SUMMARY BY DEFENCE

The accused is a young man who enlisted at the outbreak of war, and was at that time 21 years of age. He is now 24. He enlisted voluntarily and came overseas in 1940. He is a young man subject to discipline, away from home and parents. In the period just prior to going absent without leave he had been employed in workshops, interested and enjoying it. He had a motorcycle assigned to him, also a lorry. He was working largely on motorcycles but is not a mechanic. He is interested in the maintenance and repair of transport. He knew the other members of the Workshops section and was getting along well. Shortly before going absent he was transferred to "C" platoon or rather the R.D.I's. attached to "C" platoon, so that he no longer had a motorcycle or lorry. He came to a group of men who were not his particular friends. He did not know them. I am not trying to justify the action he took. He went absent without leave. He is the first to get punished, and is prepared to take punishment. Like all A.W.L. cases he left on the spur of the moment. Just puts off the evil day to come back. However, he did come back and was placed in the guard room, and while there he got word from his girl friend indirectly that she was seriously ill. I doubt that there are many of us that would [redacted] take the action Pte. Dixon took. He chose this way., so he eluded the guard and rushed to her bedside and remained there. That is a natural action, wrong action, granted, but the one a man would take when his loved one is at the point of death and he himself is under guard. First thing he would think of would be "I must get away and see her", and there is the case, purely and simply. He might have been back earlier but postponed the evil day. Finally did come back, gave up, and prepared to take punishment. He was treated not like a Canadian soldier who volunteered and has spent three years in this country, but he was manacled. We shudder to think of prisoners of war. We do it with great reluctance. There are prisoners whose duty it is to escape. This man has never been violent, yet he is handcuffed, sleeps in them, marches down a public highway every day. A Canadian soldier in uniform marching every day 1/4 mile each way to the Orderly Room. Gentlemen, you can't give him any greater punishment than that. - From 28 Sept. 1942 to the present time. He has had a few sores on his wrists. He doesn't worry about that or how the M.O. Bandaged it but to be lead up the street like a murderer as if he did some unforgiveable crime. I submit that he has suffered the punishment and more - the escaping circumstances show he escaped for a reason.

SUMMARY BY DEFENCE (Continued)

Not to make trouble but felt he must go. He is not a criminal but he enlisted to do a duty yet we find him in irons. All I ask you to do is to consider these facts that for over a month he was lead up and down the street in handcuffs. I personnally can't help feeling idignant about this even if he has committed an offence. The authorities say that the punishment should be only sufficient to meet the discipline. We Don't punish for revenge, we rather punish for exemplary purposes, to hold discipline. I feel that it is in the interest of discipline that a very very light punishment should be given.

President to Accused: "To my own satisfaction, what enticed you to go absentw ithout leave first?"

Answer: "I was happy in W/S and was put where I wasn't happy."

Question: The army has to look after many soldiers. They are all given a chance to apply for a talk with their C.O. "How long have you known the girl?"

Answer: "about a year."

Question: "Have you had many week-end leaves?"

Answer: "Couldn't say how many, sir."

Question: "When were you transferred from Workshops?"

Answer: "25 August, 1942, sir."

First Witness for Prosecution.
A 12345 Cpl H. Jones, RWR, sworn, states:
I am a cpl of the pl to which Pte Smith belongs. The accd in Court is Pte Smith. About 1400 hrs on 16 Jan 45 I ordered the accd to go on parade. He refused and did not go on parade.
Cross-exam: He did not say he was sick. (*or*, None.)
Re-exam: None.

RP 83(B) complied with.

2. When a shorthand writer is employed, addresses, statements, evidence and objections need not, subject to RP 95(A), be taken by him verbatim. (*RP* 95 *fn* 1.) If the evidence is taken by him in narrative form, RP 83(B) should be complied with. If taken verbatim, RP 83(C) will be complied with.

3. The record of addresses, statements and evidence will be given a marginal number which corresponds with the number of the para in CF A 96, under which it is taken. Both sides of paper should be used.

(i) Opening address by Defending Offr. (*RP* 60(C), 87(C), 92(C) (*D*).)
(ii) At option of accused, statement by accused (*not sworn or subject to cross-exam by Prosecutor, Court or JA* (*RP* 40 *fn* 10)), or evidence by accused, as to facts or his character or both. (*See RP* 41 *fn* 3, 46 *fn* 1, 80.)

CASE OF

K.79427 Gnr A 9 DIXON E.F. 2 CARU

Before the accused was arraigned the Defending Officer said:

In connection with these charges there are several remarks which I think it is my duty as Defending Officer under RP 52 to bring to the attention of this Court. I intend to repeat these remarks at the end of the case for the Prosecution, but think it may be wise to raise them now so that they may be given full consideration. The first charge is under Sec 40 of the AA and the 2nd charge is under Sec 11 of the AA. The usual procedure is to lay the charge under the specific section of the Act. Here the procedure has been reversed and the charge has been laid under the general section and in the alternative it has been laid under Sec 11. As I understand it Sec 40 should be charged only in two cases, either when there is no specific section of the Act which covers the case or where it is laid as an alternative to some charge under another section of the Act. As to why this has not been done in this case I do not know. I think the Manual of Military Law states or sets this out in the footnotes to Sec 40. It will also be noticed that in the alternative charge under Sec 11 the accused has not been charged with the damage to the vehicle in the sum of £9/5/10. The only reason I can think of for this procedure is that it was felt that the accused, even if guilty of one of the offences, should not be saddled with the load of having to pay the sum of £9/5/10, as same may not have been due to any negligence on his part. In the next place it is my submission that the first charge is bad for duplicity, that is, that it charges two separate and distinct offences, or in the alternative, that it is so vague as to be meaningless and incapable of pleading to. It will be noted that the accused is charged with, firstly, improperly using the vehicle and secondly, using same without authority. It will be noted that the charge is "improperly and (not or) without authority", thus implying two different offences. The word "improperly" cannot be the same as the expression "without authority" else it would be redundant and mere surplusage, hence there must be some meaning given to the word "improperly". By improperly I can conceive that if he were driving negligently or speeding, or that something defective such as no oil, water or with poor brakes or with something else wrong such as a portion of the veh maintenance not complete then he can properly be charged with driving the vehicle improperly, but I can conceive of numerous cases where a person was driving a vehicle without authority but quite properly and also that a person could be driving a vehicle without authority but quite improperly, but when he is charged with both driving improperly and without authority the charge becomes so complex or vague that it is difficult or impossible for me to advise the accused how he should plead. If he were charged with either of the two, that is, either driving a vehicle improperly or driving the vehicle without authority, there would be no difficulty, but at present the accused does not know and cannot know how he is charged, since there are no particulars of exactly what he is charged with. Furthermore, the accused is charged with "thereby occasioning damage". Does this mean that his improper driving occasioned the damage or that his unauthorized driving occasioned the damage? I can see that if he were driving improperly the damage could be thereby occasioned, but I submit that the mere fact of his driving without authority cannot thereby occasion any damage. The word "thereby" must mean that the damage was a logical result of his driving, but surely there was no causuation whatsoever between a person driving a vehicle without authority and between damage resulting? With regard to the second charge in that he did improperly and without authority use this military vehicle contrary to Camp Standing Orders, I repeat in this connection everything I have said in connection and with respect to the first charge of improperly and without authority, but there there are particulars of the charge in that we find that his use was contrary to an order directing all drivers to be in possession of an authorized work ticket. Since the real offence charged, or a gist of it, is that ~~is that~~ he drove it without being in possession of a work ticket it must be that improper and unauthorized driving of this vehicle is due solely to the fact that he had no authorized work ticket. Accordingly, since the second charge is alternative to the first, the real offence must boil down to the fact that the accused drove this vehicle without an authorized work ticket. That being so, I refer back to charge number one and submit that if the accused drove this

vehicle without an authorized work ticket he cannot be charged with thereby occasioning it any damage because same does not logically follow as a result. The mere fact that a person drives a vehicle without a proper work ticket can have absolutely nothing whatsoever to do with that vehicle subsequently being involved in a collision with damage resulting as a consequence of the driving without a proper work ticket. If it should be held that the driving of a vehicle without proper authorization which becomes involved in an accident and that the damage is due to the lack of authorization then does it not follow that if he has a proper work ticket, the vehicle is damaged in a collision, he is not responsible no matter how negligen he may have been. If the damage is "thereby" occasioned by the lack of authority then if he has proper authority the damage cannot be "thereby" occasioned no matter how negligent or improper was the drivin In short, if the law is that an unauthorized use results in or causes the damage for which the accused is legally responsible, surely it must be that the authorized use cannot result in damage no matter how negligently the driver operates the vehicle? So long as he is authorized he is not legally responsible for any damage that occurs. This argument is based on the assumption that improperly and without authority are on the facts of this case the same since the alternative charge sets out that the gist of the offence was the lack of an authorized work ticket, otherwise the word improperly must be taken in its ordinary sense as meaning something improper about the driving itself in which case there are two offences charged. I realize that the form of the charge is in general use and has been set out in a circular sent to the various units. My submission is, however, with great respect, that the charge is bad. It is true that the amendment Note 4 to Sec 137 of the Army Act is as follows "In the case, however, of the continuing wrongful act of improperly using War Department property, e.g., a motor vehicle, any loss or damage happening to such property during the continuance of such the user may be held to be occasioned thereby". It will be noted that this note uses only the word "improperly" and does not use the word "without authority"-------in other words that the meaning of the word "improperly" must be the one I have referred to earlier when there was something defective in the vehicle or negligence in the driving.

1. The objections of the defending offr have been noted and have been the subject of reference to the DJA. On the question of the alternative charge it is considered that in this instance the charge laid under AA Sec 40 is the more serious of the two charges but in order to obviate any doubt there may be on this point I direct that the second charge in the alternative be dropped.

CASE OF

K.74297 Gnr DIXON E.F. 2 CARU

AT 1400 HOURS 19 MAY 44 THE COURT HEARD THE SUBMISSION BY THE DEFENDING OFFICER THAT THE CHARGES WERE NOT IN ACCORDANCE WITH THE RULES OF PROCEDURE. NOTE A.D.A.T.T.

THE COURT WAS CLOSED AND BEING IN DOUBT, ADJOURNED TO CONSULT THE CONVENING AUTHORITY.

THE SAME COURT REASSEMBLED AT 1400 HOURS 25 MAY 44. LETTER FROM CONVENING OFFICER IS ATTACHED.

THE PROSECUTOR PRODUCED A MEDICAL CERTIFICATE.

THE PRESIDENT STATED THAT THE SECOND CHARGE HAD BEEN SPOTTED AND DELETED FROM THE CHARGE SHEET.

THE PRESIDENT STATED THAT WITH RESPECT TO THE OBJECTIONS OF THE DEFENDING OFFICER TO THE FIRST CHARGE UNDER SEC 40 THE COURT DISALLOWS THE SAME AND THE PRESIDENT STATED THAT THE TRIAL WOULD PROCEED. HE ALSO INFORMED THE DEFENDING OFFICER THAT IF HE WAS DISSATISFIED WITH THE DECISION OF THE COURT HIS REMEDY WOULD BE TO BRING A PETITION UNDER KR(CAN) 574 AFTER THE TRIAL HAD BEEN COMPLETED.

THE ACCUSED WAS THEN ARRAIGNED.

D-1 AFTER THE DEFENDING OFFICER HAD ANSWERED "NO, SIR" TO THE QUESTION IN D-1 HE SAID:

" It will be entirely unnecessary to raise any further objections or petitions but I think it only fair to state now that the close of the case for the Prosecution I intend again to repeat the arguments and objections raised at the first hearing with respect to the first charge. I feel, Sir, that not only is this an injustice to the accused but that it is a matter of considerable public importance to the administration of military law in the Army. The matter has unquestionably been raised before and has not only puzzled Prosecutors and Defending Officers but also various Courts that have tried similar charges."

D-3 -PROSECUTION-

FIRST WITNESS

C.10635 Gnr SMITH V, 2 CARU, having been duly sworn, states:

I recognise and know the accused, Gnr Dixon. On Wed night 19 Apr 44 I was out of Camp at Hindhead. On the way home on the Portsmouth road I saw an army vehicle coming. I got in, and recognized Gnr Dixon. He proceeded down the road towards camp. It was raining and suddenly we hit something which we found out later was a truck parked on the road. We were looking out the windshield all the time during the drive so we would not run up on the curb. There was no lights on the other vehicle.

Q. When were you picked up by Gnr Dixon?
A. At 2215 hours, Sir.

CROSS-EXAMINED

Q. You say you did not see any lights on the veh?
A. Definitely not, Sir. If there had been any lights on the vehicle ahead of us I would have seen them. After the collision we were stunned for a couple of seconds.

Q. Did any people come around?
A. Not for about a minute or 2.

Q. Could Cnr Dixon have driven off before the people came up?
A. Quite easily, Sir.

Q. What is your job?
A. DR, Sir.

Q. Have you ever seen any orders posted regarding M.T.?
A. Not until 3-4 days ago.

Q. Were there any instructions whatever about authorization of vehicles?
A. No, Sir.

RE-EXAMINED

Q. Your eyes were on the road all the time?
A. Yes, Sir.

Q. How long have you been a D.R.?
A. About 2 years.

Q. You are acquainted with a little book called M.T. Drivers' Regulations?
A. Yes, Sir.

QUESTIONS BY THE COURT

Q. Was there any soldier in charge of the parked car which was run into?
A. I don't know that, Sir. After we hit I got out of the truck and the other vehicle had gone up the road about 40 or 50 yards as a result of being hit. It was a 15 cwt military vehicle, and I don't know what unit it belonged to.

Q. Were the headlights on the accused's car on?
A. Yes, Sir.

Q. Were they in good order?
A. Yes, Sir.

Q. How fast were you travelling?
A. He was travelling about 20-25 miles an hour, Sir.

Q. Did he do anything in an attempt to avoid the accident?
A. As soon as we hit he pulled his steering wheel hard to the right and put on his brakes.

Q. Did he do anything before he hit?
A. No, Sir.

QUESTIONS BY THE COURT AT REQUEST OF DEFENDING OFFICER:

Q. What is the maximum allowed speed of the vehicle you were in?
A. 30 miles per hour, Sir.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B).

SECOND WITNESS

Lt F.W. TROVELL, 130 LAD, being duly sworn, states:

I am the OC 130 LAD. As OC I assess~~ex~~ the damage on military vehicles. On 25 Apr 44 I assessed damages on a Ford 15 cwt. The vehicle was in the workshop yard when I took command on 25 Apr 44. It was vehicle 856, that is, the last three numbers. The cost of materials was £5/10/10 and the labour £9/15/0

CROSS-EXAMINED

Q. If this vehicle had been driven at any great rate of speed and had collided with an army truck the damage would have been much greater?
A. That is right. The damage would lead one to believe that the speed was not very fast.

RE-EXAMINED

Q. A 15 cwt has a heavy bumper?
A. That is right.

Q. A 15 cwt could be driven at a fairly fast speed and there could hardly be any damage to it, and yet, on the other hand, there could be a great deal of damage to it, is that right?
A. That would depend on the point of contact.

QUESTIONS BY THE COURT

Q. What parts of the vehicle were damaged?
A. The front bumper, radiator grill, and part of the undercarriage was bent,

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B).

THIRD WITNESS

A.31335 L/Bdr WATT, N, 100 Bty 4 LAA Regt RCA, having been duly sworn, states:

I recognize and know Gnr Dixon. The last time I saw him was on the night of 19 Apr 44. I was away from my unit at the time, at 2 CARU. From here I went back to my unit. I was parked on the left hand side of the road heading towards Headley. I was there about a minute when something ran into the back of my truck. It kind of dazed me, but after my truck had stopped I got out as soon as I could and there was one passenger in the back and I went around to see if he was hurt. He was dazed but otherwise seemed all right. I then went down the road to where the other vehicle had stopped. By that time a policeman was also over at this truck. We gave statements to the policeman.

Q. Before you left 2 CARU did you check your lights?
A. Yes, Sir, everything.

Q. When you were parked how were your lights?
A. They were on, Sir.

Q. The police took a statement?
A. From us all, Sir.

CROSS-EXAMINED

Q. Your vehicle was parked on a down hill slope of the road is that not true?
A. I can't say for sure, Sir.

Q. Can you say for sure whether you had both bulbs in both tail lights working?
A. When we left 2 CARU they were.

Q. You are quite sure that your left rear tail light had both a bulb and a reflector in it?
A. Yes, and I am certain of that when we left 2 CARU.

Q. For all you know when you were parked there both of them may have been off?
A. I never got out of the vehicle, although Davis looked at them, and found one of them on.

Q. You don't know whether the other was on or off?
A. It was on when we left CARU.

Q. Do you know if your light on your differential was on?
A. It was not on, Sir.

QUESTIONS BY THE COURT

Q. What was the damage to your vehicle?
A. It was not very much, Sir, the rack was shoved up onto the cab, the tail lights were broken.

Q. What was the weather like?
A. It was raining hard, Sir.

Q. Why did you park at that spot?
A. To pick up some sandwiches, Sir, to eat on the way home.

FOURTH WITNESS

B.47931 Gnr DAVIS, W, 11 Bty 4 LAA Regt RCA, having been duly sworn, states:

I was with Bdr Watts on the night of 19 Apr 44. We were down at CARU on duty. At at 2300 hours we finished, it was dark and raining. Previous to going back he asked me to check both his tail lights and I found them both in good working order and they were both on. Then we proceeded, and on the way home we stopped at a canteen in Grayshott. As I got out of the truck I noticed that the right hand side tail light was on xxxx. WHEN I came back out of the canteen I located the truck about 50 yds down the road where I found out it had been knocked by another truck.

CROSS-EXAMINED

Q. Your truck was parked on a down hill slope?
A. Slightly, Sir.

Q. Did you notice whether the reflector was out of the light?
A. I don't know, Sir, it was too dark.

Q. You are quite positive the right hand tail light was on?
A. Yes, Sir.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B).

FIFTH WITNESS

Police Constable G.H. VERRY, Grayshott Police, having been duly sworn, states:

I recognize the accused and have seen him before. The first time I saw him was about 1015 p.m. in Grayshott on Wed 19 Apr 44. He was the driver of an army 15 cwt truck. I was on duty in Grayshott in company with S.C. Warr. We were walking up to the canteen when I saw a stationary 15 cwt truck parked outside the canteen. The lights were burning on the front of this truck. The number of this truck was CZ 4213930 and it was a Chev. As I was examining this vehicle I noticed the lights of a vehicle coming from Hindhead travelling at a fairly fast speed, on its correct side, and keeping a straight course. I realized that unless it changed course it was going to collide with the parked vehicle. However, it did not turn its course and it collided with the parked vehicle. The force of the impact was such tha

the Chev was knocked about 60 yds down the rd before the driver was able to arrest its progress. In the meantime the Ford truck that hit it had got out of control, swerved across the road and came to rest with the front wheels on the foot path and the rear wheels at an angle on the road, the rear wheels being about 4 feet from the centre white line. I went across to this vehicle which I observed was badly damaged in front and saw the driver Gnr Dixon who was still in the driver's seat, obviously shaken up but otherwise unhurt. His passenger had left the vehicle and was alright. The number of this vehicle was CZ 4208856 and I then walked out to the road to the other vehicle and observed there were no rear lights burning on it then and the rear of the vehicle appeared to be slightly damaged. It was raining very hard at the time and pitch dark and visibility was nil. The road at this spot is 31 feet wide and slopes towards Hindhead in the same direction as the parked car was facing. The Chev drove away on its own power after the accident, but the Ford was towed away. Unfortunately I was unable to notice whether there were rear lights on or not as I never reached the rear of the vehicle at all.

CROSS-EXAMINED

Q. This slope, is a very definite slope is it not?
A. Oh yes, it is, oh yes.

Q. A slope on which you normally apply your brakes?
A. Oh yes, oh yes, yes, yes.

Q. You found this vehicle on the right hand side of the road?
A. Yes.

Q. Could it have been swerved over to that side to avoid the collision?
A. No, it hit the other vehicle square on.

Q. Was there anything unusual about the speed?
A. Under the circumstances I would say it was under the prevailing conditions, but I would say it was being driven as most army cars and trucks are driven through Grayshott at night, but in my opinion it was too fast considering the state of lights, the darkness and the road, yes it was travelling too fast.

Q. When you saw the Chev vehicle after the collision there were no tail lights on it?
A. No.

Q. Did you examine the rear lights at all?
A. I never made a careful examination, but the left rear holder had no bulb in it at all, it was dusty and I would say it never had a bulb in it at any time, but the right light, the whole lamp was there but there appeared to be a brass plate on it.

Q. Was there any socket in the bulb in the left rear lamp?
A. There was no evidence whatever of any bulb having been in it, nor no reflector, nor was there a brass plate on it. In my opinion there had been no bulb in the left rear at all.

QUESTIONS BY THE COURT

Q. What is the maximum speed at which vehicles should be driven through Grayshott during blackout?
A. No vehicle should exceed 20 miles per hour. I would say this vehicle was exceeding 20 m.p.h.

Q. You stated in your evidence that visibility was almost zero?
A. Yes, Sir, almost nil, and with those lights one could not see better than 50-75 yards. It was quite pitch dark and pouring rain.

QUESTIONS BY THE COURT AT REQUEST OF DEFENDING OFFICER:

Q. Don't military vehicles with the noise they make usually appear to be going faster than they really are?
A. In a way, Sir, but I was not paying particular attention to the engine, it was the speed.

Q. Would you have taken steps to stop that vehicle on your own accord if it had not been in a collision?
A. I definitely would have.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B).

SIXTH WITNESS

Special Constable W.A.C. Marr, Headly Road, Grayshott Hants, having been duly sworn, states:

I am a special constable in Grayshott. On Wednesday 19 Apr 44 I was in company with P.C. Varey. At 10.15 p.m. there was a stationary car outside the canteen with its head lights on. Then I noticed a truck coming down from Hindhead way on its correct side. It was very dark and raining out. There was a collision and it knocked the other car down the road about 50-60 yards. The car which came down the road was a Ford, and after the collision it went out of control.

Q. At what rate of speed was this vehicle travelling?
A. Fairly fast.

CROSS-EXAMINED

Q. The Chev truck was parked on a down hill slope?
A. Yes.

Q. You examined the left rear light of the Chev vehicle?
A. Yes, Sir. The near side one had no glass, or no bulb in it at all. The off side one though I don't know.

Q. Would it pass at such a speed that you would have stopped it in your normal course of duties?
A. I don't know, military vehicles go fairly fast through Grayshott and I don't know what means I would have of stopping them. I don't try to stop them. This one was coming fairly fast, as I could tell by the time and space it took.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B).

SEVENTH WITNESS

Lt H. FRIEDMAN, No 2 CARU, having been duly sworn, states:

I recognize and know the accused. I am A/Adjt in 2 CARU of Superior Camp. Gnr Dixon was driver as driver of the FAP, which is the First Aid Post. I cannot remember the number of the vehicle he drives. The procedure for issuing the driver of a FAP truck, he works directly under the supervision of the M.O. and the ticket is signed by the Adjutant or his Orderly Officer. That ticket was only to be used to 5.30, 1730 hrs.

THE PROSECUTOR AT THIS POINT STATED THAT THE WORK TICKET FOR THIS CAR ON 19 APR 44 WAS NOT NOW PROCURABLE. IT WAS SENT TO THE LAD. THE WORK TICKET ACCOMPANIED THE 412 TO THE LAD AND HE SAID HE HAD BEEN UNABLE TO FIND WHAT HAPPENED TO THE WORK TICKET AFTER THAT AND ASKED TO BRING IN SECONDARY EVIDENCE AS TO ITS CONTENTS.

THE DEFENDING OFFICER AT THIS POINT SAID THAT HE ALSO HAD INVESTIGATED THE MYSTERY OF THE WORK TICKET BECAUSE HE FELT THAT IT WAS MORE IN THE INTERESTS OF THE DEFENCE THAT IT BE PRODUCED THAN OF THE PROSECUTION AND WENT ON TO SAY THAT THE STORY HE OBTAINED WAS THAT SOMEWHERE BETWEEN SUPERIOR CAMP, THE M.T. IN ONTARIO CAMP, R.H.Q. in HURON CAMP, THE ADMIN WING IN HURON CAMP AND THE LAD IN HURON CAMP, THE TICKET HAD BEEN LOST.

AND WHAT IT HAD AT ONE TIME OR ANOTHER BEEN IN POSSESSION OF EACH OF THEM, BUT AS TO WHERE IT HAD BEEN LOST, NOBODY SEEMED TO KNOW.

(WITNESS CONTINUES)

I saw this ticket but I have no memory of what was on it for the 19 Apr 44. I do know however that own signature was the last signature that appeared on it that day.

Q. Before the driver of the FAP truck can make a trip after 1730 hours what is the drill?
A. The M.Os signature or the Orderly Officer's signature must be on it, but only for that trip. For each additional trip there must be another signature.

Q. Up to 1730 hours you authorized it then?
A. That is correct.

Q. After 1730 hours what?
A. I did not sign it for any trip after 1730 hours.

CROSS-EXAMINED

Q. You say that you signed this work ticket yourself for trips up to 1730 hours, yet there was nothing on the ticket itself to indicate up to what time you had signed for?
A. No, there was not.

Q. Then up to 1730 hours that is what you understood?
A. That is right.

Q. You didn't indicate that fact to the accused?
A. I can't remember. The vehicle is attached to the FAP.

Q. The officer in charge of the M.T. tells me that that vehicle is on charge to you?
A. The duty vehicle was operating from Command Post, but the FAP vehicle was opering from the FAP, borrowed over my signature.

Q. It might also be used for any other trips between the two camps over your signature?
A. That is right.

Q. This ticket from the appearance of it then was a blanket authorization for trips between Ludshott and Bramshott?
A. THAT IS CORRECT, over the M.O's signature.

Q. Apart from the M.O., the Orderly Officer, and the [redacted] Subaltern could also authorize trips?
A. That is right?

Q. There are two M.Os there?
A. As far as I know there was only one and his name was Capt Guedany.

Q. If the M.O. wanted this vehicle out at Superior Camp he would send for it without authorization?
A. To my knowledge such an occasion has never arisen.

Q. Are there orders posted authorizing the use of vehicles after 1730 hours?
A. I have not been in the M.T. Office at that Camp. The drill is that all drivers read M.T. Regs at least once a month.

Q. Is it not also laid down in orders and in the usual drill that no vehicle shall leave the Camp enclosure without the guards inspecting the work ticket to see that it is authorized?
A. That is correct.

Q. Most soldiers obey orders?
A. Within certain limitations, yes.

Q. If the guards saw your signature on it they would allow it to pass?
A. It is quite conceivable, he would see a signature there. On the face of it there would be an authorization for the vehicle to go out and the guard could pass this as being correct.

Q. How would Gnr Dixon know that each trip required a specific signature?
A. Through his work with the F.A.P. From past experience I understand that all of their drivers had been instructed as to procedure.

Q. How are drivers supposed to know these rules?
A. It is the particular work of the M.T. to provide these instructions, it is the drill.

Q. Did you make out the accident report?
A. The accident report was made out by Capt Howard. I investigated the case and interviewed people preliminarily.

Q. Did you undertake that as your own authority as Adjutant?
A. Precisely.

Q. Did you enquire from the Orderly Officer or the Duty Subaltern the previous evening as to where they had authorized any trips?
A. Yes.

Q. Did you enquuire from the M.O?
A. I am not quite certain.

Q. Did you enquire from the M.T.?
A. No, M.T. has nothing to do with vehicles attached to Superior Camp.

Q. Did you check with M.T.?
A. No, I did not.

RE-EXAMINED

Q. How long had the accused been the driver of the vehicle?
A. About 25 Mar 44. This drill of signing the work ticket authorizing trips up to 1730 hours was in force then. If he uses the vehicle in the evening a new authorization is to be made out.

QUESTIONS BY THE COURT

Q. Can you remember any discussion you had with Dixon before the 19 Apr respecting the difference in drill between 1730 hours and after 1730 hours?
A. No, Sir, I can't.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B).

THE PROSECUTION IS CLOSED.

THE PROSECUTOR STATED THAT CAPT HOWARD HAD LEFT AND WAS NOT AVAILABLE AS A WITNESS.

D-4 SUBMISSION BY THE DEFENDING OFFICER OF NO PRIMA FACIE CASE

I now sih to make a submission to the effect that the charge should be dismissed on the grounds that no prima facie case has been made out. After hearing all of the evidence I still do not know when a charge is laid whether the accused is being charged with driving this vehicle improperly, meaning negligently, on the night in question as a result of which the damage occurred, or whether he is charged merely with driving this vehicle without authority, as a result of which this damage occurred, or whether he has been charged with both driving the vehicle improperly, meaning negligently, and also without authority. If the latter be the case I respectfully submit that the charge is bad for duplicity and with great respect I wish to repeat here the objections taken under RP 32 before the commencement of the trial, which objections form part of these proceedings. I submit also that it should be borne in mind that the alternative charge under Section 11 which has been deleted, in effect charges the accused with driving without a work ticket and even though that charge has been deleted I submit that it should be taken into consideration in construing the meaning of the charge before the Court today. In other words that the accused has been charged with driving this vehicle improperly and without authority meaning only without a duly authorized work ticket and that he did thereby occasion damage to the vehicle. With great respect I submit that it is a logical impossibility for a person to damage a vehicle as a consequence of and as a direct result of driving same without authority, and hence that the charge before us is bad, not merely for duplicity but in the alternative that it is void for uncertainty. Now, dealing with the question of the nature of the accused's driving, it will be noted that the accused is charged not with neglect, but with conduct to the prejudice of good order and military discipline. Now, surely if the ingredient of the offence here were the accused negligently driving he would have been charged with considerable particularity with neglect to the prejudice of good order and military discipline in that he did drive this vehicle so negligently and so forth. There is in fact a circular by the legal military authorities instructing how a charge for negligent driving should be framed and the charge we have had to meet today is certainly not that one. It seems to me incredible to expect an accused person to meet a charge of negligent driving if such was intended without specifying same. Dealing with the facts of this case I feel constrained to admit that there is some evidence before this Court on which they can properly find some negligent driving or some improper driving but I suggest to the Court that there has been no evidence on which they can find that the accused was driving this vehicle without authority. He was in possession of a work ticket signed for the day in question by the A/Adjt of Superior Camp, which, on the face of it, was an absolute authority to travel on the 19th day of April, 1944, between Ludshott and Bramshott. There was no restriction as to time anywhere on this work ticket. It is true that the Adjutant did give evidence that the drill is, by that I suppose he means usual procedure, that such work tickets signed in blank are effective only until 1730 hours and that after 1730 hours a specific signature must be obtained for each trip, yet nowhere was the authority for such a statement produced to this Court, neither Standing Orders or any other order or instruction was produced to this Court as authority for such a statement. Furthermore, there is not the slightest evidence before this Court that Dvr Dixon was ever instructed in this regard. Gnr Smith gave evidence that there were no Standing Orders or Drivers Instructions posted in the M.T., and the Acting Adjutant could not say whether such were posted anywhere where they might be seen by Gnr Dixon. I would suggest to the Court that very often we find in Army procedure that a number of things are taken for granted or that instructions or routines or procedures or drills are taken as understood by everybody, when in fact they are not so understood. Now surely in the case of M.T. vehicles which have given the Army so much trouble and concern, would have some concrete specific terms or instructions so that the matter would not be in the vague, confused situation in which we find it today. I submit that there is considerable doubt in this case as to whether the work ticket which Gnr Dixon had would constitute an authorization or otherwise and I further submit that he should be given the benefit of that doubt. If then it can be said he was driving this vehicle without authority it is my submission that the charge has failed since he is charged with driving it improperly and without authority.

THE PROSECUTOR IN REPLY STATED THAT HE HAD NO INTENTION TO ATTEMPT TO REPLY TO THE LEGAL ARGUMENT OF THE DEFENDING OFFICER, BUT OUTSIDE OF THE LEGAL ARGUMENT HE WAS SATISFIED THAT THE EVIDENCE MADE A PRIMA FACE CASE FOR THE PROSECUTION.

THE COURT IS CLOSED TO CONSIDER THE SUBMISSION.

CHARACTER WITNESS

Lt H. FRIEDMAN, No 2 CARU, on his former oath, states:

Gnr Dixon in all his duties was efficient, prompt and honourable. He was dependable at all times and I considered him to be one of our most willing workers. I found him very conscientious, and I never had any trouble with him about taking vehicles out at night and from what I know of him he is a person I could rely on and trust in any job and I don't believe he would take advantage of his position to use a vehicle improperly. I understand Gnr Dixon is a full blooded Shuswap Indian, and I would have no hesitation in recommending him to come back to the same job.

THE DEFENDING OFFICER STATED HE HAD NOTHING TO ADD ON THE FINDING TO THAT WHICH HE HAD SAID ON THE SUBMISSION EXCEPT:

Even although the Court has ruled against me about the question of a prima face case I wish to submit that the onus is on the Prosecution throughout to prove each and every ingredient beyond a reasonable doubt and despite the fact that the Court withhold that a prima facie case has been made out I respectfully submit that the Prosecution has not discharged the onus upon it.

THE PROSECUTOR IN REPLY SAID HE HAD NOTHING TO ADD TO WHAT HE HAD SAID IN REPLY TO THE SUBMISSION BY THE DEFENDING OFFICER.

THE COURT IS CLOSED FOR A FINDING.

PLEA IN MITIGATION

This soldier as has been given in evidence before the Court is a full blooded Shuswap Indian, has been in the Army for well over 3 years, enlisting in Feb 41, came overseas in December of the same year. His record as disclosed by his MFM 6 is not bad, and on the whole his record is quite good. You have heard the evidence of an officer for hom he has worked. The accused has spent 21 days in close arrest and some 16 days in open arrest and this has been through no fault of his own. I would like to suggest to the Court that it is only fair that all these things be taken into consideration and in view of the fact that there is $9/15/10 involved.

THE COURT IS CLOSED TO CONSIDER THE SUBMISSION

THE COURT IS REOPENED AND THE PRESIDENT ANNOUNCED THAT THE SUBMISSION BY THE DEFENDING OFFICER HAD BEEN DISALLOWED.

SUMMARY OF EVIDENCE

IN THE CASE OF
K 74927 Gnr Dixon E.F.
No. 2 C.A.R.U.

The Commanding Officer directs that the evidence be taken on oath.

FIRST WITNESS for the prosecution

C 10635 Gnr Smith V., 2 C.A.R.U., having been duly sworn states:

On 19 Apr 44 about 2210 hrs I was picked up on the Headley Rd near the Portsmouth intersection by K 74927 Gnr Dixon E.F. who was driving the F.A.P. vehicle CZ 4208856. I have known Gnr Dixon for some time. I stopped him for a lift back to Superior Camp. In Grayshott just outside the forces Canteen a vehicle suddenly loomed up in our headlights. The driver Gnr Dixon jammed on his brakes and pulled his driving wheel hard to the right. The vehicle was too close to miss and we hit the rear right half of the stationary vehicle. I definitely did not see any illuminated rear lights. It was raining heavily at the time. We were travelling about 20 to 25 m.p.h. After hitting the stationary vehicle we moved about 15 to 20 ft on to the other side of the road before stopping.

SECOND WITNESS for the prosecution

Lieut H. Friedman, 2 C.A.R.U., having been duly sworn states:

I am Lieut H. Friedman, Acting Adjutant Superior Camp, 2 C.A.R.U. On the date of the accident, 19 Apr 44, Gnr Dixon was in possession of a work ticket signed by me to cover his duties as driver for F.A.P. Vehicle CZ 4208856. This work ticket was in order for trips to Bramshott until 1730 hrs 19 Apr 44. After that hour the workticket requires an authorized signature for each trip. This work ticket bears no signature for a trip after 1730 hrs. This trip made after 1730 hrs was unauthorized as per Standing M.T. Orders dated 17 Nov 43 signed by Col. Mackenzie Waters, 2 C.A.R.U. para 3. (submitted extract) as Exhibit "A"

THIRD WITNESS for the prosecution

Special Constable W.A.C. Warr, Headley Rd. Grayshott having been duly sworn states:

About 10.15 PM Wednesday 19 Apr 44 I was on duty on Headley Rd with P.C. Verey. As we were approaching the Canteen we noticed an Army vehicle had drawn up on its correct side of the road. I noticed it had its front lights on but could not say if the rear lights were on. This was vehicle CZ 4212930 driven by A31335 L/Bdr Watt H. I noticed another vehicle was coming down the road and fairly fast. I could see that it would hit the stationary vehicle. Constable Verey

called to me to jump back. The collision happened at that instant knocking the stationary vehicle 50 or 60 yds down the road. The impact caused the moving vehicle to temporarily lose control and it stopped on the foot-path and road at an angle. Then I went to the original stationary vehicle CZ 4212930 and found the driver and passenger were all right. Then I examined the near side rear light of this vehicle and found that bulb and glass were missing. So that light could not have been on. I cannot say anything about the offside rear light ~~rear light~~ but it was off at that moment.

FOURTH WITNESS for the prosecution

P.C. 344 G.H. Verey, Greyshott Police, Hampshire, having been duly sworn states:

At 10.15 PM on Wednesday 19 Apr 44 I was on duty in Greyshott Village with Special Constable Warr. As we approached the Greyshott Canteen I saw a stationary Army truck parked outside of this building. It was on its correct side facing Headley. There were front lights burning on it and I stopped to examine it. It was CZ 4212930 and the driver was A 31335 L/Bdr Watt H. 100th LAA Bty, 4 LAA Regt RCA. As I was so doing I observed the lights of an approaching vehicle coming down the road from Hindhead. It was being driven on its correct side of the road at a fairly fast speed. As this vehicle drew nearer the stationary vehicle I observed that it was keeping the same course and realized that unless the driver swerved to his off side there was bound to be a collision. I realized at once a collision was unavoidable, I shouted and jumped back. As I did so the oncoming vehicle crashed into the rear of the stationary vehicle. The force of the impact was such that it knocked the stationary vehicle straight down the road for a distance of 60 yds before the driver was able to arrest its progress.

Meanwhile the other vehicle had got out of control swerved across the road to the offside where it came to rest with the front wheels on the foot-path and the rear wheels at an angle on the tarmac road. The rear side wheel being 4 feet from the white line. This vehicle which had caused the damage was CZ 4206856 and the driver was K 74927 Gnr Dixon E.F. He was still in his seat obviously shaken up but otherwise unhurt. His passenger C 10635 Gnr Smith V. had left the front seat where he had been sitting and was unhurt. The front of this vehicle was extensively damaged. I then went down the road to the other vehicle, CZ 4212930 the driver L/Bdr Watt had left his seat and was examining the vehicle. He was obviously shaken up but otherwise unhurt. I saw his passenger Gnr MacLeod standing in the vicinity of the truck shaken up but otherwise unhurt Back of this truck was slightly damaged. There were no rear lights burning on it.

FIFTH WITNESS for the prosecution

A 31335 L/Bdr Watt, H., 100th L.A.A. Bty, 4th L.A.A. Regt R.C.A. Cdn Army Overseas, being duly sworn states:

I was parked out in front of the canteen in Grayshott on the Headley Road, on the left hand side as far as I could get. I had been stopped there not more than two minutes when I felt a terrific impact on the back of my vehicle which sent my vehcile down the road approximately sixty yards. There were two policemen standing about three feet from my truck before the impact. After my truck had stopped I got out as soon as I could and there was one passenger in the back and I went around to see if he was hurt. He was dazed but otherwise seemed alright. He had been asleep under the tarp in the rear of the vehicle. I then went down the road to where the other vehicle was stopped. I inquired if anybody was hurt there and by that time one policeman was also over at this truck. The policeman then took statements and particulars from us. I then proceeded back to my unit.

ON HIS EVIDENCE BEING READ TO HIM THE WITNESS DESIRES TO MAKE THE FOLLOWING ADDITION,

"Both my tail lights and both headlights were on"

CROSS/EXAMINED BY THE ACCUSED -

Q. "Did you get out of the truck when you were parked there?

A. "After or before the impact?"

Q. "Before"

A. "No"

Q. The bulbs in your tail light were in good working order when you parked there?

A. About ten minutes before the accident when I left No. 2 C.A.R.U. Gnr Day's looked at my tail lights as well as myself and we found them both on.

A-31335 L/Bdr H. Watt

SIXTH WITNESS for the prosecution

B-47931 Gnr Davis W., 100th L.A.A. Bty, 4th L.A.A. Regt R.C.A., Cdn Army Overseas, being duly sworn, states:

Just previous to leaving 2 C.A.R.U., L/Bdr Watt asked me to check the tail lights as it was dark when we left, being about 10. p.m. The lights were working all right so we proceeded back to our unit. On the way back we decided to stop to get some sandwiches in the Grayshott canteen. L/Bdr Watt parked the truck in front of the canteen while I went inside to get the sandwiches. When I returned outside I could not find the truck for a few minutes. Across the road was a vehicle that had the accident with our truck. From there I found that our truck was further down the road where it had been knocked in the collision.

CROSS-EXAMINED BY THE ACCUSED

Q. Did you notice if the tail lights were on when you went into the canteen?

A. The right-hand tail light was on.

B/47931 Gnr W Davis

THE ACCUSED WAS CAUTIONED AS FOLLOWS:

"Do you wish to make any statement or to give evidence on oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you may give will be taken down in writing and may be given in evidence".

AFTER THE ABOVE CAUTION THE ACCUSED ELECTED TO GIVE EVIDENCE AS FOLLOWS:

EVIDENCE OF THE ACCUSED

The accused, K 74927 Gnr Dixon E.F., Administrative Wing, No. 2 Cdn Arty Rft Unit, Cdn Army Overseas, being duly sworn states:

"At about 6 p.m. or just shortly before I went and got the truck and drove it down through camp. I went through the gate after showing my duty F.A.P. work ticket to one of the main gate guards. It seemed alright to him but I know it was not authorized after 5 o'clock except in case of emergency. I then proceeded on to Churt Crossing I spent some time down there. I went into the pub down there and had two beers. Afterwards I took the truck, drove off the road and spent a little while there before coming back.

On the way back, after leaving Portsmouth Highway, on the Headley Road, I saw a man waving his arms on the side of the road and heard him call for a lift. I stopped and picked up Gnr Smith whom I knew. After that we proceeded on down the road. We were going along normally about 20-25 m.p.h. on my side of the road. It was raining quite heavily at the time and I had not noticed this vehicle up ahead. Nor did I see any red lights in front of me. I saw an objecton the road just before it came into my headlights. Then immediately noticed it was a truck. I then applied my brakes and started to turn off to my right to avoid the collision if possible. But it was too late. After hitting the truck we carried on across the road and stopped. I was slightly dazed but quite alright. A policeman came up and took particulars.

No. K 74927 Gnr. Dixon E.F. No. 2. CARU

The Commanding Officer directs that the evidence be taken on oath.

1st Witness for prosecution C 10635 Gnr. Smith V., 2 CARU, having been duly sworn, states:

On 19 Apr. 44 about 2210 hrs I was picked up on the Headley Rd near the Portsmouth intersection by K 74927 Gnr. Dixon E.F. who was driving the FAP vehicle C 74208856. I have known Gnr. Dixon for some time. I stopped him for a lift back to Superior Camp. In Grayshott just outside the forces canteen a vehicle suddenly loomed up in our headlights. The driver, Gnr Dixon, on his brakes and pulled his driving wheel hard to the right. The vehicle was too close to miss and we hit the rear right half of the stationary vehicle. I definitely did not see any illuminated rear lights. It was raining heavily at the time. We were travelling about 20 to 25 M.P.H. After hitting the stationary vehicle we moved about 15' to 20 ft on to the other side of the road before stopping.

2nd Witness for prosecution

Special Constable W.A.C. Warr, Headley Rd. Grayshott, having been duly sworn states:-

About 10.45 P.M. Wednesday, 19th Sept. 44 I was on duty on Headley Rd. with P.C. Varey. As we were approaching the canteen we noticed an army vehicle had drawn up on its correct side of the road. I noticed it had its front lights on but could not say if the rear lights were on. This was vehicle CZ 4212930 driven by A-31335 L/Bdr Watt H. I noticed another vehicle was coming down the road and fairly fast. I could see that it would hit the stationary vehicle. Constable Varey called to me to jump back. The collision happened at that instant knocking the stationary vehicle 50 or 60 yds down the road. The impact caused the moving vehicle to temporarily lose control and it stopped on the foot-path and road at an angle. Then I went to the original stationary vehicle CZ 4212930 and found the driver & passenger were all right. Then I examined the near side rear light of this vehicle and found that bulb and glass were missing. So that light could not have been on. I cannot say anything about the offside rear light but it was off at that moment.

W A C Warr.

The accused declines to cross-examine this witness.

4th Witness for prosecution

P.C 344 G.H Vevy, Greyshott Police, Hampshire having been duly sworn states,

At 10.15 P.M. on Wednesday 19 Apr 44 I was on duty in Greyshott Village with Special Constable Warr. As we approached the Greyshott canteen I saw a stationary Army touch Parked outside of the building. It was on its correct side facing Headley. There were front lights burning on it and I stopped to examine it. It was C 14212930 and the driver was A-31335 L/Bdr Watt H. 100th LAA Bty, 4 LAA Regt RCA.

As I was so doing I observed the lights of an approaching vehicle coming down the road from Hindhead. It was being driven on its correct side of the road at a fairly fast speed. As this vehicle drew nearer the stationary vehicle I observed that it was keeping the same course and realized that unless the driver swerved to his off side there was bound to be a collision. I realized at once a collision was unavoidable, I shouted and jumped back. As I did so the oncoming vehicle crashed into the rear of the stationary vehicle. The force of the impact was such that it knocked the stationary vehicle straight down the road for a distance of 60 yds before the driver was able to arrest its progress.

Meanwhile the other vehicle had got out of control swerved across the road to the off side where it came to rest with the front wheels on the foot path and the rear wheels at an angle on the Tarmac road. The rear near side wheel being 4 feet from the white line. The vehicle which had caused the damage was C 14208856 and the driver was K-74927, Gnr. Dixon E.F. He was still in his seat obviously shaken up but

→ next sheet.

otherwise unhurt. His passenger C106 35 Gnr Smith V had left the front seat where he had been sitting and was unhurt. The front of this vehicle was extensively damaged. I then went down the road to the other vehicle, C 24212930. The driver, L/Bdr. Watt had left his seat and was examining the vehicle. He was obviously shaken up but otherwise unhurt. I saw his passenger Gnr. MacLeod standing in the vicinity of the truck shaken up but otherwise unhurt. Back of this truck was slightly damaged. There were no rear lights burning on it.

Cr Verdict Pg. 340.

The accused declines to cross-examine this witness.

5 #d Witness for prosecution

A 31335 Lt Bdr. Watt H., 100th LAA Bty, 4th LAA Regt RCA, having been duly sworn states :—

I was parked out in front of the Canteen in Greyhott on the Kadoka Rd, on the left hand side as far as I could get. I had been stopped there not more than two minutes when I felt a terrific impact on the back of my vehicle which sent my vehicle down the road approx - imately sixty yards. There were two policemen standing about three feet from my track before the impact. After my track had stopped I got out as soon as I could and the one passenger then was on passenger in the back and I went around to see if he was hurt. He was dazed but otherwise seemed all right. He had been asleep under the tarp in the rear of the vehicle. I then went down the road to where the other vehicle was stopped. Inquired if anybody was hurt there and by that time one policeman was also over at this track. The policemen then took statements + particulars from us. I then proceeded back to my unit.

On his evidence being read to him the witness desires to make the following addition.

"Both my tail lights and both headlights were on".

Cross-examined by the accused.

B 47931 Gnr. Davies W., 100 & 1 AA Bty, 4th L AA Regt. R.C.A. having been duly sworn states:

just previous to leaving 2 CARU, L Bdr Watt asked me to check the tail lights as it was dark when we left being about 10 P.M. The lights were working all right so we proceeded back to our Unit. On the way back we decided to stop to get some sandwiches in the canteen at Greyabbey. L Bdr Watt parked the truck in front of the Canteen while I went inside to get the sandwiches. When I returned outside I couldn't find the truck for a few minutes. Across the road was a vehicle that had the accident with our truck. From there I found out that our truck was further down the road when it had been knocked in the collision.

Cross-examined by the accused.

Q. Did you know notice if the tail lights were on when you went into the Canteen.

A. The right hand tail light was on.

The accused having been duly sworn, states (attached sheets).

Lt Gen Lt Col H.B. Campbell, M.C. R.A.M.C. being duly sworn states.
I was asked by the accused for permission to be called as a witness on his behalf in mitigation of punishment. I have been in medical charge of the accused since he was admitted to the Field Hospital on the 4th inst. He has been suffering from a mild form of psychoneurosis. He is perfectly responsible for his actions. He has the mental age of a boy of 14 years. I would describe him as highly strung and nervous. I would be sorry to see him sent to a C.T.S. as I consider that such a course would be detrimental to his mental health.

Attended to Court

STATEMENT BY B-81654 PTE DIXON G R RCASC/7 WING CTS

I enlisted on Sept 7, 1939 and proceeded overseas in April 1940 to MTVRD, going to 1 RCASCRU in December, 1940. In May, 1941, I was placed in charge of salvage at this unit and as time went on my responsibilities increased until in April of this year I had working under me twenty men, five lorries and was in charge of salvage of five barracks at Farnborough. In December, 1941, I was promoted acting Corporal with pay.

