

This is to certify that I examined
Mrs Devlin, 20 Ross St., on 11/7/47,
and, in my opinion, she was and
is suffering from myocarditis and
Cardiac Goiter Brachialis (Left arm). The
latter is a very painful condition and
owing to the condition of her heart
she is liable to sudden death. I
advised her son John Francis Devlin
to remain near home to the serious

her mother yesterday 30/8/47 and she
is still in a serious condition and
it is advisable for her son to remain

over for at least another week.

I do hope you have got it O.K by now. Then I sent you a wire on thursday and paid for a reply, but we got none. We couldnt understand what was wrong. But Johnny dear you have not the faintest idea how Mother & I felt about your not coming home. It has nearly killed us both. So please do not disappoint us any more. I think you

Statement of John Francis Derlin

30 Oct. 42.

I John Francis Derlin of the Royal Regt of Canada wish to make the following statement to this honourable court:

I enlisted with the Royal Regiment of Canada on the 25 July 1941 after being twice rejected. I am now 40 years of age. I arrived in England on the 20 April 42.

After my arrival in England I received frequent letters from my sister telling me that my mother was in very poor health and begging me to go and see her. My mother lived in Belfast Northern Ireland. I had not seen my mother for 15 years. My sister is married but she tries to help my mother as much as possible although she is rather tied down by her own household duties.

I applied for leave to go and see my mother but this was not immediately granted.

However on 9 July 1942 I managed to secure 7 days leave and proceeded to Belfast in response to a particularly urgent appeal which I received from my sister and found my mother seriously ill and indeed in danger of sudden death as shown by the certificate from her doctor which I now produce to the Court.

Her only help, aside from my sister is a younger son who unfortunately is rather simple and not mentally capable of being any help to my mother. On the expiration of my leave the doctor advised me to stay over and help her as much as possible. I had no option but to stay. My mother did not improve and on 30 Aug. 42 the doctor told me I should stay on longer.

I could not bring myself to leave my poor old mother without anyone to look after her

(3)

I knew that if I communicated with the camp no further leave would be granted as I had overstayed my pass so long and the military police would pick me up before I had finished looking after my mother.

Eventually my mother improved sufficiently so that I could leave her to look after herself with the help of my sister and I returned to the camp and surrendered.

I have no excuse to offer beyond what I have just written. I have produced the Doctor's letter to show that my mother was seriously ill and needed me. The Doctor assured me that this would be sufficient to excuse my actions. Whether this be so or not I am sure the Court will believe me when I say that my absence was not wantonly wilful but simply

. . . . .

that I could not, and
four men could, leave
my poor old mother
in what appeared
to be her last illness,
partially paralyzed and
quite deaf, only a simple
boy to minister to her
needs. It would not
have been human to
do so.

Plea of Mitigation
for
F58260 Pte. J. Dean

Plea attached at
K 3
Ord

Vol. June 7. 05 Aug 43.

It is a simple story I have to tell in this plea
Dean Vol. 41 05 43 good soldier, reasonable conduct
sheet. Married in July 42 - had one child
And now the story becomes less simple. ~~[illegible]~~
~~story of a marriage [illegible] point~~ After Dean was
married, he, rather unfortunately had to take up
residence with his In-laws. This situation
although disagreeable under normal circs, was
enhanced by the fact that the In-laws were very
different people, and made things extremely uncomfortable
I won't go into details about the existing conditions
but believe me they are unpleasant.

Dean was quite a week end & find of home was home
for his wife, but as the result of ~~[illegible]~~ in ignorance
leaving situation in this country, they must appreciate
the difficulties Dean ran into. The over stay of his
leave, feeling he must find his wife a home, and at this
time his In laws became very nasty and practically ordered
them to leave. He was ~~[illegible]~~ hopelessly married about his wife's
and ~~[illegible]~~ influence on her account by them.
At the time of his apprehension, he had just managed
to get a place for his wife, and she will move into
this new home as soon as the owner returns from hospital
She was obviously ~~not~~ and I beg the court to take this into consideration

I am M 56202 Pte Lewis E. Loving
13 day of Dec 1918 I had ben across the Meuse
River three times once when they was not a
single allied soldier on the north side of the Meuse
On the afternoon of the 13 Dec I was ordered to go
across the Meuse with C Coy together with
another corporal named Pte Webb I met C Coy
following my self according to orders received
from Capt Johnston that I was to go
no orders from C Coy Comdr at 4 pm on the
13 Dec I Coy received orders from
Capt Longhurst that myself & Pte Webb would
cross the river ahead of C Coy as scouts to cross
the river and went about one mile & a half behind
the enemy's forward position to enable us
could observe the Co move across the river
would appear three hours the Bn did not come
across the river we first bothered me for a little
Pte Webb & myself started back & cross the bridge
Meuse we had just reached the northern bank of
we met Capt Johnston and three other scouts
Capt Johnston said "so you have been behind the
Enemy's lines" I answered yes Well Capt Johnston
and the rest of the scouts we went to the

Union of San Leonardo for the purpose of checking
on the Seaforth position. Ole Bill & my self still
on our own advanced to the forward Seaforth
position which was laying under the worst
mortar barrage I had ever seen. I was then
about thirty men and I cracked. All I could
think of was to get out as I left, still under
the influence of something I had swallowed
of probably worse I left the fort a couple of
miles but I reckon I must have been one hundred miles back
before I realized the gravity of the thing I had
done so I reasoned my best policy would
be to return to the Regt. as soon as possible, so
I got on a tram which was going to the north
During my journey to the front I exchanged my
uniform for an American Overseas, for my
own was so dirty and ragged if I had come upon
a British Unit first I would have acquired a
British uniform but as it was the American
unit that I got the uniform from was the most
handy I reached Naples I was standing in the Piazza
which is a small district near the centre
discussing the war & current topics with a Regt
of the 11th Yeo. Corps when a conversation in which

some what cant I believe it. I remember the "Toronto Post" I have been absent four weeks, he arrested me and conducted me to the 11th Division room. I was then taken to the Court Room at Osgoode.

Q. You were telling us the Police constable did not arrest you directly

A He had no reason to because I was in American Army uniform

Q Why did you not then tell him who you were

A Because I wanted to get back to my unit.

Q How did it take you to get over the difficulties by the Military

A About a week

Q Why did you not return immediately at the end of the week

A I wanted to surrender myself and not be arrested and it took me some time to figure out how this could be done

Q Tell the Court why you had no Pay book when arrested.

A When I exchanged clothes I accidently left my pay book in the breast pocket of my tunic

Prosecuting Officers Final Address in the
case of W/36202 Pte Clem Devore.

1. To establish desertion it is necessary to prove either intention not to return to the Canadian Army or intention to avoid some important particular service. I submit that evidence has been brought forward to prove both these ~~—~~ informers.

Evidence has been brought forward to show that the accused, by his illegal absence, did avoid an attack to which the Edmonton Regiment had been committed and of which he had previous knowledge.

The evidence to prove that the accused had no intention of returning to the Canadian Army is as follows.

1. On his own admission and from evidence of his Platoon Officer and Sergeant he did illegally absent himself sometime during the night or early morning of 13-14 Dec 1944.

2. He did not subsequently surrender himself, nor did he return to his unit but was apprehended by the Provost.

3. When apprehended he was not in proper uniform but was in U.S. Army uniform which I submit is as good a disguise in this country as could possibly be found by a non Italian speaking member of the Canadian Forces.

4. When apprehended he was not in possession of that usual means of identification, his pay book.

Lieut Biggs

The accused, in his own testimony, states that from the time he was subjected to mortar fire until some seven days later he remembers very little and intimates that he was practically out of his mind. Yet subsequent to this mortaring it is shown that he reported to his Platoon Sgt as detailed. Further, for a man ~~that~~ who was intent on rejoining his unit the lapse of time subsequent to his recovery of his mental processes until his arrest is very difficultly accounted for. We are asked to believe that a foot trip from Bologna to Naples took fourteen days. This would mean a daily average of ten miles covered. Further, the accused states that he had got some hundred miles south of the unit when he came to his senses and that from then he tried to work his way back to the unit. Yet after an elapse of twenty eight days he was arrested in Naples which is farther from the unit than his starting point was. The accused states that he himself made no attempt to leave Naples.

Summing up - Defending Officer - LT L.J. Pronger

As I see it Sir, the issue being decided is whether the accused is guilty of desertion or absence without leave. To be guilty of desertion he must @ have intended never to return to his unit, or @ have left his unit to avoid an important military duty.

@ The evidence shows that the ~~accused~~ accused always intended to return to his unit. The readiness of his admission of his identity to the Provost proves that & it is also proved by his own statement, given on oath. The fact that he was wearing an American army uniform has been satisfactorily explained — his own was ragged & it was the first he encountered.

The evidence as to his character given by Lt. Beaudry & Capt Johnson clearly indicates that he is not the type of man who would desert his unit.

@ As to his trying to avoid an important military duty the evidence shows that the accused was never warned for the attack impending. Also his record since landing in Sicily indicates that even had he known of the impending attack he would never have run out while in his right mind

~~[illegible]~~

P.T.O.

~~[illegible]~~

It should be borne in mind also that the accused voluntarily elected to give evidence on oath, thereby subjecting himself to cross-examination. Although he has been thoroughly examined & cross-examined there have been no discrepancies in his evidence.

For these reasons I submit, Sir, that the court cannot find the accused guilty of desertion, & the finding must be one of absence without leave.

Sir: On the application for court martial
the accused has been given a "good" character
by his ~~Platn~~ commanding officer.
It will be noted that he has a
clean m.gm.b although he has been in the army 2 yrs.
His platoon commander has stated
that as a soldier he is well above average
& has risen to the high standard required
of scouts. This evidence has been corroborated
by the statement of his pl. sgt.
The accused landed with his
battalion in Sicily & has been wounded
once. ~~He has nothing~~
In view of his past record, his
character, & his services to his country,
I ask that the court be lenient &
give the prisoner the minimum sentence
possible.

Q Was the accused in the group of the Pl that was warned for duties the night of 15 Dec

A No Sir.

Q Where was the accused.

A In San Leonardo

Q Did you see the accused at any time during that night.

A Yes Sir.

Q Were you talking to him about the move.

A No Sir.

"A" "BB" Major.

.....

Q Was the accused with the Pl.

A No Sir I was with Capt. Longhurst, we stopped Pte Devore, he said he had been sent by Mr Johnston Scout officer to guide us to BHQ. I sent him to "C" Coy where the Pl was to guide the Pl in. I was going ahead with "C" Coy.

Q He was with the Pl. after they had been warned of a move

A I don't know sir I never saw him again, I don't know if he went to the Pl or not.

Q Do you know of your own knowledge if the accused knew you were going forward.

A No Sir.

Q What was the Pl doing when you saw the accused and did this happen.

A The Pl was on the move to San Leonardo attached to "C" Coy for the move and the place was on the south side of river approx 500 or 600 yds from the river.

Q Had the accused at that time been across the river & come back to find you.

A Yes Sir he had been across 3 or 4 times.

2nd Witness

Capt. A.M. Johnston having been duly sworn states;

I am Capt A.M. Johnston L.E.R. on the 14 Dec 1943 I was in comd of Scout Pl. L.E.R. in the afternoon of that day Sgt. Beaudry brought the Pl up to forward BHQ on the ridge north of San Leonardo at that time he reported to me that Pte Devore whom I now recognize had been absent at breakfast and had not been seen since. I checked the Pl. and made enquiries and could find no trace of the ~~ZZ~~ accused. I commended the Scout Pl. until 3 Jan 1944 and during that time Pte Devore did not return to the Pl.

Q What was the Bn doing the night of 13&14 Dec

A On the night of 13 Dec the Bn moved into San Leonardo and filled in gaps in the defence held by the Seaforth of C on the morning of the 14 Dec three Coys moved up to the ridge north of the town and later on the fourth Coy & Bn HQ moved up.

Q Was the ridge occupied by the enemy.

A The ridge was strongly held by the enemy.

Q When did you receive your orders for the operation.

A I received the orders on the afternoon of the 13 Dec.

Q Were the members of the Scout Pl. encluding.

"WHB" Major.

.....

Pte Devore informed of these orders?

A I can't say positively that all members of the Scout Pl. were informed but I know that Pte Devore was, because he was assigned to "C" Coy for sniping purposes in the attack.

Q Because of these duties is it true that the Scout Pl are told more of coming action than the other men in the Bn.

A Whenever possible the Scout Pl is briefed as a whole to explain to them the whole operational picture from a Bn level.

Q Was the L.E.R. the first unit to cross the Morrow River.

A No.

Q Then was movement across the river opposed.

A Not by small arms fire there was periodic shelling and mortaring.

Q Up until the time of the Pte Devore alledged absence had his duties in the particular operation taken him forward of our own troops.

A Yes he had been in territory that was not ours~~AAA~~.

CROSS EXAMINED.

Q Even assuming the accused had been warned of the impending attack would his work as a Scout have been any more dangerous than what he had been doing sometime previous.

"WHB" Major.

A The danger in my opinion increased proportunately the same as any one else in the Bn.

Q Approx how long has the accused been under your command.

A Between a monthor two months.

Q How are men for the Scout Pl selected.

A They are picked for ~~xxx~~ courage, initiative , skill in Map reading and Field craft and on there ability as marksman.

Q In the month and half the accused was under your command how did the accused measure up to these high standards.

A In my opinion he answered those qualifications.

"xxx" Major.

I am M-56202 Pte Devore E. On the 13 day of Dec 1943, I had been across the Morrow River three times once when there was not a single allied soldier on the north side of the Morrow ~~xiver~~ On the afternoon of the 13 Dec I was ordered to go across the Morrow with "C" Coy. together with another sniper named Pte Webb I went to C Coy fully understanding that according to orders received from Capt Johnston that I was on my own taking no orders from C Coy Comdr, at approx 1330 hrs 13 Dec C Coy received orders to move , I informed Capt. Longhuist that myself & Pte Webb would cross the river ahead of "C" Coy as scouts. We crossed the river and went approx one mile & a half behind the enemy's forward positions to a ridge where we could observe the Bn move across the river We waited approx three hours the Bn did not come across the river the fact bothered me quite a little Pte Webb & myself started back to cross the river Morrow as had just reached the northern bank when we met Capt. Johnston and three other scouts. Capt Johnston said "so you have been behind the enemy's lines, I answered yes. with Capt

town of San Leonardo for the purpose of checking on the Seaforths position. Pte Webb & myself still on our own advanced to the forward Seaforth position which was laying under the worst mortar barrage I had ever seen. I was there about thirty mins and I cracked. All I could think of was to get out so I left, still under the influence of something I had no control of, probably nerves. I left the front altogether . I must of been one hundred miles back before I realized the severity of the thing I had done so I reasoned my best policy would be to return to the Regt. as soon as possible, so I got a train which was going ~~xxxxx~~ to the north, during my journey to the front I exchanged my uniform for an American Uniform because my own was so dirty and ragged if I had come upon a British unit first I would have acquired a British uniform but as it was the American unit that I got the uniform from was the most handy. I reached Naples, I was standing on the Questura which is a small district near the railroad discussing the war & current ~~xxxxxx~~ topics with a L/Cpl. of the 111 Prov Corps when in conversation he asked

me what unit I belonged to I answered The Edmonton Regt. I have been absent five weeks, he arrested me and conducted me to the 111 Prov Guard Room. I was then taken to the Guard Room at ~~xxxxxxx~~ Avelino.

Q You were talking to the Prov. conversationally, he did not approach you officially.

A He had no reason to because I was in American Army uniform.

Q Why did you not then, tell a lie as to your unit.

A Because I wanted to get back to my unit.

Q How did it take you to get over the nervousness caused by the shelling.

A About a week.

Q Why did you not return immediately at the end of the week

A I wanted to surrender myself and not be arrested and it took me some time to figure out how this could be done.

Q Tell the Court why you had no pay book when arrested.

A When I exchanged cloths I accidently left my pay book in the breast pocket of my tunic.

"WHB" Major.

Prosecuting Officer Final Address in the case of M56202 Pte Elmer Devore:

1. To establish desertion it is necessary to prove either intention not to return to the Canadian Army or intention to avoid some important particular service. I submit that evidence has been brought forward to prove both these (undesipherable).

Evidence has been brought forward to show that the accused, by his illegal absence, did avoid an attack to which the Edmonton Regiment had been committed and of which he had previous knowledge.

The evidence to prove that the accused had no intention of returning to the Canadian Army is as follows.

1. On his own admission and from evidence of his Platoon Officer and Sergeant he did illegaly absent himself sometime during the night or early morning of 13-14 Dec 1944

2. He did not subsequently surrender himself, nor did he return to his unit but was apprehended by the Provost.

3. When apprehended he was not in proper uniform but was in U.S. Army uniform which I submit is as good a digtise in this country as could possibly be found by a non Italian speaking member of the Canadian Forces.

4. When apprehended he was not in possession of that usual means of identification, his pay book.

"WHB"
Major.

The accused, in his own testomony, states that from the time he was subjected to mortar fire until some seven days later he remembers very little and intimates that he was practically out of his mind. Yet subsequent to this mortaring it is shown that hereported to his Platoon Sgt. as detailed. Further, fora man who was intent on rejoining his unit the lapse of time subsequent to his recovery of his mental processes until his arrest is very sketchily accounted for. We are asked to believe that a rail trip from Potenza to Naples took fourteen days. This would mean a daily average of ten miles covered. Further the accused states that he had got some hundred miles south of the unit when he came to his sences and that from then he tried to work his way back to the unit. Yet after an elapse of twenty eight days he was arrested in Naples which is farther from unit than his starting point was. He further states that he, himself made no attempt to leave Naples.

"E.H. Pritchard" Capt.
Prosecutor

"WHB" MAJOR.

Summing up - Defending Officer - Lt/L.J. Prosser

As I see it, Sir, the issue being decided is whether the accused is guilty of desertion or absence without leave. To be guilty of desertion he must ① have intended never to return to his unit, or ② have left his unit to avoid an important military duty.

① The evidence shows that the accused always intended to return to his unit. The readiness of his admission of his identity to the Provost proves that & it is also proven by his own statement, given on oath the fact that he was wearing an American Army uniform has been satisfactorily explained - his own was ragged & it was the first he encountered.

The evidence as to his character given by Sgt Beaudry & Capt Johnson clearly indicates that he is not the type of man who would desert his unit.

② As to his trying to avoid an important military duty the evidence also shows that the accused was never warned for the attack impending. Also his record since landing in Sicily indicates that even had he known of the impending attack he would never have run out while in his right mind. "WHB" Major

It should be borne in mind also that the accused voluntarily elected to give evidence on oath, thereby subjecting himself to cross-examination, although he has been thoroughly examined and cross-examined there have been no discrepancies in his evidence.

For these reasons I submit, Sir, that the court cannot find the accused guilty of desertion, and the finding must be one of absence without leave.

Statement of the accused

M 63933 Gnr DeVries Jacob.

I have been accused of having stolen three fountain pens and of having some kit in my possesion that I was not entitled to. I have never stolen anything in my life, and as for the kit, I have had it for some time. Some of it I got when I was on the rear party and some of it was given to me.

I was room orderly in the block, and one day I wanted to write a letter, and having lost my fountain I looked around to borrow one and saw one in a tunic which I borrowed, I found that I could not write very well with it, so I looked for another one and found it in another tunic as I was writing I was interupted by an inspection of the block, and I did not get a chance to finish my letter. After lunch I was sweeping the block when I found a fountain pen on the floor. I did not know who it belonged to, and intended turning it into the room orderly but I forgot it then as I was kept busy all afternoon. I got up late in the morning and I was going on draft I had to make my rounds, I dumped the things out of my pocket into my kit bag intending to pack it when I came back. I did not remember about the pens until I came back and was tole that there was going to be a kit inspection. And when they opened my kit bag of course the pens were there. I have nothing else to say except that I did not steal them.

Plea in mitigation on sentance

M63933 Gnr DeVries J

The accused was born in Holland in 1921. He reached grade 8 and then went to work for his Father in a grocery store. He was reared in a home where his Mothers mental condition caused much difficulty. He became very nervous and showed no interest in anything. He was sent to Canada where he obtained work first as a labourer and then as a 1942 clerk in a grocery store. He later worked in a bicycle shpp. In July he Anliated in the N.F.A.M. and a month later he went on Active service He has now been in the army for over two years and with one exception that of being A.W.L. for 8 hours in 1942 he has a clean M.F.M.C. He has never been in trouble before. ~~Now this is not the record of a man who would steal those fountain pens from his friends.~~ I have had the accused before a Psychiatrest and would like to have the Courts permission to read a few details from it.

The accuseds Father dying and his Mother being in a Mental Hospital and the fact that the accused was of low average intelligence has given him an inferiority complex. He imagines that everybody is against him, ~~xxxx~~His mind is inclined to wander and he is unable to do anything about it. He is consequently accused by his instructors of being inattentive. He has been a good soldier as his record shows and I would ask the Court to take into consideration his mental condition and his clean record into consideration in meting out sentance

3rd WITNESS for the prosecution

H.35551 A/L/Bdr. Coker, W.J. of "E" Battery, No.1 Canadian Artillery Reinforcement Unit, having been duly sworn states:-

I am H.35551 A/L/Bdr. Coker, W.J. of "E" Battery, No.1 Canadian Artillery Reinforcement Unit. At 1700 hrs, 5 Aug 43, I went to get my pen from underneath my blankets where I'd left it in the morning. Finding it gone and thinking it had fell on the floor and was picked up by the room orderly, I made inquiries. The room orderly told me he had not seen it, and satisfying myself that it had disappeared, I immediately reported it. Sgt. Johnstone, R. told me that nothing much could be done about it. At 0815 hrs on 6 Aug 43, Lieut. R.P. Murphy called me to one side and asked me about it. I told him that two other pens were also reported missing. He called the other two men and took down particulars, stating that he would see what could be done. Later on in the morning we were called from 'Sunshine Alley', by the Orderly N.C.O., to report to the Battery Office. On reporting there, Lieut. Murphy asked me if I could identify my pen. I told him 'Yes'. He asked me the description of my pen, which was, a grey pen, Canadian made, two brass bands, the clip broken off, nib worn slightly on one side and pen filled with green ink. He then showed me the pen and asked me if that was my property and I said 'Yes'. He then asked the other two men the same questions. I here produce: 1 fountain pen marked as Exhibit "A".

Cross-examined by the accused.

Q. Did you ask me as room orderly on 5 Aug 43 whether I had found a pen?

A. No. I did not ask you as I did not know you were room orderly.

The accused declines to further cross-examine this witness.

(See overleaf for oaths and notes for use on trial.)

Plea in mitigation of sentence by defending officer (Lt A J Adams) on behalf of the accused (H 103031 Sigmn. Dew J.E.)

The accused has a clean record on his conduct sheet. Since his enlistment, one year ago, his records show that he has conducted himself in a manner becoming that of an efficient soldier. This is born out by his Statement As To Character And Particulars of Service produced by the prosecuting officer. He is not the kind of man who would ordinarily get into trouble.

He is 20 years old and has been overseas for two months.

The circumstances at the time the crime was committed should be made clear to the court. A signal offic detachment had to be called out on short notice to replace signal office personnel who were proceeding on an exercise. The accused was a member of the relief detachment. It was his first posting to a field unit.

It took several days to organize the new detachment and it was during this period of adjustment that the crime occured.

It was a period of confusion when a number of regulations were unavoidably relaxed. Vehicles were not being demobilized when parked and a spare key was left within easy reach of signal office personnel. Of necessity, Vehicles were being used without normal control.

In this way, the accused was confronted with the temptation of utilizing the ~~transportation~~ transportational facilities of the signal office.

The accused is not a trouble maker and realizes the seriousness of his offence. A severe sentence is not necessary as a deterrent in this case as I am convinced from my associations with the accused that he has learnt a valuable lesson from this experience.

I would therefore ask the court to be as leanient as possible and impose a minnimum sentence.

Prosecution

B 4067 A/Cpl [illegible] W.T.
Lieut Hills R Sussex.

On 16 night of 16/17 Nov 14 a patrol was to go across the Naos River for the purpose of getting prisoners. ~~At~~ ~~about~~ Sometime before midnight of 16/17 Nov a patrol commanded by Lt Carthew left with 3 boats. Sgt Stimson manages to cross the river with one boat. The other two boats did not get over. and they returned to the houses.

After that Maj. McCutchen ordered the boats carried down to the river again and told me a second attempt to cross. At about 0130 hrs 17 Nov I found that the boats were still in front of the house. I was then across the road where the carrying parties were in a house. I ordered three parties to go on the patrol and the men went out to the boats at once. Then I went down cellar where I found 4 other men who with members of the same patrol. One of them was the accused. I ordered them all to go on the patrol. I told them get up out of the cellar and get going to the patrol but started to carry their boats my order requires immediate obedience. After I gave my order, the accused remained sitting on the floor. and I asked him if he was going. He said "No."

I went across the road for Maj McCutcheon and returned with him. He ordered them to go with the patrol. They prepared and he placed them under close arrest. Maj McCutcheon ordered me to put a guard at the top of the stairs.

X. Crawford. The men gave me as reason for not going. The other was quite right. After they were placed under close arrest Pte Bowie came upstairs and offered to go. The accused did not offer to go.

No Re-cross.

Cross by PA:

As I was going down stairs I talked with the accused & men the patrol was leaving. The patrol went to cross the road, pick up the boats and carry the boats across. Two ops in the dark. ~~White Horse~~ When I gave my order they could have caught up with the patrol, as I caught up with the patrol myself after they had been placed in close arrest.

Question.

After my first order one of the men got up and left but the accused & the other has did not stay

R.P 83 (B) complied with.

Maj N J McCulloch Sworn
R sworn.

I had charge as a police to cross the river on the night of 16/17 Nov 14. The accused was a member of the police. On first attempt to cross was unsuccessful and I ordered a second crossing.

Cpl Cowdell came to my HQ and as a result I went to a house where the accused's section was resting. I found 3 men in the cellar and the accused was one of them. I asked each individually why they not cross & his section and each said he did not want to go because their own pl offr was not there. I told them their own pl offr was on another duty and also told them this was a serious breach of discipline. I then explained the object of the second crossing and ordered them to put their equipment on and join their section. Seven refused to do this and did not do as I ordered. I then ordered Cpl Cowdell to place them under close arrest.

After placing them under close arrest I went upstairs where this section was waiting for them. The section left immediately.

X Exam The accused said he would not go because he had not orders from his own pl comd.

at 1700 hrs 16 Nov. 44 I was told by Sgt Stevens I was going on patrol. At 1800 hrs we went to our posns in houses. Cpl Woods returned from an O Gp and told us who was going & to be i/c. Later we carried the boats down. The first boat started out and drifted down stream. So we went up river 400-600 yds to try & drift across when the first boat landed. I was in the last boat and the Offrs i/c was in the boat in front. We tried & keep direction but the boat went in circles. After being out the 2nd 15 minutes we saw shore and landed. We are supposed to know on what shore we were. Coy HQ find a few directing sounds and we found we were on our own sides. We carried our boats back to Coy HQ and stayed in the houses until 24 hrs and first what we were going to do.

About ½ hr later Cpl Woods told us they were starting another patrol. Sgt Stevens had not returned. So I asked Cpl Woods if I could see Maj McCutcheon. Cpl Woods went over to Coy HQ and returned and asked me Maj McCutcheon said to get on with the patrol. I again asked Cpl Woods if I could see Maj McCutcheon as I was not confident in the Offr who was in charge. S/Sgt Campbell came over & said what was the matter. I told him we did not feel confident and he said he would get Maj McCutcheon. Maj McCutcheon came in and I told

him what was the matter. I told him I would go if Sgt Stuart was i/c. He asked us again to go and I said I did not wish to go. The time had S/M campbell came was under close arrest and went out.

The Prosecutor proceeds to call witnesses on the First and Third charges:

1st Witness For Prosecution: Lieut. D.A. MacGregor, Attached to 3 CDN TP CARRYING COY, R.C.A.S.C., having been duly sworn states:

I am Lieut. D.A. MacGregor, attached to 3 CDN TP CARRYING COY, R.C.A.S.C.

EXAMINED BY THE PROSECUTOR:

Q.1 "On the night of the 11-12 November 1941 were you on duty with the 3 Cdn Tp Carrying Coy, R.C.A.S.C.?"

A.1 "Yes, sir."

Q.2 "In what capacity?"

A.2 "As Orderly Officer."

Q.3 "Will you describe what happened about midnight, or shortly after?"

A.3 "I was making the Nightly Rounds, heading towards "B" Section. As I was passing the Church Hall, Tadworth, I noticed a motorcycle parked in front of the building. On my return at approximately 0020 hours the motorcycle was still there and it appeared that two soldiers were about to ride off on it. Its lights were on. I decided to investigate and ordered my driver, Pte. Brown, to stop, when a short distance past the motorcycle. Then I ordered him to reverse the car. As he did so the motorcycle started and passed us proceeding in the direction of "C" Section lines. It went right through the Stop Street at "Chequers Lane", appeared to pause at the end of "B" Section lines and then proceeded to "Commons Corner House", one of "C" Section billets. It was very dark and raining, and I am unable to state whether there were two riders originally on the motorcycle.

"At Commons Corner House Pte. Brown brought up immediately behind the motorcycle and stopped the car on the street. I got out of the car and followed the motorcycle into the lane, which is a circular drive. The driver of the motorcycle, whom I later identified as Pte. Dewar of "C" Section, the Accused, whom I now recognize, parked the motorcycle and started to move out towards the street at the other end of the drive. I ordered him to halt and enquired his name. He adopted a surly attitude and refused to answer. I then identified myself, stated I was Orderly Officer and again repeated my question. He still refused to answer. I then ordered him into Commons Corner House and accompanied him inside. While I was waking a man in a lower room the Accused turned and ran out the door. I followed him to the door and ordered him to halt or I would fire. I was not armed. He halted at the street and I approached him and again ordered him into the house. He refused to obey, stated that he belonged to the Engineers and turned, started off up the street.

"During this conversation I detected that he had been drinking. I turned the light on him and again ordered him to halt. He ~~see~~ proceeded about thirty paces, turned about and said 'So you wont turn that light off, eh?'. He returned, grabbed my torch and attempted to wrest it from me. In the ensuing struggle we moved toward the front of the house. He suddenly let go of the light, ran to the motorcycle and started it. As he attempted to ride the motorcycle out I closed with him and we fell into a pool of water. The Accused immediately placed

"his hand over my mouth. I shouted for Pte. Brown and when he arrived I ordered him to go into the house to obtain assistance. When the men from the house arrived Pte. Dewar ceased to struggle, and we entered the house. "We entered the lower room on the ground floor and immediately I released my grip on the Accused he collapsed on the floor. At no time during the struggle did I strike Pte. Dewar. I then sent for "C" Section Orderly N.C.O. When he arrived I placed Pte. Dewar under close arrest and ordered him to be taken to the Guard Room under escort. Then I went outside accompanied by Pte. McRae. We picked up the motorcycle and examination showed that it was not damaged. Then I ordered Pte. McRae to ride the motorcycle to "C" Section Orderly Room and leave it there in charge of the Guard. Before he moved off with it I enquired as to whos motorcycle it was. It was a 3 CDN TP CARRYING COY. motorcycle. I examined the number of the motorcycle, the last two figures of which were '37'. My enquiries regarding this motorcycle showed it to be on issue to Sgt. Stahl of "C" Section. I then proceeded to "C" Section Orderly Room and there found that Pte. Dewar did not have a late pass, nor did he have authority for the use of the motorcycle."

CROSS-EXAMINED BY THE DEFENDING OFFICER:

Q.1 "It was pretty dark that night?"

A.1 "Yes, sir."

Q.2 "When you were proceeding on your rounds as Orderly Officer, was the Orderly Sergeant with you?"

A.2 "He was in the Company Orderly Room."

Q.3 "Is it not customary for your Orderly Sgt. to accompany you?"

A.3 "No sir, not on the night rounds."

Q.4 "You say you saw a motorcycle standing in front of a building and two soldiers preparing to ride off. Were you sitting in the front of back seat of the car?"

A.4 "In the front seat, sir."

Q.5 "When you backed up, how far was the motorcycle behind you?"

A.5 "About twenty-five or thirty yards."

Q.6 "And you say that as you were in reverse the motorcycle shot past you?"

A.6 "That is correct."

Q.7 "You don't know if there were two men on it?"

A.7 "No sir, but it appeared that two men were on it."

Q.8 "The motorcycle shot past you when you were in reverse?"

