Q39 - When the members of the guard were posted did they know how long they were to stay on their posts?
A39 - Yes, sir.
Q40 - How long was Doiron to stay on?
A40 - Two hours from 1600 to 1800 hours.

R2M

Third witness for the prosecution, F-[illegible]172, Cpl. Meister, R.T., No. 2 Can. Inf. Holding Unit, being duly sworn, is examined by the prosecutor.

Q41 - You belong to the W.M.S.R. Company of No. 2 Can. Inf. Holding Unit?
A41 - Yes, sir.
Q42 - What duty were you engaged in on the 29th March, 1941?
A42 - Corporal of the quarter guard.
Q43 - Do you recognize the accused?
A43 - Yes, sir.
Q44 - What duty was he engaged on?
A44 - No. 4 Post.
Q45 - What hours was he there?
A45 - From the first shift on No. 4 Post; from 1000 hours to 1200 hours and from 1600 hours to 1800 hours.
Q46 - You posted Doiron to No. 4 Post at 1600 hours?
A46 - I did.
Q47 - When you left him at No. 4 Post were you quite sure he knew his duties?
A47 - Yes, sir.
Q48 - In particular, he knew how long he was to stay there?
A48 - Yes, sir, two hours.
Q49 - Had he been relieved in any way before 1630 hours?
A49 - No, sir, not that I know of.
Q50 - In the normal rote he wouldn't have been relieved until 1800 hours?
A50 - Yes, sir.
Q51 - And he wasn't relieved?
A51 - No, sir.

Cross-examination by the defending officer.

Q52 - How long have you known this man?
A52 - About eight months, sir.
Q53 - You have had him under you quite a while?
A53 - Yes, sir.
Q54 - What kind of a soldier was he?
A54 - A good soldier.
Q55 - A stickler for rules?
A55 - A good man, sir.
Q56 - Would you think Doiron would leave his post without a good reason or without advising the authorities?
A56 - I don't know why he left his post, sir.
Q57 - When you advised Doiron he was taking post from 1600 to 1800 hours did you notice anything wrong with him?
A57 - No, sir.
Q58 - Had he left the guard-house at any time during the day?
A58 - Probably. They leave to get washed and shaved and he might have gone out during that time.
Q59 - Do you know anything about the length of time he might be away?
A59 - No, sir, it is hard to keep track of them; a couple go at a time.
Q60 - Do you mean during his four hours time off?
A60 - Yes, sir.

Fourth witness for the prosecution, F-[illegible]01, Pte. Adams, J.P., No. 2 Can. Inf. Holding Unit, being duly sworn, is examined by the prosecutor.

Q61 - Will you tell the Court what duty you were engaged on on the 29th March, 1941?
A61 - I was a member of the quarter guard of that date, sir.
Q62 - During what period were you doing sentry duty?
A62 - I was appointed runner on that particular guard, sir; two hours on and two hours off.
Q63 - Did you have to take over as sentry?
A63 - I had to take over and take a man's place between two and four on the 29th. I believe it was the 29th.
Q64 - On the 29th did you have to take over at any other period?
A64 - Not that I remember, sir.
Prosecutor - I think, sir, again the summary must be read.
President - Yes. (Reads)
Q65 - Is that evidence correct, Adams?
A65 - I made a mistake in the times of the shift; it was from half past four to six o'clock.

Q66 - When you took over Post No. 4 was there any other sentry on duty?
A66 - No, sir.
Q67 - How long did you remain?
A67 - Until supper time and then I came back until the guard was changed.
Q68 - When was that?
A68 - Nearly six o'clock.

Cross-examination by the defending officer.

Q69 - Do you recognize the accused?
A69 - I have only known him since I came to this country.
Q70 - Have you soldiered with him since you have been in this country?
A70 - I couldn't say I have soldiered with him; I have seen him on the square.
Q71 - Was he in the same platoon?
A71 - No, sir.
Q72 - What kind of a soldier do you think he was?
A72 - From what I saw of him on and off the square, a good soldier.
Q73 - You were present all day in the guard-room, did you see him absent from there any length of time?
A73 - Not that I can remember, but I wasn't in all day because I was runner.
Q74 - You wouldn't be able to tell us if he had gone out or not?
A74 - He might have gone out without me knowing.

The case for the prosecution is closed.

Q75 - Do you apply to give evidence yourself as a witness?
A75 - Yes, sir.
Q76 - Do you intend to call any other witness in your defence?
A76 - Yes, sir.
Q77 - Is he a witness as to character only?
A77 - Yes, sir.

First witness for the defence, F-29667, Pte. Doiron, L., No. 2 Can. Inf. Holding Unit, being duly sworn, is examined by the defending officer.

Q78 - Will you tell us in a few words what happened on the 25th March, 1941?
A78 - I was a member of the quarter-guard and I thought my duty was from 1400 to 1800 hours and at dinner time I went down to the canteen, sir, and had a beer and so I came back at 1800 hours and was placed on guard at 1800 hours and I don't remember nothing about it. I left the post, by the way they say, and went to my billet and the orderly corporal found me in bed around 0030 hours. I didn't even know what I was arrested for and I asked what for and he didn't know. I found out the next morning, Sunday, that I was arrested for leaving my post without being properly relieved.

Cross-examination by the prosecutor.

Q79 - You have heard the charge read over to you, and the particulars. Do you agree that you had been posted?
A79 - I wouldn't say, but I understood that I took over the second beat and that left me from eight until ten, and from two to four.
Q80 - Were you actually on a sentry post from two to four?
A80 - No, sir, it's funny I had the second relief on the day of the 26th which would take me from eight to ten and from two to four.
Q81 - You don't actually deny that you were posted at 1800 hours; we are dealing with the period you were actually put in.
A81 - No, sir.
Q82 - The next part of the charge -- leaving your post without being regularly relieved -- do you deny that?
A82 - No, sir.

Re-examination by the defending officer.

Q83 - Do you admit it; do you admit being posted and being relieved?
A83 - I don't remember, sir.

RSM

econd witness for the defence, Capt. J. Coles, a/O.C. No. 2 Company, No. 2 dn. Inf. Holding Unit, being duly sworn, is examined by the defending officer

Q84 - Would you tell us in a few words what you know of the accused, Doiron?
A84 - I have known him since he enlisted and before that in private life, and since he has been with us he has always been a real good soldier but he seems to have the one bad failing of getting a drink of beer and going screwy. Since coming to England he has been trying very, very hard. He can be relied on and he is clean and smart and has just the one fault. He is rather to be pitied because if he only takes one drink he is away.

The prosecutor declines to cross-examine this witness.

Third witness for the defence, F-3024, Pte. Schofield, H., No. 2 Can. Inf. Holding Unit, being duly sworn, is examined by the defending officer.

Q85 - Will you tell us what you know, in a few words, of Pte. Doiron.
A85 - I haven't known him very long and I have heard a lot of the boys talking about him in camp and they all liked him and I have thought the same too. I have heard the sergeant say, lots of times, that he liked him too.

The prosecutor declines to cross-examine this witness.

Closing address by the prosecutor.

All I wish to say is that the particulars in the charge have been proved one by one and that at 1600 hours Doiron was posted as a sentry and we have proved the day and we have proved he was posted at No. 4 Post and that he left that post and it is proved by Sgt. Taylor that when he visited the post half an hour later Doiron was not there and when the succeeding man arrived Doiron was not there. Without being regularly relieved has been proved. In addition there is Doiron's statement that he doesn't deny. There is a suggestion that Doiron was been a good soldier and that he might not have been in good condition. The evidence that he has been a good soldier I am not going to contest. I am merely concerned with proving the facts.

Closing address by the defending officer.

The defence can't say very much on what has been proven. We can't disprove the fact that Doiron was not found at his post on March 29th, 1941, and you have the testimony of witnesses as to the character of the accused and you have heard, further, the testimony of Capt. Coles stating that if the accused ever touches so much as one glass of beer he goes screwy and in so doing loses his sense of direction. The accused himself admits that he did take a couple of glasses of beer so that when he returned to the guard-house and sat down and when he was posted on guard duty he does not remember it. From the character of the man we can say that there seems to be one great drawback and that is liquor and he assures us he has taken a last drink for a long time. He has served in the Canadian Army, both N.P.A.M. and C.A.S.F. I understand for sixteen years, so that unless his character really was bad he would not have stayed that long with an almost clean crime sheet with exceptions of minor conduct offences all of which, when finding the cause of same, are due to liquor. It is very difficult to admit that a man posted on duty to stay there for two hours, if he doesn't know he has been posted, can possibly leave that post without knowing. In the first place he didn't know he was there.

The Court is closed for the consideration of the finding.

Lieut. Malcolm MacPherson, No. 2 Can. Inf. Holding Unit, is duly sworn.

Q86 - Have you any evidence to produce as to the character and particulars of service of the accused?
A86 - A.F.H. 296 and N.F.M. C.
Q87 - Is the accused the person named in the statement which you have heard read?
A87 - Yes, sir.
Q88 - Have you compared the contents of the above statement with the regimental books?
A88 - Yes, sir.

ROA

89 - Are they true extracts from the regimental books, and is the statement of entries in the conduct sheets a fair and true summary of those entries?
89 - Yes, sir.

The accused declines to cross-examine.

90 - Do you wish to address the Court?
90 - No, sir.

The Court is closed for the consideration of the sentence.

Answer. The ~~accused~~ in mitigation of punishment says:—

~~(or hands in a written statement, which is read, marked , signed by the President, and attached to the proceedings.)~~

The accused Dorion L.J. has been known to me since before war broke out and I am well acquainted with him and his family. For the holding that he was in some trouble and came to me for advice regarding family troubles. It seemed to help him and he went straight. He also had word that his wife had died in Canada. He became a good soldier so keen otherwise until the debit in his pay book came down from $300 to $50. I had a chat with him at the regiment and he told me that he was greatly worried about his children. He has five children the mother and father were aged and disabled. They had a hard job to take care of the children. Shortly afterwards he received word from Canada that two little girls and daughter had died. From then on he went himself

And was drinking quite heavily. At the time of the theft of the watch he was under the influence of alcohol and went A.W.O.L. After he had been apprehended, he came back and voluntarily made a clean breast of things and signed a confession. He realized his mistake, that he wasn't helping his children any and decided to face the music. In my opinion, this soldier has had more than his share of sorrow and hard luck. I would like to ask the Court to consider these things on behalf of this soldier in the mitigation of sentence. I would also like to say that the accused has been under close arrest from 23 Jan. 43 to the present time

Do you wish to give evidence yourself or to call any witnesses as to character? N.D.

President Court Martial.

Sir.

I desire it is quite in order to enter a plea of not guilty in a charge of a.w.o.l. providing there is provocation and extenuating circumstances. If this is in correct procedure with Rules of procedure for court martial I hereby enter my plea of Not Guilty

The court I feel I hope realize the unfortunate state of affairs at My Mothers home.

When I joined the Army 12/3/40 I was told that My Mother would receive dependents allowance and to the present day she has not received anything except My $20.00 which was also cut off for a period of 4 months.

The reply I received after about two months in the Army in regard to her allowance was that she was married and her husband was living therefore he was to support her and on this reason was disallowed allowance for her.

I would like to explain to the Court that my step father did not support our family for a period of 4½ years before the War. And that we have never had any direct communication with him since that time.

I have one older Brother but he also is of no help to my Mother being semi Bed ridden for about 2 years.

My Mother has had to do the best she could for the family for years. But from correspondance received lately

Things are becoming very hard for her she is very badly in debt. and were it not for the kindness of a man for whom she used to work. She would be out on the street.

I tender this letter to the Court for consideration and to prove my statement to be correct.

I have on various occasions gone to the pay masters where ever we happened to be stationed at different times. Trying to see if they could help me.

Each time I received the same answer That they could do nothing in the allowance question Canada disallowed the dependance allowance they could not start it.

each time I received the information it did not help the state of my mind it became a great worry

This was explained at a Court-martial I was given in Jan. of 1942. for 4½ days absent for which I received 60 days detention I realize that we must pay for our crimes. But I wish to explain to the Court that a great crime is being comitted in the case of my mother who is very badly in need of help.

My mother who gave up many things in her life that we children should have what little things she could give us

The woman who looked after me when I was too small to look after myself and who has made possible the fact that I am here to fight against the persecution

which is slowly closing in the Countries taken now by the enemy yet she while willing to sacrifice me in in the same position her self she is not strong enough to continue this work much longer.

I must beg the court to except the Truth that Blood is thicker than Water. And that it is impossible for me to be 100% efficient while the one person in the world I Must stand by is forced to continue under such circumstances as exist with her to day.

It is my duty to try and repay her in full for her devoted duty to me when a child.

My record in the Army is not really what one could classify as being terrible.

One ~~soldier~~ has the usual sum of misdemeanours - some are ~~poor~~ lucky enough to get away with things other are not.

My longest period of ~~arrest~~ was 15 days. I do not consider this is so awful bad under the circumstances of my worried mind.

In closing may I ask the court to try and realize what this means to me. It is very trying I try to keep going doing the duty that is expected of me by the army but it is hard to take.

Will the court kindly understand that it is most new year it is harder to bear than any other time of the year. It got me. My court martial last year

it has again the same pressure it had then with all the joy & the spirit going around at this time of year. And I speak of My Mother with God knows what for as she has in the house for food and Clothing & I simply seem to go Berserk Surely, I know are understanding can wholly condemn me for my unrealizing actions.

I beg the court to weigh the Mental strain and punishment. inwardly I have suffered inwardly before passing judgement on me

Summary of evidence in the case of G17867, Pte Doiron, M.J., Carleton & York Regiment, Canadian Army (Overseas).

By direction of the Commanding Officer the summary is taken on oath.

First Witness for Prosecution

G17758, L/Sjt Coates, K., HQ Coy, Carleton & York Regt., having been duly sworn states as follows:-

I am and was at all times material hereto a lance-serjeant in the Carleton & York Regiment. I was company orderly serjeant for the period from 27 Dec 41 until 3 Jan 42. On 31 Dec 41 Pte Doiron was awarded 7 days C.B. by the company commander. At 1730 hrs that night I warned Pte Doiron that he was to scrub out the transport office starting at 1800 hrs. When I went to the transport office at about 1805 hrs he had not reported there. At 2215 hrs Pte Doiron had not yet appeared at the transport office, nor was he in his platoon room at that time. During the evening between 1800 hrs and 2215 hrs I went all through the building which houses the company and I could find no trace of Pte Doiron. He was reported absent to me as orderly serjeant every night I held that position, that is, until the night of 2 Jan 42.

G Coates

Accused declines to cross-examine the witness.

Accused having been duly cautioned in accordance with Rule of Procedure 4 E elected not to make a statement.

Certified that Rule of Procedure 4 (C)(D)(E)(F) and (G) have been complied with.

Taken down by me in the presence and hearing of the accused this seventh day of January 1942 in the field.

STATEMENT IN MITIGATION OF SENTENCE SUBMITTED ON BEHALF OF THE

ACCUSED B-[illegible] PTE DOIRON V.

The accused is aged 30, married and has one child aged four. His civilian occupation was driving and various other jobs. His last employment being at Fort Power & Paper Mills. He enlisted on the 11th of February 1941 and came to England on the 10 October 1942. The accused was never A. .L. in England or since coming to France. He came to France with the battalion and has served continuously since that time the Regt.