About this time I learned from my mother and the Children's Aid Society of Toronto that my wife was unfaithful and that my four children had been placed by the Society in foster homes. To this day I do not know my children's whereabouts, but the Society has said they are being looked after alright. When this state of affairs became known I tried to start divorce proceedings through the padres, but nothing seemed to be done for me and matters dragged on. About November, 1942, I finally went to Mr. Campbell with the result that forms were filled out and I think that divorce proceedings are now under way. The authorities have written to lawyers in Toronto to start work on it.

At about the same time I was supposed to go to 7 Wing CTS for a course and was paraded to the commanding officer, who said that my rank should be confirmed on account of the good job I had done and he instructed the adjutant to confirm my rank and take me on permanent establishment as soon as possible. However, when the time came for me to go on the course I was told that they wanted me at the unit and couldn't spare me away at that time and so I stayed.

In April of this year, however, another course came up and I was sent on it with the rank of Corporal and no one told me or suggested that I would have to take my stripes down. My brother was going to be married in May and I applied for leave at that time. On the day I left for leave I was told that I was going to be reverted to private and would have to take down my rank at once.

For the last two years I had worked hard and been doing my job the best way I knew and everyone at the unit was pleased with the salvage end of it. My domestic affairs had been a great worry to me - I couldn't seem to get anywhere with the divorce - my wife was unfaithful - I didn't know where my four children were, and when they told me that I had to revert on the day I went on leave, it just seemed that instead of going ahead or even staying where I was, I was just going backwards. When my leave was over I felt so miserable I just didn't go back but as time went on I eventually decided I was only going from bad to worse and so I reported back to 7 Wing.

G. R. Dixon

B-81654 Pte. Dixon, G. R.

19 Jun 43

STATEMENT OF CHARACTER BY LIEUT M. J. CAMPBELL , 1 RCASCRU, IN THE CASE OF B-81654 PTE DIXON, G.R.

Iwas officer in charge of messing at 1 RCASCRU where the accused was employed as corporal in charge of salvage. During the time under which Dixon worked under me I found him to be a most excellent N.C.O. and extremely conscientious in his job. At the end of the period during which he worked under me he was in charge of fourteen men and several lorries and was responsible for the collection, sortation and packing of the salvage of five barracks in Aldershot.Command. The report from the Command Salvage Officer was that our salvage was the best in the command and I attribute this to the excellent work that Cpl. Dixon was doing. In October of last year he was due to proceed on course to 7 Wing CTS but was withheld by the unit on account of the excellent work he was then doing and was considered indispensable at the time due to the complete clearing up of the camp.

About November of last year Cpl. Dixon came to me with a letter from the Children's Aid Society in Toronto regarding their investigation into the welfare of his family. This letter regarded the unfaithfulness of his wife and he immediately asked me to make arrangements for a divorce. I got in touch with the J.A.G. (Legal Aid) at C.M.H.Q. and had the proper forms filled out by Cpl. Dixon. These forms were forwarded to the J.A.G.s branch and they were going to make arrangements for divorce proceedings to be instituted. Cost of divorce was was going to be about $125.00 which Cpl. Dixon was willing to pay.

I am at the present time prepared to employ Dixon IC salvage.

His being sent to 7 Wing CTS was in no way an indication that the unit was trying to get rid of Dixon.

M. J. Campbell Lieut.

ADDRESS ON BEHALF OF B-81654 PTE DIXON G R BY DEFENDING OFFR

The Court has heard the accused tell of the events leading up to and the reasons which caused him to commit the offence with which he has been charged. He has outlined the mental anxiety caused by his wife's unfaithfulness; the fact that his children are in the care of the Children's Aid Society in foster homes somewhere in Canada, their exact whereabouts being unknown to him; the difficulties he has had in institutings proceedings for a divorce. He has told the Court how during the past two years he has always endeavoured to carry out his duties as Salvage Corporal to the best of his ability, and how after an interview with his Commanding Officer he expected that his acting rank of Corporal would be confirmed. He has told the Court how this prolonged mental strain culminated on the day he proceeded on leave from 7 Wing CTS when he was suddenly told he was no longer a Corporal and would have to remove his stripes, and of the feeling of frustration and hopelessness which resulted and caused him to remain absent from his unit when his leave expired.

Lieut. Campbell has given the Court a very good idea of Dixon's worth in his job and has indicated that it was mainly through the accused's keenness and enthusiasm that his unit was commended by the salvage authorities in Aldershot Command.

* - - *

Dixon's MFM 6 discloses no crime whatsoever throughout his service.

On 17 Jun 43 Dixon was examined by Major C. H. Gundry at CHU Standing Medical Board. Major Gundry is area psychriatrist, and has rendered a somewhat lengthy report on this man. Much of the information contained in this report has already been given the Court by the accused. I would like, however, to bring the following extracts to the attention of the Court. Major Grundy notes that Dixon was an inmate of the Orillia School for Mental Defectives between the ages of nine and fifteen, and that from the latter age until he enlisted he was engaged in odd jobs interspersed with periods of unemployment and relief. He says "His judgment and understanding are indicative of mental deficiency. His emoltional development agrees too. It seems to have been very poor judgment to send him to the educational course." He gives details of a mental test to which Dixon was subjected and which resulted in a diagnosis of "Mental deficiency"being made. Major Grundy concludes with this recommendation: "This man's crime was directly related to his poor judgment. His ability to instruct counsel is certainly inadequate. In a strict legal sense he is fit to undergo trial and punishment. Punishment will certainly aggravate his present paranoidal tendencies. If he is not proficient and acceptable at his old job and deserving of his old rank it will be hard to fit him in elsewhere in this country, I feel."

Mr. Campbell has said that Dixon is at the moment thoroughly acceptable to him in his old job. Major Gundry points out that owing to Dixon's mental make-up punishment may result only in rendering him unsuitable for employment in his old job or any job. Dixon right now is an asset. Depending upon the severity of his punishment he may continue to be an asset - or he may become a downright liability. We need all the assets to which we can lay our hand.

I ask the Court, in considering punishment, to award the very lightest sentence possible, not only in Dixon's interest, but in the interest of the Army as a whole.

SUMMARY OF EVIDENCE

in the case of

No. B81654 Pte. Dixon, G.R. RCASC/No. 7 (EDUCATIONAL) Wing C.T.S. C.A.O. charged with being absent without leave from 2359 hrs 9th May 43 until 9th Jun 1943. (Absent 30 days 14 hrs 6 mins.) Army Act Sec. 15 (1).

The evidence was not required to be taken on oath.

FIRST WITNESS for prosecution. K75606 A/Sgt. Hunt-Sowrey, W.W. RCA/NO. 7 (Educ) Wing C.T.S. states:

"I am employed as Provost Sjt. No. 7 (Educ) Wing, CTS. I was on duty on evening 9 May 43 when the accused B81654 Pte.(Then A/Cpl) Dixon, G.R. was due to return from privilege leave at 2359 hrs 9 May 43. He failed to return. I searched the camp area but did not see him. I reported him absent without leave. At 1405 hrs 9th June 43 the accused voluntarily reported to the Guard Room No. 7 (Educ) Wing C.T.S. and handed in his pass. He was clean and correctly dressed. I placed him under close arrest. He was not in camp between 2359 hrs 9 May 43 and 1405 hrs 9 June 43."

"I am employed as Orderly Room Sgt. No. 7(Educ) Wing C.T.S. On 10 May 43 at about 0830 hrs Pte. Dixon was reported to me by Sgt. Hunt-Sowrey as not having reported at the expiration of his pass. I therefore posted him as absent without leave on the daily parade state. Our Daily Order Pt II # 4 d/28 May 43, [redacted] para 10 (attached hereto as exhibit "B") showed Pte. Dixon as A.W.L. from 2359 hrs 9 May 43 and still absent as of 2359 hrs 17 May 43.(8th day) D.O. Pt. II # 5 d/4 June 43 para 9 (attached hereto as exhibit "C" showed Pte. On 9 June 43 I was on duty at the Wing Orderly Room and at about 1440 hrs Sgt. Hunt-Sowrey, Provost Sjt. reported that B81654 Pte. Dixon, G.R. had reported himself at the Guard Room, sober, clean and properly dressed. I immediately phone this information to Records, C.T.S. and from then on I have posted Pte. Dixon on the parade state as being in Unit detention as he was placed under close arrest upon his return to camp.

Lt. R.E. Smith, C.K.E. Phillipsville.

I recognize the accused. At approximately 1700 hours Sunday 3rd Aug 1943 I was in a shop in Phillipsville in the Bloemveld at the time when Sgt Dixon entered I was speaking to the shop assistant. Sgt. Dixon was accompanied by SSM Galloway and Sgt Brownsdale. Sgt. Dixon came up to me and attempted to make conversation with me and the shop assistant in English and French. I was not able to understand what he was attempting to say and told him that he was not capable of speaking either English or French whereupon without warning Sgt Dixon struck a pipe from my mouth which broke the bowl in the middle of the shop. I immediately ordered SSM Galloway to remove the sgt from the shop. what he did immediately.

I was wearing badges of rank at the time.

Sgt Dixon came in in a drunken condition. He was not walking as I should expect a N.C.O to walk. He was rolling from side to side.

.2. Cross examination by defending officer.

There was no suggestion that Lt. Dixon deliberately tried to pick a quarrel with me. When I saw he was drunk I did not immediately go to his friends and tell them to take him out. It did not occur to me that it would aggravate a Canadian to tell him he could not speak english is French. The shop room was approximately 15 ft wide by 15 ft long with a recess at the back. A counter in two sides. left hand side entering and the back. Glass showcases all around. It was not cramped. A modern cigar shop. The window my pipe went through was 1ft 6in from me. The act of knocking the pipe out of my mouth definitely could not have been a gesture.

We had had something to eat and drunk we had purchased and drank white. Sgt. Dixon had also purchased and drank white. The first drink was a cocktail. We had about three of these. I do not know what type it was definitely was not a soft drink. We had been making the rounds about 1½ hrs. We had not visited and then only as a two. We went to a private home & function was [illegible] a bottle of Vin Rosie (Red Wine) was put on the table for the three of us. The three of us drank the wine there. After that I think we all were more or less normal because we started for home. We knew what we were doing and the

I did not interfere because I thought Sgt Dixon might have spoken to Lt. I heard Lt. Smith remark that the accused could not speak either French or English. There was considerable conversation before that. Sgt. Dixon was speaking in French. I noticed the pipe was knocked from Lt. Smiths mouth. I could not say whether by open or closed hand. Sgt Bourndale and I grabbed Sgt Dixon. I ordered Sgt Bourndale to remove him from the shop which he did. Lt Smith ordered me to give him the Br. back home & regiment. I did that and then ~~joined~~ Sgt Bourndale & Sgt Dixon & proceeded back to camp. Lt Smith was wearing badges of rank at the time.

Plea in Mitigation

B 158794 Pte Dixon N.M.

Sir: Pte Dixon appears to have been plagued with domestic worries ever since he joined the army. His wife was very ill shortly after his enlistment and his AWL in Aug 44 was due to the fact that the doctor had ordered that someone be with her at all times. Dixon was unable to obtain help and ~~his absence was caused by this~~ stayed to look after her himself.

When he came Overseas his wife was still very ill and the letter he received from her were not cheerful. She felt he should be able to get home to her. Dixon fought in Italy & N.W.E. with the 48th Highlanders. At all times he ~~had the enemy~~ was worried about his wife's health and how his three children were getting along.

In May 45 he received a letter from her asking for a divorce. This came as a complete shock to him and he immediately wrote asking an explanation and telling her he would try to get home.

He made an attempt to get a compassionate return to Canada but was advised by his platoon officer that he would be returning with the unit in a matter of weeks so dropped the application. However instead of proceeding with the unit, Dixon was sent to 13 Bn for reporting as his ~~period of service was not long enough to entitle him to repat.~~

For several weeks he sat waiting for posting. He had no word from home, his letter to his wife remained unanswered and he had been advised to wait until he reached a new unit before applying for help with his problem. Apparently the constant worry had left this man's nerves in bad shape for he says that one day he

found himself on a street in Amsterdam. On checking up he discovered that he ~~must~~ had been absent for a week — a week about which he can remember nothing. From that his absence went on and on. He says that many times he tried to give himself up but just as he was[illegible] to do so he found himself in a cold sweat from fear of the consequences. He says now he wishes he could have forced himself to surrender long ago.

Dirken's wish is to serve his sentence and return to civil life and she just what is awaiting for him. He does not know what has happened to his wife and family as he has had no word from them for as yet he has not thought he himself has intimate to write.

I would ask the Court to be as lenient as possible with the accused, in order that he may serve his sentence and return to Canada ~~as soon as possible to try to~~ where he hopes to be able to re-establish himself and effect a reconciliation with his wife.

1st Witness for the Prosecution.

727632 BSM T. Riley, Att Ba. Corps Depot, RCAMC having been duly sworn states:

I recognize the accused. On the a.m. of 18 Dec 44 my storeman reported to me that Pte Dixon had "drawn" 1½ more blankets from stores and reported the same thing on the a.m. of the 15 Dec 44. Had drawn 2 more blankets on the a.m. of 15 Dec 44. As several blankets are missing from the stores I am in charge of, I called the assistance of CSM Portman I. who had been previously billeted in de Haan and asked him if he could assist in locating the lost blankets. He left my office and returned about 11 a.m. in company with a civilian tailor. This civilian in company with CSM Portman were placed in a room overlooking the parade ground. The civilian tailor identified the accused as one of the soldiers who had visited his shop the previous night. The accused in company with 2 other soldiers was sent for to parade in my office where CSM Portman asked them if they knew a civilian tailor in the town. They said they did not. The tailor was brought into the office and again identified the accused. CSM Portman asked me to place the accused under close arrest. I know the accused was issued with 4 blankets. The accused turned in 4 blankets when he left. But he had been issued with 5 because he had lost 4. I was present when the tailor identified the accused.

Cross examination:

The accused drew 2 blankets on the 15th and 2 on the 18th Dec 44.

I have a book to prove the issue of blankets to the accused but I haven't the book with me. The accused did not sign for those blankets. I was present on the identification parade in my office.

Re examination:

I am satisfied that the accused was issued with 8 Blankets.

RP 83 (13) complied with.

2nd Witness for the Prosecution

1870112 CSM Portman, I. MM. #1 Commando having been duly sworn states:

I recognize the accused. I made an investigation and went to a tailor's in De Haan. He is Marcel Vanbee. I took the tailor to the Astoria Bldg. I placed him in a room overlooking a parade ground. When a parade formed up I asked him to identify any of 3 men who had been to his shop to sell blankets. He picked out the accused from the parade. I took the accused to the Coy Office and brought the tailor in. The accused said he had no knowledge of the tailor or blankets. The tailor identified the accused. I placed the accused under close arrest. In the afternoon of the same day, 15 Dec 44, I went to the tailor shop again. I was with a Belgian policeman and B/SM Riley and Cpl May of the CMP. I asked the tailor if he had any army blankets in his possession. He said "yes" and produced 14. ~~Eight of them~~ ~~he stated he had bought on the previous evening.~~ ~~Five on Fri or Sat, 15 on Dec; 1 he had bought from a soldier earlier in the week.~~

The 14 blankets in the tailor shop were similar to Army blankets we have in stores. The accused is one of the men pointed out on the identification parade. The accused was placed under close arrest.

Cross-examination:

I had never held an identification parade before. There was Sgt in the room at the time the tailor pointed out the accused. I did point to the accused before the tailor identified him.

RP 83(B) complied with

2nd Witness for the Prosecution

B.37072 Sgt. J. A. Holliday, RCASC att: Calgary Highrs having been duly sworn states:

I recognize the accused, During the a.m. of 19 Dec 44 CSM Portman called me into a room. There was a civilian there. He was pointing at men coming on parade. The CSM and tailor were speaking in French. I identified the accused when they pointed to him. I went and told the Cpl. to bring him into the Office. I am sure that person is one of the men he, the tailor, was pointing at

Cross-examination:

The CSM and civilian were in the room. They were speaking in French. I could not understand it. When I entered the room the civilian was pointing to the accused out of the window.

RP 83(B) complied with

4th Witness for the Prosecution

Mme Marcel Vanbeer, Baron van Calcenlaan 6, Bethaan, Belgium, having been duly sworn states:

I recognize the accuse. I bought blankets from the accused. I bought 8 blankets on

Monday from the accused and 2 others. This Soldiers brought the blankets. He was accompanied by 2 others (Soldiers).

Cross-examination:

Yes it was often dark when the accused and 2 others visited me. Between 7 and 8 p.m. There was a light in the room where I received the soldiers (Three). I didn't know if he was British or Canadian. I don't think I've given evidence under oath before this man before this time. I gave evidence on 27th December in a Military Camp.

By the Court.

I recognize the accused. He is one who sold blankets to me.

Cross-examination Continues:

I had to return the blankets. I bought 14. I gave them back. I was going to use them for my children. I never bought any before. I never saw the accused previous to the 16th. I saw the accused with blankets in his hands that night. RP 83(B) complied with.

D-4

Motion by the Defence:

This tailor has been buying many blankets. I am attacking the credibility of the Belgian tailor as a witness. Therefore I ask for a dismissal on both charges.

Reply by the Prosecution:

I don't see that the disposal of the blankets by the tailor has any thing to do with the case. The Tailor identified the accused and said

to bought blankets from him. The defence is questioning the evidence of the tailor on the ground that the tailor has at several times bought blankets from soldiers. This fact does not impede him in any way from being able to recognize the accused as one of the soldiers concerned with the selling of blankets on night 18 Dec 44.

having been duly sworn states:

On 18 Dec 44 in the evening after 5 p.m. I went to my room. At 1711 hrs. I left the room to get my mail. I returned to the room and read my mail. I left the room at 6:20 p.m. I went to the Canteen at 6:35. At 10 minutes to 7 I went to the Tram car station. From there to the Grosvenor Hotel with a Belgian girl. I stayed there until the Hotel closed and took the girl home. I left her at 11 P.M. I then returned to billets. I know it was 5 minutes to 7 when I met the girl as I lighted my cigarette and looked at my watch. I never saw Harold Vanhee before the identification parade. I did not know he bought blankets. I never in my army career sold anything, i.e. equipment. I drew 4 blankets when I came to the Conv. Depot on 25 Nov. 44. I did not draw blankets on 17 or 18 Dec 44. I had one blanket stolen from me during my stay at 11 Conv. Depot. I never drew a blanket to replace the one stolen. I reported the loss to the O.C. daily Cpl. I turned in 3 blankets when I left the Conv. Depot.

Cross-examination:

I do not know the tailor's shop where Pte. Vanbee works. I was to meet my girl friend at 7 P.m. I walked from the canteen to the Tram station. I walked alone. The Hotel was a fairly good hotel. Drinks are not out of the ordinary expensive at this hotel. I had about 300 Francs at the time.

D, 57794 Pte P. P. Beauchamp, RMR attd. 10 Bde 2 CBRGp having been duly sworn states:

I recognize the accused as Pte Dixon. I saw him at Toc H, the canteen at 12 Corps Depot on night of 18 Dec 44 at 1838 hrs. I looked at the clock as I had a date with my girl friend I asked him if he had seen my girl friend. Pte Dixon left at 1850 hrs. He looked at his watch and said he had to leave to meet his girl friend at the station. I didn't see the accused again that evening. The adjt of 12 Corps Depot employed me as interpreter in a summary of evidence in DeHaan at Hotel Groenevoor. I interpreted the evidence of the Belgian tailor from Dutch to English. I gave a true transcript of the evidence, word for word what the Belgian said. The Belgian tailor ~~stood~~ recognized the accused. The accused was present at the Summary of evidence. The Belgian tailor said he could not remember the face. It was dark on the night of 18 Dec 44. At the summary of evidence he (the tailor) said that a soldier took him to the Victoria Hotel on Dec 18 in the a.m. ~~He stated~~ The tailor told that three soldiers went to his house the night before. Closing address by the Defending Officer

Mr. President & Members of the Court:

The Accused is charged with being concerned in the selling of army blankets. The Belg tailor states that he positively identifies the accused. Pte Beauchamp gave evidence to the effect that the Belg tailor said he could not identify the face of the accused. How then Mr President can the Belg tailor identify the accused if he cannot identify his face. There is conflicting evidence here and I ask the court to carefully consider the credibility of the the tailor as a witness. The defence have proved conclusively that the accused could not have possibly been to the Belg tailors house that night. This is borne out in the statements of both Felice Turgeon and Corporal Budd. All the evidence of Catholic Budd the accused states on oath that he never saw this tailor before and further more that he never sold military equipment during his whole Army Career.

the Baly girl, Felicie Lingier, has only been out with the accused once. There is absolutely no reason why she should perjure herself by giving a false statement. On the other hand the Baly tailor's chief interest was to find the three men that were at his house on the evening of the 18th. It is quite possible for the tailor ~~man~~ to be ~~mistaken in his~~ unintentionally mistaken in the identity of the accused. He ~~only~~ admits he saw the accused only once and then only for a few minutes.

There is absolutely no concrete evidence that the accused drew two blankets on the 17th & two on the 18th. The evidence in this respect is only hearsay. The accused himself emphatically states that he only drew the four ~~blankets~~ blankets that were issued to him on the 21st inst.

Again Mr. President should not the word of a good Ldn soldier and his reliable witnesses be taken over ~~to~~ that of a mere Belgian tailor who is willing to buy blankets from soldiers ~~and~~ ~~I~~ thereby leaving himself open to charge in the Belg Civil courts.

I submit Mr. President, this man is innocent. He is a victim of mistaken identity. In view of these facts and the unjustifiable doubt that arises out of these facts, I therefore ask for an equitable discharge with charges.

W. H. Seely Capt.

Closing Address for Prosecution

Sir:

In summing up the case I wish to ask the court to consider only a few of the most important facts that have already been proved.

The accused is charged with being concerned in the making away by selling public property issued to him for his use.

The first witness has stated on oath that he is certain the accused was issued with the blanket. Sgt Riley has nothing to gain by stating this fact & in my opinion does not require to produce a book with signatures for evidence.

As regards the identification parade I granted that the method

used was irregular - however, the fact still remains that S/s Vaukee did identify the accused as one of the soldiers who came to his shop on the evening of the 18th Dec. S/s identified the accused by printing him out on the parade & later S/s Holiday brought this soldier who had been printed out to the office where S/s Vaukee again identified him. S/s Vaukee has nothing to gain by identifying him & it makes no difference to any taylor from what soldier he buys the blankets. I feel convinced that the only reason S/s Vaukee pointed at the accused was because he recognized him as one of the three soldiers who had brought the blankets to the shop.

As regards the point as to whether Pte Dixon actually held the blankets in his hand — & I feel it makes no

walk from the barracks. There is a break in the time between leaving the canteen & meeting the girl friend. The witnesses are friends of the accused — the exact timing to the minute of all the occurrences is noteworthy. The accused was not under closed arrest on Christmas day & could have seen the witnesses if he chose.

I realize that the accused is entitled to the benefit of any reasonable doubt, & in closing, I only wish to add that if the court feels that such a doubt does exist as regards the first charge I still feel quite confident that there can be no doubt whatever as to regards the alternative.

I thank you sirs.

respectfully submitted
W. T. Adams Lt.

difference whatsoever. The important thing is that Pte Dixon was there & therefore was concerned in the making away with of these blankets

As regards the interpretation during the summary. I feel that since evidence was taken on oath & since Capt Clegg, the adjt. has certified that rules of procedure have been complied with - there should be no doubt re- the facts stated. I might add that just because evidence of a witness speaking in a foreign language is not taken down verbatim - it does not mean that rules are not adhered to.

As regards the alibi for the whole evening - I only wish to point out that ~~the~~ it is not necessary to carry the blankets out the front door - they might be dropped out of a window. The tailor shop is only a few minutes

SUMMARY OF STATEMENT IN MITIGATION, CHARACTER EVIDENCE and ADDRESS OF ACCUSED OR HIS DEFENDING OFFICER.

A.H. Smith Maj

Plea of Mitigation.

B-#6665 Pte John Alexander Dixon.

The accused B #6665 Pte John Alexander Dixon was always considered to be reliable and a hard worker. For 23 years he worked at his one trade as a steel worker and supported his wife and family of five on his monthly earnings of $300 a month.

On 13 May 1940 he enlisted for Active Service with one purpose in mind - to fight for king and country. He was 40 years of age at the time of his enlistment but nevertheless he felt that he would be of some use to his country. He arrived overseas in September of 1940 with the 2nd Div. Supply Coy from Hamilton in the capacity of a fitter in the workshop. He was two years with the field unit but finally because of his age he was sent to the Reinforcement Unit. Here he was rebranded to a C, category, his trades pay was cut off and he was told that he would not be sent back to the field. When paraded before the Personnel Selection Officer he was promised batman's employment but within the week he found himself in the capacity of a sweeping man in the Officers Mess. The man who had worked at such honorable trades as a steel worker and workshop fitter felt himself degraded. He was paraded again before the Personnel Selection Officer

and asked to be put to some steel-mill in England where he could serve his country to a better advantage. He was told that it could not be done.

To add to his grievances and wounded pride he found out through a friend who had just arrived in England that his wife was seen frequenting various pubs in the company of other men. He had received no mail, parcels or cigarettes from her for a year although he himself wrote frequently enough. With one son serving in the East and his eldest daughter working in a munitions plant he realized that his three youngest children aged 6, 7, and 10 respectively certainly could not be getting the motherly attention that they required. Burdened with family troubles, ill-health and lost in despair this man felt that his sufferings were more than he could bear. Something snapped in his mind and acting on impulse he went A.W.L. Gradually he came to his senses. He had a lot of time to think over the wrong he had committed and finally voluntarily gave himself up.

Pte Dixon feels that he could be more useful to his country at his old civilian trade as a steel worker than he would be in any capacity in the army. I suggest that because of his age, his category and his lengthy army service that he be granted a discharge on completion of his sentence so that he can return to Canada to settle his family matters and take up

again the trade that he loves. Would the Court be merciful and deal as leniently as possible with this unfortunate man.

G. M. Archibald Lieut

The Accused added that the recruiting officer refused to allow him to leave his good civilian job until he had had a week to think it over, contacted his employers to have them cancel and the written consent of his wife.

SUMMARY OF EVIDENCE in the case of B-86665 Pte Dixon, J.A. (Cont:-)

Statement by B-86665 Pte Dixon, J.A.

B-86665 Pte John Alexander DIXON, RCASC, having been duly sworn states:

I am B-86665 Pte Dixon, J.A. RCASC, on strength of 1 Cdn A.S.C. Rft Unit, I joined the Canadian Army on 13 May 40 and enlisted strictly for workshops duties as a blacksmith. I was excused all rifle drill and route marches owing to the fact that I have only one bone in my left wrist and flat feet, I was in the field for approximately two years, and was then struck off strength my field unit and taken on strength 1 Cdn A.S.C. Rft Unit where I was reboarded to category "C-1" for the above deformities. The trade pay that I was drawing as a blacksmith was cut off after drawing it for over two years. The reason for going A.W.L. was worrying over my family as I have a wife and five children and my home has been broken up since I came over here which makes me very unsettled. I also have a son in a Highland Regiment somewhere in the East. I also feel that after earning $300.00 a month in civilian life as a steel worker, that I could serve my King and Country to a better advantage in one month than I could in one year in the army at what I am doing now, as I have been a steel worker all my life.

J. a. Dixon
(B-86665 Pte Dixon, J.A.)
1 Cdn A.S.C. Rft Unit.

I hereby certify that the foregoing summary of evidence was taken down by me in writing on the 17th day of September 1943 at 1 Cdn A.S.C. Rft Unit, in the presence and hearing of the accused and that R.P. (c) (d) (e) (f) and (g) have been complied with.

B1. The President ~~or JA, if any~~, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)

(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

PLEA OF MITIGATION

In the case of B 86661 Pte Dixon J A – this man will be 45 years of age in January 1945. He has had a considerable amount of domestic trouble and at the present moment does not know whether or not his wife is alive or has left his four children. His age is 1 to 17 yrs. His record shows no criminal cases, or drunkenness, commencing straight A.W.L., and these crimes appear to date from the time he found out that things were not well at home. He has been a steady worker all his life and learned his trade as a plate worker at home working in this trade. I would ask the Court to consider these things when passing sentence.

SUMMARY OF EVIDENCE

The accused was cautioned as follows: "Do you wish to make a statement or give evidence on oath? You are not obliged to say anything or to give evidence unless you wish to do so, but whatever you say or any evidence you may give will be taken down in writing and may be given in evidence.

The accused declined to make a statement and reserved his defense.

I certify that the foregoing Summary of Evidence was taken down by me in the presence and hearing of the accused and that Rules of Procedure 4 (c),(d), (e), (f) and (g) have been complied with.

Trial of B/81719 Pte Doak, A., 1 Cdn Tp Carrying Coy

Prosecutor: Major L.J.Perry, H.Q., R.C.A.S.C.

Defending Officer: Lieut.E.G.Woodman, 12 Cdn Tp Carrying Coy

Officer under Instruction: Lieut.E.B.Taylor, 12 Cdn Tp Carrying Coy

---

The order convening the court is read in the presence of the accused.

The accused is asked: Do you object to be tried by the President or any members of the Court whose names you have heard read over?

Accused: No, sir.

The President and Members of the Court and the shorthand writer are duly sworn.

The accused answers his name and number and is duly arraigned on the charge.

The accused having pleaded guilty to the charge, Rule of Procedure 36 (B) is complied with.

The accused makes the following statement (not on oath):

Sir, at approx 1930 hrs 16 Jun 41, I went A.W.L. in regard to going to Liverpool. I went to Liverpool to try to secure some information regarding joining the navy. I came across a petty officer of one of the Cdn cruisers. I asked him where I could get information about making application for the navy. He directed me to the best of his knowledge to go to Gourock, Scotland. He said I might be able to secure some information from one of the Commanding Officers. He said I would most likely locate one of these officers in Gourock around the seaport and to get talking to him and ask his information on it. Due to the expense, sir, I could not reach Scotland so I returned back to camp. Previous to this, sir, I had inquired last June of Major Hallom, Officer Commanding 1 Cdn Tp Carrying Coy, for a transfer to the navy. He told me that they had no dealings with the navy whatsoever. He said he would write a letter to the navy asking their information. There was no more heard about it since that day, sir, as Major Hallom, as far as I understand, was sent back home. I have sailed on ships

"B"

previously and understand a great deal of sailing. I have always cared for the navy and my whole family are naval folk -- my father and uncles. I have never cared for the army. I have tried to become a good soldier but just wander away from it. I believe if I could get something to do to occupy my mind -- somewhere where I could do my bit as I have come to do -- I could make a man of myself. As for the army, sir, I do not think I will ever better myself.

I have a mother of whom I am the sole support. She is a cripple. My father is dead. There has been a mix-up in the money somehow, sir. The assigned pay has been cut off from her. She got no Govt allowance. Then I had to sign over $20.00 a month to my one child and my wife gets $6.50 of my own money, making $26.50 a month. I have been away from my wife for seven years and I have never supported her in that time. I feel as though I should be a support to my mother now that she is getting old and has nobody else to look after her.

1st witness for the defence

B/82730 C.S.M. Stuart, J., is sworn and states:

So far as Pte. Doak is concerned I have nothing against him as to character, ability and cleanliness. He is one of the cleanest soldiers I have ever had around me. He has his weak points but so far as soldiering is concerned he is one of the most efficient I have ever had. That is all I can give, sir.

The Prosecuting Officer addresses the Court:

The plea of the accused in mitigation of punishment has no bearing on the fact that he pleaded guilty to having committed an offence of A.W.L. under Sec 15 (1) Army Act. This absence was undoubtedly a wilful defiance of authority and the accused has little or no regard for discipline. It is therefore my duty, gentlemen, to point out to you that if you find the accused guilty, in considering sentence your attention is drawn to M.M.L., Chap III, Section 62 and Section 44, which gives the scale of punishments. The principle is also established in this Div that the number of days the accused has spent in arrest may not necessarily be considered in awarding sentence and that the convening officer has the power to reduce a sentence but cannot increase it. This is a case, gentlemen, where in my opinion the accused should be made an example of.

"B" 4

Prosecuting Officer places in evidence a certified true copy of Field Conduct Sheet of the accused.

Court adjourned at 1445 hrs for consideration of the finding.

Taken down by me to the best of my knowledge and ability at Reigate, Surrey, this 12th day of July 1941.

Prosecuting Officer addressed the Court:

Gentlemen:-

The accused has pleaded guilty to the offence of absence without leave for some twenty days and twenty three hours. In considering the sentence, I would like to draw your attention to the fact that this man deliberately left his unit without authority and his absence can be considered as premedidated - which leaves no alternative but to conclude that the accused has little or no regard for constituted authority and this I put it to you gentlemen, is a wilful defience of military law - and should be taken in the gravest manner. It is our duty to see that discipline is upheld and these cases of Wilful Absence must be severely dealt with.

I leave it to you gentlemen.

Defending Officer addresses the Court:

Gentlemen:-

In the case of the accused, I would plead for leniency in as much as the only charges on his crime sheet were entries for A.W.L. No other charges have been entered against him.

Secondly, this man has applied to his former C.O., Major Mellan who was then commanding I.T.C.C., for a transfer to 5th Gen Hospital. He was assured that this would be done. He paraded four times but nothing ever came of it. This tended to make the accused completely fed up which is perhaps due to his lack of discipline with regard to leaving A.W.L.

Gentlemen I would ask you to consider these facts when passing sentence.

TO: The Court

Sirs:

I quite understand,now the seriousness of this, Absenting myself without Leave,and the mistake I have made in doing so in the past.

I have had a great deal of worry,which has been a mental strain to me. My Father died,previous to the War,leaving me the sole support of my Mother.

I am married,with one child,and since comming over here I have had the strain of Divorce Proceedings,which will be complete in the comming year (March 1942)

My financial position is such that after deducting $26.50 assigned pay per month,I am left with less than two shillings per day.

In closing,I realize the error of my past conduct, and with the comming of the new year,I fully intend to become the type of soldier that will be a credit to my Unit,and the country of my adoption.

In view of this,I ask the mercy of the Court in it's consideration of my sentence.

Q. 26. Is that your writing on that work ticket?
A. 26. Not all of it.

Q. 27. Which part of that entry is your writing?
A. 27. That 11 gals. is definitely not mine.

Q. 28. Is the mileage in your own writing?
A. 28. The mileage entries look like my figures.

Q. 29. How do you come to state that it was 320 miles?
A. 29. Because I know that it was 320 miles.

Q. 30. Then that entry, what is done with it after it is placed there.
A. 30. Our day's entry should go in the log book.

Q. 31. I hand you what purports to be a log book, is that right (handing book to witness)?

A. 31. That is right.

Book tendered Court and Defending Officer, no objection entered as Exhibit "I"

Q. 36. The mileage was -- tell me again what it was.

A. 36. 320 miles.

Q. 37. You got as far as returning here to Aldershot about, I think 8.00 or 8.30, what did you do after that?

A. 37. I went to a dance that evening.

Q. 38. Where?

A. 38. Sergeants' Mess, HQ Sqn, 5 Cdn Armd Div.

Q. 39. Any others of your unit attend?

A. 39. Yes, SM Doak.

Q. 40. Did any of the other occupants of the car attend?

A. 40. Yes, Sgt. Mary Sumner.

Q. 41. Who with?

A. 41. I think she was accompanied by SM Doak.

Q. 42. I want you to go back now to the time before this trip was made, what conversation, if any, did you have with SM Doak concerning this trip?

A. 42. Some time previous, I cannot say how many days, the SM suggested that he might be going to Matlock and I said I would like to be going with him. One reason that we discussed was that we had a little security problem in one of the units of the Division. In addition to that I had a friendly interest in the instructors, only a short time since we came back from there and I would liked to have seen them. I also wanted to see some of the country and get some map reading experience by driving over that part.

Q. 43. What was his conversation with you?

A. 43. I cannot recall definitely any reason that the SM gave.

Q. 44. No reason whatsoever?

A. 44. Except insofar as we agreed on this problem of security in the Division.

Q. 45. You told me just now that he suggested going to Matlock, is that not right?

A. 45. Yes.

Q. 46. Why did he suggest going to Matlock?

A. 46. I suppose because he was thinking about going.

Q. 47. No reason was stated by him, any reason given by him?
A. 47. No, I don't recall any, except that we agreed it would be a good idea to take up the matter I mentioned with the instructors there.

Q. 48. Who was in charge of the vehicle on that trip?
A. 48. SM Doak.

Q. 49. And how much gasolene was used for that trip?
A. 49. 20 gals.

Q. 50. You are sure of that?
A. 50. Yes, I remember we realized quite distinctly that we got just 16 miles to the gallon.

Q. 51. How do you know?
A. 51. Because I checked the amount used.

Q. 52. You mentioned about the Sergeants having a dance the night of 28th Feb?
A. 52. That is right.

Q. 53. How did it come about?
A. 53. Through a mess meeting.

Q. 54. When was the mess meeting held?
A. 54. I cannot recall the exact date.

Q. 55. What mess.
A. 55. Hq Sqn, 5 Cdn Armd Div.

Q. 56. Are you a member of HQ Sqn Sgts Mess?
A. 56. Yes.

Q. 57. Is the accused a member of that mess?
A. 57. Yes.

Q. 58. Were you at that meeting?
A. 58. Yes.

Q. 59. Was the accused at that meeting?
A. 59. Yes.

Q. 60. Can you tell me what business mostly was transacted at that meeting?
A. 60. A good many things, the question of catering, appointment of committees, matter of transportation for the ladies who were invited.

Q. 61. What was said about that?
A. 61. It was agreed that the units would provide it in some cases, transportation for the ladies invited by the members.

Q. 62. Any other ladies?
A. 62. I believe the A.T.S. were mentioned and it was also mentioned that civilians would be invited.

Q. 62. Do you remember anything further about transportation for the ladies?
A. 62. No, except that transportation home would be provided.

Q. 63. Was any limitation placed on how far this transportation would extend.
A. 63. No, not that I recall.

Cross examined by Defending Officer?

Q. 64. You say the entries as to mileage are not your entries?
A. 64. No, I didn't say that, I said the entries of the figures for the 28th look like my figures.

Q. 65. Do you know when that entry was made?
A. 65. No.

Q. 66. Are these entries made at the end of each day?
A. 66. They should be, but it is only recently that I have been given the responsibility of looking after the work tickets.

Q. 67. At this time, Feb 28th, were you in charge of making these out?
A. 67. No.

Q. 68. You stated that several days before this trip to Matlock you had a discussion with the accused about going up, was anything said at that time about the authority for the trip?
A. 68. Yes.

Q. 69. By whom?
A. 69. SM Doak.

Q. 70. What did he say?
A. 70. I went down with SM Doak to visit Mr.Hunter in the Bramshot Hospital. I waited in the car while he went in. When he came out he said "The trip to Matlock is O.K., I spoke to Mr.Hunter and got permission from him?

Q. 71. How many days was that previous?
A. 71. About the 26th.

Q. 72. Just a day or two before?
A. 72. That is right.

Q. 73. Had there been any previous discussion about getting authority for the trip?
A. 72. Only that he mentioned he would have to get authority.

Q. 73. Was that when you first discussed the trip?
A. 73. Yes.

Q. 74. Were you in charge in any way of the vehicle on the 28th Feb?
A. 74. During the trip do you mean?

Q. 75. No, I mean generally?
A. 75. Generally speaking I would say "Yes?

Q. 76. When you say that the accused was in charge of the vehicle you mean just for the trip, he was the senior in rank there?
A. 76. Yes.

Q. 77. To whom was this vehicle charged?
A. 77. To the section .

Q. 78. As far as you know it was not charged to the accused?
A. 78. Yes.

Re-examined by Prosecutor:

Q. 79. You have told my friend that you were in charge of this vehicle generally speaking?
A. 79. Yes.

Q. 80. On this particular occasion, 28 Feb 42, how did it get out of your charge?
A. 80. Because the SM was in the car and he was in charge of it because he was the senior.

Q. 81. How did he come to get the car in the first place from you?
A. 81. He didn't have to get it from me.

Q. 82. How did he get it, just come and take it?
A. 82. Yes, he was in charge of the section.

Q. 83. So he was in charge of the section on 28 Feb 42?
A. 83. I don't suppose technically he was, but he was running the section.

Q. 84. How long had he been running it?
A. 84. About three weeks.

Examined by the President:

Q. 85. You stated that on that date, 28 Feb 42, you went 320 miles?
A. 85. That is right.

Q. 86. Did you go directly to Matlock and return, or go out of the way at all in getting there?
A. 86. As direct a road as we could take.

Q. 87. How do you know the trip was 320 miles?
A. 87. I remember distinctly of checking when we landed at Matlock, was exactly 160 miles. What I said before. It is only a short time since Mr.Hunter made me directly responsible for the log book and work tickets and station wagon. Previously I had only been responsible for the log book and work tickets. About two or three weeks ago Mr.Hunter told me the log book was behind and that from then on it was my responsibility to look after it. I had a great many dates to enter, my name signed to entries probably made by someone else, no way to find out who had got the gas or did the driving so had to make the entries myself, so the mileage as recorded there would not be nearly correct .

Q. 88. This is not a record of what might have happened on 28th Feb?
A. 88. No.

Q. 89. Merely a record over a period?
A. 89. Yes.

Q. 90. Correct as to totals from 1st Jan to this date?
A. 90. Not an individual case but the total is correct and my statement as made in the court of inquiry is correct.

204

Q. 91. You say that this vehicle did 16 miles to a gallon?
A. 91. On that trip.

Q. 92. What is its average?
A. 92. I would say about 12.

Q. 93. On long trips it does better?
A. 93. Yes, and that time not as much mileage as now, it probably needs an overhaul job.

Q. 94. Did it ever do better than 16 miles to the gallon to your knowledge?
A. 94. No.

Q. 95. You mentioned a court of inquiry, you mean a summary of evidence don't you?
A. 95. Very likely that inquiry where a statement of mine taken under oath.

Q. 96. At the sergeants mess meeting at which this dance you refer to was discussed, you stated that some person raised the question of transportation for ladies attending the dance, do you recall who raised that question?
A. 96. No, but there were a good many members who discussed it.

Q. 97. Was any mention made as to who gave authority that transportation would be provided?
A. 97. No, no question about that, seemed to be taken very much for granted.

Q. 98. Had long trips been taken to get ladies for sergeants dances?
A. 98. I wouldn't know, that is the first sergeants' dance I was at.

Q. 99. When you were discussing making the trip to Matlock with the accused, was any mention made of what you were actually going to do?
A. 99. Yes, talked about discussing this security matter I mentioned before with some of the instructors.

Q. 100. Was anything besides that discussed?
A. 100. No, except that it would be good to see the place again.

Examined by Judge Advocate:

Q. 101. When did you first know that Sgt.Sumner was to be picked up?
A. 101. I think it was on the way up to Matlock.

Q. 102. To the best of your recollection you had no knowledge that she was to be picked up until after you had left Aldershot, is that correct?
A. 102. That is correct.

Q. 103. The accused made no mention of it to you?
A. 103. Not that I recall.

Q. 104. Did it come as a surprise to you at that time?
A. 104. Not particularly, we were coming back anyway.

Q. 105. As far as this log book is concerned I am still not quite clear on one or two things there. On what date was it you took charge of the log book?

A. 105. Will you be so good as to tell me the date of the summary of evidence?

Q. 106. 27th April.

A. 106. Just about that time.

Q. 107. I understood you to say that during this period, the latter part of February, that you were most of the time in charge of the vehicles?

A. 107. That is, generally in charge of all vehicles, if the station wagon was to be greased or oiled or changed or anything like that I had to see that it was done.

Q. 108. At that time who looked after the vehicles from the other aspect, the log book and see if work tickets correct and so on?

A. 108. Apparently no one did.

Q. 109. Who did you understand was supposed to look after that?

A. 109. Whoever was driving, quite a few qualified drivers.

Q. 110. With Mr.Hunter away who was the senior present in your section?

A. 110. S.M.Doak.

Q. 111. Do you know what was done with divisional orders when they came into your section?

A. 111. Filed in the office.

Q. 112. Who was in charge of the office at that time?

A. 112. SM Doak.

Q. 113. Were you aware of the existence of any Divisional order limiting the distance that vehicles could be driven from Aldershot on or before 28th Feb?

A. 113. No.

Q. 114. Going back to the log book, there is an entry there for 26th Feb, is that your writing?

A. 114. Yes.

Q. 115. Are those your signatures after the next three entries?

A. 115. Yes.

Q. 116. Were those signed by you at the time or subsequently?

A. 116. Subsequently.

Q. 117. What about the entry for 3d Mar, did you enter that up?

A. 117. No.

Q. 118. I just direct your attention to the entry of 26th Feb, 4935 miles, is that your writing?

A. 118. Yes.

Q. 119. 5090, is that yours?

A. 119. Yes.

Q. 120. Then 1 Mar 42, an entry showing the mileage 5083, you said today you drove 320 miles.

A. 120. Yes, as I said before not knowing the miles exactly for the period tried to split it up.

Q. 121. Did you do that in April?

A. 121. Yes.

Q. 122. Well, you knew that on the 28th Feb you made a trip of 320 miles, why did you not put it in on the date, no entry on that date to account for the 320 miles. Why did you not show it?

A. 122. There was noting so strong in my mind about that Matlock trip when told to fix this book up.

Q. 123. Did you have some responsibility for these vehicles? Did you undertake to fix this book up: 26th Feb mileage 4935, on 1st Mar mileage 5080, then the next March entry is the 7th mileage 6150 miles, over 1000 miles in that last period, and over 1000 in that shorter period from 26th to the 1st, to be accounted for, you realize that don't you?

A. 123. Yes.

Q. 124. So that there is that big jump. Now when you were making up the book to figure out the mileage why didn't you show this Matlock trip?

A. 124. Don't know, no reason why I shouldn't.

Q. 125. I takeiit you tried to figure it out as well as you could.

A. 125. That is right.

Q. 126. And there was no difficulty in fixing the date if it was a sergeants' dance, the first one you ever had.

A. 126. In looking back over the book in trying to fix it up the 28th Feb didn't mean anything to me.

Q. 127. If you were responsible for a vehicle in looking at your log book and finding a strait gap of over one thousand miles that would mean quite a bit to you. You signed opposite these blanks, you fixed up the book for some distance back?

A. 127. Yes.

Q. 128. You signed over the blank pages to account for that gap. I want you to give an explanation to the Court. You say that this trip was authorized so you were all in the clear, yet for something for which you subsequently assumed responsibility you leave a blank of over 1000 miles of which you now say you can account for 320 miles, and you put your signature opposite the blank spaces where the gap exists. You see what I mean.

A. 128. Yes.

Q. 129. Pointing out something that seems on the face of it rather extraordinary the Court would like to have some explanation of it.

A. 129. I cannot explain it. May I have one of those work tickets? (Work ticket handed to witness). There is a March entry here for 5640 for the 28th, on the 26th you see the last day entered (Exhibit H) an entry there of 28th of 5640 miles and the nearest to that in log book is 26th February which goes in the log book 4935 miles, making a d fference I believe of 715 miles.

Q. 130. I point out to you that on this Exhibit "H" there is an entry of 4928 miles which is close to what it is in the log book.

A. 130. 25 there and 35 over here (indicating).

Q. 131. Are those your initials?

A. 131. I initialled that at the summary of evidence.

Q. 132. Whose signature is that (indicating)?

A. 132. SM Doak's. I remember distinctly of pointing out to Mr.Hunterwhen he asked me to incorporate that that the entries of these work tickets were not correct. SM Doak was present when I made that statement. On the 28th an entry made of 200 miles when I knew sao.

Q. 133. Did you tell Mr.Hunter that?

A. 133. Yes.

Q. 134. When was this?

A. 134. At the summary of evidence.

Q. 135. I am trying to get clear on that. You say you told Mr.Hunter that at the time of the investigation in connection with this case?

A. 135. That is right.

Q. 136. There were entries in the log book before that weren't there?

A. 136. I am not sure when I started to catch up on it. I know within a week or two, but don't know how far back I had to go to get the mileage.

Q. 137. Were you running the vehicle for a protracted period without any log book at all?

A. 137. Yes.

Examined by the President:

Q. 138. Was there a permanent driver of this vehicle?

A. 138. No.

Q. 139. No man assigned to the vehicle or the vehicle assigned to any particular man?

A. 139. No.

Q. 140. How many people would normally be driving that vehicle?

A. 140. Four or five. I would like to make my statement clear about those records. When I made my statement at the summary of evidence Mr.Hunter, after I had finished and signed, asked me if I would incorporate in my sworn statement that these work tickets carried entries for 28 Feb and 1 Mar. SM Doak was present at the time. I said "Well, sir, there had been entries for that period but I would not swear that they were correct?

Q. 141. Couldn't you tell when other entries for that period were made in the log book if not exactly correct why not carried forward. Normally you take these from your work tickets?

A. 141. Not necessarily. The mileage entered in the log book for any day shows the mileage that the car did on the speedometer at the end of that day. Naturally the next morning it starts with the last night's reading and so entered in the log book. That is only the complete mileage for that day.