A.8 "Yes, sir."

Q.9 "By the time your driver stopped the car, changed into low gear and started forward the motorcycle would be some distance past you?"

A.9 "Yes, sir."

Q.10 "You say that there was a stop street and that the motorcycle shot straight through?"

Q.23 "And the motorcycle was some distance ahead?"
A.23 "About thirty feet."

Q.24 "You did not see whether or not the accused, Dewar, got off that motorcycle?"
A.24 "He did, sir, I saw him."

Q.25 "You did not give that evidence in your summary of evidence."
A.25 "It appears that you have taken the wrong interpretation, I said in my summary of evidence that when I reached the spot he was moving across the street, meaning that when I got to where the car was stopped.

Q.26 "You were in a car, and it was very dark, you would have your headlights on and you have already told us that there were possibly two on the motorcycle?"
A.26 "It merely appeared that one way, there may have been one or two."

Q.27 "As far as you know two may have got off the motorcycle when it eventually stopped."

2nd Witness For Defence:

L-7732 Pte. Thompson, A.L., 3 CDN TP CARRYING COY., R.C.A.S.C., having been duly sworn states:

"I am L-7732 Pte. Thompson, A.L., of 3 CDN TP CARRYING COY., R.C.A.S.C.

EXAMINED BY THE DEFENDING OFFICER:

Q.1 "Are you with the 3 Cdn Tp Carrying Coy.?"

A.3 "I came down in my night clothes and went into Cpl. Cooper's room and borrowed a pair of trousers and shoes from another fellow and went into the room into which Dewar was being brought."

RE-EXAMINED BY THE DEFENDING OFFICER:

Q.1 "You say you gave evidence at the summary of evidence and you did not mention about the cigarettes at that time, you might tell the Court why you did not."

A.1 "Pte. Dewar is a good friend of mine and when I saw Lieut. MacGregor bring him in I did not wish to be even a witness to it, and did not like to say that he had been out of billets to see me, as I understood he would be charged with A.W.L."

EXAMINED BY THE COURT:

Q.1 "You say he is a friend of yours and yet you did not say anything in the summary of evidence about the cigarettes?"
A.1 "It was the very next morning and I understood that he was being charged with A.W.L."

The Prosecutor addresses the Court upon the evidence for the Prosecution and the evidence of the Accused as follows:

"Dealing with the first charge, you have before you Lieut. MacGregor's statement that he followed the motorcycle from the time he got in high gear until it stopped at Commons Corner House, never losing sight of it; challenged the Accused, who tried to take his flashlight from him when he turned it on the Accused, finally getting the accused in the house and having him arrested.
Pte. Brown was driving Lieut. MacGregor, pursued the motorcycle when ordered to do so and stayed in the car when Lieut. MacGregor got out. When Lieut. MacGregor called to him, he got out of the car went into the yard and found them both on the ground, he then went to get help. Then Pte. McRae had come down and assisted Lieut. MacGregor in with the accused.
Pte. Ferrier states that he was also awakened by a commotion came downstairs and saw the Accused brought in by Lieut. MacGregor, and that the Accused clothing was very wet. Pte. Thompson also says he was awakened by a disturbance, at the same time he went down and saw the accused brought in.

FORWARD TO PAGE.....19

Closing address by Prosecution (Continued).

"Lieut. MacGregor's statement is straightforward and as you have seen by the evidence is fully corroborated.
"In regard to the third charge, disobeying a lawful command, Lieut. MacGregor's driver who was in the car had the windows closed, and there was noone else around, here I can only assume that Mr.MacGregor gave some order to Pte. Dewar, which he would not obey.
"With regard to the second charge, that of having a W.D. vehicle out without authority: We have I think, shown in the evidence that a W.D. vehicle on charge to the 3 Cdn Tp Carrying Coy., R.C.A.S.C. having the last two figures of the W.D. No. as '37' was out of the area, and we have shown that the man who was seen to get off the motorcycle was the Accused, Pte. Dewar, sometime after midnight on the night 11-12 Nov 41. We have established that this motorcycle belonged to "C" Section, that there was no authority for any motorcycle to leave "C" Section after 1700 hours. It has been shown that it is possible for a motorcycle to get out without authority, that I think is what happened, the motorcycle was out without authority and ridden by Pte. Dewar.

Closing address by Defence:

The Defending Officer makes the following address:

In the Case before you we have the evidence of an Officer, whom I have nothing to say against, and you have the evidenc of a Private soldier. The highest court which a soldier can go to is a Court Martial, and the results of this case, therefore, lie entirely in your hands.
"In this case you have the evidence of one Lieut. MacGregor against the word of one soldier, evidence which is not sufficient to make sentence on any of the counts.
"I will take my question to the witness "Brown", who ~~is~~ was in the best position to be a witness of this case, I asked him the question 'Aperson on the motorcycle could have got off the motorcycle and disappeared', his answer was 'Yes'. ~~When~~ Then we have a motorcycle which dashed past him and Brown endeavours to follow it. As a driver, used to night driving and he says he was quite a distance behind, then my submission is that when the motorcycle stopped the man disappeared into the dark. Then Lieut. MacGregor came out of the car and encountered the Accused, Dewar. I also submit that he did not see the Accused get off the motorcycle and I am also submitting that the accused himself said that he did not know MacGregor, and MacGregor says he did not know Dewar.
"I also submit that under Section 5 on Page 433 M.M.L., that under Sub-Sec. 3 on the 5th line:'The Court should be satisfied, before convidtion, that the accused knew the person with respect to whom the offence was committed to be a superior officer. If the superior did not wear the insignia of his rank, and was not personally known to the accused, evidence would be necessary to show that the accused was otherwise aware of his being his superior officer'. My submission to the Court is that first, my client did not take the motorcycle and knows nothing about it, and the evidence is borne out by Pte. Brown's statement. I ask you to accept that [redacted]
He did not see anyone get off the motorcycle and I ask you to take Brown's evidence as he is x the one most liable to have been a witness. Any tussle which took place, and which actually happened, and which there was no witness to same, until Pte. Brown was called. When he went over to the yard they were down in the water.
"The same could apply to Section 9(2), page 647 M.M.L. 'The President should deal with 9(1) etc.'"

FORWARD TO PAGE 20.

Closing address By Defence, (Cont.)

"Both the 1st and 3rd charges in my submission fall by the ground and I ask the Court to rely on that citation I gave from Page 433 of the M.M.L., that Dewar did not know it was his superior officer and I am also submitting that there is not sufficient evidence to show that the motorcycle was or was not out with proper authority.

"You have not got corroboration of what took place outside--the witnesses do not know what took place outside. "There are only three men in this picture, Lieut. MacGregor Pte. Dewar and Brown. Brown states that he saw nothing, until called, and finding the accused and MacGregor on the ground. Dewar, whose ankle was bothering him wanted a cigarette, which would ease the pain a bit. He goes out from one billet to another to get cigarettes from a friend, who during the day had offered them. You might say that walking on a sore ankle was peculiar, but I submit that all cases are different, and the way of easing this pain would depend on the person or type of case.

"Why did Pte. Thompson give evidence at the summary of evidence about the cigarettes? I submit that it was because he understood that the accused was being brought up on an AWL charge for being absent from his billets, and as you know, there is an unwritten law that one soldier will not tell more than he is asked under oath about another soldier.

"On the whole picture of this case I really think that the Court should dismiss every charge against the accused. "The Accused is entitled to the benefit of a reasonable doubt. On Page 102 of Practical Digest of Military Procedure it sets out the Doctrine of Reasonable Doubt as in Page 56 of the M.M.L.

"When you sit on a Court or Jury box there must be a moral certainty that convinces you beyond any doubt that the accused is guilty. If there is the slightest doubt in your mind it is your duty to have no hesitation to acquit the accused and I submit that there is a moral uncertainty that the accused committed any of these offences and I ask you to acquit the accused on all three charges."

The Court then closed for consideration of finding.

The Court being re-opened, the accused was again brought before it and a finding of Not Guilty of the Third Charge was read to him.

Question to the Accused:

Q. "Do you wish to make any statement in mitigation of punishment?"

A. "No sir."

Q. "Do you wish to give evidence yourself or to call any witnesses as to character?"

A. "No Sir.

Question to the Prosecutor, by the Court:

"Have you any evidence to produce as to the character and particulars of service of the accused?"

The Prosecutor produced Certified True Copy of this soldier's N.Y.M. 6, which was accepted by the Court and marked Exhibit "C".

Lieutenant D.A.MacGregor, 1 R.C.A.S.C. Holding Unit, (attached 3 Cdn Tp Carrying Coy., R.C.A.S.C.), having been duly sworn, states :-

"I am Lieutenant D.A.MacGregor, attached to 3 Cdn Tp Carrying Coy., R.C.A.S.C.

While making my rounds as Orderly Officer on the night of 11/12 Nov 41, I passed the church in Tadworth on the way to "B"Section. In the darkness I noticed a Motor Cycle parked on the road in front of the church. On my return from "B"Section at approximately 0020 hrs I noticed that the Motor Cycle was still there. Its lights were on and it appeared that two soldiers were about to ride off on it. I decided to investigate and having stopped some distance past it I ordered my driver, Pte. Brown, to reverse. As we did so the M/C passed us and proceeded at a fast pace straight through the stop street in the direction of "C" Section lines. Due to the darkness and poor visibility I am unable to state

continued...../2

3rd Witness. (cont'd) that there were two riders. I ordered Pte. Brown to follow. The M/C stopped at the end of "C" Section vehicle lines and then moved on again. It turned in at Commons Corner House, one of "C" Section billets, and I stopped on the street.

The driver parked the M/C in a pool of water in front of the house and when I reached the spot was moving toward the street. I ordered him to halt and inquired his name. I detected that he had been drinking. He adopted a sullen attitude and refused to give it. I then identified myself, stated that I was Orderly Officer and repeated my question. He still refused to answer so I ordered him to enter the house. He did so and I entered with him. While I was waking a man in a lower room the driver of the M/C, whom I later identified as Pte. Dewar of "C" Section, turned and ran through the door. I followed and at the door ordered him to halt or I would fire. I was not carrying arms. He stopped at the gate and when I approached and ordered him into the house he adopted a threatening attitude and refused to obey. He then stated that he was from the Engineers and did not belong there anyway and then turning, started up the street. I turned my light on him and again ordered him to halt. After he had proceeded about 20 yards he stopped and said, "You won't turn that light off, eh?" and returning, grasped the torch and attempted to wrest it from me. In the ensuing struggle we moved from the street toward the front of the house. He suddenly let go of the light, ran to the M/C, started it and prepared to ride off. As he did so I closed with him, he, I and the M/C landed in the pool of water. He attempted to place a hand over my mouth to stop my shouting for assistance. I shouted for Pte. Brown, as I did so Pte. Dewar made a determined effort to escape. When Pte. Brown arrived I ordered him to get assistance from the house. Until the arrival of the men from the house Pte. Dewar continued his efforts to escape and I had some difficulty in detaining him. When the men arrived, however, he ceased struggling and agreed to enter the house. We entered the first room of the ground floor, I released my grip on him and he collapsed to the floor. During the struggle I did not at any time strike Pte. Dewar. I sent Pte. Brown for "C" Section Orderly N.C.O. and when he arrived I placed Pte. Dewar under close arrest and ordered him to be taken to his room for a change of clothing and then to the Guard Room. Pte. Dewar did not have authority for the use of the M/C, nor did he have a late pass."

Def offr in mitigation :-

Knew Gnr Dewar in 61 Bty - he is a signaller at RHQ - quite efficient & good soldier - entries in crime sheet are all of minor nature - Enlisted '39 - only 8 charges in last year, 4 of which being for offences recently committed at one time. Was under influence of liquor when these happened - on day these happened bty packed & go into action & unpacked again.

Dewar wants to get this over, serve his punishment & get back with the unit.

(A. A. Sec 40)

FIRST WITNESS: P 15364 C.S.M. A.W.Roy, The Royal Canadian Regt., having been duly called, states:

"I am C.S.M. "D" Coy, The Royal Canadian Regt., on Sunday 12 Oct 41, at about 1400 hours, acting on instructions of Lieut. D.J.McLennan, 16 Platoon Commander, I telephoned the Coy office from the Officers mess, and spoke to L/Cpl Fisher, Company Orderly Serjeant, I ordered him to see Cpl Dewitt and tell him to remain in billets to await his platoon commander's orders group. I also told him to have Cpl Dewitt arrange to have his section commanders standing by to await this orders group. At about 1700 hours, I, accompanied Lieut. D.J. McLennan to the billets and called for Cpl Dewitt. On looking through billets, Cpl Dewitt could not be found. The other section commanders were present. I called L/Cpl Fisher, the Company Orderly Serjeant, and told him to try to find Cpl Dewitt. He reported back to me that Cpl Dewitt could not be found. I then told him to check his marking out list and see if Cpl Dewitt had checked out of billets. He reported to me that Cpl Dewitt had not checked out. I did not see Cpl Dewitt until the following morning when I placed him under open arrest on the above charges".

QUESTION: Are there orders to the effect that personnel of "D" Coy must sign out when proceeding away from billets, not on duty?

ANSWER: Yes, there is Coy standing orders requiring all personnel of the Coy below the rank of Lance-Serjeant to report to the Coy Orderly Serjeant and be checked out and in.

QUESTION: Where, when and by whom were these orders posted?

ANSWER: The order was signed by the Company Commander, Major R.C.Clark, and were posted on the Coy notice board, presumably by the Coy Orderly Serjeant, on 17 July 41.

QUESTION: Who was the Orderly Serjeant on that date?

ANSWER: From my duty roster I find that the Coy Orderly Serjeant for that date was the accused Cpl Dewitt.

On Oct 12, 1941, while acting Company Orderly Serjeant, I received a phone call from the Coy Serjeant Major at 1400 hrs, I was told to warn Cpl Dewitt to remain in billets for platoon commanders orders group. At 1730 hours the C.S.M. asked me if I had seen Cpl Dewitt, I told him I had, I was then ordered to check the signing out slips to see if the accused had reported out. On carrying out this order I found that he had not. On finding that he had not checked out I reported it to the C.S.M."

B.S.

The order convening the Court, the charge sheet and the summary of evidence were laid before the Court.
The Court satisfied themselves as provided by rules of procedure 22 & 23
The Accused was brought before the Court and at 1000 hrs. the Trial commenced. The order convening the Court was read, marked, signed by the President, and attached to the proceedings. The names of the President and members of the Court were read over in the hearing of the accused, and the accused did not object to any of the Officers whose names were read over.

The President and Members were duly sworn.

The charge sheet which is marked B 2 and annexed to the proceedings was signed by the President. All witnesses were ordered to withdraw.

The accused was arraigned upon each charge in the attached charge sheet and was asked to plead Guilty or Not Guilty to each of the charges. The accused pleaded Guilty to the first, second, third and fifth charges and Not Guilty to the fourth charge.

The accused was questioned with regard to(R.P. 39 (A).)
The accused in his answer stated that he had no objection to make and wished the trial to be proceeded with, and it was so proceeded with in respect to the fourth charge which was laid under A.A.Sec. 15 (1).

The Prosecuter declined to addressed the Court and stated he merely wished to call the witness.

First Witness:- L/Cpl. Fisher, T.
Being duly sworn stated that 1730 hrs. 12th.Oct.1941 I was acting as C.O.S. The C.S.M. of 'D' Company at that time asked me if I had seen the accused, I hadn't so I looked for him. At 2350 hrs. I checked the room for the Tatoo report and at that time the accused was in bed and asleep, the accused did not report to me at any time between 1730 hrs. and 2350 hrs. and I could not find him at all when I made a thorough search for him at 1730 hrs.

Ques. Had You any reason to believe he was in?
Ans. No Sir.

Cross examination by the Defence.
Ques. Why did the C.S.M. ask if you had seen him?
Ans. Because the accused had been given a message at 1400 hrs. to remain in barracks and on hand for an Orders Group Meeting, and at 1730 hrs. the C.S.M. came over with the Platoon Commander to hold the meeting. The accused,who was Acting Platoon Sgt., was not there to meet the Pl. C.O. but the section commanders of that Platoon were on hand to meet him.
Ques. When this warning was given for an Orders Group Conference was any time specified in the message for the accused to be present?
Ans. No Sir.

Defence Counsel then stated that he wished to call a witness to

Defence

give evidence to fact. The President informed the ~~XXXXXXXXXX~~ that the witness could be heard but should the Prosecutor consider the evidence material he could ask for an adjournment to bring forward counter witnesses.

Defence.

Witness. B87990 Cpl. Richmond, H.

Quest. Do you know the accused?
Answ. I do Sir, he sleeps in the same room as I do.
Quest. He is charged with being absent from 1700 hrs. to 2359 hrs. on the 12th.Oct. 1941. Do you know anything about his movements that evenin
Answ. I saw him just, the truck came back from Redhill.
Quest. What is the practice in 'D' Company with regard to that truck?
Ans. It proceeds to Reigate and Redhill three times a week in the evening to take men to those places and brings them back again calling at Redhill last on the return jounney and leaves there at 2245 hrs.
Quest. What is the normal time of return of the truck each night to the R.C.R. Lines?
Answ. Around 2300 hrs. and couldn't possibly be after 2315 hrs.
Quest. Did you see him get off the truck?
Answ. No Sir, but I saw him come in with the other men who came in off the truck.

The Court then asked the witness how he knew the other men got off the truck.

Ans. There is no other place that a bunch of men could come from at that time of night.

The Defence Counsel then stated that the accused by his plea admitted that he went out of his barracks it is the only the time that he was alleged to have been away that the accused was objecting to.
The Court then asked for the production of a signing out and signing in sheet if such a sheet was available. This sheet was produced and the names of all those men who returned on the truck on the night in question was on the sheet but the name of the accused was not on the sheet.
The Prosecution and the Defence both rested their case and the Court was closed to consider the findings.

(The finding of the Court is on Page 2 of the proceedings however the Court finds that the accused was absent from 1730 hrs. to 2359 hrs. making a total absence of 6 hrs. and 29 mins. and not 6 hrs. and 59 mins. as shown on the charge sheet.)

THE COURT WAS RE-OPENED, to try the remaining charges and the charges on which he had pleaded Guilty were again read over to him.
The summary of the evidence was read, marked and signed by the President and attached to the proceedings.

Quest. by the Court. Do you wish to make any statement in mitigation of punishment.
Ans. No.
Quest. Do you wish to give evidence yourself or call any witnesses as to character?

The Defence Counsel on behalf of the accused stated that he wished to call ~~XXXXXX~~ Lieut. A.E.A. Galloway, Royal Canadian Regiment as to character.
Lieut. Galloway was called and sworn, and gave evidence as follows:

Quest. Do you know the accused?
Ans. Yes.
Quest. Was he under your command?
Ans. For nine months I was his Platoon Commander.
Quest. He is ~~XX~~ now being tried by court-martial for certain offences can

you tell the Court what you think of him as a soldier?
Ans. During the time he served under me I found him efficient when acting as section commander, also for some time when he acted as Sgt.(Platoon) I found him reliable and honest in all his duties, and at any time I was called upon to be absent from the Platoon I depended on him and never had any occasion to find him negligent. He had a full knowledge of his work and responsibility. As I recall my service with Cpl.DeWitt I as his Platoon Commander never had any occasion to admonish him for his behavour or the way he carried out his duties. Briefly, I would say that he is the type of N.C.O. that was there when needed. My knowledge of this N.C.O. is only confined to the service while under my command.
Ques. How long have you been away from No. 16 Platoon?
Ans. 2 months.

Question by the President. Have you any evidence to produce as to the character and particulars of service of the accused?
Ans. by the witness. I produce this statement.
The Witness was duly sworn. Pte.
This statement was read and signed by the President and annexed to the proceedings.
Quest. by the President. Is the accused the person named in the statement which you have read?
Ans. Yes.
Quest. Have you compared the contents of the above statement with the Regimental books?
Ans. Yes.
Quest. Are they true extracts from the regimental books, and is the statement of entries in the conduct sheets a fair and true summary of those entries?
Ans. Yes.

The accused declined to cross-examine this witness.

The accused's evidence is read to the witness as directed by R.P.83 (B)

Doyou wish to address the Court?
Ans. No.

The Court is closed for the consideration of the sentence.

Recorded Evidence & Proceedings

First Witness for Prosecution.

M37378 L/Cpl. Allinson A.H. No 11 Edn Pro Coy.
sworn states.

Defence does not object to the witness and states he was duly warned of the appearance of this witness and has received a copy of the evidence.

I ~~~~ interviewed the accused in 11 Edn F.D.S. of 4 Mar 45 with ref to his injuries. I cautioned the accused that any statement that he might make would be taken down in writing and may be used as evidence against him. I recognise the accused to-day as the soldier I interviewed

I identified myself to the accused and informed him that I was to make enquiries into his injuries, I then cautioned the accused. The accused appeared to understand the caution. There were no threats or inducements made to the accused.

The accused made the following statement to me;

I was in a slit trench along with two other soldiers of my coy, I do not know their names. I was in this slit trench all night and the three of us were doing duty in shifts, I had taken over from one of the other boys at approx 0600 hrs. A short time after that I decided to clean my rifle. Previous to this the Cpl in charge, Sgt Sullivan, had visited me and told me that I need not watch any more as there was a Bren Gun watching the position. I told one of the boys, the one I relieved, of his duty; before he went to sleep, that I was going to clean my rifle, I then sat down and had a smoke for a few minutes before I started to clean the gun. I had my rifle on half cock I put my thumb and first fingers on the hammers and pressed the trigger to release the hammers slowly.

D3.

The hammer slipped from between my thumb and fore finger causing the rifle to discharge and hit my foot. I was stunned for a minute then realized my foot had been injured. I then woke up one of the boys and told him what happened. He took me to a cellar nearby our platoon H.Q. where there was a S.B.. I was taken from there to our R.A.P.

Cross Examined

I do not remember the accused saying that the Cpl had ordered him to clean his rifle. The statement the accused made is word for word with the statement I have made to the court.

The Court.

The accused told me the accident happened on the morning of 26 Feb 45.

KR 13(6) complied with.

Execution informs the Court that the witnesses on summary Pte Glenwright & Farrell have been sworn.

Prot Witness for Defence

F 36340 Pte Demuth E.E. N.N.S.H.
sworn states.

I joined the army in Nov 43. I joined the N.S.H. in Jan 45 and at that time the unit was stationed on the Nijmegen Salient. I was in action approx 2 mons. I saw very little shelling in the 2 mons mentioned. There were three in the slit trench when I was injured. With ref to the statement by the Provost witness as evidence, he stated that my rifle was at half cock when I squeezed the trigger to ease the mechanism forward but I am positive that I said I pulled the mechanism back to half-cock to cocked, and then I was ordered by Cpl Sullivan to clean my rifle.

Cross Examined

I drove a truck in civilian life, I lived in the country, I have done some hunting. I had basic training in Canada, I know the marking parts of a rifle. Cpl Sullivan was not in the habit of coming around at 0600 hrs in the morning and telling

Dr:

his sec to clean their weapons. The Capt
did come around a few previous morning
and ordered us to clean our weapons.
The unit was just left Odem when the accident
occured. I had been told we were going
into attack Odem the following day, noon. There
had been shelling off and on. The round
hit the second toe of my left foot. There was
a fracture. We had been in the slit trench
for 4 days. The trench was 5-6 ft long
and 1½-2' wide it was L shape and each
cut was 5-6' long. The trench was covered
in with an opening at the corner. I stood
guard at the opening. It was app 3½' deep.
I was sitting on the bottom of the trench with my
back to the cut one of the other soldiers,
with my legs stretched out, I am not
right handed.

I was Demonstrates
Sitting on floor, legs stretched, muzzle
of rifle app 4" from left foot, left
hand on casking piece, right hand
holding small of the butt and index
finger on trigger, rifle resting on
right thigh and balanced on mag

left fore arm ~ parallel to body and appx 2-3 inches away, right hand holding rifle is rested near hip of accused.

Witness demonstrates and explains

Was pulling cocking piece from half cock to cocked, hand slipped from cocking piece, mechanism went forward, round discharged, injury in past.

I always carry a round in the chamber I had not cleared the barrel. I always in cleaning my rifle was the same procedure and pull traction from half cocked to cock and ease it forward. The bolt will not open when it is at half cock.

Violent

No one was in front of me, I had dry fired through 4 or 5 times and I was going to remove the bolt

D6

so I could clear the rifle and clean the barrel, I did not open the bolt after cocking the rifle because I knew an accident had just before when the weapon fired. I cleaned my rifle 3 days before the ~~the~~ injury. I don't know how I was going to hold the rifle to get the pull through through the barrel as I didn't get that far. I am 19½ yrs old. I enlisted at 18 yrs. I would like to go back to the regt.

R.P. 93 (6) complied with.

PRESIDENT.

The accused F 3634 Pte McGrath has had experience with firearms in civilian life, he also has had the usual period of Basic Army training in the use and handling of a rifle and has been on an active post for over two months. No one can deny the fact that he must have a good working knowledge of the rifle with which he is armed. I am forced to admit that many shadows are present in a case such as this, but which necessitates the soldier observing his rifle with the utmost precision at his post is not one to be pardoned. As the accused had been duly disposed and had the plenty of previous experience with a rifle he must have been negligent. He also knew that he had been previously briefed on a similar action in Ottawa and the big question is whether his nerves could stand another battle or whether the discharging of the rifle was accidental.

2 Feb 45

Sentence passed

It is regretable that we have been unable to obtain proper witnesses, Lt Fitch (Pl. Com.) Cpl. Sullivan (Tee Trench) plus the men who were in the trench with him at time of accident, all of whom are now casualties. He has proven by demonstration just how he held the rifle at time of accident, I am sure the court will agree this could very well happen. The prosecution has mentioned Pte D'Witt as having had basic training etc., but one must remember cleaning a rifle at a training centre is a lot different than cleaning same in a cramped shit trench, when rules of cleaning etc. are impossible to follow.

Pte D. Witt joined N.N.S. Nights at a time when they were in a static position, not on frigmen fleets, during his landing there, he had never been under shell fire, the attack on Ortona was to be his first action, so I ask you, gentlemen, what reason would there be for him to commit this offence, he had no reason to be scared of what lies coming, as he did not know what it was like.

The prosecution in my opinion has failed to subtply enough convincing evidence, so I think he should be found "Not Guilty", given a chance to return to his unit, where I feel sure he will do a good job.

I was in unit band and I drew a Piccolo from R.Q.M stores. It number was P 432. It was in a black leatherette case. It was a Selmer make. The number was engraved on the piccolo which was of metal, silver coloured. It was kept in the band cupboard. On Nov 5th 1942 I checked the instruments. The piccolo was not there

Cross exam by Def. Off'r

I know the number because I had previously written it in a book. The band instruments had been in the Administration Bldg. They were moved on Nov 3rd to the Post office Bldg. The old room had been my mess since Oct 20th 1942 used per lectures and open for considerable periods. The instruments including the Piccolo were in cupboards except four, too big for the cupboards. The cupboards were not locked. The key to the room was held by Administration wing

"At about 1415 hours on the 31st of Oct. 42 I was in plain clothes on Waterloo Road, with P/C. Redmore, when accused offered to sell me a "Selmair" Piccolo No. P 432 for £5-0-0.

On ~~31st Oct I was in London~~

I followed the accused who went to a pawn brokers shop. I saw him speak to certain people He then came to me and asked where there was another pawn shop. I said they are all shut and disclosed my identity. He said the Piccolo belonged to him. His mother got it in New York for $100.00 and gave it to him for a birthday present, he said he wished to celebrate Hallowe'en. He said he could play but put the wrong end in his mouth. I arrested him for unlawful possession. I cautioned him He said I had to get my stripes somehow We handed him over to C.P.C with the piccolo which was of a silver colour.

He explained that he hadn't played for years. as the piccolo was of American make. we could not contact the makers and we turned the accused over to Edm Mil Police.

Instructions for Hearing

The Claimant being duly sworn states

I went to London for a weekend on Oct 24th
I left my respirator there by mistake. The
next week end I went to Aldershot. The
C.M.P. asked for my respirator. I went
to railway to get to London but having
no pass could not buy a ticket. I got
a blue pass from a soldier and pulled it
out, upon arriving in London I had a few
drinks at the Regency Eagle Club. A soldier whom I had
seen before asked me if I could pawn
a piccolo for him as my he would give
me part of the proceeds. I made no
enquiries and went to East End. I was
hurried down in one pawn shop. I approached
man on street and made enquiries for
a pawn shop. They were the constables
who gave evidence today. They asked
why and I said I wanted to pawn
this piccolo. They directed me and I went
and noticed one of them was following
me. I couldn't find the pawn shop.
I waited for the constable. He told me there
was no pawn shop there and he found
he was a police officer (OVER) PTO

He tried to make me admit I had stolen the piccolo which I denied. A police car came and we went to police station. They questioned me again and asked if I could play it. I said no but I had had lessons years ago. I put it together. They called Edw Mil Police who came for me and took me to their Hd Qrs. Next morning escorted by police I went to go to Bordon I gave the address from whom I got the Piccolo standing on the street. I called him and gave him the piccolo. I then returned to Coy Guard room Canadian South Bordon. I was sent no statements

The soldier at the club who gave me the piccolo appeared to be an American in Edw battle dress. I had seen him several six times. I don't know his name I went to East End because I Honour London I lived there before the war. I told the police that the waitress gave me the Piccolo I didn't mention the soldier in the Club.

He suggested I get £5-0-0 from Parons brother I was to get a share estate was not settled.

Rebuttal

5th witness for Pros. Recalled
At time the prisoners including the accused
were gathered at London on Nov 1st they
put into trucks they were guarded and
under escort in two groups and others
could not mingle with them. when
put in truck, two provosts are placed in
back of truck and I don't think these Provosts
would let a prisoner hand out anything to a
stranger. There was with me as escorts
L/Cpl Wright & L/Cpl Campbell and one other
There was only one truck and two drivers
in cab. All escort in back including myself
I did not see accused hand out anything
to anybody.

escorting prisoners from London with
L/Cpls Miller, Brickford and Campbell. One
of the prisoners this morning had a case
with a nickel mouthpiece in it which

he was showing around while the truck was moving. It looked like a flute. It looked like a nickel instrument.

7th witness for Prox.

E 2936.7 Sgt Campbell. S. being duly sworn states. On 1st Nov last I was on duty escorting prisoners from London. I now refresh my memory from my book A.B. 466 Form C. daily entries made this above. I was on above duty with three other provosts. One of the prisoners had a musical instrument in the truck, which I now recognize as the accused. He showed it to the boys. It was not put together. He appeared to be either colour and somewhat like a flute. This was withdrawn were about one quarter of the way home.

Notes on address by Prosecutor

Unit had a Piccolo no P 432. It disappeared. Accused was found guilty. P 432. accused first said his mother bought it now he says a soldier gave it to him. He need not lie if possession was proper. Accused says he gave piccolo back to the soldier at London. Three Provosts say they saw it after Unit left London. Accused did not ask this soldier about the piccolo when he saw him later in London

"I am Corporal in the Regimental Police No. 1 C.O.R.U. I recognize the accused as Pte. DeWolfe brought to the Guardroom by the Provost Corps who ~~tole~~ delivered him to me with A.F. C. 1617 d/1 Jan. 43. (MARKED EXHIBIT "A") The accused is the same man referred to in Declaration of Absence A.F.B. 115. (MARKED EXHIBIT "B")

2nd Witness L.27724 Cpl. Campbell, C.R., No. 1 C.O.R.U., having been duly sworn, states:-

"I am N.C.O., in the band of No. 1 C.O.R.U., and as such drew certain band instruments including a Selmer Piccolo No. P.432 which was in a black leather case. This instrument was kept with the other band instruments in a cupboard in the band room. It was not in use in the month of October and early in November as a result of something I heard, I checked the band instruments and found that this Piccolo was missing. I reported the loss and have not seen the Piccolo since. This Piccolo had been used but was in good condition.

[redacted]

CROSS-EXAMINED BY ACCUSED:

Q. 1 Had the band instruments been moved before you checked them?
A. 1 The band instruments were first kept in the band room in the Administration Building. The band room was changed on 3 Nov. 42 to the old Post Office building. I made the check on 5 Nov. 42. I do not know if this Piccolo was moved on 3 Nov. 42. All the instruments were moved but I do not know if the Piccolo was moved.
Q. 2 Were these instruments locked in this band room?
A. 2 They were stored in a cupboard in the band room. The cupboard was not locked but the band room was. The key to the band room had been turned over in October to "Admin. Wing" as the room was also being used for classes. We were instructed that there would be an N.C.O., i/c at all times.
Q. 3 In other words any number of people could have been in there and taken it?
A. 3 Yes, they might.

