The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

HAMILTON, - - ONTARIO.

ISSUED 1st OCTOBER, 1879. .

Dear Sir :

In this pamphlet you will find a list of properties which I have for sale. I beg to call your attention to two important features in connection with this list:—

*1st.*—*The most of the properties are given to Banking Institutions as collateral security, and must be sold to realize the amount of their claim, which is from one-half to two-thirds the actual value; I am therefore able to offer bargains to intending purchasers which no mere land speculator can afford to do.*

*2nd.*—*All properties advertised in this list, will be found on inspection to be exactly as they are represented*

*N. B.*—*Any person wanting a farm, can make arrangements with me to go with them and see any of the lands herein advertised.*

Any further information you may wish in regard to any of these properties enumerated in this list will be cheerfully given on application in person, or by letter to the undersigned,