Q. 142. Normally shouldn't all trips shown on the work tickets be in the logbook and brought forward in a correct form?

A. 142. Do you mean each entry or the total of them?

Q. 143. The entry for each day.

A. 143. Yes.

Q. 144. Why wasn't it done for these dates?

A. 144. I don't know, I was not responsible for that logbook at that time.

Q. 145. Why didn't you do it when you became responsible for correcting the logbook?

A. 145. Maybe because it had been partly entered and I started from then on, I don't recall exactly where I started in the logbook.

Q. 146. During this period that we have been talking about, on the 26th Feb an entry in logbook 4935 up to March entry 6150 miles were there any other trips that you know of taken by this station wagon?

A. 146. None that I was on.

Q. 147. When you made this logbook did you know of any other trips?

A. 147. Yes, I believe the station wagon went back over the same road the next day.

Q. 148. That would be a total of 640 miles in two days?

A. 148. That is right, I was not on that trip but I am pretty sure that it was made.

Q. 149. Where was the logbook at this time?

A. 149. I think it used to be in the car.

Q. 150. On a trip of that length would it be necessary to refill the tank?

A. 150. No.

Examined by a member:

Q. 151. How many gallons does that station wagon hold?

A. 151. Ten gallons.

Q. 152. It holds ten gallons?

A. 152. Yes, ten to twelve.

Examined by the President:

Q. 153. When vehicles were refueled was it the practice to enter the logbook up?

A. 153. That logbook definitely was neglected, we should have entered each gas issue in the logbook.

Q. 154. Who should have?

A. 154. Whoever got it.

Q. 155. On this trip then whose responsibility was it?

A. 155. I believe I filled up.

Q. 156. And it was your responsibility?

A. 156. Yes, I should have entered it.

Examined by a member:

Q. 157. Where did you get the petrol?
A. 157. We took tins of petrol with us.

Q. 158. You took it with you somit was not necessary to draw any during the trip?
A. 158. No.

Q. 159. Your answer then is that you didn't draw any petrol on the way back?
A. 159. Yes.

Q. 160. You have referred to making up this logbook at some recent date, would the same refer to work tickets?
A. 160. No, I didn't make them up.

Q. 161. When you went on this trip did you have this work ticket with you?
A. 161. I am not sure.

Q. 162. Did you have any work ticket with you?
A. 162. I think we must have.

Q. 163. Can't you recall whether you had a work ticket or not?
A. 163. The usual thing is to have a work ticket and log-book both in the compartments of the dash.

Q. 164. This is stamped I suppose with the Orderly Room stamp, "23 Feb 42" is that the usual practice to stamp them like that?
A. 164. I think that was made out by the clerk.

Q. 165. Do you know whose writing this is down here in column one?
A. 165. No.

Q. 166. If there was another work ticket used for this trip what would have happened to it?
A. 166. It should have been left in the office.

Q. 167. Can't you say whether this was the work ticket or not?
A. 167. That is the work ticket that covers that period. I can't say that is the one we had in the car.

Q. 168. When would this be made up?
A. 168. On the date it is stamped there.

Q. 169. These figures and times taken, mileage, on right hand side, when would they be entered?
A. 169. Should have been entered on date stated in left hand column.

Q. 170. You said the figures looked like your own figures, if they were your own figures when would you have entered them?
A. 170. I would have entered them on the correct date?

Q. 369. You say that orders after they are stamped go into the OC's office, is that right?

A. 369. Yes, that is the normal procedure.

Q. 370. We will confine it to a time with my friend's permission. Who w uld they go to for perusal during the month of February?

A. 370. I can only speak from the 25th Feb?

Q. 371. All right, who would they go to?

A. 371. When I took over my duties there were no entries of incoming mail made since 9th Feb, a great amount of incoming business unfiled and unstamped.

Q. 372. Was it open?

A. 372. Open in two baskets on the Orderly Room Clerk's desk.

Q. 373. How long have you been a member of this 7 Cdn F S Sec?
A. 373. Since 9 Dec 41.

Q. 374. During the month of Feb who was in command of the 7 Cdn F S Sec?
A. 374. SM Doak.

Q. 375. Do you know personally what is in those orders?
A. 375. There is one order in there pertaining to transport.

Q. 376. Do you read these orders?
A. 376. Yes.

Cross examined by Defending Officer:

Q. 377. Is this copy of the Orders (Exhibit K) from your office?
A. 377. Yes.

Q. 378. This copy does come from your office?
A. 378. Yes, to the best of my knowledge this is the copy.

Q. 379. Is there an orderly room stamp on this copy?
A. 379. No, this copy was received in the office before I took over.

Q. 380. Then I take it that a number of them didn't have the Orderly Room stamp on them?
A. 380. Most of the incoming business during the month of February had no stamp on it, the Orderly Room was only organized 1st March.

Q. 381. You mention a system of mail coming in being stamped and going to the CO?
A. 381. Yes.

Q. 382. When was that system instituted?
A. 382. This way from the 1st March. I instituted stamping incoming business and numbering and typing. Since about two weeks ago Mr.Hunter initials all incoming business so that before I file any correspondence away I make sure that Mr.Hunter's initials are on all copies.

Q.383. But that system took final form only two weeks ago?
A. 383. Yes.

Q. 384. During the month of February I take it that that system did not exist?
A. 384. No.

Q. 385. From your personal knowlegde, before the 25th Feb you didn't know what system there was?
A. 385. No.

Q. 386. When did you read that particular order?
A. 386. That I don't know.

Q. 387. Could you give me some idea of how long after taking over this job that was?
A. 387. It took me a few days to organize all documents that were lying about to be filed away so I gather it must have been some time after 1st March when I finally got most of the business straightened away.

Q. 388. You cannot say this was there before the 1st March?
A. 388. I cannot say for sure and it is impossible to recall which particular document what I seen and read, I cannot say for sure.

Q. 389. Can you say that all those papers on the desk didn't go in to the CO or A/CO?
A. 389. The CO's office at that time was not used. Mr. Hunter was away in the hospital. The incoming business filed in the two baskets for that purpose on the Orderly Clerk's desk.

Q. 390. As far as you know this order may not have been there before 1st March, is that true?
A. 390. I cannot say anything on that.

Q. 391. Even if it had been there you couldn't say if it had been passed to the SM?
A. 391. I couldn't say.

Q. 392. When you refer to SM Doak as the A/OC just what do you mean by that?
A. 392. That ay be an error on my part. That was my personal opinion. Have seen nothing written that he was A/OC.

Q. 393. He was just carrying on?
A. 393. Carrying on with his duties.

Q. 394. Have you a file of Divisional Orders in your office?
A. 394. Yes.

Q. 395. Is that file complete?
A. 395. When I made up the file and looked for missing numbers as far as I recall a copy of Divisional Orders were missing.

Q. 396. Do you know which they were?
A. 396. I don't know.

Q. 397. What did you do then when you found numbers missing?
A. 397. Referred that to SM Doak.

Q. 398. Do you know if additional copies were obtained?
A. 398. To the best of my knowledge the file is complete now.

Q. 399. At the time you took over the job was there a file of Divisional Orders?
A. 399. I believe there was but I am not sure.

Q. 400. Could have been this particular one that was not on file, is that true?
A. 400. When I took over?

Q. 401. Yes, or when you saw it?
A. 401. No.

Re-examined by Prosecutor:

Q. 402. I gather from your evidence that Mr.Hunter was OC and is now the OC of the 7 Cdn F S Sec.
A. 402. Yes.

Q. 403. And who was next to him in seniority?
A. 403. SM Doak.

Q. 404. Was he when you came to the section in December of 1941?
A. 404. Yes.

Q. 405. You mentioned to my friend about Mr.Hunter's office not being used while Mr.Hunter was away, that is the CO's office was not being used while Mr.Hunter was away?

A. 405. It was not being used, SM Doak conducted his duties in the Orderly Room.

Q. 406. Where is your desk in the Orderly Room?

A. 406. There are two desks in the Orderly Room, one with a typewriter on it, the other officially the SM's desk.

Q. 407. How far away from the desk with the typewriter on it is SM Doak's desk?

A. 407. The desks are in a position similar to this table here and that table there (indicating two tables in courtroom).

Examined by the President:

Q. 408. When these Divisional Orders came in if there was some action that should be taken as a result of the order who then in the section issued the orders?

A. 408. The person in charge of the section.

Q. 409. That would be Mr.Hunter when he was there?

A. 409. Yes.

Q. 410. During the period that he was away who would that be?

A. 410. SM Doak.

Q. 411. Do you know of your personal knowledge that he read these Divisional Orders?

A. 411. I don't know, I can't say what time they came in. These orders came in the 25th and are dated to 19th.

Q. 412. Did you ever speak to SM Doak about any Divisional Orders, about the items in them?

A. 412. Not that I recall.

Q. 413. You never checked to see if orders were being carried out?

A. 413. No.

Q. 414. You never drew SM Doak's attention to any particular item in them?

A. 414. I can't say that I did.

Q. 415. Did anybody pay any attention to these Divisional Orders in the section?

A. 415. Anything pertaining to members of the section was published in Part I Orders.

Q. 416. What Part I Orders?

A. 416. 6th Hussars.

Q. 417. Do you know what the general rule was with reference to the opening of mails to the time when you came in as Orderly Room Sergeant?

A. 417. The Orderly Room clerk generally opens the mail, or the SM, except envelopes marked "Secret"

Q. 418. I said prior, I meant from the time you took over?

A. 418. That would be me or the SM.

Q. 419. Think you or the SM opened the mail?
A. 419. Yes.

Q. 420. Prior to 25th Feb you were not in the Orderly Room?
A. 420. No.

In the opinion of the Court and the Judge Advocate it is not necessary to comply with R.P. 83 (B).

The witness withdraws.

6th WITNESS FOR Prosecution:

K-22087, Sgt.D.A.Robertson, CAC, sworn, examined by the Prosecutor:

Q. 421. Will you give your number, rank, name, and unit?
A. 421. K-22087, Sgt.D.A.Robertson, CAC.

Q. 422. What position do you hold in the Army?
A. 422. Clerk to DAQM, Hq 5 Cdn Armd Div.

Q. 423. What mess do you belong to?
A. 423. Hq Sqn Sergeants' Mess.

Q. 424. Do you recall 28 Feb 42?
A. 424. Yes.

Q. 425. What brings it to your memory?
A. 425. That was the night of our Sergeants' Mess Dance.

Q. 426. What mess?
A. 426. Hq Sqn Sergeants' Mess.

Q. 427. What was the origin of that dance?
A. 427. I don't understand your question.

Q. 428. How did the dance originate?
A. 428. We had just opened our mess about 6th Feb and we decided that would be called our opening night dance.

Q. 429. "We decided" what do you mean?
A. 429. The committee, I happened to be on the committee at that time.

Q. 430. What committee?
A. 430. The mess committee.

Q. 431. What arrangements were made for that dance?

Judge Advocate:- Aren't you getting just a little far afield. I any arrangements were made in the presence of the accused they should be established, but I don't think this will help the Court.

Prosecutor:- If the Court wants to know I can tell you.

President:- Has it anything to do with the case itself?

Prosecutor:- Yes.

Judge Advocate:- There may be further questions as to its admissibility as to such time the accused was shown to be present when arrangement was made. It may be quite proper and quite useful.

Q. 432. Do you know the accused?
A. 432. Yes.

Q. 433. Do you recognize him here in this room?
A. 433. Yes.

Q. 434. Where?
A. 434. At the end table (pointing to accused).

Q. 435. Did you see the accused at the dance 28th Feb?
A. 435. Yes, I remember seeing him there?

Q. 436. How did he come to be there?
A. 436. That I cannot tell you.

Q. 437. Is he a member of the mess?
A. 437. Yes, he is a member of the mess.

Q. 438. You have told us that the committee arranged the dance.
A. 438. That is right.

Q. 439. Upon what authority?
A. 439. We were permitted to hold the dance by the OC Sqn, at that time Major Paterson.

Q. 440. What was the first thing that happened regarding the dance?
A. 440. One. procuring women; two, transportation of women to and from the dance. The idea of the dance was the unanimous opinion of the members.

Q. 441. When was it the unanimous opinion of the members do you remember?
A. 441. It is over a period cannot tell you the exact time.

Defending Officer:- The accused is charged with the improper use of a vehicle. We seem to be getting into the question of a dance and I don't have any idea what it is for, but can scarcely see how it is related to the charges before the Court.

President:- Major Andrew, I think you are straying away from the subject matter of the charge in your questions.

Prosecutor:- There is a question of authority.

Judge Advocate:- You are asking the arrangements of the dance and where the idea originated. That doesn't bring anything home to SM Doak. If it is something about the arrangements relating to him it might be all right.

Prosecutor:- I am trying to get something to corroborate a statement made by two other witnesses.

Q. 442. Was the accused present at any of these meeting regarding arrangements for the dance ?
A. 442. Yes.

Q. 443. And what business was transacted at that particular meeting?
A. 443. At the particular meeting I remember SM Doak being present, it was just general discussion as to how to get the dance moving, the decorating, procuring of a dance band and who was going to look after particular items in connection with the dance.

Q. 444. And what are some of the particular items?
A. 444. The bringing together of women at the dance, the necessity for transportation.

Q. 445. Regarding transportation, what was said and discussed?
A. 445. It was going to be left entirely in the hands of TQMS Scattergood who at a later date couldn't handle it and it was passed over to SSM McKinnon.

Q. 446. Do you remember anything made at that meeting about transportation?
A. 446. My knowledge is practically nil of that.

Q. 447. You have said that you were with the DAQM?
A. 447. Yes.

Q. 448. In what capacity?
A. 448. As his clerk.

Q. 449. I produce and show to you what purports to be a record book of some kind, can you tell me what it is? (Hands book to witness).
A. 449. This is the outgoing register from 31 Jan 42 to 5 Mar 42 of our headquarters, where all correspondence leaving the headquarters is entered.

Q. 450. All correspondence?
A. 450. Yes.

Q. 451. Are you familiar with that book?
A. 451. Yes.

Book in question submitted to the Court and the Defending Officer.

Defending Officer:- I would like to ask just how this witness is producing this book; as an NCO in charge of the book, or as one who made the entry.

Prosecutor continues examination:

Q. 452. What connection have you personally with anything in this book?
A. 452. Personally I have no charge of the book with the exception that we are to see that all correspondence from our branch is entered in the book. The chap who entered that could be either of two people, either Tpr.Shepherd or Tpr.St.James.

Q. 453. Where are they now?
A. 453. Tpr.St.James is now our mail clerk at headquarters and Tpr.Shepherd with the 7th Employment Platoon.

Q. 454. Where are they now at this time?
A. 454. I don't know.

Q. 455. And that was entered by whom?
A. 455. Either Tpr.St.James or Tpr.Shepherd.

Defending Officer:- That is merely hearsay evidence and the person making the entry will have to be called.

The Court rules that there is not sufficient evidence to permit the book to be produced by this witness and does not allow it to be entered.

The Defending Officer declines to cross-examine.

In the opinion of the Court and the Judge Advocate it is not necessary to comply with R.P. 83 (B).

The witness withdraws.

Prosecutor:- I wish to get in the record Divisional Order 111 of 19 Feb 42.

There being no objection by the Defending Officer the Prosecutor reads into the record Div Order 111, 19 Feb 42:

"Transport. Use of Transport:- In view of the necessity for economy in the use of transport no Canadian military vehicle (incl staff cars and sta wags) will be used beyond a 25 mile radius from Formation HQ without permission from the Brig Comd in the case of Armd Bdes and Sp Gp and GSO (I) or AA&QMG in the case of Div Tps"

Prosecutor:- In view of the fact that I wish to produce evidence to show that this order was delivered to the 7 Cdn F S Sec. I would ask the Court to give me leave for an adjournment to produce the necessary evidence. Under the circumstances which have arisen I, as Prosecutor, have had no fair opportunity of producing the same and have been prejudiced in the preparation of my case. Now, gentlemen, I ask for that adjournment on those grounds. I will then be prepared to go on and close the prosecution if that evidence is produced. It is essential to my case that I can show that that order arrived on a certain date and that notice was given of the order to whoever had command of the unit at that time.

President:- What witnesses do you wish to call?

Prosecutor:- I wish to call the OC Div Sigs, the despatch rider who delivered the order, the AA&QMG, the person who under his command is in charge of the Central Registry, the party who made the entry in the Central Registry record book of the despatch to the Sigs of the correspondence for 19 Feb 42 to the 7 Cdn F S Sec.

President:- When can you have those witnesses here?

Prosecutor:- One witness is on leave, don't know when he will return; the AA&QMG is away with the GOC and may be back with the General tomorrow; one man is in the hospital, don't know when he will be back. I would say a week to ten days.

Judge Advocate:- What is the position of the accused.

Accused:- Under open arrest.

Prosecutor:- At this point here, there is Mr.Hunter whom I was intending to call, but at this point he can give no evidence. He was not there, he was in the hospital. I may call him before the prosecution's case is closed but I want this evidence.

The Court directed that the Prosecutor and the Defending Officer confer together and ascertain whether or not it is possible for the Defending Officer to make a Admission that the order in question was delivered to the 7 Cdn F S Sec on or about 19 Feb 42.

At 4.00 o'clock the Court adjourned until 9.00 o'clock, 16 May, 1942.

On 16 May, 1942, at 9.00 o'clock, the Court re-assembled pursuant to adjournment, present the same members as when adjourned.

The Prosecutor and Defending Officer admit that:-

(a) Envelope No. 2245 was sealed in Central Registry, Hq 5 Cdn Armd Div, and contained the following documents addressed to 7 Cdn F S Sec:-

(1) Div Orders dated 19 Feb 42.
(2) Document dealing with discipline, file 5-20/A dated 20 Feb 42.
(3) A secret document, file 25-2.

(b) Such envelope No. 2245 was delivered to the Signals Office, Hq 5 Cdn Armd Div.

(c) This envelope was despatched from the Signals Office and a receipt for its delivery returned to the Signals Office on 21 Feb 42 for checking.

No objection to admission by the accused.

The trial is continued.

Seventh Witness for Prosecution:

Prosecutor states and Defending Officer admits that R.P.76 has been complied with.

Lieut.H.A.Hunter, 7 Cdn F S Sec, sworn, examined by Prosecutor:-

Q. 456. Will you give your initials and name?
A. 456. H'A'Hunter.

Q. 457. Of the 7 Cdn F S Sec?
A. 457. Yes.

Q. 458. Do you know the accused SM Doak?
A. 458. Yes.

Q. 459. Do you see him here in the courtroom?
A. 459. I do.

Q. 460. Do you recognize him?
A. 460. I do.

Q. 461. How long have you known the accused?
A. 461. I have known the accused since approximately the end of June, 1941.

Q. 462. And how did you come to meet him?
A. 462. I first met him when he was engaged in duties at Hq 5 Cdn Armd Div.

Q. 463. What duties has he now?
A. 463. CSM, W) II, 7 Cdn F S Sec.

Q. 464. When did he become that?
A. 464. He became A/CSM on 24th or 25th Oct 41, and was subsequently confirmed 14 Feb 42.

Q. 465. You mentioned he came to the section will you describe what you mean by the section?

A. 465. A Field Security Section consists of one officer of the rank of Captain or Lieutenant, a WO II with rank of CSM, two sergeants, four corporals, and six lance-corporals and one batman-driver. It is a small section, self-contained, with a serial number of its own, and works under the general direction of the "G" staff of Div HQ.

Q. 466. How many altogether in the section?
A. 466. At present, 13.

Q. 467. How many are you supposed to have?
A. 467. 15.

Q. 468. How long have you been in command of the section?
A. 468. Went up to Camp Bordem, Ontario, as Field Security Officer, 5 Cdn Armd Div, 5 May 1941.

Q. 469. You have been Security Officer since that time?
A. 469. I have.

Q. 470. Do yourrecall 28 Feb 42?
A. 470. I do.

Q. 471. Where were you on that date?
A. 471. I was in No. 15 Canadian General Hospital.

Q. 472. How long had you been there?
A. 472. I went in on 2 Feb 42 and came out 23 Mar 42, seven weeks in all.

Q. 473. What happened to the section during your absence?
A. 473. At the time I went into the hospital I took the matter up with G 2, Div HQ. At that time I was under the impression that I would be in hospital for a period of only ten days, and it was satisfactory to G 2 that SM Doak act in my absence.

Q. 474. Act as what?
A. 474. In charge of the section. At that time there were no Field Security Officers ava lable from our own pool as at that time it was not established.

Q. 475. What normally is the position of SM Doak in the section?
A. 475. He is the senior in the section, ranking next to myself. Normally in a Field Security Section the CSM is responsible for the office administration and routine matters of the section.

Q. 476. What have been the duties of the accused during the months of February and, we will say, March?
A. 476. He was acting in my place as OC Sec at that time as well as being in charge of the general administration. At that time the matter cropped up of having detachments on various units in the Division for security instruction and delivering lectures, and checking up on security generally within the Division.

Q. 477. Can you tell me what duties he would have regarding the administration of the section?
A. 477. He would be responsible for the administration of the office, the submission of returns and matters of that nature, the provision of transport and the handling of transport in the section, and also in

matters dealing with security problems. Minor matters in a security section. There are certain documents come in on security investigations that are to be opened by officers only.

Q. 478. He wouldn't open those?
A. 478. Those are to be opened by me.

Q. 479. As far as you have told me about the administration, he would perform those duties while you were present?
A. 479. See that they were performed, check up on them. A good deal of the administration was usually done by one of the NCOs, Cpl.Sutcliffe, who has since left the office.

Q. 480. You did say on your instructions whatever was done?
A. 480. The arrangements actually weren't under my instructions, they were under G 2, but I had discussed the matter with the SM and suggested that he contact Major Murphy who would make the necessary arrangements with the Brigades and I understand SM Doak contacted the Brigades as well with a view to having personnel attached for security duties.

Q. 481. In this administration end of it, can you tell me anything about correspondence, what happens to it?
A. 481. The correspondence comes through the Central Registry at Div HQ.

Q. 482. I mean just what you know about it in your own section.
A. 482. Entered in the incoming mail ledger, the outgoing correspondence is entered in the other half of the book as it goes out.

Q. 483. What happened to the correspondence in the months of January and February to your knowledge?
A. 483. Entered during the month of January and was entered up till the time I left in February.

Q. 484. I now produce and show to you what purports to be a record of incoming mail, is that right?
A. 484. That is right.

Q. 485. What is that really?
A. 485. That is a record of every letter that comes into the office on routine matters on purely internal security investigations. I keep "Secret, Officers Only" record locked up, but this is the record of all other mail that comes into the office.

Q. 486. What would be included in all that other mail?
A. 486. Security letters from Div Hq on routine matters, CACROs, Div Orders, and other correspondence of a like nature.

Book in question submitted to the Court and the Defending Officer. There being no objection it was admitted in evidence as Exhibit "L"

Q. 487. What period does that book cover?
A. 487. That covers the period from 23 Dec 41 till 15 May 42.

Q. 488. Is that record complete?
A. 488. It is not.

Q. 489. Where is the discrepancy in it?
A. 489. The last entry in incoming mail is dated 9-2-42 and the next succeeding date is on 1 Mar 42.

Q. 490. During that period that the record was not kept in the incoming mail book who was in charge of the section?
A. 490. SM Doak.

Q . 491. To your knowledge did you ever have any reason to complain about the state of your mail, I mean the incoming mail?
A. 491. No, I can't say that I did.

Q. 492. You mentioned to me about, when you were giving your duties, that transport of your section was one of your duties?
A. 492. We have an issue of transport for the section of one station wagon and 13 solo motorcycles.

Cross examined by Defending Officer?

Q. 493. Before you went to the hospital and were acting as OC Security Section, were you out of the office a good deal?
A. 493. A fair amount of the time, yes.

Q. 494. Could you give any estimate of what percentage of time?
A. 494. I couldn't give an estimate as to percentage. At that time or shortly after arriving over here, I was appointed Mess Secretary, had duties in connection with that; also had calls to make around the Division.

Q. 495. In any event, it was a good deal of the time?
A. 495. Yes.

Q. 496. So that the office administration would be carried on pretty well by the accused?
A. 496. Under his supervision, yes.

Q. 497. So I take it that the institution of such records as the mail book was the work of the accused?
A. 497. I requested after we arrived in this country that a mail register be set up, in other words directed that it be set up to register incoming and outgoing mail. That was subsequently done.by the accused.

Q. 498. He would be the one that would keep it going?
A. 498. Yes.

Q. 499. So that when he was acting in his capacity of SM the record would be kept?
A. 499. Yes.

Q. 500. Until the 9th Feb?
A. 500. Yes.

Q. 501. So that he was doing his job?
A. 501. Yes.

Q. 502. You stated that you never had to complain about non-delivery of mail?

A. 502. I can't recall that we had any serious troubles in that regard.

Q. 503. Actually, you as OC would not be in very close touch with mail coming in, it would go through someone else's hands before going to you?

A. 504. It comes into our office and is seen by myself.

Q. 505. But ordinary routine mail would go through someone else's hands first?

A. 505. Yes.

Q. 506. Probably the SM would know more about whether mail came in on time than you did?

A. 506. Possibly.

Q. 507. He would be the one who was actually in closer touch with the delivery of mail?

A. 507. I wouldn't say that. If mail does not come in I expect to be notified about it by my staff.

Q. 508. Might not the SM get in touch with those who were to send the mail rather than to bother you with the fact that it had not come in?

A. 508. That could happen, yes.

Q. 509. When you left the unit and went to the hospital the SM's duties were extended?

A. 509. Yes.

Q. 510. So that he would have to be out of the office a great deal more than normally?

A. 510. Yes.

Q. 511. Consequently he could not pay as much attention to office administration?

A. 511. Naturally he would not have as much time for office administration as he would have if I was there.

Q. 512. Furthermore he wouldn't have as many people to work for him as you did?

A. 512. Not during February owing to detachments to various units.

Q. 513. So that if from the 9th Feb till the 1st Mar the book was not kept up it is not a very bad reflection on his administration is it?

A. 513. The ledger should be kept up in any case. Myself I see no reason why it was not kept up despite the fact one of the men in the office was out on detachment.

Q. 514. The entries were resumed again before you knew about it?

A. 514. They were.

Q. 515. And presumably under the direction of the SM?

A. 515. I presume so.

Q. 516. Do you consider that the SM ran the section satisfactorily during your absence?

A. 516. I was in touch with the G 2 on that matter and everything was considered satisfactory by Div HQ and from a security point of view in the units around the Div the actual work had been considered satisfactory.

The Prosecutor declines to re-examine this witness.

Examined by the President:

Q. 517. While you were in the hospital did the accused come down to see you at all?

A. 517. Yes, quite frequently.

Q. 518. Why did he come down to see you?

A. 518. He came down for personal contact; he brought my mail. I was actually not struck off the strength of the section, and was advising him on various questions that cropped up.

Q. 519. Did he speak to you about what he was actually doing, specific things, or just general policy?

A. 519. Questions of general policy and also one matter discussed, that of placing men with the various units. I suggested that he contact Major Murphy who in turn would contact Brigade Majors and have attachments put into operation.

Q. 520. Do you remember him going down a few days prior to 28th Feb?

A. 520. On one occasion prior to the 28th, the 25th I got special leave to come back to B Mess, Div Hq, for the purpose of getting out a statement for the mess. The accused picked me up that morning at No. 15 General Hospital and took me back that evening and he visited me around that time in the hospital.

Q. 521. Did he visit you between that time and 28th Feb?

A. 521. He believe he may have been there on the 27th, am not certain of that but normally he would be in around that time of the week.

Q. 522. Any discussion at that time with respect to any trips he might be taking?

A. 522. There were a few words said on the 25th when we arrived back at the hospital about a dance and some mention was made of a trip to Matlock. He said he had met a S/Sgt. there and would like to bring her to the dance. I asked the distance and was told it was around 120 miles, and I said at that time there would have to be some better reason to go that difference. Also in conversation with the SM relative to the dance was told that transportation was being provided through Div Hq. At that time I said no objection to station wagon being used in accordance with policy of Div Hq.

Q. 523.4 Do you know of any reason whereby a trip might be made to Matlock?

A. 523. Well, that would depend largely on the G 2 of the Div or the G 1. In my own case before I go into London I get in touch with G side and get authority.

Q. 524. That don't quite answer my question. What I want to know is is there anything at Matlock, any problems there, that might require a trip?

A. 524. I know of no problems at Matlock to require a trip.

Q. 525. You said a minute ago you told the accused he would have to have a better reason for going to Matlock than picking up Sgt.Mary Sumner and taking her to a dance.

A. 525. Yes.

Q. 526. What did you mean by that?
A. 526. I thought the inference there was obvious in itself.

Examined by Judge Advocate:

Q. 527. Did the accused ever mention to you any other reason for going to Matlock about that time?
A. 527. I can't recall that he did.

Q. 528. Did he mention to you that he had been at Matlock, did he report that to you?
A. 528. Previous to this?

Q. 529. No after the 28th or 1st March.
A. 529. I became aware that the trip had been made.

Q. 530. When did you first become aware of the trip?
A. 530. Some time afterwards.

Q. 531. Was it the accused who mentioned it to you?
A. 531. No.

Q. 532. About how long after the 1st March would it be when you first saw the accused?
A. 532. It would be some time during that week of 1st March.

Q. 533. He was seeing you every few days?
A. 533. Yes.

Q. 534. So far as you are aware was there any business done at Matlock about that period by your section?
A. 534. Not as far as I am aware.

Examined by the President:

Q. 535. Do you know of a Div Order regarding vehicles of this Div not going outside of a 25-mile radius?
A. 535. Yes.

Q. 536. When were you first aware of that?
A. 536. After I came back from the hospital.

Q. 537. When you are going on a trip what would be approximately the maximum distance you would drive without authority?
A. 537. Within a ~~zone~~ radius of about 25 miles. At one stage of the game when we first came to this country and were issued motorcycles it was necessary to get 500 miles on them before the chaps took the driving test, and had trips to Winchester and so forth, but normally confined to a 25-mile radius. In my own case, like going into London, I get authority from G 2.

By the Judge Advocate:

Q. 538. Was that the state of affairs the latter part of Feb and 1st of March?
A. 538. It was.

Q. 539. You reported to G 1 and G 2 before making the trip?
A. 539. Yes, I did myself. If it was one of the section detailed I naturally took the responsibility for that and took the matter up with the G side.

By a member:

Q. 540. As you know, in a regiment the normal procedure is for the 2 i/c to ask permission of the Sqn Commander for a station wagon.

A. 540. Yes.

Q. 541. What is the case in your section, does anyone junior to you have to ask permission for the use of the station wagon?
A. 541. At the present time restricted to my use unless ordered otherwise.

Q. 542. What about Saturday and Sunday work, is it necessary for you to go to the G 2 and get permission?
A. 542. In that case usually take it up verbally with them and state that I am sending the vehicle out.

Q. 543. You don't have to have a form?
A. 543. I issue the permit myself.

Q. 544. What is there at Matlock to do with Field Security?
A. 544. The Field Security Wing of the War Intelligence College is located at Matlock. That is the final school where Field Security candidates are passed before they take the field with their section. Matlock deals more with theory and principles of Field Security, other ranks sent there for two weeks and either pass or fail, then go back to the Winchester Pool and placed in various units.

By Judge Advocate:

Q. 545. This school at Matlock is it purely instructional?
A. 545. Purely instructional but certain points of policy formulated for consideration of the War Office.

By the President:

Q. 546. I believe a number of your NCOs, have been on courses at Matlock?
A. 546. Yes.

Q. 547. During this year?
A. 547. Yes.

Q. 548. Has the accused been to the school at Matlock?
A. 548. Yes.

Q. 549. Has Sgt.Flemming been there?
A. 549. Yes.

Q. 550. Sgt.McKenna?
A. 550. Yes.

Q. 551. And a number of others?
A. 551. Yes, the whole section at the present time including myself have had a course at Matlock.

Q. 552. So you are fairly well acquainted with the town?
A. 552. Yes.

Q. 553. Had a pretty fair idea of what part of the country it was in?
A. 553. Only roughly, I knew it was up north some place.

Q. 554. So that you would know it was not just around within 20 or 25 miles?
A. 554. Yes.

In the opinion of the Court and the Judge Advocate it is not necessary to comply with R.P. 83 (B).

The witness withdraws.

Prosecutor;- Before I close my case I would like to bring up a matter brought up yesterday concerning the evidence of the AA&QMG and GSO 1. When I mentioned it yesterday I thought my friend stated that no authority had been obtained from either of the two mentioned by the accused to make this trip and that he was content to leave it at that. I would like it as a matter of record exactly what my friend cares to do with reference to these two witnesses.

Defending Officer;- I would not require to have them called.

Prosecutor;- To complete my case I either have to call them or it has to be agreed that he didn't get consent from them.

Defending Officer: It is admitted that he didn't get the consent of the AAAQMG or GSO 1.

Defending Officer;- Before the accused is called upon for a defence I submit that the first and third charges should be dismissed on the ground that all the essentials have not been proven. The one in particular that he took the station wagon wrongfully and without authority. As I said I am not stating anything about authority from GSO 1 or AAAQMG but there is still the case of the CO from whom authority might be obtained and I submit that the evidence is very, very slight. There is no reason that he didn't have authority. The CO has stated that the accused made a definite request and his answer to the accused to my mind would be just "Sure, ge ahead, think up a good reason for going" and unless the Prosecution can show that the trip was made without any authority; a definite refusal of a request or the alternative that no request was made. The essential part of the first and third charges has not been proven and the case under those charges should be dismissed.

Prosecutor;- Evidence is before the Court that a Divisional Order No. 111 was sent to the 7 Cdn F S Sec. At that t me the accused was in charge of the office, he was also in charge of the section, he was the CO. You are familiar with the order because it was read to you yesterday and in the order it states that consent must be obtained from the GSO 1 or AAAQMG in the case of Divisional Troops for a station wagon to go outside of an area 25 miles from formation headquarters. There is nothing, I submit, to lead us to believe that this order never reached the orderly room of the 7 Cdn F. S Sec. As CO of that section the order would come before the accused. That order was sent out of the Signals office in the usual routine procedure on 21st Feb 42. The offence for which the accused is on trial was committed on 28 Feb 42 and on 1 Mar 42. This being a Divisional Order and setting out who shall give consent nobody below the rank or official capacity of the GSO 1 or AA&QMG can give consent to divisional troops to use that station wagon, therefore I submit that whether or not Mr.Hunter gave consent there is nothing to it whatsoever because the order definitely states who can give it.

The ,ext thing is that Mr.Hunter, whose evidence was obtained by the Court, stated that he never gave consent at all. He didn'y say anything regarding "yes" or the affirmative. What he said were words to this effect "You must have a better reason than that" when he was talking to the accused. He was talking to his 2 i/c, a man of responsibility, and a man

of great responsibility at that time who had a certain job thrust upon him whereby he assumed greater duties than ordinarily. Therefore he was placed in a position where he must be cautious and wary and thoughtful of everything he did. But evidently, from the evidence, he has taken some meaning from Mr.Hunter's remarks and twisted them to suit himself because he made the journey, he made the journey.

Now, I submit that there wasn't any authority given and that the evidence proves conclusively that no authority was given and I contend that the motion should be dismissed.

Defending Officer:- The way the charges are framed, first, using conduct to the prejudice, in that . . . used with the alternative charge of disobeying an order. There is the divisional order entering into the second and fourth charges. The question therefore is whether the accused is responsible for disobeying those orders.In the first and second charges there is no mention of authority. Presumably authority would come from the CO of the accused. I might also point out that the accused in this position goes to his CO for authority to use a vehicle and he has to rely entirely on what his CO says. If his CO gives authority for the vehicle to go outside the 25-mile limit that is the CO's responsibility, nothing to do with the accused or anyone under him, they are not required to see the G 1's signature, they are entitled to assume that the CO has made enquiries from higher formation. I cannot see how the question of this divisional order enters into the first and third charges in any way and particularly as the charges are drawn here.

The Court is closed to consider their decision.

The Court disallow the submission. The Court is reopend and the decision announced.

The trial is proceeded with.

The Prosecution is closed.

R.P. 40 (A) and (B) complied with.

The accused states that he desires to give evidence under oath and to call witnesses as to character only.

First Witness for Defence:

D-56, WO 11 (CSM) Edwin Stanley Doak, 7 Cdn F S Sec, sworn, examined by Defending Officer:

Q. 555. Would you tell the Court generally your duties in your unit as CSM?

A. 555. Looking after the Orderly Room generally, there is a clerk to assist. In that capacity I deal with correspondence coming into the office and the general running of the section as regards administration. When correspondence or anything with regard to training comes up I take the matter up with Mr. Hunter, our OC, and if the policy which I have stated meets with his approval put it into effect. At times my duties also entail leaving the Orderly Room and visiting the men on detachment to various units. They in their turn have difficulties, quite

frequently come up against some security matter on which they are not quite sure. I should be in a position to give them advice on it. Normally they should come in from detachment and discuss their troubles with Mr.Hunter, but Mr.Hunter's time is ordinarily taken up with other duties, visiting Brigades, officers on leave, and other investigations, the result is that frequently he doesn't get time to see the men himself and I get there and try to make things as simple as possible.

Q. 556. What changes were made in your duties at the time Mr.Hunter was in hospital?

A. 556. It would become necessary for me to carry on with a larger number of his duties, going to see the 1st Bde, 2d Bde, and Sp Gp, whom we talked to very frequently, also to the unit secutiry officers.

Q. 557. Would you be as closely in touch with office routine at that time?

A. 557. No, definitely not. Some of the section made remarks to me that my place was terribly disrupted n in the orderly room since Mr.Hunter was away. At that particular time I might mention that up to the 1st Feb no one had been out on detachment to the various units. If they had been on detachment before that there probably would not have been the same necessity for getting out on my part because the men would be acquainted with their duties and have had experience doing it. At that time they were not acquainted with it and it became necessary for me to get them out to the various brigades and units in the Division and getting them going.

Q. 558. Who was in charge of the Orderly Room routine during the latter part of February?

A. 558. Cpl.Sutcliffe up to the 25th Feb, that is when Sgt.Hansen took over.

Q. 559. What can you tell us about this Divisional Order No. 111?

A. 559. With regard to that particular order I can definitely state that up until such time as the matter was put before me by Sgt.Hansen I was unaware of the order. On 25th Feb Div Orders were given a definite file in the office, in other words, a wall file. Up to that time Div Orders, Unit Orders and others were kept in the file jackets, they were there and subject to use by the section, they could be used by any of the men to check up on orders affecting the security section.

Q. 560. When you say used by the men, what do you mean?

A. 560. That the men could take the orders and get the gist out of them and study them up thoroughly, be conversant with a particular order, be it Routine or Div.

Q. 561. What was the policy about removing orders from the Orderly Room?

A. 561. I wouldn't say generally a policy, a matter of the men themselves. One of the features of security work is the fact that we are dealing with men of a reliable nature. The result is that they themselves are checking on security throughout the Division. I think in that case the means indicated beyond question that no policy be laid down with regard

to men taking orders for perusal. Have had them in my quarters and they could take them at any time to study them. I can recall one particular instance where I know one of our personnel had orders out for his own information to make a summary of the orders and what they contained for reference and study by unit security officers in the division.

Q. 562. How long had this practice of taking orders out of the office been in vogue?

A. 562. Since the office opened never been any question about taking them out, no policy laid down whatever in the early stage because there were no files. Now, since Sgt.Hansen changed over, he had his work cut out for some considerable time until comparatively recently that we managed to get a file.

Q. 563. What was your practice with regard to the use of the station wagon while Mr.Hunter was away?

A. 563. While Mr.Hunter was away it was used a minimum of every second day by myself in journeys to and from the hospital to see Mr.Hunter. I have used it at other times. I had a slight mishap with my motorcycle and fell on my ankle which had the effect that I could not use my motorcylce any further.

Q. 564. What distance would you go on these trips?

A. 564. Down to Bramshot Hospital, to the various units of the Division, also went up to London to take up war diaries. I took the matter up with Mr.Hunter and he said to take the war diary direct to London to CMHQ which I did and used the station wagon.

Q. 565. Was that the only occasion?

A. 565. No, on 26th Feb the picture "Next of Kin" was being shown at Curzon Theatre at 1445 hours, and Major Lord, G 3, phoned and asked me to come up and see him, and he ordered me to appear at London on 26th Feb to see that picture which was a secret pre-view, and bring back a report if I considered the picture of good security value for the Division. I used the station wagon then.

Q. 566. What authority did you get for using the station wagon on that date?

A. 566. When I got the intimation of it I made a note and I mentioned to Mr.Hunter that I had been told by G 3 to go to London to see this picture and that I was going in the station wagon and he said "All right?"

Q. 567. What complaints did you have, if any, in the Orderly Room about non-delivery of mail?

A. 567. The clerk that is there at the present time has a complaint about the DRs missing their regular schedules. A case happened no longer ago than Monday of this week when Sgt.Hansen mentioned to me that the DR had not called on the morning run. I took the matter up with Signals. We have had difficulty a few times.

Q. 568. With regard to going to the dance on 26th Feb, when did you first discuss this with Mr.Hunter?

A. 568. A short time before the dance, I think it was some during the 26th, I am not sure, I had a discussion with Sgt.Flemming and I remarked to him that I would like to go to Matlock, I am positive of my statement, "I would like to go to Matlock" and his reply was "Well, why don't you go?" I said "No, not unless I take the matter up with Mr. Hunter". He remarked "Well, Mr.Hunter is in the hospital, you can go in the station wagon" I said "No, I won't" He said "As a matter of fact I would like to go up myself" and I said "Why?" and he said "On account of this matter we have on hand." I will admit he had trouble, I had given suggestions. He said "As a matter of fact I would like to go up and see the instructors at Matlock and discuss it with them" On the 27th I went down to see Mr.Hunter and brought the matter up with him and in the course of conversation asked if he had any objections to my going to Matlock. I said there was a young lady there I would like to take to the dance, also said that transportation to the dance had been mentioned, authority would be procured for the transportation of parties to and from the dance. I said that I would like to go up there and pick up Sgt.Sumner and Mr.Hunter thought for a few minutes and he said "How far is it?" I said that I had measured it as approximately 130 miles. He thought and his exact reply was words very much to the effect "Yes, but think of a good reason" I said in reply "As a matter of fact, sir, Sgt.Flemming wishes to go with me as he wishes to see his instructors at Matlock on the difficulty of which you are aware" Mr. Hunter said "Yes, a good reason" and as he made no denial I assumed I had definite permission to go.

Q. 569. What would have been your reaction if you hadn't thought you had permission?

A. 569. I would not have gone on the trip at all, would never take French leave with the station wagon other than permitting Sgt.Still, our QM, to go to the dump for which I have permission, have never taken the station wagon outside immediate Aldershot area without consulting Mr.Hunter.

Q. 570. You have had the various witnesses tell about the trip to Matlock and you confirm that the trip was made?

A. 570. Yes.

Q. 571. Why did Sgt.Flemming not see the instructors at Matlock?

A. 571. When we got up there found that the school had terminated one course and that it was three days before the next course opened and he could not see the instructors that he wanted to see.

Q. 572. How long have you been in England?

A. 572. Since 23 Nov 41.

Q. 573. And what unit are you with?

A. 573. No. 7 Cdn F S Sec.

Q. 574. What was your general practice in Canada with regard to military vehicles?

A. 574. In Canada we had no vehicles actually on charge to us, we had two vehicles attached to HQ Sqn, motor-

A. 572. Since 23 Nov 41.

Q. 573. And what unit are you with?

A. 573. No. 7 Cdn F S Sec.

Q. 574. What was your general practice in Canada with regard to military vehicles?

A. 574. In Canada we had no vehicles actually on charge to us, we had two vehicles attached to HQ Sqn, motor-

cycles, for our exclusive use, later on had access to three other combinations and solos. As Mr.Hunter remarked in his statement our policy made it necessary that men had to have considerable mileage on before they could get their driver class CIC Motorcycle, result was that we had space there and men have gone off quite some considerable distance at all times under authority of the garage . Mr.Hunter knew the men were going and I had authority for them to go as long as going at one time under Sgt.Liot, Sgt.Flemming, or myself.

Q. 575. That is considerable use of vehicles?
A. 575. On one occasion can recall going up close to Gravenhurst from our lines at Borden.

Q. 576. You had recently come from Canada where military vehicles were used very readily for various purposes?
A. 576. Yes.

Q. 577. Had anything happened over here to impress upon you the diffierent situation in this country with regard to military transportation?
A. 577. You mean when I came over here!

Q. 578. Yes.
A. 578. Yes, when I came over here I had no knowledge at all of the gasolene situation. Saw plenty of civilian cars around and military vehicles used for lots of purposes and the importance of conservation was never impressed on my mind.

Cross examined by Prosecutor:

Q. 579. You told my friend that your duties entailed looking after the Orderly Room generally?
A. 579. Yes.

Q. 580. Tell me what happened with regard to correspondence coming into that office when you were in charge.
A. 580. When Mr.Hunter went to the hospital, the policy was laid down. The correspondence came into the office and it was opened by the clerk, it was entered in incoming correspondence book. It was his duty then to take the correspondence and bring anything of note to my attention which he usually did in the course of his duties when he came in. Frequently not there early in the morning as men stationed here at that time not on detachment, required training and I was with them for some little time. I returned to the office and he would put before me all the correspondence that had arrived.

Q. 581. All of it?
A. 581. That I can't answer, because if on coming in I had an appointment with one of the Field Security Off- from one of the Brigades he would put before me what he considered urgent.

Q. 582. Would you see the correspondence at some time or other that he had left in the office?
A. 582. Normally I would, but cannot be sure of it.

Q. 583. Would you normally see it?

A. 593. If it was something that didn't require attention and a routine matter that he had been in the habit of handling he would carry it out himself.

Q. 584. Orders, when they came in would they be brought to your attention?

A. 584. Anything that came into the Orderly Room, Routine Orders, Div Orders, I made a practice of seeing myself if I knew they came in.

Q. 585. It was your duty to see them.

A. 586. It was my duty when attached to the Orderly Room and Mr.Hunter was there, but when he went to the hospital I could not see them all.

Q. 586. It was your duty as the person commanding 7 Cdn F S Sec to see all orders that came into that Orderly Room.

A. 586. I was not commanding 7 Cdn F S Sec.

Q. 587. But you were acting.

A. 587. I was not, Mr.Hunter was not struck off strength, he was only attached to No.15 General Hospital. His evidence stated that I was acting O/C, that is not exactly correct, it may be from his point of view but it was neither mentioned to me by Mr. Hunter or G 2 verbally or in writing that I was carrying on Mr.Hunter's duties at the time he was in the hospital; I went down every second day taking d wn the correspondence.

Q. 588. Who was in charge of the Orderly Room when Mr.Hunter was in the hospital?

A. 588. Most of the time the clerk.

Q. 589. I am trying to get you to say it was your responsibility at all times, is it not your responsibility?

A. 589. Definitely when Mr.Hunter is here.

Q. 590. And when he is away too.

A. 590. That is a question.

Q. 591. We have an order which is supposed to have reached your Orderly Room.

A. 591. I have see that order.

Q. 592. When?

A. 592. That i Can't state. I am sure of having seen that order at the time Sgt.Hansen and myself put this order on file and that is the first time it came to my attention, that was somewhere in the vicinity of the end of the first week in March when we completed a file for Divisional Orders.

Q. 593. That order, when it came into the office you didn't see it?

A. 593. That I can definitely say that I didn't see it until the file was being made up and then went through all orders.

Q. 594. Did you through any correspondence coming into your office, into the Orderly Room, learn of a meeting of officers to be held in the Garrison Theatre at Farnborough on 25th Feb?

A. 594. No.

Q. 595. Did you ever hear of a lecture to be held in the Prince Consort's Library 24 Feb 42 on Air Liaison?

A. 595. I can't recall that.

Q. 596. Do you recall ever receiving a notice of a lecture to be given by Maj-Gen.Sansom toward the end of February?

A. 596. I cannot recall.

Q. 597. Did you ever receive circular letter from the DAAG 5 Cdn Armd Div, regarding discipline, something to this effect: "It is desired to point out to Form and Unit Comds that any matter of considerable importance, or of an unusual nature, occurring in a Formation or Unit should be reported to this HQ immediately through the proper channels" Did you ever hear that?

A. 597. No, I can't recall -- can truthfully state I don't recall it.

Q. 598. Now then, what did you do with your days? Tell me what in February your duties would be on an average.

A. 598. Nothing, you could say, would be regular. In Mr. Hunter's absence my duties would be on a number of days in the week talking to unit security officers.

Q. 599. How long would that talking take?

A. 599. Sometimes it might entail the work of one entire days.

Q. 600. You would start away at what time in the morning?

A. 600. A matter regarding the training to be carried out that day.

Q. 601. Well, on an average how far would you go, what time would you start in the morning?

A. 601. The Security personnel are on duty 24 hours a day.

Q. 602. What time did you start to work in the morning?

A. 602. Mostly 9.00 o'clock.

Q. 603. Every day did you go to the Orderly Room?

A. 603. Sometimes go at nine o'clock at the present time.

Q. 604. In February what did you do, go to the Orderly Room in the morning?

A. 604. I went to the Orderly Room when I got the men on their duties.

Q. 605. Every day?

A. 605. Yes, most of the men on their way at 9.15 and had an appointment at 9.15 with a security officer didn't have time to go to the office, went there sometime during the day.