Lieutenant N.S. Cuthbert, S. Sask. R., is directed by the A.A. & Q.M.G., 2 Cdn. Div., to take the Abstract of Evidence, in accordance with Appendix "A" to Div. R.O. No. 772.

FIRST WITNESS: B.82595 L/Cpl. Moore, P.W., R.C.A.S.C., H.Q. 2 Cdn. Div. stated:

I was Duty Corporal, H.Q., 2 Cdn. Div., M.T. Section, from 1730 hrs. 1 SEP. 41 to 0730 hrs. 2 SEP. 41. On 1 Sep. no vehicle could be taken out unless two special documents were signed by an officer with at least Grade II appointment, which two documents I produce as Exhibit "A" and "B" respectively. 1st SEP. 41 was a M.T. Holiday.

Exhibit "A" must be turned in to the Duty Cpl. before a vehicle leaves the car park. At no time on Monday 1 Sep. 41, during my tour of duty, was such a document for vehicle CM 195183 given to me.

The accused, D.105781 Pte. Dewey, L.F., is detailed as driver for Lieut-Col. E.J. Weeks, M.C., M.M., A.A. & Q.M.G., 2 Cdn. Div. The car could not have been taken out without Col. Weeks permission, nor without having a work ticket. Car No. CM. 195183 was last seen by me at 2000 hrs. 1 SEP. 41. I did not see the car taken away, nor did anyone ask me for a work ticket nor did anyone give me a completed form similar to Exhibit "A". As far as I can ascertain no permission was given for the use of this vehicle.

SECOND WITNESS: M.37280 Cpl. Morkeberg, E.A., 2 Coy. Cdn. Provost Corps stated:

I was standing on the sidewalk near the scene of the accident, the car, which I identify as CM 195183, was driving at an excessive rate of speed. The driver could not possibly have made the corner. THIRD WITNESS: M.17085 L/Cpl. Pritchard, H.L., 2 Coy Cdn. Provost Corps stated:

I was standing on the side walk with Cpl. Morkeberg when D.N.D. Vehicle No. CM 195183 went by at an excessive rate of speed. After the accident in company with Police Constable Sherring, of the Farnborough Police, we took Pte. Best, to the First Aid Post for medical attention. Both Ptes. Dewey and Best were definitely under the influence of of liquor.

/2.

FOURTH WITNESS: Doctor E.J.C. Beckett, "Sunrise", FARNBOROUGH, Hants, stated:

I was called at 2241 hrs. by the Inspector of Farnborough Police to examine Pte. Dewey; he was definitely under the influence of alcohol sufficient to have inadequate control of a motor vehicle. He had no serious injuries whatsoever.

The estimated damage of vehicle CM 195183 is approximately £6/10/0. The parts damaged are:

9 SEP. 41.

To Whom It May Concern:-

D.105761 Pte. Dewey, L.M., R.C.A.S.C., att'd H.Q., 2 Cdn. Div. has been my driver for some thirteen months. I have always found him to be a steady, sober and reliable soldier. He is a good driver.

I was amazed to receive a telephone message from a N.C.O. of the Provost Coy. on the evening of 1 Sep 41 at about 2230 hours, to the effect that my motor car was involved in an accident and that Pte. Dewey was drunk.

At about 2330 hours, 1 Sep 41, Pte. Dewey telephoned to me and reported that the car would not be available early the following morning in accordance with my instructions, as it was damaged. He admitted to me that he had taken the car out without permission and that he had been drinking.

I am prepared to have Pte. Dewey as my driver just as soon as he is available.

SUMMARY OF EVIDENCE IN THE

CASE OF

D-72188 Trooper EARNEST ARCHIE DEYOE

27 Cdn Armd Regt (SPR)

The Commanding Officer directs that the evidence be taken on oath.

FIRST WITNESS: Captain G. W. COTE, 27 Cdn Armd Regt., having been duly sworn, states:

"I am Captain G. W. Cote, Adjutant of the 27 Cdn Armd Regt (SPR). I know the accused whom I recognize as D-72188 Tpr Deyoe, Earnest Archie. On 4 Dec 43 it was reported to me by the Duty Officer that he was AWL from the guard room. I hereby offer in evidence as Appendix "A" true extracts of Regimental Part II Orders published by CMHQ 2nd Echelon; these extracts state the 1st, 8th and 22nd day of absence of Tpr Deyoe. I offer in evidence as Appendix "B" Army Form B252 on which is given evidence of C-42000 Sgt L. A. Gibbs, Cdn Provost Corps, and M-36843 Cpl A. Matthew, who corroborates the statement of Sgt Gibbs. I also offer in evidence as Appendix "C" CMHQ Form 1000:55 stating expenses incurred in returning the accused to his unit, and as Appendix "D" certificate of arrest signed by DAPM, Cdn Provost Corps, London Area.

The accused declines to cross-examine this witness.

G.W. Cote

(G. W. Cote) Captain.

SECOND WITNESS: B-110127 TROOPER DILLABOUGH, R. W., 27 Cdn Armd Regt., having been duly sworn, states:

"I am B-110127 Tpr Dillabough, R. W., 27 Cdn Armd Regt. On the 4 Dec 43 I was a member of the guard and Tpr Deyoe, whom I recognize, was a prisoner in the guard room. At about 0600 hours Tpr Deyoe asked me to take him out to the toilet which is at the back of the building where the guard room is situated. I said yes, and took him outside to go around to the toilet. As we came around the corner of the building all of a sudden Tpr Deyoe gave me a shove against a truck which was parked there. I did not fall down, but by the time I regained my balance Deyoe was running down the road. I ran after him, but as it was very

SECOND WITNESS (Cont'd)

dark I could not find or catch him. He must have hidden in the bushes. I stopped and listened to see if I could hear him moving around. There was not a sound. I then returned to the guard room and reported to the guard commander. We immediately went out and searched the grounds, and also went in to New Milton and looked through the town and the railroad yards. We also contacted a policeman and gave Deyoe's description. We did not find him. Since December 4th this is the first time I have seen Tpr Deyoe. After having looked for Tpr Deyoe in New Milton without finding him there, we came back to camp, got a jeep and went to Bournemouth, Christchurch and Brockenhurst, but did not find any trace of him. We contacted the station master at Brockenhurst and gave him the description of Tpr Deyoe. We were told that a man answering that description had taken a train to Southampton at 0745 hours. We then went to Southampton and yet did not find him.

The accused declines to cross-examine this witness.

I immediately went to the guard room and investigated and found that Tpr Deyoe was NOT in the guard room. I reported this to Major Baldwin, O. C. HQ Sqn. I recognize the accused as Tpr Deyoe, E. A.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

PLEA OF MITIGATION

In mitigation of offences of which F56780 Pte DeYoung R.J. has been found guilty, I would ask your consideration of certain salient factors.

. DeYoung RJ by virtue of the fact that he is a member of the 16 Cdn Special Employment coy, must necessarily have been recatagorized. Without doubt, the downgrading of his medical category was the result of hardships and conditions experienced in a theatre of war. The instantaneous and instinctive help rendered to his comrade is comparable with that on the field of battle, and is not only commendable but the very spirit of comradeship that makes the CANADIAN ARMY.

Such actions of self sacrifice become ingrained in individuals and sympathetic help to suffering comrades without consideration of the consequences, whether bullet or otherwise, become automatic.

. DEYOUNG R.J., seeing Pte Raymond in pain and hearing the medical Officers statement that he was through with Pte. Raymond, acted in a headstrong manner, I agree, but hearing such a statement from an Officer whose duty is the elevation of suffering and who should, in my humble opinion, at least make a showing of sympathy did not help matters.

With no other Officer in camp to whom the matter could be referred, PTE DEYOUNG together with other members of the unit took matters into their own hands. This is regrettable but the extinuating circumstances, I consider, provided sufficient cause.

I therefore ask that the court consider these maters and show all possible clemency in awarding punishment. along with his exemplary record of service

F. S.6780 Pte. Robert Jarrod the Yarmy, of No 16 Canadian Special Employment Company, C.M.F. a Soldier of the Canadian Army, overseas,

the Commanding Officer directs that the evidence be taken on oath.

First Witness for the Prosecution.

Capt. B. Murdoch, R.C.A.M.C., Medical Officer of No.16 Canadian Special Employment Coy. C.M.F. having been duly sworn, states:-

"I am Capt. B. Murdoch, R.C.A.M.C. Medical Officer of No.16 Canadian Special Employment Coy. C.M.F. on the 30th June 44 No. F. 41674 Pte. Raymond. D.A. reported at 1830 hrs at the M.I.R. for gastro-duodenal upset consisting of cramps and diarrhea which had suddenly developed. I examined him and found nothing to indicate any serious condition. He was given relevant duty, treatment and told to return at 1930 hrs. which he did. By now the diarrhea was not present but the cramps were. I re-checked his temperature which was normal. He was again given treatment and told to return at 1840 hrs. At approx. - notably 1740 hrs. I noticed a group of men carrying another man in the direction away from the M.I.R. I walked over and identified the man who was being carried as the above mentioned Pte. Raymond I asked the men carrying him what they were doing and - he said "we are taking him to the hospital." I then said - apparently loud for all in the vicinity to hear, that - the man was not to be moved. This was by my order. He was carried further and placed in the back of a Vehicle, a T.C.V. I then cried to a man, whilst the men and to explain to them that I did not think the man needed to go to the hospital. They insisted that he was suffering and would be better to the hospital. I again stated and - that the man was not to be taken to the hospital. I then ordered the driver of the Vehicle not to drive the Vehicle under any circumstances. There were three of, the general idea being, of getting a driver, who would drive. A number of men climbed into the Vehicle, two getting into the driver's cab. I walked around the Vehicle to the driver's side and identified, beside the driver, Pte. the Yarmy. I then asked the driver what his name was. He stated "Watson". After warning the driver of the Vehicle as stated above, I stated and told, that "the - your drivers, the Vehicle did not on his own responsibility" whilst the discussion was going on whilst the man above the patient's condition, and whilst he was going to be moved as it, a remark was passed by - one of the group to the effect that "let to get the rifle". I identified that man as Pte. Matheson. The three drivers and I interviewed the C.S.M. that all the men in

... the vehicle was to be put under close arrest on this return and that charges would be placed by me accordingly. Approximately an hour later I noted the vehicle returned to camp and further noted that the patient had also returned. He walked away from the vehicle and did not report to me at any time during the rest of that day. On 1 Jul. 44 on holding sick parade pte. Raymond was not present. I instructed the orderly pte. Raymond was not present to the N.Z.R. He left us. I asked him sergeant to bring one to the N.Z.R. He left us. I asked him how he was feeling. He said "alright". I asked him if he had any cramps. He said "no" but that he had "some diarrhea". I asked him why he did not report sick on sick parade. He said it was raining and thought that it would go away by itself. I asked him if he needed some treatment for it and he said "no". I dismissed him and did not see him again. I had the impression that the man had had a few drinks of a spirituous nature. The illness of pte. Raymond which consisted of diarrhea and cramps has been prevalent since about the mid. which was formed and the condition is usually or mildly present depending on the particular location of the unit. Many B sick parades with diarrhea and cramps run a mean temperature. The first case I saw had a slight elevation of temperature. He was admitted immediately to sick I sent him to No. 1 F.D.S. was returned immediately to the unit with instructions as to how he should be treated. I might add that diarrhea has been the largest cause of any condition regarding on sick parade since this unit was formed. other than the original men mentioned above as sent to No. 1 F.D.S. and returned, I have not sent any other man to the hospital for this condition - but must standing that why might have had an elevation in temperature. We have in camp at present sufficient drugs for treating cramps and diarrhea. I have a few tablets valuable for treating cramps and diarrhea in addition to the usual treatment. I instructed the C.S.M. before telling him to place the man under arrest on this return. He held an immediate inquiry & after questioning the said I was to determine whether he had a rifle and any ammunition in his possession. He had neither.

He elected declines to cross examine this witness.

I am D-105321 C.S.M. Vernon, W.D. of No. 10 Canadian Infantry Regiment Employed with Coy. C.M.E. I am company sergeant major of the aforesaid Coy. On the 30 June 44 at approximately 1630 hrs. I asked him what was the trouble and had he

... seen the M.O. He replied he had cramps in the stomach. At approximately 1200 hrs., that he had seen the M.O. and that they were posting leader. I then went to the M.O. and asked if he had seen pte. Raymond and was the diagnosis serious. He said, no was not serious and that it would shortly be alright and he had given him something to clear his stomach. At approximately 1310 hrs. 4pm. Again, one of the drivers i/c came to me and told me that some man had sent the sick man into his truck. I told him to get him out of the truck, that that was no place for him and he was to go to his own lines. Often about five minutes 4pm. Again I came back again and said that his truck was about to be driven off. I went to the sick man and gave orders to the drivers of. I went investigate and found the truck already leaving. I asked the M.O. if he had ordered the man to hospital, or the truck to be driven off without the driver. He replied he had given definite orders to several men who were attempting to get pte. Raymond away, that he was not to be taken to hospital and the truck was not to be removed. At 1400 hrs. I saw the truck entering the lines. I informed the Coy. orderly Sgt. Cpl. Lawler, to have all the sergeants paraded to the orderly Room. Amongst these sergeants I recognize pte. Young then present. I saw them each individually and asked if they had arrested this man to hospital. They each replied that they had, and the Sergeant then present also replied that he had. I also asked the accused if he had not had definite orders from the M.O. that the man was not to be removed. He replied that he had. I asked pte. Lindsay who had given him authority to drive the truck. He replied "No one". I informed them that is man Coy orderly Sgt's job to get people evacuated to hospital on the M.O's orders and that they would be tried charged with disobeying an order and placed under close arrest. When the accused was paraded to me after his return from the hospital he appeared to be sober. I saw pte. Raymond leave the truck and walk over to the lines. The M.O was the only officer present in the camp at this time of the incident. There was no damage to the truck reported to me afterwards.

The accused declines to cross-examine this witness.

Third Witness for the Prosecution.

P-40242 Sgt. McCarmon, A.J. of No. 16 Cdn. repatriation Employment and Coy. C.A.P. having been duly sworn, states:

"I am P-40242 Sgt. McCarmon, A.J. of No. 16 Cdn. repatriation Employment and Coy. C.A.P. I am orderly Room Sergeant for the Coy. on 20 June 44 I attended 1300 hrs. I happened to be outside of the orderly Room tent and I saw a number of men

Third Witness for the PROSECUTION (cont'd).

... around a corner, a T.C.P. talking to the M.O. I heard the M.O. tell the man that to the man with me to remove to the hospital." "man to drive" and he removed to the hospital. I remember seeing the young woman I saw arranging around the corner. I can't say who drove the truck as I did not see him drive. I would be able to swear that the accused was under the influence of liquor. As far as I could see he was sober. I spoke to them collectively and asked them to swear it up as they would get Canadian Pte may they were acting. When I went down there, they were ready to pull out. Pte. Raymond was already in the truck when I got there. He was strapped up in blankets and I did not hear any proceedings. When a man is to go to hospital any usual procedure is for the sick man to go on sick parade as laid down in para I orders or in special cases, a special sick report is made out and the man is evacuated to the hospital on the authority of the Medical Officer, the M.O. comes in and reports to the Duty Officer at the Orderly Room and then the order is passed to the M/T. Sgt. or Cpl. as the case may be and he orders the Dr. I/C to report to the orderly Room or the M.S.R. The accused declines to cross-examine this witness.

J.J.M.C. Cornish Lieut.

Fourth Witness for the PROSECUTION.

L-120??. Cpl. Lerner, N.F. J No. 16 Canadian Special Employment Coy. C.M.F. having been duly sworn states:-

"I am L-120?? Cpl. Lerner, N.F. J No. 16 Can. Special Employment Coy. C.M.F. On the 20 Jan 44 I was acting Coy. orderly sgt. Approximately the middle of the day I was sent to make a special sick report for a man in the M.O's Office at about 13.45 hrs while I was standing in the charging of the guard I was called over to the end door by a man, I don't know who it was, to see a sick man, I don't know who it was, to see a sick man who I afterwards was told was Pte Raymond. I told one man to escort Raymond to the M.O's Office saying that I would, as soon as I was able, make out a special sick Report. When I went towards the orderly Room I met the M.O. who said that he had already treated Raymond. I apologized and proceeded on with my duties. At approximately 1725 hrs I came out of the orderly Room and met the intention of falling in the usual parade. I was stopped by the M.O. who said that Pte. Wilcox and some other man had taken a truck. I was ordered by the Major, the M.O. and C.S.M. Jamieson to pick up anyone in the truck who is returned. At approximately 1745 hrs the truck returned and I saw the accused, Pte. the young woman I saw arranging, along with four others, got out of

... the truck. I took the accused to the orderly Room and in front of the C.S.M. who placed him under close arrest and I escorted him to the Guard Tent and turned him over to the Guard Commander. I recognize the accused here present pte. the Gaunay, as having him in that truck. He did not appear to me, at the time, as being under the influence of liquor. I saw pte. Raymond put off the truck and walk over to his tent. I did not pay any particular attention to him.

The accused declines to cross-examine this witness.

L. F. Lamer.

Fifth Witness for the prosecution.

F. 41674 pte. Raymond, D. A. of No. 16 Canadian Special Employment Coy. C.M.T. having been duly sworn, stated:

"I am F. 41674 pte. Raymond, D.A. of no. 16 Canadian Special Employment Coy. C.M.T., on 20 Jan 44 I was sick in the morning with diarrhea and cramps. After the noon parade I went to the M.O. who was sitting outside his tent. I asked him if he would give me something for cramps and diarrhea and he said "why don't you come at the right time?" and I said they just took me that now. So he took me in the tent and gave me some medicine. I went and and I started throwing up. I had had cramps. So I went back in again and asked him if he would give me something to stop them; while in his tent I started to throw up and he told me to go outside and get away from the M.T.R. if I wanted to throw up. So I scrambled and and threw up by a tree and went back in again and he gave me some medicine and he told me to return at 1700 hrs. When I went down by the tree, down by my tent, I took another cramps and doubled right up. I asked one of the boys to help me out to the M.O's again and he did. When I got in there I was in bed asleep and flopped on the M.O.'s bed. He was not in at the time. Then he came in and told me I had to take this medicine and stop it down. I threw up on the floor. Then he got a shovel and threw it down and told me to clean the mess up and go back to my own lines and said "I'm through with you". So I went back to my tent. I lay down and the boys came down and I asked them to take me out to a better room place as I had cramps pretty bad. They brought a stretcher and carried me out and one of the boys went for Cpl. Blair and he came and asked me what was the trouble and I told him what I had to be taken somewhere for treatment. He said he'd have to go see the C.S.M. The C.S.M. came and asked me what was the trouble and I told him and he went to see the M.O. He returned again and told me that the M.O would see me at 1700 hrs. And then I asked the

Fifth Witness for the Prosecution (Cont'd)

. . . . boys to come me to a M.O. or to a hospital. I recognize the accused but present as one I know who took me to hospital but I don't know his name. They put me in the truck and laid me down. While I was in the truck there was some argument. They took me to an M.O. I don't know where it was. They had me on a stretcher. He examined me and asked me where the pain was and I told him. He asked me if I had been drunk and I told him just as I was. I had cramps and my arm went numb and my fingers curled up. He told me to keep the boys and he gave me eight pills - and he told them to take me back to camp and put me to bed. I told them to take me back to camp. I wanted to go some place I didn't want to come back. I wanted to go some place where I would get good care. I asked the boys to take me to No. 3 C.C.S. but they couldn't find it. So they brought me back and I felt pretty good then. The next morning the M.O. called me in and asked me how I felt and I told him much better, and he asked me if I wanted some medicine and I said "no". I can get along without it. I had had been drinking the night before, not that day. I did eat one cucumber and some fruit.

The accused declines to cross-examine this witness.

Sixth Witness for the Prosecution.

M. 36723 Gnr Pepin, A.W. R no. 16 Can. Special Employment Coy. C.M.E. having been duly sworn, states:

"I am M. 36723 Gnr. Pepin, A.W. R no. 16 Canadian Special Employment Coy. C.M.E. I am employed as a driver W/C. The Vehicle I was made responsible for is No. C.O. 561744. It is a T.C.V. On the 30 June 44. at about 17 hrs when I pulled in the camp, one of the boys came over and asked me if I would do a favor. He wasn't the accused. The fellow told me this guy was sick and wanted to be taken to hospital. So I told him I'll go and see the C.O.M.S. and C.S.M. to see if I could take this man to the hospital. Then the C.S.M. told me "You can't go unless the M.O. tells you to go. So I came back and told the boys standing around there, I told them I can't go." So I waited here at the C.C.M.S. tent and during that time they had that guy loaded in the truck. Then I told the C.S.M. and C.C.M.S. who were back there that I believe they are going to leave the trucks themselves. Then just as we came out the truck was gone. It had left and I did not know who the guys were who took the truck. When when they came back I was not there to see who they were. The truck was in good shape when it came back. I don't know what the mileage was

Plea

of Mitigation of Sentence for A50997
Pte Dhaen R. of the Essex Scottish Regt. C.A.O.

I am in "D" Coy. of the Essex Scottish Regt. During my service with the Essex Scottish Regt. my employment has always been in the capacity of batman. Before coming Overseas I was with the Kent Regt.

Here in Canada, there were no medals issued for service whatsoever and most of the soldiers do not know what each medal stands for, and because there were no medals issued, none studied the significance of each medal.

When I came Overseas, I became a batman and as such I did not mix with the remainder of the Pl. Because of this I

did not meet the chaps who had the M.M. and ask them what their medal stood for. However, I did notice that many were wearing it, and so I just classed it as another medal.

When I went on leave with Pte Bolton we decided to have our pictures taken. As we said no harm in putting up a ribbon while we were sitting for the picture, we went to a store, picked out a ribbon which we liked and pinned them on. We did not know what the ribbon stood for, nor did we know where to pin it so we pinned it on our right breast.

It was unintentional that we happened to pick the M.M. and our ignorance on decorations was shown when we pinned it on our right breast, as we have since been

150197 Pte Dhaen R.

Since I have known Pte Dhaen, he has always been classed as a good soldier. He has the crime sheet of the usual soldier, for it has some entries but not many.

However, it is as my batman that I know Pte Dhaen best. He has given such excellent service that he cannot be replaced by anyone as good. Not only did he carry out his batting duties well but during field exercises he surprised me by his knowledge of Battle Drill and his ability to stand the strenuous work after a long period devoid of ~~physical~~ strenuous physical work.

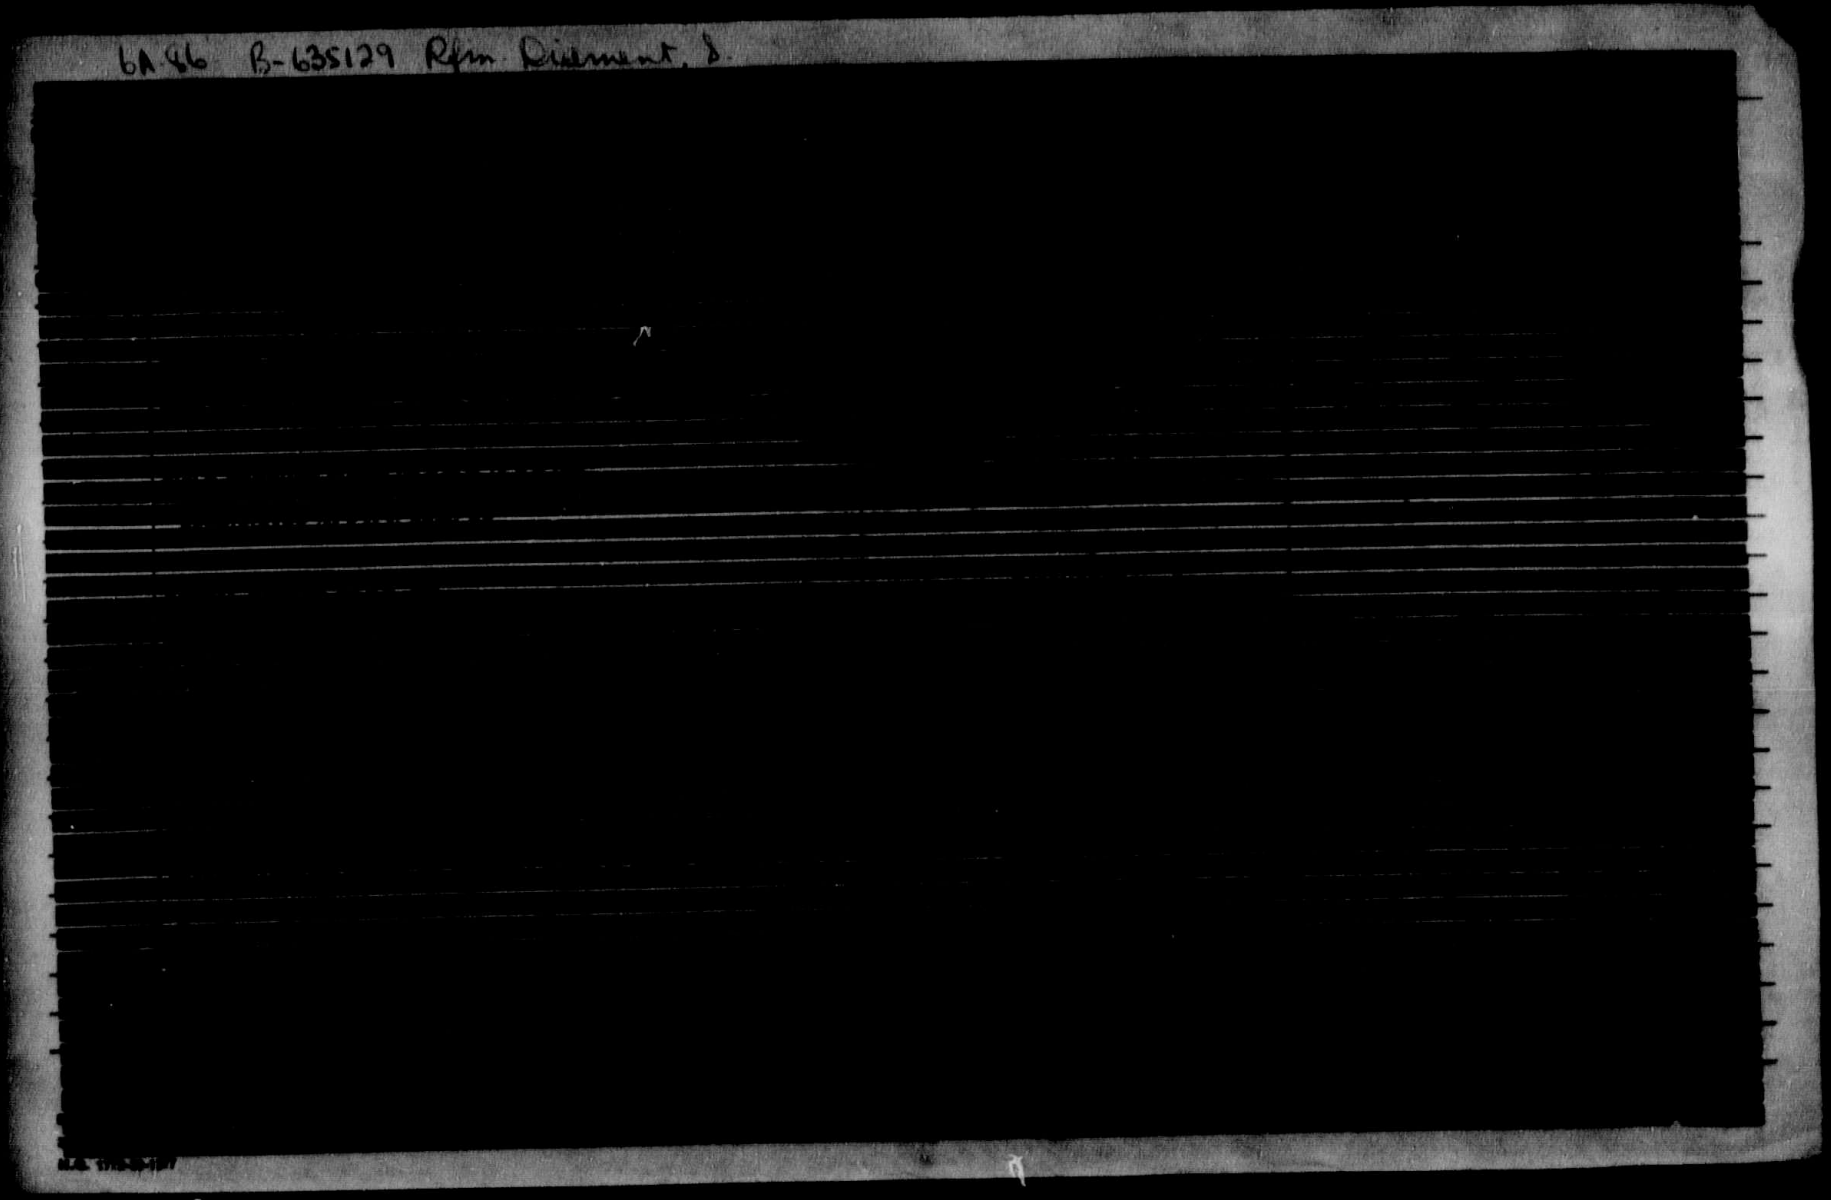
STATEMENT BY LIEUT. F.A. UNGLESS DEFENDING OFFICER

Mr. President and Members of the Court

As defending officer for the accused I am now going to place before the court facts that should be considered before a decision is taken in this case.



During the time that the defendant was absent he was living with a girl in Holland. He had met the girl previously, and in his absence he came to love her, and is the father of her unborn child.

This girl is living away from home, has been out of work for some time and is badly off financially. Not wanting to leave her destitute with the probability of a child coming, the accused stayed with her and attempted to support her until his arrest in Utrecht, 30 Sep 45. No doubt he could have helped the girl more by returning to his unit, but in his very worried state of mind he did not realize that this was the best course to take. I might mention at this point that the accused has a low "M" rating and does not seem to be able to think problems out clearly. He has not the stability desirable in a soldier. However he served several months in action and rendered good service to his country. He was wounded once.

A contributing cause to his absenting himself without leave was the fact that he had not had leave since leaving Canada over a year before excepting for the time he spent recovering from his wound.

I would also ask you to consider his age. He has only just turned twenty years of age.

The accused intends to marry this girl whenever possible because he loves her and wishes to have the child born legitimately. Is it justice to the child that he should come into the world with the social stigma of being born out of wedlock? On this ground particularly, if for no other reason, I urge the Court to consider carefully before coming to a decision. I feel certain that the exceptional circumstances of this case will influence the court in the Defendant's favour and that justice will be done to him.

THE COURT RE-OPENS

PLEA OF MITIGATION BY THE DEFENDING OFFICER

The court has proven the guilt of the accused but his defence requests that the court take into consideration that the accused was working in a Post Office which elementally was not properly supervised by someone who could have foreseen what may have happened and if a proper check had of been taken on the place from time to time the accused might possibly have known more about Postal procedure than he did. Outside of knowing the accused only recently I couldn't bring forth any character witnesses as a great number of the personnel of this unit have recently been repatriated and I could find no NCO who had worked along with the accused to indicate the nature of the work that he had been carrying on except that I have heard no complaints regarding the work in the Repat Depot given by the Postal corps of which Rfn Diament is a member.

The accused has been in the army for a considerable length of time and during that time has only had one crime against him which is not of a serious nature and not similar to the one he is being tried with today and I ask the court to take that into consideration.

STATEMENT OF CHARACTER OF H-36347. Spr. Dias, R.

The above mentioned Other Rank has been under command of this Unit since 23 Aug 41. During this period he has never caused any trouble and has been a willing worker and a good soldier.

He came to this Unit without any trade qualifications and has worked up to the status of an Operator, Special Engineering Equipment, Class "B".

Officer Commanding,
1 Cdn. Mechanical Equipment Coy.,
Royal Canadian Engineers.

STATEMENT IN MITIGATION OF PUNISHMENT

by

B-36347. Spr. Dias, B.

Although I and the other men from 1 Cdn. Mechanical Equipment Coy.,R.C.E. are attached to 5 Cdn. Constr. Coy.,R.C.E. for all purposes the attitude has been that as long as we perform our duties, unit discipline does not apply to us.