According to his company commander (The defending officer) his character as a soldier was beyond reproach except that since coming to France he has had a tendency to drink intoxicating liquor to a much greater than before. As a north country man in civilian life he was a hard drinker but stayed out of trouble in the army until the stress of action made him less able to control his drinking.

The accused went A. .L. while the Bn was in a rest area in Vechelen. According to his own story he got drunk and before he realized it the Bn had gone. He then decided he was in trouble and would get court martialled anyway so went to Antwerp and was apprehended by the C.P.C. there. He had no intention of going A. .L. but unfortunatly got drunk at a time when the Regt was ready to move and from then on he was more or less a victim of circumstances and his own befriended mind.

His company commander states that in action he was nervous and high strung but could be always counted on to do his job and do it well. In fact as long as he was busy in action he was not nervous or at least didnt show it. It is understandable in a man of that type, with his background that he would turn to drink once action was over and the Bn was resting. It was his way of releasing his nervous energy. In fact it is rather to his credit that he stood out so well for so long under those circumstances. By the same token it was his misfortune to have fallen into trouble as an unlucky time. He would not go A. .L. willingly but once drunk he was no longer responsible for his actions. By the time he had sobered up it was too late.

STATEMENT IN MITIGATION OF SENTENCE SUBMITTED ON BEHALF OF THE

ACCUSED B-55456 PTE DOIRON V.

The accused is aged 30, married and has one child aged four. His civilian occupation was driving and various other jobs. His last employment being Abitibi Power & Paper Mills. He enlisted on the 13th of February 1941 and came to England on the 10 October 1942. The accused was never A.W.L. in England or since coming to France. He came to France with the battalion and has served continuously since that time the Regt.

According to his company commander (The defending officer) his character as a soldier was beyond reproach except that since coming to france he has had a tendency to drink intoxicating liquor to a much greater than before. As a north country man in civilian life he was a hard drinker but stayed out of trouble in the army until the stress of action ma e him less able to control his drinking.

The accused went A.W.L. while the Bn was in a rest area in Mechelen. According to his own story he got drunk and before he realized it the Bn had gone. He then decided he was in trouble and would get court martialled anyway so went to Antwerp and was apprehended by the C.P.C. there. He had no intention of going A.W.L. but unfortunatily got drunk at a time when the Regt was ready to move and from then on he was more or less a victim of circumstances and his own befriddled mind.

His company commander states that in action he was nervous and high strung but could be always counted on to do his job and do it well. In fact as long as he was busy in action he was not nervous or at least didnt show it. It is understandable in a man of that type, with his background that he would turn to drink once action was over and the Bn was resting. It was his way of releasing his nervous energy. In fact it is rather to his credit that he stood out so well for so long under those circumstances. By the same token it was his misfortune to have fallen into trouble as an unlucky time. He would not go A.W.L. willingly but once drunk he was no longer responsible for his actions, by the time he had sobered up it was too late.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s) and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s) or call witnesses as to character and make an address in mitigation of punishment.(2)

(1. *RP 35 fn 3.* 2. *MML p 54 para 47.*)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s). In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(3)

President to accused: Do you wish to make a statement? Ans. No.(3)

(1. *Court may be cleared to consider this statement. Delete whole or part not used.*)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)

(1. *RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex C, initialled and read aloud by the President.(1)

(1. *If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by one of paras D1 to D8 inclusive of Record Form D on p 3. Statement in mitigation of sentence submitted on behalf of the accused B55456 Pte Dorion V.

The accused is aged 30, married and has one child aged four. His civilian occupation was driving and of various other jobs his last employed being Electric Power & Pylon Stalks. He enlisted on the 13th of February 1941 and came to England on the 10th October 1942. The accused was never A.W.L. in England or absent from coming to Unit. He came to France with the battalion and has served continuously since that time with the Regt.

According to his Company commander (the defending Officer) his character as a soldier was beyond reproach except that since coming to France he has had a tendency to drink intoxicating liquor to a much greater extent than before. As a quiet country man in civilian life he was a hard drinker but stayed out of trouble in the army until the stress of action made him less able to control his drinking.

The accused went A.W.L. while the Bn. was in a rest area in Rochelen. According to his own story he got drunk and before he realized it the Bn. had gone. He then decided he was in trouble and would get court martialled anyway so went to Antwerp and was apprehended by the C.P.C. there. He had no intention of going A.W.L. but unfortunately got drunk at a time when the Regt was ready to move and from then on he was more or less a victim of circumstances and his own befuddled mind.

His company commander states that in action he was nervous and high strung but could be always counted on to do his job and do it well. In fact as long as he was busy in action he was not nervous or at least did not show it. It is understandable in a man of this type, with his background that he would turn to drink once action was over and the Bn was resting. It was his way of releasing his nervous energy. In fact it is rather to his credit that he stuck out as well for so long under those circumstances. By the same token it was his misfortune to have fallen into trouble at the unlucky time. He would not go A.W.L. willingly but once drunk he was no longer responsible for his actions; by the time he had sobered up he was in it was too late.

Dear Sir,

Re:- Alec DOLAN. No.B.7837).

As requested by Staff Sergeant CHESTER, I attach for your information a copy of report relative to the surrender of the above mentioned member of your Regiment, which is self explanatory. I do not propose to arrest him unless he refuses to surrender under the National Registration and Identity Regulations of 1941, as I should be obliged if you will take such action as you deem necessary.

It will be noted that the question of the "harbouring" of this man by Mrs. WILLIAMS is under investigation, and I should be grateful therefore, if you would inform me of the result of the action taken by you against DOLAN in due course.

Report of Constable No.402. R.J.HURLEY.

Re No.B.72975. Alec DOLAN of 48th Highlanders of Canada.

Sir,

I beg to report that on the 29th October, 1942, it was ascertained that there was a man giving the name "George Albert WILLIAMS", a woman purporting to be his wife and two children staying at No.4, Highfield Villas, ILFRACOMBE. The man was not in any employment and with a view to checking the identity of these people, Constable 315, HOOPER interviewed them on the 31st October, 1942. The man "Williams" now known to be DOLAN produced Identity Card no. EMGC. 98/1 in the name of George A.WILLIAMS of 59, Pier Road, LITTLE-HAMPTON, whilst the woman produced Identity Card No.EMGC.98/2 giving her name as Vera WILLIAMS.

In order to verify the documents produced, the Police at Littlehampton were communicated with, when it was ascertained that George Albert WILLIAMS holder of NRIC. No. EMGC. 98/1 was still at Littlehampton, but that his wife and two children had left him. It appears that their domestic life had been unsatisfactory for the past few years.

In view of this information it was obvious that the individual staying at 4, Highfield Villas, was using the Identity Card of WILLIAMS, but before this information was received they had left Ilfracombe. Further enquiries were made and it was found that they had moved to Barnstaple, and were subsequently located today at No.18, Summerland Street.

I called at this address at 8.30.pm. today where I interviewed the man who had given his name as WILLIAMS at Ilfracombe. I informed him of my identity and requested him to produce the Identity Card he had shown to the Police at Ilfracombe. He produced this card from his pocket together with the cards of Mrs.Williams and the two children. I told him that I had reason to believe that the card produced in the name of George A.WILLIAMS was not his own. He said," I may as well tell you the truth, I am a deserter from the Canadian forces." He gave his name as Alec DOLAN No.B.72975 of 48th Highlanders of Canada, and stated that he had been absent from his Unit since August of this year. I invited him to accompany me to this Station where I told him that it was proposed to surrender him to his Service authority. He expressed his willingness to be so handed over.

At 10.30.pm. this day I telephoned the A.P.M. office, 8, Cockspur Street, LONDON. (Telephone Abbey 9090) and acquainted Staff Sergeant CHESTER with the above facts. This officer informed me that DOLAN had been absent from his Unit since 9-8-42, and that he would make arrangements for an escort to be sent for him tomorrow, which should arrive at about 12 noon, and requested that a report of the circumstances of the case be handed to the escort for the information of the Officer Commanding, 48th Highlander Regt.

DOLAN was wearing civilian clothes at the time of his surrender, but his uniform is deposited at the

P.T.O.

at the Office of the Southern National Omnibus Company and arrangements have been made to collect it.

DOLAND had the following property in his possession :-

Cash 2/7d. pocket knife, comb, key, mascot torch battery and tie pin. (He states that his AB.64 and other papers were left with his Regiment.)

It appears that DOLAN has known Mrs.WILLIAMS for about 12 months and during the past few months they have been living together as man and wife. Mrs.Williams is being interviewed regarding the "harbouring" of DOLAN and this will be the subject of a separate report.

I respectfully suggest that a copy of this report be handed to the escort for the information of the Officer Commanding, 48th Highland Regt.

Regarding DOLAN's stay at No.4,Highfield Villas, ILFRACOMBE. As previously indicated he was using the name WILLIAMS and signed the Hotel Registration Form AR-E in the name of "W.Williams". I questioned him on this matter and he elected to make a written statement of explanation which is attached.

In this statement he relates that he came to Ilfracombe on the 1st September last and stayed with Mrs. Williams. He met her about 12 months ago and they became friendly. Mrs.Williams gave him a number of Identity Cards- her own, those of her children and her husband's. He states that Mrs.Williams did not give him her husband's card to use it was with the rest for him to look after. He produced this card to the Police at Ilfracombe because he did not have one of his own and he used the name "Williams" on the form AR-E for the sake of Mrs.Williams and the children by posing as her husband.

Alec DOLAN, States:-

I am a Private No.B.72973 of the 48th Highlanders of Canada. I came to this country approximately 3 years ago.

I have been told that enquiries are being made concerning a Form AR-E signed "G.Williams" and which has now been shown to me. I have been told that I need not say anything about this unless I wish to and what I do say will be taken down in writing and may be given in evidence.

A. Dolan

I came to Ilfracombe on the 1st September,1942, and stayed at No.4,Highfield Villas, with Mrs.Williams. I met Mrs.Williams about 12 months ago and we became friendly. She gave me a number of Identity Cards, her own and those of her two children and also one in the name of George Williams. She gave me these to look after and on last Friday or Saturday I was asked by a policeman to produce my Identity Card, and as I did not have one of my own I produced the one in the name of George Williams. I used this name also on the Form AR-E and I used this name for the sake of Mrs. Williams and the children and posed as her husband. Mrs. Williams did not give me the Identity Card to use, it was just given to me with the rest of them to look after. The Form AR-E which has been shown to me was signed by me in the name of G.Williams . I understand Mrs.Williams has had a very hard life and was unhappy with her husband. This statement has been read to me and is true.

STATEMENT BY DEFENCE

The accused, L/Cpl. Dolan enlisted in the Active Forces at the outbreak of war. He enlisted with the 1st ~~XXXX~~ Div Sup Coy, and came overseas with them. Subsequently transfered to the Can Provost Copps. On the 2 May 43, the section to which accused was attached was sent out on scheme, "Curly Kale", lasted about 10 days. After arriving back at the company, he was transfered to another section of the Provost Corps and sent out on another scheme. In the north of England, he was injured and sent the No 8 York Military Hospital with a chipped ankle bone. Subsequently, ~~X~~ York Military Hospital cleared out all Cdns due to overcrowded conditions and instead of being sent to the R.U., he was returned direct to his Unit in company with an orderly from No 8 York Military Hospital. The accused was given light duty when brought back to the unit, 19 May 43. On 24 May 43, he paraded to the M.O. and asked for excused duty, so as to be able to return for a pass. His application was refused and after staying around camp, doing practically nothing or nothing at all, he made the mistake, which he admits, of going A.W.L. During the time that L/Cpl. Dolan has been serving in this country, he married an English girl and has two children. His reason for going A.W.L. was for the intention of going to visit his wife and family to see if they were all right as he worried a great deal about them during the time on scheme, and had also received anxious letters from his wife concerning his injuries. The accused went to his home, saw that his wife and family were O.K. and returned to his unit, surrendering himself.

Plea in Mitigation by Defending Offr. E 3 "TDJ"

X Coy - Char. Witness.
- Not available.

Pte Dolan has been in army over 2 yrs (3 mos) His record - England was good. He was in North Africa 4 mos.
Landed - Italy 1 March 44 and joined Reg't 1 April 44. Fought at Ortona Gustav Line Hitler Line and Gothic line. At Rimini ridge his Coy Cmdr. Kept him in Coy H.Q. because his nervous system had got beyond his control due to so much hard fighting. He then rejoined his platoon but the attitude of his N.C.O's. toward him changed from that time on. They inferred by numerous small incidents that Pte Dolan was not a brave soldier but his record of fighting in Italy plainly shows that he is the type of man desired at the front. This attitude of his NCO's preyed on his mind and he went AWL. Pte Dolan wants to return to the front, with another Bn if possible to carry on the job he was formely doing.

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. The accused, sworn, states:-

I was sent to HMTU to go back to CANADA. I got a pass to visit my mother and sisters in SCOTLAND. On the fifth day of my pass I returned to London to visit some friends on the way back. I stayed with my friends for two days. I was going to come back on the 22nd. That was before my pass was up. I was walking down Grey-Portland St, accompanied by my friend. I don't exactly know; I felt a shock. My recollection after that shock was that I found myself in a taxi, being taken to a doctor. When I got to the doctor, I was feeling a little better. He examined me and he said that, although I had been struck, I had no serious injury; he said that it was only superficial and shock. Nevertheless, he told me I should not travel and he gave me this certificate., which I saw him write out

DEF OFFR TO THE COURT

I tender this certificate as an exhibit.

PROS OFFR

I have no objection.

The accused addsi-

Another telegram was sent saying that the doctor had advised me not to travel. I was going down the street to do some shopping when I felt kind of ill and shocking and I started for a coffee shop to get a cup of tea. Well, I don't remember if I got to the coffe shop or not. The next thing I know is that I was lying on a couch. There was an

Dft

elderly lady there and the next question she asked me was how I was feeling now. She said, "You young fellows are drinking too much!". I asked her what I was doing there and she said her husband had found me on the pavement the night before and that they had let me sleep there. She asked me if I would like to have some breakfast. I was very surprized because I thought it was evening. She asked me if I wanted the paper. The paper said Dec 2. I remembered that well enough. I don't know what happened in those ten days. I looked out of the window and I saw that I was in an entirely strange district. I did not know the people. I felt kind of ashamed and went out of the house and started to wander around. I was so excited, I didn't even find out the name or address of the people that had picked me up. I was so excited. I was worrying about the ten days. I didn't know what to do. I thought I'd find a place to sit down and think it over. I went to another friend that I had not seen for some time. When I got there I did not like to tell him that I was AWL, so I just said that I was on pass and that I had a few days off and he told me I was welcome to stay. I stayed there for a few days, Sir. All the time I was thinking about what I should do and every time I put to go back to camp. I felt that no one would believe me; I didn't believe it myself. The more I thought the worse I felt. I had been in Reading both before and the thought of going back there again was too much for me. The more I thought of coming back to camp, the worse I felt. I decided that if I did come back they would send me there. I could not come back. I decided to stay and take a chance. The people where I lived knew that I had been born in Scotland. I told them I had been discharged from the Army and was awaiting for my money to come through and asked them to rent me a room. They rented me a room alright; everything went fine. I don't know why they did not ask me anything but they did not. I decided every day that I would go back "to-morrow". I kept away and I kept away and eventually, I was at home one night. The lady in the house was very ill. She was suffering from haemorrhage and there were people looking after her. It must have been about two o'clock in the morning and they thought there was a burglar in the district as the police were around. They were making enquiries around. I don't know - but I made up my mind. I went and explained everything to the people and told them I was going to turn myself in and I did so, Sir. I turned myself in to the policeman there.