Q. 606. When you went there, there was correspondence that had come in during the day?

A. 606. Yes.

Q. 607. And as the person in charge of the administration wouldn't it be reasonable that you would read it?

A. 607. Yes, but at that time the correspondence situation was nothing like to the system introduced only recently.

Q. 608. I asked you if it was not a reasonable conjecture that you would read mail every day, then you answer and say didn't have the same system then as now.

A. 608. I would possibly read what mail the clerk had left out.

Q. 609. You had been following that system up to the first of March we will say, and sending it on, I imagine, to whoever is supposed to look at it.

A. 609. Frequently didn't send on all mail at that time, e.g., Routine Orders didn't go direct to Mr.Hunter or I.

Q. 610. Where did they go?

A. 610. Into the Routine Order file.

Q. 611. What happened to Div Orders?

A. 612. Usually placed in another file jacket.

Q. 613. And when Mr.Hunter was away did you feel it was important to read Div Orders when they came out?

A. 613. I definitely felt it important to understand Routine or Div Orders, but whether or not during that period I cannot say.

Q. 614. It would be, would it not, the correct thing for you in carrying out your duties correctly, appropriate to read these orders when they came would it not?

A. 614. Right now it would be.

Q. 615. Why not then?

A. 615. Because the pressure of carrying Mr.Hunter's duties and in addition the fact that I taken off practically a full afternoon or morning every second day to go to the hospital gave me a very short time.

Q. 616. What I want is this, and I want a direct answer, you were the senior man in this Orderly Room during February in that section were you not?

A. 616. Yes.

Q. 617. And as senior man you had certain responsibilities thrust on you which you didn't have before, is that right?

A. 617. Yes.

Q. 618. And you had to go out and visit units?

A. 618. Yes.

Q. 619. You went to the Orderly Room some time during the day?

A. 619. I will not say always had any available time when not on Mr.Hunter's business.

Q. 620. You were there mostly every day through February?

A. 620. Yes.

Q. 621. And these greater duties thrust on you a greater responsibility?

A. 621. Yes.

Q. 622. In the administration of it?

A. 622. Yes.

Q. 623. Being the senior man in there?

A. 623. Yes.

Q. 624. And therefore you were interested in what the men were doing?
A. 624. Definitely.

Q. 625. And what things affected the men?
A. 625. Yes.

Q. 626. Including orders from higher command?
A. 626. Right.

Q. 627. And therefore it was in your interest every day to read those orders?
A. 627. Yes.

Q. 628. Now, then, I want to come down to this mess meeting that you mentioned; when was this mess meeting held when arrangements for the dance were made?
A. 628. Cannot say the date.

Q. 629. About when?
A. 629. It would be in the early part of February.

Q. 630. Now then, at that meeting what arrangements were made for the transportation of guests, the lady guests?
A. 630. It was suggested at that meeting that TQMS Scattergood have it in hand.

Q. 631. How to make arrangements, anything said?
A. 631. Nothing said at the meeting.

Q. 632. Anything said at any subsequent meeting as to what arrangements had been made?
A. 632. Yes.

Q. 633. What?
A. 633. It was stated that SSM McKinnon was looking after the transportation.

Q. 634. If you belong to the squadron and wanted to take a lady friend what would you do?
A. 634. Had I been with the squadron I would have asked SSM McKinnon to supply transportation.

Q. 635. Was anything said about the distance they would go?
A. 635. No.

Q. 636. They would go any place?
A. 636. No remarks about distance.

Q. 637. Was anything said conforming to what the Div had done at a dance they had had previously?
A. 637. No, not to my knowledge.

Q. 638. Why didn't you ask McKinnon to go up to Matlock to get your girl?
A. 638. They have nothing to do with me, McKinnon belongs to Hq Sqn, I am 7 Cdn F S Sec.

Q. 639. Now then, we come from there to the time you said you spoke to Mr.Hunter and that would be on the 27th would it?
A. 639. 27th, I know definitely I was there.

Q. 640. Did you speak to Mr.Hunter before the 27th about this dance?

A. 640. I can't recall having spoken to Mr.Hunter before I spoke to him on the 27th, I can't recall mentioning it to him previously.

Q. 641. And you remember the conversation on the 27th?
A. 641. Yes.

Q. 642. Almost in detail?
A. 642. Very close to it.

Q. 643. And therefore Mr.Hunter is mistaken when he said you had spoken to him before the 27th on another occasion?
A. 643. I cannot remember.

Q. 644. On the 26th you told Sgt.Flemming you would like to go to Matlock?
A. 644. Yes.

Q. 645. And what reason did you give him that you wanted to go to Matlock?
A. 645. Cannot say that I stated any reason, think he realized the reason, but can't recall mentioning the reason.

Q. 646. For what?
A. 646. That I would like to make the trip to bring Sgt. Sumner down to the dance.

Q. 647. And on the27th you had it in mind and asked Mr. Hunter?
A. 647. Yes.

Q. 648. Now, your statement is this, it is practically the same as Mr.Hunter's: "Yes, but think of a better reason? That is your evidence?
A. 648. Yes.

Q. 649. His evidence was, as you heard, something to this effect "You must have a good reason" or "You will have to have a good reason" or words to that effect?
A. 649. No stipulation, definite as far as I was concerned.

Q. 650. Mr. Hunter made no denial?
A. 650. No.

Q. 651. You were second in command to Mr.Hunter?
A. 651. Yes.

Q. 652. I imagine you felt a responsibility to him as well as to the section, that not right?
A. 652. Definitely.

Q. 653. I should imagine that you are in a position, as far as he is concerned, of considerable trust?
A. 653. Yes.

Q. 654. And you have worked together a considerable time?
A. 654. Yes.

Q. 655. You know his ways, you should:
A. 655. Yes.

Q. 656. And I imagine that you think he is a man of some considerable commonsense?
A. 656. Yes.

Q. 657. And you go and tell him that you want to go to Matlock, and you tell us that he said "yes"; and that it was 130 miles to there?
A. 657. Yes.

Q. 658. Which would 260 miles which he could figure out mentally in his head?
A. 658. Yes.

Q. 659. And you didn't say anything about taking her back again did you?
A. 659. That I can't be sure of, I may have mentioned the fact of bringing her.

Q. 660. You can't state that?
A. 660. No.

Q. 661. To take her back would double the 260 miles?
A. 661. Yes.

Q. 662. Which makes 520 miles?
A. 662. Yes.

Q. 663. And you told me that Mr.Hunter consented to your going 520 miles to bring a girl to a dance?
A. 663. He didn't deny me.

Q. 664. Can you tell me whether or not Mr.Hunter talks to you in the same manner he talks to his men?
A. 664. Mr.Hunter talks to us all very friendly.

Q. 665. Does he talk to you dictatorily the same as he would perhaps adopt to the men?
A. 665. Cannot recall unless because of speaking to a man of something he shouldn't have done.

Q. 666. Mr.Hunter confides in you and talks to you as man to man doesn't he?
A. 666. Yes.

Q. 667. And as one person having trust in another?
A. 667. Yes.

Q. 668. Now, when he said what he says he said, if he said that what would you have taken out of it?
A. 668. That was absolutely a definite statement.

Q. 669. You didn't discuss the question with him?
A. 669. No.

Q. 670. Your answer upon being asked this by my friend "What did Mr.Hunter say" "I assumed I had definite permission to go" If he had said yes?
A. 671. Mr. Hunter said "yes"

Q. 672. Now then, were you in charge of the station wagon that went up to Matlock?
A. 672. As the senior in it I presume I would be.

Q. 673. Were you in charge of it?
A. 673. Yes.

Q. 674. That station wagon had a logbook in it I presume?
A. 674. Yes.

Q. 675. And certain entries were made in the logbook?
A. 675. Yes.

Q. 676. There was a work ticket?
A. 676. The work ticket would be in the logbook.

Q. 677. Now, the logbook and the work ticket, who was the person ultimately responsible that that is correctly copied?
A. 677. Sgt.Flemming was looking after transportation.

Q. 678. Was Mr.Hunter responsible for his transport?
A. 678. Yes.

Q. 679. And in his absence you were responsible?
A. 679. Yes.

Q. 680. You were responsible for the entries in that logbook?
A. 680. Yes.

Q. 681. Did you ever examine this logbook?
A. 681. The proper system was set down with regard to the logbook and I didn't check it. That was the procedure that should be carried out, I hadn't time to look after the routine procedure in the office.

Q. 682. Where did you get the gasolene for this trip?
A. 682. Drew it from the pump.

Q. 683. Fill the tank?
A. 683. Yes.

Q. 684. Understood from one of the other witnesses some was carried in cans?
A. 684. Have five cans behind the seat.

Q. 685. They were full?
A. 685. Yes.

Q. 686. How much gasolene actually used?
A. 686. Tank full when we left.

Q. 687. How much?
A. 687. Approximately 16 gallons.

Q. 688. How many miles on the trip?
A. 688. 320 approximately for the round trip, the actual mileage 158.

Q. 689. And Saturday and Sunday you went 640 miles?
A. 689. Yes.

Q. 690. As a responsible person in a position of responsibility to that section do you think that a reasonable thing to do?
A. 690. I don't know exactly my position to say what reasonable or not.

Q. 691. Is it reasonable for a person in a trusted position to go 640 miles to get a girl for a dance?
A. 691. Not for that sole purpose.

The Defending Officer declines to Cross-examine.

A. 694. No.

Q. 695. Had any inquiries been made to see if they would be there, I believe 7.00 o'clock Saturday night you got there?

Q. 696. But there had been no talk with them about your respective visits?

A. 696. No.

Q. 702. You aren't able to state the first occasion on which you spoke to him about it?

A. 702. No.

Q. 703. Are you able to give any explanation as to why there was no record on any of your work tickets or logbook of either of these trips?

The witness resumes his seat as the accused.

At 12.25 o'clock the Court adjurned until 2.00 o'clock, 16 May 1942.

On 16 May 1942, at 2.00 o'clock, the court re-assembled pursuant to adjournment, present the same members as when adjourned.

Second Witness for Defence:

Captain Peter Templeton, 9 Cdn Armd R (BCD), sworn, examined by Defending Officer:

Q. 704. Do you recognize the accused, CSM Doak?
A. 704. Yes.

Q. 705. Will you tell the Court how long you have known him and under what circumstances?
A. 705. I first met Doak in 1939 shortly after war broke out in the month of September. I was Adjutant of the 6th Hussars in Montreal. Unit mobilized. Doak came and enlisted as a trooper. On looking up his record saw that his record with our predecessor, 1st Motor Machine Gun Unit, was very good. Recruits were under my control and after a week I sent him to a squadron and was in close contact with him until February, 1941, at which time mobilized a squadron which later became Hq Sqn. Doak in the meantime had become SSM and again reverted to become a trooper and in a very short time reached the rank of S/Sgt. He was outstanding as a soldier and reliable. On many occasions I had taken advantage of my faith in him to give him tasks to do and never had the slightest bit of trouble with him at all.

Q. 706. When did the accused leave that unit?
A. 706. Mr. Hunter, Field Security Officer, approached me in Camp Borden and told me that Doak was the ideal type for his branch of the service. I refused to let him go but they afterwards persuaded me telling me that his prospects for advancement were much better so I eventually consented.

The Prosecutor declines to cross examine this witness.

In the opinion of the Court and the Judge Advocate it is not necessary to comply with R.P. 83 (B).

The witness withdraws.

Third Witness for Defence:

Captain Harry Feltus Pierce, Hq Sqn (6H) 5 Cdn Armd Div, sworn, examined by Defending Officer:

Q. 707. Would you give your full name and unit to the Court?
A. 707. Harry Feltus Pierce, Captain, 2 i/c, HQ Sqn 5 Cdn Armd Div.

Q. 708. Do you know the accused SM Doak?
A. 708. Yes.

Q. 709. He is here in the room?
A. 709. He is.

Q. 710. Would you tell the Court how long you have known the accused and briefly what dealings you have had with him and your opinion as to his general character?
A. 710. I have known him since November, 1938, at which time I joined the 6th Hussars as Assistant Adjutant. I had considerable dealings with him as Rifle Training Officer. At that time he was in charge of NCO's

training school. I have known that since our re-organization in 1936 he has had an enviable reputation and when this unit was detached from the regiment and mobilized for overseas service in April, 1941, he was at that time SqnSM. He stepped down to the rank of trooper, came in and made staff sergeant. Was mobilized to be staff sergeant of Divisional Headquarters but the CMSC also supplied these people. From our point of view he was considered very reliable, so much so that we wanted him for that job. Before coming Overseas he was transferred to the Field Security Section. The only reason we let him go was because there was a promotion for him in the offing. He was at that time S/Sgt. He was very reliable, conscientious, and a man who obeyed any orders given him, not only in the letter but in the spirit. I might mention that when this case came up he came to me and asked me to defend him.

Q. 711. You have been in touch now and then with the accused in the past few months?
A. 711. Yes, his unit is attached to us for rations and quarters.

Q. 712. Has your former opinion of him changed any?
A. 712. In no way at all.

The Prosecutor declines to cross examine this witness.

In the opinion of the Court and the Judge Advocate it is not necessary to comply with R.P. 83 (B).

The witness withdraws.

Fourth Witness for Defence:

Major Ralph Lockart Tindall, Perth R (M), sworn, examined by Defending Officer:

Q. 713. What is your name, rank, and unit?
A. 713. Ralph Lockart Tindall, Major, Perth R (M).

Q. 714. What is your appointment in that unit?
A. 714. Acting OC.

Q. 715. Do you know the accused, CSM Doak?
A. 715. Yes.

Q. 716. Would you tell the Court how long you have known him and a general statement as to his character?
A. 716. I have known him since 1933, about nine years, he was a NCO in our unit in Montreal, 1st Motor Machine Gun, and also in the 6th Hussars. I am not sure but I think he was a QM/Sgt. at least for a while, there, but all the time he was with usI can say that he carried out his duties well and I had no trouble with him whatsoever, he was in every way satisfactory.

Q. 717. Have you been in touch with him at all in recent years or months?
A. 717. How do you mean in touch with him?

Q. 718. Have you had any dealings with him?
A. 718. Not sin ce 1940.

The Prosecutor declines to cross-examine this witness.

In the opinion of the Court and the Judge Advocate it is not necessary to comply with R.P. 83 (B).

The witness withdraws.

The Prosecutor makes the following closing address:-

May it please the Court:- You have heard the evidence of the various witnesses and from the evidence you will decide as to the guilt or innocence of the accused. There are one or two things I would like to bring to the attention of the Court in a very brief manner.

The first is the evidence that has been submitted regarding the trip to Matlock. I don't think there is any question about the trip having been made because the accused himself admits having made it. It boils down to a question of authority and for what purpose the trip was made. With regard to the authority the evidence shows that the accused during the month of February and the beginning of March was commanding the 7 Cdn F S Sec, Mr.Hunter being then in the hospital.

I think there is no question as to Mr.Hunter assisting the accused with certain problems that arose in the every-day business of the Section. However, the administrative end of the section was in the hands of the accused. Into that office came from time to time, from day to day, correspondence. On one day during February I submit that there came with the correspondence a Divisional Order, No. 111, dated 19 Feb 42, relating to Army transport and placing thereon a limitation such as contained in that order which was read to the Court. I submit that there is sufficient envidence to show that in the ordinary course of procedure as adopted by Hq 5 Cdn Armd Div that through those channels that copies of the orders regularly reached the Security Section. We have submitted, and it has been admitted by the Defence, the record book of the Central Registry at Div Hq. That book shows that an entry was made which is a record of the order being sent to Div Signals. The Div Signals office have a record of that order being sent to the Field Security Section. I submit that in the ordinary course of the procedure adopted that would reach the Security Section. That was sent on 21 Feb 42, it would arrive in the Orderly Room on 21 Feb 42 by the record in the Sigs record book. The accused said that he was in charge of the Orderly Room of the Security Section. He was in a responsible position made doubly so by the fact that the CO was absent because of ill health.

Orders are important, they are important to the Field Security Section. I submit that that order was in the Orderly Room where it could have been read by the accused and where it was very likely read by him. The fact that the Order arrived at the Orderly Room is sufficient in itself notice to the OC or the person in charge of the unit, sufficient notice as to the contents of that order. It is not up to the Div to put somebody there and see that the person in command reads the order, the fact that it reaches there is sufficiat notice. I submit that there is sufficient evidence for you to find that that order of 19 Feb 42 sent by the Div reached 7 Cdn F S Sec Orderly Room.

The Prosecutor declines to cross-examine this witness.

In the opinion of the Court and the Judge Advocate it is not necessary to comply with R.P. 83 (B).

The witness withdraws.

I submit that there is sufficient evidence for you to find that that order of 19 Feb 42 sent by the Div reached 7 Cdn F S Sec Orderly Room.

There is another point which I wish to make. In that order it states two people, or on command of two people only can vehicles be driven outside a radius of 25 miles. It is definitely stated there. It would place anybody intending to use a vehicle outside the 25 mile radius on their guard so that they would obtain the proper authority for using that vehicle. The accused's evidence is that he went to see Mr.Hunter and that he stated he would like to go to Matlock and Mr.Hunter said "Yes, if you have a suff-icient reason." Now, that isn't the story as given by Mr. Hunter. Mr.Hunter states that on one occasion the accused broached the subject to him regarding a trip to Matlock, saying that he wanted -- something to the effect that there was a dance coming up and that he wanted to take a girl who lived in Matlock. Then again, the accused on a later date brought up the same subject and Mr.Hunter says that he answered somthing like this -- I don't remember the exact words -- "You must have a better reason than that" or words to that effect. Now, there is a similarity in some of the words used. Mr.Hunter says one thing and the accused says another. It is easy to see that something along that line was stated, but it can be easily placed so that a different meaning exists all together. I ask you to accept the evidence of Mr.Hunter. Mr.Hunter clearly gave his evidence, he was explicit in what he said and I see no reason for any doubt to exist in the minds of the Court as to the sentence and what he has said.

In any event if the accused, who is a man in a respons-ible position, had read the order he would know that Mr.Hunter Had nothing to do with giving him permission unless it was for this reason: He wanted an excuse to go to Matlock and there-fore a way around it was to try and get the permission of Mr.Hunter on whose shoulders he could place the blame for anything that arose on the trip.

There is no question at all as to the purpose for which the trip was made. The accused states himself that the dance was coming up and he wanted to go to Matlock to get this young lady, Sgt.Mary Sumner, to bring to the dance. May I suggest to the Court to consider whether making two trips for a dance, involving some 600 miles and 40 gallons of gasolene is a reasonable thing for a man in a position of trust to do? Wouldn't anybody think twice before such a trip would be made? There is a suggestion that Sgt.Flemming went along to see if he could get some assistance on a problem that was bothering him from an instructor at a security school also the fact that there was map reading done. It was never mentioned by the accused in his evidence that there was map reading, but it was by the witnesses. I would suggest to the Court that it examine carefully these things: What was the purpose in Flemming going, and the accused going, and these other men who were supposed to be doing map reading? Flemming went to try and solve a problem. There is no evidence, and I didn't produce any, but there is no evidence as to whether or not he tried to clear up his problem within his own section by using the efforts of the people there.

The whole thing was a joy-ride and I think it is con-clusively proven by the prosecution that the vehicle, CM-195548, was on the 28th Feb wrongfully and without authority and for private purposes driven to Matlock. I don't think there is any question about the mileage, it has been given in the evidence and supported by the accused, also a differance of four gallons in the gasolene. On the third charge I submit the same thing, on the Sunday trip that there was a wrongful use of the Army vehicle to take the young lady back there.

The second and fourth charges I submit have been conclusively proven by the prosecution in that the accused knew of the existence of Div Order No. 111 and acted absolutely contrary to what that order said. I don't think there is anything more certain. Other points you have had before you but these are the most important and I leave them with you.

The Defending Officer makes the following address:

I would like first of all just to say a few words with respect to the accused's position during Mr.Hunter's absence. He has been described as A/CO and having the responsibilities of CO, through Mr.Hunter going to hospital and the accused being left as senior there. There was nothing said to him, however, about being A/CO and as to how long Mr.Hunter would be away. That came out in evidence. His position was to stay there and do the best he could and any matters he could not handle to take them to Mr.Hunter. I don't think any greater responsibility could be placed upon the accused for running the section than had been before other than that his duties were extended by having to carry out Mr.Hunter's work.

With regard to the question of the Div Order: It is upon the prosecution to prove that the accused knew about the order, or that order was placed in a position that he would know. Now, we have no direct evidence that the order was ever in the Orderly Room prior to the occasion we are dealing with, some time after the first of March. Also his statement that on 26 Feb 42 he made a trip to London which is considerably outside the 25-mile limit without having to get permission. He went on the direction of the C 3 which had been the normal procedure in the past, thereby proving conclusively that there was no question in his mind that this Order No. 111 was in existence. That was just two days before the incident here, therefore in that case the Court is in this position with respect to the second and fourth charges:--They have no direct evidence that the order was there, they have some to the effect that the order was not there and certainly that the accused didn't know about it. And in addition they have the evidence that the routine of the office had been greatly disturbed and that the accused was out a great deal more than his ordinary job called for. Therefore assuming that the order was there and the accused had not seen it it is a very serious thing to find him guilty of disobedience of that order when there are very real reasons why he should not have seen it, such a WO being called upon to fulfill many of the functions of the CO as well as his own and for that reason not being in position to deal with such matters as looking at correspondence and thereby seeing all orders .

I would ask you to bear in mind that this order did come out and reached the unit, if it did reach the unit, only one week before the incident occurred and it would be an order that had not been long enough out for some discussion, so a person would not know about the order unless he had read it, therefore I contend there must be some doubt in the minds of the Court whether the order ever reached the Orderly Room of 7 Cdn F S Sec, and whether the accused ought to have known about it, and because of that doubt the accused is entitled to an acquittal on those charges.

Now, as to the trip itself. As the Prosecutor pointed out Mr.Hunter admitted that the accused spoke to him about the trip. I think it is very clear that the accused made a

definite request to Mr.Hunter as to whether or not he could use the station wagon to go to Matlock for the purpose of bringing the young lady to the dance. It is very important that he made a definite request, not brought up in the course of transacting other business with Mr.Hunter, not slipped in with other business so that Mr.Hunter might say yes, it was a specific request and Mr.Hunter knew where Matlock was. He knew the trip would be a long one and knowing that he made some answer "you would have to have a better reason". Mr. Hunter's words were "he would have to have a better reason" and there was no reason why the station wagon should not be used except the policy of Hq. Think of a better reason.- to my mind have to have a better reason or think of a better reason has the same meaning, more so in this case that Mr. Hunter and the accused had recently arrived from Canada and had not been impressed for months with the necessity of conserving gasolene, not to drive vehicles any further than necessary. It takes time for that to be impressed on the minds of new comers to this country. The accused and Mr. Hunter have been together a long time, they place mutual confidence in one another. The accused goes to his CO and asks permission and teh CO asks how far it is, which at that time was lightly under, he comes and asks this permission and the CO says , "You will have to have a better reason" which is in so many words "Sure, go ahead, but have a better reason than going up for Sgt.Mary Sumner for the purpose of bringing her to a dance". In my mind that is exactly what was in the minds of Mr.Hunter and the accused. You have seen him give his evidence and you have heard the evidence of other witnesses, even witnesses for the prosecution. They state he is not a man who would disobey orders wilfully, and I think we must all be satisfied that this was not a case of the accused trying to put something over on his CO.

The cards were all out on the table and Mr.Hunter knew what was going on. In that case he was taking the responsibility on his shoulders of allowing this car to go to Matlock and return. As to Flemming going along I deny there was any evidence that the accused asked Flemming to go with him. He suggested a few days before that he would like to go to Matlock and Flemming said he would like to go along with him. The accused did not ask him so that in case he was caught he would have this business of going up to see the instructors as an excuse. My contention is that that isn't so, and I think the evidence bears it out. The accused wanted to go for Mary Sumner, he was told to have a better reason, so he says to Mr.Hunter, "I have a better reason, Sgt.Flemming wants to go up and see the instructors."

The accused has stated that back in Canada they used to go on these trips for all sorts of purposes. One was for instruction in map reading. We readily admit that he wanted to go up for Sgt.Mary Sumner and the combination of this other reason made it quite feasible to go on the trip, and I think he certainly would not have gone if he could not have done some other business. In asking Mr.Hunter for permission and not being definitely refused he must be considered in the position as having received permission from Mr.Hunter to go.

I would like to impress upon the Court how thoroughly convinced I am and I think the evidence has shown that it was not a case of him trying to put something over on his CO and as I say again I just want the Court to bear that in mind in considering the finding and they have heard the evidence given. All have been character witnesses who bear that out very strongly.

In the opinion of the Court and the Judge Advocate a summing-up is not necessary.

The Court is closed for the consideration of the finding.

FINDING

The Court find the Accused, D-56, WO II (CSM) Edwin Stanley DOAK, 7 Cdn F S Sec., is Not Guilty of the second and fourth charges, and Guilty of the first and third charges. The Court being re-opened, the Accused is again brought before it, and the Finding on the second and fourth charges are read in open Court. R.P. 45 (C) complied with.

EVIDENCE AS TO CHARACTER, ETC.

Major M.W.Andrew, Perth R (M), the Prosecutor, sworn, states: I produce A.F.B 296, M.F.M., and certified true copy of M.F.M.2, relating to the Accused, which I have compared with the Regimental Books, and which are true statements as to character and particulars of service of the accused, D-56, WO II (CSM) Edwin Stanley Doak, 7 Cdn F S Sec. The documents are read, marked "YY "ZY and "Z-1" respectively, signed by the President, and attached to the proceedings.

The Defending Officer declines to cross-examine this witness.

The accused makes the following statement:-

"I have always tried to play the game, and be a good soldier, both with those I come in contact with, and with my CO. In this particular case I now realize how badly I have erred, but at the time just after coming over here and only being here three months I did not realize the seriousness of the gas situation. I now realize the seriousness and throw myself on the mercy of the Court"

The Court is closed for the consideration of the sentence.

SENTENCE

The Court sentence the accused, D-56, WO II (CSM) Edwin Stanley Doak, 7 Cdn F S Sec., to be reduced to the rank of Corporal, and to be put under stoppages of pay until he has made good the cost of petrol improperly used in the sum of £3-7-0.

Sentence: Reduction to Corporal; stoppages £3-7-0.

LEAVE

110. PERSONNEL ON LEAVE

The following provisions of CAORO 1017 will be published in the orders of all formations and units and will be brought to the individual attention of all personnel prior to their proceeding on leave:-

"Conduct of Personnel on Leave

All ranks should be warned that:-

(a) Troops on leave are much in the public eye. Good behaviour and manners, a smart soldierly bearing, and attention to saluting at all times will go far to maintain the high prestige of the Canadians.

(b) Any breach of military discipline will lead to the immediate return of the soldier to his unit, where disciplinary action will be taken.

Provost personnel will endorse the pass of an offender with a note to the effect that same has been cancelled for a breach of discipline and is valid only for the period necessary to permit of immediate return to his unit. The date and time of cancellation will be shown."

"Free Travel Warrants - Use and Abuse

Every soldier proceeding on leave will have his pass stamped by the R.T.O. at the point at which he spends his leave. In the event that the actual destination as shown by the R.T.O.'s stamp discloses that the soldier did not use free travel warrant issued to him to its full extent, then disciplinary action will be taken and the soldier placed under stoppages to reimburse the Crown for the expenses caused by him in relation to the waste of transportation, unless for some good reason beyond the control of the soldier it was impossible for him to travel to the destination named in the warrant."

Proceedings of F.G.C.M. C-4870 Gnr.DOAK, Weston Melford.

Plea of Mitigation

Sir: It will be necessary to go back a few years. The Mother of the accused died shortly after he was born and he was raised by an aunt and uncle. He enlisted on the 17 June 40 when he was 16 years and 23 days old. He was raised under the family name of the aunt and uncle which was Doak. His own name was Miner. With permission of the Court may I show a certified copy of the registration of birth.

He came overseas to CARU in December of the year he enlisted or when he was 16½ years old. The first crime was on the 30 Aug 41 or 14 months after he joined, still under age. Since then unfortunately he has managed to have many entries on his crime sheet. In fact, he has 18 charges, but it is interesting to note that some of the charges are for very short periods of absence, one for 15 minutes, one for 50 minutes, one for 30 minutes, one for 7 hours - 18 charges showing a total absence of 59 days, 23 hours, which includes his last long one. It is like giving a dog a bad name, particularly in charges that are pretty pleayne and I submit, Sir, that the charge of 15 minutes or 50 minutes A.W.L. reflects more on the ability of the one who lays the charge when you take into consideration the youth and upbringing of the accused. The accused has paid a heavy price for his short periods of absence.

He has two brothers, comparatively unknown to him owing to the circumstances of his upbringing, in the service. One has since been boarded out and returned to Canada and the other is in the Forestry Corps and has returned to Canada. These brothers, had they known him better, could have, or should have, claimed him and taken care of him.

The accused also mentions the fact that several high ranking officers, one of whom was a Brigadier, learned of his age at a Christmas party and knew he was under age and nothing was done. Also in spite of an imposing selection of personnel selection officers this unfortunate youth was never allocated properly in the army and there is a place for him if they must keep him in the army.

Although he is now only 19 years and 10 months he has served 5 years and 8 months in the army, over three years of which has been overseas and I submit, Sir, a lot of the personnel laying charges against him perhaps have not had the service that he has in the army and they are bending over backwards in trying to uphold the rules laid down and are not helping in any way this lad's character as a soldier or civilian.

-PROSECUTION-

D-3 First Witness
C.25712 Cpl ESCOTT, TC, 9 Pro Coy, having been duly sworn, states:

I recognize the accused. On the night of 31 Mar 44 at approx 5 mins to 7 I arrived at this Camp in Bordon. After being there for approx 3-4 mins I heard a whistle blow and at the same time the remaining pro came into the camp, and as they came in the men that were around the tables tried to break away. Before the whistle blew I saw a number of men playing dice. I did not see anything else on the table. I apprehended one and then I left him and apprehended another one. The accused is the first one I apprehended. Before the whistle blew I saw the accused standing next to a Cpl of the RCA. This big Cpl held out a £ note over the table to be covered by any of the men that were around the table. The £ note was to be covered by an man or men who wanted to. The accused was one of the men who would cover it. I did see money in the accused's hand once, the amount I could not say. It was folding money - paper money that is to say. He was standing to my left about 3 feet away. I never noticed him do anything with the money which was in his hands. His right hand was towards the table on the right. I saw the money in it. The accused after he was apprehended was turned over to the other pro and marched about 20 or 25 feet away to be put in line and then taken to the Orderly Room of No 9 Pro Coy. The game which I saw appeared to be an ordinary crap game. I saw dice on the first table, also a black cup, from which the dice were being rolled onto the table.

CROSS-EXAMINED BY THE DEFENDING OFFR

Q. Cpl how were you dressed when you first came upon this gambling place?
A. Coveralls over the top of my battledress, Sir. There was no insignia of rank or unit on this. I was at the table 3-4 mins before the whistle blew.

Q. Did you place any bets yourself before that time?
A. No, Sir. We were under orders not to break up the gambling. We were to approach the gambling place inconspiciously as possible dressed as we were and to try to pick out the leaders of the table concerned. Spr Doan was at the first table, the table I was at. Dice were definitely on that table. I did not see Spr Doan at any time roll the dice. He may have placed bets but I did not see him.

NO RE-EXAMINATION.

QUESTIONS BY THE COURT:

Q. Did you see the dice being rolled?
A. Yes, Sir, but I could not say as to who was the leader. I was making for the big Cpl in the RCA to arrest him, but he got away from me and I took Doan. In my opinion this RCA Cpl might have been the leader in the game at this table. He looked like the boss to me. He did more talking around the table than anyone else, but it might have been just his size that accounts for that.

Second Witness

U.1543 Sjt GOULD WR, 9 Pro Coy, having been duly sworn, states:

I recognize the accused. I also recognize the table and the other two tables. When I reported to King George V Gardens with the party of 6 men on 31 Mar 44 I saw these three tables. This table (pointing to one) had the men around it.

TABLE MARKED EXHIBIT 1 BY THE COURT.

THE OTHER TWO TABLES WERE MARKED EXHIBITS 2 AND 3 BY THE COURT.

(Witness continues)

I then dropped to the background and watched the arrival of the raiding party. It was at this time that I saw Cpl Escott & Dorn and Cpl Briend holding men at this No 1 table. There was a set of dice on No 1 table. I picked them up and gave them to Cpl Degrow. In my presence he marked the dice. These are the pair of dice in question. You will note pin scratches through 3 dots on the 6 on each of the dice.

DICE MARKED EXHIBIT 4 BY THE COURT.

(Witness continues)

After we had apprehended the men we took them back to No 9 Pro Coy. I reported to my CO immediately and each and every exhibit was turned over to him and marked accordingly. The men were placed in the Orderly Room. The conversation that took place, he was brought in to the COs office where Pte Gerigs was at the typewriter, myself and Cpl Coock and the accused were in the room. I cautioned the accused about the form ~~xxx~~ I had in my hand and read him the following cmution "I have been warned that I am not obliged to say anything unless I wish to do so, but that anything I now say will be taken down in writing and may be given in evidence. To show that I understand the above warning I make this statement voluntarily and sign my name herewith". He did not say he would not give a statement. He made a statement. He was under no obligation to do so, Sir. He already informed to that effect. He gave a statement verbally and I repeated it word for word to Gerige who typed it on the form.

CROSS-EXAMINED BY THE DEFENDING OFFICER

Q. After he made this statement was it read over to him?
A. Yes.

Q. You suggested all the way through what he should say?
A. No, I did not word his statement for him, Sir. He was quite at liberty to say what he wished. He gave the information voluntarily. He had been under arrest for 1½ to 2 hrs.

Q. You were really putting the words into his mouth though?
A. I think not. I read it merely as it is to be read on the paper which is the only way you can read it. He was not obliged to answer yes or no.

Q. Was he handcuffed?
A. No, Sir, not to my knowledge.

NO RE-EXAMINATION.

NO QUESTIONS BY THE COURT

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO COMPLY WITH RP 83(8).

THE WITNESS WITHDRAWS.

The accused, C.11478, Spr DOAN HL, 7 CCC RCE, being duly sworn on the trial within a trial, gives the following with respect to the admission of the statement:

EXAMINED BY THE DEFENDING OFFICER:

Q. Were you in the custody of the 9 Pro Coy at Cdn Pro HQ on the night of 31 Mar 44?

A. Yes, Sir, and I was asked to make a statement. I had been in custody an hour at least before I made the statement. We were in one room and I was asked to make a statement by a Sjt. The Sjt who has just given evidence before me just now. I had been in the custody of the pro then for over an hour and I did not know whether I was going to be a free man or where I was going to be, and I just thought I was obeying an order.

~~Third Witness for the Prosecution~~

B.32708 Pte GERIGS, T, 4 VRD, CCOD, having been duly sworn, states:

I was in the custody of 9 Pro Coy at their HQ on the night of 31 Mar 44. I was typing there, Sir. I recognize the accused. I was typing the statement made by the accused. I heard conversation between the accused and Sjt Gould to the effect that there was a statement to be made and typed out. The Sjt in charge of the pro was telling him what to say.

Q. Tell us how he was telling him what to say?

A. Sir, I can't remember everything that happened, I can't remember. I remember that Sir that the Sjt was talking to him for a long time.

Q. When the Sjt told Doan to make a statement was it given as an order or as a request?

A. It sounded like an order, Sir.

THE WITNESS WITHDRAWS.

SUBMISSION BY THE DEFENDING OFFICER

The submission is that the statement made by Spr Doan is not admissible in evidence. The reason I give for that is that the statement was not free and voluntary. First of all Spr Doan had been in military custody for more than an hour, he had been in military custody for from one to two hours. During all that time he had been acting under ~~xxxxxxxxxx~~ strict orders of pro personnel who were his superior in rank. According to Sjt Gould's own evidence he stated that he told Doan he wanted him to make a statement. Doan himself has said he felt that he had to obey. The next witness Gnr Gerig stated that Sjt Gould's words to Doan sounded as an order to him, and there is evidence that the form of the question does suggest to the listener that it is an order more or less, so that I don't think Doan did give that statement in a free and voluntary manner.

PROSECUTOR'S REPLY TO THE SUBMISSION OF THE DEFENDING OFFR.

About the excessive length of time that too place between the arrest of the accused and the taking down of his statement - I would submit that on a large scale raid such as this with the organization and transport covering all the events that such a time that did elapse was not sufficient to show any plan to intimidate the accused. As far as the statement of Sjt Gould, his method of administering the warning was unfortunate but as his giving of evidence showed before the Court it was done through ignorance and not through any desire or attempt to force a confession. I submit to the Court that the signed statement by the accused should be admitted in evidence.

THE COURT ADJOURNED AT 1800 HRS 20 APR 44 TO REASSMELBLE 0930 HRS 21 APR 44.

A MEDICAL CERTIFICATE WAS PRODUCED.

THE COURT IS CLOSED TO CONSIDER THE SUBMISSION OF THE DEFENDING OFFICER.

THE COURT REOPENED AND THE PRESIDENT ANNOUNCED THAT THE COURT WOULD ADMIT THE STATEMENT.

2nd Witness for the Prosecution

U.1543 Sjt GOULD WR, 9 Pro Coy, being recalled and on his former oath is examined by the Prosecutor:

I know nothing about this case of Spr Doan. We arrived at King George V Gardens at Bordon, where there were 2 tables in operation, and I stopped at the first table and watched a game in progress for approx 5 mins and then moved to another position father around the table. They were rolling dice from a rubber cup. This is the cup I picked up myself off the ground and I put my initials on it.

This War Dept Map is stippled in red and shows that the area in which King George V Gdns is situated is approx below the words on the map "BORDON CAMP". The railroads within the area are operated by the War Dept. The military have a phone communication in this area. There are many barracks within this area. The date on this map is 1931 and is the last map that has been issued and I procured these maps from the DCRE and are the last maps that are issued at this date. I don't know if there is an Alershot Commend at this time. It shows the area in which King George V Gdns are situated. The map I might add is numbere No 50/16 SE, 1/25000 and 50/14 NE designated Aldershot Command Trg Areas. It also bears another number the Map number, No. 3906.

THE DEFENDING OFFICER THEN TOLD THE WITNESS THAT IF HE DID NOT SAY ANYTHING TODAY THAT HE DID NOT SAY YESTERDAY HE WOULD NOT BE IN DANGER.

DEFENDING OFFICER ADDRESSES THE COURT ON THE FINDING

I don't intend to be length at all, Sir, and will be very very concise. On the first charge I submit that that charge failed. The onus according to the civil act is on the accused and there are certain presumptions. There has been no one who organized the game to make a gain. As to the second charge there is evidence of the accused's own that he was gambling. Whether or not that area which Mr Norris stated is a barrack area or a contonment is a question. He stated that he had no authority to order public off that property any more than he did a soldier. We have evidence of one pro who said he was acting under orders. I think it is very dangerous to permit this type of evidence to go on. This strikes at the whole roots of British justice. In any case Escott said all that he had seen Doan do was hold money near the table.

REPLY BY THE PROSECUTOR

The accused was present at a game of chance at which there were more than ten people present. The game was taking place on property which is administered by the War Department and is within a stone's throw of his own unit lines. He was by his own statement, participating in the game, and by the evidence of Cpl Escott did have money in his hand. Whether under Sec 42 of the Defence Regs he can be legally be found guilty I leave to the Court, but I do believe that under the alternative charge of Sec 40 of the Army Act a prime facie case has been established.

THE COURT IS CLOSED FOR A FINDING.

E-3

PLEA IN MITIGATION

I don't wish to call any character witnesses as the accused has not been with this unit only a matter of weeks. He has been in the Army

4½ yrs with only one entry on his conduct sheet and that entry was caused through his trying to help a fellow soldier one night, with the result that the police took him in with the friend. As to the merits, this second charge is one which might have been brought against 30 people that night. He is unfortunate in not being able to run fast enough. Why they picked on just 6 persons I don't know, but in any event, it does not seem to be a very serious offence. I would like the Court to take this into consideration when passing sentence.

I left barracks at 1000 hrs. and went over to where they were shooting craps. I stood watching the game for a while then I had a roll on the dice. The stakes were as you like to bet. I started off with a ten shilling bet and the bet was covered by somebody. I made a few more bets and got a clear on my right covered practically all the bets I made. Finally I took the dice and they went to another man. Somebody else started to roll and I covered the bet. For about fifteen or 20 minutes after this the dice went from one man to another and did not come back to me. Everybody participated including myself and a provost Cpl. caught hold of my arm and arrested me when I was approximately 50 yds. distant from the table, subsequently I was brought to No.7 Provost under close arrest.

I have read over this statement and certified it a true copy of my statement, for the time I have been asked to account for.

Cross-exam: He did not say he was sick. (*or*, None.)

Re-exam: None.

Exam by Court: He said—"I've had enough parades".

RP 83(B) complied with.

2. When a shorthand writer is employed, addresses, statements, evidence and objections need not, subject to RP 95(A), be taken by him verbatim. (*RP* 95 *fn* 1.) If the evidence is taken by him in narrative form, RP 83(B) should be complied with. If taken verbatim, RP 83(C) will be complied with.

MEDICAL OFFICER'S CERTIFICATE

I certify that: B.94846 L/Cpl. Doane, H.E., of 1 Cdn Mech Eqpt Coy, RCE. is fit to undergo trial by Court-Martial.

17 Feb 45

Alex Kenny Lt-Col
(Signature of Medical Officer)

In plea of Mitigation of sentence I would like to bring out the following points in connection with the case of L/Cpl Doane.

When L/Cpl Doane found that he was involved in an accident he did not abandon his vehicle but stayed at the scene of the accident to see if as much assistance as possible. He then made his way back to Regiment at the fastest way possible and reported to the orderly N Co.

There is no evidence of negligence on the part of L/Cpl Doane or that he drove the vehicle in a careless manner causing an accident. The only question is that he made an unauthorized journey.

There is the first serious charge against L/Cpl Doane. He was well thought of in his unit to the extent of being made an N.C.O.

SUMMARY OF EVIDENCE

in the case of

B.94846 L/Cpl, Harry Earl DOANE of 1 Cdn Mechanical Equipment Coy., R.C.E., Canadian Army Overseas.

The Officer Commanding directs that the evidence be taken on oath.

FIRST WITNESS: M.7327 A/Sgt. McLAUGHLIN, R.A., 1 Cdn Mech Eqpt Coy, RCE, sworn, states:

At approx 1715 hrs, 11 Feb 45, I made out and signed Work Ticket No. 13 for Cdn Mil Vehicle, Chev. HUP No. CZ.4211297 for destination 3 Cdn Corps and Army Tps Sub-Park, RCOC, Tilburg. I instructed L/Cpl. Doane to drive this vehicle and in company with CSM Lightfoot, we proceeded to the Sub-Park. On getting out of the car, I ordered L/Cpl. Doane to drive the car straight back to Coy HQ and told him that we would walk back. L/Cpl. Doane drove off at approx 1730 hrs. I did not see L/Cpl. Doane again until shortly before parade at 0815 hrs, 12 Feb 45. I did not see the vehicle again until it was brought to Coy HQ during the afternoon of 12 Feb 45 in a badly damaged condition. I returned to Coy HQ at approx 2300 hrs 11 Feb 45. On my arrival there, I checked the vehicles and found that Chev HUP CZ.4211297 was missing. I checked with the guards to see if they knew where the vehicle was. They did not. I checked the quarters and found that L/Cpl. Doane was not present. I then informed the Orderly Corporal, M.7368 L/Cpl. Jenkinson, O.N. that L/Cpl. Doane was absent and told him to determine the time at which L/Cpl. Doane returned. I notified all guards that L/Cpl. Doane was absent and instructed them to inform L/Cpl. Doane that he was to report to the Orderly Room immediately upon his return.

L/Cpl. Doane was ordered to proceed directly to Coy HQ and was not authorized to proceed to any other place.

On getting out of the car at our destination, Sgt. McLaughlin spoke to L/Cpl. Doane. I did not hear all that he said but I did hear Sgt. McLaughlin mention "camp" and "take it away". I also heard Sgt. McLaughlin tell L/Cpl. Doane that we would walk back to Coy HQ.

At approx 0815 hrs 12 Feb 45, I was informed that Chev HUP CZ.4211297 had been involved in an accident about a mile south west of Wyneghem, Belgium, on Maple Leaf Down route. FOURTH WITNESS: P.15413 A/Cpl. DANIELS, A.J., 1 Cdn Mech Eqpt Coy, RCE, sworn, states:

About 0900 hrs 12 Feb 45, I was instructed by Lieut. Sadler to proceed with a transporter to MR. J745966 to pick up Chev HUP CZ.4211297 which had been involved in an accident at that place. In company with F.91648 L/Cpl. Boutilier, J.B. I arrived at MR. J.745966 at approximately 1130 hrs 12 Feb 45. Chev HUP CZ.4211297 was on the left hand side of the road, when proceeding south, about 100 yds north of where the accident had occurred. It had evidently been mobed to this position by someone in order to clear the tram line. Workmen were repairing the tracks and a damaged power line standard on the tram line. As I drove up to the vehicle, a REME recovery vehicle was preparing to take the damaged Chev away. They moved it down the road for us so that we were able to winch it on to the transporter. When the vehicle was loaded we returned directly to our Coy HQ in Tilburg.

To Page Three.

FOURTH WITNESS: (cont)

Chev HUP CZ.4211297 was badly damaged. The engine was broken from its mountings, radiator was broken, drive shaft was broken, front springs were broken, body was badly bent with top pushed in and doors sprung, chassis frame was badly sprung.

The place where I picked up Chev HUP CZ.4211297, MR. J745966, is approximately one mile south west of Wyneghem on Route Maple Leaf. It is between 40 - 45 miles from our Coy HQ. It is not on the route from 3 Can Corps and Army Tps Sub Park RCOC, Tilburg to our Coy HQ, which is also in Tilburg.

Document purporting to be a certified true copy held in possession of the Officer Commanding, 1 Cdn Mech Eqpt Coy, RCE of the signed statement of the evidence of J.J. Dierckx, 22 Eigenaarstraat, Turnhout, Belgium, was read over to the accused and marked Exhibit "B" and attached hereto.

Do you wish to make any statement or to give evidence upon oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you may say or any evidence you give will be taken down in writing, and may be given in evidence.

The Accused: I desire to make a sworn statement.

The accused, B.94846 L/Cpl. Doane, Harry, Earl, 1 Cdn Mech Eqpt Coy, RCE, sworn, states:

At approx 1715 hrs, 11 Feb 45, I came in the gate at Coy HQ and met Sgt. McLaughlin and CSM Lightfoot. Sgt. McLaughlin handed me the AB 412 for Chev HUP CZ.4211297 and asked me to drive the CSM and himself. I delivered them at their directions to a place in Tilburg. I do not know exactly where it was. Upon leaving the vehicle, Sgt. McLaughlin said, "She is all yours. Get going." These are the only words I heard Sgt. McLaughlin say. I drove to a wider part of the street and turned around. I proceeded on route Maple Leaf Down towards Antwerp. It had been raining and was drizzling at the time. The road was slippery. Upon coming to a left curve in the road about a mile south-west of Wyneghem on Maple Leaf Down the vehicle skidded off the road on to the double tram line on the right hand side of the road and came to rest against a steel power line standard. The damage to the vehicle was slight, so I re-started the motor and tried to drive off the rails. It was not possible as the car was wedged against the steel power line standard. At this point I noticed a tram train coming from Antwerp at a fairly high rate of speed, about 30-40 mph, I would judge. I jumped out of the vehicle and ran down the rails toward the tram in an effort to stop it. The tram driver was unable to stop and the tram collided with the vehicle, carrying it for about 30-40 yards to the next power line standard where it, the vehicle, came to rest between the standard and the tram. I ran around to the front of the tram and found the tram driver's window broken completely. Thinking that there might be someone injured, I entered the tram by the door. There was no one injured. In company with the tram driver, I went back to the vehicle and found that the trolley line was down and it had come in contact with the vehicle and had set the undercarriage on fire. We put the fire out. I stayed with the tram for about three hours. No military police were available or came along. The tram driver said that I might as well go and that they would lift the vehicle off the road when they could get a crane there. I left and hitch-hiked my way back to Coy HQ and reported my return to L/Cpl. Jenkinson at approx 0100 hrs, 12 Feb 45.

CHARACTER WITNESS STATEMENT FOR K76280 PTE A J DOBBIE

by A106030 A/Cpl KEOUGH W. W.

On returning to my Unit from Hospital and taking over my section I found a number of new faces, one of them being Pte Dobbie. After knowing Pte Dobbie for a short time we became quite good friends. I have been in action several times with Pte Dobbie, and found him to be a very efficient and courageous character. He was always very cool and used his head to the best advantage at all times. When ever he was detailed for a job it was always carried out promptly and no questions asked. He was very highly thought of by all the men in the section. When things were quiet or we were out of the line Pte Dobbie always wrote hom at every available opportunity. I have never at any time seen or heard Pte Dobbie do anything that would disgrace himself or his Regt. I beg of you to give Pte Dobbie another chance and I know he will make good.

RP 83 (b) complied with.