We live in lines apart from the rest of the unit and these lines are never visited by an Officer or N.C.O. We never have to appear on parade and answer no tattoo roll call. Week-end passes are not issued to us and as long as we are back for work on time on Monday morning nothing is said if we are away over the week-end.

Control of vehicles is as follows: We draw a work ticket and proceed to a loading point designated, where we report to an N.C.O. in charge of loading. From there we proceed by ourselves to our destination by any road we choose, to unload on instructions of another N.C.O. There is no vehicle control between these points.

In that my trip to Hindhead, a distance of 2 miles from my unloading point, did not interfere with my work, I felt that although I was committing a breach of discipline my action would not result in disciplinary action in view of the general attitude of the officers and N.C.O's. of the 5 Cdn. Construction Coy.,R.C.E. towards discipline of attached personnel.

THE PRESIDENT: Does the accused wish to address the Court in mitigation of punishment?

THE ACCUSED: No, sir.

THE DEFENDING OFFICER: I make no excuses for the crime at all, sir, that this man has committed, but the conduct sheet, which has just been submitted, will show that a crime along the same lines did occur before and he was punished for it. But the accused didn't ask for the job of Mess Steward and the people concerned in "C" Mess knew that this had occurred at, I believe it was "A" Mess, previously. With that knowledge they took him on as Mess Steward. There seems to have been very little checking during the five months that the shortages in liquor took place and also the civil firm were very lax in accepting this man's word. The only reason they accepted his word was because a bill of £2/0/0 was owing by "C" Mess at the time he took over. He took the necessary amount to pay the bill and since he had the bill with him at the time they accepted him as the accredited Mess Steward and allowed him to purchase any amount of liquor and the whole amounted to over £40/0/0 over the five months, purely on his say so. So merely in mitigation of punishment, sir, the fact is that there was a great laxity and it was almost an invitation for the man to do what he did.

THE COURT IS CLOSED FOR CONSIDERATION OF SENTENCE.

I HEREBY CERTIFY THAT THE FOREGOING IS A TRUE
AND ACCURATE TRANSCRIPT OF SHORTHAND NOTES TAKEN
BY ME AT THE TIME AND PLACE FIRST ABOVE WRITTEN.

J. H. Spence (Sworn)

SUMMARY OF EVIDENCE IN THE CASE OF

C.30300 PTE. DICK, J.E., H.Q., 2 Cdn. Div., Canadian Army, Overseas, ALDERSHOT, ENGLAND.

The Accused was informed that a Summary of Evidence was to be taken in his case.

The charges were read to him as follows:-

FIRST CHARGE:

A.A. SEC. 15 (1) While on Active Service, absent without leave, in that he, at ALDERSHOT, on 26 JUN. 41, at 1400 hrs. absented himself without leave until apprehended at 1200 hrs. 23 JUL. 41 - Total time absent - 27 days 22 hours.

SECOND CHARGE: While on Active Service, when charged with the distribution of regimental goods,

A.A. SEC. 17 fraudulently misapplied same, in that he, at ALDERSHOT, on or about 29 May, 1941, while employed as Mess Steward at "C" Mess, H.Q., 2 Cdn. Div., did purchase goods in the name of the Mess and did fraudulently misapply the proceeds therefrom.

The Camp Commandant directed that the evidence be given on oath.

FIRST WITNESS: Mr J.S. Pell

JOHN LOVIBOND AND SONS, LIMITED, FARNBOROUGH, HANTS.

I certify that owing to expense and loss of time involved that the representative of the said firm is not readily available and that a signed statement of his evidence has been read to the Accused and attached hereto as Exhibit "A".

W.B. Martin
Captain,
Asst Camp Commandant, H.Q. 2 Cdn Div

SECOND WITNESS: Mr A.C. Cockingday

FRIARY HOLROYD & HEALY'S BREWERIES, LIMITED, ALDERSHOT, HANTS.

I certify that owing to expense and loss of time involved that the representative of the said firm is not readily available and that a signed statement of his evidence has been read to the Accused and attached hereto as Exhibit "B".

W.B. Martin
Captain,
Asst Camp Commandant, H.Q. 2 Cdn.Div.

THIRD WITNESS:

Lieutenant N.S. Cuthbert, S. Sask. R., attached to H.Q., 2 Cdn. Div. having been duly sworn states:-

I am Lieutenant N.S. Cuthbert, H.Q., 2 Cdn. Div., I was the Secretary of "C" Mess, H.Q., 2 Cdn. Div., from 1 May, 41 to 31 JUL. 41.

Pte Dick, J.E., was employed as Mess Steward and as such I

THIRD WITNESS: (Contd.)

was authorized to make purchases on behalf of "C" Mess, H.Q., 2 Cdn. Div. During Jun., 41., or in any part of my term as Secretary there were no liquors whatsoever received at "C" Mess, nor have I seen any Friary Holroyd & Healy's Breweries, products in the Mess during my term as Mess Secretary, nor did I, as Mess Secretary, receive any statement of account or any notice whatsoever of any account whatsoever from the firm of Friary Holroyd & Healy's, Ltd.,

It was the practice for any bills to be sent to the Mess and in the ordinary course were first received by the Mess Steward "C" Mess. As Secretary of "C" Mess I balanced the mess books and I have personal knowledge that all alcoholic beverages sold in the Mess balanced with those known accounts paid for, which did not include the alcoholic beverages which appear in the charge against the Accused. All of the accounts, during my term as Secretary, were paid for by cheque and not by cash. The cash payments referred to in the statement of the 2nd witness did not come from our Mess Funds. At no time did Pte. Dick mention these accounts now charged against him to me although we had on numerous occasions discussed Mess business as to accounts paid and unpaid, nor did he ever complain th that any alcoholic beverages had been stolen from the Mess.

Pte Dick was absent without leave from 1400 hrs. 26 Jun. 41 until apprehended. That is all I have to say, Sir.

(R.S. Cuthbert) Lieutenant.

The Accused declined to cross examine this witness.

FOURTH WITNESS: Lieutenant R.A. Ireland, Calgary Highlanders, attached to H.Q. 2 Cdn. Div. having been duly sworn, states:

I am Lieutenant R.A. Ireland, H.Q., 2 Cdn. Div. I have been appointed Wine member of "C" Mess, H.Q., 2 Cdn. Div., on or about 9 JUN. 41. I immediately contacted Cpl. Dick who, as Mess Steward, was in charge of wines, and asked him for his stock book. He replied that he did not have one. I also made an inventory of alcoholic beverages about that date and there were no liquors whatsoever in stock, and I saw no product of Friary Holroyd & Healy's, nor did Cpl Dick, the Accused, complain or even intimate that any alcoholic beverages were missing either then or previously from the stock of "C" Mess. I have also been a member of "C" Mess from 20 Apr. 41. and I have never seen or purchased any liqueurs. A copy of a delivery slip from Friary Breweries shows a purchase on 29 May, 41, of five bottles of Dubonnet Wines. I prepared the financial statement of "C" Mess for the months of June and July, 41, and in my capacity I have examined all members chits; no sales of this wine were recorded and no Dubonnet was in stock when I took over my duties as wine member. It was with great surprize that I learned and informed the members that the alcoholic beverages appearing in the present charge against the Accused were bought in the name of "C" Mess and that the signature which appears on the Exhibits as stated by the 2nd witness is that of Cpl. Dick. I may state that in my civil occupation part of my duties was to compare and examine signatures.

(R.A. Ireland) Lieutenant

The Accused declined to cross examine this witness.

FIFTH WITNESS: Exam H.19845 Pte. Timlick, H.N., H.Q., 2 Cdn. Div. having ben duly sworn, states:

I am H.19845 Pte. Timlick, H.N., H.Q., 2 Cdn. Div. I was present when Cpl. Dick was apprehended between HEATH FIELD AND BATTLE, SUSSEX, on the day of the 23 JUL. 41, at 1200 hrs.

The Accused declined to cross examine this witness.

H.N. Timlick
H.19845 Pte Timlick, H.N.

Question to Accused by Officer detailed to take the Summary.

Q Do you wish to make any statment or to give any evidence upon oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say, or any evidence you give, will be taken down in writing and may be given in evidence.

A I have nothing to say, Sir.

I certify that the foregoing Summary of Evidence, consisting of three pages and Exhibits "A" and "B" was taken down by me in writing in the present of the Accused and rules of Procedure 4 (c), (d) (e) and (f) have been complied with.

STATEMENT BY NO.555384 S/SJT. RAY. S.W. ~~RAYALXXXXIXXXXX~~

I was instructed my Major Lisle, through the R.S.M., to attend the Minerva Dance last night for the purpose of apprehending a suspect on a charge of rape. I entered the Minerva at 1900 hrs Sunday 11 Feb 45 and saw Sapper Korn as pre-arranged, who would point out the girl in question.

I saw Sapper Korn appear with a girl at 1940 hrs and was told by Sjt/I Barker that this was the girl in question.

At approximately 2120 hrs I was standing by the Bar at the entrance to the Minerva when Sjt/I Barker approached me and signified that the man had been seen. I instructed Sjt/I Barker to stand at the exit to the Hall, told Sapper Korn to take the girl to the Town Guard Room, and then, with Sjt/I Leathers I approached two Canadian soldiers and asked them to accompany me out of the Hall. They wanted to know what was wrong and why the request. I told them that if they would accompany me outside they would get a full explanation.

They accompanied me to the Town Guard Room quite willingly.

Major Lisle was then contacted and took over investigation.

S.W. Ray 12/2/45

This is Exhibit F referred to in the summary of evidence in the case of [illegible] No C 1943 Spr Dewey A.M., 4 A.A.A. Regt R.C.A., attached to No 2 Con Construction Regt, taken before me this 24 Feb 45

A.P. Brooks Capt

STATEMENT BY NO.975333 SJT/I BARKER. F.A.E. A.P.T.C.

I was instructed by the R.S.M. to go with S/Sjt. Ray and Sjt/I Leathers to the Minerva Dance Hall last night and to arrive there about 19.30 hrs for the purpose of apprehending a suspect on a charge of rape.

I arrived with S/Sjt Ray at 1900 hrs and ascertained from Sapper Korn that the girl had not yet arrived. At about 19.40 hrs I saw Sapper Korn enter the Dance Hall with a young lady and within a few moments confirmed with him that this was the girl in question.

At about 2120 hrs Sapper Korn told me that the girl had motioned out the man. He signified the man as a Canadian soldier at the Bar. I informed S/Sjt Ray who instructed me to stand at the exit.

When Sapper Korn had gone from the Dance Hall with the girl, S/Sjt Ray, Sjt/I Leathers and myself approached two Canadian soldiers who were requested by S/Sjt Ray to leave the Hall in our company. They did so and we walked with them into the Town Guard Room.

Major Lisle shortly arrived and took over investigation.

SUBJECT: Medical Examination of Mlle Degutter

I examined Mlle Martha Maria Degutter on the 11th February 1905 at approximately 1230 hrs. as requested by Maj Lisle, 53 R.H.A.

She claimed that at 2030 hrs on the previous evening, she and her female companion had been accosted by four soldiers in a lonely place. One of them forced her to the ground, put his arm across her mouth, and his knee in her stomach when she struggled, and then raped her. She says that she struggled but that he was too big for her. Her clothes were torn and her nose bled a lot. At 2200 hrs he allowed her to go.

Upon examination I found that she was of very short stature, but well developed. She was somewhat excitable, but owing to language difficulties it was difficult to assess the reasons of her distress. At this time I could discover no evidence of a struggle. There were no bruises or scratches, her nails were not broken, and she was wearing different clothes. She did not claim to be virgo intacta prior to this occasion, so it is difficult for me either to substantiate or deny the claim.

Copy of original statement:-

I, Sigmn Ridob (B-136368) was at the dance on Sat night of Feb 10/1945, got separated from my two friends and was on the dance floor till approx. 9.30 then joined my two friends at the Bar, having a few more beers and resumed dancing.

At approx 10 o'clock saw Wright sitting on a chair sleeping, asked him how he felt, he answered he was O.K. Then I continued dancing till approx. 1015 and came over to Wright to take him home, shook him a few times and as soon as he got up he got sick, after he felt better took him outside, told him we were on the way home, when hementioned that he lost his tooth, we went back in the hall and I searched the floor where Wright got sick and found no tooth, went over to the lady of the bar and she told us to come back tomorrow for she had cleaned the floor with sand and was unable to look for it tonight.

I told her we'd look for it, she took us to the back of the hall to a pail of rubbish, when Wright and I found his tooth, and this time there were only a few at the hall, it was approx. 1030.

Then Wright and I continued home and came here (barracks) at approx. 1045, made his bed and undressed him and went to bed myself.

STATEMENT MADE BY MARTHA MARIA DEZUTTER (through Interpreter)
AT HQ 50 RHU on SUNDAY 11 FEBRUARY 1945.

I have a job to look after children at the Avenue de Zoute. The name of my employer is GEORGE HANON. I left the house of my employ at about 8.30 p.m.; it may have been later.

I walked towards home down Avenue Lippens and along Graafjansdijk. At a point where there are no houses I was assaulted by a soldier. I had seen behind me 3 soldiers and they were singing. Two were close together and the third one was aside. He walked along the trees and he was very drunk. They followed me for about 10 minutes. A civilian woman was passing me on a bicycle. Two soldiers grabbed the cycle from the woman and pulled the woman to the ground. The other soldier took me by the hair over to some trees, threw me into a trench and assaulted me. The exact spot was about 10 minutes walking distance from the junction of Avenue Lippens. I did not lose my head. A horse and cart were passing. I tried to cry but the soldier put his hand over my mouth and I could not cry out. The cart passed just near my body. When the cart had passed the soldier dragged me to one side. He fell into some water. He knocked me and I was bleeding from the nose. I tried to defend myself but he was much stronger and I could not defend myself as I tried to do. He said to me some German words. I think the soldier lost his hat. The soldier left me bareheaded but I cannot tell whether he had it in his hand. From my handbag I lost 350 francs in a small case and a glove. In the struggle something was pushed against my neck. The man finished up by saying "Tomorrow night you go to the Minerva at half past 7".

I think I would recognise the soldier. He was middle sized.

It was about 10.30 when it happened.

STATEMENT BY 14507670 SAPPER. KORN. A.H. 50 R.H.U.

I was instructed by Major Lisle, R.E. to take down shorthand noted of evidence from a girl, whom I now know to be Martha Maria Dezutter, who alleged she had been assaulted by a soldier.

It was arranged, and I was instructed, to escort the girl at the Minerva Dance Hall on Sunday evening and if the girl identified a soldier as the man who had committed the offence I would contact 3 P.T. Serjeants, who would be near at hand, and signify the man in question.

I gave the girl plenty of opportunity to scan soldiers present, both dancing and sitting-out, and at about 2120 hrs she clutched my arm and said "This is him" or "It is him". A soldier was passing behind me and I saw a Canadian soldier (whom I now know as Gunner Dewey) walk to the Bar.

I saw Sjt/I Barker, motioned out the man to him and kept him within sight whilst Sjt/I Barker acquainted S/Sjt Ray and Sjt/I Leathers of the identification. I confirmed with the girl the soldier in question and she had no doubt at all he was the man.

S/Sjt Ray then instructed me to take the girl to the Town Guard Room.

This carried on until approx 2015 or 2030 hrs when all 3 of us went to later reptdon upto the Minerva Dance Hall. All 3 of us remained there dancing until about 2315 hrs when the accused left the dance hall by himself. I remained in the dance hall with Gnr Wright the reason I did not leave when the accused left the dance hall was because Gnr Wright had had a little too much to drink and I wanted to take care of him. Gnr Wright lost his false tooth and I remained with him at the dance hall until it closed at approx 2230 hrs looking for his tooth which we finally found Gnr Wright and I left the dance hall together at approx 2245 hrs and went straight to our billets at the Central Hotel. had been bleeding the night before. I examined her nose and could not find any evidence of any bleeding either inside her nose or outside at the time I examined her. She carried on what appeared to be a very fluent conversation with the interpreter and they did not appear to have any difficulty whatsoever in understanding each other. I started to actually examine her about 15 minutes after she had arrived in my office. I examined her hands closely and there were no scratches on them. If there had been any scratch across or near the knuckles of the left hand I am sure I would have noticed it. This girl was about 4 ft 10 inches tall and of plump build.

SECOND WITNESS: Captain Joseph Aidan IRWIN, 32 FDS, RAMC, sworn, states: At about 1230 hrs on 11th February, 1945, a girl who gave the name of MARTHA MARIA DEZUTER came into the CRS at Knocke where I was on duty as MO. I had been informed about half an hour earlier that she was being sent in to have an examination made. She came in alone. When I found she could speak some English I requested the services of Mlle CLAUS the matron of the civil maternity department in the same building as the CRS ~~and who also~~ to act as interpreter. When Mlle Claus arrived she obtained the girl's story from her and then told me that the girl claimed to have been raped by a soldier between the hours of 2030 and 2200 hrs on 10th February. While the girl was with her friend she was stopped by 4 soldiers at a lonely place. One of the soldiers threw her to the ground and put his arm across her mouth and his knee in her stomach. She said she struggled but he was too big for her and then he raped her. She also said it was dark and there were no passers-by. She and her girl friend were pulled off her bicycles. She also claimed her clothes were torn and her nose had quite a lot. I then examined the girl. Owing to the language difficulties it was hard for me to assess how distressed she was by the occurrence but she did seem somewhat frightened. She stated that she had no abdominal wounds. I did not ask her to remove any part of her clothing. She stated that she could discern no bruises or scratches on her face, hands or arms and her limbs were not broken. She stated through the interpreter that she was not a virgin prior to this occurrence, and she stated that her usual

He turned and walked towards the bar, & when he turned around I saw his face and immediately recognized him as the soldier who had attacked me the night before. I was sitting down with the military policeman at the time I ~~saw~~ recognized this soldier and I immediately told him that was the man. This soldier was about 10 yds away from me when I recognized him. The police then went up to the soldier. The soldier I recognized in the dance hall is this soldier now present in this room (the witness indicates the accused). I am certain that he is the soldier who attacked me. I am afraid I am pregnant because I have not yet had my period which was due on February 21st. I would not be able to recognize the woman who passed on her bicycle just before I was attacked. I would not be able to recognize the 2 soldiers who were walking on one side of the street when I was attacked. The place where I was attacked is about 20 minutes walk from the main street, Avenue Hippens. ~~The accused declines to cross examine this witness.~~

The route I followed on the night of Feb 10th after leaving my employer's home was along ZOUTELAAN ST to AVENUE HIPPENS, then I turned left on AVENUE HIPPENS & walked to POLDERWEG where I turned left & walked along Polderweg and then along GRAAF JANSDYK which is a continuation of POLDERWEG. I met the woman to whom I spoke for 20 minutes on Avenue Hippens where the woman lives and before passing the Maison Dance Hall I passed the Maison Dance Hall on Avenue Hippens on the way home at about 5 minutes past 9 on the night of Feb 10th. I did not go in but continued to walk home.

The accused declines to cross examine this witness.

home. After I came home and had told my mother what happened my father asked me what happened and I told him my mother warned till him. My mother wanted to get my sister but I told my mother I would go and get my sister myself. My sister was in the house of the people next door and I went in there. This was about 15 minutes after I arrived home. I then told my sister what had happened. As soon as I came home and before I spoke to my sister I washed the blood from my face. At about 0100 hrs the same night I saw my brother Gerard and he took with him the coat and scarf I was wearing when attacked and also the 2 handkerchiefs stained with blood and I believe he also took my stockings. He brought everything back later the same night. I still had these things in my possession. My brother told me to report to the military police at 1030 hrs and I did so. While there I made a statement through an interpreter as to what had happened. I then went with the military police and showed them where this had happened. They then took me to a military doctor but he did not examine me. The military police told me to beat the Minerva Dance Hall on Avenue Kiffens, Knokke, at 1930 hrs to see if I could recognise the soldier who attacked me. I went to the Minerva at 1930 hrs 11 Feb 45 and went inside with one of the military police. It was already crowded with people. I looked around carefully but could not see any soldier I recognised. The military police then told me to stay there and to keep on looking for the soldier. At about 2100 hrs I saw a soldier standing watching the dancers

them off of me. When he first attacked me I screamed for help but the soldier put his hand over my mouth and kept me from shouting after that. I saw this soldier walk back up the street in the direction from which he had come, after he let me get up. There are no houses or other bldgs between the place where I was attacked and the block of buildings in which my home is located. This house is about the 8th house from the beginning of the block. I did not see any person between the scene of the attack and my home. No vehicles passed me in either direction before I arrived home. The only injuries I suffered were a scratch across the knuckles of my ~~right~~ left hand and a bleeding nose. The scratch on my ~~right~~ left hand was not bleeding. My nose started to bleed shortly after he started to attack me when the soldier struck me in the face. My nose was still bleeding, but only slightly, when I came home. My hair was covered with mud and my coat, shoes and stockings were also covered with mud, because I had been lying on the wet ground. I had 2 handkerchiefs which I used to wipe the blood from my nose before I got home. Both these handkerchiefs were covered with blood. There was no blood on anything else. My hands were covered with blood from my nose. When I arrived home my mother opened the door for me. As soon as she opened the door my mother said to me "What has happened to you." I answered "I have been attacked by a soldier, he slapped me" and my mother said "But what did he do to you." I answered "Mother you can guess what a soldier in a strange country would." My father was in his bedroom when I came

a very few words and I do not know what he was saying to me. While I was on the ground he said to me "I make you comput" I understood that. A few minutes after this soldier forced me to the ground and while having sexual intercourse with me, my eyes became accustomed to the darkness and I was able to clearly distinguish his features and I then recognized him to be a soldier whom I had seen once before a few days earlier on the main street of Knocke, on Avenue Lippens, speaking to 3 or 4 other soldiers on the street. One of the soldiers whistled at me and I turned around and it was then that I noticed this soldier. This happened between 0900 hrs and 1100 hrs. I cannot remember what day this happened but it was 2 or 3 days before February 10th, 1945. I was alone at the time and I noticed the soldier as I walked past them. I did not stop at all but continued to walk to my place of employment. I did not speak to any of them, but just looked at them. I believe I would be able to recognize one other soldier who was in the group I passed on the street. The soldier who attacked me was wearing a uniform at the time. He was not wearing any overcoat. I believe he was wearing a ~~tam~~ beret at the time he came up to me. He was not wearing a beret or any hat when he left. At the time I was attacked I was wearing pants, a slip underneath my pants, a vest, a chemise, a shirt and a sweater pullover, a cloth coat, a scarf around my neck, and woollen gloves. I cannot remember whether I had my gloves on during the time I was being attacked. I did not wear any hat. The only garment which was torn in the struggle was my chemise which was slightly torn. The soldier pulled my pants down to below my knees but did not take

recover one of my shoes which had come off in the struggle and also to get my handbag which contained my working clothes and which I was carrying at the time I was attacked. The soldier remained at the spot where I had left him for a few minutes and I waited until he left and I then went back and recovered my shoe and my handbag. I then went home as quickly as I could. It took me about 10 minutes to get home walking and running. I arrived home at about 2245 hrs. I estimate that this soldier was with me for about one hour. There are no houses or other buildings at the place where I was attacked. There were no lights and I could not clearly distinguish the features of the soldier who attacked me, until after my eyes became accustomed to the darkness, while he was lying on me. I clearly saw his face in the head-lights of the passing auto as I have stated. No pedestrians passed along the road while I was being attacked. The only vehicles that passed were the buggy and the auto I have already mentioned. It was a dark night and it was raining from the time I left my employer's home until I arrived at my own house. As far as I know no person saw me being attacked except possibly the woman who passed on the bicycle and the other 2 soldiers. I could smell the breath of the soldier while he was lying on me and his breath smelled strongly of liquor. I cannot say whether the 3 soldiers were friends as I heard talking in English behind me but I cannot say whether the 3 soldiers were talking together or whether the soldier who was walking alone on one side of the street spoke to the other soldiers or not. The soldier who attacked me spoke to me from time to time while he was having sexual intercourse with me. He spoke in English but I could only understand

whom I do not know, came riding a bicycle towards me up the road. Just when she had passed me the 2 soldiers who had been walking on one side of the road grabbed her and made her get off her bicycle and the soldier who had been walking on the other side of the road came up to me and grabbed me by the hair and pushed me down to the edge of the road. I do not know what happened to this woman and the 2 soldiers who made her get off her bicycle as I did not see them afterwards after pushing me down to the side of the road the soldier then forced me to my knees on the ground. I was able to struggle up to my feet but the soldier forced me down to the ground on my back. I tried to get up, struggling with him but he was too strong and he forced me to remain on the ground on my back while he lay down on me the then inserted his male organ into my female organ and kept it there for about 10 minutes until a horse and buggy came along the road. The soldier then stood up in order to get away from the side of the road as the buggy was coming close to the edge of the road. When he did this I tried to run away but the soldier grabbed me and pushed me down again beside a hill and resumed sexual intercourse with me. Sometime later while he was having sexual intercourse with me and I was lying on my back, an auto passed down the road and I saw the soldier's face clearly in the headlights of the auto. A few minutes after the auto passed the soldier got up off me and let me get up. When we got up on our feet the soldier said to me in English "You come to-morrow night at half past eight to the Mwariwa". I answered "Yes". I then walked away a short distance towards home and then decided to return to the place where I had been attacked in order to

It would ordinarily take me about 45 minutes to walk home. On the night of 10th February, 1945, about 10 minutes after I had started for home, a lady whom I did not know stopped me on the street and asked me for some information, and I spent about 20 minutes standing on the street talking to her. We then parted and I returned on my way home. I do not know who this lady is or where she can be located. About 20 or 25 minutes after I had parted from this lady and while I was walking along GRAAFJANSDYK ST towards home, I heard some men speaking English behind me and I looked around and saw 3 soldiers, 2 walking on one side of the road and one walking on the other side. I was walking in about the centre of the road. There are no sidewalks there. I cannot say how far the soldiers were away from me when I first saw them, but it wasn't very far. Q.9 Do you know the number of that place?

Q.10 What is your age?

A.10 19 years.

Q.11 Will you tell the Court, in your own words, what happened on night of 10th February at 2030 hours?

A.11 I left the place at 8:30 where I worked - I was not sleeping there and the boss asked if he could accompany here after work, if she was not afraid alone, so the man only having one hand she said, I will walk home alone.

Q.12 What place was that she left what place?

A.12 George Hannon's place Zoutelan.

Q.12 Please go ahead?

A.12 I continued my way and on the way a lady stopped her and asked an address, she didn't know the address and she continued her way after having spoken a long while with the lady she continued her way to the Polderweg.

Q.13 Where did you speak to the lady?

A.13 The monument place in the Avenue Lippen.

Q.14 And you continued along home?

A.14 Then she continued her way by the Polderweg, then she came on her street, Graafjansdyk, when she heard people behind her speaking English.

Q.15 Who was behind her?

A.15 There were soldiers, she thought they were soldiers because

she heard them laughing - but there were only soldiers.

Q.16 How many soldiers?

A.16 When they were somewhat nearer she saw there were only three soldiers, there were two of the soldiers on one side of the street and one soldier on the other side, they were laughing and talking and singing and then she heard one of them calling "a girl".

Q.17 Which side of the street were the soldiers on?

A.17 She doesn't quite know what side of the street she was - she doesn't remember but she knows one of the soldiers was on one side of the street and two others on the other side.

Q.18 Where was she?

A.19 She was on the middle of the street , once on the side - you know.

Q.20 She was on the middle of the street you say?

A.20 She does not remember whether she was in the middle of the street or side of the street when the soldier came up, she heard them calling, "a girl" and then very shortly after the boy attacked her and she saw the two others on the other side with a lady who came from the otherside with a bicycle, she didn't see what happened to the lady on the bicycle because she was pulled to the ground by the soldier.

Q.21 Does she recognize the other two soldiers?

A.21 No.

Q.22 What happened then?

A.22 Then he threw her in the ground and she wanted to yell and she couldn't because he grabbed her on the ground.

Q.23 Where did the soldier grab her?

A.23 He pulled her by the hair and pulled her to the ground.

Q.24 Why couldn't she yell?

A.24 She tried to yell but there was nobody.

Q.25 What happened then?

A.25 Well then the soldier laid on her and she couldn't yell, she couldn't move, she laid with her head beside a tree when she

heard a car coming.

Q.26 What happened then?

A.26 They were nearly in the middle of the road when a horse and buggy came, so they had to get out of the way of it.

Q.27 Was the man lying on her then in the middle of the road?

A.27 Yes - she doesn't remember very well but she said he once went away from her and came back and wouldn't leave her alone a long time.

Q.28 While he was lying on her in the middle of the road what was happening?

A.28 She says he was lying on her when the buggy passed they...

JA: What did the witness actually say?

Int: She said they were having sexual intercourse.

JA: Is that what the witness actually said?

Int: Yes.

Prosecutor continues

Q.29 Was his male organ.....

Def: This is a very weighty part of the case and I don't think such a leading question should be allowed.

Pros: What is sexual intercourse?

Def: I think my friend should at this point put the question, "What were you doing in the middle of the road?"

Prosecutor continues

Q.30 What do you mean by sexual intercourse?

A.30 (No answer)

Pres: I think if you asked her in detail what were they doing?

Prosecutor continues

Q.31 In detail what were you doing?

A.31 She said, I want to go home, he said, "No, another hour, I will make you caput".

Q.32 While they were lying in the middle of the road what were they doing, in detail?

A.32 (No answer)

JA: Will you break this down in bits, stop the witness and get her to give evidence in small bits and stop her going too fast and translate literally what she said.

A.32 What she said was they were lying there and she always wanted to move away and at last they got again at the side of the road and then she said, "I want to go home" and he said, "I caput you another hour I caput you".

Q.33 What do you mean by sexual intercourse - in detail the motions?

A.33 When she wanted to shout he pushed his hand in her mouth and she couldn't yell.

Q.34 What were they doing while they were lying on the road?

A.34 She said, while they were lying there she always struggled against him but he always pushed her down.

Q.35 JA: If you will allow me Mr. Prosecutor. You said that the accused and yourself - pardon me - you said that the soldier and yourself were having sexual intercourse in the middle of the road?

A.35 He wanted to lay on her - you know - to have sexual intercourse but she always crawled away and she doesn't know whether they really had it in the middle of the street.

Prosecutor continues

Q.36 Then what happened?

A.36 They always moved and I cannot quite remember - you know - whether we had sexual intercourse because we moved from one place to another and she doesn't know.

Q.37 Where did they move to off the centre of the road?

A.37 He took her handbag and threw it on the side of the road, then he pushed her down again and when he was lying on her a car - an automobile came and she doesn't remember whether he stood up or not, she doesn't remember very well.

Q.38 Did she see the man lying on top of her?

A.38 Yes.

Q.39 When?

A.39 She saw him before the car came and when the car came the lights she saw him perfectly well.

Q.40 Did you recognize him?

A.40 She recognized him because she saw him before on the main street, Avenue Lippens .

Q.41 Is he in the Court today?

A.41 Yes (Accused is indicated).

Q.42 JA: Where in the court room?

(Witness points to the accused)

Prosecutor continues

Q.43 What happened then?

A.43 She was always asking - she wanted to go home and she said he said words she understands in English as, "jiggy-jig," and he said, "another hour" and he laughed at her.

Q.44 What conversation went on while you were lying there?

A.44 And then he was always speaking, she didn't understand a word and then she said, "I will go to the Town Major," and he always continued talking and then she understood, "Will you be at the Minerva tomorrow night to the dance?"

Q.45 What did she say?

A.45 She said, "Yes", with the idea maybe she would see him again tomorrow and she would find out who the man was.

Q.46 What clothes were you wearing that evening - in detail?

A.46 She had chemise, pants, corset, woollen underwear a skirt an pullover and her apron still on and her coat on.

Q.47 Did you - have you - just ask her a yes or no question - did you have sexual intercourse this night with all your clothes on.

A.47 She had all her clothes on but he pulled her pants down.

Q.48 Will you tell the court, correctly and in detail just what happened when he pulled your pants down?

A.48 She....

Pros: Just let her take it easy here so we can get it in

Q.61 When he continued his way where was he at that time?

A.61 He continued his way back to the village.

Q.62 What was the accused wearing?

A.62 He had no overcoat on and she doesn't even remember if he had a beret or if he had it in his hands, she doesn't remember she knows he had no coat on.

Q.63 What articles of clothing did you pick up?

A.63 She went back, she lost a glove, she was looking for it, she didn't find it and then she didn't think of her purse, it was the next day she realized she lost it.

Q.64 Where did you go then?