Q. Why were you at RUTOT?
A. I was going to Canada.

Q. Are you married?
A. Yes, Sir.

Q. There is no trouble with you and your wife?
A. No, Sir.

Q. How did you feel about going back home?
A. I felt fine, Sir; I was going home for my fifth anniversary.

CROSS-EXAMINATION BY THE COURT

Q. You tell the Court that on the afternoon of the second day after you had been hit by some vehicle that you were going down the street to make some purchases before going back to camp. Had you been drinking that day?
A. I had had nothing to drink for those two days, Sir.

QUESTIONED BY THE PRESIDENT

Q. You stated that you awoke in a house of an elderly couple that you don't know, and that that house was somewhere in the north end of London?
A. Yes, Sir.

Q. Where were you when you were going to have a cup of tea?
A. I was on Great Titchfield, Sir, in the West End.

Q. How did you feel yourself when you awoke in this house?
A. I felt confused with a slight headache.

Q. You went to stay with some friends and you told them that you had been discharged from the Army?
A. I did, Sir.

Q. Why?
A. Well, Sir, they know that I am Scotch and I have known them for some years and that I had been categorized B-6. You see my mother and sisters are over here and I am more or less responsible for their welfare. They thought that if I wouldn't be discharged in this country I could not get them back to Canada. I was trying to get them back to Canada as I could not do it while in Canada.

Q. Did you think at the time you told them that that they could find out it was not true?
A. I don't know, Sir.

Q. Did you intend to return to camp at the time you said you had been discharged from the Army?
A. I just told them that so that they wouldn't think I was absent.

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO CAUTION ACCUSED (R).

SECOND WITNESS

Capt R.D. AUSTIN, Att 1 CDN REPAT DEP, sworn, states:-

Q. What is your position in 1 Cdn Repat Dep?
A. I'm attached here as PRO.

Q. With your experience and studies, could you tell the Court what the effects of an accident happening to a man would be?
A. Well, I don't know.

Accused

Q. Evidence has been given to this Court that the accused was injured in a traffic accident. He was taken unconscious in a cab and to a doctor. Before he arrived at the doctor's place, he recovered consciousness. The doctor examined him and found no fractures and that his injuries were only superficial and that he had only suffered from shock and advised him not to travel for forty-eight hours. Can you state, the effect of such a shock might have on the man?

A. As far as I can make out from the picture you just gave me, the patient had seen the doctor who diagnosed the shock, and brain concussion is not mentioned. Of course, I admit that they should keep such patients under observation for forty-eight hours before making a complete diagnosis. The only diagnosis in this case is the shock, but without keeping them for forty-eight hours under observation they cannot make a proper diagnosis. I don't want to commit myself with regard to this man. It is quite possible that a man meeting with a traffic accident could suffer with amnesia but no doctor will diagnose amnesia unless he keeps the man under observation so as to make sure that it is genuine. This case would not be diagnosed by an ordinary doctor unless there is brain concussion not only shock.

Q. Is brain concussion diagnosed at first?
A. No, the patient has to be put under observation. Being mental cases, they have to be checked and rechecked. It is mostly mental confusion.

Q. The doctor cannot diagnose a case in which the patient has been under observation just for an afternoon?
A. No, Sir.

Q. Can such a shock affect the mind of a man?
A. It is the result. It will even with normal people according to their stability. There are many factors involved.

Q. If the man who suffered from shock is an S-5, would it be more severe and continuous than it would be for a normal person, as far as amnesia is concerned?
A. Yes, if there is brain concussion. That is only my opinion.

CROSS-EXAMINED

Q. If a man had brain concussion due to an accident, would that have any effect on him later on, say a period of months afterwards. Would he have the signs?
A. Yes and no. With most cases of brain concussion, the patients will come out of it but the psychiatrists will diagnose that it might recur in the form of mental trouble. Further, as you know, this is the great "puzzle" of medicine - mental diseases and brain trouble - we have yet a lot to learn about it. With skull fractures, we reserve a prognostic; this means to say because we don't know.

Q. A man who is an S-5 and is not very stable, if he gets a brain concussion, resulting from an accident, can that affect his clear mind?
A. Yes, it might, if you assume that he has been suffering from brain concussion. I am not saying it does.

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO COMPLY WITH RP 83 (3).

ADDRESS BY THE DEFENDING OFFICER ON THE FINDINGS

First of all, the twelve days. We have the evidence of Dolan which has in no way been contradicted by the prosecutor that he was in no condition to come back to camp. For his first forty-eight hours, he had a medical certificate to the effect that was not to travel during forty-eight hrs. He then comes this question of amnesia. He has stated under oath that he absolutely does not remember what happened during those ten days and that it was not due to drunkenness. The DC said that it is possible that such a thing could happen especially with brain concussion. In this case, we have no definite evidence of brain concussion but we have the circumstances which clearly indicate that there was brain concussion because it is the only way to explain that amnesia plus the traffic accident. I submit that this is a case of what we call "force majeure" for those twelve days. Now let us try to figure out those sixty-nine days. The question the Court will have to answer is "Can fear combined with an unstable mind plus a traffic accident have effected this man's mind to such an extent that he could be considered responsible?". I submit that there is possibility to that effect for which I still have the evidence of the DC who said that that is possible. There is also the fact that the accused was scheduled to go home shortly and that he was looking forward to meeting his wife and celebrating his fifth anniversary of wedding. I can't think a man who is in his own mind would have what he did. Although the Court should remember the fact that the accused had an S-5 and that, combined with that accident, could have produced almost anything and in the case of the accused, benefit must be given to the accused.

ADDRESS BY THE PROSECUTING OFFICER ON THE FINDINGS

The evidence is clear and I leave the matter to the Court.

CASE OF

D-1 A.[illegible] Private DOLAN, JJ 1 CMP REPAT DEPOT
(Horns Scots)

The accused, sworn, states:-

My counsel has advised me to tell you exactly how I came to be categorized B-6. I don't know how the doctor came to the conclusion. It dates back to the time when my father and mother got married. They had different religion, my mother was Protestant and my father was RC. My mother had a child before she was married to my father, an illegitimate one. My father took responsibility for the child. That child was not me. Things went on smoothly until I was six years old. My younger brother had been born and my father decided to go to America to make money and make his home there., where most of his relatives were. My Army age is at nearly 28 but I was born in 1921, so I am only 23. My mother, my younger brother and myself went to the north of Scotland where my grand-mother lived, and we stayed there 2½ years, while my father was making himself a home. My oldest sister, the illegitimate child was there. In the north of Scotland, where most people were Protestant, we were instilled in the Protestant religion. In 1928, or early 1929, we got word from my father that everything was already and that he had arranged for our passports to come out to the USA. With the exception of my oldest sister who chose to remain with my mother's people in Glasgow, Scotland, we all went to live in America. The first couple of years there were very happy and contented until 1932 when the youngest sister was born; trouble seemed to start about that. My mother was Protestant and, perhaps she was at fault trying to make a Protestant of me while we were in Scotland because while I was in the States, living with my father's people, they, being strong RC, I had to go to a Catholic school. I did so for over 4½ years. My father was in the last war for better than four years. He was wounded three times, one of the wounds was a wound on the forehead. I cannot explain what part of the skull that is. He had a tendency not to wear his but in the extreme heat of the summer. He could not stand his drinks very much. When my father drank, it was not for one day or two days, it was for three weeks or more. It was the only time in the year that he would drink for one session. But was enough to make it very miserable for my mother. Between disputes and whether to abstain drink, whether he should not drink, religious arguments between my father's people and mother, strange environment to my brother, sisters and myself, things just didn't seem to be going too well. Troubles always pile on top on troubles. In 1934, my young brother died of appendicatomic operation. My father was genuinely felt that he was to blame for this began to worry and brood until he could not stay away from drinks any longer. Well, he drank for a couple of weeks and he went to the hospital. He fought pneumonia and died. This was in 1934 and nearly 1935. My mother who had been advised to return to Scotland did so accompanied by my younger sisters and myself. I went to Highschool in Scotland; I believe it is called secondary school, sir, for two years. At any rate I came out of school with qualifications. I tried several jobs; marine engineering was what I wanted to do - the pay was 10 a week. It did not help my mother very much. Most of the money that she had had was gone in costly hops from America and setting up a home in Scotland. In despair, I joined the Merchant Navy. I worked in the Merchant Navy for over a year, finding myself very little ahead at the end of that time. The next thing I did was to come back to the States. I did so illegally by simply remaining on shore in New York when ship docked. I was 18 at this time, my idea was to bring my mother(the) and sisters out there. It was not very nice as I was kicked about from pillar to posts for three years. I had been in Canada several times and when the war broke out I was in Detroit. I joined the Can Army on 2 Sep 39. I was married in Jan 40. On Mar 7, 40, I landed in England with the Essex Scottish. I was a Cpl at this time and I had a pal named Pat Hurley in my section. Late in that year, one morning, at 8 o'clock, he committed suicide in the bg room. I was the only one

that saw anything at all of what happened although the room was reasonably crowded. As I happened to turn around, the shot was fired; I saw him fall with the rifle in his hand. I sat with Pat for fifteen minutes. The shot had penetrated right at the centre of his forehead. The doctor came and looked at him and shook his head. In fifteen minutes the man had died. I thought that I had forgotten it when in 1941, it was recalled to my mind by another suicide. A Sgt of my unit committed suicide. Approximately a month later, I was reduced to the rank of Tpte. Following my duties, I was on guard one night on an ammn dump. While I was standing there, I don't know what I was thinking, about but maybe if he was a brave man or a coward. It never entered my head to commit suicide when I suddenly found I had the rifle in my hand and it seemed as if some force from outside had put it there. I pushed the rifle into my hands; it was loaded and took off the magazine, and put it in my pocket. I walked up and down and did everything to take that off my mind. A few yards from there was another sentry. I called him. He came up to me. I had to speak to him. Somehow I had to tell him something else as I couldn't tell him that. So, I told him I had heard something. When I went for my tour, there was a Cpl in charge of the guard. I told him about this as he was much older than I was, 31. He was inclined to take a view that at a certain time in a man's life, some thought of suicide creeped in. He added that "to-morrow, you won't feel it". The only other person I could confide in was my best friend, now WO of the Essex Scottish, Dickson was the name. He is a very peculiar type of a person, Sir. He did not think much of it, Sir. Until 42, I never felt well and safe. I could do nothing about it. I was a bren-gunner. I fired 100 of rounds. Yet I couldn't sleep with a rifle. It upset me. When there was ammn near me I couldn't sleep. I had to get away. I told one person why I was going. He did not believe that I was going AWL. He came withme. Six days later we returned. I got an exceptionallyhard sentence. I never brought it up. Maybe I should not think that I am any different from anyone else. I didn't like to be ridiculed in front of women. I went away again and in time I was court-martialled and I got a heavy sentence. I kept my trouble to myself, Sir. They would never let me see a psychiatrist. In as I went to a battle school. I tried everything. I slept with grenades and rifles near me. Dickson and Donaldson were with me. Then I did get to sleep I was alright till morning. On to after I finished a weapon course, I went to a weapon boy. I was in charge of the coy. I gave up that job to be an instructor for battle drill again. I transferred to the patrooops. All this time, Sir, I was fighting this on my own. Finally this got the better of me. I went back to the Merchant Navy. I was AWL at the time in Mar 44 and when I returned to my bn, I asked to see the psychiatrist. My Det Offr, who had been with the same unit as myself and transferred with me, got in touch with a psychiatrist who examined me and gave out a report which, been filed. (has)

The result was that I got six months detn and I was sent here to [illegible]. The rest you already know. Now I am away from weapons, I don't seem to be troubled. When I was driving in the back of a truck I had to go in front of the trunk because I was afraid I would jump out if I were at the back.

Why did you understate your age?

When I was in America I jumped ships with another chap who was a year or so older than I was. I looked older than I was. I knew that a boy of 18 would make $10 a week whereas a man of 20 would make $20 a week. I took a chance and gave this false age. I got a National Security Card and I carried out that age on when I enlisted.

Why were you sent to NLTD?
When I was sent to NLTD I thought I was going back to Canada. I sent an air mail letter to my wife who is a nurse in Seattle, telling her to come back to Windsor and telling her to fix our home up for Christmas. She stopped writing because she expected me to be home by Christmas. She wanted my kid sister there three years ago. I don't know if the Army has notified her and myself I have been too ashame to write her.

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO COMPLY WITH RP 68 (B).

PLEA IN MITIGATION OR EXTENUATION

In my opinion, gentlemen, the accused has a good history on the stability point of view and I think his case is much more a medical case than I would say punishment or things like that. You have heard him and you have seen him. It seems out quite clearly what his condition really is. I think that a stay in cain would not help him at all and would make him worse and would do the Army no good in the meanwhile, if he is kept in detn. If it is possible, I would like the Court to recommend his immediate discharge. I think that would be the best solution.

Psychiatric Report

A-21514 Pte. DOLAN, J.J. 1st Can. Para.Trng. Coy.

Problem:

Referred at his own request for psychiatric opinion. He is pending court-martial for desertion 73 days and escaping confinement, with a further 19 days A.W.L.

Dolan is a very glib, plausible individual with high intelligence but really does have a psychiatric problem which has caused him some concern.

He comes from an unsettled home - his Mother is Protestant and Father R.C. and his parents had many squabbles over religious policies. The father was a heavy drinker on occasion and was often away from home. I believe he has a great deal of father resentment.

His childhood was unhappy - no prounced neurotic traits except fear of heights which still persists, and which he has tried to overcome (hence paratroops) frequent disturbing dreams and bitting fingernails.

At school he was always fighting and couldn't stand being teased otherwise progress was satisfactory.

His work record was spotty - restless and unsettled -with considerable wandering, but he denies stealing or other forms of psychopathic personality.

His army record has been poor despite considerable ability - he has been a corporal on three different occasions but has always been reverted because of misdemeanours. He has an unfortunate type of personality that does not adjust to the army, very stubborn, egotistical, regards any slights as personal offences against himself. He it also very meticulous and has many obsessive compulsive ruminative tendencies, and I believe these tendencies are at the root of his troubles in the army.

His progress was satisfactory until he was on the scene of two suicides. This upset him tremendously and he began to have fears of doing himself personal injury with firearms - e.g. on guard duty at nights would be terrified he would do himself in, at nights in the hut he wouldn't be able to sleep if ammunition were lying around in the hut, yet he always had a compulsion to pick it up and put it in his own pocket. He has other compulsive tendencies which he has to fight i.e. for two years he has never walked over Waterloo Bridge alone for fear of jumping, always stands well back when tube trains come in for fear he will jump in front of them. He also has some persistent thoughts about his wife he can't stop thinking about.

A-21514, Pte DOLAN cont'd:

I don't believe that these obsessive - compulsive-ruminative features are sufficient to account for his anti-social behaviour but but do feel they, plus hid psychopathic behaviour, render him unfit for further service.

Advise:

(1) Recategorization M-1, S-5 as Psychopathic Personality (anti-social) with obsessive compulsive tendencies.

(2) Fit to stand cour-martial and punishment.

Plea in Mitigation

Sir,

I have no intention of trying to excuse the recent behaviour of the accused, but in all fairness to him I do wish to bring out one or two points which should, in my opinion, cause this Court to look less severely at the case of Pte. Dolan.