PLEA OF MITIGATION IN THE CASE OF C.B.R.

K72680 Pte ALEXANDER JOHN DOBBIE by DEFENDING OFFICER

Pte Dobbie joined the Forestry Corp on 12 Sept 40, at the age of eighteen years. He served in Canada with his Unit and proceeded overseas on the 20 Apr 41. He continued training U.K., until he landed in France with his Unit on the 26 July 44. He fought with the Unit until Sept 44. At this time the Inf re-inforcements situation was very acute. Pte Dobbie of his own accord volunteered to join the C.I.C. he was detained for a period of three weeks at 2 C.B.R.G., waiting to join the Lincoln & Welland Regt, on the 4 Nov 44, he joined his Regt in the line. He fought continually with his unit until 2 Mar 45. During this period of time Pte Dobbie proved his capability as a leader in battle and was promoted to a L/Cpl 8 Feb 45. I wish to bring to the attention of the Court that Pte Dobbie has served in the army for four years and seven months. During this period of time he has had only one petty crime. I trust the Court will note that for three solid years this man has had no crime. It is Pte Dobbie's one desire to be able to return to action with his unit of which he is so proud. I feel confident that the Court when considering the sentence to be imposed upon this man will also bear in mind the excellent effort that has been put forth by Pte Dobbie for his King and Country.

CHARACTER WITNESS STATEMENT For K-72680. PTE. A.J.DOBBIE

By - A-106030. A/CPL. KEOUGH,W.W.

On returning to my Unit from Hospital and taking over my section I found a number of new faces, one of them being Pte Dobbie. After knowing Pte Dobbie for a short time we became quite good friends, I have been in action several times with Pte Dobbie, and found him to be a very efficient and courageous character. He was always very cool and used his head to the best advantage at all times. When ever he was detailed for a job it was always carried out promptly and no questions asked. He was very highly thought of by all the men in the section. When things were quiet or we were out of the line Pte Dobbie always wrote home at every available opportunity. I have never at any time seen or heard Pte Dobbie do anything that would disgrace himself or his Regt. I beg of you to give Pte Dobbie another chance and I know he will make good.

PLEA OF MITIGATION IN THE CASE OF -

K-72680 Pte ALEXANDER JOHN DOBBIE By DEFENDING OFFICER

Pte Dobbie joined the Forestry Corp on 12 Sept 40, at the age of eighteen years. He served in Canada with his Unit and proceeded overseas on the 20 Apr 41. He continued training in U.K., until he landed in France with his Unit on the 26 July 44. He fought with the Unit until Sept 44. At this time the Inf re-inforcements situation was very acute. Pte Dobbie of his own accord volunteered to join the C.I.C., he was detained for a period of three weeks at 2 C.B.R.G., waiting to join the Lincoln & Welland Regt. On the 4 Nov 44, he joined his Regt in the line. He fought continually with his Unit uhtil 2 Mar 45. During this period of time Pte Dobbie proved his capability as a leader in battle and was promoted to a L/Cpl 8 Feb 45. I wish to bring to the attention of the Court that Pte Dobbie has served in the army for four years and seven months. During this period of time he has had only one petty crime. I trust the Court will note that for three solid years this man has had no crime. It is Pte Dobbie's one desire to be able to return to action with his Unit of which he is so proud. I feel confident that the Court when considering the sentence to be imposed upon this man will also bear in mind the excellent effort that has been put forth by Pte Dobbie for his King and Country.

1ST WITNESS FOR THE PROSECUTION: M-3656 L/Sjt Watt, H.J. Regtl Police, 2 CARU, sworn, is examined by the prosecutor:-
Q.1 This 1st charge is one of using threatening language to a superior officer. Will you tell us what occurred in the guard room of No 2 CARU on 21 Mar 43 in this connection?
A.1 On 21 March after having placed the two Dobbie brothers under close arrest they caused quite a commotion in the guard room. One Gnr Donald Dobbie - whom I see and recognize - made certain remarks that we were "all a bunch of bastards and no bloody good", relating to the Regtl Police of 2 CARU.
Q.2 Were those particular remarks addressed to you Sjt Watt?
A.2 Yes sir, they were.
Q.3 Where was Gnr Dobbie when these remarks were made?
A.3 He was in the cell in the guard room.
Q.4 And where were you?
A.4 I was in the cell with Gnr Dobbie, the other brother (Douglas Dobbie), the regtl orderly offr - a Lieut - and there was one L/Bdr. McKay.

CROSS EXAMINED BY DEFENDING OFFICER:

Q.5 Why was Donald Dobbie in the guard room?
A.5 He was there because I put him there in disobeyance of an order given by me.
Q.6 You stated that all the swearing had been directed at you?
A.6 Yes sir, it had been directed at me.
Q.7 It could have been directed at anyone of the regtl police?
A.7 Well, I do not think everyone of the regtl police was in the cell at the time.

1ST WITNESS FOR THE PROSECUTION: Continues to be examined by the prosecutor:-
Q.8 Will you give evidence as to what you know regarding the 2nd charge?
A.8 At approx 2100 hrs 21 March 43 I ordered Gnr Donald Dobbie - whom I see and recognize - to go to the guard room with L/Bdr Burnett and he refused to do so. I then placed him under close arrest and had him taken to the guard room by L/Bdr Burnett. He fought with his escort, put up quite a struggle, and it took us 10 mins to take him to the guard room.

A.8 (Contd).
On arrival in the guard room he put up a further struggle and had to be forced into the cell.
Q.9 Will you tell the Court what you know about the 3rd charge?
A.9 At approximately the same time and date, after putting Gnr Dobbie to the cell I heard a violent kicking on the door and the panel of the door was kicked out. The door was quite badly damaged sir. Gnr Douglas Dobbie was also in the cell. The door was broken out from the inside and kicked into the hallway.
Q.10 Will you give evidence as to what happened re the 4th Charge?
A.10 At approx 1500 hrs 22 Mar 43 I was informed by L/Bdr Hooper, Regtl Police, 2 CARU, that Gnr Donald Dobbie refused to work. I went to Gnr Donald Dobbie and showed him the regulations whereby men undergoing detention could be worked and ordered him to go out and work on the wood pile - and this he refused to do. He stayed in the cell and wouldn't go out.
Q.11 What action did you take after that?
A.11 I had the charge laid and informed the Adjt.
Q.12 Did Gnr Dobbie appear to have been drinking on the night of 21 March?
A.12 Well I wouldn't say he didn't have a drink sir; but he wasn't drunk.

CROSS EXAMINED BY DEFENDING OFFICER:
Q.13 Prisoners awaiting Sentence are made to work are they?
A.13 Yes sir.
Q.14 Those awaiting Sentence?
A.14 Yes sir, I have authority here.

The President advised the accused under Note 2, RP.40

1ST WITNESS FOR THE DEFENCE: The accused, sworn, states:-
My brother and I were sitting in the NAAFI at about 6 o'clock on the night of 21 March. Well, about 8-30 p.m. I told my brother he had better go up and make his bed so he went over to the hut so far as I know.

Well, a little later in the NAAFI I saw a L/Bdr take hold of some fellow just by theNAAFI cigarette counter. I saw the Bdr go into the back of the NAAFI so I followed to see what the trouble was. Sjt Watt was standing there when the Bdr told him that he caught a fellow stealing money from behind the counter. Sjt Watt asked the Bdr if he could recognize the person and the Bdr said no he couldn't recognise him and he didn't know his name. Then Sjt Watt asked me what the hell I was doing in behind the counter. I told him that I was just trying to find out what the trouble was. So Sjt Watt told me to get the hell [illegible] out and he pushed me. I told Sjt Watt to take his hands off me as he was asking for trouble. So he just told me to get out. Well just before I was going out I happened to hear one of the RPs, Gnr Steele, tell Sjt Watt that he thought it was one of the Dobbies that took the money. Then I turned round and I said, "It couldn't have been my brother because he is over in his hut." Well then Sjt Watt started to push me around again and I told him to keep his hands off me. Then L/Bdr Burnett said I pushed him. But I didn't lay a hand on him. L/Bdr Burnett smaked me on the nose with his fist, and then he grabbed me by the back of my collar and as he was dragging me outside the NAAFI he hit my head on the door; but he finally got me outside. I asked him what was what. He said I was under close arrest for stealing money. So I went with the Bdr to the guard room and when I got to the guard room L/Bdr Burnett let me go as I asked him if I could turn my pass into the Sjt of the Guard that night. Well, at the time I was in the guard room my brother was there as well. I asked the Sjt of the Guard if I could sign the book, as we were told we had to sign in and out for our passes. The Sjt refused to let me sign the book. Then Sjt Watt asked me to go into my cell, so I told Sjt Watt I would go into my cell as soon as I had signed my name in that book. But before I had a chance to sign the book, Sjt Watt grabbed me by my left arm and Gnr Steele of the Regtl Police grabbed me by my hair and pulled my head away back, and Sjt Watt said he would "smash my bloody face in."

I saw my brother, sir, in the guard room. I heard somebody tell him he was under close arrest, so I saw my brother make for the door. I saw a Bdr grab my brother as he was going out towards the door and then just before Sjt Watt came and grabbed me I saw Bdr Lett and L/Bdr McKay hit my brother over the eye. Well then they finally put my brother into the cell where I was and then Bdr Brunett started to tell us that he would kick the "living shit" out of us. Then Sjt Watt finally closed the door and we were so mad when we were in that cell that we threatened to kill Sjt Watt and started to call them a "dirty bunch of bastards."

About 10 mins later Sjt Watt came back with a pair of handcuffs and put them on us and made us sleep together in one bed. On Monday we were in the cell all day and on Tuesday we were told that we were going out to work on the woodpile. I went out to work; but before I went the Sjt told us that we need not go out to work. But we did go out, and about an hour afterwards, well, I just said I wasn't going to work and the R.P. brought me back to the cell. Sjt Watt came in and asked me why I refused to go to work. I said to the Sjt, "I refuse to work for you" and the reason was the way they had treated us on Sunday night.

CROSS QUESTION BY THE PROSECUTOR:

Q.50 Who kicked the door out?
A.50 I don't know.
Q.51 Do you know how the door was broken?
A.51 No sir, all I heard was a crash.
Q.52 You said you were in the NAAFI from 6 to 6.30 approx. How many glasses of beer did you have?
A.52 Well, about 5 glasses of beer I believe; but we were drinking at Croydon before we got there.
Q.53 How much did you have to drink in Croydon?
A.53 About six pints.
Q.54 That make 11 a piece?
A.54 Yes sir.
Q.55 Your brother went to his hut. What makes you so certain about that?
A.55 I saw him go out of the NAAFI to go there.
Q.56 Why did the RP grab you in the NAAFI?
A.56 I do not know.
Q.57 Did he tell you go along with him?
A.57 No sir, he grabbed me and pushed me along.

Q.58 The reason that you say you refused to work on the wood pile was because Sjt Watt treated you wrongly?
A.58 Yes sir
Q.59 And that also the reason why you used bad language against the Sjt?
A.59 Yes sir.

CLOSING ADDRESS BY THE DEFENDING OFFICER:-

He might have expressed some of these words. The man had no crime against him - it was just the Sjt acting in an official capacity and thinking the other brother was possibly involved in this, immediately said: "Grab both the Dobbies" without any warning at all. He more or less just pounced upon Donald Dobbie, and it is only natural he would resent this and in using soldier's language expressed himself in this way.

On the 2nd charge - resisting an escort whose duty it was to have him in charge - I suppose it was L/Bdr Brunett's duty because he was ordered by Sjt Watt to do so.

Re the 3rd charge - wilfully damaging a cell door. The Prosecution has proved that a cell door was damaged to the extent of £1-5-0. They have not proved who damaged the door.

On the 4th and final charge - he disobeyed a lawful command given by a superior officer - arising out of the fact he was ordered to go out to the wood pile. The Court knows that Gnr Dobbie was actually out on the wood pile - he had been working there for an hour.

THE COURT IS CLOSED TO CONSIDER ITS FINDING.

Q:- (Pres to Prosecutor): Have you any evidence to produce as to the statement of character and particulars of service of the accused?
A:- I present herewith MFM.6 and MFB.355 with respect to the accused. The Defending Officer has perused the two documents, and he has advised me that he consents to their being admitted as true copies.
(RP.46(B) complied with).

PLEA IN MITIGATION OF PUNISHMENT BY THE DEFENDING OFFICER

The only thing I want to emphasise is his age. He has been held for some considerable time in the Reinf Unit awaiting his 19th birthday, and during this time - this waiting around - it is not very conducive to good soldiering; and he had to do batting and running around as an orderly to fill in time. Until he was 18½ yrs of age he could not start on basic training. Also, in view of the fact that they are twins, it is only the natural instinct to help each other out in trouble.

THE COURT IS CLOSED FOR THE CONSIDERATION OF THE SENTENCE

SUMMARY OF EVIDENCE

FIRST WITNESS For the Prosecution

B 6215 L/Bdr DOWNING R., an instructor on the strength of "E" Battery, "Q" Wing, No 2 Cdn Arty Rft Unit, being duly sworn, states:

"I am L/Bdr Downing R. On Sunday evening the 21st Mar 43 at approximately 2045 hrs I was sitting in the NAAFI Canteen eating with a Gnr Betke. I saw a man jump up and sit on the cigarette counter of the Canteen, and reach behind the counter and grab what I took to be a package of cigarettes. I jumped up and told him to put it back. The man had been drinking and had a glass of beer in one hand. He handed me a sum of money. I asked him for his pay book to obtain his name and number and he started struggling, breaking away and running out of the canteen. I took the money to one of the ladies in the rear of the canteen and reported the fact to the Sjt of the Regtl Police who was there at the time. The Sjt dashed out to see if he could catch the culprit and he was at the dooor opening on to the kitwhen of the canteen when another man appeared and started arguing and using threatening language to L/Bdr Burnett. The Sjt ordered L/Bdr Burnett to take the man to the Guard room. I was behind Bdr Burnett on getting up to the Guard room, and as he opened the door, the man I had struggled with in the canteen was in the guard room. L/Bdr Burnett informed the man he was under close arrest. The man tried to dash by and get out by the door but was stopped by Bdr Burnett. Struggling then ensued between both the prisoners and the escorting Regtl Police.

SECOND WITNESS for the Prosecution

H 3656 L/Sjt WATT H J., a member of the Regtl Police, No 2 Cdn Arty Rft Unit, being duly sworn, states:

"I am L/Sjt Watt H J., of the Regtl Police, Superior Camp. At approximately 2100 hrs 21 Mar 43, L/Bdr Downing reported to me that he had seen a man who he recognized as one of the Dobbie brothers lean over the counter in the NAAFI and take something. He had approached this gunner and got a sum of money from him but the gunner escaped. I instructed my junior NCOs to have both Dobbie brothers taken to the guard room where L/Bdr Downing could identify the guilty party. Gnr Donald Dobbie was in the NAAFI kitchen when I went there and I ordered him to go to the guard room with L/Bdr Burnett and he refused to go. I then placed him under arrest and ordered L/Bdr Burnett to take him to the guard-room. He resisted violently and had to be dragged out of the building. On arriving at the guard room Gnr Douglas Dobbie was there in conversation with the Guard Comdr. I informed him he was under arrest. Immediately he tried to make a break for the door but was stopped by L/Bdr Burnett. When told to go into one of the cells both Gunners Dobbie refused to do so and put up quite a struggle before they were locked up, I was returning to the front of the Guard Rooom when the cell door was kicked and the panneling broken out. About this time the Orderly Officer arrived. We went back to the cell to try and quiet the Dobbie brothers down and they used insubordinate and threatening language to me, Gnr Donald Dobbie saying that werwere all a no good bunch of buggers and Douglas Dobbie saying that at the first opportunity he had he would shoot me. At approximately 1500 hrs on the 22nd Mar 43, I was informed by L/Bdr Hooper that Gnr Donald Dobbie would not work when detailed as a prisoner. I went to Gnr Donald Dobbie and showed him the rules concerning men in detention and explained the mistake he was making but he persisted in refusing to work. I then ordered him to work on the wood pile at No 4 kitchen and he refused to do so.

QUESTION: "Who told you it was one of the Dobbie's ?"

"I am L/Bdr Burnett AC., of the Regtl Police. At approximately 2100 hrs 21 Mar 43, I was in the NAAFI when I was ordered by L/Sjt Watt to take Gnr Dobbie Donald to the Guard Room for identification. I asked Gnr Dobbie Donald to come with me. He said he wouldn't. L/Sjt Watt then placed him under close arrest and ordered me to take him to the Guard room. I then asked Gnr Dobbie Donald if he was going to come. He said "No" and I forced him to go to the Guard room and Sjt Watt told me to place his brother Gnr Dobbie Douglas under close arrest also if I saw him. When I arrived at the Guard room with Gnr Dobbie Donald, his brother, Gnr Dobbie Douglas, was there. I immediately told him he was under close arrest. He asked me what for and I told him over an incident that happened in the NAAFI. As I turned around to tell the other Regtl Police to put Gnr Dobbie Donald in a cell, Gnr Dobbie Douglas ran out of the door and I caught him. I then ordered both to go to the cell and they both resisted violently and a scuffle occurred ending up by putting them in the cell by force.

They quieted them down and were put in the cell and L/Sjt Watt told me to put two men on guard in the passage way. I placed the two men on guard and although I saw nothing, I heard a lot of noise from their cell and I also heard the cell door being broken, and afterwards saw it was the door of the Dobbie brothers cell.

Q.31 What do you know about the charge against Gnr Dobbie in using threatening language to a superior officer?
A.31 At approx 2100 hrs 21 Mar 43 I placed Gnr Douglas Dobbie under arrest and got him to the guard room of 2 CARU. He immediately tried to break away and succeeded in getting out of the guard room before L/Bdr Brunett caught up with him. A.66 About 2½ yrs.

Q.67 And have you had experience in valuing damage?

A.67 Yes.

CLOSING ADDRESS BY THE DEFENDING OFFICER:-

On the 1st Charge - threatening to kill Sjt Watt - there is nothing clear to show that in this threatening language he didn't threaten to "shoot" Sjt Watt. He could still shoot him without killing him.

On the 2nd Charge - resisting an escort; he was already in the guard-room, and so far as I can see there was no need to have an escort to take him to the guard-room as he was already there.

And as for this 3rd charge of damaging a door there is one story that there were 3 men in the guard-room, and even though it may have been only 2 there is no evidence that Gnr Douglas Dobbie kicked in that door.

THE COURT IS CLOSED TO CONSIDER ITS FINDING.

Q: (Pres to Prosecutor). Have you any evidence to produce as to the statement of character and particulars of service of the accused?
A: I present herewith MFM.6 and MFB.355 with respect to the accused. The Defending Offr has perused the two documents and he has advised me that he consents to their being admitted as true copies.
(RP.46(2) complied with).

PLEA IN MITIGATION OF PUNISHMENT BY THE DEFENDING OFFICER:-

The Court has already the plea of mitigation of the twin brother. They have been in the Army practically the same length of time and he has been kept in the RU for the same time. His crime sheet has only very minor entries on it - his record hasn't been so very bad. The trouble is, he had been drinking at Croydon and somehow came back here to finish off.

THE COURT IS CLOSED FOR THE CONSIDERATION OF THE SENTENCE

SUMMARY OF EVIDENCE

"I am L/Bdr Downing R. On Sunday evening, the 21st Mar 43, at approximately 2045 hrs I was sitting in the NAAFI Canteen eating with a Gnr Betke. I saw a man jump on and sit on the cigarette counter of the canteen, and reach behind the counter and grab what I took to be a package of cigarettes. I jumped up and told him to put it back. The man had been drinking and had a glass of beer in one hnad. He handed me a sum of money. I asked him for his pay book to obtain his name and number and he started struggling, breaking away and running out of the canteen. I took the money to one of the ladies in the rear of the canteen and reported the fact to the Serjeant of the Regtl Police who was there at the time. The Serjeant dashed out to see if he could catch the culprit, and he was at the door opening on to the kitchen of the canteen when another man appeared and started argueing and using threatening language to L/Bdr Burnett. The Serjeant ordered Bdr Burnett to take the man to the Guard Room. On getting up to the Guard Room I was behind Bdr Burnett and as he opened the door, the man I had struggled with in the canteen was in the guard room. L/Bdr Burnett informed the man he was under close arrest. The man tried to dash by and get out the door, but was stopped by Bdr Burnett. Struggling then ensued between both the prisoners and the escorting Regtl Police

"I am L/Sjt Watt H J., of the Regtl Police, Superior Camp. At approximately 2100 hrs 21 Mar 43 L/Bdr Downing reported to me that he had seen a man, who he recognized as one of the Dobbie bros lean over the counter in the NAAFI and take something. He had approached this gnr and got a sum of money from him, but the gnr escaped. I instructed my junior NCOs to have both Dobbie brothers taken to the guard room where L/Bdr Downing could identify the guilty party. Gnr Donald Dobbie was in the NAAFI kitchen when I want there and I ordered him to go to the Guard room with L/Bdr Burnett and he refused to go. I then placed him under arrest and ordered L/Bdr Burnett to take him to the Guard room. He resisted violently and had to be dragged out of the building. On arriving at the Guard room, Gnr Douglas Dobbie was there in conversation with the Guard Cmdr. I informed him he was under arrest. Immediately he tried to make a break for the door, but was stopped by L/Bdr Burnett. When told to go into one of the cells both Gnrs Dobbie refused to do so and put up quite a struggle before they were locked up. I was returning to the front of the Guard Room when the cell door was kicked and the panneling broken out. About this time the Orderly Officer arrived. We went back to the cell to try and quiet the Dobbie brothers down and they used insubordinate and threatening language at me, Gnr Donald Dobbie saying that we were all a no good bunch of buggers and Douglas Dobbie saying that at the first opportunity he would shoot me. At approximately 1500 hrs on the 22 Mar 43, I was informed by L/Bdr Hooper that Gnr Donald Dobbie would not do the work he was detailed to do as a prisoner. I went to Gnr Donald Dobbie and showed him the rules concerning men in detention and explained the mistake he was making but he persisted in refusing to work. SUMMARY OF STATEMENT IN MITIGATION, CHARACTER EVIDENCE AND ADDRESS OF ACCUSED OR HIS DEFENDING OFFICER

Plea in mitigation of punishment by the Defending Officer attached hereto.

(OVER)

Mr President and members of the Court —

Gnr. Dobbie has pleaded guilty as charged so there is nothing to be said there. However before sentence is passed there are a few things which I as his defending officer would like to say in his favor.

Gnr Dobbie has not been an ideal soldier by any means but one must consider the type of misdemeanors he has committed. These have all been minor offences committed more through youthful thoughtlessness than through any malicious intent. There is nothing mean or vicious about any of these offences.

Consider Gnr. Dobbie's age. He is now eighteen years old, will be nineteen in March. He enlisted in the Canadian Army 6th July 1940. at the age of sixteen. and came to England & in October 1941 about sixteen months ago. He arrived here as a driver and was with a regiment as a driver but when his true age was discovered, his driving permit was cancelled and he was sent back to this Reinforcement unit about eleven months ago.

Since that time he has done nothing but fatigues lighting fires, cleaning huts, etc [illegible] no steady employment in which he could take any interest or

felt that he was doing himself or the army any good. Is it any wonder that a boy his age would get sick of it and go A.W.O.L.?

Finally while he was undergoing field punishment he saw an opportunity to escape. He had sufficient money so he took this chance ~~and~~ with no thought of the consequences. He met an acquaintance in London who was also A.W.O.L. and the two of them were apprehended by the Cdn. Provost in London. After being locked up they were taunted by their guards who among other things said that here was one guard house they would not break out of, so at the first opportunity they broke out again. more to show the inefficiency of the ~~from~~ London Provost than any thing else.

In conclusion, gentleman let me again point out that all these escapades are ~~more~~ youthful thoughtlessness and carelessness of consequences for hasty action. I am sure that Snr Dobbie if given proper guidance and useful employment would become the very good soldier he is capable of being. I thank you.

By direction of the Commanding Officer the summary of evidence is taken on oath.

First witness for Prosecution

G20061 C.S.M. Gregson, B. having been duly sworn states as follows:-

On the 18 Nov 41 I was giving "C" Company as Company Serjeant- Major a period of foot drill. It was approximately 1020 hrs that Pte Dobbins broke ranks making some remark which I did not understand. Sjt Cleary who heard his remark placed him under close arrest.

Second Witness for Prosecution

G20048 Sjt Cleary, W.B. having been duly sworn states as follows:-

On 18 Nov 41 approximately 1030 hrs in the morning, my company serjeant-major had the company on parade. On this parade my platoon commander asked me as platoon serjeant to check on Pte Loftus to see whether he was sick or what the trouble was. Following his orders I asked Pte Loftus if he was sick. He said he wasn't sick but sick of the whole thing. At the same time Pte Dobbins said, "HE're all sick". I told him we all had to do it and like it; he said he might do it but wouldn't like it. Later, stepping out of the ranks he walked away, saying, "I will not do it". On doing so I placed him under close arrest.

W B Cleary

Accused declines to cross-examine this witness.

Third Witness for Prosecution

Lieut D.W. May No. 15 Pl Coml having been duly sworn states as follows:-

The company had been doubling up and down the road for some time on drill and halted to do some turnings. I noticed that Pte Loftus was doing his drill in a very half hearted manner. I asked Sjt Cleary, who was standing nearby to ascertain whether he was ill or malingering. Sjt Cleary walked over to Pte Loftus and after a short conversation Pte Loftus turned and walked off the parade and at the same time Pte Dobbins also walked off the parade ground. Sjt Cleary then placed him under close arrest.

Plea of mitigation of sentence Pte. Robbins. J.J.

Since June of this present year there has been no entry of ill conduct sheet of the accused. At his last misdemeanor he promised to soldier. Then he had done until Nov. 18. As to his willingness to work and as to his character. Sgt. Pregron has I think convinced the court that Pte Robbins is a fine man and a credit to the Canadian Army. Gentlemen, the Army Act was not written for this type of man. The punishments laid down are for hardened criminals who have no respect for law and order. Pte Robbins only crime, if crime it may be called, was to let for one second the words that come at times to all average men, to let those words escape on a parade. They were not directed at anybody in particular, they were just the feelings that had accumulated due to separation from his wife for two long years, due to the rather obscure outlook on his part of what time might bring to him.

That feeling passed very quickly and once again he was ready and willing to do his duty. Surely that privilege should not be denied him, because of ~~other offence~~ such a trivial slip. I ask the court to kindly consider my remarks before passing sentence.

"H"

Address of Defending officer

There is no mark on any of the articles to indicate they are public property.
There have been several witnesses who thought they were army rations.
Several articles have been proved not to be army rations.
Butter could not have been in kit bag for any long period and still keep its condition.
Inspection of kit was a prejudiced one.
The only articles missing before the inspection were eggs. Yet on the discovery of these articles which did not include eggs the inspection was called off.
Draws attention to discrepancy in statements re position of solidified spirits
1. in kit bag
2. on bed
3. on window sill.
Can it therefore be said to be in his possession.

Reply of Prosecutor

The articles came from kit bag of accused.
Some are army rations.
The accused had cigarettes and clothes in the bag - and yet he said he didn't open it for 2 weeks.
He must have known the articles were there.

Accused: No, sir.

The prosecutor makes an opending address.

Before I call my first witness, I want to make an observation. I am referring to the summary of evidence and you will note that the accused in the summary of evidence made certain admissions which I am informed were made under promise of certain consideration, namely that if he made this admission it was on the understanding that he would be dealt with summarily by his commanding officer.

President: The Court here is not concerned with that part of it.

I am concerned because I want to clear me of my duty as prosecuting officer and for that reason I will not introduce the admission of the accused when the time comes.

The prosecutor proceeds to call witnesses.

1st Witness for the prosecution — Capt. C.S. HADLEY, having been duly sworn, is examined by the prosecutor.

1. Q. Would you give the Court your rank, name and unit?
   A. Capt. C.S. Hadley, No. 1 C.D.I.R.U.
2. Q. What was your position or appointment around about the 1st December of last year?
   A. On 1st December last year I was 2 i/c of the Essex Scottish Company.
3. Q. Do you know the accused?
   A. Yes, I do.
4. Q. I will show you the back of a letter. What information does it give?
   A. The information it gives me is that it was mailed by Pte. Dobson.
5. Q. That is a letter purporting to be written by the accused?
   A. That's correct, yes.
6. Q. I tender the letter and envelope as Exhibit "A". Are you acquainted with the contents of that letter?
   A. I am.

7. Q. I will show you a document purporting to be certain observations made by the censor in connnection with the letter. That purports to be certain observations made by the postal censors?

A. Yes.
(Document submitted and marked Exhibit "B")

Defending Officer: I am not admitting the letter.
Prosecutor: I am putting it in as an exhibit. The only purpose of this is it purports to be observations made by the censor as a result of that letter.

8. Q. What was your position around about the 20th of September of last year?

A. 20th of September?

9. Q. In relation to the Essex Scottish Company.

A. I am not quite sure of the dates, but some time during the fall I became acting O.C. of the Company, but I think I was 2 i/c.

10. Q. Were you in a position to know what went on in the company. Are you sure of the allegations made in this letter?

A. Yes, I am.

11. Can you make any statement regarding the truth of the statements?

A. Well I would say about 99.99% were false.

This witness is examined by the Court.

12. Q. What do you mean when you say about 99% of them were false.

A. The statement was absurd on the surface. Such things as being able to get stripes for N.C.Os. and promotions and special leaves, etc. The only thing that is common knowledge of stealing passes. Other things about influencing the company commander and sergeant-major are absurd.

This witness is cross-examined by the Defending Officer.

13. Q. Is there anything in the letter, any allegation about stealing passes?

A. No, I am sorry, I don't think there is. There is something about covering up passes.

Defending Officer: Well, let's get the thing right.

2nd Witness for the prosecution

A-21127 C.S.M. SIMPSON, J., Essex Scottish Company, No 2 Cdn. Div. Inf. Reinf. Unit, having been duly sworn, is examined by the Prosecutor.

14. Q. Will you give the Court your number, rank and name?

A. A-21127 C.S.M. J. Simpson, Essex Scottish Regt.

15. Q. No. 2 C.D.I.R.U.?

A. Yes, sir.

16. Q. I will show you Exhibit "A". After examining it and the back, by whom does that purport to have been written?
A. It has been written by Dobson.
Defending Officer: Purports to have been written. Come on, listen to what he said.
17. Q. By whom does it purport to have been written? Who do you think wrote that?
A. Dobson wrote the letter.
18. Q. Do you know the accused in this case?
A. I do, sir.
19. Q. Is the accused in this case the person by whom the letter purports to have been written?
A. Yes, sir.
20. Q. Are you acquainted with the contents of that letter?
A. I am, sir.
21. Q. Can you give the Court any information as to the allegations contained therein?
A. To the best of my knowledge, sir, it is pure fiction.
22. Q. Are they true or are they false?
A. They are false, sir.
Defending Officer: What's this - a game?
23. Q. Have you any connection with the functioning of the orderly room at the Essex Scottish Company? Did you have any control over the functioning of the orderly room of the Essex Scottish Coy. around the 20th September 1941?
A. I was responsible for it, sir.
24. Q. Is it possible that these things could go on without coming to your knowledge?
A. No, sir, it is impossible, sir.

This witness is cross-examined by the Defending Officer.

25. Q. Sgt-Major Simpson, you know Dobson?
A. Yes, sir.
26. Q. For some time?
A. Since, I believe, April 1941. TC 9 draft.
27. Q. What sort of a bloke is he?
A. As far as I have had connection with him, I have never found him unreliable, sir. I am not prepared to go out on a limb for him after reading that letter. I had no occasion to check him up for anything he did.
Prosecutor: This is more or less evidence as to character.
Defending Officer: It is merely an introduction to the man who wrote the letter.
Witness: Since that time I have changed my opinion, after reading the letter, sir.
28. Q. Have you, for instance, heard the boys use the term "rebel."
A. Yes, sir.
29. Q. It is quite x common among the Americans. The northerners call the southerners rebel. Have you seen, for instance, some of the boys mimicking the communists or the soap-box orators, and referring to themselves as communists?
A. Yes, sir. I believe we used to have one.
30. Q. Who was that?
A. Cpl. Gatrell.
31. Q. Yes; it was a bit of boy play at the time?
A. Yes, sir.
32. Q. Noone took it seriously?
A. No, sir.

33. Q. As a matter of fact, Cpl. Gatrell comes from South Carolina?
A. He is a southerner anyway, sir.

The witness is re-examined by the Prosecutor.

34. Q. Now that you have given this much information about Cpl. Gatrell, will you tell the Court whether all the statements made in that letter about Gatrell were true? Are you acquainted
A. with the statement?
A. Can I have the statement, sir.
(The statement is read out by the President.)
A. That statement practically refers to three separate items. It mentions sabotage, embezzlement and communism.
35. Q. I just want to know whether or not that fits the views of Gatrell at the present time; if he is carrying on well?
A. Sir, a man's record previous to joining the army I know nothing of. Since joining the army I do know he has been in no trouble and he has been in no trouble where he is.
36. Q. Leaving out the quotation regarding embezzlement, is the remainder true or false?
A. It is false, sir.

(At the close of the evidence of the prosecution the admission of the accused contained in the summary of evidence could not be submitted.)

The Prosecutor then sums up as follows:

There is only one point beforethe prosecution is closed. I am assuming that there will not be an objection at this moment that we have not proved as far as we are able that the accused wrote the letter. The evidence is that it purports to be written by the accused. The only step available by the Prosecution is to have a handwriting expert down to prove that and we are prepared to go to the expense to do that. As far as the rest of the evidence is concerned, I think we have proved that.

President: Do you apply to give evidence yourself as a witness?
Defending Officer: Just one minute. I am sorry I will have to disappoint my friend in not offering to make objections. My responsibility is to my fellow soldier who has asked me to defend him. If I am going to be any good at all I will see his rights are protected and I will have to see it right up to the hilt.

If you will read the charge, the charge says that he did make allusions, criticisms, statements calculated to bring our forces into disrepute. Obviously if he calculated to bring our forces into disrepute, he sat out with that intention in mind. There has been no proof placed before the Court of any intention on the part of this man. It is not the duty of the Court to read intention into the evidence. There must be some definite evidence as to that.

As to the second part, you have a letter placed before the Court purporting to be written by a man who is Dobson--beyond that you have no further evidence. I may have written the letter so far as the Court knows, and until such time as there is ample proof of the writing of the letter beyond a shadow of a doubt, someone must put a finger on the man and say, "He wrote it."--until that time there is nothing for me to do.

Prosecutor: The reason we did not make any evidence of the intention is we have no evidence, but we have the law. The closing statement of para. 14 (p.73 M.M.L.) states that: "As a general rule a person is presumed in law to have intended the natural and probable consequences of his act." Now that matter rests with the Court. The accused in this case intended the natural and probable consequences of his act.

Defending Officer: May I point out in reply to that if you read the entire letter, the natural and probable consequences of the letter would be that the girl would join not the A.T.S. but the W.R.N.S. as he points out that "You will have the great satisfcation of doing a real job." I don't say that was the intention. Someone must go beyond that to prove intention.

Prosecutor: The difficulty that arises here is not what happened because the letter didn't get to its ultimate destination. In the first place they would be publishing these facts to a lady who would have mentioned them to her friends and neighbours. To make it more serious you must put yourself back to the 20th September 1941, when each and every person in this country was trying their best to do anything to prejudice the feeling of the United States towards this country. You must look at these things and take this into consideration when considering the prosecution.

President: Does the accused apply to give evidence?

Defending Officer: You haven't complied with my motion. I made that in the form of a motion that there was not sufficient evidence to put my client on trial and gave two reasons for it.

The Court adjourned to consider this motion.

President: The Court overrule that motion. Do you wish to add anything?
Defending Officer: No.

President: Do you apply to give evidence yourself as a witness?
Defending Officer: No, I am relying on my motion and not going beyond that.
President: Do you intend to call any other witnesses in your defence?
Defending Officer: No, sir.

President: Have you any witnesses as to the character of the accused?

Lieut. M.S. BERGMAN, having been duly sworn, states:

I submit Army Form B-296, Statement as to Character and Particulars of Service of the accused.

(Statement is read out to the Court.)

There is one point I want to inform you regarding these 23 days and the time he was originally arrested. He was arested on 1st December and released to open arrest on the 23rd and has been in open arrest since.

The Court is closed for the consideration of the finding.

President: Do you wish to say anything?

Defending Officer: I am going to say something on behalf of the accused. I merely wanted to point out to the Court--I think the Court definitely sees my point in the matter--that I am relying on the legal aspect in the case for the purpose of proving my client innocent and take the view that he was within his rights. The Court disagreeing with me on that makes its finding and what I saw is not with any concurrence in the Court's finding except to get some facts before the Court before they finally deal with the matter.

I am relying on the technicality that there was not sufficient evidence to put him up for trial but the Court say differently. But I think before the Court comes to its final conclusion, the whole letter ought to be read. There are some things in the letter that rather mitigate against any excessive punishment. There is no indication of malice. I think the only view the Court can properly take of the matter is--I suggest it to the Court--here is a young fellow taking his girl out for a walk in the garden. He is not very choosy of his words and a bit loose in his talk. The Army is not built up of profound thinkers. I think it is well to see what is in the letter for he says: "hope I don't run out of words before I tell you..." Actually what he was doing was filling up a page--running out of things to say and just filling up a page with something. He did it thoughtlessly and carelessly; didn't mean to do any harm. He was just writing what we call bluff or the Americans call "Bull" or "hooey" as we say in Canada. He didn't say anything mean or vicious. And for his loose use of words, subversive activities, sabotage; they have seen them so often they think they mean anything they want them to.

He has a good character, never has been in trouble. His C.O. gives him a good character reference. He just let his imagination run riot. He didn't intend to do any harm. As a matter of fact he tells the girl that if you feel the same way I do you will have the great satisfaction in doing a job. He tells her why to join the W.R.N.S. and not the A.T.S. He discussed the whole thing and he speaks of it rather loosely.

"You will have a great deal of satisfaction in doing a real job of it." That's the only light I can put on the letter. He was not intending to knock his superiors. He was an orderly room clerk and he got a full sense of his own responsibility as many of them do, having to act as private secretary to the company commander in so many things; thinking the whole world rotated around them, but they do not realize that the minute that they go to the regiment someone else carries on.

He has been over here for a couple of years and with nothing much to write about and just trying to impress his girl. He has served 23 days.

I think the Court should take a very lenient and generous view because of the things I have pointed out and I think properly pointed out to reach a justifiable conclusion.

The Court is closed for consideration of the sentence.

(Include necessary references to Watch Lists, with Authority requiring the Watch)

A company clerk, who appears to be irresponsible and unworthy of his position, boasts of aiding and abetting the men, in evading army discipline and regulations, evidently with the connivance of the C.S.M. The writer states that he will shortly leave this unit, but he feels that his work will be ably carried on by his successor, whom he describes as "a real rebel."

"and although the job is naturally a sort of thankless perpetual task of petty duties and troubles I really have it whipped. The sergeant major and captain are both very good eggs, and ~~xx~~ as they all know I can leave them in a spot by going loose I'm in a pretty advantageous position and simply refuse to be the goat - the customary role of the company clerk. We've been too short handed to have a runner but my "moral ascendancy" is such that I've got the orderly N.C.O's doing all the running, staying in during evenings, and unloaded all the grief on them. I give them hell regardless of stripes and it's a mercy I'm going direct from the orderly room to the battalion because if they should ever get me on the square again some of the N.C.O's might welcome the opportunity to wear me down. They really couldn't make things much tougher than they have been though as we've been so short-handed that all have been doing darn near double duty for months and a weekend pass is a rarity.

Dearest Dil:

After a weekend without a spare moment I'm catching up on our correspondence, with the added inspiration of the arrival today of the 2 flat 50's of cigarettes which you mentioned in your letter. Much thanks to you and Jessie then on to Burt Jarrigan please. Over here when you get something like that you have about the same feeling as you'd have back home when the boss gives you a raise in salary.

I'm still answering your letter of July 24th Dil. (The pages were the ones sent July 25th — and I really look like most of my mail will get to me eventually.)

I send you my Sunday airmail the middle of last week, the one in

which I let off all that steam, and which by the way I hope you didn't take too seriously. Since I sent you that one we've been extremely busy due to the arrival from Canada of a company of reinforcements. The Maple writing room is full of them now; some of the boys feeling their first duty to be a letter home and then putting a tick at the head of the priority list.

Some of them I knew in Camp Borden, but I was much more glad to see them than that, as their arrival means my "release" from the orderly room and I'll go to the battalion on the next draft, probably next week. It has been rather irksome being stuck here so long after I had given up a nice London appointment to get to the field unit; but on the other hand there probably a lot of waiting yet and at least I did have the break of a

darn fine time in London for as long as I wanted it.

And although the job is naturally a sort of thankless perpetual treadmill of petty duties & troubles & really have it whipped. The Sergeant Major and Captain are both very good eggs, and as they all know I can cleave them in a spot by going loose I'm in a pretty advantageous position and simply refuse to be the goat—the customary role of the company clerk. We've been too short handed to have a runner but my "moral ascendancy" is such that I've got the Orderly NCO's doing all the running, staying in during meals and evenings, and unloaded all the grief on them. I give them hell regardless of stripes and it's a mercy I'm going direct from

the orderly room & the battalion because if they should ever get me on the square again some of the NCO's might welcome the opportunity to wear me down. & they really couldn't make things much tougher than they have been. Thought as we've been so short handed that we have been doing damn near double duty for months and a weekend pass is a rarity.

At least I have had the satisfaction of helping a lot of fellows get courses and jobs they wanted, covered them up on minor AWOL's etc, and generally been "boring from within" in the cause of relaxing some of the rules and regulations, and with pretty good results too. The place is always such a mad house that if in the morning there are a few guys still absent on midnight passes a quiet shout up a Nil return on the absentee report, juggle the parade state sheets, and if they show up any time before noon all

is well. Worked this for a couple
of gangs this morning who were
11 hours late on a weekend pass
(ordinarily 14 days C.B. or even 7 days
detention) and am even putting

had already been made out I
successfully confused the daily
agenda so the charges were
thrown out by the "statute of

orders to make out charges "was
just ignored." Also claim some

away to town early on leaves, an
occasional pass forgery when Officer
not available, some original land-
lord stories for the racketeers to
squeeze money out of that store for
needy soldiers in advance, aiding

and abetting lead swingers, hiding drunks, sleeping after reveille; and in general nudging a few knots of red tape and foiling to some extent the natural tendency of the army system to make the lot of the buck private unnecessarily onerous.

though you made it easy and the annoying still I've been wasting my time and I'll be happy to join the battalion and start getting down to business in this game.

Well what a debate -- hope I don't run out of words before I write what I've been wanting to tell you.

Of course I'll not write a word to anyone of your plans to join up; thought from your mention of "about three months" I presume that me little'll work out. Maybe what I wrote in one of my letters from London gave you some new leads though.

It would be wonderful if you were here Sat. From your letter I guessed you had in mind an ambulance driving job with the Red Cross or something or that

order, whilst would be fun.
I think you'd like the WRENS and the WAAF too Lil, and probably even the ATS although I'd not advise you to do the latter as they're a very mixed lot & [illegible] seemingly about half dam nice and about half of them dam vulgar. In either the Wrens (the naval auxiliary) or the Waafs (air force aux) you'd be with a fine bunch of girls and be doing vital work.

However, I suppose this is a practical consideration, I think the Wrens uniform is a bit too smart – but on second thoughts I'm sure it would look good on you. (Black cotton stockings being the main drawback)

Of course you'd want to do a lot of thinking before you signed the dotted line, as it's really the same as joining a regular military service – for the duration, low pay, infrequent leave,

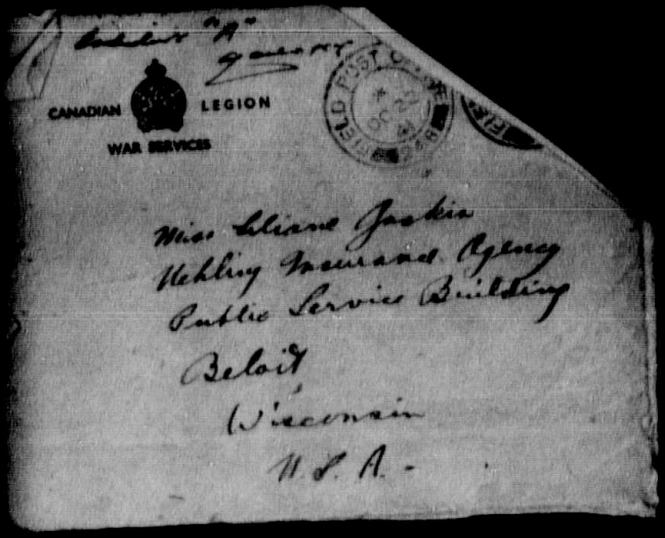
and "orders is orders" — you'd go where they sent you and some stations would be pretty remote. I might not be able to see you very often, depending on where you'd be and what you'd be.



Still if you feel the same way about this that I do you will have a great satisfaction in doing a real job in it, and there'll be plenty of fun along with it, I'm sure. You'll be anxious to hear from you about it.

I know it's a much more different step for a girl to take than for a fellow — I can just see what a sensation that would cause among the local gossips.

Well it's nearly time for my evening tea tid — before closing time.

Love, and all the best,

Mum

SUMMARY OF EVIDENCE

In the Case of No.A22375 Pte. Dobson, M.C.

By direction of its Commanding Officer the proceedings are taken on Oath.

1st Witness for the prosecution: Capt. C.S. Hadley, No.1 C.D.I.R.U. having been duly sworn states:-

I am Capt. C.S. Hadley of No.1 C.D.I.R.U., I was Coy Commander of the Essex Scottish Coy at No.1 C.D.I.R.U. I produce a letter marked Exhibit "A", written by Pte. Dobson to a Miss Liliane Gaskin on the 20th September, 1941 and a submission from the Postal and Telegraph Censorship No. LIV/57223/41 dated 31-10-41, marked Exhibit "B". At no time during my command of the Essex Scottish Coy has a state of affairs existed nor have the events, described in the letter written by Pte. Dobson on the 20th Sept, 1941, occured. It would be impossible for such happenings to take place without coming to my notice. I have read the letter and the memorandum of Censorship thoroughly, and most certainly deny the allegations contained therein.

Charles S. Hadley Capt. ....Capt.

The accused declines to cross-examine the witness.

2nd Witness for the prosecution: No. A-21127 C.S.M. Simpson, J. Essex Scottish Coy. No.2 C.D.I.R.U. having been duly sworn states:-

I am No.A21127 C.S.M. Simpson, J of the Essex Scottish Coy of No.2 C.D.I.R.U. I have read the letter and memorandum from the Censor now before me. In my capacity as C.S.M. I have direct control of the Orderly Room of the Essex Scottish Coy. I can definitely say that a condition as is described in the letter written by Dobson did not exist. Dobson as Coy. Clerk did not have control over Tattoo or Absentee Reports. Dobson has always appeared to be rather a meek type of individual and at no time did I hear Dobson give an N.C.O. "Hell". I can definitely state that the statements regarding the operation of the Orderly Room of the Essex Scottish Coy, contained in the letters written by Dobson to a Miss Liliane Gaskin on the 20th Sept. 1941 are false.

John Simpson .....C.S.M.

The accused declines to cross-examine the witness.

The accused having been duly warned in accordance with R.P. 4 (e)

Makes the following statement.

I am No. A-22375 Pte. Dobson, M.C. of the Essex Scottish Coy. No.2 Canadian Division Infantry Reinforcement Unit. I wrote the letter which has been produced by Capt.Hadley. I did this merely to impress and amuse Miss Gaskin and without any intention or thought of throwing any discredit on His Majesty's Forces.

M C Dobson .....Pte.

Certified that all the provisions of Rule of Procedure 4 (c)(d)(e)(f) and (g) have been complied with in connection with the foregoing Summary of Evidence. Taken down by me in the presence and hearing of the accused this 23rd day of December, 1941.

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

Statement by the accused, A 4so Pte Dockstader, L.R.
10 Cdn Inf Bde Coy RCASC, in Mitigation of Punishment

I have just hoped that my record will count, that my good record will help. I cannot understand why I do these things, I always tried to be a good soldier as long as I have been in the army. I don't know whether it is the inactivity or the results of the accidents I spoke about. All I can do is ask for leniency and a chance to prove that I joined the army with the right intentions. I had two very serious accidents which nearly cost my life both times and often have wondered if that is what causes such crazy ideas. I have always tried to keep out of trouble and just wondered if that had anything to do with it. I spent several months in the hospital.

Statement in Mitigation by the Defending Officer

Sirs, in view of Pte Dockstader's previous record and apparently it was clear while with the 3rd Div Petrol Coy until he came to this unit. As shown in his charge sheet there are three A.W.L. charges. It may be inactivity or some other reason. I have asked him and he says he wanted to get going and he got going. In fairness to the soldier I have wondered if he might be examined again by a competent medical authority to see if he is perfectly fit to carry on as a soldier in the field. One other point, I understand in the summary of evidence that the roll was called and the L/Cpl concerned said he was absent and reported to the Sgt. I may be wrong but my understanding is that a man doing Field Punishment, it is actually more than C.B., should he not be with an escort at all times and be safeguarded against such opportunity of running away or breaking out of barracks. I understand during that time he was employed in the Sgts Mess and men's kitchens.

