The copy filmed here has been reproduced thanks to the generosity of:

Douglas Library
Queen's University

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol $\rightarrow$ (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Douglas Library
Queen's University

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole $\rightarrow$ signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

REPORT, 1891-92.

At the Annual meeting of the Temporalities' Board, held on Tuesday the 10th day of May, 1891, the following report, emanating from the Executive Committee, was received and adopted, and the Secretary was instructed to transmit a copy of it, along with the usual financial statements to each of the Beneficiaries.

INVESTMENTS.—Loans to the amount of twenty-nine thousand eight hundred dollars, (\$29,800) matured and were repaid in the course of the year. The last of the City of Montreal Corporation Bonds, held by the Board, for two thousand dollars (\$2000), also became due and was paid. The sum of twenty thousand dollars (\$20,000) was re-invested in City mortgages at six per cent. To provide for the payment of arrears to the non-privileged ministers, from December 1883, to June 1891, inclusive, and also for the payments in full for December 1891, it became necessary to dispose of securities held by the Board to the amount of twenty-four thousand nine hundred and twenty-five, (\$24,925), besides effecting a temporary loan, of four thousand dollars, (\$4000).

The invested capital and other assets at the 2nd of May, as set forth in Schedule A, represent a cash value of \$165,564.82. Compared with the amount at same date last year, there is a reduction of \$48,715.69 which represents approximately the draft made on capital to meet the unusually large demand made on the funds in consequence of the payments of the arrears and full December payments aforesaid.

The estimated amount required for the current half year is twelve thousand five hundred dollars, (\$12,500).

CHANGES IN THE ROLL.—Five ministers have died since the date of last report, namely :—Rev. George Weir, LL.D., of Morrin College, Quebec, on the 12th of June, 1891, aged 65 ; Rev. Donald Fraser, of Victoria, B. C. on the 24th of July, 1891, aged 48 ; Rev. William Stewart, of Toronto, formerly of Hornby, on January 20th, 1892, in the 89th year of his age ; Rev. John Cook, D.D. of Quebec, on the 31st of March, 1892, in his 87th year, and Rev. James Sinclair, of Huntley Ont., on the 20th of April last, aged 82 years.

In accordance with the By-laws, circulars have been sent to the Beneficiaries requesting them to nominate a successor to late Rev. Dr. Cook, as a member of the 'Temporalities' Board.