Firstly we have his record of service - nearly five years of this young man's life have been given voluntarily to His Majesty's Service. Four years of this time have been spent overseas. Such service merits recognition.

The Court have before them a psychiatric report on Pte. Dolan stating that he has ~~psycho~~ psychopathic features which render him unfit for service. From this it would appear that the accused will be discharged from the Army when this matter of his illegal absence has been dealt with. Surely the fact that this soldier is unstable to a degree that renders him unfit for the Army explains to a large extent his actions. An absence such as his is not

fairly comparable with that of a normal soldier.

In conclusion I would like the court to recall that Pte. Nolan is married and has a future to look forward to with his wife at home.

CONFIDENTIAL

Psychiatric Report.

A-21514 Pte. DOLAN, J.J. — 1st Can. Para. Trng. Coy.

Problem:

Referred at his own request for psychiatric opinion. He is pending court-martial for desertion 73 days and escaping confinement, with a further 19 days AWL.

Dolan is a very glib, plausible individual with high intelligence but really does have a psychiatric problem which has caused him some concern.

He comes from an unsettled home- his Mother is Protestant and Father R.C. and his parents had many squabbles over religious policies. The father was a heavy drinker on occasion and was often away from home. I believe he has a great deal of father resentment.

His childhood was unhappy- no prounced neurotic traits except fear of heights which still persists, and which he has tried to overcome (hence paratroops), frequent disturbing dreams and biting fingernails.

At school he was always fighting and couldn't stand being teased- otherwise progress was satisfactory.

His work record was spotty- restless and unsettled- with considerable wandering, but he denies stealing or other forms of psychopathic personality.

His army record has been poor despite considerable ability- he has been a corporal on three different occasions but has always been reverted because of misdemeanours. He has an unfortunate type of personality that does not adjust to the army, very stubborn, egotistical, regards any slights as personal offences against himself. He is also very meticulous and has many obsessive compulsive ruminative tendencies, and I believe these tendencies are at the root of his troubles in the army.

His progress was satisfactory until he was on the scene of two suicides. This upset him tremendously and he began to have fears of doing himself personal injury with firearms- e.g. on guard duty at nights would be terrified he would do himself in, at nights in the hut he wouldn't be able to sleep if ammunition were lying around in the hut, yet he always had a compulsion to pick it up and put it in his own pocket. He has other compulsive tendencies which he has to fight i.e. for two years he has never walked over Waterloo Bridge alone for fear of jumping, always stands well back when tube trains come in for fear he will jump in front of them. He also has some persistent thoughts about his wife he can't stop thinking about.

Exhibit "D" C.E. Thomas J.A.

A-21514, Pte. ~~JASON~~ DOLAN cont'd:

I don't believe that these obsessive-compulsive-ruminative features are sufficient to account for his anti-social behaviour but do feel they, plus his psychopathic behaviour, render him unfit for further service.

Advise:

(1) Recategorization M1, S5 as Psychopathic Personality (anti-social) with obsessive compulsive tendencies.

(2) Fit to stand court-martial and punishment.

The President, in closed court, reads the Convening Order and the Charge Sheet to the Members, and the Court satisfy themselves that it is properly convened and constituted, that the accused is amenable to Military Law, and that each charge discloses an offence.

The accused is brought before the Court and at 1115 hours, the trial commences.

The Prosecuting Officer produces a Medical certificate under K.R.(Can) 557 that the accused has this day been examined and is fit to undergo trial by Court Martial. The certificate is signed by the President and attached to the proceedings.

President to accused

Q. 1 Do you object to A87385 Sgt B.W. Henheffer, CWSC, HQ 5 Cdn Armd Div, acting as shorthand writer?

A. 1 No, sir.

The shorthand writer is duly sworn.

The Convening Order is read in the hearing of the accused.

The names of the President and Members of the Court are read to the accused and they severally answer to their names.

President to accused

Q. 2 Do you object to be tried by me as President, or by any of the officers whose names you have heard read over?

A. 2 No, sir.

The President, Members, Judge Advocate and Officers under Instruction are duly sworn.

The Charge Sheet is signed by the President.

The Prosecuting Officer informs the Court that the accused has not elected trial by Court Martial.

The Charge is read to the accused and he is asked as the charge is read whether he pleads guilty or not guilty. He pleads as follows:

First Charge - Guilty

The President complies with R.P. 35(B) by ascertaining that the accused understands the nature of the charge and his plea thereto, explaining the difference in procedure by the plea and advising him to withdraw his plea if he thinks the accused ought to plead 'Not Guilty' thereto.

The finding of the Court is recorded on page 2 of AFA 3.

President to accused

Q. 3 Do you desire to make any statement of the circumstances in reference to the charge?

A. 3 No, sir.

President to accused

Q. 4 Do you wish to make any statement in mitigation of punishment?

A. 5 Yes, sir.

First Witness, Captain A.E. Jules, C B Highrs, having been duly sworn is examined by the Defending Officer:

Q. 6 Will you give a statement as to the character of the accused?

A. 6 I knew the accused ever since 1936. At that time he was in my employ. He was very trust worthy and hard working. I have followed his progress through the Army through various means and everyone I have spoken to about him has spoken highly of him. I found he has always been extremely reliable.

No cross examination.

In the opinion of the Court and the Judge Advocate it is not necessary to comply with R.P. (83)(B).

The witness withdraws.

Second Witness, Captain C.M. Archibald, C B Highrs, having been duly sworn is examined by the Defending Officer:

Q. 7 Will you give the Court a statement as to the character of the accused?

A. 7 I have known the accused since 1941 when he was a waiter in the officers' mess. At a later time, he came to my platoon and was under my command. He is an exceptionally good worker and I recommended him for his stripe.

No cross examination.

In the opinion of the Court and the Judge Advocate it is not necessary to comply with R.P. 83(B).

The witness withdraws.

Statement of Character and Service and Field Conduct Sheet, signed in the manner required by A.A. 163(1)(h) and purporting to refer to the accused by his number, rank, name and Corps, are produced to the Court, read, signed by the President and attached to the proceedings.

President to accused

Q. S Do you wish to address the Court on your Statements of Character, Service and Conduct in further mitigation of punishment?

A. S Yes, sir.

The Defending Officer makes the following plea in mitigation of punishment:

"The accused has been in the Army since the 11 day of April 1940. That is as you can see over three years. In that time as you have heard, he has had only two minor entries on his conduct sheet, neither of which amounted to anything at all. Is that not an indication of the soldierly abilities of the accused? From it you can see that he is not one who is wont to traverse from the standards of behaviour that are required in the Army.

The accused has pleaded guilty to taking a WD vehicle on an unauthorized journey. That is true in the letter of the law. However, he was at the time, in charge of the transport office. Sgt Kennedy was away as was Capt Bonnell, the acting transport officer. A vehicle had the brakes grabbing so the accused went to the RCOC fitter, Pte Clancy, and asked him if he were busy at the moment and told him the reason he wanted him. The fitter went out with the accused to attempt to find and adjut the trouble. In the course of this attempt an accident occurred, and it is this which brings the accused before you this morning.

Gentlemen, the accused guilty only of neglect in that he failed to have his journey properly authorized. He, himself, was actually in charge of the transport office at the time of the accused's accident. He was guilty of an error of omission and no more. He was merely attempting to put in good running a vehicle which at the moment was far from perfect. It is quite evident from the evidence that it was no joy ride--merely a trip with a purpose--the adjustment of the brakes!

You have heard two officers, both who have known the accused, give evidence as to his character. I too knew him in civil life and a man with a better character isn't common.

I ask the Court for leniency based on these facts connected with his character and your knowledge of the case--that it was merely an omission on the accused's part that the journey was unauthorized."

The President announces

"The Court is closed for consideration of the sentence. The sentence to be awarded by the Court, being subject to confirmation, will not be announced but will be promulgated later and the proceedings in Open Court are accordingly terminated."

The Court is closed to consider the sentence.

The sentence is recorded, dated and signed by the President on page 2 of AFM 3.

CERTIFIED A TRUE RECORD OF THIS TRIAL, this 23rd day of August, 1943.

Summary of Evidence

In the case of F58075 L/Cpl. Dolimont, R.E., Hq. Coy., Cape Breton Highlanders, Canadian Army Overseas, charged with one offence, under A.A. Sec. 40.

The Commanding Officer directs that the evidence be taken on Oath.

First Witness: F79564 Sgt. Kennedy, J.R., Headquarters Coy. Cape Breton Highlanders, having been duly sworn, states:

I am F79564 Sgt. Kennedy, J.R., acting transport Sgt. Hq. Coy., Cape Breton Highlanders, and was acting as such on 30 May 43. On the 30 May 43, (it was a Sunday), I was on duty at the transport office, at Argus Hill, when I had a call from #5 Provost Coy. asking me to come out and identify a motorcycle they had at their office, which they thought belonged to the C.B.Highlanders. I ordered Cpl. MacKeigan to get a truck and he and I would go to see the motorcycle, which we did. I personally detailed L/Cpl. Dolimont, to be in charge of the transport office, while I was away. When I came back, about 1½ hrs. later, about 1530 hrs., I was informed L/Cpl. Dolimont had been in an accident, with vehicle W.D. Willis 5 Cwt. C.M.4230372, between Mayfield and Hadlow Down. I immediately went to the scene of the accident. I procured a statement from the accused, and he was sent to hospital. The journey was an unauthorized one, as far as I know. I had detailed him to paint the 5Cwt. vehicle that was involved in the accident, that morning. The painting to be done that day. I had the 5cwt. vehicle, C.M. 4230372 taken to the C.B.Highlanders transport office, and from there, sent to the L.A.D. #73.

Signed J.R. Kennedy

The accused declines to cross-examine the witness.

Second Witness: B58444 Pte. Clancy, J.R., R.C.O.C., Driver Mechanic, attached to Cape Breton Highlanders, Hq. Coy., having been duly sworn, states:

I am B58444 Pte. Clancy, J.R. R.C.O.C., Driver Mechanic, attached to Cape Breton Highlanders, Hq. Coy. On Sunday afternoon, 30 May 43, about 1500 hrs. I went into the transport office at Argus Hill. L/Cpl. Dolimont came in and asked me if I were busy at the present moment. I said no. He said the brakes in the front right hand wheel were grabbing, and he asked me if I would come along while he tried them. We went from there to Hadlow Down, about three or four miles, and we started back home on our return journey. We came up to a curve, going about 35 M.P.H. and met a bus coming from Mayfield. Just then L/Cpl. Dolimont swerved out to allow plenty room to let the bus go by, and the Jeep appeared to go into a skid. It hit the kerb on the road and went over the kerb, and skidded on the grass, and finally hit the guy wire on the telephone pole, and turned over. There were just the two of us in the Jeep, L/Cpl. Dolimont was driving.

Signed J. Clancy

The accused declines to cross-examine the witness.

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. Opening Address of Prosecution.

Mr President and Members of the Court, the prosecution will attempt to prove that the accused H46490 Private Dolinski, William, of No 4 C.I.T.R. a patient at No 23 Canadian General Hospital stole a watch and chain, the property of F6029 Corporal Gallant J. a patient at No 23 Canadian General Hospital; by the ~~introduction~~ introduction of evidence in the following manner:

First, I will call A/C/M5 Groves to show the circumstances surrounding the finding of the watch and chain mentioned in the kit of the accused at a kit inspection.

Second I will call Capt. McLaren to further elaborate the circumstances of the kit inspection and corroborate the evidence of A/C/M5 Groves.

Third I will call Cpl. Gallant to show the circumstances surrounding the alleged theft and the fact that both the accused and Cpl Gallant were being discharged the morning following the alleged theft to different destinations. Also Cpl Gallant will prove that the watch and chain are his personal property.

Fourth I will call Private Keen who will testify as to the actions of the accused in the ward the night before the discovery of the alleged theft.

With these four witnesses I will

Prosecution.

First witness: Y 44450 C.M.S. Groves, A.R.M. 28 Can Gen. Hosp. being duly sworn states:
I know the accused since the investigation. He is there. The theft alleged was reported to me in the morning of 22nd Dec at 0800 hrs by Sgt Thomas I informed R.S.M. He said he knew about it and had C.B.'d the ward I was instructed by R.S.M. that I was to proceed to ward J (ward of accused) at 1030 hrs with Capt McLaren for to investigate the matter. We get to the ward and called Cpl Gallant who had reported that he had some of his effects stolen and Capt McLaren asked him if he suspected any thing. He said that someone had seen the accused around his tunic the evening before. Capt MacLaren then ordered me to have all the patients lay out their kit. We proceeded in one half of the ward where the accused was. I went through the accused's kit and got to his respirator and came across a chain (Chain is produced - Exhibit A) in the compartment for eye shields. We were concerned more about the articles stolen and did not pay attention to the chain then. The accused was present throughout and made no remarks. We then went on with the others' kits and about 15 to 20 mins

after Capt McLaren reminded me of the watch. this struck me and I went back to the accused's kit. I took the respirator and pulled out the chain in the presence of the accused. Cpl. Gallant then identified his chain and I showed it to Capt McLaren. I was then instructed to strip accused & ~~to~~ search the ~~respirator~~ and take it over to Capt McLaren's office and also the accused. When Capt McLaren came back to office the accused was ordered to be stripped and a thorough inspection. I was present with Capt McLaren and Sgt Thomas when Capt McLaren found the watch in his respirator (Watch produced as exhibit B)" The accused was then put under close arrest.

The witness shows the Court in which part of resp. the watch & chain were found.

Third witness: F 60292 Cpl Gallant, J.P. N.N.S. Hughes
att'd 23 Cdn Gen Hosp. being
duly sworn states:

I've known accused since I came out to hospital about two months ago. I recognize chain "Exh A" as my chain and watch (Exh. B)" as my own watch. I have ring of my watch on me and it fits in the watch. I was out on pass in Watford with accused on evening of 21st Dec had a few drinks in pubs together and came back also together to hospital around midnight. I had my watch in the evening and remember looking at the time at 1030 p.m. We first got in the ward, took my tunic off which I laid on my chair by my bed and went to the kitchen with accused. I was keeping watch, chain in tunic pocket. Staid in kitchen about 10 mins. Accused left the kitchen when I was there about 5 mins. He came back, we finished lunch and went to bed. The next morning at about 0645 I noticed watch was missing amongst other articles I reported to ward-master. I was to be transferred to N.E.T.D. that very same morning we were to report to A & D. room at 0700 hrs with kit. The accused was due to leave on that same morning for Cans. Depot and was to report also at 0700 hrs to A & D. room.

patient. At approximately 2nd Dec. I was informed by R.S.M. that ward 7 had been C.B. on account of articles having been up stolen. With C.M.S. Grimes & Sgt Thomas I proceeded to ward 7 and told ward what we were there for and had them lay kits, that is East half of ward where accused was asked by Cpl Gallant he suspected anyone. He said he did not. I searched the accused's kit in presence of the accused and of C.M.S. Grimes and did not find anything abnormal. We then went on to search rest of ward. It is only when I had done half of ward when I learned that watch & chain had also been stolen from Cpl Gallant. I informed my assistants I must look with C.M.S. Grimes to accused's kit and the chain (Exh A.) was removed from accused's respirator. I then ordered accused to be brought with his kit to my office. Accused was asked to strip and then I removed watch from respirator. Ring at top of watch was missing. I asked accused if he knew whose watch it was. He said it's Cpl Gallant's and I do not know how it got there. I placed under close arrest.