A.64 Then she went home.

Q.65 Is this approximately where you were on the road?

(Shows witness a map)

JA: Will that be produced as evidence?

Pros: Yes.

JA: (to defence) Have you seen that?

Def: The only thing about that map if my friend is going to produce it, I think after describing the streets he should ask the witness.

Pros: I was going to produce it and then get her to name the route she took so the court could follow it.

Prosecutor continues:

Q.66 That is the Zoutlan?

A.66 She doesn't know.

Q.67 That was your home?

JA: Just a minute - ask the witness if she understands that plan - we are just losing time - ask her if she knows?

Prosecutor continues:

Q.68 We went over this - Avenue Lippen, the Graafjansdyk?

A.68 She came from the Avenue Zoutelan, walked down Avenue Lippen, turned left into the Polderweg and then Graafjansdyk.

Q.69 Where did you leave from?

A.69 From the.....

detail.

A.48 She said he just did all he could to have this sexual intercourse with her, even though she struggled against him there was no use and they had this sexual intercourse.

Q.49 They had sexual intercourse?

A.49 Yes.

(Witness puts other coat on).

Q.245 Do it up?
(Witness buttons her coat)

Q.246 Has it been cleaned at all since?

A.246 She started to clean it when she came home and her brother said, "You shouldn't clean it at all, leave it as it is".

Q.247 What did she clean?

A.247 Her coat because she thought they would not have asked for it.

Q.248 What did she clean off her coat?

A.248 There was all kind of dirt.

Q.249 On the back - ask her that?

A.249 Yes, she cleaned off her back because it was worse.

Q.250 There was more dirt on the back - that is probably where she took the dirt off?

A.250 Yes.

Q.251 Was her coat open during the struggle?

A.251 She noticed afterwards that everything was open but her belt was still done but the rest of the buttons were open.

Q.252 You might turn around now?

(Witness turns around)

Q.253 You say you struggled - how did you struggle, how did you endeavour to prevent the acts of the accused?

A.253 She did all she could, turned over and she tried always and always kept her handbag in her hands because she thought she would get away.

Q.254 Didn't use your hands at all?

A.254 She tried but he held her hands, took hold of her hands. Even if he hadn't done that she couldn't do anything.

Q.255 He also had other things in operation at the time - couldn't you have scratched him or anything at the time?

A.255 She don't think she could and she didn't even thing to do that.

JA: - QUESTIONED BY THE JA

Q.256 How wide is the street at the place where the soldier first pushed you down - about how wide?

A.256 It would not be wider than from here to the table, the street you know, and then for the sides also the same.

Q.257 It could be wider than from there to this table, that is the stone, cobbled portion?

A.257 Yes, she indicates the stone street as wide from here to the table and the sides also.

Q.258 On each side?

A.258 No the sides would not be that wide.

Q.259 Two cars passed on - could two cars pass on the street?

A.259 No.

(JA: Witness indicates about 8 to 10 feet).

Q.260 When he first put you down were you on the cobbled part of the road or the stone part?

A.260 On the side when he pushed her down.

Q.261 On the side?

A.261 She doesn't remember very well, she knows one thing, she didn't fall on the stones so it must have been on the side.

Q.262 How long had you been there when the horse and buggy came along?

A.262 She doesn't know how long.

Q.263 Was it an hour?

A.263 No it wasn't an hour.

Q.264 Was it an - was it a half hour?

A.264 She remembers one thing when the automobile passed that not long after they left.

Q.265 I am talking about the horse and buggy, did it come before the automobile?

A.265 First the horse and buggy and the horse and buggy came from the village, the town of Knocke, and the automobile came from the other side.

Q.266 How much time was there between the time the horse and buggy came and the automobile? Can you figure approximately?

A.266 She forgets now, she remembered a long time but now she forgets how long it would be.

Q.267 You said you were in the middle of the street when the horse and buggy came?

A.267 They were in the middle of the road but he pushed her on the side and she cannot remember very well how things went.

Q.268 What distance did you have to go to reach the side of the road by you?

A.268 Only one step, she says.

Q.269 Do you mean to say you didn't get up at all to go from the middle of the road to the side when the horse and buggy came?

A.269 She doesn't quite remember if they stood up for the horse and buggy or the automobile but she remembers for one thing they didn't get up.

Q.270 For one occasion you did stand up? Is that right?

A.270 She is not quite sure but she thinks it is for the horse and buggy they stood up and for the automobile they didn't get up because she had to pull her legs in to get away from the automobile.

Q.271 How did you get up for the horse and buggy?

A.271 She couldn't get straight up, she wanted to get up but she couldn't get straight up.

Q.272 Did you get on your feet?

A.272 She wanted to get up on her feet but he always pushed her back.

Q.273 Can you show us how he pushed you down on this occasion?

A.273 She couldn't say whether he pushed her really and how she pushed her down.

Q.274 Try and remember this, it is very important?

A.274 Now she says that they didn't even get up he just pushed her a little farther and he put his hand in her mouth.

Q.275 In her mouth or across her mouth?

A.275 He once pushed them in her mouth and then he laid both hands on her mouth once, the two hands on her mouth, then with one hand and then with his knee on her.

Q.276 So you didn't get up at all when the horse and buggy came?

A.276 She remembers getting up on her feet but he pushed her down but she doesn't remember.....

Q.277 Try to remember - you told us you got up when the horse and buggy came and then you say you were pushed along the ground. Tell us which is the truth or which is correct?

A.277 She remembers for the horse and buggy she wanted to get up but he pushed her down and she couldn't get on her feet but for the automobile she had to pull her legs in for the automobile.

Q.278 Couldn't you yell when the horse and buggy went by?

A.278 She did yell when the horse and buggy passed but she had no time to yell the second time, he always kept her from yelling.

Q.279 About your panties - you say they were held up by elastic, is that at the waist?

A.279 Yes.

Q.280 Was there any elastic above the knees?

A.280 No.

Q.281 I mean in the "V" shape?

A.281 No.

Q.282 You said you think that you had seen this soldier before that night in the main street?

A.282 She says, I am not sure it is the same one because when they asked her on Sunday she said I am nearly sure it was.

Q.283 Do you mean on Sunday you were nearly sure that the soldier you saw was the one who pushed you to the ground?

A.283 She is not quite sure - you know - but she thinks it must have been him before, she didn't speak with him before on the main street, she thinks it must be the one.

Q.284 Let us get that clear I think there is a misunderstanding. Did you ever see before the soldier who attacked you that night in question - had you ever seen him before?

A.284 She thinks it must be him because walking up to her work there was a bunch of soldiers there and they whistled and she turned around and she says I think it was the very same one.

Q.285 How long did you see him when he was with the soldier and he whistled?

A.285 She saw them before - she passed by and when they whistled she turned around but she saw him.

Q.286 Are you sure that you saw him?

A.286 She thinks even if she had never known him before she could say the Sunday night it was the one attacked her on Sunday night.

Q.287 But you may have made a mistake when you say you have seen him before?

A.287 She doesn't think she is wrong, that is the one she seen in the Avenue Lippen but she is quite sure it is the same one from the Saturday night.

Q.288 What kind of weather wasit on that Saturday night - what kind of night was it?

A.288 When she left her work it was not raining much and while

4TH WITNESS for the prosecution — Major J W LISLE 50 Reinforcement Holding Unit, having been duly sworn, is examined by the prosecutor:

Q.401 Will you tell the Court your name and who you are?

A.401 I am Major J W Lisle, 50 Reinforcement Holding Unit.

Q.402 Major Lisle, I just want to clear up a point here. There are various statements and a lot of hearsay has gone in and just to keep your mind free from that I wish you would tell the Court how you happened to get mixed up in an investigation and just the things you did?

A.402 At 10:30 I was going to my duties and on my way up there I met my Colonel, who is CO Troops Knocke, he told me there

was a young lady.....

Q.403 JA: As a result of what you were told what did you do? Anything you were told is not admissible in evidence, you can tell us what action you took as the result of something.

A.403 I was requested by the officer here to tell the whole story - on entering my office on the 11th of February there was a girl there who said she wanted to make a complaint against a soldier. I engaged an interpreter, on investigation she said on the night before....

Q.404 JA: There again we cannot have what she told you?

A.404 The result of her complaint was to ask her questions and ultimately I arranged for some soldiers of the unit to go down to a meeting place where she had arranged to meet the accused soldier and try and get hold of him, if possible. That evening, the same day, I had a phone call from the town guard room, it is the town guard room of 50 RHU and they said this man....

Q.405 JA: Again we cannot have that as to what they said. Did they do anything?

A.405 Yes, I went down to the guard room and in the presence of the guard and interpreter and the accused man I asked questions, in the presence of the man of course.

Prosecutor continues

Q.406 Just one moment before you start into that. Who were the men you detailed to go to the Minerva Cafe?

A.406 S/Sgt Ray, Sgt Barker, Sgt Leathers and Spr Korn.

Q.407 And you said in the guard room that the accused was present and Miss Dezutter was present and you were present. What transpired there, what did you ask the accused?

JA; Just a moment, was this voluntary and before any evidence can be brought out it certainly belongs to the defence to object.

Def: I object to the whole statement.

AD

JA: Do you intend to put that in?

Pros: No sir, just what is said in front of them if the defending officer didn't object.

Q.408 JA: Did you warn the accused before you asked him?

A.408 No, I was simply making an investigation.

THE DEFENCE IS CLOSED.

THE DEFENDING OFFICER MAKES A CLOSING ADDRESS.

Defence:

Mr. President and Gentlemen, may it please the Court, this has been, and is a very serious case. It is a serious crime of which the accused is charged with and it's consequences are serious. I don't propose to review all the evidence that has come before you, I don't feel it necessary the case has been tried in the course of a single day and I am sure all the facts are fresh in your minds. I would like to speak for a few moments on some of the outstanding points of the case because it does involve the application of the law to a certain set of facts as we have them here. I will not try to transgress on the rights of the JA insofar as the law is concerned because I know full well you do take all your law from him, so that any remarks I do make about the law are only what I do believe it to be and will be chiefly briefs of law and I am merely to refer to them insofar as to confine the questions of law to the facts here. One of the first points I wish to

make is on the question of onus of proof and that is, the onus of proof is on the prosecution as you know and I submit here that the prosecution have not established beyond a reasonable doubt that the accused person is the person who committed this crime. The case has been most ably presented by the prosecution but there are still shortcomings in the case which I believe do not sufficiently satisfy. I suggest this, take for instance the underclothing of the girl, I say here that the girls undgrclothing, her pants, her chemise, her stockings, her shoes and such things of that kind, material evidence, should have been before the Court. I suggest particularly the question of her pants and chemise; if she struggled over a period of an hour as she allegedly did and the girls pants are taken from the body over one foot and remained hanging from one leg, I suggest the pants are an important thing. If it was that kind of a struggle that might have disclosed it. The other thing I suggest that has some bearing so far as the onus of proof is the fact that it is not possible here for the court to examine any medical evidence of any kind. That may be partly the question of circumstances because this incident is reported at a very late hour at night but at no time is there any medical evidence brought into the case involving the sex nature of the charge and that might have had some material bearing on it.

The second point I wish to speak on for a moment is that of consent. Now, the question of consent here is one of the elements of this crime and it is a very important one;to my mind there is no doubt that sexual intercourse was had on this evening by this girl and possibly in the area that she speaks of. It is part of the case of the prosecution to establish that that was done without consent and I submit when these proceedings started on that night in question there must have been words and this may have occurred on each side of the road as suggested, but certainly throughout these proceedings sometime or other the question of consent must have been settled.

Then a word on the question of identification comes here. Much of the case has been spent on the point of identification. I say that identification can be broken down under two headings, that is, first at the scene of the incident and secondly the identification at the dance hall. Now, the girl says at the scene of the incident she recognized the accused person by headlights and by his features, that is her own evidence and that is the only evidence on the question of identification, there is no non-partisan evidence as to his identification anywheres in that area that night. It is quite true that after they spent an hour there altogether this girl should know the person she spent the hour with. You may be satisfied on that point and you may again be not. Now the identification at the dance hall. The accused person, his story is that he went there, I believe between 7 and 8 o'clock, I think one of the witness places it as early as 7 o'clock, I don't believe the girl got there until 7:40 and no identification took place until 9:20. I suggest that is material, that dance hall was crowded that night and it may be it took that time to make up someone's mind but that doesn't matter, if the accused's features were definitely in her mind I think she could very readily walked right up to him.

Then on the question of corroboration - the law on this is quite clear, it certainly is not impossible for the Court to convict without corroboration. I want to review for a moment the incidents which happened here and where this question of corroboration lands us. There is the girls story of her going home and the fact that she is attacked on the street in which she resides, there is no one tying in the identity of the accused person or his presence there on that hour save this girl and I put this, that that position gets no better by her merely identifying the accused person in the cafe that night, that the corroboration must be such as in some relevant manner would implicate the accused person and throughout this case it is impossible to find anything of that nature. Now, the complainant - the complaint itself certainly is not corroboration of that story.

The complaint itself heads towards another point and that is the consistency of the girl's story but does not corroborate what went on there that night.

Now then at the cafe, one cannot find anything which corroborates it in any way, it is merely a question of identification, it is still the girl saying, "It is him". On the question of corroboration it is my submission here you have only before you the evidence of the girl against the evidence of the accused person and his comrades. We have, of course, the evidence of the complaint which does tell of the consistency of the story of the girl.

Now, I want to say a word about the conduct of the accused in this affair. The accused does admit he was at the Minerva Cafe, the next morning an inspection is held when all these men were checked over and the accused person and his pal Wright knew of that and then on Sunday night they went back to the Minerva Cafe and they stayed there all evening until they were picked up by the police and asked to go with them - I ask you, is that the act of a man with a guilty mind? I don't think if he had been a party to this act he would have been near the Minerva Cafe that night. Now, what about her words about meeting her at 7:30 at the Minerva Cafe. Is it likely that in these circumstances he would make arrangements to meet the person at the Cafe, I suggest that is not a very realizable consequence, that it could not happen that way. Another question on the point of view of the talk of the accused person after he is taken into custody the next night, he asks "What is it all about" and he and Wright go out together in company with the sergeants and later interviews their officer, every question that is put to them they answer and nothing further is asked and the accused person is taken into custody. The time of the taking of the Summary of Evidence he is asked if he wishes to make a statement and he tells all he knows and here before you today he has told it to you again, and I suggest to you this is not the act of a person who committed an act of this kind.

There is a great question of credibility before the Court and I must leave that to you. You have seen the witnesses for both the prosecution and defence, they are directly opposed to each other, there is the evidence of the girl and her mother and her sister as apposed to the evidence of the accused person and his two comrades. I suggest to you again that the story of the girl still remains uncorroborated. That is all.

THE PROSECUTOR MAKES A CLOSING ADDRESS

Prosecutor:

Mr. President and Members of the Court I too do not wish to bring in more law to the case in reply to the defending officer's address but I do wish to state a little law.

We have the story of a young Belgium girl, 19 years of age, who leaves the establishment of her employer at approximately 2030 hours and walks home. She meets a lady on the road and spends a certain amount of time with her - a half hour supposedly - on the way home she was attacked by a soldier and previously to the attack she said there were three soldiers in the area, one attacked her and two went after another woman. On being attacked she stated that she was forced to the ground and I believe she said she was grabbed by the hair. I wish to point out there, sir, the defence has raised considerable facts on it's side as to consent, now, I just wish to quote there one definition of rape, "The unlawful carnal knowledge of a woman without her consent by force, fear or fraud". Now, the rebuttal of the defending officer has been to "force" only. I suggest to the Court it was not only force - she was not only forced into this compromising position but it was stated that, "I make you caput" which I take to mean "I will kill you". This far you have got an accused person who is much bigger than the girl, the girl if she didn't tell me her age I would judge to have been about 15 years old.

Regarding consent I wish to point out that, quoting from Archbold's R v Young, "It is no excuse that the woman consented at first, if the offence was afterwards committed by force or against her will; nor is it any excuse that she consented after the fact." Now there has been much examination, cross-examination and questions by the court on the contradiction of time spent in the struggle on the road. I submit to the Court that once the accused has threatened her or used force on her and committed an act of sexual intercourse by using such force then they could lay there all night if they wanted to. Such is not the case, she stated in her evidence she did try to get away and she couldn't, you can understand that bearing in mind the fear and force both. When the act was over she went down the road, remembered she forgot some of her wearing apparel and purse, she stated that she watched until the accused got out of the way. While she was lying on the road I would give a great deal of credibility to her evidence in the manner in which her eyes got accustomed to the darkness enabling her to recognize and later identify the accused is as good as any optician would do, the girl coming into the open, having a struggle, hit on the nose and made to bleed, this would cause some blindness and it does take a while to get accustomed to the darkness. She states that in her young naive little way. Her statements throughout, where there wasn't the element of confusion were consistent and straight forward. When she arrived home she immediately told the story to her sister. Now the Court may put some weight that the mother asked her, "What happened", now there is a girl who walked home, is covered with mud and blood and she is in such a condition that would require her mother to make some exclamation like that. There is a reference in Archbold's in regards to eliciting information out of the prosecutrix such as that, there is no leading questions or anything, the mother stated that, which is consistent with the sworn evidence here. The crime is a peculiar one in that there are no witnesses to it as you saw today, it was in a lonely place, there were no buildings adjacent to it, she made an outcry but she was stopped at times, at other times she might have

been able tomake an outcry but bearing in mind the element of fear she was wise not to make an outcry. In regard to that I wish to state on corroboration we have one witness who states a story and the evidence of the plaintiff is quite correct, it is not corroboration but there is the circumstantial evidence behind it, there is also I think circumstances which make the witness a very competent witness, in that she being the party ravished is of good fame and she searched for the accused when he fled, she was in a place where the act was alleged to have been committed where such it was possible she might have been heard she made an outcry and the like circumstances carry a strong but not conclusive presumption that her testimony is false or feigned. That is the quotation from Archbold's at p.1024 refers to competency of witnesses in such a peculiar circumstances as this. If we are not going to take the word of the witness it means that in circumstances such as this leaving aside the alibi of the accused if the Court don't believe the story of the prosecutrix then it would mean that any man could get a girl alone in a place where she could not be heard or seen and carry out his dirty business and then get off scot-free, so although we have not brought out any corroboration we have a great deal of circumstantial evidence. The girl goes to the Minerva Cafe, she was told by Major Lisle and she said "yes" to the accused there on the road and if she had said "no" what would he do; there was the element of fear. When she went to the Minerva Cafe she had an impression on her mind in the Minerva Cafe, she sat there and she for sometime didn't recognize anyone and the defending officer has said there were a great many people there and all of a sudden, "that is him" she said; that is all we have to go on. Unfortunately the accused is a soldier it is difficult to identify him by dress alone, it is only visual features you can identify people on and that is all the girl can go on to identify him, which she did in Court and at the Minerva. The circumstantial evidence strikes me as being peculiar, there were three men followed her down the road, the same three men come before a

Court with an alibi and it also involves the Minerva Cafe, which came out in evidence indicated that the girl was to go to the Minerva Cafe too. I think, although there is no corroboration and it states in Archbold's that corroboration is not essential but in practise is required, yet in this case you not only have a case which is border-line in one regard you have it border-line in the other regard, that you have one witness and peculiar set of circumstances in that the rape took place at a lonely spot, she should have made an outcry which she did, she must have objected once, if she didn't continue to object I leave it to you did she not object because of fear and did she not object later on because of fear and there was no way she could help herself at all and that is the situation that the prosecutrix found herself in, I leave it to the Court and dc wish to point out that my case was based on a few of the points of the law I have quoted.

THE JUDGE ADVOCATE SUMS UP

JA:

Mr. President, before going into the duties and functions of the Court I wish to remind you of the main principle of British justice, which is that a man charged with a crime is presumed to be innocent - or as you may be familiar with the provisions of MOL as is stated at p.58 para 67 (reads para). By reasonable doubt which is mentioned here it is meant common sense doubt arising out of the evidence which has been brought before you. Now, your duties and functions here today are those which would correspond to civilian duties and functions of a judge and jury. You are complete judge of the facts, in that, you are called upon to decide from the evidence which facts you take as being established, if any, and which you do not wish to accept as established, if any, if you don't wish to do so. From this evidence it is your duty to deduce any facts which fall logically from the evidence which has been brought before the Court. Now you are also are judges of points of law, you and you alone are the ones to decide on the law of the case. On the

other hand you must remember that the function of the JA on the Court is to advise you on points of law and you are in no way obliged to take his advise but you must not disregard it except for very weighty reasons.

The offence is rape, and a definition of rape is found at Archbold's 1018 31st Ed 1943 "Rape is the unlawful carnal knowledge of a woman without her consent by force, fear or fraud." Therefore it is up to the prosecution to establish, to substantiate the charge of rape, to establish there was carnal knowledge, that it was unlawful, that is not carnal knowledge between a man and his wife, that there was no consent on the part of the woman and that it was by fear, by force or by fraud. I won't go into the details of these, if there are any points on which you wish to be clarified you may do so. Now you have had evidence of a fresh complaint, I may point out it is one of the very few instances where hearsay evidence is admitted as is said on page 1023 the same author, "In the case of rape or kindred offences, the fact that a complaint was made by the prosecutrix shortly after the alleged offence, and the particulars of such complaint, may be given in evidence so far as they relate to the prisoner, not as evidence of the facts complained of, but as evidence of the consistency of the conduct of the prosecutrix with her evidence given at the trial." In other words the complaint doesn't establish the facts complained of but simply as stated, show consistencey on the part of the prosecutrix. Now, as was pointed out by both the prosecution and the defending officers in cases like this one involving decency the question of corroboration must be considered, and it is said again, same author p.1025, "Though corroboration of the evidence of the prosecutrix is not essential in law, it is, in practise, required and it is the practise to warn the jury against the danger of acting upon her uncorroborated testimony, particularly where the issue is consent or no consent." Now what is the corroboration here - going back to MCL at p.84 Section 45, " Except where a statute makes provision as to the nature of the evidence

necessary, the corroboration required is independent testimony which confirms in some material particular not only the evidence that the crime has been committed, but also that the accused committed it." In other words you must have evidence which would be absolutely independent of the plaintiff or the testimony of the complainant and which would tend to shownot only that a crime has been committed but also that the accused committed it, mind you it is not meant by that this evidence could be that of a witness present at the commission of the offence but corroboration may be taken from the whole circumstances of the case and it is a matter of fact for you to decide whether from such circumstances there is or there is not corroboration. Of course, in the definition of rape I didn't mention there has got to be evidence of penetration and penetration to the least degree is sufficient to constitute rape. Under Army Act 56 in a case of rape you are entitled to bring in a lesser finding, that is 56 allows a Court which deals with a civilian offence to find an accused guilty of a lesser offence should there be a lesser offence under civil criminal law and providing of course the evidence justifies doing so. In the case of rape the lesser offence is indecent assault.

In closing I would like to remind you again that the accused must be given the benefit of any reasonable doubt, this is one of the most sacred privileges which our British Justice grant, it must never be forgotten.

Mr. President is there anything you wish me to advise the Court on further?

President: No.

Prosecution: No sir.

Defence: No sir.

TRIAL OF

B.115912 Pte DICK LJ ----- 6 CDN REPAT DEPOT

ADDRESS BY DEFENDING OFFICER

Before the accused is arraigned I wish to say:

The first charge under Sec 40 AA NDAS, Conduct to the prejudice of good order and Military Discipline in that he, at London at about 2350 hrs 17 Nov 45 failed to comply with an order given to him by an NCO of the C Pro C in the line of his duty. In my opinion the accused should not be charged under Sec 40 as there is provision made in the Army Act under Sec 9(2) for such a charge.

On the second charge Sec 8(1) striking his superior officer as the charge reads which should be in the execution of his office. The charge is therefore improperly drawn and should be dismissed. Is it just to try the accused under the above sections which is a greater offence when provision is made under AA Sec 10(2) or (3) which is a less serious offence.

THE COURT IS CLOSED TO CONSIDER THE OBJECTION

THE COURT RE-OPENED

The President announced that the objections to the charges under [illegible] was disallowed and that the trial would proceed.

PROSECUTION

FIRST WITNESS

L.844840 L/Cpl DRAGNON J, No.6 (Area) Provost Coy, C Pro C, London, sworn, states:-

At about 2340 hrs on the 17th Nov 45 myself and L/Cpl Wardhaugh were on duty at Waterloo station. A railway official came over to us and asked us to remove a Canadian soldier from the train. We proceeded to the train and asked Pte Dick, at that time we never knew his name, to leave the train, he wouldn't do so. We said there was lots of time, there was no hurry. Sufficient force had to be used to remove him from the train. The accused is that Pte Dick referred to. When we had him out of the train we asked him for his pass, he produced his pass quite willingly, he handed it to L/Cpl Wardhaugh at the same time striking my left shoulder with his right hand. It was a hard blow.

CROSS-EXAMINED

Q. How long have you been in the Provost Corps?
A. About a year and a half sir.

Q. Pte Dick in the Summary of Evidence asked you if you thought he had the full use of his faculties. Your statement was that to you he appeared to have the full use of his faculties, now in your experience as a provost can you describe to the court just how you arrived at an opinion where a man, this man in particular in this case was in complete possession of his faculties, mental and physical?
A. He didn't act drunk or stupid, he was never like a drunk man sets unsure of his movements, but was sure of his movements.

Q. How did you actually remove him from the coach?
A. We took him by his arms.

Q. And helped him out of the coach?
A. Yes sir.

FIRST WITNESS (CONTINUED)

Q. As you got out of the coach you set on the platform?
A. Yes sir.

Q. Pte Dick was standing in front of the two of you?
A. In front of me and L/Cpl Wardhaugh was to the left hand side.

Q. He produced his pass?
A. Yes sir.

Q. He took it out with his left hand?
A. Yes sir.

Q. He was doing two things at the same time, producing a pass and striking you at the same time?
A. Yes sir.

[illegible] No.64440 L/Cpl [illegible], No.1 Provost Coy, R. Pro.C. London, sworn, states:-

On the night of 19th [illegible] I was on duty at Waterloo Station and at approximately seven hrs we were joined by a Southern Railway official to try Pte Dick off the train. We entered the carriage and we at him three times to leave and he refused to do so. We used sufficient force to put him off the train. When we had him on the platform he struck L/Cpl Duncan on the face, he gave him pass back. He struck L/Cpl Duncan on the left shoulder. We then took him to No.1 Depot barracks in London.

CROSS-EXAMINED

Q. How long have you been a Provost?
A. Approximately three months sir.

Q. Do you get many cases of men being under the influence of liquor in and around Waterloo?
A. Yes sir, quite a few.

Q. Do you figure you are a fairly good judge of whether a man has been drinking or not? Can you judge by the actions of other men you have seen?
A. Yes sir.

Q. Does this action of a man being taken out of a carriage by force onto the platform and when you asked him for his pass, he refused to give his pass and struck you, seem to be action of a normal sane man?
A. No, I have never seen it happen before.

[illegible]

Q. Did you see any evidence that the accused had been drinking?
A. He had been drinking, I could smell it.

SECOND WITNESS

No.6429 L/Cpl [illegible] C, No.6 (Area) Provost Coy, R. Pro.C. London, sworn, states:-

On the night of 17 Nov 45 I was on duty at Waterloo station and at approximately 2040 hrs we were asked by a Southern Railway official to put Pte Dick off the train. QUESTION BY THE COURT

Q. Did you see any evidence that the accused has been drinking?
A. He had been drinking, I could smell it.

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO QUESTION THE ACCUSED.

THE PROSECUTION IS CLOSED

EVIDENCE BY THE DEFENCE CASE

In both cases the statements from the Provost Corps, there has been no evidence brought out that any order for Pte Dick to get

out of that carriage was ever given. The word used was "asked" In the summary, one man said he requested him to leave, the other provost said that he asked him twice to leave. In my opinion there has been no order given and therefore the man could not fail to comply with an order that was never given.

THE COURT IS CLOSED TO CONSIDER
THE OBJECTION

THE COURT RE-OPENS

THE OBJECTION IS DISALLOWED.

DEFENCE

EVIDENCE WITH THE DEFENCE

The accused, sworn, states:-

Q. In your own words will you explain to the court what position you held in civil life.

A. Prior to joining the army I was employed as an auditor and accountant with S.F. Tuohey & Co. in Toronto. a firm of chartered accountants. I have my American certificate of Chartered Accountant. I was never articled with this firm.

Q. Were you called up in the Army?
A. No sir, I enlisted of my own free will.

Q. When did you enlist?
A. On the 30 Aug 43.

Q. What was your age then?
A. 22 years, sir.

Q. Are you married?
A. Yes sir, one child.

Q. Where does your wife live?
A. In Toronto, sir.

Q. Are you awaiting repatriation now?
A. Yes sir, as far as I know I am still on strength of Miscellaneous draft No. 28.

Q. Are you anxious to get home?
A. Very anxious sir.

Q. Very briefly outline your army career in respect to your battle experience. How did your basic training, and came over to England and went into action?
A. I arrived in England on 7 May 44, in 13 Jun 44 I arrived on the shores of France and after a few days went into action with the Royal Winnipeg Rifles at Carpiquet. I went through numerous encounters with them, such as Caen Falaise Gap and over the Seine on up the coast of France where I was called on a fighting patrol to punch a hole through to the coast between Boulogne and Cape Grisnez. The purpose of the patrol was to test the strength of the enemy in that particular area and get whatever information we could, through the course of the patrol we drew enemy fire from the vicinity of Cape Grisnez, the platoon officer, an NCO and an OR were struck down by shrapnel. I volunteered to stay behind and look after the wounded, there was another chap who also volunteered with me. We were to get covering fire from a hill back of us but for some reason this protection was never given us and in the course of the time the two men died, the Col and the CO, the [illegible] had his leg blown off, it took us 15 to 20 minutes to

FIRST BITTER FOR THE DEFENCE (CONTINUED)

render first aid to stop the flow of blood. In the course of this first aid an enemy counter patrol was sent out and surrounded us. I don't believe they wished to kill us they wanted us for information. They fired over our head and into the ground around us. The officer stated that it would be better to be taken prisoner as he could get medical attention which he needed. The chap that I was with was of German descent and he could speak German quite fluently and he gave the necessary instructions in German, saying that we wished to surrender, that our officer needed first aid and medical attention. They ordered us to come out but they forced us to leave the officer, saying that they would come back for him later that day, as everything was done for him that could be done at that time and until they could ascertain whether there were any more Canadian troops in the area. We were marched back to a big gun site, I don't know how to describe it. We were then taken and held prisoner in Boulogne. On the 6th day our Artillery laid down a heavy barrage and we were forced to take cover in an air raid shelter, which was very long but the width was very narrow, it was a confined area. The air force immediately the barrage ceased, started to drop bombs some of which dropped on the shelter. This kept up until nightfall of that day. When the bombs hit the air raid shelter several of the Germans were rendered unconscious along with my friend from the extreme concussion. Myself at the time experienced more or less a funny sensation but I didn't actually pass out with severe headaches and heavy ringings. The next morning the Glengarrian Regiment of Canada came and the Germans surrendered to me and my friend and we brought them out to the Glengarrians and the citadel of Boulogne had fallen. They wouldn't let us see the officer but the Commandant had given us his word that they had gone out and brought him in and he had died of loss of blood. They claimed they had endeavoured to give him a transfusion. We marched the prisoners of war back to a POW cage and from there made our way back to our regiment. On reaching our regiment we were informed that the Divisional Intelligence requested our presence to give them what information we could about coastal defence between Boulogne and Cape Grisnez. Our medical officer gave us some attention before we were sent up there and he advised Divisional Intelligence that they should wait a few days until we got over the reaction that this heavy bombing had made. but we volunteered to go up and get it cleared up that day. When we returned to our regiment we were cleared out to CCS who said that they couldn't give us any medical aid but they thought a rest would be alright. I still suffered from severe headaches. They sent us down to Deauville, while down there I had the unfortunate experience of passing out in a hotel lounge while reading a book. I had not been drinking, the medical officer of the leave centre was called in to my assistance and he stated that I was in no fit condition to go back to the front line and I should stay there for further rest. We gave us five days additional to our leave and then he called us in and said he would recommend us to be reboarded. I told him I would rather go back to my regiment that I thought over a period of time I would be alright. I was not feeling too badly. I went back to my regiment, went over the Leopold Canal with them and going over the canal the cepck bridge that was over the canal was knocked out by heavy shelling, I was knocked in the canal. On reaching the other side I was thoroughly drenched and we had quite a little difficulty in chasing the enemy out of that particular area so that about four or five days elapsed before I had rest or dry clothes. Consequently I ended up with pleurisy, when my temperature reached 103 the medical officer of our unit evacuated me out. I spent a matter of two or three weeks in the hospital with

FIRST WITNESS FOR THE DEFENCE (CONTINUED)

the necessary medical attention, I went through an Infantry holding unit back to my own regiment. We had several little skirmishes until we came to the Rhine, we went through numerous little villages and towns and Cleve and we came under heavy shelling and mortar during the course of which one landed, I would say approximately 80 feet from me, lifting me up, blew me around and knocked me out, unfortunately the heavy stuff and shrapnel in that shell must have gone up with me, I received a few pieces on my left temple. Then I came to my platoon officer was bandaging up my head I told him that I didn't feel too bad except for a numbing sensation, we went on to clean up several houses. That evening I passed out. I woke up in a CCS and ended up in a British General Hosp in a minor surgical ward and after receiving more or less a rest cure I went through the holding unit again. They wished to keep me in this N.Y.D. for some more time, I was fed up, felt that I could get better on my own. I came back to the holding unit and I didn't feel as well as I ~~thought~~ had in the hospital. I went to the theatre in Belgium and I passed out in the theatre. The Canadian Provost Corps were called and they took me to 15 CCS in Ghent where I was thoroughly examined and given the benefit of all their medical treatments. The recommended me at once after several weeks in hospital for a medical re-board and said I was not fit for the infantry and in view of my experience as an auditor I would be of more use as a clerk in the pay corps. I was sent to a convalescent depot and there I was categoried to I-3.