Exhibit "A"

SUMMARY OF EVIDENCE

IN THE CASE OF

A 450 Private Dockstader, L.R., 10 Cdn Infantry Brigade Coy., RCASC is charged with:

1. A.A. 15(1) - Absent without leave 18 days 20 hrs 15 mins

2. A.A. 10(4) - Breaking out of barracks

The Commanding Officer directs that the evidence be taken on oath.

The accused has had his rights explained.

FIRST WITNESS

L64671 L/Cpl Cartwright, W., 10 Cdn Inf Bde Coy., RCASC., having been duly sworn states:

"I called the roll on the night of Oct 13/43 at 2200 hrs. The accused did not answer his name. I waited until 2230 hrs and he was still absent. I then reported his absence to the Platoon Sergeant."

W Cartwright

Cross-examined by accused

Q. Did you notice me at any time between supper and tattoo?

A. Yes, I saw you between 1930 to 2000 hrs.

Q. Did you notice anything peculiar about my actions?

A. The accused seemed restless, sir, and spoke of being tired of C.B.

SECOND WITNESS

K75644 Sgt. Bridgment, H., 10 Cdn Inf Bde Coy., RCASC., having been duly sworn states:

"On the night of Oct 13, 1943 L/Cpl Cartwright reported to me that the accused was not in his quarters at roll call. On the following morning I called his name while calling the roll at 0800 hrs. He failed to answer his name and has not answered a roll call since."

H Bridgment

Cross-examined by accused

Q. At any time since I have been in your platoon, have you noticed that my actions or behaviour have been otherwise than what they should have?

A. Apart from the previous charge of being A.W.L. I would say that there has been no unusual or ~~outwards~~ occurances that I have noticed.

THIRD WITNESS

Lieutenant A.J. Blamey, 10 Cdn Inf Bde Coy., RCASC., having been duly sworn states:

"I was rear party officer at the time that A450 Pte. Dockstader, L.R. reported in. He reported to me at 1845 hrs 1 November 43.

Cross-examined by accused

Q. In the short time you have known me, is there anything you have seen that would classify me as anything but a good soldier?

A. Nothing outside of the present charge.

A.J. Blarney Pte.

FOURTH WITNESS

Major H.E. Miller, 10 Cdn Inf Bde Coy., R.C.A.S.C., having been duly sworn states:

"On the 17th Sept 43, the accused was paraded before me on a charge of being A.W.L. He was found guilty of the offence and sentenced to 28 days field punishment and 28 days forfeiture of pay. On being medically examined, it was found that the accused had contacted scabies while being A.W.L. The accused was again paraded and informed that he would serve his period of field punishment in the unit lines.

H. Miller Major

The accused declined to cross examine the witness.

The accused was warned as follows:

"Do you wish to make any statement or give evidence upon oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing, and may be given as evidence".

A450 Pte Dockstader, L.R., 10 Cdn Inf Bde Coy. RCASC., having been duly sworn states:

"My record until I joined this unit has been spotless. I have been in two accidents since my arrival in England and have spent four monthis in hospital. Since my release from hospital I have had to exercise great control over my impulses and am under the impression that these abnormal feelings and impulses are the result of the accidents. Before the accidents I had always been able to control my impulses."

L.R. Dockstader

I certify that the foregoing summary of evidence was taken down by me in the presence and hearing of the accused, and that Rules of Procedure four (C), (D), (E) and (F) have been complied with.

In the field this eighth day of November 1943.

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. Statement of Defending Officer

G. VRS.

This Canadian Soldier si 32 years old. He was married at 24 and has one child of 6 yrs. He went to school until 15 and then worked as a tailor by trade.

He joined the army 26th June 40 but was discharged.

Intent on doing his bit, he rejoined on 8 April 41 and proceeded overseas on the 20th Aug 41. He was with the R.C.A.M.C. [illegible] In June 43 he contracted V.D.S. which was most probably hereditary. One of his sister has died with this disease, another in a mental hospital and still another has committed suicide. He had always had the fear of passing it on to his beloved wife and child and now stark realization came upon him that he too was a victim. His heart was broken and his soul distroyed. He became mentally unbalanced, and with this preying on his mind he went AWL. Simply wandering anywhere, just anywhere to keep his away from the disaster that had befallen him. This was last November and upon returning to his Unit was punished for his actions. He had never had anything but a clean record previously.

On 31st December 43 he came to Army HQ. and was not happy here wither. He wrote his wife and told her of his troubles and said that he could never face her again. He was fast becoming a mental case and finally he could stand it no longer and on 4th Feb 44 he again went AWL but surrendered himself on 28th Feb 44. I suggest that at this time punishment id udeless to this broken man. He has reached the stage through the sins of his forefathers that life no longer holds the prospect of a brigher future and sweet joy of living. He is up for Court Martial and his future is in the hands of the Court to decide. If he is punished as a "criminal", he will pay his debt to the world but has the world paid their debt to man who has twice offered his life for freedom? I suggest that action be taken to insure that this man's life be reconstructed and that he will be with the liberating armies of the world in this their zero hour of attack.

The President or ~~JA, if any,~~ complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(1. *RP 35 fn 3.* 2. *MML p 54 para 47.*)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)
President to accused : Do you wish to make a statement ? Ans. No Sir. (5)

(1. *Court may be closed to consider the statement. Delete whole or part not used.*)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)
(1. *RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex ~~FF~~, initialled and read aloud by the President.(1)
(1. *If there is no Summary, or if it is inadequate, comply with RP 37(B). RP 37(D).*)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

The Accused has been in the Army four years six months, seven months of which he spent in Newfoundland. Enlisted in June 40 & came overseas in Feb 43. Saw action on the Continent from 8 July 44 until the end of the war & finally returned to the U.K. in May 45. Not having had leave for a considerable time, Pte Dodd applied for a 48 hr pass in Apr. 46 & was refused. He took time off and as a result he is being Court martialled now. He has had a lot of domestic trouble back in Canada & actually started divorce proceedings in Feb of this year. At present these proceedings are at a standstill & he is anxious to return home as soon as possible to straighten things out. Pte Dodd has been a good soldier & did not shirk his duty when needed most. I ask the court to take this into consideration when sentencing him & also the fact that he has been under close arrest since 27 May awaiting trial. ~~I provide, the~~ 37 Days

NOTES ON RECORDING PROCEEDINGS AND ON DEFENCE PROCEDURE.

(Referred to throughout CF A 96 as "Notes".)

1. RECORDING PROCEEDINGS: When no shorthand writer is employed the addresses of Prosecutor and Defending Offr (*RP* 95(C)), any objections (*RP* 95(B)), and any statements by accused, may be summarized and, the evidence, subject to RP 95(A) and 114(B), may be recorded in narrative form as follows:

First Witness for Prosecution.

A 12345 Cpl H. Jones, RWR, sworn, states:

I am a cpl of the pl to which Pte Smith belongs. The accd in Court is Pte Smith. About 1400 hrs on 15 Jan 43 I ordered the accd to go on parade. He refused and did not go on parade.

Cross-exam: He did not say he was sick. (*or*, None.)

Re-exam: None.

Exam by Court: He said—" I've had enough parades ".

RP 83(B) complied with.

2. When a shorthand writer is employed, addresses, statements, evidence and objections need not, subject to RP 95(A), be taken by him verbatim. (*RP 95 fn* 1.) If the evidence is taken by him in narrative form, RP 83(B) should be complied with. If taken verbatim, RP 83(C) will be complied with.

3. The record of addresses, statements and evidence will be given a marginal number which corresponds with the number of the para in CF A 96, under which it is taken. Both sides of paper should be used.

4. DEFENCE PROCEDURE: RP 116 provides that for procedure on defence RP 40-42 will apply so far as practicable, having due regard to the public service. (*RP* 122.) If the Court consider such compliance not practicable, the following order of procedure (whether all items are used or not) is suggested as being fair to the accused:

(i) Opening address by Defending Offr. (*RP* 86(C), 87(C), 92(C) (*D*).)

(ii) At option of accused, statement by accused (*not sworn or subject to cross-exam by Prosecutor, Court or J A* (*RP* 40 *fn* 10)), or evidence by accused, as to facts or his character or both. (*See RP* 41 *fn* 3, 46 *fn* 1, 80.)

(iii) Evidence of witnesses for accused as to facts or his character or both. (*See RP* 46 *fn* 1.)

(iv) Evidence for prosecution in rebuttal or on new matter, if allowed by Court (*RP* 86(*B*)), or to prove previous convictions when accused has called witnesses as to character. (*RP* 86(*C*).)

(v) Closing address (on *matters other than in mitigation of punishment*) by Defending Offr or accused. (*See RP* 40 *fns* 8-12, 87(C), 92(C) (*D*).) But Defending Offr or accused will make his address after the Prosecutor, if there has been no statement by accused or any evidence given as to facts, or if accused alone has given evidence on oath as to facts, whether any evidence as to his character has been given or not. (*When accused charged jointly see RP* 61.)

(vi) Closing address by Prosecutor. (*See RP* 40 *fn* 7, 87(C), 92(C) (*D*). *Prosecutor has no right to address Court on subject of sentence except as provided by RP* 40(*E*), *KR Con* 565(*a*).)

repeated 2nd to Apr. 42.
T.O.S. Toronto Scottish 17 June 43.
Has served with them continuously

has 2 gun numbers

Outside of minor convictions for
A.W.L. his record has been clean
since coming overseas.

PERSONAL

Pte Dodd was married in Canada
in December 1940 and spent three weeks
with his wife. He then rejoined his unit
The Lake Superior Regiment.

When next he came on leave he could
not find his wife, and stayed A.W.L.
looking for her. Upon his return to unit
he saw his C.O. and Paymaster, who got

in touch with Ottawa and payment of his wife's dependants allowance was stopped.

After he came overseas he heard that his wife had a child by another man. He applied to the Legal Aid office in London to start divorce proceedings.

His Padre and the Legal Aid officer convinced him that he should try to make a go of it with his wife, and consequently have stopped her allowances.

Just before he came on leave to England he heard from his father that his wife was living with another man again.

He was determined that his wife would get no further support from him.

Two days he had no time before going on leave to stop his wife's allowance, and it showed on his pass that he was entitled to leave and if he went A.W.L. his wife's allowance

would automatically stop, so feeling as he did, he stayed away.

His one ambition in life at the moment is to get home, get a licence and start over again.

SUMMARY.

This soldier has given good service with his unit as a gunner, and until his coming on leave to England, was in every respect a good soldier. His point score is 11 plus 15, and if he was repatriated, he would have every chance to start again as he wishes.

I told the pattol to take him to our head quarters. I myself took the accused to the Police Box in Central Station I met them there at 1045 to 1050 hrs. I questioned the accused. His attitude was insolent and arrogant. I was asking him as to when he had left his unit and when he had been paid. He made the statement "I'll get even with you you fucking bastard" He was in a temper at the time. when he assumed that attitude I became I decided to take him to my officer and have him questioned. L/Cpl Forster was with me while I was questioning him
when I saw the accused first at 1040 hrs on Argyle Street he was improperly dressed wearing a collar and tie and his shirt was open at the neck. He was wearing an officers Red - Blue Field Service cap with the buttons altered. The ordinary ~~copper or brass~~ brought O.R. buttons were on the cap. The cap was of very good quality, which I have seen Officers wear such caps.

TO THE PRESIDENT AND MEMBERS OF THE COURT

THIS IS A PLEA OF MITIGATION ON BEHALF OF B-11944, GNR. GILBERT HARVIE DODDATTO.

On inspection of the accused's papers, I find that he has been in several difficulties in the past.

However, during the summer for a period of three months, he was on a commando course, where he did his best to redeem himself and be a good soldier.

At the end of the course his pals were sent to NO. 10 Training Company. The accused was left behind and felt terribly disappointed. The result is the present predicament in which the accused finds himself.

The accused begs the indulgence of the court, and states that on completion of his punishment, he will, if given the chance, again prove himself a soldier.

The accused also states that after completion of his sentence, he intends to marry and to settle down.

On deciding the price this man is to pay, now you take the above facts into consideration.

Statement of EVIDENCE in the case
B 11944 Gnr. Dodatto, G.H.
NO.1. C.A.R.U.

Sir, At Glasgow at about 1040 hrs 18 Oct 43, I was on patrol duty [redacted] on Argyle St. and in company with L/Cpl. Farquharson,A. when I saw the a/m soldier.

I approached him and requested to see his pass and Pay Book, He produced the pass which is (attached hereto). Not being satisfied with it I questioned him to whether he was on leave or not and he stated that he was. I then told him that I was going to take him in to H.Q's for a check up, and he still insisted that he was on leave. He was improperly dressed i.e was wearing a collar and tie, with his battle-dress unbuttoned at the neck, and also wearing an Officer's F.S. cap. Cpl. Busch,R.E. of this Detachment then appeared and started to question the a/m soldier, and he became very nasty and threatened the m/n n.c.o. saying that I will get even with you, you fucking"Bastard".

I then placed him under arrest and escorted him to these H.Q.'s where he was paraded before the Officer i/c. He still stated that he was on leave. I then seen that his name was on the Deserters Nominal Roll, and on questioning further he admitted that he Was A.W.L. and that his pass was false, which he had made out himself.And also stated that he had sold his R. Ticket in Leed's.

I then escorted the a/m soldier to the Civil Police Station, where he was placed in a Cell to await an escort back to his Unit.

Very foolishly he considered that by going A.W.O.L. he would get to the holding unit where he might get a new start. The accused had no leave since Feb. 1942 which might also have some bearing on his going A.W.O.L. Due to this consideration I plead for leniency in this case.

Pte. of YORK, on the 19 DEC. 1942 at about 2300 hrs I was on duty on TOWER STREET accompanied by Cpl W. WHITE C.M.P. Police when I saw the above named soldier on the complaint of another. I stopped him and enquired why he was not wearing head dress and he replied "I forgot it was a public house". I asked if he was on leave and he said "yes" and produced the attached AT 8295 which was in the name of GOWER, HARRY. Not being satisfied with the answers to my questions I took him to the Duty Sergeants Desk where in answer to any questions that he was not about and that I could check up on him if I wished to do so. Also that he had gone into Saturday night and had given his leave pass away to a civilian. I asked him how he came to be in possession of the leave pass and he replied "a fellow I met there gave it to me". He was badly intoxicated being about from the Effects of liquor. I then arrested him and conveyed him to the MAIN GUARD room. CAVALRY BARRACKS YORK where I handed him over to the NCO in charge of the prisoners together with all of his effects. The attached pass ticket No 4096 was found on his possession.

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. D3 Evidence for the prosecution

1st witness for Pros H19039 Sgt Mark W.S. sworn states

I am H19039 Sgt Mark W.S. of the 7th Pro Coy 1st ~~Div~~ Army Tps

At appx 2220 hrs on 30 Oct 44 I received a complaint that there was a fight in Cafe Louise opposite the Leopold Barracks. I proceeded to the Cafe and on entering saw a few soldiers therein. As I entered two began to leave. Sgt Dodds whom I now recognize but whom was unknown to me at the time was sitting on a chair talking to a lady. I asked all personnel in the Cafe if they knew of the trouble and that all Cafes must close at 2200 hrs. Some said yes and proceeded to leave, and Sgt Dodds proceeded to go upstairs with the girl and Madame of the Cafe stopped him. I told Sgt Dodds he would have to leave the Cafe and he refused. I told him if he refused he would be placed in close arrest. I asked him for his MBM1 and identification and he refused to give it to me. I again asked him for his identification and he produced his MBM1 and opened it up at Rank and Appointment page and tabbing it up in his hand showed it to me and said anything I wanted to know was on that page. Without even giving me an chance to see what was on the page he put it in his pocket. I told him the info on the page was no use to me and that I wanted his proper identification that is his name and number which he refused to give me.

I placed him in close arrest and in escorting him from the cafe he started to fight. He backed and struggled with me and I received a kick in the face. He was subdued and escorted to the guard room at Leopold Bks. At this time I took a bottle of Cognac and MBM1 from his hands while I had him on the floor. After being in the guard room at Leopold Bks I took his particulars and whilst waiting for an escort Sgt Dodds grabbed my whistle web by holding the arms panels and passed the remark that he knew did think most of these white webbed bastards. At the same time he struck me on the face. A few moments later the escort arrived I obtained a body receipt and proceeded back to my quarters.

2nd Witness for Prosecution

M 1102 L/Cpl Bowler J. 7 pro Coy states:
On 20 Oct 45 I was detailed with another L/Cpl for police duty in Utrecht at approx 2200 hrs a soldier came running up and asked if we were the provost. I and J were and he then said there was trouble in a cafe, just then Sgt Mark happened to walk by. I stopped him and told him about the trouble in Cafe Lunet as he and I went off to the cafe. At the Cafe Lunet we noticed 4 or 5 soldiers of which two sgts and another soldier seemed to be having a little trouble with another soldier whom I now recognize as the accused. They were trying to get him out of the premises. The accused refused to leave I spoke him where upon the trouble and got no satisfaction from him. Then Sgt Mark asked him the accused to get out and he refused and backed away and started to go upstairs with a woman. Sgt Mark told the accused he couldn't go up there and first I knew they were in a clinch. I then grabbed accused and tried to keep him from fighting. I then noticed that he had Sgt Marks in the face. I turned around and warned him of serious trouble by striking a Sgt. I spoke him for his part I pay back and accused wouldn't

taken to me at all. This pay book had to be taken away from him by force. We then noticed from his particulars that accused was a sergeant and then he was escorted to the guard room. While particulars were taken at the guard room by the orderly Sgt, accused started another argument with Sgt Marks and struck him in the face again. He was placed under close arrest.

Cross Exam

Q. Was he placed in close arrest before reaching the guard room?

A. As far as I know he was placed under open arrest in the Sergeants Mess by Sgt Mark.

A yes.

A yes Sgt Mark had to take it by force.

Q Do you believe Sgt Dodds was drunk that night your own personal opinion?

A I don't think he was drunk.

Q How long have you been in the Pro Corps?

A Five years.

Q as a Sgt with five years experience do you think Sgt Dodds actions were the actions of a sober soldier.

A Some do act that way.

Q. Were you aware that Sgt Dodds was partially deaf in one ear?

A No sir.

Cross Exam by Court

Witness for Defence as to character

Capt Duncan Leslie MACDONALD sworn states

Sgt today I met came to my pl on Sept 40 and was at York Island, Johnson straits until we he served 5 months on

guard duty. During this time he was a very able soldier and never before me for orders.

On return from York Island he continued to serve in my company on the Pacific coast until May '42 at this time he was a Cpl and gave up his stripes to go overseas where he served three years. He served in action and for two months led a platoon in action. He was an able leader and a Lieutenant By Dir was glad to see the last of him.

When he came to 18 Bn he came to see me after coming out of hospital. He was anxious to get back forward. Probably he should have been kept in hospital longer. He went for me after he got into trouble.

He was in action from D'day until Oct and probably after this was shell in the brain. During all my experience there was no better soldier than Sgt Brooks and I would be glad to have him in my own coy again.

Closing address by Prosecution

It has been established by two witnesses, Sgt Mark and Capt Bowles, that the accused, when ordered to go home became unruly, refused to identify himself when ordered to do so, and did create a disturbance in a public place on 20 Oct 44 by struggling and fighting with Sgt Mark.

Therefore he has committed a crime in the army and I believe the court should find him guilty as charged.

Closing Address by the Defence

Two witnesses for the Prosecution have both had long service with the Pro Corps. Unfortunately this service has not made it impossible to give a clear statement of facts. Moreover as two witnesses on own admission during a Cope almost simultaneously have differed upon at least 3 points.

1. What accused was doing when they entered
2. Whether he offered to pay back or did not.
3. When he attempted to go upstairs with the young lady in question.

Therefore gentlemen, if it is possible for two witnesses to give such contradictory evidence would take the court to consider that these witnesses may also have overlooked the fact that the accused was in a far from sober condition. I believe and hope the court will agree with me that after five months at the front, two and a half weeks in hospital and then suddenly let loose in a town with

1500 francs, it is quite possible and quite probable and most likely that after four hours in a cafe the accused would not be in a sober condition, there is every indication he would not recognize a provost and I might add here the accused is hard of hearing in his right ear which would further add to any confusion that might have arisen with the provost.

Therefore I wish you would, cannot believe you will take these facts into ~~consideration~~ account in considering the case of Sgt Dodds who is the recent recipient of the Military Medal.

Address in mitigation of Punishment

E 3.

Sgt Dodds volunteered in the Canadian Army on 14 Sep 40, served with 2 Bn Kdm Scottish and proceeded to England on 1 Jan 41 where he joined 1 Bn Kdm Scottish. On D day he went with that Bns and served with them through the long tough struggle which was finally terminated on 13 Oct 44 by his being wounded. He left hospital on 20 Oct still suffering from an injury to his hearing as a result of his wound. I would like to plead at this time that on the night of the disturbance in the Bofa Canal, Sgt Dodds was drunk as I hope the court will agree the evidence which I brought out in my closing address for the defence proves. The accused is well aware that drunkenness is not an excuse for crime but I trust the court will agree that drunkenness is a very definite reason for mitigation of punishment particularly when it is considered the accused having had four years service has not had a crime appearing on his sheet and the M & M he possession of the award is the only evidence available in that connection. As a gentleman as a soldier, Sgt Dodds has very definitely proven himself as the fact that he won the M.M. points out without any room for rebuttal

Therefore I plead with the Court to take into consideration these pertinent facts in the case of Sgt Dodds and particularly in considering the sentence to be awarded for a crime that I believe and hope you believe would not have happened had Sgt Dodds been in a sober condition

SUMMARY OF EVIDENCE

In the case of R.63163 A/Sgt DODDS, J E. on the strength of 41 Coy 10 C.B.R. Bn. A soldier of the Canadian Army Overseas.

By direction of the Commanding Officer this evidence is taken on oath.

FIRST WITNESS PROSECUTION

R.19039 Sgt MARK, W.S. on the strength of 7 Cdn Provost Coy having been duly sworn states:

I am R.19039 Sgt MARK, W.S of 7 Cdn Provost Coy. On 30 Oct 44 at approximately 2220 hrs I had occasion to enter the cafe Louise accompanied by L/Cpl FOWLER on a complaint received concerning a fight. On my entering I noticed a few Canadian soldiers, two of which were about to leave the cafe. Sgt DODDS whom I now recognize was seated on a chair talking to a girl. On my entering he got up and started to proceed upstairs with the girl, when the madame stopped him. I asked Sgt Dodds to leave the cafe as it was after closing hours. He refused. I ordered him a second time and he refused again I asked Sgt DODDS for his M.B.M. 1 for identification which he refused to produce. I informed him that if he would not produce his identification M.B.M. 1 I would place him under close arrest. At this he pulled out his M.B.M. 1 and produced it showing only the page of rank and appointment. I informed him that, that was not good enough and he then put the book back in his pocket. I then placed him under close arrest and on escorting him from the cafe he resisted by fighting and kicking at which time I received a kick in the face from one of his boots. I then removed a bottle of liquor and his M.B.M. 1 from his tunic, which I submit herewith as evidence. I escorted him from the cafe to the guard room of 10 C.B.R. Bn. I obtained his particulars and after doing so he struck me in the face again with his fist. I then turned him over to an escort at 10 C.B.R. Bn. I then returned to 7 Provost Coy detach and submitted my report on this matter. On this particular night I was wearing my white webbing. The accused made a remark about this webbing while we were in 10 C.B.R. Bn guard room that is to say " I don't think much of these white webbed bastards".

SECOND WITNESS PROSECUTION

M.1102 L/Cpl FOWLER J on the strength of 7 Cdn Provost Coy having been duly sworn states:

I am M.1102 L/Cpl FOWLER, J. of 7 Cdn Provost Coy. On the 30 Oct 44 I was on duty in the city of Ghent at approx 2200 hrs I was informed by a soldier that there was trouble in the cafe Louise. Just then Sgt MARK drove up. He was also informed of this trouble so we both went to the cafe Louise as quickly as possible. When I got there I noticed approx 5 or 6 soldiers in the cafe, and two of them were Sgts. The two Sgts were trying to get another soldier the accused that was with them out. I asked the accused that the two Sgts were trying to get out, what all the trouble was about, but I couldn't reason with the accused at all. Sgt MARK ordered the accused to go home. he refused then Sgt MARK asked the soldier for his pay book Part I, the soldier refused to produce it. About then while we were arguing the accused made a break to go upstairs with a woman. Sgt MARK said he couldn't do that and placed the accused under close arrest. The accused started arguing with Sgt MARK and struck Sgt MARK in the face

with his fist. Then I noticed that they were in a clinch. I grabbed the accused and tried to hold him away from Sgt MARK. I told the accused that having struck Sgt MARK he was in serious trouble. About that time two more members of the Provost Coy arrived. With their help we used force to get the accused pay book Part I. Then we found out that he was a Sgt. When his particulars were taken he was escorted to 10 C.B.H. Bn guard room. While in the guard room he struck Sgt MARK again in the face with his fist.

Cross examined by the accused

QUESTION — When you alone when the soldier on the the street complained of trouble at cafe Louise.

ANSWER — No I was accompanied by another L/Cpl of the Provost Coy.

QUESTION — When I was asked to produce my Part I pay book did I produce it before it was taken away from me by force.

ANSWER — As far as I saw he did not.

The accused having been cautioned as follows," Do you wish to make a statement or give any evidence on oath? You are not obliged to say anything or to give any evidence unless you wish to do so, but whatever you may say or any evidence you may give will be taken down in writing and may be used as evidence", having been duly sworn states:

On 30 Oct 44. I went across the street from the barracks to cafe Louise. While there I had quite a bit to drink. And the next thing I recall is that someone was pushing me around. After that the next thing I remember was being in the guard room. While there I thought the Provost Sgt was making a threatening move at me with his hand, so I threw up my arm to ward it off. The reason I threw up my arm so quickly to ward off this threatened blow was because I was wounded in the head and react quickly to any danger of anything striking this wound which is not entirely healed as yet.

Q. You found an article in the immediate vicinity of where Gnr Dodds has stated that he found a motor apparently abandoned?
A. Yes.
Q. Will you tell the Court on what day it was found?
A. I don't know the exact date. I was in charge of a fatigue party cleaning up the grounds. One of the men on the fatigue party called me over to look at this motor. I picked up the motor and put it in the shed. The shed had no lock on the door and I informed Captain Roberts I had found it.
Q. Could you tell us what esle there was in this vicinity?
A. In the shed where I put the motor was full of an assortment of junk.
Q. Would you say that it was of no use other than salvage?
A. No.

Questioned by President.

Q. When did you find this motor you putin the shed?
A. It was shortly after Gnr Dodds had been arrested, approximately one week I would say.
Q. Could you describe this dump more precisely to give the Court a picture, or is just simply a junk heap?
A. Well it's a small shed, two windows which are broken out, the door is not locked. Inside the shed there is a heap of old cardborad, deck chairs and trimmings, some old curtains and some old tables and other miscellaneous junk.
Q. And outside the house?
A. There was nothing outside, it is all inside.
Q. How far was the motor outside the house?
A. About ten feet sir.
Q. Was it the only motor near the shed which you could see?
A. Yes Sir.
Q. Was it in a sack, in a crate, or any other kind of wrapping?
A. It was in a sandbag.
Q. Did it appear to you that it had been abandoned?
A. It could have been sir. It was still in the shed yesterday.

Defending Officer questioned by President.

Q. Have you any more witnesses?
A. No that is all sir.

CLOSING ADDRESS OF PROSECUTING OFFICER

The Defence admits that the accused found the motor and are also unable to prove that the accused took any steps to find the rightful owner of the motor or to notify the proper authorites either military or civilian of their finding.

They also admit the accused proceeded to Brighton for the purpose of selling the motor and had actually effected such a sale. It is therefore my opinion in view of the evidence prescribed before this court that the accused is guilty of the charge of stealing by finding.

DEFENCE OBJECTS TO PROSECUTER EXPRESSING OPINION OF FINDINGS.

J.C. Grier

CLOSING ADDRESS OF DEFENDING OFFICER

Gnr. Dodds does not deny selling the electric motor in question nor does the accused deny being in W.D. Vehicle CL.4234217 which was authorized to travel to Brighton area on the 20th of February, but the Defence has attempted to show that the motor in question was not stolen. I would like to ask the Court if they would refer to Page 119, M.M.L. para.3 under para 51, under Offences Punishable by Ordinary Law. We have endeavoured to show this article was abandoned. Efforts by the Defence and those concerned by the Prosecution have been so far unable to locate an owner.

The statements made by the accused tell us that they did not realize what they were doing also since they had been charged that they were willing to repay and replace in its original position, the motor.

Concerning the second charge, we have already noted that the vehicle was authorized to Brighton and statements do not in any way contradict to say that there was such a journey during the afternoon of February 20th. Is it an offence to carry a small article to a destination to which a vehicle is already authorized to go? Would the Court consider honestly with themselves what would have been their beliefs if they had come upon an article such as an electric motor which was on the ground unprotected from damp which was not being used and had not evidently been used in that vicinity for some time. At the present time electrical equipment is especially in demand and therefore it is to the advantage to all to utilize everything of this nature which is apparently of little use and unlikely to be of any use if it is left for very long under the conditions in which the motor was found. Therefore it is reason to believe that these men were honestly under the impression that this article had been abandoned and that they were being of service to all by so putting it into practical use.

A. I would like to call up Sgt. Murphy for character witness.

Defence questions Witness

Q. How long have you known the accused?
A. Three years and nine months.
Q. Will you tell the Court what their service has been like?
A. In my opinion, as an N.C.O., their conduct has been very satisfactory
Q. Are they capable of carrying out a job of work on their own accord?
A. Yes they are.
Q. What about petty crimes?
A. In my opinion they are no worse than anybody else.
Q. What sort of soldiers are they?
A. They are average soldiers.

No further questions.

Address by Defending Officer

I don't think it is necessary to repeat a great deal of what I said when summarising before the Court came to its finding because I am certain this will be taken into consideration. Further, however, I would like to add that the both the accused have been confined for a period of 49 days although this was done before the trial. I would like the court to seriously consider that confinements before trial is no more pleasant than when serving a sentence. I will further point out that a period of one month has elapsed between the statements made by the accused on Feb 25/43 and the taking of the Summary of Evidence 24 Mar 43. I might also mention that the official character of both the accused up to the present time is good. There is no doubt in my mind that considering these things, the court will see fit to be as lenient as possible.

The Court is closed for consideration of the sentence.

The sentence to be awarded being subject to confirmation will not be announced but will promulgated latter and the proceedings in the open court are accordingly terminated.

Statement of No F 15232 Gunner P.W. Dodds of 8th Battery 2nd A.A.A. Regt. Royal Canadian Artillery

Who States:-

I have been cautioned by CSM. H. Purslow. Special Investigation Section, South Eastern Army, that I am not obliged to make a statement unless I wish to do so and that anything I say will be taken down in writing and may be given in evidence. I have read over this caution and fully understanding same I wish to make the following voluntary statement.

(Signed). P.W. Dodds.

On Friday 19th. February 1943. I was on a piece of ground at the rear of the block of flats known as St Margarets when I saw a light coloured sack, it appeared bulky and I examined it. I found that it contained an electric motor. I left it lying in its position until the next day.

On Saturday 20th. February 1943 Gunner Ide. Alfred who is a room mate of mine was on duty as "duty driver". I approached him during the morning and asked him if he would assist me & take the electric motor down to Brighton. He agreed to do so and after dinner that day whilst we were waiting the Company we contained on into Brighton where I disposed of the electric motor for £3. To an electrician I realize that this was not my property & dispose of and I am aware that my unit transport should not have been used for this purpose of conveying the electric

motor to Brighton. I did not realise the seriousness of my action at that time. I am sorry and I am willing to repay the £3 cost.

I have read over this statement, I have nothing further to say.

(1). Theft and Sale of D.C. Electric Motor.
(2). Improper use, and unlawful journey with War Department vehicle, No. Cl.[illegible]247.

Sir.

I have to report that information of this offence was brought to the notice of this detachment by information received from Detective Sergeant James, of Brighton Borough Police.

The facts are as follows:- At about 4 p.m. on Saturday, 20th, February 1943, a Mr. J.H. Hay, who is in business as an Electrician and Radio Dealer, at No.91. Trafalgar Street, Brighton, was in his shop when a soldier entered carrying an electric D.C. motor. He offerred this motor for sale in the first instance requesting £5. for it. A sale was eventually effected the soldier agreeing to accept £3. At the close of the transaction, Mr. Hay requested from the soldier who was a Canadian, his name and regimental particulars, in response to this request the soldier submitted his name as SMITH. R.T. No. H.146712. of R.C.A. (A.A.) His suspicions aroused, Mr. Hay observed the soldier get into a W.D. vehicle and drive away, but Mr. Hay obtained from the vehicle a number which was written down as Cl.[illegible]247.

Inquiries were made to trace a soldier of that name and number, but without result. With reference to the vehicle inquiries revealed that there was no vehicle of that number, but there was a vehicle with the number Cl.[illegible]247, and when it was ascertained that this vehicle was on charge to the 2nd. Regt. (H.A.A.) Royal Canadian Artillery, stationed at Nottingham, it was assured that a mistake had been made with the number.

Inquiries were then made at the location of 2nd. R.C.A. Nottingham, and in company with D/Sgt. H. James and Lieutenant Otto, unit R.T.O. inquiries were made respecting this vehicle. It was ascertained that the vehicle in question was normally driven by a No.F.15363. Gunner H. MacNeil and that on the date in question this vehicle was unit 'duty' lorry. MacNeil was interviewed but denied all knowledge of the sale of the electric motor, or of having visited Trafalgar Street, Brighton. An examination of the work ticket revealed that 46 miles had been travelled in the vehicle on 20.2.43, and when questioned about this mileage, MacNeil could only account for approximately 20 miles, this left 26 miles unaccounted for.

Inquiries were continued, and arrangements were going to be made for an identification parade.

On Thursday, 25th, February 1943, in company with D/Sgt. James and Lieut Otto, I again interviewed No.F.15363. Gunner H.T.MacNeil, and No.F.15232. Gunner F.W. Dodds, both of 2nd. R.C.A. I made known the nature of my inquiries and cautioned them, and they both elected to make signed statements which I took down from their dictation. Both admitted the theft and disposal of the electric motor and with improperly using the W.D. vehicle.

Inquiries have been made to trace the owner of the electric motor, but to date without success. The electric motor is alleged to have been found on a piece of ground formerly used as a vehicle park by the unit until bad weather made it unusable. It is apparent that the motor is from requisitioned premises in this vicinity, but owing to damage recently by enemy action to surrounding requisitioned premises it has not been possible to clearly establish which premises the motor has been obtained from. The premises in the vicinity were formerly used for catering business.

/over.

Under the circumstances in view of the fact that the civil police have no crime of this nature outstanding and have no wish to deal with this case themselves, I respectfully suggest that the two accused by dealt with by military law :-

(1). Improper use of a War Department vehicle and petrol.

(2). For being concerned together, did feloniously steal by finding, an electric D.C. motor, the property of some person or persons unknown. Contrary to Larceny Act.1916. Section. 2. (Army Act. Section.41).

Statements obtained in connection with this case are attached herewith.

I wish to express the appreciation of Det/Sergt. James Brighton Police, and of this detachment, for the assistance rendered by Lieutenant Otto in the investigations of this matter.

To: John Edward Hay,

BRIGHTON, Sussex.

WHEREAS a Field General Court Martial has been ordered to assemble at Addington, Surrey, on the thirteenth day of April, 1943, for the trial of Gunners DODDS, Philo Wayne (F.15232) and MacNEILL, Reagh Tarquail (F.15363), 8 H.A.A. Bty., 2 H.A.A. Regiment, Royal Canadian Artillery, I do hereby summon and require you John Edward Hay, of Tudor Cottage, Preston Road, BRIGHTON, Sussex, to attend as a witness, the sitting of the said Court at Addington, Surrey on the thirteenth day of April, 1943, at 0930 hours in the forenoon and so to attend from day to day until you shall be daly discharged, whereof you shall fail at your peril.

Given under my hand at Bickley, Kent on the 10th day of April 1943

(D.R.Agnew) Brigadier.
Commanding
1 A.A. Brigade, R.C.A.

He told me that he had found an electric motor lying abandoned on a piece of ground at the rear of 37. Margarets Flats Rottingdean. He asked me whether I would take it down to Brighton with him in my lorry. As I was off duty driver on this day I agreed.

After dinner in company with Dodds I took my lorry, Ford 3 ton No CL 4234217 to this piece of ground and there I assisted him to load the electric motor onto my lorry. This was the first that I had seen of the electric motor. It was lying near to a wooden shack and was contained in a box.

It was my duty as driver on this date to visit the unit laundry in Brunswick Rd. So whilst on that journey accompanied by Mrs. Dodds, I drove the vehicle into Brighton where we made a town of electrical business premises in the town to sell the electric motor. Mrs. Dodds eventually effected a sale of the electric motor for £ 30-0. of which I received £ 1-10-0.

I realize that it was a foolish thing to do, but I acted without caution at that time and I am sorry.

I am the Managing Director of Hay & Sons (Brighton) Ltd. Radio and Electrical Dealers, of No. 91. Trafalgar Street Brighton.

About 4 p.m. on Saturday, the 20th February 1943, a soldier came into the shop bringing with him a D.C. Electric Motor. He said: I want to sell it and then I asked him, Is it your property? Why do you wish to sell it? He replied, "Well, what's that to do with you?" I said, "It is necessary, as we keep records for police purposes." He said "That's O.K." I purchased it for £ 3.0.0 although he asked for £ 8.0.0. I then took down his name and number which he gave as F. Smith R.T. No H.14732 of the R.C.A. (A.A.)

After he had given this name, I said "Smith! Is that your name?" He said "Yes"

My suspicions were aroused and as he left the shop I sent my man out to get the number of the lorry which the soldier drove away in, and he

returned and gave it to me as CL 4243217
I later informed the civil police.

Answer

Evidence as to character

Statement by Captain J. G. Christie 32 corps troops RCASC
defending officer of the accused

I have known Cpl R.G. Hodds for a period of forty months — approximately 36 of these months during which Cpl Hodds has worked mostly under myself. During the time Cpl Hodds worked with me and for me I have found him to be very efficient, honest, and a good soldier. On Cpl Hodds transfer, after finding out the nature of the work assigned to him and not liking this work or finding it of interest to him as had been the supply work he applied to his Commanding officer for a transfer to a supply unit. This he did on several occasions and went to the extent of offering to revert to the rank of Pte. in order to get a transfer. This transfer was refused in all cases. It was only the hope of being transferred that Cpl Hodds went to the extreme and spoiled an otherwise good record. I feel that under the circumstances the sentence of the court should, sir, be as lenient as possible. I might add, that Cpl Hodds would be an asset to any supply Coy. in detail.

Question.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your pleas to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement? Ans. Nil Stmt.(5)
(*1. RP 37(B). 2. RP 37(D) fn 6. 3. RP 35(B) fn 5 para 3, MML p 54 para 47. 4. See para E3 of Record Form E. 5. Statement, if any, recorded per Notes.*)

(*1. Court may be cleared to consider the statement. Delete whole or part not used.*)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)
(*1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex 'A', initialled and read aloud by the President.(1)
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).*)

RECORD FORM C—PROCEEDINGS ON MIXED PLEAS OF GUILTY AND NOT GUILTY.

PRESIDENT OR JA WILL INITIAL ALL DELETIONS AND ALTERATIONS.

RECORD FORM D—PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

D1. President to accused: Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity to prepare your defence? NB: If trial proceeds, accused must be allowed great latitude in making his defence, and the Court should not stop his defence solely on ground of irrelevance. (RP 60(C), 114, 115.)

D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

MEDICAL OFFICER

Prosecution

First witness

C-34770 C/Sgt Rudd. N. First Cdn A Tps sworn states,

On 9 Jan 45 I was in mess hall to get coffee. I saw Sledge there. Then we went to the billet. Sledge came in with a dixie of coffee & said who wants coffee. No one said anything. He picked the dixie up and dropped it three times. I tried to talk to him. He threw the dixie to the end of the room. I started out the door for the guard cmdr. & how I got to the door to called me. I turned. He had a can of jam in his hand & looked as if he was going to throw it. I went & got the O.C.

After about 10 minutes I went back to billets. ~~It~~ As how I opened the door I stepped to pick up the coffee dixie and Sledge said stop where you are. I then saw him sitting on his bed with a Sten pointed at me. I got behind an iron post. He ordered me out from behind the post saying he was going to let me have the whole mag. I turned round and walked out. I warned the others not to try to go in. The mag. was on the Sten gun.

Sledge was out on a trip that day to Pirmenstein & was late getting back. I was there when the Sten gun was unloaded. There was a shell in the breech. The barrel had to be taken out as the gun had been jammed.

I have never had any previous trouble with P/O Sledge. We have had one argument back in Eng when he threatened & beat me up.

This is a sketch of the room. Accuse has no objection. EXHIBIT A

Cross-examination

The bullet taken out was similar to this one. "I m.m. bullet" produced for identification. There was a mag. on the gun when he pointed it at me. I couldn't say then whether there were bullets in the mag.

R.P. 93 (b) complied with.

Second Witness

B-37162 Sgt Fairburn, R. First Cdn A Tps sworn, states,

On night of 8 Jan 45 after the above I was in Capt office. Capt Rudd came up. I went to the billets. I started up the room. about half way up I was ordered to stop by P/O Sledge. He was sitting on the corner of his bed with a Sten gun in his hand pointed at me. He ordered me not to make another move. I stood & reason with him. Then I ordered him to lay down his Sten. He refused and did not. The Sten was loaded, cocked, his finger was on the trigger & he had it pointed at me. I thought I might get closer but he stood up and took a threatening attitude with the weapon. He ordered me out of the room.

I reported to S/Sgt Kenney. We then stood by the door. The men in the room came out one by one. P/O Sledge supported he was the last so we closed the door & sat down to watch the windows. The lights in the billet went out. There was noise but no shots. ~~Sgt~~ Lt. Pott then started a conversation with Sledge & finally persuaded him to come out without his gun. He was taken to the guardroom.

When we went into the room & the light bulbs were broken and the room was in disorder. Capt Rudd handed me P/O Sledge's Sten. There was a round in the barrel and another round was handed to me by P/O Cudmore

[illegible] are the rounds.

The round I found in barrel EXHIBIT B.

The round handed to me by Lubiniecki EXHIBIT C.

The mag in was loaded but was not on the gun when it was handed to me.

I authorized PO Hodges to go to Parramatta that day. This is the work ticket EXHIBIT D.

I was a Sgt with experience and know when a gun is loaded and cocked. I could see it was cocked. It was an order to lay down his sten.

Cross-ex

I don't know how many bullets were in the mag. either before the incident or after. I cant say that this bullet Ex 'C' was in the mag at any time. This one was in the chamber Ex B. The firing pin has struck it. I don't know when it was fired. If a gun is cocked and not on safe. That means of the firing pin might have been made at any time by bumping the gun. I had to pry this round out of the gun. The extractor would not do it.

There was definitely something wrong with PO Hodges.

I am in charge of Sgt. He (Hodges) is a driver. He is a very good driver.

R.P. § 3(h) complied with.

Third witness

L-41385 PO Bannerman, D.C.A. Asst Adm A Tps Wksp RICME sworn states.

I am in room called XX PO Hodges. On 9 Jan 45 PO Hodges came into the billet with a dixie of coffee. He dropped it on the floor. I got Rudd out to [illegible] me. Hodges picked up [illegible] coffee. I got Rudd left the room.

PO Hodges then grabbed his sten & said he was going to go after Sgt Rudd. I ran after. I pull & my self disarmed him. Right away he was peaceful. He started & take off his overalls. Next thing I knew he had his sten gun up again and threatened the room. He ordered Sgt. Critchley & I pull out of the room. I was standing just at the door. I went towards my bed. I was halted at the point of bayonet at the door. I went towards my bed. I was halted at the point of the weapon. Hodges then jumped on his bed and cocked the weapon. I went back to the door. Hodges then ordered me out of the room. I complied with. He said he'd give me to count of 4 to move. He started to count and got to 3 when something at the door distracted him. Then Sgt. Bannerman came in. He was halted in the centre of the room. He went to room with Hodges but was ordered out of the room. PO Allen was washing his feet & put on shoes. Hodges ordered him to stand up pointing the sten at him. He then told Allen to go & shut the door. Allen did so but jumped outside while closing it. Hodges called him back and I heard the action of the gun. I called him a damn fool. He then ordered me out of the room again. I went out.

PO Lubiniecki & I went over in the small room off the main room.

When I was counting to 3 the weapon pointed at me. It had the mag in on.

I don't know whether the action was forward or backward when I heard it while he was pointing it at Allen.

heard Sgt. Farnham tell Hodges to put his weapon down. Hodges did not do so.

I didn't hear Hodges threaten to fire at Sgt Farnham.

Cross-examination:

I was there when Budd came in. I heard Hodges threaten Budd. I told Budd to get out. He kept the post between him and Hodges. I wasn't comfortable when Hodges was counting. I don't know whether or not there was a round in the barrel.

By the Court

I don't think he was drunk. He knew him for some time. I have never known him to act this way before. He acted like he was out of his head. But he quietened down in between time. There was no ill feeling against him in the billet that I know of.

Fourth Witness

D-96193 PC Mowatt, W.R. Provost Corps A Tps W Regt R.P.C.M.E. sworn & states.

On night of 8 Jan I was in room adjoining Sgt. Billets. Saw PC Hodges throw the dishes in. Saw Sgt Farnham come in. Heard him order Hodges to put down the gun. Hodges did not do so.

NO Cross-examination

R.P. § 3 (a) complied with.

Fifth Witness

H-64665 PC Lubieniecki, F. Provost Corps A Tps W Regt sworn states.

I was in small room off Sgt billets on night of 8 Jan. Heard Hodges tell Allen to close door. At same time saw action of Allen told by Hodges go forward. He pointed the gun at PC Mowatt and myself when he discovered us he made us put our hands up and get out.

Cross-examination

Could see Hodges through the door which is a staple type. i.e. iron bars. Besides door open when door shown in sketch. I heard sound of action or Sten gun & saw it going forward. He was pointing it in the direction Allen had gone i.e. towards the door. The light is fairly good. Hodges was in a half crouch about a step away from the bed.

R.P. § 3 (a) complied with.

Sixth Witness

I spoke to him & left. I returned & my billet about half an hour later Hodges came into the room with a dish of coffee. He dropped it on the floor at the foot of my bed. Sgt Budd told him to question down or he would step in the guard room overnight. Hodges picked up the dish & dropped it again. Then he picked it up & threw it against the door at the other end of the room. Sgt Budd left the room

Pte Sledge went over to his bed & got his sten. He placed the mag & cocked the gun. and headed out to find Cpl Budd as he was going by I threw my arms around him. Pte Bannerman & Gnr Paull took the gun away from him & put it back on his bed. Sledge grabbed down, & sat on the side of his bed removing his overalls. I was shaving at the time. Sledge stood up. Grabbed his sten. Placed the mag. & cocked it. He pointed the gun towards me in the room telling me not to move. He then ordered Pte Critchley to go & bring in Cpl Budd at the point of his sten. Cpl. Budd entered the room. There is a post between Budd & Sledge. Sledge ordered Budd out from behind the post. Cpl Budd then backed out of the room keeping the post between him & Sledge. Then Sgt Fairbairn came in. Pte Sledge ordered him to halt. Sgt Fairbairn tried to reason with him but wasn't successful. Sledge ordered him out of the room. I reaching for sten at him. I sat down on my bed. Sledge ordered me to stand up, pointed his sten at me. I thought to distract his attention by offering a cig with. I put one in my mouth. He ordered me to drop it or he would pull the trigger. I then saw a cain on the floor. I offered it to him. He would not take it. He ordered me to close the door but not to go out. I went to the door. I q leaned back & saw the gun was still pointing at me. As I pulled the door I threw myself outside. I went into Cpl office and reported. The door is a sliding type. when we disarmed him I didn't take the mag off. Pte Bannerman did. I heard Sgt Fairbairn order him to put the weapon down. He did not do so.

Later on the evening. I was called to help get Sledge out of the billets. He told me to come in. I told him I didn't know how to open the door. So he came out.

He looked like he had a very big jag on. But he was steady on his feet. I have known him fairly well for about two years.

Cross examination

He was drunk of the evening. He drove back from T umbert. We kept a man on at the exit in turns. Pte Sledge didn't stay outside. I am not sure whether he went out at all or not. I cannot say how much drinking with him and don't know how it affects him.

He doesn't usually do that. He hung around for 15 or 20 minutes. He was duty driver. I told him to take the grenades lunch & coffee to them in the grenadroom. He went out with them.

cross-examination

He demanded something to eat. I gave him something to eat. Then away he went with the grenades lunch. He was fiddling around the kitchen. He seemed to be feeling pretty good. Ordinarily he is very quiet. I thought he was fit to take the grenades lunch to him.

I have known the accused since I came to the unit about a year ago. I consider him one of our best drivers. He is very conscientious and careful in his driving & maintenance. Reg in actually he was exemp. He takes great pride in his ability to complete an exercise and is very disturbed if he can not keep the schedule. On instance last spring he was carrying ammo & was overdue. When he got in after a lot of engine trouble you could see he felt the had let the unit down. He appeared emotionally upset.