No cross-examination.
No questions by the Court

Cross-examination.

Cpl Gallant The accused was with me when I discovered watch was missing. There were others from that ward going on draft that morning. I discovered loss around 0645.

By Court.

I never placed my watch in respirator. By my tunic, I mean my battle-dress blouse.

By J.A. That evening ring was on the watch and chain fastened to the watch. I found ring in bottom of pocket. I had watch on my table all the time. Accused's bed across the room. Accused had no watch as far as I know. I was a good friend of accused in ward and used to be together in the ward. I paid all the drinks that evening, I was treating him. We were both feeling good when we got in.

R.P. 23 (B) complied with.

Fourth witness: B139058 Rfmn Kerr, J.F. 20.R. of Can. att'd 23 Can Gen Hosp being duly sworn states:

I know accused. We were in same ward. Cpl Gallant's bed was next to mine on my right side. The accused's bed was across the ward, about two beds to the right

of my bed. On 21st Dec. I went to bed at app. ~~1630~~ 2230 hrs. At app. 2330 hrs I was awake by Cpl Gallant and accused coming in. Cpl G. placed his tunic on his chair between his bed and mine. The ~~mat~~ chair was shoved under the bed at foot. They both went ~~to kitchen~~ I saw Cpl Gallant go in to kitchen. I then saw accused coming out of kitchen and he proceeded to Cpl Gallant's bed. For app. two mins he was handling Cpl Gallant's tunic. He returned afterward to kitchen. He was more or less facing me.

Cross-examination.

No light in ward just in kitchen. I did not see take watch or chain.

By Court. He could have taken it anything from his pocket which I could not have identified. I figured it was cigarettes. As soon as he got up he appeared to be fastening up his patch pocket.

They appeared to be good friends It struck me that he was around his bed at that time. It struck me funny - There were no body else in the kitchen as far as I recall.

There were about 7 or 8 feet from where I was and the accused ~~when~~ while they were talking the ~~it is~~ As much as this an account of angle R.P. 83(B) complied with.

Fifth witness: K15804 Sgt. Thomas, R. RC.A.M.C. 23 Can. Gen. Hosp. being duly sworn states:

I know accused (pointing) as Pte Dolinski. On morning 22nd Cpl Gallant reported to me that he had different articles stolen, of which a watch and chain. This was at about 0700 hrs. I phoned R.S.M. and req'd. asst. to C.B. ward and cancel discharges of that ward. I carried out these inst. - it was about 0720. They could have gone out as I had to perform other duties and could not remain there.

Cross-examination.

I did not put guards on the door. Was there were no offrs or N.C.O. put in charge.

By Court. I gave no particulars. To my knowledge I do not believe that there was a N/S. at that particular time. I just went orderly.

The Defending Officer makes a motion of no prima facie case on the ground that the prosecution has not adduced evidence whatsoever with regards to the first

charge. i.e. stealing. There is not a bit of evidence that accused took watch and even if circumstances proved against him by recent possession, there is no evidence at all of intent, essential element.

The prosecution answered motion (Doc. marked "A")

The J.A. advises:

He refers Court to the doctrine of recent possession as outlined para 66 p. 124 M.M. Fs. Strong presumption of theft raised by recent possession ... etc.

Motion disallowed.

Rebuttal of Plea for No Case.

While the defence has intred this plea of no case under A.A. 18(a) I contend that recent possession has been proved and that the possibility of the accused leaving the hospital before the loss was noticed was available in the draft leaving that day. Besides this on a bit inspection the position of the water in the hammock was a logical ~~looking~~ hiding place when one would put for the anti-dim. Recent possession has been proved as under FFMR. Ch. III Para 32. That is all the prosecution has to say.

The accused, H.46490 Pte Dolinski, W. 4 C.I.D.R. att'd 23 Cdn Gen Hosp. being duly sworn states:

On Dec 21st at app. midnight, Cpl Gallant & myself returned to ward by side door, there were no lights in the ward at all. Pte Fisher was awake and flashed his light to shew us our beds. When I got to my bed I left my battle dress blouse on my bed & then went to kitchen. Cpl Gallant walked behind us in the kitchen. Cpl Gallant had a can of lobster and he opened it. I asked Cpl Gallant if I could get his pencil to write his address down. He gave me his pencil which he got from somewhere outside the end of the kitchen. He handed it to me upon his returning to kitchen. We started eating and talking forgetting about this address and all left the kitchen to go to bed. I went straight through to the lavatory. Pte Barrett was still in lavatory being sick. I came out and went straight to bed. At 0600 hrs the next morning, had breakfast left for A/D at 0630 - got there. Sat beside Cpl Gallant felt for his watch then in his pocket and could only find the ring. After that he felt in other pocket and found other articles missing some money, also missing. Cpl Gallant went out and we went then

13 Sept.

called back from A & D to the ward. We left our packs incl. respirator bearers at A & D and came back to ward. We were then told we were all C.B. - It was then about 0720. Rumours came about that there was going be a kit inspection. We got permission for Pte & myself to go down & get our kits. This we did and came back. It was then about 0910 hrs. We stayed in ward until Capt McLaren's arrival. At about 1020 hrs we laid all our kits and emptied all our pockets. A.M.S. Graves came and inspected my kit. The last article he looked at was my respirator. He found a chain therein in pocket. I was surprised to see it and did not say anything. He put it back. I offered to put respirator back myself. He did not let me. He came back later on for a further check. He took chain out & showed it to Sgt Holland & Cpl Kerr both present identified it. Pte was all stripped and ordered to proceed to Capt McLaren's office. I was stripped right down and a complete search was made. They searched respirator and found Cpl Holland's watch in the pocket for the anti-dim. I identified it as such. I did not know how it got there. I did not leave kit then by myself to go into the ward. There was about 4 hrs lapse between the discovery of missing watch and kit inspected.

I have seen many kit inspections in my army career. I could hardly say how many I have seen. I left that ward ~~after I came back~~ C/S. I was too surprised when I saw Chain, I did not know what to say.

Cross. Examination.

— Kitchen is app. 10 to 15 yds from Cpl Gallant's bed. Light was on in kitchen. Nobody else came into kitchen. Found our kits in A & D where we had left them.

By Court.

There was no blue light.

Cpl Gallant was in sweater. I do not know where he had left tunic. He did not have coloured in town; he had it when he came into to kitchen. My bed upp. across the ward from Cpl Gallant's. I found our kits in same ward for about 1½ month. He slept ~~right~~ hand side of Cpl Gallant's. I was not in that Cpl Gallant's bed that evening. I did not leave kitchen. I swear I did not leave kitchen. He was looking mainly for money. I know it was not mess waiter C.M.S. Graves found Chain. I had seen chain & watch in his possession. I did not at first identify it. About 15 mins. elapsed between both inspections. I was sitting

around my bed. Every one was busy on his kit. Holiday had access to my kit from time I came back until kit inspection. I was surprised when they came back for a second inspection. I did not suspect they were looking for anything else than mine. My inspiration was used to me all night as the ~~floor~~ Cpl. kitchen door tightly closed.

Pte Barnett slept on right hand side of me Pte Burke slept next to me on the left. He spent a lot of money down town that evening.

I was wearing overcoat when I took off my tunic.

I saw the accused coming out of kitchen. I was gonna speak to the Cpl when he came to his bed and then I recognized accused. He had his tunic on as far as I can remember. I more or less was getting impression I was sleeping. It was rather quiet in ward. I saw Pte Barrett ~~get up, go to the~~ coming from the bath-room and he got to his bed ~~before the~~ other two ~~got~~ ~~did~~ in kitchen. Closing Remarks of Prosecution

The evidence produced has proved the doctrine of recent possession as laid down in M.M.L. Ch. VII Para. 66 (read to the court in abstract) The accussed has knowledge that the hut inspection was to find a watch and chain, which were found in his possession. 1

The case of identification of the accussed in the ward while the accussed & the corporal are in the kitchen has been shown by the evidence of the two witnesses. 2

The case is based on the doctrine of recent possession and the identity of the person in the ward the night of 21 Dec.

Defense Plea

My defense is based on the accused statement under OATH and Chap IV sec 37 & Chap III sec 37. (both acts read to court). Is there is certainty or reasonable doubt as to the accused guilt. Both the technicians Ch Sallant & — are so disputed and contradictory as to be worthless. Also the fact that the accused was left alone for four hours with his kit where it is known the watch was in his possession he would have got rid of them

J. A.'s summing up.

The only purpose in my being here as Judge Advocate is to advise the members of the Court on any point of law and at the same time ensure that no injustice is done the accused throughout his trial. I have no saying whatsoever in the decision of the Court and should I venture to express any opinion during my summing up, it is your duty to disregard it. You alone, gentlemen on the Court, are the judges on all the facts in the case before you and the decision you will arrive at as to the guilt or innocence of the accused ought to be the result of a personal opinion each of you will have formed from the facts and from these only facts you have heard exposed before you.

You will note that the accused has been arraigned upon two charges, the second of which is alternative to the first one. The latter part means that the accused can only be found guilty on one of the two charges. If you are satisfied from the evidence that the accused has committed theft, i.e., the subject of the first charge, and therefore find him guilty on that charge, the accused must automatically be found not guilty of the 2nd charge. If, on the other hand, you are

23
Feby.

but convinced of that the accused has committed theft, you will find him not guilty of the first charge but may consider his guilt or innocence as to the 2nd charge, i.e. of improper possession.

Before going over the evidence, I would like to call your attention to para 33 on page 22 of M.M.L. which gives the elements necessary to constitute an offence of stealing. These elements are the following: there must first of all be taking or carrying away without the consent of the owner, the taking must be fraudulent and without a claim of right in good faith and finally there must be an intent, at the time of taking, of depriving permanently the owner of the stolen article. The latter element, intent, is in most cases very difficult to prove, as one cannot read the delinquent's mind, and therefore intent can often be inferred from circumstantial evidence. However it is especially in case of theft, the recent possession of a stolen article is a very strong presumption that the article was stolen. In this regard, I refer you to para 66 on page 124 M.M.L. which deals with the doctrine of recent possession. also cive. evidence p. 81 para 42

Needless to say that the accused, in accordance with the basic principles of British Common Law, appeared before

J Ref. 23

you to-day as an honest citizen or soldier and presumed innocent of either of the offences alleged against him. The onus of proving his guilt remained entirely upon prosecution. The latter's task in the present case has been rendered less complicated in view of the theory of doctrine of recent possession which creates a strong presumption of theft. If in your opinion, the Defence has failed to rebut that presumption, you are bound in your verdict by the provisions of para 66 page 124 M. M. L. The facts themselves are simple - You have heard the several witnesses - there have been a few points of contradiction and it is entirely up to you to decide who is saying the truth.

With respect to the 2nd. charge, I believe it is my duty to tell you that the essential elements that have to be proven to support that second charge would be practically the same as those required for the 1st charge. The improper possession alleged in 2nd charge - would be constituted by the recent possession and that is the reason why in my opinion

Def. 34

it would amount more or less to theft. However the second charge has been laid and approved by higher authority and the only difference in my mind between the two charges is that the 2nd charge is considered a less serious offence under M. M. L. and is punishable by a lesser punishment.

In closing - Dr. A. commented upon theory of reasonable doubt - to the benefit of which accused is entitled.

Summary of Evidence in the case of H.46490 Pte. DOLINSKI, WILLIAM, #4. C.I.T.R., a patient at 23 Cdn. Gen. Hospital, a soldier of the Cdn. Army Overseas charged with offences under A.A. 18(4) and 40 taken this 23rd day of December 1944 in the presence of the accused.

The accused demanded that the evidence be taken on oath.

First Witness: F.60292 Cpl. GALLANT, J.P. (Patient) having been duly sworn states:-

"On the evening of the 21st December 1944 at approximately 2400 hours, on returning to hospital I had approximately £80:0:0 in my tunic. I Placed the tunic on the foot of my bed, ate a lunch and then to bed. Next A.M. (22 Dec 44) at approximately 0645 hours when I reached into my jacket my watch was missing. I then looked in my purse and there was only £28:0:0 left. I reported the loss to Sgt. Thomas, Ward Sergeant for Ward 7."

(F.60292 Cpl. Gallant, J.P.)

The accused declines to cross examine the witness:

Second Witness: B.139053 Pte. KERN, J.P. (Patient) having been duly sworn states:-

"On the evening of 21st December 1944 some time after 2330 hours I was awakened by men returning from pass. I saw Pte. Dolinski and Cpl. Gallant go into the kitchen. Shortly after I saw Pte. Dolinski return and sit on Cpl. Gallant's bed. Cpl. Gallant's tunic was neatly hung over the back of the chair which was at the side of the bed. I then saw Pte. Dolinski handling Cpl. Gallant's tunic but whether he put his hands in the pockets or not I could not see as the tunic was facing the other way. I sleep in the bed on the left side of Cpl. Gallant and the chair is on the left side of Cpl. Gallant's bed so that the back of the chair and the back of the tunic were towards me. Pte. Dolinski was facing me. After approximately two minutes Pte. Dolinski got up and returned to the kitchen. I smoked a cigarette and went back to sleep. I did not see anyone else [illegible] around the tunic from the time Cpl. Gallant took off his tunic until I went to sleep."

(B.139053 Pte. Kern, J.P.)

The accused declines to cross examine the witness:

J. Reid.

Third Witness: G.44950 A/QMS. GROVES, A.R.M. No. 23 Cdn Gen Hospital, RCAMC., having been duly sworn states:

"At approximately 0900 hours 22nd December 1944 it was reported to me that there had been a theft in Ward 7. I informed R.S.M. Mutch of the theft and also that Sgt. Thomas who C.B'd the ward. Capt. McLaren and myself at 1030 hours went to Ward 7 and interviewed Cpl. Gallant outside the ward. He gave us the facts about the amount of money that had been stoled and a list of 26 serial numbers that had been written in his note book. Two of the pound notes left had serial numbers corresponding to numbers on the list. I instructed the men to lay out all their kits on their beds. Three of us, Capt. McLaren, Sgt. Thomas and myself, checked all the kits. I checked Pte. Dolinski's kit, he was there while I checked his kit. In the pocket of the respirator I picked up a watch chain, Dolinski made no remark. When I went to replace the face piece Pte. Dolinski offered to do it but I did it myself. After I had completed, Capt. McLaren reminded me of the watch and chain and I went back to Dolinski's respirator and removed the chain from the pocket. Cpl. Gallant and Pte. Kern both recognized the chain as the one belonging to Cpl. Gallant. All Pte. Dolinski's belongings were transferred to Capt. McLarens office.

A.R.M. Groves
(G.44950 A/QMS. Groves, A.R.M.)

The accused declines to cross examine the witness:

Fourth Witness: R.18804 A/Sgt. THOMAS, R., No. 23 Cdn. Gen. Hospital, RCAMC., having been duly sworn states:-

"On 22nd December 1944 shortly after 0700 hours Cpl. Gallant reported to me, in the vicinity of the R.S.M's office, that he had lost approximately £50:0:0 and his watch. I notified the R.S.M. who told me to cancel the discharges for that ward and C.B. the ward, done at approximately 0720 hours, after which I proceeded on my regular duties, returning to Ward 7 with Capt. McLaren and Q.M.S. Groves at approximately 1030 hours."