On the 17th Nov 45 at about 1110 hrs I received a week-end pass and accompanied by Pte McConnell went to Aldershot. We went to several pubs and consumed a considerable amount of liquor and when the pubs closed we went to a civilian house and continued drinking until approximately 1600 hrs when we went to the Heston Lounge public house. I remember having several pints but have no recollection of what happened until I partially came to consciousness apparently by the pain of my arms being held behind my back. The next thing I knew I was in custody and I had no idea or why I was being held or where I assumed that I was being held on a charge of drunkenness. I was paraded before the Major of the Provost Detachment I have no recollection of doing the things with which I am charged. Since I was a prisoner of war in France I suffer temporary mental blackouts for which my category is lowered to I-3 as I said before. My [illegible] is clear.

CROSS-EXAMINATION BY THE COURT

Q. Is that all true?
A. Yes sir.

This is a copy of a neuropsychiatric report of [illegible] by Major Cornett and I ask that it be filed.

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO SUPPLY WITH SO (SC) (5).

FURTHER WITNESS FOR THE DEFENCE

On the 17th Nov 45 Pte Mick and myself left camp at 1100 hrs. We went to Aldershot and we visited three or four pubs and we were drinking spirits from approximately 1130 hrs to 1600 hrs when the pubs closed. We left the pub and went to a civilian home where we drank beer until the pubs opened at 1800 hrs and drank until 2300 hrs and we left the pub and I tried to get Pte Mick to go home and I couldn't handle him by myself. TRIAL OF

B.115912 Pte DICK LJ ----- 6 CDN REPAT DEPOT

ADDRESS BY DEFENDING OFFICER A-8

Before the accused is arraigned I wish to say:

The first charge under Sec 40 AA WOAS, Conduct to the prejudice of good order and Military Discipline in that he, at London at about 2350 hrs 17 Nov 45 failed to comply with an order given to him by an NCO of the C Pro C in the line of his duty. In my opinion the accused should not be charged under Sec 40 as there is provision made in the Army act under Sec 9(2) for such a charge.

On the second charge Sec 8(1) striking his superior officer as the charge reads which should be in the execution of his office. The charge is therefore improperly drawn and should be dismissed. Is it just to try the accused under the above sections which is a greater offence when provision is made under AA Sec 10(2) or (3) which is a less serious offence.

THE COURT IS CLOSED TO CONSIDER THE OBJECTION TO THE CHARGE SHEET

THE COURT RE-OPENED

The President announced that the objections to the charges under 8 & 32 was disallowed and that the trial would proceed.

PROSECUTION

FIRST WITNESS

L.64260 L/Cpl DEAGNON J, No.6 (Area) Provost Coy, C Pro C, London, sworn, states:-

At about 2345 hrs on the 17th Nov 45 myself and L/Cpl Wardhaugh were on duty at Waterloo station. A railway official came over to us and asked us to remove a Canadian soldier from the train. We proceeded to the train and asked Pte Dick, at that time we never knew his name, to leave the train, he wouldn't do so. He said there was lots of time, there was no hurry. Sufficient force had to be used to remove him from the train. The accused is that Pte Dick referred to. When we had him out of the train we asked him for his pass, he produced his pass quite willingly, he handed it to L/Cpl Wardhaugh at the same time striking my left shoulder with his right hand. It was a hard blow.

CROSS-EXAMINED

Q. How long have you been in the Provost Corps?
A. About a year and a half sir.

Q. Pte Dick in the Summary of Evidence asked you if you thought he had the full use of his faculties. Your statement was that to you he appeared to have the full use of his faculties, now in your experience as a provost can you describe to the court just how you arrived at an opinion where a man, this man in particular in this case was in complete possession of his faculties, mental and physical?
A. He didn't act drunk or stupid, he was never like a drunk man acts unsure of his movements, but was sure of his movements.

Q. How did you actually remove him from the coach?
A. We took him by his arms.

Q. And helped him out of the coach?
A. Yes sir.

FIRST WITNESS (CONTINUED)

Q. As you got out of the coach you got on the platform?
A. Yes sir.

Q. Pte Dick was standing in front of the two of you?
A. In front of me and L/Cpl Wardhaugh was to the left hand side.

Q. He produced his pass?
A. Yes sir.

Q. He took it out with his left hand?
A. Yes sir.

Q. He was doing two things at the same time, producing a pass and striking you at the same time?
A. Yes sir.

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO COMPLY WITH RP 83(B).

SECOND WITNESS

M.56429 L/Cpl WARDHAUGH J, No.6 (Area) Provost Coy, C. Pro.C. London, sworn, states:-

On the night of 17 Nov 45 I was on duty at Waterloo station and at approximately 2345 hrs we were asked by a Southern Railway official to put Pte Dick off the train. We entered the carriage and asked him three times to leave and he refused to do so, so we used sufficient force to put him off the train. When we had him on the platform we asked him for his pass, he gave his pass to me and struck L/Cpl Deagnon on the left shoulder. We then took him to No.6 Detn barracks in London.

CROSS-EXAMINED

Q. How long have you been a provost?
A. Approximately three months sir.

Q. Do you get many cases of men being under the influence of liquor in and around London?
A. Yes sir, quite a few.

Q. Do you figure you are a fairly good judge of whether a man has been drinking or not? Can you judge by the actions of other men you have seen?
A. Yes sir.

Q. Does this action of a man being taken out of a carriage by force onto the platform and when you asked him for his pass, producing his pass and swings, does this appear to you to be the action of a normal person?
A. No, I have never seen it happen before.

QUESTION BY THE COURT

Q. Did you see any evidence that the accused has been drinking?
A. He had been drinking, I could smell it.

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO COMPLY WITH RP 83(B).

THE PROSECUTION IS CLOSED

SUBMISSION BY THE DEFENDING OFFICER

In both cases the statements from the Provost Corps, there has been no evidence brought out that any order for Pte Dick to get

out of that carriage was ever given. The word used was "asked" In the summary, one man said he requested him to leave, the other provost said that he asked him twice to leave. In my opinion there has been no order given and therefore the man could not fail to comply with an order that was never given.

THE COURT IS CLOSED TO CONSIDER
THE SUBMISSION

THE COURT RE-OPENS

THE SUBMISSION IS DISALLOWED.

DEFENCE

FIRST WITNESS FOR THE DEFENCE

The accused, sworn, states:-

Q. In your own words will you explain to the court what position you held in civil life.

A. Prior to joining the Army I was employed as an Auditor and accountant with E.J. Pugh & Co in Toronto. A firm of chartered accountants. I have my American certificate of Chartered Accountant. I was never articled with this firm.

Q. Were you called up in the Army?
A. No sir, I enlisted of my own free will.

Q. When did you enlist?
A. On the 30 Aug 43.

Q. What was your age then?
A. 32 years, sir.

Q. Are you married?
A. Yes sir, one child.

Q. Where does your wife live?
A. In Toronto, sir.

Q. Are you awaiting repatriation now?
A. Yes sir, as far as I know I am still on strength of Miscellaneous draft No. 28.

Q. Are you anxious to get home?
A. Very anxious sir.

Q. Very briefly outline your army career in respect to your battle experience. You did your basic training, and came over to England and went into action?
A. I arrived in England on 7 May 44, in 13 Jun 44 I arrived on the shores of France and after a few days went into action with the Royal Winnipeg Rifles at Carpiquet. I went through numerous encounters with them, such as Caen Falaise Gap and over the Seine on up the coast of France where I was called on a fighting patrol to punch a hole through to the coast between Bolougne and Cape Grisnez. The purpose of the patrol was to test the strength of the enemy in that particular area and get whatever information we could, through the course of the patrol we drew enemy fire from the vicinity of Cape Grisnez, the platoon officer, an NCO and an OR were struck down by shrapnel. I volunteere to stay behind and look after the wounded, there was another chap who also volunteered with me. We were to get covering fire from a hill back of us but for some reason this protection was never given us and in the course of the time the two men died, the Cpl and the OR, the officer had his leg blown off, it took us 15 to 20 minutes to

FIRST WITNESS FOR THE DEFENCE (CONTINUED)

render first aid to stop the flow of blood. In the course of this first aid an enemy counter patrol was sent out and surrounded us. I don't believe they wished to kill us they wanted us for information. They fired over our head and into the ground around us. The officer stated that it would be better to be taken prisoner as he could get medical attention which he needed. The chap that I was with was of German descent and he could speak German quite fluently and he gave the necessary instructions in German, saying that we wished to surrender, that our officer needed first aid and medical attention. They ordered us to come out but they forced us to leave the officer, saying that they would come back for him later that day, as everything was done for him that could be done at that time and until they could ascertain whether there were any more Canadian troops in the area. We were marched back to a big gun site, I don't know how to describe it. We were then taken and held prisoner in Bolougne. On the 6th day our Artillery laid down a heavy barrage and we were forced to take cover in an air raid shelter, which was very long but the width was very narrow, it was a confined area. The air force immediately the barrage ceased, started to drop bombs some of which dropped on the shelter. This kept up until nightfall of that day. When the bombs hit the air raid shelter several of the Germans were rendered unconcious along with my friend from the extreme concussion. Myself at the time experienced more or less a funny sensation but I didn't actually pass out with severe headaches and heavy ringings. The next morning the Glengarrian Regiment of Canada came and the Germans surrendered to me and my friend and we brought them out to the Glengarrians and the citadel of Bolougne had fallen. They wouldn't let us see the officer but the Commandant had given us his word that they had gone out and brought him in and he had died of loss of blood. They claimed they had endeavoured to give him a transfusion. We marched the prisoners of war back to a POW cage and from there made our way back to our regiment. On reaching our regiment we were informed that the Divisional Intelligence requested our presence to give them what information we could about coastal defence between Bolougne and Cape Grisnez. Our medical officer gave us some attention before we were sent up there and he advised Divisional Intelligence that they should wait a few days until we got over the reaction that this heavy bombing had made, but we volunteered to go up and get it cleared up that day. When we returned to our regiment we were cleared out to CCS who said that they couldn't give us any medical aid but they thought a rest would be alright. I still suffered from severe headaches. They sent us down to Deauville, while down there I had the unfortunate experience of passing out in a hotel lounge while reading a book, I had not been drinking, the medical officer of the leave centre was called in to my assistance and he stated that I was in no fit condition to go back to the front line and I should stay there for further rest. He gave us five days additional to our leave and then he called us in and said he would recommend us to be reboarded. I told him I would rather go back to my regiment that I thought over a period of time I would be alright. I was not feeling too badly. I went back to my regiment, went over the Leopold Canal with them and going over the canal the capok bridge that was over the canal was knocked out by heavy shelling, I was knocked in the canal. On reaching the other side I was thoroughly drenched and we had quite a little difficulty in chasing the enemy out of that particular area so that about four or five days elapsed before I had rest or dry clothes. Consequently I ended up with quinsy, when my temperature reached 102 the medical officer of our unit evacuated me out, I spent a matter of two or three weeks in the hospital with

FIRST WITNESS FOR THE DEFENCE (CONTINUED)

the necessary medical attention, I went through an Infantry holding unit back to my own regiment. We had several little skirmishes until we came to the Rhine, we went through numerous little villages and towns and Cleve and we came under heavy shelling and mortar during the course of which one landed, I would say approximately 20 feet from me, lifting me up, blew me around and knocked me out, unfortunatel the heavy stuff and shrapnel in that shell must have gone up with me, I received a few pieces on my left temple. When I came to my platoon officer was bandaging up my head I told him that I didn't feel too bad except for a numbing sensation, we went on to clean up several houses. That evening I passed out. I woke up in a CCS and ended up in a British General Hosp in a minor surgical ward and after receiving more or less a rest cure I went through the holding unit again. They wished to keep me in this R.C.M. for some more time, I was fed up, felt that I could get better on my own. I came back to the holding unit and I didn't feel as well as I ~~thought~~ had in the hospital. I went to the theatre in Belgium and I passed out in the theatre. The Canadian Provost Corps were called and they took me to 15 CCH in Ghent where I was thoroughly examined and given the benefit of all their medical treatments. The recommended me at once after several weeks in hospital for a medical re-board and said I was not fit for the infantry and in view of my experience as an auditor I would be of more use as a clerk in the pay corps. I was sent to a convalescent depot and there I was categoried to P-3.

On the 17th Nov 45 at about 1110 hrs I received a week-end pass and accompanied by Pte McConnell went to Aldershot. We went to several pubs and consumed a considerable amount of liquor and when the pubs closed we went to a civilian house and continued drinking until approximately 1830 hrs when we went to the weston Lounge public house. I remember having several gins but have no recollection of what happened until I partially came to caused apparently by the pain of my arms being held behind my back. The next thing is waking up in custody and I had no idea of why I was being held or where I assumed that I was being held on a charge of drunkenness. I was paraded before the DAPM of the Provost detn I have no recollection of doing the things with which I am charged. Since I was a prisoner of war in France I suffer temporary mental blackouts for which my category is lowered to P-3 as I said before. My MPM 6 is clear.

QUESTION BY THE COURT

Q. Is that all true?
A. Yes sir.

This is a copy of a neuropsychiatric report of me made by Major Carnot and I ask that it be filed.

THE COURT IS CLOSED TO
CONSIDER ITS FINDING

Aldershot
27 Nov 45

Mr. President,

In summing up this case, may I briefly review the military history of the accused and also all facts put forward by his defence.

Pte. Dick, before joining the army, was employed in accountancy work and held responsible positions with several firms in Canada. He is well educated and of good character.

He joined the army of his own free will and accord in August, 1943. At the time he was 31 years of age, married, had one child. He went into action with the Royal Winnipeg Rifles, 3rd Cdn Div in July 1944. He saw almost continuous action from that time until February 45, a period of 8 months, when he was forced to leave the field due to head injuries sustained. For this injury, his category was lowered to a P3R.

During his months of action, he was taken P.O.W. for 6 days in Sept. 44. As a prisoner he underwent heavy artillery barages and suffered concussion and on the return to his unit reported severe headaches and on one occasion passed out.

He carried on with his unit in spite of this experience and in Feb 45, a mortar shell exploded 10 feet away from him and he received minor fragments on the left side of his head. He was hospitalized and suffered some black outs while in hospital. Category at this point changed to P3r. Suffered black out again in March 45.

From the foregoing we must conclude that the accused has an excellent battle record and despite his first experience of concussion carried on until forced to retire. We must also admit that he definitely suffered from blast injury.

Under the charge of failing to comply with an order, his physical condition aggravated by the excessive drinking in which he indulged put the man in no mental or physical condition to remember or comply with any orders that may have been given. Therefore this man cannot be judged guilty of such an offence.

On the second charge Sec 8 (1) "Striking his Superior Officer being in the Execution of his Office". Is it just to try this man under the above section which is a graver offence when provision is made under Sec 10 (2) or (3) which deals with a less serious offence.

This man by his actions showed that he was resisting arrest, but that in his condition was not mentally or physically responsible for such actions. Therefore is not guilty of this charge let alone the more serious charge.

In conclusion we have shown this man to be of average if not above average intelligence. Are these the actions of such an intelligent man in possession of all his mental and physical faculties? What reason is there for such actions - why would a normal man refuse to leave a train when it had reached its destination? Our contention is that in his condition he was not even aware of the fact that he had reached his destination. This man is very anxious to return to his home. Would he deliberately mar his chances of a speedy return?

By these actions which are so foreign to his makeup, it is the duty of the court to decide whether:

(1) This man was in possession of all his faculties during these actions

or

Was this man suffering from physical disabilities received in action and aggravated by excessive drinking.

Professional opinion points out that he had a definite blast injury and that alcohol would have a severe effect on this injury causing amnesia, loss of memory. Even professional men trained in psychiatry work are not able to judge to what extent a man suffering from such injuries, is responsible for his actions.

We ask the court to bear this fact in mind when judging this man, for fear that we commit a grave injustice.

DATE 26 Nov 45

REPORT:-

Referred to the M.O. because of possible lapse of memory on 17 Nov 45, after drinking. He is under charge at present - - with striking a Provost and resisting arrest, etc.

This man is 33 years of age, married, in action about 9 months.

In Sept 44, at Bolgme, was under very heavy shelling and bombing and apparently suffered from the effects of blast. Severe headaches and passed out one day while on leave.

In Feb 45, a mortar shell exploded 10 feet away and had some minor fragments on left side of head. Had some definite blasting. Was hospitalized. Had some black-outs while in hospital.

In March 45, while in cinema, black-out, was out for some minutes. Has not been drinking at all.

On 17 Nov 45, was given pass in Aldershot. States that he and friend, from 1130 am till late in afternoon drank mostly gin and some rum. Spent about £8. He has no recollection of getting on the train, or even talking to any Provost. The first recollection of his, is of some one twisting his arms and the pain made him come to. No recollections further till the next morning when awoke in a big cell.

OPINION

This man had a definite blast injury Post Traumatic Syndrome. Board P3R in May 45. Alcohol has a severe effect on any head injury especially. His story that he consumed a large amount, I have no reason to doubt it.

It is my opinion that this man has a definite Amnesia, loss of memory for the period of the afternoon and evening, till the morning of 18 Nov.

CASE OF

D-91528 Private DICKINSON, A.D. 1 CASCRU

PLEA IN MITIGATION

There is quite a long story leading up to the unfortunate act of absence of this man. He joined the Army on 16 Sep 39, volunteering for service overseas. On arriving overseas, in Feb 40, he wanted to become a driver and applied many times for a course and was continuously turned down. Finally he was given a driving test and not having had previous instructions in driving naturally failed and was classified as a non-driver. This went on for some time and finally he did get a driver mechanic 's course. Later on, he also had a motor mechanic's course. In 42, he came back to the RU and took a machinist's course. Having completed that, he went to 41 General Transport Company as a driver. He applied several times for leave and was always turned down; so he took it on himself to have his own leave. When he was on leave he became friendly with a family and when he was away he always used to visit them. Just prior to the time of this absence, he applied for a 48-hr pass at Christmas time but it was turned down. So he took it on himself to take time to go up and visit these people. When he arrived there he had been talking to the girl of the family whom he had seen a good many times and she told him she was in a family way, which was the first that he had heard of it. He was unable to assign pay to her, so he stayed away from camp and went to work to earn some money to look after the girl and the baby. It is very unfortunate that this had to occur but I do believe that in his own mind he was doing the best thing possible under the circumstances. I have seen a letter written by the father of the girl saying that he hoped that this lad will be able to get back soon and do the right thing. The lad himself definitely wants to do that as he is in love with the girl. He realises that he has gone absent and is definitely guilty of same and fully expects to be punished. I do say under the circumstances, taking all into consideration, the sooner this man gets over his punishment and is able to go back to this home and marry the girl the better it will be for all concerned. So, I do hope that the Court will take this into consideration and give the accused a break as much as possible.

(OVER)

Sir.

I mobilized with the B.C. Dragoons on Aug 28 1939 which I had belonged to in peace time for 2½ years. In Dec 1939 I transferred into the 1st Bn Vancouver Coast Brigade in which I stayed until Jan 1941, I then came to England with reinforcements and I went to No 1 C.R.H.U. I qualified as field gunner and was drafted to Colchester in May 1941 with the 1st Bn L.S.A. Regt. and was with the Regt. until I got sick and went to the hospital in Sept 1942 and came here to No 3 C.H.R.U. in Nov 1942.

I had passed all the tests that they had given me in No 3. C.A.R.U. before I went A.W.O.L.

During all this time I have not had any crimes except for the 3 days C.B. and one day stoppage of pay I received two years ago for overstaying a pass a few hours.

I don't really know what made me go A.W.O.L. this time but I was very much fed up with being away from my unit

Q. 106. Will you tell the Court how you came to have these shoes in your possession?
A. 106. Can I use the shoes for a minute please? (Witness handed Exhibit "H"). Between 4.30 and 5.00 o'clock, Tuesday, Nov 17,1942, I was up town buying some small heels of civilian shoes for to fix some of the boys' shoes which were going on seven days' leave, which is my job in the company. Coming along, smoking a cigarette I meets this fellow from the Perth. He said "Give me a light?" I said "Sure" He says "I am broke, I want to go to a dance, I have a pair of shoes I want to sell" I says to him "What do you want for them?" He says "Seven shillings" Well it is a pretty poor pair of shoes that is not worth seven shillings, and saw they had been fixed up. So I gave him the seven shillings. All I wanted was my own money back so I went down to the pawnshop and says "Here's a pair of boots here, they aint no good to me, just had them fixed, want to sell them" "All right" he says "I'll give you seven shillings" I said "All right" and sold them to him. Went back, never thought anything of it, some of the fellows come along and say "Can you get me a pair of shoes Dickey, I want them for a dance" I have got two or three

pairs fixed up, one pair Sgt Cameron has got them now.

Q. 107. Do I understand that the chap accosted you on the street and in the course of conversation offered you the shoes for sale?

Q. 108. Subsequent to that did you decide that you would get your money back; was that your idea in selling these shoes?

Q. 109. Do you know who the chap was that had the shoes?

A. 109. No, I don't know the fellow's name at all.

Q. 110. But did you recognize him as a Perth?

A. 110. Yes, he was wearing a Perth Div Flash.

Q. 112. What is your occupation with the unit?

A. 112. Company shoe repairer.

Q. 113. Will you explain to the court what happened later on when you were accosted by Hanagan.

A. 113. On the morning of 19 Nov 42 I was down at the regimental shoemaker with L/Cpl Seward. He says to me "Have you seen Hanagan?" I said "No" He said "He is looking for you" I said "All right" I met Hanagan about half way up the street from Church Rd. He says "I was down at the hock shop this morning and found my clips" I said "Oh!" He said "I spotted my shoes down there" I said "Yes" and he said that "the old fellow down there gives me the description of you, a man around 30 or 35 with a weatherbeaten face" I said "Yes, how much is he charging you for the shoes?" He said "ten bob" I said "Look, Jimmy, I may have sold those shoes but between you and me don't let this go any farther, I don't want you in trouble or myself in trouble, I will get you the ten shillings, you come with me" I went over to the house of a young lady I have met since coming here, go with her a lot. On payday I drew from the Paymaster £3-10-0, as I was going on a week-end. I asked her "Tonight would you look after some money for me, please?" She said "All right" I gave her £2-10-0, the rest used for going to a show, theatre, never went to a dance with her yet and we haven't been in a beer parlour more than three times I can safely say since we landed in Brighton. I says to Hanagan "Come with me, I will get you the ten bob" I goes over with Hanagan and he goes down to the little snack bar on Brunswick St., West, and I goes to the door and knocks and nobody there. I goes down and tells him "they are not home, I will come back in the afternoon."

The girl works at Boots and her mother goes up town during the day. And I went back and was working and he came to me and said "Can you get me that?" and I said "Yes, I will go and have a wash and run over" So went upstairs, washed myself and put my tunic on and popped over to Brunswick St. West, No. 58, and got a pound. I ran down to the Y.M. on Church St. here or Church Rd. and changed the pound, got two teas and a couple of cakes and gave Hanagan his ten shillings.

Q. 114. When Hanagan mentioned that he had found his shoes in a pawnshop and believed they had been pawned by you, did you offer to get them back for him?

A. 114. I didn't want to see him out the money for his shoes. I understood he paid a pretty fair price for them afterwards. Didn't want to get anybody in trouble. I slept a few beds from him in Stratford in old 10 Platoon when I was a Cpl. and I have been in the same Coy with him ever since.

A. 138. No.

Q. 139. Why not?
A. 139. Never took thought of that.

Q. 140. Don't you consider that that would be the logical thing to do.

A. 140. I didn't at that time.

Q. 141. How much did he offer to sell these shoes for?
A. 141. Seven shillings.

Q. 142. What would you say would be the value of those shoes?
A. 142. Shoes like that are differe nt and hard to tell the price of a pair of shoes, several shoes like that in windows, can take you to three places where shoes pretty much like that and there is a difference of 7/6 in a pair of shoes from a pound to 7/6.

Q. 143. Do you consider this a good pair of shoes?

Q. 148. Don't you consider these shoes worth much more than seven bob?

A. 150. Two pair.

A. 153. I didn't look on the inside of them.

Q. 154. And as a shoemaker placing a value on shoes wouldn't you look at the inside of them?
A. 154. Not necessarily, you catch a shoe loke that you can tell whether in good shape by the feel (grasping shoe with both hands at heel and toe and bending instep).

Q. 155. What about the uppers?
A. 155. You can see an upper.

Q. 156. Don't you look on the inside principally for cracks?
A. 156. Not necessarily.

Q. 157. It does show them doesn't it?
A. 157. In some cases.

Q. 159. What did you tell him?
A. 159. I told him "Here is a pair of shoes that has been fixed toe and heel, the price 7/6, they are tight, I want to sell them"

Q. 160. How did you know they were tight?
A. 160. Well, any old story goes in a pawnshop.

Q. 161. Why were you so anxious to get Hanagan his money or his shoes?
A. 161. Well, he wanted to go out, and I didn't want to see the man out the money, I had the money.

Q. 162. What trouble were you afraid of getting in?
A. 162. Well, I don't know.

Q. 163. Why were you afraid of further investigation if you had come by the shoes honestly?
A. 163. I had come by the shoes honestly.

Q. 164. Why afraid of investigation?
A. 164. Well, the receiver is worse than the seller they say.

Re-examination:

Q. 165. Did you know that the Coy was on schemes on the dates in question?
A. 165. Yes.

Q. 166. Did you know where the schemes were being held?

A. 168. That, I can't tell you for sure.

Q. 169. How far is the nearest sentry from the billets you occupy?
A. 169. Just outside the corner of the building,

Q. 170. And this is the building you sleep in?
A. 170. Right here on the third floor up.

Q. 171. Is this building used daily by members of the Perth Regt?
A. 171. Yes.

Q. 172. Have they full access to these rooms here and the rooms above?
A. 172. Yes, and a lecture room on top.

Q. 173. Would you consider then that these buildings and the rooms above are accessible to almost anyone in uniform?
A. 173. Yes, anybody can come in that door and go upstairs.

Q. 174. Any sentries inside the building?
A. 174. No.

Q. 175. The nearest sentry would be at the corner here?
A. 175. Yes.

By the Courtr

Q. 176. When Hanagan told you about seeing these shoes in the pawnbroker's what made you immediately connect this up with the shoes you had taken in and sold yourself?
A. 176. He gave Hanagan a description of me which fitted me, and I told Jimmy "I will get you your moneyfor you, I don't want to see anybody outand don't want to see you without your shoes and I will get you the ten shillings?

A. 180. A small room, my bed right by the fire and Hanagan over in the corner.

Q. 184. And you never saw these shoes on Hanagan's kit, when you have gone in to hang up your kit before?
A. 184. No, I have seen him wearing shoes before.

Q. 185.

Q. 185. When this other chap came up and sold you these shoes didn't they strike any chord of recognition in you when you saw them?
A. 185. No, because I never examined them closely, I don't bother around anybody's kit, I have no call to be around their kits to see what their stuff looks like.

Q. 186. Being a shoemaker would it be true to say you know shoes well?
A. 186. No, I am not an expert on shoemaking.

Q. 187. But it is your job and you are interested in shoes?
A. 187. Yes.

Q. 188. You probably know one kind of shoe from another?
A. 188. Some shoes made right now would be quite hard to tell the difference by looking at them. I mean to say different company shoes.

Q. 189. In the month that you have lived with Hanagan then, the only time you saw shoes like these was when he was wearing them?
A. 189. Yes.

Q. 190. Never saw them in the cupboard?
A. 190. No, so much kit piled on that shelf, these men in the room, so much kit slung on the shelf, hardly any room to see the shelf.

By the Judge Advocate:

Q. 191. Did you ever repair any shoes for Hanagan?
A. 191. His regimental boots.

Q. 192. Do you repair any shoes other than regimental boots?
A. 192. If a man's sole is gone, if he wants a pair of dance shoes sewed I haven't got the facilities and I advise him to take them out, but to fix a pair of soles nailed, yes.

Q. 193. Did Hanagan ever come to get these repairs?
A. 193. He told me once that he wanted me to get his dance shoes and wanted them sewed, and I told him I hadn't got the facilities.

Q. 194. At the time you met this man on Church St. from whom you say you bought the shoes were you carrying anything?
A. 194. Yes, in my tunic I had some heel leathers.

Q. 195. You weren't carrying anything?
A. 195. No, going along smoking a cigarette.

Q. 196. Which way were you walking?
A. 196. Coming from Brighton, going over to put this stuff in my shop.

Q. 197. When this man spoke to you you said he asked you for a light?
A. 197. Yes, he had a cigarette in his hand and this little parcel of shoes under his arm partly wrapped up and he said "Give me a light?" and I said "Sure"

Q. 198. Did you recognize him as anyone you had seen before?
A. 198. Never took much interest, knew by his flash that he was a Perth.

Q. 199. Did he call you by name?
A. 199. No.

Q. 200. Did he give any indication that he knew you?
A. 200. Yes, he said how is the shoemaker.

Q. 201. After you got the shoes did you turn around to take them back to sell them?
A. 201. No, I was going over to the shoe shop, just took them over under my arm and left them there because I was going out.

Q. 202. How long before you sold them?
A. 202. Next morning around 11.00 o'clock, maybe between 10.00 and 11.00.

Q. 203. When you found out that the shoes you had sold belonged to someone who roomed in the same room didn't you make any effort then to find out who had sold them to you?
A. 203. I was around the Coy and I kept my eye open to see if I could spot him.

Q. 204. Have you ever half soled any dance shoes?
A. 204. No, I don't take on light stuff like that, I haven't got the facilities.

Q. 205. You say that on one occasion before you bought shoes from some stranger?
A. 205. Yes.

Q. 206. How often have you bought any shoes from people who were strangers since you have been in that job?
A. 206. Only two pair.

Q. 206. How much did the pawnbroker give you for these shoes?
A. 206. Seven shillings.

Q. 207. Do you think that was an adequate price?
A. 207. I knew it was cheap, all I wanted was my own money back.

Q. 208. Did you make no effort at all to get your own money back when you had to refund to Hanagan?
A. 208. No, I was placed on charge, was down in the orderly room.

Q. 209. How long after you gave Hanagan the money were you placed on charge?
A. 209. Friday afternoon I was on a charge, was up at the office at 2.00 o'clock on a charge.

Q. 210. Did you report to anyone in authority, one of your officers or senior NCO's, or your CO before or after you had been placed in arrest that you had purchased them from a soldier in the Perths?

A. 210. When I was before the Colonel I went to explain my case and he remanded me for a summary of evidence.

Q. 211. At the time you sold these shoes did you make any attempt to get a better price for them?
A. 211. I asked him if that was all the shoes were worth and he said "No, they aint worth any more, I can buy those at the same price" so I took 7/ for them.

By the Court:

Q. 212. Did you think it a good idea to buy shoes at 7/ and sell them at that price?
A. 212. If I handle any shoes like that I think so unless I get a pair that has got to be soled, if I buy the soles and heels to put on them I would want more.

Q. 213. Why did you buy the shoes in the first place?
A. 213. The fellow came along and said he was broke and wanted to go to a dance.