I think great pain to L Bdr he had his first charge after a trip to Oland. Since that time he has been very disturbed and upset. He was I/C a veh. They stopped in Ghent. His co driver went off with the veh. & decided return. Hodge searched Ghent but couldn't find the veh. The overall time was about 2 days. On L Bdr he was still awaiting trial on that charge and was upset about it.

I know T/Sgt Budd. I would say they would be average men. I can't say I recall any particular instance.

I have had considerable experience in working with and handling Indians. Hodge is of Indian Blood. Indians are in certain conditions have a tendency & are in principle complex which may break out at times. Under the stimulus of alcohol this reaction is very bad. This is the reason for the law in Canada forbidding sale to Indians of spirits. They still appear to have full control of their physical powers but it affects their mental reactions very considerably.

He was very worried. He had been drinking considerably. You have the evidence of his condition. An Indian cannot be safely tried. Refer court to para 78 P 35 of M.C.M. Ask Court to take these things into consideration. It would be easy to prevent this man's rehabilitation by a heavy sentence giving him with his peculiar temperament a definite grudge.

THE COMMANDING OFFICER HAS DIRECTED THAT THE EVIDENCE BE TAKEN ON OATH

The charges and the court procedure having been explained to the accused the first witness was called.

FIRST WITNESS: B-37162 Sgt Fairburn, C. First Canadian Army Troops Workshop RCEME having been duly sworn states:-

On Jan 8th, 1945 at 1230 hours I authorized a trip for Pte Dodge, C A-28548 to take the leave personnel to the Paymaster at Army Tps HQ, in vehicle No. CL-4256057 Ford 15 cwt (work ticket No 28 is submitted as evidence) That is the last I saw of him. I was at lunch when the vehicle departed. At approximately 2015 hours (after the movie show had finished) I saw Pte Dodge in the Mess.

During the afternoon Sgt Warhaft contacted me with regard to Pte Dodge's return with the leave personnel. Sgt Warhaft said the guards had been notified to be on the look out for Pte Dodge.

After leaving the kitchen I stopped to talk to S/Sgt Cox and then returned to my billets. On returning to the billets I was met by L/Cpl Budd who informed me that Pte Dodge was in his room with a loaded Sten gun and was threatening the personnel there. I walked into the room and started to approach Pte Dodge who was sitting on the bed at the far end of the room. He had a Sten gun loaded, cocked and his finger was on the trigger. He stopped me when I was about 10 feet away from him and warned me not to make another move. I tried to talk to him and get him to lay down his Sten, but his actions and his manner and words were very defiant. He started to ease up a little and I made a move forward, then he brought his Sten up into position and stood up telling me not to make a move towards him and to get out of the room. I went out of the room and reported the situation to SQMS Kenny.

The Guard Commander and myself were standing outside the room and could see the drivers coming out one by one: Pte Allen, Pte Bannerman, Pte Lubiniecki and Pte Mowatt. After the last man (Pte Mowatt) left we closed the door and watched the windows so he could not get out. All the lights went out, and there was a racket in the room where Pte Dodge was. Cfn Pohl, in company with SQMS Kenny returned and after talking to Pte Dodge through the door, finally persuaded Pte Dodge to come out. He came out unarmed and was taken to the Guard Room.

When we examined the room all the beds had been shoved around and the two electric light bulbs had been broken. That is all I know

Q-1 Would you say that Pte Dodge had been drinking?

A-1 Yes, I would say that he had been drinking.

Q-2 Did you order Pte Dodge to lay down his weapon?

A-2 Yes Sir.

Q-3 Did Pte Dodge obey this order?

A-3 No Sir.

Q-4 Did you examine Pte Dodge's Sten gun when you entered the room after he had been taken to the Guard Room?

A-4 Yes Sir.

Q-5 What did you find when you examined Pte Dodge's Sten gun?

A-5 There was a round in the barrel and the action was cocked.

Q-6 Had that round been fired?

A-6 Yes, I think it had.

Q-7 At any time while you were in the room with Pte Dodge did he actually threaten to shoot you?

A-7 Yes.

Q-8 Did you find any further evidence that the Sten gun had been fired?

A-8 Yes, the other round was handed to me by one of the other boys.

CROSS-EXAMINED BY THE ACCUSED

Q-1 Sgt Fairburn, have you even seen me really drunk?

A-1 Yes.

Q-2 What were my actions when intoxicated?

A-2 Your actions when I saw you before were mostly friendly and carefree, not antigonistic.

Q-3 Then would you say I was drunk or mad?

A-3 Well mad covers a great many things. I would say of a highly emotional and keyed character.

Q-4 Have your any idea what was bothering me if I was mad or drunk?

A-4 No.

B-37162 Sgt Fairburn, C

SECOND WITNESS: C-120307 Pte Allen, R W. First Canadian Army Troops Workshop RCEME having been duly sworn states:-

On the afternoon of Jan 8th, 1945 I drove Major Painter to Army Troops HQ. While waiting there for him I saw one of our vehicles, I opened the door of the vehicle and saw Pte Dodge. This was at approximately 1600 hrs. I talked to him for a few minutes and then he drove off with the leave party to return to the unit. I did not see him again until I went into the Mess for dinner at about 2000 hrs. I talked to him and then left the mess and went to my billets. A half hour later Pte Dodge came in with a dixie of tea. He slapped it down on the foot of the bed. L/Cpl Budd was there and he told him to quiet down. Pte Dodge picked the dixie up and slammed it down again, then he threw it against the

door. L/Cpl Budd left the room and Pte Dodge went over to his bed and got his Sten gun, loaded and cocked it. As he passed me heading towards the door with the Sten gun in his hand I threw my arms about him and Pte Bannerman and Cfn Paull came up and assisted me in removing his weapon. Pte Dodge quieted down and then sat on his bed and removed his coveralls.

Suddenly he flared up and grabbed his Sten gun again and ordered Cfn Crichtly to bring L/Cpl Budd back into the room. Cfn Crichtly left the room and in a few minutes L/Cpl Budd appeared. L/Cpl Budd walked in behind the centre post (Which is in the centre of the room) and Dodge ordered him out into the centre of the room where he could see him. L/Cpl Budd backed out of the room, keeping the post between Pte Dodge and himself. A few minutes later Sgt Fairburn entered the room and started walking towards Dodge. Pte Dodge ordered him to halt, which he did, and then Sgt Fairburn tried to reason with him. Pte Dodge would not listen to reason and ordered Sgt Fairburn out of the room and pointed his gun making threatening gestures with it.

Pte Bannerman, Pte Mowatt, Pte Lubiniecki and myself were left in the room. Pte Dodge sat down with his gun in his hand, so I finished shaving. I sat down and started to change my boots. Pte Dodge asked me what I was going to do. I told him that I was going to change my boots. He ordered me to stand up. After standing up I thought I would offer him a cigarette to draw his attention from his weapon. I placed a cigarette in my own mouth and as I did he ordered me to drop the cigarette. He was standing facing me about 10 feet away with his Sten pointed at me and said "If you don't drop that cigarette all I have to do is pull the trigger". I dropped the cigarette and noticed there was a twenty-five cent piece on the floor which Pte Dodge had dropped. I offered to give it to him. He would not listen and ordered me to go and close the door but not to go out. I went, but while pulling on the door I glanced back and saw that the weapon was still pointed at me. I saw it was my only chance, so I dashed through pulling the door shut after me. As I swung out of the door I heard Pte Dodge call "Allen". I went into the Transport Office and picked up a coat and left. I returned later when the rest of the drivers were back in the room.

Q-1 Would you say Pte Dodge had been drinking?

A-1 Yes, I would say he had been drinking, but I would not say he was drunk.

Q-2 Did you hear Sgt Fairburn order Pte Dodge to put down his weapon?

A-2 Yes Sir.

Q-3 Was this order obeyed?

A-3 No sir.

Q-4 Did you hear or see Pte Dodge threaten Sgt Fairburn with a Sten gun?

A-4 Yes Sir.

Q-5 Did you hear any argument between Pte Dodge and L/Cpl Budd during the evening?

A-5 No Sir.

CROSS-EXAMINED BY THE ACCUSED

Q-1 Allen, you and I used to drink quite a lot together back in England, did you ever see me get mad while drinking?

A-1 No.

Q-2 Am I a heavy drinker or a light drinker?

A-2 I would say a medium drinker.

Allen R W

C-120307 Pte Allen, R W

THIRD WITNESS: L-41385 Pte Bannerman, D C A., First Canadian Army Troops Workshop RCEME having been duly sworn states:-

On Jan 8th, 1945 while the unit moving picture was still going on I was in the kitchen and I saw Pte Dodge, and Pte Allen standing there by the stove talking. I spoke to them and then returned to my billets alone. When I got there there was two of our fellows there and shortly after the rest of our boys returned from the show. We were all in the room when Pte Dodge made his appearance. He had a large dixie of coffee. We were all standing around the stove and he said "Who wants some coffee?" and he dropped the dixie on the floor. L/Cpl Budd told him to behave himself. He made no answer but picked up the coffee again and then threw it down once more, spilling the contents over everyone. L/Cpl Budd told him he had gone too far and that he would spend the night in the Guard Room. His answer to that was to pick up the dixie and throw it to the far end of the room. L/Cpl Budd left the room. The next thing I remember Pte Dodge had his Sten gun in his hand with a magazine on and he said he was going to go and look for L/Cpl Budd. Pte Allen, Cfn Paull and myself disarmed him. Right away he was very peaceful and had no more to say.

We dismantled the weapon and placed it on his bed. He sat down on his bed and took off his coveralls. The next thing I noticed he had the weapon assembled and four magazines. He came to his feet and threatened the room. I was toasting a piece of bread with a fork and I noticed my knife on my own bed. I figured if I could get close to that I might be able to disarm him again, so I hid the fork and I walked over towards my knife. Pte Dodge halted me at the end of my bed at the point of his weapon. I ignored him and tried to reach my knife. He jumped up on his bed and cocked his weapon and ordered me over to where I was before, which I did. He got down from his bed and ordered Cfn Paull and Cfn Critchley out of the room. I heard voices out in the hall and Sgt Fairburn made his appearance. He tried to approach Pte Dodge but was halted at about the middle of the room, where he was told that if he had anything to say, to say it from there. He then was ordered out of the room. He also went. He then turned to me and he said "I'll give you the count of four to get out". I paid no attention to him and he started to count. He counted up to seven and then something at the door distracted him. He forgot me then and turned to Pte Allen. Pte Allen was reaching for his shoes and Dodge made him straighten up and drop his cigarette.

He then ordered him to shut the door which Allen did. When Allen went to shut the door he closed the door with both hands and jumped out. Dodge seeing his actions yelled his name and said "Come here Allen". Allen paid no attention. I had my eyes on Pte Allen when I heard the bolt action work on Pte Dodge's Sten gun. He also had the weapon up to his shoulder. I then called him a damm fool and rose to my feet. Dodge pointed the weapon at me and said "Get out", which I did. All this time Pte Lubiniecki and Pte Mowatt were in our small adjoining room and Pte Dodge did not appear to know of their presence. As I left I closed the door behind me. I met L/Cpl Newns and he asked me if we shouldn't try to lock the door in some way, in order to keep him in. I got a jeep and placed the left front wheel against the door. I then left.

Q-1 Would you say that Pte Dodge had been drinking?

A-1 Yes, he had been drinking.

Q-2 Did you hear Sgt Fairburn order Pte Dodge to surrender his Sten gun?

A-2 No Sir.

Q-3 Did you see Pte Dodge threaten Sgt Fairburn or L/Cpl Budd with his Sten gun?

A-3 Yes, I saw him threaten L/Cpl Budd.

Q-4 Did you see or hear anything that would make you believe Pte Dodge attempted to fire his Sten gun at Pte Allen?

A-4 I heard the bolt action of the weapon.

Q-5 When you re-entered the room after Pte Dodge had been taken to the Guard Room did you notice any damage to the room?

A-5 I was the last one to come back, but I noticed one light bulb had been smashed.

CROSS-EXAMINED BY THE ACCUSED

Q-1 Are you sure you saw everything that happened in that room that night?

A-1 Yes, as far as my statement is concerned.

L. Bannerman.
L-41385 Pte Bannerman, D C A

FOURTH WITNESS: H-59646 Cfn Pohl, A., First Canadian Army Troops Workshop RCEME having been duly sworn states:-

On Jan 8th, 1945 along with other members of the leave party we left at 1230 hrs to go to HQ, Army Tps to see the paymaster. We arrived at HQ at approximately 1500 hrs. We waited around there for from half to three quarters of an hour and then we got paid. Some members of the group had money to exchange and it seemed about about 1600 or 1630 hrs when we got into the truck to return to the Unit.

We started back and the truck gave us trouble. It coughed and finally stopped. I took off the flexible line, blew it out and then put it back on again. This happened a second time and it finally got us into Turnhout.

It was blowing quite hard and cold for the fellows in the back, so we stopped at a cafe in Turnhout. We stayed in the cafe for awhile, one man being left behind in charge of the vehicle at all times. We stayed there for a period of between one-half to one hour. We left there and ran into fuel trouble again between Tilburg and Turnhout. I fixed the fuel line again and then we returned to the Unit. We arrived in camp and went to the billets. The movie show was on and so we did not get anything to eat.

I was in the billets and S/Sgt Orr, R came for me. He said Pte Dodge was on the rampage and I went to the Guard Room. SQMS Kenny was there and from there I went to the Transport Office. I went and stood off from the door and asked Pte Dodge to come out. He told me to come in, I told him I did not know how to open the door, so he came out himself and gave me three xxxx magazines. He said you had better take them from me. SQMS Kenny and I walked him down to the Guard Room.

Q-1 While you were in the cafe in Turnhout how many drinks would you say the group had?

A-1 I really couldn't say Sir.

Q-2 Have you an approximate idea?

A-2 I would say a few.

Q-3 Were you sitting in the front seat of the vehicle with Pte Dodge on the return home?

A-3 Yes.

Q-4 How did Pte Dodge appear to you on the way home, was he in full control of the vehicle?

A-4 He was in full control of the vehicle.

Q-5 How long did the vehicle stop at the cafe in Turnhout?

A-5 I would rather not answer that question.

FIFTH WITNESS: D-114607 SQMS Kenny, K. First Canadian Army Troops Workshop RCEME having been duly sworn states:-

At approximately 2130 hrs on Jan 8th 1945 I was Orderly Officer. I was called by the field phone by L/Cpl Budd. He stated that Pte Dodge was in the transport billets and was drunk, and raising a fuss by throwing things all over the room. He stated that he wanted him placed

under close arrest as he could not be controlled. Immediately I informed the Guard Commander to go to the transport billets with two or three men to bring Pte Dodge into custody. About ten minutes later the Guard Commander returned stating that he could not get Pte Dodge out of his room because he threatened to shoot them if they entered. I then reprimanded the Guard Commander and ordered him the second time to bring Pte Dodge to the Guard Room. I then left personally for the transport billets and on reaching there I was stopped at the door by Sgt Fairburn and L/Cpl Newns, who stated that if I went in the room I would be sprayed with lead. I listened in the door and heard Pte Dodge crying and talking in a hysterical and upset manner. His manner warned me that the man was not himself. I was advised that Pte Mowatt and Pte Lubiniecki were being held under threat in the room by Pte Dodge who had cocked his Sten gun.

I decided to leave these men in the room with him for awhile, with the hope that they could pacify him. My next action was to get information from the men who proceeded to CREME with Pte Dodge in the afternoon. I managed to get Cfn Pohl and I asked him what he knew of the condition of Pte Dodge. He denied any knowledge of Dodge's behaviour. As I knew that Cfn Pohl had been co-driver of the vehicle I decided to use him as a ruse to get Pte Dodge disarmed and out of the billets. I told Pohl to go to the transport billets and attempt to get Dodge out of the room. Pohl proceeded and I left right after him to the transport billets. On reaching the billets some of the NCOs and drivers had shut the door and placed a jeep against it to confine Pte Dodge. When learning that nine men were out of beds by Pte Dodge's behaviour I decided that we must get him out. I had Cfn Pohl call through the door to Pte Dodge while other drivers and guards hid in the shadows of the hall to apprehend Dodge. Dodge responded to the call of Pohl saying "Is that my friend Pohl"? Pohl asked him to open the door and I signalled the drivers to pull the jeep away from the door. Pte Dodge came to the door them and opened it and started to cry and tell Pohl his troubles. I then saw Pte Dodge had no weapons and walked quickly to his side and grabbed his left arm. He appeared quite upset, his eyes were blood-shot and his face was streaked with tears. I asked him what all the trouble was about and he kept repeating that he would kill L/Cpl Budd if he ever got his hands on him. He stated that L/Cpl Budd had been riding him ever since the jeep was lost, and that he has been mad ever since the jeep was lost. On asking him to come along he said "Remove the magazines", we removed two or three loaded Sten gun magazines from his blouse. He then accompanied me without resistance to the guard room where I took all his money off him as well as his pay book, and turned him into the custody of the Guard Commander at 2155 hrs. This is all I have to say.

Q-1 Would you say that Pte Dodge was under the influence of liquor?

A-1 Pte Dodge appeared to me to be under the influence of liquor but I could not say to what extent. Physically he was not affected by liquor, it was more of a mental state.

SIXTH WITNESS: C-34770 L/Cpl Budd, H. First Canadian Army Troops Workshop RCEME having been duly sworn states:-

On Jan 8th 1945 at approximately 1230 hrs I gave Pte Dodge his work ticket and log book and told him to report to the Orderly Room to pick up the men who were going to HQ Army Tps to be paid.

After the show when I returned to my billets I joined the fellows around the stove making toast. Pte Dodge came in and he had a dixie of coffee, asking "Who wants coffee", no one answered. Then he walked down to the stove where we all were and lifted the dixie of coffee up in the air and dropped it. He did that three times. I tried to reason with him to quiet him down and to find out what was the matter with him. He said he didn't give a fuck for anything. He picked the dixie up again and pitched it down to the end of the room. When I saw I could not reason with him I turned around and walked out of the room. When I got to the door he called me to turn around. He had a can of jam in his hand that he looked as if he were going to throw at me. I closed the door then and went to the Transport Office. I called the Orderly Officer and told him that Pte Dodge was raising a row in the billets, throwing stuff all over the room and that he had better send down a couple of guards to get him.

I waited in the transport office for about ten minutes and then went back into the billets. When I came in the door I bent down to pick up the dixie and Pte Dodge told me to stop where I was. When I looked to see where he was he was on his bed and had his Sten gun pointed at me. As soon as I saw that I got behind an iron post that is there. He ordered me out from behind the post saying he was going to let me have the whole magazine. I turned around and walked out, and saw Sgt Fairburn and two guards. I explained the situation to them and waited for awhile.

Q-1 Would you say that Pte Dodge had been drinking?

A-1 Yes Sir.

Q-2 Did you in any way taunt or criticise Pte Dodge about the trouble he had had on the road?

A-2 I did not know he had any trouble on the road.

Q-3 Did you check the lights in the billets after Pte Dodge was gone?

A-3 Both lights were broken when I entered the room.

Q-4 On the night of Jan 8th, 1945 did Pte Dodge at any time threaten you with his Sten gun?

A-4 Yes Sir.

Q-5 Did Pte Dodge by word of mouth threaten to shoot you?

A-5 Yes Sir.

CROSS-EXAMINED BY THE ACCUSED

Q-1 L/Cpl Budd, you have often seen me drunk, haven't you?

A-1 Yes Dodge.

Q-2 Have you ever given me any reason to get mad at you, at any time?

A-2 No.

Q-3 Is it not true that you have been picking on me for some time?

A-3 No. It is not true.

Q-4 Did I ever offer to drag you off the back of a truck to knock the daylights out of you?

A-4 Yes.

SEVENTH WITNESS: B-2888 S/Sgt Orr, R R. First Canadian Army Troops Workshop RCEME having been duly sworn states:-

On the 8th of Jan 45 at approximately 2040 hrs, in my capacity as Guard Commander I was in the Orderly Room talking to the Orderly Officer SQMS Kenny.

After he had answered the phone he instructed me to proceed to the Transport Office with three guards for the purpose of placing Pte Dodge under close arrest. On arriving at the Transport Office I was met by L/Cpl Budd who explained that Pte Dodge was in a room with a loaded Sten gun, with a threatening attitude. I at once considered it proper that I notify the Orderly Officer. By that time I had spoken to Sgt Fairburn and told him that I would leave the three guards in his charge until my return with the Orderly Officer. Returning to the Orderly Officer I explained the situation as it was told to me, to the Orderly Officer. He told me that I was to bring the man to the Guard Room so I returned to the Transport Office and made further inquiries. I found that the door was closed in the men's billets and a jeep placed against the door. Upon looking around the Orderly Officer was present. He asked me to get in touch with - or summon Cfn Pohl, which I did. The Orderly Officer questioned him. We then went to Cfn MacAdam and the Orderly Officer questioned him.

On my way whilst looking for Cfn Pohl I summoned the Sr picquet to go to the Transport Office with a pair of hand-cuffs and to take charge of the three guards. As I was proceeding out the door to the Transport Office, the Orderly Officer, Cfn Pohl and Pte Dodge were met at the Guard Room entrance, followed by the corporal of the guard and three guards. Whereupon an entry was made on the Guard Commander's report under Section AA 19 as ordered by the Orderly Officer.

Q-1 Would you say that Pte Dodge was under the influence of liquor when apprehended?

A-1 In my opinion he had been drinking, but was not drunk.

EIGHTH WITNESS: D-96193 Pte Mowatt, W R. First Canadian Army Troops Workshop RCEME having been duly sworn states:-

On the night of Jan 8th 1945, I, in the company of H-64665 Pte Lubiniecki, F. was in the adjoining room to the transport billets.

The first time I knew there was any trouble was when I heard a commotion. I looked through the door and saw Pte Dodge dropping the dixie of tea, or coffee, on the floor of the room. He then threw it out towards the door. I remained in the adjoining room and went on drinking my tea. I heard some one say "Put the Sten gun down". Then I looked out again and two or three fellows went to take the Sten gun away from Pte Dodge. They succeeded, placed it back on his bed. I continued drinking my tea.

The next time I looked out I saw Pte Dodge standing by his bed with his Sten gun in his hand. Sgt Fairburn came in and tried to persuade Pte Dodge to lay the Sten gun down. Pte Dodge said he wanted to see L/Cpl Budd. Sgt Fairburn said he would go and get L/Cpl Budd. Pte Dodge told Pte Allen to shut the door, then Pte Dodge told Bannerman to leave the room too.

Pte Dodge saw Pte Lubiniecki and told him to come out of the room we were in. I came out with Pte Lubiniecki. He told us to put our hands up and when our hands started to lower Pte Dodge said to keep our hands up. Pte Lubiniecki said his arms were getting tired and I repeated the same thing. Pte Dodge told us to go out of the door. I stood outside the transport for approximately five or ten minutes and then I went to my own billets.

Q-1 Did you hear Sgt Fairburn order Pte Dodge to surrender his Sten gun?

A-1 Yes.

Q-2 Did you hear or see anything that would indicate that Pte Dodge attempted to fire at Pte Allen.

A-2 No Sir.

A-1 Yes Sir.

Q-2 During the evening did you see or hear any thing that would indicate that Pte. Dodge had fired a Sten gun at Pte. Allen?

A-2 Yes, Sir. I was sitting on the table and the door was open and when Pte. Dodge told Pte. Allen to close the door he had his Sten gun pointed in the direction of the door, but I could not see Pte. Allen. I could not see Pte. Dodge's trigger hand but I saw the action of the Sten gun go forward.

Q-3 What happened then?

A-3 Pte. Bannerman said "Dont be a fool Dodge" and then Pte. Dodge ordered him out.

Q-4 Did you hear or see Sgt. Fairburn order Dodge to surrender his Sten gun?

Trial Witness. } A. 2109 Sgt. Horner S. 7 Bn 2CBRD.
Pros. } duly sworn is exam. by Pros.

On 20 Aug. 44 I was Duty Sgt in A. Coy 7 Bn. stationed at Cliffside Nr. Aultbea. Cpl. Jamieson the Coy Orderly Cpl. reported to me that there had been a series of thefts. We made an investigation & received a list of the various articles that had been lost by the soldiers in the billets. From information received we interviewed two men suspected of trying to sell a pr of binoculars throughout the billets. On 21 Aug 44 I talked to Sqmn Harriman & Sqmn Hansen & as a result of what they told me I located the accused, whom I recognise. I questioned the accused about the binoculars. He admitted having them but not on his possession at that time. At my request he went away & then came back with the binoculars. They were WD. Hensholdt make & were scratched in an attempt to eliminate the serial numbers. I produce the pair of binoculars which I took from the accused (1 pr. binoculars marked (KERSHAW) serial no. 99149 a with broad arrow - admitted & marked Ex. F.). Then I was approached by Sapper Pellington of B Coy. with respect to a Ronson lighter he had lost. The accused was present during this conversation. I still had the binoculars in my hand. I asked the accused to turn out his kit. He claimed he knew nothing about it & refused to turn out his kit. I then turned out the contents of the accused's kit bag & his small pack in the presence of the accused & Sqn. Pellington. A Ronson lighter which was identified by Sqn. Pellington was found among the contents of the kit bag. The lighter was a pocket Ronson, with an Engineers crest on one side & a regimental number on the other side. I produce the Ronson lighter taken from the accused's kit bag. (Ronson cigarette lighter, regimental, with R.E. crest & No. B27116 admitted & marked Ex. G.). The accused made no explanation as to his possession of the lighter

I then placed him under arrest.

Cross-exam:

The two men I interviewed were not suspected of selling the binoculars. They had been offered the binoculars for searchlighting. The info. they gave me made me suspect the accused. I checked the accused's kit just once on 21 Aug 44. The accused first denied having the binoculars but later admitted he had them - not in his possession but that he could get them for me. This conversation took place outside our MIR. The kit inspection took place at the MIR. The accused was awaiting admission to hospital.

Re-exam:

I went through all the kit the accused had. His complete kit was in front of the MIR. I have no idea where the accused got the binoculars.

By the D.A.:

Accused's kit bag was tied securely with rope but not locked. Accused brought his own kit to the MIR. All these were in the kit bag were some cigarettes & other loose articles - not very much - no clothing. The lighter was alone with the rest of the articles when the contents were dumped out on a table.

By the Court

There were no markings on accused's kit bag. Accused admitted the bag was his. The accused said "I had the binoculars. I wasn't going to get them but I can get them." R.P. 93(B) complied with.

Second Witness - Cpl. } R84192 RQMS Matthews W.A. Then 2/28 Aust Sig Section on oath. Examined by Court.

I am RQMS. Then I keep a record of our controlled stores, such as binoculars & a record of all persons to whom they are issued. I have never issued binoculars to Signalman Dearborn & he is not entitled to be in possession of any binoculars.

No cross-exam:

By the D.A.:

These binoculars (Ex F.) - Hensham make are W.D. property on charge to Can Post - & Can Post property. I identify them as such by the broad arrow.

R.P. 93(B) complied with.

Third Witness } B.27116 Spr. Pallington W.A. Then 26 ECO
Pros. } Duly sworn on oath Key Pers.

On Sat morning 19 Aug 44 between 0600-1000 hrs. I found that my lighter had disappeared from my bedside. I was off duty & leaving on my bed at this time. I reported my loss to the Orderly Room. My lighter is a Ronson, chrome-plated. It has my regt'l no. B 27116 engraved on one side & RCE crest on the other. I recognise this lighter (Ex 2) as mine. One morning of 21 Aug 44 around 0830-0930 hrs I overheard a conversation between Lieutenant Sgt. Horner, the accused & another soldier regarding a pr. of binoculars. The accused slept on the same floor as I did, so I asked Sgt. Horner if he had found my lighter. I accompanied them repatriation where the accused's kit was inspected. The contents of his kit bag were dumped out on the floor. The first thing that fell out was my lighter (Ex 2). I was present when the accused returned with the binoculars. There was no lighter on the ground when the accused's kit bag was dumped out. I was present during the conversation between Sgt. Horner & the accused after the latter returned with the binoculars, but I was standing back a bit.

Cross-examn.

I slept on the 4th. floor of Cliffords Hotel.

No re-examn.

By the Court.

Prior to this incident I did not know the accused, though I had seen him around. The acc. was present when his kit bag was emptied.

By the I.O.

I last saw my lighter at 0300 hrs 19 Aug 44 when I got up & lit a cigarette. I never gave the acc. permission to use or borrow my lighter. The accused's kit bag was not locked but tied with a cord. When Sgt. Horner first wanted to unpack the kit the accused tried to make out there was no need for the inspection.

R.P. 53 (B) complied with.

Pros. is closed.

Christ Wilson (H.65125 Sapper Doerksen J., the accused, Def. (duly sworn is exam. by Defence Offr.

On Sat morn 19 Aug 44 I was detailed to sweep the hallways with four other men. I started to work on the 4th floor. I found a lighter while sweeping the hall. This was about 0830 hrs. I put it in my pocket. On Mon 21 Aug 44 I went on sick parade. The MO told me to get my stuff as I was going to hospital. I had just arrived from Corps Depot on Fri. All I had was my small pack & large kit-bag. I was waiting outside the MIR for the ambulance with my kit beside me. Sgt. Horner came up & asked me where my kit was. This was shortly after 0900 hrs. I showed it to him. He emptied it out. After he finished he asked me where the binoculars were. I told him I had none. He told me I was overheard admitting I had them in my possession & gave me 5 mins to produce them. I knew where they were so I produced them. Sgt. Horner took them to A Coy Orderly Room. About 15-30 mins afterwards he came back with Spr. Pettington & asked me if I would turn out my kit bag & he would do it for me. I told him to "go ahead". He searched my kit again - dumping out the contents - & found the lighter. Sgt. Horner kit checked me twice on 21 Aug 44

Cross-Exam:

I took no steps to return the lighter to its owner although I noticed the Cdn crest on it. I did not try to convince Sgt. Horner there was no necessity for inspecting my kit. When I brought the binoculars to Sgt. Horner I did not steal them from anybody. I got the binoculars from another soldier. I cannot say this offhand a pr. of binoculars for sale. But I knew that someone else had. He did not sell them to me. nor give them to me. He was not offering them for sale on my behalf. I would rather not say who gave me the binoculars. I found the lighter near the fire drawn in the hallway, about 15' from where Spr. Pettington sleeps. I kept the lighter in my possession after I found it.

No re-exam.

R.P. 93(8) complied with.

Pros. Address.

Re first charge. Pros. has proved acc. was not entitled to binoculars & that he was in possession. His story that he was given them is not to be believed. On 3rd. charge Pros. has proved Sgn. Pellington lost his lighter & acc. has admitted he found it. But did not so admit to Sgt. Horner on morning of 21 Aug 44. Acc. had possession of recently stolen property. I submit acc. is guilty of 2nd & 3rd charges.

Defence Offr. Address.

Re 2nd. charge I submit accused has not admitted possession of the binoculars. He merely volunteered to & did get them. Knowing a search was on acc. friend naturally would surrender them. If acc. intended to have the binoculars they would have been found in his kit. As to 3rd. charge Pros. has produced two witnesses to prove acc. stole the lighter. Who actually took it? Acc. found it but did not steal it. Sgn. Pellington's evidence supports the accused's story so far as the kit inspection is concerned. Accused admits the lighter was in his possession which covers the 4th charge.

J.A. Summing Up.

(a) Accused innocent until proved guilty. Burden of proof on Pros.
(b) Accused entitled to benefit of reasonable doubt. "Reasonable doubt" defined.

Summary of Evidence in the case of H 65125 Signalman Isaac DOERKSEN, R C Sigs, 7 Canadian Base Reinforcement Battalion, 2 Canadian Base Reinforcement Depot, a soldier of the Canadian Army Overseas.

The Commanding Officer directs that all evidence will be taken upon oath.

FIRST WITNESS for the prosecution

A 2109 Sergeant Samuel HORNER, R C Sigs, 7 Canadian Base Reinforcement Battalion, 2 Canadian Base Reinforcement Depot, a soldier of the Canadian Army Overseas, having been duly sworn, states:-

"On Sunday, 20th of August, 1944, I was duty Sergeant of "A" Company, 7 Bn 2 CBRD. I received several complaints from personnel in the Company, of articles of kit being missing from their quarters. I made an investigation and from the results of that, I questioned the accused, Signalman Doerksen I, on Monday, 21st of August, 1944, with respects to the W D Binoculars, which I had heard he had in his possession. He admitted having the binoculars and produced them at my demand. I produce herewith the W D Binoculars in question taken by me from the accused. The serial number of the binoculars is 99649, make Kershaw, 1941 patent. At that time I was approached by a Spr Pollington of B Company who informed me that he had lost a Ronson Lighter around the same period. I questioned the accused in respect to this and instructed him to turn out his kit. On turning out his large kit bag, a Ronson Lighter was found. I produce this lighter, the description of which is as follows: It is a Ronson Lighter with a R C E Crest mounted on one side and bearing the Regimental number B 27116 on the other. The accused on being further questioned, made no statement. I placed him under close arrest."

The accused questions this witness:

Q. When you questioned me regarding the binoculars, did you not search my kit, and not find them?

A. No, I did not search your kit until after you gave me the binoculars.

SECOND WITNESS for the prosecution

B 27116 Sapper William Arthur POLLINGTON, Corps of R C E, 7 Canadian Base Reinforcement Battalion, 2 Canadian Base Reinforcement Depot, a soldier of the Canadian Army Overseas, having been duly sworn, states:-

"I am a member of "B" Company, 7 Battalion, 2 C B R D. On the morning of the 19th of August, 1944, I found my lighter which has been on a stool beside my bed to be missing. I asked the Corporal in the room if he had seen it and he said no, but that it had been there when he made his bed up in the morning. I then reported this loss to my Company Orderly Room. The lighter is a Ronson lighter, bearing my Regimental Number, B 27116, on one side, and on the other side, the RCE Crest. On Monday morning I overheard a conversation between Sergeant Horner and another Signalman whom I do not know, with regard to a pair of binoculars that was reported to have been stolen. I overheard it said that one man in the Company was to be kit inspected and I inquired whether or not they had found a lighter. They said the man had not been kit inspected yet so I went along with them. They took me upstairs to the veranda outside the QM Office and Sergeant Horner inspected the kit of Signalman Doerksen, the accused, whom I now recognize. The first article to fall out of the kit was a Ronson Lighter. I inspected the lighter which I identified as my own. Sergeant Horner placed the accused under close arrest."

RECORD FORM B—PROCEEDINGS ON PLEAS OF GUILTY TO ALL CHARGES.

WEBB B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)[1], and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.[2]

(1. *RP 35 fn 3.* 2. *MML p 54 para 47.*)

WEBB B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).[1] If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty[2], or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined[3], we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.[4]

President to accused: Do you wish to make a statement? Ans Yes Sir.[5]

The accused is (~~not~~) so informed, and he (~~is~~) (~~not~~) changes his plea(s) to Not Guilty on the charge(s). Part I of the Schedule is amended accordingly.

(1. *Court may be closed to consider the statement. Delete whole or part not used.*)

WEBB B4. On the charge(s) to which the plea(s) of Guilty is (~~not~~) changed the President records finding(s) of Guilty in Part I of the Schedule.[1]

(1. *RP 25(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex P, initialled and read aloud by the President.[1]

(1. *If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by vsn of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).*)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

RECORD FORM C—PROCEEDINGS ON MIXED PLEAS OF GUILTY AND NOT GUILTY.

RECORD FORM D—PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

D1. President to accused: Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity to prepare your defence? Ans NO SIR.[1]

(1. *If "yes", see RP 39(A) for procedure. Statement or evidence, if any, is recorded per Notes.*)

WEBB D2. The Prosecutor makes (~~an~~) (no) opening address.[1]

NB: If trial proceeds, accused must be allowed great latitude in making his defence, and the Court should not stop his defence solely on ground of irrelevance. (RP 60(C), 114, 115.)

D5. President to accused: You will now proceed with your defence.[1] You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.[2] You may, however, make a statement without being sworn, and you will not be subject to cross-examination.[3] But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.[4] You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused: Do you wish to give evidence yourself as a witness, make a statement, or do neither? Ans Give evidence, Sir. Do you intend to call witnesses on your behalf? Ans No Sir. Are they witnesses as to character only? Ans WEBB

Pros (duly sworn is exam. by Pros.

On 20 Aug 44 I was Duty Sgt in A Coy 7 Bn. stationed at Cliffside Brs Avellino. Cpl Jamieson the Coy Orderly Cpl. reported to me that there had been a series of thefts. We made an investigation and received a list of the various articles that had been lost by the soldiers in the billets. From information received we interviewed two men suspected of trying to sell a pr of binoculars throughout the billets. On 21 Aug 44 I talked to Sigmn Herrman & Sigmn Hansen & as a result of what they told me I located the accused, whom I recognise. I questioned the accused about the binoculars. He admitted having them but not on his possession at that time. At my request he went away and then came back with the binoculars. They were WD Kershaw make and were scratched in an attempt to eliminate the serial number. I produce the pair of binoculars which I took from the accused (1 pr. binoculars marked (KERSHAW) serial No. 99649 and with broad arrow - admitted and marked Ex P.). Then I was approached by Sapper Pollington of "B" Coy. with respect to a Ronson lighter he had lost. The accused was present during this conversation. I still had the binoculars in my hand. I asked the accused to turn out his kit. He claimed to know nothing about it and refused to turn out his kit. I then turned out the contents of the accused's kit bag and his small pack in the presence of the accused and Spr Pollington. A Ronson lighter which was identified by Spr Pollington was found amoung the contents of the kit bag. The lighter was a pocket Ronson with an Engineers crest on one side and a regimental number on the other side. I produce the Ronson lighter taked from the accused's kit bag. (Ronson cigarette lighter, ironmetal, with RCE crest & No. B27116 admitted and marked Ex 'G'). The accused made no explanation as to his possession of the lighter

(2)

I then placed him under arrest.

Cross-exam:

The two men I interviewed were not suspected of selling the binoculars. They had been offered the binoculars for purchasing. The info. they gave me made me suspect the accused. I checked the accused's kit just once on 21 Aug 44. The accused first denied having the binoculars but later admitted he had them - not in his possession but that he could get them for me. This conversation took place outside our MIR. The kit inspection took place at the MIR. The accused was awaiting admission to hospital.

Re-exam:

I went through all the kit the accused had. His complete kit was in front of the MIR. I have no idea where the accused got the binoculars.

By the JA:

Accused's kit bag was tied snugly with rope but not locked. Accused brought his own kit to the MIR. All there was in the kit bag was some cigarettes and other loose articles - not very much - no clothing. The lighter was along with the rest of the articles when the contents were dumped out on a table.

By the Court:

There were no markings on accused's kit bag. Accused admitted the bag was his. The accused said "I had the binoculars I haven't got them but I can get them".

On Sat morning 19 Aug 44 between 0000-1000 hrs. I found that my lighter had disappeared from my bedside. I was off duty and lying on my bed at the time. I reported my loss to the Orderly Room. My lighter is a Ronson, chrome-plated. It has my Regt'l No. W27116 engraved on one side and the crest on the other. I recognize this lighter (Ex 'Q') as mine. On morning of 21 Aug 44 around 0830-0930 hrs I overheard a conversation between Sgt Horner, the accused and another soldier regarding a pr of binoculars. The accused slept on the same floor as I did, so I asked Sgt Horner if he had found my lighter. I accompanied him upstairs where the accused's kit was inspected. The contents of his kit bag were dumped out on the floor. The first thing that fell out was my lighter (Ex 'Q'). I was present when the accused returned with the binoculars. There was no lighter on the ground when the accused's kit bag was dumped out. I was present during the conversation between Sgt Horner and the accused after the latter returned with the binoculars, but I was standing back a bit.

Cross-exam.

I sleep on the 4th floor of Cliffside Mss.

No re-exam.

By the Court.

Prior to this incident I did not know the accused, though I had seen him around. The acc. was present when his kit bag was emptied.

By the J.A.

I last saw my lighter at 0300 hrs 19 Aug 44 when I got up and lit a cigarette. I never gave the acc. permission to use or borrow my lighter the accused's kit bag was not locked but tied with a cord. When Sgt Horner first wanted to inspect the kit the accused tried to make out there was no xxx need for the inspection.

Def (duly sworn is exam by Defend Offr.

On Sat morn 19 Aug 44 I was detailed to sweep the hallways with four other men. I started to work on the 4th floor. I found a lighter while sweeping the hall. This was about 0830 hrs. I put it in my pocket. On Mon 21 Aug 44 I went on sick parade. The MO told me to get my stuff as I was going to hospital. I had just arrived from Conv Depot on Fri. All I had was my small pack and large kit-bag. I was waiting outside the MIR for the ambulance with my kit beside me. Sgt Horner came up and asked me where my kit was. This was shortly after 0900 hrs. I showed it to him. He emptied it out. After he finished he asked me where the binoculars were. I told him I had none. He told me I was overheard admitting I had them in my possession and gave me 5 mins to produce them. I knew where they were so I produced them. Sgt. Horner took them to A Coy Orderly Room. About 15-30 mins afterwards he came back with Spr Pollington and asked if I would turn out my kit bag or he would do it for me. I told him to "go ahead". He searched my kit again - dumping out the contents - and found the lighter. Sgt Horner kit checked me twice on 21 Aug 44.

Cross-exam:

I took no steps to return the lighter to its owner although I noticed the RCE crest on it. I did not try to convince Sgt Horner there was no necessity for inspecting my kit. When I brought the binoculars to Sgt Horner I did not steal them from anybody. I got the binoculars from another soldier. I never at any time offered a pr of binoculars for sale but I knew that someone else had. He did not sell them to me, nor give them to me. He was not offering them for sale on my behalf. I would rather not say who gave me the binoculars. I found the lighter near the fare stairs in the hallway. About 25' from where Spr Pollington sleeps. I kept the lighter in my possession after I found it.

No re-exam.

Pros. Address.

Re second charge. Pros. has proved acc. was not entitled to binoculars and that he was in possession. His story that he was given them is not to be believed. On 3rd Charge Pros. has proved Spr Pollington lost his lighter acc. has admitted he found it, but did not so admit to Sgt Horner on morning of 21 Aug 44. Acc. had possession of recently stolen property. I submit accd is guilty of 2nd and 3rd charges.

Defend Offr. Address.

Re 2nd charge I submit accused has not admitted possession of the binoculars. He merely volunteered to and did get them. Knowing a search was on acc. friend naturally would turned them over. If acc. intended to have the binoculars they would have been found in his kit. As to 3rd charge Pros. has produced no witnesses to prove acc. stole the lighter. Who actually took it? Acc found it but did not steal it. Spr Pollington's evidence supports the accused's story so far as the kit inspection is concerned. [redacted] Accused admits the lighter was in his possession which covers the 4th charge.

FIRST WITNESS for the Prosecution

A 2109 Sergeant Samuel HORNER, R C Sigs, 7 Canadian Base Reinforcement Battalion, 2 Canadian Base Reinforcement Depot, a soldier of the Canadian Army Overseas, having been duly sworn, states:-

"On Sunday, 20th of August, 1944, I was duty Sergeant of "A" Company, 7 Bn 2 CBRD. I received several complaints from personnel in the Company, of articles of kit being missing from their quarters. I made an investigation and from the results of that, I questioned the accused, Signalman Doerksen I, on Monday, 21st of August, 1944, with respect to the W D Binoculars, which I had heard he had in his possession. He admitted having the binoculars and produced them at my demand. I produce herewith the W D Binoculars in question taken by me from the accused. The serial number of the binoculars is 99649, make Kershaw, 1941 patent. At that time I was approached by a Spr Pollington of B Company who informed me that he had lost a Ronson Lighter around the same period. I questioned the accused in respect to this and instructed him to turn out his kit. On turning out his large kit bag, a Ronson Lighter was found. I produce this lighter, the description of which is as follows: It is a Ronson Lighter with a R C E Crest mounted on one side and bearing the Regimental number E 27116 on the other. The accused on being further questioned, made no statement. I placed him under close arrest."

The accused questions this witness:

Q. When you questioned me regarding the binoculars, did you not search my kit, and not find them?

A. No, I did not search your kit until after you gave me the binoculars.

The foregoing statement and questionaire are read back to this witness in the presence and hearing of the accused.

The accused declines to further cross-examine this witness:

SECOND WITNESS for the Prosecution

B 27116 Sapper William Arthur POLLINGTON, Corps of R C E, 7 Canadian Base Reinforcement Battalion, 2 Canadian Base Reinforcement Depot, a soldier of the Canadian Army Overseas, having been duly sworn, states:-

"I am a member of "B" Company, 7 Battalion, 2 C B R D. On the morning of the 19th of August, 1944, I found my lighter which has been on a stool beside my bed to be missing. I asked the Corporal in the room if he had seen it and he said no, but that it had been there when he made his bed up in the morning. I then reported this loss to my Company Orderly Room. The lighter is a Ronson lighter, bearing my Regimental Number, B 27116, on one side, and on the other side, the RCE Crest. On Monday morning I overheard a conversation between Sergeant Horner and another Signalman whom I do not know, with regard to a pair of binoculars that was reported to have been stolen. I overheard it said that one man in the Company was to be kit inspected and I inquired whether or not they had found a lighter. They said the man had not been kit inspected yet so I went along with them. They took me upstairs to the veranda outside the S Office and Sergeant Horner inspected the kit of Signalman Boerkseen, the accused, whom I now recognize. The first article to fall out of the kit was a Ronson Lighter. I inspected the lighter which I identified as my own. Sergeant Horner placed the accused under close arrest."

The foregoing statement is read back to this witness in the presence and hearing of the accused:

The accused declines to cross-examine this witness:

M 71883 Corporal John Gordon STACE-SMITH, C A C, 7 Canadian Base Reinforcement Battalion, 2 Canadian Base Reinforcement Depot, a soldier of the Canadian Army Overseas, having been duly sworn, states:-

Summary of evidence in the case of H.65125 Gunner DOERKSEN, Isaac John, (R.C.A)(No. 1 Cdn. Radiolocation Unit) on strength of No. 1 Canadian Signals Reinforcement Unit, a soldier of the Canadian Army Overseas.

By direction of the Commanding Officer, the summary of evidence is taken on Oath.

FIRST WITNESS for the prosecution

D.21099 Sigmn. LARIVIERE, Paul Emile, (R.C.C.S) on strength of No. 1 Canadian Signals Reinforcement Unit, a soldier of the Canadian Army Overseas, having been duly sworn states:

"I am D.21099 Sigmn. Lariviere, P.E. of No. 3 Company, No. 1 Cdn. Signals Reinf. Unit. Between 1600 hours and 1700 hours, 28 January 1943, I went to my quarters in Room 6, Spider 5, and opened my kit bag to get some cigarettes. I found that a parcel containing one thousand (1,000) cigarettes, British Consols Export, had disappeared. I reported the loss immediately to Corporal EEDY in my hut. We went around every room in the spider trying to locate the parcel. We found nothing.

I then went to the Company Office and reported the loss. I went back to my room and saw Gunner DOERKSEN talking to someone else in my room, and became suspicious. I then went to the kitchen to see Corporal ADAMSON and told him of the theft, and asked him to try and find out if anyone had been seen in the kitchen with a parcel. I then went back to my room and looked around some more.

While I was still looking, Corporal ADAMSON came back from the kitchen into the room and said, "I think DOERKSEN has your cigarettes". Corporal ADAMSON and I then left to go back to the kitchen. Corporal ADAMSON took Gunner DOERKSEN into a small room in the kitchen. Corporal ADAMSON and Gunner DOERKSEN came out of the kitchen and we started to walk back to my quarters.

Just inside the spider, Gunner DOERKSEN said he would show me where the cigarettes were if no charge was laid, and that others were concerned in the matter. He took me to a shelter beside Spider 4, and inside the shelter he shook hands with me and said "Don't be too hard on me and don't lay a charge". He then bent down and picked them out from underneath the bench in the shelter and handed the parcel to me.

It was still unopened, but the wrapper with my name had been partly torn off. I had previously seen my cigarettes between 1100 and 1200 hours on the morning of the 28th January, 1943. I submit the carton in evidence. EXHIBIT "A"."

This witness was cross examined by the accused:

Question 1: "Did I say at any time 'If there is no charge laid, I will show you where the cigarettes are'?"

Answer 1: "In the shelter you said 'If you hit me, don't hit me hard. I have a sore jaw. I have just come out of hospital". I said, 'I won't hit you, and I won't lay a charge'."

SECOND WITNESS for the prosecution

B.31442 Corporal ADAMSON, Frank (R.C.C.S) on strength of No. 1 Cdn. Signals Reinf. Unit, a soldier of the Canadian Army Overseas, having been duly sworn states:

"I am B.31442 Corporal ADAMSON, F. of No. 3 Company, No. 1 Cdn. Signals Reinf. Unit. At approximately 1600 hours, 28th January 1943, Gunner DOERKSEN approached me and asked permission to go to his room to have a shave. I granted him permission and he left the kitchen. Gnr. DOERKSEN had been on kitchen fatigue and I was N.C.O. i/c Kitchen fatigues.