R. Thomas
(R.18804 A/Sgt. Thomas, R.)

The accused declines to cross examine the witness:

Fifth Witness: Capt. A.G. MCLAREN, No. 23 Cdn. Gen. Hospital, RCAMC. having been duly sworn states:-

"On 22nd December 1944 at approximately 0930 hours the R.S.M. informed me that Ward 7 had been C.B'd because one of the patients had lost approximately £50:0:0. With QMS. Groves and Sgt. Thomas I proceeded to Ward 7 at approximately 1000 hours and interviewed Cpl. Gallant re loss, who stated he had noticed the loss in the morning prior to going on draft.

J. Rell.

Fifth Witness: Capt. A.G. MCLAREN, No. 23 Cdn. Gen. Hospital cont'd.

Cpl. Gallant stated he did not suspect anyone. Cpl. Gallant gave me a list of twenty three (23) serial numbers from the pound notes he had and said that the list was made for something to do. He had approximately twenty pound notes in his wallet, and one of these notes corresponded with serial numbers given. A kit inspection was ordered. While this was going on Cpl. Gallant stated he had also lost a watch and chain. I told Sgt. Thomas and Q.M.S. Groves this. All of the kits in the east half of the ward were checked. All the purses of the ward were checked and and serial numbers of all the bills checked against the list. one bill found on Pte. Miller corresponded with list but Cpl.. Gallant said that he had paid Miller a one pound note. Pte. Dolinski and his kit were taken to the Administrative office and a thorough search made. I found a watch in the bottom of the respirator buttoned in where the anti/dim is usually kept. When the watch was removed Pte. Dolinski recognized the watch and said that it belonged to Cpl. Gallant and that he didn't know how the watch and the chain got into the respirator. Nothing was found of the missing money. Here is the watch." (Exhibit B) "I notified the Officer Commanding and Pte. Dolinski was put under close arrest. I took the watch to the ward and Cpl. Gallant said it was his watch and produced the ring that fitted into the top of the watch. I questioned various patients in the ward about the general condition of the patients the night before."

(Capt. A.G. McLaren)

The accused declines to cross examine the witness:.

The accused is cautioned as follows:-

"Do you wish to make a statement or give evidence on oath? You are not obliged to say anything or give evidence unless you wish to do so but whatever you do or say or any evidence you give will be taken down in writing and may be used in evidence."

The Accused: "I have nothing to say at this time."

Pte Dolinski M.

I certify that the foregoing Summary of Evidence consisting of three pages was taken down in the presence of the accused and that RP. 4 (C)(D)(E)(F) and (G) have been complied with.

involved in something he had nothing to do with. The case was brought to F.P.C.M. and he was awarded 120 days along with the soldiers who had fought with the Royal Policeman and one other soldier who was also charged as being an accomplice. This incident brought about a very hostile outlook towards the Army. And so when he was released from detention he came back to soldiering with a chip on his shoulder against the Army. And if he had had a decent break at this time, I don't think he would be standing before this F.P.C.M. today.

CONVENING OFFR WILL INITIAL ALL DELETIONS AND ALTERATIONS

4/38A (Form 1b Secs of AFAI) (See overleaf for oaths and notes for use on trial.)

FIRST WITNESS: L.27709 L/Sgt Blades, R.E., Regina Rifles being duly sworn states:

On the afternoon of Oct 22 at approx 1700 hrs Sgt. Butt and I were called for our "O" Grp. There reporting in a carrier, we passed Rfn. DOLL on the road. After passing him by about 50 yds, I heard a shot and saw Rfn. McIntyre R.Y. slump down in the carrier, and turning around saw Rfn. DOLL with a Schmeiser in his hand pointing in the direction of the carrier. Sgt. Butt stopped the carrier, and I went to the "B" Coy for a stretcher-bearer. After the wound was dressed, Sgt Butt took McIntyre to the R.A.P. and I proceded to the "O" Grp.

CROSS EXAMINATION:

I did not see Rfn DOLL fire the Schmeiser.
There was other firing going on in the area.
There were other soldiers and civilians in the area.
Rfn. DOLL was standing on the left side of the road.
Rfn. DOLL was not aiming the weapon.

RE-EXAMINATION:

We were in a rear area at the time and the other firing that was taking place was being done behind a building.

Witness demonstrates position of weapon as the hip firing position.

Questioned by the Court witness states:

Rfn. McIntyre was standing in the front of the carrier. He was shot in the back of the shoulder. He was facing forward. When I looked around Rfn. DOLL was looking down the road toward the carrier. There was no visible sign of the weapon having just been fired. I did not speak to Rfn DOLL immediately after the occurrence. R.P. SS (3) complied with

SECOND WITNESS: K57054 Sgt Butt, H.M. 1 Regina Rifles being duly sworn states:

On the 22 Oct 44 at approx 1700 hrs I got into the drivers seat of a carrier with Rfn McIntyre in the front beside me and L/Sgt Blades in the back behind Rfn McIntyre. We three drove down the road and passed Rfn DOLL and Cunliffe. After we had passed there Rfn McIntyre who was standing in the front slumped down in the seat. I asked him what was the matter and he said he was hit. I did not hear any shot fired over the noise of the motor. By the time I had stopped the carrier we were in "B" Coy area. A First Aid man dressed the wound. I turned the carrier around and went back down the road toward the R.A.P. and stopped in the vicinity of where I had seen the accused. I found him in a building with Rfn Rusnak. I asked the accused for his weapon, and he refused to give it to me saying words to the effect "That no bastard would take the weapon off him even if he was the Brigadier. I'll shoot them first". I there left the accused with Rfn Rusnak and took Rfn McIntyre to the R.A.P. After he was treated I returned to where I had left the accused and Rfn Rusnak. When I got there the accused could not be found. I did not take the weapon from the accused where I returned to him in view of his attitude and what had already taken place. I intended to return with an escort later and place him under arrest. At the time of the incident I was in a rear area.

CROSS EXAMINATION:

The accused said nothing to us when we passed in the carrier that I could hear. There was no written order re the carrying of arms. Weapons were only carried depending on where the man was going. It was understood that civilians were to be treated with suspicion. To my knowledge Rfn DOLL and McIntyre were on friendly terms and had not quarrelled. Rfn McIntyre was not evacuated because of the wound. When I asked Rfn DOLL for his weapon I said "Give me your weapon for your own benefit." I did not state why I wanted the weapon. I saw the wound on Rfn McIntyre. The impression of the shot was straight forward in the right shoulder. I did not see the accused fire the weapon.

(cont'd)

QUESTIONED BY THE COURT:

As I had not heard the shot I did not look around to see where it had come from. I had no conversation with the accused other than to ask him for his weapon. R.P. 83 (B) Complied with.

THIRD WITNESS: H 1599 Rfn Rusnak J. 1 Regina Rifles being duly sworn states:

On the afternoon of 22 Oct 44 at approx 1700 hrs I was in the store near our billets. Rfn DOLL was passing, and seeing me in the store came in to talk to me. We had talked for a short time when Sgt Butt came into the store and asked Rfn DOLL to hand over his weapon to him. Rfn DOLL replied, " No son-of-a-bitch will take this weapon from me. I don't care if he's a Col or a Brigadier, I'll shoot the bastard first. Sgt Butt then left to go back to our billets. After Sgt. Butt had gone we talked for a few more minutes. Then Rfn DOLL got up and walked down the road. Rfn DOLL seemed angry about something while he came into the store but was not under the influence of liquor. Upon the evidence being read over the witness objected to the word angry, and said that he merely got the impression that Rfn DOLL was not pleased about something.

CROSS EXAMINATION

I did not hear any firing during the time I was in the store. There was firing going on before I went into the store. The town had been shelled and the walls of the buildings were pretty well damaged.

QUESTIONED BY THE COURT:

I do not remember any other part of my conversation with the accused. The shooting going on was the usual zeroing and trying out of weapons. The village was on the dike. There was a straight road with buildings only on one side to a fort where the buildings were on both sides of the two forks. Rfn DOLL's attitude to Sgt. Butt was not his normal way of speaking to a N.C.O. I have known Rfn DOLL for some time. There was nothing in Sgt. Butts words to warrant an answer such as he received . Rfn DOLL was not intoxicated. R.P. 83 (B) Complied with.

FOURTH WITNESS: Capt C.S. GRIFFITH R.C.A.M.C. being duly sworn states:

Rfn McIntyre had a wound on his right shoulder about two inches in length and barely skin deep. The wound was groove shaped and could have been caused by a bullet from a rifle, Sten or revolver. The wound was directly across the shoulder and came on a horizontal plane to the vertical plane of the wounded man.

QUESTIONED BY THE COURT:

The wound was only superficial and required only a dressing. The wound occurred on 22 Oct 44 but I did not see him until 24 Oct. He was treated by the R.A.P. Staff. R.P. 83 (B) Complied with.

FIRST WITNESS FOR THE DEFENCE: Capt L.R. EDWARDS being duly sworn states:

The accused Rfn DOLL is a member of my platoon. He has served with me through some rather bitter experiences and on several occasions I have called on him to perform extra-ordinary duties under fire. The man's temperament is such that he seems happier under these conditions than when things are quiet. For some reason or other he gets a kick out of such jobs as digging out snipers. His nature is quiet as a rule but very now and again he has what you might term, an out burst of words. He is very dependable in action and I would go so far as to say that he is the outstanding member of the platoon in action. where dangerous work is involved.

SUMMARY UP/// DEFENCE:

ON CHARGE: 1. There could not be any question of wilfull intent to injure as the evidence shows that the accused and the injured party were the best of friends. Rfn McIntyre continued to remain on duty and was not evacuated, hence was never made unfit for service. There is not one scrap of evidence to show this was the accused intention.

CHARGE: 2. There is no evidence to indicate that the accused fired his weapon at all. The only indication is sound of a shot and there were other shots being fired. The accused was standing on the left side of the road. The man was hit on the right. The bullet would have penetrated on an angle. It did not. Evidence shows that it penetrated on a horizontal plane from any small arm. The accused would have to take an aimed shot from the shoulder to do t is as the injured person was standing on a carrier on a higher level.

CHARGE: 3 The accused was not informed of the shooting hence had no knowledge of the reason for giving up the weapon. He had obtained same under trying circumstances hence took great pride in its possession. He thought an effort was being made to take it away for someone else's use, hence blew up.

CLOSING ADDRESS PROSECUTING OFFICER:

GENTLEMEN:

No person can read a mans mind but by his actions you can judge his intent and the fact that when Sgt Blades heard the shot from behind he immediately turned around in the carrier and saw Rfn DOLL with his Schmeiser in a hip firing position pointing directly at the carrier.

Rfn DOLL then proceded into the store and Rfn Ruamak noted immediately when DOLL began to talk to him that Rfn DOLL was apparently quite peeved at someone and when Sgt Butts came in and asked him in a reasonable manner for his weapon received the reply as written in the Charge.

Therefore DOLL'S actions and the evidence given show that his intent was to fire this weapon in direction of the persons in the carrier with the result that when a weapon is fired towards a person or persons someone is going to get hurt.

It is proven in the evidence given that Rfn DOLL did use threatening language to his superior officer and was in the frame of mind to carry out his threat if the Sgt had attempted to take his weapon away.

It is an understood fact that no person can threaten a superior officer or use abusive language.

The evidence given by the Doctor shows that the wound was caused by a bullet which came from the rear and fired on a horizontal plane to strike McIntyre who was in a vertical position in the front of the carrier, and that the bullet could not have come from a low angle or the lower side of the bike.

Gentlemen it seems quite evident that this man did fire directly at the persons in the carrier with intent to injure and that he be found guilty on charge one.

It is again proven that he did use threatening language to his Superior Officer and I ask the Court to find Rfn. DOLL guilty on this charge.

THE JUDGE ADVOCATE ADDRESSES THE COURT:

The accused is charged with "wilfully injuring a person subject to military law with intent thereby to render that person unfit for service". In that connection I will read from MAL page 109:

> "In some cases the intention--that is to say the immediate intention as distinguished from the motive--with which an act is committed becomes essential and must be proved. Intention is not, however, capable of positive proof. It can only be inferred from overt acts and where this is the case the intention may either be proved by independent evidence, as for instance by words proved to have been used by the offender, or by a previous course of conduct; or may be presumed from the act itself according to the maxim that a man intends the natural consequences of his own act. In other words the mode of discovering a man's intention is to consider what were at the time of his act the natural consequences of that act."

The third charge alleges that the accused use threatening language to his superior officer. To constitute this charge you must be satisfied that either the words themselves were threatening or the circumstances in which they were used lead the person to whom the words were addressed to believe that he was being threatened.

With ref to the first two charges you may acquit upon both but you can only find the accused guilty of one.

The onus of proving the complete charge is upon the prosecution and if upon any point you entertain a reasonable doubt, then the accused must be given the benefit of the doubt. "Reasonable doubt" does not mean the vague capricious doubt that a man who is anxious to avoid an unpleasant responsibility can conjure up in his mind. It is rather that substantial doubt which, if encountered in ordinary life, deters you from taking positive action.

As we went by Rfn DOLL, P.L. hollered - I turned my head and then turned away again. We went down the road about another twenty-five yards and that was the point where I was wounded. I met down in the front of the carriar and the sergeant asked me if I was hit and I answered him "Yes".

We went down to where the picture show was and the stretcher- bearer dressed the wound - which was on the flesh of the right shoulder.

The wound was dressed and has subsequently healed. From the appearance of the wound I would say it could have been caused by a bullet from a rifle, sten or pistol.

MITIGATION OF PUNISHMENT: Exhibit C ---DOLL

I admit: Pfn DOLL admits that his record while in England has not been all that might be desired. Since his being in Action his sheet has been clear. This is just one more of the many instances where the so-called bad boys turn out the best after all. His actions in England, I attribute to the lack of activity which brings about a state of being known as "Browned Off". He is in the Army solely for adventure and put in special application to get to Italy. When he was left off, he committed his worst offence. He is the quiet type who keeps to himself and rather than steam off to his pals, he goes away by himself. In action, in quiet spells, this evidenced by a wordy outburst, as he now feels a sense of responsibility and does not leave.

He has paid and paid dearly for his past record and I ask "Gentlemen" that you judge the man as a fighting soldier not as a parade square--barrack room one.

CONVENING OFFR WILL INITIAL ALL DELETIONS AND ALTERATIONS

(See overleaf for oaths and notes for use on trial.)

FIRST WITNESS: 1.27709 L/Sgt Blades, R.R., Regina Rifles being duly sworn states:

On the afternoon of Oct 28 at approx 1700 hrs Sgt. Butt and I were called for our "O" Grp. There reporting in a carrier, we passed Rfn. DOLL on the road. After passing him by about 50 yds, I heard a shot and saw Rfn. McIntyre R.Y. slump down in the carrier, and turning around saw Rfn. DOLL with a Schmeiser in his hand pointing in the direction of the carrier. Sgt. Butt stopped the carrier, and I went to the "B" Coy for a stretcher-bearer. After the wound was dressed, Sgt Butt took McIntyre to the R.A.P. and I proceeded to the "O" Grp.

CROSS EXAMINATION:

I did not see Rfn DOLL fire the Schmeiser.
There was other firing going on in the area.
There were other soldiers and civilians in the area.
Rfn. DOLL was standing on the left side of the road.
Rfn. DOLL was not aiming the weapon.

RE-EXAMINATION:

We were in a rear area at the time and the other firing that was taking place was being done behind a building.

Witness demonstrates position of weapon as the hip firing position.

