If so, the but, being Surveyor-General, he could bis "competent assistant"? If so, the being Surveyor-General, he could be such as such as surveyor to issue depentures to the extent of \$50,-000, to aid in the construction of a bridge over the St. John river at Fredericton. not, in honor, join with his friends and forsake his public trust. "Had he been the properties of the parties renting abused the parties renting abused the privileges the Government would so that if the parties renting abused the privileges the Government would so that if the parties renting abused their privileges the Government would so that if the parties renting abused their privileges the Government would so that if the parties renting abused their privileges the Government would so that if the parties renting abused their privileges the Government would so that if the parties renting abused their privileges the Government would so that if the parties renting abused their privileges the Government would so that if the parties renting abused their privileges the Government would so that if the parties renting abused their privileges the Government would so that if the parties renting abused the privileges the growth and they cannot be some the state of the parties renting abused the privileges the growth and they cannot be some the state of the parties renting abused the parties renting abused the parties renting abused the privileges the government would the parties renting abused the acting for himself—had he been the absolute owner of the pools, and made listen to applications of this nature from WHOLERALE & RETAIL DEALER IN

Dry Goods, Furniture, Bedding, Oil Cloths, Carpets, Wall Papers, &c., &c.

NEW DEPARTMENT,

| Main department of the pools, and made up his mind to sell them—would he not have advertised them well with a view of realizing the highest possible price for them? Would he have used his best efforts to place the pools in the Northern and Western Raving and the House into committee on Northumber and the Act in aid of construction of the Province, Mr. White in the chair is the relative cost of the two routes was the relative cost of the two routes was the relative cost of the two routes was the relative cost of the whole to consider the believe, for a line from Wilson's Circumstances had changed since 1883, upply. The item for Steam Navigation of the Province and whose efforts are, even now, being the highest possible price for the whole to consider the believ hands of the applicants at the lowest in aid of the road ? possible figure? Certainly not. Then was it not wrong for him as the representative of the people, charged with the duty of protecting their interests and pander to forsake those interests and pander to forsake those interests and pander to those of himself and friends as private individuals? This is the whole case against the late Surveyor-General in connection with the Southwest land transaction. We have quite as just an appreciation as the World can possibly appreciation as the World can possibly have the subsidy for building a road to roads, and it would save members much the Buctouche and Kingston Railway so as There could be no comparison at all, behave the subsidy for building a road to have the subsidy for building a road to have to nowhere, but when the road is to be an independent one and of the much longer than we have known the late Surveyor-General and although the World intimates they have no desire to creep into the good graces of the editor.

Appreciation as the World can possibly have the subsidy for building a road to next to nowhere, but when the road is to give a route for Kingston to the Intercolonial near Moncton.

The south side at would save members much to the whole Province, to give a route for the fingston tanhays on the cointrary. The item passed as did also the grant for the recolonial near Moncton.

The south side the two tracts of land. On the norther south to the whole Province, to give a route for the fingston tanhays on the country from Blackville to the country from Blackville to the country from Blackville to the was on the original survey of Mr. Buck in 1875 and had a practical knowledge of one of the principal feeders of the road.

On item for Lunatic Asylum, \$42,000 to five members, by their vote, to start duty to put forward his views, which were the views of a large portion of his constitution.

World intimates they have no desire to creep into the good graces of the editor.

The south side when the two tracts of land. On the morth the two tracts of land. On the morth the country from Blackville to the two tracts of land. On the morth the country from Blackville to the two tracts of land. On the morth the country from Blackville to the was a the two to the went to give a route for the following a road to give a route for the road.

The south size at the two tracts of land. On the morth the subsidier to give a route for the subsidier.

The south size at the two tracts of land. On the morth the two tracts of land. On the morth the subsidier. The south size at the subsidier to give a route for the fire the subsidier.

The south size at the two tracts of land. On the morth the subsidier.

The south size at the two tracts of creep into the good graces of the editor influence in such matters. of the ADVANCE, our relationships with them have always been of the most It was amusing to hear Mr. Park items in the estimates were also agreed side of the Northwest, Minamichi after the Northwest Minamichi after the Northwe friendly and pleasant character. Kendall's Spavin Cure.

three years I have used Kendall's Spavin Cure. Its every case of spavin, of which I have treated five, thas killed them all, and entirely removed three. In case of splint I find it has no equal, one case I had was of three years standing and the Spavin Cure removed it entirely. I had a cow get spavined and it entirely cured her. One year ago a two hundred pound block of ice fell out of a wagon striking my foot on instep and toes, it would be mpossible to mash a foot worse without breaking any bones. I was taken home and carried into the house. I do not think amputation of the leg would cause any more pain. I sent for Kendall's Spavin Cure, it was all I used, and in six days I could walk around. About three weeks ago my mean nan away and threw me out of the wagon, the find wheel struck my knee. After applying several highly recommended liniments without obtaining any relief, I went for Kendall's Spavin Cure. My leg was drawn up and my knee swollen badly. In three dear I was all I was all to walk to the house.

o into details more fully and make this a vetter, but will not weary you.

I am very respectfully yours,
OSCAR F. HUTCH
P. O. Lock Box, 2362, Denver City, Col. KENDALL'S SPAVIN CURE

Santa Rosa, Cal., Feb. 9th, 1883. B. J. Krndall & Co., Gents:—I feel it a dro others suffering with the piles and falling of t ne. I tried all kinds of ilniments and had it cu en without any benefit. Saw your advertise ent and bought a bottle of Kendall's Spavin Cur do ordered my teamster to use as directed. It is than one week the lump had disappeared.—inking that a liniment that would do what Kenl's Spavin Cure has done for my horse migh nefit more. I tried it as a last resort.

With gratitude and best wishes for your success I am faithfully yours, J. H. Glenn.