At about 1700 hours 28th January, 1943, I was informed by Sigmn. LARIVIERE that he had lost one thousand (1,000) cigarettes from his kit bag and suspected Gnr. DOERKSEN of the theft. I questioned Gunner DOERKSEN, and he admitted stealing the cigarettes and having possession of them. I immediately took him over to Sigmn. LARIVIERE, so that Gnr. DOERKSEN could show him where the cigarettes were."

This witness was cross examined by the accused:

Question 1: "Did I at any time mention to you, or in your hearing, that I had stolen the cigarettes?"

Answer 1: "After repeated interrogation I asked you, 'Come clean. Be a man! Did you steal the cigarettes?' and you said 'Yes, I have stolen them. Take me to see Sigmn. LARIVIERE'."

THIRD WITNESS for the prosecution

B.88472 Acting Company Sergeant Major McKEOWN, Robert, (R.C.C.S) on strength of No. 1 Cdn. Signals Reinforcement Unit, a soldier of the Canadian Army Overseas, having been duly sworn states:

"I am B.88472 A/C.S.M. McKEOWN, R., Company Sergeant Major of No. 3 Company, No. 1 Cdn. Signals Reinf. Unit.

On the afternoon of 28th January 1943 it was reported to me that one thousand (1,000) cigarettes, the property of Sigmn. LARIVIERE were missing. On the morning of 29th January 1943, Sigmn. LARIVIERE came to me and said that Gnr. DOERKSEN had produced the cigarettes for him the previous evening. I had Gnr. DOERKSEN brought to the Company Office and questioned him in the presence of Sigmn. LARIVIERE. I asked him if he had taken the cigarettes. He admitted nothing to me, but during the course of the questioning he said words to the effect that 'he didn't think there was going to be any charge laid' and also said that 'there were others mixed up in it too'. When asked to name the others he referred to, he refused to do so. I then placed him under close arrest."

The accused declines to cross examine this witness.

At approximately 1715 hrs., 16. Oct. 42, the vehicle had not returned. It is not uncommon for vehicles to arrive back from duty after this hour. Instructions were left with the Duty Drivers for Doherty to park his Vehicle in a certain Bay. I next had information about this vehicle when Duty Officer informed me that at about 2350 hrs. the vehicle was at Blackwater Bridge, apparently wrecked. Capt. Goodson was informed and recovery equipment was despatched to the spot."

"Last night, 16. Oct. 42, Tpr. Doherty came down to Guilmont Barracks, Cove. I met him outside the Barracks. He had a Jeep with him. This was shortly after 1900 hrs. This was the first time I saw him that night. We were going down to the other side of Blackwater. We mentioned this to Trooper Doherty and he offered Sapper Doiron and myself a lift to Blackwater. This was about 1900 hrs. We got in the Jeep and drove to Blackwater. It took about 10 or 15 minutes to get there. I left the other two at about 1915 hrs. and went up the street to have a glass of beer. I did not meet them again until about 2130 hrs. To my knowledge they did not have anything to drink. The Pub I went to was on the other side of the bridge. I didn't see them from the time I went into the Pub until I met them after coming out. I got into the Jeep again and we drove off towards Cove. On the bridge we met with an accident trying to avoid some bicycles.

Question :- Tpr. Doherty

Do you wish to make any statement or to give evidence upon oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say, or any evidence you give, will be taken down in writing and may be given in evidence.

Answer Yes Sir.

The accused having been duly sworn states:-

" I left camp at 1745 hrs. on the night of 16th Oct. in a Jeep, of my own accord and not on any particular duty and drove to Cove where I met Sapper Doiron. I drove Sappers Ervine and Doiron to Blackwater. I left Ervine and intended returning to camp but got talking to Doiron. We visited a pub and had 2 glasses of beer between 1900 and 2200 hrs. I met Ervine again about 2200 hrs. and gave him and another soldier as well as Doiron a lift back to Cove. While going over Blackwater Bridge I ran into two bicycles and to avoid contact swung hard to the right and ran into the fence.

Statement by Frederick Thomas, Atkins. - Police Constable 301, Stationed at Blackwater.

About 1045 P.M. on the 16th October, 1942, I arrived at the scene of an accident on the Blackwater Bridge. About 20 yds east of the top of the bridge on the north side of the road, I saw an Army 8 cwt Jeep Vehicle on the foot-path facing westwards. The vehicle was damaged on the offside front and the offside was extensively damaged. Lying on the bank on the north side of the bridge, I saw C/51159, Sapper Doiron, A.J. of the R.C.E. Chillemont Barracks, Cove. He was being treated for a fractured right leg. I saw the driver of the vehicle, Tpr. Doherty and he informed me that he was driving the vehicle. Doiron and Sapper Ervine, (C-5116[illegible]) of the R.C.E. were passengers.

STATEMENT OF

L-6622 Tpr. DOHERTY, J.

IN MITIGATION

"I realize sir, the seriousness of the charge, and I am willing to take whatever punishment is to be handed out. As far as the accident is concerned, I have been a chauffeur for over 20 years, and it couldn't be avoided. I came right up on top of the bicycles and rather than hit them, I had to turn to the right. I am very sorry about my friend as he had just come over from Canada, and I was anxious to see him. That is the reason I took the jeep, and it is the first time I ever took a vehicle on my own. That is all sir.

10

Sir - and Members of the court ——

The accused, James Doherty, has pleaded guilty before this court to the charge as laid, because he fully realizes that he has made a mistake —— he did not elect trial by this court and was willing to suffer such punishment as a lesser court saw fit ~~to award out~~ to award —— Doherty is a good soldier —— he has been on active service for 15 months — well over a year — and his conduct sheet is comparatively clean —— Of the two charges entered on his M.F.M. 6 — one — the only one in his six months overseas was an admonishment for accidently dropping an accumulator while on duty in a hangar in this unit —— The other, which on the surface could be a serious offence, must have shown extenuating circumstances to have only entailed the award of 9 days detention —— Doherty is not a young man —— and doesn't entertain any young and foolish ideas of adventure or trying to beat the arms —— He is happy in his job as M.T. driver and perhaps the only thing that would cause him a little loneliness at times is the difference in age between himself and the rest of the boys he is soldiering with. I think the court will agree that a man 40 years of age doesn't have much in common with, say, a 20-year old. Doherty spends few nights out with the boys ——

2. A few days previous to the night in question, Doherty received a letter from his pal, Cpl Doiron, whom he has known for the past 10 years and had soldiered with in Canada. The letter stated that he, Doiron, had recently arrived in England, was stationed at Cove, a few miles away, and asked if it would be possible for them to meet soon. — On the ~~evening~~ late afternoon of the day of the offence, Doherty, anxious to ~~see~~ meet his friend, decided to run down and see him for a few minutes. ~~There was~~ It is only a few minutes ~~run~~ ride and the boys occasionally do take a run into the nearby village, after being dismissed, to obtain something they needed. — There are no barriers in this camp and Capt ~~D. Hudson~~ A.P. Talley, under whom the accused was working, has stated in his ~~statement~~ evidence that it was not uncommon for vehicles to be out after hours.

The story from there is related in the evidence before the court. As a result of an accident, which I submit was not due to negligence or careless driving on Doherty's part, his friend Doiron is in the hospital with an injured leg. — A point which I would ask the court to bear in mind is that Col A.S.W. Wallis, R.T.R. who first investigated the case, showed enough confidence in Doherty to release him into open arrest pending this trial.

3. Finally, I feel sure, that the court having heard and seen Doherty will be as convinced of his sincerety as I am, and I would ask the court, in passing sentence, to consider the harm that may result, both to the accused personally and to his efficiency as a ~~soldier~~ contented soldier, efficiently and conscientously doing his duty, if an extreme penalty is awarded.

That is all I have to say.

Geo Gatton Lieut

I desire under R.P. 87B that a defending Officer shall be assigned to represent me at my trial if a suitable Officer should be available.

Court-Martial held at Mickleham Hall, 28 Feb 41. 1030 hrs
Prosecutor - Captain J.G. Christian
Defending Officer - Lieut W.B. Nelson

B-5837

Trial of Spr. Doherty, W.A

Prosecution "I intend to prove the case against Spr. Doherty by approximately 4 points, 1st point that he did receive the stolen cigarettes. I then intend to produce cigarettes that were sold by him and also portions of the cartons of cigarettes which were sold at different times by him. I then intend to prove that these cigarettes belonged to different members of the C.A.S.F. who did not receive them. Lastly I would like to prove that on previous occasions he did sell cigarettes and therefore it is plain in the summary of evidence that not having on his glasses, and not being able to see, is a point to question."

1st Witness Mr. Stewart. (civilian) having been duly sworn

Question: "Will you tell the court what you know about your dealings with Spr. Doherty with regards to the purchasing of Canadian cigarettes?"

Answer: "Spr. Doherty asked me if I would like to buy Canadian cigarettes and I said "no". Subsequently, at a later date, as I was talking to a customer a waiter came up and said there is a man here with a parcel of cigarettes for you and he wants £2-10-0. The customer said you pay him the money. I took the cigarettes and placed them on the table in the lounge. My customer subsequently paid his bill, and for the cigarettes, about closing time. Cpl. Burrough was going through the hotel and seeing the parcel of cigarettes in the lounge said "Those cigarettes are probably stolen". The man who bought the cigarettes was there at that time and said take the cigarettes if they were. He then went home and left them on my premises. Later on in the evening I was rather worried about the cigarettes because it is an offence to have them on my premises, so I phoned the O.C. of the Tunnelling Coy. but he was not available. He came to see me the next day and claimed he knew all about them and cigarettes were subsequently handed back to him."

Question: "Do you recognize Spr. Doherty as the man who sold the cigarettes to you?"

Answer: "Yes".

Question: "Do you recognize this parcel as the one which you returned to Capt. Wilson?"

Answer: "Yes".

Prosecution: "I would like to submit these cigarettes as exhibit "A" in this case". (accepted)

Defence-Question: "Mr. Stewart, before this occurence happened you had occasion to see Canadian soldiers selling cigarettes. Have you ever read the inscription on the package that these cigarettes are not for resale?"

Answer: "No Sir, I never have".

Question: "On this evening in question, when you say you received the cigarettes from Spr. Doherty, were they in packages?"

Answer: "No Sir."

Question: "Have you any idea to whom these parcels were consigned?"

Answer: "No Sir."

Question: "Here we have some labels and parts of labels that were allegedly found in one of your employees rooms?"

Answer: "Yes Sir."

Question: "Can you positively identify these labels as the ones on the parcels?"

Answer: "NO Sir, those are not the labels from the parcels."

Defence to Court: "In that case I submit that these labels be not held as evidence."

Prosecution Question: "Mr. Stewart, can you tell the court just how you received these cigarettes and what happened to the wrappers?"

Answer: "They had the postal wrappers on them when they came. I was very loath to keep stolen property on my premises and I asked a friend if he would take care of these cigarettes until such time as they were wanted. He duly took them away. After I had seen Capt. Wilson I asked him to return the cigarettes. I went to his house and he had the cigarettes in a drawer, having first taken off the wrappers, so I tied them up into 200 lots and brought them back."

Question: "You are quite sure, Mr. Stewart, that your friend could have no access to other Canadian cigarettes.

Answer: "No. He knew nothing about them at all."

Capt. Wilson is called and being unavailable the court is asked if his statement can be accepted. The Court ruled that the evidence be not accepted.

Inspector Collis, of the Dorking Police 2nd witness.

Inspector Collis is called and sworn.

Prosecution Question: "Inspector Collis, on the 11 December 40 you were present at the Running Horses when a waiter's, Mr. Florin Joseph Dora, room was searched and some labels found in his room--"

Defence - "I object to to this witness."
Court --- "Objection does not apply."

Question contd: "--can you recognize these labels we have here as the ones you found in Mr Dora's room?"

Answer: "I should know them again." (After examination of the labels) "Yes, those are the same labels."

Prosecution to Court: "May I submit these as exhibit "B" in this case, Sir" (accepted) "That is all I require of Inspector Collis, Sir."

Defence Questions: "Inspector Collis, have you any idea where the labels found in Mr. Dora's room came from?"

Answer: "I could not say Sir."

Question: "You have no idea where these labels came from, you just found them in his room?"

Answer: "May I ask a question sir?" (permission given) "Can I repeat anything said to me by another person?"

Answer: "No sir, you may not."

Prosecution. "The next witness, the man who was working at the Running Horses, cannot be found. May I submit his statement?"

Court. "It must be submitted by the witness on oath. Lieut. Allen, who took the summary of evidence, is sick and not available. Under the circumstances it can not be admitted."

3rd Witness Spr. Robillard, O. Sapper Robillard being duly sworn gave evidence.

Prosecution "May I use exhibit "B"?" (approval)

Question: "Spr. Robillard, did you at any time receive the package of cigarettes with this label on it?"

Answer: "No Sir."

Defence Question: "You are definitely sure you never received that particular package?"

Answer: "No Sir."

4th Witness B 29366 L/Cpl. Tyo, F. L/Cpl. Tyo being duly sworn gave evidence.

Prosecution Question: "I have here a label taken from Sweet Caporal Cigarettes. Have you ever received them?"

Answer: "No Sir."

Defence Question: "You say you never received this particular package of cigarettes. Are you quite sure?"

Answer: "Yes Sir. I am quite sure I never did."

Defence sum up "There are no witnesses for the defence. I would like to sum up. In this case Spr. Doherty is charged with selling stolen cigarettes. In so far as the evidence shown, there is none which shows Spr. Doherty stole them. There is evidence that cigarettes were stolen but there is none which shows that Spr. Doherty has been responsible for this."

Prosecution sum up "From the evidence of the 1st witness, Mr. Stewart, it is quite obvious that Spr. Doherty sold some cigarettes, 4 packages of 300, and while we are unable to prove that the labels were destroyed, at least we can prove they are lost. Therefore I submit that the charge does not specify any particular cigarette but that he is charged with receiving stolen goods and we have no way of knowing that these goods were his own."

Summary of Evidence in the case of 4/5837 Sapper Doherty W.A.

The accused requires that the evidence be taken on Oath

FIRST WITNESS CIVILIAN:

The first Witness Mr. Owen Stewart propietor of Running Horses Hotel, Mickleham Surrey. After being duly Sworn. States:-

On Friday 6th. December, I was asked by a Canadian Soldier known as Cookie who was in the public bar whether I would like to buy some Sweet Caporal cigarettes. I replied No. I then walked round to the saloon bar and seeing a customer namely Mr. H. Buckham of Jivons Grove, who had previously told me he liked Canadian Cigarettes known as Sweet Caporal, I mentioned that some of the same were for sale by a Canadian Soldier in the public bar. He said that he would like them. I then told the Canadian Soldier that a Saloon Customer would buy them. Some time later I was told that a Canadian Soldier had a parcel for me, on going out to the Hotel the Canadian Soldier said that he had the cigarettes which would cost two pounds ten shillings. I went to Mr. Buckham who was having dinner and told him. He asked me to pay for them and add the same to his bill. This I did Mr. Buckham subsequently paid. The cigarettes in four parcels were placed on a table in the lounge. Just before closing time a Canadian named Corporal Burroughs saw the parcels and told Mr. Buckham that they were probably stolen. Mr. Buckham then said he would not take the cigarettes until the matter was cleared up. Mr Buckham then went home. I tried to get Capt. Wilson on the phone but he was not available. Subsequently Mr Buckham and myself saw Capt. Wilson and the cigarettes were returned to him.

Some time ago, in December, on a Wednesday, about a fortnight ago, a Canadian Soldier spoke to me and asked me if I wanted to buy some cigarettes which he had with him. I said I would take ten packets. He said that I would have to take the lot, because they belonged to the other boys for whom he was selling them. I bought forty eight packets of 25 each, They were Sweet Caporal of the kind usually given to soldiers. They were in brown paper packets, some opened; some had address labels on them. I didn't notice the addresses. I gave him two pounds ten shillings for them. There were others there when I bought them; the chef and two other maids were there. There were no other soldiers there.

Comment on case vs Docherty:-

Charges — 1. ~~Stealing~~ cigarettes consigned to a soldier (on or about Dec 5/40)

2. Recg. cigs. knowing them to be stolen on or about Dec 5/40

Comment.

Witness Stewart, proprietor of R.H. Hotel, says:- On Dec 6/40 accused asked if I'd like to buy Can. cigs. As a result of conversation with Buchham, I told him a saloon customer wd. buy them. Later he brt. cigs in 4 parcels. I paid for them. Cigs. left in lounge. Later turned over to Capt. Wilson.

The cigs were wrapped in brown paper as for mailing, they had address labels but I didn't notice addresses.

Witness Dora - waitress. A Wed. in Dec "about a fortnight ago" I bought 48 packets of 25 sweet cap cigs. in brown paper packets, some opened, some with address labels, I didn't notice addresses." I paid him $2.10. Chief + two maids present.

"This obviously refers to entirely different offence to that described by first witness. Note date + paying party

Witness Sup. Tollis. says he, + Dora were present when Lt. Field found 2 labels bearing different names + part of a label bearing number + part of a name, in Dora's room, on Dec 11th (entered as Ex B.)

There must have had to do with moral offence. Otherwise what were they doing in Dora's room.

Capt. Wilson - As a result of ph. call fr. Stewart I, on bat from 8th saw Buchham + later Stewart. Tuesday evening next I saw Buchham + Stewart at Hotel + Buchham handed me 4 paper parcels of 12 pkgs of brt. Sup. cigs.

Sup. Tollis gave me names + addresses. Says he checked with Records + found men belonged to 2 Rd Bount. Co. Then I was handed wrappers by Tollis - they'd double addresses 2 Rd Bount + 1 Prisoner of

He does not say if the packages were torn or if he fitted the labels to the package paper to see if they fit.

Does not say what these names were.

Evidence

Comment

(4 parcels containing 12 packs of cigs. produced & marked Ex "A".
A further 20 cigarettes were produced & were held by the Court - but they have not been identified).

L/Cpl Burroughs - ~~[illegible]~~ "On a Thursday night early in December" as a result of a remark made to me by Mr Stewart, I said "If there are that many cigarettes, they must be 'hot'."

Note, - yet another date.

Accused Doherty - "I recd those cigarettes to sell, never thought they were stolen. Am short sighted. Got them in the dark."

What cigs? Those referred to in Stewart's evidence? Exhibit "A"? The unidentified cigs?

Comment generally.

~~No evidence whatsoever that any (of the three different lots of cigarettes) were stolen. Might they.~~ Not a scintilla of evidence to vindicate ~~[illegible]~~ he knew they were stolen. ~~Might they not have been told to "whoever gave them to Doherty to resell"?~~

Note discrepancy in dates given by various witnesses.

I seriously question the propriety of Doherty's admissibility statement, as it would appear to have been given half way through the prosecution evidence.

The summary of evidence is undated, so I do not know when it was held. Witnesses Stewart & Dora were heard, then accused's statement taken then S of E "adjourned until the 26th." when evidence of Insp. Collis, Capt Wilson & L/Cpl Burroughs taken.

Evidence of Robillard & Iyo as to never recg cigarettes addressed to them — to be given to at 6. PM. - duly noted.

Does it seem reasonable that stolen goods would be resold with the original labels bearing addressees names & still attached?

There seem to be two separate "offenses" here — that of Dec 6th ~~of sale~~ involving attempted sale of "4 parcels" to Stewart (for Buchham) & that of some Wednesday early in December to Dora.

In connection with which is the charge laid?

Dora from the summary had nothing to do with the Stewart transaction & Stewart nothing to do with the Dora transaction.

The situation regarding exhibits is most unsatisfactory. There is no explanation of where 20 packages of cigarettes filed with exhibits came from. The 4 parcels filed as "Exhibit A" arise from the Stewart transaction. There is nothing in the summary to show to whom they were addressed, - although it appears from the summary (ev. of Stewart - 1st witness) that they were wrapped in brown paper as if for mailing & had addresses on them. Two pages later it appears the packages were opened & tied up again in Court. It does not appear whether they were opened previously or to whom they were addressed.

Ex "B" — the labels addressed to "Robillard" & "Raphael Iyo" (incidentally this is only assumed from the theme of evidence to be called as the summary does not reveal how the Exhibits

were addressed) obviously belong to the transaction with Dora.

To summarize
Owing therefore, to the confusion of dates, exhibits, ~~persons~~ probable separate alleged offences covered by one charge, failure to show that there were any addresses on the Ex A parcels or any evidence called to show that these parcels had not been given or traded to accused or were not his own property, on the one hand & on the other, to connect the Exhibit B labels with the accused, the unlikelihood of anyone keeping or trying to sell cigs with the owner's name & address on the label when it would have been so easy & reasonable to destroy the brown paper wrappers & simply sell the packets in their cellophane wrappers, the question of admissibility of accused's statement (as above noted) &, in any event, the statement as to darkness & his short sightedness, the failure to show knowledge goods were stolen (2nd charge) — I hesitate to agree with Maj. J. that a prima facie case has been made out. (re highlights par. 2 p. 3.)

Have now read Major Campbell's letter of Feb 4. — wherein he feels improbability of proving charges.

Court Martial held at Mickleham Hall, 28 Feb 41.

PROSECUTOR - CAPT J.G. CHRISTIAN
DEFENDING OFFICER - LIEUT. W.G. NELSON

F.44945
Trial of Cpl. Smith JW

Prosecution "I intend to prove, 1st, that Cpl. Smith was the postal Cpl. of the 1st Tunnelling Company, into whose hands all the mail for the unit must go and that the responsibility for the delivery of the mail is his. Secondly I intend to prove that he received some cigarettes which were addressed to units other than the 1st Tunnelling Coy. and that no record was kept with regard to receipt or disposal of the same. Thirdly that some cigarettes were found in the Running Horses Hotel at Mickleham and that 2 members of the 2nd Road Construction Coy. (one of the units whose cigarettes came to the Tunnelling Coy. by mistake) did not receive the same and lastly [redacted] I would like to show that the accused on one occasion gave cigarettes to Spr. Doherty to sell to the proprietor of the Running Horses Hotel and by this means effected a sale and accepted money for them.

1st Witness
Spr.
Hamilton, W.
P 91643

Spr. Hamilton being duly sworn gave evidence.

Prosecution

Question: "You assisted in the mail room for a time. Tell the court just what period you were assisting in this duty?"

Answer: "From 1st December to 5th December 1940.

Question: "Can you identify Cpl. Smith as the Cpl. in charge of the mail for the Tunnelling Coy.?"

Answer: "Yes Sir. I can."

Question: "It was your understanding that as mail clerk Cpl. Smith was responsible for mail coming in. Will you tell the court what happened to cigarettes addressed for other units?"

Answer: "On the second of December 7 bags came in and they were mostly all cigarettes. The ones for our unit I marked. For the others there were possibly 11 parcels. The ones with the names of the other units were placed on the top of the shelf. A couple of days after that I was in there again and noticed the cigarettes for the outside units were still there. I asked Cpl. Smith why they were not returned to the Field Post Office for their destination. He told me that when our mail went by mistake to other units, the one responsible for the mail in those units were never in a hurry to return them to us; they could wait until he was ready to send them. On the morning of the 4th I looked to see if these cigarettes were still there and over ½ of them were missing. At that time there were queer doings going on so I went down to report to the O.C.."

Question: "Spr. Hamilton, did you see the bags when they came in? You did not notice to what unit they were addressed?"

Answer: "I think they were all addressed to this unit."

Question: "Were you in the habit of checking the contents of the bags against the names of the persons?"

Answer: "Yes."

24/55

Question: "You are quite sure that the bulk of the cigarettes were for the 2nd Road Construction?"

Answer: "Yes, but there were some for the Pioneers, 1st Bridge, and others."

Question: "You said that Cpl. Smith put the cigarettes that were not for the Tunnelling Coy. on the top shelf?"

Answer: "I did."

Question: "On the 4th you say some of them had not been taken back. Have you any reason for saying they were not taken back to the Field Post Office?"

Answer: "There were rumours around, Sir."

Court (Rumours do not count, so therefore you are in no position to state whether the cigarettes went back to the Field Post Office or not.)

2nd Witness Mr. Stewart. (civilian) Mr. Stewart being duly sworn gave evidence.

Prosecution "Exhibit "B" in the last case will be exactly the same as in this case."

Question: "Mr. Stewart, would you again identify these cigarettes as the ones you turned over to Capt. Wilson?"

Answer: "Yes."

Question: "Did you at any time on the evening that you purchased the cigarettes see the accused, Cpl. Smith?"

Answer: "No Sir."

Question: "You are quite sure of it?"

Answer: "As far as I am concerned I have never seen Cpl. Smith in my house at all."

Question: "Of the cigarettes you turned over to Capt. Wilson, you did not note the names on the labels?"

Answer: "No Sir."

3rd Witness Inspector Collis of the Dorking Police Inspector Collis being duly sworn, gave evidence.

Prosecution Question: "Would you re-identify these labels as the ones you found in the waiter's room?"

Answer: "Yes Sir."

Question: "At the summary of evidence you produced a signed statement of Spr. Doherty. Would you identify this copy of the statement.

Answer: "This is a true copy, Sir."

Prosecution "There are several points here which do not agree with Mr. Stewart's evidence."

Defence "No questions, Sir."

4th Witness
H 5637
Spr. Doherty.

Spr. Doherty being duly sworn gave evidence.

Prosecution

Question: "Spr. Doherty, on the 11th of December at Dorking you made a statement to Sgt. No. 9, P.Field, of your own free will and signed it?"

Answer: "Yes Sir."

Question: "Do you recognize that as a copy of your statement?"

Answer (after reading copy): "Yes Sir. I made that statement."

Question: "You find that that statement is a true story of what happened?"

Answer: "No Sir, I contradicted it afterwards."

Question: "Will you tell the Court the true story of what happened on the evening in question?"

Answer: "Well Sir, before I was put under arrest, I saw Spr. Boudreault and he said he could get cigarettes to sell. I went to see him and he said "you will have to wait until Smith comes back". I got them from Spr. Boudreault."

Question: "Would we be correct in substituting Boudreault's name for Smith's in the statement?"

Answer: "Yes Sir."

Defence

Question: "Was Cpl. Smith present when you made this statement to the Dorking police?"

Answer: "No Sir."

Question: "He had no chance to contradict you in any way?"

Answer: "No Sir."

Question: "When you received these cigarettes from Boudreault had you any way of knowing whether they were Boudreault's or not?"

Answer: "No Sir, it was dark and I cannot see very well."

Question: "It is quite possible that they were Spr. Boudreault's then?"

Answer: "Yes Sir."

Prosecution to Court: "May I recall Spr. Robillard and L/Cpl. Tyo to re-identify the exhibits?"

5 & 6

Witness (Spr. Robillard and L/Cpl. Tyo are recalled and warned that they are still under oath; they proceed to give evidence).

Prosecution "Spr. Robillard, will you again tell the court whether you received any cigarettes from this source?"

Answer: "I did not."

Question: " L/Cpl. Tyo, would you again identify these labels and tell us whether you received that parcel or not?"

Answer: "I never received that parcel, Sir."

~~Prosecution~~
~~7899609~~

7th-Witness
7899609
Tpr.Knight,C. (R.T.R.)

Trooper Knight being called by the defence was duly sworn and gave evidence.

Defence

Question: "Trooper Knight, on December 5th you accompanied Cpl. Smith down to the Running Horses Hotel?"

Answer: "Yes Sir."

Question: "Did Cpl. Smith have any parcels or anything with him?"

Answer: "No Sir."

Prosecution

Question: "Trooper Knight, how can you be sure the night that you were with Cpl. Smith was the night of December 5th?"

Answer: "I am sure Sir. There was a dance held on Dec. 5th and I was there."

Court to accused: "Does the accused wish to make a statement?"

Counsel for accused: "No Sir, the accused does not wish to make a statement at all.

Defence sum up

"This is very much like the other case Sir. There is no definite evidence put forward by the prosecution that Cpl. Smith stole any cigarettes. There is no evidence that cigarettes were stolen. The post-office orderly, Spr. Hamilton, did not produce any evidence to the effect that he could swear any cigarettes were stolen. Therefore, I submit that the only verdict can be acquital for the accused."

Prosecution sum up

"In his capacity as postal clerk, Cpl. Smith is responsible for the mail until it is delivered to the men in question. To the best of my knowledge there was no record kept of the parcels coming in and therefore it is the responsibility of the Postal Cpl. to account for them unless he can show delivery to the proper owners. Cigarettes for 2 members of the Road Construction Coy. have been proven to be missing and I submit that these 2 facts are so closely connected as to place the guilt on Cpl. Smith."

States after caution:-

"One evening last week I was in the bar of the Running Horses when Corporal Smith came in to the bar and asked me if I knew where I could sell 48 packages of cigarettes. I said I would ask Mr Stewart (the licensee) if he wanted to buy them. I knew at the time that Corporal Smith was the post Corporal. I saw Mr Stewart and asked him if he wanted to buy 48 packages of Sweet Caporal Cigarettes. I knew that they were Sweet Caporal Cigarettes because Corporal Smith told me they were. Mr. Stewart said, "I will take them, bring them in". I handed them over to Mr. Stewart and told him the price was £ 2-10-0. which he paid me. Previous to this Corporal Smith was standing outside the Running Horses near the entrance to the toilet and he had the cigarettes in four cartons under his arm. The cartons had not been undone, but appeared to me to be in the same condition as when they arrived by mail. Corporal Smith followed me into the public House after handing me the cigarettes and he was present when I handed them over to Mr Stewart and he was there when I received the money for them, £ 2 of which I handed to him immediately and kept 10/- myself. Corporal Smith had a drink and then left. I have at about 4 or 5 different times sold to the man I know as "Joe", who is employed at the Running Horses as waiter. Two packages at a time, that is 80 cigarettes for 2/6d.

Summary of Evidence in the case of F/44945 Corporal Smith J.W. No.1 Canadian Tunnelling Company R.C.E, C.A.S.F.
The accused requires that the evidence be taken on Oath.

First Witness Military:-

The first Witness B/5837 Sapper Doherty W.A. after being duly sworn States:-

On about 5 Dec. 40 I received cigarettes from a source which I refuse to disclose until I have legal Counsel. These cigarettes were given to me, which I thought was legimate; there were about twelve hundred Sweet Caporals of the kind specially packed for soldiers. These cigarettes were turned over to Mr. Owen Stewart proprietor of the Running Horses Inn, and he like myself didn't know they were stolen. He paid me two pounds ten shillings for the cigarettes. I turned this money over to the party who had given me the cigarettes keeping ten shillings for myself. I still refuse to name the party who gave them to me.

Question:- In what condition were thes cartons when you got them?

Answer:- They were in carboard cartons, wrapped as if for mailing.

Question:- Had they address labels on them?

Answer:- I think so, but I didn't notice the address.

Question:- Had you any reason to think that they were not addressed to the person who gave them to you?

Answer:- No, Sir.

The accused declines to cross examine this witness.

I have read the above testimony and affirm that it is true.

Second Witness Military:-

Second Witness P/91643 Sapper Hamilton W., after being duly sworn States:-

I was assisting Corporal Smith, who was mail clerk for several days before the dance that we held early in December about the 5th., and in that period I helped sort the mail. Almost all of the mail was cigarettes eleven parcels for the Tunnelling Company, the bulk of them for Gad. Road Construction Company, some for the 1st Pioneers Battalion, the 1st Bridging Company and the 12th. Field Company. The cigarettes were mostly in parcels of 300 and a few parcels of 1000. The parcels for Units other than our own were placed on the shelf away from our own mail. They remained on the shelf until a day or so before the dance, I asked Corporal Smith if they weren't to be sent back to Base P.O. for forwarding, and he told me that he was in no hurry, because when our mail went to other units by mistake they were in no hurry to sen it back and in some cases it was never returned. The day after the dance I was in the mail [redacted] R.B. Allen

Second Witness (Cont'd)

room, after my own mail, and I looked to see if the cigarettes had been sent out yet. At least half were gone, but some were still remaining. I reported this to Captain Wilson. I felt suspicious because if any were sent back to the Field Post Office all should have gone back.

Question:- Just when did you stop working in the Mail Room?

Answer:- The day of the dance was my last day there.

Crossexamination by accused:-

Question:- When you say that the parcels were half of them missing from the post office do you imply that you think that I had stolen them or sent them back to the Field Post Office?

Answer:- I did not think that they had been returned to the Field Post Office.

The accused declines to Cross examine this Witness further.

On having the evidence read to him the witness wishes to make the following amendment:-

I hadn't counted the parcels which were on the shelf. The eleven parcels for the Tunnelling Company were for the half at Mickleham Hall: the parcels for those at Gibraltar were forwarded at once

R.B.Allen Lieut.,

The accuse d after being duly sworn in accordance with Rule of procedure 4(E) states:- after being duly sworn at his own request.

I can only say that I didn't take any cigarettes from anywhere or give them to anybody, with the exception of two packages of Sweet Caporal cigarettes which I gave to Sapper Bishop in my own room. These cigarettes were my own personal property. I never received any money for cigarettes from anybody except L/Cpl. Graystone who gave me a shilling for a packet of Sweet Caporals, also my own property. As to the cigarettes which were sent to us by mistake and which Sapper Hamilton spoke about; on the day of the dance, which I think was on 5th., December, I took some of them to Field Post Office Leatherhead. I hadn't kept any record of the parcels sent to us by mistake.(So I didn't know whether I had them all or not) On hearing this read the accused desires to amend the portion in brackets to read as follows:- I knew I hadn't them all with me,but I hadn't enough sacks to take them all back that afternoon. The day after the dance, on Friday, when I went to open the mail office about four o'clock in the afternoon. I found the lock very hard to open, so hard that I broke the stem in the lock. Sapper Pugliese and myself opened the door by pulling out the staple, we took the mail to Leatherhead and brought the Company's mail back. The mail for the 12th., Field Companywhich had arrived a few days earlier by mistake was still in the Company post Office and I turned the keys over to Sapper King, who took over from me on the Monday following, with instructions to sent all such mail back for redirection. Since I didn't keep a record of this mail, I am unable to say whether any was lost in my office or not.

On hearing this statement read, the accused wishes to add.

"I knew I had not taken all of the cigarette packages back to the Field Post Office in Leatherhead the first afternoon, but I took all the rest I could find the next afternoon. I did not know whether I had taken back all that I had received, since I had kept no record of such incorrectly addressed mail which passed through my hands.

The accused does not wish to call any witnesse for the defence.

FIRST WITNESS CIVILIAN:

The first Witness Mr.Owen Stewart propietor of Running Horses Hotel, Mickleham Surrey. After being duly Sworn. States:-

On Friday 6th.December,I was asked by a Canadian Soldier known as Cookie , who was in the public bar, whether I would like to buy some Sweet Caporal cigarettes. I replied No. I then walked round to the saloon bar and seeing a customer namely Mr. R.Duckham of Jivons Grove, who had previously told me he liked Canadian Cigarettes known as Sweet Caporal, I mentioned that some of the same where for sale by a Canadian Soldier in the public bar. He said that he would like them. I then told the Canadian Soldier that a Saloon Customer would buy them. Some time later I was told that a Canadian Soldier had a parcel for me, on going out to the Hotel the Canadian Soldier said that he had the Cigarettes which would cost two pounds ten shillings. I went to Mr. Duckham who was having dinner and told him. He asked me to pay for them and add the same to his bill. This I did. Mr. Duckham subsequently paid. The cigarettes in four parcels were placed on a table in the lounge. Just before closing time a Canadian named Corporal Burroughs saw the parcels /and Myself and told Mr. Duckham/that they were probably stolen. Mr. Duckham then said he would not take the cigarettes until the matter was cleared up. Mr Duckham then went home. I tried to get Capt. Wilson on the phone but he was not available. Subsequently Mr Duckham and myself saw Capt. Wilson and the cigarretes were returned to him.

Question:- Is the Canadian Soldier called Cookie recognizable as Sapper Doherty, whom you see before you?
Answer:- They are one and the same man. I did not know his correct name.
Question:- In what condition were the parcels of cigarettes?
Answer:- They were wrapped in brown paper as if for mailing
Question:- Had they address labels on them?
Answer:- Yes but I didn't lookat the addresses.

The Accused declines to cross examine this witness.

I produce four parcels, each consisting of 12 packages of Sweet Caporal cigarettes which I identify as the cigarettes handed to me by Mr. Owen Stewart, proprietor of the Running Horses, and purporting to be received by him from Doherty. I was asked on Saturday morning, December 7th., to phone Mr.Stewart, proprietor of the Running Horses Hotel. who had rung me the previous evening concerning some cigarettes. Before I was able to reach him Mr. Stewart again phoned me and I tried to reach him by telephone Saturday afternoon. Sunday morning I went to see Mr Duckham and later Mr. Stewart. Neither of them produced the cigarettes which Mr. Stewart had telephoned me. I telephoned Mr Stewart again on Monday about the cigarettes. Tuesday evening in answer to telephone call, I saw Mr Duckham and Mr. Stewart at the Running Horses Hotel where Mr.Duckham Handed me four paper parcels of twelve packages of Sweet Caporal Cigarettes, which I now produce and identify by the word'Jackson'written in pencil on one of them. Comment on case vs Smith

Charge :- Theft (on or about Dec 5). Comment.

Evidence

First witness :- Doherty :-

from summary :- I received & resold to Stewart cigs. from a source I won't disclose. Wrapped for mailing - about 1200 - I think there were addresses - didn't notice.

Evidence of Accomplice.

Third witness per Insp. Hollis -

from statement to Police

Cpl Smith "one evening last week" at R.H. Hotel asked me to sell for him 48 pkgs of 4lb. cigs. I did - to Stewart for £2.10.0. I owe accused £2, kept 10/- myself.

Word of accomplice admissible

Fourth witness (to be called) Stewart

I didn't see Cpl. Smith when I bt cigs fr. Doherty.

No corroboration of above evidence here.

Accused's statement at trial

I never got cigs from nor sold to gave to anybody - - etc - - .

2nd witness Hamilton

assistant to accused who was to discriminate accused. No evidence to show parcels addressed to any particular person. No evidence to show not properly forwarded

as to Post office. He was mail clerk for several days prior to dance Dec 5. Mail mostly cigs. A lot for other units than 1 Tunneling Co. placed on shelf. Remark to Smith (accused) about forwarding on & accused said "no hurry" & referred to laxity of other units in that respect.

Day after the dance I noted ½ gone & reported to Capt Wilson - commanding

that part of his evidence not clear. ½ bottom of mail

Evidence

Comment

duly forwarded was for Gibralter + balance still ~~[illegible]~~ on shelf to be forwarded.

Accused's statement

as noted on p. 1 of these notes, also says on Dec 5th he took part of wrongly addressed mail to P.O. Featherhead + the balance the following afternoon. He kept no record of this incorrectly addressed mail. Says something about the P.O. box being jammed.

Robilard + Iyo - To be called - "never received ~~many~~ ~~letters~~ labels alleged referred.

Is this to suggest someone else tampers with mail office?

P/O labels are referred to in this summary.

Nothing anywhere in this summary ~~summary~~ tying in prepared by + Robilard evidence

Further comment

Have noted July. 3's remarks, also Major Campbell's letter.

I agree with July 3. that the summary discloses no prima facie case against accused - + I go further - that even read in conjunction with Dougherty summary, it does not disclose a case. I note Major Campbell agrees with the latter. Dougherty cannot tie in the labels

Unless the Bournemouth Postal authorities can produce records to show specific mail passed through the Boy P.O. under Pat Smith's charge, + that it was accused's duty to keep a record of misdirected mail, I cannot see how even the suggested alternative charge of "losing by neglect" would hold.

additional evidence to show

would be produced

Certainly enough evidence to show Rob. Iyo + Taylor didn't get their mail - but not enough to substantiate the ~~[illegible]~~ charges against accused in specific instances mentioned.

THE ACCUSED MAKES THE FOLLOWING STATEMENT IN MITIGATION OF PUNISHMENT:

It seems that War has an ennobling effect on a few members of the army and it has a ruinous effect on others, and it has no effect at all on a great many, and my statement is not given to prove or disprove a case. It isn't an argument against what is called the Crucible of War, and I would not have been in the army as long as I have if it was. I would probably not have done what I did if it was so; neither an attempt to show that no man has been tempered by the crucible of war without bearing some of its scars, although I may have some of them myself. War usually affects a man by making him become cruel, an ingrate, a wastrel, or selfish, or self-deluded or a drunkard, or contemptuous of what is good, or without faith in God or mankind. This service of my own, so far, has put me in a position where I am much the same as other men who have been over here as long as I have been, without action. I have done a great deal of drinking, which I probably shouldn't have done. On the date referred to in the charge I had been drinking and I was warned of the duty for guard about 1330 hours in the afternoon and at that time there had been myself and two other men who were not members of my regiment, and we had been talking over the inaction we were going through. We had formed probably a stupid sort of an idea at the back of our minds about making a three-man invasion of an occupied country, and I am afraid that I fell for it and when I left my duty I proceeded to Ashford and from Ashford to Rye to meet these two men, and our object was to steal a boat of some

kind and go across the channel and do what we could by ourselves, and get killed, if we were killed, do what we could and come back if we could get back and let people know what had been done, what we had seen and what we had found out. That plan naturally fell through, it was of course the drinking that started it and working on our imaginations. On both charges I naturally have pleaded guilty and I was guilty and I feel very, very-- I don't say sorry-- I say very unsoldierly, for having done the things that I did, sir. There is a small item of three shillings and four pence covering a meal which I didn't have at their expense, in fact I entertained the escort to a dinner at my own expense.

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. (1. *Court may be closed to consider the statement. Delete whole or part not used.*)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1) "JRT"

(1. *RP* 35(*E*). *If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

PLEA IN BAR OF TRIAL

The accused makes a plea in bar of trial under RP 36 on the grounds that the charge has already been disposed of by his Commanding Officer Lt-Col H.M.Bryson, E.D. West Nova Scotia Regiment.

Question by President: Do you wish to give evidence yourself or call witnesses to support your plea?

Answer: I wish to call two witnesses.

First Witness for the Defence: Lt-Col H.M.Bryson C.C. "A" Wing 1 C.I.R.U. having been duly sworn states:

Q 1: Are you Lt-Col H.M.Bryson?

A 1: Yes.

Q 2: Do you recognize the accused?

A 2: I do.

Q 3: On the 20th of June in what capacity were you acting?

A 3: In conjunction with my regular duties as OC "A" Wing I was acting as Commanding Officer of No. 1 C.I.R.U. in the absence of Col. H. Sharp who was away on duty.

Q 4: Was the accused paraded to you on that day?

A 4: He was. He was on my disposal list on the 20th June 44.

Q 5: At approximately what time was he paraded to you?

A 5: At approximately 1100 Hours or perhaps a few minutes later, between 1100 and 1115 hours.

Q 6: Why was the accused paraded before you?

A 6: On being released from Civil Prison.

Q 7: Do you know when he was released from Civil Prison?

A 7: No, all I know is that that morning I received a call from the Adjutant who asked me if I would see the accused in my capacity as Acting Commander of this unit.

Q 8: Was the accused under close arrest when he was paraded before You?

A 8: I could not say definitely he was escorted by a member of the Regimental Police.

"JRT"

Q 9: Did the accused appear on any specific charge?

A 9: No. It is customary that when a soldier is released from either Civil Prison or Detention he is interviewed by the Commanding Officer and that is the reason the accused appeared before me that morning--on interview only.

Q 10: Did you make any order with regard to the disposal of the accused prior to his leaving your presence?

A 10: No, I did not. It was not necessary. To my knowledge the accused was a free man. As far as I knew he had been released from Civil Prison and appeard before me on interview only.

A 11: Was the accused wearing headdress when he appeared before you?

A 11: No.

Witness is Cross-examined by the Prosecutor

Q 12: I understand that you made no disposal of Pte. Doig after the interview?

A 12: He was definitely not on charge at that particular time and after the interview there was no disposal to be made.

Second witness for the Defence: F 54635 Cpl. Bartholemew, E.H. having been duly sworn states:

The witness is examined by the Defending Officer.

Q 13: What is your name, rank and number?

A 13: F-54635 Cpl. Bartholemew, E.H.

Q 14: What is your employment in the Unit?

A 14: Regimental Police, sir.

Q 15: I have here a document headed: "Release Order" examine it carefully and tell me if that is your signature.

A 15: Yes it is.

Q 16: To whom does the document relate?

A 16: To Pte. Doig, H.A. (The document is marked exhibit "A" and attached to proceedings.)

Q 17: Do you recognize the accused?

A 17: Yes sir.

Q 18: Who is he?

A 18 Pte. Doig.

"JRT"

Q 19: Will you e xplain in your own words why you signed that document.

A 19: I was on duty on the 20th June 44 at the Detention Guard Room, Welbeck, 1 C.I.R.U.. At about 0900 hours Pte. Doig was escorted to RHQ to parade before the Commanding Officer. At about 1000 hours Pte. Doig returned in company with two escorts and the Provost Sergeant On instructions from Provost Sgt. Farndon I released Pte. Doig to "A" Coy. I wrote out release form which I have here for the Orderly Cpl. or Sgt. to sign for the live body and it was returned to me by one of the Regtl. Police. On 21st June 44 at about 1940 hours the Sgt-Major of "A" Coy came to detention saying that Pte. Doig would be returned to Detention under close arrest as there were other charges against him. I received him and locked him up in stall 4.

Q 20: At what time was the accused taken into c ustody at the Regtl. Guard Room?

A 20: I am not quite sure but it was on the 19th June 44.

Q 21: Was he held under close a rrest from the time he was taken into your charge?

A 21: He was, sir.

Cross-examined by Prosecuting Officer

Q 22: Why was Pte. Doig under close arrest when he returned to the Unit?

A 22: As far as I know he had other charges pending against him such as AWL.

Q 23: Did you see any evidence of t hese charges prior to 20th June 44?

A 23: No, Sir.

Address by Defending Officer

From the testimony of the two witnesses it is evident that the accused was held under close arrest from the time he arrived at No. 1 CIRU. It is also evident that the accused appeared before the first witness as a prisoner. Therefore the accused must have been held on charge. The first witness has stated that when the accused left his presence he was a free man. The accused has been held in close custody by the Military Authorities since his release from Civil Custody about 15th June 1944, therefore I submit that the prisoner was held under close arrest for absence without leave by virtue of the fact that no other charges have been laid against the accused and that when the accused appeared before the Commanding Officer and was allowed to leave his presence as a free man the Commanding Officer did in fact dispose of charge against the accused and such being the case I submit that the accused should not be subjected to a new trial.

Address by Prosecuting Officer

Sir, the plea in bar of trial has sought to establish that Pte. Doig has been dealt with in respect of a charge of absence without leave by the Commanding Officer. If I may refer to the record to insert the Commanding Officers own words into my remarks, being the reason why Pte. Doig was paraded before him:

"It is customary that when a soldier is released from Civil Prison or Detention he is interviewed by the Commanding Officer and that is the reason the accused appeared before me that morning--on interview only."

It is further established in subsequent testimony that up to 20th June the charges of AWL had not been brought against the accused. It is obvious from these facts that the Commanding Officer could not possibly have received Pte. Doig in respect of the present charge.. The Colonel's disposal of Pte. Doig was nt a release from the charges he now faces. And the disposal made in good faith cannot reasonably be construed as a disposal of the charge of AWL. I move therefore that the plea in bar of trial on grounds that the charge of AWL has been already dealt with by Pte. Doig's Commanding Officer be not allowed.

"JRT"

The Court is closed to consider the Plea.

The Court ovyerrule the plea and the Court is reopened.

The President informs the accused that his plea in bar of trial has been overruled by the Court.

The trial proceeds.

PLEA IN MITIGATION
(made by defending officer)

The accused has pleaded guilty to the charge of AWL therefore must be punished however before the Court fixes the sentence I would ask that they take the following points into consideration.

1. The accused has just completed a fairly long term in a civil prison for another offence during which time he has had ample time to consider the error of his ways. I do not feel that a long period of further detention would serve to make the accused more contrite.

2. He has experienced a bitter disappointment in that he felt, with some justification, that all charges against him had been dropped on being paraded to the C.O. and being informed that he was now a free man and in fact actually released from custody for one day.

PLEA OF MITTIGATION "DOMON"

The accused has pleaded guilty to charges of A.W.L. and being guilty must be punished, but in passing sentence on the accused, there are a few things which the court should bear in mind.

(1) The offence was committed when the Bn was in rest and not in action, the accused has seen previous service with the Bn in action apparently satisfactory.

(2) The conduct sheet of the accused, apparently his first mistake.

(3) His age 22, volunteered in 40, apparently his motives were above reproach.

In closing I would say, the court should remember in passing sentence, the accused previous satisfactory service, and why give him Penal Servitude or Detention for a long period, he is no good to his country there. I recommend leniency for the accused.

Plea of Mitigation Davis

The accused has pleaded Guilty to charges of A.W.L. and being Guilty must be punished. But in passing sentence on the accused, there are a few things which the court should bear in mind.

(1) The offense was committed when the Bn was in rest and not in action, the accused has seen previous service with the Bn in action apparently satisfactory

(2) The conduct sheet of the accused, apparently has first mistake.

(3) His age 22, volunteered in 40, apparently his motives were above reproach.

In closing I would say, the court should remember in passing sentence, the accused previous satisfactory service, and why give him Penal servitude or detention for a long period, he is no good to his country there. I recommend leniency for the accused.