Questioned by the Court witness states:

Rfn. McIntyre was standing in the front of the carrier. He was shot in the back of the shoulder. He was facing forward. When I looked around Rfn. DOLL was looking down the road toward the carrier. There was no visible sign of the weapon having just been fired. I did not speak to Rfn DOLL immediately after the occurance.

R.P. 83 (B) complied with

SECOND WITNESS: K57059 Sgt Butt, M.M. 1 Regina Rifles being duly sworn states:

On the 28 Oct 44 at approx 1700 hrs I got into the drivers seat of a carrier with Rfn McIntyre in the front beside me and L/Sgt Blades in the back behind Rfn McIntyre. We three drove down the road and passed Rfn DOLL and Cunliffe. After we had passed there Rfn McIntyre who was standing in the front slumped down in the seat. I asked him what was the matter and he said he was hit. I did not hear any shot fired over the noise of the motor. By the time I had stopped the carrier we were in "B" Coy area. A First Aid man dressed the wound. I turned the carrier around and went back down the road toward the R.A.P. and stopped in the vicinity of where I had seen the accused. I found him in a building with Rfn Busnak. I asked the accused for his weapon, and he refused to give it to me saying words to the effect "That no bastard would take the weapon off him even if he was the Brigadier. I'll shoot them first". I there left the accused with Rfn Busnak and took Rfn McIntyre to the R.A.P. After he was treated I returned to where I had left the accused and Rfn Busnak. When I got there the accused could not be found. I did not take the weapon from the accused where I returned to him in view of his attitude and what had already taken place. I intended to return with an escort later and place him under arrest. At the time of the incident I was in a rear area.

CROSS EXAMINATION:

The accused said nothing to us when we passed in the carrier that I could hear. There was no written order re the carrying of arms. Weapons were only carried depending on where the man was going. It was understood that civilians were to be treated with suspicion. To my knowledge Rfn DOLL and McIntyre were on friendly terms and had not quarrelled. Rfn McIntyre was not evacuated because of the wound. When I asked Rfn DOLL for his weapon I said "Give me your weapon for your own benefit." I did not state why I wanted the weapon. I saw the wound on Rfn McIntyre. The impression of the shot was straight forward in the right shoulder. I did not see the accused fire the weapon.

(cont'd)

QUESTIONED BY THE COURT:

As I had not heard the shot I did not look around to see where it had come from. I had no conversation with the accused other than to ask him for his weapon.
R.P. 83 (B) Complied with.

THIRD WITNESS: H 1599 Rfn Rusnak J. 1 Regina Rifles being duly sworn states:

On the afternoon of 22 Oct 44 at approx 1700 hrs I was in the store near our billets. Rfn DOLL was passing, and seeing me in the store came in to talk to me. We had talked for a short time when Sgt Butt came into the store and asked Rfn DOLL to hand over his weapon to him. Rfn DOLL replied, " No son-of-a-bitch will take this weapon from me. I don't care if he's a Col or a Brigadier, I'll shoot the bastard first. Sgt Butt then left to go back to our billets. After Sgt. Butt had gone we talked for a few more minutes. Then Rfn DOLL got up and walked down the road. Rfn DOLL seemed angry about something while he came into the store but was not under the influence of liquor. Upon the evidence being read over the witness objected to the word angry, and said that he merely got the impression that Rfn DOLL was not pleased about something.

CROSS EXAMINATION

I did not hear any firing during the time I was in the store. There was firing going on before I went into the store. The town had been shelled and the walls of the buildings were pretty well damaged.

QUESTIONED BY THE COURT:

I do not remember any other part of my conversation with the accused. The shooting going on was the usual zeroing and trying out of weapons. The village was on the dike. There was a straight road with buildings only on one side to a fort where the buildings were on both sides of the two forks. Rfn DOLL's attitude to Sgt. Butt was not his normal way of speaking to a N.C.O. I have known Rfn DOLL for some time. There was nothing in Sgt Butts words to warrant an answer such as he received . Rfn DOLL was not intoxicated.
R.P. 83 (B) Complied with.

FOURTH WITNESS: Capt G.S. GRIFFITH R.C.A.M.C. being duly sworn states:

Rfn McIntyre had a wound on his right shoulder about two inches in length and barely skin deep. The wound was groove shaped and could have been caused by a bullet from a rifle, Sten or revolver. The wound was directly across the shoulder and came on a horizontal plane to the vertical plane of the wounded man.

QUESTIONED BY THE COURT:

The wound was only superficial and required only a dressing. The wound occurred on 22 Oct 44 but I did not see him until 24 Oct. He was treated by the R.A.P. Staff.
R.P. 83 (B) Complied with.

FIRST WITNESS FOR THE DEFENCE: Capt I.R. EDWARDS being duly sworn states:

The accused Rfn DOLL is a member of my platoon. He has served with me through some rather bitter experiences and on several occasions I have called on him to perform extra-ordinary duties under fire. The man's temperament is such that he seems happier under these conditions than when things are quiet. For some reason or other he gets a kick out of such jobs as digging out snipers. His nature is quiet as a rule but very now and again he has what you might term, an out burst of words. He is very dependable in action and I would go so far as to say that he is the outstanding member of the platoon in action, where dangerous work is involved.

SUMMARY UP/// DEFENCE:

ON CHARGE: 1. There could not be any question of wilfull intent to injure as the evidence shows that the accused and the injured party were the best of friends. Rfn McIntyre continued to remain on duty and was not evacuated, hence was never made unfit for service. There is not one scrap of evidence to show this was the accused intention.

CHARGE: 2. There is no evidence to indicate that the accused fired his weapon at all. The only indication is sound of a shot and there were other shots being fired. The accused was standing on the left side of the road. The man was hit on the right. The bullet would have penetrated on an angle. It did not. Evidence shows that it penetrated on a horizontal plane from any small arm. The accused would have to take an aimed shot from the shoulder to do this as the injured person was standing on a carrier on a higher level.

CHARGE: 3 The accused was not informed of the shooting hence had no knowledge of the reason for giving up the weapon. He had obtained same under trying circumstances hence took great pride in its possession. He thought an effort was being made to take it away for someone else's use, hence blew up.

CLOSING ADDRESS PROSECUTING OFFICER:

GENTLEMEN:

No person can read a mans mind but by his actions you can judge his intent and the fact that when Sgt Blades heard the shot from behind he immediately turned around in the carrier and saw Rfn DOIL with his Schmeiser in a hip firing position pointing directly at the carrier.

Rfn DOIL then proceded into the store and Rfn Busnak noted immediately when DOIL began to talk to him that Rfn DOIL was apperently quite peeved at someone and when Sgt Butts came in and asked him in a reasonable manner for his weapon received the reply as written in the Charge.

Therefore DOIL'S actions and the evidence given show that his intent was to fire this weapon in direction of the persons in the carrier with the result that when a weapon is fired towards a person or persons someone is going to get hurt.

It is proven in the evidence given that Rfn DOIL did use threatening language to his superior officer and was in the frame of mind to carry out his threat if the Sgt had attempted to take his weapon away.

It is an understood fact that no person can threaten a superior officer or use abusive language.

The evidence given by the Doctor shows that the wound was caused by a bullet which came from the rear and fired on a horizontal plane to strike McIntyre who was in a vertical position in the front of the carrier, and that the bullet could not have come from a low angle or the lower side of the Lyke.

Gentlemen it seems quite evident that this man did fire directly at the persons in the carrier with intent to injure and that he be found guilty on charge one.

It is again proven that he did use threatening language to his Superior Officer and I ask the Court to find Rfn. DOIL guilty on this charge.

THE JUDGE ADVOCATE ADDRESSES THE COURT:

The accused is charged with "wilfully injuring a person subject to military law with intent thereby to render that person unfit for service". In that connection I will read from MML page 109:

> "In some cases the intention--that is to say the immediate intention as distinguished from the motive--with which an act is committed becomes essential and must be proved. Intention is not, however, capable of positive proff. It can only be inferred from overt acts and where this is the case the intention may either be proved by independent evidence, as for instance by words proved to have been used by the offender, or by a previous course of conduct; or may be presumed from the act itself according to the maxim that a man intends the natural consequences of his own act. In other words the mode of discovering a man's intention is to consider what were at the time of his act the natural consequences of that act."

The third charge alleges that the accused use threatening language to his superior officer. To constitute this charge you must be satisfied that either the words themselves were threatening or the circumstances in which they were used lead the person to whom the words were addressed to believe that he was being threatened.

With ref to the first two charges you may acquit upon both but you can only find the accused guilty of one.

The onus of proving the complete charge is upon the prosecution and if upon any point you entertain a reasonable doubt, then the accused must be given the benefit of the doubt. "Reasonable doubt" does not mean the vague capricious doubt that a man who is anxious to avoid an unpleasant responsibility can conjure up in his mind. It is rather that substantial doubt which, if encountered in ordinary life, deters you from taking positive action.

As we went by Rfn DOLL, P.L. hollered - I turned my head and then turned away again. We went down the road about another twenty-five yards and that was the point where I was wounded. I sat down in the front of the carrier and the sergeant asked me if I was hit and I answered him "Yes".

We went down to where the picture show was and the stretcher- bearer dressed the wound - which was on the flesh of the right shoulder.

"I am Capt G.S. Griffith, Medical Officer, attached to Regina Rifles. On Oct 26th H 87396 Rfn McINTYRE, R.Y. was brought to the RAP suffering from a flesh wound of the right shoulder. The wound was of a minor nature, it was a groove shaped wound, barely skin deep across the top of the right shoulder. In all probability this man will suffer no future disability from this wound. The wound was dressed and has subsequently healed. From the appearance of the wound I would say it could have been caused by a bullet from a rifle, sten or pistol.

" Do you wish to make any statement or to give evidence on oath. You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence."

MITIGATION OF PUNISHMENT: Exhibit C ---DOLL

I admit: Pte DOLL admits that his record while in England has not been all that might be desired. Since his being in Action his sheet has been clear. This is just one more of the many instances where the so-called bad boys turn out the best after all. His actions in England, I attribute to the lack of activity which brings about a state of being known as "Browned Off" He is in the Army solely for adventure and put in special application to get to Italy. When he was left off, he committed his worst offence. He is the quiet type who keeps to himself and rather than steam off to his pals, he goes away by himself. In action, in quiet spells, this evidenced by a wordy outburst, as he now feels a sense of responsibility and does not leave.

He has paid and paid dearly for his past record and I ask "Gentlemen" that you judge the man as a fighting soldier not as a parade square--barrack room one.

Form for Assembly and Proceedings of Field General Court Martial on Active Service.

PROCEEDINGS.

A.
Order convening the Court.

On Active Service, this SEVENTEENTH day of DECEMBER, 1942.

Whereas it appears to me, the undersigned, an officer in Command of 6 Cdn Inf Bde, on active service, that the persons named in the annexed Schedule, being subject to Military Law, have committed the offences in the said Schedule mentioned.

"A"

Hq 2 Cdn Div

And whereas I am of opinion that it is not practicable that such offences should be tried by an ordinary General Court Martial; *[redacted]

* Omit where Convening Officer is a Commanding Officer or is of Field Rank.

I hereby convene a Field General Court Martial to try the said persons, and to consist of the Officers hereunder named.

* Omit if not applicable.

*[redacted]

In my opinion military exigencies, namely the dispersion of units and difficulties of communication and other difficulties render it inexpedient to observe the provisions of those rules inconsistent with Appendix "A" to D.R.O. 772 on the trial of the person named in the annexed schedule.

13th December 1942.

The Superintendent,

Sir,

re - Pte. H20072, PAUL LINDBERGH DOLL,
Queens Own Cameron Highlanders of
CANADA.

ABSENTEE

I respectfully report for your information that at 12-15 a.m. to-day, 13th. December 1942, a telephone message was received from Mr. Mellan, at the Victoria Hall, Sheffield, to the effect that three Canadian soldiers had booked beds for the night. They had all been drinking and one of them, Doll, above, had brought a suit case with him. He asked Doll if the suit case was his. Doll then left the premises and returned a short time later without the case. While he had been away the other two had gone to look for him and they had not returned. (Please refer to Misc. Book, entry 8403.)

At 12-30 a.m. with D.C. Longmore, I went to the Victoria Hall where I interviewed Doll. I told him who we were and asked him for his pass. He produced a leave pass, attached, which showed that he was on leave until the 15th. instant. He denied all knowledge of the suit case. He had been drinking and said he could not remember coming into the Victoria Hall at all.

Under the circumstances I was not satisfied with Doll's explanation and he was brought to the Central Police Offices where the following property was found in his possession:- 6 blank leave passes bearing dates from Dec 14th. to Feb. 1943; a leave pass bearing his name, expiring 15 Dec 42 and his Service Pay Book.

At the Police Office Doll admitted after being cautioned that he was absent without leave from his unit, which he stated was stationed in Petworth, Sussex, since the 6th. November 1942.

A telephone message was put through to the A.P.M. Canadian Military Forces, telephone Temple Bar 3818, London, and they said they would send escort in the morning, i.e., Sunday 13th. instant.

SUMMARY OF EVIDENCE

Summary of Evidence in the case of No. G 37047 Private Dollard, H.J., Royal Regiment of Canada, on strength of No. 4 Canadian Infantry Reinforcement Unit, a soldier of the Canadian Army Overseas.

By direction of the Commanding Officer the summary of evidence is taken on oath.

FIRST WITNESS

For the Prosecution

No. B 72984 Sgt. Walsh, A.R., 48th Highlanders of Canada, on strength of No. 4 Canadian Infantry Reinforcement Unit, a soldier of the Canadian Army Overseas, having been duly sworn, states as follows:-
I am B 72984 Sgt. Walsh, A.R., (48th Highrs.) posted to "A" Coy., #4 C.I.R.U., C.A.O., employed as Coy. Orderly Sgt. since 15 May 43 until the present time. At 1245 hrs. 25 May 43 I called the coy. roll for afternoon parade and Pte. Dollard, whom I now recognize, did not answer. I searched the coy lines and Coy. area and found him to be absent. At that time the accused was undergoing a sentence of Field Punishment. I was present at Lt.-col. McPherson's Orderly Room #4 C.I.R.U. on the morning of 25 May 43 when this punishment was awarded. I next saw the accused on the morning of 8 Jul 43 at "A" Coy. Office at about 0945 hrs. If he had been present between the dates mentioned I would have known it.

A.R. Walsh.
B 72984 Sgt. Walsh, A.R.

The accused declines to cross-examine this witness.

Certificate in accordance with P.C. 2797 of 10 Apr. 42, purporting to be signed by Capt. W. Fern, D.A.P.M., London Area, has been read to the accused and is included in this summary and marked Exhibit "A".

C.M.H.Q. 1000:55 Certificate of Cost of Apprehension purporting to be signed by Capt. W.Fern, D.A.P.M., London Area, has been read to the accused and is included in this summary marked Exhibit "B".

(J.H.H. Morgan) Capt.

The accused was cautioned as follows:- "Do you wish to make any statement or to give evidence on oathe? You are not obliged to say anything or give evidence, unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence."

FIRST WITNESS

For the Defence.

The accused, No. G 37047 Private Dollard, H.J., Royal Regiment of Canada, on strength of No. 4 Canadian Infantry Reinforcement Unit, a soldier of the Canadian Army Overseas, having been duly sworn, states:
After getting my sentence of F.P. on 25 May 43, I went absent without leave to see a girl who said that I had her in trouble. She came to No. 4 C.I.R.U. to find me. She threatened to have me arrested unless I helped her. I admit having relations with her but have reason to doubt that I am the father of the child she is expecting in August. She returned to Glasgow on the Monday and I promised to follow her to straighten things out. During the time I was absent I was attempting to find proof that I am not the father of her child. I told her that if I could not show that I wasn't the father that I would marry her. I wore my uniform all the time.