Q. 214. You didn't buy them with the idea of making a couple of shillings?
A. 214. No, very, very seldom I lend money and generally have some in my pocket becauuse not a heavy spender.

Q. 215. Do you lend money to people you don't know?
A. 215. No.

Q. 216. But this fellow, you decided to help him out anyway?
A. 216. Yes.

By the Judge Advocate:

Q. 217. Did you not consider it odd that this man if he wanted money to go to a dance would seek to dispose of a pair of dancing shoes ?
A. 217. No, because a lot of them dance in heavy boots.

In the opinion of the Court and the Judge Advocate it i is not necessary to comply with R.P.83 (B).

The witness resumes his place as the accused.

A. 239. For his position as batman I would say average, it is my opinion that they are exposed to more temptation than others.

In the opinion of the Court and the Judge Advocate it is not necessary to comply with R.P.83 (B).

The witness withdraws.

4th WITNESS FOR Defende

Defending Officer requests the permission of the Court to make a sworn statement regarding the accused. Permission being granted, he is sworn and states:-

I wish to make a statement that while the accused was employed as barman in the Officers' Mess I was Treasurer at that time. All the records were kept by the accused and were absolutely perfect. It was the practice to make inventories at irregular intervals and never at any time during the period he served behind the bar was there any shortage. It was a cash mess at that time and business ran from $550. a month up and all that cash was handled by the accused, and always correct. The accused worked for Capt.Eadie and worked for me and no indications that he was not honest.

No cross-examination.

By the Judge Advocate:

Q. 240. For how long a period was he employed in the bar while you were there?
A. 240. About three months.

Q. 241. And on this cash business you would have means of checking t at inventory?
A. 241. Yes, from inventory to inventory, and on the bottom of the statement usually a statement of what the profits should be and it always checked.

Q. 242. And you found it checked?
A. 242. Yes, wouldn't have retained him otherwise, have had trouble in our mess on other occasions, it was spotted and necessary steps taken.

Q. 243. But during this period in which he handled the cash you found it checked and no reason to question his honesty whatsoever?
A. 243. No.

Q. 244. Then he did his full duty with satisfaction and he would be handling the bar cash during that period?
A. 244. Yes, handled deposits and everything else, and the cash purchasing.

Q. 245. What would you say as to his reputation as to honesty?
A. 245. I have never heard anything to the contrary and I would hire him back myself.

Q. 246. How long ago was it that he ceased to work in the bar?
A. 246. Sixteen months.

Q. 247. Are you in the same Coy with him?
A. 247. No, have never been in the same Coy.

Q. 248. But, you are at the same station?
A. 248. Yes.

Q. 249. And in the last sixteen months has he been employed as batman or around the mess?
A. 249. Yes.

Q. 250. Are you living in that mess?
A. 250. Yes.

Q. 251. So you think you would know if his reputation was not good?
A. 251. I think I would. Batmen had kitchen fatigues, and quarters, and Capt.Granger's statement is the first intimation I have had of that kind, and every time a package of cigarettes missing had the same story.

Q. 252. But you think that if anything was missing all the batmen that had access would be under suspicion?
A. 253. Yes, on at least two occasions all batmen searched and found they didn't do it.

In the opinion of the Court and the Judge Advocate it is not necessary to comply with R.P.83 (B).

The witness resumes his place as the Defending Officer.

Prosecutor's Closing Address:--In connection with a charge of theft I submit that the rule of evidence is that the prosecution must make out a case and once that case is made out it is then up to the accused to give a satisfactory explanation as to how he came into possession of the stolen article. I sub-

mit that that is a rule of law and that in this case the accused has not given a satisfactory explanation as to how he came into possession. I submit that there are too many inconsistencies in the accused's evidence: In the first place, his meeting with the man from whom he says he purchased the shoes is to my mind suspicious, that a person would say "I am going to a dance and I want to sell my dancing shoes" which is the effect of the conversation which took place at that time. That in the ordinary man would create a doubt and a wonder as to why he was selling his shoes that he would normally dance in, and then selling them to get money to go to a dance.

The second thing is, the accused is a shoemaker and as such knows something of shoes, and I submit that out of the goodness of his heart he isn't going to pay 7/ for that pair of shoes and then walk six or seven blocks to sell those shoes at the same price merely to let some person he doesn't know and can't identify have the money. When accosted by Hanagan he made a statement to the effect "If I fix it up will you forget it" which is not a statement an innocent man would have made. An innocent man would have tried to get at the root of the matter and sould have notified some person who either by means of a parade or otherwise could get at this man obviously in the regiment and apparently no effort made to look for him. There was from Thursday until Tuesday in which the accused could have used efforts to locate the person and on Tue day was the day he was placed in close arrest. With this in mind I submit that no reasonable explanation has been offered as to how he came into possession of the shoes.

Defending Officer's Closing Address:--The Prosecutor says that he cannot understand a man selling his dance shoes to get money to go to a dance. There are rather a lot of things these soldiers do, particularly over here, for which there is no explanation, and I can't see anything unreasonable in selling anything he can get his hands on to go dancing or to have a date which is probably what he meant to say.

This building is in public use day and night, the men off duty in duty companies have access to this building all through the day. On the day in question the accused was in the country, out on demonstration of fire power and during that time we have no reason to believe that anybody from this Coy was in this building, during that time every man available had to be on that parade. A considerable stream of men from other regiments can come in at almost any time, and the next floor up is the floor on which the accused sleeps, and they have access to all floors.

The Prosecutor mentions inconsistencies of evidence, but if you don't particularly have your mind on something you might have anybody come up and say what did you do so and so a day and a pretty difficult job to say what you did. Reasonable inconsistencies I would rather see myself than one of those ironclad alibis, which would not be made up unless one foresaw something like this, but I submit that the accused dod not see, foresee, anything like this therefore can't completely recall his actions on these days.

Summing up by Judge Advocate:- I needn't remind you of the importance of the decision you have to make in a case of this character. The accused has a long record of service in the Army, apparently very credible service, and he is brought before the Court on two charges, one of which is a direct charge of dishonesty in the form of stealing.

My duty as Judge Advocate is to give the Court such guidance and advice as it requires on questions of law and of procedure. The duty of the Court is to find the facts and apply to law to those facts. Any questions of fact and any questions of the credibility of witnesses or the weight to be attached to any evidence is a question entirely for the Court. Therefore, any opinion I may express or observations I may make which may incidentally refer to the facts I don't wish to be taken as an expression of opinion because it is not only the right but it is the duty of the Court to decide all questions of fact and credibility and weight of evidence for itself.

Now, turning to the charges. The accused is charged with two offences; the first is a charge of stealing under Sec. 18(4) AA, and the second an alternative of conduct to the prejudice under Sec. 40, AA. As the charges are in the alternative the Court may, if it considers the evidence so warrants, find the accused not guilty of both charges, or guilty of ei her charge and not guilty of the other one; it cannot find the accused guilty of both charges.

Stealing as used in the Army Act is defined in the first part of para 50, Chap VII, M.M.L., page 118 (which reads). Now, that is the definition which you have to apply to the word "stealing" as used in the present charge. There are two elements in that to which I would like to direct particular attention: The first is that to warrant a guilty finding on a charge of stealing the Court must be satisfied beyond reasonable that it was in fact the accused who took and carried away the articles in question. The second is that there is no stealing unless there is the intent as defined in that section. Therefore, before the accused may properly be found guilty on the first charge the court must be satisfied beyond any reasonable doubt that the evidence proves that the accused did the acts alleged in the first charge, including the definition of stealing which has just been read to you. It is particularly important to note that in a case like this that to constitute stealing it must have been the accused who took the shoes in question. No matter how they came into his hands the Court ca not properly find him guilty unless it is satisfied beyond reasonable doubt that he in fact took these shoes himself.

Now, with reference to the second charge. It is of a much less technical nature, it is laid under Sec. 40 AA. That section I think is familiar to most of you. I would recommend that you read the section and the notes to it carefully. I think there is really only one observation I would like to make with respect to it, and that is that in a case of the present kind

28

I think that it appears to be common ground that the accused was in fact in possession at one time o of certain shoes which belonged to Pte.Hanagan, but I don't think for a moment that it is intended that an accused be convicted of a charge under Sec 40, AA, for improper possession because he was merely in possession of articles for which he had not the permission of the owner or legal right. There must in addition be something wrongful in his possession, in the manner in which he has gained possession or retained possession, and having regard to the facts of the present case I feel I should direct the Court definitely that with respect to the second charge they should find the accused not guilty of it, unless they are satisfied that the accused came into possess ion og them by some intentional wrongdoing, or retained possession by some intentional wrongdoing. If there was good faith on his part I feel a guilty finding should not be made against him.

In view of the nature of the evidence I would like to direct the attention of the court to para 4, Chap VI, AA, that is on page 70 of MML (reads first part of paragraph). Indirect evidence is very commonly known as circumstantial evidence, and I would like also to read para 42, Chap VI (which reads). Now, having in mind particularly the first charge, by the very nature of stealing the prosecution commonly has to rely in circumstantial evidence to establish its case, and the present case is no exception to that rule. The fact that a person is found in possession of articles rece ntly stolen is some evidence of stealing, not necessarily sufficient evidence, but it is of that circumstantial character because the court may see fit to draw some inference from it.

I would like to touch for a moment on the fact and make some observations in the hope they may be helpful, and again wish to say that any observations I may make are in no way binding on the Court but may help to clarify the issues. In the present case there is evidence for the prosecution that the shoes which have been filed as an exhibit were stolen, or, at any rate, missing from where the owner had left them. There is evidence which seems to be common ground to both orosecution and defence that not very long afterwards those shoes were disposed of by the accused to a pawnshop or second-hand dealer in Brighton. These facts, if the Court accept that evidence, do not constitute stealing, it is merely evidence from which the Court, if it thinks proper, may draw the inference that it was stolen, that is a matter for them, whether it is sufficient for that purpose. As against that the accused has given evidence under oath, has submitted himself to cross-examination, and has told a story of securing these shoes from some individual soldier in the Perth Regt. He has admitted very frankly that he did in fact sell them, and when first approac ed by the original owner of these shoes he seems to have made no attempt to deny the sale of the shoes, he admitted it. He supplied funds for the original owner to purchase the shoes back, and one bit of evidence which I think is substantially in his favour is that at that time he in-

formed the owner of the shoes that while he had sold them he had not stolen them. I mention that because at that time he had no protracted period in which to think of what to say. That tends to support the story he has told the Court.

In addition the accused has brought witnesses before the Court as t his good character. He has had a long period of service in the Army, both in the Imperial and Canadian Army, he has earned a number of good conduct stripes, and has occupied a number of positions of trust. It is true that one witness made mention of certain rumours, but the same witness later said he would classify his reputation as to honesty good if my recollection is correct. Evidence of good character is dealt with at some length in Chap VI, MML. I would like to read one short passage from para 19 which states the purpose for which evidence of good character can be used at this stage (reads first nine lines).

In any such trial as this the onus is on the prosecution to establish its case beyond reasonable doubt, and that onus remains on the prosecution throughout the trial. The accused does not have to prove himself innocent, he doesn't have to prove anything. If the prosecution fails to prove his guilty, or if after careful consideration the Court has any reasonable doubt as to the facts or as to what to believe, the accused is entitled to the benefit of that doubt and the Court must accordingly make a finding of not guilty. It is applicable in any trial of this c aracter, and I might say it is particularly applicable where, as here, you have a soldier of long service and of good record charged with an offence involving dishonesty which makes it particularly necessary that every care be taken.

There is one thing I think possibly should go in the record as a direction with respect to the story told by the accused in defence. I would like to remind the Court that in dealing with that and having regard to the onus on the prosecution the defence does not have to satisfy them as to the truth of the story told to it. Even if they disbelieve the story told by the accused if they are not satisfied as to the prosecution's case the Court must acquit the accused, there is no burden on him to satisfy them as to that story. If they are in doubt as to what happened then he gets the benefit.

The Court is closed for the consideration of the finding.

DING

The Court find that the accused, A-11286, Pte.William Hugh Dickey, Perth R (M), is not guilty of both charges. The Court being re-opened, the accused is again brought before it, and the findings on the first and second charges read in open court. R.P.45 (C) and R.P.117 (B) are complied with.

HQ 1 CAN INF DIV (REAR)

FIRST WITNESS for the Prosecution — R.112929 Pte MacKay, N A Coy 48 Highlanders of Canada, duly sworn is examined by the Prosecutor

Q Can you tell me, Pte MacKay, what happened on the 6 July.
A On the 6 July I came up from Germany. I went to go through my kit bag for some clothes and shoes. The top of the bag had been tied up differently. I found my cameras gone. I asked some of the boys if they had seen them. No one saw them . The C S M talked about them and asked me if I could identify them and he took me into the Company office. There were two cameras on the top of the desk and Pte Dickinson was there. I identified one of the cameras, because of the tear in the back of it. I could not identify the other one because it was new. There were no marks on it by which I could identify it. I got the box that the camera was kept in and put the new camera inside and it fitted. The C S M asked me the name of it and I told him it was a new Coronet. I left the office then, sir.

Q You say you could not identify the new camera?
A It had no markings.

Q Can you identify this camera as yours, exhibit "A"? Was this in the orderly room?
A Yes.

Q Do you recognize this camera as being your camera and is that the camera you saw that night on the C S M's desk? Exhibit "B".
A I cannot identify it. It had no markings.

Q How do you identify exhibit "A"?
A By the tear in the back.

Q Is this the cardboard box you spoke of (show witness carbdboard box marked exhibit "C".
A Yes.

Q It was in your pack?
A Yes.

Q That is the cardboard box of which you spoke about to the CSM?
A Yes, sir. The Sergeant Major told me to bring it in.

CROSS EXAMINED BY THE DEFENDING OFFICER

Q When did you go to Germany?
A On the fourth day of July, about the second, I'm not sure.

Q This happened the day you came back?
A That was when I noticed it gone.

Q This camera exhibit "B". That is the one you are not sure about?
A No, sir, I'm not sure.

Q You think it is yours because it was the camera in the orderly room and that it fit the cardboard box which you took from your kit bag. The camera happend to fit the box. You didn't see anybody take it did you?
A No.

Q You didn't see anybody with it in their posession?
A I didn't sir.

Q You certainly did not know if Dickinson had anything to do with it because you didn't see him?
A No, sir.

QUESTIONED BY THE JUDGE ADVOCATE

Q Pte MacKay, how did you know your kit bag had been tampered with?
A It was tied up, sir, and closed at the top. It was not tied the way I left it.

Q Will you tell the Court how you identify exhibit "A" as yours?
A The folder in the back is torn or ripped. There is a cut in the back.

Q Any other way?
A No, sir.

Q Is it the same make as yours?
A Yes, sir.

Q Is it the same size?
A Yes.

Q Same appearance as yours?
A Yes

Q Why do you say exhibit "B" resembles the second camera you missed?
A It was the same kind as I had sir.

Q The same make?
A The same, sir.

Q Same appearance?
A It was brand new and no markings on it whereby I could identify it.

Q What make was the second camera?
A Coronet.

Q What make is exhibit "B"?
A Coronet.

Q Are these the same two cameras the Sgt Major produced to you?
A Yes, they look the same.

Q Were these two cameras you missed in your pack before you left for Germany?
A Yes, the night before I left.

Q Where was your kit bag placed?
A Outside, sir, against the wall beneath the tarpaulin.

Q Was the pack placed in part of the company pile?
A Company pile, sir.

Q You said that the carboard box, exhibit "C", was for the second camera you lost, is that correct?
A I cannot say, sir, only I took the cardboard box into the Sgt-Maj and it fit the camera.

Q That is the box that fit your second camera, did it not?
A Yes.

Q Is there the name of the make of the camera on exhibit "C"?
A Yes, sir.

Q What is the name?
A Coronet, sir.

QUESTIONED BY THE COURT

Q Pte MacKay, was your bag secured or locked?
A No, sir, just tied.

Q The only way you knew your bag had been tampered with was because your camera was missing from it
A Yes.

NO RE EXAMINATION BY THE PROSECUTOR

IN THE OPINION OF THE COURT AND JUDGE ADVOCATE IT IS NOT NECESSARY TO COMPLY WITH RULE OF PROCEDURE 83 (B)

WITNESS WITHDRAWS

SECOND WITNESS FOR THE PROSECUTION — B79612 Pte Wood, J, A Coy 48th Highlanders of Canada, duly sworn is examined by the Prosecutor

Q Pte Wood, do you know Pte MacKay of "A" Coy?
A Yes, sir.

Q Can you tell me what happened in connection with Pte MacKay on the 6 July?
A I was on leave at the time. When I came back MacKay told me that his two cameras had been taken. I went up to the orderly room to identify the two cameras on the orderly room desk, or one camera. That was all there was to it.

Q Is this the camera which was on the orderly room desk, exhibit "A"?
A Yes, sir.

Q How do you identify this camera? You identified the camera?
A Yes, sir.

Q As being Pte MacKay's?
A Yes.

Q How did you know it was the camera?
A On the back of the camera is broken glass, the glass is broken and because of the split in the back.

Q Was this the camera, exhibit "B"?
A That is the new camera.

Q Was it on the Sgt Maj's desk? Did it look like this one?
A I didn't see it.

Q You saw only one camera?
A Yes, sir.

NO CROSS-EXAMINATION BY THE DEPENDING OFFICER

QUESTIONED BY THE JUDGE ADVOCATE

Q You identified exhibit "A" as being Pte MacKay's camera. Did you see Pte MacKay with the camera before?
A Yes.

Q Did you see him with exhibit "A"?
A Yes, sir.

Q Do you know whether or not Pte MacKay had more than one camera?
A Yes.

Q He had more than one camera, is that what you mean?
A Yes.

IN THE OPINION OF THE COURT AND JUDGE ADVOCATE IT IS NOT NECESSARY TO COMPLY WITH RULE OF PROCEDURE 83 (B)

WITNESS WITHDRAWS

THIRD WITNESS for the Prosecution B.46320 C S M Mitchell, A., "A" Coy 48 Highrlanders of Canada, duly sworn is examined by the Prosecutor

Def Offr - I would like to make or less object in advance. As you can see from the summary of evidence, most of his evidence is heresay. As you can see from the summary of evidence it is entirely heresay and he knows nothing from his practical knowledge. I want to make sure he does not say anything here.

JA - You are objecting to the conversation he overheard?

Def Offr - Yes. I am objecting to the statement at the bottom of the statement and objecting to the admission on the fourth line from the top. Fifth line he said he "admitted". I object to that until the prosecution prove beyond all doubt that the statement was voluntary. They must do that before they can do anything. He didn't admit stealing anything. He merely admitted he had two cameras.

JA(to Pros) What have you to say about what Captain Street says?

Pros I think I can keep heresay evidence out.

EXAMINED BY THE PROSECUTOR

Q Sgt Major have you seen this camera before, exhibit "A"?
A Yes

Q Have you seen this camera before, exhibit "B"?
A I am not positive of that sir.

Q About the 6 July, did you have Dickinson before his Company Commander
A On the 7 July sir.

Q Was it concerning this camera?

Def Offr- Just a minute. He's leading the witness any way he pleases.

Q Where did you see this camera?
A I asked Pte Dickinson if he had two cameras to sell and I sent him over to the quarters. When he came back it was then I saw the cameras.

Q He brought this camera, exhibit "A"?
A Yes, sir.

Q Did he say this was his camera, exhibit "A"?
A He did sir.

CROSS EXAMINED BY THE DEFENDING OFFICER

Q Sgt Major Mitchell, before you spoke to Dickinson about these cameras you did not caution him did you?
A No, sir, I did not.

Q As a matter of fact as a result of something you overheard you started investigations and the result of certain investigations on your part you decided to charge Dickinson and get him up for Orderly Room about this, didn't you?
A No, sir.

Q You had him up
A Yes

Q You must have decided to get him up?
A I could not decide until the cameras were identified.

Q You decided before the cameras were identified to get him up?
A Certainly not.

Q You didn't?
A I heard Pte McKay report the loss. Only then did I call him in I could not possibly have brought him up until I knew the cameras belonged to MacKay.

Q You decided to get him up in the Orderly Room?
A After we knew the cameras had been identified, yes.

JA - Captain Street, the cameras were identified by MacKay prior to Orderly room and subsequent to the time they were put in possession of the Sgt-Major.

Def Offr I understand Sgt Maj you said this to Dickinson "You are taking the hard way about this. Why don't you admit you took them and say your sorry and we'll forget about the whole thing."
A No, sir.

Q You didn't say that?
A I could not say that. My job in the Company is disciplinarian and it was nothing on my part to do anything.

Q Did you say anything like that?
A I don't remember saying anything to that effect.

QUESTIONED BY THE JUDGE ADVOCATE

Q Sgt Major you stated that Pte Dickinson told you he had two cameras for sale, is that correct?
A He didn't tell me he had two cameras, not the first time. I heard.

Q I don't want to know what you heard in the hall.
A I asked him if he had any cameras to sell and if he could bring them over to the company office.

Q Did he bring two cameras to the company office?
A Yes, sir.

Q Do you recognize exhibit "A" as being one of the cameras he brought?
A Yes, sir.

Q How do you recognize it?
A On one side a little mark and on the back part is torn.

Q Did he say that was his camera?
A He did then, sir.

Q Do you recognize exhibit "B" as being a camera brought in by Pte Dickinson?
A There were no identification marks on it.

Q Will you take it up and look at it. Is is the same make?
A Exactly the same make, a Coronet.

Q Would you say it resembled the camera that Pte Dickinson brought into you?
A Yes, sir.

Def Offr I object to everything that he has said and everything Dickinson told him. The point is this, that for some reason or other he decided to investigate and as a result of what he heard or did he decided to get Dickinson up for Orderly Room. Once he did decide to investigate everything was improper in that connection. He asked if Dickinson had a camera to sell. He had no business asking Dickinson without cautioning him properly. As a matter of fact, there is the suggestion that there was an inducement. I object to that very strongly. Dickinson was not cautioned at any time during the proceedings. He should have been cautioned before spoken to.

Q Sgt Major this time, or prior to your conversation with Dickinson did you caution him in any way?
A I didn't caution him, sir.

Q Did you decide at that time to put him on charge?
A No, sir.

Q Had there been a complaint that two cameras has been missing?
A Yes, sir. By Pte MacKay, sir.

(to Pros) Mr Prosecuting Officer what have you to say in reply to the defending officer's objection?
Pros - I am not familiar with the law with regards to cautioning? As long as everything is true. I want justice. If the man is not guilty I don't want to see him accused.

Def Offr - Do you mind if I read these two short paragraphs, page 90 MML para 73 (reads) Therefore the statement by Dickinson that he had cameras in his possession obviously comes under the meaning of a confession quite clearly. Next para 74 (reads) Now, there is a confession in evidence here and it has not bee proved that it was put in free and voluntary. That must be done or it cannot be received so the accused must be dismissed. I wanted them to prove it before the thing got in.

THE DEFENDING OFFICER CALLS NO WITNESSES AS TO THE ADMISSIBILITY OF THE WITNESSES EVIDENCE

JA The statement referred to is a statement made by the accused that he is the owner of the goods in question and that they are his goods. There is nothing stated by the accused that he has committed any offence nor does he make any suggestion that he has committed any offence. (reads MML para 23 page 91) I don't believe that the statement of the accused falls within that category as there is nothing he said which tends to show any guilt on his part. I think perhaps it might have been a proper practice for the Sgt Major to have cautioned the accused but I would refer to the bottom of page 91 (reads) (1) (2). At this stage of the proceedings the Sgt Major had not decided to charge anybody. He was merely illiciting information. In my opinion the statement of the accused was voluntary. This statement falls within art (1) of the Judges Rules. That is a question for the Court to decide. Accordingly the Court will be closed.

Def Offr - If I might say something before the Court closes: If what you say is true, that whatever this man has said does not tend to show he is guilty, then I am quite satisfied to let it go. I am quite satisfied to rest right there. That's just about the end of the prosecution's case. If it doesn't tend to show guilt. That is the only evidence. But I thought it did show he was guilty. He is charged with improper possession. As a result of the conversation and the examination by the Sgt Major without being cautioned it came out he was in possession of at least one of these cameras which is the subject of the charge. If it appears that these two cameras which are alleged to have belonged to MacKay and alleged to be in possession of Dickinson, if, in fact, that was true, then that would tend to show him guilty. That is the subject in meat of the possession. There is nothing tending to implicate him in any crime at all. The statement is inadmissible. He merely stated he had two cameras in his possession. Suppose MacKay could not identify the cameras. It is up to the Court.

THE COURT IS CLOSED FOR CONSIDERATION WHETHER THE EVIDENCE WILL BE ADMITTED OR NOT

THE COURT BE OPENS

THE OBJECTION OF THE ADMISSIBILITY OF THE EVIDENCE OF SGT MAJOR MITCHELL IS REJECTED JA to Def Offr Your objection will be noted.

B.46320 C S M Mitchell, A is recalled (third witness)

QUESTIONED BY THE JA

Q Subsequent to your conversation with Pte Dickinson, what did you do with the cameras, hand them back to the accused?
A No, sir.

Q You kept them?
A Yes, sir.

Q Did anybody come forward and identify the cameras?
A Well, I looked the cameras over. I recognized the one that I have described, exhibit "A". I recognized the camera and called Pte MacKay in.

Q You called Pte MacKay in?
A Yes.

Q Did he identify the camera as his? Exhibit "A"?
A Yes.

QUESTIONED BY THE DEF OFFR THROUGH THE JA

Q Sgt Major I suggest that you did not ask Dickinson if he had cameras to sell?
A I had asked him if he had two to sell.

Q That wasn't the reason. The reason I suggest is because you heard the two cameras were missing.

A I wouldn't say so. I had been trying to buy a German camera.

Q Actually you were investigating. At that time you knew MacKay had lost two cameras?
A I knew Pte MacKay had lost his camera.

Q How long previously?
A Probably around three hours, possibly.

Q Knowing that you were trying to, I suggest the reason you asked was to find out if these were Pte MacKay's cameras - partially the reason.
A I have been trying to buy a camera myself. It did not enter my mind that anyone would steal cameras from the company and try to sell them in the same company.

IN THE OPINION OF THE COURT AND JUDGE ADVOCATE IT IS NOT NECESSARY TO COMPLY WITH RULE OF PROCEDURE 83 (3)

WITNESS WITHDRAWS

Def Offr

I want to make a motion now to have the case of the prosecution dismissed because I submit there is absolutely nothing in the evidence adduced by the prosecution in either case, that the accused Pte Dickinson stole these cameras and also that there is nothing to show he was in improper possession of them. I object for the reasons already stated, that Sgt Major Mitchell's evidence should not be allowed in. That constituted a confession and a confession that wasn't free and voluntary. I submit it should not be allowed in and that Pte Dickinson was not cautioned when he should have been. You have already ruled on that. Even if it was admitted I still say there is nothing in that evidence to support this charge. There is absolutely nothing to show he stole the camera. The word Stealing has not been mentioned.

That charge should be struck out. The charge of improper possession. There is nothing to show improper possession. He might have, forinstance he might have borrowed it or might have it to trade or sell for MacKay or somebody else may have given it to him without telling him it was someone else's. If he was in possession they must prove improper possession, therefore, I submit that the second charge should be dismissed also.

PROSECUTING OFFICER MAKES NO REPLY

JA -

If you think that on the evidence so far given, and you were to hear no more, you would find the accused not guilty, you should allow the submission. On the other hand if you think there is some evidence, more than a scintilla, that is to say, a shred, which supports the charge and which you are not at this stage prepared to disbelieve, you should reject the submission. The question of reasonable doubt does not enter now. At the close of the case for the prosecution, the Court does not and should not concern itself with the questions of reasonable doubt. By reasonable doubt is meant not a flimsy or whimsical doubt but a substantial doubt such as business people would entertain in the discharge of their daily affairs.

PROSECUTOR DECLINES TO CROSS EXAMINE THIS WITNESS

IN THE OPINION OF THE COURT AND JUDGE ADVOCATE IT IS NOT NECESSARY TO COMPLY WITH RP 83 (B)

WITNESS WITHDRAWS

PROSECUTOR MAKES A CLOSING ADDRESS

Pros Offr:

The case seems to be in this way to me. This camera, exhibit "A" was claimed by the accused to be his property. It was also claimed by Pte MacKay to be his property and was identified by Pte MacKay as being his propery. The Defence has suggested that the goods would not be in imporper possession of the accused since it may have been given to him to sell. It is obvious that Pte MacKay, if he had given the goods out to sell he would not be alarmed to have it missing from his kit bag. It is obvious that if it had been borrowed by the accused Pte MacKay would have found out in such a small company area because he looked for it. That to me seems to be the crux of the whole case and I think I can rest the case on that.

DEFENDING OFFICER MAKES A CLOSING ADDRESS

Def Offr:

7 Mr President and gentlemen, I don't feel that in view of the evidence that the prosecution has adduced so far that there is any evidence on these charges at all. I think for the reasons I have already mentioned that the charge should be dismissed and I don't feel that we should be obliged to call on any defence whatsoever. The charge of theft is serious. The onus is on the prosecution to prove that , to prove that theft of the cameras occurred and prove that the theft was made by the accused and in that particular charge there has been absolutely no evidence at all. The word stealing has not been mentioned in Court and there is certainly nothing in the evidence to connect the accused Pte Dickinson with the stealing even if it had occurred. There is nothing to indicate it had occurred. At the outside I would like to make it clear. I understand that the JAG will be bound by anything the defending officer says. I want to make it clear that anything I say his not intended to be admission of guilt on the part of Pte Dickinson and I don't want him to be committed in case I say anything. Anything I say is only being said for the sake of argument and I want to make sure Dickinson is not bound by it.

So much for the charge of theft. It hasn't been mentioned and hasn't been proved. Improper possession I submit the prosecution has absolutely failed to prove there was improper possession of anything by anybody and what little evidence they have that the camera was in possession of Dickinson I say there is no evidence to say that he was in improper possession or that the cameras in possession of Pte Dickinson were these two cameras. Certainly if he was in possession, there is nothing to show improper possession. That is the meat of the whole case as I see it. The onus is on the prosecution to show affirmatively and beyond reasonable doubt he was in improper posession and there is nothing to indicate his possession was improper. Any evidence there is that he was in possession, if he was in possession, his possession was proper because he might have several reasons. MacKay might have lent it to him or someone else lent them to him. MacKay thought when he could not find the cameras, that somebody might have borrowed them. Someone

could have borrowed them and lent them to Dickinson, or someone else may have stolen them and given them to Dickinson. In any event the onus is on them that he was in improper possession and I don't consider that we should be obliged to prove anything. Also any charge that they have established especially a serious charge like theft must certainly be proved beyond a reasonable doubt. The DJA will inform you that if there is any doubt whatsoever, the accused must be given the benefit of it. If, when you consider the evidence you find there is any doubt, you must give the accused the benefit of that doubt and I submit there is a great deal of doubt in this case. Any evidence they have, I consider was improperly admitted because for the reasons I already mentioned. The accused was not cautioned and most of the evidence is heresay. As for MacKay and his part of the case, it seems to me he was extremely careless especially with the cameras which were in very great demand by everybody. He made no attempt to lock them up. He put them in his bag and put it outside the hut. I have never known at any time, a man putting his kit outside. When he went away I don't know why he didn't have the kit locked up. That is one time the Quartermaster would have to take the responsibility. I cannot understand why he didn't do that. If his cameras had disappeared while he was away it seems to me that is what you should expect. Also that it certainly doesn't seem likely it is ludicrous to think that Pte Dickinson would go and take the cameras and then try to sell them to the Sgt Major of the same company. Absolutely ridiculous. It could not possibly have happened that way. If he stole the cameras surely he would have tried to sell them to another regiment, not the 48th Highlanders. Most soldiers wanted to buy cameras and certainly he would have sold them in another regiment. Certainly not in the same company and to the company Sgt Major of the same company.

I submit that the prosecution has failed undoubtedly to make out either charges and I don't feel obliged to produce any defence to either of them.

THE JA SUMS UP

JA:

Gentlemen, my function as Judge Advocate at this point of the trial is to sum up and address you on matters of law in connection with this case. Before touching your general powers, duties and functions, however, I should like to remind you that every man charged before any court-martial is deemed to be innocent until proven guilty. Because a man stands before you today charged with an offence does not in any way indicate that he has been pre-judged nor should he suffer any prejudice from you because he is charged with a serious crime. It is your function and yours alone, to determine in a fair minded fashion from the evidence adduced before you whether he is guilty or not guilty.