Plea in mitigation of sentence:

Although he was absent for some 20 days, he has no excuse for the breach of regulations. However he asked to be granted to his unit commander and requested to go on an early draft to Sicily where his unit is. During the time he spent with his original unit, his conduct sheet will bear me out, he was apparently a good soldier. In view of the fact he was desirous to go on draft and join his original unit, I ASK the Court to be lenient.

Lt. H.A. Whitney

SEVENTH WITNESS for prosecution

F.39657 Pte Morris, C.J. of West NSR, having been duly sworn, states as follows:-

I am Pte Morris of HQ Coy West NSR. I know the accused Pte Dolliver. On Saturday I spent the evening with friends in Warlingham and returned with Pte Dolliver, the accused, in a civilian car at 2225 to my billets at Dukes House. My friend in the car agreed to wait for me till after tatoo, so that we could go back to her place. We went ~~xxxx~~ up to our room in Dukes House and were there when the orderly corporal called the roll. Dolliver left the house a few minutes before I did and as I went down the road towards the gate of Ashen Coppice, I noticed Dolliver and Rhodenizer standing beside a large tree a few yards in front of Ashen Coppice. I did not speak to Rhodenizer but helped Dolliver carry away one case of twelve bottles of beer, seven small bottles and five large bottles to my friend's car and we went back to Warlingham. Pte Dolliver told me he had bought the beer from Pte Rhodenizer and I asked no more questions. We returned to our billets at about 0200 hrs. On Sunday after church parade around 1100 hrs Dolliver and I went down to where we had seen two bottles of beer on our way to church and each took a bottle of beer, which we drank there. I did not see any others around then. As we came back I saw Rhodenizer and I told him we had taken a couple of bottles and he said he had noticed some were missing. The case was an Allsopp yellow case built to contain 12 large bottles. There were 5 large bottles of Allsopp's Ale and 7 small bottles of Bass. Monday when I heard the beer was stolen I was afraid of becoming involved in trouble so I went up to my friend's house and took the large bottles and threw them away. I hid the small bottles out in the back yard and then I smashed the case up into kindling wood. On Tuesday I got the small bottles from the yard so that the police could have them for evidence if they wanted them.

We proceeded to a hedge approx 40 yards below the shed and to the right and there we found three cases empty, with a fourth in an air raid trench a short distance beyond. Thinking to find a cache of beer I returned to billets and got a couple of men and made a detailed search. Dolliver said something about the window in the shed but I said that was boarded up. I said we could get in through the door very easily. So we kept on walking down to the house and Dolliver said something about waiting until tonight that he was going out for the day. That's all I say of Dolliver until he came home at 1030 PM, when he came in and made down his bed. The Orderly Corporal came in and checked the man. Then Dolliver said he was going to the toilet which was upstairs and I went out in the hall where it was dark. The Regimental Barber and I had an arguement which we finished outside and then the barber went back inside. Morris was standing there listening. While the argument was going on Dolliver came out of the house over to the corner of the barber shop. Then Dolliver called me by name and I went over. Then I said something about the beer and that the door of the storehouse was open and I said "come on". Dolliver and I then went over and we each got a case. I went in the storehouse first. I couldn't swear Dolliver came inside but he was right up to the door. There were two cases there right inside the door and we each took one. I moved both cases. I took one in my hands and I slid the other one out to the door where he was standing. He picked it up and then sat it down while I carried out the case I had in my hands and I sat that down too. Then I closed the door and put the lock back on. Then we went over to the tree. I hid my case underneath the tree and while I washiding the case under the tree Morris came along and there was some words passed between Dolliver and Morris but I don't know what was said. Then there was an exchange of bottles between Dolliver and myself and when I got up on my feet they had disappeared down toward

At approximate'y '845 hrs '3 Apr I was informed by Sjt Whynot that Pte Goodwin had reported to him that the Regimenta' Canteen storehouse had been broken into. I investigated this and found it to be true. I immediate'y instigated a search with the he'p of three other men, in the nearby woods hoping to find a cache of the beer that was sto'en. In my searching I found five empty cases and a number of empty bott'es. The bott'es were not in the cases or near the cases. Fai'ing to find the cache of beer and darkness setting in the search was abandoned. At that time it was reported by Pte Goodwin that he had seen some men drinking approximate'y 75 yards be'ow the canteen storeshed. a statement, exhibit, or a witness in the case.

The Court is closed to consider the objection.

Objection is overru'ed.

Question by Court: Refresh your memory from the statement and give the court the gist of that statement.

Answer: Do''iver states,after being du'y warned by me, that on Saturday evening, '2 Apr, he spent the evening in War-'ingham at a private house with Pte Morris. At '025 PM we came home in a civi'ian car driven by Mrs. Wa''ace, 6 The Green, War'ingham. The car stopped at the gates of Ashen Coppice, transport HQ of the West NSR HQ Coy. We then proceeded up the driveway to our bi''ets in Dukes House. We did not see or hear anything on the way up. After arriving we answered our names at tatoo ro'' ca'' and I 'eft Dukes House in company with Pte Morris and when we came to a point on the driveway in front of Ashen Coppice House we noticed Pte Rhodenizer knee'ing beside a 'arge dedar tree. On ~~him~~ going up to him we noticed he had beer. Rhodenizer asked me if I wanted any beer so I said I haven't any money but I cou'd pay you on pay day. So he passed out 7 sma'' bott'es and 5 'arge bott'es of beer. Some were in a dozen beer case which was fi''ed with sma'' bott'es. There was no more conversation then and we proceeded down the road and back to War'ingham in the civi'ian car which had brought us down and which had waited at the gates whi'e we checked in. On Sunday '3 Apr at approximate'y '230 PM I was a'one in a room ~~with~~ at Dukes House with Pte Rhodenizer and I~~s~~ asked him where he got the beer he had the previous evening. So he to'd me out of the canteen store-house. He then said he had gone to a 30 cwt truck, taken an iron bar and had forced the 'ock on the storehouse. On Monday morning '4 Apr I spoke to Rhodenizer and asked him what the He'' he meant by saying I had broke the 'ock, which he denied saying , so I got him and Pte Goodwin together and Rhodenizer then said if he had said anything to me he must have been drunk as he cou'dn't remember.

accused was in Brothel area at the time.
Cross-examined.
I recognise accused & am sure. The accused when first I saw him
was about 3 ft. from point where I halted him. I saw him
enter area & go further into it. I saw him about 100 yds.
inside the brothel area. I was posted at static point No. 6
referred to in our orders. There are "out of bounds" signs marking
the area. Street on which I was standing was boundary of
brothel area. Other boundary was edge of waste ground. Waste ground is
an area east of 2 streets. Waste ground covers from street to Army P.O.
Third side is another road. Fourth side is back entrances to brothels.
Area is clearly marked & fenced. Quite a few signs with big
lettering marking brothel area. It was dark when I saw accused.
I had to use a flashlight to recognise him. It would have been
impossible for accused to see the signs at that time. The accused
was not drunk. He answered all questions intelligently. He did not
falter or stagger. There was no ill-behaviour on his part.

8. Second witness for Defence: A 9071 CSM McWaine G A formerly 3 CIB Coy. RCASC. Sworn, States:-

The accused whom I recognise was formerly a member of my unit. Accused joined RCASC in 1939 & proceeded overseas with same unit. As a member of my unit accused was a willing soldier, doing things as he was told & causing no trouble in vicinity of camps. Away from camps while in Cairo he got into a mix up a bar - drunkenness was one affair. On Sept 42 he suffered a lapse of memory & was excused duty for a time - He had worries over personal affairs at home. The M.O. said that this trouble was caused by his personal worries. This lapse of memory lasted for about 7 hrs. To my knowledge accused had no further lapse of memory. Accused did not drink around camp.

Cross-examn:

Accused & I were together in same unit until June 43.

R.P. 83(6) complied with.

Defence closed.

9 J.A.: As the last witness was a witness as to character only the pros. officer should address the Court first & then the Def. officer, vide R.P. 40(C).

10 Closing address of pros. officer:- Summed up evidence & submitted charge proved.

11 Closing address of pros. officer:- Submitted accused was drunk, & discrepancies between evidence at trial & in summary.

12 J.A. summed up:-

(a) accused entitled to benefit of doubt - facts to be determined by Court.

(b) When referred to in charge sheet no reference to "hostile area" - the breach alleged to be in Philippeville without a pass. If he was in a hostile area that may aggravate the offence but need not be proved to establish the offence.

(c) Drunkenness is not an excuse for offence in 1st charge but may be a mitigating circumstance.

(d) Proof of knowledge of order that accused ought to have knowledge of them essential. Evidence to this was faulty as Coy. broke when accused in unit.

13. Statement of accused as to RP 37 (B) (page "C" para 12.)
I was under close arrest & thinking it over I decided to get into action. After waiting four yrs. & as my brother was going on draft I decided that I would try & get to Sicily on my own, knowing that two previous persons who had left with the same idea, had due to their length of absence probably reached Sicily, I made up my mind to try & make it myself. I left guard-room barracks & took my rifle & web equipment & my large pack & ammunition. I went to Tunis & found that the harbour was not operating, so I went to Bizerte & went to English mov. Control who could not help me. I left for Ferryville & still could'n't make it. I then tried Sousse without any luck & so I returned to Ferryville I was on an invasion boat for a day & a half. but on finding that they were expecting to return to England instead of Sicily I got off the boat & returned to my unit.

(See p. "C" para 13)

14 Statement of the Def. officer in writing as to RP 37(C) (page "C" Contd. para 14)
Def. Off. quoted HMC p 23 para 38. Accused not prosecuted guarded when he escaped, therefore escape invited.
Instance of accused in escaping was to get to Sicily to get into action. Praiseworthy motive.
Quoted HMC p 447 for 3 & AA 22 & KR Cap 1562 — charge of AWL would have been sufficient.
Accused has been in confinement 26 days 63 & 21 Sept 43 — part of time was spent in hospital.

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

Statement of the accused

F.50455 Pte. Dominique P.J. N.N.S. Highrs.

Sir on the night of the 23rd of July 1944. I know I have taken some drinks of a kind that I had never tasted before. I was alone, by myself, after being given the drinks by some of the boys. For awhile I seemed to lose my senses, I roamed around and thought I was at a dance. There were people talking and I remember getting a blow on my forehead and remember nothing after. I do not know how I got into the 7th C.I.Bde lines. That is all Sir.

Pte Dominique P.J.

D.R.Kennedy Capt

DPK

Pte Dominique P.S. joined the Can. Army in Feb. 1941, came to the N.N.S. Highrs. and in May 1941 also put in the battalion pipe band. Since that time he has done his job well and his record is good, as he has no charges against him on the N.N.S.H.

On the night of the 23rd July 1944 Pte Dominique did get a hold of some liquor and apparently got in a mix up in the 7th C.I.B. area.

At this time I would like to point out to the Court that the 7th C.I.B area was just across the road from our "A" Echelon so that Pte Dominique did not wander very far from our lines and was taken in the 7th C.I.B guard room by the guard as the evidence shows.

I would also like to point out to the Court that the accused was not in the front lines at this time although he had just returned a few days before from there where he had been since "D. Day" & prior to his being picked up by the guard at 7th C.I.B. he had not been issued for any duty.

I would like the court to take into consideration that some types of liquor in this country are very strong compared to the liquor in England and in Canada. And unless one was warned of the effects this may have on them, they might easily drink too much and there are things which they would not ordinarily do.

Dismissed by Army [signature] Major

STATEMENT of WITNESS

LONDON, 6 July 41.

NAME - DOMINIQUE, Theodore John

REG.No. L-190, RANK - L/Bdr. AGE - 29 MARRIED

UNIT - 89th Battery, 1st L/A/A Reg't., R.C.A.

STATEMENT:

I have been cautioned by C.S.M. AYRE in the presence of Sgt. CHESTER that I need not say anything unless I wish to do so but that anything I do say will be taken down in writing and may be used in evidence and to show that I understand this I sign my name here

T.J. Dominique

I left my unit at Colchester on the 23rd of June, 1941, with instructions to report to a school at Brookwood for the purpose of taking a small arms course. I am a L/Bdr. and I was appointed a L/Sgt. for the duration of the course. I did not report to the school. I stopped off in London on the way to Brookwood. I had in my possession £11-10-0 of my own money.

I was walking around Waterloo Station about an hour after getting off the Colchester Train - I was waiting for the train to Brookwood - when I met Miss Josephine WALTENBURG. I had met her in London before and I thought she was a prostitute. We went and had a few drinks. I had intended to catch the train for Brookwood but I got drunk and went home with her and stayed with her for the night.

I told her that I was supposed to be on a course at Brookwood and that if I didn't go I would be A.W.L. She asked me to stay with her for a while and I agreed. We stayed at two other places before we went to Charlewood Place, and she helped me to spend what money I had. About the first of July, she and another fellow whom she says is her brother - I know he is not - went to 2 Charlewood Place and rented a room for her and I and one for the other fellow. I had nothing to do with the arrangements but I gave her £1-10-0 to pay for the rent of our room. I moved in with her the same night. I do not know what she told the landlady about me. I did not know until yes-terday that the Landlady understood us to be man and wife. I have never pretended to anyone or told anyone that I worked at C.M.H.Q. and I have not told anyone that I was getting married and was drawing my deferred pay. I have not promised to marry Mis WALTENBURG. I am a married man, my wife is in Canada. I have been going around with several women in London and Miss WALTENBURG knows about it. She also knew that I was absent without leave.

I had no reason to suspect that she was going to turn me over to the Military Police as she did. I told her on the afternoon of the 5 July 41 that I was going to report back to my unit and I had all my belongings packed ready to go last night. I have a Railway Warrant for the journey. She did not want me to go and she pleaded and begged me to stay with her. I think she was angry because I insisted on going back and that is why she had me arrested. I think that she went to C.M.H.Q. just to find out how she could have me arrested.

This Statement has been read over to me and it is true.

RECORD FORM B—PROCEEDINGS ON PLEAS OF GUILTY TO ALL CHARGES.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)[1], and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.[2]
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).[1] If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty[2], or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined[3], we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.[4]

President to accused : Do you wish to make a statement ? Ans No Sir.[5]

(*1. Court may be closed to consider the statement. Delete whole or part not used.*)

B4. On the charge(s) to which the plea(s) of Guilty is (~~are~~) not changed the President records finding(s) of Guilty in Part I of the Schedule.[1]
(*1. RP* 35(*B*). *If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex A, initialled and read aloud by the President.[1]
(*1. If there is no Summary, or if it is inadequate, comply with RP* 37(*B*). *If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p* 3. *RP* 37(*D*).)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

D5. President to accused : You will now proceed with your defence.[1] You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.[2] You may, however, make a statement without being sworn, and you will not be subject to cross-examination.[3] But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.[4] You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

The accused addresses the Court himself in medigation

" Before, I used to be with 81 Arty Coy with friends. About one third of the personnel in that Coy were French speaking. I didn't transfer to 31 Coy. I never asked for transfer to 31 Coy. In this Coy it is mostly English speaking and I have trouble speaking English. If at all possible I would like to be transferred from 31 Coy. This is all I have to say.