The general rule is that, apart from any provision to the contrary, the burden of proof of guilt lies upon the prosecution, and it is not for the defence to prove innocence. Where the prosecution gives prima facie evidence from which the guilt of the accused might be presumed and which, therefore, calls for an explanation by the accused and no answer or explanation is given, a presumption is raised upon which the Court may be justified in returning a verdict of guilty. But if an explanation is given by or on behalf of the accused which raises in the mind of the Court a reasonable doubt as to his guilt, he is entitled to be acquitted, because if upon the whole of the evidence in the case the Court are left in a real state of doubt, the prosecution has failed to satisfy the onus of proof which lies upon them.

It has been indicated that if a reasonable doubt is raised in the Court's mind, or the Court are left in a real state of doubt, the accused is entitled to be acquitted. On this question of doubt I quote Stone's Justices' Manual, 1941, p.257, "to warrant an acquittal the doubt must not be light or capricious, such as timidity or passion prompts, or corruption readily adopts. It must be such a doubt as upon a calm view of the whole evidence a reasonal understanding will suggest to an honest heart, the conscientious hesitation of minds that are not influenced by party, preoccupied by prejudice, or subdued by fear."

And now if I may proceed, the functions powers, and duties of the Court.

The functions of the Court are two, firstly the determination of the facts of the case from the evidence heard before or submitted to it and secondly determining whether upon those facts and the law as I shall define it, the accused is guilty or not guilty of the offence with which he is charged. The court are the sole judges of both fact and law. In my capacity as Judge Advocate, I will attempt to assist you in your functions but I would point out that you are not obliged to take my advice on the law or what the law is. If I should appear to express any opinion on the facts of the case you will disregard such opinion--it is you and you alone who must decide both fact and law.

In performing your first function, that is, the determination of the facts of this case, I would remind you that you have sworn to well and truly try the accused "according to the evidence". The evidence has been adduced before you through the witnesses you have heard and your first task is to determine what the true facts of the case are. You do not have to accept the story of any witness merely because the witness has been brought in and sworn to tell the truth. You will accept a witness's evidence to the extent that it has impressed you as being credible. The credibility of a witness depends on his knowledge of the facts he testified, his disinterestedness, his integrity, his veracity, and his being bound to speak the truth by such an oath as he deems obligatory. Proportioned to these is the degree of credit his testimony deserves from the Court.

You have had all the witnesses examined in your presence, and have, along with counsel, had the opportunity of questioning them and testing their credibility. From the manner in which they gave

their evidence, answered questions and impressed you as to their credibility, you will determine the facts of this case.

It follows that you may believe a witness's evidence in it's entirety or disbelieve it in it's entirety, or accept it in part and reject it in part. However, if you do reject part of a witness's evidence, you should only accept the remainder with caution.

The accused has been charged with two offences; the first under AA sec 18(4) and the second under AA Sec 40 which charge is an alternative to the first. The Court cannot find the accused guilty of both charges, they can find the accused not guilty of both charges, or guilty of the first and not guilty of the second or not guilty of the first charge and guilty of the second charge.

The definition of stealing is "A person steals, who without consent of the owner fraudulently and without a claim of right made in good faith, takes and carries away anything capable of being stolen with intent, at the time of such taking, permanently to deprive the owner thereof."

The question whether the defendent took the goods knowingly or by mistake - whether he took them bona fide under a claim or right or otherwise - and whether she took them with an intent to return them to the owner or fraudulently with an intent to deprive the owner of them altogether, and to appropriate or convert them to his own use - are questions entirely for the consideration of the Court to be determined by them in view of the particular facts of the case. The intent must be permenently to deprive the owner of his property. To constitute stealing there must be a taking of the goods, either actual or constructive and also an asportation of carrying away. A bare removal from the place in which the thief found the goods though he does not make off with them is a sufficient asportation. It must be proved that the articles stolen are the absolute or special property of the person named in the charge.

With reference to the doctrine of recent possession I read (reads page 124 MML para 6)

In respect to the second charge, the alternative charge, the prosecution must prove that the accused's possession of the articles, that the said possession was improper, that the owner of the articles was Pte MacKay and that the improper possession if any, is conduct to the prejudice of both good order and military discipline.

The facts of the case are relatively simple and in the opinion of the Court and myself there is no need to sum up the facts

The Court must decide the guilt or innocence of the accused and if the Court is in doubt it must be resolved in the accused's favour.

Q Mr President do you or the Court desire any further instructions as to the law? Ans - No thank you.

Q Mr Defending Officer? Ans - No sir

Q The Prosecution? Ans - No thank you

THE COURT IS CLOSED TO CONSIDER THEIR VERDICT

THE COURT RE OPENS

SECOND WITNESS for the Defence as to Character — Captain J E Pollak, Medical Officer, 48th Highlanders of Canada duly sworn is examined by the Defending Officer

Q You are a qualified Medical Officer arn't you?
A I am

Q Qualified medical practitioner
A Yes

Q You are the medical officer of the 48th Highlanders of Canada?
A Yes

Q How long have you been Medical Officer
A Since Dec 12 1944

Q Of what University are you a graduate?
A Queens University, Kingston, Ontario

Q Before you joined the Army did you ever have any experience in the medical practice of mental deseases, mental disorders
A I worked in a mental hospital for three months and did and did work in psychopathy.

Q Is it fair to say doctor from this work that you have more than the average doctor's knowledge of psychiatry and mental deseases?
A I would say that.

Q Do you recognize anyone in this Court room?
A I recognize Pte Dickinson, the accused.

Q How long have you known him?
A I have know him since april 1945

Q I understand once sometime within the last two or three months there was a psychiatric report. He was examined by the psychiatrist and the psychiatric report sent back
A Yes

Q Do you know of that
A Yes

Q I understand that in that report it states he has "psychiatric trends".

Q Will you tell the Court what is meant by that
A Psychiatric individuals have not the normal ability to descriminate exactly between the wrong and the right. They have the tendency to commit petty crimes such as petty thefts, stealing, setting fires torturing animals and misbehaving in generaly.

Q Now, is it a characteristic of such people that they also like to play with explosives?
A It is not a characteristic but it could have been one of their trends.

Q Do they like to destroy things?
A That is correct.

Q In connection with the psychiatric report, doctor, in your experience with psychiatry and your experience with Pte Dickinson will you tell the Court what your opinion of him is?

A My opinion of Pte Dickinson is that he is a psychiatric individual

Q Then that means, if he is a psychiatric individual he would have a tendency to commit petty crimes ?
A That is correct.

Q When such people commit petty crimes is it because they want to do it or because it is more or less an urge that they do it as a result of a compulsion?
A It is a mental disorder of a milder degree which, however, is hard to correct and takes expert doctors to handle them.

Q Is it fair to say of such people that because there is a psychiatric trend they cannot distinguish from right and wrong and also that they have sort of a compulsion to commit crimes and that they don't realize the consequences of them but not that they particularly want to commit them for personal reasons.

Q They do realize the consequences but still don't seem to be able to stay away from committing these petty crimes. It is some sort of compulsion.

Q But they don,t make a proper distinction between right and wrong do they?
A That, I would say, varies with the individuals. Severe forms don t seem to make a distinction between the right and the wrong at all. The milder types do, as I said before, still don't seem to be able to control themselves.

Q In the case of a psychiatric individual who is the milder type, is it fair to say that type may not appreciate the difference between right and wrong and at the time he commits a petty crime, and then afterwards if he once has it pointed out to him that he has done wrong will not be able to explain why he did it, a logical explanation. Is that possible.
A Yes.

Q Is it fair to say that he might not appreciate it at the time or at the time appreciate that it is wrong but afterwards would they appreciate it is wrong afterwards. When somebody points it out to them, do they appreciate it?
A As I said before the milder types realize after having committed petty crimes that they have done wrong.

QUESTIONED BY THE JUDGE ADVOCATE

Q Do you say that the accused is suffering from this particular ailment you mentioned, psychiatric trends?
A Yes, I do.

Q Has he a definite ailment?
A Yes a definite ailment

Q Is not the psychiatric report available?
A No, it is not. It went with the Court-Martial, with the documents of his last Court-Martial in April but a copy could be procured but that would take some time.

QUESTIONED BY THE PRESIDENT

Q Would it not have been proper to evacuate this man after his last Court-Martial?
A Yes, in my personal opinion it would have been. The Psychiatrist declared him responsible for what he did and I had to go by his opinion. My personal opinion is that he is not fully responsible and that he is suffering from psychiatric trends. I suggest that another psychiatric examination be made.

Def Offr - If a man is examined by a psychiatrist again what would they do

J A(Cont)

WS You might explain to the Court just what is done

A If a man is diagnosed by a psychiatrist and found to be a psychopath he can be discharged from the Army and the civilian authorities will take him over and most likely he will be sent to the centre such as Orillia forinstance in Ontario.

Pres The Army does not provide treatment?

A No, the Army is not interested in men like that. There is t like to add, another way of dealing with them, with the very milder cases. They are being put in special employment companies that is the very milder types.

THE DEFENDING OFFICER MAKES A PLEA IN MITIGATION

Def Offr:

As far as the accused' s conduct sheet is concerned generally, the only charge of any consequence there is one under section 40 and that happened on VE Day when all the boys were celebrating, he and some other boys. He took a detonator and placed it in a can of petrol and ignited it. The other charge I see is one of being improperly dressed. He has never been court-martialled before. He was tried by the Commanding Officer and given 28 days Field Punishment. He has never had a court-martial before. I think it is very comendable. As far as his psychiatric condition is concerned I think that is very important indeed because at the time it seems that he was sent to the psychiatrist and as a result of that investigation the doctor got to know about it and you heard what the doctor said. The doctor pointed out that it is a characteristic of such people , they like to destroy things and more or less goes hand in hand that they like playing with explosives.

The only character witness available Sgt Ray, and Dickinson was in his company doing demolition work. I presume he liked the work. The Sergeant said he liked the work. I presume that is one of the characteristics of such individuals because he liked doing work of such a nature. He was very fond of it and they had no trouble with him.

Dickinson is 19 years old. He joined the Army April 1, 1944 and could not come overseas until he was 19. He was then 18. He joined under age and quite voluntarily long before he was bound overseas. He came overseas in June as soon as he became of age and joined the 48th Highlanders of Canada in Holland in March. That is briefly his army record. Nothing wrong with it, an ordinary record. His services are voluntary and I think his volunteering very comendable. He is married and his wife is 18 years old and lives in Ontario and they have no children. His domestic history is far from satisfactory. His mother and father are separated and have been so for the past 16 years in other words since he was a babe of 2 years his mother and father separated and he lived with his mother in Market, Ontario. That is certainly not a favourable family situation. His mother is now in St Michaels Hospital with gall stone trouble and it is expected she might not recover. At least she is not expected to recover I should say. He has two older brothers and one older sister.

In connection with his psychiatric condition and what the doctor told you I think that it is certainly borne out in the fact that if he did take this camera, it would certainly be ludicrous indeed if the man should take it and then try to dispose of it in the same company from which he took it. I still don't think so. It is the last thing a person going to steal a camera would do. So that is he did do it and I don't admit it but deny, then he certainly must be a psychiatric case and since that is so he deserves some sort of treatment. I suggest that he go to a psychistrist again for a thorough examination and if what the doctor says is borne out then in all fairnes to the accused he should be sent to some sort of centre where he can be treated for this condition. In fact I commend that to you as a proper disposal of his case if you find him guilty.

THE COURT IS CLOSED.

Summary of Evidence in the case of No. B-160589 Pte. DICKINSON, M.J., "A" Coy, 48th Highlanders of Canada, Canadian Army Overseas.

By direction of the Commanding Officer, Lt.-Col. J.R.O. COUNSELL, DSO, the evidence is taken on oath.

1st witness for the prosecution

B-112929 Pte. MACKAY, N., "A" Coy, 48th Highlanders of Canada, having been duly sworn states:

On the afternoon, 6th July, 1945, the day I returned from a tour in Germany, I went to get a pair of fatigue shoes from my kit bag, which was left under canvas beside our billets. I then discovered that my kit bag had been tampered with because the kit bag was tied up differently than when I left it and also I noticed the empty cardboard case which had contained my camera, exhibit "B", when I left to go on the tour. I then examined my kit more carefully and discovered that two cameras exhibits "A" and "B" were missing. Thinking that some of the men might have borrowed them, I enquired around but found no one who had borrowed them. C.S.M. Mitchell, overhearing my enquiries, asked me if I could identify the cameras if I saw them again.

That night I was called in to the Coy Orderly Room. There I found Pte. Dickinson, and the two cameras exhibits "A" and "B" were on the Orderly Room desk. I was able to identify one of the cameras, exhibit "A" because it had a rip in the back of it. The other camera, exhibit "B", I could not identify to others as being mine because it was brand new and had no peculiar marks by which it could be identified. I told the Sgt. Major that the cardboard case for the new camera was still in my kit bag. The Sgt. Major told me to bring it in. This I did. The case fitted the camera, exhibit "B", and bore the same trade name as the camera.

N. Mackay

(B-112929 Pte. MACKAY, N.)
"A" Coy 48 Highrs of Canada.

Cross examination by the officer taking summary.

Q. Were the two cameras, exhibits "A" and "B" in your kit bag before you went on the tour to Germany?

A. Yes.

Q. Did you place the kit bag under the canvas outside the billets yourself?

A. Yes.

Q. When you made enquiries concerning the whereabouts of your cameras did anyone volunteer any information?

A. Yes. Pte. Dossey said that he had seen cameras fitting my description of mine in his room.

Q. Did you then go to look at these cameras?

A. No. It was then that the Sgt. Major asked me if I could identify the cameras if I saw them again.

The accused declines to cross examine the witness.

2nd witness for the prosecution

B-79612 Pte. WOOD, J., "A" Coy, 48th Highlanders of Canada, having been duly sworn states:

On the morning of 7th July, 1945, Sgt. Major Mitchell called me in to the Orderly Room during Coy Comds Orders and asked me if I could identify a camera, exhibit "A", as being the property of Pte. MACKAY. This I did. It was a folding camera and had a rip in the back and the glass window in the back was broken. I had seen this camera several times before in Pte. Mackay's possession when were in the Hague.

J. Wood

Q. Did you know whether or not Pte. Mackay had more than one camera?

A. Yes. I knew he had a folding camera and a box camera.

Q. When did you first hear of the disappearance of the cameras?

A. About 0030 hrs 7th July, 1945, when I visited Mackay in his room for a few minutes and he told me about it.

The accused declines to cross examine the witness.

3rd witness for the prosecution

B-46320 C.S.M. MITCHELL, A., "A" Coy, 48th Highrs of Canada, having been duly sworn states:

On the 6th July, 1945, Pte. Mackay reported the theft of two cameras from his kit bag. I was then in my quarters writing a letter and overheard a conversation from outdoors concerning a man who had cameras for sale. I investigated and called in Pte. Dickinson who admitted that he had two cameras. He produced the two cameras exhibits "A" and "B" which Pte. Mackay shortly afterwards identified as his. Pte. Dickinson claimed that he had had these two cameras before going to an F.P. Camp. I called in the R.P. L/Cpl. Brothers and asked for a report on Pte. Dickinson's kit. I learned that Pte. Dickinson had not turned in any cameras before proceeding to the F.P. Camp. I also called in Pte. Wood who was able to identify the cameras as being the property of Pte. Mackay.

A point I want to refer to the

ported himself, only 14 hours after
his absence.

Due to circumstances, C. & M.S. Inch
N.S. to whom Pte Dickinson report-
ed, and asked, to be taken up to
his pl. is not available at the
moment, for C. & M.S. Inch N.S.

C. & M.S Inch would have been

SUMMING UP BY JUDGE ADVOCATE in the case of B.14676 Pte. Walter Milton DICKINSON

The accused is charged with desertion. Desertion may be defined as absence without leave plus the intention to either (a) quit the service altogether or (b) avoid a particular service. A particular service may be an operation, an attack on the enemy, a movement, or any particular job his unit is put in any particular place to do. In this case, you have evidence that the accused was warned for a particular service. However, there is no evidence that the accused was absent from a particular task. You have only evidence the accused went absent the next morning at 0900 hours and that he was arrested at Nijmegen at 2230 hours 27 Feb 45. It is for you to decide whether the accused absented himself with the intent to avoid a particular service. However, if you decide that he did not absent himself with intent to avoid a particular service, then you may bring in a verdict of not guilty of desertion but guilty of A.W.L.

As in all cases I must advise you that the accused is innocent until proven guilty and that he is entitled to the benefit of any doubt you may have.

Evidence in the Trial of B 63363, Pte. DICKS Henry

A.B. Prosecuting Counsel not a lawyer. R.P. 89 (1) was not complied with. Finding may not be valid. Summary of Evidence in terms of R.P. 78(2)

President - Do you wish to make any statement?

Answer - I made a statement for the Summary of Evidence which just about covers everything about stealing the blankets. I was in need of money. I think the statement in the Summary covers everything.

President - Have you any questions?

Prosecuting Counsel. No questions.

President - Do you wish to give evidence yourself or call in witnesses as to your character?

Answer - Yes Sir.

President - Do you wish to address the Court on the statement and conduct sheet in mitigation of punishment?

Answer - Yes Sir.

Counsel for the Defence

Mr. President and Members of the Court. I would like to submit a plea of mitigation on behalf of Pte. Dick for the following reasons. Firstly that he has, more or less, made a clean breast of the matter and while it has caused a lot of inconvenience none of the innocent people that might have suffered have suffered through the fact that the blankets were recovered. Pte. Dick in his character statement states he is 23 years old. Old enough, we admit, to know better but still not what is considered mature. Therefore, I think I and am of the opinion that this incident that happened was more or less done on the impulse of the moment and backed by a pressing demand for money which he did not have. Pte. Dick works on a switchboard and has done so for a year. We have no complaints at all about his work. He carries out his work in a remarkable way and we need people like him in the army. He is never away from the job even for 10 minutes and a job like that demands a certain amount of even temperment, and to hold down a job like this such temperment would not lend itself to incidents of this kind. In my opinion the act was not premeditated. I think it was merely foolish and the fact that Pte. Dick ran down the road in the evening does not show very good gestapo. If the plan had been premeditated it would have been carried out more sensibly.

Witness for the Defence

C 336793, Pte. Palmer, K.M. member of #1 Advance Base Workshop, R.C.O.C.

Question - How long have you known Pte. Dick?

Answer - About three years.

Question - Did you know him before the war?

Answer - No Sir.

Question - Are you friends?

Answer - Since I have known Pte. Dick we have been together and he is a square guy.

A.B. Voluremier
Major

Witness for the Defence (Cont'd)

Question - You are still close friends?

Answer - Yes Sir.

Question - What have you to say about his character?

Answer - Ever since I have known Pte. Dick I have found him to be a square guy.

Question - Would you say he is well liked.

Answer - Yes Sir.

Prosecuting Counsel

Question - You have been a friend of Pte. Dick's for some time?

Answer - Yes Sir.

President - Have you any statement to make?

Answer - Well, Sir, the statement that I have already made in the Summary of Evidence and what has been said to-day is all.

Statement as to character of accused by P 2811 Cpl. Byrne, C.J. #1 Advance Base Workshop, R.C.O.C. tendered and not objected to by Prosecutor. Entered and marked exhibit "E". Address by Prosecutor in the Trial of Evidence of

L 74757, Pte. HAMILTON, Chester Bruce.

B 63363, Pte. Dicks Henry.

So far as character of evidence is concerned it is chiefly brought forward by friends of the accused. Not perhaps to be given too great consideration, but as a matter of fact I do not take exception because I think the men themselves from previous records show that their characters are comparatively good, but the point I would like to make is that this is a very serious offence. Two men have pleaded guilty to stealing articles from men they work with. These men are subject to army discipline. Soldiers must leave their blankets on their beds. They are not provided with the necessary facilities to lock them up and consequently are at the mercy of anyone who requiring a little money decides to steal them. It has been suggested that there is no financial loss in this case inasmuch as the blankets were recovered, but there is nothing to lead us to believe that such would have been the case had it not been for the alertness of Const. Thorne in recovering the blankets. If the blankets had not been recovered by the Const. the men on whose charge they were would have been forced to pay for them. Now something obviously has to be done to stop this. Part of it is due to the fact that these men thought that they could sell the blankets. The job is to try and stop the civilians who are willing to buy them but that cannot be done in all cases. We have no lead as to whom the accused were going to sell their blankets and if we cannot stop civilians from purchasing from soldiers we certainly must stop men from stealing. Therefore, I feel that although their character and conduct sheets are not bad in any way, in view of the seriousness of the offence, and the fact that other ranks in the army are so placed that they must rely on the honesty of their brothers in arms, a grave view should be taken of the offence. It is perhaps a more serious offence than stealing from a civilian who has an opportunity of keeping his goods and chattels under lock and key.

CASE OF B.63883 Pte. Dicks, W.H.

I hereby submit a plea of leniency for the following reasons:

1. That while the incident has caused a deal of inconvience, the blankets have been recovered, and no innocent persons have suffered financial loss.

2. The accused is a soldier of good character, and has never before been connected with a crime of this nature while serving with this unit.

3. While serving with this unit, the accused has carried out his duties as switchboard operator in a concientious and efficient manner. He is thoroughly reliable in his work.

4. As the accused is rather young (23) I am of the opinion that the act was committed on the impulse of the moment, and that it was not premeditated.

I am a Corporal on the Instructional Wing of the unit that Pte Dicks and myself come from. In any dealings that I have had with this man I have always found him to be quite willing in his duties and I at no time have found any reason for complaint. In the year that I have known him, to the best of my knowledge he has done his best to be a credit to the Canadian Army and also to himself.

On Sunday morning, 24 October 43, I noticed one of my blankets missing at about 1200 hours. I reported the loss of this blanket to L74919 Pte. Foster, W.J., at the Guard Room. I can identify the blanket now shown to me and marked Exhibit "A", as similar in every respect to my missing blanket. My Hut number is F-3, and the blanket was missing from my bed in this Hut. I know the blanket was on my bed on Saturday, 23 October 43, at 1800 hours. I identify the blanket as mine because I took the red string off the one end of the blanket, as it had frayed, and the blanket market Exhibit "A" has the red string off of one end.

I had five blankets on charge to me, and at 2345 hours there were only four blankets there. When I made up the bed at 1800 hours there were five blankets there. At 2000 hrs., Saturday, 23 October 43, I was cycling along Farnham Road, Slough, when I saw two soldiers, each carrying blankets. I stopped and went towards them; they each threw the blankets which they were carrying onto the ground and ran in different directions. I chased the accused, L74573, Pte. Hamilton, C.R., for about 450 yards, when he stopped and I caught him. He said, "What are you chasing me for?". I said, "For throwing some blankets away". I conveyed him back to the place where he had thrown the blankets away, and counted eight blankets. I said to him, "I am going to arrest you for being concerned with another soldier in stealing these blankets produced, the property of some person unknown". I cautioned him, "You are not obliged to say anything unless you wish to do so, but what ever you say will be taken down in writing and may be given in evidence". He said, "You have got the wrong guy", "I saw two men walking with blankets; I don't blame you for chasing me; I don't know why I ran away". I conveyed him to Slough Police Station, where he was detained. When I asked him for his AB 64 Part 1 or 11, he said, "I have not got one". He showed me his identity disc, which he was wearing around his neck, and said, "That is my name and number". These showed him to be L74573 Pte. Hamilton, C.R. Inquiries were continued and at 1145 hrs., Monday, 25 October 43, I was with Inspector Tomlin on Slough Trading Estate, where I saw identified Pte. Dicks, W.E., Royal Canadian Ordnance Corps., and I with Pte. Hamilton, C.R. in the Farnham Road, Slough, at 2000 hours, on Saturday, 23 October 43.

SEVENTH WITNESS FOR THE PROSECUTION. William Tomlin, Police Inspector, Bucks Constabulary, Stationed at Slough, Bucks., having been duly sworn states:

At 1145 hrs, Monday, 25 October 43, I saw Pte. Dicks, W.H. B63883, in the presence of Capt. W.J. Davies. I said to him, "I am making inquiries respecting some blankets which were in the possession of two soldiers in Farnham Road last Saturday evening". He said, "I had a hand in the blankets", I cautioned him and said, "You are not obliged to say anything, but whatever you do say will be taken down in writing, and may be used as evidence." He then elected to make a statement to me which I took down in my official pocket book as follows: "Pte. Hamilton, C.B., and I took the blankets from the Huts in "F" Block, on Saturday evening, after we had been to Anne's. We took four each and walked to Farnham Rd., where a policeman stopped us. I went one way then and Hamilton went the other. We were going to visit a pub to get rid of them. There was no definite spot where we were going to take them. This is the first time I have done it. The story I told the detective officer on Sunday was one made up in a hurry, and not correct." Signed. "Pte. W.H. Dicks". He signed this in my official pocket book.
At 1245 hrs the same day I served a copy of this statement to Pte. Hamilton, C.B., at Slough Police Station. I cautioned Pte. Hamilton, C.B., by saying, "You are not obliged to say anything, but whatever you do say will be taken down in writing and may be used as evidence". After reading the statement, Pte. Hamilton, C.B. said, " There is not much I can say about it. There is no need to say any more. I gave the constable a good run".
I later handed the two prisoners over to Capt. W.J. Davies, of Royal Canadian Ordnance Corps., Haymill Camp, Burnham, Bucks. I also handed the blankets to Capt. W.J. Davies, at the same time. The blankets now shown to me and marked Exhibits "A", "B", "C" and "D" are identical with the ones I handed over to Capt. W.J. Davies.
I now produce a copy of the Statement, as made by B63883 Pte. Dicks, W.H., and this being a copy of the statement that I served on L74575 Pte. Hamilton, C.B. This statement was signed in two places (the caution and the statement) by B63883 Pte. Dicks, W.H., in my presence. (Exhibit "E").

THE ACCUSED ELECTS TO MAKE A STATEMENT.

The accused No. B63883 Pte. Dicks, W.H. , on strength of No. 1 Advanced Base Workshop, RCOC., a soldier of the Canadian Army Overseas, states:-

On this incident that happened on Saturday night, I am not a thief or a crook. It is the first time I have tried to make money that way. There was a reason for me doing that. I needed some money, I wired home for money which hasn't come, and I don't think will come. The money was needed for a personal reason, I must keep to myself for a while. I did not want it for my own benefit really. I was a year on the switchboard and I think I was doing a pretty good job. This incident arose and I had to do something about it. I know I went about it the hard way and all I can say is, I'm sorry I went about it the hard way. The way things are shaping up I've been taught a lesson I'll never forget. That's about all I can say right now.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused : Do you wish to make a statement ? Ans Yes (5)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)
(*1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex 13, initialled and read aloud by the President.(1)
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).*)

D5. President to accused : You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused : Do you wish to give evidence yourself as a witness, make a statement, or do neither ?
Ans ..... Do you intend to call witnesses on your behalf ?

having been duly sworn ~~on~~ affirmed states

I am G51222 Cpl Doucett G.T. NCO i/c 7 Sec. 2 Pl.

At 1300 hours 21 Dec 44 I was starting the men to work. I spoke to Spr Dickson and told him to start work. An argument started between us and Spr. Dickson went over to speak to Sgt. Jensen. A few minutes later I heard Spr Dickson talking rather loudly over by the section trucks. I went over to see what was going on and Spr Dickson complained to me about being on guard the night before and that he should not be out to work that day. I told him I did not know who had been on guard the night before and as he was out here he would have to go to work anyway. Sgt Jensen then came over and Spr Dickson made the same complaint to him. Sgt Jensen ordered Spr. Dickson to go to work with my section. Spr Dickson said he would go to work but not with my section. Sgt. Jensen again ordered him to go to work with my section or to go back to billets under close arrest. Spr Dickson refused to go to work with my section and Sgt Jensen detailed L/Cpl. Wynn of my section to escort Spr Dickson back to his billets. That is all I have to say.

Cross Examination by Defence

1. I was ordering the men to go to work as ~~they~~ I found them.
2. The accused and I just had an argument.
3. I do not recall the accused saying he would go to work when the rest of the section resumed work.
4. I did not say ~~those~~ (Pay) adc words. that he was no good for the section, never was, and never had been.
5. He became rather angry and the argument became personal.
6. The accused after arguing with me went over to see Sgt. Jensen.

Having been duly sworn ~~on~~ affirmed states

I am M41309 Sgt. Jensen A.D. Platoon Sgt. of No. 2. Pl. 3 Fd Coy RCE.

On 21 Dec. 44 we had just finished lunch and the men had started to work and the accused came up to me and said he was through with his section & words to that effect. I told him to wait a while and a few minutes after that I had Sgt the accused and his Section Cpl aside. I ordered the accused to go to work and he refused. I wanted to know if he refused to work or whether it was just his section he refused to work with. He did not refuse to work but refused to work with his section. So I then ordered him to work with his section, and he refused. I ordered him again to work with his section. He had made the remark about preferring to go in to his unit. I told him then that if he went in he would be charged so then once again I ordered him to work with his section. He refused again so I sent him in on the dinner truck under close arrest.

That is all I have to say.

Address for Mitigation of Sentence. By Defending Officer ADC.

I would like to say that you can see from Spr Dickens conduct sheet that in nearly three years service he has had only one crime and has been with the Division continuously since it landed in Sicily, and has had a good record in that time.

The evidence has shown that the circumstances surrounding the charge are based on a disagreement with his NCO. This disagreement made the accused feel that he could no longer work with him. He did work however during the time in question with the remainder of the platoon and did not refuse at any time to work.

Statement by Accused in Mitigation of the time ADC

It was just a disagreement with my corporal and not want to work with I see, but we had to work with 5 section.

SUMMARY OF EVIDENCE in the case of C-33172 Sapper DICKSON, A.D. of the THIRD CANADIAN FIELD COMPANY, R.C.E.

By direction of the Officer Commanding the evidence is taken on oath.

1st WITNESS FOR THE PROSECUTION

Number C-51222 Cpl Doucett, G.T., 3rd Cdn Field Company, R.C.E. having been duly sworn states:-

I am C 51222 Cpl Doucett, G.T. R.C.C. i/c No. 7 Section, No. 2 Platoon, 3rd Cdn Field Company, R.C.E.

At about 1300 hrs 21 Dec 44 my section, of whom Spr Dickson is a part, was beginning to start work in the area 402403 (Italy, 1/50,000 Sheet 89-III), having finished lunch. I was going around the men telling them to start work. When I came to Spr Dickson, I told him to go to work. He did not do so and started to argue with me. He then went to Sgt Jensen, A.D., the platoon sergeant. About five minutes later I heard Spr Dickson talking to some of the other men in the section, over where they were working, by the section truck. I went over to the truck and Spr Dickson complained to me that he had been on guard the night before, and that he shouldn't have been out on works that day. I told him that I did not know who had been on guard the night before, and as he was then out on the job he would have to work. At this point Sgt Jensen arrived and Spr Dickson complained to him. Sgt Jensen ordered Spr Dickson to go to work with my section and Spr Dickson refused. He said he would go to work, but not with my section. Sgt Jensen again ordered him to go to work with my section, and said that if he refused he would be sent back to the platoon billets under close arrest. Spr Dickson again refused to work with my section and Sgt Jensen ordered L/Cpl Wynn of my section to send him back to the platoon billet.

I am M 41309 Sgt Jensen, A.D., Platoon Sgt of No. 2 platoon, 3rd Cdn Field Company, R.C.E.

At about 1300 hrs on 21 Dec 44, two sections of my platoon were working on the road in the area 402403 (Italy, 1/50,000, Sheet 89-III). The party had finished lunch and had begun work. Sapper Dickson came over to me and said that he was through with No. 7 Section, (Cpl Doucett) and asked to be transferred to another section. I told him I was busy and to wait a few minutes.

About five minutes later I went over to his section area and called Cpl Doucett and Spr Dickson aside. I cannot remember just what was said, but I ordered Spr Dickson back to work with his section. He refused. I then asked him if he refused to work and he said he was quite willing to work. I again ordered him to work with his section. He again refused and said he would sooner go in, (meaning return to billets). I again ordered him to go to work with his section and told him that if he refused to work with his section and he was sent in, he would be charged. He still refused to work with his section and so I put him under close arrest and sent him back to the platoon billet.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(1. *RP 35 fn 3.* 2. *MML p 54 para 47.*)

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)
(1. *RP 15(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex ....., initialled and read aloud by the President.(1)
(1. *If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D5 to D8 inclusive of Record Form D on p 3.
